

Genius 2591

[Chapter 2591 2596-Yama!](#)

BOOM!

A deafening explosion shook the earth and sky.

Some of the stage two and three true gods with low cultivation, who were not heaven's pride experts, vomited blood and their eyes were full of shock.

How was that possible?

How could ye chen have launched such a powerful attack?

This didn't make sense at all!

How could a mere seventh-level immortal God unleash such a powerful attack?

Everyone was completely dumbfounded.

"Kid!"

Yan Luo's figure was also shaken and retreated more than ten meters. On the other hand, ye chen did not move at all.

"What?"

Everyone turned pale with fright. This meant that Yan Luo was not ye Chen's match in a direct confrontation.

How was that possible?

Yan Luo's cultivation base was at the peak of the seventh stage true God Realm, yet he was not ye Chen's match?

Wasn't this a joke?

"Is this all you've got?"

Ye chen said indifferently.

That punch just now, even though it was infused with the undying God domain, he didn't even use a third of his power.

He didn't expect that one-third of his strength would be enough to force Yan Luo back.

Yan Luo was too weak.

"You, you!"

Yan Luo trembled with anger. He was a peak stage seven true God expert, but he was actually looked down upon by a seventh stage immortal God ant.

This was simply courting death!

"Kill, kill, kill, destroy the devil's claw!"

This time, Yan Luo had completely exploded.

Boom, boom, boom, boom, boom!

One after another, ghostly claws as huge as the stars shot toward ye chen.

The ghostly claws were so huge that they looked like heavenly pillars.

"I'm finished. "

"It won't be easy for ye chen to block this attack."

"Yan Luo has completely erupted."

"Yan Luo's cultivation base is at peak seventh stage true God. Ye chen is also freakish enough to be able to force Yan Luo to this extent!"

Everyone exclaimed in admiration.

However, they still believed that Yan Luo could definitely defeat ye chen.

Ye chen was no match for Yan Luo.

A mere seventh-level immortal God wanted to defeat Yan Luo?

This was simply impossible!

"If that's the case, then I'll use a little more strength."

Ye chen sneered and threw another punch.

BOOM!

A fist radiance formed a huge grey-white light pillar with a diameter of tens of thousands of kilometers. The fist swept out with a heaven-defying momentum!

This punch was half of ye Chen's strength. It was extremely powerful.

"Not good!"

Even if it was only half of ye Chen's power, it was equivalent to an eighth-tier true God.

As the punch was thrown, the flaming devil ghost claws in the air exploded one after another. Before they collided, they were blown up by the momentum.

"How is that possible?"

Yan Luo let out a roar of disbelief. How could this be? how could this be?

The feeling ye chen gave him was not like a seventh-level immortal God at all. Instead, he was like an eighth-level true God.

The difference was too great!

"Block it! Block it!"

Yan Luo let out an earth-shaking roar. A huge ghostly figure appeared behind him. He folded his arms in front of him, trying to block the attack.

BOOM!

The fist radiance landed heavily on both of his arms. Yan Luo's body shook violently, and he spat out a large mouthful of blood. His entire body was like a cannonball, and he was sent flying back a few thousand kilometers.

He was defeated.

Yan was defeated.

A peak seventh stage true God expert was actually still not a match for a seventh stage immortal God!

Everyone was completely shocked.

This, how was this possible?

What was going on?

Yan Luo was a peak seventh stage true God expert, but he was actually not a match for a seventh stage immortal God?

This, how was this possible? What was going on?

What the hell was going on?

The crowd could not figure it out and could not understand what was going on.

It was simply too unbelievable.

A person at the seventh level of the immortal God Realm could actually defeat a peak seventh level true God expert. This was a battle that crossed a major realm.

Moreover, he had defeated an opponent who was one major realm higher than him.

This was truly unbelievable.

"Just this little bit of battle power?"

Ye Chen was rather disappointed. He had thought that the powerhouses of the mysterious Sky Star region would be different from those of the wasteland region. In the end, they were still so weak.

He had thought that the peak stage seven true God experts here would be able to display the battle power of an eighth stage true God of the savage region.

It seemed that the cultivators in the Tianxuan Galaxy were only at a high cultivation level.

Their combat strength was not necessarily very strong.

"Kid, you, you dare to hit me? I admit that you are very strong, but if you hit me, no one can save you!"

Yan Luo roared.

He, a peak stage seven true God expert, was actually defeated by a seventh stage immortal God. It really made him feel that he had lost all his face.

Therefore, Yan Luo could not wait to kill ye chen immediately to wash away his shame.

However, he had no choice. He was no match for ye chen at all.

Therefore, this humiliation could not be washed away.

In that case, he could only rely on the forces behind him to scare ye chen.

"Our shengling sect is a first-class major power. Even in the profound sky Galaxy, we are a top-tier major power. You beat senior brother Yan Luo. Are you looking for death?"

A disciple shouted.

"That's right. The strength of our shengling sect is definitely not something you can imagine!"

"You dare to hit senior brother Luo Luo? You're finished, you're finished!"

"You're dead!"

A few of the shengling sect's disciples sneered.

However, ye chen pursed his lips. The shengling sect was indeed powerful. It was not something he could contend with at the moment.

But the problem was, would shengling sect stand up for Yan Luo?

As long as ye chen did not offend the sacred Spirit sect, the sect would not send any powerhouses to deal with ye chen.

At most, only the powerhouses of the younger generation would come to kill him. Among the younger generation, ye chen had never been afraid of anyone.

"Kid, just you wait!"

Yan Luo glanced at the stone door. Since it was still early, he planned to call people over to beat ye chen up.

"Hehe, I'll be waiting."

Ye chen smiled faintly and sat down cross-legged, not bothering to lower himself to their level.

He still had to cultivate.

When they saw ye chen sitting cross-legged, everyone was surprised. Ye chen still dared to cultivate at this point?

He had offended the people of the shengling sect.

If the divine Spirit sect sent out some powerhouses, would ye chen not be finished?

The people present did not know what ye Chen's confidence was.

After an unknown amount of time.

At this moment, exclamations came from the surroundings.

Ye chen opened his eyes. He thought the stone door had opened.

"It's Yama, who ranks 9700th on the list of 10000 talents!"

"It's actually the Yama!"

"Ye Chen's done for this time!"

"I didn't expect that Yan Luo would invite Yan Mo over!"

Everyone exclaimed in shock.

Ye chen followed the crowd's gaze and saw a tall young man in the shengspirit sect's uniform. He was walking over with Yan Luo and the others.

[Chapter 2592 The Combat Strength Of Tianxuan Galaxy's Paragon!](#)

Yama?

Ye chen frowned. Just from the name, he knew that this Yama was not simple.

Yama was ranked 9000th on the list of 10000 talents.

In other words, Yama's strength was much stronger than the ancient capital Tianhao.

Moreover, Yan Luo knew that he was no match for ye chen, so he would definitely find a powerful person.

The strength of this Yama was definitely not weaker than Yan Luo.

"Brat, come out and face your death!"

After Yan Mo arrived, he followed Yan Luo's finger and looked at ye chen. Then, a sneer appeared at the corner of his mouth and he suddenly took a step forward.

BOOM!

An extremely powerful aura rose from Yama's body. The overbearing aura was about to fill the sky and earth. It rose up like smoke, covering the sky and the sun.

"Yama!"

"It's the Yama!"

"Let's retreat!"

"It's actually Yama. Yan Luo has even found Yama."

"This time, ye chen is done for."

"Not only is he finished, he's definitely dead!"

"Yama is an expert on the list of 10000 talents and his cultivation has reached the fourth stage of true God."

"It's said that Yama's fighting power has already reached peak stage eight true God Realm. I wonder if it's true?"

The crowd cried out in alarm and quickly retreated.

They didn't want to be seriously injured by the aftermath of the Yama's attack.

"Yama?"

Ye Chen nodded slightly when he heard the crowd's exclamations. It turned out that this Yama was quite strong.

Moreover, Yama's cultivation had actually reached stage four true God.

As a peerless heaven's favorite on the list of 10000 talents, it was said that Yan Mo's combat strength could already match a peak Lv 8 true God expert.

He didn't know if it was true or not.

But one thing was for sure, the Yama was extremely powerful.

"You want me to come out and die? You don't have that ability!"

A glint flashed across Ye Chen's eyes. He flew up and arrived in front of Yan Mo and the others, sneering.

"Brat, you're quite arrogant."

Yan Mo sneered. A mere seventh-stage immortal God ant actually dared to be so arrogant.

If Yan Luo had not said that Ye Chen's combat strength was extremely heaven-defying, Yan Mo would not have bothered to come.

"You'll know in a while whether I'm crazy or not. "

Ye Chen knew that today's battle was inevitable, so he said indifferently.

"Does he still want to fight Yama?"

"This is unbelievable!"

"How arrogant!"

"He wants to fight Yama? Isn't this the same as seeking death!"

"Yama's fighting power can match peak stage eight true God!"

Everyone began to discuss one by one, and it exploded.

The Yama's combat strength was extremely powerful.

It was said that although Yan Mo's cultivation was only at the fourth stage of the true God Realm, he had once fought with a peak stage eight true God expert and was defeated after thousands of moves. In the end, he fell from the list of 10000 talents.

All in all, the Yama was extremely powerful.

"Can he fight against a peak stage eight true God Realm expert?"

Ye chen frowned. He did not expect the Yama to be so strong.

With such strength, he would be invincible among the younger generation in the Wildlands.

Among the younger generation of the wasteland region, it was already extremely heaven-defying to be able to fight against a stage seven true God at the level of ancient capital Tianhao.

One should know that many heaven's favorites of the younger generation only had the strength of stage three or stage four true God Realm.

For example, ye chen had encountered many opponents before. Those who had the strength of third or fourth stage true God were already peerless geniuses.

But in the mysterious Sky Star field, any heaven's favorite had the battle power of peak stage eight true God Realm.

The difference was too great.

"Kid, kneel down obediently and I might spare your life. If you don 't, you will die!"

Yan Mo stood with his hands behind his back and said indifferently. He believed that with his strength and status, ye chen would definitely kneel down after hearing this.

One breath!

Two breaths!

Three breaths!

Four breaths!

For four consecutive breaths, ye chen stood in the same place, motionless like a wooden man.

Everyone was dumbfounded.

Ye chen, what did this mean?

Could it be that he still wanted to start a war with Yama?

"I'm sorry, but you're not qualified to make me kneel. "

Ye chen said indifferently.

Silence.

The space was silent.

"What?"

"What did he just say?"

"Yama is not qualified?"

"Heavens, the ignorant are truly fearless!"

"He's courting death!"

Everyone was speechless.

Ye chen was too arrogant.

He had merely defeated Yan Luo.

Did ye chen really think that he could fight the Yama?

Yama's strength was more than ten times stronger than Yama 's.

"Brat, you're very arrogant. I'll let you die a very miserable death!"

Yama narrowed his eyes, and then he suddenly struck out with his palm.

"Demonic sky god-subduing palm!"

BOOM!

An extremely huge palm print quickly condensed and appeared in the sky. Then, this palm print pressed down with endless demonic Qi, ghostly wails, and wolf howls!

The entire space collapsed from this palm!

The surrounding people were even more shocked and quickly retreated. Even so, those who retreated late still spat out blood and their eyes were filled with fear.

The power of this palm print was ten times stronger than Yan Luo's ghostly claw.

Compared to this attack, Yan Luo's attack was simply child's play.

"So powerful!"

"Ye Chen's done for this time!"

Everyone exclaimed in shock.

Although ye chen had defeated Yan Luo, the difference between Yan Luo's strength and the Yama's was like the difference between a child and an adult.

They did not think that ye chen would be a match for the Yama.

"It's indeed powerful!"

When ye chen saw the power of this palm, he was not shocked. Instead, he was overjoyed. Ever since he had stepped into the seventh-level immortal God Realm, he had not encountered a true powerhouse.

This Yama could be said to be very powerful.

"Undying God Realm!"

Ye Chen roared and threw a punch. A beam of fist radiance pierced through the air like a gray-white pillar of light and struck the palm print in the sky.

The power of this punch was extremely powerful.

It contained the undying domain of the gods, the will of the Evergreen immortal, and the will of eternity.

Hong long long ...

The sky suddenly collapsed, and the surrounding space exploded into nothingness. Many disciples with low cultivation base spurted out blood and were suffocated by the pressure.

"What?"

Yan Mo frowned. From what he could sense, his palm had been blocked by ye Chen.

However, was this possible?

Ye Chen's cultivation base was merely at the seventh-level of the immortal God Realm.

On the other hand, his cultivation base was at the fourth stage of true God, which was many realms higher than ye Chen's.

Under such circumstances, he could not even kill ye Chen with one palm?

"He blocked it?"

"He really blocked it?"

The crowd was in an uproar. They did not expect ye Chen to be so powerful.

Wasn't he too strong?!

[Chapter 2593 2598-Defeating Yama](#)

Ye Chen's combat strength was too strong!

Yan Mo's cultivation was at the fourth stage of true God Realm and his fighting power was comparable to the peak of the eighth stage of true God.

Such a powerful heaven's favorite with an extremely terrifying combat strength could not do anything to ye Chen with a single palm?

Could it be that ye Chen's combat power could really contend with the Yama?

Everyone was extremely shocked.

Impossible, this was absolutely impossible.

Yan Luo roared in his heart. This is absolutely impossible!

He believed that no matter how heaven-defying ye chen was, he could not fight against the Yama.

Of course, everyone thought so too. Although ye chen could withstand one of the Yama's attacks, he could not fight against the Yama.

"Kid, you're quite capable indeed. Flaming devil ghost Holy fist!"

Yama roared and threw out a punch. It was as if endless ghostly Qi was spurting out. The power was terrifying.

BOOM!

The surrounding space was completely annihilated by this punch. This punch even formed a gray-white light pillar that soared into the sky and destroyed the void!

If this wasn't the Tianxuan Galaxy, but a space like the manhuang region, the space within hundreds of millions of kilometers would have exploded.

"Strong!"

"What a powerful attack!"

"Too terrifying! Is this really an attack that a fourth stage true God can release?!"

"It's really terrifying!"

Everyone was shocked. The power of this attack was too terrifying.

The power of this attack was simply heaven-defying.

One should know that Yama's cultivation was only at stage four true God Realm, but the power of his attack was so powerful.

It was unbelievable!

"It's indeed powerful!"

Ye Chen's eyes narrowed. Facing the Yama's punch, he also felt a trace of pressure.

His combat strength was already extremely terrifying. However, any random heaven's favorite from the mysterious sky Galaxy was a few hundred times stronger than the ancient capital, Tianhao.

Tianxuan Galaxy, it was indeed the Tianxuan Galaxy. It was much stronger than the manhuang region.

"You are indeed powerful, but you are not qualified to kill me! Exterminate!"

Ye Chen's figure suddenly leaped up. Then, he held the myriad destruction Broken Sword and slashed out!

"Myriad exterminating sword technique, exterminating shadow!"

With one sword, heaven and earth would be destroyed!

This strike contained the power of ye Chen's immortal divine realm, so the power of this strike was extremely terrifying.

Wherever the sword light went, the space was cut into thousands of spatial cracks, showing the unparalleled power of the sword.

Then, in front of everyone's horrified eyes, the sword radiance cut the fist radiance.

Puchi!

The fist light was directly cut into two. Then, the sword light charged out with unparalleled power like a stormy sea!

"What?"

"How is that possible?"

"How is this possible?"

Seeing this scene, everyone let out loud roars of disbelief one by one.

"Impossible, this is impossible! Get lost!"

Yama's eyes almost flew out of their sockets. His full-powered punch was easily torn apart by ye Chen's sword gleam. How was this possible?!

He decisively punched out once again. His fist force was monstrous and his aura filled the heavens and earth. His fist light was incomparably dazzling as it heavily collided with the sword light.

However, this time, the sword light tore the fist radiance apart as if it was breaking dry weeds and smashing rotten wood. Then, in the next moment, it heavily hit Yama.

"Ah!"

Yama let out a shrill cry and was sent flying thousands of kilometers away. His body was almost split apart.

"What?"

When everyone saw this scene, each and every one of their eyes widened, their jaws practically about to drop to the ground.

How was that possible?

How could ye chen, a seventh-level immortal God, be so powerful?

This was simply unreasonable!

"Brat, I didn't expect your battle strength to be so terrifying. You're very strong!"

At this time, the Yama was completely shocked. Ye Chen's sword had forced him to attack again and again. In the end, he had finally managed to block it.

Moreover, he had been pushed back a few thousand kilometers.

Ye Chen's strength was not to be underestimated.

"You only know whether I'm strong or not?"

Ye Chen's face revealed a mocking expression. "Since you say I'm strong, then you can lose!"

BOOM!

The space was suddenly torn apart, and the next moment, an even more dazzling sword light swept out. The sword Qi rushed into the sky and filled the world!

A sword was directly aimed at Yama.

"Not good!"

Yama was shocked because he felt an unparalleled threat from this sword.

"Flaming devil ghost Holy fist!"

He had no choice but to use this move. This move was already the Yama's strongest move.

Rip!

The fist radiance was decisively split apart by the sword. Then, the next moment, the sword Qi collided with Yama's body again.

"Ah!"

Yama's entire body was split into two, and then his body exploded into nothing.

The charm of immortality made it even more difficult for Yama's body to reform.

He was defeated.

Yama, ranked 9700th on the list of 10000 talents, had been defeated.

Yama, who had the cultivation of stage four true God Realm and extremely powerful fighting power, was defeated.

Everyone revealed shocked expressions. This, how was this possible?

Ye Chen's cultivation base was clearly only at the seventh-level of the immortal God Realm.

Yan Mo's combat power was comparable to a peak eighth stage true God. If ye chen defeated Yan Mo, did that not mean that ye chen could defeat a peak eighth stage true God?

This was too unbelievable.

"Brat, if you blow me up, you'll be hunted down by the shengling sect!"

Yama's body, which had been reconstructed with great difficulty, hurriedly retreated. At the same time, he was shocked and angry as he roared.

"Shengling sect? I accept."

Ye chen smiled faintly. The shengling sect was indeed extremely powerful.

However, if it was just the younger generation that was sent to kill him, he had no fear.

Among the young generation, no one was his match except for the top 9000 on the list of 10000 talents.

Moreover, ye chen had already planned to improve his mastery of the annihilating sword technique. This way, his combat strength would also increase by another level.

"Hmph, brat, you're dead!"

"No one can save you now that you've offended the shengling sect!"

Yan Luo and the others roared.

"I'll be waiting!"

Ye chen sneered.

If these people still wanted to bother him, he wouldn't mind killing them.

"Myriad exterminating sword technique."

After seeing Yan Luo and the others leave dejectedly, ye chen sat cross-legged and began to comprehend the sword technique.

The myriad exterminating sword technique was extremely profound.

Soon, ye chen had upgraded the myriad Destruction Sword technique to the next level.

In other words, his combat strength at the seventh-level immortal God Realm had increased again.

As for the celestial Emperor-level secret technique, the ancient thunder, ye chen had also cultivated it to a higher level.

All in all, ye Chen's combat strength had increased by another level.

With his current battle prowess, even if he couldn't fight a Godking, he should be able to easily deal with anyone below the Godking level.

[Chapter 2594 2598-Battling Two Great Experts](#)

Yama's strength was indeed very strong, comparable to a peak stage eight true God expert.

However, ye chen had not even used a third of his strength.

First of all, he did not use his great power-up technique. Second, he did not use the ancient thunder. He only used the annihilating sword technique and the immortal God Realm.

Moreover, ye chen still had a Godking-ranked weapon that he had yet to use.

These were all his trump cards to increase his combat strength.

Many of his trump cards were useless.

However, ye chen was still quite surprised by the Yama because its combat strength had far surpassed the so-called prodigies of the savage barren territory.

It seemed that the Tianxuan Galaxy was too powerful. It was much more powerful than the manhuang region.

In the wasteland region, he was like a frog at the bottom of a well, looking at the sky from the bottom of a well.

Only after coming to the Tianxuan Galaxy would one be able to see the true powerhouses and countless heaven's favorites.

"Boom boom boom ..."

Right at this moment, heaven and earth suddenly began to shake violently.

Everyone's eyes opened in unison. Many of the stage eight true God experts and even some stage nine true God experts opened their eyes.

Of course, there were no God kings here. Even in the mysterious sky Galaxy, God kings were rare.

"The stone door has opened!"

Everyone exclaimed in shock.

Hong long long ...

The entire stone door began to shake violently. Then, as if some treasure was about to erupt from within, it formed a strange light screen.

"Haha, the treasure is about to activate its jet spray!"

"The treasure is coming out!"

"Don't even think about snatching it from me!"

"The treasure is mine!"

"The treasures should all be mine!"

The crowd shouted angrily.

"Hmph, the treasure shouldn't be yours. It should be mine!"

At this moment, a few super experts at stage nine of true God Realm stepped out. The aura on their bodies was even stronger than Yama 's. It was as heavy as a mountain and unfathomable.

"The treasure is about to be shot out. Everyone, get ready!"

Someone said.

Whoosh, whoosh, whoosh, whoosh, Whoosh!

At this moment, treasures suddenly appeared in a light screen inside the stone door. Then, these treasures turned into streams of light and flew out.

"What?"

Ye chen looked over and immediately found a few extraordinary treasures. Then, he suddenly stood up and turned into a rainbow light, heading toward those treasures.

"Brat, get lost!"

At this moment, a majestic force attacked.

Ye chen casually threw a punch that contained the power of the immortal divine realm. This punch also contained the power of ancient thunder.

BOOM!

This punch directly sent a figure beside him flying.

"What?"

"How is that possible?"

"How is this possible?"

A peak eighth stage true God expert was sent flying by ye Chen's casual punch?

Are you kidding me?

That's right, the one who had just attacked ye chen was an expert on the level of Yama.

He had wanted to snatch the treasure but was sent flying by a casual punch from ye chen.

"Good treasure."

Ye chen grabbed the treasures and put them into his storage ring. He had a feeling that these treasures were extremely precious.

"Brat, hand over the treasure obediently!"

BOOM!

An extremely powerful aura suddenly rose up and filled the world like smoke.

A middle-aged man in a green robe was walking toward them step by step.

At the same time, there were also two mustached middle-aged men coming over. These two people's cultivation were both ninth stage true God.

"Late-stage true God ninth stage expert?"

"This time, ye chen is done for."

"It's hard to say,"

"With ye Chen's combat strength, he might really be able to match them."

Everyone was discussing.

"Kid, hand over the treasure obediently and I can spare your life!"

The green-robed middle-aged man said with a frown.

"Hand over the treasure? Spare me? Haha, kill me first before you talk!"

Ye Chen sneered.

,m Everyone was shocked.

"Arrogant! How arrogant!"

"Aren't you too arrogant?"

That green-robed middle-aged man is a late-stage ninth level true God level existence!"

"He actually dares to speak so arrogantly in the face of such a powerful existence!"

"This person's combat power might really be able to match a stage nine true God?"

Everyone was in a frenzied discussion.

Ye Chen's combat strength had already been displayed and shocked them greatly. With a seventh-level immortal God cultivation base, he had defeated Yama with one sword and sent a peak eighth-level true God flying with one punch.

Such strength was already extremely terrifying.

However, the green-robed middle-aged man and the two moustached middle-aged men were all ninth stage true God level existences.

So, who was stronger?

This was really hard to judge.

"Brat, since you want to die, I'll fulfill your wish!"

The Azure-robed middle-aged man frowned. For some reason, he could not see through ye Chen's abilities. He waved his hand and the two moustached middle-aged men nodded slightly. Then, they suddenly stepped forward.

BOOM!

BOOM!

Two extremely powerful auras rose up. The pressure belonging to the ninth level of true God level covered the sky and the earth.

Stage nine true God Realm.

An expert of this level was already an extremely powerful Overlord in the savage region.

Of course, in the Tianxuan Galaxy, it could only be considered average.

The strength of a stage nine true God was much stronger than peak stage eight true God!

Let alone two stage nine true God experts.

Therefore, everyone was very curious as to whether ye chen could fight against two ninth stage true gods.

"Heaven killing violent slash!"

"Heaven-destroying and earth-destroying palm!"

The two great ninth stage true God experts immediately made a move.

Boom, boom!

Two incomparably powerful attacks, one saber ray and one palm print, were launched in ye Chen's direction.

The power of these two attacks combined was enough to easily kill a peak stage eight true God expert.

Even if it was a stage nine true God, it would be a very difficult thing to block the attacks of these two people.

"Exterminate!"

Ye chen casually threw two punches. Two gray-white fist gleams formed two gray-white pillars of light that shot forward.

Boom, boom!

The blade light, palm print, and fist light collided with each other. A powerful blast swept out and some people with lower cultivation were sent flying.

"What?"

Everyone was completely shocked.

It was blocked.

He blocked it again!

Ye chen had actually blocked the joint attack of two ninth stage true God experts!

How was that possible?

Ye Cheng's cultivation level was clearly only at the seventh-level immortal God Realm.

How did he manage to fight across a major realm?

This was simply a miracle!

Even the top-ranked monsters on the list of 10000 talents couldn't be so powerful when they were at the seventh-level of the immortal God Realm.

This was simply heaven-defying!

"Impossible, this is impossible!"

At this moment, the two mustached middle-aged men were completely shocked. They exclaimed that it was impossible.

The two of them were ninth stage true God level experts. Their abilities were unfathomable and were sufficient to kill eighth stage true God in a second.

However, such combat power was still unable to kill ye chen?

Then, how powerful was ye chen?

[Chapter 2595 Heaven-Defying Combat Strength!](#)

Ye chen was simply heaven-defying.

Logically speaking, they could even kill countless seventh-level immortal God ants with a single breath.

After all, the gap between a major realm and two minor realms was already unbelievably huge.

However, ye chen was able to resist two ninth-stage true God experts with his seventh-level immortal God cultivation base.

This was already heaven-defying!

"Kid, how can you be so strong?"

The two moustached middle-aged men revealed a look of disbelief. They were ninth stage true God experts, but their joint attack was still unable to do anything to ye chen.

How was this possible?

Ye Chen's cultivation base was clearly only at the seventh-level of the immortal God Realm.

How did seventh-level immortal God ants withstand their attacks?

This didn't make any sense!

"Nothing is impossible. At least, nothing is impossible for me!"

Ye chen grinned.

"Brat, you're really arrogant!"

"Kill, kill, let's kill him together. I don't believe that he can compete with us!"

"Kill him!"

The two ninth-stage true God experts roared and turned into two gusts of wind, madly charging toward ye chen.

Ye chen was not afraid. He immediately punched out and collided with the two ninth stage true God experts.

In the blink of an eye, the two sides had exchanged hundreds of moves.

"How is that possible?"

The two great ninth stage true God experts let out an incredulous roar.

Despite their cultivation base, they had not been able to take down ye chen after such a long battle.

What kind of monster was ye chen?

Was he really only at the seventh level of the immortal God Realm?

"Looks like a stage nine true God only has this bit of strength."

Ye chen smiled disdainfully. He had only used the power of the immortal divine realm.

He was now sure that he was invincible below the divine King realm, except for the Supreme talents on the list of 10000 talents.

"Lose!"

BOOM!

Ye Chen's body suddenly exploded with a terrifying energy.

Great enhancement technique!

His strength had doubled!

Ye Chen's strength had doubled while his combat strength was even more terrifying.

"How, how is that possible?"

The two moustached middle-aged men stared with their eyes wide open. Their eyes were about to fly out.

They realized that the words they had been saying the most today were "how is it possible?"

This was because ye chen was a monster among monsters.

Under such circumstances, ye chen was still hiding his strength earlier and only revealed it now?

"Lose!"

Ye chen roared and threw a punch.

This punch seemed to be able to pierce through the endless starry sky. The punch was like a flood of steel.

"Ah, ah!"

The two stage nine true God experts were forced to retreat madly in one exchange. They were not his match at all.

"How is that possible?"

"Ye Chen's combat power is actually this strong?"

"The two stage nine true God experts aren't his match?"

"This ye chen, is he trying to defy the heavens?!"

"His cultivation base is only at the seventh-level immortal God Realm!"

The crowd was in an uproar. Everyone's mouths were wide open as they looked at this scene in a daze. Then, they started discussing madly.

It was too unbelievable!

Ye Chen's combat strength was too heaven-defying.

Even in the vast Tianxuan Galaxy, not many people dared to say that they could fight above their level in the true God Realm.

One must know that on the path of cultivation, the further one advanced, the more difficult it would be to fight above one's level. This was because those who could cultivate to this realm were all heaven's pride experts.

On the other hand, ye chen had not only crossed realms to fight, but he had also crossed a major realm!

This was simply heaven-defying.

"Damn it, damn it, impossible, this is impossible!"

The two moustached middle-aged men were being pushed back. They were no match for ye chen after he used the great enhancement spell.

Ye Chen's strength was already on par with them, let alone now that ye chen had doubled his strength.

Ye chen had crushed them in an instant.

"Nothing is impossible. I've said it before. Nothing is impossible for me!"

Ye chen said indifferently.

"Ah, ye chen, you'll die a horrible death!"

The two moustached middle-aged men were directly swept by the punch and exploded into nothingness.

Under the power of immortality, they couldn't even reform their bodies.

BOOM!

Another punch was thrown. This punch directly blew up their bodies completely.

Two great ninth stage true God experts died just like that.

He died on the spot!

"Brat, you're looking for death!"

At this moment, an even more powerful aura burst out, as if an ancient giant beast had awakened.

BOOM!

With a monstrous aura, a Saber Light slashed down from above, and it was enough to split a star.

"It's the middle-aged man in the green robe!"

"This is going to be interesting!"

"Ye Chen's combat strength is so heaven-defying. This is going to be interesting!"

Everyone exclaimed in shock.

It was the Azure-robed middle-aged man.

He couldn't just watch his two subordinates get killed.

However, just as he was about to make a move, it was too late.

Ye Chen had already killed two of his men.

That was why he was so furious and vowed to kill Ye Chen. Otherwise, he would not be able to face himself.

"Get back!"

Ye Chen roared. He wielded the myriad destruction Broken Sword and swung it.

Whoosh!

A sword ray swept across with a majestic aura and directly collided with the saber ray.

BOOM!

After an earth-shattering boom, the two of them retreated frantically.

Hiss ... Hiss ...

Everyone present couldn't help but gasp again.

It was blocked.

He had really blocked it.

Ye Chen was actually able to compete with a late-stage ninth firmament true God powerhouse!

How heaven-defying was this?

Ye Chen's cultivation base was only at the seventh level of the immortal God Realm!

"How, how is that possible!"

The middle-aged man's expression finally changed. He looked extremely ugly. The attack just now was his full strength.

However, under such circumstances, his saber could not do anything to Ye Chen.

Did that not mean that Ye Chen's strength was not below his?

"Late-stage true God ninth level, just this bit of combat strength. I'm too lazy to play with you. Suppress for me!"

Ye chen smiled disdainfully and waved his hand.

BOOM!

A huge seal appeared in the sky, covering the sky and the sun. With unparalleled power, it pressed down.

"No, that's impossible!"

The middle-aged man's expression changed drastically because he felt an extremely terrifying pressure from this attack.

"Block it!"

The green-robed middle-aged man struck out with his saber again, but it was easily defeated by the huge seal.

"Ah!"

The middle-aged man in green seemed to have activated some kind of secret technique. Then, the big seal suddenly pressed down, and with a boom, his body was madly pushed back, and half of his body exploded.

He wasn't his match.

The Azure-robed middle-aged man was no match for ye chen at all.

With ye Chen's current cultivation base, when he used a Godking-level weapon, he had already far surpassed late-stage ninth firmament true God.

[Chapter 2596 Immortal Peak!](#)

Ye Chen's current strength had already far exceeded the combat strength of a ninth-stage true God.

When he was at the sixth-stage immortal God Realm, he was equivalent to a ninth-stage true God when he went all out. Now that he was at the seventh-stage immortal God Realm and had cultivated secret skills such as the immortal God Realm, he was no longer a God.

His strength had increased by more than a little.

In short, his current strength was extremely powerful. There were not many people below the Godking level who could defeat ye chen.

Only those seventh or eighth stage true God peerless geniuses with combat strength comparable to Godking-level powerhouses could possibly defeat ye chen.

As for the Azure-robed middle-aged man, he was no match for ye chen at all.

"Impossible! This is impossible!"

After the middle-aged man in the green robe was pushed back, his eyes revealed a look of disbelief. How could this be? how could this be?

He, a late-stage true God ninth stage powerhouse, was actually not ye Chen's match?

How was this possible?

Ye Chen's cultivation base was clearly only at the seventh-level of the immortal God Realm.

How could a seventh-level immortal God ant defeat him? Are you kidding me?

This didn't make sense.

"It's time to send you on your way,"

Ye chen sneered and waved his hand.

Boom, boom, boom!

The divine seal of the wind demon appeared in the sky, bringing with it an endless amount of pressure as it crashed down. Its might was unparalleled, and it was as if stars were falling.

"Not good! Block it! Block it!"

"Block it!"

The Azure-robed middle-aged man shouted angrily. His two companions had already been killed by ye chen, so he was the only one facing ye chen.

"Ah!"

The middle-aged man in green roared and threw a punch. A huge fist radiance pierced through the void and collided with the wind demon divine seal.

"Ah!"

Without a doubt, the middle-aged man's fist radiance was instantly destroyed. Then, his entire body shook violently, and he retreated tens of thousands of kilometers like a cannonball.

BOOM!

The wind demonic divine seal continued its pursuit of the Azure-robed man with unparalleled might.

"Don't go too far, kid. I'm an outer disciple of the Holy sect of the clear wind. You'll die a horrible death if you kill me!"

The green-robed middle-aged man shouted angrily.

"So what if I kill you? didn't you want to compete with me for the treasure? then you should be prepared to die!"

Ye chen sneered. The Holy sect of the clear wind was indeed powerful, but he did not care.

With the speed at which his strength was increasing, why would he need to care about these so-called Sage sects?

Besides, he had already defeated Yama and offended the shengling sect. It would not matter if he offended the Qingfeng Saint sect as well.

"Ah, ah, brat, you'll die a terrible death, you'll die a terrible death!"

In the end, the middle-aged man in green robes was directly suppressed under the ground. Then, his body exploded and turned into a mass of nothingness.

Death.

A late-stage true God ninth stage expert died just like that.

He was easily killed by ye chen.

"Oh my God, this ye Chen's combat power is too strong."

"That's right. This ye chen is only at the seventh level of the immortal God Realm. "

"A stage seven immortal God can kill a stage nine true God? This is simply heaven-defying!"

"This is really heaven-defying."

The crowd discussed this battle madly. They had never expected that the Azure-robed middle-aged man, who was so powerful, not only failed to kill ye chen but was also killed by him.

How could ye Chen's combat power be so strong?

This was simply powerful to an outrageous degree!

Seventh-stage immortal God, ninth-stage true God indiscriminate killing.

What kind of a monster was this?

"Brat, you've killed the people of the clear wind Holy sect. You won't have a good end!"

At this moment, a few disciples of the Holy sect of clear wind roared.

The middle-aged man in the green robe was a disciple of the Holy sect of the clear wind.

Furthermore, this middle-aged man in green was already very close to becoming an inner sect disciple.

As long as one stepped into the God King stage, they would be equivalent to an inner sect disciple.

In other words, the inner disciples of the Holy sect of clear wind were all Supreme experts at the Godking level.

It was extremely heaven-defying.

In terms of strength, the Holy sect of the clear wind was much stronger than the shengling sect. It was said that the Holy sect of the clear wind even had an Emperor God!

It was extremely terrifying.

However, even though Emperor gods were powerful, they were also divided into Nine Realms. He didn't know what realm the Emperor God of the clear wind Saint sect had reached.

After all, even though they were both God emperors, the difference between the early stage and the late stage was incomparably huge.

"Hehe, I'll be waiting for you!"

Ye chen sneered. Since he wanted to kill him, he should be prepared to be killed.

How could nothing happen to him when he went out to gain experience!

What was worth ye Chen's attention was that he had obtained three treasures. They were a stone egg, a divine sword, and a medicinal pill.

One of the stone eggs was the thing that ye chen could not see through the most.

He had a premonition that this stone egg could very likely hatch an unparalleled ferocious beast.

Based on ye Chen's perception, this stone egg was definitely not simple. Even with his immortal consciousness, he could not penetrate the stone egg. It was clear that the stone egg was extraordinary.

"It's time to leave this place. "

Ye chen decided to leave this place.

Seeing ye chen turn into a streak of light and leave, the disciples of the Holy sect of gentle wind, as well as Yan Luo and the others, clenched their fists tightly. They wanted nothing more than to rush up and kill ye chen.

But they also knew that they didn't have that strength at all.

He could only go back and ask for help from the sect.

Ye chen left.

With his speed, he quickly flew past the cities and saw the towering mountains in front of him.

What shocked ye chen was that these mountains were too majestic. Each mountain was hundreds of thousands of feet tall. When they were combined together, they formed a strange pattern.

"This is ... A God domain mountain peak? It's actually this big?"

Ye Chen's pupils constricted because these mountains looked exactly the same as the mountains in the secret realm.

However, these mountains were so huge. Each mountain was unbelievably huge.

Ye chen was also looking forward to it. If he could cultivate in these mountains, how fast would his progress in the immortal divine realm be!

Ye chen flew over decisively.

However, as he got closer, he was surprised to find that on each mountain, there was a young man sitting cross-legged. These young men's auras were very powerful and unfathomable.

"The mountain peak of the immortal God Realm."

Ye chen quickly found the peak of the immortal divine realm. Coincidentally, there was no one on the peak.

Just as ye chen was about to sit down cross-legged, he heard someone's voice.

"Kid, if you don't want to die, don't sit down."

Ye chen looked over in shock and saw a white-robed young man sitting on another mountain.

"Why can't I sit on this mountain?"

Ye chen asked.

"Hehe, you're just an ant at the seventh level of the immortal God Realm. Why should I remind you? you'll regret it later."

The white-robed young man could not be bothered to explain to ye chen.

[Chapter 2597 2601-Tuoba Yun](#)

In his eyes, ye chen was merely an ant at the seventh level of the immortal God Realm. Perhaps ye Chen's combat strength was astonishing, but how shocking could it be?

At the seventh level of the immortal God Realm, even the peerless geniuses on the list of 10000 talents only had the fighting power of a third or fourth level of the real God Realm.

Moreover, under such circumstances, it was already extremely heaven-defying.

Therefore, the white-robed young man could not be bothered to pay attention to ye chen.

"What is the meaning of this?"

Ye chen could not help but frown when he heard the white-robed young man's words.

Could it be that he was unable to comprehend this mountain peak?

Were there any obstacles? Or could it be that someone had already made a reservation?

Ye chen pondered for a moment. Who cares? he would just cultivate on his own. Why did he care so much?

Ye chen decisively began to cultivate. He sat cross-legged and his will began to communicate with the peak of the immortal divine realm.

Buzzzzzz!

With ye Chen's current attainments in the immortal divine realm, he quickly communicated with the immortal divine realm's peak and began to study it madly.

Waves of immortal, eternal, evergreen, and indestructible willpower erupted from ye Chen's body.

Seeing this, the white-robed youth's eyelids twitched. How was this possible? how could a seventh-level immortal God ant comprehend the immortal God Realm?

Since ancient times, only experts above true God could comprehend God's domain. Normally, only peak true God powerhouses could comprehend God's domain.

A seventh-level immortal God comprehending the God domain? wasn't this nonsense?

The white-robed young man's eyes were filled with surprise. What kind of ability did this ye chen have to be able to communicate with the immortal divine realm with a cultivation base at the seventh-tier of the immortal God Realm?

It was really incredible.

But that's good too. It would be interesting when that person came over.

It was a good time to see what ye chen was capable of.

"Eternal undying Evergreen"

Ye chen was constantly feeling the everlasting charm of the mountain peak. This charm could allow him to gain more understanding and improve his attainments in the immortal divine realm.

His current undying God domain was only at rank one. Normally, if he wanted to step into the God King stage, he would need eight God domains to reach rank one.

Ye chen had only cultivated the immortal divine realm at the moment, so he might as well cultivate it to the second stage.

It was said that the God Realm's level was also related to whether one could become a God Emperor in the future.

To become a God Emperor, one would need at least a rank four God domain.

This was because the eight God's domains had already fused into one when Shi Feng became a God King. Hence, he only needed one God's domain to reach Tier 4.

"So that's how it is."

Ye Chen's eyes brightened. He had suddenly discovered many new things and new experiences.

On the peak of the undying God territory, his experience and understanding grew deeper and deeper.

At this rate, it was only a matter of time before the undying God Realm reached Rank 2. At most, it would take half a year.

Of course, if it was someone else, they would need at least several years or even several decades to advance from the first stage to the second stage.

However, ye Chen's perception was too abnormal, so it only took less than half a year.

Whoosh, whoosh, Whoosh!

At this moment, a group of figures shot over from the distance. Their speed was so fast that it simply left one speechless.

When one of the figures saw ye chen sitting cross-legged on the peak of the immortal divine realm, he could not help but show a disdainful look.

"Brat, get lost!"

This figure was a tall young man with bulging muscles. He roared and shook ye chen to his senses.

"What's going on?"

Ye chen was extremely dissatisfied because he was just about to comprehend something even more profound.

However, he was interrupted midway.

"Brat, how dare you occupy my place? you really don't know what's good for you. You're just an ant at the seventh level of the immortal God Realm!"

The tall young man took a step forward, and the terrifying sound waves shook the surroundings. The space trembled violently and almost shattered.

BOOM!

An extremely powerful aura burst out from the tall young man's body, as if an invincible divine mountain had descended.

At the same time, this tall young man also had an undying aura. He had also cultivated the immortal realm and had even reached level one.

"It's Tuoba Yun!"

"It's Tuoba Yun!"

"This is going to be a good show. Someone is actually taking Tuoba Yun's cultivation spot?"

"That person is only at the seventh level of the immortal God Realm. How dare he cultivate the immortal God Realm?"

"Isn't he courting death?"

The crowd opened their eyes with great interest. This tall young man was called Tuoba Yun.

Tuoba Yun's cultivation was at the fifth stage of true God Realm. However, his fighting power was extremely shocking. He had once fought a peak ninth stage true God expert and had fought for hundreds of moves before defeating him.

In other words, Tuoba Yun's strength was even stronger than a peak stage nine true God.

Plus, Tuoba Yun had cultivated the immortal God Realm, so his life force was extremely strong. Therefore, no one was willing to offend him.

More importantly, Tuoba Yun was ranked 9300th on the list of 10000 talents.

His combat strength was much stronger than Yama 's.

"Kid, I don't know how a mere seventh level immortal God Realm ant like you cultivated the immortal God Realm. However, you've occupied my cultivation site. You can die now."

Tuoba Yun growled and threw out a punch.

BOOM!

An extremely grey-white fist radiance formed a grey-white light pillar and charged forward. It was filled with destructive power.

The power of this strike annihilated the surrounding void and caused it to explode. The endless void trembled.

The power of this punch was more than ten times stronger than Yama's attack.

The difference of 100 places on the list of 10000 talents was at least ten times the difference in strength.

Moreover, this punch was filled with an immortal charm, as if it could directly blow someone up.

"I'm finished. "

"That kid is finished."

"Facing Tuoba Yun's attack, he's dead for sure."

"Yeah, he's finished."

"Facing such a powerful attack, even a stage-nine true God might not be able to withstand it. He's only at stage-seven immortal God Realm. He's definitely dead."

"He's finished. "

"He will die a miserable death."

The crowd discussed fervently. They all felt that ye chen was done for.

How could a seventh-level immortal God Realm ant fight against Tuoba Yun?

Without a doubt, ye chen was finished.

"What a powerful attack."

After ye chen felt the power of this punch, his expression turned solemn. If he had not stepped into the seventh-stage immortal God Realm and his strength had increased greatly, it would have been very difficult for him to face this punch.

He could also feel that Tuoba Yun had also cultivated the undying God Realm.

Therefore, the other party's combat strength was extremely shocking.

"Get lost!"

Ye chen roared and threw a punch as well. It also contained the power of the immortal divine realm and was extremely shocking.

BOOM!

The two fist light pillars collided in front of everyone's shocked eyes.

[Chapter 2598 Fierce Battle With Tuoba Yun!](#)

The two fist lights collided in front of everyone's shocked eyes.

The two fist gleams collided. No one had expected ye Chen's punch to be so ferocious.

BOOM!

Tuoba Yun's fist ray was so powerful that it exploded ye Chen's fist ray.

Ye Chen's figure retreated a few thousand kilometers while Tuoba Yun retreated dozens of kilometers.

"How is that possible?"

Tuoba Yun's face was filled with disbelief. Although it was just a casual attack, it was still extremely powerful.

It was also an extremely difficult thing for an ordinary true God level 9 master to resist.

However, ye chen had actually blocked this attack?

How was that possible?

Ye Chen's cultivation base was only at the seventh level of the immortal God Realm!

A seventh-level immortal God had actually blocked his attack. How was this possible?

"Tuoba Yun, huh? he's indeed powerful."

Ye Chen's heart skipped a beat. Tuoba Yun was truly powerful.

That punch earlier, even ordinary stage nine true God powerhouses might not be able to block it. The power of this attack was probably equivalent to the attack of a late-stage true God stage nine powerhouse.

No wonder Tuoba Yun was so arrogant. His strength was not to be underestimated.

"Boy, your combat strength is so strong. It seems that I've underestimated you. However, your cultivation is only at the seventh level of immortal God Realm. You're destined to die!"

Tuoba Yun stood with his hands behind his back and said coldly.

No matter how heaven-defying ye chen was, he was only at the seventh-level immortal God Realm.

It was impossible!

Even the most heaven-defying heaven's favorite in the history of the Tianxuan Galaxy couldn't fight Tuoba Yun at the seventh-level of the immortal deity realm.

Tuoba Yun was a peerless genius. His cultivation was at stage five true God Realm, and his fighting power was even stronger than peak stage nine true God Realm.

How could such combat strength be defeated by a seventh-level immortal God?

"I'm destined to die? What a joke!"

Ye chen sneered. Tuoba Yun was indeed powerful but did he really think he was invincible?

What a joke!

"You, are you looking for death!"

Tuoba Yun's face darkened. He was ridiculed by ye chen.

This was simply a great humiliation.

Anyone would be displeased to be ridiculed by a seventh-stage immortal God Realm ant.

"He's just an ant at the seventh level of the immortal God Realm. It's really amazing that he could block Tuoba Yun's attack!"

"But he's too arrogant. Who is Tuoba Yun? how dare he mock Tuoba Yun? isn't he seeking his own death?"

"Yeah, he's simply looking for death."

"Let's see how he dies. "

"You really don't know what's good for you,"

Everyone sneered. Ye chen was only at the seventh-level of the immortal God Realm and he wanted to fight Tuoba Yun?

This was simply laughable to the extreme!

Not to mention a seventh-stage immortal God, even a ninth-stage true God expert was not Tuoba Yun's opponent. This showed how powerful Tuoba Yun was.

Tuoba Yun was definitely very powerful.

Tuoba Yun's strength was beyond the imagination of ordinary people.

Ye chen, a mere seventh-level immortal God ant, wanted to fight Tuoba Yun. This was simply ridiculous!

"How about this, it's still not too late for you to kneel down now, otherwise you'll die without a doubt!"

Ye chen stood with his hands behind his back and said indifferently.

Silence.

The space was silent.

What did he just say?

Everyone was dumbfounded.

Ye chen, what did you say?

Make Tuoba Yun kneel down?

"Haha, haha, this is ridiculous, ridiculous!"

"Is he looking for death?!"

"You really don't know what's good for you!"

The crowd burst into laughter. Was ye chen a madman? how dare he say that about Tuoba Yun?

If this wasn't seeking death, what was?

"Brat, die! Heavenly Demon God fist!"

Tuoba Yun finally lost his temper.

He was an expert stronger than peak stage nine true God, but he was actually provoked by a seventh stage immortal God ant.

This was simply intolerable!

"Die!"

Tuoba Yun threw a punch and a pitch-black fist radiance formed a pitch-black fist Radiance light pillar that pierced through the void and exploded the space within tens of thousands of kilometers.

One must know that this was the mysterious sky Starfield, and the space here was extremely stable. However, it was still blown apart.

The power of ninth stage true God level was too powerful. It was not what ordinary people could imagine at all.

With one punch, heaven and earth would be destroyed!

Of course, if a God King were to make a move, it would be even more incredible.

With one punch, at least countless space exploded.

"It's indeed powerful. "

Facing Tuoba Yun's heavenly demon divine fist, ye Chen's eyes narrowed. Then, a Broken Sword appeared in his hand.

Ten thousand destruction Broken Sword!

"Myriad exterminating sword technique, exterminating shadow!"

The energy on ye Chen's body suddenly doubled. Then, he suddenly waved the broken sword in his hand and slashed!

A grey-white sword light crossed the distance of time and space and instantly appeared on the fist light.

Hong long long ...

One after another, mushroom clouds rose into the sky. In the next moment, ye chen and Tuoba Yun's figures swayed but they did not retreat.

"What?"

"He blocked it?"

"How is that possible?"

When everyone saw this scene, each and every one of them revealed a look of disbelief. How was this possible?

Ye chen, a mere seventh-level immortal God, could actually block Tuoba Yun's attack in a state of Fury?

This was simply impossible.

"How is that possible?"

Even Tuoba Yun widened his eyes in disbelief.

How was that possible?

His all-out attack was absolutely shocking, but this attack could not do anything to ye chen.

Did this not mean that ye Chen's strength was no less than his?

However, this was impossible. Ye Chen's cultivation base was only at the seventh level of the immortal God Realm. This was beyond doubt.

A seventh-level immortal God could contend with him?

What kind of freak was this?

"Terrifying, terrifying. This guy is too terrifying. If he grows up, he will definitely rank in the top of the list of 10000 talents!"

Tuoba Yun knew that he had offended ye chen today. Therefore, he had to kill ye chen. Otherwise, ye chen would definitely cause him trouble in the future.

If he did not kill ye chen, he would be doomed in the future.

Therefore, ye chen must die today.

"Heavenly Demon God fist, mighty!"

Tuoba Yun attacked again.

BOOM!

One after another, pitch-black fist gleams shot out and madly attacked ye chen.

"Ten thousand Destruction Sword technique!"

Ye chen, on the other hand, activated the annihilating sword technique. With the annihilating Broken sword in hand, he engaged in an astonishing battle with the fist radiance.

Boom, boom, boom, boom!

Soon, ye chen and Tuoba Yun had exchanged thousands of moves.

It had to be said that Tuoba Yun was extremely powerful. Ye chen had used the power enhancement technique, the annihilating Broken Sword, and the annihilating sword technique, but he still could not defeat him.

Unless he used a godly monarch weapon or the ancient lightning.

All in all, Tuoba Yun was really powerful.

Whoosh!

Tuoba Yun retreated backward with a gloomy face.

[Chapter 2599 Defeat Tuoba Yun!](#)

Ye Chen's combat strength had far exceeded his expectations.

He had originally thought that with his combat strength, he could easily crush and suppress ye chen because ye Chen's cultivation base was only at the seventh level of the immortal God Realm.

A seventh-stage immortal God could defeat a peak ninth-stage true God with his combat power. Could it be that he couldn't deal with him?

But reality was cruel.

Ye Chen's combat strength had far exceeded his imagination.

He had used all his strength but was still unable to get rid of ye chen. This was simply unbelievable.

However, the truth was right in front of him, and he had no choice but to believe it.

"Damn it, damn it, how is this possible, how is this possible?"

Tuoba Yun's face was extremely gloomy as he growled in his heart.

With his fifth-stage true God cultivation base and his unparalleled heaven-defying combat strength, he was still unable to defeat ye chen?

What kind of monster was this ye chen?

It was impossible.

Ye Chen's cultivation base was clearly only at the seventh level of the immortal God Realm. It did not make sense that a seventh level immortal God could be so powerful.

"Kid, I admit that you're strong, but you forced me to use my ultimate move. You're dead."

Tuoba Yun said suddenly.

He still had one more move. It was his ultimate move, and its power was incomparably terrifying.

If he were to use it, it would not be a problem to instantly kill a peak stage nine true God expert.

"A unique skill?"

"That's right. I remember that Tuoba Yuan had once fought with a peak stage nine true God expert. They were evenly matched and he suddenly got rid of that expert!"

"It seems like Tuoba Yun still has some secret techniques."

"Although ye Chen's combat power is extremely strong, his cultivation base is still too low. He's no match for Tuoba Yun."

"I'm finished. "

"He's dead. "

Everyone said one after another.

Tuoba Yun had not used his ultimate technique yet.

The power of this ultimate technique must be earth-shattering. It was an unrivaled ultimate technique that was enough to kill ye chen. Otherwise, Tuoba Yun wouldn't have been so confident.

"How about this, it's not too late for you to kneel down now. If you don 't, you will die for sure."

Ye chen was getting impatient and said coldly.

Silence.

The space was silent.

What?

What did he just say?

What did ye chen say?

Everyone present thought they had heard wrong.

What did he just say? He wanted Tuoba Yun to kneel down, or else he would be dead for sure.

Everyone's mouth and eyes were wide open. They did not know why ye chen had the courage to say such things.

Didn't he know that Tuoba Yun had other ultimate techniques?

Besides, even if Tuoba Yun didn't have any secret art, he could at most fight with Tuoba Yun, but he couldn't defeat him.

"Good, very good. Brat, your savagery has really opened my eyes!"

Tuoba Yun was so angry that he laughed. He was ranked 9300th on the list of 10000 talents, and he had a terrifying combat strength.

He was actually being looked down upon by a seventh-stage immortal God Realm ant.

The other party was simply courting death!

"Since you want to die, I'll grant you your wish, eye of the heavenly demon!"

Tuoba Yun roared. In the next moment, an eye suddenly opened on his forehead, emitting a terrifying pressure.

"Die!"

BOOM!

A blood-red ray of light shot out from the heavenly Demon's Eye and headed toward ye chen.

The power of this ray of light was extremely terrifying. It made everyone's hair stand on end. It was too terrifying. Too terrifying.

Would ye chen be able to withstand this attack?

Although this beam of light was not earth-shattering, it gave everyone the feeling that it was impossible to avoid.

It was as if he had been locked in place, and it was extremely terrifying.

"He's indeed very strong. "

Ye chen felt as if his body was locked in place by a strange force, as if he could not move.

The heaven's pride experts of the mysterious sky Starfield were indeed much more powerful than the heaven's pride experts of the wasteland region.

There was simply no way to compare them.

The most powerful heaven's favorite in the wilderness region was at the level of the ancient capital Tianhao. His battle prowess could match a stage seven true God.

And the heaven's favorites from the mysterious sky Galaxy were just normal heaven's favorites, not peerless.

This Tuoba Yun was definitely not a peerless heaven's favorite in the Tianxuan Galaxy. He could only be considered an above-average heaven's favorite.

Even so, Tuoba Yun's fighting power was enough to kill a peak stage nine true God.

This kind of battle prowess was already infinitely close to that of a God King.

It was extremely shocking.

"He's finished. "

"This kid is dead for sure."

"The power of this attack is too strong. He can't possibly block it!"

"Yeah, he's dead for sure. A peerless heaven's favorite has fallen just like that."

Everyone chimed in one after another, feeling pity for ye Chen's stupidity.

If ye chen did not make a threat and ran away, Tuoba Yun would not be able to stop him even if he used his secret technique.

After all, the combat power ye chen had displayed was already extremely shocking.

However, ye chen had a death wish. He wanted to go head to head with Tuoba Yun's ultimate technique.

If this wasn't seeking death, what was?

"Good!"

In the next moment, ye Chen's actions shocked everyone.

Ye chen held the myriad destruction Broken Sword in his hand. He suddenly raised the divine sword in his hand and then slashed down heavily.

BOOM!

Streaks of violent lightning streaked across the area and then gathered on the sword Qi, erupting with unparalleled power.

Even the space was torn apart, revealing countless spatial cracks.

"What?"

When everyone saw the power of this attack, they couldn't help but be shocked. How was this possible? The power of this attack far exceeded the combat power ye chen had displayed before?

"BOOM!"

The sword Qi and the blood-red light collided in front of everyone's shocked eyes.

Then, without a doubt, the sword Qi easily destroyed the blood-red light and charged towards Tuoba Yun.

"What?"

Tuoba Yun was in disbelief. His ultimate technique was broken just like that?

How was that possible?

"Block it! Block it! Eye of the heavenly demon!"

Tuoba Yun frantically activated the eye of the heavenly demon on his forehead. "Xiu, Xiu," rays of blood-red light burst out in an attempt to block the sword Qi.

p However, it was useless.

His blood-red light was no different from trash in front of this sword Qi. It was easily destroyed.

"Aahh!"

Tuoba Yun was cut in half by the sword Qi and exploded into a cloud of blood mist.

An immortal force prevented Tuoba Yun's body from reforming. Of course, Tuoba Yun's combat strength was too high, so he could still reform his body.

"No, no, ye chen, please spare me, spare my life!"

Tuoba Yun cried out in pain. He could already feel how terrifying ye chen was. If this continued, he would die without a doubt.

"This ..."

When everyone saw this scene, they were all dumbfounded and tongue-tied.

No one had expected ye chen to be so powerful.

[Chapter 2600 2605-Crisis!](#)

Ye Chen's combat strength had far exceeded their imagination.

Ye Chen's cultivation base was clearly only at the seventh level of the immortal God Realm. How could he be so powerful?

He had defeated Tuoba Yun!

Everyone's mouths were wide open, each and every one of them dumbfounded and tongue-tied. The shock in their hearts simply couldn't be described with words.

It was too shocking.

It was simply shocking to an unbelievable degree.

Ye Chen's cultivation base was only at the seventh-level of the immortal God Realm. Yet, he was able to defeat Tuoba Yun. What did this mean?

This meant that ye Chen's combat strength had already reached the first tier of Godking.

It was too unbelievable.

Tuoba Yun's combat strength was infinitely close to the first tier of Godking realm when he used his secret technique. However, such a powerful existence was easily defeated by ye chen.

Then, how strong was ye Chen's combat power?

It was simply unheard of!

"We were wrong."

"This man is definitely a peerless genius on the list of 10000 talents!"

"No, his cultivation hasn't entered the second stage of the true God Realm yet. Therefore, he's not a heaven's favorite on the list of 10000 talents."

"When he steps into the stage two true God Realm in the future, he will definitely be at the top of the list of 10000 talents!"

"That's right, this kind of combat strength is simply heaven-defying. "

Everyone sighed. They had never seen such an abnormal heaven's favorite.

He had defeated Tuoba Yun with a cultivation base at the seventh level of the immortal God Realm. He was no longer a human. Even the Supreme talents of the powerful races in the Tianxuan Galaxy could not be compared to him.

For example, the peerless geniuses of the Dragon race, insect race, undead race, heavenly Fiend Race, and other races couldn't be this powerful even at the seventh-level immortal God Realm.

Ye chen was just a human. How could he have such a powerful combat strength?

This was simply heaven-defying.

"Tuoba Yun is just so-so,"

Ye chen sneered.

He had just used the dagu Thunderbolt to defeat Tuoba Yun easily. If he were to use a godly King weapon, he would definitely be able to kill Tuoba Yun in an instant.

All in all, ye Chen's current combat strength was already extremely abnormal.

He might even be able to fight against a true first level Divine King.

Of course, it was only a single battle. It was impossible for him to defeat a first level Divine King with his current strength.

However, ye Chen's cultivation base was only at the seventh-level of the immortal God Realm.

This was heaven-defying.

After ye chen became a true God, it would not be impossible for him to fight a fifth-level Godking.

"Tuoba Yun has been defeated."

"Tuoba Yun was actually defeated."

Everyone's eyes were filled with complicated emotions.

In particular, the white-robed young man who had tried to persuade ye chen to leave was now even more dumbfounded and tongue-tied.

He had never expected ye Chen's combat power to be so powerful.

It was heaven-defying.

He was well aware of Tuoba Yun's combat strength. However, such a powerful man had been defeated by ye chen.

Then, how strong was ye Chen's combat power?

He didn't dare to imagine!

"Tuoba Yun, I'll spare your life today. Now get lost!"

Ye chen let go and Tuoba Yun flew backward. His body reassembled but his eyes were filled with fear. He didn't dare to say anything more. He immediately turned into a stream of light and escaped.

In his eyes, ye chen had become a nightmarish existence.

It was too terrifying. Even the eye of the heavenly demon was easily destroyed.

Ye chen was a freak.

"This is heaven-defying."

As they watched ye chen sit cross-legged and cultivate the immortal God Realm, everyone realized that ye chen was only at the seventh-level of the immortal God Realm, but he had already comprehended the immortal God Realm to the first stage.

Everyone's mouth was wide open, and they were all petrified.

What kind of talent was this?

However, although everyone was shocked, ye chen was not satisfied.

This was because he was going to battle Luo he in half a year.

Luo he's strength was said to be able to kill a mid level Divine King. In other words, Luo he had killed a fourth level Divine King expert.

This was extremely shocking.

Luo he's cultivation was only at the first level of the divine King realm, but she was able to kill a fourth level Divine King. With such strength, she was worthy of being ranked in the 8000s on the list of 10000 talents.

Of course, the list of 10000 talents was only ranked according to the degree of monstrous talent. If it was really based on combat strength, many heaven's favorites at the ninth level of the true God Realm were not Luo he's match.

Hence, this opponent of Luo he's was extremely powerful.

With ye Chen's current strength, he was far from being Luo he's opponent. He would probably be killed in one move.

"Stronger, I have to become stronger. I have to raise myself to the true God Realm in at least half a year!"

Ye chen had to become stronger.

If he didn't become stronger, he would definitely die in half a year.

Of course, he was also quite confident. Although Luo he was powerful, she was not so powerful that she had exceeded his imagination.

Especially after ye chen had come to the Tianxuan Galaxy and met many of the Tianxuan Galaxy's prodigies, he felt that Luo he was not invincible.

However, the problem was that ye Chen's current cultivation base was too low.

He had to improve his cultivation as soon as possible.

"Right, this place contains the mysteries of the undying God domain, I can also train in the ancient lightning and other secret techniques."

Ye Chen suddenly had an idea. Although this was the immortal divine mountain, he could still cultivate other secret techniques.

Although his undying God domain had improved, it was still a long way from breaking through to Rank 2.

Therefore, he decided to cultivate the ancient lightning.

Boom, boom, boom!

Bolts of lightning that were tens of thousands of feet long descended from the sky.

Ye Chen was constantly cultivating the ancient thunder.

At this moment, something happened.

Boom! Boom! Boom!

An extremely terrifying energy shook the heavens and earth, filling the world as if a Supreme Divine King had attacked Ye Chen.

"Not good!"

Ye Chen's eyes shot open. In a flash, he disappeared into the distance.

"Evil creature, you want to escape?"

BOOM!

Tens of millions of cracks suddenly appeared in the space. Then, all of these cracks collapsed, and a huge hand appeared.

This giant hand was bronze in color. It grabbed at Ye Chen's direction.

Wherever the giant hand passed, the space exploded and turned into nothingness.

"It's the elder-level powerhouses of the Shengling sect!"

"It's actually the experts of the Shengling sect!"

"This is going to be interesting!"

Everyone was shocked and quickly retreated to avoid being affected by the giant hand.

Even so, some of them who were slow to retreat still screamed as their bodies exploded. If they hadn't reached the true God level and had strong vitality, they could still have been reconstructed.

Otherwise, they would have died on the spot.

"Damn it! The elders of the shengling sect have made their move?"

Ye chen felt that he had been completely locked down by the giant hand.

The power of this giant hand was too strong. It wasn't something he could contend with at the moment. Even if he was a hundred times stronger, he might not be a match for this giant hand.

A peak God King expert.

Without a doubt, this was at least a peak Divine King expert making a move.

The elders of the shengling sect were at least at the peak of the God King stage.
