

Genius 1221

Chapter 1221: kill as many as you want today!

“Ye, you’re too arrogant!”

As ye Chen’s voice fell, the invincible emperor of wisdom, Chunyu Xiu, shouted and attacked ye chen first.””Today, let me experience your methods.”

“Boom ...”

The surging killing intent was like nine waves in a huge Lake, rolling in all directions. Lotus marks bloomed on the surface of Chunyu Xiu’s body and wrapped around him. He was like the reincarnation of a great Buddhist.

“Blood lotus bloomed with each step!!!”

Chunyu Xiu roared and formed a seal with his hands. The color of the lotus flower seal on his body suddenly changed. It turned into a blood-colored lotus flower, as if a blood-colored river had been formed in the void.

“Boom ...”

The blood-red mist filled the air and covered the sky. The Blood River that sent chills down one’s spine swept toward ye chen like a blood-red Dragon.

“This is one of the six Sacred Arts of the Acalanatha sect, the Lanka blood lotus Scripture. It’s said that the founder of the Acalanatha sect comprehended it from endless killing. Even a petal is enough to burn a River ...”

“That brat ye is in trouble. Chunyu Xiu used such a technique as soon as he arrived. He clearly wants to kill him!”

Seeing this scene, some people were shocked.

However, ye chen merely waved his sleeve lightly.

“Boom ...”

.....

The huge Blood River in the void was shattered and turned into countless blood-red Air currents that scattered in all directions.

“Tap tap tap tap ...”

Chun yuxiu’s figure retreated several steps. His face was pale. He had not expected ye chen to break his attack with a raise of his hand.

“How is this possible? That was the attack of a six revolution martial Saint. Even a powerhouse of the same level would not dare to say that he could resolve it so easily. ”

Many people could not believe their eyes. The other four heaven's favorites looked at each other and saw the shock in each other's eyes.

"So he was hiding his strength. No wonder he's so arrogant!"

Dongfang ye, the evildoer of the Dongfang family, let out a long roar and soared into the sky. He raised his hand and made a grabbing motion in the air, and a radiance similar to the sun bloomed in the air.

Looking closely, it was a weapon that looked like a knife but was not a knife, like a sword but was not a sword, and it was only a foot long.

However, with its appearance, many people's expressions changed as if they were extremely afraid.

"Sharp Flame Blade!!!"

"It's said that this item is one of the three great ancient treasures of the Dongfang family, and it once followed the fallen Emperor's throne realm experts of the Dongfang family in battle."

"After it was shattered, it was repaired by the experts of the Dongfang family. Although it's not one percent of its peak, even a nine revolution martial Saint wouldn't dare to take it head-on ..."

Someone's pupils contracted violently as he spoke.

"Slash!!!"

Dongfang ye shouted with the flame Blade in his hand.

"Boom ..."

In an instant, it was as if the sun had risen and illuminated the sky.

In the eyes of everyone, this scene was like a blazing sun with divine fire surging all over it falling from the sky and smashing into the world. It made their scalps go numb.

Ye Chen's expression did not change. He flicked his finger.

"Boom ..."

The sky suddenly turned chaotic. A giant finger print could be vaguely seen striking the void and suddenly hitting the blazing sun that was surging with divine fire.

Crack ... Crack ...

With a crisp sound, the Fengyan blade, known as one of the three heavenly treasures of the Dongfang family, shattered. At the same time, a terrifying energy fluctuation erupted in the void.

"Boom boom boom ..."

Ye Chen's giant handprint did not lose its momentum. It swept through the air violently and headed straight for Dongfang ye.

"Not good!"

Dongfang ye's expression changed drastically. As he retreated, he quickly activated all the protective treasures on him. However, they exploded one after another, and the former was sent flying.

"He actually destroyed the flame Blade?"

"My God, isn't he too strong?!!"

In an instant, the heavens and earth burst out with cheers.

The five great prodigies "expressions all changed, and Dongfang ye even vomited blood repeatedly." My Flame Blade was destroyed?"

In the air, ye Chen's figure was faintly discernible, his muscles faintly glowing with a crystalline divine light. "You're too weak. All of you, come at me together!"

"Everyone, it seems that we have underestimated him!"

"Let's attack together!"

Great Yin's son of the Emperor, Yin Zhaoyang, took a deep breath. He looked at ye chen with a sinister gaze. Even now, he was not confident that he would dare to attack ye chen alone.

"Attack!!!"

The Qi Emperor Jiang Yichen's eyes were cold. After a cold shout, his body bloomed with multicolored light and he was the first to move.

The heavens and earth suddenly became deathly silent, and then everyone was in an uproar.

"Five heaven's favorites from the mountain river roll working together to deal with one person. This has never happened in the Central Plains before. This is unprecedented!"

The old experts present all sucked in a breath of cold air.

Everyone was moved.

Great Yin's Prince and the others were all in the top ten of the mountain river list, and any one of them could suppress everyone in the middle state.

However, they had chosen to join forces to deal with ye chen!

What did this mean? It meant that ye Chen's strength had clearly surpassed them. The five great prodigies no longer dared to fight ye chen alone!

"This guy is really abnormal ..."

On the high platform, Hua Qianwu, the seventh on the mountain river list, was dumbfounded.

Shi qianhan smiled but did not say anything. He looked at ye chen with a hint of loneliness in his eyes. "Brother ye, no matter how hard qianhan tries, no matter how heaven-defying his encounters are, he still can't keep up with you ..."

"Master, ye chen ... He ..."

Lin Lan almost couldn't believe what she saw.

The purple Lotus Peak Master looked at ye chen, who was surrounded by the five great prodigies, with a complicated expression. He suddenly sighed softly. "Looks like I've underestimated him."

She still remembered the first time she met ye chen. Her attitude was so high and mighty, while the former was so calm and composed.

Now that he thought about it.

She more or less felt a tinge of regret.

"This little bastard is actually this strong?"

Old man Yijian's expression was frighteningly dark. He stared at ye chen and suddenly laughed hideously. "However, you can only stop here. With five heaven's favorites joining forces, even I can't guarantee that I can escape unscathed."

"Boom boom boom ..."

In an instant, the six heaven's favorites leaped out together. Six surging and terrifying auras dominated the world. The vital energy in the world also boiled like a vast ocean current, approaching ye chen.

"This is more interesting!"

Ye chen did not mind at all. Instead, he chuckled, his white hair flying in the wind. "This ye will kill as much as I want today!"

"Kill!!!"

In the seething blockade, great Yin's Prince Yin Zhaoyang and the other four revealed their killing intent and displayed their true techniques.

"Boom boom boom ..."

Ye chen was dressed in green and was wrapped in a huge wave of vital energy. He ignored the attacks of the five people and the tearing of the terrifying vital energy. He charged forward as if he was taking a stroll in the garden.

"You dare to use your physical body to fight against the six of us?"

"You're looking for death!"

The six of them snorted coldly and also charged forward.

Chapter 1222: You guys are really too weak!

"Bang Bang Bang ..."

In an instant, the five people's muffled groans sounded in the void.

The next moment!

The five heaven's favorites were all sent flying back. Their bodies were covered in blood and they were in a sorry state. Their eyes were filled with shock.

"Why is his fleshly body so strong?!"

Yin Zhaoyang's hair was disheveled, and he couldn't help but spit out a mouthful of blood. He felt the qi and blood in his entire body shake, and he felt a heart-wrenching pain.

Even Chunyu Xiu, who had the strongest physical body among the five of them, was covered in cracks. Blood was flowing out of them.

"Whoosh!"

There was an uproar below. Some people were dumbfounded, almost unable to believe the scene in front of them!

Ye chen had not used any divine powers or skills from the beginning to the end, but he had severely injured the five of them with his physical body?

"You guys are really too weak!"

Ye chen shook his head slightly and swooped down toward Chunyu Xiu, who was the closest to him. His might was unparalleled.

"Die!!!"

.....

Chunyu Xiu's expression changed drastically, and a hint of ruthlessness flashed through his eyes. He extended his right hand, and his fingers were like Dragon scissors."The finger of the wisdom King is like the anger of the Buddha!"

"Zzzzzzzzzzzz ..."

In the blink of an eye, the void was split into two by his finger. The finger, which was like a vacuum, exuded a terrifying energy and headed toward ye chen.

"A last-ditch struggle!"

Ye chen shook his head and smacked down with his palm.

"Boom ..."

The air trembled as the terrifying energy swept through everything. However, ye chen was unmoved. The palm print's momentum did not decrease as it headed directly toward Chunyu Xiu.

"Bang ..."

Chunyu Xiu let out a blood-curdling screech as his body exploded into a bloody mist. His divine soul was also reduced to ashes.

"He killed Chunyu Xiu with one palm?!!"

"My God, that's a six revolution martial Saint!"

Everyone was shocked.

“Too weak, you’re all too weak!”

Ye Chen shook his head again. He turned around and charged toward Dongfang Ye in the distance. He was like a fierce tiger charging into a flock of sheep, his might shaking the vast wilderness.

“Not good!”

Dongfang Ye’s expression changed abruptly. He did not dare to face Ye Chen’s sharp gaze. He bit the tip of his tongue and used a secret technique to tear open the void in an attempt to escape.

“Come back!”

Ye Chen extended a hand and clenched his five fingers at the huge void gate. It was like a peerless Immortal King’s clench, containing the laws of heaven and earth.

“No!”

Dongfang Ye was shocked to find that the void gate had closed again. What made him even more terrified was that his body was being shot toward Ye Chen uncontrollably.

“I admit defeat, I admit defeat!” He shouted repeatedly.

“Challenging me is the same as seeking death!”

Ye Chen held it in one hand and exerted a little force in his five fingers. The former’s body was crushed on the spot and his astral body was shattered.

The Mountain River Board’s 5th rank, Dongfang Ye, was dead!

“You guys can die too!”

Ye Chen did not hesitate at all. He charged toward the great Qi Dynasty’s Emperor Jiang Yichen and the sword maniac Li Qingluan. His strength was unparalleled, like a Celestial King descending to the mortal world. No one could stop him.

“No!”

Jiang Yichen had been blown up by a single punch, and sword fanatic Li Qingluan had been dismembered by his own sword Qi!

At that moment, the world was terrifyingly silent. No one was not shocked by Ye Chen’s brutal lightning-like methods!

“It’s ... It’s too terrifying ...”

Lin Lan’s heart trembled as she stared at the thin figure in the void.

The purple Lotus Peak master’s face was slightly dispirited.

This young man had exceeded her expectations time and time again.

At this moment, great Yin’s Prince Yin Zhaoyang was silent, and his face was twitching.

He could not help but recall what Shi qianhan had said earlier, ""If brother ye is here, all the heaven's favorites will lower their heads and kill useless people like you like chickens!!!""

He killed Chunyu Xiu with one palm!

He could kill Dongfang ye with one hand!

There was nothing more shocking than this. It was indeed like slaughtering chickens and dogs!

Now, they truly realized that they had underestimated ye Chen's strength.

The air was silent again. After a few seconds, the atmosphere was broken by laughter. ""So fellow Daoist ye's combat strength is actually this terrifying!""

After the great Yin's Prince's expression changed several times, he looked at ye Chen with a smile. ""I, Yin Zhaoyang, admit defeat to this challenge!""

As soon as he said that, countless people's faces turned pale. They obviously did not expect Yin Zhaoyang to admit defeat!

""Brother ye!""

""I suddenly remembered that I have something important to do, so I won't be staying any longer. If you have time in the future, please come to my great Yin Imperial Empire. I will definitely treat you with great hospitality.""

He turned around to leave.

At this moment, an indifferent voice sounded, ""Did I ask you to leave?""

Yin Zhaoyang stopped in his tracks. An undetectable chill flashed in his eyes but was quickly concealed. He turned around and looked straight at ye Chen. ""Could it be that brother ye still wants Zhao Yang to stay and drink with you?""

""Have a drink with me?""

Ye Chen chuckled, then looked at the former with a mocking gaze. ""A piece of trash like you is even worthy?""

""Ye, don't refuse a toast only to drink a forfeit!"" Yin Zhaoyang's expression also gradually darkened.

""Do you still remember what I said earlier?""

Ye Chen stood with his hands behind his back, his eyes emotionless. This ye said before, once I attack, I won't show mercy, regardless of life and death."

""And you all agreed!""

""Now that you see that the situation is not right, you want to just admit defeat and let it go? How can there be such a good thing in the world!""

As soon as he finished speaking, he took a step forward and his figure flashed. He immediately went toward Yin Yang.

“You dare!”

All the hair on Yin Zhaoyang’s body stood up!

Ye chen was really going to kill him!

One must know that he was the Prince of the great Yin imperial dynasty, and he represented the face of the great Yin imperial dynasty. Even the Jade Lake sacred land wouldn’t dare to do so!

However, ye chen dared to!

Yin Zhaoyang’s expression changed drastically. He couldn’t care about anything else and immediately shouted, “The true martial Saint spirit heaven-sealing scroll!!!”

“Boom ...”

In an instant, a huge catalog shot out from his body and turned into black and white. Like two giant cities, they attacked ye chen directly as if they wanted to suppress him.

It blotted out the sky and covered the sky.

“The true martial Saint spirit heaven-sealing diagram, this is the great Yin imperial dynasty’s true martial Saint spirit heaven-sealing diagram. It’s said that it was a treasure refined by the great Yin’s Sovereign Lord, di xuangang, before he reached the ascendant stage.”

“It seems that Yin Zhaoyang is really going all out!”

“.....”

In the midst of countless people’s exclamations, ye Chen’s giant black Hand swept across the sky and sent out a giant palm print in the void.

“Boom ...”

The void shook as if it was swept away by a torrential flood. Then, everyone saw that the true martial Holy Spirit heaven-sealing diagram was destroyed by ye Chen’s palm.

As the world trembled, ye Chen’s palm pressed down and directly crushed Yin Zhaoyang to death. His physical body was deformed and then turned into ashes in the terrifying aftermath.

Only his extremely dispirited astral body took advantage of the chaos and rushed out. Ye chen reached out and grabbed it.

“Brother ye, spare me, spare me!”

Yin Yang’s divine soul trembled. “Jade Lake Holy Land, if you don’t Save Me, my father will not let you go!!!”

Chapter 1223: Shi qianhan’s Fury!

“Stop!”

Almost at the same time, the peak Master of purple sword peak of the Jade Lake Holy Land suddenly shot out and rushed toward ye chen.

“Junior, you can’t kill him!”

The purple sword Peak master’s face was frighteningly dark!

Although Yin Zhaoyang was only one of the nine sons of the great Yin’s Sovereign Lord, di xuangang, if he died in the Jade Lake sacred land, it would be hard for the Jade Lake sacred land to explain.

“Why can’t I kill him?” Ye chen gave a half-smile.

“Bastard!”

The purple sword Peak Master shouted coldly, “since you’ve defeated him, why must you kill him?” Don’t tell me you don’t even have the slightest bit of magnanimity?”

“You’re talking to me about bearing?”

Ye chen laughed, “if I were the one who was defeated just now, do you think they would show mercy and spare my life?” Do you think you’ll stand up and save me like you saved him?”

Everyone fell silent.

It was obvious that ye chen was telling the truth. If ye chen was not a match for Yin Zhaoyang and the others, no one would care about his life or death.

“You ... Impudent!!!”

.....

The purple sword Peak master’s face was cold as he rebuked, “Although he threatened to kill you, he was no match for you. How could he kill you? Besides, you’re still alive and well. ”

“Hahaha!”

Ye chen suddenly burst out laughing.

“What are you laughing at?” the purple sword Peak Master was furious.

“What a great Jade Lake!”

“Today, I’ve finally seen your true colors. Since you’re whores, why do you still need to put up a front?” ye chen said sarcastically.

As soon as these words came out, the whole place was in an uproar. Countless people were shocked by his words.

Good fellow!

How dare he point at the nose of the Jade Lake People and call them bitches?

“Peak Master, kill him, kill him!”

At this moment, countless disciples of the Jade Lake Holy Land looked at ye chen with killing intent, wishing they could tear him into a thousand pieces.

“Boom boom boom ...”

Several peak Masters of the Jade Lake Holy Land joined forces to approach him.

“How dare he blaspheme the Jade Lake! He should be killed!”

“This guy is simply lawless. He has killed so many people in the Jade Lake. We must kill him to give an explanation to the outsiders!”

“Not bad ...”

Many elders of the Jade Lake Holy Land surrounded ye chen, the killing intent in their eyes almost sweeping through the entire world.

“I’ll also give my fellow Daoists of the Jade Lake Holy Land a hand!”

With a loud laugh, old man Yijian, who had been watching from the side, turned into a long rainbow and charged toward ye chen.

A total of six people surrounded ye chen. Among them were even the two nine-revolution martial Saints, the bright sword old man and the purple sword Peak Master.

In an instant, the world became dead silent again.

Countless people looked at this scene in horror, but most of them felt sympathy for ye chen.

It was true that ye chen had defeated the five great prodigies, but he had also angered the Jade Lake Holy Land. He would not be able to leave this place alive!

“Master ...”

Lin Lan’s expression changed, and she subconsciously looked at the purple Lotus Peak Master.

The purple Lotus Peak Master hesitated.

At this moment, an extremely furious voice rang out between heaven and earth, “Jade Lake Holy Land, are you going to bully us with your numbers?!”

“BOOM!”

On the high platform, a white-robed young man’s energy erupted and he landed beside ye chen.

It was Shi qianhan!

This sudden scene caused everyone’s expression to change. They did not expect Shi qianhan to stand up for ye chen in such a situation.

The eyes of many experts from the Jade Lake Holy Land also narrowed. The peak Master of purple sword peak said in a cold voice, “Shi qianhan, are you going to make an enemy of the Jade Lake sacred land for this kid?”

“I told you, brother ye is my best friend!!!”

Shi qianhan’s face was cold as he said, “I won’t interfere with what you do, but I can’t just sit by and watch you bully me with your numbers!”

“Shi qianhan, don’t forget that the brat named ye killed the people of the vast heaven sword sect, great Yin Empire, and great Qi Empire. Even if we don’t kill him, he won’t be able to live!”

The purple sword Peak Master’s Voice was deafening, “If you help him, you’ll be dragging your Northern Sea Dragon Hall into the water. Even though the northern Sea Hall Master is an Emperor’s throne realm expert, he’s not invincible!”

Shi qianhan was silent for a moment, then he said, “After this, I’ll announce my withdrawal from the beimang Dragon-subduing Hall. I’ll have nothing to do with the hall and my foster father.”

Everyone was moved by his words.

Ye chen was also moved by the former. He did not expect the other party to sacrifice so much for him.

“You?”

An elder of the Jade Lake sacred land sneered, “Although you are talented and ranked first on the mountain river list, you are only a seven-revolution martial Saint. Do you think you can stop us?”

“What if the great Xia Empire is included?”

Then, a clear and melodious laugh came from the high platform again.

“Boom ...”

Then, a ray of purple light streaked across the sky.

Instantly, a woman with a graceful figure appeared. She was only in her early twenties, and her misty eyes were full of slyness.

“Hua qianren, the daughter of the Emperor of great Xia!!!”

The purple sword Peak master’s expression changed, and he fearfully said, “Empress, you have nothing to do with that ye. Why are you helping him?”

“I’m not helping him!”

Hua qianqi nodded slightly and looked at Shi qianhan, revealing a pair of mesmerizing canine teeth. “I’m helping the man with the surname Shi. He defeated me before, so he’s already my man. How can I not care about you bullying my man?”

As her voice fell, countless people were so shocked that their eyes almost popped out!

The princess of great Xia was chasing Shi qianhan?

What was going on?

Shi qianhan forced a smile and seemed to be helpless.

The purple sword Peak master’s lips moved slightly.

“I know what you’re trying to say,”

Hua qianzhe smiled slyly. "You'll definitely say that I'll implicate the great Xia Dynasty by doing this. However, I don't care. My father saved a daughter like me."

"If I, his daughter, were to lose a single hair, why don't you all come and guess what my Imperial father would do?"

As soon as she finished speaking, the corners of many people's mouths twitched violently, as if they were somewhat speechless.

Who didn't know that great Xia's Thearch, Hua Tianyuan, was famous for being a protective demon? he was a true-blue Emperor's throne realm expert. If he went crazy, who could stand it?

Even though an Emperor's throne realm expert could run away!

However, your disciples and Grand-disciples couldn't possibly run away with them, right? if an Emperor's throne realm expert were to chase after your disciples and Grand-disciples, what could you do?

In an instant, the atmosphere between heaven and earth suddenly became stiff. The purple sword Peak Master and the Jade Lake Holy Land's powerhouses were unwilling to compromise, and Shi qianhan and Hua qianren also did not want to compromise.

The purple Lotus Peak's Peak Master sighed faintly. In the end, he stood up, unwilling to sit back and watch. "Everyone, can I have a word?!"

"Shua shua shua ..."

Everyone immediately looked at her in unison.

Under everyone's gaze, the purple Lotus Peak Master walked gracefully toward ye chen and said with a complicated expression, "Give me Yin Yang's soul. I'll keep you alive!"

Chapter 1224: I want to see my daughter!

"Junior Sister zilian ..."

The purple sword Peak Master frowned and said, "Don't forget, this kid killed ..."

"Senior brother!"

The purple Lotus Peak Master looked at him coldly and said, "so what?" Besides, do you really want to start a war in the Jade Lake Holy Land?"

"The Grand Elder is currently in seclusion."

"The best thing to do now is to stay out of this feud," she said in a cold voice. "As for what will happen to them after they leave the Jade Lake, it has nothing to do with us."

The purple sword Peak Master was silent, as if he agreed.

"Ye chen, what do you think?"

The purple Lotus Peak Master looked at ye chen again, his gaze almost unquestionable. "Hand over Yin Zhaoyang's soul, and you can live. Then, leave the Jade Lake sacred land. This will be the last time I'll show you mercy."

"Pity me?"

Ye chen said slowly, his tone full of mockery.

"What else did you think?"

"I advise you to face reality," the purple Lotus Peak Master said expressionlessly. "Otherwise, you won't be able to walk out of the Jade Lake sacred land alive."

.....

For a moment, everyone could not help but look at ye chen.

"Brother ye," Shi qianhan said softly, "I respect your choice. If you want to kill me, I'll fight with you ..."

"This is the man I like ..."

Hua qianxun blinked his eyes.

Under everyone's gaze, ye chen suddenly laughed. "Purple Lotus Peak Master, you're looking down on me!"

"Since I dared to kill them, when did I care about the attitude of the Jade Lake Holy Land?"

"This ye's life is not as fragile as you think."

Ye Chen's face was emotionless, like an ancient well without ripples. Then, in front of everyone, he gently tightened his grip on Yin Yang's astral body.

"Bang ..."

With a soft sound, Yin Yang's spirit exploded like a balloon and turned into dust.

In an instant, the world was terrifyingly silent, and countless people's eyes were filled with disbelief.

He actually killed Yin Zhaoyang!

He had killed Yin Zhaoyang in front of the Jade Lake sacred land, even after the purple Lotus Peak Master had said those words!

"So what if I kill him?"

Ye Chen's cold eyes swept across the scene before finally settling on the purple Lotus Peak Master, purple sword Peak Master, and the others.

The purple Lotus Peak Master was stunned!

She had never dreamed that ye chen would be like this!

"BOOM!!!"

A monstrous sword essence suddenly burst out between heaven and earth, and the pressure almost suffocated everyone.

“Good, very good, very good!!!”

The purple sword Peak master’s cold eyes were fixed on ye chen. He was so angry that he laughed. “You will die!!!”

“I can’t protect you!”

The purple Lotus Peak Master retreated!

“Boom ...”

In the next moment, the void was filled with sword Qi, and the deafening sound of swords clashing in the heavens was as vast as Thunder.

The purple sword Peak master’s clothes fluttered in the air, resonating with the sword wills in the sky. His aura was terrifying.

Everyone was on tenterhooks. Was the number one swordsman of the Jade Lake Holy Land finally going to make a move?

“Fight!”

Shi qianhan’s fighting spirit was burning!

“What a pity!”

Many people looked at this scene in silence.

In their opinion, although ye chen could kill many geniuses on the mountain river ranking, there was still a certain gap between him and a peerless mighty figure like the purple sword peak.

Moreover, there were many elders of the Jade Lake Holy Land eyeing them covetously. Ye chen and the other two had no hope of survival.

Ye chen looked at the purple sword peak elder with an indifferent expression!

Killing intent!

A murderous intent that filled the sky burst out from his body.

At this moment, an ethereal voice came from afar, as if it had broken through the ancient times, “Stop!”

All of a sudden, a pillar of light shot out from the top of the purple Lotus Peak, piercing through the sky and shining brightly in all directions.

“That ... That’s ...”

Everyone stared at the strange scene in a daze. Even ye chen, the peak Master of purple sword, and the others looked over!

“Caiwei, it’s Caiwei!”

The purple Lotus Peak master's originally gloomy face was suddenly replaced by a touch of joy." "Caiwei has come out of seclusion!"

The next moment!

A beautiful figure slowly walked out of the pillar of light. The figure was wrapped in golden divine light, as if she was the fairy of the ninth heaven.

"Congratulations to the Holy maiden for coming out of seclusion!"

The purple Lotus Peak Master was the first to bow to the beautiful figure.

"Congratulations to the Holy maiden for coming out of seclusion!"

The purple sword Peak Master and the others bowed.

"Boom boom boom ..."

"We congratulate the Holy maiden on coming out of seclusion!"

In an instant, everyone present bowed and cupped their fists. Their vast voices reverberated through the clouds like thunder from the nine Heavens.

"Have you entered the nascent Soul Stage?" Ye Chen's eyes revealed a hint of a smile.

"Thank you, elder zilian. Thank you, other elders. Thank you, fellow Daoists, for coming to witness the ceremony!"

Mu Caiwei stepped on the five-colored auspicious cloud as she approached from afar. Her temperament was out of the world, like a fairy that had descended to the mortal world.

Ye chen realized that she had changed a lot compared to a month ago. If she had been cold and cheerless before, she now seemed to be a peerless beauty.

Her black waterfall-like long hair, her smile, and her slender waist that seemed to be able to be held in one hand made many people feel inferior.

"Caiwei, you've succeeded!" The purple Lotus Peak Master replied.

"Many thanks to the few elders for protecting me, Caiwei is where she is today!"

Mu Caiwei gave a deep bow to the purple Lotus Peak and then slowly walked toward ye chen. She smiled faintly and said, "Ye chen, you're here."

"They're here!" Ye chen nodded slightly.

Shi qianhan, who was beside her, frowned slightly because he noticed that mu Caiwei was not very surprised after meeting ye chen. Her attitude was even a little cold. To be precise, she kept people at arm's length.

"I already know what happened!"

Mu Caiwei looked at ye chen and shook her head. "You shouldn't have killed Yin Zhaoyang and the others. Apologize to elder purple sword and the others."

“You want me to apologize to them?” Ye chen looked at her and the smile on his lips gradually froze.

“Not bad!”

“Elder purple sword’s strength is beyond your imagination. You have no chance of winning against him. If you apologize to him, he might forgive you on my account.” Mu Caiwei nodded.

“What if I don’t apologize?” Ye chen grinned.

“Ye chen!”

Mu Caiwei furrowed her brows, as if she was a little unhappy, “I know you’re very strong, and I’ve witnessed your legend along the way. But you have to listen to me. The Jade Lake is not as simple as you think.”

“Miss mu!”

Shi qianhan interrupted her and said with a smile, “I haven’t seen you for a month. I wonder if miss mu still recognizes me?”

He deliberately emphasized on the word recognition.

“It’s young master Shi!”

Mu Caiwei said softly, “ye Chen’s confused, are you confused as well?” As a friend, you should advise him ...”

“Persuade brother ye to apologize to someone?”

Shi qianhan also laughed. “I can do anything. For example, I can stand up for brother ye and shed my blood for you. At worst, I’ll just die. But I won’t ask you to apologize.”

Although he said that, he sighed to himself.

It had changed, people’s hearts had changed!

“You ...” Mu Caiwei was displeased.

“Enough!”

Ye chen suddenly interrupted their conversation and looked at mu Caiwei with an unfamiliar gaze. “Cut the crap! I want to see my daughter!”

He had imagined the scene of their reunion with mu Caiwei.

He didn’t expect it to be like this!

Even though he had thousands of years of cultivation experience and had seen countless schemes and intrigues, he still felt a piercing pain at this moment.

Chapter 1225: those who block me will die!

On the Jade Lake sacred land’s guest-receiving peak.

“I won’t say any more nonsense ...”

“I want to see my daughter!!!”

When ye chen said this ...

All of a sudden, the world fell silent. The tens of thousands of people present looked at ye chen in shock, thinking that they had misheard.

The brat surnamed ye said he wanted to see his daughter!

Could it be that he and the shepherd had a daughter?

In an instant, countless gazes shifted back and forth between him and mu Caiwei, mixed with the sounds of discussion.

Even the disciples of the Jade Lake Holy Land were no exception.

The Holy maiden in their hearts had a child with someone?

“Bastard!”

Almost at the same time, the Jade Lake Holy Land’s high-ranking officials shouted in unison, looking at ye chen with extremely gloomy eyes.

The peak Master of the purple sword peak suppressed the anger in his heart and looked at ye chen with a murderous look. “Junior surnamed ye, do you want to die?”

.....

The Jade Lake Holy Land’s saintesses were pure as ice and Jade. They didn’t even allow love, let alone having children.

Ye Chen’s words had tarnished the Holy maiden’s image.

Only the purple Lotus Peak’s Peak master’s expression changed slightly, as though he had recalled something. He then subconsciously turned to look at mu Caiwei.

She suddenly recalled that when mu Caiwei was brought into the Jade Lake sacred ground, she had brought a five or six-year-old girl with her. Mu Caiwei had told everyone that the girl was her younger sister.

Ye chen stared coldly at mu Caiwei and continued, “Mu Caiwei, did you hear that clearly? I want to see my daughter!”

Mu Caiwei’s eyes flashed with panic, “Mengmeng’s fine. Ye chen, don’t get too excited. Listen to me ...”

Ye chen interrupted her, his face ashen. “I’ll say it for the last time. I want to see my daughter!!!”

“Ye chen ...”

Mu Caiwei’s body trembled, but she still gritted her teeth, “There’s something wrong with Mengmeng’s body, and it’s currently receiving treatment. ”

“Don’t worry, she’ll be fine,” she added.

“Boom ...”

At that moment, heaven and earth shook as if ten thousand thunders were rumbling at the same time. Everyone was shocked to find that ye Chen’s body suddenly emitted a cold force.

This cold yin energy was like a violent energy that was out of control. All the grass and trees within a radius of 10000 feet withered at a speed visible to the naked eye.

What kind of method was this?

This extremely strange scene caused everyone’s expression to change. Then, they looked at ye chen as if they had goosebumps.

“Where is my daughter?”

Ye chen took a step forward, his eyes staring coldly at mu Caiwei.

Under his gaze, the latter instantly felt as if she had fallen into an Icehouse, and her entire body turned cold.

Her heart trembled for no reason, and she was a little angry. She said coldly, “The Holy Lord and the great elder are treating Mengmeng. Believe me, she’s really fine ...”

“Hahaha!”

Ye chen took two steps back and suddenly laughed out loud. The corners of his mouth were full of ridicule. “Alright, alright!”

“Mu Caiwei!”

He took in a deep breath and stared coldly at mu Caiwei, “Do you still remember that I was besieged by six great martial Saints because of you?”

Mu Caiwei’s body trembled slightly as she opened her mouth to explain, only to find that her words were weak and powerless.

“Do you still remember what mu Caiwei said when I handed Mengmeng over to you?!”

“You have to take good care of her, take good care of her!”

“And how did you do it?”

“You’ve really disappointed me!”

Ye chen laughed until the end, and a faint trace of tears appeared at the corner of his eyes.

It was disappointment, regret, and anger!

His cold gaze caused mu Caiwei’s heart to ache, but she still replied firmly, “Ye chen, I’ve told you Mengmeng will be fine. I’m doing this for her own good ...”

“Enough!”

Ye chen cut her off. His gaze that met mu Caiwei's became extremely unfamiliar. "Take me to my daughter, immediately!"

"No..."

Mu Caiwei shook her head hurriedly. "That's the Holy Lord's closed-door cultivation place. Even I can't barge in. Moreover, ye chen, you have to believe that the Holy Lord will definitely cure Mengmeng."

"Can you believe me?"

She couldn't help but look at the purple Lotus Peak Master, purple sword Peak Master, and the others. She shook her head and said, "Furthermore, if you were to force your way into the forbidden area, elder zilian and elder Zijian would definitely not sit by and do nothing."

At the clearing doll, she looked at ye chen almost heartlessly. "You're no match for elder purple sword and the others. You'll die. Quickly apologize to elder purple sword and the others. Perhaps there'll be room for negotiation ..."

"Hahaha!"

Ye chen laughed out loud, a fire burning in his heart. His eyes were sharp. "I want to see my daughter! Anyone who blocks me will die!"

"Ye chen, you've changed!"

"You weren't like this in the past. I didn't think that you wouldn't even trust me ..." Mu Caiwei stared at him coldly.

"Boom ..."

A murderous look flashed in the eyes of a seventh revolution martial Saint elder from the Jade Lake Holy Land. He could not help but attack ye chen. "Brat, die!"

"Boom ..."

The other party waved his hand, and a terrifying Origin Energy fluctuation burst out from his palm. The pressure of a seven-revolution martial Saint erupted, and his palm and fingers were like knives, slashing toward ye Chen's neck.

Mu Caiwei's expression changed. She wanted to stop him but hesitated.

Well, it would be good to let elder situ teach him a lesson. At the very least, it would make ye chen recognize reality.

After saying that, she turned around decisively.

"Ah!"

Suddenly, the seven-revolution martial Saint who had attacked ye chen screamed and fell to the ground. His body suddenly turned into a blue ice crystal.

"Elder situ!"

The purple Lotus Peak's Peak Master walked over and touched it subconsciously.

Crack ... Crack ...

The blue ice crystal turned into powder in an instant.

At that moment, everyone's expression changed, and they couldn't help but gasp.

A seven-revolution martial Saint died just like that?

Mu Caiwei turned around instinctively and was stunned by what she saw.

"What a strange technique!"

The purple Lotus Peak Master and the others suddenly looked at ye chen, their eyes full of fear. They could only feel the hair on their bodies standing up.

"Who are you?" The purple sword Peak Master secretly gasped, his eyes fixed on ye chen.

"Those who block me will die!!!"

At that moment, ye Chen's eyes flashed with an unprecedented killing intent. He was furious. "Today, I'm going to start a massacre!!!"

"Kill him and suppress his soul for all eternity!"

The purple sword Peak master's face was cold as he ordered.

"Boom boom boom ..."

In an instant, several elderly figures stepped out in unison, and their terrifying auras made everyone present tremble.

The eight Supreme elders of the Jade Lake Holy Land, who were at least six revolution martial Saints, were like eight ancient gods standing in the void.

Holy light surged from their bodies as they joined forces. Their killing intent swept through the world, as if a huge millstone was crushing down from the void.

Chapter 1226: I, ye chen, am not to be bullied!

Many people were shocked to see this.

In order to deal with ye chen, the Jade Lake Holy Land had dispatched eight martial Saint level elders. They did not expect today's matter to reach such a state!

The bright sword old man laughed and his face was filled with hatred. "Brat, you didn't expect this day to come, did you?"

"Ye chen!"

"Listen to my advice, don't make an enemy out of the Jade Lake sacred land. I can plead for you to the sacred leader and grant you Supreme skills and Daoist techniques ..." Mu Caiwei hurriedly shouted.

"Little friend ye!"

The purple Lotus Peak Master sighed. "Don't be so stubborn. Otherwise, even the Daluo immortal can't save you."

"Ye chen ..."

Lin Lan also advised.

"Brother ye ..." Shi qianhan's eyes flickered.

He really wanted to persuade ye chen to leave. After all, this was the Jade Lake Holy Land. The other side had many strong cultivators. It would be difficult for ye chen to defeat them alone.

Ye chen looked at mu Caiwei coldly, his white hair dancing in the wind. "Mu Caiwei, open your eyes wide and take a good look. The so-called Holy Land you speak of will be overturned by me today!!!"

He stepped down!

.....

"Boom ..."

At that moment, the sky trembled, and the sound of the collision shot up into the sky.

"Bang Bang Bang ..."

Under everyone's horrified gaze, the eight terrifying old figures exploded at the same time. Their physical bodies and astral bodies were crushed into powder by ye Chen's foot.

In the blink of an eye, the entire world was deathly silent.

The entire Jade Lake sacred land was shocked.

It was shocking, extremely shocking!

They were eight martial Saints, and the lowest cultivation was a seven-revolution martial Saint. All of them were powerful figures in the Jade Lake.

However, ye chen had destroyed it with a single step!

"How is this possible!!!"

Countless people's pupils trembled.

Mu Caiwei's eyes were dazed, while the purple Lotus Peak master's face was filled with shock.

"Nine revolution martial Saint, nine revolution martial Saint!"

The peak Master of the purple sword peak was the first to react. He looked at ye chen again with deep shock!

Martial Saints had nine transformations, and one transformation was one heaven. Only eighth or ninth transformation martial Saints could kill eight seventh transformation martial Saints in seconds!

"Whoosh!"

An uproar immediately broke out between heaven and earth.

A nine revolution martial Saint!

Such a young nine revolution martial Saint!

“Nine ... Nine revolution martial Saint ...” Mu Caiwei was shocked.

Before this, with the help of the abhisheka of the four nine-revolution martial Saints of the Jade Lake Holy Land and the innate brilliant sun Lotus, she had broken through to the mid-stage nascent soul from the peak of the Golden core realm.

She felt that she had already surpassed ye chen and her combat strength was comparable to a five-revolution martial Saint. However, ye chen was a nine-revolution martial Saint.

The purple Lotus Peak Master and Lin Lan were both stunned.

“How is this possible?” the bright sword old man was shocked to death. How could this kid be a nine revolution martial Saint?”

As the master of bright sword Pavilion, he had cultivated for almost two thousand years before he could reach the nine revolution martial Saint realm.

“Let’s join forces to suppress this kid!!!”

In an instant, more than a dozen figures with terrifying auras rose into the air and joined forces to attack ye chen with a sharp killing intent.

Someone brandished a sword. That was a Supreme Spirit treasure. With a single swing of the sword, wind and thunder were stirred up, and the void was destroyed.

Someone punched out, and fist shadows filled the sky. Terrifying Yuan power gushed out from his fists, shooting out light in all directions and shaking the heavens.

Someone struck the mountains and rivers ...

More than a dozen martial Saints attacked at the same time, urging their cultivation with all their might. The vast energy squeezed the void, as if they were going to crush the world.

“So what if it’s a Holy Land? You bullied me, trapped me, tried to kill me, and imprisoned my daughter. You really deserve to die!”

Ye chen stood proudly in the air, divine light surging all over his body. Golden blood could be vaguely seen on his icy skin and Jade bones.

He took a step forward and formed a seal with his hands. Like an ancient fierce God descending to the world, he charged toward the dozen people.

“Chi ...”

He simply threw a punch.

Although it was an extremely ordinary punch, it was extremely fast and unavoidable. It caused the void within a radius of 10000 feet to collapse, and the fist turned from dim to brilliant.

”

Three of the martial Saints screamed as their bodies exploded in the air, and their souls were destroyed.

“Even if the heavens want to stop me, I’ll break them, let alone a mere Jade Lake Holy Land like you. I, ye chen, will not be bullied!!!”

In ye Chen’s cold eyes, two long Dragons of murderous aura swept across the sky. Another punch landed.

“Bang Bang Bang ...”

Several more martial Saints died on the spot.

“My God, this is too terrifying!”

“Where did this guy come from? he killed several martial Saints with one punch!”

“It’s too scary. I’ve never seen such a brutal person ...”

The tens of thousands of people in the surroundings had long been scared out of their wits. They could only feel a chill run down their spines from head to toe.

“Brother ye ... So ... So strong!”

Shi qianhan’s pupils contracted. He was no longer worried, only shocked and bitter.

“I can’t afford to offend you, I can’t offend you ...”

Hua qianren, the Xia Empress, patted her chest as she looked at ye chen, who was killing in all directions. She felt extremely fortunate.

The purple Lotus Peak Master, mu Caiwei, and the others were so shocked that they were speechless, their eyes filled with disbelief.

”

In just a few short breaths, more than ten martial Saints had died at ye Chen’s hands. Some of them had their bodies cracked, some were covered in blood, and some were turned into a bloody mist.

“You’re so arrogant!!!”

An extremely cold and angry roar broke through the sky, and then a shocking sword radiance tore the void apart.

It was the peak Master of the purple sword peak!

“Swish!”

As one of the rare nine-revolution martial Saints of the purple sword peak, he was an expert in the way of the sword. He drew a line in the air with both hands and countless sword gleams appeared in the air.

Then, they turned into three hundred and sixty sword gleams that covered the sky and slashed toward ye chen.

This was purple sword Peak's peerless sword technique inheritance. A sword light like that could kill a rank eight martial Saint.

Three hundred and sixty sword lights shot out at the same time, criss-crossing each other. The scene was terrifying, as if all the stars in the sky had fallen.

"This is great. The peak Master of the purple sword peak has personally taken action. That brat will definitely not be able to act ruthlessly anymore!!!"

"It's too easy to kill him. I have to suppress his soul and make him suffer the pain of not being able to live or die for all eternity!!!"

Countless people from the Jade Lake Holy Land cursed viciously.

"Ye chen, why do you have to do this?"

Although mu Caiwei did not want to see this, when she thought of ye Chen's heartlessness towards her, she chose to ignore everything.

"What a pity ..."

The purple Lotus Peak Master sighed.

However, the next scene caused everyone to be dumbfounded.

Ye chen grabbed at the air and a blade of grass appeared on the ground in his hand. Then, he gently cut it at the peak Master of the purple sword peak.

"Boom ..."

In an instant, the ordinary-looking grass suddenly bloomed with a dazzling divine light and released an endless white sword Qi.

The White sword Qi was like a flood, directly crushing the 360 sword-lights of the purple sword Peak Master, and then cutting him in half.

Chapter 1227: The mountain is high, man is the peak, ten thousand races are respected by me!

"Ah!"

The purple sword Peak Master screamed as his body was cut in half. He was terrified, and his divine soul quickly escaped, as if he wanted to escape.

However, it was grabbed by a huge hand that stretched for thousands of feet.

At this moment, the world was eerily silent!

Everyone stared blankly at ye chen, who was holding the purple sword Peak master's astral body. Their eyes were filled with extreme shock.

The nine revolution martial Saint, purple sword Peak's Peak Master, had also lost!

Furthermore, the other party had used the purest sword Dao Divine Art to cut his body into pieces with just a blade of grass!

“Impossible! This is impossible! The purple sword Peak Master is a nine revolution martial Saint!”

“The peak Master is invincible, it can’t be like this!”

“Oh my God! Are you going to destroy the Jade Lake sacred land ...”

At this moment, hysterical roars reverberated between heaven and earth. All the disciples of the Jade Lake Holy Land were terrified, and so were the experts.

Ye chen was simply too terrifying!

Old man bright sword’s body stiffened and his legs trembled.”I was going to ... Kill such a terrifying existence?!!”

.....

Even the peak Master of the purple sword peak was no match for ye chen, let alone him!

“Let me go, quickly let me go!”

The purple sword Peak master’s astral body, which was being held by ye chen, was filled with fear and he roared involuntarily.

Even the depths of his soul was trembling!

“Boom boom boom ...”

“Let go of the purple sword Peak Master!”

In an instant, another dozen or so martial Saints rushed over and surrounded ye chen. Their murderous intent caused the mountains and rivers to change color!

“Little friend, don’t make more mistakes!”

“If you kill the purple sword Peak’s Peak Master, then you’ll have to fight the Jade Lake Holy Land to the death!” The purple Lotus Peak’s Peak Master shouted.

Ye chen looked down at the former from above. “I’ve long been in an irreconcilable situation with your Jade Lake Holy Land!”

“Ye chen!”

Mu Caiwei stood out and looked at him with a complicated expression,”I admit that I’ve underestimated you. Please stop. One more step and you’ll fall into the abyss ...”

“Mu Caiwei!”

Ye chen looked at her sarcastically, the corners of his mouth full of mockery.””I don’t know why you’ve become like this. You’ve really disappointed me!”

“In order to conquer the world, I entrusted my daughter to you, yet you repay me like this. You have betrayed my trust in you!!!”

“And now, you still don’t know how to repent. You want me to surrender without putting up a fight. What a joke ...”

“From now on, you and I are done!!!”

He took a deep breath, and his emotionless eyes suppressed all living beings.””Today, I’m going to flatten the Jade Lake sacred land and make it bleed!”

“Let’s start with this piece of trash in my hands!”

Then, he clenched his fist.

The purple sword Peak master’s soul was shattered on the spot.

The entire world turned cold. Mu Caiwei’s face was pale and her eyes were filled with disbelief!

The nine revolution martial Saint, the peak Master of black bamboo peak, roared at the sky,”Everyone, let’s kill him together and avenge the purple sword Peak Master!”

“Kill!!!”

In an instant, six nine revolution martial Saints attacked at the same time. Six fierce auras swept out like a hurricane, as if they came from the nine nethers, making people tremble.

“I’m the peak of a tall mountain, and I’m the Lord of all races!”

Ye chen waved the blade of grass in his hand. The sword’s gleam shot through the sky and split the sky. A terrifying energy descended upon the entire firmament.

The peak Master of black bamboo peak, who was the first to leap at him, screamed on the spot. He was swept by ye Chen’s sword intent and his body was crushed on the spot.

“Ah!”

The peak Master of black bamboo peak was dead!

Almost at the same time, the other nine revolution martial Saint, the peak Master of wisteria peak, also screamed and turned into a bloody mist, completely disappearing.

The wisteria Peak’s Peak Master was dead!

At this moment, ye Chen’s entire body was filled with a murderous aura. It was as if he was possessed by an ancient demon God, causing the air to seem to freeze.

The tens of thousands of people around him were already numb to the fact that even the combined forces of nine revolution martial Saints were no match for him!

The reincarnation of a fiend, he was definitely the reincarnation of a fiend!

Seeing the few nine revolution martial Saints dying one after another, the purple Lotus Peak master's heart trembled. He did not dare to make a move and could only roar, "Hurry, hurry and invite senior Jiu!!!"

Even a nine revolution martial Saint had been slaughtered like a chicken or a dog. For now, only the mountain-protecting Holy beast could suppress ye Chen's edge!

"Roar!"

In the sky, an incomparably huge peerless bird of prey covered the sky and the sun as it flew over. It brought with it a sky full of ferocious might as it swept across the world.

It was the Jade Lake Holy Land's sacred beast, the nine-holed demon.

Jiu Ming spoke in the human language, his voice shaking the firmament like thunder, "He Hexiao has offended our Jade Lake!"

"It's Lord ninth, the mountain-protecting Holy beast!"

"That's great! Lord Jiu has existed since the establishment of the Jade Lake Holy Land. He has lived for countless years. He can definitely kill this guy!"

Seeing this, all the people of the Jade Lake Holy Land, who had been in despair and fear, could not help but be shocked.

Even the purple Lotus Peak Master was looking forward to it.

"Eh?"

The nine puppet's wings spread across the sky. A pair of fierce eyes looked down at ye chen and was extremely surprised. "It's you, junior ..."

Ye chen raised his head and glanced at it!

Just this one glance was enough to set off a thunderous sound in Jiu Ming Ming's mind. The latter's body trembled and the way he looked at ye chen suddenly changed. "It's you, it's you!"

Its voice was even trembling.

It would never forget the mysterious expert who had broken into the Jade Lake sacred land that night. He had pulled out more than half of its hair, but it had not been able to fight back.

This had almost become its nightmare.

However, it didn't expect that it would once again feel the extremely familiar aura from that night. It cried out in horror, "It's you! The emperor's throne realm expert who broke into my Jade Lake sacred ground that night was you!!!"

It almost fell from the sky.

As soon as these words came out, heaven and earth trembled.

"How is this possible!!!"

The purple Lotus Peak Master was the first to cry out in shock. His voice was extremely sharp, and his eyes were full of disbelief.

Although she didn't personally witness what happened that night, she still learned about the whole process from many people after the incident.

The emperor's throne realm powerhouse that the entire Jade pool could not stop was ye chen?

The rest of the People's hair stood on end. When they looked at ye Chen's thin figure again, there was only fear in their eyes.

He was an Emperor's throne realm expert!

Mu Caiwei's body trembled and she almost lost her balance. Her mind was filled with all sorts of thunderous sounds.

"Brother ye is an Emperor! A seat! Realm! Strong! A person!"

Shi qianhan's heart throbbed.

Hua qianqi, who was beside him, was also stunned.

At that moment, Jiushi Yao's heart was filled with hatred."Dammit, why is this fiend back!?"

It wanted to run away but it noticed that ye Chen's eyes were fixed on it. It could not help but smile at ye chen.

"Senior, would you believe me if I said that I was just passing by and came out to bask in the sun?"

Everyone was dumbfounded by his words.

The people of the Jade Lake Holy Land couldn't believe it!

The Holy beast that had protected the Jade Lake Holy Land for thousands of years was like this?

Chapter 1228: It's that brat!

"He ... He's at the emperor's throne realm ..."

Mu Caiwei looked up at ye chen in disbelief. At that moment, there was only one terrifying thought in her mind.

She had stepped onto the path of cultivation through ye Chen's teachings. She knew very well that an Emperor's throne expert was the so-called soul formation stage in the cultivation world!

Soul formation stage ...

That was such a distant existence.

Thinking of this, her body trembled violently and her face was pale without a trace of blood. There was a trace of regret in her heart.

"Senior ..."

"I really just came out to get some sun ..."

Seeing that ye Chen's eyes were fixed on it, the sacred beast nine-eyes Suan NI's ferocity disappeared and it became like a quail.

It wasn't as if it had never seen an Emperor's throne realm expert before. After all, for thousands of years, the Jade Lake Holy Land's Holy Lords had all been Emperor's throne realm experts.

However, ye chen, an Emperor's throne realm powerhouse, gave it even more pressure.

This kind of pressure was impossible to feel without reaching a certain cultivation realm, which was why the purple Lotus Peak cultivators were unable to detect it.

Everyone around them was dumbfounded.

.....

Was this the sacred beast of the Jade Lake? This was the so-called number one person under the Holy Lord of the Jade Lake?

Ye chen stared at it coldly for a few seconds before he removed the pressure and said coldly, "As the Holy beast of the Jade Lake, have you ever seen my daughter?"

Jiu Ming Ming was stunned at first, but then, as if recalling something, he lowered his head and sized up mu Caiwei, who was on the ground. He nodded and bowed, "Senior, are you the little girl that she brought to the Jade Lake Holy Land a month ago?"

"Not bad." Ye Chen's face brightened.

The Golden feathers on the nine luminaries Devil's body suddenly stood up, and he exclaimed, "What did you just say? That brat is your daughter?"

"You've seen her before?" Ye chen asked.

Jiu Ming's face darkened as he gritted his teeth and muttered, "Not only have I seen him before, this devilish brat even pooped on my head."

As the sacred guardian beast of the mountain, it usually stood in front of the mountain Gate as a stone statue. However, a month ago, it was the day when the female disciples of the Jade Lake Holy Land cleansed themselves in the Jade Lake.

It couldn't stand the loneliness and sneaked into the vicinity of the Jade pool. It turned into a stone statue and tried to see a live erotic scene. Unexpectedly, a naughty child passed by and pooped on its head.

The most hateful thing was that in order to maintain its image, it didn't dare to act out. It continued to pretend to be a stone statue without saying a word. It only wanted to wait for that devilish brat to leave, and then secretly leave.

In the end, the child had a stomach ache ...

Four hours!

The devilish brat's stomach rumbled for a full four hours ...

“Where is she now?”

Ye chen suppressed the excitement in his heart and said, “Bring me there!”

“Senior!”

“I also want to know where she is. I’ve been looking for her for a month ...” Jiu Ming’s face darkened.

Ye chen saw that he did not seem to be doing anything and smiled coldly. “I need a servant!”

Jiu Ming Ming’s expression changed. “No, this old man once dominated the world and swept through the primordial era. How can I be willing to be under someone else!”

Ye chen snorted coldly. In an instant, a ball of lightning condensed in his hand, emitting an ear-piercing sound. Countless Thunderbolts spread out with the ball of lightning as the center.

From afar, it looked like a god that controlled lightning.

The recklessness in Jiu Luan’s eyes was no longer there and was replaced by a monstrous fierceness. “Senior, if you want to force me to acknowledge you as my master, I can only fight you to the death.”

Ye chen said nothing and walked toward the former.

The people of the Jade Lake Holy Land, who had been in despair, suddenly had a touch of joy in their eyes.

If Sir Jiu went all out, he should be able to defeat this kid’s edge. In that case, they might have a chance to counterattack.

However, when ye chen was less than three meters away from Jiu Ming, the latter retracted her aura and said very simply, “Greetings, master!”

Finishing, it actually spat out its own soul blood without another word, without the slightest bit of sloppiness.

Seeing this scene, everyone’s jaws dropped.

“Interesting!”

Ye chen took the soul blood and swallowed it in one gulp. His eyes flickered. “From now on, you’re my Mount. If you dare to disobey, I’ll destroy your soul!”

As soon as his gaze fell on the nine puppet puppet, the nine puppet immediately felt that the gaze was like two heavenly swords that pierced through its mind, causing it to tremble.

“I wouldn’t dare ...” It shook its head respectfully.

Although it said that, it was filled with hatred in its heart. “I don’t know how many Emperor’s throne realm Saint Lords I’ve killed since the creation of the Jade Lake sacred land.”

“Although you’re younger than the average Emperor’s throne realm expert, you still have 2000 years of life left. I still have a lot of life left. When you die, I’ll be free.”

Thinking of this, it immediately grinned without leaving a trace. It felt as if all its meridians had been connected, and its heart was calm.

“Take me to the forbidden area!”

Ye chen looked at him calmly, then leaped onto his back.

This glance made the heart of the former race. It spread its wings obediently and flew toward the forbidden area of the Jade Lake.

Everyone present could only watch helplessly.

Some experts of the Jade Lake Holy Land trembled and said with a chill in their hearts, “What ... What do we do now?”

“We’re no match for an Emperor’s throne realm expert. If that brat barged into the forbidden area, he’ll definitely alert the sacred master. When that time comes ...”

The other expert’s face was filled with hatred.

“Let’s go, follow them!”

The purple Lotus Peak master’s expression was complicated. He ordered his men to follow ye chen from a distance. The others hesitated for a moment before following him.

It was just as the elder of the Jade Lake sacred land had said.

If ye chen forced his way into the forbidden area of the Jade Lake Holy Land, the Holy Lord, who had been in seclusion for a long time, would definitely make a move. At that time, the two great emperor level powerhouses would fight.

No one was willing to miss such an unparalleled scene.

In an instant, most of the people present had left. Mu Caiwei was still standing in her original spot with a dazed expression, as though she had not woken up from the previous scene.

Shi qianhan walked over slowly with Hua qianren, the Xia Emperor’s daughter. The former looked at mu Caiwei with a complicated expression and said softly, “Miss mu, what are your thoughts on this?”

Before this, he had already known mu Caiwei. The woman in front of him had waited bitterly for ye chen for a year. He still felt that the former was one of the rare extraordinary women in the world.

He didn’t expect that she would change so much in just one month. If he didn’t see it with his own eyes, he wouldn’t believe it.

Mu Caiwei’s body stiffened, as if she had lost her soul. Only a stream of tears flowed down from the corner of her eyes, “Am I wrong? Am I really wrong ...”

.....

In the forbidden area of the Jade Lake.

In the sky, a peerless bird of prey carrying ye chen landed above the forbidden area, causing the void to tremble.

“Master, the forbidden area is below us!”

“This place is extremely mysterious,” Jiu Ming said in the human language. “Although I have lived in the Jade Lake for countless years, I have never entered the forbidden area.”

Ye chen fell from her body and looked down at the cliff below. His eyes were fierce, and then he threw a punch with all his strength.

“Open!!!”

Chapter 1229: Blasting open the forbidden area with a single punch!

“Boom boom boom!”

Almost at the same time, a loud noise was heard, and a Valley appeared from the cliff.

The valley was divided into two sides by two cliffs.

Instantly, a peerless celestial Valley was revealed.

The essence of heaven and earth gushed out of the valley, accompanied by a dazzling white holy light, as if it was the place where the sun rested.

“What dense Heaven Earth essence Qi!”

Jiu Luan turned into a bald man, his eyes shining as he sized up the entrance of the valley that had suddenly appeared. His rough face was moved.

It had lived in the Jade Lake Holy Land for a long time, and it was only at this moment that it realized that this so-called forbidden area had such a mystery.

“Those damned Holy Masters of the past generations are so unkind. This old man has been protecting you like a horse or a cow for so many years, even if I don’t have any credit, I have worked hard.”

“With such a rich place, if you don’t share it with me, you deserve to die in front of me.”

It cursed in its heart.

The tens of thousands of people behind him were also stunned by this scene. Even the purple Lotus Peak Master and the Jade Lake Holy Land’s people were no exception.

“Brother ye, this is the Jade God Valley!”

.....

Shi qianhan walked out of the crowd and said seriously, “It’s said that the first Holy master of the Jade Lake Holy Land was known as the Jade Lake old deity. This person suppressed the primordial times and plundered countless rare treasures in the valley. He even developed Dao patterns and didn’t let others enter.”

“I’ve also heard my Imperial father mention it. ”

Behind him, Hua qianqi's beautiful eyes flickered with a strange light. "Senior ye, you have to be careful. This generation's Holy master of the Jade Lake has existed for longer than my father, and he is also the most low-key ..."

Ye chen closed his eyes and sensed everything between heaven and earth. He sensed the dispensable sense of familiarity in the valley and then opened his eyes with a faint joy. "That girl's aura ..."

"Let's go!"

He glanced at the nine puppet worms and Blackie, who had followed behind him. Then, he walked towards the celestial Valley with determined steps.

"Little girl, your father is here to save you!"

"My dear daughter, daddy won't let you and I be separated this time. I'll kill anyone who stands in my way!"

At this moment, he was powerful and decisive. A terrifying fighting intent surged from his body, almost encompassing the entire world.

Blackie followed him without hesitation, but the nine-holed puppet did not move. Its eyes kept rolling. "I wonder if this kid is a match for that old man. If not, then I'll be in an awkward situation ..."

After a moment's hesitation, it finally chose to follow, for no other reason than the fact that the essence Qi in the valley was too rich.

Seeing the three of them enter the valley, some people from the Jade Lake Holy Land subconsciously wanted to follow them.

"Stop!!!"

Shi qianhan's aura burst out as he stared at the man coldly. "One more step and you'll die!!!"

"Shi qianhan!"

The man was instantly enraged, and his face darkened. "This is the Holy Land of the Jade Lake. What right do you have to restrain us?"

"Bang ..."

Before he could finish his sentence, he was cut in half by a sword Qi. He didn't even have time to scream.

"Why are you so noisy with this old man?"

Hua qianren, the princess of great Xia, put away a sword pellet and pouted, "I'll just cut it with my sword!"

"You ..."

The rest of the Jade Lake Holy Land's experts were furious, but they didn't dare to attack Shi qianhan and his companion.

After all, most of their powerhouses had been slaughtered by ye chen. Although the remaining people were not afraid of Shi qianhan and Shangguan Fei, they were afraid of their background.

“That brat forced his way into the forbidden area, he’s dead for sure!”

Some of them looked extremely resentful.

.....

The valley was full of life. The vegetation was green, and the towering mountain peaks stood like swords. Silver waterfalls hung upside down above them, and strange beasts ran in the forest occasionally.

The mountains were surrounded by strange phenomena and dense mist. Ancient medicine grew one after another. It seemed to be the residence of an immortal, and the fragrance of strange fruits could be faintly smelled.

“F * ck, F * cking dogs!”

Jiu Ming Ming’s eyes were red as he watched the scene, cursing in his heart: “F * cking Saint sovereigns, I’ve been in the mountain Gate suffering from the wind and rain, but you guys came here to enjoy your life. Just you wait, I’ll go and dig up your graves ...”

Although it said this, its hands and feet were extremely nimble, and every catty it passed by would unceremoniously collect the precious fruits and ancient medicine.

Ye chen walked slowly in the valley and found that his divine sense could only cover a radius of a thousand feet.”It seems like this place is a separate small world.”

“But so what? even if I have to break this small world, I will find my daughter!”

As he thought about it, he did not stop walking. The deeper he went, the thicker the fog became. In the end, he could not even see his fingers.

“Master, be careful!” Blackie followed closely behind, looking around vigilantly.

“Retreat!!!”

Ye chen suddenly shook it away and then struck out with his palm toward the southeast corner.

“Boom ...”

The deafening sound was so loud that the entire Valley seemed to be unable to withstand it and was about to collapse.

In the mist, an extremely old figure slowly appeared. The person held a horsetail whisk in his hand and stood like a peerless old immortal. His face was neither happy nor sad.

“Jade Lake Saint Lord!”

Blackie immediately acted as if it was facing a great enemy.

“He’s not!”Ye chen and Jiu zhirou said in unison.

Then, he saw Jiu Yao Yao coldly stare at the old man with the horsetail whisk, as if she was a little surprised. "He's the Jade Lake sacred land's great elder, li muxian!"

"F * cking past Holy Masters, even li Mubai this old fellow can enter, but he won't let this old man in!"

It was getting more and more indignant.

Ye chen looked at the old man coldly. "Another one who's here to die?!"

The old man with the horsetail whisk looked deeply at Jiu zhirou and shouted, "Jiu Luan, you've brought outsiders into the forbidden area of my Jade pool without permission. You'll be punished by the Holy master after this."

Jiu Ming Ming's expression was a little ugly.

Then, the old man looked at ye chen again. "Young man, last time you tried to break into the forbidden area of the Jade Lake, and this time, you have killed many people. You have crossed the line."

"You hid my daughter and obstructed me from meeting her. Shouldn't I kill you?" Ye chen said coldly.

The old man shook his head. "Your daughter is still alive. She's doing well. As long as you don't do anything stupid, I'll take you to her!"

After saying that, he flicked his horsetail whisk and slowly turned around to walk forward. "Follow me!"

"Master, be careful of a trap!"

Blackie said subconsciously.

Ye chen shook his head. He took a step forward and followed the former closely. He was prepared to attack without hesitation if the former made any rash moves.

An hour later, the group of people arrived at a special Pure Land. The vegetation was flourishing, and the ancient trees reached the sky.

"Your daughter is there!"

The old man pointed into the distance.

Ye chen looked in the direction he was pointing at and saw a young figure swinging on a swing between two ancient trees in the distance. He could faintly hear the sound of joyful laughter.

"It's an illusion!"

Ye Chen's fiery golden eyes suddenly brightened. Then, a sky full of killing intent swept toward the old man with the horsetail whisk.

Chapter 1230: The five elements divine essence fused mountain

"You're looking for death!"

Ye chen roared, his white hair dancing in the wind. He reached out with one hand, determined to kill the old man.

However, the moment his hand touched the latter, the latter's face suddenly revealed an extremely strange smile.

The next moment, the old man's body disappeared.

"Boom boom boom ..."

In an instant, the sky and earth were turned upside down, the void was dim, And The Valley Shook as if the sky had collapsed. Even the nine luminaries devil was shocked.

"Back off!"

Ye chen waved his sleeve and sent the man flying.

In an instant, the sky darkened. A fifty to sixty feet tall mountain descended from the sky and crashed toward ye chen.

"Break!"

Ye chen roared in rage and threw a punch.

Clang ... Clang ...

His punch was actually unable to penetrate the Black Mountain. In fact, it even caused a burst of glaring flames to appear.

"Boom ..."

Under Blackie and Jiu Luan's shocked gazes, ye chen was directly suppressed by the Black Mountain peak, only his head was exposed.

"Master!"

Blackie's expression changed greatly. It hurriedly pounced over and tried to hold up the mountain with both hands, only to find that the Montenegro, which was only 500 to 600 feet tall, was extremely heavy.

What terrified him the most was that as soon as he got close to the Black Mountain, he immediately felt the true essence in his body flowing uncontrollably into the black Mountain.

"Ang!"

Ye chen growled. His body emitted a golden divine light and his body size increased dramatically. He seemed to have turned into a Suan ni, trying to break the mountain on his back.

As his body grew, the Black Mountain also grew in size. It bloomed with five-colored divine light and became heavier and heavier, suppressing him tightly.

"Five elements divine essence fused mountain!!!"

Ye Chen's eyes suddenly narrowed.

In the cultivation world, there was a strange item called the magnetic stone. Even if it was only the size of a fist, it weighed thousands of catties. It was divided into five elements, gold, wood, water, fire, and earth. It could devour the vital Qi of the corresponding elements.

The five elements essencefused mountain was made up of many five types of magnetic stones. Even if a nascent Soul Stage cultivator faced the five elements essencefused mountain for a long time, he would still be sucked dry.

It could be said that such an existence was rare even in the cultivation world. Usually, the moment it appeared, it would set off a storm of blood because the magnetic Mountain could be used to cultivate a technique called the divine essencefused light.

“Pa pa pa ...”

As ye Chen’s voice fell, a round of applause suddenly rang out in the void.

The next moment!

The old man with the horsetail whisk slowly appeared. He clapped as he walked toward ye chen.”With such knowledge, it’s no wonder that he could reach the emperor’s throne realm at such a young age.”

“It’s you!”

Blackie’s eyes were red, and it rushed toward the former with a monstrous killing intent.”Die!!!”

“Bang ...”

The old man waved his sleeve and sent him flying. He smiled faintly.””Kid, you’re no match for this old man.”

Jiu Luan subconsciously wanted to attack!

“Evil creature!”

“This brat is now being suppressed by the divine essencefused mountain, the treasure of the Jade Lake sacred ground,” the old man roared.”He can’t move anymore. Do you want to keep making mistakes?”

Jiu Mingxi suddenly stopped. She looked at ye chen and then at the old man with the horsetail whisk. She seemed to be a little hesitant.

The old man slowly turned his gaze to ye chen, a smile appearing on his old face.””The Holy master of the Jade Lake sect spent several hundred years of effort to move this mountain.”

“Don’t you think that this mountain is extremely heavy, even heavier than a giant mountain?”

“Do you feel that your cultivation base is being devoured by the mountain like crazy and that you can’t suppress it?”

He approached ye chen step by step and said without any pressure,””In reality, the founder of the divine sect discovered this strange place all those years ago, which caused him to be trapped in the divine essencefused mountain for the rest of his life, unable to take a single step out. In the end, he was squeezed dry ...”

“For thousands of years, the Jade Lake Holy Land’s Emperor’s throne realm experts have been cut off every time, but our status has not decreased. We have used this mountain to suppress the emperor’s throne realm experts.”

Hearing this, ye chen looked at him with a calm expression. "You deliberately led me here to suppress me?"

"Naturally!"

The old man with the horsetail whisk nodded slightly and squatted down to look at him. "I'm not on the emperor's throne realm, so I'm not your match. I can only use this method to successfully suppress you here."

"Most importantly, you've entered the emperor's throne realm at such a young age. You must have many secrets ..."

At this point, he looked at ye chen with a fiery gaze. "If you're smart, tell me your secret, and I might leave you with an intact corpse."

"Isn't the Jade Lake Holy Land Master also at the emperor's throne realm?"

Ye Chen's eyes flickered. "Logically speaking, I'm at the same cultivation level as him. In addition, this is his territory. He's completely confident in fighting me. Why did he ask you to come out and set me up?"

The old man did not say a word.

"If I'm not wrong, you can't leave either, can you?" ye chen asked again. To be more precise, he doesn't have the ability to deal with me, so he sent you. "

"So what if you've guessed it right?"

"To tell you the truth," the elder sneered, "the Holy master of the Jade Lake is about to die, and he doesn't care about the outside world anymore. Maybe the heavens took pity on him and let him meet your daughter before he passed away."

His face was ferocious, like a hungry tiger that wanted to devour people. "Your daughter's body is too good. It's so pure at such a young age, and her talent is even more extraordinary. There's even a drop of divine blood in her body to protect her ..."

Hearing this, ye Chen's face gradually darkened. "You're all looking for death!"

Although he'd guessed that the Jade Lake Saint Lord was coveting this little guy, he didn't expect that this old monster who was about to die actually wanted to take her body!

"For such a perfect body!"

The old man laughed. "The Holy Lord is overjoyed. Not only can he get rid of the restrictions of his physical body, but he can also live another life. If he refines the drop of divine blood in your daughter's body, he may even be able to reach the legendary earth level deity."

Hearing this, Jiu Mingyu felt a chill run down her spine. She was obviously frightened by the ambition of the Jade Lake Saint Lord.

Another life!

This was to break the shackles of life and death!

“Are you angry and helpless?”

The old man saw ye Chen’s furious gaze and could not help but smile smugly. “And your arrival has helped me. If I know the secret in your body, I can also challenge the emperor’s throne realm!”

“The heavens are really blessing the Jade Lake!”

He laughed madly.

“Boom boom boom ...”

As he laughed, he suddenly felt the ground shake violently. He couldn’t help but look down.

Ye chen, who had been suppressed, had already broken free.

“You ... You ...”

The smile on his face froze as if he had seen a ghost. “How did you escape? Impossible, this is impossible. Even an Emperor’s throne realm expert wouldn’t be able to escape if he was suppressed ...”

Ye chen looked at him calmly and suddenly grinned. “First, I’m not an Emperor’s throne realm like you said. Second, I want to thank you for giving me a handy weapon. Third, thank you for letting me know about my daughter’s situation.”

After saying this, he suddenly turned around and made a hand seal in the void. He cast a green spell at the 600-foot-tall divine essencefused mountain.

“Boom ...”

The divine essencefused mountain shook violently.

“Small!”

Ye chen scoffed.

“Boom ...”

The divine essencefused mountain immediately shrank.

“Smaller!”

“Smaller!”

Under the shocked gazes of the old man with the horsetail whisk and Jiu Luan, the divine essencefused mountain obediently transformed into a palm-sized mountain and was held in ye Chen’s hand.

“Pfft!”

The old man with the horsetail whisk vomited blood repeatedly, his eyes full of disbelief.

“Old man, to thank you, I’ll grant you death!”

Ye chen held the divine essencefused mountain in his hand and smashed it out.

The divine essence fused mountain, which was originally only the size of a palm, swelled up in the wind and turned into a huge mountain that was 500 to 600 feet tall. It directly smashed the old man into a pile of meat paste.
