Medical Genius Unspeakable Marriage Chapter 3841

First Hospital, District 3.

The otherwise serious setting was broken by a sudden burst of laughter.

“Unbridled!”

Ma Bangde bellowed angrily.

Eventually the swordsmen looked at you and I looked at you.

Eventually all eyes fell gathered together.

On the ground, Lin Mo’s body kept trembling.

Luo Liang operated so that he just couldn’t shut up anymore.

“Hahahaha!”

After Lin Mo got up, he laughed with his belly.

Seeing everyone staring at him.

Lin Mo waved his hand with an apologetic face.

“Sorry, I really couldn’t hold it in.”

After laughing for a while, he laid back down on the ground again.

“Little old brother, you have to believe in yourself, go for it.”

After Lin Mo had given Luo Liang an encouraging look, Fu lowered his body.

Adjusting to the exact same position as before, he continued to pretend to be dizzy.

The corners of Ma Bangde’s eyes only twitched as he watched Lin Mo do this.

This was rubbing his IQ on the ground!

“Take him down!”

At the order, several swordsmen swarmed on him.

Lin Mo’s actions just now had really P*ssed them off.

He was so reckless, completely ignoring their Blade Sect.

In a flash of coldness, several large swords fell in unison.

Their purpose was clear, not to ask for Lin Mo’s name, but to break up his arms and legs and hand them over to the sect master for dispatch.

Several of them attacked very trickily and there was no possibility of dodging.

It was at this critical moment when blood was about to be seen.

Lin Mo's figure suddenly swayed strangely.

Ka-ching!

The marble floor shattered directly as the large blade fell.

The pupils of the several swordsmen shrank.

There was no Lin Mo's figure in front of them.

Just as they were puzzled and amazed, a commotion rang out behind them.

"Old brothers, you guys can't do it either!"

"Even if you don't have enough strength, your accuracy is still so bad!"

The constant shaking of heads was coupled with expressions of contempt.

The knifemen's anger rubbed off on their brains directly.

"Brothers, chop him up!"

Several people drew their swords and rushed towards Lin Mo once again.

The speed of their swords became even faster.

The coordination between each other was even more incomparable.

Although Lin Mo dodged the first attack, the next slash had already fallen.

The successive blades were like dense raindrops, never ending.

As he watched, Lin Mo was tired of dodging.

The leader of the swordsmen narrowed his eyes, ready to deal him a fatal blow.

It was now!

"Give me death."

The leader's eyes lit up as he found a break.

The large blade in his hand fell straight down with the force of a tarzan.

However.

Although this slash was fast, Lin Mo twisted his body extremely hard and managed to dodge it.

The big knife landed on the ground.

There was no bloodstain.

Only a corner of his clothes was left on the broken marble.

“D*mn it!”

Lin Mo’s back was pressed against the wall and he kept breathing heavily.

The front of his forehead was even covered with beads of sweat.

A few swordsmen looked at each other and smiled, their faces smug.

The man in front of him was clearly at the end of his tether.

It was only a matter of time before he was taken down.

“Kid, to be able to resist for so long under our sword formation, you are quite capable.”

“However, today you will definitely die.”

Before the words left his mouth, several people once again surrounded him.

Not giving Lin Mo a single chance to catch his breath.

Blades staggered!

Lin Mo was still trying his best to dodge.

But the more the Daoists fought, the more annoyed they became.

This kid in front of him seemed to be a mud fish.

It was clear that a few of his slashes were close to hitting, but they were just dodged with great effort.

In the end, they could only cut their clothes and cut their trouser legs.

And every time when they thought Lin Mo had exhausted himself, he became alive again, as if he had suddenly received a shot of chicken blood.

Such a formality made several of the swordsmen incomparably stifled.

It was as if there was a great beauty within reach in front of them.

But when he raised his hand, the beauty immediately took two steps back.

Unreachable and unbearable!

When his heart was in turmoil, the original smooth rhythm was flawed.

Several of the swordsmen themselves did not realise that their breathing had begun to thicken.

Medical Genius Unspeakable Marriage Chapter 3842

“That was close, it almost hit me!”

Lin Mo shouted as he dodged and pranced.

“This slash, it was very good, it almost forced me into a desperate situation.”

.....

"I can't, I have no more strength!"

.....

"No more fighting, no more fighting, I really don't have the strength."

.....

After a long time.

The originally raging Daoists were now leaning against the wall, their heads and faces red as they panted heavily.

Sweat filled faces kept slipping down.

Lin Mo blinked his eyes and said with a serious face.

"This time, this time I really don't have the strength!"

The swordsmen were unmoved and just waited angrily for Lin Mo.

They were the ones who had really run out of strength.

Although the big swords were extremely powerful in killing, they were also equally very physically exhausting.

"I swear, I really don't have the strength this time."

"Don't believe me? Look at my feet going weak, I'm down, down!"

Lin Mo said, slowly sliding down against the wall.

Blade Runner: "....."

Old me believed you!

Knowing that at this moment they finally reacted.

From the beginning until now, the other party was just teasing them.

Lin Mo saw several people's eyes on fire, but they didn't move, and helplessly slumped down.

"Tsk tsk, you guys can't do it either."

"Not too old, why are you so unsustainable?"

"That's it?"

The contemptuous stares stung the swordsmen's pride deeply.

The leader, the swordsman, was so angry that his lips trembled.

"I'll go to your dam!"

He cursed and threw the knife in his hand with all his strength.

At full strength, he could not even help Lin Mo.

Not to mention the fact that he was still in a state of exhaustion.

Facing the oncoming sword, Lin Mo raised his hand carelessly.

With a light grip, the greatsword was locked in place with five fingers.

“Soft and weak, you’re a p*ssy, aren’t you!”

“Even pussies have more strength than you.”

Lin Mo casually flung his hand and the greatsword clanged, dropping to the ground.

The swordsman’s eyes were full of blood.

Ah!

It was so infuriating!

Not to mention how strong this kid was.

The key was that this mouth was too broken!

“How dare you bully me!”

Several large swords were thrown out together.

Lin Mo dodged and dodged a few times, easily avoiding them.

“Hey, hey, you missed!”

The swordsmen looked at Lin Mo’s indebted smile and were so angry that their veins burst out.

Your leader in particular raised his hand shivering and pointed at Lin Mo.

Before he could open his mouth.

The leader then felt a fishy throat and a stream of blood spurted straight out.

With a face full of anger, he fainted unwillingly on the ground.

On the side.

Ma Bangde just watched quietly throughout.

Even though he knew right from the start that his men were being completely teased by Lin Mo.

He didn’t say a word either.

Until the farce was over.

“Your Excellency, with your extraordinary skills, you don’t have to tease these few untalented men of mine!”

Ma Bangde asked in a deep voice.

The aura around him rose, and the entire room was instantly covered with a solemn aura of murder.

Luo Liang, who was staying at the side, felt his breath stagnate.

It was as if someone had pinched his throat.

Lin Mo shrugged his shoulders, clouded.

“It’s been a long time since I’ve done it, just moving my shins.”

“You have a good eye, these few swordsmen, very brave”

After speaking, he quietly looked at this legendary figure of the Blade Sect.

Before, in order to save trouble.

He deliberately pretended to faint in front of Luo Liang, in order to meet Ma Bangde directly.

What he had done himself, Lin Mo would naturally not shirk.

But the Sea Waves Gang wanted to dump the pot on his head.

That was thinking of fart-eating!

Ma Bangde’s face was pensive.

Just now, his swordsman had fought with him and had tested out part of Lin Mo’s strength.

He was very strong!

Not weaker than himself, maybe even stronger.

After calculating in his heart for a while, Ma Bangde finally gave up his intention to make a move immediately.

His own son was right behind him in the ward.

If a fight broke out here, it would probably spread to him.

Most of all, what Ma Bangde was more worried about was Lin Mo’s mouth.

“Your Excellency, coming here, you wouldn’t just want to warm up, would you?”

Ma Bangde asked tentatively.

“That’s not true, actually I’m here to settle a misunderstanding!”

Medical Genius Unspeakable Marriage Chapter 3843

Within the hospital.

Lin Mo reverted to what had happened with a serious face.

“Let’s be clear, it was your son who also came to my hotel looking for trouble.”

“Not only did he beat up my staff, but he also poisoned me with heart-etching herbs.”

He was naturally clear about what he had done to himself.

Just those dozens of big mouths had only slapped Matthews’ face swollen.

There was no way it could have caused internal injuries.

It was simply the Sea Wave Gang members who had struck the sky black that had caused Matthews to be half dead.

Lin Mo came here, naturally, not to goad the Knife Cult.

It was purely because he didn’t want to become a target for the Seawolf King to block his gun for nothing.

Ma Bangde’s brow was locked as he pondered in his heart.

If it was really his own son who had poisoned him, then the matter was indeed theirs to blame.

Of course.

The claim of being in the wrong was purely based on Lin Mo’s own great strength.

If not for that, Ma Bangde would have slapped him to death long ago.

“Now my son is in a coma!”

“This is all just a one-sided statement from your Excellency.”

Ma Bangde said.

Lin Mo nodded, “You have a point.”

“Then we’d better let the person in question speak!”

Saying this, he walked straight towards the guardianship room and pushed open the door.

He came to the hospital bed.

In the midst of Ma Bangde’s stunned eyes, Lin Mo raised his palm high in the air.

“b*****d, how dare you!”

Ma Bangde’s eyes widened as he hissed in anger.

Only he was still one step too slow in speaking.

“Slap!”

The crisp slap landed solidly on Matthews’ puffy face.

This

Luo Liang looked at the horrifying scene in front of him and was directly stunned.

How dare he!

To hit the young master in front of this godfather.

This is completely tired of living!

As expected.

When Ma Bangde saw his son being slapped, he could no longer restrain himself.

With a flip of his hand, a large sword glowing with blood suddenly appeared in his hand.

“You’re looking for ……”

Death, before the words could come out.

Matthews in the hospital bed suddenly fluttered his eyelashes.

Seeing his son awakening, Ma Bond immediately put away his killing spirit.

“Xiu’er, how do you feel now?”

With full of concern, Ma Bond came over to the hospital bed.

Matthews opened his eyes loosely.

The moment he saw his father, his eyes flushed.

Tears fell unbidden.

Ever since he was a child, when had he ever been so aggrieved.

“Dad, you have to avenge me!”

“Those b*****ds from the Sea Waves Gang, you must get them killed for me.”

“And that unworthy Molin, he slapped me dozens of times!”

“I was just dreaming that someone slapped me in the face.”

“Oooooooooooooooooo!”

Matthews bawled out when he thought about what had happened earlier.

It was too D*mn suffocating.

And when he turned his head, he found that there was someone else beside the hospital bed.

“Dad, who’s this guy? Why do I feel a bit familiar.”

Lin Mo grinned, two hundred big white teeth showing through.

“I’m the one who shall not die well, Mo Lin.”

“Besides, you weren’t the most dreamy just now!”

“I was the one who slapped you awake, no thanks.”

Don't say it!

This Matthews' fat face was a real treat to slap!

Matthews froze for a moment, seemingly because his brain was traumatised, and didn't react for a moment.

The next second.

His pupils flinched and he obviously thought of something.

“Crap!”

The originally weakened man was instantly struck with chicken blood.

With a carp, he dodged behind Ma Bangde with a swift movement.

Obviously, Lin Mo's previous big mouth had left an extremely deep psychological shadow on him.

“Dad, it's the b****d, get rid of him!”

He had never expected that Lin Mo would come after him to the hospital.

Without making a move, Ma Bangde twisted his head and asked.

“The poison of the Heart Eroding Herb, did you do that?”

Matthews' eyes dodged, but he immediately shook his head.

“Dad, it's not me, I didn't, don't listen to this kid's nonsense.”

How could he possibly admit to this.

Medical Genius Unspeakable Marriage Chapter 3844

Lin Mo was not surprised by such a reply from Matthews.

On the contrary, Lin Mo just laughed.

“Young Master Matthews, you're really naughty.”

With that, he raised his hand and reached for his waist, slowly pulling out half a bottle of half-summer wine.

“You haven't finished the liqueur from your visit to our shop, so I brought it back for you.”

Matthews shivered, not daring to meet Lin Mo's eyes at all.

“Don't you talk nonsense, this wouldn't be for my consumption.”

Matthews was clear about his father's character.

Although he doted on himself a million times, there were some bottom lines that he could not touch.

A man who cultivates swords values righteousness above all else.

He would not tolerate the abuse and poisoning of people.

Matthews had already made up his mind to deny it.

It was hard to believe that Lin Mo would still dare to show off in front of his own father.

“Naughty!”

Lin Mo laughed and held up the cork of the bottle.

“In that case, do you dare to take a sip, Young Master?”

“On what grounds, how do I know if you’ve poisoned the wine to harm me.”

Matthews didn’t even have time to finish.

Without saying a word, Lin Mo tilted his head and directly poured in a few sips.

This action had clearly proved that there was no poison in the wine.

“No, it’s your turn!”

Matthews froze.

Although he didn’t know why Lin Mo was immune to the Heart Eroding Herb.

But he was clear that he certainly didn’t have the ability.

“Dad, get rid of this madman!”

“I’m badly injured, and this madman is forcing me to drink!”

“Dad, hurry up and help me get rid of him!”

At this moment, he could only pin his hopes on his own father.

Ma Bangde wasn’t stupid.

From the way he had just behaved, he had basically confirmed it.

His own son had indeed poisoned him first.

Ma Bond was furious, but in front of outsiders, he suppressed it.

“Mr Molin, my son was rude in this matter first.”

“When Xiu’er recovers, I will bring him to the door to make amends!”

Lin Mo snorted and swung his arm.

“Children, it’s inevitable that they make mistakes, just as long as the misunderstanding is cleared up!”

“Mr Mo is generous!”

Ma Bangde arched his hand.

He was in the wrong in this matter, plus Lin Mo had an extraordinary reach, he was not even sure of taking it down.

Right now, it was naturally best to make a big deal out of a small one.

“You’re welcome, I don’t have any other qualities, I’m just broad-minded.”

Lin Mo returned with a good deal of self-effacement, and then came back up to the father and son.

“Sect Master Ma, this Sea Wolf Gang almost killed your son, can you tolerate this?”

“I couldn’t have put up with it if I had to!”

The corners of Ma Bangde’s mouth twitched.

Was this lad so intolerant of compliments?

“Sect Master Ma, let me tell you haha, that old Bideng, the Sea Wolf King, even discussed with me about cooperating to get your Blade Sect killed.”

“This matter, I’m not picking blind at all, I can swear to the gods.”

After saying that, Lin Mo blinked his big eyes, full of sincerity.

I, Lin Mo, am an atheist!

When I say I’ll swear, I’ll do what I say!

Over here, Ma Bangde was just about to open his mouth.

Then a sneeze came from outside the door.

“Chewie!”

The main door pushed open.

The Sea Wolf King doppelganger rubbed his nose and walked in.

The first time he learned that Lin Mo had been brought here to Ma Bond, he dared to come over.

He couldn’t pinpoint Lin Mo and was afraid that the matter of the Crystal Skull would leak out.

“Nephew, unharmed, how wonderful!”

The Sea Wolf King began to test the waters through the words of a concerned Matthews.

Ma Bangde snorted coldly.

“We appreciate the kindness of the Sea Wolf Hall Master.”

He said as he narrowed his eyes slightly.

“Sea Wolf King, your strength is quite a lot!”

Regarding the matter of splitting, Ma Bangde was naturally clear about it.

He had even openly mocked the other party's greed for life and death before.

The Sea Wolf King let out a bitter smile, "Recently, my cultivation has gone awry and I have suffered a small injury."

At the thought of this, he was also tearless.

Two of his own doppelgangers had died one after another at the hands of Lin Mo.

It had indeed injured the main body.

Medical Genius Unspeakable Marriage Chapter 3845

The Sea Wolf King subconsciously skimmed at Lin Mo as he thought of the stifling pain in his heart.

Seeing the latter's unintentional smile.

His heart was startled, and he only felt that something was not good.

"Old Brother Sea Wolf, what a coincidence!"

Lin Mo snorted a greeting and unceremoniously reached out with a hook, resting on the Sea Wolf King's shoulder.

Such an intimate move directly stunned the others present.

If we talk about strength, the Sea Wolf King's strength could be in the top ten of the three regions.

He was also the Lord of the Sea Wolf Hall, with a high status.

He was also known for his venomous and insidious actions in the Three Regions.

However, such an existence was actually being held by a Lin Mo on his shoulder, and not only did he not look the least bit angry.

He was even making amends and smiling.

"Mr. Molin, what a coincidence indeed!"

What a coincidence!

I just came after you.

Of course, the Sea Wolf King could only curse in his heart at these words.

There was no way out of having the handle in someone's hands!

Matthews rubbed his eyes, unable to believe the scene before him.

This was a great man who was on a par with his father.

Now he was like a quail.

The main thing was that this Lin Mo's was just a brat.

What virtue could he have to make the Sea Wolf King treat him like this.

Just as he was getting upset, he saw that Lin Mo was waving his hand towards him.

"Older brother, didn't you discuss with me before how to deal with the Sea Wolf King?"

"Now the Sea Wolf King is right in front of us!"

"Come on, let's combine our efforts to get rid of him!"

The Sea Wolf King didn't even have time to react when he suddenly felt a pain in his shoulder.

In full view of everyone, Lin Mo had directly pinned the Sea Wolf King to the ground with a small takedown.

"Old Brother Matthews, what are you waiting for, hurry up!"

"Give this old Bideng a slash!"

When he had finished.

The scene fell into a dead silence.

Matthews' scalp even tingled!

The Sea Wolf Temple and the Knife Sect had always been at odds.

But all conflicts and plots were done in secret.

Even if they wanted to exterminate each other, it was impossible to put it out on the stage.

"Cough cough!"

Ma Bangde coughed, breaking the awkward atmosphere.

"Oh, Brother Molin, what a humour!"

"Our Blade Sect and the Sea Wolf Temple are in love, how could we possibly plot against the Sea Wolf King brothers."

Seeing this, the crowd followed suit and laughed awkwardly.

Lin Mo smashed his mouth and eventually let go of the Sea Wolf King.

"Just kidding!"

"Old Brother Sea Wolf King, you shouldn't be angry!"

Sea Wolf King: "....."

If he couldn't fight, he really wanted to sac Lin Mo to death with a slash.

This kid, he was too indebted.

In front of so many people, he had held himself down on the ground.

The old face was lost.

“Oh, not angry!”

Smiling on his lips, mmp in his heart!

The Sea Wolf King had already made up his mind.

As soon as the Crystal Skull matter was dealt with, the first thing he would do was to get Lin Mo killed.

Even if it was paired with the real Sea Wolf Hall, he wouldn't hesitate.

“I told you so!”

Lin Mo helped the Sea Wolf King drain the dust from his body over and over again, his mouth having broken up.

“A bunch of goons!”

“Obviously wanting to f*ck each other to death, but still so hypocritical with their mouths.”

The muttering was loud!

Anyone who was present could hear it clearly.

Holy f*ck!

Ma Bonder clenched his fists, and the greatsword behind his back had begun to tremble.

He wanted to kill someone!

Lin Mo took it all in and shook his head in contempt.

“Let's go, it's really boring!”

“Old Brother Sea Wolf King, when you get married, remember to call out to me haha!”

“Nuo, I'll just follow the gift first!”

After saying that, he clasped his hands to his head and left the place alone.

The original place.

The Sea Wolf King looked at the Half Summer Wine that was only half a bottle left in his hand, and his face was incomparably gloomy.

“D*mn it!”

When Ma Bangde saw him so angry, he could not help but have doubts in his heart.

” Sea Wolf King, why are you so angry?”

The Sea Wolf King snorted coldly.

“Earlier, I was the one who fell for this brat’s trick and finished this half bottle of half-summer wine.”

“I hate that this brat is shameless, he even put poison in the wine and destroyed one of my doppelgangers.”

At these words, Matthews was as if he had been struck by lightning.

Dumbfounded, he froze in place.

Medical Genius Unspeakable Marriage Chapter 3846

“Templar, are you sure you’ve finished drinking?”

Matthews said with a glimmer of hope.

The Sea Wolf King nodded silently, “There’s not a bit left.”

Boom!

Matthews only felt his brain buzzing.

He himself had actually been brushed aside by Lin Mo’s little trick.

And he had even revealed his low in front of his father.

“Sect Master Ma, is this nephew’s illness again?”

The Sea Wolf King couldn’t help but ask with some worry when he saw Ma Xiu’s abnormality.

“No harm!” Ma Bangde returned coldly.

The two of them climbed into conversation after a while.

The Sea Wolf King also did not hesitate to hand over his men King Bomb.

If it wasn’t for this foolish man how would he have gotten himself into trouble with the Blade Sect and had a doppelganger destroyed by Molin.

Plus two mines.

Both sides shook hands and made peace.

“Sect Master Ma, I have fought with this kid Molin, but I am no match.”

Hearing this, Ma Bangde nodded in acquiescence.

The Sea Wolf King continued, “Keeping him is a curse after all!”

“We should probably do something about it!”

A murderous look flashed in his eyes as he finished speaking.

There was still a week to go before the big wedding day.

By then, it would be Maureen's time to die.

Holding back was merely a way to better exterminate.

"I'll save it!"

"Sect Master Ma, then I will take my leave!"

The two of them arched their hands in farewell, where there was still a semblance of an enemy.

Waiting for the Sea Wolf King to leave.

Ma Bangde snorted coldly.

"Stand up for me!"

"Others are merely using a bottle of the family's liquor and being teased you together."

"With such a mentality, how can you take over my sword religion in the future."

Matthews was reprimanded and slowly got up with his head bowed, disheartened.

A severe beating, a teasing, had completely shattered his pride.

He knew his son as well as his father.

Ma Bond took one look and knew that Matthews was badly beaten.

"You must remember that there is always some power in one man."

"No matter how strong that Maureen is, in front of the 50,000 swordsmen of our Blade Sect, he is just a mantis."

"Do you ever understand?"

These words hit Matthews straight in the heart.

Yes, when any is exhausted.

The 50,000 swordsmen would be his strongest reliance.

"Father, I understand!"

Matthews looked up again, the light in his eyes overflowing.

Ma Bond nodded in relief.

"It's good to know shame and then be brave!"

"Get well, and don't use those underhanded tactics next time."

Matthews was secretly relieved to see that his father would not pursue the matter.

"Yes, father!"

"Besides, this Maureen looks insane, but in reality her intentions are extremely deep."

Marbond glanced at the leader of the swordsmen on the ground in the end, his frown deepening.

“He wants to stir up the three districts, and this is something you should be extremely careful of.”

“As for the Sea Wolf King’s bullsh*t you don’t need to listen to it, hiding in the shadows out of the rat, it’s unlikely he’ll do anything great.”

Ma Bond walked out of the ward with his hands behind his back.

“Xiu’er, the water in the third ward is very deep, you still have a lot to learn!”

The footsteps faded away, leaving a long sigh.

Matthews was left alone in his place, his eyes pondering.

.....

Downstairs.

Lin Mo was preparing to leave.

The Seawolf Temple members stationed around here immediately surrounded him.

“Kid, stand still!”

“You’re the one who set up my sect brother Wang Fry, aren’t you?”

The leader, Wang Fry’s good buddy, Zhang Xiang, clenched his fists and stared at Lin Mo with an angry expression.

“Oh?”

Lin Mo looked up and smiled faintly.

“So what if it’s me, so what if it’s not me?”

Facing tens of thousands of his opponent’s companions, he didn’t show the slightest bit of fear.

Instead, he looked at the other party with a playful expression.

For a moment, the entire intestinal surface immediately stirred up.

“Gra*s, this kid is too arrogant!”

“Brother Xiang, let’s get rid of him!”

“Daring to call the shots with our Sea Wolf Temple, he really doesn’t know how to live or die.”

The crowd was screaming.

With only a command from Zhang Xiang, they were going to hammer Lin Mo into mush.

“Oh ho!”

Lin Mo looked at the fierce and vicious Sea Waves Gang crowd in front of him with interest.

“If you guys say that, I’ll be lying on the ground”

Medical Genius Unspeakable Marriage Chapter 3847

Downstairs in the hospital.

Lin Mo was, after all, a man of his word.

In front of this crowd of Seawolf Temple members, he even laid down slowly on the ground.

“Er”

This operation immediately gave the entirety of the Seawolf Temple wouldn’t.

The man who is the most important person in the world.

“Kid crazy is not, touch porcelain touches our head.”

“All let him, I’ll give him a kick.”

“Yes, hammer him to death!”

Zhang Xiang moved his muscles and lifted his big forty-three yard shoes.

No one noticed that a figure came flying from beyond the crowd.

Ah!

A miserable scream.

Zhang Xiang rose into the air like a cannonball.

When his men saw their boss being beaten up, they immediately lifted up their sleeves.

“Who the heck, dares to touch my Brother Xiang, Amount, Hall Master!”

The Sea Wolf King’s eyes swept the whole room with anger.

The crowd, like quails, shrank their necks and subconsciously took several steps backwards.

The consequences of the Hall Master’s anger were severe.

“Mr. Molin are you alright!”

A smile squeezed out of the Sea Wolf King’s face.

He looked at Lin Mo who was on the ground with his hands propped up on the stone steps and only felt a headache.

He had managed to get out of it so easily.

It was surprising that his men had messed with Lin Mo again.

And when the Sea Wolf King caught a glimpse of that unkind smile at the corner of Lin Mo's mouth, he knew that he was going to be in trouble.

As for the members of the Sea Wolf Hall present, their jaws were completely shocked at this moment.

This

Is this still our Hall Master?

Just this groveling attitude.

The crowd even saw the shadow of a dog's leg for a moment.

"The matter is not much of a big deal!"

Lin Mo twitched his foot, with a leisurely look.

"But your people scared me, I'm a timid person."

"Once you're scared, it's easy to babble nonsense, like Crystal woo!"

Lin Mo pushed the Sea Wolf King away and hurriedly wiped his mouth.

There was an unspeakable dislike in his eyes.

"There's something wrong with you, bah bah bah bah!"

"Mr. Mo, be careful what you say!"

The Sea Wolf King did not dare to act rashly, and could only laugh and compensate.

"It's our people who didn't do a good job on this!"

"You come here!"

Zhang Xiang had just been helped to his feet and was called to the Sea Wolf King before he had even gotten his breath back.

"Hall Master!"

Even though Zhang Xiang had a complaint in his heart, he could only meekly accept it.

"Apologise!"

What?

He thought he had heard wrong.

He was the head of the Sea Wolf Temple, and he was apologizing to a young boy in front of so many of his men.

"Old wolf!"

Lin Mo looked at the Sea Wolf King with a look of contempt.

"You can't do this either, your men aren't listening to you."

“There’s no guarantee that one day, they’ll dare to rebel!”

After saying that, Lin Mo shook his head with a tsk.

The Sea Wolf King naturally knew that his subordinates could not possibly have the guts to do so.

However, Zhang Xiang’s hesitation was indeed a refutation of his face as well.

This was the point where a major taboo had been committed.

“Since he has a stiff back and cannot bend down, you guys help him!”

The words fell to the ground.

Zhang Xiang’s body trembled slightly and was so frightened that his face turned pale.

“Hall Master, my subordinate knows that he is wrong!”

At this moment, he suddenly remembered the fear he had been dominated by the Sea Wolf King.

The other men did not dare to hesitate.

Two men stepped out from the crowd and raised their hands to deliver a steel rod.

Click.

The spine snapped.

Zhang Xiang didn’t even have time to scream, before he felt a blackness in front of his eyes and fell straight down.

The Sea Wolf King’s face was grim as he held back the anger in his heart.

“Mr. Mo, I wonder if you are satisfied with this treatment.”

“It’s not bad!”

Lin Mo clapped his hands and slowly got up.

“Alright, I’ll go back first then!”

After this incident, a group of Sea Wolf Hall members were really intimidated, although they were puzzled by Lin Mo’s identity.

As Lin Mo passed by, the crowd immediately dispersed and made way for a passage.

Walking far away not, Lin Mo turned back with a smile and waved towards the crowd on this side.

The corners of the Sea Wolf King’s eyes twitched out and his face was red.

And what he didn’t notice was this.

Lin Mo who was leaving suddenly turned around.

Medical Genius Unspeakable Marriage Chapter 3848

“Brother Zhang Xiang, we are also following orders, I hope you won’t blame me!”

The two men chattered in a low voice.

The two then combined their efforts to throw a heavy sack into the river.

“Ai, the temple master has been getting more and more timid lately.”

“The Blade Sect has robbed us of an unknown amount of territory, and he doesn’t even dare to let out a single fart.”

“And is groveling to a hairy kid, is in a p*ssy!”

The other side of his companion’s face turned pale.

“Do you want to die, compiling the Hall Master behind you, do you want to go down to accompany big brother Zhang Xiang?”

A hint of fear flashed in the eyes of the complaining henchman as he thought of the methods of the Hall Master.

After muttering a few words in defiance, he walked away.

When the two of them disappeared here.

Several figures suddenly sprang out of the darkness.

Flutter!

The black shadows went to sleep and swam quickly towards the centre of the river!

A few seconds later, a human-shaped sack was dragged ashore.

.....

These days.

After what happened to Matthews at Mo’s Hotel, business was in the doldrums.

To the point that outside the hotel, there were many more strangers who began to quietly inquire around.

“Boss this week our books are completely in the red!”

“If this situation doesn’t change, our Mo’s may have to go bankrupt.”

An chased after the accounts book and poured out his grievances.

There was no business, the whole hotel was completely pure place, there was no revenue at all.

“Doesn’t the Tang family still have a big order for our Half Summer Wine over there?”

Lin Mo didn’t care much.

Sorry, I'm not interested in money.

Besides, they still had a \$50 million order from the Tang family on hand, so they didn't need to worry about it at all.

"But"

An Chaser was just about to speak when Lin Mo interrupted him with a wave of his hand.

"How's the matter you were asked to investigate?"

"The Sea Wolf King hasn't made any big moves these days, apart from preparing for the wedding."

At the mention of this, An Chou wanted to die.

The matter of the Knife Sect over here was still inconclusive.

His own boss, the good type, had something in mind for the Sea Wolf Temple again.

To this day, An Chou felt that they weren't running the hotel at all.

It was purely a frantic trial on the edge of death.

"Boss, otherwise we'd better run the two hotels properly."

"Sooner or later, our half summer wine will take over the whole Death Island."

Speaking here, An chased, so anxious that he was on the verge of tears.

In front of the Knife Sect and the Sea Wave Gang, their little Mo's Hotel wasn't even enough for them to stuff their teeth.

Why mess with them if you had nothing to do?

Lin Mo could appreciate An Chou's eagerness.

It was just that individuals had different abilities and naturally different pursuits.

"Boss, boss, something big is wrong!"

Lin Mo was about to comfort An Chou, when outside the office Gila rushed in in a hurry.

"Little Gila, what's wrong? Did someone come to cause trouble again?"

Gila bit her head and took a few breaths before she said in alarm.

"Matthews young Master Matthews is dead!"

Hmm?

This news came too suddenly.

Even Lin Mo was a bit caught off guard.

Once Matthews died, there was no telling what Mabundle would do.

Since that was the case, the plan would have to be adjusted.

Lin Mo frowned and pondered.

It seemed that someone was even more anxious than him.

Wanting to stir up the entire Third District.

“An Chaser, grab a group of administrators you can trust.”

“District Three, it’s going to rain heavily!”

Lin Mo finished speaking and directly got up to leave the hotel.

Perhaps through An Chou’s corpse, he would be able to find out traces of the murderer.

The panic-stricken An Chou nodded woodenly.

With Matthews dead, they, Mo’s Hotel, were bound to bear the brunt of it.

The outside world.

The news of Matthews’ death spread like a plague of locusts.

The real three districts, no matter how big or small, began to shrink their spheres of influence at once.

While the surface was unperturbed, behind the scenes the tide was already surging.

There was an impending storm.

The streets.

The hustle and bustle had disappeared.

There were occasional sporadic passers-by, and they were all spies sent out by the major powers.

As for the shops, there was no need to say anything.

As soon as they learned of the death of the young master of the Sword Sect, all the shops chose to close their doors.

The roads were quiet.

When the breeze passed, dust rushed to the sky.

When Lin Mo saw such a scene, he could only shake his head and sigh.

Although he had been stirring up the situation.

But the result in front of him was not what he wanted.

Walking and thinking.

Lin Mo soon arrived at his destination.

Without waiting for him to get closer, two large swords of nearly two metres were directly in front of him.

“No idle people allowed in!”

The sturdy man with iron pagodas stared coldly in front of him.

“The sect master has ordered that no one is allowed to enter the hospital.”

With that the blade turned and the large swords were interlaced.

“Those who trespa*s, die!”

Lin Mo did not back down.

He was here to investigate Matthews’ death.

“What if I must go in!”

The Tie Ta swordsman didn’t reply.

Just the killing aura around him already said everything.

Just as the two sides went toe to toe, a heavy voice came out of the void.

“Let him in!”

It was only at this point that the swordsman withdrew the large sword in his hand.

Into the hospital.

The staggered swordsmen guarded all the pa*sages.

The serious faces of the people, coupled with the blades everywhere, caused the air to freeze.

And the closer one got to Matthews’ ward, the more pronounced this feeling became.

The moment he walked into the ward, Lin Mo froze in his tracks.

Inside, apart from Ma Bond, there was only a corpse covered with a pendulum.

The previously spirited and self-effacing Ma Bond was now a completely different person.

There was not a trace of life to be seen on his haggard face.

The bloodshot circles of his eyes were filled with a look of despondency.

After not seeing him for a few days, the unbeatable Patriarch had now turned into a haggard old man.

The originally biting sword qi within his body was now incomparably mangled.

“Sect Master Ma, be merciful!”

Hearing the sound.

Ma Bangde raised his eyes stiffly, not a trace of vitality could be seen in his eyes.

“What are you doing here?”

Matthews’ pa*sing was like draining away his three souls and seven spirits.

Lin Mo opened his mouth, but he didn’t know what to say.

He had never been a father, yet he was infected by Marbond’s emotions.

“The great revenge of Matthews is still waiting for you to be avenged!”

The mention of revenge.

Marbond’s face finally wavered for a moment.

“Revenge?”

“To whom?”

“Should I kill you, or should I lose the Sea Wolf Hall?”

Marbond’s eyes darkened and he shook his head.

Both hands tucked into his tousled hair.

He didn’t have the strength to do anything at all, and just wanted to be with his last loved one quietly like this.

Lin Mo was momentarily speechless.

Before coming here, he had already anticipated countless scenes of Ma Bangde’s rampage.

The only thing he hadn’t expected was this despondent calmness right now.

“Can I take a look?”

Lin Mo skimmed at the corpse covered in a white cloth on the hospital bed.

When he saw that Ma Bangde did not reply, he had added a sentence.

“Perhaps I can find the cause of your son’s death!”

“So what if we find it?”

Ma Bangde gave a reply that Lin Mo had never expected.

Lin Mo frowned slightly.

This Ma Bangde was completely depressed and hurt, his heart was dead!

Faced with a major blow.

Some people would go berserk and lose their minds.

Some would sulk and lose their minds.

This Ma Bangde is clearly in the latter category.

It wasn't that he didn't want to take revenge, but that the will to die had completely invaded his consciousness.

"Sect Master Ma, you're tired, have a good sleep!"

Lin Mo reached out and gave a pat.

Bond did not give a light muffled sound, his eyes closed and he instantly passed out.

Lin Mo had saved Ma Bond by one.

If this went on for a long time, it was very likely that Ma Bond would go off the rails.

He might even not eat or sleep and boil himself to death alive!

Medical Genius Unspeakable Marriage Chapter 3850

After dealing with Marbond.

Lin Mo lifted the white cloth from Matthews' body.

However, after examining it carefully, Lin Mo's face instantly froze.

Even he could not find any possible cause of death.

There were no fatal internal or external injuries.

Just as he was dwelling on it, the door of the ward was suddenly pushed open.

The few swordsmen guarding the door, seeing that the ward had not moved for a long time intended to check the situation.

But as soon as they opened the door.

They then saw that Lin Mo had actually undone the young master's outer garment.

As for their Lord Preceptor, he was lying on a bench, unconscious!

How dare you!

The swordsman's eyes flashed red and he immediately drew his greatsword.

"Godfather!"

"D*mn you, what have you done to our Patriarch!"

With a roar, the other swordsmen in the corridor came to hear the news.

Seeing the scene before them, their eyes filled with rage.

Killing intent appeared.

“Shut up!”

Lin Mo bellowed.

“Your sect master’s consciousness is currently sunken and his heart is dead!”

“If you want him to go off the deep end and die, you all should continue to make a scene.”

The words fell to the ground.

The scene instantly fell silent.

The state of Ma Bangde in the past few days had also made all the swordsmen gripped their hearts.

Yet, they were also suffering from the fact that there was nothing they could do.

Now that he heard Lin Mo’s words, the deputy teacher, Tong Jie, brightened up.

“Mr. Molin, is there a way to cure our sect master?”

Ma Bangde, as the top pillar of the Blade Sect, absolutely could not fall.

It was just that he suffered from being helpless.

Now that Lin Mo could tell the cause of Ma Bangde’s illness, it also gave Tong Jie hope.

“As long as Mr Mo has a solution, we can give you this rotten life!”

With that, he directly raised his large sword and was about to pull it into his arm, ready to make a blood oath.

The group of swordsmen behind him followed suit with a good shout, intending to join the deputy gang leader.

“Stop! There’s no need for that.”

Lin Mo stopped.

What’s the use of a bunch of battle scum with lousy lives!

“Your sect master will naturally be fine when he wakes up from his sleep.”

“The depressed qi is clogged and it’s just a momentary thought”

The words were half spoken.

Lin Mo’s entire body shook.

Can’t think of anything?

He glanced at the sleeping Ma Bangde, and then at Matthews.

A flash of light came to his mind.

So that was it.

At this moment, Lin Mo finally came to his senses.

Matthews' death was not caused by injuries or poisoning.

The root cause was brain death.

In other words, Matthews should have fallen into the killer's illusion, making him think that he was dead.

Thus, he was completely cut off from life.

And was able to evade the protective circle of tens of thousands of members of the Seawolf Temple as well as the swordsmen around the hospital.

And then to a*sa*sinate Matthews silently.

This person must be a master of illusion.

"On Death Island, is there anyone who practices illusion?"

Tong Jie pondered for a moment before shaking his head.

"No!"

Hmm?

No?

Could it be that someone came from outside.

Thinking of this Lin Mo's brow furrowed even deeper.

If that was the case, it would be difficult!

Originally, Lin Mo had only thought that someone wanted to stir up the three districts.

But if it was someone from outside the island, and with such high level of skill, what they were after could never be as simple as a third district.

"Hurry up and have your people inform all the forces in the Three Districts."

"Watch out for a*sa*sinations in terms of illusions!"

"It would be best to spread the news, to the entire Death Island."

Matthews' death is just the beginning

Although the ultimate goal of the killer was unknown, the a*sa*sination would certainly continue.

"Protect your godfather."

"As long as he wakes up, Deep Knowledge will be able to recover!"

Tong Jie had an excited face.

He was just about to bow in gratitude, but just where was there anyone else in front of him.

On Lin Mo's side, after leaving the hospital.

He was about to go and check the situation on Sea Wolf's side.

Only.

Before he could set off, a silhouette came from afar.

When he saw the person who came, Lin Mo was greatly surprised, but his smile was extraordinarily excited.

"Halfsia, why are you here?"
