

## Genius 1711

### Chapter 1711

Master Wan frowned slightly, "Yongfeng, this matter, you should not be too hasty."

"Shengnan has extremely high self-esteem, and, all these years, she has not worn women's clothes or dressed up at all."

"If you rashly let her wear women's clothes and dress up, I'm afraid it will cause her to resist, and that won't be good."

Wan Yongfeng smiled, "Father, you can rest assured."

"Shengnan's temper, don't I know it yet?"

"I definitely can't personally go and have her clean up."

"But, I can let Wan Zhi go!"

"This little girl, she's the most devilishly clever, she'll definitely be able to get things done."

Master Wan instantly smiled too, "That's a good method."

Next, Wan Yongfeng went straight to Wan Zhi and asked her to persuade Duke Wan.

Wan Zhi was indeed a resourceful person, and when she heard Wan Yongfeng's words, her eyes instantly lit up, "Let her wear women's clothes, and let her dress up?"

"What are you planning to do?"

"Planning to marry her off?"

"Got a suitable match?"

Wan Yongfeng hit her on the head, "You just do your job, why ask so many questions!"

"Don't be a guesser."

Wan Zhi beamed, "Then I'm not concerned about my sister!"

"Hmph, even if you don't say it, I still know it in my heart."

Wan Yongfeng gave her a look, "What do you have in mind?"

Wan Zhi tilted her head in triumph, "You want to marry her off to that divine doctor Lin, right?"

Wan Yongfeng was stunned, "You ..... how do you know?"

Wan Zhi: "Nonsense!"

"That character of my sister, there are basically no men in this world that she can look at."

"You guys never let her dress up even when you let her meet those worldly kids before."

"This time, there must be full assurance."

Wan Yongfeng stared, "Then how do you know it's the divine Doctor Lin?"

Wan Zhi: "Heh, is there any need to guess?"

"Her eyes were glowing when she looked at Divine Doctor Lin."

"Girls, when they really like someone, they can't hide it."

Wan Yongfeng gave her a deep look, this Wan Wisdom was really a ghostly wit.

However, this also verified his suspicion even more, that Duke Wan really liked Lin Mo.

"Then this matter, can you do it?"

Wan Yongfeng asked.

Wan Zhi: "Don't worry, I'll take care of it."

Next, Wan Zhi ran to that solitary courtyard of Duke Wan's.

In the courtyard, the few servant girls were still standing.

Wan Zhi ran in and didn't even talk to them, she ran straight to the house.

One of the maidservants hastily stopped her: "Second Miss, the Duke has ordered ....."

Wan Zhi: "What did he order?"

"She is my sister, she can still turn over in there?"

The servant girl was at a loss for words, seeing Wan Zi running towards the house, she hurriedly shouted, "Duke, the Second Miss is here!"

There was a confused sound inside the house, and the panicked voice of Duke Wan followed, "Tell her to wait."

However, Wan Zhi had already run into the house by now.

She was in the inner room, wearing a dress, and was in a hurry to get it off.

But then Wan Zi came in.

The two of them looked at each other, and Duke Wan's face turned red with a blush.

"Who ..... let you in?"

"I didn't tell you to wait!"

"You ..... Why are you so rude?"

The Duke of Wan was annoyed and pointed at Wan Wizi and yelled.

Wan Zhi was not afraid at all and ran inside and sat down on the sofa, "Aiya my grand duke!"

"I'm a girl, I ran in to see you, what's so rude about that?"

“You haven’t done anything harmful, why are you being vain?”

Wan Gongzi’s face was swollen with red: “Who ..... has a weak heart?”

Wan Zi skipped a smile and suddenly pointed at Wan Gongzi, “Big brother, don’t you think your clothes are dressed in an unconventional way?”

Wan Gongzi was stunned: “What’s wrong?”

As soon as she asked, she immediately felt that something was wrong and quickly said with a stern face, “What do you care?”

## **Chapter 1712**

Wan Wizi: “Don’t you dare, you think I want to control you?”

“It’s just that you’re wearing such awkward clothes.”

“If this gets out and people see it, I’m afraid they’ll take you for a fool!”

Wan Zi couldn’t help but feel anxious: “I ..... how is this awkward for me?”

Wan Wizi: “The match is not right!”

“You shouldn’t match this dress with this kind of dress.”

Wan Gongzi: “Then what should I match it with?”

Wan Zi immediately got up, “Come, come, I’ll teach you.”

“Listen, this kind of skirt, you have to match with the kind of dress that is a little fresher, and the shoes have to match with the kind of fresh and lovely .....”

Wan Gongzi stood next to her, listening carefully and trying hard to remember every word Wan Zhi said.

Wan Zhi looked at her like this and suddenly puffed out a smile, “Boss, why are you suddenly so interested in women’s stuff?”

“Is there someone you like?”

Duke Wan’s face instantly became swollen red and stammered, “What are you ..... talking about?”

“I ..... I ..... how could I ..... have a favorite .....”

“I just ..... am .....”

Stammering for half a day, but unable to give a good explanation at all, Wan Zi could only sit on the side and sulk.

Wan Zi, on the other hand, was laughing her head off, growing up, it was the first time she had seen Wan Gongzi get defeated like this.

“Boss, I was just joking with you, look how excited you are!”

Wan Zhi said laughingly.

Duke Wan turned his head to the side and ignored her indignantly.

Wan Zhi stood up and laughed, "Alright, it's getting late, I have to go back for my beauty sleep."

"Oh, yes, I heard that Divine Doctor Lin is going back to Guang Province tomorrow."

"Tomorrow the family is going to hold a banquet to trample on him, will you go to the banquet then?"

Duke Wan's expression was a little lost, and she lowered her head without speaking.

Seeing her like this, Wan Zi said to herself, "Boss, what do you think would be appropriate for me to wear tomorrow?"

"You know Divine Doctor Lin quite well, what kind of girls do you think he likes?"

"Sexy? Innocent? Or sensual?"

"Geez, it's annoying. It's the first time I've met a man that's so difficult to get hold of!"

Duke Wan's face changed, "What do you ..... you ..... want to do?"

Wan Wizi smiled delicately, "What else can I do?"

"This Divine Doctor Lin is very good."

"At such a young age, he has such great skills and achievements."

"If this could become my husband, hehehe, it would be so much better than those unknowing sons of the world!"

Wan Gongzi's face instantly turned iron blue, and she looked at Wan Zi warily, her face full of indignation.

"How can you ..... you have such an idea?"

"Divine Doctor Lin is already married!"

Wan Gongzi said sharply.

Wan Zhi laughed disdainfully, "What kind of marriage is that?"

"He was in a downward spiral and had no choice but to become a house son-in-law for a hundred thousand dollars."

"All these years, the Xu family used him like a dog and didn't even treat him like a human being."

"If you ask me, such a marriage, don't want it."

"How can a man as good as Divine Doctor Lin suffer such insults?"

Saying that, Wan Zhi puffed up his chest and said smilingly, "So, I'm just going to, save Divine Doctor Lin from the fire."

"Make him my husband, and in this life, I will give him all the best."

"He suffered a lot in the first half of his life, and in the second half of his life, I will never let him suffer the slightest bit again!"

With a few words, Wan Zi's heart was somewhat overwhelmed by what he said.

Seeing the light in Duke Wan's eyes, Wan Zhi knew that her plan was basically a success.

She smilingly came over to Duke Wan's side, "Boss, I'm leaving first, ah."

"I've had a lot of clothes sent over, I have to try them on properly later."

"Doctor Lin is leaving tomorrow, I have to leave him with a memory that will last forever!"

## **Chapter 1713**

Wan Zhi twisted her waist and left in style.

As Duke Wan looked at her back, her heart only felt as if something most important had been taken away from her.

After a long time, Duke Wan suddenly clenched her teeth, she fiercely clenched her hands, turned her head and shouted, "Little Sakura, come in!"

A servant girl hurriedly ran in and when she saw the appearance of Duke Wan in her skirt, she could not help but be filled with astonishment.

They could never have dreamed that Duke Wan would be dressed like this.

However, Duke Wan ignored her expression and said in a deep voice, "You should now order down and have those shops in the city send over all the clothes that are suitable for me to wear!"

Sakura froze for a moment, "What ..... When will they be sent over?"

Wan Gongzi: "Now, immediately, right away!"

Sakura: "Huh?"

Duke Wan glared at her, "Ah what ah?"

"Hurry up and go!"

Only then did Sakura come back to her senses and rushed to the door.

Suddenly, she paused for a moment, "Gongzi, do you want sneakers?"

Lord Wan was annoyed: "What sneakers?"

Sakura: "Sneakers that go with casual trousers, huh?"

"You don't want them?"

"Then ..... that's all about the suit?"

Manji was furious and said indignantly, "I'm talking about women's clothes!"

“All the women’s suits!”

Sakura was once again confused, “Huh?”

In all these years, Duke Wan had never worn women’s clothes.

Sakura had just thought that Duke Wan wanted men’s clothes, but to her surprise, Duke Wan wanted women’s clothes?

What was going on here?

“Buy whatever you’re told, where’s all this nonsense!”

Duke Wan said indignantly.

Little Sakura hurriedly ran out with her head down, and all the way outside, she was actually still confused.

Inside the house, Duke Wan stood by the window, his eyes firm.

“Lin Mo, I want you to remember me forever!”

“Wan Wizi, I won’t lose to you, I won’t lose to anyone!”

.....

At noon the next day, the Wan family banquet began as scheduled.

Lin Mo spent the morning chatting with Master Wan and also played two games of chess together.

In the first game, Lin Mo won.

In the second game, they drew.

But in fact, Master Wan could see clearly.

In the second game, Lin Mo had the intention to let him win, because in the second game Lin Mo played with complete ease.

Lin Mo’s chess skills were so superb that they were far superior to his.

This was something that made Old Master Wan sigh in admiration.

He knew that in his life, he had no other hobby, his only hobby was playing chess.

He himself often said that the thing he was most proud of was that his strength ranked second and his chess skill ranked first.

In his life, he had played chess with several national players, but he had never felt like this before either.

Unexpectedly, he was easily defeated by a young man, which made him even more impressed with Lin Mo.

As the two sat down at the table, Elder Wan lamented, “In my lifetime, I have never really admired anyone in the art of chess.”

“Divine Doctor Lin, you are the first person who has made me admire you to my very core!”

“This chess skill of yours is not at all like what you can have at your age, this is simply not the kind of chess skill you can have without decades of experience!”

Lin Mo responded with a faint smile.

In fact, this chess skill of his was also an inheritance from inside the jade pendant.

The jade pendant contained all the memories of his ancestor, including this chess skill.

The ancestor of the Lin family was a marvel of the ages, mastering everything from the zither and chess to calligraphy and painting.

As Lin Mo had obtained his ancestor’s memories, he was naturally able to crush Old Master Wan in terms of chess.

When the rest of the Wan family heard the words of the old man, they were all shocked.

Seventh Uncle couldn’t help but approach the old man: “Big brother, how many pieces did you let the divine doctor Lin have?”

Old Master Wan glared at him, “What did you let?”

“In the second game, Divine Doctor Lin gave me a rook and a cannon!”

Seventh Uncle’s eyes widened, “Huh?”

Everyone else was also full of shock, just thinking they had heard wrong.

## **Chapter 1714**

The old man glanced at the crowd at the scene and said, “You people, you see less and more.”

“This incident today is also a living example.”

“Always remember that there are people outside the sky.”

“Don’t think that just because someone is young, they are not capable.”

“The geniuses in this world simply cannot be speculated according to normal people, understand?”

The crowd at the scene nodded their heads and looked at Lin Mo with eyes filled with astonishment.

Lin Mo’s unparalleled medical skills and such exquisite chess skills were truly unimaginable to the crowd.

Whether it was the art of medicine or chess, it all took a long time to accumulate.

Who could have imagined that Lin Mo would crush so many people at such a young age?

Just as the crowd was chatting, the door to the room opened and Wan Zhi walked in.

She was already extremely feminine looking. She was already extremely feminine, but after dressing up, she looked even more beautiful.

Wan Zhi smilingly walked up to Lin Mo and pretended to greet him.

Wan Yongfeng stood next to him and couldn't help but whisper, "What are you doing?"

"Didn't I ask you to help your sister?"

Wan Zhi faintly smiled, "Don't worry."

"She'll be here soon!"

Sure enough, not long afterwards, the door to the room suddenly opened.

A stunningly beautiful woman in a long dress stood in the doorway with a blushing face.

The girl's features were exquisite to the extreme, her skin was like snow, and although she had short hair, it added to the beauty of the whole person who was full of Englishness.

Wan Zhi was already considered a supreme beauty, but, in front of this girl, Wan Zhi appeared to have no features and did not stand out at all.

In this instant, a dead silence fell over the people in the room.

A young man standing at the door immediately said playfully, "Beauty, looking for someone?"

The stunningly beautiful woman glared at him, "Get lost!"

The youth froze for a moment, this voice, this feeling, this aura, very familiar, huh?

The people in the room also froze.

Just then, Wan Zhi stood up, "What are you standing there for?"

"Hurry up and give up your seat for Big Sister!"

Only then did the people in the room come back to their senses and all looked at the girl at the door in shock, and there was an uproar.

"No way! This is Shengnan!"

"Why is big sister suddenly wearing women's clothes?"

"Shut up, do you deserve a beating? How dare you say such things!"

"Oh my, big sister in women's clothes, so pretty?"

"I've been saying for a long time that Big Sister is the most beautiful, but you didn't believe me, now you believe me!"

The juniors were all exclaiming in awe, while those elders, too, were all full of shock.

Even Wan Yongfeng was wide-eyed: "This ..... is Shengnan!?"

Wan Zhi: "What else?"

Wan Yongfeng was full of excitement, "I told you so!"

“My daughter, that is not dressed up.”

“If she dresses up, she’s absolutely beautiful!”

Everyone else was also shocked to the core, for one thing, they didn’t think that Duke Wan would come to the banquet dressed like this.

Secondly, the crowd really didn’t expect that Duke Wan, who normally only wore men’s clothes, would be this beautiful after dressing up, which was far beyond the crowd’s imagination!

Duke Wan’s face was flushed, wearing this outfit made her feel at a loss for words.

She lowered her head and didn’t even dare to look at Lin Mo’s reaction.

Master Wan, on the other hand, laughed, “Shengnan, you’re dressed well today!”

“Come, come and sit here!”

Duke Wan nodded obediently and walked over to sit down not far next to Old Master Wan.

To the left and right of Elder Wan sat Wan Yongfeng and Lin Mo respectively, so this time, Duke Wan was sitting directly next to Lin Mo.

As for Wan Zhi, she was blocked to the side by Duke Wan, not allowing her to go near Lin Mo at all.

Wan Zhi smiled faintly, her real purpose was to stimulate Duke Wan’s and make her feel a sense of crisis.

When Duke Wan came over dressed like this, her purpose had been achieved, nothing else mattered anymore.

## **Chapter 1715**

Seeing this dressing of Duke Wan, Master Wan and Wan Yongfeng were also happy from the bottom of their hearts.

This incident also made the two of them even more certain that Duke Wan really liked Lin Mo.

Therefore, after three rounds of wine, Wan Yongfeng took the opportunity to laugh and said, “Divine Doctor Lin, what do you think of my family’s Shengnan?”

Duke Wan blushed slightly and lowered his head, but his ears were listening carefully.

Lin Mo smiled, “Miss Wan is a man who keeps his word and is admirable!”

Not getting the answer he wanted, Wan Yongfeng pursued, “Then what do you think of my family Shengnan’s outfit today?”

Lin Mo was a little embarrassed, he knew exactly what Wan Yongfeng wanted to say.

However, he didn’t want to continue on this topic.

“Miss Wan’s outfit is very good!”

Lin Mo casually said back.

Wan Yongfeng smiled smugly, "You also think my daughter is very nice."

"Divine Doctor Lin, then what do you think, how does my daughter match you?"

The people around looked at Lin Mo in unison.

Duke Wan's face was even more swollen red, his heart was puffing and puffing, he lowered his head and didn't dare to say a word, but his heart was already full of hope.

Lin Mo: "Master Wan, you're joking."

"Miss Wan is a thousand gold, how can I be worthy of Miss Wan!"

Wan Yongfeng laughed, "Divine Doctor Lin, you don't need to be modest either."

"In fact, with your abilities, if you were to come together with my daughter, it would truly be a match made in heaven."

"Why don't you just stop leaving and stay in my Wan family as a son-in-law?"

Lin Mo smiled awkwardly, "Master of the Wan family, you are joking."

"I have long been married, so how can I be someone else's son-in-law?"

Wan Yongfeng said directly, "Divine Doctor Lin, I'm not joking with you."

"I know that your joining the Xu family in the first place was also entirely out of necessity."

"The people of the Xu family also have no half-hearted feelings for you."

"If that's the case, why do you have to remain in that impersonal family?"

"If you're willing, wouldn't it be better to stay with our Wan family and make a beautiful marriage?"

Lin Mo frowned slightly and said softly, "Master of the Wan family, thank you for your kindness."

"However, I am always a married man, so this is not suitable."

"Besides, Miss Wan is naturally beautiful and has such superior conditions, she fully deserves to find someone a hundred times better than me, how can I be worthy of Miss Wan!"

Hearing these words, Duke Wan's eyes couldn't help but redden.

By refusing twice, Lin Mo had already made his feelings clear.

And that, in turn, broke Duke Wan's heart.

At this moment, Wan Yongfeng was still unwilling and still said, "Divine Doctor Lin, are you afraid of what others might think?"

"Don't worry, no one dares to tell my Wan family's son-in-law what to do ....."

He was about to continue, when Duke Wan suddenly stood up, "Dad, that's enough!"

"It's not like I can't get married, why are you acting like this?"

“Besides, I ..... I don’t like him at all, why are you messing with the marriage order?”

As he said this, Wan Gongzi’s tears gushed straight out of his eyes.

The pain of not being able to say the words made it even harder for her heart.

Seeing his daughter in this state, Wan Yongfeng’s heart was also racked with pain.

Of course he could see that his daughter was in tears because of Lin Mo.

This, in turn, made him even more determined to keep Lin Mo.

Wan Yongfeng waved his hand, “Shengnan, don’t say anything!”

“Lin Mo, I’m asking you once more.”

“Are you marrying my daughter or not?”

Lin Mo glanced at Duke Wan and said softly, “Master Wan, I’m really sorry .....”

Duke Wan’s tears were instantly like broken beads, constantly falling down his snow-white cheeks.

Wan Yongfeng directly shot up, “Lin Mo, don’t go too far!”

“What exactly is it about my daughter, Wan Yongfeng, that is not good enough for you?”

“How dare you repeatedly refuse like this, are you insulting our Wan family?”

## **Chapter 1716**

At this moment, the eyes of the people in the room were also filled with indignation when they looked at Lin Mo.

After all, Miss Wan was the eldest lady of the Wan family, so Lin Mo’s repeated refusal was a slap in the face of the entire Wan family!

Lin Mo’s brow furrowed, he was actually quite helpless in his heart.

He had never thought that he would encounter such a thing when he came to the Wan Family to treat a medical condition.

A great family like the Wan Family was forcing a marriage on him?

“Master of the Wan Family, I have no intention of insulting the Wan Family.”

“I have great respect for the Wan Family, and for Miss Wan!”

“It’s just that I’m already married.”

“And, I love my wife very much.”

“So, in this life, there’s no way I’ll ever marry another woman!”

“Everyone, I’m sorry, I still have something to do, so I’ll take my leave first!”

Lin Mo said back aloud, stating his attitude bluntly.

Duke Wan was completely dead, she sat down in her chair, her face ashen.

Wan Yongfeng also froze, he had originally wanted to have Duke Wan dress up and impress Lin Mo with her beauty.

Then, he would personally propose marriage to Lin Mo in front of so many people, so that he could not refuse.

But he had never dreamed that Lin Mo would refuse so directly.

Looking at his daughter's appearance, it was even harder for him.

"Lin Mo, how dare you!"

Wan Yongfeng shouted angrily, "How dare you insult my daughter like that, how can I spare you!"

"Today, you won't be able to walk out of my Wan family just like that!"

The Wan family members directly closed the door to the room, shutting Lin Mo inside.

As for Old Master Wan, he too had his eyes slightly closed, as if everything had nothing to do with him.

The way his granddaughter was in tears made his heart ache as well, and he wanted to teach this Lin Mo who didn't know any better a lesson.

Lin Mo frowned tightly and said in a deep voice: "Master of the Wan family, what do you want?"

Wan Yongfeng: "You insulted my Wan Family like that, you must at least leave an arm behind!"

"Otherwise, if this matter gets out, won't the world laugh at my Wan Family's incompetence?"

Lin Mo: "I have no intention of insulting the Wan Family ....."

Wan Yongfeng said angrily, "That's an insult!"

"Who are you? If my daughter is matched with you, she is already under-married."

"How dare you pick and choose and repeatedly refuse, do you really think my daughter is unwanted?"

"I tell you, my daughter really won't marry you."

"But you will have to pay the price for insulting my daughter like that!"

"Someone, chop off his arm for me!"

Several members of the Wan family raged around.

Lin Mo frowned tightly, not knowing what to do for a moment.

These few people from the Wan Family were not weak, so he might not be able to break out.

Moreover, Wan Yongfeng was still here.

Wan Yongfeng's strength was on par with Zhang Jiudian Huohua's.

If they really fought, Lin Mo would not be a match for them at all!

Seeing that this great battle was about to begin, Duke Wan suddenly stood up and shouted, "What are you doing?"

"Get out of my way!"

Wan Yongfeng waved his hand, "Shengnan, you don't have to care."

"How dare this man insult you, I must seek justice for you!"

Wan Gongzi said indignantly, "Dad, what are you doing?"

"He cured grandpa, you ..... How can you be so envious?"

Wan Yongfeng: "One size does not fit all!"

"He cured the old man, we are all grateful to him!"

"But, insulting you and insulting our Wan Family has to pay a price!"

The rest of the Wan Family nodded their heads.

Duke Wan's face swelled red, "Dad, will you stop it?"

"Do you still think that I haven't embarra\*sed myself enough?"

Wan Yongfeng said angrily, "Shengnan, it was this b\*\*\*\*\*d who made you lose face."

"That's why I'm chopping off one of his arms to avenge you!"

Wan Gongzi exclaimed, "Dad, I don't like him at all, I ..... am just using him and tricking him to cure Grandpa ah."

"You let him go, I feel sick at the sight of him, how could I like a useless superfluous son-in-law?"

## **Chapter 1717**

Wan Yongfeng froze as he looked at Duke Wan, and only after a long time did he waved his hand helplessly.

As the Wan family retreated, Wan Yongfeng looked coldly at Lin Mo and said in a deep voice, "Lin, get lost!"

"This time you cured my father, my Wan family will keep it in their hearts."

"This favor will definitely be returned to you by my Wan Family in the future!"

"But, you listen to me clearly too!"

"From now on, you are not allowed to appear within the boundaries of my southeastern province again!"

"Otherwise, I will kill you!"

Lin Mo sighed, he hadn't expected that things would turn out this way.

“Miss Wan, I’m sorry!”

Lin Mo gently apologised, ignoring the Wan family at all, and turned straight away to leave.

As he watched Lin Mo walk away and disappear, it was as if Duke Wan had lost his soul as he sat straight down in his chair.

The people in the room looked at each other in disbelief as the banquet immediately became tasteless.

Master Wan sighed and slowly got up, “Shengnan, let’s go, let’s go home.”

Duke Wan answered softly and assisted the old man to leave.

The moment she walked out of the room, the tears in Duke Wan’s eyes could no longer be held back and gushed out directly.

Just now, she had said those last words in order to save Lin Mo, in order to get her father to let Lin Mo go.

However, she was the only one who knew how untrue her words really were when she uttered those words.

She wanted to catch up with Lin Mo and tell him that she was sorry, and tell him that she really liked him.

But, right now, she couldn’t do anything!

She did not know how much she would hurt Lin Mo with those words, but she herself had already been hurt.

In this life, would she ever be able to see him again?

The crowd in the private room also gradually dispersed, and Wan Yongfeng sat alone at the table drinking sullen wine.

Tonight, he had originally wanted to settle the matter of his daughter.

In fact, he was not such an impulsive person; the only time he would be so impulsive was when it came to his daughter’s matter.

If it were any other matter, even if Lin Mo refused or even did not give him face, he would not have lost his temper so much.

But when it came to the matter involving Duke Wan, he could not bear it, and that was why he had brought the matter to the present stage.

He naturally knew how much pain his daughter really felt in her heart when she said those words, but he couldn’t do anything about it.

Wan Zhi sat next to him and said in a low voice, “Eldest Uncle, you shouldn’t be angry either.”

“If Lin Mo doesn’t marry Big Sister, it’s his loss.”

“With Big Sister’s status and looks, under this world, I don’t know how many sons of worldly families are lining up to marry her.”

“Lin Mo doesn’t know any better, that’s because he doesn’t have this blessing .....

Wan Yongfeng waved his hand straight away and sighed, “Wizi’er, words are said though.”

“But, your big sister’s temper, you also know that.”

“Missing this man, I’m afraid she’ll never be able to marry again in her life.”

“Hey, I .....

Wan Zhi also fell into silence, just as Wan Yongfeng said, I’m afraid that Wan Gongzi really won’t marry again in this life!

However, what could be done about it?

I just hate that the two of them met too late, I just hate that fate has made things worse!

.....

Leaving the Wan family, Lin Mo directly found a car and headed for the airport.

He had some guilt in his heart towards Duke Wan, but, he was already married, and if other people fell in love with him, they must inevitably be hurt!

The vehicle sped along, not long after driving out of the city, when a black SUV suddenly came against traffic on the road ahead.

The taxi driver was startled and swerved to avoid it.

But the SUV was coming right at him and disliked him hard.

The taxi driver did not dare to collide directly with this kind of off-road vehicle, and with a handful of directions, the vehicle went straight into the adjacent field.

The driver jumped out of the car, pointing at the SUV parked not far away and cursing furiously.

At this moment, a man jumped out of the car and without saying a word, he slapped the taxi driver and sent him flying.

After that, he pointed at Lin Mo in the car and shouted angrily, “Lin, come out and die!”

## **Chapter 1718**

Seeing this man, Lin Mo couldn’t help but frown.

He had seen this man before, he was one of the guest ministers of the Wan Family.

What did he mean by coming after him at this time?

Lin Mo opened the car door and stepped out, “This big brother .....

The man directly rebuked angrily, “Who’s your big brother?”

“Surname Lin, how dare you insult my lady?”

“Today, I will kill you!”

The man said, and with a fierce leap, he directly pounced on Lin Mo, forming his hands into fists and smashing towards Lin Mo’s temples on both sides.

Lin Mo dodged and avoided it, but the man was also extremely fast and directly attacked with his body.

Lin Mo was unable to dodge, so he could only fight with the man.

The man’s strength was not weak, and for a while, he fought with Lin Mo in an indistinguishable manner.

The most crucial thing was that the man’s strikes were very crazy, and looking at his stance, he was completely aiming to kill Lin Mo.

Lin Mo originally wanted him to retreat, but when he found out that the man had a murderous intent, he did not dare to be careless.

The two men fought with all their might for ten minutes.

Lin Mo finally seized an opportunity to take a punch from the man and knocked him out of the way with a close-quarters lean.

The man crashed into the SUV behind him, knocking a large crater into the door of the SUV.

The violent impact caused the man to vomit a mouthful of blood straight away.

However, he didn’t have the slightest intention to stop, jumping up again and lunging towards Lin Mo.

Lin Mo had no choice but to dodge and seized the opportunity to stab a silver needle into the man’s shoulder.

This time, the man was finally unable to fight any longer.

He sat down on the ground, his expression still fierce: “Lin Mo, let go of me if you dare, and let’s fight to the death!”

Lin Mo frowned: “This big brother, I have no grudge against you, why do you have to fight against me?”

Lin Mo knew that this was definitely not someone sent by the Vanguard Family.

If the Wan Family really wanted to kill him, there was no way they would have sent just such a person over!

The man gritted his teeth and hissed loudly, “No grudge or hatred?”

“You humiliated my miss in public, if I don’t settle this score with you, what face do I have left to live?”

Lin Mo frowned, it was the matter of Duke Wan again.

Just what the hell was going on here?

No one else from the Wan family had come, but a guest minister? What was this about?

Lin Mo: "Let me start by stating that I'm not humiliating Miss Wan, I really do have a family."

"Besides, this matter, after all the calculations, is between me and the Wan family."

"You're just a guest of the Wan family, do you have to come running to fight with me?"

The man yelled, "What the hell do you know!"

"I'm not a guest of the Wan family, I'm a servant of the Lu family in the capital!"

"Back then, when Eldest Miss married down to Wan Yongfeng, I came to the Wan family with Eldest Miss."

"Not long after Missy gave birth to Miss Shengnan, she pa\*sed away."

"I watched Miss Shengnan grow up."

"In the Wan Family, apart from Miss Shengnan, no one is qualified to be my master!"

"Surnamed Lin, even if you kill the master of the Wan family, I won't stop you."

"But, if you insult Miss Shengnan, then I will definitely have to fight you to the death!"

Lin Mo finally understood what this man's identity really was.

He hadn't expected that Duke Wan's mother was also from a famous family in the capital, ah.

"This big brother, I'll say it again."

"I really didn't mean to insult Miss Wan."

"I already have a family, so if I abandoned my hair wife and married Miss Wan, that would only be the greatest insult to Miss Wan, wouldn't it?"

Lin Mo said in a soft voice.

The man couldn't help but stare, these words from Lin Mo were something he hadn't expected.

Lin Mo patted his shoulder, "The power in your body will be restored in ten minutes."

"Say sorry again to Miss Wan for me."

"No matter what, I'm still grateful to Miss Wan for saving my life!"

## **Chapter 1719**

On the same day, Lin Mo rushed back to Guang Province.

After returning, he did not rush to show himself, but first contacted Li Tiezui to meet with him.

During the few days Lin Mo was in Southeast Province, Li Tiezui was basically in full control of the affairs in Guang Province.

"How is the situation now?"

Lin Mo asked.

Li Tiezui frowned tightly, "It's very bad."

"The top ten families in Su Province, in conjunction with a few of the top ten families in Guang Province, are now basically in control of the situation on the Guang Province side."

"Zhao Tianyuan has also given a bride-price to General Manager Xu, saying that he wants to marry General Manager Xu and is going to pick up the bride tomorrow."

Lin Mo's face was cold: "What!?"

Li Tiezui said in a deep voice: "Zhao Tianyuan wants Xu Pharmaceutical to hand over the Reconstruction Pill, but General Manager Xu would rather die than comply."

"Moreover, everyone knows that the Recycle Pill was developed by Xu Pharmaceutical."

"Zhao Tianyuan really couldn't snatch it away, so he came up with this solution, wanting to marry General Xu and take over Xu Pharmaceutical by force."

"In this way, the Recycle Pill will fall into his hands!"

Lin Mo slammed his fist on the table, "Zhao Tianyuan, D\*mn you!"

"What about Hanxia? How is she now?"

Li Tiezui: "General Xu is under house arrest, and the ten major families in Suzhou Province have sent a large number of experts to keep an eye on her, so she can't get away at all."

"Moreover, Zhao Tianyuan has also captured General Manager Xu's parents, as well as a few friends on your side."

"He threatened General Xu that if she ran away or didn't marry him, then he would kill these people."

"So, General Xu now has no choice at all!"

Lin Mo's face turned even colder and his expression became livid.

This Zhao Tianyuan, he was really despicable!

Li Tiezui said in a deep voice, "Not only that, Zhao Tianyuan also injured Chen Shengyuan and almost forcibly occupied Nan Bing'er's sole courtyard."

"At the most crucial moment, it was only when Master Xue Wu personally gave the word that he didn't dare to do anything to Nan Bing'er!"

Lin Mo's face was cold again, "How dare he do something to Nan Bing'er?"

"This Zhao Tianyuan, is he tired of living?"

Li Tiezui shrugged, "This Zhao Tianyuan, has always been extremely conceited."

"He should have thought that the people of the Nalan family wouldn't care about Nan Bing'er, so he wanted to take advantage of the opportunity to swallow Nan Baitian's estate."

“However, he has misjudged one thing, and that is that Master Xue Wu will definitely not let this happen.”

“The granddaughter of the Nalan family, if she dies in the Southern Realm, Master Xue Wu will not be able to account for it.”

“Therefore, Fifth Master Xue is definitely going to keep Nan Bing’er no matter what!”

Lin Mo nodded, and then frowned, “Then what about my side of things, did Fifth Master Xue not say anything?”

Li Tiezui shook his head, “Fifth Master Xue is the King of the Southern Realm, but it’s impossible for him to care about the internal conflicts of various families.”

“This matter, he can’t interfere.”

“If the Ten Great Families of Su Province exterminated you, he wouldn’t care.”

“Likewise, if you destroy the ten clans of Su Province, he won’t care either!”

Lin Mo nodded slowly, “Very well!”

“Right, call Tiger to come over, I have something for him to do!”

Li Tiezui looked embarrassed and said in a low voice, “Last night, Tiger was ambushed and badly injured.”

“If it wasn’t for the brothers around him who tried to save him from death, Tiger’s life would definitely have been lost!”

“However, he had one of his hands chopped off, and this hand, for sure, will not be able to be connected!”

Lin Mo’s face was cold: “Who did it?”

Li Tiezui shook his head, “Haven’t found out yet, but it’s definitely someone from this side of Guang Province.”

“People from Su Province are mainly in Guangyang City, no one has entered the provincial city.”

“The only people who could ambush Tiger in the provincial city and seriously injure him would be the people from the ten clans in Guang Province.”

“According to the information we got, Tiger went out that day by taking a phone call.”

“Tiger is still in a coma, when he wakes up, he will be able to find out who made the call and who did it.”

## **Chapter 1720**

Lin Mo clenched his fists, Tiger was his most valued man, and was also the spokesman for his side.

At this time, someone had actually injured him, which was clearly ready to completely exterminate Lin Mo.

No matter which family in Guang Province did it, this time, they were all bound to die!

Lin Mo pondered for a moment and said in a deep voice, "Does the person outside now, know about me still being alive?"

Li Tiezui shook his head, "No one knows about this news yet."

"I've blocked all news from the Southeast Province."

Lin Mo nodded slowly, "It's good that no one knows."

"Since they don't know, then I'll catch them off guard!"

After saying that, Lin Mo stood up, "I'm going to make a trip to Su Province first."

"You take this bottle of medicine to Tiger, it will help him recover quickly."

"You can help me arrange it over here."

"Tomorrow, I will go back to Guangyang City!"

Li Tiezui looked at Lin Mo: "What percentage of certainty do you have?"

Lin Mo smiled, "Ten percent!"

Li Tiezui nodded, "Good!"

Next, Lin Mo took a direct flight and arrived in Yunan City overnight.

When Lin Mo arrived here, there was another person who had also arrived here, this person was Chen Baiyu of the Chen family.

Last time, when the Crown Prince returned to Hai Cheng, he took Chen Baiyu with him. Otherwise, I'm afraid Chen Baiyu would have died long ago!

After Lin Mo and Chen Baiyu met, he asked directly, "I want to find a family to replace the Zhao family in the top ten families in Su Province, which family do you think is the most suitable?"

Chen Baiyu froze for a moment, "Brother Lin, this ..... is not a matter of which family is the most suitable, but which family can do it."

"Of the top ten families in Su Province, the Zhao family is the strongest."

"Moreover, the Zhao family has been operating for so many years that most of the families listen to the Zhao family."

"Other families, they can't shake the Zhao family's position at all!"

Lin Mo: "How to shake the Zhao family's position, you don't need to care."

"You only need to tell me which family, which has the qualifications and strength, might replace the Zhao family!"

Chen Baiyu looked at Lin Mo, pondered for a long time, and said, "The Hong Family!"

“In the earlier years, the Hong Family was not comparable in strength to the Zhao Family.”

“However, after Zhao Tianyuan joined forces with other clans and swallowed many of the Hong Family’s properties, the Hong Family gradually fell into decline.”

“The two sons of the Hong family’s old master both died at the hands of the Zhao family.”

“It can be said that the people of the Hong family, hate the Zhao family to the bone.”

“During these few years, the Hong family was the only one who sang against the Zhao family at every turn.”

“However, because of this, the Hong Family is becoming more and more marginalised among the Ten Great Families and is almost on the verge of being sidelined!”

Lin Mo nodded, “Very well!”

“Do you have a way for me to meet the Hong Family’s old man?”

Chen Baiyu scratched his head and thought for a long time, “I ..... know one of the grandsons of the Hong family’s old master.”

“However, this kid especially sees the wind and is particularly greedy.”

“When I used to be the young master of the Chen family, he would definitely do things for me.”

“Now, I’m afraid .....”

Lin Mo waved his hand, “Greed is not afraid.”

“I’m just afraid he won’t be greedy!”

“You just need to go and arrange this, it doesn’t matter how much it costs!”

Chen Baiyu nodded, “Okay, then I’ll go and do this.”

Lin Mo gave Chen Baiyu a card, “The money in the card, feel free to swipe it.”

“No matter what the cost!”

Chen Baiyu nodded his head and quickly left with the card.

As for Lin Mo, he didn’t stay idle either.

Looking at the time, it was already after eleven o’clock at night.

Lin Mo changed into his night clothes and quietly rushed to the Zhao family compound.

Seeing that no one was around, Lin Mo quietly slipped into the Zhao family compound.

Last time, he was here and found that there was something wrong with Zhao Tianyuan’s unique compound.

This time, he would personally come here and find what he wanted in that solitary compound of Zhao Tianyuan’s!
