

Game Over 951

Chapter 951 Selling Mommy

She was in a great mood because she and Matthew could finally be together

Master Hilton did not object to them anymore. The identities of the three children had also been revealed. Everything was going in the good direction, and naturally, she was in a good mood

Matthew caressed her pretty face gently, his eyes filled with tenderness.

“Of course, the one you’ll see when you wake up in the future is definitely me ”

He kissed her little face, then turned to her lips. The moment he kissed her, he heard her daughter laugh.

“Haha” Daddy and Mommy are kissing”

Matthew could only reluctantly let go of her while she smiled and looked at the door

“Darling, come here”

Abby ran over and her two sons walked in too. Abby had already climbed onto the bed and no

Elizabeth’s arms

“Mommy, Great Granny said that we’ll live here from now on. She even said

Daddy’s children and their great grandch

The two sons looked calm. They weren't as excited as Abby.

Elizabeth tapped her daughter's little nose, "Yeah, you're right"

Matthew was talking to his two sons, "Arthur, Antony, you are big boys. Take care of yourself from now on. Don't always look for Mommy"

There's a rule in the Hilton family. A boy has to be independent, and you have to take good care of your sister. Don't let her keep looking for

Mommy!"

He changed his attitude the moment they acknowledge him. He only wanted Mommy and ignored their feelings

"Mommy belongs to us."

Then, the two of them looked at each other and walked to Elizabeth's side

"Mommy, we're missing our home. Let's stay at our home in the future!"

Antony added, "That's right. I want Ms. Elliott too"

Elizabeth heard this and looked at Matthew. Did this guy upset the two kids? Otherwise, they wouldn't be like this

Because they were the most sensitive since they were young. No matter where she was, they would follow her without any complaints.

She had already guessed what happened between them.

Matthew stood not far away, his face full of darkness.

Now, can't be even discipline his two sons? WAS PAITHIN, a man shingl

Chapter 952 Baby, I Want To Be Inside You

Elizabeth a response made Matthee able to hold back. He reached out

emoved at her pajamas.

De gently hit her earlobe. "Baby, I want to be inuide you hmm?"

His breathing was rapid. It was deep and sexy Elizabeth's heartbeat quickened and her face burned even more

man who was being so seductive at this

Anyway, she couldn't take it anymore She smiled gently.

To you think it's useful for me to refuse?"

Mat ew laughed too. "Just once. I promise

Elizabeth smiled again. She slid little hand into his pajamas, caressed apple

He harrumphed and pressed her onto the bed.

Elizabeth finally fulfilled her wish. This guy's Adam's a ple was so hot tha

wasted to take

Elizabeth was still a little scared when Matthe

about to insert her

Every time she took his anaconda, she had to get used to it for a long time. After all, Mr. Hilton was
too much for her private part

At this moment, Elizabeth's phone rang. She opened her eyes and patted his shoulder.

The phone is ringing

Matthew didn't want to care about the phone at this moment. All he wanted to do was penetrate her

"Don't worry."

Then, he sealed her lips and invaded her body.

Elizabeth's eyes opened out of pain. After being with him for so long, she still couldn't take it all at once.

"Darling, you, go out first"

Because the phone kept ringing, she was distracted, so she hadn't fully been in the mood.

Matthew furrowed his brows. "What's wrong with you today?"

Not only was she in pain today, but he was in a lot of pain

Elizabeth didn't know either. She had feelings, but when he kissed her, she couldn't control herself

Even if she couldn't get out of bed today, she had accepted it and decided to cooperate with him

But the moment the phone rang, she was distracted, as if something was bothering her.

"My phone is ringing I'm sorry. I want to answer first

Elizabeth did not know why but she just felt like something was about to happen.

Matthew could only get up and take her phone. When he saw an unknown number, he handed it to her.

Elizabeth answered. "Hello?"

I don't know who it is. Perhaps there's really something going on over the phone.

"Miss. I'm the maid serving the old master. The old master's illness has just worsened. Hurry and visit him. He wants to see you"

Elizabeth sat up. She did not care that she was not wearing any clothes and ran into the closet.

Okay, I'll be here soon."

After hanging up the phone, she was looking for clothes in the closet. There were also clothes prepared for her here.

Matthew followed behind. He was wearing a nightdress and his expression was unpleasant.

"Where are you going?"

At this moment, because of a phone call, she left him indifferently.

He lowered his head and took a look. He was so hard and needed her warmth

Elizabeth saw his boner from the corner of her eyes too. She knew that he needed to release at this moment, but her grandfather was very sick.

If he wanted to see her, she had to hurry over.

She didn't care anymore, so she put on her clothes and said.

"Go take a cold shower! I'm sorry."

She went to hug him and kissed him on the cheek.

"I'll make it up to you tonight."

Then, he strode out and went into the bathroom to wash up, leaving him completely behind his head.

Matthew calmed himself down for a while, but he couldn't sit still. When he walked out of the closet, Elizabeth had already washed up and left with her bag

He was completely left to the side. In the end, he could only go into the bathroom to take a cold shower for three times, only to calm himself down

He narrowed his eyes. Who was the one who called her just now?

"I have to investigate this thoroughly. If I cannot get laid, I will definitely make him suffer too." alive.

Chapter 953 Listen To Grandpa

Elizabeth went downstairs. Hector and Chelsea were accompanying the three children. Abby was singing and dancing. the house looked

When she saw Elizabeth, she called out to her

“Mommy”

Arthur and Antony also looked at her. She seemed to be in a bad mood. Did that in an make her unhappy?

Chelsea and Hector also looked at her with a smile. Chelsea stood up

“Lizzy, you’re awake. Breakfast is ready. Eat before you leave.”

Elizabeth paused for a moment “Grandma, I have something urgent I won’t eat anymore. I’ll leave the three of them to you.”

She was not used to leaving her kids to someone else. When she was at home, she could, because there was Ms. Elliott.

Although this place was also home for three children and there were also great grandfathers and great grandmother who loved them, she still

had to say that this was a matter of courtesy.

Chelsea laughed. “Go ahead. There are so many people at home. They will take care of them.”

Elizabeth nodded and strode out.

The driver was already waiting at the parking lot in front of the main building. When he saw her come out, he opened the car door for her

“Ms Wade.”

Elizabeth knew Matthew must have arranged it, so she did not hesitate. She was in a rush’ She bent down and got into the car.

2 hours later, they arrived at the sanatorium.

The sanatorium was located in the mountains in the outskirts, far away from the noise of the city.

It was suitable for the elderly to enjoy their retirement. Elizabeth often came here, so she was very familiar with the environment inside.

The car stopped at the entrance. She walked in. When she entered Master Wade’s small courtyard, she saw him sitting in the courtyard making tea. He was not sick as the servant said.

She was a little puzzled. She hurried over and sat opposite Master Wade

“Grandpa.”

Her gaze was filled with concern as she looked at Master Wade.

Master Wade poured her a cup of tea. “I made it specially for you”

Elizabeth glanced at the cup in front of her. She did not want to drink it

“Grandpa, the servant said you’re seriously sick. You scared me to death.”

Master Wade knew that as long as he told her that he was sick, she would definitely rush over.

“Try it. This is new tea. Try it.”

Elizabeth did not have the mood to taste tea. She was thirsty anyway, so she picked it up and drank it.

“Grandpa, why are you calling me here so urgently?”

She knew Grandpa the best. If it weren't for something important, he won't have lied to her like this.

“What happened last night? I don't think so. He's staying here. The Wade Family won't interrupt him because they're worried that he'll get agitated.”

“Even if the media reported it, grandfather wouldn't be able to see it. Moreover, Matthew had suppressed everything, and no one dared to report.”

“Then it's not about what happened last night Grandpa shouldn't know about her and Dommic's divorce.”

Just as Elizabeth was lost in her thoughts, Master Wade spoke up.

“Lizzy, why did you want to divorce Dominic? Grandpa chose him for you, the most suitable man for you.”

He hoped that she and Dommic would spend the rest of their lives happily. Therefore, some things would not be brought up again, and painful

memories would not be remembered.

Elizabeth's eyes narrowed slightly. Grandpa indeed knew. She wanted to hide it from him, afraid that he would get agitated.

She pursed her lips. "Grandpa, I don't love Dominic. Besides, I found the father of my three children. It's Matthew. I want to be with him."

She felt that her grandfather would support her. As long as she liked Matthew, her grandfather would support her.

Upon hearing this, the glass in Master Wade's hand slipped and smashed hard onto the table before rolling to the ground.

"Lizzy, listen to grandpa. It doesn't matter who the father is. It's all in the past. You can raise the kids yourself. Keep a distance from Matthew.

He's not suitable for you."

Chapter 954 She Must Fight For Matthew

Elizabeth was stunned when she heard her grandfather. She thought that her grandfather would support her, but she did not expect it to be like this

Elizabeth really wanted to say, Grandpa, I won't marry anyone except for him.

But when she thought about her grandfather's health, she didn't dare to open her mouth. Grandpa was her only family now.

Hence, she bit her lips and did not say anything. Instead, she sipped on the tea quietly.

Master Wade kept pouring tea for her, and she kept drinking. In the end, Master Wade could no longer calm down and asked.

"Can you break up with him?"

Elizabeth put down the cup too. "Grandpa, I want to be with him because the children need a father and a home. I don't want them to live in an incomplete family like me."

Even though she had the affection of her grandfather, she also had the title of a young mistress.

But how did Tinna treat her? And her father's indifference toward her made her traumatized.

Hence, she had always blamed herself for not being able to give her children a complete and healthy family. Now that she finally had it, she did

not want to give up, nor could she bear to give up.

The last time she married Dominic was because she was not strong enough. Otherwise, that marriage would not have happened.

She didn't want to miss Matthew anymore. She had never experienced the feeling she had with him. She knew that she could not leave him in this life

Wade's face darkened bit by bit, then he stood up coldly

"Lizzy, unless I'm dead, otherwise don't think about being with him. But don't worry, I'll definitely live a long life."

After saying that, he walked into the house Elizabeth was stunned for a moment, then got up and followed him in.

"Grandpa, why didn't you let me be with him? You have to tell me the reason!"

Master Wade sat in the living room. The nurse brought him some medicine. He took his medicine and glanced at her indifferently.

Some things from the past shouldn't be mentioned. Otherwise, it would be cruel to her.

"Grandpa, you have to tell me the reason. Otherwise, I won't leave him. I love him. I love him very much."

Upon hearing this, Master Wade was so angry that he took a deep breath.

"I could not fall sick I could not."

"Are you alright? Do you need a doctor?" The nurse asked.

Elizabeth was shocked too. She hurried over to comfort him.

"Grandpa. I won't ask anymore. Don't get angry "

Master Wade shook her hand. "Lizzy, you should ask your mother about this. If she agrees to you and Matthew, I have nothing to say."

"Mom?"

Elizabeth's eyes widened in shock. "Isn't my mother dead?"

Yesterday, someone told her about her mother. Now that it was her grandfather, she was sure that her mother was still alive and not dead.

Master Wade sat in his wheelchair. He was about to go upstairs to rest. He needed to take a rest, otherwise he was afraid that he won't be able to hold on.

"She's not dead. As long as you can find her and ask her to decide on your marriage, Grandpa won't care."

After saying that, he raised his hand and asked the nurse to push him upstairs.

The nurse pushed him to the elevator. Elizabeth watched grandpa leave and was shocked.

“Mom isn’t dead. She’s still alive. I can still see her.”

Suddenly, she recalled the name card that Nate gave her yesterday. He said he could help her see her mother. She gritted her teeth and did not care what the man was up to.

But now, he was her only hope. Her grandfather said that as long as she found her mother and her mother agreed her to be with Matthew, they would be together.

For Matthew and for her own happiness, she decided to fight once.

She started flipping through her bag. She seemed to have thrown his name card into this bag yesterday.

Chapter 955 Why Am I So Familiar With Him

After searching for a long time, she raised her hand and knocked on her head. Her memory was too bad, so she had to think about it.

Elizabeth left the sanatorium. And in the company, Matthew knew where she had gone in a hurry.

At the thought of the phone that he answered, he felt that things were not going well.

Hence, she gave Elizabeth a call. “Is she giving up on me again this time?”

It was as if every time she faced a choice between friend, families, and him, he would always be the one being abandoned.

He was upset. He wanted to ask if she had given up on him this time.

Elizabeth answered the call very quickly. "Hello"

Matthew stood in front of the French windows. A cigarette was lit between his fingers. With a lonely expression, he was waiting for her verdict.

"Where are you? Let's have lunch together."

His voice was very indifferent. Elizabeth was so sweet that she was used to him behaving like this.

"Sure! I'll buy, don't be angry about what happened this morning"

When she returned to the city, it was about ten o'clock. She went to have lunch with him.

Upon hearing that her mood had not changed, Matthew took a deep puff of his cigarette.

"Is your grandfather alright?"

"Did he tell you about leaving me?"

"Grandpa is fine. He just misses me. I'm too busy lately, so I didn't visit him."

Elizabeth seemed to be smiling when she said those words. However, she was very upset. Why didn't grandpa agree to her being together with

Matthew? He was so outstanding, and he was even more outstanding than Dominic.

In terms of choosing a grandson-in-law, he was the best.

What exactly is the reason? Elizabeth wanted to know.

“Yeah, I’ll wait for you.”

After hanging up the phone, Elizabeth was stunned for a while. Then, she poured out everything in her bag and found the name card.

When she saw the name “Nate”, she had a strange feeling. It was as if she had heard this name before, but she could not remember when she had heard it.

It was just that she had a sense of familiarity with him. It was too strange.

Elizabeth saved his phone into her phone. She had a feeling that he probably knew where her mother was.

Elizabeth leaned against the seat and looked at the scenery along the way. The scenery in autumn
autiful The l

yellow, without the green in summer

By the time she reached the Hilton Group, it was already past twelve o’clock. After entering the city, there was still a traffic jam. When the car stopped, the driver respectfully opened the door for her.

“Mr. Hilton is waiting for you in the office”

Kabeth nodded slight and walked to the building Only after entering the lobby did Esure greet her

“Ms Wade”

Klabeth always felt a sense of familiarity whenever she saw him. When she was at Hilton Group, Esme had taken special care of her

“Esme, haven’t you eaten vet”

Esme walked in front. Every employee who passed by would greet him.

He merely nodded slightly. He pressed the button and followed Elizabeth into the elevator

“Mr. Hilton hasn’t eaten wet. As his employee, how dare we eat?”

Even though Elizabeth felt close to Esme, she couldn’t feel that Exme was as friendly as he used to be. She couldn’t help but look at him from head to toe

“Esme, can I ask you something?”

Esme nodded solemnly “Of course.”

Elizabeth rolled her eyes and leaned against him. Esme was so frightened that he retreated to the elevator wall, feeling like he was about to squeeze into the elevator wall.

Esme was really shocked. Mr. Hilton could see the surveillance footage in the elevator. If Mr. Hilton saw Elizabeth so close to him, he would be dead

Elizabeth smiled wickedly when she saw Esme’s expression. She flipped her hair and gently brushed his neck.

“Esme, can you tell me, why do you have hostility toward me? Do you like Matthew?”

Chapter 956 Matthew, You Fool

Of course, she knew that he would never like Matthew. However, it was normal for him to hate her in the past. After all, she did not marry their Mr. Hilton. They would think that she had betrayed Matthew.

But now, she was already Mrs. Hilton.

However his attitude toward her, apart from respect, he also had a sense of distance and hostility anyway.

Esme was on the verge of crying. He looked at the surveillance camera and stared at Matthew silently.

Mr. Hilton, save me. It was all Ms. Wade who forced me.

Elizabeth saw that he was begging for help. "If you don't tell me the truth, I'll tell Matthew that you seduced me."

Esme was completely frightened. If Mr. Hilton listened to her, then he would probably have to stay in Africa for the rest of his life just to chop off the elephant sh't.

No way! He finally had a girlfriend. They were about to get engaged, and he did not want to go to Africa.

"Ms. Wade, Mrs. Hilton, what should I do? Can you let me go?"

Elizabeth was not a person who liked bullying others. She had no other choice today.

She also put herself in a difficult position. I'll have to explain to Matthew later."

That dude would definitely be angry when he saw this. He was really petty!

"Of course tell me the truth. What did I do to upset you? Is it because of my first marriage or what?"

However, it was difficult for others to understand her marriage with Dominic. It was impossible for her to say that she had never had sex with Dominic. It was not appropriate for her to reveal such privacy.

Just when Elizabeth was about to let him go, Esme suddenly spoke up.

“That time, Mr. Hilton was shot by a bullet in order to save you. He obviously didn’t take the bullet, but he didn’t tell you. He had endured the pain of the bullet, but in the end, you married someone else. I even told Mr. Hilton that you were going to get married in order to make you guys together. He almost died that time.”

Esme’s eyes turned red. He could feel how upset and guilty he was at that time.

Elizabeth was completely dumbfounded and took a few steps back.

It turned out that this was the case.

The reason why Matthew was hospitalized, unconscious, and in a vegetative state was all for her.

Elizabeth’s eyes were filled with shock. Then, her eyes hit up. She hurriedly looked at the floors and finally reached the 66th floor.

The elevator doors opened, and she walked out at an extremely fast pace.

Eame was chasing after her. “Me Wade, don’t tell me it was me. Otherwise, Mr. Hilton will blame me.”

Elizabeth pushed the door open and walked into the office. Matthew was still working. He raised his head when he heard the door open.

The handsome face appeared in front of Elizabeth. She walked quickly toward him and hugged him.

“Matthew, you fool, a big fool.”

She was still the first person who dared to call him a fool. However, he was a little confused. He wrapped his arms around her waist and could

feel her emotions at this moment. She was very excited.

“What is it?”

His voice was deep and pleasing, and it was filled with a trace of affection.

Elizabeth laid on his shoulder and sniffed the scent of his body, the refreshing scent of mint.

She didn't say anything and just recalled everything from the past. No wonder she encountered him being hospitalized at the hospital. No wonder he looked upset sometimes.

The bullet was in the head. It was a miracle that a person could feel well.

The thought of him dying made her blame herself.

For Dominic's blindness, she abandoned him, but he suffered so much for her. She was really too evil.

Elizabeth suddenly burst into tears. Although she got pregnant, gave birth to his kids back then and had a difficult time, she still felt that she owed him a lot.

But before they had yet to acknowledge each other, he had already finished paying back, with his life.

Chapter 957 The Two Families Have a Feud

Matthew furrowed his brows when he heard her cry.

“What is it?”

“Did Master Wade was sick?”

He helped her head up and wiped her tears with his slender fingers.

Elizabeth was crying like a kid. Her little nose twitched and she started cursing him.

“Matthew, you idiot. Why do you keep everything from me? I know now. Does it still hurt here?”

Her little hand touched his head. How smart was he? He knew what she was saying at once.

“Who told you?”

His voice became slightly serious. It was obvious that he was angry, probably the one who told her was going to suffer.

Elizabeth bit her lips and wiped her tears.

“Don’t blame him. I forced him to tell me, and why didn’t you let me know about this? Are you afraid that I’ll be worried?”

At the thought of this, she could no longer hold back and started crying again.

“Why are you so nice to me?”

And she was planning on how to leave him at that time? She deserved to die.

At this moment, she suddenly realized that when she was thinking about others, there was someone quietly thinking about her.

She suddenly understood that sentence. The person who loves you is afraid that he will not give you enough, while the person who does not

love you is afraid that you will give too little

After thinking about this, she would never abandon him for anything in the future. From now on, she only cared about him.

Matthew's heart ached when he saw how sad she was.

"Don't cry anymore. If you continue crying, I'll send Esme to go to Africa"

Elizabeth hurriedly held her breath. However, she couldn't help but sniffle.

Matthew couldn't help but laugh.

Elizabeth was anxious. "I didn't cry. It's just that I could not hold it in. Please don't punish Esme anymore. He already has a problem with me.

If you punish him again, he won't want to see me anymore."

She had a good relationship with Esme before. He had taken great care of her before, but now, his feeling for her was gone!

Matthew said coldly, "he won't dare."

"Why not? All of your employees are on your side. They don't seem to be too friendly with me, a woman who betrayed you. But I'm not and either. At least they're loyal to you."

Watching her recover slowly, he wiped her little face.

That's enough. It's time to eat Aren't you hungry? Go wash your face. I'll take you for lunch."

Only then did Elizabeth recall, "Oh, I'm so hungry. I'll go wash my face. Get ready, we're leaving right away."

Elizabeth entered the bathroom and looked at the woman in the mirror with her bright eyes. She must have been very ugly when crying at him just now!

Her face had turned pale. She poured some water and washed up. When she raised her head, she looked at herself with droplets on her face.

She sighed lightly. Even if her grandfather was against her being together with Matthew, she would never give up.

Hence, she decided to find her mother.

Grandpa told her to look for her mother must be making things difficult for her. If she couldn't find her, then she could only listen to Grandpa.

Grandpa was so determined that he probably wouldn't allow her to be with Matthew.

At this moment, Matthew entered and hugged her from behind.

"What are you thinking about?"

Actually, he really wanted to ask her what old man Wade was talking to her about. Why did he call her over so urgently? It must not be as simple as meeting her.

This was what he was most worried about, but she didn't tell her anything. Therefore, he couldn't make a guess.

Elizabeth looked at him with a sweet smile, "I'm thinking, what should we eat later?"

Seeing her sweet smile, the doubts in Matthew's heart dissipated. This girl couldn't hide anything from in. If Master Wade is against them.

being together, she'll definitely say it out loud.

However, he had to investigate thoroughly and find out what kind of grudge the Hilton Family had against the Wade Family.

Chapter 958 How Annoying

Looking at her as if nothing had happened, she held his hand.

"Thinking will be useful?"

He pulled her out of the lounge, took her bag and coat, and wrapped them around her body. Then, I pulled her out of the office.

Esme stood at the door, looking restless. He saw the two people coming out.

"Mr. Hilton, 1"

He wanted to explain, but didn't know how to explain.

He was too scared just now, so he told her the truth. During this time at the door, he thought about it and felt like he had done something

wrong again.

Every time it was like this, he couldn't keep a secret or hide anything, and his heart was too soft

Matthew glanced at him indifferently, "My wife has already said good things for you. It's over now."

Then, he, who was in a good mood, hugged his wife and walked toward the elevator. Esme wanted to follow, but Matthew said in a low voice.

"You don't have to follow me"

He only wanted to spend time with his wife and not want anyone to interrupt him.

Esme stopped his steps. "If I don't have to follow, then I won't follow. Otherwise, I'll be a little scared when I see Elizabeth. That girl seems to

have become a bad person, and she even knows how to trap people.

Matthew brought Elizabeth to a restaurant opposite the company. The vibe was warm and the food was delicious. He would come here often when he was at work

After entering the dining room, the waiter welcomed her warmly.

"Mr. Hilton, still your regular seat?"

Matthew usually sat in a private room. He liked quietness, so he nodded.

"Okay!"

The waiter led the way and the two of them entered the private room.

Tiana was waiting for Matthew at this restaurant She had found out that he would often come to this restaurant for dinner.

Therefore, she went here today to corner him and wanted to have a good chat with him. She couldn't leave him.

But unexpectedly, he brought Elizabeth here, disrupting her plans.

Tiana sat there, feeling a little disappointed.

She took a few deep breaths, but she still felt that she shouldn't be abandoned like this, so she got up and strode toward the room

Coincidentally, a waiter came out ordering. The waiter smiled at her.

"Miss, are you Mr. Hilton's guest?"

Tiana nodded. "Yes, I can go in by myself."

The waiter saw that she was wearing designer clothes. She was probably Mr. Hilton's friend. Without much thought, he left.

When Tiana pushed open the door, she saw Elizabeth sitting in Matthew's arms. The two of them were kissing like there was no one else.

Elizabeth glanced at the door when she heard the door open. When she saw that it was Tiana, she did not push Matthew away.

Matthew saw it too. He caressed her waist and bit her lips.

"Don't move."

After that, she continued to kiss her even more intensely

Elizabeth had been forced by him before. He pulled her into his arms and sealed her mouth She was caught off guard.

Now, she took the initiative. She wanted the woman at the door to read the room. Don't stay here and leave quickly

Tiana was shocked too. They actually kissed like she was invisible. Elizabeth was really shar

She clenched her fists, clenched her teeth, and walked in with thi

Sitting opposite the two of them, she pressed her chin with one hand and said with

“Sister, does grandpa know about your behavior?”

Elizabeth furrowed her brows and pushed Matthew Matthew did not have the habit of others staring at them when they kissed.

He sucked deeply on Elizabeth's tongue before letting go of her

If Tiana did not come, they could still enjoy a world of the two of them. This damned woman, he did not look for her, but she came to see him

Elizabeth sat still on his lap and looked at Tiana indifferently

Mass, this is the private room we booked. Please leave.”

Chapter 959 Tell Matthew the Truth

Tiana stole a glance at Matthew. After he kissed Elizabeth, the color of his lips became prettier

Even though she was envious, she had never Matthew's love and possession before.

If the person sitting on his lap was her, then she would definitely be the happiest woman in the world.

Elizabeth did not like Tiana looking at Matthew like this. It was simply too obvious

"Matthew, where is the agreed world between the two of you?" She asked Matthew softly

If this girl was too lazy to leave, she would not be able to enjoy this meal anymore.

"I've been hungry for so long. I wanted to enjoy my food.

Matthew caressed her face affectionately Tll get rid of her."

"Someone," he called out

A waiter at the door pushed open the door and entered "Mr. Hilton, the food will be ready soon."

He thought he was getting impatient, so he spoke first.

Matthew pointed to Tiana This lady isn't with his. Please take her out"

When Tiana saw this, she put her hands on the chair.

"Matthew, Sister, we've met Let's have a meal together"

It would be very embarrassing to be chased out like this, so she wanted to stay, so she could only stay by being shameless.

The waiter heard her and knew that they knew each other, but Mr. Hilton spoke again. He didn't know what to do. He could only look at

Matthew and listen to his instructions

Matthew said coldly. "Get her out"

The waiter understood immediately and walked up to Tiana

"Miss, please leave."

The waiter reminded her again. "Miss, please leave. Otherwise, I'll call the security"

Abby still pretended not to hear it. She felt that if she didn't move, they wouldn't dare to do anything to her.

The waiter could only say something while holding the walkie-talkie.

"Call a few security guards There's a guest here who's disturbing someone else's happy hours."

Soon, three to four security guards entered and pulled Tiana to her feet.

Only then did she become anxious and glare at them.

"You guys, let go of me. I'm a guest. Do you treat a guest like this?"

She started cursing. "You dogs, let go of me. And you, a waiter, just serve tea and pour water? How dare you drag me?"

After she blurted out, she suddenly felt Matthew's gaze. She wanted to pretend to be a lady in front of him

She couldn't hold back just now. Her face flushed and she smiled at him.

*Matthew, I know Elizabeth seduced you. She's such a bitch, but she's fooling you with an old man's kids. You have to be careful! She's a liar. Those three children belong to an old man, nol..."

Before she could finish her sentence, she was dragged out.

After listening to these words, Matthew roughly understood what happened back then.

Elizabeth looked at the door, feeling a little had.

She really didn't know what happened back then.

"Do you believe what she says?" She pouted.

Matthew patted her cheek. "What do you think?"

Elizabeth sighed. "I think the incident back then has something to do with the mother and daughter. Otherwise, they wouldn't have kept saying that the three children are an old man's kids. Do you know what happened back then?"

You must be the granddaughter-in-law grandpa chose for me."

He did not know the details, but he could roughly guess.

“Really? But Master Hilton never liked me before.”

Elizabeth felt that there must be something wrong. She could not be the granddaughter-in-law chosen by Master Hilton. Otherwise, why didn't

he like her and didn't allow her to be with Matthew?

Chapter 960 You Fool

Matthew smiled. “He lost his memory. He was unconscious for six years, then lost some memory. He could not remember what happened back then, so it's not that he doesn't like you, he just forget about you”

Elizabeth heard this and her big eyes turned

“So that's what happened? Then grandpa must like me a lot

Both of them laughed Elizabeth hugged his neck and buried her head in his arms. full Tiana was invited to the lobby outside. “Miss. you can sit here, but don't affect other guests”

After saying that, the security guards let go of her. Tiana was very angry. There were quite a lot of people in the dining room, and it was almost

She said loudly. The food in your restaurant is so unpleasant. There's actually cockroach. I will report this place.”

The waiter panicked upon hearing this.

“Miss, this is a false accusation!”

She raised her hand and swept all the plates on the table beside her to the ground, then sneered.

“If you dare to make me unhappy. I’ll make sure you won’t be able to open this place.”

After making a scene, she walked toward the door. The security guards came to stop her.

In the end, she got into the police station. Celine went to bail her out.

The moment she saw Tiana’s hair and wounds on her face, Celine jumped in fright and walked over to caress her face.

Tua, what’s wrong with you? Did they hit you?”

Tiana had suffered and had been taught a lesson by the police. If she continued to make a scene and the owner of the restaurant would sure

her ass, she would have to do her time for a few days.

At this moment, she did not dare to be arrogant anymore. After all, if she was in prison there for a week, she would go crazy.

Now that she could be bailed, then she should be obedient.

“Mom, I’m fine. I was just slightly injured when I fought with them at the restaurant. There were many of them.”

She dragged Celine out and told the police.

“Goodbye”

After exiting the police station, she finally let go of Celine and walked forward alone. At this moment, she was in a bad mood.

Celine caught up with him. "Tia, what happened? Why did you have a fight with the people at the restaurant?"

This girl is quite well mannered. Why was she doing this today?

Fortunately, no one knew, otherwise she would embarrass the Wade Family.

Tiana sighed. "I went to look for Matthew today and told him the fact that Elizabeth's three children are an old man's. I don't want him to be fooled."

Celine was dumbfounded when she heard this. Why didn't she discuss it with her?

Sensing her mother's strange behavior, she turned around.

"Mom, do you think I've grown up and I'm getting more and more decisive? I just want to make Elizabeth suffer, and I won't let her live a good life. Matthew will definitely investigate after hearing these words. By then, Elizabeth will be dead."

Even though she couldn't get Matthew, Elizabeth couldn't either.

Celine's face darkened. Why did I have such a stupid daughter?

If she spoke to Matthew, it'd be telling him that they were involved in the incident back then! If he wanted to take revenge for Elizabeth, they would be in big trouble!!

Thinking of this, she was scared. She stepped forward and grabbed her.

"Tia, what did you say? Did Matthew hear you?"

When Tiana saw how nervous her mother was, she smiled.

“Of course he heard me. Besides, his eyebrows frowned tightly. Maybe he’s feeling very upset. Elizabeth is going to suffer.”

Next, Celine slapped her on the face. “Tiana, you fool.”

Abby was slightly dumbfounded. This was the first time her mother hit her. Her eyes were filled with tears.

“Mom, why did you hit me? Why did you hit me?”
