

Genius Summoner

Chapter 1701: Walking Together (2)

Yun Feng also spread her arms and hugged him. She slowly brushed the man's back with her hand and put on a smile at the corners of her mouth. "The Falling Gold Pond is indeed impressive. If Sister Hua weren't here, I'm afraid I wouldn't have lasted more than three days."

Qu Lanyi's black eyes glittered. Then, he understood something and couldn't help but smile. "Fengfeng's contracted Magic Beast is indeed powerful."

Yun Feng also burst into laughter. "Yes, I'm truly lucky to be able to contract with them." After changing her soul, her fate also underwent a strange change. Even though the Heavens made Yun Feng lose a lot, they also gave her a lot of fortuitous encounters.

"Are you alright after hitting Li Yun?" Yun Feng was a bit worried. Li Yun was said to be the leader of the younger generation of the Naxi family. Such a person must have strong self-esteem. Would it affect him if Lanyi attacked him in front of everyone?

"What's the matter? This is a lesson for him," said Qu Lanyi with a hint of coldness on his face. "Let him know that he's nothing right now. He's not qualified to talk to you."

Yun Feng was slightly stunned and smiled wryly. Wasn't Lanyi a bit too protective of her... It was normal for Li Yun to look down on her with his personality and strength.

"He's indeed stronger than me, so it's normal for him to look down on me," said Yun Feng, but Qu Lanyi tightened his arms. "Nobody is allowed to underestimate my woman!"

Yun Feng chuckled, and Qu Lanyi also smiled. After what happened today, the trouble in the future could be completely stopped. Nobody would probably dare to provoke Yun Feng again.

"Ahem!" A slightly awkward cough sounded. Yun Feng quickly blushed and was about to step back. Qu Lanyi raised his brows lazily and reluctantly let go. He glanced at the door with his black eyes. "Uncle Lan, why are you here?" There was unhappiness in his black eyes. Uncle Lan, who was standing at the door, smiled wryly. Qu Lanyi was clearly saying that his visit was unnecessary.

"Ahem, I know it's inappropriate to disturb you, but... the leader has something to say." Uncle Lan looked at Yun Feng with a smile. "Yun Feng, you can go see the leader now."

Yun Feng was delighted! "Now?"

Uncle Lan nodded. "The leader is waiting for you. Young Master, you'll certainly come too."

Qu Lanyi raised his brows. Of course, he would follow her. He couldn't let Feng face the old man alone. "Is the old man done?" asked Qu Lanyi. Uncle Lan chuckled. "I'm not sure. You'll know when you get there, Young Master."

"Humph!" Unhappiness flashed through his black eyes as he held Yun Feng's hand in his palm. "Let's go."

Yun Feng nodded. The two of them walked out hand in hand, with Uncle Lan following behind them with a smile. Along the way, Yun Feng looked serious and thought a lot in her mind. She had been wondering what the attitude of the leader of Naxi was like. Would he accept her proposal or agree with her proposal?

"I'll take care of everything," said Qu Lanyi in a low voice. Yun Feng looked up. There was warmth deep in his black eyes, which gave her infinite motivation and courage.

"Yes." Yun Feng nodded with a smile. The uneasiness in her heart was completely swept away. Looking at the place she came to at first, and the door that was getting closer and closer to her, Yun Feng took a deep breath.

Qu Lanyi raised the corners of his mouth and slowly let go of Yun Feng's hand. He pushed the door gently and stepped in. "Old man, we're here."

"Come in." An emotionless voice came. The voice alone carried an unapproachable dignity. As expected of the leader of the Naxi family. Yun Feng followed Qu Lanyi in. A man, who looked like he had been through many vicissitudes of life, sat solemnly. His serious and upright face was as cold as ice, even though he was handsome.

"You're Yun Feng?" The man raised his brows slightly. Yun Feng took a deep breath and looked up with her black eyes. She met his gaze frankly without dodging! Her voice was clear and bright!

"I'm Yun Feng."

The man was silent for a few seconds. There was some admiration in his eyes, but it only flashed through. "Alright, sit."

Qu Lanyi also became serious and sat on the side. Yun Feng thought for a moment and sat on the other side.

"Why did you come to the Naxi family this time?" asked the leader of the Naxi family. Yun Feng's heart tightened. He was going straight to the point? That was good!

Yun Feng stood up and looked straight at him with her black eyes. She told him all the thoughts in her mind. "I came to the Naxi family for two purposes. One is to get your approval as Lanyi's father!"

Qu Lanyi was stunned. Then, the corners of his mouth couldn't help but curl up. He looked at the serious woman with his black eyes dotingly. Fengfeng, how can I not care about you?

The leader of Naxi was stunned. He was shocked by Yun Feng's straightforward expression. After a while, he asked, "Your second purpose?"

Yun Feng took a deep breath and pondered for a while before she slowly said, "I'm here about the Blood Souls! Senior, you should be familiar with the Blood Souls!"

The leader of Naxi frowned slightly. "I do know some of their movements."

"The Blood Souls went from the initial hidden state to the semi-open state now. Their movements became more and more blatant and they didn't have any scruples! All kinds of clues show that the Blood Souls already have a Fantastical Beast in their hands right now!"

"What? A Fantastical Beast?" The leader of Naxi was shocked! Qu Lanyi said, "That's right. I didn't tell you about this because I wanted Fengfeng to tell you herself. What she said is the truth."

"And I dare to guess... that there's more than one Fantastical Beast!" said Yun Feng. Qu Lanyi was startled! The leader of the Naxi family looked even gloomier! "How did you deduce that?"

"Four of the seven-element Fantastical Beasts are gone. One... should be in the hands of the Naxi family."

The leader of Naxi's eyebrows moved slightly, but his expression didn't change. This kid even told her such a thing?

"The members of the Blood Souls all have the dark element. They must be related to the darkness Fantastical Beast. The remaining two are still missing and there's no news at all. If they're free right now, they can't be never heard of."

The leader of Naxi frowned tightly. Yun Feng continued, "The Blood Souls still don't dare to do anything reckless, which proves that they still have concerns. This is the best time for us to form an alliance!"

The leader of the Naxi family didn't say anything at all. Yun Feng's heart couldn't help but sink. "leader of the Naxi family, do you think you can live safely in seclusion here?"

Chapter 1702: Walking Together (3)

The leader of the Naxi family raised his brows and looked at Yun Feng with a deep gaze. "You're right. Since the Blood Souls have more than one Fantastical Beast, what do you have? If we form an alliance with you, we'll definitely seek victory. Where are your capitals? The Naxi family has always been in seclusion. Even if we can't stay safe forever, we won't be involved in this storm."

What he said was cold and heartless. Qu Lanyi couldn't help but feel anxious. "Old man..."

Yun Feng waved her hand and asked Qu Lanyi to calm down. Speaking of capitals, the Blood Souls had a Fantastical Beast in their hands, and she certainly had one on her side!

"I certainly have the capital to win, or I wouldn't have asked the leader of Naxi!" Yun Feng's clear voice echoed. Then, she said in a low voice to a certain place in the space, "You can show up now."

The leader of Naxi was stunned. Show up?

"Buzz!" The space suddenly moved and the flat power of space suddenly rippled. The leader of the Naxi family's expression changed! This was...

A tall and sturdy figure appeared next to Yun Feng. The tall man with a stone expression appeared and a glint of light flashed through his dark purple eyes. He didn't say anything and his aura was oppressive!

The leader of the Naxi family's heart pounded hard!

Qu Lanyi slowly stood up. "Old man, you should be familiar with his aura. You know very well who he is."

The leader of the Naxi family pursed his lips and didn't say anything. He was quite shocked in his mind! A Fantastical Beast! Yun Feng had a Fantastical Beast in her hand! This girl of the Yun family... Did she... contract with a Fantastical Beast? Thinking of this, the leader of the Naxi family was shocked by his thoughts! Thinking about it again, he felt that it was impossible. What level was a Fantastical Beast? This girl was still young. It was understandable that she had some relationship with a Fantastical Beast.

"A Fantastical Beast against a Fantastical Beast. We won't suffer too much loss," said Yun Feng. Ah Luo, who appeared, stood there expressionlessly, as if it had nothing to do with him.

The leader of the Naxi family suddenly sighed. "You make it sound so easy. It's not easy for the four families to join forces. Besides, the Naxi family has been hidden for a long time and has basically no contact with the other two races."

Yun Feng smiled lightly. "It's fine. As long as the Naxi family is willing to stand on my side, I'll have a way to make the other two families nod."

The leader of Naxi looked at the tall man next to Yun Feng who was silent. "It'll probably be very difficult to make the other two races nod with just the Fantastical Beast."

Yun Feng frowned. "No matter how difficult it is, I'll try. I won't give up!"

The eyes of the leader of the Naxi family glittered as he said earnestly, "Even if the four families join forces, can they defeat the Blood Souls with just these forces? According to what you said, what if the Blood Souls have more than one Fantastical Beast in their hands?"

Yun Feng was silent for a moment. Then, she slowly said, "The alliance of the four families is just the beginning. It's also necessary for the other powerhouses to join. The Blood Souls aren't only the enemies of humans, but also the enemies of Magic Beasts! We're uniting all the forces we can!"

The leader of Naxi listened quietly. Yun Feng was silent again. Then, a glint of light flashed through her black eyes!

"Of course, it's also necessary to increase my strength to the maximum!"

The leader of Naxi nodded. "Indeed. Even though you're already a genius with your current strength, you're still too young to convince the other powerhouses."

Yun Feng nodded. Building an alliance to resist the Blood Souls didn't only require the power of the four families, but also more experts! She wasn't qualified to convince them!

"The matter of joining forces with the four families can't be settled overnight. With your identity, you probably won't be able to meet the leaders of the other two families. Leave this matter to me, but it'll take some time." What the leader of Naxi said made Qu Lanyi and Yun Feng delighted!

"So, you've agreed, old man!"

The leader of the Naxi family smiled helplessly. "This girl is right. No matter how we hide from the world, the Naxi family can't escape after all. The Blood Souls don't dare to do anything right now, but they'll target the four families when they have the strength." Speaking of this, the leader of the Naxi family couldn't help but look serious. "It's impossible to deal with them if we keep dodging."

Qu Lanyi became anxious. "Should we tell those elders..."

The leader of Nazi chuckled. "That's none of your business."

Yun Feng knew how much pressure he had to bear to make this decision, not to mention that it was the Nazi family, which had always been hidden!

"Senior..." Yun Feng said, but the leader of the Nazi family waved his hand. "This is for the Nazi family. Also, shouldn't you change the way you call me?"

Yun Feng was slightly stunned. Then, she blushed. "U-Uncle..."

The leader of the Nazi family chuckled and nodded in satisfaction. Ah Luo, who was next to Yun Feng, noticed that it was none of his business and disappeared without another word. The leader of the Nazi family's heart couldn't help but shrunk again. "Kid, you have the ability to let a Fantastical Beast follow you."

Yun Feng smiled. "It's a long story..."

The leader of Nazi didn't continue asking. "I've heard about your battle with Li Yun. You were in the Falling Gold Pond for half a month. You're the first one."

Yun Feng smiled. Qu Lanyi was quite dissatisfied. "This is Uncle Lan and Uncle Ah Jing's good idea!"

The leader of Nazi chuckled and changed the unusually serious atmosphere just then. Yun Feng also felt that he was much closer. The leader of Nazi looked at Qu Lanyi. "Kid, have you met the members of the Yun family?"

Qu Lanyi chuckled. "Of course."

The leader of the Nazi family smiled again and looked at Yun Feng. "How's the Yun family? In terms of relationship, the Nazi family was quite close to the Yun family among the four families in the past."

"Everything is fine with the Yun family." Yun Feng replied with a smile. "If there's anything I can do to help with the matter of joining forces with the four families, Uncle, just tell me! I'll definitely not reject it!"

The leader of Nazi nodded. "It's not easy to get the remaining two families to agree. We still need time and preparation. Didn't I say that Fantastical Beasts alone might not be able to make them nod? You are also important."

Yun Feng's black eyes darkened slightly. She understood what the leader of Nazi meant. "I know."

A soft voice sounded. The expression of the leader of Naxi changed slightly. Then, he said, "Let's stop here for today. We'll talk later."

Yun Feng and Qu Lanyi immediately got up and left. After walking out of the room, Yun Feng didn't say anything for a long time. Qu Lanyi followed her quietly. After walking for a long time, Yun Feng slowly whispered, "Lanyi..."

Chapter 1703: Walking Together (4)

"Yes?"

Yun Feng looked up and their eyes met in the air.

"I'm thinking that it's time to gather the remaining map fragments and find the Element Seeds."

Qu Lanyi raised his brows. He more or less understood what Yun Feng was thinking. He chuckled and held Yun Feng's hand. "Alright. When are we leaving?"

Yun Feng was slightly startled. "Do you want to go with me?"

Qu Lanyi burst into laughter and said matter-of-factly, "Of course. I'm also curious about the light and dark elements."

"But..." Yun Feng wanted to say something else, but Qu Lanyi stopped her. He pressed his slender fingers against her red lips and their gazes intertwined. Yun Feng put on a smile and held him even tighter.

"Alright." Yun Feng smiled sweetly. Qu Lanyi chuckled and clasped his fingers, not letting go anymore.

That's great. No matter where we go, we'll walk side by side.

"Hm... Don't disturb me..." A coquettish murmur came out of the mouth of the woman who wasn't completely awake on the bed. She moved her head slightly and tried to avoid the itch that made her unable to sleep peacefully. Her lazy expression like a kitten's finally caused the man's deep laughter. As the laughter came out, a fresh breath approached and he kissed the woman's forehead slowly. He pressed her soft cheek gently with his slender fingers and there was only warmth deep in his black eyes.

"Why are you so sleepy..." There was a smile on the man's thin lips. Under the morning sunlight, the man's body carried an indescribable beauty, especially the exposed lines on his upper body, which made him look even more perfect. Even though he looked a

bit slim, he didn't show any weakness at all. His elegance carried the masculine posture that a man should have. It was contradictory, but it was so harmonious.

"Hm, don't be noisy..." The woman mumbled as she turned around with her back facing him. The man chuckled and propped up his upper body to watch in fascination. He gently grabbed a corner of the bedclothes with his finger and slowly pulled it down. Bit by bit, the woman's smooth and bare shoulders were revealed with a faint pearl-like luster.

The man was fascinated. He lowered his head and pressed his thin lips against hers, kissing her gently like rain. The corners of the woman's mouth curled up slightly in a daze with a hint of happiness.

"Seriously." Seeing that the woman still didn't intend to get up, the man didn't disturb her anymore. He gently lifted the quilt and got off the bed, putting on the clothes by the bed casually. He gently pushed the door open and fresh air came into his face, even carrying a hint of the fragrance of flowers.

"Father!" A young voice sounded. Then, a little body pounced on him. The man chuckled and quickly opened his arms to catch the little guy steadily. The little guy giggled. His short black hair fluttered playfully and his big black eyes were embedded on his exquisite face. Even though he was a boy, his facial features completely inherited both of his parents'. He was very beautiful. It wouldn't be an exaggeration to say that he was a girl.

"Where's my mother? Why isn't she getting up?" The man looked into the room with his little head. He chuckled and raised the little kid in his arms. Then, he put the kid on his shoulder. "She's still sleeping. You're not allowed to make noise."

"What..." The little boy pouted in grievance. He grabbed the man's short black hair with his little hand and spread his legs, riding on the man's body. "What time is it now? It's time for my mother to get up..."

"Kid, how can your mother compare to you? You don't let people rest in peace every morning." The man raised the corners of his mouth helplessly. The little boy sitting on his shoulder burst into laughter and pulled the hair in his hand without hesitation. "Father, since Mother is asleep, why don't you accompany me?"

The man shook his head helplessly. "You're truly mischievous." He held the little boy on his shoulder firmly with both hands. The man's feet suddenly rose into the air and the little boy opened his mouth wide. "Wow... Father! Fly higher!"

The two of them soon disappeared into the sky. The man's helpless and loving laughter and the little boy's excited voice came faintly from the sky, echoing in this small valley.

Right now, thirty years had passed since the battle. Everything was peaceful.

"Ugh!" More and more sunlight seeped in. The woman on the bed finally moved her body and slowly opened her black eyes. The gentle sunlight shone in, making her close her eyes again. She reached her hand to the side and saw that the man was already gone.

With a chuckle, the woman rubbed her eyes. She should be up by now.

"Phew..." The woman took a deep breath and stretched her body. She had never thought that she would live like an ordinary person. Even though she had been living like an ordinary person all these years, she still wasn't used to it.

The woman curled her lips and lifted the bed. The first thing she saw was the red marks on her chest. She couldn't help but blush. Thinking of last night, her cheeks couldn't help but blush even more. She quickly put on her clothes and pushed the door open. Fresh air rushed over and two figures, one big and one small, were slowly walking over.

"Mother!" The little guy sitting on the man's shoulder twisted his body and was about to come down when he saw the woman. The woman's black eyes were smiling as she extended her arms slightly. The little guy twisted even more happily. The man could only carry the little guy down helplessly when he saw this. As soon as he landed, the little guy ran towards the woman.

"Mother! Mother!" The soft voice carried urgency and desire. The woman's heart had already melted after hearing that. She held the little boy who jumped into her arms. The little boy reached out his arms and wrapped them around the woman's neck in satisfaction, snuggling into the woman's warm arms. His little face was only filled with satisfaction. Her mother's arms were the best!

"Kid, enough is enough!" Even though the man scolded him, there was a smile on his face. The little boy looked up and glanced at him, holding the woman even tighter. "No way!"

"Lanyi, he's only three..." The woman smiled helplessly and picked the little boy up. The man smiled. "Fengfeng, this kid doesn't look like a three-year-old kid at all."

This family of three was none other than Yun Feng, Qu Lanyi and the crystal of their love, their only precious son.

"Mother, Father is jealous." The kid chuckled as traces of maturity flashed through his young face from time to time. Yun Feng was slightly startled. He was only three years old. Did he know what jealousy was?

Qu Lanyi reached out and patted his son's head gently. The kid stuck out his tongue and held Yun Feng even tighter, as if he was demonstrating. Qu Lanyi smiled and kissed her gently. Yun Feng's cheeks were slightly red. Qu Lanyi's black eyes darkened

slightly when he saw that. How many years had it been? They had been intimate countless times. She was still so shy that he couldn't put her down.

Chapter 1704: Extremely Sweet Side Story (1)

"Father!" The kid extended his chubby little hand and blocked Qu Lanyi's line of sight. Qu Lanyi raised his handsome eyebrow and couldn't stand it anymore. He carried the kid away from Yun Feng's arms, putting him on his shoulder. This kid seemed to like sticking to his mother so much on purpose! He had already learned to steal her from his father at such a young age?

Yun Feng smiled. Qu Lanyi glanced at her. "Mu Xiaojin is pregnant again. Aren't you going to take a look?"

"Really!" There was an indescribable surprise on Yun Feng's face. Qu Lanyi nodded with a smile and glanced at Yun Feng's abdomen casually, as if he was thinking about something.

"Uncle has a child again!" The little guy on her shoulder also looked surprised. "Haha, that's great!"

Yun Feng chuckled. "We should go and take a look. Another little life has been born in the Yun family. I haven't seen my brother and father in a long time."

Qu Lanyi nodded. The little guy on his shoulder raised his little arms excitedly and drew circles in the air. "Let's go see Uncle! Let's go!"

The Yun family had already reached the peak that couldn't be reached in the human world right now. Their status was certainly different, especially Yun Feng's heroic bearing in the battle. It was deeply engraved in everyone's minds and couldn't be forgotten. Every time Yun Feng's name was mentioned, everyone's heart would heat up.

Yun Feng's arrival made the entire Yun family very happy. After that battle, she and Qu Lanyi left. This was the first time she returned home. Of course, the Yun family knew about their kid. Even though he was only three years old, he was astonishingly talented. The entire Yun family was already proud of him.

"Yun Feng, you're here!" Yun Xiang greeted her happily. Seeing the kid on Qu Lanyi's shoulder, she burst into laughter. "Kid, you're here too!"

"Yes, Aunt Xiang." The kid chuckled and smiled at Yun Xiang politely.

"Aunt Feng!" A voice called out. Yun Feng looked up. Lingyu had already grown up. Even though she still didn't look like she was twenty, this little girl was already quite grown right now, but she still wasn't willing to get married. There were a lot of boys who pursued her, but Lingyu had always been indifferent.

"Lingyu, not bad." Yun Feng nodded with a smile. Lingyu couldn't help but blush after being praised. She was extremely happy in her mind. Right now, the entire Yun family and even the human world regarded Aunt Feng as a legend. If Aunt Feng continued to be active, she would definitely be even more dazzling! Being praised by Yun Feng was a kind of compliment for Lingyu.

"Let's go and see Xiaojin." Yun Xiang held Yun Feng's hand and walked inside. Then, she thought of something and looked back at Qu Lanyi. "Lingyu, find Idiot Bai."

Lingyu sighed helplessly. "Mother, can we change my father's nickname?"

"Why? I think it's quite good. Yun Feng, let's go!" Yun Xiang smiled heartily and walked inside with Yun Feng. Lingyu stood there and sighed again. Her poor father. Would he never be able to get rid of the title of a fool for the rest of his life?

"Uncle Lanyi, I'll go first." Lingyu chuckled at Qu Lanyi. Qu Lanyi nodded. Lingyu turned around and left. At this moment, the kid on his shoulder said softly, "Father, isn't it nice to be a fool? Why do you have to change it?"

Qu Lanyi was stunned for a moment. Then, he chuckled. "Then can I call you Little Fool from now on?"

The kid immediately pouted. "No!"

"In that case, we certainly have to change Bai Qingfeng's nickname."

The kid pondered. "I think Uncle Qingfeng is quite compatible with this title."

Qu Lanyi was stunned for a moment. Then, he smiled. This kid!

"Xiao Feng!" Mu Xiaojin walked over happily when she saw Yun Feng. Yun Feng quickly greeted her. "Be careful. You are pregnant!"

Mu Xiaojin smiled happily. Yun Xiang also came and looked around. "Where's Yun Sheng? Why don't I see him?"

"He went to Bai Qingfeng's place. I think he went to get some potions." Mu Xiaojin held Yun Feng's hand and asked her to walk next to her. She looked at Yun Feng with her watery eyes. "It's been so long. Xiao Feng seems to have lost some weight."

Yun Feng smiled, and so did Yun Xiang. Mu Xiaojin smiled in embarrassment. "Xiaojin, why can't I see that Yun Feng has lost weight?"

Mu Xiaojin couldn't help but feel a bit embarrassed. Yun Xiang supported her chin with her hand. "But Xiaojin, you're truly impressive. This is your third child."

Mu Xiaojin blushed and nodded. Among the three women, she had the most children. Yun Xiang and Yun Feng only had one child at the moment. Yun Feng smiled. "Very good, or the Yun family would always seem too small."

Yun Xiang chuckled and winked evilly. "It's just hard on Xiaojin. Is it hard?"

Mu Xiaojin blushed. "Yun Xiang, you..."

"Hahahaha!" Yun Xiang laughed heartily, and so did Yun Feng. Qu Lanyi slowly walked over and put the little guy down from his shoulder. Looking at the three smiling women, he shook his head helplessly. Seeing that the little thing was about to stick to his mother again, Qu Lanyi blocked him. "Kid, just stay with me."

"You're here!" A voice came from behind. Qu Lanyi looked back. Yun Sheng and Bai Qingfeng had already returned, with Lingyu behind them. Qu Lanyi stood up. "Yes."

Seeing that the three women were chatting happily, the three men stood together in tacit understanding. Lingyu even took the little guy aside in tacit understanding. Hearing the joyful words of the three women, Qu Lanyi looked at Yun Sheng with a smile in his black eyes. "Brother, you're really hardworking."

Yun Sheng looked a bit embarrassed. Bai Qingfeng chuckled and patted Yun Sheng's shoulder. "You've really worked hard."

"You two..." Yun Sheng was embarrassed. The two men smiled. After that, they both looked at their women hopefully. Yun Sheng's black eyes glittered. "Are you envious?"

Qu Lanyi raised his brows, and so did Bai Qingfeng. Yun Sheng burst into laughter and patted the shoulders of the two men. "It seems that you haven't worked hard enough."

Both men looked gloomy. Yun Sheng smiled proudly. Seeing Mu Xiaojin's motherly attitude, his heart softened. The woman he loved became more beautiful and mature, which made him more and more tempted.

"Alright, we'll be there sooner or later," said Bai Qingfeng as he handed the potion to Yun Sheng. "You, on the other hand, take good care of her during this period of time. Even though she's given birth many times, you still have to be careful."

Chapter 1705: Extremely Sweet Side Story (2)

Yun Sheng nodded. Qu Lanyi was a bit distracted. He looked at the woman who was smiling gently from afar with his black eyes and his heart suddenly raced. Was it time for a second little life...

There were very few stars at night. Yun Feng stayed in the headquarters of the Yun family tonight and would go back the next day. The kid was very likable. He would probably have to stay somewhere else tonight. Yun Feng chuckled and yawned slightly. It was time to rest.

"Are you tired?" The man's gentle voice came from the side. Yun Feng nodded and walked to the bed. Qu Lanyi followed her and held the woman in his arms. His scorching chest and heartbeat made Yun Feng blush. "What's wrong?"

Qu Lanyi was silent. He held the beautiful curve on his waist and rubbed it slowly. "Fengfeng, don't you want another child?"

Yun Feng was slightly startled. Thinking of Mu Xiaojin's motherly expression today, Yun Feng was quite tempted. It would be great if she could have a girl...

Qu Lanyi touched her abdomen and slowly searched through her clothes. His hot breath sprayed in Yun Feng's ears. "You don't want one? I really, really want... I really want a girl like you... Someone as beautiful as you..."

"Lanyi..." Yun Feng's voice trembled slightly as she slowly turned around. Their eyes met in the air and a stream of heat suddenly spread from the space, enveloping their bodies.

The man picked the woman up by her waist and put her on the bed. Then, his slender body pressed against hers. Their lips touched and a fire spread. There was only scorching panting and heartbeat that didn't dissipate for a long time with each other's hot body temperature.

"Father! Mother!" Outside the house, a little boy suddenly rushed in and was about to break in excitedly, but a pair of hands pulled him gently. The little boy turned around. "Lingyu, why are you pulling me?"

"Call me sister!" Lingyu frowned slightly, but the kid raised his brows slightly and directly ignored her words. "Why did you drag me?"

Lingyu looked up at the door and sighed slightly. How was she going to tell this kid that his parents were working hard to make a sibling for him... He was only three years old...

"Let's go to my place today," said Lingyu. She held the kid's little hand and led him out. The kid turned around and looked at the door thoughtfully. In the end, he curled his lips. "Got it. Father and Mother are working hard."

Lingyu was surprised! She looked at this little boy, who only reached her waist, in disbelief. Was he really only three years old?

"What's wrong?" The little boy raised his head and looked at Lingyu with his black eyes that were as deep as the night sky. Lingyu's heart trembled. This gaze was definitely not something a three-year-old child should have! He...

"Are you dumbfounded?" The little boy curled his lips and looked at Lingyu with a smile. Lingyu suddenly came back to herself and flicked his little head with her hand. "What nonsense are you talking about?"

The little boy, who had been flicked in the head, was very unhappy. He touched his head with his other little hand. "I'm not bad-looking either. Why can't you be attracted to me?"

Lingyu was completely speechless. "You're only three years old and you haven't grown up yet. I can't tell if you're good or bad."

The kid was silent for a long time. Lingyu held his hand and walked forward. "Why isn't Lingyu married yet? Does no man like you?"

Lingyu blushed. "Call me sister!"

The kid pursed his lips. "It seems that no man likes you."

Lingyu's face turned even redder. Was this kid really three years old? "No! It's just that... nobody has impressed me." Lingyu regretted after saying that. Why did she have to say this to a three-year-old kid? It wasn't too much if he were thirteen, but he was only three!

"Is that so..." The little boy mumbled. He suddenly raised his little face and put on a smile. "What about me? Does Lingyu like me?"

Lingyu was startled. The corners of her mouth twitched. What exactly was she talking about when she was talking to a three-year-old kid? What did a three-year-old kid know?

"I do," replied Lingyu casually. A glint of light flashed through the kid's black eyes after hearing that. "Really?"

"Why are you still asking?" Lingyu was a bit impatient. Talking about love with a three-year-old kid, she was truly...

"Then just wait for me." The kid suddenly said. Lingyu was stunned! "W-What? What did you say?"

The little boy raised his little face and his black eyes glittered in the night. "If Lingyu likes me and isn't interested in other men, just wait for me."

"W-What are you talking about?" Lingyu's face suddenly flushed!

"Don't treat me like a kid. I'll grow up one day. Won't it be fine by then?" The little boy's black eyes glittered with stubbornness. Three years old... At this moment, this three-year-old boy seemed to have suddenly grown up. Lingyu had the illusion that she was talking to a mature man.

"W-What are you talking about? We're cousins! What are you talking about?" Lingyu was a bit angry, but the little boy said slowly, "Speaking of bloodline, we're really miles apart. Even though we're both surnamed Yun, there's no conflict, is there?"

"You... You... You..." Lingyu was completely speechless and didn't know what to say. The little boy chuckled and held Lingyu's hand even tighter with his little hand. Lingyu subconsciously wanted to pull her hand away, but his little hand grabbed it fiercely!

"Lingyu, I only need twenty years." The little boy slowly said with an unusually deep voice. Lingyu's heart suddenly pounded! "How is it?" The little boy had a smile on his little face. His smile was so innocent that Lingyu's heart suddenly turned cold! Her hand turned slightly cold and she suddenly shook her hand away. "Nothing! You kid! How dare you tease me!"

The boy was startled. Then, he burst into laughter. "Haha, did you take it seriously?"

Lingyu's cheeks were hot. Luckily, it was night time right now, or she would really embarrass herself. A devil! He was definitely a little devil! His personality was too bad!

"Let's go!" Lingyu walked forward angrily, and the kid followed behind her. His little steps were a bit dispirited. He raised his little face and looked at the moon in the sky, sighing softly. What he said just then wasn't completely teasing. "Tsk, I like my mother the most... I have to find a woman like my mother in the future..." A hint of maturity flashed through his little face, and the kid sighed again. "Will there be a woman like my mother?"

Chapter 1706: Extremely Sweet Side Story (3)

In the house, after a round of sex, Yun Feng blushed and her chest rose and fell slightly. Her pretty face was full of blush after passion. The man looked at her with his

deep black eyes in fascination and held her in his arms. Their naked skin touched, conveying each other's warmth.

Both of them were breathing quickly. After calming down, they hugged each other quietly. The man covered her abdomen with his big hand and caressed it gently. The woman smiled. The man kissed her gently and said with a slightly hoarse voice, "Is there... a little life here?"

The woman smiled with her black eyes. "Maybe."

The man hugged the woman even tighter and said with a smile, "My wife, it seems that you want me to work harder?"

The woman blushed and pushed the man with her hand. The man burst into laughter and pulled her into his arms again.

"Lanyi, such a life feels like a dream." Yun Feng mumbled. The man's steady heartbeat was in her ears, which made her feel at ease.

"It's not a dream," said Qu Lanyi slowly. "This isn't a dream."

"That's good..." Yun Feng sighed slowly and closed her black eyes slightly. "I can't imagine such a stable life right now. I'm so happy to be able to live with you like this."

Qu Lanyi chuckled and caressed Yun Feng's face gently. "Me too. I've always looked forward to my current life."

"That's right. Even though it's been so long, I'm still a bit dazed..." Yun Feng mumbled and was a bit lost in thought. "I wonder how the others have been these years..."

Qu Lanyi sighed. "Other people have their own paths. There's nothing we can do."

Yun Feng took a deep breath and leaned closer to him. "Yes, I know, but I can't help but think about Qingqing and Little Fire, and that Xie... And Ze Ran, Uncle Flirtatious and the others..."

Qu Lanyi sighed. "I don't know anyone else, but I know a bit about Ze Ran."

Yun Feng raised her head. Qu Lanyi said, "He went back to the Ten Thousand Beast Mountain Range again. I heard that he's going to the Yi Feng clan to get Young Lady Hei's Beast Soul."

Yun Feng's black eyes darkened slightly. "Ze Ran wants..."

"Magic Beasts are different from humans. If they die, they're gone. Even though this ending is very cruel for him, there's nothing he can do."

Yun Feng nodded and buried herself in Qu Lanyi's arms again. It was extremely blissful to be able to grow old with someone she loved deeply. She was very lucky, truly lucky.

"Whoosh...!" The man's body flipped over. Yun Feng was surprised. When she saw the spots of blood in his black eyes, her cheeks couldn't help but heat up again. She pressed her handsome face down and her scorching breath came right after. His hot body covered hers and a hoarse and sexy whisper sounded in her ears, going straight to the bottom of her heart.

"Now, just think about me... I'll make you forget everything else and only think about me..."

The wind and rain came again. The two of them were like a boat that kept swaying, rising and falling without stopping.

Time passed in a blink. Another five years passed. A voice always sounded in the morning every day. "Mother! Mother!"

"Hm." The woman, who was still very tired, moved her body. The man next to her slowly opened his eyes and held her even tighter. "That kid again..." The man sighed. After a while, another young voice sounded outside the door. "Brother... Brother..."

The man curled up his lips and smiled. He lay down in satisfaction and stepped into his dream again with the woman he loved in his arms. It was great to have a daughter. At least that kid had something to do.

Outside the door, a cute little girl followed the young man. Her chubby face was very cute as she chased after the young man happily. The young man sighed helplessly and slowly turned around. The little girl chuckled and pounced forward, hugging the young man's leg. "I... I caught you..."

Five years had passed. The three-year-old boy back then had grown up very quickly. Now, he had already grown taller. Even though he was only eight years old, he looked like an adult.

After the little girl hugged his leg, her chubby body kept rubbing against him. The young man sighed and bent down to pick the little girl up. The little girl's chubby little face immediately rubbed against him. The young man looked back at the door helplessly and walked back with the little girl in his arms.

"Brother... Brother..." The little girl spoke a bit incoherently. A hint of heartache flashed through the young man's eyes as he held the little girl tighter. "Brother is here."

The little girl smiled happily. The young man also smiled when he saw that and shook the little girl's body gently. The young man frowned. "Have you gained weight again?"

The little girl chuckled with her chubby little face and affection flashed through the young man's eyes. "What did you eat secretly again?"

The little girl chuckled. "It... It was given by someone else..."

"What?" The young man's eyes turned cold! A stranger had come here? How was that possible? "What kind of person? Didn't I say not to go out casually, let alone talk to strangers?"

The little girl pursed her lips. "He looks like brother... I... I..." The little girl looked like she was about to cry. Seeing that, the young boy's heart immediately softened. "Alright, alright. I was too fierce just then, but you must remember what I said. Don't talk to anyone. You must call me immediately if you see anyone, understand?"

Tears hung on the little girl's long curly eyelashes and she nodded hard with her little head. The young boy heaved a sigh of relief slightly, but his heart was a bit heavy. A child like him? How exactly did they get so close to this place that his parents didn't notice? He lowered his black eyes and looked at his sister in his arms. The young boy's heart ached for her. She was a special child. Both his mother and father said so. Her physique... was different from his. She was completely an ordinary person.

So, he would protect her!

Thinking of this, the young man's black eyes darkened even more. "Tell me, where did you meet that person?"

The little girl thought for a while and pointed in a certain direction with her finger. The young man pursed his lips and walked over with his sister in his arms. After a while, a figure came gently. "Little Bun..." The young man turned around and his gaze met with a pair of black eyes. Both of them were stunned!

"You..." The young man frowned. The person who came also frowned. Then, the corners of his mouth curled up. Did he meet an opponent with comparable strength?

"You're not human," said the young man coldly as he held his sister even tighter in his arms. The person burst into laughter. "You saw through me so quickly. It seems that you're not simple either."

- Chapter 1707: Extremely Sweet Side Story (4)

Chapter 1707: Extremely Sweet Side Story (4)

Golden hair, golden eyes! The young man's black eyes darkened. "Are you a member of the Golden Dragons..."

The person was slightly startled and then frowned fiercely. "Who are you?"

At this moment, the little girl in the young man's arms chuckled and smiled with her chubby little face. "Brother... Brother Golden..."

The golden-haired young man's eyes softened and he smiled gently at the little girl. He twisted his wrist and took out a pastry. "Little Bun, I brought you delicious food today."

The little girl's drooling expression made the young man's face darken! "Control yourself!"

The golden-haired young man burst into laughter as glittering light flashed through his golden eyes. Then, he narrowed his eyes fiercely. "Who are you to the Little Bun?"

The young man was slightly startled. Little Bun? "She's my precious sister. Stay away from my sister!"

The golden-haired young man's golden eyes glittered after hearing that. He glanced at the young man with a complicated expression. "Is that so? This is the difference... The Little Bun is a bit too pitiful."

"What did you say?" The young man looked enraged! The golden-haired young man curled his lips. "Nothing. Little Bun, this is for you. I'll come again!" The pastry flew over and the little girl immediately took it with her chubby little hand. The golden-haired young man chuckled and had already turned around to leave. The young man was startled. He originally planned to chase after her, but he immediately gave up the idea. The little girl caught the pastry steadily and smiled extremely happily. The young man couldn't help but feel worried when he saw this.

"What are the members of the Dragons doing here... Not to mention the Golden Dragons. Who exactly is he..." The young man frowned. The little girl in his arms stuffed the pastry into her mouth and ate it extremely happily. The young man sighed softly and caressed the top of the little girl's head with his hand. His sister, how should she go on the road in the future... Why didn't she inherit any special abilities from her mother and father? Why exactly...

The young man pondered, but he didn't know that the gears of fate were spinning quietly again. The miracles never stopped, just like back then. The story that belonged to them had just begun.

The alliance of the four families among humans wasn't a simple matter. Even with the leader of the Naxi family intervening, it was still full of difficulties. The four families had a high status since ancient times. Even though they had developed differently with the passage of time, they indeed had an aura of superiority in their bones. That was indeed the truth. No matter how the world developed, no matter how many new families rose,

they couldn't shake the status of the four ancient families in history. They couldn't replace the respect people had for the four families in their minds!

Otherwise, when Qu Lanyi announced his identity, the families in the Inner Area wouldn't have been able to calm down instantly. This was the intimidation of the four families.

The relationship between the four families was complicated and they didn't have much contact with each other. They basically each had their own king. Now that they were going to join forces, the difficulties could be seen. The leader of the Naxi family was willing to nod because of various reasons. Putting all these aside, it was impossible for him to agree to Yun Feng's request. The other two families were even more difficult to talk to than Naxi.

Regarding the Xuan family, even though Xuan Yi and Yun Feng knew each other and his attitude towards Yun Feng was also ambiguous, it didn't mean that the Xuan family could accept Yun Feng's proposal. There was also the Buyuan family. When they were in the Inner Area, the four families had secretly interfered and Yun Feng had dealt with them before. With this history, it was even more difficult to join forces.

The leader of the Naxi family didn't explain anything. He only said that he was on it. Yun Feng knew how much pressure the leader of the Naxi family was under in her mind. Even he wouldn't be able to make this matter succeed. There were many complicated relationships and other factors. If the alliance of the four families failed, Yun Feng wouldn't be confident in her mind. After all, the battle with the Blood Souls didn't just rely on strength!

The most important thing was still herself! After thinking about it, Yun Feng came to the same conclusion. Since the leader of Naxi was willing to help, she should take this opportunity to improve her strength greatly. She was the key link between the four families. Of course, she was also the one who initiated this alliance!

If her strength couldn't be recognized, everything would eventually fail!

Yun Feng had already made up her mind to gather the map fragments and find the seven Element Seeds. This was the only way to greatly increase her strength at the moment. Yun Feng, who had already entered the God King Level, couldn't use ordinary methods to increase her strength in a short period of time. The speed of swallowing Beast Souls was too slow. The Blood Souls were growing, so she had to be even faster! Besides, the Blood Souls were also interested in the Element Seeds. She had to beat them to it!

Yun Feng sorted out the few map fragments in her hand. There were twelve map fragments. Yun Feng had five in her hand, one from the Yun family, one from the forbidden area of the merfolk of the Endless Ocean, one from the ancient remains of the

Endless Ocean, one from the Young Master of the Golden Dragons, and one from Yun Feng's fifth contracted Magic Beast.

Yun Feng got three of the four map fragments of the Endless Ocean, and the last one was in the hands of the Chili Clan of the North Sea. Unfortunately, the Chili Clan protected the map fragment quite carefully. After the dragons entered the North Sea, they didn't find any traces of the map fragment. As the Chili Clan declined, the map fragments completely disappeared.

There were four more fragments in different places. The one in the hands of the Dragons belonged to Yun Feng, and the other three were very likely to appear. They might have fallen into the hands of the Blood Souls.

The last four were from the four major families in the human world.

Thinking of this, Yun Feng also asked Qu Lanyi about the map fragment. Qu Lanyi said that he didn't know about this, but the old man should know. Yun Feng pondered for a long time. Should she tell the leader of Naxi everything?

If she wanted to find the seven Element Seeds, she couldn't lack any map fragment. She would have to tell them everything sooner or later. She would need it sooner or later!

After pondering carefully, Yun Feng decided to tell the leader of Naxi a part of it. She wouldn't tell him that she had the map fragments for now, or it would cause a series of trouble. Qu Lanyi accompanied Yun Feng to the leader of Naxi again. After she told him why she was here, the leader of Naxi's expression obviously changed a lot.

"A map fragment?" The leader of Naxi looked at Yun Feng with a weird gaze. Yun Feng nodded. "I've already known about the map fragments. The three elders of the Yun family told me. Even though I don't know what the map fragments represent after they're pieced together, I think... this might be an opportunity."

Chapter 1708: Feng Qingxuan Arrives (1)

The leader of Naxi remained silent after hearing that. He looked at Yun Feng and then at Qu Lanyi. Seeing that, Yun Feng said again, "I know Uncle still has doubts about me and my request is very abrupt. However, if I want to join forces with the four families, my strength must make a qualitative breakthrough, or all my previous efforts will be in vain!"

"Old man, you don't trust Fengfeng?" Qu Lanyi raised his brows. The leader of the Naxi family chuckled and relaxed a bit. Then, he smiled a bit helplessly. "Kid, do you think I can give you this map fragment just because I want to?"

Qu Lanyi raised his brows. In the end, he frowned hard. "Do we... have to make those elders nod?"

The leader of Naxi smiled wryly. "Of course. The map fragment isn't with me. It's been kept by the elders until now."

Qu Lanyi frowned. "It's truly tricky."

The leader of Naxi shook his head. "Since you already know about the map fragment, you should know how important it is and what kind of bloodshed it caused..." The leader of Naxi looked at Yun Feng. "I can't help you with this."

"Wait!" Qu Lanyi suddenly raised his head. "Old man! Since the elders are keeping this map fragment, we just have to ask them to nod!"

The leader of Naxi was stunned! Then, his face stiffened. Did this kid think that those elders were as easy to talk to as him?

"Lanyi..." The leader of Naxi couldn't help but sigh, but Qu Lanyi didn't even listen. He stood up. "Old man, is there anything we should pay attention to when meeting those elders?"

The leader of Naxi was stunned again! This kid really dared to say and think!

"Do you think you can meet them whenever you want?" The leader of Naxi roared in dissatisfaction. Yun Feng couldn't help but smile wryly on the side. That was indeed the case. These so-called elders must have a high status in the Naxi family. If they were given the map fragment for safekeeping, their identity and strength would certainly be extraordinary! Besides, the leader of Naxi was so respectful, which showed how revered their status was!

Qu Lanyi, on the other hand, curled his lips and chuckled with inexplicable confidence in his black eyes. "It's simple. They'll definitely be interested to meet us if we mention a name."

The leader of Naxi raised his brows. What was this kid trying to say again?

Qu Lanyi winked at Yun Feng. His rather mysterious smile made Yun Feng puzzled. Name? Who exactly could make the elders of the Naxi race interested and want to meet them?

"Who?" asked the leader of Naxi. Qu Lanyi chuckled and raised his thin lips. "Feng Qingxuan."

The leader of the Naxi family's pupils shrank fiercely! "... Where did you hear this name?"

Seeing how excited his father was, Qu Lanyi frowned. "Old man, you know him too?"

"Feng Qingxuan... is still alive?" The leader of the Naxi family looked excited. Qu Lanyi was confused, and so was Yun Feng. "Uncle, why are you so excited?"

The leader of Naxi's eyes glittered. Feng Qingxuan, Feng Qingxuan... This name had been known for a long time! Ever since he disappeared, some people said that he had already died, some said that he was still in training and he had become a mystery! As time passed, Feng Qingxuan didn't show up again. Naturally, people thought that this dazzling star had died and they all felt a bit regretful in their minds. Now that he heard this name... This guy was still alive!

"Answer my question first!" The leader of Naxi was quite excited. Yun Feng and Qu Lanyi looked at each other and both nodded. The leader of Naxi was even more excited! That was great! He was alive! This Senior was still alive!

"Kid, did you mean that you've already seen him in person?" The leader of Naxi stared at his son. Qu Lanyi frowned in confusion. The old man looked so excited... Perhaps...

"Uncle, we've indeed met him in person." Yun Feng said as joy flashed through the face of the leader of Naxi!

"You were quite lucky to have met Senior Feng, but it'll take a lot of effort to invite him to the Naxi family..." The leader of the Naxi family whispered on the side. He even stood up excitedly and started pacing. "I'll go there myself... Or let the elders go..."

The two of them couldn't help but smile when they heard the leader of the Naxi family mutter. "Old man, there's no need for that at all. We'll go."

"What do you know? Feng Qingxuan isn't someone juniors like you can bring here!"

Qu Lanyi raised the corners of his mouth helplessly. Yun Feng smiled awkwardly. Her master's name had such an impact. In his active era, it could be seen how glorious he was. Indeed, nobody could compare to him... No wonder he could be as famous as the all-element summoner with just one element!

"Old man..." Qu Lanyi raised his voice helplessly. The leader of the Naxi family was still immersed in his excitement and joy. Qu Lanyi sighed helplessly, took a deep breath and shouted, "Old man!"

The leader of Naxi suddenly raised his head with a hint of anger on his face. "Why are you shouting?"

Qu Lanyi's temples throbbed. "There's something we haven't told you."

"We'll talk about it later!"

Qu Lanyi's temples throbbed again. Yun Feng couldn't help but smile awkwardly and say in a low voice, "Uncle... Well, Feng Qingxuan... is my master."

The leader of Naxi was shocked! He stared at Yun Feng with his black eyes for more than a minute! The scene was immersed in silence. Then, the leader of Naxi gasped slightly! Master?! Senior Feng was Yun Feng's... master!

Yun Feng chuckled. After a moment of surprise, the leader of Naxi became calm again. There were a lot of questions in his mind. How did Feng Qingxuan become Yun Feng's master... Even though it was normal for Feng Qingxuan to take in disciples, Yun Feng was too young!

"It's a long story, but Senior Feng is indeed Fengfeng's master. That's absolutely true," said Qu Lanyi casually. The leader of the Naxi family's pupils shrank fiercely. If his son confirmed it, it was true! Feng Qingxuan was really Yun Feng's master!

Thinking about it, it was normal. Yun Feng was too talented. It wouldn't be embarrassing for Feng Qingxuan to have her as his disciple. However... how exactly did Yun Feng meet Feng Qingxuan?

Chapter 1709: Feng Qingxuan Arrives (2)

"So, I said that we should just go. Or, Fengfeng can just send a letter. Senior Feng loves his disciple very much." Qu Lanyi chuckled and winked at Yun Feng. Yun Feng raised the corners of her mouth in embarrassment. Even though she had only been with her master for a short time, her master had never stopped taking care of her along the way. Yun Feng's respect for Feng Qingxuan in her mind also increased. The master-disciple relationship between the two of them could be said to be deep.

It was natural for Feng Qingxuan to protect Yun Feng. Even though he didn't say anything, he was extremely satisfied with Yun Feng's talent. Where could he find such a good disciple? Besides, Yun Feng went deep into the Beast Region to save him. For this, Feng Qingxuan had to love Yun Feng to the end. For his precious disciple, he wouldn't reject her even if she asked him to do something.

The leader of the Naxi family was amazed. This girl of the Yun family was truly extraordinary! Feng Qingxuan was her master! And she had a Fantastical Beast with her! The leader of the Naxi family's heart trembled fiercely. This girl... No wonder his son was so enamored to her!

"If possible, please invite Senior Feng Qingxuan to the Naxi family." The leader of the Naxi family changed his mind and looked at Yun Feng solemnly. "I'll explain to the elders of the Naxi family. For Senior Feng Qingxuan's sake, they shouldn't make things difficult for you. After all... Senior Feng Qingxuan and the Naxi family are old friends."

Yun Feng nodded with a feeling of relief in her mind. This master of hers was truly omnipotent. It should be said that he was famous all over the world.

Feng Qingxuan was resting in the headquarters of the Yun family right now. Yun Feng didn't want to disturb him, but at this point, she could only ask her master for help. Yun Feng picked up the Sound Transmission Jade. She thought her master might not pick up, but her master's voice came after a while.

"Disciple, what's wrong?" Feng Qingxuan sounded relaxed, but there was also a hint of pressure.

"Master, there's something I need your help with." Yun Feng was silent for a while before she finally said her request. After saying that, the Sound Transmission Jade was silent for a while and laughter came. "I thought it was something big. Alright, I'll go there. It'll be a reunion with old friends."

Yun Feng was delighted. Qu Lanyi couldn't help but heave a sigh of relief. "Thank you, Master! Lanyi and I will pick you up right away!"

The connection with the Sound Transmission Jade was cut off. Yun Feng and Qu Lanyi looked at each other and smiled. It was done!

Yun Feng and Qu Lanyi immediately set off for the headquarters of the Yun family to welcome Feng Qingxuan. The leader of the Naxi family also walked towards the area that the members of the Naxi family couldn't enter easily to meet the elders of the Naxi family.

Three days had passed. Nothing had changed in the Naxi family, but one person was different, Yu Lian. After thinking in seclusion for twenty days, she was finally allowed to go out. Yu Lian, who had been locked up for twenty days, could be said to be gloomy when she went out. Her eyes were also terrifyingly gloomy. There was only one person she had been thinking about in these twenty days, Yun Feng!

Her disgust and anger towards Yun Feng had been accumulating in the past twenty days, which made Yu Lian grit her teeth every day! Once she walked out of the room, Yu Lian certainly had to ask about Yun Feng's movements. When she found out that she and Qu Lanyi had already left the Naxi family, Yu Lian's anger rose even more!

"Yu Lian, why do you have to?"

"That's right. Yun Feng isn't easy to deal with. Don't fight with her head-on."

After the incident at the Falling Gold Pond, the few young people of the Naxi family who were on good terms with Yu Lian all looked at Yun Feng in a different light and couldn't help but persuade Yu Lian. Even though Yu Lian was one of the best, Li Yun had already lost to Yun Feng, let alone her.

It would've been fine if they didn't persuade her, but this made Yu Lian even angrier! Even they spoke up for Yun Feng. Damn it!

"You traitor!" Yu Lian cursed angrily, which immediately stirred up these few young people. They immediately left angrily and stopped interacting with Yu Lian. Yu Lian had been isolated since then, which made her even gloomier. Yun Feng, if you return to the Naxi family again, I'll definitely not let you have an easy time!

This thought burned in Yu Lian's mind. Her chance would come soon. The news of Yun Feng and Qu Lanyi's return immediately spread!

It was just an ordinary morning, but the Naxi family was extremely restless. It could be said to be surging! Almost all the members of the Naxi family came out and gathered! They were here for the elders of the Naxi family!

The elders, who had never shown up, showed up together on this day! This was a scene that the Naxi couldn't see at all!

The elders of the Naxi family had always been living in seclusion in the forbidden land of the Naxi family. They couldn't even meet the members of the Naxi family. What exactly happened today? They all walked out of the forbidden land! Not one elder, but all of them!

The members of the Naxi family were all stirred. This was the only chance to see the elders. They certainly couldn't let it go!

"Those are the legendary elders!"

"They're all so dignified..."

The members of the Naxi family gathered and discussed like a tide. The elders of the Naxi family stood there solemnly. Even though they didn't say anything, their aura explained everything!

Li Yun, who had been in seclusion since he lost, also came out. The outstanding younger generation of the Naxi family gathered together. They were also extremely excited in their minds when they saw these elders!

"These elders have all come out. Why exactly? Did something big happen today?"

"I don't know. It seems that they're waiting for someone... Who exactly is it that can make these elders move..."

The younger generation of the Naxi family all discussed with burning eyes. There were all kinds of guesses and they were in full swing! Li Yun's black eyes were burning with sparks. The elders of the Naxi family... This was the first time he had seen them! Their

aura and strength were indeed extraordinary! Who exactly were these elders waiting for?

"How long has it been? I didn't expect him to still be alive," said one of the elders in a deep voice. The expressions of the others also changed slightly. "Indeed. It can be said to be earth-shattering news that he's alive. If word gets out, many old guys will probably be tempted."

"Haha, I wonder if he'll be the same as before when he appears again?"

Chapter 1710: Feng Qingxuan Arrives (3)

The few elders looked at each other and smiled. Their brows moved slightly and they looked ahead with their deep eyes. The spatial fluctuation was extremely subtle. Other people often couldn't sense it, but it couldn't escape their perception. "It seems that he's here."

The leader of the Naxi family, who was in the front, was quite nervous and excited. As the spatial fluctuation became more and more intense, the leader of the Naxi family also understood that the guests had arrived!

"Buzz!" The space shook! This time, all the Naxi clansmen sensed it clearly!

"They're here!" Someone roared excitedly. All the Naxi clansmen looked at the surging space excitedly!

"Crack!" A spatial crack appeared! A few figures slowly walked out!

"It's Young Master... and Yun Feng?!" Li Yun's eyes widened and he couldn't help but lock his gaze on the figure in front of the two of them. "Who... is this?"

The members of the Naxi family started another commotion and all looked at Feng Qingxuan. Yun Feng and Qu Lanyi both smiled wryly. Why did he cause such a huge commotion? Qu Lanyi looked forward and his eyes couldn't help but darken!

"All the elders came to greet him in person..."

Yun Feng's heart skipped a beat when she heard this whisper! She looked up at the side of her master's face. Under so many gazes, her master's expression didn't change at all. It was indeed her master! Even though the man's strength hadn't returned to its peak, his aura was outstanding!

"Yun Feng!" Seeing Yun Feng appear, Yu Lian gritted her teeth! Seeing Qu Lanyi next to her, her heart even ached! She clenched her fists tightly!

"Senior Feng," greeted the leader of the Naxi family. The leader of the Naxi family completely humbled himself in front of Feng Qingxuan. Feng Qingxuan glanced at the leader of the Naxi family and nodded. He then looked ahead and put on a smile.

"We meet again." The elders finally put on a smile and greeted Feng Qingxuan. Feng Qingxuan chuckled. The elders glanced around. "It's time for us to catch up."

Feng Qingxuan nodded. He had to find an opportunity to tell them what his precious disciple asked him to do. The few elders and Feng Qingxuan immediately disappeared! The leader of Naxi was shocked! The members of the Naxi family also exclaimed!

The leader of the Naxi family then left, and the members of the Naxi family also dispersed. After all, the elders had all left. Yun Feng and Qu Lanyi were about to go back, when a voice stopped them.

"Yun Feng."

Yun Feng looked back. It was Li Yun. "You're out of seclusion?"

Li Yun raised his brows slightly. "No, I just didn't want to miss today's opportunity."

Yun Feng chuckled. "What's the matter?"

Qu Lanyi was called away by the leader of Naxi, leaving Yun Feng alone. Li Yun thought for a while and finally said, "Who exactly came with you and Young Master?"

Yun Feng raised her brows. "Why are you asking this?"

Li Yun's black eyes glittered. "To be able to attract the elders of the Naxi family, he must not be an ordinary person... He... must be a legend."

Yun Feng chuckled. Her master was indeed a legend! "Yes, it's not bad for you to think that way."

"Do you know that Senior?" asked Li Yun. Yun Feng thought for a while. "We... know him."

Joy couldn't help but flash through Li Yun's face! "Really? Then... can you introduce me to him?"

Yun Feng was stunned! A hint of embarrassment immediately flashed through Li Yun's face. Yun Feng immediately understood what he meant. Did he want to be taught by her master? A master craves a good disciple, and a disciple also wants a good master. Especially Li Yun!

"Sure, but... he doesn't intend to take in another disciple," said Yun Feng. Her master told her that. Feng Qingxuan only had Yun Feng as his disciple and he didn't intend to take in another one. According to Feng Qingxuan, he didn't want to take in any disciple at first, but after reaching the peak, he suddenly found that there were some things he wanted someone to carry on.

"He doesn't intend to take in another disciple..." Li Yun couldn't help but feel a bit disappointed. "Then do you know what kind of person that Senior's disciple is?" Li Yun looked up at Yun Feng. Yun Feng was startled. Should she tell him directly? Forget it...

"Just an ordinary person." Yun Feng chuckled. Li Yun's black eyes glittered. "If he's an ordinary person, I'll definitely be stronger than such a person. That Senior... might like me!"

Yun Feng was a bit speechless. If her master was willing, he would probably have outstanding disciples all over the world. Her master would definitely appreciate someone like Li Yun, but unfortunately...

"Ahem, well... maybe." Yun Feng chuckled. "I still have something to do. I'll go first."

Li Yun nodded. "Yes, I owe you a favor."

Yun Feng smiled wryly. This favor was for her to introduce him to her master. Ah... Yun Feng replied indifferently and turned around to leave. Li Yun looked at Yun Feng's back in a daze. That Senior came with Young Master and Yun Feng. Was that Senior's disciple Young Master? Li Yun shook his head. That was impossible... If it wasn't Young Master, could it be... Yun Feng?

This thought flashed through Li Yun's mind. Then, he couldn't help but sneer. Even though Yun Feng was quite talented and strong, that Senior was someone who could make the few elders greet him in person. His disciple should be better than Yun Feng. Besides, the Yun family had declined for so long. How could that Senior take Yun Feng in as a disciple? Also, it was impossible for him to do so in terms of age...

Li Yun clenched his fists hard. If only that Senior could like him... If he could get that Senior's guidance, he would definitely benefit for the rest of his life!

Feng Qingxuan stepped into the forbidden area of the Naxi family with a few elders and didn't come out for a few days. All kinds of speculations about Feng Qingxuan had already spread in the Naxi family. Everyone in Naxi was curious about Feng Qingxuan, especially the young people of the Naxi family.

In the minds of young people, Feng Qingxuan was undoubtedly the most outstanding master. They would be proud to have such a master. Besides, Feng Qingxuan gave people an intimidating feeling. They were proud to have such a master.

Yun Feng more or less heard these discussions and only smiled helplessly. Her master was indeed astonishing when he showed up in the world. She didn't know her master's influence exactly before, but she had a real-life experience now.

Chapter 1711: Feng Qingxuan Arrives (4)

Yun Feng had already known that Yu Lian had ended her seclusion. After this seclusion, Yu Lian probably understood something.

"Yun Feng!" Li Yun's voice came from outside the yard. Qu Lanyi wasn't here at this moment. Yun Feng walked to the yard door and saw Li Yun's rare excitement. "Do you remember what you promised me?"

Yun Feng raised her brows. Li Yun's black eyes glittered. "That Senior has already come out of the forbidden land!"

Master came out? Yun Feng pondered. She didn't know if those elders were willing to lend her the map fragment... That's right. They were lending it to her. Yun Feng didn't intend to take it for herself.

"Let's go." Li Yun urged. Yun Feng smiled wryly. Everyone was truly thirsty for talent.

"Yes." Yun Feng nodded and followed Li Yun forward. She also wanted to know the result of her master's trip.

Yun Feng and Li Yun walked together. The members of the Naxi family were all amazed when they saw them. Even though only a small number of people saw the competition between the two of them, it had already spread like wildfire in a few days. Everyone in the Naxi family knew Li Yun. He was a leader of the Naxi family, second only to the Young Master in everyone's minds. Yun Feng could beat Li Yun and was appreciated by the members of the clan for a while.

Li Yun's mentality and bearing were quite good. Even though he lost, he blamed himself and didn't deny Yun Feng's strength. His right attitude towards winning and losing was also the reason why Yun Feng showed kindness to him. She had met too many geniuses. Most of them were arrogant and impatient, even insufferably so. However, Li Yun wasn't like that. He was very clear about his goal and knew what introspection was.

Even though Li Yun used to be Yun Feng's opponent, he didn't have any other thoughts about Yun Feng. In Li Yun's eyes, Yun Feng could be considered a respectable opponent. He had a pretty good impression of Yun Feng. It could be said that among the younger generation of the Naxi family, there was no opponent that Li Yun liked. One of them was Qu Lanyi, the Young Master, whom he yearned to surpass. The other was Yun Feng, who suddenly appeared.

The two of them walked together and attracted a lot of attention along the way. Li Yun was expressionless and didn't care at all. Yun Feng was the same. Both of them had seen the world and didn't care about such a small amount of attention. Besides, both of them were anxious to meet someone, who was Feng Qingxuan.

"Li Yun, why are you walking with her?" A voice sounded. Then, a figure flashed out and stood in front of the two of them. Li Yun raised his brows unhappily. Yun Feng looked carefully and saw that it was Yu Lian, who had just finished thinking behind closed doors.

"Get out of my way." Li Yun didn't want to talk nonsense with her at all. He said coldly and was about to go over. Yu Lian blushed and stepped forward, not showing any intention of giving way. Li Yun frowned and anger gradually ignited in his eyes.

"I've heard about the battle between you and her. I didn't expect you, who's known as the leader, to lose to her?" Yu Lian said with a hint of mockery in her words. She looked at Yun Feng with an unfriendly gaze. Yun Feng raised the corners of her mouth. It seemed that she still hadn't learned her lesson.

"So what?" Li Yun said with the same cold tone. Yu Lian couldn't help but feel stunned!

"So what? Don't you feel embarrassed? You're even walking with her. Where's your dignity?" Yu Lian raised her voice and looked at Li Yun in disbelief. Li Yun frowned hard. "It's none of your business. Get out of my way!"

Yu Lian gritted her teeth fiercely. In just a short period of time, not only were those people speaking up for Yun Feng, but even Li Yun was on Yun Feng's side right now!

"Humph! You don't deserve the title of the leader at all. Your dignity is truly pitiful!" Yu Lian said coldly. Li Yun's face darkened. He suddenly clenched his fists so hard that his bones creaked. "If you don't get out of my way, don't blame me for being rude!"

Yu Lian's face darkened and she glared at Yun Feng fiercely! "Yun Feng! What exactly did you do? The younger generation of the Naxi Clan is standing up for you. Even Li Yun... wants to attack me for you!"

Yun Feng smiled awkwardly. It had nothing to do with me if Li Yun wanted to attack you, okay? Li Yun's expression changed slightly. "I have nothing to do with her."

"Then why do you want to attack me? How could she have the strength to beat you? She must've used some means. She's the best at cheating! I was the same back then..."

Li Yun glanced over coldly. "That's because you overestimated yourself. I know how strong she is. For the last time, get out of my way!"

Yu Lian shivered fiercely. She knew Li Yun's temper and strength. If she really angered him, he wouldn't care about anything and would really attack her! By then, there would definitely be another uproar and she might be punished according to the clan rules! Thinking of this, Yu Lian took a step back with difficulty. Seeing that Li Yun raised his eyebrows high, Yu Lian gritted her teeth and moved aside.

Li Yun walked over with a gloomy face. Yun Feng walked past expressionlessly. Yu Lian said in a low voice, "Yun Feng, don't be complacent! You'll be unlucky!"

Yun Feng chuckled and glanced at Yu Lian with her black eyes. She wouldn't take Yu Lian to heart at all right now and she wouldn't fuss about it at all. Yun Feng walked past casually and Yu Lian gritted her teeth in anger! Thinking of Yun Feng's status in the Naxi family right now, it had only been twenty days and she had already received so much support! And she... was alone and helpless because of her!

Li Yun walked in the front anxiously. Yun Feng chuckled. "Yu Lian is an outstanding member of the Naxi family after all. Aren't you going to say something about her?"

Li Yun raised his brows. "What does her business have to do with me?" His words were extremely cold and he didn't care at all. Yun Feng shrugged. She finally understood that Li Yun wouldn't take someone he didn't care about seriously at all, even if they were from the same clan. Yun Feng couldn't help but chuckle. If Yu Lian had some friends in the Naxi family, she would have pushed them away with her actions right now.

The two of them went all the way to where the leader of Naxi was. After coming out of the forbidden land, her master would probably come here directly. As expected, before the two of them got out, Yun Feng heard her master's voice coming from inside. It seemed that the leader of Naxi was talking to her master.

"Leader, Li Yun is here!" Hearing Feng Qingxuan's voice, Li Yun couldn't help but look excited. He immediately straightened his body and reported his name loudly. Yun Feng only stood aside.

Chapter 1712: Legendary Person (1)

"Oh? Li Yun is here?" The leader of the Naxi family's voice came from inside the house with a hint of surprise. "Senior Feng, Li Yun is an outstanding descendant of the Naxi family. Senior Feng, why don't you take a look?"

"...Alright." Feng Qingxuan replied casually, as if he wasn't very interested. Yun Feng raised her brows. It seemed that the leader of Naxi was quite concerned about Li Yun, as if he had the same thought as Li Yun. It depended on her master.

"Li Yun, come in!" There was a hint of joy in the voice of the leader of Naxi. The joy on Li Yun's face was even greater. He glanced at Yun Feng. "Leader, Yun Feng will come with me this time."

"Come in." Feng Qingxuan's voice came. His voice was much more vigorous than before. Li Yun looked at Yun Feng deeply. Yun Feng chuckled. "Let's go." Li Yun nodded with a hint of nervousness. The two of them entered one after another. Feng Qingxuan sat there and looked at Yun Feng with a smile. The leader of the Naxi family chuckled and stood up. "Li Yun, pay respect to Senior Feng."

Li Yun immediately looked respectful. "Senior Feng, I'm Li Yun."

Feng Qingxuan glanced at Li Yun casually without any change in his expression. The leader of the Naxi family couldn't help but feel a bit embarrassed. "...Ahem, Yun Feng, are you here for Senior Feng?"

Yun Feng nodded and looked at Feng Qingxuan. Feng Qingxuan chuckled and waved his hand, asking Yun Feng to join him. Li Yun's eyes glittered. Senior Feng was so close to Yun Feng!

Yun Feng stood next to Feng Qingxuan with a smile. Feng Qingxuan looked at the leader of the Naxi family. "As I said, I have no intention of accepting a disciple. That kid is no different from the one in front of me."

The leader of Naxi stood there awkwardly. Yun Feng raised her brows. It seemed that the leader of Naxi wanted Qu Lanyi to become her master's disciple? However, Lanyi... didn't seem to have any intention of doing so.

Li Yun was immediately anxious after hearing that. "Senior Feng! Why can't I be your disciple? I heard from Yun Feng that you have a disciple who's just an ordinary person. I'm confident that I'm not inferior to them!"

Feng Qingxuan raised his brows and glanced at Yun Feng with a smile. Yun Feng chuckled and didn't say anything.

The leader of Naxi was stunned and he also looked at Yun Feng. This girl was quite humble.

Feng Qingxuan looked at Li Yun coldly. "I'll decide whether or not to take you in. Kid, I don't like you."

Li Yun's expression froze! "Why don't you like me? My talent isn't bad! Besides, my strength..."

Feng Qingxuan's face turned cold. He stared at Li Yun with his black eyes and Li Yun's words were all stuck in his mouth!

"Talent? Strength? That's nothing in my eyes." Feng Qingxuan said slowly. Yun Feng thought a lot on the side. Indeed, her master had experienced a lot of vicissitudes in his life. He had met many outstanding people. She might not be the most talented one. The reason why her master treated her so well was probably because she was sincere to her master.

"Senior, what do you like?" Li Yun said with glittering eyes. It was obvious that he admired Feng Qingxuan and wanted to become his disciple.

Feng Qingxuan curled his lips. "Kid, what's the most important thing in your eyes?"

Li Yun was stunned, and so was Yun Feng. Then, she smiled lightly. She seemed to understand what her master meant.

"...What's the most important? Of course, it's power! Don't cultivators pursue greater power and higher levels?"

Feng Qingxuan raised his brows. "Do you want to be my disciple? Is it your goal to pursue power?"

Li Yun's black eyes glittered and he replied, "Yes! After becoming Senior Feng's disciple, I'll pursue the highest level of strength!"

Feng Qingxuan chuckled. "So, I don't like you."

Li Yun's expression changed. The leader of Naxi was very confused, but Feng Qingxuan had already said so. His meaning was already very clear. He didn't even like Qu Lanyi, let alone Li Yun... Ah! The leader of Naxi couldn't help but sigh in his mind. How exactly did Yun Feng make Senior Feng love her so much?

Li Yun still wanted to say something, but the leader of Naxi said, "Alright, Li Yun. Senior Feng has already made it so clear. If you're not fated, you're not fated."

"But..." Li Yun was quite unwilling. How exactly did he lose? With his talent and strength, why didn't this senior take a fancy to him?

"Li Yun, that's enough!" The leader of Naxi's face darkened slightly. Li Yun's face darkened slightly. After a few seconds of silence, he slowly said, "Since Senior Feng doesn't like me, I know I don't have the fortune. I beg you to tell me who your disciple is so that I can give up!" Li Yun raised his head with glittering eyes. Feng Qingxuan couldn't help but feel a bit frustrated. These young people, who liked power, had nothing else in their eyes except passion for power.

"She's right in front of you. Disciple, shouldn't you say something?" Feng Qingxuan looked at Yun Feng. Yun Feng chuckled and looked at Li Yun in embarrassment. Li Yun's body completely stiffened! "That disciple... It's you! Yun Feng!"

Yun Feng raised the corners of her mouth gently. "Yes, it's me."

Li Yun's black eyes widened. An ordinary person? Nothing special? Was that how she described herself? It was something to become Senior Feng's disciple. She was so low-profile that she didn't even take the initiative to mention it!

Li Yun's black eyes glittered. He seemed to understand why Feng Qingxuan didn't like him, but he was still a bit unwilling. Feng Qingxuan said casually, "Kid, my disciple isn't someone you can compare to. You'll lose yourself sooner or later if you only know how to pursue power."

Li Yun's heart sank. What Feng Qingxuan said kept echoing in his mind. The leader of Naxi pondered after hearing that.

"Thank you, Chief. Senior Feng, I'll take my leave," said Li Yun. The leader of the Naxi family nodded. Li Yun glanced at Yun Feng and turned around to leave. He wasn't calm at this moment. He had never felt that it was inappropriate to pursue power blindly in the past, but now... it was worth thinking about.

"I have something to say to my disciple," said Feng Qingxuan. The leader of the Naxi family chuckled. "Senior Feng, please help yourself."

Feng Qingxuan stood up. "Disciple, come with me."

Yun Feng nodded. After bowing to the leader of the Naxi family, she followed Feng Qingxuan out. Seeing the two of them leave, the leader of the Naxi family heaved a long sigh. "That girl of the Yun family is truly different... That kid likes her so much and Senior Feng even cares about her... No wonder, no wonder..."

Chapter 1713: Legendary Person (2)

Feng Qingxuan walked out of the room. "Disciple, take me to where you live."

Yun Feng nodded and led Feng Qingxuan to Qu Lanyi's yard. After they entered, Qu Lanyi quickly greeted them. "Senior Feng." Qu Lanyi greeted him. Feng Qingxuan was stunned. "Why are you here?"

Yun Feng smiled awkwardly. "Master... Lanyi and I have been living here since we came to the Naxi family. This is his yard."

Feng Qingxuan immediately changed his expression. Qu Lanyi smiled wryly. "Senior Feng, I've never done anything crossing the line. I've been very obedient..."

Feng Qingxuan glanced at Yun Feng. Yun Feng blushed and nodded. Feng Qingxuan glanced at Qu Lanyi coldly. "You two aren't married yet. If you dare to do anything, I won't let you go."

Qu Lanyi smiled wryly. Great, he had dealt with her brother and father, but now, her master had appeared... It seemed that he couldn't go any further until he married Fengfeng...

Yun Feng blushed. It was truly embarrassing for her master to talk about such a topic. Yun Feng immediately changed the topic. "Master, how about the map fragment? Are the elders of the Naxi family willing?"

Feng Qingxuan sat down and chuckled. He twisted his wrist gently and a map fragment appeared in his hand. Yun Feng and Qu Lanyi were both delighted to see that!

"I'm here in person. They're not unwilling to lend me the map fragment." Feng Qingxuan smiled casually. "Take it." Yun Feng handed the map fragment to Yun Feng with indescribable gratitude in her mind. If it weren't for her master, she wouldn't have been able to borrow this map fragment no matter what!

"Thank you, Master!" Yun Feng took the map fragment and said solemnly, which made Feng Qingxuan chuckle. Qu Lanyi couldn't help but say, "As expected of Senior Feng. You convinced those old guys..."

Feng Qingxuan became serious. "Disciple, how many map pieces do you have right now? Should you tell me your future plans?"

Yun Feng and Qu Lanyi looked at each other. Yun Feng said and told Feng Qingxuan her plan. Feng Qingxuan listened quietly and was silent for a while before he said, "It will take a long time for me to recover my strength. I can't help you much..."

"Master has already helped me a lot along the way! I've inherited a lot of things from you and benefited a lot!" Yun Feng's black eyes glittered and she was very serious and respectful. Feng Qingxuan couldn't help but smile when he saw that. "Kid..."

"Senior Feng, do you have any suggestions?" asked Qu Lanyi. Feng Qingxuan was the one who informed them about the Element Seed and the Map of Elements. They should certainly listen to Feng Qingxuan's suggestions in the future. Perhaps they could take a lot fewer detours.

Feng Qingxuan waved his hand and an invisible aura oozed out of his body, enveloping the surrounding space. The space shook slightly and returned to normal. However, Qu Lanyi and Yun Feng both knew that Feng Qingxuan had already sealed the surrounding space!

"Disciple, take out all the map fragments you've collected right now. I'll take a look."

Yun Feng nodded and took out the five pieces of the map in her hand. Plus the one from the Naxi family, there were six pieces in total. The drawings on the six small pieces of the map were all different. Feng Qingxuan looked at them carefully for a while and tried to put the pieces together, but it was wrong no matter how he tried. The patterns couldn't be connected at all.

Logically speaking, Yun Feng had already got half of the twelve in total. She should be able to put together a part no matter what. However, the strange thing was that these six parts couldn't be connected at all! Was it so coincidental that something was missing in the middle of these six parts at the same time?

Feng Qingxuan frowned and pondered for a long time. He fiddled with the pieces of the map with his finger and a glint of darkness flashed through his black eyes. He immediately closed his black eyes and a faint rhythm of elements came out of his body!

Yun Feng and Qu Lanyi were shocked! Even though the rhythm was very shallow and Feng Qingxuan hadn't recovered even half of his strength, the fluctuation was shocking! It was obvious how astonishing Feng Qingxuan's strength was at his peak!

The God Venerable Level... That was the highest peak of the God Level!

As the fluctuation of elements spread, faint dark elements appeared from Feng Qingxuan's fingertips and gradually enveloped the six elemental fragments. Instantly, the six fragments that came into contact with the dark elements all changed. The patterns on the map fragments instantly disappeared and turned blank!

Yun Feng and Qu Lanyi were both shocked! The patterns engraved on the fragments were all gone!

Feng Qingxuan slowly retracted the dark elements. Surprisingly, the patterns that disappeared just then returned to normal the moment the dark elements retreated!

"What's going on?" Yun Feng looked at the six map pieces in confusion. Feng Qingxuan frowned and looked at them for a while, before he finally said, "Maybe I'm right..." Feng Qingxuan raised his head. "Disciple, just like what I did just then, show me all your five elements."

Yun Feng was slightly stunned! Qu Lanyi was also stunned! Feng Qingxuan looked at Qu Lanyi. "And your light elements."

Together with her master's dark elements, the seven elements had to be mobilized? Yun Feng took a deep breath. Since her master asked her to do it, she would do it! Immediately, five types of light appeared in Yun Feng's hand and enveloped the six map pieces completely. Qu Lanyi also released the light elements. The colors of the elements intertwined beautifully and were even a bit shocking! Feng Qingxuan

narrowed his eyes and looked at the map pieces wrapped in six elements. His black eyes glittered. As expected.

Under the connection of the six elements, the six map pieces changed wonderfully like before, but they were slightly different! When Feng Qingxuan's dark elements touched them just then, the original patterns all disappeared, but this time, they changed completely!

After the six map fragments were soaked in the power of the elements, they emitted different light. Two of the map fragments burst out with the same color. The two of them were like magnets, connected and pieced together!

"This is..." Yun Feng was surprised! The other map fragments also emitted different light, but there were no more two pieces of the same color!

"Alright," said Feng Qingxuan casually. Yun Feng and Qu Lanyi retracted their elemental power. The two fragments of the map that were pieced together completely changed, while the other four pieces returned to their original appearance.

Chapter 1714: Legendary Person (3)

Feng Qingxuan picked up the two fragments of the map that had been pieced together. They formed a completely new pattern, like a small map. The texture had turned completely blue! Just like the water element, Yun Feng seemed to notice the surging water element. A new pattern appeared on the blue map. All the routes could be pieced together!

Feng Qingxuan smiled. "It's indeed the Map of Elements..."

"Master, what exactly is this..." Yun Feng was confused. Feng Qingxuan smiled casually. "These map fragments all come from the Map of Elements. There are seven Element Seeds on the map that is divided into twelve parts. They certainly have a special meaning. To open the Map of Elements, we must use the power of elements."

"Is that why Senior Feng used the dark elements to test it just then?"

Feng Qingxuan nodded and continued, "The twelve fragments of the map should correspond to the seven Element Seeds. I was wondering how the seven Element Seeds correspond to the twelve maps, but I have an answer now."

Yun Feng also understood what Feng Qingxuan meant. "The five basic elements each correspond to two map fragments, and light and darkness are very likely to correspond to one of them!"

Feng Qingxuan chuckled and looked at Yun Feng in satisfaction. As expected of his disciple. She understood everything right away.

"Two map fragments correspond to one of the five elements..." Qu Lanyi looked at the blue map in Feng Qingxuan's hand. "So, there's only one map fragment corresponding to light and darkness respectively. As long as there's one, we can find the Seed of Light or Darkness!"

Yun Feng's face darkened! Feng Qingxuan frowned slightly. "I've been thinking about how the members of the Blood Souls have mastered the dark element. Even the darkness Fantastical Beast can't do that. The only possible explanation is that the Blood Souls not only have the darkness Fantastical Beast, but also the Darkness Seed."

Yun Feng's heart sank. The seed of darkness... That was indeed the case. Even though the darkness Fantastical Beast was the peak existence of the darkness Magic Beasts, everyone in the Blood Souls had dark elements. Even the darkness Fantastical Beast couldn't do this! Besides, the darkness Fantastical Beast in the hands of the Blood Soul wasn't complete! Thinking of her black jade pendant, Yun Feng was even more certain that her master was right in her mind. The seed of darkness, the source of the power of dark elements, was the only thing that could provide the Blood Souls with endless dark elements!

"If the Blood Souls already have the seed of darkness in their hands, we have to speed up!" Yun Feng said with a much more serious look. Feng Qingxuan chuckled. "Even though the Blood Souls have the seed of darkness in their hands, they haven't done much, which proves that we still have a chance. Besides, you also have the seed of water element."

Feng Qingxuan gave the blue map to Yun Feng. "As for the other four fragments, fire, wind, lightning and earth each correspond to a fragment. The map fragment of the light element isn't among them."

"So, we have a higher chance of winning." Qu Lanyi smiled casually. Yun Feng also put on a smile. She had one of the other four Map of Elements fragments. As long as she found another map fragment, two Element Seeds would appear!

"The place on this map should be the Endless Ocean," said Feng Qingxuan as he looked at Yun Feng. "You must have been to the Endless Ocean."

Yun Feng nodded. It was reasonable for the water element's seed to appear in the Endless Ocean. Fortunately, there were dragons in the Endless Ocean right now, so it would be much more convenient for her to move. Feng Qingxuan chuckled. "In that case, you should go as soon as possible. Even though you still have time, it's urgent."

Yun Feng nodded and put away all the map fragments. If she wanted to go to the Endless Ocean again, she must find the map fragment of the Chili Clan on this trip!

"If you're in trouble, feel free to contact me," said Feng Qingxuan.

Yun Feng nodded, but she had already decided not to trouble her master in her mind. Her master needed to recuperate after recovering his strength. "Master, is there any way or thing that can increase the speed of recovery of your strength?"

Stunned, Feng Qingxuan burst into laughter. "Speaking of which, I seem to have forgotten to ask, disciple, what level are you at right now in potion making?"

Yun Feng smiled shyly. "I'm just a one-star grandmaster."

Feng Qingxuan nodded in satisfaction. "Not bad. It's already rare for you to reach one-star grandmaster at your age. Even I'm not as talented as you in pharmaceuticals."

Yun Feng blushed slightly. "How about you, Master? Master's pharmaceutical skills should be at the three-star grandmaster level!"

Feng Qingxuan chuckled. "I dare not brag about my pharmaceutical skills. You're already quite strong right now. If you really want to help me improve my strength, reach the three-star grandmaster level as soon as possible."

"Master, you mean that a three-star grandmaster potion can help you recover your strength faster?"

Feng Qingxuan smiled again. This girl cared about him. "You can say that, but it's not a potion. It's just a simple herb. However, this herb can only be found with some kind of three-star grandmaster potion."

Qu Lanyi chuckled. "Senior Feng, you should really see Fengfeng's unique way of making medicine."

"Oh?" Feng Qingxuan raised his brows with interest. Yun Feng blushed. Her master would be shocked if he saw how she made medicine, but how could Yun Feng embarrass herself? "There's no need for that. Master, tell me which potion you want and what herbs you need."

Feng Qingxuan told her about the potions and herbs and said, "Let's put my business aside. Finding the Element Seed is your top priority."

Yun Feng nodded. It was important to find the Element Seed, but it was also important to help her master recover his strength faster!

Yun Feng decided to set off immediately. Qu Lanyi planned to go with her, while Feng Qingxuan decided to return to the headquarters of the Yun family. According to him, it was much more relaxing in the headquarters of the Yun family than here. If it weren't for

Yun Feng's request this time, Feng Qingxuan wouldn't have stepped into the Naxi family at all.

After knowing that Yun Feng and Qu Lanyi were leaving, the leader of Naxi gave a lot of instructions. He had already started communicating with the four families. Yun Feng thanked him again and again. The leader of Naxi asked earnestly, "Kid of the Yun family, do you think... it's time for you to get married?"

This time, it wasn't Yun Feng who spoke first, but Qu Lanyi who rejected him. "Old man, let's put this matter aside."

Chapter 1715: Legendary Person (4)

Yun Feng looked at Qu Lanyi gratefully. Qu Lanyi smiled gently. He knew Yun Feng's concerns. He wasn't in a hurry. The two of them had already thought of each other as lifelong partners. They only lacked a procedure to announce to the world. This procedure could be held anytime. As for other things... he could tolerate it.

The leader of Naxi chuckled and nodded. "Although I really want this kid to marry you as soon as possible, the current situation... I'm afraid you can only hold back first."

Yun Feng smiled. "Yun Feng understands."

The leader of Naxi nodded. "Yes, be careful in this trip. Kid, remember what I told you."

Qu Lanyi waved his hand impatiently. "Got it."

The two of them returned to the courtyard. They would leave the Naxi family tomorrow and prepare to go to the Endless Ocean. Yun Feng looked at the blue map in her hand. There was a completely different pattern on it. The more Yun Feng looked at it, the more familiar she found it. This place... She seemed to have been there before?

The more Yun Feng looked, the more she frowned. This feeling of déjà vu became stronger and stronger, so strong that she almost remembered!

The remains!

A glint of light suddenly flashed through her mind! That's right! She had indeed been to this place before. It was here that she found the ancient remains of the Sea Clan. It was here that she absorbed the aura of an unknown species of the Sea Clan!

Yun Feng's heart heated up! The Element Seed was there!

"What's wrong?" Qu Lanyi walked over and asked curiously. Yun Feng looked up with surprise in her eyes. "Lanyi, I've been to the place shown on the map!"

Qu Lanyi was surprised! Yun Feng continued, "It's here that I found the remains of an unknown member of the Sea Clan and absorbed its aura!"

Qu Lanyi raised his brows and chuckled. "That's great. This will save us the time of searching. Let's get straight to the place."

Yun Feng, on the other hand, frowned. She entered that place purely by chance. "I entered this place purely by chance. When I participated in the qualification contest of the families in the Inner Area back then, I entered a place called the Sunken Moon Forest. I met a group of unknown members of the Sea Clan there and... entered the deep pool in their territory by chance."

"The Sunken Moon Forest of the Inner Area?" Qu Lanyi raised his brows. "The Sea Clan? So, someone from the Sea Clan came to the land?"

Yun Feng nodded. "Indeed. Those members of the Sea Clan have obviously undergone a second evolution. Even though they still have some characteristics of the Sea Clan, they can already survive on land."

Qu Lanyi smiled. "In that case, we can only enter that place again and follow the original method. Otherwise, the Endless Ocean is so vast that it will take a lot of effort to find this place."

Yun Feng nodded. She had the same thought. Rather than searching blindly in the Endless Ocean, it was better to enter again in the same way as before! However, those members of the Sea Clan, who had already stepped onto land, were very unfriendly. And that deep pool... seemed to be something they valued very much.

By then, there would probably be a fierce battle.

Yun Feng, Qu Lanyi and Feng Qingxuan went back to the Inner Area together. Even though the leader of Naxi asked them to stay, he couldn't keep Feng Qingxuan here. According to Feng Qingxuan, this place wasn't as comfortable as the Yun family.

Yun Feng was certainly willing to travel with her master. She decided to leave the next day. Yun Feng didn't expect Li Yun to visit again.

"You're leaving?" Li Yun came. At this moment, Qu Lanyi was called over by the leader of Naxi, as if he had something else to tell his son. Yun Feng walked out of the yard and looked at Li Yun. He seemed to have matured a lot in a short period of time and wasn't as arrogant as when she first met him.

"Yes, there are some things that I have to do again," replied Yun Feng with a smile. Li Yun raised his brows and pondered for a while before he said, "I've been thinking about what Senior Feng said these days. Even though I still can't figure it out, I can more or less understand why he accepted you as his disciple."

Yun Feng was slightly startled. Li Yun chuckled. This was a smile that he rarely showed. "If it's you, I would be willing to admit defeat."

"You?" Yun Feng said. Li Yun turned around. "I'll keep improving myself. Yun Feng, one day... I'll surpass you."

Yun Feng curled her lips with a smile in her black eyes. "It seems that I have to work harder too."

Li Yun raised the corners of his mouth and waved his hand. His body flashed and he had already left quietly. Yun Feng chuckled and was about to turn around and go back, when a gust of cold air suddenly came from behind. Yun Feng's body flashed instinctively and a beam of light had already flashed past her!

"Who's there?" She attacked! Her mental strength was flung away like a whip. "Pa!" The two whips overlapped and a pair of eyes full of resentment appeared!

"You still haven't given up?" Yun Feng raised her brows and looked at Yu Lian, who was full of resentment, coldly.

"Give up? How can I give up? It's all your fault! You made me unable to stay in the Naxi family anymore!" Yu Lian roared furiously! She held the whip in her hand tightly and the depths of her eyes were burning with anger that had been suppressed for a long time!

"It seems that you didn't reflect on yourself behind closed doors," said Yun Feng coldly. Yu Lian was even more enraged. "Shut up, you outsider! It's not your place to talk about my business! Why? Why do they all speak up for you? Even Li Yun is standing next to you! Why?"

Yun Feng looked around. This place was already a distance away from Lanyi's yard. Yu Lian saw this opportunity before she attacked. She didn't have the courage to be impudent in Qu Lanyi's yard.

"If it weren't for you, how would Brother Lanyi hate me so much? I've liked Brother Lanyi since I was young! You came out of nowhere! You're not worthy of Brother Lanyi at all!" Yun Lian roared. Yun Feng listened with a cold face. This woman was quite paranoid. Her feelings for Lanyi had already reached a point where they were about to distort. No wonder Lanyi ran away from the family in such a sorry state. Yu Lian contributed a lot.

"Do you know why Lanyi left the family back then?" Yun Feng raised her brows. Yu Lian was slightly stunned. "You said I'm the troublemaker. In fact, it's all thanks to you. If you

hadn't pestered him again and again, forcing him to take the initiative to escape, he might not have met me."

"W-What did you say? You mean, I'm the one who caused the current situation?"

"That's right!" Yun Feng said coldly! "If it's not you, who else can it be? You don't need to blame someone else. You're the culprit!"

Chapter 1716: Legendary Person (5)

"Nonsense!" Yu Lian suddenly shouted and swung the whip in her hand fiercely!
"Swish...!" The whip came with the faint sound of the wind!

"Pa!"

Yun Feng extended her hand and clenched it fiercely in the air! She grabbed the end of the long whip firmly in her hand!

Yu Lian was shocked! She pulled her wrist fiercely and Yun Feng clenched her fists. Yu Lian exerted more strength. Yun Feng's black eyes darkened as she clenched her fists and pulled fiercely!

"Argh!" Yu Lian let out a painful cry. The whip was almost pulled out of her hand!

"Damn it!" There were tears in Yu Lian's eyes. She realized that the gap between her and Yun Feng was different from before! She could still be extremely arrogant when she saw Yun Feng back then, but now, she wasn't Yun Feng's match anymore! If only she had attacked back then! This thought couldn't help but flash through Yu Lian's mind. Yun Feng had surpassed her in such a short period of time. How could she be willing? How could she accept it?

"You're only at Grade 7 of the God Level. I'm already in the God King Level right now. How are you going to beat me?" Yun Feng exerted strength in her hand. Yu Lian shook her hand fiercely and the whip slashed out again. Yu Lian gritted her teeth and held it tightly. Several red marks had already appeared in her palm! She wasn't Yun Feng's match. She wasn't Yun Feng's match at all!

"If I'm not worthy of Lanyi, let alone you," said Yun Feng coldly. Yu Lian's body trembled fiercely! She gritted her teeth and tasted a strong smell of blood!

"... It's not your place to talk about me!" Yu Lian's voice became louder, as if she was about to burst out completely! A glint of determination flashed through her black eyes as she twisted her wrist! A bottle of potion appeared!

"I'll beat you at all costs!" With a deep roar, the potion was completely poured into her mouth! It quickly swam in her body and Yu Lian's aura instantly changed! She, who was at Grade 7 of the God Level, had forcibly broken through to the God King Level!

Yun Feng's black eyes darkened. Such a fierce increase... She couldn't possibly be qualified to have this potion.

"Is this how it feels to be in the God King Level? Hahahaha!" Yu Lian, who had forcibly advanced to the God King Level, felt the new energy fluctuation and was extremely excited in her mind and body! "Yun Feng, I'm not inferior to you at all!" Yu Lian's expression was extremely ferocious. Her facial features were twisted because of this excitement. She exerted strength on her wrist and Yun Feng felt a sharp pain. The whip had already been pulled back by force.

The effect of the potion was so fierce! Yun Feng looked at her slightly red palm and Yu Lian, who had already lost her mind, with her black eyes. "Such a fierce potion won't do you any good." Yun Feng said as viciousness flashed through Yu Lian's eyes! "You don't have to say anything!" Her fighting energy gathered on the whip and she swung it at Yun Feng fiercely!

"Pa!" The sound hit the air! The air shook gently! Yun Feng had already dodged agilely and the next whip had already followed!

"Pa, pa, pa!" Continuous whips sounded in the air and overlapped!

"Yun Feng! Who said I can't beat you?" Yu Lian's crazy voice sounded. Yun Feng understood that Yu Lian didn't have any rationality left right now. She already wanted to kill her!

"Die!" With a furious roar, the whip flew over! Yun Feng's heart sank. Yu Lian had the intention to kill her, so she couldn't be polite to Yu Lian!

"Roar...!" The Fire Cloud Wolf's huge body with fire appeared!

"Contracted Magic Beast? Even if you let all five of them out, I won't be afraid of you!" Yu Lian laughed crazily and a long whip had already appeared in her hand! She gathered fighting energy in her hands and waved the two long whips intertwined! Cross fighting energy attacks came from the long whip and waved in the air like darts!

Yun Feng tapped her toes and her body had already jumped into the void. Little Fire also roared and flew into the void on fire!

"Master, this woman is a lunatic!" Little Fire roared. "This time, I'm really going to tear her throat apart!"

"Her strength increased with potions. Even though it won't be long, her strength is indeed fierce. We should be careful!"

The master and servant's figures flashed past the cross-shaped fighting energy attacks that filled the sky and kept flashing around, getting closer to Yu Lian!

"You want to get close to me? In your dream!" Yu Lian roared! The long whips swept over crazily like a snake! Her fighting energy was immediately like two tornadoes. Anyone who got close would be completely swept up!

"Little Fire, get out of the way!"

The human and the beast flashed to the sides. Yu Lian's crazy laughter continued! Yun Feng's black eyes darkened and she instantly closed her eyes! Her aura instantly increased crazily. She was at Grade 3 of the God King Level!

"Roar...!" A furious roar burst out of the Fire Cloud Wolf's body. Fire suddenly rose! It was burning fiercely!

"It... It increased! It increased again!" Yu Lian noticed the change in Yun Feng's aura and her expression changed drastically! How could she have increased? Hadn't she just entered the God King Realm? Did she hide her strength? She wasn't at Grade 1 of the God King Realm!

"Human, I'm going to tear you apart!" The Fire Cloud Wolf roared and came with raging flames! Yu Lian looked gloomy. She waved her whips fiercely and retreated a hundred meters. She twisted her wrist and Yun Feng widened her black eyes! That was... a talisman!

"I'll let your contracted Magic Beast die here first! Summoner!" Yu Lian smiled viciously and clasped her hands! Her fighting energy instantly invaded the talisman and exploded!

"Buzz..." A powerful force suddenly burst out of the talisman. Yun Feng's expression immediately changed drastically!

"Little Fire, come back!" With a furious shout, a beam of red light instantly returned to Yun Feng's Ring of Contract. Yu Lian suddenly burst into laughter. "Without your contracted Magic Beast, it's you!" She had already separated her hands. The power in the talisman was aimed at Yun Feng and instantly exploded!

"Boom!"

The power spread out and exploded in the sky!

"This is..." The leader of the Naxi family, who was talking to Qu Lanyi, changed his expression drastically. Qu Lanyi, on the other hand, rushed out!

The dazzling light rushed towards Yun Feng and a huge force rolled over like a vortex. Yun Feng's heart tightened. This power... was so magnificent! She might not even have a chance to dodge!

"Yun Feng! Die!" Yu Lian's crazy roar came faintly. Yun Feng couldn't hear it clearly anymore. A huge force rushed over quickly. Yun Feng knew that she should do something. She had to do something!

She clasped her hands tightly. When the fusion power of the five elements was about to erupt, a loud voice penetrated the heavy fog and arrived next to Yun Feng!

Chapter 1717: Legendary Person (6)

"Who dares to touch my disciple?"

It was Master!

A force wrapped around Yun Feng's body and pulled her out of the vortex of power! In the faint light, Feng Qingxuan stood in the sky with a cold face and swung his hand. Thick dark elements turned into a long dragon that roared!

"Master!" Yun Feng shouted worriedly. Her master's power hadn't recovered yet and his body was still weak. How could he make such a big fuss?

"Fengfeng?!" A pair of warm arms hugged Yun Feng. It was Qu Lanyi. Qu Lanyi landed on the ground with Yun Feng in his arms and a scream came from the sky. "Argh!" With a scream, a figure fell heavily from the sky and landed on the ground!

"Senior Feng!" The leader of Naxi arrived and was shocked to see Feng Qingxuan attack! Feng Qingxuan, who was in the sky, sneered. "You're too weak to touch my disciple!"

"Yu Lian!" The expression of the leader of Naxi changed drastically when he saw that it was Yu Lian who fell to the ground. Especially after seeing the talisman in her hand, he was even gloomier! How bold!

Feng Qingxuan landed from the sky. Yun Feng immediately came to him. "Master! Are you alright?"

Feng Qingxuan smiled. "I'm fine. She can only activate one-tenth of the talisman, or I wouldn't have been able to resist it."

Yun Feng frowned hard. "I'm useless!"

Stunned, Feng Qingxuan patted Yun Feng's shoulder. "Do you know what power is contained in the talisman she activated? That talisman contains the power of a God Venerable! I could only stop it when I was at my peak, let alone you, who's only at the God King Level."

"The power of a God Venerable!" Qu Lanyi was shocked! Then, raging anger surged on his handsome face! "This woman... How dare she..."

"Ugh!" Yu Lian, who fell on the ground, finally moved. She crawled out of the deep pit in a sorry state with blood all over her mouth. Seeing that Yun Feng was safe and sound, she looked fierce. "She's not dead... She's not dead!"

"You..." Qu Lanyi gritted his teeth. He couldn't stand it anymore and was about to attack, when the leader of the Naxi family shouted furiously, "Stop!"

"Old man! She stole an elder's talisman. Isn't that enough for me to attack her?" Qu Lanyi shouted angrily. The leader of the Naxi family said gloomily, "There's a family rule that will punish her. It's not your place to do anything."

Feng Qingxuan looked at Yu Lian coldly. Yu Lian shivered under his gaze. He was the one who blocked the attack just then... If it weren't for him, Yun Feng would have died right now!

"leader of the Naxi family, you must give me an explanation," said Feng Qingxuan casually. This person dared to attack his disciple. She was already lucky that he didn't kill her.

"Senior Feng, don't worry. The Naxi family has its own rules." leader of the Naxi family said with a deep expression. "Yu Lian, you've disappointed me too much."

Yu Lian sneered. "Why should she... She's not worthy at all... Brother Lanyi! It's all her fault. It's all her fault..."

The leader of Naxi was extremely disappointed. "You stole the elder's talisman and the master-level potion and attacked a guest of the Naxi family without permission. Naxi can't tolerate you anymore. The surname Naxi can't tolerate you either."

Yu Lian's black eyes darkened. "Chief..."

The leader of Naxi looked cold. "I asked you to come to the main family of Naxi because I valued your ability and wanted to nurture you, but you disappointed me too much. You overestimated yourself and didn't repent!"

"But leader, she... Isn't she just a multi-element summoner? What's so great about her?"

The eyes of the leader of Naxi darkened. Was she still not repentant at this moment?

Feng Qingxuan sneered. "What's so great about being a summoner?"

The leader of the Naxi family looked embarrassed. Yu Lian looked up. Perhaps because she had already collapsed, she dared to whisper to Feng Qingxuan. "That's right! What's so great about being a summoner? You can just contract with a Magic Beast! Yun Feng, if you have the ability, contract with a Fantastical Beast! Hahahaha! You don't have the ability at all!"

Yun Feng's eyebrows moved slightly. Qu Lanyi sneered. "You're still talking nonsense at this point. You really deserve to die!"

"Brother Lanyi..." Yu Lian looked at Qu Lanyi in despair. "What's so great about her... She's just a summoner..."

"I can't contract with a Fantastical Beast, but... if you want to see one, I can grant your wish." Yun Feng was expressionless. Yu Lian was startled. Then, she burst into laughter. "A Fantastical Beast? Hahahaha, can a Fantastical Beast follow you? Yun Feng, you're too arrogant!"

Yun Feng didn't say anything else. She just waved her hand fiercely and the space around her trembled slightly. A figure slowly appeared. Ah Luo appeared expressionlessly and raised his brows to glance at Yun Feng. "Why did you ask me to come out?"

Yun Feng looked at Yu Lian with her black eyes. Yu Lian looked shocked and turned into a stone statue! She stared at Ah Luo with her black eyes. Fantastical Beast... Was that a Fantastical Beast?

"That's impossible! He can't be a Fantastical Beast!" Yu Lian roared as if she was about to collapse! It was impossible for Yun Feng to have a Fantastical Beast with her! How was that possible? That was... a Fantastical Beast!

Ah Luo frowned slightly. "Interesting. This is the first time a human has doubted my identity."

Yu Lian stood up from the ground in a sorry state. "You're lying! Yun Feng! I don't believe it! How can a Fantastical Beast be with you?"

Instantly! Ah Luo attacked! Yun Feng only saw a beam of dense purple waving towards Yu Lian, like the giant claws of a Magic Beast! Nobody expected such a sudden attack, especially when the Fantastical Beast attacked!

"Swish!"

"Boom!"

The thunder elements reached Yu Lian's cheek and suddenly disappeared! Yu Lian, on the other hand, was pale. Her body swayed slightly and she staggered on the ground! Fear! An indescribable fear appeared in her eyes!

"Stupid human," Ah Luo whispered softly. His body instantly disappeared and the scene was silent!

"From now on, you're expelled from the Naxi family and you're on your own," said the leader of the Naxi family in a low voice. He only felt embarrassed. The Naxi family had lost all their face on Yu Lian!

Feng Qingxuan moved and walked to Yun Feng. "Disciple, did you see what happened just then?"

Yun Feng was silent for a moment and said softly, "I couldn't see clearly... I couldn't see clearly at all."

Chapter 1718: Legendary Person (7)

Feng Qingxuan heaved a sigh. "This is the ability of Fantastical Beasts that countless summoners are crazy about. Now that such a Fantastical Beast is with you, I believe that you'll continue the legend of that person from the Yun family one day."

Yun Feng's heart trembled fiercely! Master meant...

"Yun Tianqing." Ah Luo's voice suddenly sounded next to Yun Feng's ear. Yun Feng's heart trembled again!

Yun Tianqing... This name flashed through Yun Feng's mind and her heart pounded for no reason! She had never heard of this name until now, even in the mouths of the Yun family! The legendary figure of the Yun family, the legendary summoner of the Yun family! A seven-element all-rounder!

However, why... did this name come out of the mouth of the lightning-element? Fantastical Beast? Why was the Fantastical Beast so familiar with this name?

"Why do you know?" Yun Feng mumbled. Ah Luo didn't say anything else and was completely silent. Seeing Yun Feng's shocked look, Feng Qingxuan chuckled. "Did the lightning Fantastical Beast say something to you? Even though I'm as famous as that person from the Yun family, I know very well that I can't compare to him."

Yun Feng looked at Feng Qingxuan. "Master... Are you talking about Yun Tianqing?"

Feng Qingxuan was stunned! "Did the lightning Fantastical Beast tell you this name?"

Yun Feng nodded. Her mind seemed to have frozen at this moment. This name wasn't just a name! There were too many things behind this name! Hearing this name, Qu Lanyi's black eyes glittered. He was completely unfamiliar with this name, but from the conversation between Fengfeng and Senior Feng, it wasn't difficult to guess who Yun Tianqing was. The all-element summoner... Such a person really existed!

Yu Lian had already been taken away. According to the rules of the Naxi family, she was immediately expelled from the Naxi family. Yu Lian, who seemed to have collapsed, was taken away in a daze. The leader of the Naxi family walked over and interrupted Yun Feng's thoughts.

"Kid of the Yun family, this is the fault of the Naxi family. You..."

Yun Feng smiled lightly. "It's fine. The Naxi family has its own rules. I wasn't hurt at all. Uncle, don't take it to heart."

Feng Qingxuan didn't look good. If he weren't here, his disciple might have been severely injured! "The Naxi family has been developing for a long time. You're far from what I expected."

The leader of Naxi looked embarrassed. Yu Lian didn't have such a personality at first. The leader of Naxi didn't expect her to do such a bold thing. After all, it was his fault. If he had corrected her in the past, Yu Lian might not have done that.

"Old man, you don't have to blame yourself. That woman only has herself to blame." Qu Lanyi raised the corners of his mouth. He had already disliked Yu Lian. There were a few times when he wanted to attack her, but he held back because of Yu Lian's identity in the Naxi family. As the Young Master, he certainly knew what he couldn't do, but it was different now. That woman only had herself to blame. She was finally expelled from the Naxi family. He didn't have to worry about that anymore. Thinking of Yu Lian's resentment for Yun Feng, Qu Lanyi's black eyes darkened. It was definitely better to eliminate the root of the problem.

The leader of Naxi's face twitched. This kid...

"We don't have to stay here for long. Disciple, let's go," said Feng Qingxuan coldly. He was quite dissatisfied with the Naxi family. The leader of Naxi wanted to say something else, but in the end, he could only sigh helplessly. It was probably impossible for Senior Feng to step into Naxi again. Ah!

"Wait," said Qu Lanyi. "Senior Feng, you don't have to leave immediately. Tomorrow is the same as tonight. The Naxi family isn't what you think."

Feng Qingxuan raised his brows. The leader of Naxi immediately replied. Feng Qingxuan frowned. Most of the Naxi people were obedient. Indeed, only Yu Lian caused trouble. In the end, Feng Qingxuan gave up and would leave tomorrow. The leader of Naxi couldn't help but heave a sigh of relief. Feng Qingxuan went back to rest, and Qu Lanyi returned to the house with Yun Feng.

After sending Yun Feng into the room, Qu Lanyi didn't intend to leave. Yun Feng couldn't help but feel a bit embarrassed. "Lanyi, I'm going to rest."

Qu Lanyi nodded with a smile and pulled with his big hand. Yun Feng cried out in shock as he pulled her onto his arms. Then, the two of them fell on the bed and a warm aura came at her. Yun Feng was held tightly in the arms of the man. Yun Feng's heart was racing. She felt that Qu Lanyi was hugging her even harder than usual.

"Lanyi..." Yun Feng looked up and saw that his black eyes, which were as black as the night sky, were looking at her without blinking. Qu Lanyi sighed softly and held Yun Feng even tighter. He lowered his handsome face and pressed his warm cheek against Yun Feng's nose gently.

"Fengfeng, I was very panicked just then... I was afraid that you would be hurt. Luckily, Senior Feng was there..."

Yun Feng's heart tightened. The situation just then was indeed extremely dangerous. Without her master, she wouldn't even be able to dodge. It was inevitable that she would be injured. Even though Lanyi didn't show anything, he had always been so worried about her... Every time something happened to her, even if it was just a little bit of damage, his heart would be so uneasy.

Yun Feng relaxed her body and leaned into the man's arms. She extended her arm and wrapped it around the man's waist. "I'm fine. I'm in your arms."

His warm breath sprayed on her cheek. Qu Lanyi didn't say anything. Yun Feng closed her eyes and leaned in his arms at ease. She would only completely relax in front of him. She didn't have to think about anything except herself.

"I know, I know..." Qu Lanyi mumbled and tightened his arms. "Even if I knew, I was still worried that I would lose you and that you would be hurt..."

The man's murmur hit Yun Feng's heart word by word, making her heart start to hurt slightly. Yun Feng couldn't help but tighten her arms and hold him fiercely in her arms. "I'll be fine with you here."

Qu Lanyi chuckled and stroked Yun Feng's fair neck with his fingers, caressing it gently. He pressed his warm lips down and kissed her fair skin gently. "I'll protect you forever."

Lanyi... Yun Feng's heart was about to melt. What kind of feeling was this? What kind of care was this?

"Good night," said Qu Lanyi softly as he let go of Yun Feng. The gone arms made Yun Feng feel disappointed. Qu Lanyi smiled lightly and got up to leave. His straightforward departure made Yun Feng a bit at a loss. He wouldn't have been like this in the past. What was wrong today... Thinking of this, Yun Feng couldn't help but blush completely. What was she thinking? Was she looking forward to something?

Chapter 1719: Deeper (1)

Yun Feng scolded herself in her mind. She blushed and lay down in a hurry. She only felt that her heart was racing. She closed her black eyes and her mind was full of that charming face.

Night fell. The night of the Naxi family wasn't quiet. Even though Yu Lian was expelled from the Naxi family at night, the entire clan would definitely know the next day. A figure suddenly jumped out of the territory of the Naxi family at a high speed and stopped somewhere outside of the territory of the Naxi family. The figure closed his black eyes and sensed carefully before turning around to chase after her again!

"She's gone?" The black shadow stopped again and looked around with his black eyes. The man frowned suspiciously. "She suddenly disappeared?"

A trace of redness suddenly appeared in his black eyes! A ball of dense dark elements surged out of the man's palm and slowly covered the nearby area. After a while, the man snorted and retracted all the dark elements. Under the moonlight, a charming handsome face appeared with endless coldness. It was Qu Lanyi.

"Did you escape..." Qu Lanyi's black eyes were cold with regret. "It's a pity that I didn't finish you off with my own hands..." Thinking of the woman who had been harassing him since he was young, blood appeared in Qu Lanyi's black eyes again!

"You dared to attack Fengfeng. You should be prepared to die, but unfortunately... Fine, it's good that you're alive. The next time we meet, I'll definitely finish you off with my own hands!" Qu Lanyi curled his lips coldly and mumbled to the void. Then, his body flashed and he instantly disappeared in the void.

The next day, the news that Yu Lian was expelled from the Naxi family spread throughout the Naxi family. The younger generation of the Naxi family was all shocked! After learning what Yu Lian did, the younger generation all sighed! Was Yu Lian crazy? She dared to provoke Yun Feng again after doing such a thing. She really didn't want to live anymore!

Yun Feng, Qu Lanyi and Feng Qingxuan left the Naxi family for the headquarters of the Yun family in the Inner Area. On the way, Yun Feng seemed to be deep in thought, and so was Qu Lanyi. Feng Qingxuan chuckled. "What are you thinking? Tell me."

Yun Feng looked up. "I'm thinking about Yun Tianqing."

Feng Qingxuan raised his brows and then smiled. "Of course. After all, he's a member of the Yun family and a legend. It's only right that you're curious."

"Ancestor, do you know anything about Ancestor Yun?"

Feng Qingxuan heaved a helpless sigh. "I'm just Yun Tianqing's junior. When I was active, Yun Tianqing was already gone. He only left a legendary name."

"I see..." Yun Feng frowned. She was wondering if this Yun Tianqing, the only all-element summoner of the Yun family, was the person who founded the Yun family back then! Even if he wasn't the founder, he must've been the first elder. After all, even the Fantastical Beasts knew his name. His deeds must have shocked the Magic Beasts. Even the Fantastical Beasts looked at him in a different light!

Even though Yun Feng really wanted to ask Ah Luo for some information, no matter what Yun Feng asked again, Ah Luo kept quiet and pretended that he didn't hear anything. In the end, Yun Feng gave up the idea of asking.

If it were the old man with the earth-element Fantastical Beast, he might have told her something.

Feng Qingxuan glanced at Qu Lanyi and asked, "Kid, what are you thinking about?"

Qu Lanyi was stunned for a moment. He chuckled. "Nothing. I was just thinking about what we'll encounter along the way."

Feng Qingxuan raised his brows and didn't ask anymore. Qu Lanyi lowered his black eyes. He had been thinking about what the old man said. Before he left, the old man told him a lot of things, including his bloodline of light and darkness and something about the Nirvana Road.

Qu Lanyi thought of what the old man said and clenched his fists. If this would work... he would take this step! Even if... Qu Lanyi couldn't help but look at Yun Feng with his black eyes. Yun Feng sensed his gaze and raised her black eyes. Their eyes met in the air. Qu Lanyi smiled and held Yun Feng's hand. What was he afraid of... He had already got what he wanted the most. There was no regret anymore.

It only took Yun Feng less than a day to return to the headquarters of the Yun family. After returning to the Inner Area, Yun Feng didn't go to the headquarters of the Yun family with Feng Qingxuan. Feng Qingxuan chuckled. He knew what Yun Feng was

thinking and went back alone, while Yun Feng and Qu Lanyi went straight to the Sunken Moon Forest.

The Sunken Moon Forest could be said to be a forbidden land in the Inner Area. Very few humans stepped into it, mostly because there were all kinds of Sea Clans that appeared here. They were very lethal and there were a lot of them. Human powerhouses didn't dare to enter easily. Besides, there weren't any treasures or rare things here, so almost nobody stepped in.

Yun Feng had been here before, so she certainly didn't need anyone to lead the way. She came to the outside of the Sunken Moon Forest with ease and there was nothing but silence around.

"This is the Sunken Moon Forest? It's truly as its name suggests." Qu Lanyi looked around. There was an extremely faint fog outside the Sunken Moon Forest, so he couldn't see what was inside at all. Yun Feng said, "The fog seems extremely thin, but it envelopes everything inside and we can't see through."

Qu Lanyi nodded. "How many members of the Sea Clan did you say landed?"

"There should be a lot of them. I didn't count them in a hurry last time, but there are already a lot of them. They're also very strong. A few years have passed. I wonder if the strength of that race has changed greatly."

Yun Feng was a God when she entered this place back then. Now that she had already stepped into the God King Level, Yun Feng had reason to believe that the strength of the Sea Clan had also increased with time. She couldn't let her guard down.

"It's better to be careful." Yun Feng whispered and looked at Qu Lanyi. Both of them jumped into the mist and disappeared.

The memory of the last time she came here was still very clear. Yun Feng kept running forward. After a while, she led Qu Lanyi to the vicinity of the deep pool. Yun Feng didn't rush into the pool directly. Instead, she stopped and observed carefully. There was no movement near the pool, just like when she came. Thinking about it now, it was when she jumped into the deep pool that the Sea Clan was stirred.

"Is it that deep pool?" Qu Lanyi looked at the deep pool not far away and whispered. Yun Feng nodded. Qu Lanyi looked around. "There's no aura guarding this place. It's very peaceful."

"It is the same as what I saw back then. It didn't change until I jumped into the deep pool."

Chapter 1720: Deeper (2)

"In that case, you should be fine as long as you don't come into contact with the water." Qu Lanyi raised his brows. Yun Feng nodded. "That should be the case."

Qu Lanyi frowned. "The entrance to the Endless Ocean is in this deep pool. We have to take a look no matter what. It's inevitable. As long as we're fast enough, we should be fine."

Yun Feng, however, frowned tightly. "That entrance didn't seem to be fixed back then." Yun Feng thought of the situation back then. At that time, she and Mu Canghai had no choice but to jump into the deep pool. They noticed a glowing spot... Then, they were sucked in. What if the glowing spot didn't appear after they went deep into the deep pool this time?

If she alarmed a large number of members of the Sea Clan, she and Qu Lanyi would definitely be surrounded. By then... Yun Feng took a deep breath. She could only run for her life!

"Let's go," whispered Yun Feng. Qu Lanyi nodded. The two of them jumped and immediately reached the sky. Then, two splashes sounded!

"Whoosh, whoosh!" Waves surged. The two of them sank into the deep pool like two flying fish and quickly swam deeper!

At the same time, the moment the two of them stepped into the deep pool, the space around the deep pool shook. The aftershock caused by the tremor quickly expanded like an electric current! In less than ten seconds, there was a commotion!

"It's human beings!" A hoarse and unpleasant voice resounded in the sky! Then, dozens of figures gathered here and jumped into the water!

"They're here!" Yun Feng and Qu Lanyi, who were deep in the pool, immediately felt the changes in the outside world. Their auras darkened. They didn't expect them to be so fast! The two of them sped up and went deeper. Yun Feng kept searching in the darkness with her black eyes. The light spot that appeared last time didn't appear!

"Swish, swish, swish...!" A dozen figures jumped into the deep pool at the same time with ferocious faces!

The water behind him changed slightly. Qu Lanyi looked back and saw a few black shadows rushing over at an extremely high speed! So fast! Qu Lanyi cursed in his mind and dragged Yun Feng deeper! Yun Feng felt the commotion behind her. They were much faster than last time!

"Damn humans!" The Sea Clan roared hoarsely behind them and pounced on the two of them ferociously. The surface of the deep pool was calm, but there were raging waves inside!

The two of them dived down at an extremely high speed and a dozen black shadows chased after them crazily! Yun Feng was anxious in her mind and she searched even more carefully with her black eyes! The light spot last time appeared near here! Where exactly did it go?

"There's no time!" Qu Lanyi whispered. He pulled Yun Feng into his arms and opened his hand. dark elements roared out of his palm and spread in the water like thick ink!

Yun Feng gritted her teeth fiercely. Was that light spot random?

"Human, don't even think about escaping!" More figures jumped into the deep pool. Qu Lanyi frowned hard. It was too late!

"Fengfeng!" Seeing that Yun Feng was silent, Qu Lanyi couldn't help but growl. Yun Feng gritted her teeth. She was a bit unwilling in her mind! They were already here. Was she going to return empty-handed?

"Swish, swish, swish, swish!" A dozen streams of water attacked the two of them. Qu Lanyi dodged them one by one with Yun Feng in his arms. He had already noticed that more and more members of the Sea Clan were gathering here!

"Don't even think about escaping!" The hoarse voices of the Sea Clan roared! They attacked at the same time! Qu Lanyi's black eyes suddenly turned red! At this moment, Yun Feng flipped her wrist and the dragon-shaped jade pendant appeared!

"Swish...!" A beam of light appeared at the bottom of the sea. The members of the Sea Clan were all shocked! The next second, the light faded quietly. Yun Feng and Qu Lanyi had already disappeared!

"They're gone!" The members of the Sea Clan were shocked! After the shock, they were completely enraged!

Furious roars sounded from the depths of the deep pool. The eyes of the dozens of members of the Sea Clan were full of anger. "We must find those two humans even if we have to search the entire place!" With a command, the dozens of members of the Sea Clan dispersed and started a carpet search, not letting go of any corner of the deep pool!

They didn't see that a drop of light blue water quietly merged into the deep pool and disappeared without anyone noticing.

In the Dragon Palace, Qu Lanyi couldn't help but heave a sigh of relief. He had forgotten that the Dragon Palace existed. He hadn't used it for a long time and didn't remember it. Yun Feng hadn't used the Dragon Palace since she entered the Ten Thousand Beast Mountain Range. Now that she was in the Inner Area, it certainly wouldn't be a problem.

"Swish, swish, swish, swish!" Figures flashed past the water drop formed by the Dragon Palace. They were the patrolling members of the Sea Clan. None of them had discovered the existence of the Dragon Palace.

Yun Feng and Qu Lanyi could also catch their breath for a while. The water drop formed by the Dragon Palace floated in the deep pool and moved very slowly. Yun Feng had no choice. Every few steps in the deep pool, there would be patrols of the Sea Clan. They were so dense that it made her scalp tingle!

"As you said, there are an astonishing number of them," said Qu Lanyi. Yun Feng looked a bit solemn. Even though she and Qu Lanyi were stronger than them, they couldn't withstand so many group attacks.

"We can only wait for a while. If they can't find us, they'll probably give up," said Yun Feng as she sat on the ground. Qu Lanyi chuckled. "That's the only way. We can also observe the nearby area carefully. It seems that the entrance to the Endless Ocean isn't so easy to find."

"Yes." Yun Feng replied. Her strength had already recovered completely right now and the Teleportation Array on the fourth level of the Dragon Palace could already be activated. If it really didn't work, she would directly go to the Endless Ocean through the Teleportation Array. Of course, this was the last resort.

"After entering the God King Realm, you haven't refined this place. It's time for you to take the next step," said Qu Lanyi. Yun Feng nodded. She could refine the Dragon Palace during this period of time. She had opened five floors and there were four more. She had broken through to the God King Realm. She should be able to open another floor.

"Ah, after Yao Guang left, this place felt a lot quieter." Qu Lanyi chuckled. Yun Feng also smiled. Senior Yao Guang and the other one had both left the Dragon Palace and stayed in the Beast Region. Yun Feng felt a bit uncomfortable when she couldn't hear Yao Guang's mocking voice.

Yun Feng sat on the ground and prepared to carry out the next step of the refinement. Qu Lanyi also closed his black eyes and entered cultivation mode.

Time passed in the silence. The two people in the Dragon Palace were both in a peaceful state. The light blue water drop formed by the Dragon Palace completely fused into the deep pool and swam at the bottom of the deep pool with the waves.
