

## Genius 1561

### Chapter 1561: If you make a move today, you will die without a doubt!

At that moment, a huge old figure appeared in the void and turned into an old man who landed in the murderous world.

"It's the old ancestor of the Gu family, one of the eight Xuanyuan families!"

When they saw the old man's face, everyone was shocked.

At that moment, fear flashed across the eyes of the Taichu heavenly Lord and the others. Jiang Hongyuan stood proudly with his Dragon Spear in hand. "Old ghost, is your Gu clan going to join our battle and help ye nankuang?"

What no one saw was that when the ancestor of the Gu family appeared, Huangfu Yu immediately smiled.

Master thundercloud, on the other hand, smiled bitterly.

In the face of his question, the ancestor of the Gu family looked at ye chen expressionlessly and then landed next to Lei Yunzi. His muddy eyes looked directly at Huangfu Yu. "Where's the emperor's seal?"

"He's on it!" Huangfu Yu pointed at ye chen.

Under everyone's gaze, the Gu family's ancestor looked at ye chen coldly. "Junior, hand over the emperor's seal and I'll keep you alive. I'll also restore your Chinese citizenship!!!"

"What if I don't hand it over?" ye chen asked calmly.

The ancestor of the Gu family squinted his eyes and said gloomily, "If you don't hand it over, then I'll have no choice but to get rid of you, a traitor, for China!"

"Then do it, old man. I've been waiting for you for a long time!" Ye chen sneered.

"Stubborn!!!"

The ancestor of the Gu family shouted and took a step forward, as if he was going to join in the battle.

"Ancient ghost, you're too presumptuous!!!"

At that moment, a loud roar was heard and a figure stopped the ancestor of the Gu family.

It was thundercloud!

"Old ghost Lei, are you trying to stop me?" the Gu family's ancestor asked coldly. Don't forget that you're also a member of the Xuan Yuan eight families. You should know the importance of the emperor's seal better than me!"

"I am indeed a member of the eight Xuan Yuan families!"

Meeting his eyes, master thundercloud said in a deep voice, "However, the Eight Families of Xuanyuan are also Chinese. What you've done today is equivalent to destroying the future hope of our country!"

"This kid is the Hope of China?!!"

The ancestor of the Gu family glanced at ye chen coldly and said, "The Xuan Yuan eight families are the Hope of China. Only when the Xuan Yuan eight families prosper can China strengthen!!!"

Lei Yunzi said, "you are not allowed to attack today!!!"

At this moment, another figure shook the sky. Then, an old man holding a sword stepped in the air and said, "Old man Lei, are you betraying the eight Xuan Yuan families?"

As soon as the sword-wielding old man appeared, a shocking sword will filled the air, as if the world had become a world of swords.

"It's the patriarch of the Huangfu family of the Xuanyuan eight families!"

Someone exclaimed.

Lei Yunzi said painfully, "old Huangfu, are you going to go crazy with the Gu family?" Don't forget the duty of the Eight Families of the Xuan Yuan!"

"If you make a move today, you'll die without a doubt!"

The Huangfu family's ancestor had an indifferent expression as he said to the Gu family's ancestor, "You stop him! I'll help my fellow Daoist Taichu and the others to get rid of the rebels in China!"

With that, he transformed into a sword rainbow and landed beside heavenly Lord Taichu and the others. He looked at ye chen expressionlessly and said, "Fellow Daoists, today this old man's goal is the same as yours, so you don't have to be wary of me!"

Upon hearing this, heavenly venerate Taichu was the first to laugh. He looked at ye chen and said mockingly, "Ye nankuang, did you see that? it's not just us, even your own people want you dead. Too many people want you dead!!!"

"Huangfu, you old B \* stard!"

Ye chen suddenly laughed and looked at old master Huangfu. "You keep calling me a traitor of China. May I ask if I've ever done anything to betray China?!!"

"You're a traitor if you don't respect the order of the eight Xuanyuan families!" Ancestor Huangfu said numbly.

"Hahaha!"

Ye chen laughed out loud, his black hair dancing in the wind. "The Xuanyuan eight families can represent China? They're just eight selfish existences!"

"Bastard, do it!!!"

Patriarch Huangfu let out a furious roar. A shocking sword radiance shot up into the sky from his body, tearing the clouds and the void apart. His sword will suppressed everything.

“Kill!!!”

Heavenly venerate Taichu’s killing intent surged.

In the next moment, the six powerhouses at the void training stage attacked together. Their horrible pressure and invisible killing intent covered the whole area as if they were penetrating into the bones, making everyone tremble.

“What a pity! It seems like ye nankuang is going to die today!”

Someone sighed in his heart, as if he was feeling sorry. “Six powerhouses at the void training stage have joined forces. I have never seen such a formation in Yinxu before. No matter how unparalleled ye nankuang is, he can’t resist it.”

“If such a person continues to grow, he will definitely shine on the heavens one day. It seems like the heavens want to destroy Earth’s hope!”

“It’s good that such a person is dead,” someone said with resentment. “It’s good to let the natives of this world know that the Supreme sects of the outer realms are not to be violated and blasphemed!!!”

Looking at this scene, master thundercloud closed his eyes in despair.

Huangfu Yu laughed coldly! “Old man Lei! Take a good look! The hope of the Chinese country that you value so much is destined to fall!!!”

“I’m the only hope of China!”

His eyes were filled with madness, as if he could see ye Chen’s bloody end.

“Good, very good!”

Ye chen suddenly let out a long howl, like a demon in a frenzy. “It’s better to teach me to betray the world than to teach the world to betray me. You’re forcing me to start a massacre!!!”

Then, he placed his hands on top of each other, and a mysterious seal swirled on his fingertips.

Under everyone’s gaze, two balls of black and white Qi condensed between his palms. The black and white intersected, and it was the yin and yang Qi and the Tai Chi pattern.

“What is he doing?”

Everyone’s eyes narrowed.

Even heavenly venerate Taichu and the others subconsciously stopped in their tracks and stared at this scene. Their instincts told them that this change in hand seals seemed to be some kind of divine power.

Only ye Wushuang’s smile became brighter.

“BOOM!”

In an instant, the Tai Chi pattern in ye Chen’s hand suddenly expanded and turned into two streams of black energy that spun rapidly around him.

In an instant, the sky and earth shook as if heaven and earth had been turned upside down.

At that moment, endless spiritual Qi of heaven and earth moved towards him in a frenzy. It covered the sky and the earth, drowning him.

Ye Chen stood with his head held high. He absorbed the spiritual energy from all directions and devoured the essence of the sun and moon. Meanwhile, the two streams of black and white Qi beside him began to grow rapidly.

Under everyone's gaze, two figures suddenly emerged from Ye Chen's body. One of them was dressed in white while the other was dressed in black.

The most frightening thing was that these two figures were exactly the same as Ye Chen, whether it was their faces or height. They were like twin brothers.

The Azure-robed Ye Chen's eyes were indifferent.

The white-robed Ye Chen had a Sage-like demeanor and outstanding bearing.

The black-robed Ye Chen's demonic energy was monstrous. He seemed to be the reincarnation of a demon master!

The three Ye Chens stood side by side, each with a different temperament. Three terrifying pressures shrouded the surroundings, making people's hearts palpitate.

### **Chapter 1562: Slaughter them to prove my demonic path!**

"BOOM!"

The heavens and earth shattered, the space roared, and the eight desolations were completely boiling. It was as if a God had descended into the world.

In the void, three identical figures stood side by side.

"What's that?!!"

At that moment, everyone's eyes fell on the three Ye Chens, and there was only shock in their hearts.

Even heavenly venerate Taichu and the others couldn't help but reveal looks of shock.

This was because they realized that these three Ye Chens were all at the early void refinement realm. The pressure that the black and white Ye Chens gave them was no less than that of the green-robed Ye Chen.

"A clone technique?!!"

Heavenly venerate Taichu's voice became much sharper.

"This isn't an ordinary clone technique!"

Fang Tianchou of Tianyuan trading company was horrified and said in a deep voice, "Tianyuan trading company has never seen such a strange clone technique before. I think he must have refined two puppets ..."

The rest of the people were secretly shocked.

He did not expect ye Chen to still have a trick up his sleeve at this point!

Heavenly venerate Taichu's pupils shrank as his killing intent surged."Whether it's a puppet or an avatar, this kid will die today!"

The more freakish ye Chen's performance was, the more determined they were to kill him at any cost!

"Kill!!!"

At this moment, the six powerhouses at the void training stage attacked with all their strength. They didn't hesitate anymore. The invisible killing intent that burst out directly wiped out countless living beings. Countless cultivators even prostrated on the ground with terrified expressions.

"Good timing!"

The Azure-robed ye Chen's eyes were calm."This time, I'll make all of you outer-realm dogs crawl under my feet!!!"

The black-robed ye Chen's eyes were cold, like a Supreme Demon Lord who had descended from the heavens."Slaughter them to prove my demon Dao!!!"

"It has been eight hundred years since I've attained the Dao. Today, I'll take your head with my flying sword!"

The white-robed ye Chen's white clothes fluttered in the wind, like an ancient immortal.

The Azure-robed ye Chen took a step forward, domineering and cold. He took the initiative to meet heavenly Lord Taichu, Jiang Hongyuan, the third Prince of the great Jiang dynasty, and old ancestor Huangfu of the Xuanyuan eight clans.

"BOOM!"

"Junior, die!"

Heavenly venerate Taichu's expression was filled with hatred as he attacked with all his might.

His first move was a killing move. He had actually summoned a purple electric net from the void. The electric net was densely covered with terrifying lightning and bright flames, condensing into a terrifying killing formation. The murderous aura swallowed the sky and suddenly enveloped ye Chen.

"Middle-grade Dao artifact, purple lightning divine fire shield!"

"Heavenly venerate Taichu is really going all out!" Someone was shocked.

"BOOM!!!"

The net of lightning and divine fire was like a vast ocean, and the terrifying aura made everyone feel hopeless.

"Bang!"

At that moment, a huge hand that could cover the sky burst out from above ye Chen's head. The huge palm faced upwards as if it was holding up the sky.

"Woof!"

With a deafening sound, the vast electric net was crushed by the giant palm, turning into a terrifying energy that shook the surroundings.

"Pfft!" Heavenly venerate Taichu spat out blood again in shock and horror.

He had already lost three of his trump card Dao artifacts to ye chen.

"It's too terrifying. It's really too terrifying!"

Everyone was extremely terrified.

"Slash!!!"

Old ancestor Huangfu also made his move. He did not give ye chen any chance to catch his breath. He held a Taoist sword in his hand. It was as if he had cut through the nine Heavens and caused the world to fall.

"Sword domain!"

"It's said that ancestor Huangfu is known as the best swordsman among the eight Xuanyuan families," someone murmured. "It seems that he lives up to his reputation. I'm afraid the sword realm has already evolved into the embryonic form of a world!"

"I have to admit that you're very stunning!"

Elder Huangfu's eyes were like lightning as he said, "But do you really think that you can stop me by yourself? It's no different from seeking your own destruction!"

"Noisy!"

Ye chen said coldly and attacked again. "Sun Moon wheel!!!"

Everyone's vision blurred. When they looked again, they saw the sky was torn apart, and a sun and a moon appeared at the same time.

Heaven and earth shook and chaos churned as if heaven and earth had been reopened.

BOOM!!!

All of a sudden, Grand Elder Huangfu let out a blood-curdling screech. His left arm, which he was holding onto, shattered into pieces along with the Taoist sword and fell to the ground.

"Whoosh!"

This time, everyone was shocked.

Even ancestor Huangfu, who was known as the best swordsman among the Eight Families of Xuanyuan, could not do anything to ye nankuang. The latter was just too terrifying.

Jiang Hongyuan, the third Prince of the great Jiang dynasty, who was at the back, twitched violently as he was completely shocked.

It was too fast. Everything had happened too quickly!

It had only been a few breaths since he had attacked, and both heavenly Lord Taichu and ancestor Huangfu had been injured. How was he going to deal with them now that he was alone?

With this in mind, he retreated madly and made up his mind to withdraw from this battle and no longer fight ye chen to the death.

However, ye chen seemed to have sensed his intentions. He took a step forward and appeared in front of the former in the blink of an eye. Then, his right arm instantly melted into a divine sword and slashed out.

Clang! Clang! Clang!

In an instant, tens of thousands of sword rays shot out at the same time. The void was beaten into a honeycomb and completely pierced through.

Jiang Hongyuan's hair stood on end when he felt the attack. He immediately said, "Ye nankuang, let's talk this out ..."

"Pfft!"

However, before he could finish his sentence, he was instantly swept by an overwhelming sword light. His body and his protective Dao artifact were torn apart, turning into an endless mist of blood that surged into the sky.

"BOOM!"

At the same time, blood rain poured down from the sky. It was as if the sky was wailing. It was tragic.

Void refinement banner, blood rain!

This was a natural phenomenon caused by the fall of a void training stage cultivator!

At that moment, the world suddenly fell into a deathly silence.

The third Prince of the great Jiang dynasty had fallen!

A mighty cultivator at the void training stage had been killed by ye chen in front of them. Even his astral body had not been spared!

How shocking was this?

At that moment, heavenly venerate Taichu and the others paused in their actions and stared at the blood mist in the void. "Fellow Daoist Jiang Hongyuan!"

Some people roared with shock, fear, disbelief, and horror in their eyes ...

The six void training powerhouses had joined forces to deal with ye chen. The battle had not even lasted for five minutes and one of them had already fallen. How could they accept this?

Jiang Li almost passed out. "Uncle ..."

Huangfu Yu's body stiffened as he looked at the scene in a daze.

"The first one!!!"

Ye Chen was unrivaled and revealed his edge. His long black hair fluttered behind him as he walked toward heavenly venerable Taichu with his hands behind his back.

His expression was calm, and with every step he took, the killing intent on his body grew stronger and stronger, as if he was a Asura from hell.

### **Chapter 1563: All of you will die today!**

When he met Ye Chen's cold gaze, heavenly venerable Taichu's heart sank. He could not help but say in a trembling voice, "Ye Nankuang, do you really want to fight to the death with us?"

He was scared, he was really scared!

One of the six powerhouses at the void training stage was killed by the former even though they had joined forces. Moreover, the former didn't seem to be injured at all. Now there were only five of them left. How could they continue the fight?

The right arm of elder Huangfu, which was hanging behind his back, was trembling non-stop. "Ye Nankuang, I'm willing to back out of this war and restore your Chinese citizenship!"

"No!"

In the next moment, the sound of a heavenly abode reverberated through the void.

This roar resounded through the entire void, the entire outer region of Yin Xu, and even the core.

In the void, a young woman who looked like a fairy collapsed with a loud bang. A large amount of blood mist dyed the clouds red, and then it began to rain blood.

Another void training stage cultivator had fallen.

"Fairy Liu!!!"

At that moment, heavenly Lord Taichu and the others' gazes were fixed on the woman from the Tianxuan Holy Land who had been slaughtered by Ye Chen.

This was an extremely shocking scene. Ye Chen had split into three and fought six void training powerhouses head-on, but two of them had been killed.

Ye Chen's eyes were cold and emotionless. He formed a giant void hand and charged toward old ancestor Huangfu. "Today, you will all die!!!"

"Bastard!"

Elder Huangfu was terrified and went crazy. "Quickly send a message to the rest of the old ghosts. We won't rest until we die today!!!"

Master thundercloud's body trembled violently."Huangfu, you're crazy!!!"

"BOOM!"

With a loud noise, a golden imperial edict suddenly appeared in Jiang Li's hand. Then, he bit his middle finger and said,""This unfilial disciple requests Imperial grandfather to help!!!"

"Dida ..."

After the drop of blood fell into the Golden imperial edict, the entire sky suddenly split into two, as if there were terrifying lightning brewing in it.

"BOOM!"

Another ray of light shot into the clouds.

"Holy Land!" The Tianxuan saintess kneeled on the ground."Holy Land, please help!"

In the demon God forest, the scream had also reached this place.

Qianqiu wuhen placed his hands behind his back and looked at the sky in the distance."Things have actually developed to this stage ..."

"But it's still not enough ..." He said.

He shook his head slightly."Not enough. Far from enough. I haven't killed to the point where the Ruins of Yin shed blood. I haven't killed to the point where all living beings tremble ..."

In the air of the divinities tower.

Ling Long held the lantern in her hand and looked up at the sky in shock."Path master, you've guessed it again. Those six people are no match for that person at all. Otherwise, great Jiang's Oracle wouldn't have been sent out!"

"This abandoned star field actually gave birth to such a talent ..."

"Just what kind of technique is that? why have I never seen it before?!" The path Lord of carnal desires muttered to himself.

"Daoist master, what are you waiting for?" Ling Long gritted her teeth.

"Has that fellow from the demon God forest not made a move yet?"

The path Lord of carnal desires looked in the direction of the demon God forest. After a moment of silence, he said,"You have a good temper, but I can't wait any longer ..."

After saying that, he took a step forward and disappeared into the world.

In the depths of the vast devil earth.

The Golden Toad stomped its feet and said,"second brother, what are you waiting for?" Are you going to sit back and watch YinXu be destroyed?"

Upon hearing this, the Golden ape in front of him remained silent. However, a hint of struggle flashed in its Scarlet eyes.

“BOOM!”

Suddenly, a peerless sword essence pierced through the darkness and reached the depths of the sky, causing the demons in the endless darkness to roar.

“Second brother, there’s movement from the Xuanyuan sword!”

Seeing this, the Golden Toad revealed a look of disbelief.

Then, a majestic voice came from the temple, “Second brother, go and protect this person. Some people are getting restless!”

“Yes!”

The Golden ape’s body trembled before it disappeared into the darkness.

.....

“Boom boom boom ...”

Outside the Huangshen tomb, in just a few breaths’ time, countless bright beams of light shot into the sky. It was the Panwu celestial sect, Fang Tianchou and the others, who had sent out distress messages to their respective powers.

“Crazy, he’s really crazy!!!”

“Things have gotten out of hand. I’m afraid all the experts from the five great saint lands have come out to deal with ye Nankuang!!!”

“Chaos, Yin Xu is in complete chaos!!!”

“The heavens are about to be overturned ...”

“.....”

At that moment, everyone trembled in fear.

Seeing this, Feng Wuxie who had been watching from a distance turned pale. “Brother ye, things are bad. These old fogeys are starting to call for reinforcements. Hurry up and leave, hurry up and leave. If the five great Holy Lands turn out in full force, you’ll definitely die!!!”

“My young friend!!!”

Master Thundercloud suddenly looked at Ye Chen and burst into tears. “Run, quickly run. Run to the outer realm. There’s no place for you in Yin Xu ...”

“Escape? Where are you escaping to?”

In an instant, the sky exploded completely, and an old man in a golden Imperial robe slowly appeared in the void.

The old man's Imperial Dragon Qi covered the sky and earth, as if an ancient Emperor had descended.

"Jiang duxing, the second Prince of the great Jiang dynasty!"

Master thundercloud gasped when he saw the man, and his old face was filled with extreme horror.

He wasn't the only one. Even the hearts of heavenly Lord Taichu and the others twitched.

Jiang duxing, the second Prince of the great Jiang dynasty!

An old monster at the late void training stage!

His status and strength were second only to divine Lord great Jiang!

Jiang Li, who was in grief, shed tears of excitement." "Royal grandfather!!!"

The old man in the Royal robe was like a god. He ignored everything and looked at ye chen calmly."Junior, you've killed a member of my great Jiang dynasty. Come with me!"

With that, a huge hand appeared in the sky and grabbed ye chen.

Ye Chen's expression finally changed as he looked at the seemingly ordinary hand that covered the sky."The later stage of the void training stage, huh ..."

Even though he had already reached the void refinement realm and possessed the remarkable ability of creating three manifestations with one breath, it would still be quite difficult for him to encounter a late void refinement realm cultivator.

"Brat, this matter has been completely blown up ..."

The Emperor seal weapon spirit sighed.

Upon seeing this, the countless figures in the sky looked at ye chen again with a hint of sympathy.

This kid was indeed a monster, but unfortunately, he still couldn't escape the end of death.

Ye Chen's eyes flashed and the primordial Qi in his body exploded."So what if he's at the late void refinement realm? How can I be a trapped person?"

It was at that moment that a Second Sky-covering hand suddenly appeared in the void and met Jiang duxing's hand with a loud bang." "Old ghost Jiang, why didn't you just lie in the coffin and wait for your death? what are you doing out here?"

"BOOM!"

In an instant, the sky fell and the earth cracked. It was as if the Galaxy had collapsed.

This sudden scene shocked everyone. No one had expected that Jiang duxing would make a move and create a new problem.

"Path Lord of carnal desires, I didn't expect you to be unable to hold back as well." Jiang duxing's gaze darkened.

**Chapter 1564: I'll kill anyone who touches my friend!**

“Boom boom boom ...”

The void trembled, as if the world was about to collapse at any moment.

“Hahaha, this is really wonderful! I didn’t expect that the self-proclaimed Supreme five great Holy Lands would be slaughtered to such an extent by a single person!”

Suddenly, a maniacal laughter rang out in the sky. Then, under everyone’s gaze, a Man in Black slowly walked out of the void.

The man’s face was extremely handsome, but there was a faint mixture of 30% evil and 70% righteousness. His charming eyes made many people pale.

Many people were shocked when they saw the man who had suddenly appeared. They looked at the man with suspicion.

This was because most of the people present did not know this man. Some had even never seen him before. However, their intuition told them that he must be extraordinary to be able to speak to the second Prince of the great Jiang dynasty, Jiang duxing, in such a tone.

Only a small number of people, such as heavenly venerate Taichu, were stunned at first. Then, their expressions changed drastically. They looked at the man again with deep horror, as if they had recalled something.

“The path Lord of carnal desires, Chu Zhongtian, huh ...” Ye Chen’s eyes flashed.

Hearing Chu Zhongtian’s mocking laughter, Jiang duxing’s face darkened, “Path Lord of carnal desires, you shouldn’t have interfered in this matter!”

“I have my own way of judging whether I should or should not. There’s no need for you to worry about me!” The path Lord of carnal desires chuckled.

“Bastard!”

Jiang duxing was furious, and his killing intent swept across the sky. “Path Lord of carnal desires, we’ve always minded our own business. Are you trying to make an enemy out of the great Jiang divine dynasty with your actions today?!!”

“So what if we’re enemies?”

The path Lord of carnal desires smiled evilly. “Old ghost Jiang, you’re not my match. Let Jiang shengwu come out and talk to me.”

Upon hearing these words, the hearts of those who were observant were filled with shock like stormy waves.

Jiang shengwu, the Lord of the great Jiang divine dynasty and the human Emperor of a generation, controlled the prosperity of the great Jiang divine dynasty. To the people present, he was no less than a god.

However, this man who had suddenly appeared in front of him was clearly asking Jiang shengwu to come out. Furthermore, there was not a hint of politeness or respect in his words.

Who was this person?

Countless people were racking their brains for this.

“Path Lord of carnal desires, aren’t you afraid that you’ll cut your tongue?!”

A cold snort rang out, and a giant stepped out from the void. On the body of the giant, dazzling divine patterns that caused one’s heart to palpitate surged.

The moment he appeared, the surrounding space collapsed madly as if it could not bear the burden. It was obvious that he had cultivated his physical body to the extreme.

“Ancestor panwu has appeared!”

Everyone’s heart trembled violently, and their scalps went numb.

Ye chen looked in the direction of the sound. The moment the giant appeared, his huge body began to shrink rapidly. Soon, he turned into an old man with the size of a normal man. The old man was topless, like an old farmer.

“So it’s the old ghost panwu!”

The path Lord of carnal desires remained calm, as if he had already guessed that the former would appear. He gave a half-smile, “You shouldn’t be hiding and recuperating. Aren’t you afraid of dying here if you jump out now?”

“My body is complete. Who can kill me?”

“On the other hand, you, surnamed Chu, have been hiding like a rat for so many years. Be careful of your blood!” Ancestor panwu said with a fake smile.

“Is that so?”

The path Lord of carnal desires glanced at him coldly, exuding a domineering aura. “Trash like you, I can suppress you with one hand!”

“Path Lord of carnal desires, you lecherous wastrel, you still dare to come out!”

At the same time, a strange phenomenon suddenly appeared between heaven and earth. A huge Lotus of light descended from the void, and in the Lotus of light, a peerless beauty stood barefoot, her beauty unparalleled.

“Lin miaoyi, the previous saintess of the Tianxuan Holy Land!” Someone blurted out.

As soon as these words came out, the world was in an uproar again.

The Tianxuan Holy Land first had the Holy Lord, then the saintess. It could be said that the status of the saintess was only second to the Holy Lord. It could be said that she was only second to one person and above all.

As the previous generation's saintess of the Tianxuan Holy Land, Lin miaoyi had extraordinary aptitude and peerless beauty. In order to further improve herself, she had personally refined her own dual cultivation partner, and her ruthlessness was almost known to everyone.

"It's little Yiyi ..."

The path Lord of carnal desires looked at Lin miaoyi, reminiscing. "I haven't seen you for so many years. I didn't expect you to become the previous generation's saintess of the heavenly Jade Holy Land. However, you shouldn't speak to me in such a tone. After all, one night as husband and wife, a hundred nights of gratitude."

Upon hearing this, Lin miaoyi's face was as cold as ice, and she looked at the former with a gaze that seemed to be about to devour him. "You will die by my hands!"

"Why do you have to do this?"

The path Lord of carnal desires sighed softly and feigned guilt. "Although I've seen everything on your body that I should and shouldn't have seen, our relationship hasn't gone any further. If you're willing, you can consider becoming my ninety-nine thousandth concubine ..."

Lin miaoyi's face turned green with anger.

The world was in an uproar as countless gazes shifted between the path Lord of carnal desires and Lin miaoyi.

He was shocked that this poison widow was actually being teased by someone, but he was also curious about what kind of erotic and ambiguous past these two had.

Ye Chen's curiosity was piqued. Could it be that the path Lord of carnal desires had once flirted with the previous Holy maiden of the Tianxuan Holy Land?

Otherwise, why would the latter bear such a grudge against the former?

"Path Lord of carnal desires, it's not too late for you to retreat now!"

At this moment, he heard Jiang duxing say indifferently, "This time, the three of us have descended. You can't fight us alone, so I advise you not to meddle in our business!"

With the three late void refinement realm experts joining hands, they could break through the entire outer perimeter of Yinxu.

This kind of combat strength made everyone pale!

"Is that so?"

The path Lord of carnal desires was unmoved. He stretched his neck and said, "I hate threats the most. I'd like to see what you three pieces of trash can do to me today!"

The sound he made was more terrifying than Thunder, causing the earth to shake and the void to crack.

"Fight!"

Ancestor panwu let out a furious roar.

“BOOM!”

As soon as he finished speaking, his seemingly hunchbacked figure exploded with an aura that seemed to be able to destroy the Galaxy and the world.

“Is this earth-shaking battle finally about to begin?”

Everyone’s hearts could not help but be suspended.

However, in the next moment, an extremely domineering voice resounded through the sky, “I’ll kill anyone who touches my friend!!!”

Then, golden light filled the sky.

In the sky, a pair of golden bone wings blotted out the sun. A golden human-shaped skeleton appeared, accompanied by a monstrous evil energy that suppressed everything.

“What’s that?!!”

Everyone’s eyes could not help but pause, but then many people shouted and closed their eyes.

It was too glaring!

The human-shaped skeleton had a pair of golden pupils, which made people feel as if they were facing a Hundred Suns at the same time. Blood was dripping from the corners of their eyes, and they didn’t dare to look directly at it.

.....

### **Chapter 1565: Since that’s the case, we can only fight!**

In the endless void, a golden human-shaped skeleton came from afar.

His empty eyes were filled with coldness and killing intent, as if he had just experienced a bloody battle. There was still a pungent smell of blood on his body.

“Who’s that?”

“An undying being? An undying being?”

The crowd could not resist his gaze, and they were both scared and shocked. “Could it be that the one from the corpse demon sea has descended?”

“That’s not right. He’s not Saint Sanyou. Who is he?!!”

Everyone was shocked by the existence of the Golden human-shaped skeleton.

In the Ruins of Yin, only the corpse demon sea had creatures like the Golden human-shaped skeleton, and only the Lord of the corpse demon sea, Saint Sanyou, was golden.

“It’s this?”

Ye chen stared at it for a few seconds. Suddenly, a bright light burst out of his eyes. He suddenly recalled the red human-shaped skeleton he had encountered in the tomb of the martial God Zhan Tian.

Ye chen did not expect the former to grow to such an extent in such an extreme period of time. If he had not seen it with his own eyes, ye chen would not have believed it.

The Golden human-shaped skeleton descended on ye Chen's head, indomitable. The pair of golden bone wings on its back covered the sky and the sun. A pair of brilliant divine eyes looked at ye chen."Friend, I'm here!"

"A friend ..."

Ye Chen's heart fluttered.

He had not known the former for long, but he did not expect the former to see him as a friend and even come to this certain-kill situation for him.

With the appearance of the Golden human-shaped skeleton, the battle situation changed again.

Great Jiang shouted at Jiang duxing,""What are you? How dare you meddle in the affairs of our Holy Lands? are you not afraid of being crushed to death?"

"My name is in danger. Whoever dares to touch my friend today will be my enemy!"

The Golden skeleton's voice reverberated in the surroundings as it disdained everything.

"Why are you talking nonsense with them? let's attack together! I don't believe that we can't defeat them even if we join forces!"

Panwu ancestor let out a shrill cry and took the lead to attack.

"Attack!!!"

Jiang duxing's eyes were filled with maliciousness. At this moment, Lin miaoyi, the previous generation saintess of the Tianxuan Holy Land, had also made a move. The combined force of three late void refinement realm experts could be said to be earth-shaking and overbearing.

"They've finally started fighting!"

"It's chaotic, this Yinxu is in complete chaos. I don't know how many people will die and how much blood will be shed before it ends!!!"

At the sight of this scene, countless people were extremely shocked. Under the pressure of the three powerhouses at the void training stage, they almost suffocated.

"Fine, I'll teach you guys how to behave today!"

The path Lord of carnal desires smiled domineeringly.

"BOOM!!!"

In the void, a huge black Hand suddenly stretched out, as if it was the hand of a God from the distant unknown star field that had crossed over.

“Crack!!!”

The terrifying hand grabbed at the panwu celestial sect’s ancestor, who was at the very front. With a crisp sound, a bloodied arm was ripped off.

“Ah!”

Panwu ancestor screamed as he retreated frantically. He could not believe his eyes. He cultivated his physical body and was known to be invincible. But now, one of his arms had been torn off.

Everyone was completely stunned by this scene.

The other two sucked in a breath of cold air when they saw this. They looked at the path Lord of carnal desires in shock. “Path Lord of carnal desires, you’ve broken through the Emperor shackles?!!”

The top figures of the five great Holy Lands were all aware of the existence of the carnal desires path Lord, qianqiu wuhen, and the others. They knew that these people were terrifyingly powerful, so they never dared to provoke them.

However, even so, the people from the five Holy Lands still tried their best to find out the background of these people and generally found out that these people could only exert the strength of the void training stage at most.

However, the way the path Lord of carnal desires had severely injured patriarch panwu in an instant had greatly intimidated them. For a moment, they were caught in a dilemma.

The path Lord of carnal desires ignored everyone’s gazes and said leisurely, “Even if I can’t break the emperor’s shackles, I can still suppress all of you!”

“Daoist carnal desires, long time no see. I didn’t expect you to still be like this!”

At this time, another golden human-shaped skeleton appeared in the void. It looked down arrogantly at the world, and its terrifying corpse Qi covered the sky.

The path Lord of carnal desires “calm expression finally began to change.” “Old demon Sanyou, I didn’t think that you would be unable to hold back?”

“Whoosh!”

There was an extreme uproar in the world.

The Lord of corpse demon sea, Saint monarch Sanyou, had arrived.

With the appearance of Saint Lord Sanyou, the Golden human-shaped skeleton that had come to help ye chen also shot its bright eyes toward the former.

“I’m only here for one person!”

Saint Lord Sanyou smiled and looked at Zed. “It’s because of this person. I hope brother Renyu won’t misunderstand!”

“What?” the path Lord of carnal desires smiled faintly. Could it be that this friend is your twin brother?”

“He’s a survivor I let go by mistake back then,” Saint Lord Sanyou said indifferently. “I’m only collecting interest today. I’m not making an enemy out of brother carnal desires!”

Zed looked at him provocatively, his body full of fighting spirit. “You and I are destined to have this battle today!”

Ye Chen’s eyes flickered when he heard this.

It seemed that there was an unusual grudge between this Jie and the old demon of the netherworld. Otherwise, the two of them would not be so similar, and there would not be such a strong smell of gunpowder.

“In the future, this Lord naturally won’t care who you target!”

“However, this friend here is here to help us, so we’re on the same side. If you attack him now, you’re clearly looking down on me!” The path Lord of carnal desires chuckled.

“If that’s the case, then we can only fight!”

Everyone present had lived for countless years. Since they had already said this, there was no need to hide it.

“BOOM!”

As soon as he finished speaking, calamity rose into the air and turned into a divine fire that surged towards Saint Sanyou. He shouted domineeringly, “Do you dare to fight me alone?”

“Why wouldn’t I dare?”

“I let you go in the past,” Saint Sanyou said coldly. “It’s because of my carelessness that you’ve grown up to this day. I won’t repeat the same mistake today!”

“Kill!!!”

The Tribulation suddenly erupted, and the two suddenly exchanged blows. Although they were both skeletons, their movements were not one bit slower than a living person’s. With a wave of their hands, they could move mountains and fill seas, summoning wind and rain.

“Taichu, the three of us will work together to stall the path Lord of carnal desires. You guys work together to kill that junior ye!” Jiang duxing said coldly.

With that, he flicked his finger, and a golden divine general landed in front of heavenly venerate Taichu. “This is divine general Jiang, who I’ve been refining day and night. It’s enough to unleash the strength of a late void refinement realm expert!”

“Thank you, Daoist Jiang!” Heavenly venerate Taichu was extremely excited.

“Do it!”

Lin miaoyi, the previous generation’s saintess of the Tianxuan Holy Land, snorted, and a vast star Dharma suddenly appeared behind her, as if she was carrying the heavens and the world on her back.

“Kill!!!”

Patriarch Panwu and Jiang Duxing attacked one after another, their intense killing intent locking down on the path Lord of Carnal Desires. They formed a strange formation that seemed to seal off the vast void.

.....

**Chapter 1566: No matter who descends today, none of you will be able to escape death!**

“Kill that ye!”

At the same time, heavenly Lord Taichu, Fang Tianchou, old ancestor Huangfu, and the others looked at each other before charging toward Ye Chen with invisible killing intent.

“Are you bullying us because we have few people?”

The path Lord of Carnal Desires sneered. “Linglong!!!”

“BOOM!”

In the void, a paper lantern appeared out of thin air. Then, a peerless woman broke through the realm with the lantern in her hand.

It was Ling Long.

Ling Long looked at heavenly venerable Taichu and the others and suddenly lifted the cover of the lantern, revealing a Black Flame. The flame was the size of a bean, but it made people tremble in fear.

“Hu!”

Ling Long opened her red lips and blew at the Black Flame in the lantern.

“BOOM!”

Under everyone’s gaze, a strand of Black Flame that was like a strand of hair landed on divine general Jiang, who was being controlled by heavenly venerable Taichu, with lightning speed.

“BOOM!”

The divine general who was comparable to a late void refinement realm expert was instantly engulfed by the blazing black flames and was burned to ashes at a speed that was visible to the naked eye.

“Whoosh!”

Seeing this, everyone was shocked. They looked at Ling Long again with fear.

No one had expected that this woman, who looked even more beautiful than Lin Miaoyi, the previous Holy Maiden of the Tianxuan Holy Land, would be so terrifying.

“It’s the void demonic flame!!!”

Jiang Duxing gasped and looked at the lantern in Ling Long’s hand in shock. “Path Lord of Carnal Desires, I didn’t expect you to have refined the void demonic flames!”

“Man desires heaven art!!!”

The path Lord of carnal desires ‘voice shook the world.

“BOOM!”

In an instant, a terrifying Dharma appeared above his head. From a distance, it looked like a picture of hell, filled with the cries of ghosts and howls of wolves, and the scene of blood flowing.

“Kill!!!”

Jiang duxing and the others couldn’t care less as they joined forces to attack the path Lord of carnal desires.

“Boom boom boom!”

In an instant, the heavens and earth shook as if the sky had been ruthlessly cut open by someone. The void was being annihilated in a frenzy. The might was terrifying.

Calamity and Saint Lord Sanyou were in a heated battle.

“Fellow Daoist ye, you’re on your own now.” Ling Long suddenly turned to ye chen.

“Many thanks!”

Ye chen nodded slightly, then turned to look at heavenly Lord Taichu and the others.””No matter who descends today, you will not be able to escape death!!!”

“What a shameless braggart!”

Heavenly venerate Taichu’s gaze was venomous as he said sinisterly,””You want to kill all of us? aren’t you afraid of losing your tongue?!”

“Is that so?”

Ye chen mumbled, then took a deep breath. He looked at the black and white ye chen beside him and said indifferently,””Three Pure Ones return to one!!!”

“Woof!”

Under everyone’s gaze, the black and white ye chen nodded in unison and then merged into his body. The aura on ye Chen’s body rose rapidly. In the end, it was as if a God had been resurrected.

“Thump!”

Ye chen took a step forward, and the void trembled. It was as if the world had become one with him. From heaven to earth, he was the only one!

All of a sudden, he made his move. It was simple and direct. He threw a punch with the power to sweep all directions.

“Kill!!!”

Ancestor Huangfu waved his sword with one hand as if he was cutting down the River of Stars. Sword will from all directions emerged and pressed down on ye chen. If one looked closely, one would find that his aura was somewhat weak. He was clearly fighting for his life.

“I won’t stop until I die!!!”

At that moment, Fang tianchou, heavenly Lord tai Chu, and the big shots of the panwu celestial sect attacked one after another, each of them using their full strength and even activating their secret skills at all costs.

This was because everyone knew that it would be very difficult to determine a Victor in the battle between the path Lord of carnal desires and the others. It would not be a life-and-death battle so easily. The true battle would be on their side.

In their opinion, as long as they killed ye chen, the war would naturally end.

“BOOM!”

Ye chen did not retreat. Instead, he charged into the four-man battle alone. His fists swept out in all directions and his physical strength burst out, directly cutting off the sword domain unleashed by the Huangfu clan patriarch.

At the same time, the attacks of heavenly Lord Taichu and the four big shots of the panwu immortal sect also landed on ye chen. To their shock, they could not cause any damage to ye Chen’s body.

In the distance, Fang Ziyue and Feng Wuxie’s hearts were in their throats.

Even they had never seen such a great battle.

“Kachacha!!!”

Ye Chen’s hair fluttered like a god. He shattered the Taoist sword with one punch. The terrifying fist force did not slow down and landed on the chest of the Huangfu clan’s patriarch.

“Ah!”

The former let out a blood-curdling screech as he was sent flying. If one were to look closely, a shocking bloody hole had actually appeared on his chest, and one could even see the ghastly white bones.

“Die!”

The panwu celestial sect’s Big Shot was terrified and he went all out. He even burned his blood essence to activate the body-tempering divine patterns on his body.

“You’re the one who’s going to die!”

This time, the killing intent in ye Chen’s eyes grew stronger. He took a step forward, ignoring the man’s desperate attack. His right hand was refined into a divine sword and he directly cut off the man’s head.

“No!”

The panwu celestial sect's Big Shot let out a loud cry and tried to use his primordial spirit to control his head and separated body to escape from this place. However, he was cut open by a sword light from the middle and even his primordial spirit was not spared.

"You ..."

Heavenly venerate Taichu and the others were completely terrified.

The four of them couldn't do anything to the other party even after risking their lives, but one of them was killed instead.

"The third one!!!"

Ye Chen's killing intent was like an ocean, approaching heavenly venerate Taichu.

The hairs on the body of heavenly venerate Taichu stood on end. He clearly didn't expect the former to be so crazy. Suddenly, he gritted his teeth and his primordial spirit left his body."Explode!"

"BOOM!!!"

At the critical moment, he chose to self-destruct.

With a loud noise, the void disappeared at a speed visible to the naked eye, and the ground was flattened for thousands of feet, turning into an endless storm as if a nuclear bomb had been dropped.

"Is He Dead?!!"

Heavenly venerate Taichu's primordial spirit stared intently at the storm. His face was filled with madness and resentment. Even a late-stage void training cultivator wouldn't dare to resist the self-destruction of his physical body.

"Brother ye!!!"

At that moment, Feng Wuxie and the others' hearts were in their throats.

However, in the next moment, a god-like figure shot out of the storm and opened his mouth to swallow heavenly venerate Taichu's primordial spirit.

Ancestor Huangfu and the others almost passed out."Fellow Daoist absolute beginning!"

"He actually didn't die, my God!!!"

Everyone was completely stunned.

Ye Chen's expression was indifferent. Without a word, he quickly closed in on old ancestor Huangfu, his strong killing intent almost materializing.

"Fellow Daoist ye ..."

Patriarch Huangfu's expression changed drastically. He was so scared that he fell to his knees and said,"Fellow Daoist ye, we're all Chinese ..."

**Chapter 1567: Fellow Daoist ye, please spare my life!**

The pressure shook the world, shaking the entire sky. Everyone trembled because of it, and the horror was deep in their bones.

Ye Chen's divine might was unparalleled. He had fought four people alone. No one could stop him. On the contrary, he had killed two people in succession.

"Fellow Daoist ye, please spare my life ..."

Patriarch Huangfu was so scared that he knelt on the ground and said, "We're all Chinese, we're compatriots ..."

Seeing this scene, everyone found it unbelievable. While it was difficult to accept, they couldn't help but feel a sense of sympathy for the loss of their kind.

After all, ancestor Huangfu was a powerhouse at the void training stage and the top existence of the eight Xuanyuan clans. However, in order to survive, he had no choice but to completely abandon his dignity and wag his tail at ye chen.

No one was not afraid of death!

Especially those who had lived for countless years!

At the same time, Lei Yunzi and the others in the distance trembled, especially the Gu family patriarch and Huangfu Yu.

At this moment, they felt as if something in the depths of their hearts had been ruthlessly shattered, and their faces suddenly turned extremely pale.

"Daoist ye, please spare my life. Everything I've done is for the sake of the country ..." Patriarch Huangfu begged again.

"Spare you?"

Ye Chen's eyes flickered and a divine light burst out of his eyes. Boundless killing intent swept through everything. "When have you ever thought of sparing this ye? A shameless and selfish old man like you is not worthy to be listed as a Chinese with me!"

Old ancestor Huangfu's face was pale. After knowing ye Chen's determination to kill him, his eyes suddenly turned red. "This old man will fight you to the death!!!"

With a furious roar, patriarch Huangfu's expression became extremely ferocious. An invisible flame immediately burned within his body and covered his entire body.

He had chosen to burn his primordial spirit in exchange for a last-ditch attack before he died.

At the same time, an extremely resolute and tragic intent realm swept out in all directions with him as the center.

As his primordial spirit burned, the power in his body skyrocketed crazily, from early void refinement realm to mid void refinement realm, forming an earth-shattering storm.

From a distance, it looked as if his entire body had transformed into a Shattered Galaxy, whistling toward ye chen with the power to destroy the world.

As he moved forward, the feeling of terror became more and more intense.

At the last moment, it was as if the whole world had dimmed. All that was left in everyone's eyes was elder Huangfu, who was like a shooting star.

"Even if this old man dies today, I won't let you have a good time!!!"

Patriarch Huangfu's final roar shook the heavens and earth, attracting everyone's attention. Even the path Lord of carnal desires and the others were moved.

In this world, there were very few methods that could force a void training stage cultivator to burn his or her soul and even self-destruct.

Seeing this, Huangfu Yu was not shocked. Instead, he was overjoyed. In his opinion, even if the Eight Families of the Xuanyuan clan were exterminated, it would not be a problem, let alone the death of ancestor Huangfu. As long as ye chen was killed, it would not be a problem.

In the eyes of others, ye chen would have to retreat with all his might in the face of such a desperate attack.

However, to everyone's shock, ye chen did not move at all as if he did not see anything. Only his eyes, which were looking at the Huangfu ancestor, were sneering.

"Do you think you can drag this ye down with you?"

Ye Chen's lips curled into a disdainful smile. "Fine. I'll let you experience what a mystical power is before you die today!!!"

"Thirty-three divine fist of creation, li fire Golden Wheel!" He stretched out his hands.

As soon as he finished speaking, heaven and earth suddenly turned upside down, and a sea of clouds flew up. An extremely dazzling sun suddenly appeared in the vast sky.

The sun burned with golden divine fire, covering the sky. At that moment, everyone in the world could only see the sun. It was as if everything had been blinded.

"What kind of divine power is this?!!" The path Lord of carnal desires "eyes gleamed.

Jiang duxing and the others looked at each other. They could see the intense shock in each other's eyes because they could actually feel a trace of the laws of heaven and earth from this remarkable power.

The rules ...

Only those at the great vehicle stage who had passed the heavenly Tribulation could sense this thing ...

This scene lasted for a long time, and only after it dispersed did everyone gradually see their surroundings clearly.

"What a powerful divine power! Who won?!!"

“It must be Grand Master Huangfu. After all, he gave it his all. You can never imagine how terrifying a dying cultivator at the void training stage can be.”

“.....”

“Is He Dead?”

Huangfu Yu’s eyes flashed.

When everyone’s vision was completely restored, they subconsciously looked up and saw a handsome figure with black hair and bright eyes.

It was ye chen.

At that moment, the world fell into a deathly silence.

He’s dead! Patriarch Huangfu is dead!

At this moment, everyone’s eyes were fixed on ye chen. The great ancestor Huangfu had risked his life to drag ye chen down with him. Now that ye chen was safe and sound, the great ancestor Huangfu must be dead.

“This guy is too terrifying. Even the self-destruction of a void training stage cultivator’s vital spirit couldn’t kill him. Who else can kill him?”

“How did this abandoned star field give birth to such an existence?!!”

After a short moment of silence, the world burst into an uproar.

“How is this possible?!!”

Huangfu Yu’s face suddenly turned pale. He took a few steps back and mumbled, “How is this possible?!!”

“Pfft!”

The ancestor of the Gu family spat out a mouthful of blood, “It’s over. Our Gu clan is finished!!!”

Even ancestor Huangfu had died. He knew very well that he was no match for ye chen. When he thought about how the Gu clan had targeted ye chen in succession, could one imagine the outcome?

“Hahahaha, this is great, this is simply great!!!”

A loud laugh reverberated through the void. The path Lord of carnal desires looked at Jiang duxing and the others with a smile that was not a smile. “Old ghost Jiang, in the game between you and me, I’m still the one with the upper hand!!!”

“Bastard!”

Jiang duxing’s expression was frighteningly dark. Other than the thick killing intent in his eyes, there was more fear in them.

With the death of ancestor Huangfu, Fang tianchou of Tianyuan trading company was the only one left among the six void training stage cultivators.

At this moment, Fang tianchou's body was stiff as if he had fallen into an ice cellar. He was no longer as calm as before. If one looked closely, one would find that his hands behind his back were trembling violently.

The six void refinement realm cultivators had joined forces to deal with ye chen. Such a seemingly overwhelming lineup ended up with ye chen killing five of them. Even the arrival of the three late void refinement realm old monsters was of no use.

At this moment, he was extremely terrified.

Under everyone's gaze, ye chen raised his eyes slightly and looked at Fang tianchou with eyes full of killing intent. "It's your turn!"

### **Chapter 1568: No one can save the person I want to kill!**

At that moment, Fang tianchou's expression changed greatly. He retreated rapidly and said, "Fellow Daoist ye, it's a misunderstanding. This is a misunderstanding ..."

At this moment, he no longer had any hope for his own strength. His only extravagant hope was that ye chen could turn hostility into friendship.

However, ye chen was not willing to listen to his explanation. He waved his sleeve forward and the air trembled. A gust of wind whistled out, seemingly containing the power of Thunder, and charged toward Fang tianchou.

"BOOM!!!"

As the heavens and earth rumbled, Fang tianchou spat out blood and his physical body collapsed on the spot. Only his primordial spirit flew out while screaming in horror. "Big brother, save me!!!"

Everyone was already numb from the shock!

Ye chen did not hesitate at all. He took a step forward and used spatial bending as he sped toward the former's primordial spirit. Wherever he passed, the void trembled.

Almost at the same time as Fang tianchou's cry for help, a crack that was a thousand feet wide suddenly appeared in the space. Then, a huge hand that seemed to cover the entire Yinxi came out of the crack and landed in front of ye chen.

However, although the hand looked terrifying, it did not seem to have any killing intent. It merely stopped ye chen and then seemed to want to save Fang tianchou.

This sudden scene caused everyone's eyes to turn to look at it, their brows furrowed in shock.

"No one can save the people this ye wants to kill!"

Ye chen took a step forward. Suddenly, a Scarlet Flame Divine Dragon soared into the sky above his head and broke through the sealed space. It opened its mouth and swallowed Fang tianchou's primordial spirit.

It was the emperor's seal!

Seeing this, everyone was shocked once again. They didn't expect that Fang tianchou's yuan Shen would still be unable to escape even after the mysterious man's help.

"Aren't you being a little too impudent?"

A furious roar came out of the spatial crack, and then a figure slowly walked out from it. The figure did not have any cultivation fluctuations, but it made the space tremble.

It was a middle-aged man wearing a golden robe with dragon patterns. He had a head full of white hair, and his eyes were full of vicissitudes, as if they could see through the ancient stars.

"Fang tianchen from Tianyuan trading company!" The path Lord of carnal desires had a grim expression.

Both Zed and Saint Sanyou, who had been fighting intensely and injured each other, stopped at the same time. They looked at the middle-aged man with fear, as if they felt the pressure.

"Second Grandpa!"

Seeing the person, Fang Ziyue couldn't help but cry with joy.

As soon as his voice fell, the world fell into a dead silence again, followed by a burst of earth-shattering uproar.

It was Fang tianchen of Tianyuan trading company!

The perfect void refinement realm was only one step away from the divine clone realm. Only the Lord of great Jiang divine dynasty, the Lord of carnal desires, and the others could match up to him.

He didn't expect that such a person would come!

"Perfect void refinement realm ..."

Ye Chen's eyes were fixed on Fang tianchen. Although the former's cultivation base was not revealed, ye chen could still sense the deterrent force that only a perfected void refinement realm cultivator had.

"Old ghost Fang, are you going to fight today?!!"

The path Lord of carnal desires looked at Fang tianchen coldly and said, "Don't forget the rules set by the world Guardian!!!"

"The rules of the world guardians are important, but the lives of the people of Tianyuan trading company are more important!"

Fang tianchen chuckled before looking at the path Lord of carnal desires in surprise. "This old man never thought that you, the path Lord of carnal desires, wouldn't be able to resist taking action after so many years of silence. And it was all for this young friend."

"The plan you've been planning for so many years is going to come true for this little friend?"

His eyes were as vast as the stars.

“Old ghost Fang, there’s no need to sow discord. Our scheme has nothing to do with fellow Daoist ye!”  
The path Lord of carnal desires smiled faintly.

“You know in your heart whether it’s true or not!”

Fang tianchen chuckled, then looked up at ye chen.””Your Excellency, Tianyuan trading company has no intention to be your enemy. Hand over tianchou’s primordial spirit and we’ll stop this farce.”

His words seemed plain, but there was a hint of unquestionable meaning in them.

“We’re just going to give up like this?”

Ye chen looked at him.”Tianyuan trading company attacked me in order to seize my Emperor’s seal. Now that you’re no match for me, you want to retreat? how can it be that easy?”

“Then what are you going to do?”

Fang tianchen’s eyes narrowed.”My young friend, my patience is limited. I know that you are extremely talented and your combat power is unparalleled. However, you are not my match now.”

“Old ghost Fang, do you think I’m empty?”

“Since I’ve come here today, how can I sit by and watch fellow Daoist ye fall into a dangerous situation?”  
the path Lord of carnal desires chuckled.

“You alone are not enough, far from enough!”

Fang tianchen shook his head and said,””Daoist Jiang, how long are you going to keep watching? Since things have developed to this point, there must be an end to it!”

“Hehe, that old ghost Fang is right. There must be an end to such a scene!”

“BOOM!”

With a chuckle, the void exploded, and a man in dark clothes descended.

The man’s long hair fluttered in the wind, and there were Nine Dragons embroidered on his clothes. There were Dragon shadows roaring in his eyes, but his face was extremely gentle.

“Your Majesty!!!”

With the man’s appearance, Jiang duxing immediately knelt down on one knee.

“Jiang shengwu!”

In the silent crowd, countless people’s eyes twitched.

The person who had just arrived was the Lord of the great Jiang divine dynasty, Jiang shengwu!

“Hehe, it’s really lively today!”

Not long after Jiang shengwu, a brilliant chariot tore through the air. Celestial music filled the air above the chariot, and divine light surged. It was as if an undying God was sitting inside.

Holy Lord Tianxuan!

Everyone was shocked again.

The sky in the distance churned as another old man in sackcloth descended. The old man was barefooted and gave off an extremely old feeling.

“Old man from the peach Valley!!!”

Ancestor panwu’s pupils shrank violently.

The old man from Peach Valley was as mysterious as the path Lord of carnal desires. He had already existed in Yinxu before the sects from the outer realms descended.

Very few people knew about the old man of the peach Valley. They only knew that there was an otherworldly Peach Valley in Yinxu, who loved to drink and compose poems for self-entertainment.

The Lord of great Jiang dynasty looked at the former with a faint smile. “Fellow Daoist Peach Valley, I didn’t expect that even you couldn’t hold back?”

The old man from the peach Valley sat on the ground and poured some wine into his mouth. He then shook his head and said, “I’ve run out of wine recently, so I came to ask if any of you have any treasures in your homes!”

As soon as he said that, many of the big shots frowned.

Holy Lord Tianxuan sat high up on the chariot and chuckled. “The Tianxuan Holy Land has a lot of treasures. If fellow Daoist Peach Valley is interested, you can come to pick them up another day.”

### **Chapter 1568: No one can save the person I want to kill!**

"Since I've come here today, how can I sit by and watch fellow Daoist ye fall into a dangerous situation?" the path Lord of carnal desires chuckled.

"You alone are not enough, far from enough!"

Fang tianchen shook his head and said, "Daoist Jiang, how long are you going to keep watching? Since things have developed to this point, there must be an end to it!"

"Hehe, that old ghost Fang is right. There must be an end to such a scene!"

"BOOM!"

With a chuckle, the void exploded, and a man in dark clothes descended.

The man's long hair fluttered in the wind, and there were Nine Dragons embroidered on his clothes. There were Dragon shadows roaring in his eyes, but his face was extremely gentle.

"Your Majesty!!!"

With the man's appearance, Jiang duxing immediately knelt down on one knee.

"Jiang shengwu!"

In the silent crowd, countless people's eyes twitched.

The person who had just arrived was the Lord of the great Jiang divine dynasty, Jiang shengwu!

"Hehe, it's really lively today!"

Not long after Jiang shengwu, a brilliant chariot tore through the air. Celestial music filled the air above the chariot, and divine light surged. It was as if an undying God was sitting inside.

Holy Lord Tianxuan!

Everyone was shocked again.

The sky in the distance churned as another old man in sackcloth descended. The old man was barefooted and gave off an extremely old feeling.

"Old man from the peach Valley!!!"

Ancestor panwu's pupils shrank violently.

The old man from Peach Valley was as mysterious as the path Lord of carnal desires. He had already existed in Yinxu before the sects from the outer realms descended.

Very few people knew about the old man of the peach Valley. They only knew that there was an otherworldly Peach Valley in Yinxu, who loved to drink and compose poems for self-entertainment.

The Lord of great Jiang dynasty looked at the former with a faint smile. "Fellow Daoist Peach Valley, I didn't expect that even you couldn't hold back?"

The old man from the peach Valley sat on the ground and poured some wine into his mouth. He then shook his head and said, "I've run out of wine recently, so I came to ask if any of you have any treasures in your homes!"

As soon as he said that, many of the big shots frowned.

Holy Lord Tianxuan sat high up on the chariot and chuckled. "The Tianxuan Holy Land has a lot of treasures. If fellow Daoist Peach Valley is interested, you can come to pick them up another day."

### **Chapter 1570: Qianqiu wuhen and the Holy ape!**

His green robes fluttered as he crossed over.

The young man stood with his hands behind his back, calm and collected.

"Qianqiu wuhen!!!"

At that moment, the expressions of Jiang shengwu, the Lord of the great Jiang divine dynasty, Holy Lord Tianxuan, and the others changed drastically, as if they had seen something terrifying.

This name was taboo, a taboo in YinXu, a name that even the world guardians and the five sacred lands didn't want to mention!

But now, this person had appeared!

The surroundings were silent. Countless eyes fell on qianqiu wuhen. Some were surprised, some curious, but most of them were uncertain.

Those who were more observant realized that with the appearance of this person, the faces of Jiang shengwu and the others had changed significantly. This discovery made them secretly take in a cold breath.

Ye chen looked at the young man in green.

As if sensing his gaze, qianqiu wuhen's calm gaze landed on him. He smiled and nodded in respect.

Then, he couldn't help but look up and size up the world. His gaze landed on Jiang shengwu and the others. "If I'm added, can this fight be resolved?"

"Greetings, Daoist Chiaki!!!"

When Jiang shengwu and the rest heard this, they cupped their fists at the former in unison.

The referee's eyes flickered as he stared at qianqiu wuhen without saying a word. He seemed to have noticed the latter's extraordinariness.

"You couldn't hold it in after all ..." The path Lord of carnal desires looked at qianqiu wuhen with a half-smile.

"If I don't make a move, I'm afraid YinXu will be broken today," the latter said lightly.

Under everyone's gaze, Holy Lord Tianxuan said, "Fellow Daoist qianqiu, the reason isn't as simple as you think. We need to think about this carefully ..."

It was obvious that he was not willing to stop.

"You all have the same opinion?"

With his hands behind his back, qianqiu wuhen glanced at everyone, focusing on Jiang shengwu and the others. No one dared to meet his gaze.

Fang tianchen glanced at ye chen and mustered up his courage. "Daoist qianqiu, are you going to protect this kid?"

Qianqiu wuhen's voice was so powerful that everyone's expression changed. "Fellow Daoist ye is my friend. Killing him is as easy as killing me. Do you want to kill him too?!"

The world instantly fell silent, and many people looked incredulous.

Regardless of whether it was Jiang shengwu, Holy Lord Tianxuan, or Fang tianchen, they were all existences at the perfect void refinement realm and were only one step away from the divine separation realm.

However, in front of the young man, he seemed to be a little cautious.

This was simply too shocking.

Jiang shengwu's face twitched, and he said unwillingly, "This guy killed Jiang Hongyuan, a member of the great Jiang divine dynasty. Are you going to let him go just like that?"

"What a joke!"

In the crowd, ye chen sneered. "The people of your great Jiang dynasty wanted me dead, so what's wrong with me retaliating and killing them? Could it be that the people of your great Jiang dynasty are only allowed to kill others and not allow others to resist?"

"You ..." Jiang shengwu's face was dark.

"Did you hear that?"

Qianqiu wuhen looked at him calmly. "The people of your great Jiang dynasty were in the wrong, so they deserve to die in this way!"

The moment he spoke, Jiang shengwu's expression turned ugly, but he did not dare to refute.

Upon seeing this, the originally unwilling Holy Lord Tianxuan could only swallow his words.

Fang tianchen took a step forward and said, "We can stop here. However, my Tianyuan trading company's member has been suppressed by him. I hope you can release him!"

Qianqiu wuhen's eyes flickered and he could not help but look at ye chen.

Ye chen met everyone's eyes and said lightly, "Fang tianchou has also attacked me. By right, his soul should have been destroyed, but I'm not a bloodthirsty person. Tianyuan trading company has to agree to one condition of mine!"

"Speak!" Fang tianchen's face trembled.

"I want the sacred medicine fragment!"

Ye chen opened his hand and a fragment of the five elements heaven-connecting Lotus appeared in his palm. "This is it! I'll use this to exchange for Fang tianchou's primordial spirit!"

This was his true purpose. Otherwise, Fang tianchou's primordial spirit would have been completely destroyed a long time ago.

"So you want this item!"

Fang tianchen's eyes narrowed slightly, and then he said, "This old man doesn't have it either, but I can promise you that as long as you give me tianchou's soul, my Tianyuan trading company will definitely give it to you!"

"There's no rush. We'll trade one for one!" Ye chen chuckled.

Fang tianchen's face trembled again, but he had to suppress the anger in his heart.

Qianqiu wuhen took in everyone's expressions and continued, "Since that's the case, let's end this farce today!"

He had already spoken. Even though he used a tone of discussion, he did not allow anyone to question him. Jiang shengwu and the rest did not dare to have any objections.

At this moment, two rays of golden light suddenly shot out from the void like two blazing Suns.

In the next moment, a golden ape descended from the sky.

It wasn't very big, but its body was covered in golden fur. The moment it appeared, it gave off a feeling of supremacy.

"What's that?!"

Seeing this mysterious living being that had suddenly appeared, the crowd that was about to disperse was instantly shocked. Their eyes were filled with surprise.

Jiang shengwu and the others were visibly moved.

They were very clear about this existence!

This was a Xiantian lifeform raised by the heavens. It was rumored that it cultivated the battle Saint technique and was born for battle. Countless people had died at its hands!

Why is it here?

Could it be that this matter had really alarmed the world Guardian?

In an instant, Jiang shengwu and the others had the same thought!

The Golden ape's crimson red eyes swept over everyone. "I thought I would have to kill a few people to establish my might before I could end this farce. At least you guys know what's good for you!"

Then, it coldly added, "You shouldn't have appeared!"

"I feel that when the opportunity arrives, it should appear!" Qianqiu wuhen remained calm.

At this time, the old man from the peach Valley, who had been silent all this time, suddenly said, "Holy ape, is the Emperor's Tomb about to open?"

As soon as he said that, Jiang shengwu and the others looked at the Golden ape. They were so nervous that they had even forgotten about the previous unhappiness.

Meeting everyone's gazes, the Golden ape said, "That's right. Pass down the order of the realm master. Seven days later, Yinxu will be unsealed and the Emperor's Tomb will appear. You can do whatever you want!"

As its voice fell!

Jiang shengwu and the others were overjoyed. Only the path Lord of carnal desires and qianqiu wuhen seemed to have known about it, as they remained calm.

“From today on, Yinxu is not allowed to start a massacre like today again. At the same time, no one is allowed to leave Yinxu!”

The Golden ape spoke again, “seven days later, you all will fight to the death. We will not interfere anymore. If there are any ignorant fools, you can try!!!”

After saying that, its seemingly violent eyes landed on Jiang shengwu and the others.
