

## Genius 1201

### Chapter 1201: The people of the Jade Lake Holy Land!

As this sudden voice fell ...

Everyone, including Hu Baimei and song Qinglian, could not help but look up and see two white streams of light in the distant sky.

Within a few breaths, two women in moon-white robes arrived. They were in their early twenties, one big and one small, one cold and one playful.

The most eye-catching thing was the two extremely hot golden words on their moon-white robes!

The Jade Lake!

At that moment, everyone's spirits were lifted, and their eyes revealed a deep respect.

The people of the Jade Lake Holy Land were here!

As the two women landed on the ground, the tall woman in the lead looked around and then looked at Hu Baimei and song Qinglian. "Are the two of you trying to stir up trouble in the Jade Lake sacred land?"

"Greetings, high Ambassador of the Jade Lake!"

Hu Baimei bowed slightly and said respectfully, "There was a small misunderstanding between me and fellow Daoist song from the martial numinous Hall. It has already been settled."

"Extreme, extreme!" Song Qinglian nodded.

Both of them knew very well that this was Chi state, the territory of the Jade Lake Holy Land. If they made a move here, they would inevitably suffer the wrath of the Jade Lake Holy Land.

"At least you guys are tactful!"

.....

The petite girl behind the tall woman snorted coldly and said proudly, "Just an hour ago, two people like you who attacked my Chi province were killed on the spot."

As soon as he said this, everyone's expression changed. Hu Baimei and song Qinglian were both scared.

"Since it's a misunderstanding, then it's fine."

The tall woman's cold expression softened a little and she said indifferently, "My name is Lin Lan, and this is my sister, Lin Yiyi. She's a disciple of the Jade Lake sacred land's Black bamboo peak. The Jade Lake meeting is about to be held, so no forces are allowed to fight in the Jade Lake territory!"

Hu Baimei and song Qinglian nodded.

Someone from the Jade Lake Holy Land?

When ye chen heard Lin Lan's words from a distance, his expression changed. Then, he slowly walked over and smiled. "Miss Lin, can I ask you about a person?"

“Who are you?” Lin Lan fixed her eyes on him.

Ye chen was about to speak when Hu Lei jumped out and said, “You with the surname ye, why aren’t you retreating? how can you casually come into contact with the great Messenger of the Jade Lake Holy Land? Why don’t you take a look at your own status?”

Ye chen looked at him with a calm expression!

With just a single glance, Hu Lei felt as if he had fallen into a living hell. He subconsciously took a few steps back as cold sweat dripped down his forehead.

Why is this kid’s gaze so scary?

He was filled with fear.

After Lin Lan saw this scene, she could not help but look at ye chen in a higher light. She said coldly, “Who do you want to know?”

“This person’s name is mu Caiwei!”

Ye chen smiled faintly. “She’s my friend. I heard that she’s a disciple of the Jade Lake sacred land. I’d like to ask you about her.”

“Your friend can join the Jade Lake sacred ground?”

Hu Lei, who had been defeated earlier, couldn’t help but sneer, “You don’t even think before lying. For someone like you, your so-called friends won’t be any better ...”

“Shut up!”

Before he could finish, he was interrupted by Lin Lan and Lin Yiyi.

The petite Lin Yiyi glared at Hu Lei. “Is my Senior Sister mu someone you can casually guide?”

Hu Lei’s face paled. He had never thought that the Jade Lake sacred ground would really have a person named mu Caiwei.

On the other hand, Hu Baimei’s pupils shrank and she looked at ye chen deeply. She did not expect him to know a disciple of the Jade Lake Holy Land.

Lin Lan looked at ye chen expressionlessly and asked in a questioning tone, “You just said that elder sister mu from the Jade Lake sacred ground is your friend?”

“Not bad!” Ye chen frowned slightly.

“That’s impossible!”

Lin Yiyi almost exclaimed. She looked ye chen up and down, her eyes full of doubt. “Your aura is so weak, how could you be my Senior Sister MU’s friend?”

“Sister mu joined the purple Lotus Peak of the Jade Lake Holy Land a month ago. She was detected to have the body of a Grand Supreme and attracted the worship of thousands of carps in the Jade Lake!”

At this point, she raised her chin and said rather arrogantly, "She even shocked the Holy Lord and made her his last disciple. In just one month, she reached the top martial King realm. As long as she breaks through the mirror, she will be the next Holy Virgin of the Jade Lake Holy Land!"

As soon as she finished speaking, a series of extreme waves were set off in the world.

Mu Caiwei had been accepted as a personal disciple by the Jade Lake Saint? One had to know that he was an Emperor's throne realm existence!

What shocked them the most was that mu Caiwei was about to become the next Jade Lake Saint!

"Alright, Yiyi!"

Lin Lan cut her off and stared at ye chen with her beautiful eyes. She said coldly, "I know that sister priest is now a peerless beauty, and many people want to build a relationship with her. But I advise you to give up."

"You and sister priest are destined to be people from different worlds."

There was a faint warning in her words.

"Thank you for the information!"

Ye chen smiled noncommittally, then walked to Blacky's side under everyone's gaze.

"The two of us still have things to deal with, so we won't be staying any longer. I hope you all take care of yourselves!"

Lin Lan's gaze swept over the crowd, her eyes pausing on ye chen for a moment before she left with Lin Yiyi.

In the air, Lin Yiyi said thoughtfully, "Sis, look at that guy. He really seems to know our priest sis!"

"So what if I know him?"

Lin Lan shook her head slightly and said, "I can't sense any aura from this person. He must be an old friend of elder sister MU's in the secular world before she joined the sect. Such a person will only drift further and further away from elder sister mu."

"Don't forget that the purpose of the Jade pool meeting is to announce that sister mu will be the next saintess!"

"Although elder sister mu is still in seclusion in the forbidden area, I believe that with the help of the Grand Elder and the others, as well as the resources in the forbidden area, it will be enough for elder sister mu to break out of seclusion on the day of the Grand meeting."

.....

Outside the Fenghua Pavilion, song Qinglian glared at Hu Fei coldly after the two women left. He then left with the people from the martial numinous house.

Seeing that Hu Fei had managed to escape, Hu Lei was disappointed. He could not help but look at ye chen and said, "Ye, you said you know the future Holy Virgin of the Jade Lake? You're bragging too much, aren't you?"

"Big brother Hu Lei is right. After all this trouble, he doesn't even give you any face."

"You're right. How could someone like him know the future Holy Virgin of the Jade Lake Holy Land?"

"....."

When he heard everyone's mockery of ye chen, Hu Fei subconsciously wanted to step forward and help ye chen out of the situation.

"Hu Fei, come with me and tell me everything that happened ..."

Hu Baimei glared at ye chen coldly, then turned around and walked into the Fenghua house.

Previously, she had thought that ye chen really knew the disciples of the Jade Lake Holy Land. If that was the case, the HU clan might have to change their attitude toward the latter.

Unfortunately, any normal person would think that this was impossible. Ye chen and the future Holy maiden of the Jade Lake Holy Land were worlds apart. They were not even in the same world.

### **Chapter 1202: sacred mountain Guardian beast nine-Luan banner!**

The next morning, with only one day left before the Jade pool meeting, the HU family finally set off.

The huge flying ship passed through the mountains and cities. Each mountain and city was like a giant dragon that dominated the world, making people feel awe from the bottom of their hearts.

During this time, there were many powerful figures passing by in front and behind the flying boat. They were all people who had arrived at the Jade Lake Holy Land a day earlier.

After half a day, the flying boat finally arrived at the Jade Lake sacred ground.

Looking into the distance, one could see a great sect with a vast aura and a majestic tiger standing there.

Heaven and earth was filled with an unusually abundant amount of Heaven Earth Yuan Qi, as if a Dragon of liquefied Yuan Qi was hovering in the clouds.

The purple light soared into the sky, and the fragrance of the flowers was intoxicating.

There were also many flashing golden wild monsters in human form. Some were wearing kasayas, some were holding Scriptures in their hands, and were cultivating in the forest.

All of this revealed the Supreme Foundation and status of the Jade Lake sacred land, a peerless sect that had stood for tens of thousands of years.

The HU clan had long been shocked by this scene, and they felt reverence from the bottom of their hearts.

Even Hu Baimei, the head of the Emperor blood family, felt her heart shake and couldn't help but reminisce about the glory of her ancestors.

“This is the Holy Land of the Jade Lake. Flying is forbidden here. Please walk in!”

At this moment, an indifferent voice that was as majestic as hell burst out between heaven and earth.

.....

“Roar ...”

In the blink of an eye, a ferocious giant bird that was 500 feet long rose from the ground. Divine light surged around its body, and its ferocious might covered the sky. Fortunately, no one was injured because of this.

“It’s the Jade Lake sacred ground’s sacred beast, the nine-Luan banner!”

“It’s said that the nine-holed Luan is the spirit beast under the Holy master of the Jade Lake Holy Land. It has an endless lifespan and has witnessed the passing of the Holy Masters of the past generations ...”

“Oh my God, I feel like I’m almost suffocating in front of the nine-holed puppet even if it’s not targeting me ...”

“Shush! Do you want to die? how dare you call him by his name? you should call him senior Jiu. He has a Supreme status in the Jade Lake Holy Land. Even the Holy master has to show him some respect.”  
(Search NewN ovel’)

“.....”

In an instant, there were countless gasps in the void, and everyone looked at the giant bird with reverence.

On the HU clan’s flying ship, everyone from the HU clan subconsciously looked at the giant bird. They felt a sharp pain in their eyes, as if they were being burned by fire. Then, they hurriedly looked away in fear.

“It’s Sir Jiu. Everyone, don’t be rude. Quickly follow me down!”

Hu Baimei took a deep breath and quickly said to Hu Lei,“Lower the airboat quickly!”

“Yes!”

Hu Lei accepted the order and walked over to instruct the people in charge of operating the swift Boat. He controlled the swift Boat and landed it on the ground smoothly. The others followed suit.

“There’s actually a trace of the blue Luan’s bloodline in his body?”

Ye chen looked calmly at the giant bird in the air.“Interesting. Although his bloodline is extremely mixed, he’s actually reached the peak of the nascent soul realm. He’s quite precious in the mortal world. If he’s to be a Mount for this little guy ...”

He touched his chin and his eyes flickered.

Almost at the same time, the nine luminaries centipede in the void suddenly felt a cold and gloomy feeling, as if a pair of terrifying eyes were looking at it.

It couldn't help but shiver. Its burning eyes looked around, trying to find the pair of eyes.

"This old master has lived for more than ten thousand years, but this is the first time I've felt such a gaze. Not even the Holy Land's previous Holy Masters have ever felt it ..."

"Could it be that a peerless expert is scheming against me?"

Thinking of this, it felt a little scared. Then, it let out a long roar and disappeared from everyone's sight.

That action was as if he was running away.

At the same time, the experts of the Jade Lake Holy Land, who were responsible for guarding the gate, looked at each other and frowned." "Why is Lord Jiu so afraid?"

"I don't think so!"

"Sir Jiu's cultivation is unfathomable, there's nothing that can make it feel fear," another person said with a frown.

.....

When everyone landed, a huge city came into view. Whether it was in terms of scale or grandeur, it was much more majestic than any city ye chen had seen in the ancient barren world.

"This is the liberty City of the Jade Lake Holy Land. All the people who live there are related to the Jade Lake Holy Land."

Hu Baimei respectfully introduced," "For example, the descendants and family members of the Jade Lake Holy Land's disciples can't cultivate, but they have the right to live there because their ancestors came from the Holy Land."

"The heaven Earth Yuan Qi inside is too dense!"

"If we can stay there, our cultivation speed will definitely be countless times faster," Hu Lei said enviously.

The rest of the people all nodded.

"Don't lose our Hu family's status!"

Hu Baimei shouted and then led the crowd to the city gate in an orderly manner.

At the huge entrance of Liberty City, there were two tall stone lions guarding both sides. The stone lions were motionless, but their expressions were extremely ferocious and vivid.

Someone couldn't help but touch it subconsciously. One of the stone lions immediately opened its eyes, and a murderous aura spread in all directions.

"It's alive, it's actually alive!"

The man was so scared that he fell to the ground.

"Don't act rashly!" An old man who was guarding the mountain shouted." "This is a mountain-guarding puppet refined by the experts of my Holy Land!"

Only then did everyone become alert. They went around the two pairs of stone lions from a distance, not daring to make any rude movements.

Just as ye chen was about to enter Liberty City with the HU clan, a surprised voice suddenly came from the side. "Why did you still come?"

Ye chen looked in the direction of the voice and immediately saw two women in clean clothes standing in the distance. They were looking at him with surprise.

They were Lin Lan and Lin Yiyi, whom he had met yesterday.

However, behind the two women, there was a young man in white. The young man's handsome face made many women look at him, and their faces burned.

When the three of them came closer, ye chen smiled faintly. "So it's the two of you ..."

Before he could finish his words, he was interrupted by Lin Lan coldly, "Why don't you listen to my advice? Didn't I make it clear before? you and Senior Sister mu ..."

"Miss Lin!"

"You'll have to worry about my relationship with mu Caiwei," ye chen replied calmly.

"You ..."

Lin Lan was so angry that she seemed to have thought of something. She said coldly, "Forget it, it's up to you,"

Then, she led the two people behind her into Liberty City. The rest of the people looked at ye chen with confusion, as if they were curious how ye chen knew someone from the Jade Lake Holy Land.

"This brat really doesn't know shame!"

Hu Lei, who was in the crowd, sneered in a low voice, "He's just a Toad lusting after a Swan's flesh. If others knew that he met miss mu, I'm afraid he would be killed in minutes."

"Let's go!"

Hu Baimei shook her head slightly and urged everyone to enter the city.

Although she did not express her opinion, she had made up her mind to keep Hu Fei away from ye chen. It would be best if she could get Hu Fei's astral body back.

### **Chapter 1203: night visit to the Jade Lake Holy Land!**

In Liberty City.

Lin Lan walked into a building of the Jade Lake sacred land in the city with a long face.

"Sister, don't be angry."

Lin Yiyi, who was standing behind her, consoled her, "Since that little brother doesn't believe us, it's useless for us to worry about him. He'll understand your difficulties sooner or later."

“Me? concerned about him?” Lin Lan sneered.

The white-robed young man beside them smiled and said, “Junior Sister Lin, who was that person just now?”

“Senior brother Wei Yong, it’s like this ...”

Without waiting for Lin Lan to speak, Lin Yiyi immediately recounted how she had met ye chen in full detail.

After listening, Wei Yong immediately laughed. “If it’s really as Junior Sister Yiyi said, then this person must be no different from those ordinary people. It’s not worth getting angry at such a person.”

Even though he said that, there was a faint cold glint surging in the depths of his eyes.

“What senior brother Wei said is right!”

Lin Lan nodded slightly. “I’m just reminding him out of kindness. If he continues like this, he’ll be in danger.”

“Maybe!”

.....

Wei Yong’s eyes flickered, “what if this person really knows Junior Sister mu?” I have an idea. There’s a gathering of the elites in Liberty City tonight. Maybe we can invite him to go. ”

“Is it senior brother Xie from the purple sword peak who started the gathering?” Lin Lan was shocked.

“Not bad!”

Wei Yong nodded and smiled. “Senior brother Xie is the third disciple of the purple sword faction. He’s the most suitable person to contact the heaven’s favorites from the other factions.”

.....

In the North of Liberty City, a Pavilion had been opened up, and the HU family was arranged to stay there temporarily.

It seemed that the previous incident had caused the HU family to have even more opinions of ye chen. Hu Lei had deliberately arranged a room with relatively poor conditions for ye chen.

Ye chen did not care about this. After all, cultivators used the sky as their blanket and the earth as their bed. They lived in the cave and spent the night on a futon.

“Master, what should we do next?” Blackie asked ye chen.

“Wait!”

Ye chen walked to the window and looked in the direction of the Jade Lake Holy Land. He put his hands behind his back and said, “When it gets dark, I’ll go to the Jade Lake sacred ground myself to see if I can find Mengmeng.”

“Master, in my opinion, in the entire Jade Lake Holy Land, only the Holy Lord of the Jade Lake Holy Land is your match.”

“Then why don’t we just kill our way into the Jade Lake sacred ground and demand for her by force?” Blackie asked hesitantly.

“I’ve thought of this method before.”

Ye chen shook his head slightly. “That’s a bad idea. We haven’t figured out the Jade Lake Holy Land’s attitude yet.”

“What if they don’t have any ill intentions towards Mengmeng and mu Caiwei? if we do this, it would be equivalent to offending good people.”

“Secondly, the Jade Lake Holy Land can’t stop me, but it’s a great sect in the ancient barren world with a soul formation cultivator. Even I can’t say I can see through the Jade Lake Holy Land.”

“If I make a move rashly and force the Jade Lake Holy Land to hide Mengmeng, or use the girl to threaten me, what should I do?”

At this point, ye chen smiled. “So, we can only take things one step at a time. It’s best to meet mu Caiwei first. After all, her status in the Jade Lake Holy Land is extraordinary now. She must know something.”

Blackie suddenly understood.

At this time, footsteps were heard from outside. Ye chen scanned with his divine sense and found that it was the HU clan’s patriarch, Hu Baimei.

After the former entered, he looked at ye chen and said, “Little friend, I don’t care who you are, and I don’t care if you really know the Jade Lake Holy Land’s future Holy maiden.”

As long as you return Hu Fei’s soul power, I can guarantee your safety in the Jade Lake sacred land.”

She said in an unquestionable tone, “You must know that if the Jade Lake sacred ground knows that you want to see their future Holy maiden, they will definitely target you.”

“I’ve already said that this is a matter between me and Hu Fei.”

“If Hu Fei wants to recover his astral body, ask him to come to me!” Ye chen said lightly.

“If that’s the case, I’d like to see what happens to you next. After all, if you die, Hu Fei’s soul power will return automatically.”

Hu Baimei was so angry that she laughed and left after saying this. She was obviously completely angry.

“This woman is really annoying!”

Blackie watched him leave, and a brutal look appeared on its face. “If it wasn’t for Hu Fei’s respect for her, I would have killed her long ago ...” He said.

Ye chen shook his head lightly.

Soon, night fell.

“After I leave, if anyone wants to see me, just say that I’m out!”

“Don’t reveal your strength unless you have no other choice. Otherwise, you’ll easily alert the enemy ...”Ye chen reminded little black.

After saying that, he turned invisible.

.....

The Jade Lake Holy Land was located in the hinterland of Liberty City. However, for the people of Liberty City, the Jade Lake Holy Land seemed to be close at hand but far away.

There were a total of 36800 stone steps outside the gate of the Jade Lake Holy Land, and the stone steps were engraved with a gravity array.

If an ordinary person was deep on the first stone step, they would have to bear a pressure ten times their weight, a thousand times for the second step, and ten thousand times for the third step ...

Even some Grand cultivators could only cross over 10000 streaks. If they tried to cross again, they would explode and die.

However, this pressure was nothing to the people of the Jade Lake Holy Land, because all the disciples of the Jade Lake Holy Land would have an identity nameplate, which was engraved with an array that could offset the pressure from the stone steps.

Apart from that, there was also the sect-protecting formation and the sacred mountain-protecting beast, the nine Luan Luan.

Ye chen crossed thirty-six thousand and eight hundred stone steps. When he reached the mountain Gate, he saw a stone statue standing motionless at the gate.

The stone statue seemed to be a bird of prey.

“So it’s this evil beast ...”

Ye Chen’s eyes flashed. Then, he cleverly tore open the protective formation and sneaked in silently.

After he left, the stone statue, which was originally like a dead object, suddenly opened its eyes. There was a fire surging in its eyes.

Jiu Ming Ming’s eyes were burning with flames as he looked around and muttered to himself,“”Why do I feel so uneasy ...”

A moment later, it turned back into a stone statue, as if it had fallen into a deep sleep.

There were 108 peaks in the Jade Lake sacred land, which started with the word “purple”, such as the purple bamboo peak, the purple Lotus Peak, and the purple sword peak.

These 108 peaks rose from the ground and pierced into the clouds. From afar, they looked like 108 Heavenly Divine pillars.

Each peak represented a type of inheritance, and each of them had their own duties. Each peak was guarded by an Almighty.

Even with ye Chen's divine sense at the soul formation stage, he could not cover the entire Jade Lake Holy Land. Under his divine sense, he sensed many powerful auras.

There were more than a hundred martial Saints, and there were more than a dozen nine-revolution martial Saints among them. They were obviously the real elite force of the Jade Lake Holy Land.

"As expected of a peerless sect!"

Ye chen nodded to himself.

An hour later, when he passed by the largest mountain peak, he stopped.

There was a familiar aura there.

#### **Chapter 1204: sky covering array, massacre in all directions!**

"Mu Caiwei?"

Ye chen stopped in his tracks. His eyes narrowed slightly as he carefully sized up the dayue mountain peak that pierced through the sky.

On it, there were faint Daoist imprints surging and a few ancient characters could be seen enshrouding the purple Lotus Peak!

"Previously, Lin Lan and her daughter mentioned that mu Caiwei seemed to have entered the purple Lotus Peak ..."

Ye Chen's expression changed. Then, he took a step forward and teleported toward the purple Lotus Peak.

"Fire-golden eyes, open!"

The Golden flames in his eyes burned brightly!

"Chi ..."

At this time, an invisible power of an array appeared in his eyes. From a distance, it looked like an alms bowl that was overlooking the entire Purple Lotus Peak.

"What a powerful formation!"

Ye Chen's eyes flashed with admiration.

With his ability, how could he not know that once the formation was touched, it would alert the guards? it would only take a few breaths 'time for the whole Jade Lake Holy Land to be shocked.

"It's a pity that this method is useless Against Me!"

.....

He shook his head slightly and formed a hand seal in the air."Great five elements restriction breaking technique!"

"Chi ..."

At that moment, an invisible crack appeared in the originally tight array barrier.

"72 Disha Arts, transform!"

With a thought, ye chen transformed into a bee and flew into the crack.

At that moment, an old figure silently appeared where ye chen had been.

"The formation is intact!"

"I clearly felt a slight fluctuation in the formation earlier. Strange ..."

.....

Within the purple Lotus Peak, ye chen followed mu Caiwei's aura and finally arrived at the peak.

There was an endless ocean there, and there was almost solid Heaven Earth Yuan Qi in it.

If an outsider were to see this scene, they would be so shocked that they would not be able to speak. This was because the Qi of heaven and earth was simply too terrifying.

In the middle of the ocean, there was a huge Lotus platform. Four figures were sitting cross-legged on the four sides of the Lotus platform.

In the middle of the Lotus platform, a huge Purple Lotus flower was budding. Four figures seemed to be pouring something into it.

"Innate shichiyou Lotus!"

Ye Chen's eyes narrowed slightly.

The innate shichiyou Lotus was an item used in the cultivation world to make the nascent soul pill. It was often hard to find, and it often caused fights between nascent soul cultivators.

"Looks like mu Caiwei is about to step into the nascent Soul Stage!"

Ye chen stared at the giant Purple Lotus flower. Within it, he could feel mu Caiwei's energy.

"I didn't expect that the Jade Lake Holy Land would send four nine-revolution martial Saints to help him with abhisheka. The Jade Lake Holy Land seems to take this seriously ..."

"It's a pity, this method of abhisheka is no different from pulling a seedling to help it grow for mu Caiwei ..." He shook his head.

After hesitating for a moment, he did not appear to stop all of this. He turned around and left quietly.

If this process was interrupted, the four nine revolution martial Saints would either die on the spot, or their meridians would be shattered. On the other hand, mu Caiwei would die from an explosion.

About an hour later, ye chen had almost visited all one hundred and eight peaks. However, to his disappointment, he did not sense his daughter's energy.

"Where is this girl?"

Ye chen could not help but stop. He looked at the huge Jade Lake Holy Land and frowned. "Is she not in the Jade Lake sacred ground?"

"No, she must be here!"

He shook his head. He could feel the bloodline connection between him and the little fellow.

After saying that, his figure swayed again.

After the time it took for an incense stick to burn, ye Chen's figure was finally revealed in the heart of the Jade Lake Holy Land.

In front of him was a bottomless cliff that looked like the bloody mouth of a giant beast.

On one side of the cliff, there was a huge stone tablet with the words "bi an forbidden area" carved on it!

"A forbidden area?"

Ye chen looked down at the cliff below. His divine sense could not reach the bottom at all. His eyes flickered. "Could it be that the Jade lake's Holy master is cultivating in seclusion below?"

When he had explored the Jade Lake Holy Land earlier, the person with the highest cultivation level he had sensed was only a nine-revolution martial Saint.

Thinking of this, he finally leaped and directly jumped into the cliff, letting his body fall rapidly.

The next moment!

Suddenly, he heard the sound of glass shattering under his feet.

"Not good!"

"A formation!"

"And it seems to have the ability to create beautiful scenery and confuse people's vision ..." Ye Chen's eyes narrowed.

"I was too careless ..."

"Ding Ling Ling ..."

The sound of bells rang out endlessly, like thunder.

"Boom ..."

In the air, a giant golden hand suddenly came toward ye chen. "Who dares to break into the forbidden area of the Jade Lake?!"

"Get lost!"

With a wave of his sleeve, ye chen repelled the Golden hand. He used this force to leap back to the top of the cliff.

"Boom boom boom ..."

Almost at the same time, the entire Jade Lake Holy Land was shaken. Countless figures with powerful auras rushed over.

“This is the sound of the sky covering Bell. Someone has broken into the forbidden area and activated the sky covering formation!”

“The forbidden area is the Holy master’s secluded cultivation place. No one has ever entered by mistake. It must be an outsider who entered the Jade Lake sacred land and shocked the Holy master ...”

“No matter what, we can’t let this person leave!!!”

“.....”

In just a few short breaths, several nine revolution martial Saints burst out with energy and rushed toward ye chen.

“Who is it? how dare you break into the Jade Lake!”

Several nine revolution martial Saints immediately discovered ye Chen’s traces and joined forces to kill him. Their terrifying auras shook the sky.

“It seems that today’s matter can’t be done!”

Ye chen sighed to himself. Then, his figure moved and he flew directly toward the gate of the Jade Lake Holy Land.

“He’s trying to escape. Quick, activate the mountain-protecting formation and inform the sacred beast to kill this man!”

“Let’s see how you’re going to escape!”

“Boom ...”

In an instant, countless beams of light shot up into the sky. The Jade Lake sacred land’s Mountain-protecting formation was completely activated.

“Let’s see where you can escape to!”

As a sword Qi that floated ten thousand feet slashed toward ye chen, an old figure carrying a long sword was revealed.

“You’re looking for death!”

Ye Chen’s eyes turned cold. He raised his hand and threw out a palm, directly crushing the sword Qi. Then, he slapped the former to the ground.

“Stay!”

Another nine revolution martial Saint came. With a wave of his hand, Thunder from the nine Heavens fell from the sky. His aura was monstrous, and the wind and clouds were stirred.

“Get lost!”

Ye chen allowed the heavenly lightning to strike him and threw a punch. It did not seem like he had used much strength but the void in front of him collapsed.

“Ah!”

The nine-revolution martial Saint was instantly torn into pieces, and blood mist filled the air.

.....

At that moment, countless disciples of the Jade Lake Holy Land were shocked by the scene.

“That’s the peak Master of the purple sword peak. Oh my God, he’s a nine-revolution martial Saint and the best swordsman in the Jade Lake Holy Land. How could he be sent flying by a single slap?”

“That’s the peak Master of purple Thunder Peak! Who the hell is this guy?! He was actually smashed into pieces by a single slap!”

“And the peak Master of black bamboo peak! His Natal spiritual treasure was broken by his opponent with one finger!”

“.....”

As more and more members of the Jade Lake Holy Land joined the battle, everyone was shocked by ye Chen’s terrifying combat power.

However, no one could see ye Chen’s face clearly.

Ye chen killed his way through, and no one could stop him. He killed his way directly to the mountain Gate, and during this time, many martial Saints died tragically at his hands.

“Your Excellency, please stay!”

A ferocious cry pierced the sky, and a giant shadow that covered the sky over fifty feet long attacked ye chen.

It was a giant bird.

Its ferocity was monstrous, and divine fire surged!

“It’s the mountain protector Saint Beast, Lord nine suanni!”

The disciples of the Jade Lake Holy Land were in high spirits!

### **Chapter 1205: The cry of a Holy beast, shaking thousands of miles!**

The moon’s shadow flowed to the East, and the stars in the sky flickered, as if they could disappear and darken at any time.

All the inheritances from all over the central State gathered in Liberty City. In the darkness of the night, countless forces strictly abided by the city rules and restrained their disciples, because this was the territory of the Jade Lake Holy Land.

“Roar ...”

At this moment, an extremely sharp cry that sounded like a peerless beast broke the silence of the night.

The chirping sound shook the mountains and rivers. The materialized golden sound waves rose and fell like a tsunami, covering the sky and the moon.

In Liberty City, an old Man in Black suddenly raised his head, and then his body flickered. The next moment, he appeared on the top of a tall building.

His eyes were fixed on the Golden sound waves that were rolling in the sky like a tidal wave. He was shocked. "That 's?!!"

"Whoosh!"

Another figure with a powerful aura landed beside him. "That seems to be the gate of the Jade Lake Holy Land!"

"There must be a fight between two powerful divine arts cultivators. Is the Jade Lake sacred land in chaos?"

"The Jade Lake Holy Land controls a state and is known as the Overlord of the North Region. Who dares to be so presumptuous here?!!"

"Let's go, we'll go take a look ..."

The Almighty's from all forces were shocked by this commotion, and they joined forces to rush toward the Jade Lake Holy Land.

.....

In the southern part of Liberty City, many luxuriously-dressed young men and women were gathered together, pointing at the world and writing.

After receiving the last person, Wei Yong, an inner disciple of the Jade Lake Holy Land, pulled Lin Lan to a corner and said, "Junior Sister Lin, you didn't invite that brat surnamed ye?"

Lin Lan glanced at the heaven's favorites from all the sects and shook her head. "I just asked Yiyi to invite him to the HU family, but his servant said he left and his whereabouts were unknown."

"No one knows where he is?"

Hearing this, Wei Yong smiled slightly and a hint of ridicule appeared at the corner of his mouth, "I think he knows his own limits, so he doesn't dare to come out and share the stage with us, right?"

Just as Lin Lan was about to speak, she suddenly heard an extremely fierce cry in the void.

Hearing this voice, all the heaven's favorites, including Wei Yong, felt their hearts tremble and their faces turned pale.

"It's the mountain Guardian Saint Beast, Lord Jiu Luan!!!"

At that moment, Wei Yong, Lin Lan, and the others couldn't help but look at each other, and their faces instantly paled.

“Lord Jiu has an extremely high status in the Jade Lake Holy Land. She has been in a deep sleep all year round and has always kept a low profile!”

Lin Lan was shocked. “I’ve never seen such a violent side of him. Did something happen?” she thought.

“Let’s go!”

“Let’s go!” Wei Yong said. Then, he took the lead and broke through the sky with a sword light, flying toward the gate of the Jade Lake.

At this moment, everyone in Liberty City was shocked by the cry. Countless people scrambled to look for the source of the cry in the void.

.....

At the gate of the Jade Lake Holy Land.

The giant bird tore the sky apart, and its ferocious might permeated the air.

All the people of the Jade Lake Holy Land looked at the huge shadow in the sky, which almost covered the clouds, and they were all shocked.

“It’s the mountain Guardian Saint Beast, Lord Jiu Luan!!!”

“Lord Jiu has finally made her move. She’ll definitely kill the thief who intruded into the Jade Lake Holy Land on the spot!”

“.....”

All the disciples of the Jade Lake Holy Land had looks of admiration on their faces. Even the martial Saint elders were no exception.

The sacred beast nine-eyes Luan was like a spiritual faith in the Jade Lake Holy Land. Every generation of disciples had grown up listening to the story of the nine-eyes Luan.

The true form of the nine luminaries demon was completely revealed. It directly cut across the entire Jade Lake Holy Land’s Gate with its physical body, completely blocking ye chen inside.

Jiu Mingxi’s fierce eyes, which seemed to be burning with divine fire, looked down at ye chen and said, “Your Excellency, it’s better if you don’t leave!”

Its body was like a great mountain, and its entire body was covered in fur that seemed to be made of gold. It emitted a resplendent light, and its voice was like thunder, stirring people’s hearts and souls.

“Do you think a feathered animal like you can keep me here?”

Ye chen stood in the air with his hands behind his back, his eyes calmly looking at the nine luminaries flame, which was much larger than him.

As soon as these words came out, many people from the Jade Lake Holy Land were furious. The nine-holed demon was a Holy beast in their hearts, but ye chen called it a flat-haired animal. How could they not be angry?

“Roar ...”

The nine luminaries devil let out a long cry and then turned into a beam of light that pounced toward ye chen. Its entire body glowed with a boundless radiance. Its wings spread across the sky and shattered the void.

“BOOM!”

Ye chen made his move. He raised his hand and sent out a giant void handprint, which turned into a large black Hand that met the former.

“Boom boom boom ...”

The void suddenly exploded like a Heavenly Thunder. Violent energy swept out in all directions like a tide.

“Pi Li pa la ...”

Countless mountains, rocks, and plants were reduced to nothingness under this energy, and the majestic peaks were razed to the ground like a hurricane.

The expressions of the Jade Lake Holy Land Almightyies who were watching the battle changed slightly. They all made their moves. With a wave of their sleeves, they directly wrapped all the disciples within the range of the storm and retreated.

“Too strong! Lord Jiu is too strong!” This was the only thought left in many people’s minds.

“You’re quite strong. No wonder you dared to break into the Jade Lake sacred land!”

Jiu Chi Huang’s old voice rang out. The flaming feathers on his body stood up. Then, he immediately stretched out a huge Golden Claw as if he wanted to tear ye chen apart.

“Very good. Since you like to play, I will play with you today.”

Ye chen took a step forward. His entire body was surging with primordial energy. His large hand covered the sky like an ancient mountain range.

“Bang ...”

The huge hand that covered the sky sent the nine luminaries sword flying with a slap. It smashed into many buildings, accompanied by a faint scream.

At this sight, the world suddenly fell silent. Everyone stared at this scene with their mouths agape.

Lord Jiu was sent flying with a single slap?

“You’ve successfully enraged me!”

The nine luminaries heaven rose into the air again. Its wings spread across the sky, shattering the clouds in all directions. The golden light soared into the sky and attacked ye chen. The fiendish energy shook everyone until they almost suffocated.

“You’re angry because of this?”

Ye Chen smiled coldly and said in a cold voice, "This only proves that you've lived for tens of thousands of years in vain. The good show is yet to come!"

The next moment!

With a sway of his body, he instantly disappeared from his original spot, as if he had evaporated from the world.

"Where are they?"

Everyone searched everywhere.

Even the nine-holed demon only felt a blur in front of its eyes. It could not catch sight of Ye Chen's figure at all. Then, it only felt a bone-chilling chill.

"Not good!"

It cried out in its heart and quickly retreated.

"BOOM!"

Ye Chen's body descended from the sky and landed on its back. His golden fist came down and smashed down.

"Boom boom boom ..."

The nine-holed Suan ni let out a long and shrill cry, trying to shake Ye Chen off. However, the former was like a dog-skin plaster, and countless golden feathers like flames fell from its body.

### **Chapter 1206: this pot is really F \* cking black!**

"Roar!"

The nine luminaries sword swept across, crushing countless mountains along the way. Its wings were like the sharpest blades in the world.

Only its shrill screams could be heard in the world.

In the distance, the people of the Jade Lake Holy Land were completely dumbfounded, as if they had lost their souls. Their eyes widened in disbelief as they watched this scene.

They only felt that the faith in their hearts was being torn apart.

At the same time, less than 30 miles away from the Jade Lake sacred land, countless figures were rushing over at full speed.

When someone arrived at the scene first and saw this scene, they all sucked in a cold breath. "That's the Jade Lake sacred ground's sacred guardian beast, the nine-puppet centipede?!!" (Search NewN over!)

"Look, there seems to be a person on it!"

"No, it's the nine puppet beast that's crying out from being beaten by this person!"

Someone exclaimed, but what he got in return was a collective silence. All eyes were filled with shock.

That was the Holy beast Guardian of the Jade Lake!

When Lin Lan, Wei Yong, and the others who had arrived later saw this scene, their eyes were full of disbelief.

“Who ... Who is that person?” Wei Yong said in a trembling voice.

.....

Lin Lan pursed her lips and did not speak. Her beautiful eyes were fixed on the man on Jiu Ming’s back. However, the man’s body was like a thick fog, and her facial features could not be seen clearly.

“This person must be an Emperor’s throne realm expert!”

Some of the mighty figures at the scene sucked in a breath of cold air and exclaimed in shock, “I didn’t think that we would be able to witness the peerless elegance of an Emperor’s throne realm today!”

“In the ancient Barrens world, all the strong practitioners of the emperor’s throne realm are famous throughout the ancient Barrens. Who is this person?”

“Will it be great Yin’s Sovereign Lord, di xuangang, or great Qin’s Sovereign Lord, who wins? Or the Emperor of the Xia Dynasty, Hua Feiyang, and the Academy avoids drinking ...”

“Why hasn’t the Jade Lake Saint Lord shown himself yet?”

“.....”

Heaven and earth shook, and everyone’s faces paled.

“BOOM!”

With a loud bang, ye chen smashed Jiu Ming Yao to the ground with one punch and said condescendingly, “Are you convinced?”

“I’m not convinced!”

The nine puppet beast spat out a large mouthful of blood and most of its feathers fell off. It struggled with all its might, trying to escape.

“If you’re not convinced, I’ll continue!”

Ye chen sat on its back and raised his hand to punch it, causing the former to see stars and his head to hurt.

“Activate the 108 peaks formation and save Lord Jiu!”

Seeing this, some of the Jade Lake Holy Land’s Almightyies let out disheveled hair, and their eyes almost popped out of their sockets. They roared repeatedly, and their killing intent surged into the sky.

“Boom boom boom ...”

In an instant, the entire Jade Lake sacred ground was shaken. 108 dazzling lights shot into the sky, mixed with an aura that could destroy the world.

“If this continues, my identity will be exposed!”

Ye Chen’s eyes flickered when he saw this. “Forget it, I’ve caused too much of a commotion today ...”

Thinking of this, he leaped and instantly teleported hundreds of miles away, directly out of the gate of the Jade Lake.

The nine luminaries devil thus escaped.

Just as it was about to flap its wings and give chase, a faint voice resounded between heaven and earth, “Little bird, I’ll beat you up every time I see you in the future!”

After hearing this, the entire Jade Lake Holy Land was filled with his shrill cries, which sounded like thunder.

The onlookers also left one after another. They didn’t dare to stay. The Jade Lake Holy Land had suffered such a big loss. From the ordinary disciples to the Supreme elders, their faces were as black as the bottom of a pot.

In particular, many people from the Jade Lake Holy Land looked at them as if they wanted to eat them up. If they didn’t leave now, they would be in trouble if they were regarded as accomplices.

That night, a bombshell of news spread across the entire Central Plains.

A mysterious expert had broken into the Jade Lake Holy Land at night. After his whereabouts were exposed, the Jade Lake Holy Land had used all the power of their sect to chase and intercept him. They had even mobilized the sacred beast nine Luan Luan to protect the mountain, but they still could not stop him!

As soon as this news was released, it was like a thunderous event that shook the world.

The Central Plains was in a state of shock. Many forces were inexplicably horrified, and the big shots were even more horrified.

One must know that the Jade Lake Holy Land was the Overlord of the North Region and had a terrifying Foundation. Even with an Emperor’s throne realm expert overseeing it, it still couldn’t keep this person.

What did it mean?

This meant that this mysterious expert was most likely an Emperor’s throne realm expert!

In an instant, the few strong practitioners of Emperor’s throne realm in the world became the targets of suspicion.

The most suspicious person was the great Qin Emperor. After all, his experience in the southern region was very similar to what he was seeing tonight.

Therefore, that night, several Emperor’s throne realm experts came to the capital of the great Qin together to ask for an explanation from Ying.

“If this was my doing, I would have razed the Jade Lake sacred land to the ground instead of letting these old dogs bark at me!” Ying said bluntly.

A great battle erupted after that!

In a battle between Emperor's throne realm experts, it was rare for them to fight to the death.

In order to save face, the Jade Lake Holy Land finally found someone to take the blame. They publicly announced that the person who broke into the Jade Lake Holy Land tonight was the head of the sword hut.

In an instant, the entire ancient barren world was once again in turmoil as people searched for the remnants of the sword hut.

In a forest far away from the ancient barren world, there was an iron pot above a huge bonfire. The pot was so black that it glowed. Meat was being cooked inside.

"Master, the meat stew is almost done. I'll get you a bowl ..." A young girl with a birthmark on her face scooped a bowl of meat and handed it to the sloppy old man beside her.

The sloppy old man reached out and took it, but he was not in a hurry to eat. Instead, he looked at the black pot in front of him in a daze and suddenly said, "Girl, this pot is really F \* cking black!"

"Pfft ..."

The young girl immediately burst out laughing. Then, as if she had thought of something, she said seriously, "Teacher, since brother Wushuang's brother is an Emperor's throne realm expert, why don't you see him? What if he can save brother Wushuang ..."

The sloppy old man stuffed a lump of cooked meat into his mouth. As he chewed, he smacked his lips. "The fire is a little lacking!"

.....

In the attic of the HU family in Liberty City.

Ye Chen slowly walked over. Just as he was about to enter, a cold voice suddenly came from behind him. "Where have you been?"

He turned around and saw Hu Lei walking over with a few Hu clan disciples. His expression was unfriendly.

Ye Chen's brows furrowed slightly, but his expression remained calm. "I was bored, so I went out for a walk."

"Shopping?"

Hu Lei sneered. "Such a big thing happened tonight. How dare you go out for a walk? aren't you afraid of bringing trouble to the HU clan?"

Hu Fei walked out of the house and looked at Hu Lei coldly. "Hu Lei, it's the Lord's freedom to go wherever he wants. Are you trying to restrict him?"

"Hu Fei, what do you mean by that? Do you think I'm wrong?" Hu Lei's expression darkened.

At this time, a few auras suddenly approached from a distance, and then the figures of Hu Baimei and the other high-level members of the HU family appeared.

Hu Lei glared at ye chen and Hu Fei and hurriedly went up to them. "Master, what happened?"

"Let's talk inside!"

Hu Baimei was still in shock.

### **Chapter 1207: Mountain river banquet at midnight!**

"What? Clan head, you ... You're saying that an Emperor's throne realm expert broke into the Jade Lake sacred land at night?"

In the room, Hu Lei sucked in a breath of cold air and looked at Hu Baimei and the others in horror.

Not only him, but all the HU clan disciples, including Hu Fei and the others, had a look of disbelief in their eyes.

They had also heard the cry of the nine Luan Phoenix, but they had not associated it with an Emperor's throne realm expert.

How could they not be shocked?

The Jade Lake Holy Land was a peerless sect that the HU family had to look up to. However, it was almost overturned, and even the sacred beast was beaten to death?

"Not bad!"

Hu Baimei forcefully suppressed the shock in her heart and said in a deep voice, "Therefore, during the Jade pool meeting, no one is allowed to go out without my order!"

"Alright!"

Hu Lei and the others immediately responded.

The Jade Lake Holy Land was in a rage after such a big thing had happened. Who would dare to go and find trouble with them?

"An Emperor's throne realm expert ..."

Even so, Hu Lei's face was still filled with regret as he said, "It's a pity that I didn't witness such a person's elegant demeanor."

.....

"If only the HU family could restore the glory of our ancestors and have an Emperor's throne realm expert!" Hu Baimei also sighed.

When ye chen heard this, he shook his head, slightly speechless.

Among all of them, only Hu Fei remained calm. He looked deeply at ye chen, his eyes filled with fanaticism.

Although Ye Chen did not tell him where he had gone, he could still guess that the emperor's throne realm powerhouse that the clan master and the others highly praised must be Ye Chen.

He had destroyed the Jade Lake Holy Land and beat up the sacred beast ...

When he thought of this, his fanaticism for Ye Chen grew even stronger. A Supreme Lord was truly terrifying!

Ye Chen turned a blind eye to his gaze, but his heart was constantly calculating.

He was sure that the owner of the giant hand in the forbidden area of the Jade Lake was the Jade Lake Saint Lord!

It was reasonable to say that the Holy Lord of the Jade Lake couldn't bear it when he deliberately made such a big noise in the Jade Lake Holy Land. However, from the beginning to the end, that person didn't show up, as if he was watching everything.

"There's something wrong with this Holy master of the Jade Lake!"

Ye Chen's eyes narrowed, and his eyes flickered. "The forbidden area of the Jade Lake sacred ground is even more suspicious. It seems that I'll have to go there again when I have the chance ..."

Just as Hu Baimei was about to let everyone go to rest, an important guest came to the door.

They were the two sisters, Lin Lan and Lin Yiyi.

Lin Lan took the lead to bow to Hu Baimei, and then said with a smile, "Master Hu, please forgive me for disturbing you so late at night!"

"Miss Lin, you're too kind."

Hu Baimei felt honored and shook her head. She then said carefully, "I wonder if there's a reason for Miss Lin's late-night visit?"

A mysterious expert had broken into the Jade Lake Holy Land at night, and now a disciple of the Jade Lake Holy Land had come to visit. How could she not be nervous?

As if she had seen through her nervousness, Lin Lan smiled and said, "We are here today because there will be a heaven's favorites evening party at the sage gathering restaurant tonight. It is also known as the mountain and river banquet. The participants are all young talents from various major forces."

As she said this, her beautiful eyes couldn't help but size up Hu Lei and Hu Fei. "That's why I took the liberty to come and ask. Is your Hu family interested?"

As soon as he said this, Hu Lei and the others were immediately overjoyed. After all, young people could never sit still. Especially after hearing that they could get to know the young talents of other forces, they were even more eager to move.

Hu Baimei's face showed that she was in a difficult position, and she wanted to refuse.

Lin Yiyi, who was standing behind Lin Lan, stepped forward and smiled cheekily. "Senior Hu, don't be in such a hurry to refuse. The Jade Lake Holy Land is only the host of this evening's talents 'Gala. Whoever gets the first place will get a heavenly elixir!"

As her voice fell, the room was suddenly set off with the sound of gasping, and everyone's expression changed.

Heavenly core!

Only a Grandmaster Alchemist could make it. It had the ability to change one's fate. In the entire ancient barren world, there were only a handful of grandmasters, which was why heavenly elixirs were so precious.

Even Hu Baimei was slightly surprised. "Heavenly core?"

"That's right. This time's elites 'party is organized by senior Xie dengfei of the Jade Lake sacred land's purple sword peak!"

"And that heavenly pill was given to me by Zi Jianfeng as the prize for this year's elites' Gala," Lin Yiyi said with a proud smile.

As soon as she finished speaking, Hu Lei and the others couldn't help but say, "Patriarch, let us go."

If they had a heavenly core pill, they would definitely be able to break through to the next realm and become martial Saints. How could this not be tempting?

"This ..."

Hu Baimei hesitated for a moment before finally nodding, "Sure. Hu Lei, Hu Fei, you two can follow miss Lin."

Obviously, even she couldn't resist the temptation of the heavenly elixir.

Lin Lan was not in a hurry to leave. Instead, she turned to ye chen. "Young master ye, I wonder if you would like to go and experience it?"

She emphasized the word "knowledge."

In an instant, everyone's eyes could not help but turn to ye chen, especially Hu Lei and the others. Their eyes were full of ridicule.

In their opinion, ye chen did not have the courage to attend this so-called Prodigy's party.

"Sure!" Ye chen nodded.

Lin Lan was secretly shocked. She had been prepared to provoke ye chen, but he had agreed so readily.

Then, she couldn't help but shake her head. "That's good too. When you go and meet the heaven's favorites of the central Prefecture, you will realize the difference between you and sister mu."

.....

An hour later, at Juxian tower.

As the name suggested, the sage gathering restaurant was a place where all the talents in the world gathered. It was an industry of the Jade Lake Holy Land. A cup of tea in it had the effect of a pill, and the food was not ordinary luxury.

At this moment, the ninth floor of Sage gathering restaurant was filled with mist-like spiritual Qi and was resplendent with gold and Jade. Many maids with strong auras were holding trays and standing respectfully at the side.

In the middle, people were moving and shouting. In addition to the host, the Jade Lake Holy Land, there were also disciples of several top sects. Every time they were released, it would cause a shock everywhere.

“Everyone, this Taoist sword of mine is called kun Jade, and it has a spiritual formation inside it. I’ve nurtured it for a hundred years, and I only need to lightly activate my true essence to trigger seven sword intents ...”

On the stage, a long-haired young man in a Daoist robe and holding a snow sword smiled faintly. However, the arrogance between his brows could not be concealed.

“Alright!”

“As expected of brother Leng from bright sword Pavilion. You’ve comprehended seven sword intents at such a young age. Even the sword fanatic Yi Xuanyuan on the mountain river Board has only comprehended thirteen sword intents!”

Many people in the surroundings cheered.

As the host, Wei Yong, an inner disciple of the Jade Lake sacred land, couldn’t help but praise, “I’m sure that within a year, brother Leng will definitely have a place on the mountain river Board. ”

Upon hearing this, the long-haired young man from bright sword Pavilion shook his head humbly. “Brother Wei, you think too highly of me. It’s not that easy to get onto the mountain river list. On the contrary, fairy mu from the Jade Lake Holy Land has only entered the sect for a month, and she has already risen to the tenth place on the mountain river list!”

The rest of the people were full of admiration.

“Brother Wei, why hasn’t the mountain river banquet started yet? could it be that there are still people who haven’t arrived?” The inheritor of the Styx River sect from the Eastern Region of the Central Plains frowned.

Wei Yong took a sip of wine and pretended to be in a difficult position, “Brother Li might not know this, but Junior Sister Lin Lan and I know a person. If I tell you this person’s identity, you’ll definitely be shocked.”

“Is that so?”

The pupils of the legacy disciple from the boundless sect in the LAN state of the northern region shrank. “Could this person be on the mountain river Board?”

However, Wei Yong shook his head. "This person isn't on the mountain river Board. His cultivation can't even be compared to everyone here."

### **Chapter 1208: xpeople from the land of barbarians!**

"Brother Wei, who is this person? Hurry up and tell me, let me see it. "

Seeing Wei Yong hemming and hawing, the heaven's pride experts present were all unhappy and urged him.

Meeting everyone's eyes, Wei Yong smiled and said, "I've already said that this person isn't on the mountain river Board. His cultivation is even lower than everyone else here. But he said that he knows the future Holy Virgin of the Jade Lake Holy Land, Junior Sister mu ..."

As soon as these words came out, the entire place was in an uproar.

All of them were heaven's favorites from the various superpowers. Even though they were not the strongest in their respective sects, they were at least ranked in the top few. Even so, they had never seen mu Caiwei before. In fact, they were not even qualified to meet her.

But now, someone who was not on the mountain river list and had a lower cultivation than them said that he knew the future Holy Virgin of the Jade Lake Holy Land?

"Brother Wei, you must be joking."

In the corner, a burly young man touched his head and smiled. "As we all know, the future saintess of the Jade Lake Holy Land, fairy mu, doesn't even care about the top 10 of the mountain river list. How could she be acquainted with someone who's inferior to us?"

Although he had a simple and honest face, no one present dared to underestimate him. This was because he came from the giant demon sect and was known as one of the three heroes of the giant demon sect, Xuanji Feng Wu!

The people of the giant demon sect cultivated their physical bodies and called it the body of a giant demon. When they used their full power, they could break a mountain with their bare hands.

"I'm not joking. "

Wei Yong shook his head lightly and said in a wronged tone, "This person really did say that he knew Junior Sister mu, and he came to see her this time. I don't think he's lying, so I can only believe him ..."

"If what brother Wei said is true, then I'd like to meet this person and see what's so special about him,"

.....

Yin Sihai, the successor of the floating island in the middle state, chuckled, but his eyes were not kind.

"That's right, if this person is really extraordinary, we might believe him, but if he's just a swindler, then don't blame us for teaching him a lesson. "

"In my opinion, the only people worthy of fairy mu are overwhelming prodigies like li qingluan, Dongfang ye, and Chunyu Xiu, who are in the top 10 of the mountain river roll ..."

“.....”

In an instant, the people present began to discuss sharply, as if a storm was brewing.

Wei Yong saw this and smiled.

At this time, there was a knock on the door, and then Lin Lan slowly walked in with several people.

“I’m sorry to have kept you all waiting!”

“As punishment, I’ll drink three glasses of wine!” Lin Lan apologized with a smile as soon as she entered the room.

After saying that, she picked up the wine poured by the female attendant and drank three glasses in a row. This wine was the hundred Flowers wine specially brewed by the sage gathering restaurant. An ordinary person would fall to the ground after drinking one glass, but Lin Lan drank three glasses in one go without even blushing or panting.

“Good! As expected of Junior Sister Lin from the purple Lotus Peak!”

“Junior Sister Lin’s magnanimity ...”

The paragons present cheered.

After Lin Lan had digested the alcohol, Yin Sihai, the successor of Sky Island, glanced at ye chen and the others behind him. He said with a fake smile, “Junior Sister Lin, I haven’t seen the four heaven’s favorites behind you.”

As soon as he finished speaking, many people present turned their eyes to ye chen and the others, faintly exuding a terrifying aura.

The pressure from the ten heaven’s favorites gathered together. The pressure caused Hu Lei to take a few steps back. His face was filled with embarrassment.

Even Hu Fei was forced to take two steps back. His expression was a little ugly. It had to be said that they had underestimated these so-called heaven’s favorites after being away from the world for so long.

Only ye chen and Blackie behind them remained unmoved. Their calm eyes swept over these so-called geniuses one by one.

The reason why he agreed to come to the banquet was that he felt that these people came from almost all over the middle state and might know some news about Wushuang.

Seeing this, Wei Yong’s lips curled into a smile.

“Yes, let me introduce you!”

Lin Lan suddenly came to her senses. She turned around and introduced ye chen and the others one by one. “This is Hu Fei from the HU clan of Xuanzhou. This is Hu Lei from the HU clan of Xuanzhou ...”

After hearing about Hu Lei’s and Hu Fei’s identities, everyone present had also heard about the Xuan Prefecture’s Hu clan.

The boundless sect's direct disciple, ao Xing, nodded slightly. "I've also heard of your names. Please take a seat!"

"That's right, the two of them only took a few steps back when facing our pressure. They are qualified to sit with us ..."

The rest of them nodded.

Hu Lei was overjoyed. He looked at ye chen smugly and took a seat at Lin Lan's signal.

Hu Fei, on the other hand, was unmoved. He subconsciously looked at ye chen because he was ye Chen's servant. If the master did not sit, there was no reason for the servant to sit.

For a moment, everyone in the hall turned their eyes to ye chen and Blacky.

"This is young master ye ..."

When she was introducing ye Chen, Lin Lan was suddenly at a loss for words. She suddenly remembered that she seemed to know nothing about ye chen.

Ye chen faced the crowd and smiled faintly. "Ye chen, from the heaven wind sea region. This is my servant, Ye Yao ..."

Just as he finished speaking.

There was an uproar in the hall.

"You're from the heaven wind sea region?"

One of the heaven's favorites from celestial sect was shocked, "Is it the heaven wind sea region that is said to be a place where even a mere martial King can dominate?"

"Hahahaha!"

Everyone laughed out loud when they heard that.

"This person actually came from the heaven wind sea region. It's said that the heaven wind sea region is known as a land of savages, and human warriors are so weak that they have to endure the breath of the sea Race ..."

"Why did such a person come to the Central Plains instead of staying in the heaven wind sea region? You actually have the right to participate in this mountain river banquet. "

"This person must be the person that brother Wei was talking about earlier. A mere barbarian from the heaven wind sea region actually dares to say that he knows fairy mu ..."

"That's right. How could an existence like fairy mu possibly come from the heaven wind sea region?"

"....."

In the face of the crowd's discussion, the smile on Wei Yong's face became even more brilliant.

Lin Lan's and Lin Yiyi's expressions changed slightly. They had not expected ye chen to come from the heaven wind sea region.

Of the five regions of the ancient barren world, the Central Plains was the number one. All the cultivators present were from the Central Plains.

She regretted not asking about ye Chen's background. Otherwise, she would not have brought him here.

With that in mind, she immediately gave ye Chen a look and said, "Ye Chen, if that's the case, please take your seats,"

"If you don't want to suffer losses."

Lin Yiyi walked to ye Chen's side and reminded him in a kind voice, "Be low-key later, don't talk if you can!"

Ye Chen slowly walked toward the empty seat.

"Wait!!!"

At this moment, a cold voice suddenly burst out in the hall.

### **Chapter 1209: who dares to fight me?**

The voice was like thunder, shaking the entire ninth floor of the sage gathering tower and making everyone fall silent.

It was Yin Sihai from the floating island.

Seeing this, a sneer flashed in Wei Yong's eyes. The others seemed to have thought of something as they looked at each other with ridicule.

Lin Lan's expression changed slightly. She looked at Yin Sihai and said, "Senior brother Yin, what are you doing?"

"Junior Sister Lin, I have no objections to the two brothers from the HU clan of the Xuan Prefecture taking their seats!"

Yin Sihai pointed at ye Chen and shouted coldly, "May I ask, what qualifications does this person have to take a seat?"

Lin Lan's face turned a bit ugly.

It was true that she had invited ye Chen and her intentions were not pure. However, she only wanted ye Chen to realize the gap between him and mu Caiwei. She had no intention of embarrassing him.

Seeing this, Hu Lei, who had already taken his seat, looked at ye Chen and ye Mo with a gloating expression.

Hu Fei's expression suddenly turned cold.

"Senior brother Yin, we're all on the same side, why ..." Lin Yiyi couldn't help but say.

"Friend?"

"Everyone here, including your Junior Sister Yiyi and the two Hu brothers, is qualified to be my friend. But ..." Yin Sihai sneered.

.....

“Only this person can ‘t!”

He looked at ye chen coldly. “You’re just a mere person who came from a barbaric land like the heaven wind sea region. What qualifications do you have to be friends with us? What qualifications do you have to be on equal footing with us?”

“Do you know that Dragons don’t live with snakes?!!”

These heartless words made Lin Lan and her sister’s faces turn pale. They could not help but look at Wei Yong, who was at the side, for help. “Senior brother Wei?”

Wei Yong sighed lightly and pretended to be in a difficult position, “Junior Sister Lin, you are in the wrong. You should know that not just anyone can enter tonight’s Mountain river banquet. You should have asked clearly ...”

“Let them leave!”

He shook his head slightly.

Lin Lan’s expression showed that she was struggling. A trace of guilt flashed in her eyes as she looked at ye chen. Then, she said ruthlessly, “You guys can leave. I hope you remember what I told you before.”

“What a good mountain river banquet! What a good heaven’s favorites evening party!”

Hu Fei, who had been silent all this while, suddenly laughed coldly. “Everyone, you’re all looking down on people and think that the great Lord isn’t worthy of being on the same level as you. Then today, as the great Lord’s servant, I’ll have to ask you for some advice.”

As soon as he said this, the whole place was silent, and the atmosphere changed sharply. Hu Fei’s words were equivalent to offending everyone.

The Infinity sect’s legacy disciple slapped his seat and stood up, his eyes cold. “Hu, what did you say?”

Hu Fei took a deep breath and said word by word, “I, Hu Fei, master’s servant, will challenge you so-called heaven’s favorites today!”

“Hu Fei, are you crazy?”

Hu Lei, who had taken his seat, stood up and scolded, “If you want to embarrass yourself, go home. Don’t embarrass the HU family outside!”

“Very good. Since you’re overestimating yourself and want to challenge us, we’ll give you the chance!”

Yin Sihai laughed out of anger. He looked at Hu Fei coldly and said, “Your Hu clan is just a run-down clan. We respect you as fellow Daoist Hu. Do you really think you’re something?”

Seeing that the situation had gone out of control, Lin Lan became anxious and tried to stop it.

“Plop!”

Hu Fei turned around and knelt heavily in front of ye chen. He gritted his teeth and said, "My Lord, Hu Fei requests to fight. Please allow him to do so!"

Everyone was silent!

As a genius disciple of the HU clan, Hu Fei actually knelt down in front of a barbarian from the heaven wind sea region?

"Lunatic, this lunatic, lunatic ..."

Hu Lei cursed.

Under everyone's gaze, ye chen, who had not spoken from the beginning to the end, gently dusted the corner of his clothes and said in a calm voice.

"I agree. If you can remain undefeated for three rounds, I'll help you step into the Dao. If you fail, I'll return the power of your soul to you, and you and I will have no fate!"

"Thank you, my Lord. Hu Fei can do it!"

Hu Fei's face was instantly filled with wild joy. He was so excited that almost every muscle on his face was trembling!

The next moment!

He took a step forward, and the Qi in his body burst out. He let out a beast-like roar, "Hu Fei of the HU family, the servant of the Lord. Who dares to fight me?!"

"I'll fight you!"

In the blink of an eye, a malicious-looking young Man in Black stepped out. His aura was comparable to Hu Fei's!

"It's Han Sen from Xuan Luo Hall!"

Lin Lan recognized it at a glance and her heart sank, "Han Sen is the son of the Vice leader of the Xuan Luo Hall. He is a top-tier martial King, and he has practiced the Xuan Luo Sutra. His true energy is extremely cold. He is not easy to deal with ..."

"Fight!"

"Die!" Hu Fei roared and moved his body with the sound. His vast genuine Qi condensed into a majestic fist force and rushed out. He suddenly displayed the HU clan's ultimate skill, the Kongtong creation Great Yan fist!

"So fierce ..."

Han Sen's eyes twitched. He did not expect the man to fight so desperately, so he quickly threw a punch.

Profound net ice cold palm!

"Boom ..."

The two collided and an energy that shook the void immediately swept out. Fortunately, there was a protective array in the hall.

“Pfft!”

Han Sen spat out a mouthful of blood and was sent flying. He landed heavily on the ground.

“Tap tap tap tap ...”

Hu Fei retreated a few steps in succession, his face extremely pale. It was obvious that he had also suffered considerable injuries!

Everyone could see that Hu Fei was fighting with his life on the line, and han Sen was just accepting the fight. He didn't dare to face the fight head on. The difference in mentality meant that the outcome would be different.

“Who else is there?!”

Hu Fei roared with all his might!

“I'll do it!”

The son of the flying Celestial city's city Lord, sikong Nan, leaped out!

“Fight!”

Hu Fei fearlessly closed in!

Flying Celestial city's sikong Nan was defeated!

Hu Fei vomited blood!

“I'll fight you!”

Nie Yao, one of the ten sword sons of the seamless sword sect, unleashed sword light, and sword Qi swept through the entire area!

“Boom ...”

A moment later, nie Yao cut off one of Hu Fei's arms. Even so, his entire body was punched through the abdomen, and he fainted on the spot.

Hu Fei knelt on one knee, his face as pale as paper, as if he could fall to the ground at any moment.””Hahaha, is this the capital for you to be proud of?”

“Lunatic, this lunatic ...”

Many people present were shocked by his madness.

Hu Fei looked at ye chen with all his might. His pale face flushed red and he spat out blood repeatedly.”Exalt, I've survived three matches, I've survived!”

At this moment, Leng Xingchen, the direct disciple of the bright sword Pavilion's leader, suddenly attacked Hu Fei." "Surnamed Hu, I didn't expect you to be so ruthless. Don't even think about leaving here safely today!"

The sword light whistled, and the sword intent was terrifying!

"You can 't!"

Lin Lan was shocked, but she couldn't stop him in time, because the former was more powerful than her!

Hu Fei no longer had the energy to Dodge, and could only watch helplessly as the man-devouring sword light got closer and closer to him!

Ye chen said calmly,"little black, attack. Cripple his hand so that he can no longer use a sword!!!"

In the next instant!

Blackie, who was originally as tender as a teenager, suddenly raised his eyes, and a monstrous fiendish Qi flashed in his eyes.

His aura also rose from the early stage of the spirit gathering realm to the foundation building realm, then the Golden core realm, and finally all the way to the late stage of the Golden core realm.

"Boom boom boom ..."

Blackie reached out its hand and crushed Leng Xingchen's sword with its bare hands. The sword in her right hand was also crushed!

"Ah ah ah ah!!!"

An extremely shrill scream was heard.

Blackie stepped on Leng Xingchen as if he was stepping on an ant. His voice was like thunder."How can you call yourself a heaven's favorite when you're just talking nonsense?"

.....

### **Chapter 1210: All the paragons in the hall lowered their eyebrows!**

"You're just trash!"

"He's worthy of being called a heaven's favorite?!!!"

Looking at Leng Xingchen, who was being stepped on by Blackie like a dead dog, the entire ninth floor of Sage gathering restaurant fell into a dead silence.

Many people were stunned.

That was Leng Xingchen, the direct disciple of the bright sword Pavilion Lord. She had comprehended seven sword essences at such a young age. It was not an exaggeration to call her a genius in the art of sword.

They were completely different from the three people who had been defeated by Hu Fei.

However, not only had his Taoist sword been shattered by Blackie with his bare hands, but he had also been stepped on by a foot?

Seeing this scene, Lin Lan was stunned, Lin Yiyi covered her mouth with her hand, and Wei Zheng, who was silently watching the show, froze.

“Ah!”

Leng Xingchen shouted as she pressed her face against the ground. The force almost deformed her face.

He had been the young genius of bright sword Pavilion since he was a child. His father was proud of him, his fellow disciples regarded him as an idol, and he was respected by his peers.

But now, in front of so many heaven’s favorites, he was being stepped on like a dog!

How could he not be furious?

.....

“Ah ah ah ah!!!”

He went crazy. His cultivation of a top-tier martial King was unleashed. A terrifying sword Qi immediately surged out of his body and slashed toward Blackie like dense flying swords.

“Trash, you still dare to struggle!!!”

Blackie’s eyes turned cold. He raised his hand to dissolve the former’s fierce attack and then increased the strength of his foot.

“Boom ...”

Under everyone’s gaze, Leng Xingchen was stomped deep into the ground.

In an instant, Scarlet blood filled the room, and one could vaguely see that Leng Xingchen had been trampled into a pool of rotten meat.

Deathly silence, the entire place was deathly silent!

The direct disciple of the bright sword Pavilion master, the peerless heaven’s favorite of the bright sword Pavilion, had been stomped to death!

Even his divine soul was not able to be preserved!

No one spoke, only their eyes twitched, as if they were digesting the shock.

Hu Fei vomited blood and laughed wildly!

It was obvious that it knew Blackie’s strength. However, it could kill Leng Xingchen as easily as crushing an ant.

Hu Lei’s face was filled with shock. He lowered his head and did not dare to look at ye chen and Blackie. His heart was trembling.

He had originally thought that ye chen and Xiao hei's strength would not be that high, so he was even prepared to watch a good show.

However, the scene in front of him scared him out of his wits.

Leng Xingchen's strength was not lower than his, and the former was stomped to death with a single step. If it was him?

The two sisters, Lin Lan and Lin Yiyi, had long been rendered speechless. They seemed to be so shocked by this scene that they were caught in a dilemma.

"Who else is unconvinced?"

Ye Chen's eyes swept across the crowd.

No one said anything!

In fact, when his gaze swept over them, many people subconsciously lowered their heads.

Feng Wu, one of the three heroes of the giant demon sect, didn't dare to attack.

Boundless sect's direct disciple, ao Xing, faintly emitted battle intent, but he didn't dare to attack!

Yin Sihai, the successor of the floating island, narrowed his eyes and chose to remain silent!

This was because little black was only a servant, yet it had trampled Leng Xingchen to death. Then, how powerful was ye chen, the master?

No one dared to bet on it!

"Hahaha!"

Blackie couldn't help but sneer. "All the elites here bow their heads in front of me. Is this your so-called pride?"

"Let's go!"

Ye chen shook his head with a calm expression.

He had originally wanted to use today's so-called mountain river banquet to inquire about Wushuang's news.

He didn't expect that he would be so disappointed.

"Alright ..."

Blackie grinned and restrained his breath. He returned to the appearance of a simple and honest young man. He walked over and helped Hu Fei up, ready to follow.

No one dared to stop him!

At this moment, a cold voice suddenly shouted, "Hold on!"

However, Wei Yong, who had not spoken a word, stood up and stared at ye Chen's group with an extremely cold gaze. "You've killed the disciples of bright sword Pavilion. They won't let you go."

“You’re going to avenge him?” ye chen looked straight at him.

Blackie took a step forward!

Seeing this, Wei Yong’s heart skipped a beat and he uncontrollably took two steps back.

Under everyone’s gaze, ye Chen’s group of three slowly walked away. No one present could say anything else.

Watching ye Chen’s back as he left, Lin Lan’s expression was complicated. “Could it be that he really knows the priest?”

Initially, when he saw that ye chen was breathless and yet he said that he knew mu Caiwei, he thought that the former was a Toad lusting after swan meat.

However, tonight’s experience proved that she had made a mistake. This ordinary young man had a servant who could kill geniuses without blinking.

“Brother Wei, you’re the host, and you’re the one who started this banquet.”

“Now that brother Leng is dead, you’re just going to sit back and watch the murderer leave?” one of the elites said angrily.

Wei Yong narrowed his eyes and sneered, “Rest assured, everybody. As long as this man is still in Liberty City, he will certainly pay the price.”

As he said this, a cold glint flashed in his eyes. “Don’t forget that Leng Xingchen’s sworn brother, Leng Xuanyuan, is ranked in the top ten of the mountain river Board ...”

As soon as he said this, everyone’s expressions changed. Hu Lei, who was still in shock, also laughed.

Other than mu Caiwei, the Jade Lake Holy Land’s future Holy maiden, the top ten of the mountain river Board were all martial Saint level geniuses.

Outside the sage gathering restaurant, Hu Fei refused Blackie’s help and said with a guilty face, “My Lord, I’ve embarrassed you tonight!”

He knew very well that he was no match for Leng Xingchen even at his peak. However, the latter was trampled to death by Blackie. The gap between them was huge.

“It’s fine!”

Ye chen smiled faintly. “I value your character more. You’ve passed my assessment tonight. You can follow me from now on.”

“Many thanks, my Lord!”

Hearing this, Hu Fei’s body trembled, and he knelt heavily on the ground. His eyes were filled with wild joy.

He knew very well what ye Chen’s words meant. It meant that from now on, his life would undergo a tremendous change.

“This is a healing pill.”

Ye chen flicked his finger and two bottles of medicinal pills fell into his hand.””One of the bottles can help you regrow your broken arm, and the other can heal your internal injuries.”

.....

In the middle of the night, a purple figure descended from the top of the purple Lotus Peak of the Jade Lake Holy Land.

“Congratulations to Peak Master for coming out of seclusion!”

All of the purple Lotus Peak disciples who had rushed over upon hearing the commotion knelt down on one knee in unison, and their cries shook the entire Purple Lotus Peak.

In front of them stood a woman in white. She had bright eyes and white teeth, like a lotus flower out of the water, beautiful and peerless.

It was elder zilian, the peak Master of the purple Lotus Peak in the Jade Lake Holy Land. He was one of the few nine-revolution martial Saints in the Jade Lake Holy Land.

She stood there, her white clothes fluttering in the wind. Her skin was as beautiful as the most exquisite Amber. It was hard to imagine that a powerful being who had lived for thousands of years could be like a young girl in her Prime.

Elder Purple Lotus lowered his gaze and quietly sized up the crowd. A few seconds later, he coldly said,””Where are LAN ‘er and Yiyi? Why don’t you want to see them?”

“Reporting to Peak Master, Junior Sister Lin and the others have gone to attend the mountain river banquet,” a disciple said respectfully.
