Chapter 1531: Kill that ye first, then kill Huangfu Yu!

“Not ... Not bad ...”

Yunxi pursed her lips and nodded slowly.

At the same time, she was overwhelmed with shock.

Daoist Fengyang, an existence at the great circle of the soul formation stage, was being held in the air like a doll. Even the saintess of the Tianxuan Holy Land could not do such a thing.

It was only at this moment that she realized that among ye chen and Fang Ziyue’s group, the truly terrifying one was ye chen.

Daoist Feng Yang, who was frozen in mid-air, could not move, but he was extremely glad. His eyes were wide open as if he had seen something terrifying.

“Take it out,”

Ye chen slowly walked up to Yun Xi and reached out his hand. “If you’re not lying to me, I’ll kill this man for you. If you’re lying to me, you’ll all die.”

Meeting his gaze, Yun Xi’s heart quivered, and the hesitation in her mind was instantly thrown away.

Her hands trembled as she opened the storage ring, and a tortoise shell-like object suddenly fell into her hand. There were patterns that were difficult to see with the naked eye engraved on it.

It was indeed the incomplete map of the five elements heaven-connecting Lotus.

Ye chen nodded without batting an eyelid. He now had no less than three map fragments in his hands. In addition to this one, he still needed the one in the Tianyuan trading company’s Secret treasure and the one in the hands of the merman race patriarch.

He would be able to piece the entire map fragment together and find the exact location of the five elements heaven-connecting Lotus.

Seeing that he didn’t move, Yun Xi felt extremely uneasy. She immediately said weakly, “Senior ...”

She was extremely worried that ye chen did not need this sacred medicine fragment. If that was the case, then her fate ...

“Bang!”

Before she could finish her sentence, she suddenly heard a loud explosion. She turned around subconsciously and saw that Daoist Fengyang, who had been frozen in mid-air, had exploded into a mist of blood.

Yun Xi stood still, his expression terrified.

Daoist Feng Yang, who had almost forced him to self-destruct earlier, was dead just like that? He didn't even have the slightest strength to resist.

"I'm taking this!"

Ye Chen looked at her firmly and said, "I'll keep my promise and kill this person for you. Of course, this item is very valuable. I'm not willing to take advantage of you. You can make a request."

"I don't dare, I don't dare!"

Yun Xi nodded. "Senior, you have saved my life. That's already a great favor. I don't dare to ask for more."

"Since that's the case, then this ye won't force it."

Ye Chen shook his head and changed the topic. "Now, can you tell me where you obtained the fragment of a divine medicine?"

His gaze softened. Even he did not expect to obtain a five elements heaven-connecting Lotus fragment in the Huangshen tomb.

Yun Xi did not dare to look him in the eye. She held her breath. "Senior, I obtained this item in the Huangshen tomb. To be exact, I obtained it from the stomach of an ape-type demonic beast."

"An ape-type demonic beast?" Ye Chen frowned.

Yun Xi thought he didn't believe her and said, "That's right. It's an ape-type demonic beast. I was attacked by it the moment I entered the desolate God tomb. I obtained it from its stomach after killing it."

Ye Chen looked at her quietly. When he saw that she did not seem to be faking it, he said, "Where did you find that ape-type demonic beast?"

He was not willing to let go of any trace of connection with the five elements heaven-reaching Lotus. After all, it concerned Su Yuhuan's life and death.

.....

The center of the Huangshen tomb was the place closest to the main burial chamber of elder great desolation. However, what was strange was that countless plants here had been demonized. The terrifying demonic Qi did not dissipate even after a year, and it seemed to be devouring the outside world.

"Bang!"

After a figure had annihilated a demonized giant snake, he looked around at the scene that was comparable to purgatory on earth and frowned. "What are these black things? He's actually so difficult to deal with."

The figure seemed to be a man, with his chest and abdomen exposed. His cheekbones were high, and his eyebrows were extremely fierce.

“Brother Luo!”

A young man slowly walked out from beside him. The young man said with a serious expression, “This black Qi looks like demonic Qi. Could it be that the desolate God tomb has been invaded by the demonic Qi in the demonic soil?”

The two people were Luo Xiu and Fang Cheng Wu.

“Demonic Qi?” Luo Xiu was surprised.

Sensing his confusion, Fang Chengwu said proudly, “Brother Luo, you may not know this, but there is a large realm that is enveloped in demonic Qi in the universe. This realm is known as the demonic realm.”

“The creatures of the devil realm are all bathed in devil Qi and have a fierce nature. It is rumored that the Lord of the devil realm has a status comparable to that of a venerable Emperor in the immortal realm ...”

Luo Xiu’s eyes narrowed when he heard this.

He was only an itinerant cultivator, so he didn’t know about the secret behind this. Now that he heard what Fang Cheng Wu said, his heart was in turmoil.

“It seems like what Lei Yun said is true. The seal left by Emperor Xuanyuan can’t suppress the devil earth anymore. The devil Qi of the devil earth has started to erode the core and the periphery of Yinxu.”

“I hope the desolate God tomb isn’t too heavily corroded,” Fang Chengwu said worriedly. “Otherwise, once a terrifying monster is born, even those at the void training stage will have a headache.”

“I wonder where that ye fellow is right now?”

Rashu squinted his eyes and said, “I do not wish for this kid to die in the desolate God tomb. I have already said that I will capture him with my own hands, burn his bones and scatter his ashes, extract his soul and refine it.”

“Brother Luo, don’t be careless!”

“Don’t forget what we saw before we entered the tomb,” Fang Chengwu said in a deep voice. “That ye guy and Huangfu Yu seemed to be old acquaintances. If you deal with him, Huangfu Yu might interfere.”

“Huangfu Yu, huh ...”

Luo Xiu’s pupils contracted slightly, as if he was afraid, “Your worry is not without reason. A mere ye is nothing to worry about. However, if Huangfu Yu is added, it will be a little troublesome.”

“So, what I mean is, why don’t we form an alliance!” Fang Chengwu said.

“Alliance?” rashu looked at him.

“Not bad!”

Fang Chengwu nodded. “It’s very difficult for the two of us to deal with Huangfu Yu. Why don’t we form an alliance with the people of the panwu celestial sect and the great Jiang divine dynasty? by then, even if we encounter Huangfu Yu and that ye fellow working together, we won’t be afraid.”

“Good plan!”

Luo Xiu’s eyes brightened and he smiled eerily, “Huangfu Yu is from the Yanhuang fortress. He is not on good terms with the great Jiang dynasty and the panwu celestial sect. If we want to form an alliance, Jiang Li and the others will definitely be happy to do so.”

“I still have another plan!”

“After we form an alliance, we’ll kill that ye brat first,” Fang Chengwu said. “That way, other than those useless people from the Xuan Yuan eight families, Huangfu Yu will be all alone. He won’t be able to do much.”

“Alright. After the Alliance, we’ll work together with Jiang Li and the others to kill that ye guy first.”

Luo Xiu laughed. “Although we don’t need such a big formation to deal with that kid, it’s better to be safe in case things change. I don’t believe that we can’t kill a nameless person if we join forces.”

Chapter 1532: The Dragon scale origin fruit and the Jade Fire golden eyes ape!

It was located to the West of the huangshen tomb.

Following the guidance of Yun Xi’s memory, ye chen sped all the way west. He only wanted to see if there were any other fragments of the five elements heaven-connecting Lotus there.

This time, he did not bring Yun Xi and Fang Ziyue with him. Instead, he asked the two girls to wait for him. After all, this matter concerned the five elements heaven-connecting Lotus.

In less than an hour, he had arrived at the place Yun Xi had mentioned. It was a vast white land with a hazy fog enveloping everything, as if a sea of clouds was churning.

It was this mist that was bone-chilling, as if it could freeze one’s soul. If someone with a low cultivation stepped into it, they would be frozen into an ice sculpture in an instant.

“Hu hu hu ...”

Ye chen stood in the endless cold fog. His clothes fluttered and he was not affected at all. His divine sense spread out and enveloped a radius of a hundred miles.

Although this place wasn’t big, there were many fierce beasts and demons mixed in the fog. There were even cultivators who were fighting with the former.

It also contained a few powerful auras.

“Over there!”

Ye chen suddenly looked toward the Northwest corner. Over there, he could sense several powerful auras fighting, accompanied by a pungent smell of blood.

“BOOM!”

He took a step forward and soared into the sky. He turned into a long rainbow and teleported to the Northwest corner.

“Boom boom boom!”

His speed was extremely fast, and he ruthlessly crushed the cold waterfall that had condensed in the void, causing countless people to fear it. As a result, the void let out a shocking roar.

“What a powerful aura! Who is this person?”

“Could it be that there’s someone else coming after that Jade Fire golden eyes ape?”

Almost at the same time, the figures who were fighting on the ground felt the vibration in the void. Then, they raised their heads in unison and looked up, their faces filled with horror.

The bone-chilling cold mist was something that even an ordinary late divine transformation realm cultivator would have to be careful to deal with, for fear that they would die if they were not careful.

However, at this moment, there was someone who ignored this and arrogantly crossed through the void condensed by the cold waterfall.

To their disappointment, the cold fog in the air was too thick. In addition, ye Chen’s figure was as fast as lightning. They could not catch ye Chen’s figure.

.....

Hundreds of miles into the cold fog, there was a heavenly stream.

At this moment, there were many invisible restrictions and formations operating in the void. They were refined into one and covered a radius of ten miles. Energy surged and killing intent rose and fell.

“Let’s put in more effort, this evil beast can’t hold on for much longer!”

“Stabilize the formation, we can’t let that evil beast escape through a gap!”

In the sky stream, there were faint sounds of fierce fighting, accompanied by the roars of fierce beasts, which caused the array in the void to shake and crack.

“Fairy Tianxuan, this evil beast is running in your direction!”

Jiang Li, in a red battle suit, held a long spear in his hand and guarded one side. He looked in shock at the giant, which looked like a black shadow, rushing toward the southeast corner.

Around it, there were many figures guarding the base of the formation. They were from the Tianxuan Holy Land, the panwu celestial sect, and the Taichu dojo.

If one were to look closely, they would discover that it was a giant ape that was nearly a thousand feet in size. Its entire body was blooming with jade-green flames, and its eyes were as bright as two small Suns.

“Roar!”

The giant ape was covered in blood, as if it had been forced into a dead end. It roared at the sky and moved its huge body, flying toward the Tianxuan saintess who was guarding the southeast corner.

It roared and released a terrifying sound wave, which made the Tianxuan saintess 'eardrums bleed. She could barely hold on.

“Get into formation, quickly get into formation!”

Jiang Li, the divine Son of the great Jiang divine dynasty, shouted thunderously at the sight.

As soon as he finished speaking, the few of them moved at the same time, quickly forming a profound formation around the giant ape. Then, as true essence gushed out, a profound power condensed into a terrifying energy barrier.

“Roar!”

The giant ape seemed to have felt the power of the formation and roared again. Its huge hand, which was like a giant pillar, slammed down heavily. The terrifying force immediately shook the formation and made it tremble violently.

“Pfft!”

Under such a terrible impact, Jiang Li and the others all vomited blood and looked extremely weak. Even so, they still guarded the array.

After the giant ape launched the attack, it roared again and again. The five fingers on its palm were broken several times, and Scarlet blood was spilled.

“It can't last much longer!”

Jiang Li was overjoyed to see that.

They had accidentally found a tree of dragon scale origin here, and what surprised them even more was that the tree had borne three dragon scale origin fruits.

The so-called dragon scale origin fruit was one of the main ingredients to refine the void Soaring Dragon pill. How could they not be extremely excited?

Before they could divide the Dragon scale origin fruit, a Guardian demonic beast, the blue fire golden eyes ape, jumped out and the two sides instantly fought.

Although the strength of this blue fire golden-eyed ape was equivalent to a human at the great circle of the deity transformation stage, it had the body of a demonic beast with rough skin and flesh. In addition to its innate talent, it was extremely fierce. Even with the combined strength of a few of them, it was difficult to take it down in a short time.

Hearing Jiang Li's roar, the others also attacked with all their strength.

However, at the same time, they felt that the restrictions they had set up to stop the cultivators outside had been broken.

Moreover, it was forcefully broken at the same time.

“Not good!”

“What?” Jiang Li and the others ‘expressions changed.”Someone broke in!”

“Bastard!”

The core disciple of the panwu celestial sect was extremely furious,“”Who is it that dares to ignore our orders and break the restriction by force?!!”

In order to deal with this blue fire golden eyes ape, they had all used their methods. How could they tolerate others sitting back and enjoying the fruits of others ‘labor?

“Everyone, kill this person who tried to break the array first!!!”

Jiang Li’s face was also full of murderous intent.

“BOOM!”

In the next moment, the void where the entire heavenly stream was located exploded.

A young man in a green robe walked through the air with his hands behind his back. Wherever he passed, both the arrays and the restrictive spells collapsed.

It was as if a God had descended.

Jiang Li and the Tianxuan saintess, who were filled with killing intent, were stunned when they saw the man’s face. They were horrified as if they had seen something terrifying.

It was him!

Ye nankuang!

They were all very familiar with this name. Back then, outside Tianyuan city, it was this person who had struck fear into the hearts of the crowd, killed the young master of the panwu celestial sect, Hong Ya, and even snatched the void Soaring Dragon pill from their hands.

Both Jiang Li and Holy maiden Tianxuan were glad to have left alive.

After that day, ye nankuang’s name had become a shadow in their hearts.

However, they did not expect to see ye chen again!

Chapter 1533: You want to kill me?

Ye chen stood quietly in the air with his hands behind his back. He looked up and sized up the crowd. When he saw Jiang Li and Holy maiden Tianxuan, he frowned slightly.

In the end, his gaze was fixed on the giant ape and the stone wall of the heavenly Creek. There, a small sapling was growing out of the cracks in the stone. The sapling was only as thick as a thumb, but it had roots that were deeply rooted in the cracks like a horned dragon.

At the top of the sapling, there were three fruits. They were the size of a baby's fist and were purple-gold in color.

"The Jade Fire golden eyes ape and the Dragon scale origin fruit?"

Ye Chen's eyes flickered and he was surprised. "I didn't expect this kind of thing to grow here. No wonder it gave birth to the blue fire golden eyes ape."

While he was thinking, a figure rose up from below, revealing a young man in a purple-gold robe.

The young man's eyes flashed with lightning as he stared at ye chen and said coldly, "Who are you? How dare you break into the restrictive spell that we have set up?"

If there were any outsiders present, they would definitely discover that this person was the new young master of the panwu celestial sect, su mingchi.

The panwu celestial sect had 10 core disciples. Originally, Hong Ya was ranked first, while su Ming Chi was ranked second. However, following the death of the previous young master, Hong Ya, su Ming Chi was naturally promoted to the new young master.

Faced with his question, ye chen did not answer. He immediately spread out his divine sense, trying to sense the scene around the heavenly stream.

He did not know that his attitude had angered su mingchi.

"You're looking for death!"

Su Ming Chi's eyes turned cold and murderous.

As the young master of the panwu celestial sect, su mingchi had always been criticized and criticized in the sect. The disciples of the sect were all comparing him to Hong Ya.

Even when he was in the outside world, the outsiders still looked at him with a strange gaze, as if he was not worthy of being the young master of the panwu celestial sect.

He had been holding back his anger for this. Now that he was being married to a nobody like ye chen, how could he not be angry?

"BOOM!"

In an instant, he pressed his palm down and a dazzling golden light burst out. It was wrapped in a terrifying force and ruthlessly attacked.

However, when the terrifying power landed on ye chen, it disappeared into thin air as if it did not cause any harm to ye chen.

At that moment, su mingchi's pupils shrank.

That was the true martial force that he had cultivated, which was refined from the Golden qi. Even a trace of it was enough to kill a late divine transformation realm cultivator.

However, it was ineffective against ye chen.

Thinking up to this point, he became even more vigilant and secretly sent a message through his divine sense, "Brother Jiang Li, what are you waiting for? Let's attack together and kill this man!"

Jiang Li and the Tianxuan saintess didn't seem to hear him. They didn't move at all. Instead, they looked at him as if he was a dead man.

"Brother Su, I'm here to help you kill this person!"

Only the divine Son of the absolute beginning dojo let out a long roar and turned into a glaring rainbow as he stepped into the sky. He seemed to want to help su Ming Chi.

"Ant-like thing, overestimating your own strength!"

Ye Chen's eyes flickered and he attacked instantly.

A huge Golden Palm that was no more than 200 feet long condensed in his hand and then slapped towards su Ming Chi with lightning speed.

One palm, just one palm!

This new young master of the panwu celestial sect had just let out a cry of surprise, and before he could even react, he was turned into a mist of blood on the spot.

"Brother Su!"

At the same time, the divine Son of the Taichu dojo, who was charging toward ye chen, suddenly froze and stopped less than a hundred feet away from ye chen. His eyes were filled with shock.

Su mingchi's strength was on par with his but the former was killed by ye chen with a single palm. If it were him, how good would his ending be?

Suddenly, he thought of something and turned around. He saw Jiang Li and the Tianxuan saintess standing still as if they had been frozen.

Cold, endless cold poured into his heart!

Ye chen looked at him indifferently. "You want to kill me?!!"

"BOOM!"

These four words were like a Thunderbolt that exploded in the divine son's mind. He was so shocked that he wanted to die. "Fellow Daoist, this is a misunderstanding ..."

"Is that so? then this ye's killing of you was also a misunderstanding!"

Ye chen placed one hand behind his back and flicked the fingers of his other hand.

"Bang!"

The divine Son of the absolute beginning dojo couldn't Dodge in time and exploded. His soul and body turned into dust at a speed visible to the naked eye.

In just a few breaths, two divine sons of great sects had died at his hands without any ability to resist.

Upon seeing this, Jiang Li and the Tianxuan Holy maiden, who were standing quietly below, gasped in unison. They were extremely glad that they had not attacked ye chen because they thought they had the advantage in numbers.

Not only the two of them, but even the blue fire golden eyes ape was prostrating on the ground, its huge body trembling.

With a wave of his sleeve, ye chen put the Dragon scale origin fruit on the stone wall and a few seconds into his bag.

After doing all this, he looked at Jiang Li and su mo again and disappeared.

Only then did the blue fire golden eyes ape muster the courage to escape into the void.

After confirming that ye chen had left, Jiang Li and Holy maiden Tianxuan heaved a sigh of relief as if they had been granted Amnesty.

The two of them collapsed to the ground, and they found that each other's back was soaked in cold sweat.

"Whoosh, whoosh, whoosh ..."

Not long after, there were finally quite a few figures who shot over. After seeing the scene clearly, someone could not help but say, Deity Jiang Li, did you take away the Dragon scale origin fruit?"

Divine Son Jiang Li, as the saying goes, treasures are hard to come by, and everyone who sees it will have a share. Even if you are the divine sons of a large sect, you can't take all of it, right?"

Many people looked at Jiang Li and Holy maiden Tianxuan with green eyes.

"Eating alone?"

Jiang Li's face twitched and he laughed in anger."You bunch of ants, why did you have to appear at this time when I'm the most displeased?"

His aura instantly bloomed, and he pounced into the crowd like a peerless god of death. He killed everyone he saw, setting off countless screams.

"BOOM!"

At this moment, several figures descended from the distant sky. The leader said in a deep voice,"Brother Jiang Li, why are you acting like this?"

It was Luo Xiu, Fang Chengwu, and a few others.

"So it's brother Luo!"

Jiang Li put away his killing intent and told the story after looking at the respectful eyes of the people around him.

"What? Ye nankuang, who had disappeared for a long time, had reappeared? He even entered the desolate God tomb and killed the divine sons of the panwu celestial sect and the absolute beginning dojo?"

“Isn’t this person wanted by the five great Holy Lands? how dare he appear before our eyes?”

“What’s there to be afraid of? don’t forget that this is the huangshen tomb. Patriarchs at the void training stage can’t enter.”

As soon as he finished speaking, countless gasps of shock were heard in the heavens and earth, including Luo Xiu and the others.

Luo Xiu took a deep breath and looked at Jiang Li with a serious expression. “Brother Jiang Li, is what you said true?”

“Do you think that the Holy maiden Tianxuan and I can kill fellow Daoists su mingchi so easily?” Jiang Li sneered.

“Brother Luo, fellow cultivators, I can prove that Jiang Li is telling the truth.” The Tianxuan Holy maiden said.

“Ye nankuang is in the huangshen tomb.” Jiang Li sighed. “I’m afraid only Huangfu Yu can match him.”

“Brother Jiang Li, I’m not trying to dampen your enthusiasm.”

Luo Xiu’s eyes flickered, “how do you know that ye nankuang will be enemies with Huangfu Yu?” What if the two of them join forces?”

Everyone fell silent.

Luo Xiu laughed to himself and said, “I have a suggestion. Why don’t we form an alliance? we can work together in the desolate God tomb. By then, whether we meet Huangfu Yu or ye nankuang, we won’t be in such a passive position.”

“An Alliance?”

Jiang Li and Holy maiden Tianxuan looked at each other. Then, the former seemed to realize something and said, “Alright, let’s form an alliance!!!”

“Brother Jiang Li, I believe you know that my uncle-master was killed by an external helper surnamed ye invited by Tianyuan trading company. I’m here for revenge,” Luo Xiu immediately said.

He paused and looked at Jiang Li and the others with burning eyes. “Therefore, I hope brother Jiang Li and the others can help me kill this man!”

Jiang Li frowned slightly. “I’ve heard about this. With brother Luo’s ability, it shouldn’t be difficult for you to kill this man. Why do you need us to do it?”

He didn’t want to be used as a weapon.

“Brother Jiang, you don’t know ...”

Luo Xiu immediately told him about ye Chen’s cheerful conversation with Huangfu Yu at the entrance of the huangshen tomb.

Hearing this, Jiang Li’s pupils shrank slightly, and then he said, “Fine, I’ll join forces with you to kill this person first ...”

“I’ll join you too ...” Holy maiden Tianxuan chuckled.

They were well aware of Huangfu Yu’s power. If anyone were to form an alliance with him, they would not be able to gain anything from the Huangshen tomb.

Especially Jiang Li, he thought to himself, “both of them are surnamed Ye. I can’t afford to offend Ye Nankuang. I don’t believe the other people surnamed Ye are as powerful as him!”

Chapter 1534: That saber is up to no good again!

In the Forbidden Zone of Yin Xu, demonic Qi filled the sky. It was as if the ultimate darkness had descended on the world and was going to turn the world into a purgatory.

In the endless demonic Qi, there were many demonic creatures venting their anger and roaring, as if they were wrapped in all the hatred and scenery of the world.

This was the Devil Earth, a forbidden zone for life.

In the middle of the demonic earth, there was a divine Hall. The divine Hall was grand and majestic, and its divine light reached the sky. It was majestic and majestic, like a god looking coldly at the demonic earth that was like a purgatory.

At this moment, in the temple, a giant ape covered in jade-green flames was lying on the ground. It seemed to be suppressed by its bloodline and was trembling.

In front of him, there was a mysterious creature standing proudly. “You’re saying that they eventually discovered the flaw in the seal of the desolate God tomb?”

This creature was like an ape and spoke the human language. Its entire body was covered in golden fur that shone with light.

Although its body was only five feet tall, it stood there with a disdainful aura, as if it could catch the stars and the moon.

If one looked closely, one would find a golden Toad lying on his shoulder. The Toad’s eyebrows were eager to try, as if it was unwilling to be lonely.

“Ancestor!”

The Jade Fire golden eyes ape that was prostrating on the ground nodded its head repeatedly. It immediately recounted everything that it had seen and heard in the Huangshen tomb. It did not dare to hide anything.

“This group of idiots!”

The mysterious being’s body suddenly emitted a golden light, and a ferocious aura gushed out from within. “Back then, old man Da Huang forcefully barged into the restricted area to challenge boss. Although he managed to escape by luck, he was definitely contaminated by the demonic earth. These idiots are actually thinking about his inheritance.”

“From the looks of it now, the desolate God tomb has probably been invaded by demonic Qi for a long time. By forcefully opening the seal, this group of idiots will only release the source of all evil.”

“By then, the entire YinXu will be covered by devil earth!!!”

At this point, the mysterious creature growled in a low voice. The Golden hair on its body stood up, and its eyes shot out Heavenly Divine fire as if it wanted to pierce through the void.

Feeling this power, the Jade Fire golden eyes ape on the ground trembled even more violently, as if it would collapse at any time.

At the crucial moment, the Golden Toad on the mysterious creature’s shoulder opened its mouth and said,““Second brother, if I’m not wrong, old man Da Huang must have been infected by the devil soil. These people are in for a bad time.”

“Hehe, yours truly is looking forward to the scene where a demonic corpse would suddenly jump out after these guys open old man Da Huang’s coffin.”

It grinned and laughed, as if it wanted the world to be in chaos. Then, it seemed to have thought of something,““Unfortunately, that ye guy is also inside. I hope he can escape this.”

“I’m more concerned about that Huangfu Yu. ”

The mysterious being’s eyes flickered and he said indifferently,““Boss once said that this guy’s bloodline is closest to that of Emperor Xuanyuan. He might be approved by Xuanyuan sword. Before entering secluded cultivation, boss told us to take good care of him.”

“Huangfu Yu?”

The Golden Toad pouted and said,““I don’t like that kid, but I like that ye guy ...”

Before it could finish its sentence, it felt the entire temple shake as if the sky was about to collapse.

“The devil earth is in turmoil again!”

The mysterious creature’s expression changed slightly. It then pierced through the void and flew out of the divine Hall. It stood proudly above the endless demonic Qi. The divine fire in its eyes surged as it stared at the demonic earth.

There was a faint roar of a peerless monster and a blade light that seemed to split the heavens and earth.

The saber ray was extremely bright, so bright that it was blinding.

“It’s that saber again!”

The Golden Toad’s expression was grave as it spoke,““Over the past few days, this saber has killed many terrifying existences in devil earth. It’s all thanks to it. Otherwise, it would be difficult for the two of us to resist it.”

“What kind of blade is that? It can even make the Xuanyuan sword let out a sword cry?”

The mysterious being's eyes were like two blazing Suns. "Third brother, you stay here and guard the Emperor's Tomb. I'll go to the Huangshen tomb. We must stop all of this."

"Don't, who am I going to chat with if you leave ..."

The Golden Toad was instantly displeased.

However, before it could finish its words, a gaze that was like a river of blood shot towards it, scaring it so much that it immediately swallowed the second half of its sentence.

The mysterious creature retracted its gaze and was about to hide in the demonic aura. However, at that moment, a figure slowly walked out from the endless black fog.

It was a young man in a green robe. He held a book in his hand and looked calm, like a weak scholar. He ignored the invasion of the demonic Qi.

"It's you again!"

The mysterious being immediately stopped, his eyes cold.

At the same time, countless golden bumps appeared on the Golden Toad's body as if it felt extremely threatened. "Second brother, quick, quickly call boss out!"

"Don't panic, you two."

"Wuhen has no ill intentions, he just wants the two of you to stay in the tomb," the young man said with a smile.

"You want to stop me from entering the desolate God tomb?"

The mysterious creature instantly saw through the former's purpose. "What's your purpose? Do you want to see the devil earth erode everything and destroy the only living space you have?"

"Naturally not."

"Wuhen just wants to verify a fact," the young man said calmly. "Who has better eyesight than Wuhen?"

Then, he looked into the tomb.

"Are you going to sit back and watch the fight between that ye and Huangfu Yu?"

The mysterious being's eyes flickered, "aren't you overestimating that ye fellow?" Huangfu Yu is a member of the eight Xuanyuan families and has the bloodline of the great emperor. He is the most likely to inherit the Xuanyuan sword and the great Emperor's inheritance."

"The Xuanyuan sword?"

The young man smiled faintly and calmly looked at the endless demonic Qi. "Is it as powerful as that knife?"

.....

At the same time, at the southeast corner of the Huangshen tomb.

In the desolated forest, a team of about ten people was currently moving forward in silence. The leader was a silver-haired young man.

The silver-haired young man walked at a moderate pace. Although his calm and unhurried temperament was extremely otherworldly, it made many people behind him cry out bitterly.

Ever since they entered the Huangshen tomb, they had already walked for hundreds of miles. However, that person did not say where they were going.

As if sensing their confusion, the silver-haired young man suddenly stopped and said, "If you all want to leave, then leave on your own. There's no need to follow me."

As soon as he said that, many people were secretly happy. Some people, due to the former's prestige, couldn't help but say, "Brother Yu, what about you?"

"I have my own place to go." The silver-haired youth said indifferently.

Seeing that he was unwilling to say more, the crowd immediately left, leaving only a woman behind. The woman was only in her early twenties, and she was extremely beautiful. She looked at the silver-haired youth with a hidden trace of love.

At this time, a graceful figure suddenly swept over from the distance.

Chapter 1535: The killing intent of rashu and the others!

The silver-haired young man waved his hand and brought the graceful figure over. The graceful figure then turned into a Jade slip in his hand.

"Ye Nankuang is suspected to have appeared in the Huangshen tomb. He and the southwest corner of the Huangshen tomb killed the Panwu Celestial Sect and the two great sons of deity of the Taichu Dojo. Everyone, be careful ..."

The silver-haired young man read the information in the Jade slip with a calm expression. "The four Holy Lands have formed an alliance to deal with me, Huangfu Yu. They even set up an inescapable net to kill the external helper surnamed Ye that Fang Ziyue invited ..."

"Fang Ziyue? The person surnamed Ye?"

Huangfu Yu's eyes flashed as he muttered.

After the woman beside him heard these words, she immediately said, "Brother Yu, Fang Ziyue is the person behind the person we were talking to at the entrance of the Huangshen tomb."

"It's her?"

Hearing this, Huangfu Yu's expression relaxed. Then, as if he had thought of something, he smiled, "So you're worried that that person will form an alliance with me, so you plan to deal with him first?"

"However, I'm afraid you've chosen the wrong opponent."

"I wish you good luck ..."

He smiled slightly, and the Jade slip in his hand immediately burned without fire.

.....

Near the northwest region of the Huangshen tomb, there was a huge, precipitous mountain. Many figures flickered and then spread out in an extremely orderly manner, quietly hiding in the void.

Indistinctly, a large formation seemed to have been set up in the surroundings, enveloping the entire giant mountain within it.

The many figures from before were hidden extremely well, and their auras were restrained to the lowest level. If there were outsiders present, they would definitely discover that these figures were all at the great circle of soul formation.

At this moment, the sky was getting dark, as if night was coming. The bone-piercing cold wind was wreaking havoc in the entire mountain.

“Be careful, we’re only here for the foreign aid that Fang Ziyue has invited. We’re not allowed to hurt her.”

In the empty void, a cold voice rang out, ““Otherwise, I won’t be responsible for the disaster that comes.”

“Don’t worry, Daoist Luo, we know what to do!”

Upon hearing this, many of the figures hidden in the void immediately nodded.

The void once again fell into a deathly silence.

“窸窣窸窣.....”

After a long time, two streams of light shot over from the distant sky. They were Fang Ziyue and Yun Xi, the disciple of the Tianxuan Holy Land.

Yun Xi held a spirit stone in his hand, replenishing his spirit energy as he said, ““Sister Ziyue, where are we going? Didn’t ye-qianbei tell us to wait for him?”

“To the Northwest.”

Fang Ziyue stepped on a cloud shuttle with fluttering ribbons, looking like a goddess descending to the mortal world, ““I’ve already left a message for senior ye. I believe that he’ll meet up with us once he sees it.”

The item that she had entered the desolate God tomb to find was in the Northwest corner of the tomb. How could she sit by and watch as time passed and Tianyuan trading company, Fang Chengwu, and the other branches got there before her?

“Oh!”

Yunxi acknowledged him and sized him up. She said, intentionally or otherwise, ““Sister Ziyue, who is that senior ye? he’s so powerful. Daoist Feng Yang is at the great circle of the soul formation stage, but he couldn’t resist senior ye at all.”

Ye Chen's methods had truly shocked her.

If not for the fact that void refinement realm cultivators were not allowed to enter the Huangshen tomb, she would have suspected that Ye Chen was a void refinement realm old monster.

Fang Ziyue's lips moved slightly, but just as she was about to speak, her beautiful eyes uncontrollably looked down at the huge mountain below.

Although the giant mountain below was extremely quiet, she didn't know why, but she felt a hint of danger.

She wasn't someone who had just come out of her thatched cottage. Over time, she had developed an extremely cautious intuition, which had saved her countless times.

Thinking of this, she paused and looked down again. She was extremely cautious and did not dare to go down.

Seeing that she had suddenly stopped, Yun Xi stopped as well and asked in confusion, "Sister Ziyue, what's wrong?"

At that moment, the sense of danger in Fang Ziyue's heart rose again. She immediately activated the cloud shuttle and said, "Not good, there's danger!"

"Attack!!!"

As soon as she finished speaking, a cold voice suddenly rang out in the silent void.

"Boom boom boom!"

In the next moment, countless light pillars shot up into the sky and turned into a light curtain, blocking the void where Fang Ziyue and the other man were.

"Bang!"

Fang Ziyue hit the light curtain heavily, but not only did she fail to shake the light curtain, but she was also shaken and almost fell down.

Yun Xi was shocked by the sudden scene.

"I wonder which fellow Daoists are making things difficult for us?"

Fang Ziyue took a deep breath and suppressed the panic in her heart. She looked at the void and said, "I'm Fang Ziyue from the purple Division of Tianyuan trading company. May I know which fellow Daoists are making things difficult for us?"

"Little sister Ziyue, don't be so agitated."

Then, a faint smile came from the void, and a dozen figures appeared in front of Fang Ziyue like ghosts.

The person who laughed was Fang Chengwu. Beside her stood Luo Xiu, Jiang Li, Tianxuan saintess, and the others.

The Tianxuan Holy maiden looked at Yun Xi, who was dumbfounded, and said coldly, "Yunxi, come over here!"

"Fang Chengwu, it's you guys!"

After seeing their faces clearly, Fang Ziyue felt relieved, but she still said coldly, "What's wrong? Could it be that you have no confidence in the assessment this time around and are trying to kill me in the desolate Divine tomb?"

If it was someone else who had trapped her, she might have been worried about her life, but it was a different story when she was Fang Chengwu.

Both of them were members of Tianyuan trading company, so they didn't dare to violate the rule of Tianyuan trading company that forbade self-harm.

After saying that, she glanced at Luo Xiu, Jiang Li, and the others coldly. Her expression changed slightly. "You guys really have a big team."

"Little sister Ziyue's words are wrong."

Fang Chengwu looked at her with a half-smile and said, "You and I are both members of Tianyuan trading company. Why would I kill you? I just wanted to play a game with you."

"A game?"

Fang Ziyue sneered, "do you think I'm a three-year-old kid?" Fang Chengwu, you've made such a big scene, so you must be using me to deal with someone. "

As soon as she finished speaking, a thought flashed through her mind. She looked at Fang Chengwu and asked, "So, you want to use me to deal with senior ye!!!"

Pa ... Pa ... Pa ..."

Rashu clapped as he looked at her and said, "Miss Fang, you're really smart. You've actually figured out our goal so quickly."

Fang Ziyue's face turned pale as soon as he finished speaking.

She didn't expect that what she was worried about from the beginning would happen.

Furthermore, Luo Xiu had actually allied with the divine Son of the great Jiang divine dynasty, as well as the Tianxuan saintess and many other forces.

Chapter 1536: Since I've said I'll protect you, I'll definitely protect you!

In the depths of the desolate God tomb, in the forest that was filled with danger.

"BOOM!"

As blood splattered and the void was torn apart, a figure bathed in golden light killed a giant python over 200 feet in size with a single palm strike.

The figure was ye chen.

Ye chen glanced at the Thunder Python on the ground. After removing its inner core and gallbladder, he looked around and his eyes flickered. "We've been searching for almost two hours, but we still can't find Fang Ziyue."

After he took the Dragon scale origin fruit and returned, he received a message from Fang Ziyue with his divine sense. He was told to go to the Northwest corner of the desolate God tomb to find her.

However, ye chen could not find Fang Ziyue after walking through the entire northwest corner. Not only that, but many of the people who had entered the huangshen tomb had also disappeared mysteriously.

"With Fang Ziyue's ability and status, no one will have any ideas about her unless it's the last resort."

With this in mind, ye chen immediately headed in another direction.

After he left, several figures gathered not far from his previous residence. They were all dressed in the same clothes and were obviously from the same force.

"Eh, why does that person look so familiar?"

One of the middle-aged men looked at ye Chen's back and said thoughtfully, "Why do I feel like I've seen this before?"

"Senior brother, your old habit of looking at everyone with familiarity has reappeared."

Beside the middle-aged man, a young man took a pill to replenish his Yuan Qi and complained, "It's said that there are as many treasures as the hair on a cow in the desolate God tomb. But we've been in here for almost four hours. Not to mention the hair, we haven't even seen bird shit."

"You know nothing!"

The middle-aged man glared at him and said, "Have you forgotten what Luo Xiu and great Jiang Divine Son Jiang Li said? Someone stole the treasure that they wanted, so they offered a reward of ten million for us to help them find that person."

"That's ten million spirit stones! If we get it, we'll still have some left even if we split it evenly."

At this point, the middle-aged man was extremely envious.

"But we need to have the ability to find that person!"

"Don't forget," the young man mumbled. "The person who can steal treasures from Divine Son Jiang Li and the others must be unimaginably powerful. Besides, didn't they say that Divine Son Jiang Li and the others captured miss Fang Ziyue and forced that person to show up ..."

Before he could finish his sentence, he suddenly found that the temperature in the space had suddenly cooled down, and his senior brother was staring behind him with his eyes wide open.

"What's wrong?"

The young man was stunned at first, then he seemed to realize something. He immediately turned around and saw a young Man in Black standing quietly behind him.

“Who ... Who are you?”

The young man was shocked at first, and then he was about to make a move, but he found that the young man was faster than him. He reached out his hand and grabbed his neck, lifting him in the air.

Ye Chen’s gaze was indifferent as he looked at the former. He said indifferently, “Did you just say that Jiang Li and the others captured Fang Ziyue?”

This time, everyone, including the middle-aged man, finally reacted. They looked at Ye Chen in shock and said, “You ... You’re the external helper that Miss Fang invited?”

“Don’t ... Don’t kill me ...”

The young man who was held in the air by Ye Chen was shocked to death. He immediately stuttered, “Divine Son Jiang Li and the others have indeed captured Miss Fang Ziyue, and they’ve spread the news that they want you to save her, or they’ll kill Miss Fang Ziyue.”

“Where is the location?” Ye Chen said.

“On ... On a huge mountain near the Northwest.”

“Bang!”

Ye Chen threw him away. His figure flickered and disappeared from the spot in an instant. His eyes were filled with murderous intent. “Jiang Li, I’ve spared your life twice. You really won’t die unless you seek death!”

.....

The desolate Divine Tomb was located on a huge mountain near the Northwest.

At this time, many people had gathered on the giant mountain. Many cultivators from all over the world had gathered here, and they all looked at the several figures in the void.

In the void, Jiang Li, Luo Xiu, Tianxuan Saintess, and the others stood proudly with cold faces and seemed to be impatient.

Fang Ziyue, on the other hand, was motionless, as if someone had done something to her body. She could not move at all, but there was a trace of worry in her slightly flickering beautiful eyes.

“It’s been two hours, and that Miss Fang’s external help still hasn’t arrived. Could it be that she’s too scared to come?”

“I guessed so too. After all, his opponents this time are Luo Xiu, Divine Son Jiang Li, and others. Both of them are outstanding talents of the younger generation.”

“In this generation, I’m afraid only Huangfu Yu and that Ye Nankuang are able to suppress them. Coincidentally, both of them are Chinese.”

“.....”

All sorts of discussions were going on in the crowd, but Luo Xiu and the others in the sky seemed to not have heard anything.

“Chi ...”

As the void trembled, Luo Xiu slowly stepped out. He glanced at the crowd below with his gloomy and sharp eyes, then looked at Jiang Li and the others and said, “Brother Jiang Li, it seems that this ye guy really doesn’t dare to come.”

“This result is not beyond my expectations.”

Jiang Li was calm and not disappointed at all. After all, Luo Xiu was the initiator of this matter. He was just going through the motions.

“What a cunning brat.”

Luo Xiu’s gaze turned cold as he sneered, “He’s lucky to have escaped this time. However, if he thinks he can rest easy, then he’s wrong. I’ll catch him sooner or later!”

After saying that, his eyes fell on Fang Ziyue, and he said with a faint smile, “Miss Fang, I don’t know if you’re lucky or unlucky. Fortunately, we didn’t have any intention of killing you from the beginning.”

“Unfortunately, the foreign aid you invited only cared about his own interests and did not consider your safety at all. How sad.”

He had sinister intentions. Seeing that he could not kill ye chen in one go, he came up with another plan, trying to sow discord between ye chen and Fang Ziyue.

In this way, when he met ye chen again, Fang Ziyue would definitely not come out to help ye chen.

“Surnamed Luo, you don’t have to sow discord like this.”

However, Fang Ziyue saw through his thoughts and sneered, “In the end, I don’t have much of a friendship with senior ye. At most, we have an employer-employee relationship. It’s understandable that he didn’t come to save me.”

“I can only say that your wishful thinking has failed.”

When she said this, she seemed to be gloating.

Luo Xiu frowned. Just as he was about to remove the seal in Fang Ziyue’s body, a golden rainbow suddenly shot from the distant sky.

Wherever he passed, he brought up Thunder and exploded the void, as if he had triggered the wrath of the heavens and the resentment of the people.

At the same time, an indifferent voice reverberated in the air, “This ye has always kept his promises when doing things. Since I said to protect you, then I will definitely protect you!”

Chapter 1537: Do you think you deserve to die?

“Senior ye?!!”

Hearing the familiar voice, Fang Ziyue's pretty face was stunned, and her beautiful eyes were filled with disbelief.

"They've finally come?"

At that moment, everyone on the ground, as well as Luo Xiu, Jiang Li, and the others in the sky, all looked at the Golden rainbow in the sky.

Under everyone's gaze, a young man with black hair and black eyes, wearing a black robe with dragon patterns, stepped in the air with his hands behind his back.

The young man's eyes were bright and filled with killing intent. No one dared to look him in the eye.

"Why is he here?"

After seeing the young man's face clearly, Jiang Li and the Tianxuan saintess' expressions changed drastically as if they had seen a ghost.

The two of them were extremely familiar with that god-like figure.

During the trip to Tianyuan city, if they had not surrendered in time and ye chen was not in the mood to kill, they would not have been able to survive.

Just two hours ago, it was also this figure who had descended from the sky and killed su mingchi from the panwu celestial sect and the Taichu Daoist sect in front of everyone.

"He ... He's miss Fang's helper?"

Jiang Li, in particular, was so shocked that he almost shouted, "Isn't he ... Ye nankuang? How did he become miss Fang's external help?"

"He's the external helper that miss Fang invited?"

"He's here. I didn't expect this person to really come!"

"Has this person gone crazy? Doesn't he know that an inescapable net has been set up here, and Luo Xiu, Divine Son Jiang Li, and the others are going to join forces to deal with him?"

The moment ye chen appeared ...

Countless gazes immediately gathered on him, and many people's eyes were filled with disbelief.

With ye Chen's appearance, Luo Xiu, who was already disappointed, immediately revealed a look of ecstasy. "Surnamed ye, I didn't think you would really come. I have to say, I admire your courage."

"Senior ye, quickly leave!"

Fang Ziyue's eyes turned red after she came back to her senses. She was touched and could not help but urge, "They won't kill me. Leave quickly and don't worry about me."

She did not expect ye chen to be willing to take such a big risk to save her despite knowing that there were Tigers in the mountains.

How could she not be touched by this?

“Where should we go?”

“Don’t worry, I’ll let you die a quick death on account of your courage.”

Luo Xiu sneered and crushed a jade talisman in his hand.

“BOOM!”

With a series of loud explosions, the void trembled continuously. The endless power of the formation was activated at that moment and turned into a huge energy light shield that enveloped the entire mountain.

“Ye, this is the method I prepared for you.”

Luo Xiu looked at ye chen with a ferocious expression. “Are you satisfied? To be able to make us go through so much trouble for you, even if you die, you will have no regrets!”

“Are you done?”

“Since you’re done, go to hell!” Ye chen looked at him coldly.

“Arrogant!!!”

Luo Xiu’s eyes turned cold. He raised his hand and grabbed at the void. A long sword that was wrapped in a monstrous murderous aura appeared in his hand.

As soon as the long sword appeared, it released an extremely dense baleful yin force that devoured all the air in the surrounding area, causing the temperature to drop by dozens of degrees in an instant.

It was obvious that this was a high-grade magic treasure.

“Black nether sword!”

Someone seemed to have thought of something and immediately cried out in shock, “This is Tian Xie Zi’s primordial soul treasure, the dark nether sword. I didn’t think that Tian Xie Zi would give it to Luo Xiu!”

As soon as he finished speaking, the world was in an uproar.

An essence soul treasure!

That’s an item exclusive to old monsters at the void training stage!

He did not expect that it would end up in Luo Xiu’s hands. It was clear how much Tian Xie Zi doted on Luo Xiu.

With this sword, no one below the void training stage could fight against Luo Xiu. Even Jiang Li and the others would have to avoid it, right?

“Ye, go to hell!”

Luo Xiu laughed maniacally. He urged the black nether sword to take a step forward, and the void around him instantly turned into a black storm. It was formed by the condensation of baleful Yin Qi, and it was like a black hole that wanted to devour everything.

“Die!”

Luo Xiu wielded the black nether sword with all his might and ruthlessly slashed at ye Chen’s head. He wanted to kill ye chen in one blow!

This was the only way to intimidate the others!

However, to his horror, ye chen did not Dodge the sword. Instead, he extended his fingers and used two fingers to block the tip of the black nether sword.

No matter how hard he tried, he couldn’t move it at all.

“How is this possible?!!”

At that moment, rashu’s eyes widened as if he had seen something unbelievable. For some reason, he suddenly had a bad feeling.

“The sword is good, but it’s a pity that you’re too useless!”

Ye Chen’s eyes were sharp as a knife. With a light flick of his finger, a peerless saber ray whizzed out and landed heavily on Luo Xiu’s body.

“Ah!”

“Arghh!” Luo Xiu screamed and was sent flying. His arms were cut off and his voice was extremely mournful.

The world trembled.

At that moment, everyone was dumbfounded.

Luo Xiu, who was holding a primordial spirit treasure, had been severely injured by ye chen in one blow?

No one was more shocked than Fang Ziyue.

She was well aware of Luo Xiu’s strength. He was said to be able to fight against an early void refinement realm expert. Even though it was exaggerated, he was not far from that level. However, even with the help of the black nether sword, he still suffered such a crushing defeat?

“Impossible, this is impossible!”

Luo Xiu, who had stabilized his body, had both of his arms broken. Blood flowed freely, and his expression was extremely crazed, as if he had been provoked.

Before this, he had thought that it would be easy for him to kill a nobody like ye chen. He did not expect to experience such a blow. How could he accept this?

Rashu’s hair was flying in the air and his eyes were red. He roared, “Brother Luo, Chengwu Fang, Tianxuan saintess, what are you guys doing?”

Just as he finished speaking, he suddenly felt two bone-piercing killing intents coming from behind him.

He turned around and saw Jiang Li and the Tianxuan saintess attacking him together. Their killing intent was extremely strong.

Seeing this, Fang Chengwu, who had been watching from the side, was shocked. "Jiang Li, are you crazy?!"

Jiang Li and Luo Xiu had invited help from Luo Xiu, but now they turned against Luo Xiu and joined forces to kill him!

Everyone's jaws dropped.

Under everyone's gaze, a Golden Pagoda appeared above Jiang Li's head, and his killing intent rushed toward Luo Xiu. "Brother Luo, you almost caused us to be consigned to eternal damnation. You really deserve to die!"

"Why?" Rashu roared.

Holy maiden Tianxuan's Red caltrop swept out like a red snake. "Why? You idiot, how dare you offend ye nankuang, fellow Daoist ye? you even tricked us into joining hands with you to fight against fellow Daoist ye!"

"You tell me, do you deserve to die?!"

Chapter 1538: The secret of the past, the seal of the great emperor!

Ye nankuang?

After the voice of the heavenly Jade saintess reverberated in the void, the world suddenly fell into a brief dead silence.

Countless people were dumbstruck.

"Ye nankuang ..."

Fang Ziyue was stunned at first, but then she suddenly reacted, her pretty face full of shock, "Ye ... Senior ye is ye ... Ye nankuang?!"

At that moment, countless people in the sky and on the ground paled.

Ye nankuang!

Even in the depths of the Ruins of Yin, these three words still reverberated like thunder in one's ears. He was the person who broke through the Taichu dojo and even fought with the divine sense of heavenly venerate Taichu!

Ever since ye chen had returned to earth, someone had calculated that the number of soul formation cultivators who had died at his hands was uncountable. Among them, there was no lack of people at the great circle of soul formation.

However, the man standing in front of them was ye nankuang!

How could they not be shocked?

Luo Xiu's entire body trembled a few times. When he looked at ye chen again, his eyes were filled with shock."You ... You're ye nankuang?!!"

"How is this possible?!!"

"Impossible, this is simply impossible!!!"

He seemed to have gone crazy, his eyes trembling.

He had always regarded ye chen as an unknown person. How could he have known that ye chen was the famous God of Slaughter! Ye nankuang, who had shaken the entire Yinxu?

If he had known that this would happen, he would not have dared to take revenge on ye chen even if his master and father had died, let alone his master.

"Escape! I must escape!!!"

At that moment, a thought suddenly flashed in his mind. Then, without any hesitation, he retreated with a panicked expression.

Although he was confident in his own strength, he was not so sure that he was ye Chen's opponent.

As he retreated, he spat out a mouthful of blood. He used the blood escape technique without hesitation and turned into a bloody shadow, shooting away at an unimaginable speed.

This blood escape art was extremely fast, it was actually several times faster than the speed of lightning. In the blink of an eye, it had swept over a hundred miles away.

"You think you can escape?"

Ye chen took a step forward, and the void under his feet rippled. His figure instantly disappeared into the void, faster than the blood shadow by three times.

It was the earth shrinking.

When ye Chen's figure appeared in front of the bloody shadow, he reached out his palm almost at the same time and slapped it hard at the bloody shadow.

As the palm fell, there was an earth-shattering boom and a terrifying storm formed in the void.

"Waa ..."

Luo Xiu screamed as the blood shadow on the surface of his body collapsed on the spot. He was extremely shocked.

He had obtained this movement technique from an ancient cultivation cave. It was extremely profound. It could be said that by sacrificing one's own blood essence as the price, even an early void refinement realm being would have a hard time catching up to him.

However, ye nankuang had caught up with him in an instant. He was so scared that he used blood essence escape again.

At this moment, his body was wrapped in a thick layer of blood mist. From a distance, he looked like a red sun falling at an extremely fast speed.

However, in the next moment, ye Chen's figure appeared in front of him again. His palm fell, directly shattering the void and landing on his body.

"BOOM!!!"

Luo Xiu's entire body fell heavily from the void, flattening a mountain peak. His body was like broken glass, riddled with holes, and shocking blood sprayed out.

Ye Chen's figure landed quietly, looking at him coldly.

"Pfft!"

Luo Xiu spat out a mouthful of blood. He looked at ye Chen with a trembling gaze. "Ye Nankuang, I didn't know it was you at first. Let me go. As long as you let me go, I swear I'll never mess with you again."

If it had been anyone else, ye Chen's attack would have been reduced to dust. Fortunately, he had a treasured armor in his body that had offset most of the power.

"Hand over the soul blood and I'll spare your life!" Ye Chen said calmly.

Rashu's expression changed slightly. "Impossible! I, Rashu, was born extraordinary. How could I let others control my life and death?!"

He knew very well that once he handed over the soul blood, he would be ye Chen's slave from now on. Ye Chen could take his life in an instant.

"Is that so?"

Ye Chen held his fingers together like a sword. Immediately, endless sword gleams surged out and transformed into a peerless celestial sword that suddenly slashed toward Luo Xiu.

At that moment, Rashu's eyes were filled with shock. It was the first time he felt the aura of death at such a close distance. He could not help but say, "I'm willing to submit, I'm willing to submit!"

As soon as he finished speaking, the terrifying killing intent disappeared completely, and the previous terrifying power also disappeared.

"Congratulations on saving your life."

"Hand over your soul blood," ye Chen said indifferently.

Luo Xiu collapsed to the ground, his entire body drenched in cold sweat. He smiled bitterly and said, "To tell you the truth, I've already given my soul blood to my master ..."

Ye Chen's eyes flickered as if he did not believe her. Then, he pointed a finger between the former's brows and poured his divine consciousness into it like a flood. After a moment, he could not help but look at the former again and said, "Your master is controlling your soul blood?"

"My master doesn't trust anyone!"

Luo Xiu smiled bitterly. "He had many disciples before me, but I was the only one who survived. He took my soul blood before I could. His purpose was to make me loyal to him."

"It's fine!"

Ye Chen suddenly smiled. "I have a technique that can control you without taking your soul blood. Just relax your mind and don't resist. If you have the slightest evil thoughts, your soul will be scattered in an instant, and your body and Dao will disappear."

After he finished speaking, he formed a strange seal and placed it on Luo Xiu's forehead. It formed a curse seal that could restrict one's soul.

Almost at that moment, Luo Xiu felt as if his life no longer belonged to him. It was as if Ye Chen could kill him with a single thought.

Thinking of this, he became more and more shocked and did not dare to have any unrealistic thoughts.

After taking control of it, Ye Chen stood with his hands behind his back and looked around. "Now, tell me the true purpose of your visit to the desolate God tomb."

Based on his understanding of this person, it didn't seem like he was just helping Fang Chengwu win the championship. He must have an ulterior motive.

Rashu didn't dare to hide anything and said in a deep voice, "I'm here on master's orders to search for the seal of the great sovereign in the Huangshen tomb,"

"Seal of the great emperor?" Ye Chen frowned.

As if sensing his doubts, Rashu hurriedly explained, "Back then, when old man Da Huang charged into the Forbidden Zone, he actually stole an extremely important item from the Emperor's Tomb."

"This item was left by Emperor Xuanyuan before he stepped into the heavenly road. Together with Xuanyuan sword, it's known as the token of Emperor Xuanyuan. As long as you get the two items, you will be able to control the entire Yin Xu ..."

"Or even open the legendary path to heaven ..."

Chapter 1539: Fellow Daoist ye, this is a misunderstanding!

"So this token is the seal of the great emperor?"

Ye Chen's eyes flashed when he heard this. He did not expect that the Huangshen tomb would hide such a secret.

Additionally, he had not imagined that Emperor Xuanyuan had left so many tricks before stepping into the heavenly road.

"Not bad!"

"Tianyuan trading company is also here for the seal of the great emperor. They naively think that they are the only ones who know the secret ..." Luo Xiu said respectfully.

As he said this, he seemed to have thought of something and said, "Master, you may not know this, but the monarch tomb in the Forbidden Zone is about to open. The divine weapon of the monarch, the Xuanyuan sword, is in there. It's said that as long as one obtains the seal of the monarch, there's a chance to be recognized by the Xuanyuan sword."

"It seems that Tianyuan trading company and the other forces have the same purpose. They want to get the seal of the great emperor and Xuanyuan sword so as to control the layout of Emperor Xuanyuan at that time."

"This way, I'll be able to get close to the immortal soul and immortal body that's being suppressed ..." Ye Chen's eyes sparkled.

Thinking of this, he couldn't help but look at rashu, "Go, pretend you've escaped from me and hide in Yinxu for now. Help me at the critical moment."

This was the reason why he had kept Luo Xiu around. This person was quite talented and he had Tian Xie Zi, who was his enemy, backing him up. He could be considered a chess piece if he stayed behind.

"Alright!"

Luo Xiu immediately understood ye Chen's goal and no longer hesitated. He pounded his chest and once again used blood escape to fly toward the sky.

After watching him leave, ye chen looked around and erased any traces before rushing toward the giant mountain.

.....

On the giant mountain, everyone looked up in anticipation. Their eyes were fixed in the direction ye chen and Luo Xiu had left in, and the sound of discussion was endless.

In the void, Fang Ziyue, Jiang Li, and the others had complicated expressions. They were silent, apparently still in shock.

Only Fang Chengwu's heart was in turmoil, worried about the gains and losses.

He was the one who had invited Luo Xiu. At the same time, he had also participated in the operation against ye chen. Now that ye Chen's identity had been exposed, he could not help but worry about whether Luo Xiu would vent his anger on him.

A moment later, Fang Ziyue looked at Jiang Li and the others, "Jiang Shenzi, how did you know senior ye's identity?"

She was extremely puzzled. Since Jiang Li and the others knew ye Chen's identity, why did they promise Luo Xiu to capture him and force ye chen to come?

This was a little contradictory no matter how one looked at it.

Jiang Li looked at her and smiled bitterly. "Miss Fang, you may not know this, but before this, we didn't know that the helper you invited was ye nankuang ..."

With that, he immediately told her about the matter of the Tianyuan city's great void Soaring Dragon pill.

After listening, Fang Ziyue's beautiful eyes widened, "So that void Soaring Dragon pill was taken by senior ye, and Hongya was also killed by senior ye."

"Then it seems that senior ye is indeed ye nankuang."

Fang Ziyue took a deep breath and said slowly, "Actually, I should have guessed it long ago. Both of them are surnamed ye, and their combat strength is extremely terrifying ..."

"I wonder if rashu managed to escape."

Jiang Li looked at the sky and said worriedly, "If we let him escape, wouldn't we become fellow Daoist ye's target to vent his anger on?"

As soon as he said that, the expressions of the Tianxuan saintess and Fang Chengwu changed.

Fang Chengwu rolled his eyes, then walked up to Fang Ziyue and smiled, "Little sister Ziyue, I was in the wrong before. I hope you don't take it to heart."

"What's wrong? I didn't think that there would be a time when cousin would admit defeat. "

Fang Ziyue sneered, "weren't you quite capable before?" Just because you have rashu, you don't put anyone in your eyes, but now you know fear?"

Fang Chengwu's smile froze. She was secretly angry, but she still forced a smile and said, "I admit that I was in the wrong before, but that was also because I was bewitched by Luo Xiu. I hope that sister Ziyue can help me plead for fellow Daoist ye."

He gritted his teeth and said, "as long as sister Ziyue intercedes for me, the orange lineage is willing to give up on the huangshen tomb and help Sister Ziyue at the same time."

Hearing this, Fang Ziyue's expression changed, obviously not expecting the former to be willing to make such a big compromise.

She laughed coldly to herself, but she still said without changing her expression, "You think too highly of me. If senior ye really wants to make things difficult for you, it's useless no matter what I say."

"I believe in little sister Ziyue." Fang Chengwu laughed in embarrassment, but her eyes were sharp.

After a while, a golden rainbow that reached the sky shot over and ye Chen's face was revealed.

However, this time, no one dared to speak. Countless eyes were looking at him with fear, as if they were looking up to a God.

Seeing that ye chen had returned alone, Jiang Li and the others 'hearts sank. Fang Ziyue went up to him and said, "Ye-qianbei, Luo Xiu ...?"

"This person's escape technique is extremely shocking. He managed to escape!" Ye chen said calmly.

As soon as he said that, there was an uproar between heaven and earth. Jiang Li and the others turned pale.

“Plop!”

With two loud bangs, Jiang Li knelt heavily in front of ye chen and said bitterly, “Fellow Daoist ye, I didn’t know that the person I was going to deal with was you. Please forgive me.”

Fellow Daoist ye, if we knew it was you, we wouldn’t have dared to accept Luo Xiu’s invitation even if we had ten times the courage.” After what had happened last time, Holy maiden Tianxuan had become more honest.

Ye chen looked at the two of them coldly before his gaze finally landed on Fang Chengwu. His sharp gaze caused the latter to shiver.

Fang Chengwu’s lips trembled as she noticed his unfriendly gaze. “Fellow ... Fellow Daoist ye, this is a ... A misunderstanding ...”

He knew very well that if he dared to say no today, it was very likely that he would be beheaded here. After all, the person in front of him had killed many divine sons of Holy Lands in succession.

“Senior ye, please do me a favor ...” Fang Ziyue’s Red lips were slightly pursed, trying to speak up for Fang Chengwu.

“Pfft!”

Suddenly, she felt a flash in front of her eyes, as if a bright blade light had flashed in front of her.

Then, Fang Chengwu’s eyes widened and he covered his neck with his hands. He looked at ye chen in disbelief. “You ... You ...”

“Plop!”

Before he could finish his sentence, his head was suddenly separated from his body. Even though he was dead, his eyes were still wide open, as if he had died with grievances.

He did not expect ye chen to really dare to kill him.

On the other hand, ye Chen’s saber attack had destroyed his astral body as well. It could be said that his soul had been scattered.

At that moment, the world fell into a dead silence.

Countless people looked at this scene in disbelief.

Jiang Li and Holy maiden Tianxuan were the most shocked.

Fang Ziyue’s body stiffened as if she had been scared silly. After all, Fang Chengwu was a member of Tianyuan trading company.

Ye chen looked at Fang Ziyue with a calm expression. “What did you just say?”

Chapter 1540: arriving at desolate God Palace!

Then, a bolt of lightning flashed across the sky.

In the vast, desolate wasteland, there was an ancient palace that was completely exposed to the world.

The palace was like an ancient ruin and was extremely huge. As far as the eye could see, the magnificent tower was like a secluded immortal mansion, full of ancient aura.

Several figures stood less than a thousand feet away from the palace.

“Senior ye, that’s the desolate God Palace!”

Fang Ziyue looked into the distance and said in shock, “Before old man Da Huang died, he built the desolate God tomb and turned his tomb into a Celestial Palace. He even named it the desolate God Palace!”

Not only her, but even the Tianxuan saintess, Jiang Li, and the others, who were following far behind, were also shocked by the existence of the immortal mansion.

“It’s indeed something that only dujie-stage cultivators can do. ”

Ye chen relied on his powerful divine sense to see a lot, including the profound array set up around old man Da Huang’s desolate God Palace.

Unfortunately, with the passage of time, the array was already at the critical point of collapse.

“Let’s go!”

He took in a deep breath before leading the group towards the desolate God Palace in the distance. Everywhere they passed by, there were only 10000 feet tall mountains and strange rocks.

Behind them, there were more than a dozen figures of various sizes following closely behind. Clearly, they were from the forces that had entered the desolate God tomb before them.

When ye Chen’s figure landed outside the desolate God Palace, the first thing that entered his eyes was a huge stone door. The stone door was once engraved with complex and mysterious runes.

Even though many of the runes on it had decayed with the passage of time, ye chen could still feel some traces.

“Sealing devil spell?”

Ye chen frowned slightly. Under the traces of the decaying runes, he could sense a trace of energy that belonged to the sealing demon spell.

“Why would old man Da Huang inscribe the sealing demon spell on his own tomb?”

Ye Chen’s eyes flickered when he connected the dots to the origin of the devil earth. He then realized that the stone door had been opened in advance, revealing a gap that allowed people to pass through.

“It seems like someone has gotten there first!” Fang Ziyue was a little disappointed.

“Let’s go,” he said.

Ye chen was the first to enter the stone door, and Fang Ziyue quickly followed.

As soon as they stepped through the stone door, the light suddenly dimmed. They walked along the passage and found that the passage seemed to lead to the underground, with too many forks and chaotic tunnels.

If it had been anyone else, they would have been embarrassed by this complicated terrain. However, with ye Chen's divine sense, this was not a problem.

When ye chen had chosen a passage and was about to reach the end, he noticed that there were many fresh footprints on the ground.

After noticing this detail, Fang Ziyue furrowed her brows and said, "Did someone really get in before us?"

"Let's see!"

Ye Chen's expression did not change. He continued to walk forward and saw what seemed to be a spacious hall. At this moment, many people had already gathered in the hall.

"Senior ye, look." Fang Ziyue suddenly exclaimed.

Ye chen looked up and saw a huge body standing on the ground in the hall. It looked like a ferocious beast but there was no vitality in its body. However, there were faint fluctuations of the power of an array on the surface of its body.

"A puppet?"

Ye Chen's eyes flashed. He could tell at a glance that the former was a runic puppet. Unfortunately, the runic fluctuations on it had long since dimmed.

At this moment, the people in the hall were in a state of mutual hostility, clearly fighting for the puppet.

As ye Chen's group arrived, they immediately attracted many gazes. However, there were warnings and threats among them.

"It's miss Fang of Tianyuan trading company. "

The leading skinny old man's pupils contracted slightly when he saw Fang Ziyue, and he said, "Miss Fang, I am from the yin demon sect. Please help me take this puppet. My Yin demon sect will definitely reward you handsomely!"

As soon as he said that, the rest of the People's expressions changed slightly. They obviously did not expect the old man to be so shameless as to drag Fang Ziyue into this.

Almost at the same time, the other silver-haired old woman hurriedly said, "Miss Fang, I'm a member of the yunyue sect. Please help my yunyue sect ..."

The rest of the people started to invite him one after another. After all, both sides were evenly matched, and if Fang Ziyue and her group were to join in, they would definitely be the last straw.

In the face of such a situation, although Fang Ziyue was very tempted by the puppet, she did not express her opinion. Instead, she looked at ye chen as if she was consulting him.

Ye chen did not say a word and calmly walked into the crowd. The crowd could not figure out his purpose and frowned but did not dare to make a move.

“Swish!”

Under everyone’s gaze, ye chen waved his sleeve nonchalantly and put the puppet that everyone was fighting for into his bag. Then, he continued to move forward.

“Good boy, the thing that we’ve been fighting for half a day was taken away by you so easily!!!”

His action completely infuriated the crowd.

Ye Chen’s actions were simply too outrageous. He had completely ignored everyone present.

“You’re looking for death!”

An old man with drooping hair had a fierce look in his eyes. He could not help but attack ye chen first. His big hand suddenly shot out, aiming for ye Chen’s head.

However, ye chen did not seem to notice this scene behind him and continued to walk forward without looking back.

“Little ...” Fang Ziyue was about to remind him.

However, he found that the old man with drooping hair suddenly screamed and fell from the sky, dead on the spot.

This sudden scene shocked everyone.

A cultivator at the great circle of the soul formation stage had died just like that?

It was too strange!

In an instant, many people once again looked at ye Chen’s back with fear in their eyes. They began to realize that the former was not as simple as they had imagined.

“Fellow Daoist, please leave the puppet behind,” someone could not help but say.

The person who spoke was the yin demon sect elder from before.

At this moment, his eyes were fixed on ye chen. His brows were filled with unwillingness. That puppet seemed to be a void training stage puppet. Although the runes on it had been corroded, if it was repaired and equipped with spirit stones, it could exert a combat power comparable to a void training stage puppet.

Ye chen did not seem to hear his words.

“What an arrogant afterlife!”

The yin demon sect elder was furious. He waved his arm and the yin Qi in his body suddenly increased. Then, five blood-red phantoms carrying a mountain rushed toward ye chen.

“Five Ghosts move the mountain?”

Seeing this, everyone, including Fang Ziyue, was shocked. Apparently, they didn't expect the former to use the yin demon sect's most powerful technique, The Five Ghosts mountain moving technique.

This Five Ghosts move mountains technique was an evil technique. It required five boys and girls born at the four Yin stage to be cultivated. Then, they were nurtured with a special secret technique. Not only were they fierce, but they also had infinite strength.

This was also the reason why no one dared to underestimate or provoke the yin demon sect even though they didn't have any void training cultivators.
