When Benjamin saw that he was not sitting down, he did not force him. Since young, this kid was afraid of him, and it was normal for the kid at

home to be afraid of him.

"Since you don't want to be in the military camp, it's OK to come back. It's convenient for me to see you. Go on a blind date tomorrow and get married quickly so I can have a few great-grandchildren."

Leonard instantly understood. It turned out that Grandpa was not angry. It was because he had been ruined so he asked him to give him a few

more children to train and take up his work.

"Grandpa, I don't want to get married."

His voice was low. He had never thought about getting married.

His face darkened slightly. "I've arranged a meeting with the president's daughter tomorrow. You have to go. Otherwise, I won't show any

mercy to that woman."

Leonard's blurred eyes lit up upon hearing this, and his entire being tensed up.

“Alright, Grandpa!”

Matthew returned home. The butler was still waiting for him at the door

All the way in, Matthew asked the three children and the butler said they were all asleep

His grandparents also slept early, he enter the main building and the butler said.

“Someone, bring the soup prepared for the young master.”

Matthew replied indifferently, “No need, I didn’t drink.”

Then, he strode upstairs and went back to the bedroom.

When Matthew saw that the woman on the bed was already fast asleep, he walked lightly into the bathroom. After taking a shower, he laid

down lightly on the bed.

Just when he was about to pull her into his arms, Elizabeth rolled up automatically.

Matthew smiled and looked down at her.

“Are you awake?”

Chapter 982 She Has Become Greedy

Elizabeth hugged him tightly. Her voice was a little muffled.

“I had a dream and I woke up.”

“Are you still sleepy?”

His deep voice rang out. His long fingers caressed her smooth skin gently.

Elizabeth knew what he was trying to do. If it were in the past, she would definitely say that she was sleepy and tired.

But now, she actually laughed, and her little hand slid into his clothes.

“I’m not too sleepy. But, Mr. Hilton, what do you want to do?”

The smile on Matthew’s face deepened when he heard her sweet laughter.

His hands already grabbed her private part...

Elizabeth exclaimed, “Argh... Matthew, let go.”

Matthew kissed her on the lips. “I won’t”

He bit her lips lightly. The more he kissed, the more he couldn’t stop.

Elizabeth was still a little conscious at first, but once she kissed him, his kissing skills were too good, and she would fall into it eventually.

It wasn’t until her pajamas were removed and he invaded her that she finally realized something. She hugged his neck and frowned slightly.

“Darling, be gentle.”

Listening to her soft voice, Matthew wanted to be gentle, but he couldn’t control himself

The more he wanted it, the faster she penetrated her.

In the end, Elizabeth was exhausted, so she could only beg him to cum.

All he could do was listen to her and fulfill all her requests.

Matthew took her into the bathroom to take a shower. The two of them lay on the bed again.

Elizabeth's tired fingers didn't feel like moving anymore. Matthew had a satisfied smile on his face and kissed her forehead.

"Darling, go to sleep! Thank you for your hard work."

The girl was probably exhausted by this intensity. He had already started planning. From tomorrow onwards, he would take her to jog,

exercise, and swim.

This way, she could have the same frequency as him in the future.

Elizabeth did not feel sleepy when she woke up previously. Now, after being tormented by him like this, it had been around three to four

hours, and she was really fast asleep.

1/2

She wrapped my arms around his waist and fell asleep.

The next day, when Matthew woke up, he saw She in his arms sleeping soundly and kissed her on the lips.

After placing her on the pillow, he carefully got out of bed.

He hugged her all night, and his right hand was completely numb.

Matthew moved his right hand as he walked. It was too painful. His brows furrowed tightly and Elizabeth suddenly sat up.

“Does your hand hurt?”

When Matthew heard her voice, he looked at her and said gently.

“If you’re tired, sleep more.”

He got out of bed very carefully, just not wanting to disturb her. Unexpectedly, she still woke up.

Elizabeth also felt strange. That frequency last night and that intensity, she probably wouldn’t be able to get out of bed today!

However, she was awake, and her body wasn’t sore. Could it be that she had gotten used to it?

Thinking of this, the corners of her lips curved upward.

It turned out that after getting married, women changed like this!

After washing up, the two of them went downstairs together. Elizabeth glanced at her phone and saw the video sent by Jessica. She was so

shocked that her eyes opened slightly and she opened the video to Matthew.

“Mr. Hilton, you can make drinks!”

This move, this face, he was simply too handsome,

Elizabeth was about to become his little fan, let alone other women.

Matthew frowned and took a look. There was obviously a trace of uneasiness on his face.

“Who sent it to you?”

Last night, he did this just to make Leonard happy. Who would have thought that someone would send it to Lizy?

After Elizabeth finished reading, she turned around and looked him up and down.

“Mr. Hilton, to be honest, when you were young, did you seduce many schoolgirls in school?”

Elizabeth felt a little bad. She missed his youth. If they were in the same high school, would they be secretly in love?

Chapter 983 My Hand Hurts

Matthew looked at her from the corner of his eye. She smiled happily, as if she wasn't jealous.

However, he saw disappointment on her face.

Matthew pulled her into his arms and whispered into her ear

“Anyway, you're the final winner.”

After saying that, he smiled wickedly. Elizabeth couldn't help but recall what happened last night. She raised her hand and straightened her

han to hide the awkwardness in her heart.

She blocked Matthew's gaze and hit her lips.

Why is he teasing me all the time?

At this moment, the two sons came out of the room. When they saw the two of them, Arthur and Antony called her.

"Mommy! Good morning"

Elizabeth smiled and walked over to caress then heads.

"Good morning!"

The two of them ignored Matthew. Matthew didn't care, but Elizabeth was afraid that he would be angry, so she waited for him and walked side by side.

"Don't be angry with them. They're just not used to you for the time being. You'll know that they're quite cute in the future."

She was trying her best to speak nicely for her sons in front of her husband, hoping that they could get along well.

Matthew's lips curved upward. "Silly girl, even if they're not cute, they're still my sons."

Elizabeth only realized after hearing this.

Why did she seem like she was promoting her sons, so she smiled.

“Yeah, I was wrong”

Actually, it didn't matter whether or not they could get along well, but they were biological father and sons.

When they entered the dining room, Hector, Chelsea, and Abby were already having breakfast.

She could hear Abby's sweet voice from afar.

“Great grandfather, Great grandmother, try this! So amazing!”

When she didn't say anything, she hummed a few songs. It was quite pleasing

This kind of breakfast made Chelsea and Hector feel that life is wonderful!

It was obvious that the two of them were in a good mood, and their faces were full of smiles.

Chelsen wiped Abby's mouth with a piece of tissue. When she drank milk, her mouth was covered with it.

Abby stared at her and asked her to wipe her face carefully

Thank you, Great Granny, love you” Abby then made a hand heart gesture.

“Why are you doing this, Abby? Master Hilton did not understand.

Chelsea rolled her eyes at the old man. "This is how young people express their feelings nowadays. You're getting old, so it's fine if you don't understand."

The old man's face darkened when he saw the old lady's annoyed expression. He swore to himself that he had to learn these new things.

Otherwise, the kids would only like her but not him.

Arthur and Antony entered the room. They greeted lector and Chelsea and Abby and sat down to have breakfast.

Elizabeth sat down and glanced at the soup in front of her. The soup looked delicious and should have been cooked for a long time.

The servant next to her immediately came over to explain

Young Mistress, Madam instructed you and Young Master to drink this. It's good for your health. We made for four hours."

Elizabeth looked at Matthew. Matthew reached out and gently patted her to drink

But she felt a little shy. Probably Granny already knew. Did they make a big noise last night?

Hence, she bit her lips and kicked him.

Matthew looked at her and smiled. He knew why she was angry

Chelsea looked at the loving expression on their faces, and the smile on the corner of her lips grew wider.

Previously, she had never seen Matt be so warm, and the corners of his lips were still smiling

At this moment, Elizabeth felt dizzy. She raised her hand and pressed on her head. Many images flashed in front of her, and she felt like her head was about to explode.

Chapter 984 She Is Too Tired

Matthew noticed that she wasn't feeling well, so he reached out to caress her little face

"Lizy, what's wrong?"

She was so tired last night. He wanted to let her sleep for a while longer, but this girl doesn't want to sleep anymore. Is she so tired now?

Elizabeth heard his voice and opened her eyes in shock.

She stood up in a daze and took a few steps back.

The people on the table were shocked and they all looked over

Arthur and Antony hurried to her side, one left and the other right.

"Mommy, what's wrong?"

The two of them each held onto one of her hands. Elizabeth did not know what was wrong with her.

What happened just now? I don't remember anymore.

"I'm fine. Have breakfast. You are going to be late for school later"

Now that they have their own car and chauffeur, she didn't have to worry about going to school

“Are you feeling unwell” Arthur was still worried.

Elizabeth forced a smile, “No, Mommy is just a little tired. I’ll be fine after a short rest.”

Abby sat opposite her and stared at her with her big round eyes.

“Mommy, you need to go to the hospital if you’re sick Daddy, go with Mommy! We need to go to school, otherwise I want to accompany Lizzy

This little girl wanted to say that I won’t go to school anymore and accompany you to the hospital, but in the end, she didn’t dare to say it.

Matthew’s gaze was deep. He walked to her and bent down to carry her up

“Matthew.”

Elizabeth glanced at the table and felt a little shy. Why did he carry her in front of them?

Matthew said as he walked. “Send breakfast to the room.”

After that, she strade out of the dining room, Elizabeth leaned against his arms, feeling extremely safe.

Actually, she was really a little tired She wanted to sleep on his back

“Matthese, put me down. I ran walk by myself *

“Don’t force yourself. If you’re tired, go upstairs and rest. I be more careful in the future I won’t make you so tired again.”

Matthew suddenly realized that this girl's body was worse than he thought

Eleabeth lowered her eyes. She was really sleepy

She took a deep breath and said, "Yeah, then I'll sleep for a while longer. I don't want to eat breakfast anymore. Tell them not to send it. "

After saying that, she fell into a deep slumber Matthew carried her back to the bedroom and placed her on the bed. He carefully covered her

After seeing her sleep so soundly, he turned around

After Elizabeth fell asleep, she kept dreaming. All sorts of different kinds of dreams and dreams. The more she slept, the more tired she felt

She didn't long she had slept. She woke up suddenly, her face was

Nate smiled faintly Her voice came from the other end of the phone. It was quite pleasant.

“I’ll go to your company later and want to custome a Turn. Is that okay. Mrs Wade

Nate was going to customize one. She was still a little surprised.

“Mr. Cox, of course it’s fine. You’re my friend, you have the priorily to jump the queue.”

Nate laughed and said to himself

You must look good in it!”

Elizabeth was stunned for a moment. Her mind was actually fantasizing about how she looked like wearing a wedding gown and wearing a

She hurriedly shook her head, telling herself not to be taken away by him

I'm looking forward to that day."

Elizabeth felt that what he said was meaningless and she spoke.

"Mr. Cox, I'll see you at the office later"

After saying that, she hung up the phone. When she woke up, she felt that something was off today

She suddenly felt a sense of intimacy toward Nate, as if the scenes in her dreams had become memories in her mind. For a moment, she could

not tell whether it was reality or a dream.

Elizabeth stood in front of the mirror and looked at the woman in the mirror. Her long hair was dark and smooth. Her face was pink and her lips were as red as cherries.

I don't even know who I am?

She pondered for a while before recalling.

My name is Elizabeth, Elizabeth

She spoke to herself, then turned on the tap and poured the cold water onto her face.

She wanted to wake herself up a little more.

When Elizabeth finished washing up and went downstairs, Chelsea and Hector were having tea in the living room and saw her coming

downstairs

“Lizzy, are you alright?” Chelsea called out to her.

She didn’t even have breakfast. That bral, Matt, was so homy. He must have lost control, so Lizzy was exhausted.

Elizabeth smiled. I’m fine. I am fine after a nap ”

The thought of thappened this morning must have caused the two of them to misunderstai

Master Hilton said. “Let’s have lunch first”

In his heart, he felt that it wouldn’t take long before the family was going to have another baby

At this thought, Master Hilton raised his lips again.

“You two have to pay attention to the wedding. The three kid are already so big. You two have to hold the wedding as soon as possible and give

the kid and you a title.”

Elizabeth's head ached when she thought about the wedding.

"Grandpa. I think it's quite good now. There's no need for wedding."

Master Hilton's expression changed upon hearing this. This girl doesn't care about this. It's such a rare sight.

Chelsea laughed. "Lizzy, we'll all listen to you. If you want to do it, just tell me. I'll do it."

Elizabeth nodded, "Okay, then I'll go to work first"

After saying that, she walked out of the door, Master Hilton said loudly

"Eat first."

"I'll skip. I'll go to the office."

Elizabeth did not have the mood to eat at this moment. All she wanted to do was hurry to the office. When facing the two elderly people, she

would still feel sly.

It was all Matthew's fault. If it weren't for him, she won't have felt so awkward

Next time, he must be more careful and not be intimate with her in front of his family,

The driver was already waiting in the courtyard. When he saw Elizabeth come out, he opened the car door for her.

It was obvious that this was arranged by the Hilton Family. However, it was good that she did not need to drive on her own so that she could

feel more relaxed.

After getting into the car, Elizabeth watched the video from last night and gave Jessica a call.

“Jess, what happened last night?”

Because she saw Nicolas and Leonard on the video. Isn't this girl going to break up with Leonard?

Jessica sat in front of her desk and looked at the blue sky and white clouds outside the window.

“I was looking after your husband, so I bumped into him again. Elizabeth, you have to buy me dinner. I almost got taken away by him last

night

Chapter 986 Scumbag

Elizabeth was really hungry when it came to eating. After being tormented for so long last night and not having breakfast in the morning, she

was already starving

“Sure, now, I'll treat buy you lunch now. I'll see you in half an hour. You'll die if you are late.”

After saying that, she hung up the phone and sent him the address of the restaurant.

“Yes” Jessica replied.

Half an hour later, the two of them bumped into each other at the parking lot. Elizabeth had just got out of the car when Jessica rushed over and hugged her

“Lizzy”

Elizabeth smiled and kissed her on the face.

“Aiyah! Your boobs seems to be getting more and more plump lately ”

Jessica lowered her head and looked at them. They seemed like bigger, she pouted.

“Probably?”

Elizabeth couldn't help but feel curious. “You're already in your twenties. Why are yours still growing? Teach me ”

The two of them walked to each other and chatted. Moreover, they were still talking about such a sensitive topic.

Wade upset glint flashed across Jessica's eyes and she furrowed her brows slightly.

“Do you really want to learn?”

“Of course, mine are small in front of you.”

Jessica was walking with her in her arms, so she pressed her lips to her ear.

Let Matthew every night..... you understand the rest.”

Elizabeth's face reddened when she heard this.

“Shut up girl. Why are you saying all this?”

Elizabeth suddenly seemed to understand, and the smile on her face turned ugly.

Yours became this big like this?”

Jessica raised her head and deliberately changed the topic.

“I’m so hungry! Mrs. Wade, can I order later”

The food here is exceptional However, it was too expensive and no ordinary person could afford it. Normally, Jessica would never come here herself. She even thought of packing something for Pearl at home later.

1/3

Elizabeth was not stupid. She pinched her little face.

“Don’t change the topic. Is it because of Leonard?”

Jessica saw that she couldn’t change the topic, so she could only nod

“That’s right, it’s him, okay””

Elizabeth bit her lips “Sure, I’ll try it too in the future ”

Before she could finish her sentence, she was stunned. It was a garden restaurant, and the table she had ordered today was in the garden.

Leonard was eating with a beautiful woman.

Elizabeth turned her head and glanced at Jessica beside her. Naturally, Jessica saw him too.

“Let’s go. Why are you so stunned?”

Jessica sensed her gaze and said

Elizabeth thought to herself. Mr. Johnson is too fast. The two of them broke up yesterday, and today, he has a new girlfriend already?

Jessica headed there first because the waiter had asked for their table number before leading the way.

The waiter was already standing next to their table, which was the one next to Leonard and the woman.

Elizabeth was speechless. “Damn it, what is the odd?”

She could not believe they’re sitting together and was so eager to change the table.

However, based on Jessica’s personality, she won’t let her change.

Elizabeth had no choice but to walk over. When she walked past Leonard, she didn’t forget to greet him.

“Hello, Mr. Johnson, what a coincidence”

After saying that, she looked at the girl opposite her and asked, “This is?”

Leonard did not expect to meet her. He even saw Jessica from the corner of his eye.

He raised his eyebrows slightly. "My friend, Miss Chen." He wanted to stimulate Jessica.

Layla introduced herself generously. "Hello, this is Layla Chen."

Elizabeth nodded slightly. "Enjoy your meal"

What she was thinking deep down was, I hoped you both were chocked to death.

After saying that, she smiled and walked to a table next to her. Leonard always felt that the smile was a little weird, making him scared when he saw it

Hence, she turned to look at the table next to her and said.

"Sister in law, you can order whatever you want. We'll tap it on my account"

Chapter 987 Make Him Hurt

Elizabeth's expression changed slightly. Initially, she wanted to say that she didn't need him to pay, but after thinking about it, since he wanted

to treat her, she should not mind.

"Thank you, Mr. Johnson."

After saying that, she picked up the menu and Jessica sat there quietly. There was no excess emotion on her face.

Elizabeth glanced at her and couldn't tell what she was thinking

However, it would be a lie to say that she wasn't sad. After all, Leonard had a woman by his side so soon. It was obvious how insincere he was

toward Jessica previously. He was just fooling her around.

“Jess, what do you want to eat?”

Jessica took a sip of tea and said softly.

“Anything”

Elizabeth raised her eyebrows and started ordering

“Master Wade, which are the most expensive ones here?”

Upon hearing this, the waiter lowered his body and helped her flip through the menu at the back.

“These are all the most expensive dishes here. All of them are of all kinds of precious ocean foods, and it’s extremely difficult to make them, so

they are very expensive.”

Elizabeth looked at the dishes

After looking at the name, she didn’t know what she was ordering. Then prices wouldn’t lie.

Normally, she would flip through the pages if she saw the prices.

When the waiter saw that she was ordering, his eyes were filled with surprise and he hurriedly reminded her.

“Miss, just the two of you. That’s enough.”

The lady just ordered about two hundred thousand. If she continued, it would probably exceed five hundred thousand. What if they couldn't

afford it later?

1/2

Elizabeth heard her and closed the menu.

"Don't worry, Mr. Johnson will pay for today. He's very wealthy."

The waiter nodded and kept the menu.

*Alright, miss. I'll go to the kitchen now and ask them to prepare. You might have to wait a little longer."

After the waiter left. Elizabeth also picked up the teacup and took a sip. She unconsciously glanced at the table opposite her.

Leonard was sitting opposite them. The one facing their backs was Layla,

Elizabeth felt that the name was a bit familiar, so she asked.

"Do you know that woman? Her name is so familiar."

But she couldn't recall for a moment.

"She's the president's daughter. We often see her on TV."

Only then did Elizabeth remember, "Yeah!"

Hence, she looked in the direction of Layla "But she doesn't look as good as on TV!"

Jessica bit her lips. "Mrs. Johnson said that Leonard is going to marry the president's daughter in the future. Hmm! They're quite a good

match."

After saying that, she lowered her head and played with the teacup in her hand.

Elizabeth felt a little sour upon hearing this. She reached out to hold her hand.

"Jess, have you fallen in love with him?"

Why else did she sound so sour? It was as if she was jealous.

Jessica raised her head and smiled faintly.

"No, I've always warned myself that I could not fall in love with him. I've kept my promise."

"But I don't know what's wrong with me. I obviously don't love him. Why is it so upset to see him with another woman today?"

"That's good. Since he's treating us today, I've ordered a lot of expensive stuff You'll have a good meal later."

Only then did Jessica recall, "How expensive?*"

Elizabeth smiled. "You are worried about him?"

“No.”

Leonard kept his gaze on her. From time to time, she would deliberately avoid looking at him.

She was still smiling when she spoke.

The expression on his face darkened.

Layla was very satisfied with him. A few years ago, she met him at the Johnson Family's gathering. At that time, he was wearing a military

uniform. He was very handsome, and she fell in love with him at first glance.

Chapter 988 Leonard, You bastard

Originally, they thought that their first meeting would be casual conversations, and it was impossible for progress.

Layla did not expect that he would take the initiative to bring her food. She was a little happy, so she ate what he gave her. It tasted delicious.

The smile on her lips grew wider and she asked him about the military camp.

Naturally, Leonard was willing to talk about that too. Hence, the two of them chatted happily, and Layla's laughter could be heard.

Elizabeth couldn't help but glance over. They were having a good time!

Jessica picked up the food with her fork, very calm.

Lizzy hoped that the two of them would not affect Jess's appetite, and Jessica smiled at her.

I've never had such expensive food before. Not to mention, they are worth of what they cost. Pretty good."

The two of them were chatting about work, and they did not care about the laughter on the other side.

"What's going on in your studio now?"

Elizabeth now owns S Group and other business and asserts. She's a wealthy woman now.

If Jessica's job wasn't going well, she could help her or ask her to work as a manager anywhere.

After Jess leaving Leonard, Elizabeth could help her raise the kid

Jessica replied, "Not bad, I earn quite a lot. Besides, this is my first time starting a business, I will definitely run it properly. The money you invested will definitely be given to you by the end of the year."

Elizabeth did not care about the bonus. She smiled.

1/2

"Yeah, I'll wait for y money."

The two of them chatted and ate, so they ignored Leonard and his date.

After the meal, she stood up.

Tll go to the bathroom."

Elizabeth felt a little tired as she walked towards the bathroom. After she returned to the company, she decided to go to the lounge to sleep.

Her eyelids were fighting, so he pressed his chin with one hand and closed her eyes to rest.

In the women's bathroom, when she came out of the room, she saw a man smoking in front of the sink.

He was wearing a black T-shirt and a pair of dark blue pants.

With just a look, she knew who he was, so she wasn't surprised.

Jessie walked to the sink and said while washing her hands.

"Mr. Johnson, this is the female washroom."

This man is not like this usually. Could it be something wrong with his eyes today?

Leonard put out his cigarette and looked at her.

"I'm waiting for you."

Jessica saw it too.

Yeah, if you have anything to say, let's talk outside."

It was still inappropriate for them to talk in the washroom.

Leonard smirked. A trace of mockery flashed across his stiff face. Then, he grabbed her hand and pulled her into a corner.

“Mr. Johnson, are you crazy?”

“This is a women’s washroom. Don’t be crazy? Get off me?”

“That’s right. I’m crazy “

The expression on his face was tense. The veins on his forehead were jumping

Jessica was quite scared to see him like this, so she took a step back and leaned against the wall behind her.

“W-What are you doing? Your date is waiting for you outside.”

She was reminding him to calm down. At this time, they should pretend not to know each other.

She wants to return to her previous life, and he wants to return to his previous life.

Leonard sneered, “I’ll fxck you here.”

Then, he pulled her and made her turn back to him.

One hand was on her waist and the sound of a slap was heard. Jessica felt like her buttocks had been slapped.

Following that, her skirt was pulled up. Before she could resist, he had already invaded her body forcefully.

Jessica’s head hit the wooden wall and she let out a soft cry.

“Mmm...”

Chapter 989 She Is Going Crazy

Jessica is going crazy! How could he treat me like this here?

She held onto the wall with both hands so that she won't be unable to stand steadily.

He behind her was breathing very heavily. Because she was not prepared at all, it was very difficult to get in her vagina. Not only did he hurt,

but she hurt too.

His head was buried in her neck. His voice was hoarse.

“Don't move.”

She was struggling, wanting him to push it out.

“But he doesn't want it. He doesn't want it at all. He just wants to continue to be in her body forever.”

“Mr. Johnson, you bastard.”

Leonard heard her scolding but he chuckled softly.

“That's right. I'm a bastard. I'll always treat you like this ”

Jessica couldn't move. He only wanted to punish her, but he didn't expect this feeling to be so damn wonderful

“I don't want to pull out my penis anymore. I don't want to

Hence, she hugged her waist tightly and dashed.

#

Jessica was forced to endure it. Slowly, she fell into it and could no longer resist. Her body was already familiar with his penis.

Hence, she suddenly reached orgasm. Her body was trembling and her mouth couldn't help but sob.

Leonard laughed. He liked the way she tried to resist but fell unto it. He covered her lips and kissed her a few times.

“Don't make a sound. There's someone next to us.”

Jessica was furious. Her face was flushed and she raised her hand to hit him.

It was so embarrassing for her to do such a thing in a place like this.

At the end, both of them were panting heavily, especially Leonard, who was hugging her tightly.

“Jessica, don't think about leaving me. I won't let go.”

Jessica leaned against his arms. At this moment, she could not think, only her physical instincts.

She squinted her eyes, feeling helpless.

At this moment, Elizabeth's voice rang

“Jess, are you still here?”

Jess had been to the bathroom for a long time. Lizzy was worried and ran over to look for her.

Jessica opened her eyes in shock and met with Leonard’s gaze. That dude was smiling happily and smugly

She pushed her away and straightened herself.

“Yes, I’m here. My stomach feels a little upset. Wait for me. I’ll be fine soon.”

Elizabeth was washing her hands. “Okay, I’ll wait for you outside.”

At this moment, Layla entered the room and spoke to Elizabeth.

“Ms. Wade!”

Elizabeth replied, “Miss Chen.”

Jessica became even more nervous. She glared at Leonard and told him not to leave.

She was really scared that he would open the door and walk out.

Fortunately, he couldn’t walk out of this mess

“Get me a piece of tissue.”

He said shamelessly. Initially, she didn’t want to give it to him, but looking at his expression, she took out a piece of tissue from her bag and

threw it to him.

She opened the door and hurriedly left.

Layla was washing her hands at the sink. She called out to her.

“Miss, your lips.”

Layla pointed at Jessica’s mouth. Only then did Jessica look into the mirror. The lipstick had completely transferred, and it was all on her waist

and neck.

The way he looked like a ghost

Jessica looked awkward, “Thank you!”

Then, she hurriedly wiped it with a wet towel. The scenes from earlier flashed in her mind. Especially when the lipstick transferred, it was

obvious how intense the two of them were screwing

That was how he kissed her on her lips, on her ear, on her neck.

Ahhhh...

She was going crazy. She hurriedly splashed her face with cold water to calm herself down and not think about it.

Layla glanced in the direction of the room. She could roughly guess that there might be a man hiding inside, so she hurriedly washed her

hands and left.

When Jessica touched the water on her face with both hands, she saw the man behind her and her mouth opened in fright

“W-Why did you come out?”

She quickly looked around. Fortunately, everyone inside had left.

Chapter 990 She Is indeed Matthew's Woman

Leonard straightened his posture and leaned closer to her. The corners of his lips curved into a wicked smile.

“Are you that scared?”

Jessica did not want to talk to him, she turned around and was about to leave.

However, Leonard wrapped his long arms around her waist. She hit hard on his firm chest and she furrowed her brows in pain.

“Leonard Johnson.”

She called out to him, telling him to be careful.

He really felt that his muscles were hard everywhere. That was why he could bully her like this without any restraint.

“Jess, did you like it just now? We're the best at screwing”

Jessica was on the verge of losing her mind. After pushing him away, she slapped him.

“Mr. Johnson, the agreement between us is no longer in effect. Please take care of yourself. I was just bitten by a dog just now. Please stay

away from me in the future.”

After saying that, she ran away and slammed the bathroom door shut.

The smile on Leonard’s face faded and his eyes darkened.

When Jessica returned to her seat, Elizabeth asked.

“Are you alright?”

Looking at her unpleasant face, she looked exhausted.

Jessica’s legs were trembling and she didn’t have any energy. It was all that man’s fault.

But she couldn’t say it out. How could she say what happened just now?

She turned her head and looked in the direction of the bathroom.

“Lizzy, let’s go! I still have a client in the afternoon, I need to accompany them shopping.”

Elizabeth got up and glanced at the table. Only Layla was there. Where did that guy go?

Elizabeth wanted to be polite and thank him for treating them.

Since she wasn't around, she couldn't be bothered to be polite with him anymore. She told the waiter that the bill was under Mr. Johnson's

name and she left with Jessica.

Elizabeth spoke to her as she passed by Layla

"Goodbye, M. Chen!"

Layla uadded slightly but her gaze was fixed on Jessica with a trace of dirdain in her synn,

Naturally, how she looked in the bathroom just now could only be interpreted with one possibility.

In her heart, she must be a slut

But she didn't care. She didn't want to care about other people's thoughts

The moment they left, Leonard returned

Sitting opposite Layla, Layla spoke

Leonard, where did you go just now?"

She deliberately went to the bathroom to look for him, but someone said there was no one in the male bathroom.

Leonard was not in the mood to eat anymore.

I'll send you home"

Then, he got up and went to pay the bill. Layla could clearly feel his indifference, and she was inexplicably a little disappointed. Did she do

something WION

Leonard stood at the cashier and took out his card

"How much is it?"

The cashier, "215,000."

Leonard furrowed his brows. "How much?"

What did the two women order?

The cashier said again, "215,000. The table here is one thousand three hundred. The two ladies at the other table cost the rest. The total is

215.000

Leonard handed him the card. He knew that with Elizabeth around, that girl knew how to make him feel upset.

Matt's life was worse than death because of her, let alone him.

After paying the bill, he gave Matthew a call.

Swiftly, the call was connected. "Yes."

Knowing that this guy was in a bad mood, he immediately answered the call.

“Your wife really knows how to eat. She ate me two hundred and one thousand a meal Besides, those dishes have barely been touched.

Shouldn’t you teach her how to cherish food?”

Matthew raised his eyebrows. “Lunch together? You should feel honored. As a husband, I don’t have this honor. It’s worth your money.
