Chapter 1751

Xu Lingling's words directly irritated Xu Hanxia.

She looked at Xu Lingling angrily, "Shut up!"

"Who said Lin Mo is dead?"

"As long as I haven't seen his corpse for one day, he's not dead!"

Xu Lingling sneered, "You really don't see a coffin without tears!"

"If he's not dead, then why didn't he come back now that the news that you're getting married has spread all over the world?"

"Or maybe he was afraid of the Zhao family's power and didn't dare to come back at all, huh?"

Xu Hanxia's face swelled red as she gritted her teeth and said, "He'll come back! He will definitely come back!"

Xu Lingling snorted, "Fine, then I'd like to see if he'll come back to save you!"

"However, Xu Hanxia, let me advise you, you better be sensible and pack up quickly."

"The Zhao family's caravan will be leaving soon, and they've said that if you delay the auspicious time, they'll cut off the legs of your eldest uncle and aunt."

"Sister Hanxia, you don't want to make Eldest Uncle's Grand Aunt confined to a wheelchair for the rest of her life, do you? Hahahaha"

Xu Hanxia's face was blue and shivering with anger, yet there was nothing she could do.

The Zhao family was too strong and had long since taken control of the entire city of Guangyang.

Even Chen Shengyuan was now trapped by them in Nanba Tian's manor, unable to step out even once.

At this time, there was no one in the entire Guangyang City who could stand up to the Zhao family!

After a long silence, Xu Hanxia gritted her teeth and said, "It's fine to let me pack up, but, I want to meet with my parents first!"

Xu Lingling said directly, "Impossible!"

Xu Hanxia exclaimed, "If you don't let me see them, how do I know if they're safe now?"

"Or maybe they've all been killed, you're all just lying to me!"

"I don't care, I can't make up until I see them anyway!"

"If I want to die, I'll die with them!"

Xu Lingling was at a loss for words as she exited the living room, and after a while, she walked back in.

“The Zhao family master has shown great mercy and agreed to let you meet your parents.”

“However, you can only see them by way of video!”

Xu Lingling said, throwing a mobile phone to Xu Hanxia, while she herself turned around and walked away, not wanting to hear Xu Jiangong scold her.

Xu Hanxia hurriedly took the phone, the video on it was already connected.

On the other end of the phone, Xu Jiangong and Fang Hui were sitting anxiously in front of the screen.

When they saw Xu Hanxia, they immediately said, “Hanxia, Hanxia, how are you doing? They didn’t give you a hard time, did they?”

Seeing her parents’ appearance, Xu Hanxia’s nose was sore and tears could not help but gush out.

She forced herself to smile and said in a low voice, “Dad, mum, I’m fine.”

“How are you guys?”

Fang Hui said loudly, “We’re fine.”

“Hanxia, do you you really want to marry Zhao Tianyuan?”

Xu Hanxia lowered her head and didn’t say anything.

Xu Jian Gong gritted his teeth and said, “Hanxia, I know, the Zhao family is using us to threaten you.”

“You don’t have to worry about us, your mother and I are old and won’t live much longer, we’re not afraid of death!”

“Lin Mo truly loves you, no matter if he lives or dies, you can’t do him wrong!”

Fang Hui also nodded her head repeatedly, “Yes, we are not afraid of death.”

“Hanxia, you don’t need to worry about us, you should run away if you have the chance.”

Xu Hanxia froze, she had thought her parents would advise her to marry Zhao Tianyuan.

After all, since childhood, her parents had been that greedy and vain.

Moreover, in the earliest days, they had never had any good feelings towards Lin Mo and had always wanted her to marry into a wealthy family.

But she had never dreamed that her parents would say something like that.

From this, it was clear that her parents’ attitude towards Lin Mo had really changed.

After going through so many things, they had completely treated Lin Mo as family, as the closest person to them.

At this moment, Xu Hanxia smiled instead.

She took the phone and said in a low voice, “Dad, mum, don’t worry, I will never do anything wrong to Lin Mo!”

“Even if I die, Zhao Tianyuan will never get mine!”

Chapter 1752

Hearing Xu Hanxia’s words, Xu Jiankong and Fang Hui were both confused.

Xu Jiangong said urgently, “Halfsia, you don’t do anything stupid!”

Xu Hanxia shook her head, “Dad, you don’t have to worry about me, I’ll be fine.”

“Remember clearly what I am telling you now.”

“I have already arranged for someone, when the wedding is held tomorrow, I will take the opportunity to ask Zhao Tianyuan to release you all.”

“When that time comes, you guys hurry and take Lin Xi away, someone will meet you.”

“You guys follow that person, leave Guangyang City, leave Guang Province, go as far away as possible, and never come back!”

Fang Hui said urgently, “What about you?”

Xu Hanxia smiled lightly, “Don’t worry, I have my own arrangements.”

“I’ll meet up with you guys soon!”

Xu Jiangong Fang Hui looked at each other, both of them full of worry.

“Hanxia, you you must be careful.”

“No matter what, mum and dad don’t want you to be in any danger.”

Fang Hui whispered.

Xu Hanxia nodded her head.

At this moment, Xu Lingling appeared at the door somewhat impatiently, “Are you ready yet, if you don’t put on makeup it will be too late ah!”

Xu Hanxia couldn’t say anything else, so she could only give her phone back to Xu Lingling.

A few make-up artists came in and started to do Xu Hanxia’s make-up.

This time, Xu Hanxia was very cooperative.

After putting on her makeup, she put on the wedding dress.

However, while putting on the wedding dress, no one noticed that she quietly hid the fruit knife on the table inside the wedding dress.

Her gaze was unusually firm and she had made her decision.

At the wedding, she would use not getting married as blackmail to force Zhao Tianyuan to let her parents and Lin Xi go first.

After her parents and Lin Xi left, she would use this fruit knife to end her life.

As she said herself, she would not be sorry for Lin Mo even if she died!

.....

On the outskirts of Guangyang City, several cars took advantage of the pre-dawn darkness to quietly drive into Guangyang City.

In the car at the front were two people, one was Lin Mo and the other was Tiger.

On this journey, Lin Mo had already read through the information Tiger and the others had pried out from start to finish.

And in the car, together with Tiger, he had also made a detailed and well thought out plan.

Zhao Tianyuan had captured Xu Jiankong, Fang Hui and Lin Xi, which was the key used to force Xu Hanxia.

However, it wasn't just these three people that he had taken, but also Lin Mo's friends on his side.

Deng Jun, Xiao Wu, were all taken away by him.

Of the ten major families in Guangyang City, the ones that had a better relationship with Lin Mo were also occupied by them.

After the people from the ten major families in Suzhou Province entered Guangyang City, they were simply like bandits killing a village, robbing everywhere by force.

One of them, the head of one of the families, even yelled that he wanted to take Song Zhilan back as a concubine.

Fortunately, Song Zhilan was away on a business trip these days and was not in Guangyang City at all, so she escaped.

On the other hand, the youngest master of one of the families killed the He family and wanted to capture He Qianxue.

Luckily, He Lao was more resourceful and he took He Qianxue and ran to Nanba Tian's manor to hide temporarily, so that he was not captured.

In the whole of Guangyang City, the only pure land is Nanba Tian's manor.

Although Nanba Tian was no longer there, after all, Master Xue personally asked for help, so no one dared to enter the manor and cause trouble.

Outside of this manor, there is the whereabouts of the Ten Families of Suzhou Province.

This time, the Ten Great Families of Su Province were no longer restrained at all, and were clearly trying to take everything in Guangyang City by force!

And before Lin Mo could deal with them, he had to save his family and friends on his side first.

Otherwise, with these people in the other side's hands, he would be too scared to act.

When he entered Guangyang City, Tiger's men were all gathered.

After Lin Mo met up with them, he looked directly at Tiger: "Have the Prince's men arrived yet?"

Chapter 1753

Tiger looked at the time and said in a low voice, "We can be there in ten minutes!"

Lin Mo nodded his head.

This time, the Crown Prince had not personally come to help him because the Poison Spider was injured and he had to take care of the Poison Spider in Sea City.

However, the Crown Prince had also sent a large number of experts to help Lin Mo.

Sure enough, ten minutes later, the Crown Prince's men arrived and met up with Lin Mo's side.

The man leading the group was a close associate of the Crown Prince, who had met Lin Mo several times.

He personally walked up to Lin Mo and respectfully said, "Master Lin, what to do, just give your orders."

"The Crown Prince has explained that this time, he must be killed to the death!"

Lin Mo smiled and patted the man's shoulder, "Many thanks!"

"It just so happens that I have a very important task to give to you."

The man immediately said, "Master Lin, just give me an order, I will definitely help you do it!"

Lin Mo attached himself to his ear and whispered a few words, telling them to go and rescue Deng Jun and Xiao Wu and the others.

The man nodded vigorously, "Don't worry, leave it to me!"

"If anything happens to them, I'll pay for it with my life!"

Lin Mo nodded gratefully, "Buddy, I owe you a favour for getting this done this time!"

The man's face was excited, Lin Mo was a divine doctor of the six provinces.

His favour, that was worth a lot of money!

The man hurried out with his men.

Tiger sat next to him and said in a low voice, "Brother Lin, why don't you let them go and save Xi'er?"

"These people, the Crown Prince, are a bit stronger, and it would be safer to save Xi'er!"

Lin Mo shook his head, "This old fox, Zhao Tianyuan, is very thorough in his arrangements."

"The ones guarding Xi'er and the others are a few of the Zhao family's consecrated experts, and they are very strong."

"Even if they were the Prince's men, I'm afraid they wouldn't be able to get them out unscathed."

“Xi’er is the only family I have left, and Xu Jian Gong Fang Hui, that’s my father-in-law and mother-in-law, they absolutely can’t have any mistakes!”

“Therefore, the person who saves them must be able to do everything right, there must not be any mistakes!”

Lao Hu scratched his head, “But who can do everything right?”

“Brother Lin, you’re not going to do it yourself, are you?”

“If you do, who’s going to control the scene at the wedding?”

Lin Mo smiled, “Of course I can’t do it myself, I have to protect Hanxia!”

Laohu: “Then who are you talking about?”

Lin Mo was about to speak when a muffled voice suddenly came from the doorway, “He’s talking about me!”

Tiger turned his head, only to see a tall man, with his head held high, walking in through the doorway.

Seeing this man, Tiger first froze, then his face changed drastically and he exclaimed, “Master Zhaoge!?”

The man who came was none other than the Lord of Wu Zhai, Lin Zhaoge!

Lin Mo stood up and looked at this uncle, the only one left in the Lin family, and his eyes reddened a little.

He did not call his uncle directly, but called him Master Zhaoge like the tiger, he did not want his identity to be revealed yet.

“Master Zhaoge, Xi’er is my only sister!”

“I’ll leave their safety to you!”

Lin Mo said in a deep voice.

Lin Zhaoge nodded and said softly, “Don’t worry.”

“Unless I die, no one will be able to hurt them!”

Lin Zhaoge knew very well that Lin Mo’s sister, was Lin Xiao’s daughter.

This was also the last princess of the Lin family, so how could he be careless!

When Lao Hu saw such a situation, he couldn’t help but be filled with excitement, “Brother Lin, so you’ve invited Master Zhaoge!”

“This is great, with Master Zhaoge personally, it must be as easy as pie to save Xi’er!”

“Master Zhaoge, do you need helpers, I’ll send someone to help you!”

Lin Zhaoge shook his head, “No need.”

“I don’t have many people with me this time, but, the Five Tigers of Wu Zhai, I’ve brought them all!”

“Lin Mo, just do your thing without fear.”

“The rest, I’ll take care of it for you!”

Chapter 1754

Lin Mo nodded as he told Lin Zhao where Lin Xi and the others were being held, and told Lin Zhao about the information over there.

All of this information was explained by those people in Qian Liangwen, and this information was not at all wrong.

Lin Zhao took this information and directly led the men away.

Lao Hu was beside him, dancing with excitement, “Brother Lin, I really didn’t expect that you could even hire Master Zhao!”

“This is great, Xi’er and the others will definitely have no more problems.”

“Master Zhao has brought all five tigers from Wu Zhai, not to mention saving Xi’er, even if they want to kill Zhao Tianyuan, they won’t have any problem!”

Lin Mo was surprised: “What do the Five Tigers of Wu Zhai do?”

Lao Hu: “Brother Lin, you’ve never heard of the Wu Zhai Five Tigers?”

“Those are the five most trusted men around Master Zhao, the real powerhouses that Wu Zhai has killed in the ring for so many years.”

“Each of the Five Tigers of Wu Zhai, each one, is extremely strong.”

“When these five join forces, even Lin Zhao is no match for them!”

Lin Mo was surprised, he didn’t expect that on Wu Zhai’s side, there was still such hidden strength.

So it seemed that there really wasn’t any problem saving Lin Xi and the others!

After arranging everything properly, Lin Mo dressed up in disguise and quietly arrived at the Xu family compound.

Today, people from the Xu family would be attending this wedding as Xu Hanxia’s maiden family.

If Lin Mo wanted to sneak into this wedding, the best way was to pretend to be a member of the Xu family and sneak in after them.

At this time, the Xu family was also lit up.

The Xu family was cheerfully packing everything up, and almost everyone from the Xu family had come, all wanting to take advantage of the opportunity to hook up with the Zhao family.

Xu Yongqing stood in the courtyard, in high spirits, directing the crowd to pack up their things.

“All of you be sharp!”

“The Zhao family’s car will be here soon, if anyone delays this auspicious day, I’ll make sure he’s punished!”

Xu Yongqing shouted.

The crowd gathered at a faster pace.

Lin Mo took advantage of the chaos and quietly stood in the middle of the crowd.

This time there were many people from the Xu family and the scene was chaotic, so no one cared about Lin Mo at all.

Not long afterwards, the Zhao family’s caravan really arrived and picked up the Xu family.

Lin Mo followed in the last car and made his way to Wangjiang Garden.

At this time, it was already dawn.

Xu Lingling was standing at the entrance, and when she saw the caravan coming, she immediately entered the courtyard with gusto: “Alright, the caravan is here, hurry up and let the bride out!”

In the midst of all the commotion, Xu Hanxia, wearing her wedding dress, came out.

When he saw Xu Hanxia, Lin Mo’s heart ached.

Although she was wearing make-up, Lin Mo could see that her eyes were red and swollen from crying.

Lin Mo clenched his fists, he had already made up his mind that he would not let Zhao Tianyuan leave alive this time, no matter what!

Xu Hanxia got into the head car and the motorcade swung through Guangyang City, making a big detour and tossing around for two to three hours before finally arriving at the Times Hotel.

People from the ten major families in Suzhou Province had been waiting here for a long time, and the crowd flanked Xu Hanxia as she went upstairs.

Lin Mo followed behind the Xu family, so these people thought he was also a member of the Xu family, and didn’t mind him, letting him follow them upstairs.

The wedding was held on the top floor of the Times Hotel.

Lin Mo followed the Xu family, all the way to the top floor of the Times Hotel.

When he arrived here, Lin Mo finally saw those key members of the ten major families in Suzhou Province.

Zhao Tianyuan, dressed in a groom’s outfit, was sitting at the main seat, all red-faced and with a face that could not hide his smugness.

And next to him were the family heads of several other families, old masters and the like.

These people were talking and laughing with Zhao Tianyuan, and their faces were all covered with unconcealed joy.

This time, Zhao Tianyuan's marriage to Xu Hanxia was secondary, the most crucial thing was that after the marriage, he would be able to swallow Xu Pharmaceutical, thus completely taking away the Recycle Pill!

Chapter 1755

The purpose of the Ten Great Families of Su Province was still to recreate the pill!

By taking away the Recycle Pill, the Ten Great Families of Su Province, would be able to gain a great profit, so the crowd naturally rejoiced.

However, when they saw Xu Hanxia, the crowd was also quite astonished.

The way Xu Hanxia looked in her clean white wedding dress was just too beautiful!

Among them, the Qian family head was full of sarcastic smiles, "Master Zhao, this Xu Hanxia is really worthy of being the number one beauty in Guangyang City!"

"Just this look, if you put it in our Su Province, you can probably be one of the best."

"You've married such a beautiful woman this time, and you've been able to obtain Xu Pharmaceutical's Reconstruction Pills, this is a double happiness!"

A few other people were also full of lewd smiles, honestly, seeing Xu Hanxia, the crowd was all amazed.

Such a beautiful woman, not to mention Zhao Tianyuan, they all had thoughts in their hearts too ah.

It was a pity that Zhao Tianyuan was one step ahead of them and was actually going to marry Xu Hanxia, so the crowd could only suppress the thoughts in their hearts.

Zhao Tianyuan looked at Xu Hanxia with a smile on his face, and he was quite pleased with himself.

It was Qian Yong'an who had taken the lead in the re-creation of the pill.

Qian Yong'an was going to take most of the credit!

Once this matter became a success, Qian Yong'an's status in Su Province would definitely rise rapidly and would definitely threaten him, Zhao Tianyuan.

This Zhao Tianyuan is also extremely sinister, he fully supports Qian Yong'an on the surface, but secretly, he has already started thinking of dealing with Qian Yong'an.

He was originally thinking that he was going to think of a way to take Qian Yong'an captive and lock him up in a dungeon as well after the matter of the Reconstruction Pill was over.

Just like what he did with Chen Wuyuan and the others, he would first waste Qian Yong'an, and then, little by little, force him to ask about his medical skills.

But to my surprise, things turned out to be completely unexpected.

Qian Yong'an's reputation is now in tatters, and he is nowhere to be found, and the reconstructive pills have also gone down the drain.

Zhao Tianyuan was an ambitious man who wanted to take advantage of the benefits of the Reconstruction Pill to find an opportunity to challenge Master Xue's position.

Now that the Recycle Pill had fizzled out, how could he give up?

Therefore, after hearing that Lin Mo had been killed by Bamboo Leaf Green, he made the first decision to come to Guang Province to snatch the Recycle Pill.

He had originally planned to just grab the Recycle Pill and leave it at that, but after seeing Xu Hanxia, he was immediately attracted to it.

That's why he disregarded the eyes of others and staged such a wedding.

In fact, he also wanted to take advantage of the opportunity to dominate Xu Hanxia!

Especially now, looking at Xu Hanxia in her white wedding dress, Zhao Tianyuan's heart was agitated, he wanted to swallow Xu Hanxia in one bite!

However, with so many people watching, he still had to maintain his poise.

He smilingly walked down from the stage and stood in front of Xu Hanxia in a fake manner, saying softly, "Hanxia, you look so beautiful today!"

When Xu Hanxia heard this, she only felt a pang of sickness.

She gritted her teeth and said in a deep voice, "Zhao Tianyuan, I'm already here."

"Now, you can let my parents and Xi'er go!"

Zhao Tianyuan frowned slightly, Xu Hanxia's words gave him a feeling of being offended.

"Hanxia, what kind of words are you saying!"

"From now on, we will be a family, your parents, are my parents-in-law."

"Don't worry, I've already arranged for someone to pick them up."

"How can we be without them at this wedding?"

Zhao Tianyuan said with a faint smile.

Xu Hanxia said indignantly, "You don't need to go to such trouble."

"You can just have someone release them now."

"My people are here, are you still afraid that I will run away?"

Zhao Tianyuan's face was a little angry, and he could tell that Xu Hanxia was full of disgust towards him.

However, he didn't get angry on the spot, he just gave a fake smile.

However, he had already made a decision in his heart: when the wedding was over, he would make Xu Hanxia look good!

Chapter 1756

Looking at Zhao Tianyuan's hypocritical smile, Xu Hanxia felt a pang of disgust.

She said angrily, "Zhao Tianyuan, are you going to let them go or not?"

"If you don't let them go, then I'll spoil your wedding and make you lose face in front of everyone!"

A cold aura flashed in Zhao Tianyuan's eyes as he moved closer to Xu Hanxia and said in a low voice, "Xu Hanxia, listen to me carefully."

"My patience is limited, so don't challenge my limits again and again."

"If this wedding goes halfway today, I will cut off all the flesh and blood from your parents, and that Lin Xi, bit by bit."

"You want to spoil the wedding?"

"Well, you try."

"Even if I ruin the wedding, I can still get what I want."

"But, your parents, and that Lin Xi, I guarantee that they will be worse than dead!"

Hearing Zhao Tianyuan's gloomy words, Xu Hanxia's face instantly turned miserable white.

She had originally come over in a rage, wanting to force Zhao Tianyuan with the wedding.

But now she realised that compared to an old fox like Zhao Tianyuan, she was nothing at all, she couldn't fight Zhao Tianyuan at all!

Zhao Tianyuan gave Xu Hanxia a deep look and laughed lightly, "Make this wedding a success and serve me well."

"As long as you live well with me, you will be my wife, and your parents, my parents-in-law, I won't treat them badly."

"But, if you have any other crooked thoughts, oh, you can try it."

Xu Hanxia's face was unwilling to the extreme, but in the end, she did not dare to say anything.

With her parents and Lin Xi in the other party's hands, she was completely pinched by the other party's soft underbelly, ah.

Zhao Tianyuan laughed and walked onto the stage, saying aloud, "Thank you all for coming to my wedding amidst your busy schedules."

"Since all the guests and friends have arrived, shall we begin?"

A wedding officiant took to the stage and announced the start of the wedding, and everything proceeded in an orderly manner.

Xu Hanxia was pushed around as if she had lost her soul.

Zhao Tianyuan, on the other hand, was full of smug smiles, this time, with Xu Hanxia's wedding done, he would be able to get Xu's Pharmaceutical.

This time, when he came to Guangyang City, he was able to get both money and people, so it was needless to say that he was happy.

In the middle of the crowd, Lin Mo's face was gloomy as he watched all this.

The moment he saw Xu Hanxia, Lin Mo almost couldn't help himself and wanted to make a move to stop it.

But, in the end, he held back.

Lin Mo had to wait for them to get her back before he could make his move, as Lin Zhao's men had not yet returned with a message.

Otherwise, once Lin Mo made a direct move, Zhao Tianyuan could completely threaten him with his family and friends, and then he would be passive.

However, looking at the scene, Lin Mo's heart was again painfully hateful.

He clenched his fists hard and was just waiting for the phone to move.

As soon as the people over there were rescued, he would immediately strike and stir up the whole thing!

Halfway through the wedding, Xu Hanxia was pushed onto the stage and stood with Zhao Tianyuan.

And at this moment, it was unknown who from below started to raise a ruckus, yelling for the two to kiss each other.

The crowd immediately followed suit, shouting for a kiss.

Zhao Tianyuan laughed loudly and looked at Xu Hanxia who was next to him, "Honey, since everyone has asked for it so much, how can we refuse to be gracious?"

Saying that, he really stuck his head over.

Just then, a cold aura suddenly flashed in Xu Hanxia's eyes, as if she had finally made some kind of decision.

She pulled out a fruit knife from her body and fiercely stabbed towards Zhao Tianyuan, shouting under her breath, "I'll kill you!"

The crowd at the scene was shocked by this scene, who could have imagined that this bride was carrying a sharp weapon on her body!

Chapter 1757

Xu Hanxia's strike was sudden, but after all, she was a girl with no power in her hands, so she was no match for Zhao Tianyuan.

Zhao Tianyuan frowned slightly and with a casual wave of his hand, he sent the fruit knife flying.

He looked at Xu Hanxia with cold eyes and said in a low voice, "Xu Hanxia, do you want to play with me?"

“Fine, I’ll have someone cut off all the flesh from your parents’ bodies right now!”

Xu Hanxia gritted her teeth and shouted, “Zhao Tianyuan, you despicable and shameless beast!”

“You’ve captured my parents and Lin Xi and want to force me to marry you? You’re dreaming!”

“I’m telling you, even if I die, I won’t marry you!”

After saying that, Xu Hanxia suddenly turned around, grabbed the fruit knife on the ground and slashed it violently towards her neck.

Seeing such a situation, Lin Mo on the stage finally couldn’t help himself and hurriedly rushed out.

He wanted to stop Xu Hanxia, but Zhao Tianyuan was one step ahead of him and snatched the fruit knife away directly.

Zhao Tianyuan leaned close to Xu Hanxia’s ear and said through gritted teeth, “Want to die? Heh, can you die?”

“I’m telling you, you won’t die until I’ve played you enough!”

Zhao Tianyuan’s face was fierce, completely enraged.

Xu Hanxia was defenceless and was held up by the few men behind her, only shivering with anger, yet there was nothing she could do.

At that moment, Zhao Tianyuan looked at Lin Mo who was rushing over.

Lin Mo had disguised himself so much that he did not recognise him at all.

However, the fact that Lin Mo rushed onto the stage at this time still made him wary.

“What are you doing?”

Zhao Tianyuan asked in a deep voice.

Lin Mo saw that Xu Hanxia was fine and breathed a sigh of relief.

Seeing that Zhao Tianyuan did not recognise himself, Lin Mo took the opportunity to say, “Master Zhao, you are also considered a long-established senior.”

“Is it appropriate to bully a young girl who could be your daughter at such an age?”

At these words, there was a burst of laughter from below.

In fact, many people were quite disgusted by Zhao Tianyuan’s behaviour.

After all, Xu Hanxia’s age was not much different from Zhao Tianyuan’s daughter’s age.

Zhao Tianyuan wanted to marry Xu Hanxia, which was like an old cow eating young gra*s!

Even if Zhao Tianyuan is yelling about how he wants to use this opportunity to swallow Xu Pharmaceutical and take away the rejuvenation pills.

In fact, if he really wanted to take away the Recycle Pill, he could just ask one of the top ten families in Suzhou Province to marry Xu Hanxia, why would he need to come out in person?

In short, this Zhao Tianyuan still likes the fact that Xu Hanxia is pretty!

However, other people were afraid of Zhao Tianyuan's strength, so no one dared to say anything about it.

But Lin Mo's words in public simply spoke to the hearts of the people!

Zhao Tianyuan's face instantly turned cold as he said in a deep voice, "Who are you?"

"Who do you think you are to be in charge of my affairs?"

"Do you know what true love means? True love, there is no age limit!"

Lin Mo laughed: "True love? People are about to cut you with a knife, and this is still called true love?"

"People would hate to die here, they wouldn't even be willing to marry you, and this is also called true love?"

"Zhao Tianyuan, I've long heard that you're a shameless person, but I really didn't expect that you'd be shameless to this extent."

"Other than that, that's a thick enough skin, isn't it!"

The crowd at the scene laughed again.

Although the people from the top ten families in Su Province supported Zhao Tianyuan, the crowd was still happy to see the joke in this matter.

Zhao Tianyuan was so angry that his face turned blue, and he looked at Lin Mo indignantly, "Who the hell are you?"

"This wedding is between me and Xu Hanxia, what does it have to do with you?"

"What qualifications do you have to speak here!"

Lin Mo was about to speak, when his phone vibrated a few times.

Lin Mo's heart twitched, he knew that Lin Zhao's men had already gotten their hands on Prince Xu!

At this moment, Lin Mo had no more scruples, he directly pulled the beard off his face and sneered, "Look who I am!"

Chapter 1758

Everyone on the scene had their eyes wide open.

Seriously, no one knew Lin Mo's identity.

The crowd was still wondering about his identity when they suddenly saw Lin Mo pulling the beard off his face, and the crowd was stunned.

This man, he had even disguised himself?

At this moment, Xu Hanxia was also looking at Lin Mo.

From the moment Lin Mo appeared, she had felt that Lin Mo looked familiar.

Now, as this beard was gradually pulled off, her heart gradually lifted.

Finally, she saw that familiar face again.

At this moment, Xu Hanxia only felt that all the gloom in her heart had been swept away, and there was only endless joy.

She had forgotten what she was doing and what she was going to say.

In her heart, there was only one phrase: "He's alive, he's alive!"

Zhao Tianyuan also got a good look at Lin Mo, and his face changed instantly, "You're Lin Mo!?"

At these words, the whole room was in an uproar, everyone was shocked to the core.

The Qian family head jumped up and exclaimed, "This how is this possible?"

"Aren't you already dead?"

Everyone else also exclaimed in shock, the news of Lin Mo's death had been out for a long time ah.

What is this now? How come Lin Mo was standing here alive?

Lin Mo didn't care about the crowd, he walked straight to Xu Hanxia's side, ignoring the gazes of the crowd, and embraced Xu Hanxia into his arms.

"Hanxia, I'm sorry, I'm late!"

Lin Mo said softly.

Xu Hanxia hugged Lin Mo to death and shook her head repeatedly, "I knew you would be fine, I knew you would be fine!"

As she said that, Xu Hanxia actually cried.

It was as if all the grievances she had suffered over the past few days had been completely released at this moment.

All the pain in her heart could only be truly expressed when she saw this man.

Zhao Tianyuan was watching this scene from behind and was only shaking with anger.

He already considered Xu Hanxia as his own, and now that he saw her and Lin Mo hugging together, the anger in his heart could be imagined.

"Surnamed Lin, how dare you still come here, suffer death!"

Zhao Tianyuan shouted angrily and punched Lin Mo with a fierce punch.

Lin Mo was prepared for this and jumped straight off the stage with Xu Hanxia in his arms.

Zhao Tianyuan missed the blow and prepared to chase after him.

At this moment, there was a clamour from the entrance and Tiger rushed in with a group of people.

“Brother Lin, we’re here!”

“What’s the deal?”

“Cut them all down or what?”

Tiger yelled loudly as a group of men in black, behind him, surrounded the entire hall.

Seeing such a situation, there was some confusion among the crowd at the scene.

The people at the scene for the wedding were mainly people from the ten major families in Su Province. At the same time, there were also some people from Guangdong Province, and among the ten families in Guangdong Province, there were also a few families who sent people over to attend the wedding.

These families were the ones that had defected to Zhao Tianyuan.

They originally thought that Lin Mo had died, so they wanted to take advantage of the opportunity to hug Zhao Tianyuan’s thigh and profit from it.

Moreover, they had also fallen on their sword and helped the Ten Great Families of Su Province to deal with Lin Mo’s people on the Guang Province side.

It was these people who did this when Tiger was injured earlier.

Now that they saw Tiger standing here intact, they were even more flustered to the extreme.

Could it be that this time Lin Mo was going to flip the tables?

However, seeing this scene, Zhao Tianyuan was not the least bit flustered.

He threw back his head and let out a wild laugh as he pointed at Lin Mo and shouted, “Surnamed Lin, I can’t see that you’ve prepared for this earlier?”

“However, with these cats and dogs like you, do you still want to make any big waves?”

“Don’t you also look at the scene? These are the experts from the ten clans of our province.”

“With those trash brought by Tiger, you want to fight with me? Are you qualified?”

The people from the Ten Great Families of Su Province also threw their heads back and laughed, they didn’t put these people from Tiger in their eyes at all.

Chapter 1759

Lin Mo’s expression was calm as he waited for the laughter from the crowd to stop before he looked at the people from those few families in Guang Province.

“You have one minute to get out with your men and kneel outside to await your sentencing!”

“Otherwise, there will be no chance of you walking out in a moment!”

Lin Mo said in a cold voice.

The men from these few families looked at each other and burst into laughter.

One of them, the Peng Family, was considered to have joined the Ten Great Families of Guang Province only later.

At that time, they had entrusted many people to find Lin Mo to say good words in order to join the Ten Great Families.

After joining the Ten Great Families, they also treated Lin Mo with respect.

However, when the Ten Great Families of Suzhou Province killed their way to Guang Province, this Peng Family, too, was the first to defect to Zhao Tianyuan.

The last time the tiger was sneak attacked, it was this Peng family that led the way.

The Peng family head was even more full of arrogance as he pointed at Lin Mo and laughed, "Surnamed Lin, are you really blind or really stupid?"

"It's already this time, still can't see the situation?"

"The strongest members of the top ten families in Su Province are all here, what can you do to fight them?"

"And you're telling us to get out and kneel outside? Who are you to say that?"

"How about I advise you to get out of here and kneel outside, and when your daughter-in-law is finished with the Zhao family head, I'll ask for a favor for you?"

"Hahahaha"

All the people around also followed and laughed, looking at Lin Mo with eyes full of contempt.

Lin Mo also did not reply to his words, and only quietly looked at his watch.

Soon, he lifted his head and said softly, "One minute is up!"

"Since you are not willing to go out, you are going to be my enemies."

"Tiger, write all these people down for me!"

"But anyone who comes to this wedding will have to die!"

"Their clans, too, have no need to exist!"

Tiger immediately nodded, "Yes!"

At this, the Peng Family Head and the others once again laughed wildly.

"Lin Mo, I think you're not blind or stupid, you're out of your mind!"

"What, have you been so stimulated that your brain isn't working well either?"

"And want us to die? And to say that our family has no need to exist anymore?"

“Lin, do you really think you’re still in charge now?”

“You want to kill us? You don’t even ask if the people of the Ten Great Families of Su Province will agree!”

When the Peng family head said this, his face was full of a smug expression, completely fox-like.

Lin Mo smiled coldly, “I really feel sad for you!”

The Peng Family Master froze for a moment and then said angrily, “You’re f*cking sick, aren’t you?”

“It’s already this time and you’re still feeling sad for others?”

“I still f*cking feel sad for you!”

“Family Master Zhao, you don’t have to worry, just this group of trash, we’ll take care of it for you!”

With that, Family Head Peng directly waved his hand and shouted, “Brothers, drive this bunch of b*****ds out for me!”

The people from several other clans in Guang Province also responded, and their men immediately rushed out, ready to drive Tiger’s group out.

Although there were quite a few people on Tiger’s side, they were mainly those men Tiger had previously taken in.

To put it bluntly, these people, their fighting ability was not very good.

The people from these families, on the other hand, were all from martial arts training and their strength was not simple.

If they really had to fight, the people on Tiger’s side would be no match at all!

Zhao Tianyuan held his arms and smiled coldly as he watched all this.

He especially liked this feeling, he didn’t even have to do it himself, the people from Guang Province could help him solve everything, and this could also make his prestige in Su Province a little higher!

Seeing that those people on the Guang Province side were about to mix together, at that moment, a group of people came in once again outside the door.

At the head of the group was a man, and as soon as he entered, he bellowed straight away, “Master Lin, the Crown Prince has asked us to come and help you!”

“If there’s anything you want us to do, just ask!”

Chapter 1760

When they saw this group of people, the faces of the people at the scene changed instantly.

This group of people was the same group of people that the Poison Spider had brought from Hai Cheng to Su Province before.

At the launch of Wan Chun Tang at that time, Poison Spider had used this group of people to surround the people of Guang Province, so that the people of the Ten Great Families of Guang Province did not dare to make any rash moves.

Although the people who came this time were not as many as last time, their combat power was definitely not weak either.

Other than that, the people from these few families in Guang Province alone were no match for them!

The Peng family head instantly wilted as he looked towards Zhao Tianyuan for help.

Zhao Tianyuan frowned, he did not expect that the Poison Spider's people would come over at this time.

However, he was not the least bit worried, his face still had a calm expression.

"Lin Mo, today is a good day for my big wedding, it's not quite appropriate for you to stir things up like this, is it?"

"I've heard that there's only one real sister left in your family."

"I know you're not afraid of death, but by making a big deal out of it, aren't you afraid that your only sister will also be killed by you?"

Zhao Tianyuan said slowly.

He was actually threatening Lin Mo, if Lin Mo continued to make a scene, he would kill Lin Xi.

Xu Hanxia's face changed as she hurriedly grabbed Lin Mo: "Lin Mo, they've captured Xi'er and my parents, as well as Deng Jun Xiao Wu and the others."

"What about this this?"

Lin Mo smiled lightly, "It's fine, don't worry."

Saying that, he turned his head and glanced at Zhao Tianyuan, sneering, "Zhao Tianyuan, I forgot to inform you."

"My friend, has already picked up my parents and sister and their family back."

"These few days, thank you for taking care of them."

"Don't worry, in the future, I will definitely use the same method to take care of your family!"

Zhao Tianyuan's face suddenly changed and he said urgently, "You you're lying!"

"I just came out of there this morning, they are still locked up there, who took them back?"

"I have arranged for several of my Zhao family's consecrated experts over there, even if you did send someone over there, it would be impossible to rescue them."

"Do you really think I'm a fool?"

Lin Mo smiled lightly, "Then you should call over again now and ask!"

Seeing Lin Mo's confident look, Zhao Tianyuan panicked a little.

He immediately took out his mobile phone and called one of the Zhao family's consecrated masters, who was his close friend and was the one leading the team to guard Lin Xi's trio.

When the call was answered, an icy voice came from the other side, "Hello, Master of the Zhao Family!"

Zhao Tianyuan's face changed and he said sharply, "You who are you?"

"How did this phone come to be in your possession?"

The person over there sneered, "Family Master Zhao, how long has it been since we've seen each other and you can't even tell my voice apart?"

Zhao Tianyuan's heart twitched as he said in a deep voice, "You are Lin Zhaoge!?"

The person on the other end of the phone was none other than Lin Zhaoge.

Lin Zhaoge let out a loud laugh, "Master Zhao is really good at remembering!"

Zhao Tianyuan said sharply, "Lin Zhaoge, what are you doing there?"

"This is between me and Lin Mo, it has nothing to do with you Wu Zhai, who are you to interfere?"

Lin Zhaoge: "Lin Mo saved my life, what's his business is my business!"

"Master Zhao, grabbing old people and children to threaten others, you didn't do this with enough honour, did you?"

Zhao Tianyuan was extremely annoyed and shouted angrily, "Lin Zhaoge, cut the crap!"

"When this is over, I will settle the score with you!"

Lin Zhaoge laughed, "Then I'll wait for you!"

Zhao Tianyuan hung up the phone in an unusual atmosphere, and quickly called another group of people.

This group of people held Xiao Wu Deng Jun and the others.

However, as soon as the phone was dialed on his side, the ringtone rang at the venue.

One of the Prince's men pulled out his phone and waved it towards Zhao Tianyuan, laughing, "Aiya, Master Zhao, sorry."

"I just cut down a few people and seized a few phones."

"I didn't expect that you still knew these few people, huh?"
