Chapter 651

There was an uproar at the venue; nobody expected that the muscular challenger would be defeated so quickly. Meanwhile, Don and the others were dumbfounded. After all, the four of them had placed a total bet of one and a half million and it was all gone in an instant.

“Are... Are they faking it? How is it possible that a man who is used to killing and war fails to defeat an ordinary boxer?” Morin asked anxiously, to which Don hurriedly replied, “Watch your mouth! Nobody would dare to do fake boxing in Ambrose’s territory.”

At that moment, they heard a commotion near the stage. It turned out that the challenger was dead! Seeing this, Morin instantly stopped talking. The challenger was dead so it was definitely not fake boxing! Who would be willing to sacrifice his life just to earn that bit of money?

With a smile, Crystal said, “See, what did I tell you? I knew that the challenger would definitely lose! 1.5 million... Ha! It’s enough to buy a car.”

Her words were like rubbing salt on a wound. At that instant, Don and the others turned pale, especially Morin. This time, they failed to slap Matthew in the face and instead, they had humiliated themselves. Not long after, the second challenger went onto the stage. It was an extremely strong man with a scar on his face and he looked really fierce. The introduction on the screen was relatively simple—this man was the previous ring player and was skilled in the eight trigrams arts.

Don looked at Morin and asked, “Morin, who should we place a bet this time?”

Matthew glanced at Crystal helplessly as he thought, *This girl is really not afraid of anything.*

However, Crystal had already agreed to the bet so he couldn't say anything about it. Soon, the fight in the ring began. This round of competition was stale right from the very start, as the two opponents had equal strength and it was hard to see who was winning. This lasted for nearly twenty minutes before Scarface was finally out of breath and was knocked off the ring by the ring player so hard that he fell unconscious.

Seeing that, Morin almost lost his temper. He had made a wrong prediction the second time, causing them to lose another three million.

Crystal, on the other hand, screamed in excitement, "We won! Hey, your watch belongs to me now!"

Herman forced a smile. He had lost over a million from placing bets on the tournament and now he had even lost his watch. It was a double loss.

Don was slightly annoyed. "Morin, there's something wrong with your analysis! Both of your predictions were wrong!"

In an angry tone, Morin retorted, "There is definitely something wrong with the tournament. F*ck! Something's strange about this ring player. If none of my predictions are right, I'll personally go up there and beat him to death later!"

Don curled his lips and replied, "You said it yourself. No matter how much I lose, you'll have to get on stage and get it back for me."

Morin saw who it was, he immediately became excited. "Place a bet on him! We have to place a bet on him! I won't be wrong this time! Place

As soon as the fight started, the taekwondo master kept kicking around. Even though his posture looked amazing, in less than a minute, the ring player suddenly ran up to him. Then, he punched the taekwondo master with his right elbow heavily, much like a cannon. With that one hit, the taekwondo master flew off the stage and fell heavily to the ground, vomiting blood before he fell unconscious on the spot.

Seeing this, everyone was dumbfounded. In less than one minute, the taekwondo master was defeated easily and nobody knew why. However, this was within Matthew's expectations as he knew how strong the eight trigrams palms skill was. As long as the ring player could find an opening, he could defeat his opponent in one hit.

It was as they said, 'A master who practiced ten years of martial arts is no match for a man who has practiced the eight trigrams palms for a year.' Furthermore, taekwondo tended to stretch the body wide and in front of a traditional martial arts opponent, it had many flaws. Once the taekwondo master's flaw was caught, it was easy for the ring player to defeat him with one hit.

Meanwhile, Don and the others slumped to their seats as they never imagined they would lose so badly in this round. The taekwondo master was far inferior to the previous two opponents. As for Morin, he was completely dumbfounded. He had always thought that he was stronger than those people but at that moment, he realized that his strength was no match for them at all. If he went onto the stage, he would surely be beaten to death long ago.

Meanwhile, Crystal was overjoyed. "Hey, when are you going to give us the one million?"

With a dark expression, Herman gritted his teeth and roared, "This is definitely fake boxing! This round doesn't count!"

Crystal immediately felt annoyed. "Why doesn't it count? How can you say that they were fake boxing? This is Ambrose's territory so who would dare fight unfairly here?"

Zanya practically dragged Crystal and Matthew to a restaurant in Woodside. After they entered the place, Herman generously ordered a whole table of food. Now that he had lost money, he was determined to sleep with Crystal. Otherwise, it would be a huge loss for him. Zanya was even more straightforward, directly ordering two bottles of whiskey.

"Matthew, it's been a long time since we last met and I really miss my days in Eastcliff. It's a good thing to meet old friends in a foreign place so let's get drunk tonight! This is good whiskey; you'd better not waste it."

While Zanya spoke, she filled the glass in front of Matthew. Seeing this, Matthew frowned. He knew what this group of people were planning. He really didn't want to bother with them but it seemed that it was impossible for him to leave, so he had no choice but to drink.

"Let's have a toast." Zanya raised her glass and gulped its contents down. Then, Don gave Matthew a sideways glance and said, "Hey, even the girl is drinking. It would be rude for you not to drink."

The others started to chime in, forcing Matthew to drink. Without a word, Matthew raised his glass and drank it all.

Everyone immediately cheered for him. In fact, this was their tactic to encourage and force Matthew to continue drinking. Later, Zanya and the others started taking turns to make toasts with him.

When these bunch were in the city, they often hung out at nightclubs so they could drink very well, which was why they thought that it would be easy to make Matthew drunk now that they were working together. However, in the end, when everyone was pretty much drunk, Matthew was completely fine. This surprised them thoroughly. At that moment, they knew that if they continued to drink like this, they would definitely get drunk before Matthew did.

Crystal's statement frightened everyone in the room. "Are you insane?" Don yelled anxiously. "Do you know who Ambrose is? Even the family heads of the Ten Greatest Families of Eastshire wouldn't dare to order Ambrose around like that! Who do you think you are? How dare you speak that way?"

Don frequented Woodside the most compared to others in the group, so he was the one who knew the most about Ambrose. Ambrose was not a kind person; even if the Wayne family head came over here, he would have to treat Ambrose with respect. Who would dare to treat Ambrose so rudely?

Zanya quickly waved her hands and said, "Ignore her! Let me be clear, I have nothing to do with this. She's with that man. I know nothing about the things she said or did."

At the same time, Herman shook his head, feeling sorry for Crystal. "Such a beautiful girl but unfortunately, there's something wrong with you. I can't believe you dared to provoke Ambrose so even I can't save you now. If you had agreed to be with me sooner, you would be able to enjoy riches. At the very least, you won't have to lose your life!"

The people in the room kept ridiculing and mocking Crystal, thinking her actions were purely suicidal. Even Matthew was frowning. *Ambrose is a powerful man so what is Crystal doing?*

The owner and the waiters of the restaurant were all Ambrose's men and when they heard Crystal's words, they were stunned. Then, the restaurant owner waved his hand and gestured to a waiter to look for Ambrose.

With that one greeting, everyone in the room was stunned. The restaurant owner's eyes almost popped out of its sockets and he stared at Crystal in panic. Horton had just greeted her respectfully so it was obvious that she was a person of great power. Fortunately I was polite to her just now. If I had said anything rude, I would probably be a dead man!

As for Zanya and the others, they were dumbfounded. What is happening? Crystal knows Horton? That can't be true... Judging from Horton's attitude, I'm afraid that it's not that simple.

Matthew also glanced at Crystal in surprise. I didn't expect Crystal to have such prestige in Woodside. However, now that I think about it, it's actually normal. If Crystal didn't have this kind of connection in Woodside, how can Joseph be rest assured enough to let her come to such a dangerous place?

Crystal waved her hand and said, "Ambrose always does the same three things. He just brings me for a meal, watches the scenery, gives me some gifts, and then sends me home. I'm not looking for him this time; I want to shop around myself."

Zanya and the others stared at Crystal in shock. Judging from her posture, it seems that Ambrose has to personally accompany her every time she comes to Woodside.

With a smile, Horton replied, "Miss Harrison, Mr. Arnold does it because he adores you. Besides, this place is dangerous. If you come alone and get hurt, how will Mr. Arnold explain it to his godfather?"

With that, Horton's subordinates immediately rushed over and dragged Zanya and the others out of the room without a word. Suddenly, Herman gritted his teeth and yelled, "Wait!"

"Mr. West, I-I'm from the Wayne family of Eastshire. Can you let me go for the sake of the Wayne family's reputation?"

Hearing this, Horton waved his hand impatiently. "Bullsh*t! I know all the members of the Wayne family. Judging by your looks, you're probably just a distant relative. Hmph! Even if the heir of the Wayne family personally came over here, he wouldn't dare to ask me to spare you. Who do you think you are? How dare you ask me to let you go?"

Healing that, Herman was dumbfounded. He had always used the Wayne family name to bluff and deceive everyone repeatedly, which was why he never thought that it would be of no use this time. Just

when they were about to be dragged out, Zanya suddenly remembered something and she hurriedly pleaded, "Matthew... Matthew, please help me; help us. Do it for Sasha's sake. Sasha and I used to be classmates and roommates. I'm begging you... Please spare us for Sasha's sake..."

Zanya was not stupid. After she knew that it was useless to plead with Crystal, she tried to beg Matthew to try to survive. He was her final lifeline. Truth was, Matthew really didn't want to bother with her but he remembered that Sasha had mentioned Zanya helped her when they were in university.

Zanya and the others quietened down. At that moment, they finally understood what kind of trouble they were in this time. Crystal was also too lazy to bother with those people so after she received the money, she left together with Matthew. Thereafter, the people left in the room glanced at each other and their faces were pale.

"Zanya, who is that friend of yours? Are you trying to drive me into an early grave? That's the young lady of the Harrison family. If I did anything to hurt her today, the Harrison family would've killed me!"

With an embarrassed expression, Zanya replied, "I didn't know who she was. Matthew is just a loser who lives with his in-laws. Back then, he married my classmate for 100,000. He doesn't have a powerful background so how would I have known that the girl beside him has such a powerful identity?"

Herman frowned. "He's just a boy toy? Does that mean that the daughter of the Harrison family likes gigolos?"

Furious, Morin yelled, "Of course she does! Gigolos nowadays are smart and they are skilled at tricking women. Wealthy girls like her have no brains so it's normal for them to be deceived."

Herman gritted his teeth. "I don't understand," he muttered. "Are these girls blind? How is that man even qualified to be a boy toy? His looks, family background, and attitude is not even comparable to me. What does Crystal see in him? Why is she together with that piece of trash?"

The few of them sighed and looked unconvinced. They couldn't figure out why Matthew was lucky enough to hook up with a beautiful and wealthy girl like Crystal.

Later, Horton brought Crystal and Matthew to meet Ambrose. As expected, Ambrose was entertaining the big shots. When Crystal and the others arrived, the dinner had already ended.

When Matthew stood in front of Ambrose, he realized that Ambrose still had a strong domineering aura. However, when Ambrose saw Crystal, his lips curled into a rare smile. "Crystal, why didn't you tell me you were coming?"

Crystal pursed her lips and replied, "Because I didn't want to. Every time I come over, you always arrange a group of people to follow me around. Everyone evades me wherever I go and I can't even have some real fun."

Hearing this, Ambrose burst into laughter. Then, he looked at Matthew and asked, "Who is this?" Ambrose thought that Matthew was another one of Crystal's suitors. After all, he had seen many of them before. When the previous suitors stood in front of him, they were all silent and nervous. However, Matthew was extremely calm and this surprised Ambrose so he couldn't help but glance at him.

"This is my friend, Matthew. The reason I came here is to accompany him to buy some things!" Crystal replied.

Ambrose was surprised by her answer. Then, he stared at Matthew intently and asked, "Matthew, are you from Eastcliff?"
