Chapter 1681

In the end, instead of returning directly to the Wan family, Lin Mo and Duke Wan first found a hotel in the provincial capital to set up temporarily.

Lin Mo contacted Li Tiezui in pa*sing, asking him to investigate the current situation on the Wan family's side.

As a result, Li Tiezui told him something that surprised him.

The car that Lin Mo and Duke Wan were travelling in before had been discovered, and now there were rumours over in Su Province that Lin Mo and Duke Wan had been killed by Zhu Yeqing and their bodies had been thrown into the river.

So, over in Su Province, rumours were now rife that Lin Mo had died.

The Ten Great Families of Su Province, on the other hand, took advantage of this opportunity and began to openly disavow the matter of the Recycle Pill.

On the contrary, the Ten Families took the opportunity to backtrack and find people to create rumours outside that Xu Pharmaceutical's medicine had killed people, taking the opportunity to suppress Xu Pharmaceutical.

After several negative incidents, Xu Pharmaceutical's credibility had indeed fallen to the extreme.

Some agents even want to sue Xu Pharmaceutical because of these matters, and Xu Pharmaceutical is now in a critical situation.

Under such circumstances, only a few of the ten families in Guangdong Province have come out to support Xu Pharmaceutical.

The other families are all harbouring ulterior motives.

A few families have even started to move to swallow Xu's Pharmaceuticals.

The Top Ten Families of Suzhou Province were even more dry. After they had made such a fuss, they directly asked Wan Chun Tang to come forward and find Xu Hanxia, wanting to buy Xu Pharmaceutical.

To put it bluntly, the Ten Great Families of Su Province wanted to acquire Xu Pharmaceuticals to keep the Recycle Pill in their hands and thus gain huge profits.

They had also dared to do so after hearing the news that Lin Mo had died!

During this period of time, the Crown Prince of Hai Cheng had stayed in Hai Cheng to look after the poisonous spiders, and was unable to step in to help Lin Mo.

Hearing this news, Lin Mo's brows were also tightly furrowed.

He did not expect that so many things had happened during the two days he had fraudulently died.

After a long silence, Lin Mo said, "For the time being, don't reveal the news that I am still alive."

"I'd like to see how many more bulls and snakes there are on this side of Guang Province!"

Li Tiezui: "That's what I think too."

"Only in such a situation can we tell who is really willing to submit and who has evil intentions."

"We can also take this opportunity to weed out those who have evil intentions on this side of Guang Province once more!"

Lin Mo nodded, this was exactly what he had in mind.

Next, Li Tiezui asked his people on the Southeast Province side to gather news about the Wan family's side.

And everything was just as Lin Mo had expected, the funeral service over at the Wan family's side was held for Duke Wan.

Wan Zifeng rushed back from the Southeastern Province and brought back the news of Duke Wan's death.

The family head, Wan Yongfeng, was extremely angry and shouted that he would not stop with Zhu Yeqing until he died.

Hearing this news, Duke Wan was straight away dumbfounded.

She froze in place for a long time.

"That's my second uncle, how could he he do such a thing?"

Wan Gongzi still couldn't believe it.

Lin Mo: "It's hard to paint the skin of a tiger, it's hard to paint the bones of a person who knows people."

"Not everyone in this world is as you think."

Duke Wan sighed and said in a low voice, "Brother Lin, so what do we do now?"

"Should we just go back and break this up?"

Lin Mo shook his head, "If you go straight back, it will only prove that you're not dead, but it won't prove that Wan Zifeng did anything."

"Everything we say is just our guess, there is no direct evidence."

"If he denies it, then we can't do anything!"

Duke Wan had a hint of hope on his face, "Brother Lin, our guesses may not be correct either."

"My second uncle, maybe he really didn't do these things."

Lin Mo smiled, "Whether he did or not, I guess, it will be revealed soon."

Chapter 1682

Duke Wan couldn't help but stare, "How can we reveal it?"

Lin Mo said in a deep voice: "This man, Wan Zifeng, has great ambition and his methods are particularly ruthless."

"You're his own niece, and he dares to harm you, so what else is there that he can't do?"

"Moreover, he's joined forces with the Companions and Qian Yong'an, so he might have some other underhanded tricks up his sleeve."

Duke Wan's face changed slightly, "You mean that he will be detrimental to our family's people?"

Lin Mo: "It is highly likely that he will turn against your father."

Duke Wan was anxious: "What should we do about this?"

Lin Mo: "Don't be anxious."

"Since I'm here, those tactics of his won't necessarily work."

"Let's wait and see what happens first!"

Duke Wan looked at Lin Mo, his face finally soothed a little.

For some reason, as long as Lin Mo was around, she felt safe, a sense of security that not even her father could give her.

It was only at this time that she truly felt that she was actually a soft woman!

All afternoon, Lin Mo and Duke Wan hid in their room.

News from Li Tiezui's side of the family came in a steady stream.

And just after six o'clock in the afternoon, news suddenly came from Li Tiezui: the Wan Family Master had issued an order for everyone in the Wan Family to rush back to the Wan Family, to hold a Wan Family assembly!

Hearing this news, Lin Mo immediately got up, "The Wan Family, something has really happened!"

"We must go to the Wan Family tonight too!"

Duke Wan: "What's happened?"

Lin Mo waved his hand, "I'm not too sure what exactly has happened."

"However, on your side of the Wan Family, under what circumstances would you call all the people of the Wan Family back?"

Duke Wan thought carefully and then shook his head, "Under normal circumstances, it would not be possible to summon everyone back."

"Only when it is a matter of great importance to the life and death of the Wan Family will everyone be summoned back."

Lin Mo: "What do you mean by a matter of great importance that concerns the life and death of the Wan Family?"

Duke Wan: "For example, when the Wan Family is in some great danger, or when the Wan Family needs to redefine the head of the family or something like that, or when some important person in the Wan Family, something happens"

When he said this, Duke Wan's face also changed violently and said urgently, "It shouldn't be my grandfather"

Lin Mo: "It shouldn't be him."

"Forget it, let's not guess blindly here, let's go to the Wan family and find out."

Duke Wan immediately nodded his head and got up to head out.

"You're just going back like this?"

Lin Mo stopped her.

Duke Wan: "Then how do you go back?"

Lin Mo: "Now everyone thinks you're dead, if you go back like this, won't you scare people to death?"

"You should at least disguise yourself so that people can't recognise you."

It dawned on Duke Wan and he nodded his head in a hurry.

Next, Lin Mo redressed up Duke Wan and cleaned up himself.

After that, the two rushed over to the Wan family's side and took advantage of the chaos to quietly slip into the Wan family.

The Wan Family was an extremely large family, and on a normal day, the Wan Family Manor, alone, had nearly two thousand people living here.

And if everyone in the Wan family were to be gathered back, there would be almost five or six thousand people.

In such a situation, inside the Wan family compound, it was actually very chaotic.

Duke Wan was familiar with the terrain here, and as she led Lin Mo, she walked unhindered all the way inside the Wan family manor.

On the Wan family's side, the security had all been withdrawn because too many people had returned.

After all, with 5,000 to 6,000 people from the Wan Family gathered, no one would dare to come to the Wan Family to cause trouble!

Moreover, for the Wan Family assembly, those extremely powerful guest experts of the Wan Family had all come out, responsible for protecting those key members of the Wan Family.

Even if someone slipped in, they would at most be able to watch the fun and do nothing else.

Chapter 1683

Under the leadership of Duke Wan, the two of them went all the way to the inner courtyard.

Here in the inner courtyard instead there was no one here now, according to the usual rules, but whenever something big happened, the ancestors had to be worshipped outside first.

Inside this inner courtyard, there were many antiques laid out, which were Elder Wan's favourite things.

Duke Wan led Lin Mo to the corner, where an old wooden cabinet was placed.

The wooden cupboard was large and the inside was empty.

"This place was my favourite place to hide when I played hide-and-seek as a child."

"In the whole inner courtyard, this is the only place where you can hide from people."

"Big brother Lin, for a while, I'm going to ask you to hide in here for a while."

Duke Wan said.

Lin Mo nodded, "It's fine."

Lin Mo went into the wooden cabinet first, followed by Duke Wan, who also followed.

Although the wooden cupboard was large, it was slightly cramped for two adults to hide in it.

Lin Mo and Wan Gongzi had to lean on each other in order to close the door of the wooden cupboard.

As he leaned on Lin Mo, Wan Gongzi's body was a little soft for a while, and he was so flustered that he forgot what he was here to do.

Lin Mo sniffed the fragrance of Wan Gongzi's body, and for a moment, he was also a little apathetic.

However, he quickly suppressed his mind and silently exercised the Creation Technique, allowing himself to hold onto his Yuan Yuan and keep his mind calm and not have any other thoughts.

After almost ten minutes, a voice came from outside, and it was the main members of the Wan Family coming in.

The Wan Family assembly, although the members of the Wan Family had all come.

But in fact, those who could enter the inner courtyard and discuss things here were only a mere twenty or thirty people, and everyone else could only wait outside to convey the news.

There were several gaps in the top of the wooden cupboard, through which Lin Mo could clearly see what was happening outside.

Wan Zifeng was also among the crowd, as the family head Wan Yongfeng's own brother, he still had an extremely high status in the Wan family.

When the crowd walked into the courtyard and sat down, Wan Yongfeng, who was seated in the main seat, stood up.

His face was sombre and his eyes were red, and he was in a very sad mood.

It was obvious that the death of his daughter had dealt him a great blow.

"Gentlemen"

Wan Yongfeng had just said two words when his voice choked up and he was unable to speak.

With his white hair and stooped body, at this moment, he was no longer the reigning Wan family head, but just a poor man who had lost his son in middle age.

Wan Zifeng hurriedly stood up, "Big brother, be merciful in your grief!"

Everyone else also rose and spoke to comfort Wan Yongfeng.

Looking at her father's appearance, Wan Gongzi's eyes were also red.

Ever since she was young, she had always felt that her father did not have much love for her.

But it was not until this moment that she realised that it was not that her father did not love her, it was just that he was not good at expressing it.

Wan Yongfeng waved his hand as he wiped away the tears at the corners of his eyes and said through clenched teeth, "Gentlemen, I'm sure you all know what happened."

"The old thief, Zhang Bailing, hurt my father, killed my daughter and deceived my Wan family, hateful to the extreme."

"This revenge is unforgivable!"

"If this revenge is not avenged, my family will never be able to rest in peace!"

"Today, I have gathered all of you here to discuss with you how to kill Zhang Bailing, to avenge the hatred and to wipe out the shame of the past!"

The crowd at the scene looked at each other, it was obvious that the crowd did not have much support for Wan Yongfeng's words.

At this moment, an old man stood up and said softly, "O Yongfeng, I know that your daughter's death is hard on your heart."

"But, even if it's hard for you, you are still the Wan family head."

"No matter what decision you make, you have to consider it from the perspective of the Wan Family, not just make any random decision at the spur of the moment."

"Hundred Victory Sword King Zhang Bailing, that's one of the six kings of the world, the king of Shu."

"If we want to kill him, how much would our Wan Family have to pay to do it!"

Chapter 1684

The crowd at the scene nodded their heads, all expressing their disapproval of Wan Yongfeng's proposal.

Wan Yongfeng's face was swollen red, he had gathered the crowd this time to discuss the matter of dealing with Zhang Bailing.

As a result, all of them were now against it, which made him very embarrassed.

In his heart, Wan Yongfeng knew very well that after Elder Wan's injury, his control over the Wan family was far from what it used to be.

As long as he was around, the entire Wan family would be on the same page.

However, when the old man is seriously injured and dying, it is inevitable that these people in the Wan family will have different intentions.

Under such circumstances, he, the Wan family head, would not have as strong a call in the Wan family.

Before, the people below the Wan Family had been masculine and submissive to him.

And now, these people had even started to openly oppose his words, so it showed the attitude of the people ah.

However, Wan Yongfeng had also been prepared for this.

He took a deep breath and looked at the old man from earlier, "What Seventh Uncle said is correct."

"As the head of the Wan Family, I do have to think about the greater good."

"What I said just now was indeed ill-considered."

"However, my Wan Family, after all, is one of the Ten Great Families of China."

"When Shu Zhong Zhu Yeqing killed my daughter, he slapped my Wan Family's face."

"This debt, should I not kill Bamboo Yeqing to avenge my daughter and avenge our Wan Family's hatred?"

Without waiting for Seventh Uncle to speak, a man said directly, "Big brother, as an elder, why do you have to settle so much with a junior?"

"Everyone knows that Zhuyeqing is Zhang Bailing's most doted upon disciple and his handpicked heir."

"If you kill Zhu Yeqing, then Zhang Bailing and my Wan family will be at odds."

"Zhang Bailing is one of the six kings of the world, how much would it cost our family to mess with him?"

"As the head of the Wan family, how can you make a decision recklessly?"

Hearing this, Wan Yongfeng became furious and directly shot up, "According to you, with my daughter dead, our Wan family should sit here and do nothing?"

The man still wanted to argue, but Wan Zifeng also said in a cold voice, "Old Fifth, it's not right for you to talk like that."

"Our Wan Family, being one of the ten largest families in China, are we afraid of him, some Six Kings of the World?"

"Now one of Zhang Bailing's disciples dares to ride over our Wan Family and make a fool of us, yet you guys act like shrinking turtles, not even daring to say a word!"

"If that's the case, then why should the Wan Family still be one of the top ten families in China?"

“Why don’t we just withdraw from the Top Ten Families of China, so that we don’t have to stay here and make people laugh?”

The man still wanted to argue, but Seventh Uncle said directly, “I think that Zi Feng is right.”

“As one of the ten largest families in China, our Wan family naturally does not fear him, what with the six kings of the world.”

“We don’t fight Zhang Bailing head-on, but that doesn’t mean that any cats or dogs can act like a king over us.”

“If Bamboo Leaf Green killed Shengnan, let’s kill Bamboo Leaf Green to take revenge.”

“We have to let the world know that our Wan Family, too, is not something to be messed with!”

Hearing this, the man from before also stopped opposing.

Everyone else also nodded their heads, and in this matter, the crowd could not oppose.

The daughter of the Wan family’s head had been killed, if the Wan family did not take revenge, then the Wan family’s face would be disgraced ah.

Of course, in the crowd’s view, even if Wan Yongfeng wanted to settle the score with Bamboo Yeqing, it would not be that easy.

For one thing, Bamboo Leaf Green herself was so strong that ordinary people could not hurt her.

Secondly, Bamboo Leaf Green had always been in Shu Zhong.

If they wanted to settle scores with Bamboo Leaf Green, they would have to get past the Hundred Victory Sword King first.

If the Wan family stopped Wan Yongfeng from fighting the Hundred Victory Blade King, he would not be able to deal with Bamboo Yeqing.

Chapter 1685

Hearing the words of the crowd, Wan Yongfeng slowly nodded his head, “Thank you all for your support, uncles and brothers.”

“Since we have this word from everyone, then Yongfeng will finally be able to avenge Shengnan’s death!”

Everyone was astonished, not knowing what exactly Wan Yongfeng meant.

At this moment, however, Wan Yongfeng waved his hand directly, “Bring the men up!”

The crowd turned their heads, only to see two men dragging a woman in green clothes up.

The woman, who had quite a few bloodstains on her body and looked quite distressed, was clearly none other than Zhu Yeqing.

Seeing this scene, Lin Mo’s face changed violently, how could Bamboo Leaf Qing have fallen into the hands of the Wan family?

When the crowd at the scene saw Bamboo Leaf Green, they were all full of shock as well.

Especially Seventh Uncle, his face instantly turned cold.

Previously, he had supported Wan Yongfeng because he knew that it was not easy for Wan Yongfeng to kill Zhu Yeqing.

But he had never dreamed that Wan Yongfeng had captured Bamboo Yeqing.

This would be troublesome.

He had just supported Wan Yongfeng in killing Bamboo Yeqing, and now that Wan Yongfeng really wanted to do it, he couldn't oppose it.

However, if Bamboo Yeqing really died here, then Zhang Bailing and the Wan Family would really be at odds with each other.

Given the current situation of the Wan family, the old man's life and death were unpredictable, and if Zhang Bailing really came over strongly, the Wan family would really be in a bad way.

Although Southeast Province was Master Xue's territory, if Zhang Bailing really gave everything he had to fight the Wan family, Master Xue might not necessarily take action.

Several thoughts instantly passed through Seventh Uncle's mind, but he still could not think of an excuse to stop Wan Yongfeng.

The man next to him said in surprise, "Big brother, how did you you catch the bamboo leaf green?"

Wan Yongfeng sneered, "Speaking of which, it's thanks to Zi Feng."

"He was the one who personally brought the clan's guests and captured Bamboo Leaf Green back."

The crowd all looked at Wan Zifeng in surprise, while Wan Zifeng was full of complacency.

In the cabinet, Duke Wan couldn't help but whisper, "What's going on?"

"Didn't you say that my second uncle had collaborated with Bamboo Leaf Green?"

"How is it that my second uncle has captured Bamboo Leaf Green back?"

"Brother Lin, did you misunderstand my second uncle?"

Lin Mo frowned tightly, he always felt that something was not right about this matter.

Thinking for a moment, his heart suddenly moved and he exclaimed in a low voice, "I know."

Duke Wan was surprised: "What do you know?"

Lin Mo looked outside at Wan Zifeng and whispered, "This second uncle of yours, he's really sinister!"

Duke Wan was even more surprised: "What's wrong?"

Lin Mo: "He's not working with Bamboo Leaf Green, the people he's really working with should be Qian Yong'an and Compa's Zun."

“He used Qian Yong’an and Compulsion Zun’s mouth to tell Bamboo Leaf Green about our location.”

“Then, he will use Qian Yong’an and Compulsion Zun as the inside man to bring the family’s guest to find Zhu Yeqing and capture her back.”

“His real purpose is actually to use the matter of Bamboo Leaf Green to stir up conflicts between your father and the rest of the family.”

Duke Wan’s face changed, “Is this true?”

“But even if my father did have conflicts with the other members, what good would it do him?”

“With the family’s current situation, even if my father was ousted from the position of family head, he wouldn’t be able to become the head of the Wan family!”

“Above him, there are still several key members of the family, and they are the candidates for family head!”

Lin Mo shook his head and said softly, “What if he lends your father’s hand and kills all these candidates?”

Duke Wan first froze, then her face changed drastically, and she basically understood what was going on.

On the matter of whether or not to kill Bamboo Leaf Green, the rest of the Wan family, for sure, would disagree with her father.

The two sides could not argue, and if Wan Zifeng added fuel to the fire, it might really cause an internal family fight.

Chapter 1686

She looked at the scene, and several candidates for the Wan family head, were also here.

Moreover, looking at the expressions of these people, it was also clear that they did not support Wan Yongfeng killing Zhu Yeqing.

In other words, if Wan Yongfeng really wanted to kill Bamboo Yeqing, then the two sides would definitely have to clash.

At that time, it might really lead to a family tragedy!

Duke Wan hurriedly said, “Brother Lin, then then let’s go out and break him up quickly, right?”

Lin Mo, however, waved his hand, “There’s no rush first.”

“If you go out now, at most you will only stop this matter, you won’t be able to dismantle him at all.”

“Let’s observe it first.”

Duke Wan was filled with worry, this was her own family’s matter after all.

However, Lin Mo had said so, so she didn’t make a fuss.

At this moment, Wan Yongfeng had already walked up to Zhu Yeqing: "Zhu Yeqing, I ask you."

"My daughter has no grudge or hatred towards you, why did you do this to her?"

Zhu Yeqing's face was icy cold, "Do I, Zhu Yeqing, need a reason to kill?"

Next to him, Wan Zifeng laughed in his heart, just as they had guessed before, Zhu Yeqing, would not defend himself!

In this way, what Wan Zifeng had done, no one could really find out.

Wan Yongfeng was furious, "Bamboo Yeqing, don't think that you can be lawless just because you have Zhang Bailing to back you up."

"I tell you, today, I will use your blood to pay tribute to my daughter's spirit in heaven!"

With those words, Wan Yongfeng directly grabbed a dagger and stabbed it directly towards Zhu Yeqing's eyes.

Lin Mo clenched his hands and was about to open his mouth to drink and stop.

At that very moment, on the Wan family's side, one person had already rushed out and directly stopped Wan Yongfeng.

"Big brother, calm down for a moment!"

This man exclaimed.

Wan Yongfeng was furious: "What are you talking about?"

"He killed my daughter, I want to kill her to take revenge, what's wrong with that?"

"Even Seventh Uncle has just agreed that I should kill her, who are you to stop me?"

Seventh Uncle looked embarrassed, he was also very passive now, he didn't even expect that Wan Yongfeng had really captured Zhu Yeqing back.

However, he knew very well that Zhu Yeqing could never die.

If Bamboo Yeqing died, then Zhang Bailing would definitely fight for his life, and by then, the Wan family might have to be wiped out as a result!

"Yongfeng, you are the head of the family, you should take the big picture into consideration!"

Seventh Uncle said in a deep voice.

Wan Yongfeng roared in anger, "f*ck the big picture!"

"You bunch of b*****d b*****ds, you keep saying that the greater good is your priority."

"What does that mean?"

"Does it mean that my daughter deserves to die?"

"I'm telling you, I'm going to avenge my daughter today."

"Whoever dares to stand in my way is my enemy!"

Wan Yongfeng finished his sentence and directly threw the man away, striking out in anger once again.

Seventh Uncle frowned as he quickly stepped in to stop Wan Yongfeng and said in a deep voice, "Yongfeng, what is the use of you killing Zhu Yeqing?"

"People can't come back from the dead, you can't save Shengnan even if you kill Bamboo Leaf Green!"

"But, so many people from the Wan family are still there."

"Do you know how much of a disaster you will bring to the Wan Family if you are bent on doing this?"

Without any nonsense, Wan Yongfeng directly shot out his hand and pushed Seventh Uncle away, saying in a cold voice, "I alone will do what I have to do, there is no need for the Wan family to bear the burden."

"My daughter is dead, I am a father, looking at my enemies in front of me, and I can't even avenge her, then what is the point of me living?"

Seventh Uncle's face changed and he directly rebuked angrily, "Yongfeng, have you gone mad?"

"I will never allow you to do such a foolish thing!"

"Men, stop him for me!"

Those men behind Seventh Uncle immediately rushed up and blocked Zhu Yeqing behind, confronting Wan Yongfeng.

When Wan Zifeng saw such a situation, he couldn't help but rejoice: this was exactly the result he wanted!

Chapter 1687

Stopped, Wan Yongfeng roared in anger, "Get out of my way, all of you!"

No one stepped aside.

Wan Yongfeng was even more furious, "What do you want?"

"I am the head of the Wan family, how dare you disobey my orders?"

Seventh Uncle said in a cold voice, "You are the Wan family head, so you have to take the greater good into account."

"If you don't think about the Wan Family, then you're not qualified to be this family head!"

Wan Yongfeng's face turned cold: "Seventh Uncle, what do you mean?"

"I became the head of the family because the old master had handpicked me with his royal mouth."

"If you say so, you are questioning the old master's decision?"

Seventh Uncle sneered, "If my elder brother were here, he would definitely not allow you to do such a brainless thing either."

“Wan Yongfeng, I’ll tell you once more.”

“You are the head of the Wan Family, so when you do something, you have to take the bigger picture into consideration!”

“If you can’t think about the Wan family, then this Wan family head will have to choose another wise person!”

Hearing this, Wan Yongfeng directly tilted his head and laughed, “Old piker, you have finally revealed your wolf’s ambition.”

“Taking advantage of my father’s injury, you want to take away the Wan Family’s headship?”

“Hmph, just by you, you are worthy of it!”

Seventh Uncle sneered, “Wan Yongfeng, don’t put gold on your own face either.”

“Do you really think that we are all fools?”

“At this time, you have convened the Wan Family assembly, what exactly is it for, everyone knows it by heart.”

“So, don’t play these tricks with us here!”

Wan Yongfeng said in a cold voice: “What kind of fancy tricks am I playing?”

Seventh Uncle sneered, “Still playing dumb?”

“Hmph, I still don’t know what’s in your mind?”

“You see that my elder brother is extremely injured and the medicine is hard to heal, so you are afraid that you will lose control of the Wan family. So, you want to find an excuse to eliminate all those who are a threat to you!”

“Is it necessary to hold a Wan Family assembly for this incident?”

“You summoned all the candidates for the Wan Family’s head of family over and yelled something about killing Bamboo Yeqing, clearly wanting to take this opportunity to get rid of those who oppose you, so that you can completely control the Wan Family!”

“Hmph, I’m telling you, as long as I’m here, you won’t be able to do anything nonsensical!”

The crowd at the scene also spoke up in support, and all of them looked at Wan Yongfeng with righteous indignation.

Wan Yongfeng was also extremely annoyed, “I summoned you all back to discuss the matter of dealing with Zhang Bailing, I never thought of getting rid of you.”

“But I didn’t expect that you all had become so abject.”

“I tell you, today, I will kill Bamboo Leaf Green!”

“Moreover, the grudge between me and Zhang Bailing must also be settled!”

"If you support me, you are my Wan family."

"If you don't support me, you are my enemies!"

"I'll see who dares to stand in my way!"

Wan Yongfeng charged out violently, knocking a man in front of him out of the way.

Seventh Uncle shouted angrily, "Unbridled!"

"Stop him!"

The Wan family rushed up and directly fought with Wan Yongfeng.

Seeing this, Wan Zifeng immediately shouted, "How dare you all, how dare you fight with the family head?"

"Men, take them down!"

A group of people also rushed out behind Wan Zifeng, and in this instant, the crowd at the scene was directly mixed up in a battle.

Seeing such a situation, the Duke of Wan in the cabinet finally understood Lin Mo's words.

Wan Zifeng, indeed, was going to lend her father's hand to get rid of all these candidates, ah.

Looking at the melee of people at the scene, Wan Gongzi couldn't help but say, "Brother Lin, we are afraid that if we don't go out, it will be too late."

"Once someone from the Wan family is killed or injured, this matter, it will be impossible to undo."

Lin Mo stared deadily at Wan Yongfeng and said in a low voice, "Wait a little longer."

Duke Wan was surprised, "Wait for what?"

Lin Mo did not say anything, he was still staring at Wan Yongfeng with a deadly stare.

Suddenly, he noticed a slight bump on Wan Yongfeng's forehead.

Lin Mo instantly smiled, "That's it!"

"Good, let's go out!"

Chapter 1688

Wan Gongzi didn't know what Lin Mo had found, but it was crucial to be able to get out, that was the most crucial ah.

She immediately pushed open the cabinet door and rushed out, shouting, "Don't fight, you guys!"

The crowd at the scene was in the middle of a melee, and no one expected that two people would rush out from the cupboard in the corner.

Wan Gongzi had also disguised herself, and this time, the crowd didn't recognise her for a while.

Only Wan Yongfeng, who was trembling, looked at Wan Gongzi with a face full of disbelief.

“You you are Shengnan!?”

Wan Yongfeng’s voice was shivering, and he straightly doubted if he was dreaming.

Wan Zifeng, on the other hand, was shivering all over as he too stared in disbelief.

Duke Wan was actually not dead!

Duke Wan hurriedly wiped off his face to reveal his original face.

“Dad, it’s me!”

Duke Wan’s voice was also trembling.

Seeing his daughter standing alive in front of him, Wan Yongfeng’s tears gushed out directly.

“I I’m not dreaming, am I”

“Shengnan, you you’re really not dead?”

“You’ve really come back?”

Wan Yongfeng choked back a sob.

“Dad, I’m really not dead.”

Wan Gongzi walked to Wan Yongfeng’s side and took his hand, “Look, I’m alive and well!”

Wan Yongfeng grabbed his daughter’s hand, looked left and right, and when he saw that Wan Gongzi was really unharmed, he could not help but cry again.

The crowd at the scene, on the other hand, froze, and all of them looked at each other, not knowing what to do for a while.

Seventh Uncle also frowned, Duke Wan was surprisingly alive, which made him a bit at a loss for words too.

In fact, during the time that the old man had been injured, he had been planning to take away the position of the Wan family head and make his son the head of the Wan family.

And this time at the Wan Family assembly, he guessed that Wan Yongfeng would definitely seek revenge on Zhang Bai Ling Zhu Ye Qing.

He was also prepared to take this opportunity to oppose Wan Yongfeng, thus stirring up civil unrest in the family.

He, too, had pulled together many people in advance, just to take this opportunity to oust Wan Yongfeng from the position of family head.

Originally, the melee had started on both sides, and all he had to do was to take down Wan Yongfeng, and this time the matter would be done.

However, he did not expect that Duke Wan had returned alive.

How could things continue this time?

The most terrified person was Wan Zifeng.

If Duke Wan did not die, then wouldn't it be possible that his affairs would be exposed?

Once he was exposed, it was hard to say whether he would be able to keep his life, not to mention taking charge of the Wan family!

In his heart, he was so panicked that he even had the intention of retreating and wanted to leave quietly.

However, at that moment, he suddenly felt that the Shadowless Compulsion on his body was slightly moving.

Sensing this, Wan Zifeng could not help but be overjoyed.

The fact that the Shadowless compulsion had moved meant that the compulsion inside Wan Yongfeng's body had also taken shape.

In other words, the compulsion inside Wan Yongfeng's body was about to explode!

As long as this compulsion exploded, he would be able to control Wan Yongfeng, then he still had hope.

At this moment, Wan Yongfeng also began to ask Duke Wan about what had happened.

Duke Wan told him what had happened that day.

After listening, Wan Yongfeng was shocked, he did not expect that Zhu Yeqing would let go of Duke Wan and Lin Mo.

He immediately looked at Wan Zifeng, "Zifeng, didn't you say that someone had witnessed Bamboo Leaf Green kill them and had also thrown their bodies into the river?"

"What's going on here?"

Wan Zifeng looked embarrassed, "Big brother, this is something I don't know either."

"That witness did tell me so, he said he saw it with his own eyes."

"So it seems that it was that eyewitness who lied to me!"

Wan Yongfeng's brow furrowed, he was no fool, and from Wan Zifeng's expression, he could tell that there was definitely something fishy in this matter.

"Where did you get the eyewitness from?"

"Why would he lie to you?"

Wan Yongfeng asked in a deep voice.

Chapter 1689

Wan Zifeng suddenly stuttered and stammered, "I don't know."

"Maybe it could be that this person has some kind of conspiracy, or maybe someone is deliberately trying to stir up conflict between our Wan family and Zhang Bailing... .."

Wan Yongfeng said in a cold voice: "What kind of person has nothing better to do than to stir up conflicts between our Wan family and Zhang Bailing?"

Wan Zifeng strained his neck, "Big brother, this how do I know this?"

"It must be one of our enemies, or one of Zhang Bailing's enemies."

"There are too many bad people in this world, who knows what these people really have in mind?"

Wan Yongfeng frowned as he looked at Wan Zifeng suspiciously.

Wan Zifeng's heart was weak to the core, and he did not dare to look at Wan Yongfeng, he could only lower his head and feel the movement of the companions.

He knew that Wan Yongfeng already suspected him, and his only hope now was that the Shadowless Compulsion would break out so that he could take control of Wan Yongfeng.

Just then, Wan Gongzi walked out and said in a deep voice, "Second Uncle, I have a question for you, I wonder if you can answer it?"

Wan Zifeng: "What do you want to ask?"

Duke Wan gave him a look and said solemnly, "Brother Lin and I both left Yunan City, how did Bamboo Leaf Green find us?"

Hearing this, Wan Zifeng's heart suddenly thudded.

Wan Yongfeng also looked fiercely at Wan Zifeng, this was indeed where the problem lay ah.

Wan Zifeng strained his neck, "How do I know?"

"Isn't that a question you should ask Bamboo Leaf Green?"

Duke Wan said coldly, "Second Uncle, I have another question."

"How did you find Bamboo Leaf Green?"

Hearing this, Bamboo Leaf Green also jerked his head up and looked at Wan Zifeng with cold eyes.

Wan Zifeng's face became embarra*sed, but still strained his neck: "I I was lucky that someone found her, so so I led people to find her... .."

Duke Wan sneered, "Is that so?"

"Second uncle, then you're too lucky!"

Wan Zifeng was annoyed: "What do you mean?"

"Wan Shengnan, don't forget, I'm your second uncle!"

"You're just a woman, who are you to tell me what to do here?"

The crowd at the scene also nodded their heads, and that seventh uncle just now said in a cold voice, "Zi Feng is right."

"Yongfeng, is this the daughter you have taught?"

"Talking like that in front of the elders, no big deal, what is the decency?"

Duke Wan's face suddenly changed.

The Wan family had always given preference to boys over girls, and as a girl, she was not qualified to speak here at all.

Wan Yongfeng said coldly, "Seventh uncle, Shengnan has come back from the dead, there are some issues that need to be clarified, what is wrong with that?"

"Although Shengnan is a girl, she is still my daughter, Wan Yongfeng!"

"As long as I, Wan Yongfeng, am still the head of the Wan family, she is entitled to speak here!"

Seventh Uncle's face was cold as he said in a deep voice, "Being qualified to speak does not mean she can be rude to her elders."

"She's a junior, how can she question her elders like that?"

Wan Yongfeng: "Seventh Uncle, I don't think there's anything wrong with Shengnan's words."

"If this elder didn't have a ghost in her heart, then this would not be a questioning, but an enquiry."

Seventh Uncle frowned, "Yongfeng, what do you mean by that?"

"Zi Feng is your own brother, are you saying that he has a ghost in his heart?"

With these words, Seventh Uncle was already clearly stirring up trouble.

He appeared to be supporting Wan Zifeng, but in fact, he was deliberately provoking Wan Zifeng and Wan Yongfeng, wanting to make these two brothers contradict each other, and he was sitting in the middle to reap the benefits of fishing.

Wan Yongfeng did not refute Seventh Uncle, but looked directly at Wan Zifeng and said in a deep voice, "Zifeng, Shengnan's location, she only told me."

"And this location, I also only told you one person."

"You tell me, Bamboo Leaf Green, how did you find them?"

Chapter 1690

Hearing this, the crowd was in an uproar.

Everyone looked towards Wan Zifeng, and even Seventh Uncle's eyes widened.

He finally understood why Wan Yongfeng had supported Duke Wan like this.

To put it bluntly, Wan Yongfeng had actually become suspicious of Wan Zifeng!

And at this moment, his heart could not help but be secretly happy.

It would be great if the two blood brothers, Wan Yongfeng and Wan Zifeng, came into conflict.

He wouldn't even have to make a move, these two would be able to fight each other on their own, and he would then be able to push his son into the position of family head.

So, at this point, Seventh Uncle even stopped talking and instead took a step back, giving up his position to Wan Zifeng.

Cold sweat gushed out directly on Wan Zifeng's forehead, and he stammered, unable to utter a single word.

Duke Wan gave him a look and said in a cold voice, "Second Uncle, this question, it looks like you can't answer it."

"Why don't we go and ask Bamboo Leaf Green?"

After speaking, Duke Wan walked up to Bamboo Leaf Green, "Bamboo Leaf Green, how did you find us?"

Bamboo Leaf Green's face was icy cold: "Do I need to answer you?"

In the face of such an answer, Duke Wan only smiled slightly, "Bamboo Leaf Green, even if you don't say anything, I can still guess."

"Our location, it should be Qian Yong'an, or the compulsion daddy, who told you, right?"

A sharp aura flashed in Bamboo Leaf Green's eyes, and although she didn't say anything, it already said everything.

When Duke Wan saw the look in her eyes, he was also shocked in his heart.

All of these things had been told to her by Lin Mo, and had been deduced by Lin Mo based on this existing information.

I didn't expect that Lin Mo's inferences were all correct!

She took a deep breath and said in a deep voice, "Zhu Yeqing, then do you want to know how my second uncle found you again?"

This time, Bamboo Leaf Green did not say anything, she just looked at Duke Wan, she was also curious about this question.

Duke Wan said, "Qian Yong'an and the Companions, who could tell you my location, could likewise tell my second uncle your location!"

Hearing this, Zhu Yeqing's face instantly turned cold as he said in a deep voice, "You mean that Qian Yong'an and Compulsion Zun, in conjunction with Wan Zifeng, are against me?"

Duke Wan: "It's not just you they're dealing with, it's me too."

"They want to use your hand to kill me, and they want to use my father's hand to kill you."

“Bamboo Leaf Green, do you still not understand?”

“Qian Yong’an and the Companions, they also have evil intentions!”

Endless killing intent flashed in Bamboo Leaf Green’s eyes, and in her heart, she had already sentenced these two to death.

Duke Wan: “Zhu Yeqing, now, are you still unwilling to expose Wan Zifeng?”

“Our location, did Qian Yong’an and the Companions tell you about it?”

Bamboo Leaf Green slowly nodded, “You guessed right, it was these two people who told me!”

At these words, the whole crowd was in an uproar, and everyone looked at Wan Zifeng in unison.

Wan Yongfeng also looked at him with cold eyes, “Lao Er, what else do you have to say now?”

Wan Zifeng’s face swelled red as he strained his neck and said, “What is this this?”

“It’s just their speculation!”

“If you want to add guilt to the crime, if you want to convict me by using these speculations, then I have nothing to say!”

Wan Yongfeng’s face was cold: “Lao Er, it’s already this time, do you still want to die without admitting it?”

Wan Zifeng: “I didn’t do it, what am I admitting to!”

Wan Yongfeng was furious and was just about to speak, but Duke Wan had already spoken first, “Second Uncle, if I’m not wrong, in your phone, you should still have messages with Qian Yong’an and Compa*s Zun.”

“Do you dare to take out your phone and let us check it?”

Hearing this, Wan Zifeng’s face changed, he subconsciously took a step back and covered his pocket with his hand.

Seeing this, Wan Yongfeng took a step directly after him: “Lao Er, show me your phone!”
