Chapter 1551: No matter what, ye nankuang is dead!

“Ye nankuang!”

“The peach that I, Huangfu Yu, have been planning for a long time has been plucked away by you just like that. If I had known this would happen, I would have killed you the moment you entered the desolate God tomb!”

Huangfu Yu stood at the entrance of the huangshen tomb, his eyes filled with maliciousness.

“It’s Huangfu Yu from the eight Xuanyuan families!”

After seeing his face clearly, the people who had been quiet immediately exclaimed.

“BOOM!”

Almost at the same time, a figure stepped out, wrapped in monstrous killing intent, and teleported toward him.

“It’s the Taichu heavenly venerate!”

“He actually attacked Huangfu Yu. It seems like he wants to snatch the emperor’s seal!”

Seeing this, everyone was shocked, especially Jiang Hongyuan and the others, who were ready to fight for it together.

“BOOM!!!”

A terrifying thunderclap suddenly exploded in the void, followed by a thunderous roar, “Old man Taichu, you’re courting death!”

It was master thundercloud!

How could he continue to tolerate the fact that the Taichu heavenly venerate had touched a member of the eight Xuanyuan families in front of him?

Therefore, the moment heavenly venerate Taichu made his move, master thundercloud immediately unleashed his entire body’s might and vast true essence.

Huangfu Yu was also shocked by this sudden scene. He subconsciously retreated and roared, “Heavenly venerate Taichu, you dare to touch me?”

“Junior, I suspect that you have something to do with the death of my absolute beginning dojo disciple. If you’re smart, you’d better surrender and let me interrogate you!”

Heavenly venerate Taichu stretched out a huge hand to grab the former.

Upon hearing his words, many people present were disgusted. They clearly didn’t expect the face of the Taichu heavenly venerate to be so thick.

“Get lost!”

Although Huangfu Yu had severed his cultivation, he was still a powerhouse at the void training stage. He slashed out with his silver sword.

“Pfft!”

However, his attack was easily neutralized by the Taichu heavenly venerable. The terrifying force immediately sent him flying. He spat out a mouthful of blood and his face was extremely pale.

Just as heavenly venerable Taichu was about to take another step forward, master thundercloud charged over.””Old man Taichu, do you think that the Xuan Yuan eight families have no talents?”

“BOOM!”

The two of them took a few steps back after the collision. Master thundercloud landed beside Huangfu Yu with the help of the impact and immediately took out a pill for him to consume. At the same time, he looked at heavenly Lord Taichu with killing intent.

“Old ghost Lei Yun, you don’t have to look at me like that.”

Upon meeting his gaze, the Taichu heavenly venerable sneered.””The Xuan Yuan eight families can forget about leaving with the emperor’s seal today. Not only do I disagree, I believe that all the fellow Daoists present will also disagree!”

Upon hearing this, the eyes of Jiang Hongyuan and the other big shots of the panwu immortal sect flickered.

Master thundercloud’s heart sank, and he sneered,””Do you all think that the Xuan Yuan eight families have no tricks up our sleeves? Fine, let’s have another battle today!”

He was about to crush a purple jade talisman in his hand.

At this moment, a cold voice came from behind him,””What a joke! How can you be so sure that the emperor’s seal is in my hands?”

Master thundercloud’s eyes flickered as he turned around and said,””You didn’t get the emperor’s seal?”

“No, I didn ‘t!”

Huangfu Yu was filled with hatred as he gritted his teeth and said,”Ye nankuang is so shameless! I don’t know what he did to deceive the item spirit of the emperor’s seal, but he made the item spirit choose him!”

“What?” Master thundercloud’s expression finally changed.

He had thought that with Huangfu Yu’s help, the emperor’s seal would definitely be in his hands. However, it ended in failure and the seal ended up in ye nankuang’s hands.

“Stop singing the same tune!”

Upon seeing this, heavenly venerate Taichu sneered. "Do you really think that we are three-year-old children who are so easily deceived by you?"

Huangfu Yu seemed to have sensed the seriousness of the matter and immediately said, "I'll say it for the last time, the emperor's seal is not on me. If you don't believe me, I'm willing to open my knowledge sea and let you examine it."

Although he said that, his hatred for ye chen grew even stronger. Not only did he not get the emperor's seal this time, but he had also taken the blame for the former.

Heavenly venerate Taichu was also shocked, as if he did not expect Huangfu Yu to be willing to make such a choice. "Alright, I'll check!"

One had to know how important a person's sea of consciousness was. If it was easily explored by others, the consequences would be unimaginable if it was tampered with.

"Hold on!"

"Old man Taichu, I don't trust you," Lei Yunzi interrupted. "For the sake of safety, we have to find someone else to investigate. I think fellow Daoist Fang tianchou of Tianyuan trading company is more suitable."

Upon hearing this, the Taichu heavenly venerate's eyes flickered a few times before he nodded and said, "That's good, this old master has no objections!"

"We don't have any objections!" The people from the Tianxuan Holy Land nodded in agreement.

Fang tianchou took a step and arrived in front of Huangfu Yu. He smiled and said, "Nephew Huangfu, I'm sorry for offending you. Don't worry, once it's proven that you don't have the emperor's seal, we won't make things difficult for you."

Huangfu Yu coldly looked at him and let go of his mind, allowing him to send out a stream of spiritual will into his sea of consciousness to investigate.

During this period, Lei Yunzi was always on guard, afraid that Fang tianchou would do something to the former. Everyone's eyes fell on the two.

Time passed. After the time it took for an incense stick to burn, Fang tianchou slowly retracted his spiritual will. He looked a little disappointed.

"Fellow Daoist Fang, what's the result?" heavenly venerate Taichu asked first.

Fang tianchou looked at Huangfu Yu again and shook his head. "After my investigation, I've confirmed that nephew Huangfu does not have the emperor's seal."

"How is this possible?!"

"Fellow Daoist Fang, did you miss something?" heavenly venerate Taichu asked in disbelief. "Why don't you let me try?"

Fang tianchou's face darkened and he seemed a little unhappy. "Daoist absolute beginning, you don't believe in my character?"

“In that case, the emperor’s seal is most likely with ye nankuang!”

Jiang Hongyuan, the third Prince of the great Jiang dynasty, broke the silence and said, “This ye nankuang is truly a genius. He actually got the recognition of the emperor’s seal ...”

“Hehe, it seems like the so-called eight families of the Xuan Yuan clan are nothing more than this.”

Heavenly venerate Taichu sneered as he looked at Lei Yunzi and Huangfu Yu. “Emperor Xuanyuan’s bloodline couldn’t match an outsider’s, what a joke!”

Facing his mockery, master thundercloud’s face turned gloomy. He still couldn’t believe it.

“No matter what, ye nankuang is dead!”

The killing intent of the leader of the panwu celestial sect shot up into the sky. “Two of our panwu celestial sect’s young masters have died in his hands one after another. If we don’t extract his soul, refine it, and burn his bones into ashes, we won’t be able to wash away our humiliation!”

“Not bad!”

“Today, with the combined forces of several void training cultivators, even if he’s a demigod, he won’t be able to escape the fate of death!”

Chapter 1552: The heaven-connecting creation wood fragment!

Time passed by slowly, and night fell.

In the huangshen tomb, there was a place that no one had ever set foot in before. It was also the most dangerous place in the huangshen tomb.

As far as the eye could see, endless darkness enveloped everything. Endless and evil demonic Qi was wreaking havoc in everything, as if it was going to turn the entire desolate God tomb into demonic land.

Within the terrifying demonic aura, there was a figure standing quietly, as if the demonic aura could not shake him at all.

“Is this the demonic abyss you were talking about?”

Ye chen looked up. Two golden beams of light shot out from his eyes as if he could ignore the endless darkness and see the entire huangshen tomb.

In front of him was a demonic Qi that was as black as ink. The demonic Qi invaded all the living beings in the area, as if it was standing in an abyss.

As the Crimson divine flame flickered, the emperor’s seal Artifact Spirit, old fan’s old figure, appeared. “The reason why old man Da Huang chose this place as the Huang Shen tomb back then was because there was a demonic abyss here. A demon seemed to be suppressed within it!”

“Devil!”

Ye Chen's eyes flashed as if he wanted to see through the endless darkness. "This devil has already existed here before the Huangshen tomb was built?"

Those who could be called Devils, even if they couldn't be compared to the abstruse Immortals above the nine Heavens, they were not inferior to the Dujie stage powerhouses in the cultivation world.

"Not bad!"

Elder Fan nodded slightly. "After Emperor Xuanyuan suppressed the immortal body and soul, it attracted the coveting of countless people from the outer realms. In addition, the world barrier of Yin Xu was broken, causing the Qi of the demon Realm and the underworld to spread here."

"Thus, this is the origin of devil earth."

He sighed faintly. "There are many terrifying existences in the devil earth, and the Qi of the devil earth is constantly invading the outside. If it weren't for the enchantment seal left by the great emperor, I'm afraid there wouldn't be any so-called outer, core, and forbidden areas in the entire Yin Xu."

"Then how did this demon get here?" Ye Chen frowned.

If Emperor Xuanyuan was really able to suppress ancient Immortals, how could a mere devil pass through the seal quietly?

"I'm not sure about that."

Elder Fan's eyes flickered. He clearly understood the hidden meaning behind his words and muttered, "I hope that this demon was not placed here by someone with ill intentions. Back then, I was brought out by old man Da Huang, and my spirituality was in a state of chaos. Even if I had sensed it, I would have been helpless."

"No matter what, I've encountered this demon today. I'll get rid of him so that he won't harm my earth in the future!"

Ye Chen shook his head. Then, his eyes immediately burned with a blazing golden flame, completely penetrating the darkness of the entire demonic abyss.

In the vast demonic Qi, there was a flight of stairs leading to the end of the darkness.

Ye Chen's eyes flickered. He took a step forward and walked along the stairs. Old Fan had transformed into a Dragon and hovered above his head, illuminating the entire demon abyss.

It seemed to be a Devil's well with no end in sight. Ye Chen sized it up as he walked. The wanton demonic energy was getting more and more terrifying. In the end, it was as if a demonic sea had erupted.

"Eh ..."

Ye Chen suddenly said, "although this demonic Qi is extremely pure, there's a trace of death Qi. It's as if the body is rotting. Could it be that it's not a demon being suppressed down there but a demon corpse?"

"It's possible!" Elder Fan said with a serious expression.

As the two of them went deeper, they finally arrived at a huge karst cave. The karst cave had countless caves that looked like beehives. Ye Chen had come in from one of the entrances.

In the middle of the cave, there was a huge black fog. A huge creature could be seen in the black fog, and the black fog was coming from the creature's body.

In addition to the terrifying demonic Qi, there was also endless death Qi mixed in. The two mixed together and spewed out of the countless holes in the surroundings.

"It really is a demon corpse!"

The raging flames in Ye Chen's eyes rose again.

In his eyes, he saw an extremely huge man in the black fog. The man was floating in the air. His body was like a dried corpse, and his skin was maroon.

The most attractive thing about this man was that he had three vertical eyes, which exuded a strange aura. On his face, there were faint, extremely evil demonic patterns flashing.

"It really is a demon corpse!"

Ye Chen's eyes flickered. "And it looks like it's a three-eyed demon from the demon Realm. No wonder it gave me such a familiar feeling!"

At his peak, he had led the immortal world's Army to fight against the demon world more than once. Among the demon world's Army, the three-eyed demon was the most difficult to guard against.

Three-eyed demons were born with three eyes, and each eye had extraordinary magic power, such as soul-sucking and soul-snatching ...

"What's that thing on his body?" Old Fan suddenly asked.

After his reminder, Ye Chen realized that there was a seedling on the three-eyed demon corpse. The seedling was golden and was only the size of a palm. It looked like a melon seedling that had just grown out of the ground.

However, it was this seedling that remained unmoving on top of the demon corpse.

"What is this?"

Ye Chen was shocked at first, then his body trembled violently. "This is the sapling of the World Tree?!!"

In this endless world, there was a divine object known as the World Tree, also known as the sky-reaching builder tree. This object stood in the center of the heaven and earth. It was rumored that the World Tree could grow endlessly and eventually grow directly into the immortal world.

As a result, countless people were madly looking for the World Tree because of this seemingly absurd rumor, trying to use the World Tree to reach the immortal world.

Although this rumor was absurd to others, it was not worth it to Ye Chen.

When he had just ascended to the immortal world, he had seen this world Tree that had grown into the immortal world from the mortal world, which had completely thrown the order of the Three Realms into chaos.

At that time, the master of the ancient heavenly city, immortal Emperor Daozhen, ordered people to cut it down. As a result, the World Tree turned into countless fragments and scattered among the heavens, which also put an end to the thoughts of those in the lower realm who wanted to ascend to heaven.

Ye chen did not expect to see a sapling of the World Tree here.

“Don’t tell me that this seedling was born from the fragment that was cut off back then?”

With this in mind, ye chen immediately sized up the demon corpse, then focused his eyes on the demon corpse’s heart.

There was a fist-sized golden fragment there, and the Golden seedling had grown from it.

“As expected!”

Ye Chen’s face immediately showed a look of realization, and then he could not help but ask in surprise, “I didn’t think that there would be a fragment of the World Tree here. It has even taken root and sprouted.”

He then sized up the demon corpse and finally said, “This demon corpse has died long ago, and a part of its cultivation and essence has been absorbed by the World Tree fragment. That’s why it can take root and sprout.”

“Is this demon corpse already dead?”

The Emperor seal weapon spirit, old fan, also heaved a sigh of relief.

Just as he was about to speak, he saw ye chen suddenly walk toward the demon corpse. Then, a palm-sized dark green bottle appeared in his hand.

.....

Chapter 1553: The embryonic form of the longevity fruit!

The bottle was crystal clear like jade and was about the size of a baby’s palm. It was carved with birds, beasts, insects, and fish, but it didn’t have a lid.

Under the moonlight, the liuxian bottle trembled slightly, and then emitted a faint green light.

“What is this?” Old fan was dumbfounded.

Ye chen did not seem to hear him. He looked up at the pale moonlight that was reflected from the countless entrances around him. His eyes finally fell on the dark green bottle in his hand.

For some reason, when he saw the seedling of the heaven-connecting builder tree, an impulse suddenly flashed through his mind.

“I wonder if this immortal-retaining bottle can ripen the heaven-connecting creation wood.”

With this in mind, ye chen immediately picked up the celestial preserving bottle and gently poured it on the seedling of the heavenly Ascension builder tree on the demon corpse.

A drop of dense green liquid dripped from the bottle’s mouth and landed on the Golden heaven-connecting builder tree’s seedling.

At the same time, ye Chen’s eyes were fixed on the seedling.

However, to his disappointment, the seedling of the heaven-connecting builder tree did not move at all, and the green liquid in the immortal-retaining bottle slowly dripped down the leaf.

“Can’t I?”

Ye chen frowned and hesitated for a moment before pouring another drop of the green liquid on the seedling.

The second drop of green fell.

A strange scene appeared.

The originally unmoving seedling of the heaven-connecting builder tree suddenly trembled violently, and the demon corpse beneath it shriveled up at a speed visible to the naked eye.

The demonic qi and blood Qi in its body gushed into the sapling of the heaven-connecting builder tree.

This sudden scene shocked the emperor’s seal Artifact Spirit so much that it could not close its mouth. On the other hand, ye Chen’s face was filled with joy.

In just a few breaths, the three-eyed demonic corpse shriveled and dried up at a speed visible to the naked eye. In the end, only a few hairs were left, and the rest of the things were absorbed by the sapling of the heaven-reaching builder tree.

After absorbing the demon corpse’s blood Qi, the heaven-connecting builder tree’s sapling began to shine with a dazzling golden light. It began to grow wildly, and its shape also began to change.

20 centimeters ...

Thirty centimeters ...

50 centimeters ...

In the end, it actually grew to more than a meter tall.

The emperor’s seal’s weapon spirit, who was standing at the side, was shocked. He seemed to see a towering Divine Tree that pierced through the barrier between the immortal world and the lower world, and went straight into the vast blue sky.

After he recovered from the illusion with great difficulty, he looked at the sapling of the heaven-connecting builder tree that had grown to more than a meter tall with shock.

“Grow, continue to grow!”

Ye Chen poured down the last drop of green liquid again. In his heart, he looked forward to the growth of the Skyreach builder tree's seedling and whether it could be as good as it was in its former peak.

However, to his disappointment, the sapling of the heaven-connecting builder tree stopped growing when it reached 1.5 meters.

"Could it be that the green liquid is not enough?"

Ye Chen's eyes flickered. He looked down at the demon corpse that had long disappeared and seemed to understand. "Does the heaven-reaching builder tree need to absorb blood Qi? Only by nourishing it can it continue to grow."

At that moment, a change occurred again.

He watched as the one-meter-tall heaven-connecting builder tree bore a golden fruit at a speed that was visible to the naked eye.

Although it was called a fruit, at first glance, it looked like a Golden Ball. Inside the fruit, there seemed to be an ancient God's shadow, looking down on everything and all living things.

"Creation wood fruit!!!"

Ye Chen's expression changed again. "This is the legendary fruit of creation wood, also called longevity fruit. No, it's just the prototype of the fruit of creation wood!"

This was because the fruit had yet to fully materialize.

Even so, Ye Chen could still feel an extremely rich spiritual energy from it. It was as if just a whiff of it would cause the true origin in his body to go berserk.

"It's a pity. If it was a real fruit, then Yuhan's injuries could be cured!"

"Even if it's not the real fruit of longevity, it's enough!"

Ye Chen suppressed the shock in his heart and mumbled, "With this fruit, I can recover to the void training stage!!!"

At the thought of this, he couldn't help but look back at the emperor's seal weapon spirit, "I'm going to enter closed-door cultivation. Go outside and protect me for the time being!"

"How long will it take?"

The emperor's seal Artifact Spirit asked subconsciously. In his opinion, Ye Chen must have reached a bottleneck. A random closed-door cultivation would take at least eight to ten years if not thirty years.

After eight to ten years, the outside world would have been turned upside down.

"Very soon, five minutes!" Ye Chen replied.

"What?" the weapon spirit thought it had misheard. "An incense stick's worth of time?"

Ye Chen did not reply. With a wave of his sleeve, he kept the fruit. Then, in a flash, he stepped into one of the holes around him and set up a barrier.

He swallowed the embryonic form of the longevity fruit. As he quickly circulated his cultivation technique, he immediately refined the terrifying spiritual Qi at a speed that was visible to the naked eye.

“Boom Boom!”

At that moment, the aura that belonged to someone at the soul formation perfection stage began to surge at an alarming rate.

Outside the demonic abyss, the item spirit of the emperor’s seal, old fan, stroked his beard and mumbled as he looked into the demonic abyss, “He only needs the time it takes an incense stick to burn to enter seclusion? I really can’t understand you!”

“I just hope you can hurry up. The tomb of the monarch is about to open. After all, this matter concerns the survival of billions of living beings in this world ...”

He sighed to himself, not convinced by the wretched expression on his face.

At the same time, outside the huangshen tomb, in the vast space, there were countless figures with powerful auras. The most fearsome of all were the five figures in the void.

However, at this moment, the atmosphere between heaven and earth seemed a little gloomy and anxious.

In the void, heavenly venerate Taichu sized up the area below as his face twitched. “Bastard! It’s been four hours! Why hasn’t ye nankuang come out yet?”

When he thought of how ye chen had flattened the absolute beginning dojo and killed many of its people in succession, he could not suppress the killing intent in his heart.

The Big Shot from the panwu celestial sect said coldly, “Could it be that this person knows that we are waiting for him outside, so he doesn’t dare to appear?”

As he said this, he looked at Huangfu Yu, “Nephew Huangfu, you are the last one to come out. Are you sure ye nankuang is still in the huangshen tomb?”

“Naturally!”

Huangfu Yu said seriously, “there’s only one entrance and one exit to the huangshen tomb. I’m sure that he’s still inside. Everyone, just wait patiently!”

In addition to the resentment in his heart, he could not help but gloat at.

Ye chen, ye chen, so what if you have the emperor’s seal? Today, the five old monsters at the void training stage are blocking the gate together. If you dare to come out, you will definitely die Here!

“I don’t believe that he won’t come out forever!” Heavenly venerate Taichu snorted coldly.

.....

Almost at that moment, in the depths of the huangshen tomb, within the demonic abyss, the vast demonic aura suddenly turned into a black hole and surged back. In the center of the black hole, there was actually a figure sitting.

“BOOM!”

All of a sudden, the figure opened his eyes. The moment he opened his eyes, an aura that seemed to belong to an ancient God burst out from his body.

Chapter 1554: Entering the void training stage!

At this moment, thick demonic clouds were rolling in the desolate God tomb.

The demonic clouds were formed from all the demonic Qi in the desolate God tomb. The density of the demonic Qi within it had reached an extremely terrifying level.

In addition, there was still terrifying demonic Qi gathering towards the demonic abyss from all directions of the desolate Divine tomb. It was as if a demonic god had been born from it.

“What’s going on?!!”

The Emperor seal weapon spirit, old fan, stood at the exit of the demonic abyss and looked at the demonic Qi cloud gathering above the demonic abyss in horror.

The density of the devil Qi was beyond his knowledge. It was almost comparable to the devil earth. Even old monsters at the void training stage would be frightened by it.

“This guy actually caused such a commotion in his closed-door cultivation!”

Elder fan took a deep look at the demonic abyss and frowned. “He’s full of righteousness and doesn’t seem to have cultivated demonic techniques. But why did his closed-door cultivation attract so much demonic Qi?!!”

“BOOM!!!”

Not long after he finished speaking, the huge demonic cloud in the sky suddenly twisted, and a bright flame slowly appeared from it.

“Swish!”

The flame became more and more brilliant, and in the end, it actually turned into a figure.

The figure was as handsome as Jade, and his eyes shone with a shocking light beam that turned into a terrifying pressure, making the void seem unbearable.

“Void training stage!”

Seeing this, elder fan was first stunned, then a trace of shock appeared on his old face. “I can’t believe he has reached the void training stage! How could he have done it in such a short time?”

He clearly remembered that ye chen was still at the great circle of the soul formation stage a few minutes ago. Now, the person standing in front of him was a mighty figure at the void training stage!

Although ye chen had told him in advance that he would only need the time it takes for an incense stick to burn to break through, he had been skeptical at that time. He did not expect it to be true.

Elder fan was shocked and immediately thought of the key point of the problem. "Is it the fruit of the so-called World Tree that made him?"

"It's just as I expected!"

Ye chen stepped into the air and allowed the terrifying demonic Qi to envelop him. After feeling the sudden surge of true origin in his body, he muttered, "As expected of the fruit of longevity. Even though it's only in its embryonic form, it has allowed me to recover to the early void refinement realm in one fell swoop."

"This trip to the huangshen tomb can be considered a fruitful one!"

"Boom boom boom ..."

At the same time, the huge demonic cloud that covered the sky began to boil. It was as if a terrifying demonic beast was venting its anger and roaring at ye chen.

Ye Chen's expression did not change. His slender hands clenched lightly. "How can such a foul aura like yours remain in this world?!"

In an instant, the void rumbled, as if an invisible millstone was being pushed and rolled in the void, crushing everything.

Under elder fan's dumbfounded gaze, the demonic clouds in the void shrank at a speed visible to the naked eye, as if they were being crushed like dough.

In the end, the terrifying demonic cloud turned into three black light balls about the size of a human head. The black light balls were as black as ink. Even from such a distance, elder fan could still feel the terrifying power coming from them.

"What is this?" He swallowed his saliva and subconsciously said.

"True demonic ball!!!"

Ye chen looked at the three black light orbs in his hand and slowly said, "It is formed by the purest demonic Qi. You can think of it as a bomb. However, if an ordinary cultivator at the void training stage were to encounter a bomb like this ..."

Hearing this, old fan couldn't help but feel his scalp go numb.

At the same time, the sky above the entire huangshen tomb suddenly became extremely clear. It was obvious that all the demonic Qi that had invaded the huangshen tomb had been completely cleared by ye chen.

"It's time to go out!"

Ye chen took one last look at the huangshen tomb, then slowly landed on the ground and headed toward the exit of the huangshen tomb.

"When you go out this time, you will definitely be hated by others. You must be careful!"

“Countless people are plotting against the emperor’s seal,” elder fan reminded. “As the saying goes, an innocent man’s possession of a jade ring will make him guilty. If they know that you’ve obtained the emperor’s seal, they’ll definitely attack you!”

“So what?” ye chen smiled faintly.

“What I mean is, after you get out of here, find a way to enter devil earth and find those three guys. They can protect you!” Old fan said.

Ye chen suddenly stopped in his tracks and turned around to size him up. “If I’m not mistaken, the three guys you mentioned must have followed Emperor Xuanyuan, one of them is the realm Guardian of YinXu!”

“It seems like you know everything!”

Elder fan was slightly stunned, but he did not hide it anymore. “The three of them followed the great emperor in the past, especially the boss. After the great emperor shed his body and stepped into the path of heaven, the boss even turned into a tomb guarding beast to guard the great emperor’s tomb.”

“Don’t think I’m trying to scare you!”

Old fan looked at him and shook his head. “Yinxu is not as simple as you think. Although you have reached the void training stage and have the power to protect yourself, it doesn’t mean that no one can threaten you!”

“Is that so ...” Ye Chen’s eyes flickered.

Elder fan’s words reminded him of qianqiu wuhen from the demon God forest, the path Lord of carnal desires from the divine immortal’s loft, and the mysterious existence in the heavenly tomb.

The three of them were all dujie stage powerhouses in the spiritual realm. Although their cultivation level had dropped because of their pursuit of the ancient immortal, no one knew how many tricks they had up their sleeves.

However, ye Chen’s heart was extremely calm. When it came to divine abilities, methods, and shrewdness, he, ye chen, had never feared anyone!

Not to mention that he had already recovered to the void training stage.

“Let’s go!”

He couldn’t help but smile.

At the entrance of the desolate God tomb, there was a teleportation array that was emitting a dazzling light. However, if one were to look closely, they would realize that the light was weakening at a rapid pace.

A man and a woman were standing beside the formation.

Fang Ziyue, who was dressed in red, looked at the fading teleportation array and then looked at the huangshen tomb. She gritted her teeth and said, “Why hasn’t senior ye come out yet? Once the energy of the teleportation formation is exhausted, it will be difficult for us to leave.”

In front of him, a red-haired young man who was as handsome as a demon was leaning against the wall with his arms crossed. He was lazily sizing up the former, as if he was savoring something.

Feeling his gaze, Fang Ziyue turned around and glared at him, saying fiercely, "Feng, What are you looking at?"

"Naturally, I'm looking at you!"

Seeing her pouting, Feng Wuxie smiled and said, "Sister, it's not that I'm not human, but your figure is too charming."

"Bastard!"

Fang Ziyue had come from a prominent family since she was a child, and she had never heard such flirtatious words. Her face immediately turned green with anger, "You're really a scum among cultivators!!!"

"The word 'scum' sounds good, I like it ..."

Feng Wuxie whistled frivolously. Just as she was about to speak, the smile on her face suddenly disappeared. She then looked into the depths of the desolate God tomb.

.....

Chapter 1555: This person is from the outer realm!

Seeing his abnormal behavior, Fang Ziyue was stunned at first, and then followed his gaze.

A slender figure slowly walked over, and with his appearance, the void seemed to be unable to bear it.

After seeing the other party's face clearly, Fang Ziyue was surprised and happy, "Senior ye!"

"Why haven't you left yet?"

Ye chen looked at her in surprise.

"I've been waiting here for senior ye!"

Fang Ziyue smiled and said, "I also want to congratulate senior ye for obtaining the recognition of the emperor's seal!"

Before this, she had already met Huangfu Yu. Although she did not know the truth, she could vaguely guess from Huangfu Yu's ugly expression that he had not obtained the emperor's seal.

She had also found out from Feng Wuxie's test that Feng Wuxie had not obtained the emperor's seal. In that case, the emperor's seal would naturally belong to ye chen.

"Many thanks!"

Ye chen nodded slightly, then his gaze became a little strange. He was not sure if the former's purpose in coming to the desolate God tomb this time was to find the emperor's seal.

If that was the case, then things would become a little awkward.

After all, the emperor's seal had already recognized him as its master. With elder fan's temper, it was almost impossible for him to recognize someone else!

If he did not hand over the emperor's seal to Fang Ziyue, the agreement between him and the former would be void.

As if sensing his thoughts, Fang Ziyue took the initiative to resolve the awkwardness and said, "Senior ye, don't worry. My purpose in coming to the desolate Divine tomb this time is not for the emperor's seal."

"I had an agreement with you!"

"If you're really after the emperor's seal, I can lend it to you to take back and fight for the power of Tianyuan trading company," ye chen said.

"Many thanks!"

Fang Ziyue was pleasantly surprised.

Ye chen nodded and turned to look at Feng Wuxie. He seemed to have noticed something and smiled faintly. "Congratulations, brother Feng!"

Before this, Feng Wuxie was only at the great circle of the divine transformation realm. But now, he had already stepped into the early void refinement realm. Clearly, he had obtained some benefits in the desolate Divine tomb.

"Brother ye is the same."

Feng Wuxie looked at him deeply and said, "The reason why I've stayed to wait for you is because I want to tell you something. The peaceful days in Yinxu will not last long. If you go out, please be careful, especially that Huangfu Yu."

Then, his eyes flashed. "Even I can't see through this man. Although we didn't get the seal, he won't give up on the tomb. There's still a fight between you two."

"Brother Feng, why would you say such things to me?" ye chen asked in surprise.

He had met Feng Wuxie in the desolate God tomb, but they had never interacted before. There was no friendship between them.

"Because of an old friend!"

Feng Wuxie's eyes flickered and her expression turned respectful, "You have the Qi of that old friend."

"That's all I have to say. I hope brother ye will remember this!"

After saying that, he immediately turned around and stepped into the teleportation array. With a huge fluctuation of teleportation power, his figure immediately disappeared.

"This person is rather interesting."

After ye chen watched him disappear, he secretly transmitted his voice, "Elder fan, do you know anything about this person?"

"This person is from the outer realm!"

"I don't know the details," elder fan said. "However, his potential isn't any lower than Huangfu Yu 's. If he wasn't from the outer realms, the ownership of the emperor's seal would still be open to discussion ..."

"Outer space, huh ..."

Ye Chen's eyes flickered and he no longer hesitated. He looked up at Fang Ziyue beside him. "Miss Fang, it's time for us to leave!"

"Senior ye!"

Fang Ziyue hesitated. "You've killed too many people in the huangshen tomb this time. I'm afraid the news has already been leaked. I guess there are many people waiting for you outside. If there's a need, I can ask my third Grandpa and elder ku to help you!"

"No need!"

Ye chen smiled faintly. Then, with a wave of his sleeve, he immediately carried her into the light curtain of the formation that was about to extinguish.

.....

At the same time, outside the huangshen tomb.

The five void training stage cultivators, led by heavenly Lord Taichu, joined forces to set up a sealing formation, which locked down everything within a hundred miles. Invisible killing intent suddenly soared in the void.

However, after waiting for a long time, they did not even see ye Chen's figure. Even the array at the exit of the huangshen tomb did not move at all.

The array led to the huangshen tomb. Other than that, there was no other path.

"It seems that ye nankuang won't come out!"

Jiang Hongyuan, the third Prince of the great Jiang dynasty, frowned slightly as if he had completely lost his patience. "Forget it, I still have important things to deal with, so I won't be accompanying my fellow Daoists here!"

Then, he turned around and looked at Jiang Li behind him, signaling the latter to leave with him.

After hearing his words, the woman from the Tianxuan Holy Land smiled and said, "I also have important matters to attend to. It's time to return ..."

Heavenly venerate Taichu frowned and was about to speak when he saw that the formation he had painstakingly built was about to collapse.

"Boom boom boom!"

All of a sudden, a resplendent light screen shot out from the entrance of the Huangshen tomb.

“It moved, it moved!”

Upon seeing this, someone at the scene said in surprise, “The formation at the exit has been activated. Someone is coming out. It must be Ye Nankuang!”

“Woof!”

In an instant, everyone’s eyes looked over.

Huangfu Yu, who was standing behind Lei Yunzi, was no exception. His eyes flashed with a stern look, “Ye Chen, Oh Ye Chen, I thought you’d be cooped up in there for the rest of your life. I didn’t think you couldn’t hold back ...”

“My fellow Daoists, get ready!”

Heavenly Venerate Taichu’s divine sense transmitted as his gaze locked onto the exit.

“Woof!”

As the light of the array reached its peak, a figure shot out from it.

“Attack!!!”

Heavenly Venerate Taichu couldn’t hold it in any longer. Almost at the same time that the figure appeared, his left hand glowed and expanded rapidly. He pressed down on the figure, forming a powerful pressure!

This was a great divine power. It was as if the palm had turned into the vast sky, and it wanted to completely kill all enemies in this time.

“Hualala!”

At the same time, the figure that shot out burst with dazzling divine flames. The divine flames were like glaring divine chains that pressed down on Heavenly Venerate Taichu, almost filling the entire void.

“BOOM!”

With a loud bang, the two people’s attack seemed to have completely ignited the void, causing everyone to be extremely shocked.

“Tap tap tap tap ...”

Then, he saw Heavenly Venerate Taichu retreat more than 100 feet. He looked at the figure in the distance with a serious gaze. “You’re not Ye Nankuang?!!”

Under everyone’s gaze, the figure transformed into a red-haired young man who was as handsome as a demon.

The red-haired young man looked around and said with a faint smile, “Brother Ye, in order to deal with you, I didn’t expect that these people would actually cause such a commotion!”

Chapter 1556: Why do I need you to do anything to this old dog?

In the quaking void, there was a sudden deathly silence that was somewhat terrifying!

The countless figures that stood between the heavens and the earth were all staring at the red-haired young man at the entrance of the Huangshen tomb.

The former had actually exchanged blows with the Taichu heavenly venerable, and from the looks of it, they seemed to be on par?

“Whoosh!”

This short silence was soon drowned out by a wave of commotion.

Who was heavenly Lord Taichu?

He was the ancestor of a sect! One of the most powerful existences in the world, but there was a young man who was on par with him?

Not only them, even the Big Shot of the Panwu celestial sect, the third Duke of the great Jiang dynasty, Jiang Hongyuan, and the others were also shocked.

They had clearly seen that although the Taichu heavenly venerable seemed to have been pushed back, he had not used his full strength. Even so, it was still enough to make them feel apprehensive.

Under everyone’s gaze, the Taichu heavenly venerable’s face twitched slightly before he locked his sharp gaze on the red-haired youth. “Junior, you’re not Ye Nankuang. Who are you?”

The void training stage!

Through the exchange of blows earlier, he had already probed the cultivation base of the former. It was shockingly at the early void refinement realm.

“Old man Taichu, it doesn’t matter who I am,”

Facing his question, Feng Wuxie smiled and replied, “The important thing is, are you sure you want to fight me today?!”

At this moment, Huangfu Yu, who was in the crowd, suddenly said, He is that Feng Wuxie!

“What? This man is Feng Wuxie?”

Everyone’s expression changed when they heard this. They did not expect the young man who was fighting with heavenly Lord Taichu to be Feng Wuxie.

“So it’s you!”

Heavenly venerable Taichu’s eyes flickered before he sneered. “Since you’re not Ye Nankuang, then please leave quickly. Don’t provoke this disaster!”

Feng Wuxie looked extremely young, but he had already reached the void training stage. This made him suspect that Feng Wuxie might be from an ancient divine clan from the outer realms.

It was best not to provoke such an existence if possible.

“You can fight whenever you want, are you bullying me because I’m young?”

However, Feng Wuxie did not fall for his trick. He looked at him provocatively and said, “I’ve just made a breakthrough, and many of my divine powers are useless. Why don’t you warm up with me?”

“Bastard!”

Upon hearing this, heavenly venerate Taichu was furious. “You think a junior like you is worthy of fighting with this old man? Don’t think that you have the capital to be arrogant just because you have reached the void training stage.”

“Are they going to fight?”

The surrounding people quietly looked at this scene, their hearts fluctuating.

Feng Wuxie’s eyes turned cold, and just as he was about to speak, a faint voice suddenly came from behind him, “Brother Feng, why do you need to deal with this old dog? Why don’t you hand it over to this ye to slaughter!”

“BOOM!!!”

The sound was so loud that it shook the world.

At that moment, everyone could see the light screen of the tadpole formation bloomed at the entrance of the desolate God tomb behind Feng Wuxie.

A thin figure came over with his hands behind his back.

The figure was dressed in black and was as handsome as a God. Behind him was a woman in a red dress. The two of them looked like a celestial couple.

Suddenly, the world fell into a deathly silence.

“Shua shua shua ...”

“Ye nankuang, ye nankuang is finally here!”

“What? He is ye nankuang?”

At that moment, everyone’s eyes, regardless of whether they were in the sky or on the ground, were all focused on that figure.

They were all too familiar with this name.

A month ago, this person went on a killing spree outside of Yinxu and slaughtered many soul formation stage cultivators. He even razed the Taichu dojo to the ground and even fought to a draw with the projection of heavenly Lord Taichu’s consciousness.

After that, this person came to the Ruins of Yin and killed the young master and the divine Son. All of these things spread in the Ruins of Yin, so how could everyone not pay attention to him?

The moment ye chen appeared ...

In the demon God forest, qianqiu wuhen stood with his hands behind his back. His eyes were as vast as the stars as he smiled. "Early void refinement realm? His aptitude is not bad!"

In the divinities tower, the path Lord of carnal desires looked down from above. Ling Long, who was beside him, pursed her lips and said, "Daoist master, should we make a move?"

"No!"

The former stretched lazily and said with a faint smile, "These few pieces of trash don't even know that I'm going to make a move. Let's just watch the show for now."

"Five pieces of trash ..."

Ling Long was stunned for a moment, then she smiled. "Even if he is a waste, he is still at the void training stage. If that person from the demon God forest takes the lead ..."

"I won 't, and that guy won't either."

"That fellow knows that he's been waiting for countless years. He won't give up at this critical moment," said the path Lord of carnal desires.

"In the demonic earth ..."

Linglong didn't quite understand, but she hesitated. "Will the world Guardian make a move? After all, that person has obtained the recognition of the emperor's seal ..."

The path Lord of carnal desires was silent for a few seconds before shaking his head. "I won 't!"

He was clear that although realm guardians were powerful, they followed the rules strictly. They would not break the rules of YinXu rashly or violate the constraint left by Emperor Xuanyuan.

Moreover, that night, he had seen a shocking blade light in the devil earth that had injured the world Guardian.

.....

In the vast demonic land, there was a majestic temple in the endless abyss.

A huge golden ape stood up and looked at them expressionlessly. On its shoulder, a Golden Toad was jumping up and down. "Second brother, quick, quickly inform the boss to come out of seclusion and fight outside!"

"Second brother, are you deaf? That kid has obtained the emperor's seal, which means he's half the inheritor of the great emperor. If something happens to him, how can we face the great emperor?"

"Shut up!"

The Golden ape suddenly berated, its voice like a thunderstorm: "Boss has instructed that no one is allowed to move!!!"

After being shouted at by him, the Golden Toad showed a timid expression and muttered, "At the end of the day, you still have hope for that Huangfu Yu ..."

As they were talking, a violent roar came from the distance, as if the gate of hell had been opened. The demons roared and made an announcement to the world.

“Boom boom boom!!!”

Suddenly, a few lightning-like blade auras flashed between heaven and earth, and then blood splattered in the endless darkness.

“That blade moved again!”

“I don’t know why,” the Golden ape said with a grave expression. “Recently, the saber has been fluctuating more and more frequently, as if it has been stimulated by something.”

“Creak creak creak ...”

Suddenly, the crisp sound of a joint was heard by the two beasts.

“What’s that sound?!!”

The Golden ape frowned. Then, with a sway of its body, it instantly plunged into the darkness. What entered its eyes was a pair of people.

However, these so-called troops were actually human skeletons. The skeletons in the middle were each carrying a bone carriage made of bones. If this scene was seen by ordinary people, they would definitely be scared to death.

At this moment, a golden human-shaped skeleton was sitting on the bone carriage. The eyes of the Golden human-shaped skeleton were all emitting sky-piercing divine flames.

“It’s that stupid skeleton!”

Seeing this, the Golden Toad was shocked. “This stupid skeleton has just come from devil earth, but it has already grown to such an extent. My God!”

“This skeleton has an extraordinary origin. It’s extremely terrifying.”

“Where is he going?” the Golden ape’s eyes flickered.

“I know, he’s going out, he’s going out!!!”

The Golden Toad seemed to have thought of something and roared, “This stupid skeleton is definitely going to help that brat ye!!!”

Chapter 1557: If I don’t come out, how can I slaughter you, old dog?

Ye chen had appeared!

He was not as graceful as Feng Wuxie, flying through the sky and burrowing into the ground.

With his hands behind his back, he walked out of the light screen of the teleportation array at the exit of the desolate God tomb. His black hair fluttered in the wind, as if he did not notice the terrifying killing intent that filled the world.

As he appeared, the countless figures standing between the sky and the earth moved for him.

“This kid is really too young. Whether it’s his bearing or his aptitude, he’s not weaker than the divine sons of the major sects. It’s hard to imagine that this abandoned planet could actually give birth to such an outstanding person!”

“I thought he had three heads and six arms, or was a ruthless and murderous demon. I didn’t expect him to be so handsome ...”

“.....”

Countless people’s eyes were focused on ye chen. Their gazes were mixed with shock, surprise, and even more, disbelief.

“So this is ye nankuang?”

Lei Yunzi, who was in the air, looked at ye chen with a strange glint in his eyes.

This was his first meeting with ye chen. Although both sides were from the cultivation world of China, everyone, including him, was in a deep sleep before the earth was unsealed.

“You have good looks ...”

Looking at ye Chen’s extraordinary appearance, Lei Yunzi secretly praised him. Then, he sighed softly. “It’s a pity,”

It was at that moment that a pair of blood-red eyes suddenly shot toward ye chen. “Ye nankuang, you’ve finally come out!”

The person who spoke was the Taichu heavenly venerate!

He looked at ye chen with a dark gaze and smiled eerily. “I thought you’d be cooped up in there for the rest of your life,”

“Old man!”

Ye chen also looked up and smiled faintly. “If I don’t come out, how can I slaughter you, you old dog?!!”

Everyone was shocked by his words.

Heavenly venerate Taichu was so angry that he laughed and said, “Ye nankuang, you destroyed my absolute beginning dojo and slaughtered my disciples. Let’s end this hatred today!”

“Today, even if you are a God on earth, you can forget about leaving this place alive!”

At the end of his speech, the world instantly boiled over. Streams of terrifying killing intent of the five elements sealed off the world in all directions, making countless people nervous.

“Do the others have the same idea?”

Ye chen placed his hands behind his back and swept his gaze across the world. His gaze swept past the people of the great Jiang divine dynasty, the Tianxuan Holy Land, and the Xuanyuan eight families one by one.

“Of course!” The panwu celestial sect’s Big Shot sneered. “Ye nankuang, you’ve killed two of our panwu celestial sect’s young masters in succession. How can we let go of such a blood feud!”

Jiang Hongyuan, the third Prince of the great Jiang dynasty, took a step forward and looked at ye chen. “Fellow Daoist ye, you don’t have much hatred for the great Jiang dynasty. However, it is rumored that you look down on us, the immortal sects of the outer realm, and have committed many killings in succession. The great Jiang dynasty can only advance and retreat with you.”

As soon as he finished speaking, Jiang Li, who was standing behind him, seemed to want to speak up for ye chen. “Uncle ...”

However, before he could finish his sentence, he met Jiang Hongyuan’s sharp gaze and swallowed his words.

“Brother ye, I wish you good luck ...”

He could only sigh to himself. As an enemy, he actually admired ye chen. After all, the latter had cultivated to this level as a native of the abandoned Galaxy. It was rare.

“So, you want me dead too?” ye chen looked up at Jiang Hongyuan.

“Fellow Daoist ye, you’re too kind.”

“No!” Jiang Hongyuan shook his head slightly and said, “if fellow Daoist ye is willing to repent, give up resisting, and accept our punishment, there might be a chance for us to turn things around!”

“Not bad!”

Upon hearing this, the Taichu heavenly venerate couldn’t help but laugh. “To show your sincerity, you need to hand over the emperor’s seal and destroy your cultivation!”

Then, he turned to Lei Yunzi, Fang tianchou, and the woman from the Tianxuan Holy Land and said, “What do the three of you think?”

Fang tianchou took a step forward and looked coldly at Fang Ziyue who was behind ye chen. “Evil creature, hurry up and get over here!”

Fang Ziyue looked at ye chen and then at the former. In the end, she braced herself and walked over, saying subconsciously, “Uncle, ye-qianbei, he ...”

“Shut up!”

Fang tianchou chided, then turned to ye chen. “Ye, you bullied Ziyue because she’s young and set Tianyuan trading company up. How do you plan to deal with this?”

“Oh,” ye chen replied, “how do you want to deal with it?”

“It’s simple!”

“Hand over the emperor’s seal and I can forgive your sins on behalf of Tianyuan trading company. I can even protect you. Otherwise ...” Fang tianchou narrowed his eyes.

“Otherwise what?” Ye chen remained unmoved.

Fang tianchou's eyes turned cold,"otherwise, you will die today!."

"Shameless!"

Quite a number of people present cursed in their hearts when they heard these words.

At that moment, Fang Ziyue's face turned pale. She didn't expect Fang tianchou to make such a choice.

Thinking of this, she was about to speak, but found that she seemed to be under a restriction, unable to speak. Then she was controlled by someone and could not move.

The beautiful woman from the Tianxuan Holy Land smiled and said,""The Tianxuan Holy Land is willing to advance and retreat with you, fellow Daoists!"

After her, four out of the five great saint lands had expressed their stance. This time, only the Yanhuang fortress had not.

Heavenly venerate Taichu looked at thundercloud with a faint smile."Old ghost Lei Yun, what's your attitude? Don't tell me that you're reluctant to get rid of this traitor of China?"

As soon as he finished speaking, countless eyes were fixed on master thundercloud and his group.

Ye Chen's calm gaze followed.

Under everyone's heated gazes, before Lei Yunzi could speak, Huangfu Yu stepped forward and looked at ye chen with a cold smile."Brother ye, I don't know when you've ever thought that you'd have such an ending where you'd become the enemy of the entire world today?"

His hatred for ye chen had reached a point of no return. This hatred had even surpassed the time when ye chen and earth had killed him.

This was because su Qilin was only his reincarnation at that time. His biggest loss was losing the emperor's seal in the huangshen tomb.

This was because the emperor's seal was related to many things that he had planned for countless years.

"The next stage?"

Ye chen smiled faintly."You'll have to pay for what you've done sooner or later. This has been a principle since ancient times. Today, I only want to beat you to death, or be beaten to death by you!"

"Whoosh!"

As soon as these words came out, the entire place was in an uproar. Everyone looked at ye chen with eyes full of extreme disbelief.

Under such circumstances, he was still able to maintain such an attitude?

After hearing those words, Feng Wuxie was stunned for a moment, then he rubbed his chin and repeated,""Today, this ye only wants to beat you to death, or be beaten to death by you!"

"What arrogant words! I like them!!!"

Chapter 1558: Today's big day, good for killing!

"Very good!"

After hearing his words, Huangfu Yu's eyes narrowed and a sharp look appeared on his face, "I'm looking forward to your ending!!!"

Then, he turned around and looked at master thundercloud, "Senior Lei Yun, we have already expelled this person. What are you hesitating for?"

Meeting everyone's eyes, master thundercloud looked at ye chen with a complicated expression and sighed. "The Yanhuang Fort will withdraw from this matter and will not help either side!"

Even though ye chen had once destroyed the formation he had set up in Yanhuang fortress, even though ye chen had caused him a lot of trouble after entering Yinxu, he still had to be careful.

It was undeniable that he had always admired ye chen, even though the two had never met before.

For the sake of righteousness, he did not want China to lose such a talent. For the sake of balance, he was even more unwilling to let China become the target of public criticism for ye chen.

Hence, he could only remain neutral.

As he said that, the Taichu heavenly venerate was not angry. Instead, he was happy. "Fine, old B * stard Lei Yun, you said it yourself. If you dare to help this man today, you will be our enemy!"

This was exactly what he wanted to hear from Lei Yunzi. Everyone present knew that Lei Yunzi, who had always been thirsty for talent, would not make a move against ye chen.

It was enough as long as he did not help the latter.

Only Huangfu Yu's body trembled as he looked at him in disbelief, "Why? He took away what I deserve, why are you so kind?"

"For the sake of China!"

Master thundercloud couldn't bear to look at his eyes and sighed, "Whether it's you or him, you're both descendants of the Chinese country. You're the future hope of the Chinese cultivation world."

"Bullsh * t, it's all bullsh * t!!!"

Huangfu Yu was so angry that he laughed. "You've disappointed me too much. You're too soft-hearted. There's no hope left for China if it's in the hands of someone like you!"

"Who the hell is ye nankuang?"

"I, Huangfu Yu, am the God's chosen one of Hua country. I'm the direct descendant of Emperor Xuanyuan. Only I can determine the fate of the cultivation circle of Hua country!"

He was almost roaring and complaining to Lei Yunzi.

Even so, master thundercloud's face twitched slightly, and he said in a daze, "As long as I'm still in charge of the Yan Huang fortress, I won't take back my words. If you don't agree with me, you can contact the others to dismiss me!"

"Don't worry, I'll definitely dismiss you!"

Huangfu Yu laughed coldly. "You definitely will. When you return, you will receive a joint order of expulsion from the other seven families!"

Upon seeing this, heavenly venerate Taichu and the others sneered to themselves.

Obviously, Huangfu Yu, who was recognized as the number one genius by the Xuanyuan eight families, had broken off relations with Lei Yunzi. As a result, the Xuanyuan eight families were divided, and the ultimate beneficiaries were the sects outside the region.

Even ye chen was surprised.

In his previous memories, the Eight Families of the Xuan Yuan clan were all selfish people. However, Lei Yunzi had refreshed his knowledge again and again.

"Good, very good!"

Heavenly venerate Taichu chuckled three times and looked at ye chen again. "Junior, I'll give you one last chance. Hand over the emperor's seal, destroy your cultivation, kneel down and surrender, and I'll leave your corpse intact!"

"BOOM!"

As soon as he finished speaking, the silent space began to boil. Invisible killing intent covered everything, as if it wanted to destroy the world.

Everyone's heart tightened!

Was this great battle finally about to erupt?

Ye chen was unmoved by the scene. Instead, he turned to Feng Wuxie and said, "Brother Feng, what's the occasion today?"

"Today is the tenth day of the seventh month of the lunar calendar. What's the matter?" Feng Wuxie asked.

"The tenth day of the seventh month of the lunar calendar ..."

Ye Chen's eyes flickered. "Today's a day of great calamity. It's time to kill!!!"

Heavenly venerate Taichu's gaze was cold. "You still dare to boast shamelessly even when you're about to die. Remember, the person who killed you is heavenly venerate Taichu!!!"

With that, he took a step forward and waved his sleeve.

"BOOM!!!"

A Black Dragon that looked like a black Thunderbolt suddenly shot out from his sleeve. It immediately expanded to hundreds of feet and whizzed toward ye chen with an aura that could destroy the world.

The world rumbled under this strike, as if ghosts were wailing and wolves were howling. It was as if the world had been reversed, causing many people's scalps to go numb.

"Absolute beginning combat technique!!!"

Jiang Hongyuan, the third Prince of the great Jiang dynasty, narrowed his eyes. "I didn't expect old man absolute beginning to use this absolute beginning combat technique. It's said that this combat technique was created by a heaven illuminator. Once it's used, even gods and ghosts have to retreat!"

"Senior ye!!!"

Fang Ziyue, who was trapped, shouted in her heart.

In his opinion, even if ye chen had reached the void training stage, how could he be comparable to a famous ancestor of a great sect like heavenly Lord Taichu?

"What a pity!"

Master thundercloud shook his head slightly, feeling extremely regretful.

Feng Wuxie's expression turned serious and he could not help but look at ye chen.

"Boom boom boom!"

The sky changed color and strange phenomena appeared. Dark clouds rolled and a Black Dragon roared like a fiendgod as it attacked ye chen. At this moment, the void collapsed.

Suddenly, a white palm streaked across the sky.

Ye chen had made his move!

Then, before everyone's eyes, the black water dragon that was shrouded in terrifying killing intent suddenly dispersed and turned into a terrifying energy that swept in all directions.

"This is interesting!!!"

Upon seeing this, heavenly venerate Taichu's eyes narrowed. "It turns out that he has reached the void training stage! No wonder he is so fearless!"

As soon as he said this, the world fell silent.

The void training stage!

Ye nankuang had reached the void training stage!

Even Jiang Hongyuan, the third Prince of the great Jiang dynasty, and the others from the panwu celestial sect were slightly shocked. After all, a void training cultivator was not comparable to a soul formation cultivator. At this stage, he was almost on the same level as them.

"It seems that this declining star region is still blessed with good fortune. It actually gave birth to a talent like you. No wonder you could destroy my absolute beginning dojo and kill countless of my disciples!"

“So what? you shouldn’t have offended my absolute beginning dojo. We are a great sect from outside the region. You, a mere native, dare to offend your superiors. You deserve to die!”

“Old man, you really talk too much nonsense!”

Suddenly, a figure soared into the sky. In an instant, he was a thousand feet away. He soared into the sky as if he was going to transform into an immortal God and soar into the sky.

Ye chen let out a long roar and attacked again. His palm contained great horror. The world boiled and the vast true essence pressure cracked the void within a radius of ten thousand feet.

“You’re looking for death!”

Heavenly venerate Taichu snorted again and again. His eyes also flashed with murderous intent. Then, he opened his mouth and spat out a black Ruyi divine shuttle.

The divine shuttle was dripping with pungent blood. It was like a netherworld ship that had harvested countless lives. This was the yin Qi that had accumulated for countless years.

Chapter 1559: One sword illuminating the mountains and rivers for eternity!

“Yin spirit God shuttle!!!”

Seeing this, the other void training powerhouses were all shocked.

“That old man Taichu is getting serious!”

Even Fang tianchou couldn’t help but say, “it’s said that this Yin Spirit divine shuttle was made from the water of the underworld River by a ruthless man from the outer realm. It’s extremely ferocious!”

“Pa!!!”

With a loud bang, the terrifying shuttle released a thick aura of death. It then suppressed ye chen with an aura that made people tremble.

“Get lost!”

Ye chen turned into a big hand and slapped out. A golden rainbow immediately sent the divine shuttle flying. The space collapsed on the spot.

“He actually sent the yin spirit God shuttle flying?”

At that moment, all the other cultivators at the void training stage were shocked. They couldn’t believe it.

“This kid is indeed a demon!”

“To be able to send heavenly Lord Taichu’s yin Spirit divine shuttle flying with just his physical strength ...” Someone couldn’t help but admit. “Such strength is enough for us to take him seriously!”

“Come back!”

Heavenly venerate Taichu's face was as dark as water. With a call, the dark spirit divine shuttle fell into his hands again. Then, it exploded with endless death energy and attacked ye chen again.

This time, he used his full strength!

In this realm, it was rare to engage in life-and-death battles. Once life and death were decided, the process would usually take only a single thought.

"Old man Taichu, you keep calling us natives. Do you think we Earthlings are easy to bully? I don't know how many trash like you I've killed back then!"

Ye Chen's palm glowed. He took a step forward and his five fingers instantly melded into a divine sword, slashing forward.

"Woof!"

At that moment, everyone's eyes were dazed.

A beam of sword Qi shot up into the sky. The golden sword Qi was so bright that it seemed to illuminate the mountains and rivers for eternity.

It was a young man who was like a god. He held a Heavenly Sword in his hand and slashed out with all his might!

This wasn't a sword from the mortal world. It was more like a sword from an immortal, and it shouldn't exist in the mortal world!

"This is ..."

Master thundercloud was stunned at first, then he seemed to remember something and muttered, "Unparalleled sword intent, this is unparalleled sword intent. I can't believe that besides cultivating both martial arts and spiritual techniques, this kid is even more unparalleled in the way of the sword!"

"Boom boom boom!"

As ye Chen's sword slashed out, the world suddenly trembled. A wave of destructive power that traversed the three worlds and six paths spread out like a tide.

"Not good!"

Heavenly venerate Taichu's expression changed slightly when he felt the power of that sword. He had never thought that ye chen would have such a terrifying cultivation base in the way of the sword.

He roared and pushed out with both hands.

"Pa da!"

However, under that sword, his primordial soul treasure, the yin Spirit divine shuttle, exploded with a loud bang. It was like a knife cutting through tofu, turning into countless pieces and scattering.

The sword light's momentum disappeared!

“Pfft!”

As blood splattered, two arms could be seen flying up.

Heavenly venerate Taichu spat out a mouthful of blood as he retreated. If one looked closely, they would see that his arms had been cut off. The boiling blood that flowed out burned countless living beings.

At that moment, the entire world was in dead silence!

Ye nankuang had actually defeated Lord Taichu, the ancestor of a sect?

Countless people gasped. If they didn't see it with their own eyes, they wouldn't have believed it even if they were beaten to death.

“How is this possible?!!”

Huangfu Yu blurted out subconsciously, his eyes filled with disbelief!

Heavenly venerate Taichu's gaze was fixed on ye chen. “What kind of sword is this?”

One sword, he was almost killed by just one sword!

At this moment, he didn't know why, but he actually felt a chill in his heart!

How was this possible?

He was just a native of earth. Even if he had reached the void training stage by luck, how could he have such monstrous combat strength?

He roared madly in his heart.

“The sword of nature that kills dogs is specially used to kill arrogant, condescending, uneducated dogs from the outer realm like you!!!”

Ye Chen's eyes were deep and his brows were straight. From the beginning to the end, his expression was calm.

He took a step forward, and the space around him shattered. He then struck toward heavenly venerate Taichu like an ancient God!

“Die for this old man!!!”

“The primordial void-breaking sword!” Heavenly venerate Taichu was also going crazy.

All of a sudden, a dazzling sword Ray as bright as the stars shot out from the top of his head. The sword ray slashed toward ye Chen's head with an aura that could destroy everything.

Clang!

Ye chen used his physical body to resist it. With a flick of his fingers, he flicked away his second primordial spirit treasure with two fingers and forced heavenly Lord Taichu back again.

After having two primordial spirit treasures destroyed in succession, heavenly Lord Taichu's mind had long been damaged. In addition, ye Chen's momentum was like a rainbow and his might was unparalleled. He had long lost his initial ambition and was forced to retreat and vomit blood repeatedly.

Everyone looked at this scene with trembling hearts.

Were they hallucinating?

He was the ancestor of a sect, an old monster at the void training stage, a rare top-tier powerhouse in the sects outside the domain, but he was being forced to retreat at this moment!

"He's too strong! Ye nankuang is too strong!"

Someone's lips trembled. "A mere heavenly Lord Taichu is no match for him. It's hard to imagine that such a monstrous figure was born in this abandoned Star Domain!"

Jiang Hongyuan, the third Prince of the great Jiang dynasty, and the others were also watching this scene with grave expressions.

Heavenly venerate Taichu's combat power was not much different from theirs, yet he was still forced to this point. If it were them, how much better would they be?

"BOOM!"

Ye Chen's right arm transformed into a golden divine sword and directly cut off one of heavenly Lord Taichu's legs. His eyes were indifferent as he said, "Heavenly venerate Taichu, is this the pride you're so proud of? Aren't you quite capable? Didn't you just ignore the cultivators of earth?"

"Today, this ye will give you the capital to be insolent!"

He walked through the shattered Void, sweeping everything in his path. He looked down on everything, and his vast might seemed to suppress the entire heaven and earth.

"BOOM!"

At this time, a terrifying force suddenly burst out from the side and headed straight for ye Chen. The speed was like lightning.

"It's the Big Shot of the Panwu celestial sect!"

"He can't help but make a move!"

"Is this a two-on-one?!!"

Someone's body trembled.

"Ye nankuang, die!!!"

An old man in a golden Daoist robe with a Sage-like demeanor attacked ye Chen with a sea-like divine sense that turned into a blood-colored ocean.

Ye Chen was fearless. His large hand slammed down, using his physical body to resist such a terrifying psychic attack. The blood-colored ocean was split into pieces and scattered.

“Pfft!”

The Big Shot of the panwu immortal sect let out a blood-curdling screech and was sent flying.

“They’ve lost! Even the magnate of the panwu celestial sect has lost!!!”

Everyone was completely terrified!

“Woof!”

Suddenly, a Dragon’s Roar shook the sky. A Golden Dragon Spear pierced through the sky and slashed toward ye chen with eternal light.

“The person from the great Jiang dynasty has made his move!”

Someone shouted. However, before he could finish his words, the sky suddenly turned into a sea of fire. The temperature rose sharply, as if there were heavenly flames pouring down.

“Fang tianchou of Tianyuan trading company has also made his move!”

“The people from the Tianxuan Holy Land have also made their move!”

“My God! Four cultivators at the void training stage are attacking ye nankuang at the same time!”

“A big scene, definitely a big scene!”

At that moment, the atmosphere between heaven and earth suddenly rose to the extreme!

Countless people were so shocked that their scalps went numb!

Chapter 1560: Today, I’ll completely kill you outer-realm dogs!

In the vast devil earth

The eyes of two figures, one big and one small, pierced through the endless darkness and reached the outside of the devil earth.

The Golden Toad was so angry that it cursed, “This group of old fogeys is really shameless. They actually ganged up to bully me with numbers. I’m so angry!!!”

“Second brother, if we don’t make a move now, I’m afraid that kid will really be in danger!”

Upon hearing this, a golden ape with a big stick in his hand said, “Boss said that this is a tribulation for that person, and it’s also our test for him. If he can pass the test, maybe ...”

.....

Outside the huangshen tomb, the world was shaking.

Four figures as vast as the sea attacked one after another, wrapped in monstrous killing intent as they attacked ye chen. The four peerless killing intents shook the world.

They were Jiang Hongyuan, the third Prince of the great Jiang dynasty, Fang Tianchou of the Tianyuan trading company, and the powerhouses at the void training stage from the Tianxuan Holy Land.

At this moment, the entire world was in an uproar.

The great void heavenly venerable had been defeated!

The magnate of the Panwu Celestial Sect had also been defeated!

In the end, it even forced the remaining several old monsters at the void training stage to join forces and attack.

And the person who caused this scene was only a soul formation perfection native cultivator on earth before.

Who would have thought that this would happen?

“A big scene, definitely a big scene!”

Someone was shocked to death. “No matter if Ye Nankuang is dead or alive, his name has shaken the entire Yin Xu and even spread to the outer realms!!!”

“Ye Nankuang, don’t blame us for bullying you with our numbers!”

Jiang Hongyuan held a Golden Dragon Spear in his hand, and the dazzling and terrifying Emperor Qi almost covered the sky and earth, making him look like an ancient Emperor. “If you want to blame someone, blame yourself for being too arrogant and looking down on everyone!”

If one looked closely, one would notice that there was a hint of regret and fear in his eyes when he looked at Ye Chen.

As long as he was given time, he would definitely become an Emperor that illuminated the heavens.

He was almost certain.

If they had known that Ye Chen was so freakish, how could the great Jiang dynasty have gotten involved in this mess so casually and ended up offending a person who was about to become an Emperor?

“If you want to fight, then let’s fight. Why are you so noisy!”

Faced with the combined attack of four void training stage Almighties, Ye Chen stepped into the air. His black robe fluttered in the wind, making him look heroic and imposing. His eyes were calm and profound like the Galaxy. “Today, I’ll completely kill you outer-realm dogs and make you submit!!!”

“What big words!!!”

“Soul-absorbing Tyrannosaurus spear!” Jiang Hongyuan shouted.

With a slight shake of his hand, the Dragon Spear immediately transformed into an incomparably ferocious Dragon’s Shadow. It shattered the sky and charged toward Ye Chen.

“A middle-grade Dao artifact!”

Seeing this, many people were shocked.

Cultivators at the void training stage could merge weapons into their divine souls and refine them. They were called primordial spirit treasures or Dao artifacts. Dao artifacts were divided into low-grade, medium-grade, high-grade, and Supreme-grade Dao artifacts!

“Ye nankuang, it’s not too late for you to surrender now!!!”

Jiang Hongyuan’s killing intent was like water.

“You’re just like an ant!!!”

Ye Chen’s eyes were still calm. He raised his finger and pointed forward.

Seeing this, Jiang Hongyuan sneered in his heart. The soul-absorbing brutal Dragon Spear was a mid-grade Dao artifact, formed by the ancestral dragon vein of the great Jiang divine dynasty. It could suppress fate and was invincible.

Ye nankuang pointed out with his finger, which showed that he was extremely confident in his body.

“Ang!”

The Dragon Shadow that covered the sky roared and charged at ye chen with Great Terror.

Ye Chen’s expression did not change. He still pointed his finger lightly and landed on the seven-inch spot of the Dragon’s Shadow at a moderate speed.

The next moment, Jiang Hongyuan’s smile froze.

“BOOM!”

When the Dragon’s Shadow, which was transformed from his mid-grade Dao artifact, was less than three meters away from ye chen, it suddenly stopped in its tracks. Then, it let out a sorrowful roar and quickly collapsed from its tail to its head.

“Pfft!”

Jiang Hongyuan vomited blood and retreated madly. His eyes were full of horror. “How is this possible? How is this possible?”

That was his mid-grade Dao artifact. No Holy Land would have more than a few of such treasures. He did not expect ye chen to break it with a single finger!

At that moment, everyone in the world was shocked.

One finger!

The middle-grade Dao artifact was shattered, and the third Duke of the great Jiang dynasty was severely injured!

“This ye nankuang is too scary!”

“Is he the reincarnation of Emperor Xuanyuan?”

In an instant, an earth-shattering sound burst out in the world again.

Seeing ye Chen's shocking combat strength, even Fang tianchou and the void training stage powerhouses of the Tianxuan Holy Land felt a chill in their hearts.

He had defeated three cultivators at the void training stage by himself. He was like the reincarnation of the God of War. It was not wise for them to make enemies with such a person.

"Everyone, don't panic!"

At the crucial moment, the Taichu heavenly venerate, who had recovered, said with a pale face, "This kid has just broken through, so his realm is still unstable. He must have used some kind of secret technique to unleash his potential. As long as we work together, we will definitely be able to kill him!"

"Don't forget that we've already formed an enmity with this kid. If we allow him to continue growing, it will be our end one day!!!"

Heavenly venerate Taichu roared.

He was truly afraid. Ye Chen's many tricks had shattered his confidence one by one. Moreover, the speed of ye Chen's growth made his scalp numb.

Fang tianchou and the lady from the Tianxuan Holy Land exchanged a glance and saw the murderous intent in each other's eyes!

"Kill!!!"

Fang tianchou took a step forward and finally made his move!

The woman from the Tianxuan Holy Land followed closely behind.

"Kill! End Earth's hope!!!"

Heavenly venerate Taichu rushed out, followed by the Big Shot of the panwu celestial sect, Jiang Hongyuan, the third Prince of the great Jiang divine dynasty ...

At this moment, the five void training stage powerhouses had joined forces and displayed all their inheritances, vowing to kill ye chen on the spot!

The world was silent as everyone looked at the scene in a daze.

That thin figure had actually reached such a stage where he was able to fight against the Giants of the five Holy Lands by himself. Who could do that?

At this moment, many people from the outer realms admired ye chen. It was for no other reason than ye Chen's unparalleled elegance.

Master thundercloud's face twitched as he looked at the scene. He closed his eyes, took a deep breath, and stepped forward.

"You want to save that ye?"

Huangfu Yu snorted coldly. "Don't forget, if you make a move, you'll bring the wrath of the entire eight families of the Xuan Yuan. It's fine if you die alone, but don't drag us down with you!"

“This kid is too amazing ...”

Master thundercloud’s body trembled and he said in pain, “He is the hope of our country. I can’t bear to see him fall ...”

At this moment, an extremely indifferent voice rang out from the void, “If you attack, your Lei family will be annihilated!!!”

As the voice fell, everyone’s eyes looked over, including those of the Taichu heavenly Lord and the others.
