

## Genius 1551

### Chapter 1551

Lin Mo sent a message to Tiger, telling him the exact location.

In less than ten minutes, a car drove into the courtyard.

Several people got out of the car, and the leader, was none other than Tiger.

And next to Tiger, followed by two people, was none other than Ma Tiancheng and his wife.

Ma Tiancheng and his wife looked a bit embarra\*sed, especially Ma Tiancheng's wife Li Ying.

Tiger had run to the provincial capital and said that Lin Mo wanted them both to help out with something.

The two of them originally did not know what the situation was, but they followed the tiger immediately as Lin Mo instructed them to do so.

However, as they got closer and closer to Fangchuan County, the two of them felt that something was wrong.

Ever since they entered Fangchuan County, Tiger had taken away the couple's mobile phones.

This time, they were absolutely sure that something had happened in Fangchuan County.

If they could get Lin Mo to come out personally, it must be a big deal!

The two of them were so apprehensive that Li Ying wanted to contact Li Shun, but they couldn't find a chance.

After getting out of the car, the two of them saw the broken gla\*s outside the private room and the 20-odd hooligans standing in the courtyard.

Even if they were fools, they knew something was wrong.

Ma Tiancheng gave a wink to Li Ying, wanting her to go and inform those people.

Li Ying was just about to leave, but was stopped directly by Tiger.

"Brother Ma, sister-in-law, Mr. Lin is in the house."

"Come on, let's go in first, don't keep Mr. Lin waiting!"

Tiger said with a leathery smile, mainly stopping Li Ying so that she couldn't ventilate.

Li Ying and Ma Tiancheng looked at each other, and the two of them had no choice but to follow Tiger into the private room.

The thugs outside didn't stop them at all.

These people, although they were all following Li Shun, they had not seen Ma Tiancheng and Li Ying, nor did they know what these people's identities were!

Seeing these three people enter the private room, those landlubbers called Li Shun instead, saying that Lin Mo's side had found helpers.

When Ma Tiancheng and Li Ying entered the private room, they saw the chaotic scene inside the room and their faces turned ugly.

As soon as he entered, Ma Tiancheng immediately fell to his knees, "Mr. Lin, I'm really sorry, I didn't educate this kid properly."

"I ..... will have that son of a b\*tch, Li Shun, come over and kowtow to you and apologise."

"As long as you can take your anger off, you can kill or cut him!"

Next to him, Rat and Liu Bo listened in awe.

Li Shun, that was a bully in Fangchuan County.

Who was this man?

Who was this man? He came up here and was shouting for Li Shun to come and kowtow and beg for mercy?

Li Shun would listen to him?

Lin Mo smiled faintly, "Boss Ma, what's the hurry?"

"It's been a long journey, hasn't it?"

"Come, sit down and have something to eat first."

"Tiger, prepare bowls and chopsticks for Boss Ma and and Madam Ma!"

Tiger immediately nodded, "Yes!"

He took two sets of bowls and chopsticks, set them on the table and smiled, "Brother Ma, sister-in-law, sit down."

This polite look from Lin Mo caused Ma Tiancheng and Li Ying to panic even more in their hearts.

Although the two of them didn't know what had happened, when it came to this point, Li Shun had definitely gotten into big trouble this time.

Ma Tiancheng glared at Li Ying indignantly, but did not dare to disobey Lin Mo and could only obediently sit down at the table.

"Eat!"

Lin Mo laughed.

Ma Tiancheng chuckled some dishes, but right now, how could he be in the mood to eat?

After casually stuffing a few bites, Ma Tiancheng once again looked at Lin Mo and said with a pleading voice, "Master Lin, this kid, Li Shun, has just been spoiled by his sister."

"I don't know exactly what's going on either."

"But, don't worry, no matter what you want to do with this brat, I will absolutely support you!"

"How about I let him come over and kneel here first?"

Li Ying blushed miserably and quietly glared at Ma Tiancheng, gesturing for him to plead with Lin Mo.

Ma Tiancheng almost didn't die of anger, if Lin Mo wasn't here, Ma Tiancheng would have slapped him long ago.

Now it was hard to say if he could keep his own life, and he was still pleading for your brother's mercy?

## **Chapter 1552**

Since Lin Mo had re-defined the top ten families in Guangdong Province, Ma Tiancheng knew that Lin Mo had completely taken control of the province.

Under such circumstances, Ma Tiancheng, in Lin Mo's eyes, was just an ant, so how could he be qualified to plead with Lin Mo!

Lin Mo still smiled lightly: "Aiya, what's the hurry?"

"There's a good show coming up here, don't spoil the atmosphere."

"Come on, let's eat first, we'll wait for the good show later."

Ma Tiancheng and Li Ying were sitting here on pins and needles.

With their phones taken away and sitting in front of Lin Mo, the two of them didn't even have the possibility to report the news, they could only listen to God.

.....

Li Shun ran back to the teahouse and immediately had his men go and gather their men.

Wang Jichun is sitting on the ground floor, he did not go to the hotel, because he is in charge of the reception thing.

When he saw Li Shun return, he immediately greeted him, "Master Li, the situation is a bit off."

"Just now, Big Sister sent a message saying that they have arrived near Fangchuan County."

"But, for a while, Big Sister didn't send any more messages."

"I called and no one answered either."

"I don't even know where to arrange to meet them!"

Li Shun was getting annoyed, and upon hearing this, he said angrily straight away, "Forget it if no one picks up."

"D\*mn it, I don't believe it, what big shot is there that can compare to the top ten families in Su Province?"

"You don't need to prepare, gather everyone back immediately!"

"D\*mn it, I have to get this outsider to death today!"

Wang Jichun froze and whispered, "Master Li, this is what Big Sister personally instructed ....."

Li Shun said angrily, "So what?"

"She ordered something and she didn't answer the phone, so how can you blame me for that?"

Wang Jichun didn't dare to speak again.

At this moment, the henchmen from the hotel side also called.

When Li Shun heard it, he was even more annoyed: "D\*mn, how dare you call someone?"

"Heh, I just don't believe it, in this mu of Fangchuan County, who can compete with me for more people?"

"Chunzi, call more people for me."

"D\*mn it, today I'm going to show these outsiders, the might of my Crown Prince of Guang Province!"

Wang Jichun hurriedly followed the Crown Prince's instructions and went out to arrange the men once again.

It didn't take long for Wang Jichun to gather a large number of men.

With these men, Li Shun rushed over to the hotel in an aggressive manner.

This time, Li Shun brought at least hundreds of people with him, surrounding the entire hotel in the middle, even the inside of the courtyard was full.

Seeing the scene outside, Ma Tiancheng was only scared to the point of cold sweat.

He finally knew how big this incident had become.

Li Shun had called so many people here to kill Lin Mo!

When something like this happened, was Li Shun not seeking his own death?

Ma Tiancheng directly slapped the table, "D\*mn, this son of a b\*tch, he's got some nerve, how dare he rush Master Lin!"

"Master Lin, wait a moment, I'll have him come in now and kneel and kowtow to you!"

Ma Tiancheng finished speaking and got up to leave, but was pressed by Lin Mo on his shoulder.

"Boss Ma, don't be in a hurry."

“You sit here for a while, the good show will start soon!”

Lin Mo finished speaking and walked straight out of the private room with his hands behind his back.

Ma Tiancheng and Li Ying looked at each other, the two of them were now extremely apprehensive.

The more Lin Mo didn't let them both go out, the more it meant that this time things were in trouble!

After Li Shun brought the men in, he didn't pay attention to the situation in the private room, let alone seeing Ma Tiancheng and Li Ying sitting inside.

Of course, Tiger was now deliberately standing in front of these two, blocking these two from Li Shun's sight.

When he saw Lin Mo come out, a fierce smile wiped across Li Shun's face.

He stood in front of these men and looked at Lin Mo with a lofty manner, “Kid, didn't you tell me to call someone?”

“My men are here!”

“Now, are you convinced?”

## **Chapter 1553**

Inside the house, the rat, Uncle Liu, was so frightened that he could not utter a word.

The two of them did not know the identities of Ma Tiancheng and Li Ying, but such a big scene was enough to make them both tremble with fear.

Lin Mo's expression was calm as he slowly walked to the courtyard and laughed lightly, “Not many people have come!”

“I thought you could call in a few thousand people, but to my surprise, it's only a few hundred.”

Li Shun looked annoyed and shouted, “D\*mn it, just trash like you, you still need a few thousand people?”

“A few hundred of me would have been enough!”

Lin Mo snorted, “Is it that you don't need to use them, or are you calling for them not to come?”

“Li Shun, you're a landlord, and you're doing an average job!”

“What, not enough funds, can't call anyone?”

“It looks like you haven't made much money working for Wanchun Hall, have you?”

Li Shun's face changed slightly, he frowned at Lin Mo, his voice slightly trembled: “You ..... how do you know about Wan Chun Tang?”

Lin Mo: "Colluded with the top ten families in Su Province, seduced the wife of that project manager of Xu Pharmaceutical, and used that project manager to steal the secret recipe of Xu Pharmaceutical's rejuvenation pills and give it to Wan Chun Tang."

"Then, sent someone to create a car accident and kill that project manager."

"And, capture that project manager's wife and swallow the \$80 million transferred to her."

"All these things, do you really think you're doing it in secrecy?"

Inside the room, Ma Tiancheng and Li Ying were directly scared silly.

After hearing Lin Mo's words, they both finally knew what had happened.

Ma Tiancheng had only recently learned that Lin Mo was using the agency of the Recycle Pill to take down the Ten Families.

Although he did not know what exactly was going on with this Recycle Pill, he knew that it was extremely important.

Now, Li Shun had even colluded with Wan Chun Tang, stealing the secret recipe of the Recycle Pill and giving it to Wan Chun Tang, this was moving Lin Mo's root ah.

No wonder Lin Mo had to treat Li Shun so badly this time, this incident was not just a matter of personal hatred.

Li Shun, this is simply a heinous crime!

Ma Tiancheng said indignantly, "Li Ying, Li Ying, what a good brother you've taught him!"

"Look at what he's done, it's not enough to die a thousand times ten thousand times!"

Li Ying's face was pale, but she still held on to a trace of illusion: "This ..... may not necessarily be my brother's doing either ....."

"Master Tiger, I ..... my brother must have been wronged, how could he have done such a thing?"

"How about sending someone to investigate again, could it be that someone deliberately planted evidence to frame my brother?"

Ma Tiancheng flung his hand and slapped Li Ying across the face, "It's already this time, and you're still speaking for him!"

"Master Lin personally said this matter, do you think, can this still be false?"

Li Ying gritted her teeth, she was still a little reluctant.

Laohu smiled lightly without saying anything: "Sister-in-law, don't worry."

"My brother Lin always knows right from wrong when he does something!"

"If your brother didn't do it, he definitely wouldn't have wronged your brother!"

Outside, Li Shun's face also became embarrassed.

All of these things Lin Mo said were all done by him.

But the problem was, he had done it in secrecy, so how on earth did Lin Mo know about it?

“What the hell are you ..... you?”

“How do you know all these things?”

Li Shun said urgently.

Hearing this, Li Ying’s body shook and almost didn’t faint.

When Li Shun said this, it was basically like admitting these things!

Ma Tiancheng was also sitting paralyzed in his chair, he knew that this time, things had gone too far.

He was Li Shun’s brother-in-law, Li Shun’s backer, and he couldn’t get away from this incident!

Lin Mo: “Li Shun, ah Li Shun, you really have no eyes!”

“You stole the formula of my Xu Pharmaceutical’s Recycle Pill, and you don’t even know who I am?”

Li Shun froze for a moment, then his eyes widened, “You ..... are Lin Mo!?”

## **Chapter 1554**

Lin Mo let out a loud laugh, “What, now you finally know who I am?”

Li Shun’s face instantly turned miserable white.

Never in his wildest dreams did he expect that this newly promoted venerable of Guang Province would be able to personally come to Fangchuan County to find him!

Li Shun said with a trembling voice: “How did you ..... you come to Fangchuan County .....”

Lin Mo smiled coldly, “Since you know who I am, how dare you stand and talk to me?”

Li Shun’s face swelled red, and he subconsciously wanted to kneel down.

However, looking at his brothers around him and thinking of the Ten Families of Su Province, he fiercely gritted his teeth and tilted his head back to shout, “Lin Mo, who the hell are you scaring?”

“You think I’m not afraid of you?”

“I’m telling you, a strong dragon cannot suppress a snake on the ground!”

“This is my territory, when you arrive here, you are a dragon that has to be coiled up for me, and a tiger that has to lie down for me!”

Lin Mo’s brows furrowed, “Li Shun, are you trying to antagonise me?”

Li Shun was completely broken at this point and said loudly, “So what if I’m against you?”

“I tell you, I stole the secret formula of Xu Pharmaceutical and I gave it to Wan Chun Tang, so what?”

"If you were in Guangyang City, I would still be afraid of you!"

"Now on Laozi's turf, do you think I would be afraid of you?"

"Surname Lin, now, I'll f\*cking make you kneel down for me!"

Lin Mo laughed and turned his head, "Make me kneel down?"

"I'm afraid, someone won't agree!"

At this moment, Tiger also stood up in time and laughed, "Boss Ma, this is your brother-in-law, why don't you go and persuade him?"

Ma Tiancheng and Li Ying had wanted to go out for a long time, and now that they got the chance, they hurriedly ran out.

Ma Tiancheng ran to Li Shun with a single stride and threw him a few slaps on the face, saying angrily, "Li Shun, you've been kicked in the f\*cking head by a donkey, how can you do such a thing?"

"How dare you talk to Master Lin like that, are you tired of living?"

"Now, immediately, kneel down for me right now!"

"Kowtow to Master Lin and confess your sins, and Master Lin may be able to reward you!"

"Otherwise, I'll f\*cking kill you with my own hands!"

Li Ying was also in tears, "Shunzi, you ..... how could you do such a thing?"

"Did someone force you? Did someone set you up?"

Li Shun's face was swollen red, facing his elder sister and brother-in-law, he still had some fear in his heart.

However, thinking about what he had done, he knew that there was no turning back.

He grabbed Li Ying's hand and said in a low voice, "Big sister, I've already done it, and there's no turning back!"

"Even if I kneel down and beg for forgiveness, this Lin, the surname Lin, will definitely not let me go!"

"In that case, it's better for me to fight with him!"

"This is my territory, I can call a few thousand more people over as long as I want."

"So what if he, Lin Mo, is the venerable leader of the Canton Province? If he runs onto my turf, he's just asking for death!"

Li Ying was a little hesitant.

Ma Tiancheng said indignantly, "Li Shun, are you crazy?"

"Master Lin is the venerable of Canton Province, you dare to go against Master Lin?"

"I'll f\*cking kill you!"

Ma Tiancheng waved his hand again and struck.

Li Shun directly grabbed his arm and violently pushed him aside, angrily saying, “Ma Tiancheng, I am giving you face because of big sister, don’t give shame!”

Ma Tiancheng couldn’t help but stare, “You ..... dare to talk to me like that?”

Li Shun said indignantly, “What’s so daring?”

“D\*mn it, I don’t even put Lin Mo in my eyes anymore, so what are you?”

“Ma Tiancheng, in the past, when you were a big brother in Guang Province, I had to be polite to you.”

“But now, in Fangchuan County, what kind of bullsh\*t are you?”

“I’m telling you, here, I’m the only one who is the earth emperor!”

“You’re not even worthy to carry my shoes!”

“If you yell at me again, do you believe I’ll f\*cking kill you first?”

## **Chapter 1555**

Ma Tiancheng was dumbfounded.

In the past, this Li Shun had called him brother-in-law in the same breath, not to mention how affectionate he was.

On ordinary days, Li Shun was always respectful and polite, never daring to speak loudly to him.

He never dreamed that Li Shun would be so bold as to dare to insult him like this!

Li Ying’s face also changed: “Shunzi, you ..... how can you talk to your brother-in-law like that?”

Li Shun waved his hand, “Eldest sister, I’m also doing it for your own good!”

“Is it really true that I should go and kowtow to someone and apologize, as Ma Tiancheng said?”

“Big sister, I did such a thing, the surname Lin, will definitely not let me go!”

“Not to mention me, just with this Lin Mo’s character, you two won’t have a good time either.”

“Instead of getting killed by him, we might as well put up a fight!”

Li Ying’s face was pale: “Spar ..... spar?”

“He’s the honorable man of Canton Province!”

“Even the Ten Great Families, they all bow down to him!”

Li Shun laughed coldly, “So what if he’s the prince of Guang Province? Here, I’m the emperor of the land!”

“The Ten Great Families bow down to him, but then again, the Ten Great Families aren’t here.”

“Look at how many people are around now, do you think he can walk out alive today?”

“If we kill him, there’ll be no one left in Guang Province, so maybe we can still take advantage of the opportunity to make a fortune.”

“If we can’t, the big deal is that we can go to Suzhou Province and continue to develop, that’s still better than being trampled under his feet!”

Li Ying was very moved by what she said and immediately looked at Ma Tiancheng who was next to her.

Ma Tiancheng’s expression was a little hesitant, and he was really moved by the words.

However, when he thought about the prestige that Lin Mo had accumulated, he was still a little hesitant.

Seeing Ma Tiancheng’s expression, Li Shun instantly understood what he was thinking and immediately said, “Brother-in-law, you are a big brother of the underground in Guang Province, and even the top ten families in Su Province, admire you greatly!”

“As long as we kill Lin Mo, the group of dragons in Guang Province will be left without a head.”

“When the time comes, I’ll go and talk to the Ten Great Families of Su Province. As long as they are willing to support you, those ten families in Guang Province now, can’t do anything to you. You’ll still be able to be the underground big brother in this Guang Province.”

“Even, when the time comes, maybe your position will still be above these ten major families in Guang Province!”

These words made Ma Tiancheng’s heart quite impressed.

One had to know that the strength of the top ten families in Suzhou Province was far beyond that of the top ten families in Guang Province.

Especially nowadays, the top ten families in Guang Province were far less powerful than they once were.

If he had the support of the Ten Families of Suzhou Province, then he would not be afraid of the Ten Families of Guang Province at all!

At that time, he would really be able to walk around in Guang Province!

He gritted his teeth and quietly glanced at Lin Mo.

He knew very well that what Li Shun had said was good.

This time, even if Li Shun died, Lin Mo would still not let him go.

Instead of that, it would be better to fight!

If he won, he would make a fortune.

Even if he lost, the big deal would be to run away to Soo Province for development later!

In the end, Ma Tiancheng slowly nodded his head and acquiesced to Li Shun’s words.

Li Shun was overjoyed, and with the support of his elder sister and brother-in-law, he had more confidence in his heart.

He stood straight out and waved his hand violently, "Brothers, kill this b\*\*\*\*\*d for me!"

"Listen carefully, whoever can finish him off, I'll award thirty million dollars!"

Once these words were spoken, the surrounding crowd immediately boiled up.

There would be brave men under heavy rewards!

These people hurriedly rushed in, all afraid of being preempted by others.

Seeing this, Tiger immediately rushed out and shouted, "Ma Tiancheng, what are you doing?"

"Why don't you hurry up and tell these people to get back?"

Ma Tiancheng's face was cold and he turned his head directly to the side, not even looking at Tiger.

Li Shun stood outside, standing with his arms folded, his face full of a smug sneer, "The pride of the wide province? Heh, nothing more than that!"

"Today, I will let your life perish here!"

## **Chapter 1556**

Seeing the crowd surrounding them all gather around, Tiger immediately rushed to Lin Mo's side and said in a low voice, "Brother Lin, you run first, I'll break your back!"

In the private room, Rat Liu Bo was also trembling with fear.

However, the rat eventually picked up a wine bottle and said through clenched teeth, "Uncle Liu, help me take care of Tian Tian!"

After saying that, he also rushed to Lin Mo's side with the bottle in his hand and shouted, "Don't even come over, or else I ..... I'll fight with you ....."

Lin Mo gave the rat a glance, he knew that this person, normally, was also a timid and fearful person.

Now, for him to run out and stand beside himself, how much courage he had to have mustered up!

Li Shun stood opposite and laughed wildly, "Fighting for your life?"

"Heh, I'd like to see how many lives you have to fight for!"

"On my turf, what can you do if you fight for your lives?"

"If I want to kill you all, it's as difficult as killing a few dogs."

"Lin, if you kneel on the ground and beg me now, I might consider it and let these two friends of yours go, how about that?"

Li Shun looked at Lin Mo with a smirk, his face was full of smugness.

Lin Mo sighed, "Ma Tiancheng, are you deciding to make a complete enemy of me?"

Ma Tiancheng gritted his teeth and said in a deep voice, "Surname Lin, I've been f\*cking displeased with you for a long time!"

"What do you think you are, how dare you ride on my head and flaunt your authority?"

"Let me tell you, you only inherited everything from Nanba Tian to get to where you are today."

"To put it bluntly, you are nothing more than a megalomaniac!"

Speaking of this, Ma Tiancheng's emotions clearly rose up.

He waved his arms and said angrily, "I have been fighting for decades in Guang Province to get everything I have today, who are you to step on my head as soon as you come up?"

"In the past, you had the upper hand and I couldn't do anything about you."

"But today, I'm going to show you that a man's madness will be reaped by the heavens!"

"You think that you, the prince of the Canton Province, can run amok anywhere?"

"You are seeking your own death by running to Fangchuan County all by yourself!"

"With such a good opportunity, if I don't kill you, should I wait for you to kill me later?"

Li Shun clapped his hands and laughed, "Brother-in-law, well said!"

"Hmph, surname Lin, don't think that just because others call you the Venerable of Guang Province a few times, you are really lawless!"

"Let me tell you, in front of my Prince of Guang Province, you're not even a fart!"

"Oh, by the way, I heard that your wife is quite pretty, what is the number one beauty in Guangyang City?"

"Don't worry, after you die, I will definitely help you take care of her, hahaha ....."

Lin Mo shrugged helplessly and suddenly raised his voice and said, "Gentlemen, did you hear clearly?"

Ma Tiancheng and Li Shun were both stunned, not knowing exactly who Lin Mo was talking to here.

At that moment, a voice suddenly came from the distance, "Very clear!"

Ma Tiancheng's face changed because, as he heard it clearly, it was the voice of the Crown Prince of Hai Cheng!

The Crown Prince of Hai Cheng, how had he arrived here?

He hurriedly turned his head and tried to search among the crowd.

Before he could find it, the crowd suddenly burst into chaos, and the group of people standing at the entrance scattered in all directions.

Looking closely, it was an SUV that had rushed in hard from outside.

The people were scattering to avoid this car!

The wheels of the car still had blood on them, and on the ground behind them, there were several people lying in pools of blood, wailing.

There was no doubt that the buggy had run over these people and rushed in.

Behind the SUV, there was also a group of cars in black pressure.

These cars, ignoring the injured people on the ground, ran over them one by one.

Those who were lucky, crawled away little by little.

Those who were unlucky were run over by so many cars and eventually crushed to death, looking miserable!

## **Chapter 1557**

Li Shun was dumbfounded, he prided himself on being a ruthless man, but he had never seen such a scene.

Those few injured people on the ground were run over by dozens of cars.

These cars, as if they didn't even treat them as human beings.

And these wounded men were all Li Shun's men!

He froze for a while before coming back to his senses, but, by now, there were already dozens of cars parked in the courtyard.

Those of his men, too, were cornered by these cars.

If these men did not retreat, they would be run over and run over.

Looking at these cars in the courtyard, Li Shun was furious and shouted, "f\*ck you, where did you come from?"

"How dare you hit even my brothers, are you looking for death?"

"f\*ck, smash their car for me!"

Before Li Shun's brothers could do anything, the door of the front SUV opened and a young man stepped out of it.

Seeing this young man, Ma Tiancheng almost didn't P\*ss in fear.

This young man was none other than the Crown Prince of Hai Cheng!

No wonder he heard the Crown Prince talking just now, so, the Crown Prince had really come!

And the doors of those cars behind them all opened one after another.

Many people came out of the cars, and when he saw these people, Ma Tiancheng's face became even more ugly.

Because, these people, were all people from the Ten Great Families of Guang Province.

Including the family heads of the Ten Great Families of Guang Province, all of them were also standing among them!

As soon as the prince stepped out of the car, he walked directly in front of Lin Mo and laughed, "Lin Zi, how is it?"

"The heads of the ten great families, I've brought them all to you!"

"I'm reliable in my work, right!"

Lin Mo smiled and nodded his head.

This time, he had not only contacted Tiger and asked him to bring Ma Tiancheng and his wife over.

At the same time, he contacted the Crown Prince and asked him to bring the people from the Ten Families.

Ma Tiancheng was an underground big brother in Guang Province, and if Lin Mo wanted Tiger to replace him, he had to find a suitable reason to settle him.

If he were to solve him without any reason, it would cause the Ten Families to fear Lin Mo and even start to be wary of him.

If Lin Mo could swallow Ma Tiancheng, he could definitely swallow the Ten Families, and the Ten Families would definitely not sit idly by and wait for death.

Therefore, Lin Mo staged this game to lure the family heads of the Ten Great Families here as well, so that they could witness all this.

Just now, Ma Tiancheng had said those words himself, and that would be tantamount to being a complete enemy of Lin Mo.

In such a situation, Lin Mo would have no problem killing Ma Tiancheng again.

This was indeed the case, and after the Ten Great Family Masters came down, they all looked at Ma Tiancheng with hostility in their eyes.

There were a few family lords who had a good personal relationship with Ma Tiancheng.

However, they were all looking at Ma Tiancheng hostilely now as well!

Li Shun's eyes stared straight as he looked at these people in shock and said in a trembling voice, "Brother-in-law, this ..... these are the people from the top ten families in Guang Province?"

Ma Tiancheng's face was pale as he slowly nodded, "Yes ..... yes ....."

"The family heads of the ten major families in Guang Province are all here as well ....."

Li Ying was also shivering, "Old Ma, what should we do about this ....."

“The top ten families of Guang Province are all here, are we ..... we ..... not dead?”

Ma Tiancheng could no longer speak, he was now remorseful in his heart.

If he had known this, just now he would never have gotten involved in this matter with Li Shun even if he had knelt down and kowtowed to Lin Mo, ah.

Now, he had failed to kill Lin Mo, and his life had been completely saved!

Li Shun’s face was grim, he knew that this time, the matter was really big.

However, he was still unwilling to lose like this!

He suddenly gritted his teeth and shouted, “So what if it’s the Top Ten Families of Guang Province?”

“Hmph, this is Fangchuan County, it’s Laozi’s turf!”

“If they come to Fangchuan County, they won’t be able to leave alive!”

“Chunzi, close the door, and, call someone for me!”

“I’ll make this bullsh\*t Honorable of Guang Province, and this Top Ten Families of Guang Province, all die here!

## **Chapter 1558**

Li Shun hissed loudly, as if he were mad.

However, there was no one behind him to respond.

Li Shun was furious and turned his head and said angrily, “Wang Jichun, are you f\*cking deaf? I’m .....”

The voice came to an abrupt end here because, he saw a scene that shocked him.

Wang Jichun, was now being held by a tall man by the neck, unable to make a sound.

And outside this courtyard, there were now many cars surrounded so densely that one could not see the end of them.

Beside each car, there were people in black clothes standing.

As far as the eye could see, there were at least a few thousand people in black standing around.

These people, all with cold faces and a fierce glint in their eyes, were not good people at first glance.

These men in black surrounded the entire hotel, including Li Shun’s men, in the middle.

Li Shun did not notice the situation outside, while his men had long since seen them.

Now, Li Shun’s men were all shivering in fear, and none of them dared to speak up.

Li Shun was dumbfounded, he looked at these men in black, oblivious to what was happening, he didn’t even know when exactly these men in black had come.

Ma Tiancheng, on the other hand, sat straight down on the ground.

Others didn't know, but he knew very well.

These people in black were the people from the Ten Great Families!

How could the head of the ten great families come out in person without a bodyguard?

How could the prince come out to do something and have less people around him?

Li Shun thought that he was the emperor of the land in Fangchuan County, but he didn't know that his little strength was worth nothing in front of the Ten Great Families!

The eyes of the Ten Great Families looked at Li Shun also became colder.

Originally, this matter was only between Lin Mo and Li Shun, and had nothing to do with the Ten Great Family Lords.

However, this Li Shun wanted to kill even them, and it had completely angered them.

"Ma Tiancheng, this is your brother-in-law? Simply lawless!"

A family head shouted in a deep voice.

Ma Tiancheng couldn't say a word, he was already desperate.

Lin Mo walked up to Li Shun and looked at him in a condescending manner, "Li Shun, from the looks of it, I'm afraid you won't be able to kill me!"

"Heh, you, the earth emperor of Fangchuan County, are no better than that!"

"What kind of strong dragon can't suppress the snake at the head of the earth? It's pure nonsense!"

"Even if this is your territory, you're just an ant in my eyes, not even a snake!"

"You are not qualified to fight with me!"

Li Shun's face was pale, he couldn't even utter a single word now.

Previously, he had relied on the fact that this was his own territory, and on the connections of the ten major families in Su Province, he felt that he could be lawless.

Even Lin Mo and the Ten Families of Guang Province were not even in his sights!

Now, when he really fell into the hands of others, he realised that his own strength was not worth mentioning in their eyes.

The crown prince also came over and sneered, "I heard that you boast of being some kind of Crown Prince of Guang Province, is that true?"

Li Shun gave the prince a bewildered look, "Who are you?"

The prince laughed wildly, "What? You even dare to use my name, and you still don't know who I am?"

"I tell you, I am the Crown Prince of Hai Cheng!"

Li Shun's eyes widened violently, he had never dreamed that he would be able to meet the Crown Prince of Hai Cheng.

In his eyes, the Crown Prince of Hai Cheng, that was a truly heaven defying big shot!

And now, this great figure, whom he regarded as his idol, was actually calling Lin Mo a brother.

He finally knew how big the gap between himself and Lin Mo really was.

The prince looked Li Shun up and down and gave a straightforward disdainful glance, "How dare you call yourself the Crown Prince of Guang Province when you're so ugly? Who are you insulting?"

"Someone, drag him down to me and chop him up and feed him to the dogs!"

## **Chapter 1559**

Several of the prince's men immediately rushed up and dragged Li Shun down.

Seeing this, Li Ying hurriedly jumped up and begged in a trembling voice, "Crown Prince, Crown Prince, will you spare him?"

"He didn't mean it, he ..... is still a child ....."

"Crown Prince, please please ....."

Saying that, she looked at Ma Tiancheng again, "Old Ma, you ..... help say something ....."

Ma Tiancheng did not say anything as he stood up and walked over to Li Ying.

Suddenly, he pulled out a dagger from his body and stabbed it directly into Li Ying's neck.

Li Ying covered her neck and stared at Ma Tiancheng with a deadly stare, "You ..... you ....."

Li Shun, on the other hand, directly roared madly, "Ma Tiancheng, you dare to kill my sister!?"

"I'll fight with you!"

He hissed and tried to rush over, but was held down for dear life.

Ma Tiancheng wiped the blood off the dagger before looking at Li Ying coldly, "My biggest mistake in my life, Ma Tiancheng, is that I have been too indulgent with you two siblings!"

"But if you could have controlled him a bit and let him know what he could and couldn't do, what happened today wouldn't have happened!"

"At this point, you're still pleading on his behalf and asking me to save him?"

"I f\*cking hate to kill him with my own hands!"

As Li Ying listened to Ma Tiancheng's words, the expression on her face, she didn't know whether it was regret or resignation.

In the end, she covered her neck and collapsed in a pool of blood, dying a horrible death on the spot.

Li Shun, was dragged down hard.

As for Ma Tiancheng, Lin Mo did not pay any attention to him, but only threw him a dagger.

Under the tiger's gaze, Ma Tiancheng could only pick up the dagger in the end and slowly stabbed it into his heart.

This underground big brother of Guang Province had, in the end, put his own life on the line because of his family's indulgence.

Lin Mo, on the other hand, did not even look at these people and went straight into the private room.

At this moment, Liu Bo was still sitting in the corner with Tian Tian in his arms, his face full of bewilderment.

Too many things had happened outside in the past few moments, and too many people had come, so he had no idea what was going on.

Mouse was following Lin Mo, and although he had witnessed the whole process, he didn't know what was going on here either.

However, his intuition told him that Lin Mo was a big shot, a really big shot!

Lin Mo had a calm expression, as he entered the room and sat down at the table.

"Uncle Liu, let's continue eating!"

Uncle Liu gave the rat a bewildered look, he didn't dare to sit towards the table.

The rat also stood straight next to him, not daring to breathe a single breath.

At that moment, the Prince walked in from outside.

"What are you all doing standing around? Eat!"

The prince slapped the mouse.

The rat shivered in fear and looked at the Crown Prince and then at Lin Mo, not daring to say a word.

Lin Mo: "Sit down."

"What's the matter, it's only been a while and you don't even recognize me anymore?"

The rat trembled and sat down at the table, his heart becoming even more apprehensive.

Lin Mo, on the other hand, continued to dish out food to Tian Tian as before, and talked and laughed with the Crown Prince.

As for the Ten Great Family Masters, they were outside dealing with the matters behind them.

Half an hour later, the meal was over.

The crown prince stood up first, "Old man Liu, TianTian, you two, come with me!"

Uncle Liu and TenTian looked at each other, both of them were full of bewilderment, not knowing what was going on.

Rat was also a bit flustered and hurriedly looked at Lin Mo: "Master Lin, this ....."

Lin Mo waved his hand, "Don't call me Master Lin!"

"Same as before, call me Brother Lin."

The rat scratched his head and called out tentatively, "Brother Lin."

Lin Mo smiled and nodded, "As I said, I'll help you cure your sister if you do me a favour."

"I'm done with the Fangchuan County side of things, but I still have a bit of other things to do."

"Mouse, would you like to be my driver for a while and go and do something for me in the meantime?"

## **Chapter 1560**

Hearing Lin Mo's words, the rat's face instantly became swollen red, and his body was trembling with excitement.

Although he didn't know exactly what Lin Mo's identity was, but to be able to easily crush Li Shun and make Ma Tiancheng, a big brother of Guang Province, kneel before him, was a clear indication that Lin Mo was definitely not an ordinary person.

Such a big shot was going to ask him to be his driver, this was a great blessing!

Rat had never dreamed that such a good thing would fall into his lap.

He was filled with apprehension, "Brother Lin, I ..... am not capable enough, I am afraid that I will delay your work ....."

Lin Mo waved his hand, "Don't worry."

"What I asked you to do is definitely within your ability!"

The rat nodded his head in a hurry, "Brother Lin, since you think highly of me, then ..... then I will definitely give it my all!"

"Don't worry, unless I die, anything, I'll do it for you!"

Lin Mo laughed, "You're exaggerating, you don't need to die."

"Alright, you come with me."

"By the way, Uncle Liu and TianTian, are going to stay in Guangyang City for a while."

"Over there, there will be someone to take care of them."

Mouse nodded vigorously and hurriedly said, "Brother Lin, all under your arrangement."

Lin Mo looked at Uncle Liu, "Uncle Liu, what about you?"

Uncle Liu hurriedly said, "I will also listen to you."

"My old man is a lonely man with no relatives or friends, so it's the same wherever he goes!"

"To live in a big city like Guangyang City is definitely much better than living in the slums of this small county."

Lin Mo smiled, "That's good!"

"Crown Prince, I'll trouble you!"

The prince waved his hand, "It's alright, this little thing is nothing."

"However, you must be careful when you go to Su Province."

"The ten strongest families in Su Province are not weak!"

Lin Mo nodded, "I have my own plan!"

"This matter, don't leak the news."

"Lest the people of the Ten Great Families of Su Province find out!"

The prince nodded as he took the lead and left with Liu Bo and Tian Tian.

After the people from the ten great families had dealt with the aftermath of this side, they all left as well.

As for Lin Mo, he had someone find an ordinary car and had the rat drive it, heading for Su Province overnight.

He now knew how Wan Chun Tang had obtained the refining method for the Recycle Pill, but, based on that alone, he couldn't do anything to Wan Chun Tang!

Therefore, he had to personally go to Su Province and settle this matter once and for all.

The Recycle Pill was the future foundation of Xu Pharmaceutical, as well as Lin Mo's future foundation, and he absolutely would not allow others to get their hands on it!

The matter in Fangchuan County is not small, the top ten families in Suzhou Province must have gotten the news, and may be on high alert for Lin Mo.

In such a situation, Lin Mo could only enter Su Province alone and quietly to deal with this matter.

He did not bring anyone else with him, but only the rat, in order to be concealed.

Moreover, as a pickpocket himself, he could sometimes help Lin Mo do some important things.

As for the matter of Liu Bo and Tian Tian going to Guangyang City, Lin Mo had thought about it a long time ago.

The situation of Mouse and Tiantian was similar to his previous situation.

Lin Mo still admired Rat, and Lin Mo was prepared to take him with him to train him, and to give him a chance of sorts.

As for TianTian, this child was also very understanding and cute, so he was sent to Guangyang City to accompany Lin Xi, so that she would also have a companion.

As for Uncle Liu, Lin Mo also had great admiration for him.

This old man, who was able to take care of Tian Tian for such a long time, regardless of the cost, and even pay for Tian Tian's treatment out of his own pocket, was not something that ordinary people could do.

Moreover, Lin Mo had also looked at it, this Uncle Liu's medical skills were actually quite good.

Therefore, Lin Mo planned to let him go to Xu Jiangong Fang Hui's pharmacy to sit in the clinic.

That way, it would definitely be much better than if he was in Fangchuan County, and his life could be a bit better too ah.
