Chapter 1801 - 1801: About Yun Qi (4)

“MO Yuanbu,” said Yun Feng. Qu Lanyi raised his brows. Yun Feng looked at him with her black eyes. “This is the name of the ancestor’s best friend, MO Yuanbu.”

“What a strange name...” Qu Lanyi mumbled. Yun Feng chuckled. “My ancestor praised this best friend. It’s obvious that the two of them were very close. However, the ancestor once said that there was no news of this Senior after he returned to the Karan Empire. Perhaps he’s no longer in this world.”

“Let’s ask first. It’s good news that there’s no news.” Qu Lanyi chuckled. Yun Feng also felt a bit comforted. It would be great if Senior MO was alive. This way, she might have an answer to what happened to her Second Brother back then. If he wasn’t alive, she could only feel sorry.

“Since your ancestor hasn’t heard from him, we can only start from the beginning,” whispered Qu Lanyi. Yun Feng raised her brows. “Lanyi, you mean...”

<="" div="" style="border: 1px solid black; margin: 0px;">

“When the two of them established the Red Maple Mercenary Team back then, they certainly had to join the Mercenary Union. Before the two of them left everything to others, someone in the Mercenary Union must have come into contact with them.”

“However, this happened a long time ago!”

Qu Lanyi burst into laughter. “That’s not difficult. Just ask the president of the Mercenary Union.”

The president of the Mercenary Union? Her self-proclaimed father, Zhan Li?

Yun Feng’s black eyes glittered. Indeed, as the president of the Mercenary Union, he must have an impression of the Red Maple back then. It was just that it was hard to say if her father was the president of the Mercenary Union back then... Anyway, she had to ask first.

“It shouldn’t be easy to meet the president of the Mercenary Union. Should we use our identity to suppress him...” Qu Lanyi pondered. Yun Feng chuckled

dryly. “Lanyi, there’s something I want to tell you. The president of the Mercenary Union is my godfather, Zhan Li.”

“What? It’s that old bastard!” Qu Lanyi’s title made Yun Feng frown slightly. Old bastard?

Qu Lanyi smiled awkwardly. “Ahem, that’s not what I meant. Who asked him to stick to you back then... He treated you like his daughter for no reason, which made me doubt his motive.”

Yun Feng was speechless. Thinking of Zhan Li’s behavior back then, she also felt troubled, but now, she had already acknowledged him as her godfather and could be considered his daughter in name.

“That can’t be better. We don’t have to waste our energy.” Qu Lanyi chuckled. Then, he suddenly felt a bit upset when he thought of this. Wouldn’t he have to call Xiao Feng father too? Qu Lanyi felt very uncomfortable that he had another father for no reason.

The two of them planned to leave Chunfeng Town and run straight to the headquarters of the Mercenary Union. They would find Zhan Li and ask him clearly. Just like when they came back earlier, Yun Feng left in a hurry without alerting anyone. The old servants of the Yun family could only sigh after learning that Yun Feng left silently. Their Young Lady left really quickly.

They originally planned to go straight to the headquarters, but what was embarrassing was that Yun Feng didn’t know where the headquarters of the Mercenary Union was located. They had no choice. They could only go straight to Ge Yuan and ask Mr. Zheng Ran.

As the branch of the Mercenary Union, the entire city of Ge Yuan was filled with a kind of wild power. The Mercenary Union had grown a lot over the years. Many new mercenary groups joined, which expanded the number of members of the Mercenary Union again. The Mercenary Union also became one of the forces that couldn’t be underestimated anymore.

Yun Feng and Qu Lanyi came to Ge Yuan City as ordinary people again with the Thousand Shadows Mask. As soon as they entered the city, they heard the enthusiastic discussion of the residents in the city. It turned out that the latest level assessment of the Mercenary Union would begin today.

Yun Feng chuckled after hearing that. No wonder the residents in the city were so excited. This was a big deal. What shocked Yun Feng even more was that a strong mercenary group wanted to challenge the Red Maple Mercenary Team this year.

There would be no improvement without challenges. The Red Maple Mercenary Team shouldn't be afraid of any challenges.

The two of them weren't in a hurry to find Zheng Ran. Regarding the situation of the Red Maple Mercenary Team over the years, Yun Feng planned to take a good look in the dark. She was still looking forward to seeing how much the Red Maple Mercenary Team had grown. As the crowd surged, the two of them walked towards the area of the Mercenary Union. As time passed, some things and rules were changing. Originally, outsiders weren't allowed to enter such a competition like the Mercenary Union's, but these few times recently, it was open to the people. The soldiers and civilians in the city could also enter the Mercenary Union to see the grand occasion.

The two of them followed the crowd into the Mercenary Union. It was still the same huge square as before, but Yun Feng's current identity wasn't a contestant, but a bystander..

Chapter 1802 - 1802: What Do You Want to Do to My Wife (1)

Yun Feng looked around. The branch of the Mercenary Union in the Fengyun Empire was much larger right now and there were a lot more mercenaries than there were back then, so the level assessment this time was even more lively.

The fiery atmosphere of the mercenaries remained the same and excited shouts rose and fell. The residents in the city couldn't help but feel a bit terrified when they saw such an unprecedented grand occasion. After all, the atmosphere of the mercenaries was a bit rougher and wilder. The commoners were also a bit shocked.

Yun Feng and Qu Lanyi sat in the auditorium. Not only were these mercenaries, but the residents of the city were also discussing enthusiastically. The focus was certainly the Red Maple Mercenary Team. This seemed to be the first time the Red Maple Mercenary Team was challenged. With the development of the strength of the Red Maple Mercenary Team, they were already the leaders here, so nobody challenged them. The challenger this time attracted a lot of attention.

Hearing the discussions of the people, they certainly had a lot of expectations for the Red Maple Mercenary Team. Nobody could defeat the Red Maple Mercenary Team! This was everyone's unanimous answer. Yun Feng was a bit gratified when she heard that. The Red Maple Mercenary Team had always adhered to their philosophy and principles. They had never changed their bottom line rules and persevered for a long time. Even though they were

considered an anomaly in the Mercenary Union, they did get something in the end.

“The Mercenary Union is getting more and more valued. Xiao Feng, look.” Qu Lanyi raised his brows. Yun Feng raised her brows and looked at a platform at the top. There was a row of people sitting on it. Yun Feng glanced over and saw Mr. Zheng Ran sitting in the middle with a smile. The leaders of the Shang family and the De family of the Fengyun Empire were all here. Shang Qu and De Lan, as well as the principal of the Masang School of Magic. Sitting next to the principal of the Masang School of Magic was another serious old man. He seemed to be related to the School of God of War, and the person sitting next to them was...!

<="" div="" style="box-sizing: border-box; margin: 0px;">

Yun Feng narrowed her eyes slightly and looked over again. Even though it had been so long and he looked much more mature, Yun Feng could still recognize who he was, her so-called fiancé back then, Murong Yuntian.

“He’s here too?” Qu Lanyi raised his brows. He was also a bit upset to see Murong Yuntian. Yan Ming left, and now, Murong Yuntian came? Even though this marriage arrangement didn’t count anymore, this fiancé in name made him feel uncomfortable every time he thought about it.

“Back when I was in the Mercenary Union, the Karan Royal Family valued the Mercenary Union, but the emperor didn’t come in person. It’s obvious that the Mercenary Union’s power is too great for the empires to underestimate.” Yun Feng smiled lightly. She looked forward to the current situation of the Red Maple Mercenary Team and was also curious about the mercenary group that challenged the Red Maple Mercenary Team.

“The assessment this year is still so lively.” Shang Qu chuckled. De Lan also said with a smile, “The current assessment convention affects all forces. The change in the power of the Mercenary Union is very anticipated, especially this year. The Red Maple Mercenary Union has been challenged.”

Zheng Ran had been smiling the whole time, while Murong Yuntian on the side looked serious and didn’t smile at all. His handsome face became more and more mature after years. He wasn’t as young as before anymore. A restrained aura emitted from his body and his black eyes became sharper.

“I wonder if there will be a mage in the Mercenary Union this time?” The principal of the Masang School of Magic chuckled. Everyone immediately thought of the mage who appeared in the Mercenary Union many years ago.

“Speaking of Yun Feng, we met a while ago.” Shang Qu said. “I wonder if you know about that matter?”

“You mean the East and West Alliance?” The principal of the Masang School of Magic raised his brows. Shang Qu and De Lan both nodded. Zheng Ran said with a smile, “A young man called Yan Ming has already been here. The Mercenary Union will certainly join the alliance. Even if they don’t, the Red Maple Mercenary Team will join alone. After all, that girl is here.”

“Haha, the Masang School of Magic will also join.” The principal of the

School of Magic then glanced at the person next to him. “What about the School of God of War?”

“We’ll talk about that later. After all, the School of God of War doesn’t have any relationship with Yun Feng.”

Murong Yuntian frowned slightly and didn’t say anything. The others all chuckled after hearing that. They would join sooner or later. Once a battle broke out, nobody could get away unscathed.

“Speaking of Yun Feng, it’s been so many years. That girl must have grown to an astonishing level.” Zheng Ran looked at Shang Qu and De Lan with a smile. The two of them immediately smiled a bit awkwardly. “Well... Of course. Yun Feng has already been a powerhouse... Besides, her connections make us blush.”

Zheng Ran chuckled and didn’t say anything else. This was the result he had already expected. That girl would definitely do something great!

Murong Yuntian’s expression eased a bit after hearing that and there was a smile at the corners of his mouth. He could still hear about her after so many years. Murong Yuntian was slightly happy in his mind.

“Yuntian, what are you so happy about?” Zheng Ran glanced around. Seeing Murong Yuntian’s subtle expression, he couldn’t help but tease him. Murong Yuntian immediately froze. “I’ve never seen you with any woman. Are you really going to be alone for the rest of your life?” Zheng Ran raised his brows. Murong Yuntian’s face darkened slightly. Zheng Ran chuckled. “Are you still waiting?”

Murong Yuntian’s body immediately stiffened. “No.” He wasn’t waiting. He just couldn’t let go. Only one person could live in his heart. Even though he was wrong, it was very difficult for him to let go just like that.

“Stop teasing young people,” said the principal of the Masang School of Magic. Zheng Ran chuckled and didn’t say anything else. Shang Qu and De Lan couldn’t help but sigh. These two families had put in a lot of effort on Murong Yuntian. Unfortunately, he didn’t care about any woman. No matter how beautiful and good a woman was, they seemed to be the same to him.

The Shang family and the De family were both working hard to recruit him.

Murong Yuntian was the pillar of the Fenzvun Empire right now. His strength was second to none in the entire empire. If they could take him in, they would have nothing to worry about. Unfortunately, Murong Yuntian didn’t like anyone.

Murong Yuntian couldn’t help but think in his mind. If their engagement back then was still there, if they met as an engaged couple, what would it be like? Murong Yuntian couldn’t help but shake his head and smile wryly. Why should he think about it? There was already no future.

After everything was in place, Mr. Zheng Ran got up. According to past practice, the rules and system of the assessment were announced. The rules and system didn’t change, just like when Yun Feng was here. However, there were a lot of mercenary groups and the time needed for the assessment was relatively longer. The assessment of the five-star mercenary groups was last. The challenge between the one-star and two-star groups started first..

Chapter 1803: What Do You Want to Do to My Wife (2)

Chapter 1803: What Do You Want to Do to My Wife (2)

1803 What Do You Want to Do to My Wife (2)

Even though it was a challenge of low-level mercenary groups, as their strength accumulated over time, the competitions of low-level mercenary groups were also interesting. Some mercenary groups even performed well individually. Yun Feng and Qu Lanyi also watched seriously. Some small details could show a lot of things.

The first day of the competition was quite exciting. Even though the mercenaries weren’t interested, the crowd enjoyed watching to their heart’s content. After the competition on the first day ended, some two-star mercenary groups got off their horses and some one-star mercenary groups were promoted to two-star groups. The constant replacement of new and old blood could also keep the Mercenary Union better motivated to develop.

After the competition, Yun Feng didn't leave the Mercenary Union. The Mercenary Union also set up a place for ordinary people who came to participate. After all, they couldn't enter and leave the Mercenary Union casually. During the assessment, they could come in, but they couldn't go out casually.

That night, the place where the residents in the city gathered could be said to be noisy. Everyone was discussing the situation of today's competition with high spirits. Everyone looked forward to the competition in the future even more, because the final stage would be contests between high-level mercenary groups. It would definitely attract more attention.

"To be honest, the early stage competitions aren't very exciting. They're just child's play." Some people gathered in the hall and discussed loudly. Yun Feng and Qu Lanyi also sat there and listened to these people's discussion.

"I think so too, but the final stage will become more and more exciting. I'm really looking forward to the battles between the five-star mercenary groups!"

"Haha, I look forward to the battle of the Red Maple Mercenary Team more than this!"

"Right, right! I agree!" Many people agreed. "Which mercenary group dared to challenge the Red Maple Mercenary Team? Where did they come from? Everyone knows that the Red Maple Mercenary Team is the boss here. Their status can't be shaken at all!"

"The one who challenged the Red Maple Mercenary Team is a four-star mercenary group called Wild Sunflower."

"Wild Sunflower? This name isn't very familiar."

"I've heard of this mercenary group, but they've always been on the verge of four-star. They were almost pulled to the three-star level the last few times. How dare they challenge the Red Maple Mercenary Team?"

"So, they don't have the strength either!"

"It's just a challenge anyway. They won't suffer any loss. At most, they'll fail."

"I heard that Wild Sunflower seems to have recruited a very powerful person recently. This might be the fundamental reason why they dared to challenge the Red Maple Mercenary Team."

Everyone was slightly surprised after hearing that. "Powerful person? That's possible. Didn't Yun Feng start the Red Maple Mercenary Team back then? If it weren't for Yun Feng, they wouldn't have been able to challenge a five-star mercenary group!"

Yun Feng and Qu Lanyi looked at each other. A powerful figure?

“Do you want to take a look?” asked Qu Lanyi in a low voice. Yun Feng chuckled. “It’s good to take a look. I’m very curious about who this powerful person is.”

The two of them left the place where they lived. The scale of the Mercenary Union had expanded right now. After all, the number of mercenary groups had increased a lot and the original layout had also undergone quite a huge change. The two of them spent a lot of effort to find the location of the Wild Sunflower Mercenary Group. In the four-star area, this mercenary group looked very simple and was also much quieter.

The two of them hid themselves and walked in just like that. They only saw that the atmosphere inside was a bit gloomy. A group of people were gathered there and all of them seemed to be a bit gloomy. A young woman stood there with an unhappy look. “Can you all be more promising? What’s there to be afraid of about the Red Maple Mercenary Team? Yun Feng isn’t here. Besides, even if Yun Feng is here, there’s nothing to be afraid of!”

“How dare you say that? If Yun Feng was here, we wouldn’t dare to go up.”

“What exactly is there to be afraid of about Yun Feng? She’s just one person! Can you all focus?”

“You changed the registration this time without permission. We haven’t said anything yet! Everyone is waiting to laugh at us, Wild Sunflower! Do you really think you can turn the tide alone?”

“That’s nothing! I’m a genius after all! When Yun Feng was my age, she might not have been as strong as me!”

Everyone looked like they didn’t know what to say. Yun Feng observed carefully in the dark. The woman who said this seemed to be only fifteen or sixteen. Her current strength was at the Commander Level... Thinking back, when Yun Feng was fifteen or sixteen, her strength had already reached the Lord Level.

“She’s just at the Commander Level. Do you think you can compare to her? Are young people nowadays so arrogant?” said Qu Lanyi coldly. Yun Feng smiled lightly. It was good to be confident, but to be too confident was to be conceited.

It was just the Commander Level. The Red Maple Mercenary Team could deal with her. She didn’t have to worry at all.

The assessment continued in full swing. When the three-stars challenged the four-stars, the battles became more and more intense and exciting. The younger generation was more powerful. Some veteran four-star mercenary groups couldn’t resist the new forces and lost. Seeing this situation, Mr. Zheng Ran chuckled. Not bad.

Very soon, the five-star challenges began. There were still only four five-star mercenary groups in the Mercenary Union right now. Only one of the four established mercenary groups before the Red Maple Mercenary Team was still standing. The other two had already been replaced by the others. As the assessment competition was held every year, the lineup of the five-star mercenary groups would change, but the position of the Red Maple Mercenary Team had never changed. This was also the proof of the strength of the Red Maple Mercenary Team. No matter how the situation changed, the Red Maple Mercenary Team was still standing there!

This was also a legend of the Red Maple Mercenary Team. Yun Feng had already left for many years. The Red Maple Mercenary Team in the past became famous because of Yun Feng. The current Red Maple Mercenary Team could be said to be completely relying on their own strength and conduct to let everyone remember this name! It could be said to be a kind of pride to be able to become a mercenary of the Red Maple Mercenary Team!

Even though the Red Maple Mercenary Team relied on themselves for their current development, Yun Feng was still their spiritual leader. The name Yun Feng was still engraved in the minds of every member of the Red Maple Mercenary Team!

The five-star challenge began and the Red Maple Mercenary Team's challenge also came! As the judge gave the order, the two teams entered the arena of the competition! The venue was full of joy!

Yun Feng only knew one of the five members of the Red Maple Mercenary Team who participated in the battle. He was Uncle Zhao's son, Zhao Yan. After many years of training, he had become much more mature and his strength had also improved by leaps and bounds. It was time for him to start a family and start a business right now. Uncle Zhao's burden could also be slightly lifted.

Chapter 1804: What Do You Want to Do to My Wife (3)

1804 What Do You Want to Do to My Wife (3)

The Red Maple Mercenary Team was full of vigor. In comparison, the Wild Sunflower was gloomy and cold. Apart from one person, the other four all looked like they would lose if they fought. The woman Yun Feng saw last night roared with displeasure on her face!

"I'll challenge them alone! They're not even qualified!" After saying that, the audience was in an uproar! Then, a lot of people burst into laughter!

Zhao Yan raised his brows slightly on the Red Maple Mercenary Team's side. "One against five? If you have such an ability, we can't bully you with numbers. If you think it's

fine, we can fight one on one. The Red Maple Mercenary Team has never taken advantage of anyone.”

The woman couldn't help but feel even more embarrassed when she heard the laughter around. “What are you laughing at? Didn't Yun Feng fight so many people back then? If she can do it, so can I!”

The venue suddenly fell silent for a few seconds. Yun Feng raised her brows. Was this woman going to compare to her back then?

Zhao Yan's face darkened. “You think you can compare to the Young Lady?”

The woman sneered. “I don't know how powerful she is, and I've never seen her in person! In my eyes, she's just a feint!”

The expressions of the people of the Red Maple Mercenary Team all changed. Zhao Yan sneered. “It's your business if you don't see it. Everyone knows how strong the Young Lady is! You're on a completely different level from the Young Lady! Don't even think about it!”

The woman burst into laughter. “Red Maple! Cut the crap! One against five. If you don't have the courage to come up, just admit defeat!”

Zhao Yan suddenly frowned. Yun Feng also frowned slightly and started discussing around. Was this woman really going to fight one against five?

“The Red Maple Mercenary Team has never bullied anyone with numbers! However, since you're the one who asked, one against five, so be it! We won't be polite to you!” One of the participating warriors of the Red Maple Mercenary Team looked furious. He stepped out and gritted his teeth as he roared, “If she's so arrogant, we don't have to be polite!”

Zhao Yan's heart sank. What this woman said just then had already made him unhappy. She wanted to be compared to the Young Lady? One against five? It was good to make her suffer!

The Red Maple Mercenary Team agreed. The four people on the Wild Sunflower Mercenary Team immediately left. They didn't intend to go crazy with her. One against five, two more than Yun Feng did back then. This woman was challenging Yun Feng back then!

“I'll defeat the five of them together!” The woman burst into laughter and said arrogantly! The few people sitting on the platform all frowned slightly. She was just at the Commander Level. How confident was she to make such a bold claim when she was facing five Commander Level experts?

“What a joke,” said Qu Lanyi in a low voice. Yun Feng suddenly felt that something was wrong in her mind. She was so confident that she had either gone too far or was already prepared!

The five members of the Red Maple Mercenary Team immediately let out a deep shout. The anger of the five of them burst out at the same time! They rushed over together and formed a powerful attack! The woman on the opposite side burst into laughter and suddenly retreated. She twisted her wrist and a talisman suddenly appeared in her hand!

“It’s not difficult to fight one against five!” She infused fighting energy into it and the woman burst into laughter. The power in the talisman in her hand was immediately activated and hit the Red Maple Mercenary Team!

“What?” Zheng Ran didn’t expect such a situation to happen! The power of the God was contained in this talisman! No wonder she could say one against five. It turned out she had such external help!

When the power of the God Level hit a Commander Level expert, he would definitely die!

Excitement surged in the woman’s eyes. She would definitely win! She was one against five. She was even more talented than Yun Feng back then!

“Bang!” With a muffled sound, the power of the God was suddenly cut off by something, so cleanly! The remaining power of the collapse shot to other places on the platform, creating a few deep pits!

This sudden scene shocked everyone! Qu Lanyi looked at the empty spot next to him and couldn’t help but smile helplessly. That was a member of the Red Maple Mercenary Team. Xiao Fengfeng couldn’t just sit back and do nothing.

“What?” The power of the God was broken just like that. The woman was shocked! She widened her black eyes and looked at the person who suddenly appeared on the platform in disbelief. “Who are you? Why did you interfere with the competition? The Red Maple Mercenary Team violated the rules!”

Zhao Yan and the others looked at the person who suddenly appeared in front of them in shock. Her body was slim, but her momentum was like a mountain, making them a bit breathless! The five of them also understood the power just then. If it really hit them, they would have already died.

“If you’re not relying on your own ability, what’s there to be arrogant about?” Yun Feng said coldly as she slowly retracted her hand and looked at the woman opposite her with her black eyes. “In terms of breaking the rules, you’re the first. When did the level assessment allow such an unorthodox method?”

The Mercenary Union's assessment contest tested the strength of a mercenary group. External forces could be borrowed, but there were also restrictions. You could change your weapon and use potions, but the power of such talismans wasn't allowed, especially the power of talismans that surpassed many levels!

"I don't care about the rules! If you hadn't appeared, I would've won!" The woman shouted loudly and pointed at Yun Feng. "You're an outsider. Why are you telling me what to do?"

Yun Feng raised her brows and suddenly raised her black eyes to look at the platform. "Mr. Zheng Ran."

Zheng Ran, who was on the platform, had already stood up. The smile on his face disappeared and he looked down solemnly. "She's right. You have to use your own strength in the assessment. The power you used doesn't belong to you. It doesn't count."

"Why not?" The woman roared. "Yun Feng didn't use her own strength when she fought against three back then! If she can use it, why can't I?"

Zheng Ran frowned slightly. "Yun Feng relied on her real strength back then. Everyone saw it."

"I don't believe it!" The woman roared again. "I don't believe it! Even if she was someone, it was impossible for her to fight against three people alone at that time! You're spreading rumors about her too much!"

"Whether you believe it or not is your own business!" Zhao Yan said. "If you have the ability, fight with us with your own strength! If you win, the Red Maple Mercenary Team will be convinced even if we lose!"

The woman bit her lips hard, as if she was completely enraged. She twisted her wrist and another talisman immediately appeared. Yun Feng's black eyes turned cold. One time wasn't enough, but she still wanted to do it a second time! As the incident happened, a figure suddenly rushed forward and arrived next to the woman in an instant. The woman was shocked. Yun Feng extended her hand with a cold face and was about to tear the talisman apart. At the same time, another figure also rushed over. Yun Feng's hand touched the other hand slightly and the two of them looked up.

Chapter 1805: What Do You Want to Do to My Wife (4)

1805 What Do You Want to Do to My Wife (4)

Murong Yuntian? Yun Feng raised her brows. Murong Yuntian was slightly stunned. Then, he frowned and knocked the woman to the ground with his big hand. Yun Feng, on the other hand, took the talisman in her hand and forced the power of the God inside back. The talisman shattered!

“If you have anything against Yun Feng, speak with your own ability,” said Murong Yuntian as he looked at the woman in front of him, who had red eyes and said, “What’s so good about her that you can’t forget her?”

Yun Feng raised her brows. So, they knew each other? It seemed that this woman provoked the Red Maple Mercenary Team for Murong Yuntian? However, what did she have to do with Murong Yuntian? Was it worth it for her to be so radical?

Murong Yuntian frowned hard. “You don’t need to know that! You’re not worthy of being compared to her!”

Yun Feng was startled. Murong Yuntian was so protective of her? The woman knelt on the ground with tears flowing out. In the end, she held back her tears and ran away in panic. Murong Yuntian turned around and cupped his fists at the members of the Red Maple Mercenary Team. “I’m sorry for causing trouble for the Red Maple Mercenary Team because of me.”

Zhao Yan raised his brows. He didn’t seem to appreciate Murong Yuntian’s apology at all. After saying that, Murong Yuntian looked at Yun Feng with his black eyes. “You are...”

Yun Feng was stunned. The members of the Red Maple Mercenary Team also looked over. “Thank you for your help, powerhouse.” Zhao Yan said. This person must be very strong to be able to shatter the power of that talisman with one hand!

“That was nothing.” Yun Feng turned around and left. The audience at the scene was a bit confused. So, it was just a farce? However, that woman was truly disgusting. She was still so arrogant with external help. She didn’t have the ability and was still so arrogant! However, Yun Feng’s appearance caused a heated discussion. Who was this powerhouse who suddenly appeared?

The challenge of the Red Maple Mercenary Team ended in such an ending. Wild Sunflower was also mocked. The assessment competition ended just like that. The competition of the Red Maple Mercenary Team that people looked forward to the most was a bit disappointing. This was a regret in the minds of many people.

Zhao Yan really wanted to find Yun Feng, but he couldn’t find Yun Feng anymore after that, so he could only give up. After the assessment ended, Yun Feng came to Mr. Zheng Ran’s office. Before she knocked on the door, Zheng Ran’s smiling voice had already come from inside. “Come in.”

Yun Feng pushed the door open and entered. She was still wearing the Thousand Shadows Mask, but Zheng Ran's eyes were gentle and kind. Yun Feng was startled. Mr. Zheng Ran recognized her?

"The moment you appeared, I knew it was you, kid." Zheng Ran said with a smile. Yun Feng smiled lightly and reached out to take off the Thousand Shadows Mask, revealing her original appearance. Zheng Ran chuckled. Yun Feng said, "I'm sorry to come in such a manner."

Zheng Ran shook his head. "It's fine. You just want to reduce the unnecessary commotion."

Yun Feng chuckled and chatted happily with Zheng Ran first. She asked him where the headquarters of the Mercenary Union was. Zheng Ran specially said that the president of the Mercenary Union came and went like a ghost. It was usually very difficult to find him. Yun Feng chuckled. It might be very difficult for others to find Zhan Li, but it wasn't so for her.

Before she left, Yun Feng gave Zheng Ran a bottle of potion. It was a grandmaster-level potion that could greatly improve all aspects of physical fitness. It could be said to be very rare. Zheng Ran was very shocked. Even though he knew that Yun Feng would definitely grow up, he didn't expect her to reach the level of a Grandmaster Level pharmacist! And her strength... was already far beyond his understanding!

"Aren't you going to the Red Maple Mercenary Team to take a look?" Zheng Ran asked.

Yun Feng smiled lightly. "No, the Red Maple Mercenary Team has been developing very well these years. It doesn't matter if I'm here or not. I'm very relieved."

Zheng Ran nodded with a smile. Yun Feng turned around and said goodbye. Zheng Ran didn't stay any longer. After walking out of the building where Zheng Ran was, a black shadow immediately flashed up and blocked Yun Feng's way. Yun Feng looked up. Murong Yuntian was standing in front of her.

"Yun Feng, it's indeed you." Murong Yuntian stared at Yun Feng with a complicated expression. Yun Feng smiled lightly. "It's been a long time."

Murong Yuntian suddenly clenched his fists. He wanted to say something, but he suddenly couldn't. The complicated feelings spread out, making him a bit at a loss.

"How... have you been all these years?" In the end, he only said this. Yun Feng smiled gently. "Very good. What about you?"

Murong Yuntian took a deep breath and stared at Yun Feng with his black eyes. "Oh no, I'm not doing well at all."

Yun Feng was puzzled. Murong Yuntian's heart moved fiercely. He flashed and extended his hand, about to grab Yun Feng's arm. Yun Feng was shocked. She immediately stepped back. Someone hugged her completely from behind. Qu Lanyi stood behind Yun Feng and looked at Murong Yuntian with glittering black eyes. "Murong Yuntian, what do you want to do to my wife?"

Chapter 1806: Plotting Against Someone They Shouldn't Have (1)

1806 Plotting Against Someone They Shouldn't Have (1)

Murong Yuntian was stunned. He looked at Qu Lanyi and Yun Feng in shock. Then, he realized something and his face darkened! "Qu Lanyi, you're a man!" When Murong Yuntian met Qu Lanyi, he was at the Masang School of Magic. Qu Lanyi was still a girl. After so many years, the girl who liked to stick to Yun Feng back then turned out to be a man, which Murong Yuntian couldn't accept.

Qu Lanyi raised his brows casually. "Why? You didn't know until now?"

Murong Yuntian looked a bit gloomy. Seeing how intimate the two of them were, he more or less understood something. "So, you're married to him, Yun Feng?"

Yun Feng blushed and was about to say something, when Qu Lanyi replied first, "Do you have to ask?" He held Yun Feng even tighter with his arm. Murong Yuntian's temples throbbed fiercely. He knew that there were many men who pursued Yun Feng, but in the end, she chose... After all, he had a deep preconceived idea. Qu Lanyi suddenly turned from a woman to a man, which made Murong Yuntian's brain a bit chaotic.

"Congratulations." Murong Yuntian completely retracted his hand and managed a smile. It had nothing to do with him whether Yun Feng chose anyone or not.

"Thank you." Yun Feng didn't deny what Qu Lanyi said. She blushed and replied. Qu Lanyi was immediately delighted after hearing that. There was a smile deep in his black eyes. Was Xiao Feng admitting it? Not bad, not bad. She had improved.

Yun Feng patted Qu Lanyi's arm and asked him to let go of her. After all, this was in front of others. The two of them had been so intimate that Yun Feng felt a bit uncomfortable. Qu Lanyi chuckled and let go of his arm. Compared to before, Yun Feng was much more willing to express herself right now. Qu Lanyi was very satisfied.

"How are you doing? You're one of the top people in the Fengyun Empire." Yun Feng smiled lightly. Murong Yuntian was very talented and his current strength and cultivation were quite good. Even though he couldn't compare to Yun Feng and Qu Lanyi, he was

still an extremely outstanding figure among his peers, or there wouldn't be so many women chasing after him.

"I'm just teaching at the School of God of War," replied Murong Yuntian. Yun Feng was a bit surprised. The Shang family and the De family were willing to let him stay in the School of God of War. It would be a pity if they didn't recruit such a talent. The Murong family should have been developing well with him around. However, Yun Feng didn't know that Murong Yuntian had already fallen out with the Murong family, especially about the engagement back then.

"I'm responsible for what happened today," said Murong Yuntian. Yun Feng was stunned for a moment. Then, she chuckled. Qu Lanyi raised his brows. "Since you know that you're responsible, you should solve your own problem. So many women pester you and cause trouble for others. Today is an example."

Murong Yuntian was stunned for a moment. Then, he frowned and seemed to be thinking about this question carefully. Yun Feng suddenly felt embarrassed. Lanyi shouldn't care about this. After all, this was Murong Yuntian's own business. "Lanyi..." Yun Feng said. Qu Lanyi pursed his lips and didn't say anything else. Murong Yuntian said, "You're right. It's precisely because this seat is empty that someone wants it."

Murong Yuntian looked at Yun Feng, which made Yun Feng very confused. Then, Murong Yuntian chuckled. "I think I should indeed find a woman, for no other reason than to avoid trouble."

"Love can't be taken lightly." Yun Feng focused her black eyes. "You have to find someone you like for the rest of my life no matter what."

Qu Lanyi heaved a long sigh. How slow was his Fengfeng... Luckily, she wasn't very slow to him, which made Qu Lanyi feel gratified.

"You're right, but for me, everybody is the same." Murong Yuntian smiled lightly. "Are you planning to leave?"

Yun Feng nodded. Murong Yuntian took a deep breath. "Have a safe trip."

Yun Feng smiled lightly and replied. She turned around and was about to leave. Murong Yuntian looked at Yun Feng's back and suddenly said, "Yun Feng!"

Yun Feng looked back. Qu Lanyi raised his brows. What else do you want to say? Murong Yuntian's black eyes glittered. "Will you come to my wedding?"

Yun Feng was stunned for a moment. The corners of her mouth curled up. "If possible, I'll definitely be there."

Murong Yuntian's black eyes glittered again and he nodded. Yun Feng turned around and waved her hand. "Let's go."

The two of them soon left the Mercenary Union. Murong Yuntian stood there for a long time and kept looking at her with his black eyes. After that, he smiled wryly and looked at his hand in a daze. He was the one who met her first, but he was also the first to lose such a qualification. Was this fate?

Yun Feng and Qu Lanyi left the branch of the Mercenary Union in the Fengyun Empire and went straight to the headquarters of the Mercenary Union. The headquarters of the Mercenary Union wouldn't be in any empire, but in a neutral area between the few empires. Yun Feng didn't reveal her identity after arriving. Yun Feng's name would cause a commotion. Yun Feng planned to keep a low profile. Back then, her self-proclaimed father gave her a token, which was certainly a symbol. Her self-proclaimed father also said that this thing was very important in the Mercenary Union.

As expected, with this thing, Yun Feng's journey was quite smooth and she was highly valued and treated as a VIP.

"I'm really sorry. The president is out. If you don't mind, just wait here for a while." Everyone spoke politely. Yun Feng nodded. Her self-proclaimed father, Zhan Li, seemed to like running around. He was on all the continents, but Yun Feng didn't know if he was busy with serious business.

They certainly couldn't leave without seeing Zhan Li. The two of them stopped at the headquarters and enjoyed good food and treatment. The two of them were also very free to move. Yun Feng didn't expect the token her self-proclaimed father gave her to be so effective.

Qu Lanyi wasn't interested in wandering around the headquarters. He cultivated quietly in his room alone. He still had to think of a way to deal with the Light Element Seed in his body. Yun Feng, on the other hand, came to Zhan Li's room, hoping to find some information about the early days of the Mercenary Union.

Logically speaking, outsiders weren't allowed to enter the president's room, but Yun Feng was unimpeded. She could go anywhere she wanted. She pushed the door open and entered. The scene in the room wasn't what Yun Feng thought. Everything was in order. With her self-proclaimed father's personality, Yun Feng thought this place would be in chaos, but it was surprisingly neat and orderly.

Chapter 1807: Plotting Against Someone They Shouldn't Have (2)

1807 Plotting Against Someone They Shouldn't Have (2)

There were a few rows of very heavy bookshelves in the room with a lot of information piled on them. Yun Feng glanced at them briefly and took out some of them to read carefully. The Mercenary Union had information about all the mercenary groups in the few empires, sorted them into details and recorded the size, number and changes of the mercenary groups one by one.

While Yun Feng was reading attentively, rapid footsteps were rushing over from outside. A tall and sturdy figure was so anxious that he was a bit reckless. He suddenly pushed the door open and a face full of surprise and excitement stuck in. "My daughter!"

Yun Feng chuckled. She was standing on one side of the bookshelf at this moment. Zhan Li couldn't see her from the door and she put the documents back leisurely. Yun Feng heard Zhan Li's voice. "Those bastards dared to fool me!"

The smile in Yun Feng's eyes became deeper. She turned around and walked out from the side of the bookshelf. She happened to see Zhan Li's disappointed look. Yun Feng said, "Father."

Zhan Li was stunned! He turned his head and saw a completely unfamiliar person standing there, calling him father with a smile. Zhan Li blinked a few times and suddenly smiled. He strode towards Yun Feng and messed up Yun Feng's hair with his big hand. "Kid, I almost didn't recognize you."

Yun Feng chuckled and quickly pulled his big hand. Zhan Li sized Yun Feng up a few times. "Did you miss your father?"

Yun Feng nodded. Even though she didn't think about him all the time, she had never forgotten her godfather, Zhan Li. Zhan Li burst into laughter with a satisfied look. "My good daughter, I miss you too! It's been so many years. Why didn't you contact me?"

Yun Feng raised the corners of her mouth. If it was convenient for her to contact him, she would certainly. The key was that one thing after another, she didn't have the energy to think about anything else anymore. Yun Feng also sized up Zhan Li. It had been so many years. He hadn't changed, but there was a hint of vicissitudes of life at the corners of his eyes.

"Kid, you've grown a bit taller and you're even prettier than before! As expected of my daughter!" Zhan Li burst into laughter and completely treated Yun Feng as his own. The corners of Yun Feng's mouth twitched and she took it as tacit agreement. Zhan Li had been calling himself her father since the beginning. Yun Feng was also embarrassed for a while back then.

"Right, kid, do you know Yan Ming?"

Yun Feng nodded and said with a smile, "He's already here?"

Zhan Li took a deep breath. "That kid said he's your friend. I was skeptical. It seems that you really know him. Did you recommend him to this position?"

Yun Feng chuckled. "Yan Ming has the ability. He'll manage the East and West Alliance very well."

"Haha! You're indeed the same as me! Why don't you let this kid take care of the Mercenary Union too?"

Yun Feng smiled. Yan Ming probably wouldn't agree. Even though he had this ambition, he also understood that there were a lot of difficulties in managing the Mercenary Union.

"If that's the case, the Mercenary Union will certainly participate in the East and West Alliance. I'll definitely help you!" Zhan Li rubbed Yun Feng's hair with his big hand. Yun Feng only felt warm in her heart. There were too many people helping her along the way. If it weren't for them, she wouldn't have come to this point today. No matter how powerful she was, she couldn't save this world alone. Other people must help her.

"Thank you, Godfather."

"Kid, why are you so polite with me?" Zhan Li burst into laughter. He was in a good mood after seeing Yun Feng! There was a smile on his face that couldn't be stopped. "You came here in person. Do you need help? Just tell me! I'll definitely help you if I can!"

Yun Feng nodded. "There's indeed something I need your help with. Do you know Mo Yuanbu?"

Zhan Li frowned. "Did this person make things difficult for you?"

Yun Feng shook her head. "That's not it. I just want to find him. There are some things I need to ask him in person."

"He's a mercenary of the Mercenary Union?" Zhan Li frowned. Yun Feng shook her head again. "He's not from the Mercenary Union, but he has a certain connection with the Mercenary Union. It's just that a long time ago, when the Red Maple Mercenary Team was established."

"When the Red Maple Mercenary Team was established?" Zhan Li was surprised. Then, he frowned again. "So, it was before I became the president."

That was indeed the case. Yun Feng's heart sank slightly. It would be fine if there were records of Mo Yuanbu, but if there weren't, there would be no information at all.

"The previous president, the old man, is already gone. The person you're talking about is the founder of the Red Maple Mercenary Team?"

“That’s right. He’s also Yun Lan’s best friend.”

“Yun Lan? The summoner of the Yun family?” Zhan Li was surprised. “Yun Lan is still alive?”

Yun Feng smiled wryly. Was he still alive? He was just a wisp of soul that could dissipate at any time. Seeing Yun Feng’s expression, Zhan Li realized that he had said something wrong. “When I was young, I heard about Yun Lan. He’s an impressive summoner. To be able to become his best friend, this Mo Yuanbu is also an impressive person.”

“I think so too. Senior Mo has a deep relationship with the Yun family. There are some things that only he can tell me.”

“In that case, we can only check the files left by the Mercenary Union in the past.” Zhan Li looked at a few bookshelves and walked over. Yun Feng followed him. “Let me see... It’s here!” Zhan Li’s eyes brightened. He took out a few folders and handed them to Yun Feng. “Let’s start from here.”

There was a lot of information and they couldn’t finish reading it in a short period of time. After spending a few days, their efforts finally paid off and they found some information about the situation when the Red Maple Mercenary Union was established back then. When every mercenary group joined the Mercenary Union, it had to be recorded, including the name of the mercenary group, the badge, the number of people and the most important Commander.

The Commander of the Red Maple Mercenary Team at that time only had one name, Mo Yuanbu. When she saw this name, Yun Feng’s heart couldn’t help but heat up. She didn’t see the name of her ancestor, Yun Lan. Her ancestor was even more unwilling to be restrained than Senior Mo. He didn’t even have to list his name. Senior Mo probably didn’t want to use his name back then.

“At that time, the Red Maple Mercenary Team only had a single digit number of members. This Commander didn’t seem to have appeared again. However, the development of the Red Maple Mercenary Team is truly in full swing right now.” Zhan Li chuckled and glanced at Yun Feng proudly. It was all thanks to her daughter, or the Red Maple Mercenary Team wouldn’t be where they were today!

Chapter 1808: Plotting Against Someone They Shouldn't Have (3)

1808 Plotting Against Someone They Shouldn't Have (3)

“He really left everything to others.” Yun Feng couldn’t help but smile helplessly. He didn’t show up again. The ancestor and Senior Mo really left quickly. He didn’t show up again, which meant that there were no more records in the files. Zhan Li frowned. “Why don’t we ask around outside? If this Mo Yuanbu is really someone, others will definitely know him.”

Yun Feng nodded. Yun Feng certainly didn’t have to go there herself to ask for information. The Mercenary Union was such a huge organization here. It was very simple to ask about someone.

It wasn’t easy for Yun Feng to come here. Zhan Li wouldn’t let her go so easily. He rejected all the big and small matters in his hands, which made Yun Feng a bit embarrassed, but Zhan Li didn’t think much of it. In his mind, accompanying his daughter was much more important than anything else.

The president of the Mercenary Union didn’t do anything, which made many people at the headquarters frustrated and dissatisfied, but Zhan Li didn’t care. Yun Feng suspected that her godfather wouldn’t tell her even if he found Mo Yuanbu because he wanted her to stay for a few more days.

There were some things that the president had to deal with himself. Zhan Li finally came in person despite his reluctance. He had a very bad temper and asked Yun Feng to stay in the president’s room. He would be back in a while. Yun Feng could only chuckle. Her father was still as enthusiastic as before.

With nothing to do, Yun Feng saw some things piled on the table and casually flipped through them. There were a lot of things to do in the Mercenary Union. After all, it was the headquarters. There were countless mercenary groups in the three empires and he had to shoulder the heavy responsibility of mediating the relationship between the three empires. Zhan Li also had a lot of responsibilities on his shoulders. He even appeared on the West Continent. It seemed that her father had a huge responsibility.

The door was suddenly pushed open at this moment and a figure entered. Yun Feng looked up. It was a very young woman who looked quite mature. She looked at Yun Feng coldly. Yun Feng immediately noticed that she didn’t come with good intentions.

“You’re Uncle Zhan’s guest?”

Uncle Zhan? Yun Feng raised her brows and nodded. The woman walked in and looked at Yun Feng coldly. “Even if you’re Uncle Zhan’s guest, you should know where you are.”

Yun Feng raised her brows and didn’t say anything. Seeing that Yun Feng was still sitting there without moving, the woman couldn’t help but feel a bit angry. “This is the president’s room! Uncle Zhan is the only one who can sit there! You’re his guest. You must know your identity!”

Yun Feng curled her lips and flipped through the things on the table. Yun Feng lowered her eyes. The woman was enraged when she saw this! She walked over in a few steps and suddenly slapped the table with her hands! “Get up!”

Yun Feng didn't say anything and didn't want to say anything at all. She was only sitting on a chair, not a chair that represented the president. “I asked you to get up. Didn't you hear me?” The woman frowned tightly and stared at Yun Feng with anger in her eyes. Yun Feng raised her black eyes slightly. When their eyes met, the fire in the woman's eyes seemed to be crackling.

“Do you know that Uncle Zhan hasn't done anything since you came? He only knows how to accompany you day by day. Do you really think you're something? Do you know that everyone in the headquarters is complaining because of you right now? I even heard that Uncle Zhan went to great lengths to help you find someone!”

Yun Feng frowned. She didn't agree with her father letting go of the Mercenary Union either. There was nothing she could do when Zhan Li insisted. She wasn't in the mentality of not caring about anything, but it wasn't this woman's place to give her command.

“I'm talking to you. Are you deaf?”

Yun Feng frowned slightly. “It's not your place to tell me what to do.”

How many people could give Yun Feng advice? How many people dared to talk to Yun Feng like this?

“You...!” The woman immediately narrowed her eyes with more and more anger in them. It seemed that she had the intention to attack! The door was suddenly pushed open and Zhan Li walked in happily. When he saw the woman again, he was stunned. “Why are you here?”

“Uncle Zhan.” The woman turned around and smiled sweetly at Zhan Li. Zhan Li nodded. “Why are you looking for me?”

“Nothing. It's just that Aunt Xue asked Uncle Zhan to go home for a meal when you have time.”

Zhan Li immediately frowned. “Got it. I'll go when I have time. You can go back first.”

The woman immediately frowned and wanted to say something else, but Zhan Li raised his brows. “Anything else?”

The woman bit her lips and turned around to glance at Yun Feng before she said, “Aunt Xue also said that Uncle Zhan shouldn't delay his own business for others. Uncle Zhan is the president. You don't have to put in so much effort for some people.”

Zhan Li's face immediately darkened. "Some people?"

The woman chuckled. "Aunt Xue just said a few words. Aunt Xue is just concerned about you, Uncle Zhan..."

"There's no need for such concern! It's not up to others to care about my business, Zhan Li! Tell her that I don't have time to eat!"

The woman was stunned. She didn't expect Zhan Li to be so angry. "Uncle Zhan, this..."

"Go back." Zhan Li waved his hand impatiently. The woman bit her lips hard and glared at Yun Feng fiercely. She turned around and left angrily. Zhan Li looked unhappy. Yun Feng chuckled. "Is Aunt Xue the woman you like?"

"What woman? I just took a few more glances. It seems that there was no need to take a few more glances." Zhan Li frowned. Yun Feng understood that her godfather should have a woman by his side at his age. As the president, he was busy all day. How could he not have someone to take care of him? It wouldn't be bad if a good woman was willing to take care of her godfather.

However, what Aunt Xue said just then was truly inappropriate. It was truly inappropriate for such a jealous and practical woman to stay with her godfather.

Another month passed. Zhan Li didn't push everything away anymore, but he still did very little. That woman never came again. One day, someone came to her door. On this day, Yun Feng and Zhan Li were talking about something when someone knocked on the door.

"Who is it?" Zhan Li asked loudly. A gentle and weak voice sounded outside. "Brother Zhan, it's me."

Yun Feng raised her brows. Was it that Aunt Xue who came? Yun Feng immediately blinked and glanced at her self-proclaimed father teasingly. Zhan Li immediately patted Yun Feng's little head. "Kid."

Yun Feng chuckled. Zhan Li said loudly, "Come in."

Chapter 1809: Plotting Against Someone They Shouldn't Have (4)

1809 Plotting Against Someone They Shouldn't Have (4)

The door was pushed open and a woman with an ordinary appearance and body walked in. Yun Feng thought there was something unique about her, but it seemed that she was just an ordinary person right now.

The eyes of the woman who came in turned cold for a moment when she saw Yun Feng. Then, she immediately returned to her delicate appearance. Yun Feng frowned slightly. This woman was quite scheming.

“Why are you here?” Zhan Li frowned. The woman said pitifully, “Brother Zhan, it’s been a long time since you came to my house for dinner. Are you dissatisfied with me? What’s wrong? I can change it.”

Zhan Li frowned. He didn’t think she was so clingy at first. Why was he so annoyed when he saw this miserable expression right now?

“There’s nothing wrong with you. We might not be suitable for each other,” said Zhan Li casually. The woman’s expression immediately changed after hearing that! “Not suitable? Is that what Brother Zhan thinks? What exactly isn’t suitable between us?”

“Just not suitable. Besides, we don’t have such a relationship to begin with.” Zhan Li frowned and was a bit impatient. The woman’s eyes were red with tears. She suddenly glanced at Yun Feng. “Is it because of her?”

“What did you say?” Zhan Li was immediately enraged! The woman quickly took a few steps back with tears all over her face. “Brother Zhan, she’s so young. With you...”

“You can stop talking. I’m his daughter.” Yun Feng said casually. Wasn’t this woman too imaginative?

“Daughter?” The woman was stunned. “Brother Zhan doesn’t have any children. How can...” A daughter like her popped up?

Zhan Li looked delighted when he heard Yun Feng call herself his daughter. He rubbed Yun Feng’s hair with his big hand. “Your father is truly gratified.”

Yun Feng was speechless. When the woman heard the way the two of them addressed each other, she was immediately dumbfounded... “A daughter, he has a daughter... How can this be? If that’s the case... Xiao Yan won’t get anything!” The woman mumbled, but Yun Feng heard everything. Yun Feng sneered. This woman schemed deeply enough to target her self-proclaimed father?

“What’s your identity?” Yun Feng raised her brows. The ordinary-looking woman raised her head and looked serious. “I’m a distant relative of the Master of the Ancestral Forest Hall.”

The Ancestral Forest Hall? Yun Feng raised her brows. The Master of the Ancestral Forest Hall on the West Continent was targeting the East Continent? Wasn't that old man planning too far? Did the establishment of the East and West Alliance give these people some illusion that the East Continent could let the West Continent interfere at will?

Her self-proclaimed father indeed had no children. If they really got married, his wife's family would get huge benefits. Her self-proclaimed father didn't have any biological children. However, even though Yun Feng wasn't his biological daughter, she couldn't let her self-proclaimed father be schemed against like this!

"The Ancestral Forest Hall on the West Continent?" Yun Feng chuckled. "A distant relative? Does that old man in the Ancestral Forest Hall look down on the East Continent too much?"

The woman was stunned. How dare she call the Master of the Ancestral Forest Hall that? Zhan Li frowned slightly and looked at Yun Feng's unhappy expression. "My daughter, what's wrong?"

Yun Feng stood up and walked to the woman. Even though the two of them were of the same height, the woman took a step back inexplicably every time Yun Feng approached. "W-What are you doing?"

Yun Feng looked at the man with a cold expression. "Go back and tell that old guy not to scheme against anyone related to Yun Feng."

"Yun... Yun... Yun Feng!" The woman's body trembled! Her knees immediately went weak! She staggered a few steps back and pointed at Yun Feng. "You... You... You're Yun Feng?!"

Yun Feng raised her lips. "It doesn't matter who I am. You have to deliver my words. If that old guy dares to attack the people around me again, don't blame me for being rude."

The woman's face was pale. She turned around and pushed the door open, running out. Yun Feng sneered and glared at Zhan Li. "How dare you take such a woman?"

Zhan Li chuckled. "I didn't have the intention at first. It's just that she looked special at first. Unlike the others, I paid more attention to her. Even though I knew her identity and thought about what the Master of the Ancestral Forest Hall thought, I didn't expect that old bastard to really dare to scheme against me."

Yun Feng smiled helplessly, but this was also a warning. The Ancestral Forest Hall and the Thousand Snow Hall should understand that even though they were in the Alliance City, it didn't mean that they could interfere with territory that didn't belong to them.

“President, there’s news!” The door was opened again and a message came in. Zhan Li took it and looked at it. His face immediately darkened. “My daughter, there’s news about Mo Yuanbu.”

Yun Feng frowned. Her self-proclaimed father’s expression didn’t look good.

Zhan Li looked up. “Mo Yuanbu isn’t in this world anymore.”

Chapter 1810: Best Friend (1)

1810 Best Friend (1)

He wasn’t in this world anymore? Yun Feng and Zhan Li were both shocked when they heard the news. Zhan Li waved his hand and the person who brought the news immediately pushed the door open and walked out. Zhan Li frowned slightly. “According to the time, Yun Lan has already died. It’s not surprising that Mo Yuanbu is dead.”

Yun Feng certainly understood this. Senior Mo and her ancestor were from the same era and had experienced such a long time. It was at least a hundred years. It was reasonable for him to die... However, hearing the news at this moment was undoubtedly a blow. Were the clues about Yun Qi really cut off here?

“My daughter...” Seeing that Yun Feng was frowning, Zhan Li wanted to comfort her, but he couldn’t think of anything to say. He could only pat Yun Feng’s shoulder with his big hand and sigh. Yun Feng curled her lips gently. “I’m fine, father. If the clue is broken, so be it. I’ll start from other aspects.”

Zhan Li frowned. How many aspects could she do about such a thing? Mo Yuanbu was probably her last clue. This clue had already been cut off. She couldn’t start at all.

Yun Feng couldn’t help but feel disappointed in her mind. Even if all the clues had been cut off, she wouldn’t give up investigating this matter back then. There was another clue, which was the Blood Souls. That part of Yun Qi’s soul must be in the hands of the Blood Souls... Yun Feng’s heart sank. She could only fight the Blood Souls head-on...

“There will always be another way,” said Zhan Li in a low voice. Yun Feng nodded. There would always be another way. There was always a way out. It depended on whether you would find a way forward for yourself.

Yun Qi’s matter was stopped halfway again. The search for the Element Seed was put on the agenda again. If there was only one clue, the Blood Souls, then what Yun Feng should do the most was to find all the remaining Element Seeds and improve her strength.

Qu Lanyi's cultivation came to an end. He looked much better. It seemed that he had gained something. After learning about Mo Yuanbu, Qu Lanyi also frowned. "It seems that we're not fated."

Yun Feng smiled lightly. "That's all we can find out about Second Brother. Let's continue searching for the Element Seed."

Qu Lanyi sighed. He didn't want Yun Feng to work so hard. He thought he could give her enough time to rest with Yun Qi's matter. He didn't expect things to develop like this.

Yun Feng was also prepared to set off on the road to find the Element Seed again. After she told Zhan Li, Zhan Li was a bit reluctant. After all, they hadn't been together for long and his daughter was going on a long trip again. Even though he was reluctant, Zhan Li understood that Yun Feng had something to do. He could only chuckle and tell her a lot of things, until he felt a bit long-winded.

Yun Feng didn't say anything and listened quietly. After Zhan Li said that, he was so embarrassed that he smiled. Yun Feng nodded. "I'll remember everything you said, father."

Zhan Li was gratified in his mind. He didn't live his life in vain with a considerate daughter! Before he left, Yun Feng suddenly heard the sound of the Sound Transmission Jade. Yun Feng took it out and took a look. It was Murong Yuntian?

Qu Lanyi raised his brows. Why was that kid contacting Yun Feng at this moment?

Yun Feng picked up the Sound Transmission Jade. There was a hint of relief and joy in Murong Yuntian's voice. "If I can contact you, it means that you haven't left the East Continent."

Yun Feng smiled lightly. "I'm indeed still on the East Continent. Why?"

Murong Yuntian was suddenly silent for a few seconds. Then, his voice came. "Do you remember what I said? I'm getting engaged."

Qu Lanyi raised his brows. Yun Feng was surprised! Engagement? He was getting engaged in a month? That was fast!

"Congratulations," said Yun Feng with a smile. The Sound Transmission Jade rang a few times. "Yun Feng, will you come to my engagement party?"

Yun Feng frowned slightly. She was indeed going to set off and prepare to leave. She had a bit of a relationship with Murong Yuntian. After all, he was her former fiancé. He was about to get engaged. She said before that she would be there when they got married. Even though it wasn't a marriage, but an engagement... It wouldn't delay anything if she left after participating in it.

After asking for the place and time, she cut off the connection. Qu Lanyi said, "He got engaged so quickly. Does he already have a good partner?" Qu Lanyi narrowed his eyes slightly. If that was the case, the man was still so presumptuous that night at the Mercenary Union. Was he a flirtatious man? Or was this kid...

Yun Feng found it strange too, but this was Murong Yuntian's own business after all. It was a good thing that he could find his home. "Never mind that. It's a good thing that he can find someone he likes."

Qu Lanyi glanced at Yun Feng and looked at the sincere smile on her face without any malice. He exclaimed in his mind that his woman was extraordinarily unemotional.

Zhan Li was puzzled. "Who is Murong Yuntian? Is he your friend?"

Yun Feng nodded. She and Murong Yuntian could be considered friends. Qu Lanyi sneered. "A friend? This kid used to be Xiao Fengfeng's so-called fiancé."

"What?" Zhan Li was enraged! Yun Feng smiled helplessly and briefly explained what happened in the past. Zhan Li smiled in disdain after hearing that. "I see. The Murong family is just daydreaming. How can their family get close to my daughter?"

Yun Feng smiled. The Yun family back then wasn't the Yun family right now. She wasn't the person she was right now back then. Everything had changed.

"Father, I'll go with you. I want to see what kind of person can be my daughter's fiancé!"

Yun Feng was helpless. She glared at Qu Lanyi. Qu Lanyi shrugged slightly and held Yun Feng's hand, whispering, "Do you know how jealous I am of these men?"

Yun Feng looked up at Qu Lanyi's extremely deep eyes. "They're more or less related to you. I'm the only one... who's not related to you at all."

Yun Feng was slightly stunned. Qu Lanyi chuckled and held Yun Feng's hand even tighter. "However... You will be mine now and in the future. Nobody can take you away."

A smile oozed out of the corners of Yun Feng's mouth. She exerted strength in her hand and held the man's big hand firmly. Everything about her belonged to him. She belonged to him alone from the beginning to the end.

Chapter 1811: Best Friend (2)

1811 Best Friend (2)

Murong Yuntian's engagement party was held in the Imperial Capital of the Fengyun Empire. Ironically, it was held by the School of God of War and had nothing to do with the Murong family at all. Murong Yuntian was also a famous figure in the Fengyun Empire. Many big shots would certainly attend his engagement party. Shang Qu and De Lan must be there, as well as some people from the School of God of War and some people who had a personal relationship with Murong Yuntian. The Imperial Capital was very lively.

Yun Feng arrived on the day of the engagement banquet. On the day of the engagement banquet, the Imperial Capital was full of joy. The residents in the city were all talking about Murong Yuntian and were also very curious about his engagement partner. Murong Yuntian didn't announce who he was engaged to. He only announced the engagement. There were many guesses about the engagement partner, most of which were gathered in the De family and the Shang family.

"This kid is quite popular." Along the way, Zhan Li heard a lot of rumors about Murong Yuntian and knew that he was a pretty good young man. He had won the hearts and favor of many girls. He was also young and promising in his business and his appearance was also top-notch.

Yun Feng was also a bit curious about what kind of beauty Murong Yuntian liked. It would certainly be revealed at the engagement party.

The engagement banquet was hosted by the School of God of War in an independent house in the capital. Even though it was an engagement banquet, a lot of people came to congratulate them. Yun Feng and Qu Lanyi both came with Zhan Li with the Thousand Shadows Mask on them. Zhan Li reported his identity as the president of the Mercenary Union and was immediately valued more than ever. A crowd immediately surrounded him and greeted him. Zhan Li was a bit regretful. If he had known earlier, he would have been an ordinary person.

Shang Qu and De Lan certainly wouldn't let go of this opportunity. It was quite important to build a good relationship with the president of the Mercenary Union. Even though these two families had been in charge of the Fengyun Empire for many years, they had never seen someone like Zhan Li with their own eyes. Zhan Li was pestered and had no choice but to go over to socialize. Even though he was unwilling in his mind, there were still some things he had to deal with.

Yun Feng and Qu Lanyi were much more comfortable. The two of them found a corner and sat down. They looked at the lineup of people who came to congratulate them today. Some celebrities of the Fengyun Empire seemed to be here.

"Congratulations, Brother Murong!"

"Yes, congratulations!"

Congratulations came. It turned out that Murong Yuntian walked out from the back. The guests all congratulated him. Murong Yuntian also smiled quickly, but he was looking around, as if he was looking for someone.

Yun Feng looked up and glanced at Murong Yuntian. Murong Yuntian happened to meet her gaze. When he saw her, he was puzzled at first. After all, the Thousand Shadows Mask gave Yun Feng a completely different face, which was different from the one he saw at the Mercenary Union. Then, he was delighted. It seemed that he recognized Yun Feng.

Murong Yuntian strode over and looked at Yun Feng in surprise. "You're really here?"

Yun Feng chuckled. "I'll definitely come if I said so. Congratulations."

Murong Yuntian pursed his lips. "Thank you." Even though he was the main character, he didn't look very happy and looked a bit helpless.

"Which Young Lady are you engaged to?" Yun Feng asked with a smile. Murong Yuntian frowned slightly. "It doesn't matter who it is... It's the same for me... Right! Can you come to the back with me? There's a Senior I want to introduce to you."

"Senior?" Yun Feng was puzzled. Murong Yuntian nodded. "It's kind of an opportunity. This Senior is an expert. If you can meet him, you'll definitely get something."

Yun Feng smiled. "If that's the case, I must meet him!"

Murong Yuntian chuckled. "I can only use this occasion as an excuse to invite him, or he wouldn't have shown up no matter what."

Such a weird personality? Yun Feng was curious in her mind. It seemed that this Senior's style of doing things was extraordinary. He had a deep relationship with Murong Yuntian. "Let's go." Yun Feng got up. Murong Yuntian glanced at Qu Lanyi. "Yun Feng, this Senior doesn't meet outsiders..."

Qu Lanyi raised his brows and pursed his lips indifferently. "It's better not to meet such a weird old man. Go."

Yun Feng chuckled. "Alright." Then, she walked back with Murong Yuntian. Qu Lanyi, on the other hand, curled his thin lips coldly. He had dealt with people who were even weirder than this old man. Neither of them wanted to meet each other.

Yun Feng followed Murong Yuntian all the way to the back of the house. Compared to the excitement in the front yard, this place was much quieter. Murong Yuntian had always been unwilling to talk about who he was engaged to. Yun Feng didn't ask anything else. The two of them walked all the way to a remote corner in the backyard.

There were very few sounds from the front yard here anymore. Murong Yuntian led Yun Feng to a small garden and pointed inside. "He's inside."

"Yuntian, come in." As soon as Murong Yuntian said that in a low voice, an extremely lazy voice came from inside, looking very casual. Just by hearing this voice, one could imagine what kind of personality the person who spoke had.

Murong Yuntian smiled wryly and said loudly, "Senior, your ears are still so sharp."

"Haha, you didn't want to hide at all, did you?"

She followed Murong Yuntian in and the fragrance of fresh grass assailed her nostrils. A figure was sitting lazily on a tall tree. Even though he was an old man, he looked extremely young. Even though there were traces of time, he wasn't as old as Yun Feng thought.

"Senior, this is Yun Feng I told you about," said Murong Yuntian. Yun Feng took off the mask on her face, revealing her original face. The person sitting on the tree lowered his eyes. There was an inexplicable power in his black eyes and a smile appeared at the corners of his mouth.

"You're Yun Feng?"

Yun Feng chuckled. "Senior, do you know me? Or rather... do you know this name?"

The person sitting on the tree raised his brows slightly and chuckled. He exuded a relaxed aura and looked a bit sloppy, but he wasn't too undisciplined. He was like a leopard. One second, he was enjoying the shade leisurely, and the next, he had already entered a ferocious state of hunting.

"Your name... I've never heard of your name and I've never seen you."

Murong Yuntian smiled dryly. "Senior, aren't you..."

Chapter 1812: Best Friend (3)

1812 Best Friend (3)

The person sitting on the tree glanced at Murong Yuntian. Murong Yuntian smiled helplessly and didn't say anything else. Yun Feng chuckled. "Senior, if you don't know anything about me, why do you want to see me with your personality?"

The person sitting on the tree raised his brows and looked at Yun Feng deeply with his black eyes that didn't look like a smile. In the end, he chuckled. "Are all the children of the Yun family as sharp-tongued as you?"

Yun Feng was stunned. Such a tone? Did he know the other members of the Yun family?

"Senior, you..."

The person sitting on the tree chuckled. "The reason why I wanted to meet you is because your surname is Yun."

Because her surname was Yun... Yun Feng's black eyes glittered. "Senior, do you know... my ancestor, Yun Lan?"

The person sitting on the tree landed under the tree. "Speaking of that guy, it's always been a pity in my mind that I didn't see him for the last time."

Yun Feng's heart trembled! Mo Yuanbu! He was Mo Yuanbu, Senior Mo! He wasn't dead!

"You're Senior Mo!" Yun Feng said rather excitedly. Murong Yuntian was stunned. "Yun Feng, how did you know..."

Mo Yuanbu chuckled. "Why are you so excited? Did Yun Lan mention me?"

How could Yun Feng not be excited? He had already... And now, this person was standing in front of her alive. The clue that she thought was completely cut off appeared again at this moment. How could Yun Feng not be excited?

"The ancestor has mentioned you many times. You're the ancestor's best friend."

Mo Yuanbu chuckled softly with a faint smile on his face, as if he was extremely nostalgic. It could be seen that he and Yun Lan were indeed very close. The relationship between the two of them wasn't fake at all. Yun Feng had to ask something, but it was related to her Second Brother, Yun Qi, after all. With Murong Yuntian here, Yun Feng couldn't say anything. Mo Yuanbu saw Yun Feng's hesitation and said to Murong Yuntian, "Yuntian, go do your thing."

Murong Yuntian also nodded and turned around to leave. Mo Yuanbu said, "Just ask."

Yun Feng took a deep breath and went straight to the point. "Was Senior Mo the person who helped the Yun family back then?"

Mo Yuanbu was stunned for a moment and chuckled. "Are you talking about that child?"

Yun Feng's heart tightened! It was indeed him! "Yes! Back in Chunfeng Town, the person who died young was my Second Brother, Yun Qi! Did Senior... split his soul?"

Mo Yuanbu frowned and looked a bit sad. In the end, he sighed. "The Yun family will be targeted sooner or later. My guess back then was indeed right. That child had a tough life..."

"Senior Mo, do you know about the Blood Souls?" Yun Feng made a bold guess. Mo Yuanbu sneered. "I guess so. When I traveled around with Yun Lan, I found something wrong. Later, I separated from Yun Lan. I went to investigate alone and got some information about them."

"After Yun Lan passed away, the Yun family also declined drastically and I didn't see our old friend for the last time. Now that I think about it, I feel guilty in my mind and I paid more attention to the Yun family secretly."

"Second Brother Yun Qi's death isn't simple. Did the Blood Souls do it?" Yun Feng's voice was deep as she stared at Mo Yuanbu with her black eyes. Mo Yuanbu glanced over and looked at Yun Feng. "Indeed. Unfortunately, that kid was already dead when I arrived. I couldn't save him."

"When I arrived, the people of the Blood Souls were taking his soul out of his body, as if they wanted to take it away. I immediately fought fiercely with the other party. His soul was cut apart by an accident, right?" Mo Yuanbu heaved a long sigh. Yun Feng was startled. I see. Second Brother Yun Qi's soul was cut apart by an accident caused by a fierce battle. Nobody did it on purpose!

"The Blood Souls took most of that kid's soul away. Luckily, I still have a part of it in my hand. To be safe, I sent this kid's remnant soul to the Central Continent and forcibly stuffed it into a body, so that his soul could continue to live."

"I saw it. I saw the person who fused with Second Brother's soul." Yun Feng said in a low voice. Mo Yuanbu raised his brows indifferently. "Do you have the idea of resurrecting this child? If you do, you must forcibly separate the remnant soul from the body. The person where the soul resides must die."

Yun Feng looked gloomy. "He's dead. He's dead."

Mo Yuanbu was silent for a few seconds and sighed in a low voice. "So, that part of the remnant soul is in your hands?"

"Yes, it's indeed in my hands." A part of Yun Qi's remnant soul was stored in the small piece that had been hanging in front of his neck. "Senior Mo, do you know why the Blood Souls attacked my Second Brother?"

Speaking of this, Mo Yuanbu also frowned. "I don't understand this question no matter how hard I think about it. That kid was just an extremely ordinary warrior. At that time, I only rushed over because I paid attention to the movements of the Yun family. I didn't know why the Blood Souls targeted that kid's soul. However, if they targeted that kid, it means that that kid's soul isn't ordinary. I've been investigating this all these years."

Yun Feng's heart felt warm. Senior Mo cared about the Yun family so much! He had been investigating all these years! He and her ancestor were truly best friends! This friendship didn't become cold as time passed!

"Even though I haven't made much progress, I've summarized something from the information I got." Mo Yuanbu looked at Yun Feng. "The Yun family is one of the four ancient families and there was an all-element summoner among your ancestors. The power of the summoner bloodline is full of mysteries. After these years of investigation, I finally know that the ancient bloodline of humans can also mutate."

Mutate? Just as Lanyi said, the ancient human bloodline contained powerful abilities. The mutated bloodline really existed!

"There are many different situations when the ancient bloodline mutates. These things are too secretive. I can only make such a guess. The bloodline in that child's body might be a mutated existence. This is also the purpose of the Blood Souls."

If Second Brother's bloodline was really so special, she would take it back from the Blood Souls no matter what! She would never let the Blood Souls use it!

"I'll definitely get Second Brother's soul back!" Yun Feng clenched her fists with anger in her eyes! Mo Yuanbu looked at her deeply. "Have you really thought it through?"

Chapter 1813: Best Friend (4)

1813 Best Friend (4)

Yun Feng looked up. "Ever since I found out that Second Brother's soul was taken away by the Blood Souls, I've sworn to bring Second Brother back!"

Mo Yuanbu chuckled. "Kid, you're very strong. You have the right to say that. If you're ready, I can take you there."

Yun Feng was shocked again! "Senior Mo, do you know where the Blood Souls keep my Second Brother's remnant soul?"

Mo Yuanbu curled his lips coldly. "I've been chasing after the Blood Souls all these years. I've been brooding in my mind about not being able to save that kid back then. I've been investigating for so many years. There should be a result."

Yun Feng was delighted in her mind! Senior Mo knew where her Second Brother's remnant soul was put. This was great news for her! Yun Feng was extremely grateful for Mo Yuanbu in her mind! Her ancestor, Yun Lan, was truly lucky to have such a close friend in his life!

"Thank you for caring about the Yun family, Senior Mo." Yun Feng said sincerely, but Mo Yuanbu smiled indifferently. "You don't have to thank me for my friendship with Yun Lan."

Yun Feng chuckled and Mo Yuanbu looked up. "If you want to take back your Second Brother's remnant soul, just the two of us won't do."

Yun Feng nodded. "Senior Mo, don't worry about that. I'll definitely be fully prepared and succeed in one go!"

Mo Yuanbu replied, "I'll give you some time to prepare. If you fail this time, you won't have another chance. You know the way the Blood Souls do things. If you alarm them, it'll probably be harder to find them than ascending to the sky."

"I understand." Yun Feng had already started planning in her mind. She might have to hire helpers this time. Even with Qu Lanyi and five contracted Magic Beasts, she was still a bit worried that they were not enough.

"It's the quality, not the quantity, that matters. After attending Yuntian's engagement party, I'll tell you who you're looking for. It's best if they can help. Don't let them be a hindrance," said Mo Yuanbu with a much more serious look. Yun Feng nodded respectfully. "I'll listen to Senior Mo."

Mo Yuanbu nodded and glanced at Yun Feng again. "You're the person Yuntian has been thinking about, right?"

Yun Feng was stunned. The person he's been thinking about? "Senior Mo, you must be joking."

Mo Yuanbu chuckled and looked at Yun Feng with a faint smile in his black eyes. "Are you kidding me? That kid has been single for more than ten years, but he told me that he was going to hold an engagement party in a month. It's probably because of you."

Yun Feng frowned. Mo Yuanbu raised his brows. "Kid, do you have someone you like?"

Yun Feng's black eyes glittered. "Yes, I already have someone I like..."

“No wonder.” Mo Yuanbu whispered softly. “That kid is quite unlucky. Why don’t you reconsider it for the sake of me, kid?”

Yun Feng suddenly raised her head and said solemnly, “Senior Mo! Feelings can’t be forced! The person I care about is far from comparable to others. In my heart, he’s the best and only one!”

Mo Yuanbu suddenly burst into laughter. “How similar. Your personality is really the same as Yun Lan’s.”

“Ancestor?” Yun Feng was puzzled. Mo Yuanbu seemed to be very happy. “Got it. Go back. After the engagement party, I’ll ask Yuntian to find you. We’ll talk in detail later.”

Yun Feng nodded and suddenly thought of something. “I’ve asked around about Senior Mo, but the result I got was...”

“I’m dead?” Mo Yuanbu chuckled and raised the corners of his mouth. “The Blood Souls had already noticed me at that time. In order not to make them suspicious, so what if I die once? There’s no difference between life and death for me.”

Yun Feng’s black eyes glittered. “Senior Mo... What if you can see my ancestor again?”

Mo Yuanbu was stunned as disappointment flashed through his face. “That’s impossible. That guy... is already gone.”

Yun Feng smiled casually. “The ancestor is still here.”

“What did you say?” Mo Yuanbu’s black eyes widened with excitement. “Is that guy really still alive?”

A trace of loneliness flashed through Yun Feng’s eyes. “It’s just a remnant thought...”

“Remnant thought?” Mo Yuanbu was stunned. Yun Feng nodded. “The ancestor’s remnant thoughts are stored in the ancestral hall of the Yun family. Senior Mo, do you want to go?”

Mo Yuanbu was stunned for a while. In the end, he chuckled with an extremely complicated expression on his face. He clenched his fists fiercely and a scorching light suddenly flashed through his eyes that were engraved with the marks of time. That was the passion and impulse of youth!

“Of course! That guy is my best friend!”

Tears welled up in Yun Feng’s eyes and warmth suddenly surged in her heart. She replied and said softly, “The ancestor is the same. He always looks proud when he talks about Senior Mo.”

Mo Yuanbu chuckled softly. Something seemed to have been released in his mind. He looked into the distance with his black eyes and the memories of his youth flashed through his mind one by one. That sincere friendship had always been at the bottom of his heart, like an indestructible flower.

Chapter 1814: In Chunfeng Town (1)

1814 In Chunfeng Town (1)

Murong Yuntian's engagement banquet was still going on. After talking to Mo Yuanbu, Yun Feng planned to say goodbye. Her ancestor would definitely be delighted to see Senior Mo. Thinking of that wisp of soul that could dissipate in this world at any time, she thought that he really didn't have any regrets seeing Senior Mo.

As soon as Yun Feng went out, Murong Yuntian was standing there. Even though he quit just then, he never left. Seeing Yun Feng come out, he chuckled. Yun Feng said, "Thank you." If it weren't for Murong Yuntian's recommendation, she would probably have really missed Senior Mo.

"I didn't expect you to know Senior." Murong Yuntian smiled in embarrassment. "No wonder Senior looked like he already knew your name after hearing it. He even took the initiative to ask me to bring you here to meet you. I guess you're best friends with the Yun family."

Yun Feng nodded. The friendship between Senior Mo and her ancestor, Yun Lan, had lasted for so long. The two of them had suffered together along the way back then. They experienced a lot of things together. Thinking of her friends along the way, Yun Feng chuckled softly. Hadn't she always been lucky?

"Murong Yuntian, so you're here." A voice sounded, sounding very cold and without any heat at all. Yun Feng looked up and saw a figure walking over from the corner. When the two of them looked at each other, Yun Feng was stunned! The other party was also stunned!

"Shang Rui?" Yun Feng was surprised. Shang Rui was also stunned to see Yun Feng. "You're really here? I thought Murong Yuntian was just kidding."

Murong Yuntian stood there a bit awkwardly. Yun Feng looked at him and a thought suddenly flashed through her mind. Was Murong Yuntian engaged to... Shang Rui?

"Go to the front," said Shang Rui to Murong Yuntian casually. Murong Yuntian nodded. He glanced at Yun Feng and turned around to leave. After Murong Yuntian left, Shang Rui chuckled. Yun Feng also smiled. "I didn't expect you to be engaged to him."

Shang Rui said, "It doesn't matter to me who I get engaged to. It's just that Murong Yuntian is a bit better."

Seeing Shang Rui's attitude, Yun Feng understood that the two of them weren't together because of love. Shang Rui looked at Yun Feng. "I heard from Murong Yuntian that you and Qu Lanyi are already married?"

Yun Feng was slightly stunned. Shang Rui chuckled. "If that weren't the case, he wouldn't have given up so easily and decided on the engagement in a hurry."

Yun Feng frowned. Shang Rui shook her head. "It's not your fault that he's like this. He has such a status in the Fengyun Empire. If he stays single, he'll have trouble that he can't get rid of. It's good for him to start a family as soon as possible."

The two of them found a place to sit down. Yun Feng looked at Shang Rui's indifferent expression. "If you don't like him, can you still be with him?"

Shang Rui smiled indifferently. "As I said, it's the same for me. There's no such thing as feelings between us. As the daughter of the Shang family, I'm responsible enough to rope in such a son-in-law for the Shang family. And Murong Yuntian wants a woman who won't interfere with his life."

Yun Feng frowned. How would such a marriage be blissful?

Shang Rui smiled lightly. "Some people don't get together to make each other happy, but for a lot of common interests." Shang Rui smiled with her black eyes. "Do you think everyone is as lucky as you to be able to love each other for the rest of their lives?"

Yun Feng was stunned. "You sound like you're teasing me."

Shang Rui smiled happily. "Yes. I rarely have a chance to tease you, so I certainly can't let it go."

Yun Feng was helpless. Her meeting with Shang Rui back then wasn't pleasant. It wasn't until she came to the Pharmaceutical Institute that the relationship between the two of them improved a lot unknowingly. Shang Rui was also obviously much more mature. It was truly rare for the two of them to talk so calmly right now.

Yun Feng chuckled. There weren't many people who could tease her. Shang Rui was one of them. Even though the difference between the two of them was huge, Shang Rui didn't speak very politely and respectfully.

"It's been so long. I heard that your pharmaceutical skills have already reached the Grandmaster Level." Shang Rui looked at Yun Feng and chuckled. "How unwilling do you want others to be? They can't catch up no matter how hard they try."

“The Grandmaster Level isn’t as difficult as I thought. As long as you work hard, you’ll be able to reach it one day.”

Shang Rui pursed her lips. “I didn’t know about Mu City until I came back from the Pharmaceutical Institute. The De family and the Shang family did something wrong. It’s natural for you to be angry.”

Yun Feng smiled gently. “As a member of the Shang family, you’re quite reasonable.”

Shang Rui was helpless. “I’ve changed too, okay? I’m not the same as before.”

Yun Feng stood up and pointed ahead. “After all, it’s the engagement banquet. It doesn’t make sense for Murong Yuntian to take everything alone.”

Shang Rui raised her brows and finally stood up. “That’s right. I’ll go ahead right now.”

Yun Feng nodded and was about to turn around and leave, when Shang Rui suddenly called out, “Yun Feng!”

Yun Feng turned around and looked at her. “What’s the matter?”

Shang Rui frowned slightly and asked softly, “What does it feel like to be with someone you love?”

Yun Feng was silent for a few seconds and chuckled. “You’ll understand sooner or later.” After saying that, Yun Feng had already turned around and left. Shang Rui stood there alone. Would she understand sooner or later? She didn’t have a chance anymore. Was she talking about Murong Yuntian? Then, Shang Rui raised the corners of her mouth. It couldn’t be him.

Even though it was an engagement banquet, it was no different from the grand occasion when they would get married. Everyone was here to celebrate. The Shang family was especially proud. After all, Murong Yuntian, their son-in-law, was very satisfactory in every aspect. Shang Rui and Murong Yuntian smiled strictly. Looking carefully, it could be found that the two of them didn’t have much emotional contact. They even had very little physical contact.

The lively engagement banquet soon ended. Qu Lanyi was very surprised that Murong Yuntian was engaged to Shang Rui, but he didn’t say anything. He only congratulated them and said nothing else. After all, it was not his business who Murong Yuntian was engaged to. As long as it wasn’t Xiao Feng, it didn’t matter who it was.

After the engagement banquet ended, Mo Yuanbu told Murong Yuntian that he wanted to go to the headquarters of the Yun family with Yun Feng. Yun Feng told Zhan Li that she was going home. Even though Zhan Li and Murong Yuntian both wanted to go with her, they had their own things to do and couldn’t go together.

Chapter 1815: In Chunfeng Town (2)

1815 In Chunfeng Town (2)

As the president of the Mercenary Union, Zhan Li certainly couldn't go anywhere he wanted. Murong Yuntian was fine in the past, but he had family matters now and couldn't travel casually. Mo Yuanbu didn't want anyone else to follow him. He would also feel very uncomfortable. When he saw Qu Lanyi, Mo Yuanbu sized him up for a long time. "Are you the person this girl likes?"

Qu Lanyi intuitively felt that the old man in front of him wasn't a simple person, so he replied in a low voice. Later, Yun Feng introduced him as Mo Yuanbu, the person who was already dead.

Along the way, Yun Feng asked Mo Yuanbu about his and Yun Lan's era from time to time. Mo Yuanbu was also very willing to answer. Every time he talked about it, he looked like he was immersed in his memories. If she talked about other things, Mo Yuanbu would ignore her.

Yun Feng also learned a lot of things about her ancestor, Yun Lan, from him. Yun Lan was a three-element summoner and had always been the pride of the Yun family on the East Continent. He was the core power of the Karan Empire back then and had done a lot for the Karan Royal Family. However, when he mentioned the Yun family's attitude towards the Karan Royal Family, Mo Yuanbu only sneered and said, "It's not worth it."

Qu Lanyi nodded in agreement. Yun Lan only returned because of the Karan Royal Family's needs. Mo Yuanbu, on the other hand, chose to continue traveling alone. The two good friends separated and didn't meet in the end.

It had always been a regret in Mo Yuanbu's mind that he didn't see Yun Lan for the last time. Luckily, this regret could finally be made up for. Even though Yun Lan had already disappeared, the existence of her soul could be considered a coincidence. Mo Yuanbu also asked a lot about Yun Lan. Yun Feng told him everything she knew, including the matter of her ancestor being taken away by the Blood Souls.

"The Blood Souls again! They didn't even let go of his soul!" Mo Yuanbu was immediately enraged after hearing that! The means and behavior of the Blood Souls could be said to be unscrupulous. They definitely wouldn't let go of anyone, not even a trace!

"Have they let go of anything?" said Qu Lanyi. Along the way, every move of the Blood Souls was outrageous! They slaughtered, plundered and killed! What hadn't they done? In order to get what they wanted, they would do anything!

“One day, the Blood Souls will completely disappear from this world!” Mo Yuanbu’s black eyes glittered as he said in a low voice. Yun Feng also whispered on the side, “That’s right. They’ll disappear from this world, completely and forever!”

After arriving in the Inner Area, Yun Feng informed the three elders in advance. After all, she had to enter the ancestral hall of the Yun family. Even though Mo Yuanbu wasn’t a member of the Yun family, the three elders of the Yun family had opened the door and allowed Mo Yuanbu to enter the ancestral hall. However, Yun Feng had to guard outside, just in case. The ancestral hall of the Yun family was where the tablets of the previous masters and important figures of the Yun family were kept. It was sacred and inviolable. It was already very tolerant of them for an outsider to step in.

Mo Yuanbu stepped into the ancestral hall and a gust of cold air came right at his face. He saw tablets one after another, as if a kind of power was emitted from these tablets, which was intimidating. Mo Yuanbu took a deep breath and said to the silence in the room, “Old man, I’m here to see you.”

Yun Feng and Qu Lanyi guarded outside the ancestral hall. It was quiet in the ancestral hall. Yun Feng wanted to look inside curiously, but Qu Lanyi pulled her away with a smile. “Don’t peek.”

Yun Feng curled her lips. “I’m not peeping... I’m just worried...”

“It can’t be so fast. Even his soul can’t dissipate so quickly... The ancestor must still be here,” said Qu Lanyi in a low voice. Yun Feng’s heart tightened. The ancestor said that his soul was already quite weak and might completely dissipate. If Senior Mo didn’t even have this opportunity... she might as well not bring him back.

After a long time, the door of the ancestral hall was pushed open and Mo Yuanbu walked out with an inexplicable smile at the corners of his mouth. He looked at Yun Feng deeply with his black eyes. “Kid, thank you.”

Yun Feng smiled. “It’s what I should do.”

Mo Yuanbu chuckled. Qu Lanyi glanced at the ancestral hall and said in a low voice, “Senior Mo, the ancestor...”

Mo Yuanbu’s expression froze. Then, he sighed softly. “Kid, Yun Lan has always been proud of you. He said that you’ll become the greatest summoner in the history of the Yun family. You’ve never let him down, but... he can’t continue walking with you.”

“Senior Mo...?” Yun Feng’s heart ached fiercely! She looked at the ancestral hall and coldness seemed to rise in her body.

Mo Yuanbu lowered his black eyes slightly and patted Yun Feng’s shoulder with his hand. “Yun Lan told me a lot about you. He kept smiling when he left and didn’t leave

any regrets.” Mo Yuanbu caressed Yun Feng’s head gently with his big hand. “That old guy said... he really wanted to do that, but unfortunately...”

Yun Feng’s heart suddenly ached! She rushed into the ancestral hall and searched around the ancestral hall with her black eyes. Ancestor, ancestor! You’re really gone!

Qu Lanyi’s eyes were full of sympathy. Mo Yuanbu smiled helplessly. Qu Lanyi said in a low voice, “The ancestor meant a lot to her...”

Mo Yuanbu chuckled. “Yun Lan values her very much. This is the first time I’ve seen a junior that he can’t stop praising.”

“Can Senior Mo’s regret be resolved?”

Mo Yuanbu chuckled. “My regret has been resolved, but I’m afraid that girl will have another knot in her heart.”

“No, I’m here for her.”

Mo Yuanbu was stunned for a moment. He chuckled. “That’s for the best.” Mo Yuanbu turned around and left, leaving Qu Lanyi waiting outside the ancestral hall alone. A gust of wind lifted the corners of Qu Lanyi’s clothes and he looked in the direction of the ancestral hall with his black eyes. Qu Lanyi stood there without moving.

Yun Feng came out of the ancestral hall expressionlessly. Qu Lanyi quickly walked over and held Yun Feng in his arms without saying anything. He pushed her hand away firmly with his slender fingers. Looking at his red and swollen palm, Qu Lanyi frowned slightly.

“Xiao Fengfeng...” Qu Lanyi said in a low voice. Yun Feng suddenly interrupted him. “There’s no need to say anything. I know. The ancestor once said that his disappearance is inevitable. Everyone will experience life and death.”

Qu Lanyi was slightly stunned. Then, he smiled helplessly and rubbed her red and swollen palm gently with his finger. He said helplessly and gently, “Don’t hurt yourself next time.”

Chapter 1816: In Chunfeng Town (3)

1816 In Chunfeng Town (3)

Yun Feng raised the corners of her mouth gently. “I know everything... But my heart still hurts...”

Qu Lanyi held her even tighter. "It's only right to feel pain. After all, they're people we care about at the bottom of our hearts. Their passing will definitely affect the softest part of our hearts. Our feelings are still there, but they're already gone. It's a disappointment."

Yun Feng was silent. She leaned into Qu Lanyi's arms quietly. His heartbeat could make her feel at ease.

"However, the people who died are gone after all. Their last hope is that we can live better. Your ancestor also hoped so."

Yun Feng nodded. Qu Lanyi chuckled. "One day, we'll leave this world too. By then, someone will also be sad for us and might even cry. However, we have no choice but to follow this rule."

Yun Feng looked up and met Qu Lanyi's gaze. Qu Lanyi lowered his handsome face and their foreheads touched, breathing. Qu Lanyi put Yun Feng's hand on his chest. "I'll stay with you no matter what until the moment of death."

Tears welled up in Yun Feng's eyes. She nodded and hugged Qu Lanyi's body fiercely. A spot in her heart was suddenly empty. She felt extremely uncomfortable. Luckily, he was here for her.

Yun Lan's soul disappeared from the ancestral hall. The three elders of the Yun family also expressed their regret. From then on, there was another tablet in the ancestral hall. Yun Lan's name was engraved on it. Yun Lan had been glorious since he was born.

Mo Yuanbu found Yun Feng. Seeing that she had already calmed down, he couldn't help but admire this girl's endurance. Her pain was so obvious, but she could suppress it completely in such a short period of time. This kid must have endured a lot.

"Senior Mo, are you going to discuss with me about saving Second Brother?"

Mo Yuanbu nodded. He originally wanted to say something, but he swallowed it in the end after thinking about it. "We must succeed in rescuing that kid's soul this time. If we fail, it'll be very difficult for us to have a second chance."

Yun Feng nodded solemnly. "I'll listen to you, Senior."

Mo Yuanbu said, "There's more than one stronghold of the Blood Souls. The locations of their strongholds are all very secretive and most of them are in areas that humans can't reach."

"That's right. I've already come into contact with the two strongholds of the Blood Souls. One is in the Endless Ocean, and the other is deep in the Ten Thousand Beast Mountain Range."

Mo Yuanbu was a bit shocked that Yun Feng had also come into contact with the Blood Souls head-on and even entered the strongholds herself! This girl was truly bold!

“Since you know something about their strongholds, I don’t have to say too much. Let’s return to the previous topic. Even though these strongholds are all outside of the human world, the stronghold where Yun Qi’s soul is stored is in the human world!”

“In the human world!” Yun Feng was shocked! Mo Yuanbu nodded solemnly. “I found this clue back then and it was unbelievable. The Blood Souls have such meticulous thoughts and means. It would be a lot inappropriate if they set up a stronghold in the human world, but the truth is right in front of us.”

“Where is it?” Yun Feng was surprised. Qu Lanyi also frowned hard. He had never thought that a stronghold of the Blood Souls would be set up in the human world! What exactly were they thinking?

“You might not be able to believe the location of the stronghold at all.” Mo Yuanbu stared at Yun Feng with his black eyes. Yun Feng’s breath tightened! As the saying went, the most dangerous place was the safest place! “Chunfeng Town!”

“What?” Qu Lanyi was surprised. Chunfeng Town! The stronghold of the Blood Souls was in Chunfeng Town. How was that possible?

Mo Yuanbu said in a low voice, “Chunfeng Town. It is indeed here.”

Qu Lanyi’s black eyes darkened. So, after going around in circles, it was the place that was most reachable!

“We’re back to square one... Blood Souls, you’re truly something!” Yun Feng roared as a stream of mental strength shot out of her palm and the stone table under her hand shattered! Yun Qi’s remnant soul, which she had been thinking about getting back, was in Chunfeng Town!

“It’s indeed impossible to guess what the Blood Souls are thinking,” said Qu Lanyi in a low voice. “The Blood Souls’ stronghold is in Chunfeng Town. The Yun family hasn’t discovered it after so many years. They’re quite good at hiding.”

Indeed, with the Yun family’s power in Chunfeng Town, they didn’t find anything unusual. The stronghold of the Blood Souls had survived under the watch of the Yun family for so many years. Yun Qi’s remnant soul had been trapped in Chunfeng Town for so long!

“Chunfeng Town is indeed an unexpected place. I guess it was too surprising that Yun Qi’s soul was divided at that time. The Blood Souls didn’t know how to deal with it, so they could only seal it. I’ve been investigating for so long, but this stronghold in

Chunfeng Town hasn't done anything. They didn't do anything until the Yun family left Chunfeng Town. That's when I had the clues to investigate."

Yun Feng frowned. They were so patient. They didn't start taking action until the Yun family left Chunfeng Town and the East Continent completely. If it weren't for Senior Mo, she probably wouldn't have been able to find her Second Brother's remnant soul for the rest of her life!

Thinking that her Second Brother's remnant soul had been in Chunfeng Town for so long and she didn't notice it, Yun Feng suddenly hated herself. If she weren't useless, she wouldn't have missed it at such a close distance!

"It's not your fault. You didn't have the ability to know everything in the past," said Qu Lanyi solemnly. "You did the best you could!"

Mo Yuanbu sighed softly. "Kid, if you want to blame someone, blame me. If I didn't leave with the remnant soul back then but continued investigating, that child might be complete right now."

"No, Senior Mo isn't wrong. If it weren't for Senior Mo, I'm afraid I wouldn't have known what kind of fate Second Brother would have right now!" The reason why the Blood Souls kept Yun Qi's remnant soul in Chunfeng Town and didn't do anything was that they obviously didn't know how to use this remnant soul! If it was a complete soul, it was very likely that Yun Qi had already changed!

Mo Yuanbu sighed and continued, "The stronghold of the Blood Souls in Chunfeng Town was set up extremely cleverly. On the surface, this stronghold is just an inconspicuous small family in Chunfeng Town. They usually keep a low profile and the people who enter and leave this small family are all ordinary people."

"Ordinary people are the ones who won't be noticed," said Qu Lanyi in a low voice. Mo Yuanbu nodded. "Indeed. If they didn't have any clues, I wouldn't have thought that there were people of the Blood Souls in Chunfeng Town. Yun Feng, do you have a friend who has the ability to touch souls?"

"Touch the soul?" Yun Feng was puzzled. Mo Yuanbu took a deep breath. "That's right. Among the people guarding the stronghold of the Blood Souls in Chunfeng Town, one of them is a powerhouse of the senior management personnel of the Blood Souls. His ability is very special. Normal energy can't hurt him at all. He'll absorb all of them into his body before they reach him!"

"So tricky!" Qu Lanyi was surprised. Yun Feng frowned slightly. She indeed knew Gong Tianqing, who had the Dead Fire!

Chapter 1817: Taking Back Yun Qi's Soul (1)

1817 Taking Back Yun Qi's Soul (1)

“It seems that the senior management personnel of the Blood Souls aren't ordinary people,” said Qu Lanyi. He had fought with the Blood Souls several times along the way. The number of people he fought with varied. One of the senior management personnel was Tu Wei, and the other had already been swallowed by Yun Feng. The senior management personnel of the Blood Souls were all extraordinary and had overwhelming strength. It seemed that the one in Chunfeng Town was even more tricky.

“Indeed. Otherwise, I wouldn't have just observed in secret, fearing that the Blood Souls would be alerted after the attack. Our investigation would be in vain.” Mo Yuanbu frowned and looked at Yun Feng. “Kid, do you know such a person?”

Yun Feng nodded. “I know someone who has the ability to touch the soul directly, but... this is her unique ability. It has nothing to do with strength.”

Mo Yuanbu frowned. “In that case, we can only let this person do it at the critical moment.”

Yun Feng nodded. Qu Lanyi looked at Yun Feng. “Are you talking about Gong Tianqing?”

“That's right. Tianqing's Dead Fire can directly burn a human soul!”

Mo Yuanbu was immediately shocked after hearing that. “I can't believe you know someone with such an ability!”

Yun Feng smiled lightly. “It was a coincidence back then. The ancestor told me about Tianqing's ability.”

Mo Yuanbu chuckled. “It's very good to have such a person. It'll save us a lot of trouble and we'll have a higher chance of winning.”

“Senior Mo, do you know the scale of the Blood Souls' stronghold hidden in Chunfeng Town? Is there only one powerhouse guarding it?” Qu Lanyi was puzzled. They had to control the power structure of the Blood Souls' stronghold in advance so that they could be prepared.

“So far, according to the information I have, the strongest person in this hidden stronghold in Chunfeng Town is the person I mentioned. There are very few guards in this stronghold. After all, they're in Chunfeng Town. In order to avoid attracting attention,

this is all they can do. However, the powerhouse I'm talking about can completely fight ten people alone."

"So, that person is our only target. We don't have to consider anything else for the time being." Yun Feng raised her head. Mo Yuanbu frowned slightly. "We must be prepared. The Blood Souls' stronghold is very mobile and the reinforcements are very fast. If we want to succeed in one try, we must be fully prepared."

Qu Lanyi chuckled. "That's enough. There are definitely enough people. Fengfeng, Gong Tianqing's ability, Senior Mo's help, and..."

Yun Feng smiled lightly. Together with her five contracted Magic Beasts, if they couldn't take down one person with such a lineup, unless that person's strength surpassed hers by too much, it shouldn't be a problem...

"Haha, I forgot about that. Yun Feng, your identity and the existence of your contracted Magic Beasts are also a great motivation. So, your strength has already been prepared." Mo Yuanbu chuckled. Yun Lan praised her very much. A five-element summoner was the second wonder the Yun family had seen since it was born.

"As long as I can help." Yun Feng chuckled at Mo Yuanbu. Mo Yuanbu looked very happy. "Very good. Call that friend you mentioned here. We can go on our way."

In less than three days, Gong Tianqing came to the Yun family in the Inner Area. Gong Tianqing was practicing hard in the pharmaceutical branch earlier. She heard that it was a message from the Yun family. Yun Feng was looking for her. Gong Tianqing immediately put down everything and rushed over without another word.

Even though it hadn't been long since the Pharmaceutical Contest, they only met in a hurry last time and didn't say much. This time, Gong Tianqing was very excited to see Yun Feng. The two of them talked for a while. Gong Tianqing took the initiative to ask, "Did you call me this time because you need my help?"

Yun Feng nodded and told Gong Tianqing everything straightforwardly. She also confessed that she needed her ability. After hearing that, Gong Tianqing's body trembled slightly. "So... he's still alive?"

Yun Feng looked a bit complicated. She had never been able to let go of You Yue completely, and the relationship between You Yue and Tianqing. It could be said that it had been cruelly cut off right after it germinated. Her Second Brother looked exactly the same as You Yue. Would Gong Tianqing feel even worse when she saw that?

There was still a relationship between the two of them. If Second Brother could be resurrected, what would Tianqing think? Yun Feng suddenly felt that she couldn't bear it. She couldn't bear to let Gong Tianqing go with her. She couldn't bear to let Yun Qi, who looked exactly like You Yue, see her.

"I'm fine. He's your Second Brother, Yun Qi. He's not You Yue." Gong Tianqing took a deep breath. "You Yue... is already gone."

Yun Feng's throat suddenly became a bit dry and she couldn't say anything. She knew that this person was already gone, but when she saw someone who looked exactly like him, the feelings and longing in her heart would still surge out uncontrollably. Wasn't she the same when she saw You Yue back then? The feelings in her heart couldn't be suppressed at all. At that time, Yun Feng knew that Yun Qi was already gone, but she still rushed forward without hesitation.

Yun Feng smiled wryly. Gong Tianqing smiled gently. "Don't be like that. It's best if I can help you."

Yun Feng nodded. "Thank you, Tianqing."

Gong Tianqing smiled. "It's fine. Your Second Brother can really come back to life. You Yue's wish will be fulfilled."

Yun Feng nodded. You Yue's death helped Yun Qi's resurrection. If he didn't die, Yun Qi's soul wouldn't be complete after all. Mo Yuanbu was still shocked after seeing Gong Tianqing's Dead Fire. This fire, which seemed to be unable to burn anything, could touch the soul directly! "She's too weak. It's inevitable that she'll be in danger with us." Mo Yuanbu said solemnly. Gong Tianqing blushed in embarrassment.

Yun Feng chuckled. "Senior Mo, don't worry about that. Just let Tianqing appear at the critical moment." As long as they put Gong Tianqing in the Dragon Palace, she wouldn't be in any danger no matter how fierce the battle was. They just had to let Tianqing out at the critical moment.

"It'll certainly be good if you solve this problem." Mo Yuanbu chuckled. "This way, we won't have anything to worry about. We should be able to set off."

After preparing everything, Yun Feng put Gong Tianqing into the Dragon Palace. The three of them left the Inner Area and stepped on the East Continent again, arriving at Chunfeng Town, a place Yun Feng couldn't be more familiar with.

Chapter 1818: Taking Back Yun Qi's Soul (2)

1818 Taking Back Yun Qi's Soul (2)

Returning to Chunfeng Town again, Yun Feng's mind was very different from before. It was good that the members of the Yun family had all left the East Continent at this moment, or she would still be cautious this time. She looked at the scenery and

buildings in Chunfeng Town that she couldn't be more familiar with. Thinking that the Blood Souls were hiding here, the anger in Yun Feng's heart ignited again.

Yun Feng and Qu Lanyi were wearing the Thousand Shadows Masks. The faces of the three of them were very unfamiliar to people in Chunfeng Town. Chunfeng Town was very unique to begin with and there were a lot of strangers coming and going. The three of them didn't attract any attention when they walked in the town. Mo Yuanbu led Yun Feng and Qu Lanyi to a corner of Chunfeng Town. After arriving, the three of them hid in a corner. There was a small house not far away.

"That's it." Mo Yuanbu lowered his voice. Yun Feng and Qu Lanyi both glanced over. There was no one else there. They looked very ordinary on the outside. Occasionally, someone would come in and out. They were all ordinary people and were very weak.

After the two of them watched, Mo Yuanbu took the two of them away and found a place to sit down in town. Mo Yuanbu said in a low voice, "Yun Feng, do you remember the Wang family in Chunfeng Town?"

Yun Feng was helpless. "There are a lot of large and small families in Chunfeng Town. After these years of development, there are dozens of them. I don't pay attention to family matters at all. If the Blood Souls intend to keep a low profile, I won't know."

Mo Yuanbu frowned slightly. "You're right. The stronghold of the Blood Souls is in the Wang family. If we want to enter, we can't do it by force. I've only observed from outside. I've never been inside at all."

"Senior Mo, you're right. If we don't find out the truth first and act rashly, we'll only fall into the other party's trap," said Qu Lanyi. Yun Feng also agreed on the side. The Wang family was an inconspicuous small family. It shouldn't be difficult for them to find out information about such a family.

However, the truth was far from as simple as Yun Feng thought. Even though the Wang family was a small family, the Blood Souls deliberately blocked all the news. The three of them asked around for a long time and had an ambiguous answer towards everyone in the Wang family. They couldn't say anything and only said one thing. The Wang family was just a small family. They didn't do anything. Who would notice them?

In the end, they could only return empty-handed. They still didn't know much about the Wang family. The three of them decided not to investigate anymore. If they were too enthusiastic, they would arouse the suspicion of the Blood Souls. The losses wouldn't make up for the losses if they alerted the enemy.

After thinking about it, Yun Feng suddenly thought of someone who might know about the Wang family, the Mei family! The Mei family had always been rooted in Chunfeng Town like the Yun family. The Mei family certainly knew everything in Chunfeng Town!

This was also her last chance. If the Mei family didn't know anything about the Wang family anymore, Yun Feng had no choice but to try and break in.

When they came to the Mei family's mansion, the Mei family and the Yun family were a bit similar. No matter how their reputation changed, this mansion didn't change much. The Mei family's mansion was still the same as before, but it looked more imposing.

Even though it wasn't as glorious as the Yun family, the Mei family was also one of the top families in Chunfeng Town. Back then, Yun Jing needed the help of the Mei family for a lot of things. If Yun Jing had to do everything himself, he would be exhausted.

Yun Feng didn't tell them her name directly. She only said that the members of the Yun family were here to visit. After a while, someone invited the three of them in. The leader of the Mei family, Mei Ran, met them in person. Mei Bing also accompanied her on the side. Yun Feng, Qu Lanyi and Mo Yuanbu walked into the main hall of the Mei family. Mei Ran got up with a smile and replied, "The Mei family is truly honored to have the members of the Yun family here."

Yun Feng chuckled and saw how anxious Mei Ran was. Thinking back, between the Yun family and the Lin family, if the Mei family could clearly state their stance, they might be able to rise to the top like the Yun family right now and get a lot of advantages. Unfortunately... they wouldn't have another chance if they missed it.

How would Mei Ran not understand this in his mind? Even though his wrong decision back then didn't cause any trouble for the Mei family, it was a huge mistake. Even though so many years had passed, Mei Ran was still brooding in his mind. The Yun family had already left Chunfeng Town completely. The Mei family didn't even have a chance to curry favor with them and could only sigh. He had never thought that a member of the Yun family would visit in person today!

"Sit down quickly!" Mei Ran said with a smile. Mei Bing quickly asked the servants to serve tea. Yun Feng and the others sat down. The expressions of the three of them didn't change at all. Mei Ran also sat down with a smile. "I wonder why you're here today?"

Yun Feng cleared her throat. "It's like this. We came here because of what Yun Jing said. Chunfeng Town is a place that Yun Jing can't let go of in his mind and he misses this place a lot. He hopes the Mei family can take good care of it so that the people here can live and work in peace."

Mei Ran nodded with a smile happily. "Don't worry, Yun Jing. The Mei family is here in Chunfeng Town. We certainly won't let him down!"

Yun Feng nodded and her black eyes darkened slightly. "One more thing. Yun Jing has been paying a lot of attention to the development of Chunfeng Town these years.

Master Mei, can you tell me something so that I can go back and convey the message for him?”

Mei Ran nodded with a smile. “Xiao Bing, go get the notebook and show it to the three of you.”

Mei Bing nodded and left. Qu Lanyi asked, “The notebook?”

Mei Ran touched the beard at the corners of his mouth with a smile and said, “The development of Chunfeng Town over the years has been recorded. The development of the large and small families, the situation of the shops and other situations have all been recorded. You can read carefully.”

Mei Bing came back very soon with a few heavy notebooks in his hand and put them on the table next to Yun Feng. “You can read them slowly. If you can’t finish them, just stay in the Mei family.”

Yun Feng chuckled. “If that’s the case, sorry for disturbing you. Master Mei, please don’t tell anyone that the three of us are here.”

Mei Ran chuckled. “Got it. Don’t worry.”

This notebook was indeed as Mei Ran said. It really recorded everything. They couldn’t finish reading such a huge amount of information in a short period of time. The three of them stayed in the Mei family for a few days and flipped through the things recorded in this notebook carefully. They finally found a description of the Wang family.

The Wang family had always been an inconspicuous small family in Chunfeng Town. They usually made money from buying and selling agricultural products. After all, they were like ordinary farmers and didn’t have much income. They only had enough money to cover the daily expenses of the family and didn’t have much left. So, the Wang family had always been very simple. There were no outstanding people and they didn’t receive any attention.

Chapter 1819: Taking Back Yun Qi's Soul (3)

1819 Taking Back Yun Qi's Soul (3)

“Usually, this is just an ordinary family. There’s nothing suspicious at all.” Qu Lanyi closed the notebook. Mo Yuanbu frowned. “Nobody would set their sights on such an inconspicuous small family and they didn’t do anything unusual. This is probably the reason why the Yun family hasn’t discovered it for so many years.”

"I'm just afraid that it's really an inconspicuous small family. Luckily, we finally have some clues. Since there's trade, they'll certainly contact outsiders."

"Kid, what do you mean?" Mo Yuanbu raised his brows. Yun Feng chuckled. "No matter what, we have to enter this so-called Wang family first to find out!"

The next day, Yun Feng and the others had already come to the door of the Wang family's small yard. The so-called Wang family was very small. Judging from the size of the house, there were at most a dozen people. All of them looked very ordinary and their strength was average.

"You are...?" A member of the Wang family walked up and sized up Yun Feng and the others curiously. Yun Feng chuckled. "Is Master Wang here? We're here to discuss business."

"Business?" Another member of the Wang family walked up and sized Yun Feng up suspiciously. "Where are you from? The Wang family has fixed customers. We don't have to talk business with outsiders. The master isn't here. You can go."

Qu Lanyi chuckled and glanced inside. The person who spoke vigilantly blocked Qu Lanyi's gaze with his body. Qu Lanyi's black eyes darkened slightly. "It's just business. We're here with sincerity."

"Master is really not here. You can go now." Yun Feng chased them away without hesitation. She smiled lightly. "Since Master isn't here, we can't disturb you. We'll visit you in a couple of days. Goodbye." The three of them turned around and left neatly.

After walking far away from the Wang family's house, Qu Lanyi said in a low voice, "Although it's very hidden, there are indeed dark elements surging. They're very subtle. If you don't look carefully, you'll definitely not notice them."

The corners of Yun Feng's mouth curled up coldly. "I've also found something. Even though these people look a bit ordinary, their eyes are very lifeless."

Mo Yuanbu frowned tightly. "You mean... these people have already been controlled?"

Yun Feng chuckled. "This isn't the first time I've encountered such a thing. Even though it's different from that time, it's fundamentally the same."

"In that case, we must investigate the Wang family again."

In less than three days, Yun Feng and the others visited the Wang family again. The doubts in their minds before were even more verified this time. Even though everyone in the Wang family's house seemed normal, their eyes were lifeless. Even though they could do things normally, talk and even change their emotions, they were still different from ordinary people.

“Is the Family Master still not here today?” Yun Feng asked.

“He’s not here. You can go back.” It was the same reply. Yun Feng took a few steps inside curiously. The members of the Wang family immediately stopped her and blocked her firmly. “What are you doing? I’ve already said that the master isn’t here. Why are you still going in?”

Yun Feng pushed the person in front of her gently, intentionally or unintentionally. She suddenly felt that something was wrong. She looked around and saw that Qu Lanyi and Mo Yuanbu were both very nervous. Yun Feng immediately took a few steps back and a figure was slowly walking out of the inner room.

It was a middle-aged man who looked to be in his forties or fifties. He looked extremely ordinary and didn’t have any distinct points that people could remember. His body was also very average. He glanced at Yun Feng and the others. “How many times have the three of you been here?”

Yun Feng raised her brows. Was he the so-called master?

Qu Lanyi walked forward. “We just want to make a deal with the Wang family.”

“If you’re so sincere, come inside and talk about it in detail. However, the Wang family is only doing small business.”

“That’s nothing.” Yun Feng smiled lightly. The three of them followed him inside. The house wasn’t big. After walking a few steps, they arrived inside. After being invited into a big room, the three of them looked at each other anxiously. This was it!

“Since you’re so sincere, let’s talk first.” The master sat in the main seat and looked at the three of them with a faint smile. Yun Feng had already prepared an excuse and said slowly. Qu Lanyi and Mo Yuanbu, on the other hand, observed the room in secret. A strange gloominess kept coming from somewhere in the room, as if a pair of eyes was watching everything in the dark.

It didn’t take long for the three of them to leave the Wang family. “That room should be the entrance to the stronghold of the Blood Souls,” said Qu Lanyi. Mo Yuanbu also frowned. “Indeed. I feel that there’s someone watching us in the dark.”

“Tonight is the best time for us to move,” said Yun Feng. “No matter how we hide it, they’ll be exposed in front of us after all. Tonight, I’m going to enter the stronghold of the Blood Souls!”

“Yun Feng, isn’t that too much?” said Mo Yuanbu. “We didn’t expose any flaws during our visit over the last few days. The Blood Souls shouldn’t be too vigilant.”

“The Blood Souls deliberately dodged, so they made the necessary protective measures. We’re uninvited strangers. No matter how careful we are, the Blood Souls will pay attention,” said Qu Lanyi. “Senior Mo, didn’t you have a deep understanding when you investigated the Blood Souls?”

Mo Yuanbu frowned. “So, tonight might be our last chance.”

“That’s right. Tonight.”

There were few stars at night and the bright moon hung in the sky. The night sky of Chunfeng Town had its own unique charm. The gentle moonlight shone on the ground lazily. Walking in such moonlight, there was a unique charm. Nobody would notice that a tiny speck of dust entered the Wang family’s house with the flow of air. Then, it cleverly entered the room Yun Feng and the others walked into earlier through the gap. Late at night, the Wang family was silent, as if nobody existed. There wasn’t even the sound of breathing.

After entering the room from before, it was dark. Yun Feng and the others were all in the Dragon Palace and looking at the scene outside quietly. It was very quiet. Only the air was changing the direction of flow at any time. Yun Feng held her breath and waited. She definitely wouldn’t return empty-handed this night!

In the dead of night, the door was suddenly pushed open by a figure with an expressionless face. It was the master Yun Feng and the others saw during the day. The dust formed by the Dragon Palace stuck to him without hesitation and he didn’t notice anything.

Chapter 1820: Taking Back Yun Qi's Soul (4)

1820 Taking Back Yun Qi’s Soul (4)

The cold moonlight smeared on his cheeks. That expressionless face was worlds apart from during the day. This face was extremely stiff right now and didn’t have any additional movements or expression, like a stone statue. Even the movements all over his body carried a sense of stiffness, like a puppet.

He walked to a bookshelf in the room with stiff steps and tapped a few places on the bookshelf gently with his finger, creating a unique rhythm. It was even stranger at night. Soon, a beam of light flashed under the bookshelf and a small Teleportation Array appeared!

The figure stepped forward and collapsed. A wave of tiny light enveloped his entire body. Instantly, a force pulled him fiercely and swallowed him completely, including the Dragon Palace that had been stuck to his body.

“A Spatial Teleportation Array?” Yun Feng, who was controlling the Dragon Palace, clearly felt the pressure of space outside. The Spatial Array could only reach the stronghold of the Blood Souls. This might be the safest way.

“Swish...!” After a while, the power of space squeezed outside instantly disappeared. Yun Feng’s heart suddenly pounded. Soon, the sound of footsteps outside came into the Dragon Palace, as if the man was walking in a deep corridor. The sound of footsteps seemed unusually empty with some echoes.

“Xiao Feng, have we already arrived at the stronghold of the Blood Souls?” Gong Tianqing asked softly. Yun Feng nodded. They were here. They were indeed here.

“What’s going on outside? Are those three people here again today?” A voice that was like ice came into the Dragon Palace. Gong Tianqing couldn’t help but shiver! This was an existence that could make people’s bones tremble with just his voice. She had already been beaten back by this voice before she saw him!

“They were here. They came again today. According to my lord’s instructions, I let them in.” An emotionless voice sounded. It was the reply of the Wang family’s master.

“Yes, did they have any reaction?”

“No, there’s nothing unusual.”

“Is that so?” The cold voice carried a hint of confusion. “Go back. Remember to bring me what I want tomorrow. That remnant soul seems to be a bit weaker.”

“Yes.” The stiff reply was followed by the sound of someone turning around and leaving. Empty footsteps sounded again. Yun Feng immediately let the dust formed by the Dragon Palace leave and float in the air. The Dragon Palace was silent. Gong Tianqing clenched her fists tightly. “Second Brother’s remnant soul is indeed here!”

Yun Feng looked gloomy. That remnant soul was a bit weaker... Did the Blood Souls not let go of the remnant soul?

Mo Yuanbu looked at Yun Feng. “Yun Feng, what do you think?”

Yun Feng was silent for a while and said in a low voice, “Tonight, we must take back Second Brother’s remnant soul! We must take it back no matter what!”

“We must attack, but we still have to consider the timing. Senior Mo, was the voice we heard just then the senior management personnel of the Blood Souls you mentioned?”

Mo Yuanbu frowned and nodded. “He should be the one. He’s the only one guarding this place of the Blood Souls.”

Qu Lanyi looked at Yun Feng solemnly. "Since he's the only one guarding this place, the defense here will definitely be meticulous. I'm afraid the other party will notice us once we step out of the Dragon Palace."

Once they stepped out of the Dragon Palace, a war would begin!

"Senior Mo, do you know that person's strength?" asked Qu Lanyi. Mo Yuanbu frowned tightly. "According to the clues I've found, he's probably... already above the God Lord Level!"

"It's indeed tricky..." Qu Lanyi mumbled. Gong Tianqing's jaw dropped in shock. Yun Feng's enemies were already at such a level! God Lords!

"With our lineup, we'll be able to lure him out and consume a bit of his strength," said Mo Yuanbu. "It's impossible to kill him."

Yun Feng suddenly clenched her fists. She certainly knew that she couldn't kill them, because she didn't have the ability yet! One day, she would slaughter them! She would make everyone of the Blood Souls disappear from this world!

"Gong Tianqing, you're our core force this time." Qu Lanyi looked at Gong Tianqing. Gong Tianqing's jaw dropped again. "...I... I? But how can I fight with a God Lord? Even if you exhaust a part of his strength, I can't do it at all!"

"I'm not asking you to fight him. I'm asking you to burn his soul with your ability!" Mo Yuanbu said as he looked at Gong Tianqing solemnly. "The souls of the members of the Blood Souls are all extremely weak. They're so obsessed with controlling the power of the soul, so it's obvious that they want such power! And your Dead Fire is equivalent to the light element. It can give them a fatal blow!"

Gong Tianqing's confidence trembled. Before she met Yun Feng, she had always thought that she was a loser. What could a fire that couldn't even burn things do? However, she was such an important existence right now. She could really help Yun Feng!

"Don't be afraid, Tianqing. I'll protect you well. I won't let you take risks. Even if you're in danger, the Dragon Palace is here." Yun Feng smiled lightly. Gong Tianqing immediately blushed in embarrassment. "That's not what I meant... I just can't believe I have this ability..."

"When necessary, restrain him firmly with your Dead Fire. Only then will we have a chance to take the remnant soul of Xiao Feng's Second Brother, Yun Qi!" Qu Lanyi glanced at Gong Tianqing solemnly. Gong Tianqing nodded fiercely. Mo Yuanbu sighed. "I'm afraid you only have one chance. We only have one chance. Remember! When you come out of the Dragon Palace, it'll be your time to attack!"

“Alright!” Gong Tianqing replied loudly. “Xiao Feng, don’t worry!”

Yun Feng chuckled. “Thank you, Tianqing.”

“If that’s the case, it’s time for us to go out.” Mo Yuanbu stood up. “Don’t use any mental strength. You can only hurt him with the power of your pure body! Yun Feng, your contracted Magic Beasts are the same.”

Yun Feng nodded and took a deep breath. Qu Lanyi raised the corners of his mouth. “I can only be a backup...”

“Backup is also very important. This battle might involve life and death.” Mo Yuanbu looked at Qu Lanyi solemnly. Qu Lanyi immediately nodded. Yun Feng closed her eyes slightly and a beam of light immediately took the three of them out of the Dragon Palace. Gong Tianqing was alone in the Dragon Palace with glittering black eyes. They would definitely be safe!

“Buzz!” The moment the three of them appeared in the Dragon Palace, the power of space around them immediately let out an alarm. Tiny waves spread quickly like water ripples!

“Someone broke in?” That cold voice came again. In just a few seconds, a figure had already jumped in front of the three of them!

A pair of cold and emotionless eyes glanced over the three of them one by one. A bone-piercing coldness spread from the black robe of the person in front of them. Just being looked at like this made them feel cold!

“It seems that we’re old friends.” A cold voice slowly came out. The black robe on his body suddenly shook and a pale arm extended. “Mo Yuanbu, the higher-ups couldn’t catch you, but you’re walking into a trap right now. And you...” He looked at Yun Feng coldly. “Yun Feng of the Yun family, who destroyed two bases of the Blood Souls alone, you’re quite capable. The higher-ups are enraged.”

Yun Feng frowned. The higher-ups... The so-called higher-ups were the real leaders of the Blood Souls?

Her red lips curled up slightly. “So what if we destroy two bases? My target is the entire Blood Souls!”

The cold gaze was slightly stunned. Then, he put on a cold smile. “Hehehe! How arrogant! Kid, you can’t even get past me, let alone the entire Blood Souls.”

Yun Feng smiled back and the five Rings of Contract appeared in her hand. “Really? Then give it a try!”

Chapter 1821: Taking Back Yun Qi's Soul (1)

1821 Taking Back Yun Qi's Soul (1)

“A five-element summoner. We already knew about you and have been on guard against you.” The powerhouse of the Blood Souls smiled sinisterly and weirdly. He looked at the five Rings of Contract in Yun Feng’s hand with a calm expression. The black robe on his body suddenly rose and a coldness emitted from his body. “Tu Liang died in your hands, which shocked everyone in the Blood Souls. You have the ability to put out his fire. The Blood Souls have indeed underestimated you.”

Tu Liang... was the powerhouse of the Blood Souls whose soul was swallowed by her last time. He was at the God Lord Level! Yun Feng sneered. “It’s time for the Blood Souls to look at me properly. I’m no longer the Yun Feng I used to be.”

“Humph! We should’ve looked at you seriously a long time ago, but it’s precisely because of our negligence that we let you grow to this day! However, this is the end!”

“Her growth has nothing to do with anyone! Even if you stop her, so what? Xiao Feng will face the difficulties! You, on the other hand, will embrace your doom!” Qu Lanyi said with coldness in his black eyes. The powerhouse of the Blood Souls laughed weirdly again. “Kid, do you think we don’t know what the Naxi family is doing? Do you really think the four families can join forces?”

“What do you mean?” Qu Lanyi frowned hard. Mo Yuanbu, on the other hand, was quite surprised. The Naxi family! The person Yun Feng liked was from one of the four largest families! This kid didn’t seem to have a low status in the Naxi family.

“Hehehe! What I mean is very clear! Don’t even think about leaving this place today! The Blood Souls gave an order. Yun Feng, it doesn’t matter if you’re dead or alive. As long as I can bring you back! Even a corpse is fine!”

“Bastard!” Qu Lanyi cursed in a low voice. Yun Feng’s expression was also tainted with continued ferocity. Her black eyes were extremely gloomy. “Is my Second Brother Yun Qi’s remnant soul here?”

The powerhouse of the Blood Souls on the opposite side burst into laughter. The black robe on his body suddenly rose and a ball of faint halo kept flashing in the darkness under the black robe! Yun Feng’s breath tightened!

“Is that what you’re looking for when you sneaked here? Hehehe, even though this is a remnant soul, the power it emits is astonishing. It’s all thanks to him that I have my current strength. Hahaha!”

“Is that so...” Yun Feng mumbled. Her face, which had always liked to smile gently, was gloomy and dark! The anger burning in her heart burnt fiercely! He dared to desecrate her Second Brother’s soul like this! He didn’t even let go of his remnant soul! She was going to kill him!

After seeing and hearing that, Qu Lanyi and Mo Yuanbu couldn’t bear it in their minds. Yun Qi’s remnant soul was used like this and the guy was even absorbing the power of the remnant soul crazily. How could Yun Feng stand this? Qu Lanyi turned around slightly and saw Yun Feng’s unusually depressed expression. Even he, who wasn’t from the Yun family, couldn’t stand it, let alone Yun Feng!

Qu Lanyi made up his mind. No matter what Xiao Feng wanted this time, he would definitely accompany her to the end!

“Yun Feng...” Mo Yuanbu didn’t expect Yun Qi’s remnant soul to be like this. Looking at the faint white light embedded in the darkness, he couldn’t bear to watch anymore. He could understand the anger in Yun Feng’s heart, but their plan couldn’t be messed up! Mo Yuanbu knew very well that they didn’t have the ability to resist the powerhouse of the Blood Souls in front of them!

“Yun Feng, I understand that you’re angry in your mind, but the most important thing is to take Yun Qi’s soul back! As for the rest... It won’t be too late to take revenge!” Mo Yuanbu roared. Yun Feng’s gloomy black eyes suddenly glittered as she waved her hand fiercely. Five dazzling beams of light had already flown out of the Ring of Contract!

“Use all your strength to crush him fiercely!” Yun Feng’s order sounded in the minds of every contracted Magic Beast. The five contracted Magic Beasts had almost never received such a bloodthirsty order, which was enough to show the anger in Yun Feng’s heart!

“Yes, Master!”

Five dazzling beams of light flew towards the powerhouse of the Blood Souls and the roars of Magic Beasts immediately resounded in this space! Yun Feng had already jumped up. Mo Yuanbu took a deep breath and also jumped up. Qu Lanyi, on the other hand, took half a step back slightly. Light elements flowed in his palm, ready to support him at any time!

The battle had already begun!

“Hehehe! It’s useless!” The powerhouse of the Blood Souls laughed crazily. The black robe on his body surged like waves and cold aura shot out of his body! The five contracted Magic Beasts couldn’t use any elemental energy. They all held the original strength of the Magic Beasts and attacked one by one!

“Swish!”

The sharp claws of the Magic Beasts and the parts on their bodies that could be used for attack were all unleashed. Under the attack of the five ferocious Magic Beasts, the powerhouse of the Blood Souls suddenly realized something and his body suddenly retreated. There was a gentle sound of wind on his side! Yun Feng's transformed fist had already arrived next to him!

"Swish...!" Yun Feng's transformed hand contained the brutal power of a Magic Beast. The black robe of the Blood Soul expert shook and his body had already cut open Yun Feng's fist weirdly. Yun Feng's heavy punch landed in the air!

"Bang!" Even though Yun Feng's attack missed, Mo Yuanbu didn't! As a warrior, he punched forward with a dull sound, but the powerhouse of the Blood Souls didn't seem to be injured at all. He smiled weirdly and a gust of cold air suddenly shot towards Mo Yuanbu from under his black robe. Mo Yuanbu dodged quickly and narrowly dodged.

"So, you came prepared." The powerhouse of the Blood Souls took a few steps back and glanced at Yun Feng and the others with his gloomy eyes. If they hadn't come prepared, how would they have used pure physical strength instead of elemental power and fighting energy? The powerhouse of the Blood Souls narrowed his eyes slightly. "Hehehe, even so, you don't have any chance of winning at all!"

"Roar!" The giant claw of the Fire Cloud Wolf suddenly slapped down from the sky. Brutality flashed through the eyes of the Blood Souls expert. The coldness in the black robe suddenly shot out and attacked Little Fire directly! Seeing that the situation wasn't good, Sister Hua immediately wrapped Little Fire in the tree vines and pulled it back forcibly. However, the coldness seemed to have eyes and locked onto Little Fire firmly, entering its body!

"Ugh!" The Fire Cloud Wolf's body suddenly twitched and there was a hint of pain on its face. "Little Fire!" Yun Feng was extremely worried. After its body twitched, Little Fire raised its head reluctantly. "I'm fine... The dark elements have just been sent into its body. Be careful of the coldness on its body..."

Little Fire was a mutated Magic Beast and had a small amount of dark elements in its body. Even if the dark elements were injected into its body, it didn't have to worry about its life. Mo Yuanbu couldn't help but frown when he saw that. "My fist touched his body just then. His body is extremely hard... like a huge rock!"

Chapter 1822: Taking Back Yun Qi's Soul (2)

1822 Taking Back Yun Qi's Soul (2)

Yun Feng frowned hard. All the power he absorbed came from her Second Brother's soul in his body! It was the power of Yun Qi's soul that was nourishing him! Damn it, damn it!

Yun Feng clenched her fists fiercely and even trembled violently! She would definitely take Yun Qi's soul and not let anyone from the Blood Souls use it anymore!

"Senior Mo, is the power of space effective on him?" Yun Feng said in a low voice. Mo Yuanbu was stunned. "I've never tried this..."

"Then come and try!" Yun Feng's black eyes darkened as she pointed at the air and clenched her fists fiercely!

"Buzz...!" The space shook slightly and the space in Yun Feng's hand suddenly distorted! Yun Feng's black eyes darkened as she clenched her fists! The already distorted space suddenly spread towards the powerhouse of the Blood Souls!

"Hehehe, it's useless!" The powerhouse of the Blood Souls laughed weirdly again and his black robe shook. Yun Feng saw the faint light under the black robe again! Her heart ached! Second Brother! She exerted strength in her hand that was holding the air again and the distorted power of space rushed towards the body of the powerhouse of the Blood Souls!

"Hahahahahaha!" Wild laughter sounded. The distorted power of space was strangely resolved when it reached the Blood Souls!

"The power of space is useless." Mo Yuanbu frowned tightly. The power of space controlled by Yun Feng was completely destroyed. There wasn't any residue at all. The powerhouse of the Blood Souls wasn't injured at all!

The five contracted Magic Beasts were all shocked when they saw this. "Master, the ability of this person of the Blood Souls is too strange!" Lan Yi's voice flashed through Yun Feng's mind. Yun Feng said coldly with slightly red eyes, "His ability comes from the power of Second Brother's soul!"

"What?" The five contracted Magic Beasts were surprised!

"So, Little Yun Feng's Second Brother's soul is in his body?" Sister Hua was extremely shocked. All the contracted Magic Beasts' faces darkened. "Yun Feng! What can we do to take that soul out?" Er Lei's irritable voice sounded. "We'll do whatever you say!"

"We'll definitely not let him live!" Lan Yi's rarely seen expression was also cold. The few contracted Magic Beasts all understood why Yun Feng was so angry. They felt the same!

“Even though the power of elements is useless to him, he’s a member of the Blood Souls after all. He doesn’t have the courage to absorb light elements into his body,” said Qu Lanyi as he frowned tightly. “My light elements can restrict him. If we want to take out Yun Qi’s soul, we have to catch him first!”

“He’s right. As long as we can restrain him, even if it’s just for a few seconds! It’s enough to use Gong Tianqing’s ability to take back Yun Qi’s soul!”

Yun Feng’s heart sank. Controlling wasn’t easy. Lanyi’s light elements could restrict his route, but they had to find a way to advance and reach him! Yun Feng narrowed her eyes and looked at the strange black robe on the body of the powerhouse of the Blood Souls. Once the coldness invaded his body, there would also be dark elements! If someone could open a gap in his attack...

“Nana!” A figure sounded in Yun Feng’s ears. Meatball, which had grown longer and changed its appearance, suddenly jumped out of the bracelet space. It looked at Yun Feng with its big grape-like eyes and blinked a few times.

“It’s changed!” The few contracted Magic Beasts were all stunned when they saw the Meatball! Little Fire, in particular, was even more surprised when it saw the red patterns on the Meatball’s body. Meatball had grown up one day?

“Fengfeng, na!” Meatball raised its little head and a loud voice sounded. Little Fire immediately came back to itself. “Master, Meatball said to leave everything to it.”

Yun Feng raised her brows suspiciously. Meatball was indeed capable, especially its sharp teeth. There seemed to be nothing that couldn’t be penetrated and its speed was simply unbelievable! The powerhouse of the Blood Souls probably couldn’t see Meatball’s route at all.

“Meatball, thank you.” Yun Feng said in a low voice and continued giving orders. “The moment you make a breakthrough, bite him hard!”

The eyes of the few contracted Magic Beasts all showed viciousness. “Yes, Master!”

“Is that the unknown Magic Beast that’s following you?” The powerhouse of the Blood Souls couldn’t help but frown when he saw the Meatball appear. They had already got some information about Yun Feng, but even the Blood Souls didn’t know what species and abilities this Magic Beast had. “It seems to be different from what the intelligence said...”

“Nana!” Meatball had already jumped high and flashed out quickly, its speed so fast that it made people click their tongues!

“What?” The Blood Souls expert couldn’t help but feel dumbfounded! That thing was so fast! He couldn’t see its trajectory at all! “Where is it?” The Blood Souls expert

immediately felt inexplicably panicked and looked around. Where exactly was it? Where exactly did it go?

“Swish...!” There was a subtle sound in the space. The Blood Souls immediately turned around silently, but there was nothing!

Qu Lanyi opened his hand at this moment and looked at the very cautious Blood Souls expert with his black eyes with coldness. He flipped his hand and a pillar of light shot straight at him!

“Light element!” Seeing the light element, the powerhouse of the Blood Souls immediately shook his black robe and dodged dangerously. Seeing that, Qu Lanyi immediately understood that his guess was right. He could absorb the power of other elements, but not the light element!

“Bang, bang, bang!” A few pillars of light shot out quickly in a row. The Blood Souls expert dodged continuously until the last pillar of light! At the same time, a fluffy figure had already jumped in front of him and bit his exposed neck fiercely!

“Poof!” Meatball’s sharp teeth stabbed into the skin that was as hard as stone mercilessly! An unpleasant smell spread out from the place where it bit. Meatball wrinkled its nose in disgust and even pushed its sharp teeth deeper mercilessly!

“Argh...!” Being bitten by the Meatball fiercely, the powerhouse of the Blood Souls immediately let out a scream! How was that possible? His body was bitten through by the teeth of this thing. How was that possible?

“Swish, swish, swish, swish...!” Cold air surged out of the black robe and visible tremors and cramps appeared on the body of the Blood Souls powerhouse. The Meatball bit very hard and didn’t intend to let go at all!

“Now!” Yun Feng shouted as the five contracted Magic Beasts rushed forward at the same time!

“Chains of Light!” Qu Lanyi shouted furiously. The light elements immediately condensed into a tiny chain in his hand and instantly trapped the limbs of the Blood Souls expert!

Chapter 1823: Taking Back Yun Qi's Soul (3)

1823 Taking Back Yun Qi's Soul (3)

“Roar...!” The roars of wild beasts sounded. The five contracted Magic Beasts bit his body that was as hard as stone. The sharp claws and teeth of the Magic Beasts firmly

fixed him. The eyes of the Blood Souls powerhouse were red and the coldness in his black robe kept surging!

“Yun Feng, quick!” Mo Yuanbu and Yun Feng rushed forward at the same time. Hearing Mo Yuanbu’s voice, Yun Feng immediately closed her black eyes without hesitation. Gong Tianqing, who had been in the Dragon Palace, was sent out by the light!

“Tianqing!” Yun Feng immediately roared when she saw Gong Tianqing come out. Gong Tianqing didn’t panic at all. She had been waiting for this moment! She opened her hand and a ball of almost transparent fire jumped in her palm. Yun Feng and Mo Yuanbu stepped forward. The wind from their hands completely lifted the black robe of the Blood Souls expert!

Something glittering with faint light was embedded in the darkness. Gong Tianqing narrowed her black eyes slightly and the Dead Fire in her hand flew towards the faint light!

“Argh! How dare you...!” The moment the Dead Fire touched his body, the powerhouse of the Blood Souls let out a painful roar! His body struggled desperately and the few Magic Beasts that controlled him immediately gritted their teeth and held on for a while longer!

The Dead Fire instantly invaded the body of the Blood Souls powerhouse. Gong Tianqing frowned and a few drops of sweat appeared on her forehead. What she had to do next was to use the Dead Fire to separate this soul from her body!

Under the pull of the Dead Fire, the thing that was emitting a faint glimmer was forcibly pulled out of the body of the powerhouse of the Blood Souls. Gong Tianqing didn’t dare to exert any strength, fearing that she would hurt this soul. Yun Feng and Mo Yuanbu also held their breath and watched, not daring to do anything.

“Don’t even think about it. Don’t even think about it!” The black robe of the Blood Souls suddenly shook! The chains of light on his body were almost broken by him! Qu Lanyi immediately frowned. “Xiao Fengfeng, be fast! We can’t hold on for long!”

Yun Feng frowned and didn’t dare to urge Gong Tianqing. Gong Tianqing’s hands were full of sweat. She knew that she had to be fast, or else...! She gritted her teeth and increased the power in her hands. Her soul suddenly pulled out more parts! A face appeared! Gong Tianqing’s pupils shrank fiercely! This face... was You Yue!

Second Brother! Yun Feng’s black eyes widened. Yun Feng couldn’t be more familiar with this handsome face on the soul! How could she forget the facial features that had already been engraved in her mind? Seeing Gong Tianqing’s obviously stunned look, Yun Feng understood her shock at this moment. “Tianqing!” Yun Feng shouted. Gong Tianqing suddenly came back to herself and bit hard, strengthening the power of the Dead Fire again!

“Damn it!” The powerhouse of the Blood Souls felt that Yun Qi’s soul was about to be pulled out of his body. His body, which was as hard as steel, suddenly exerted strength and the chains of light instantly shattered!

“Get back!” Qu Lanyi suddenly roared and rushed forward, breaking free from the chains of light. The body of the Blood Souls suddenly expanded and a cold force was about to suck Yun Qi’s soul back!

“Don’t even think about it!” Yun Feng let out a furious shout! She immediately punched this hard body fiercely. The Blood Souls powerhouse let out a furious shout and the five contracted Magic Beasts were immediately sent flying by him!

“Master!” The five contracted Magic Beasts roared at the same time. The powerhouse of the Blood Souls extended his arm and pulled Meatball, which was hanging on his neck, fiercely. Meatball’s sharp teeth didn’t let go and a whole piece of flesh was removed forcefully! Black blood oozed out of his body, emitting an unusually pungent smell!

“Nana!” Meatball turned around and bit hard. Its body left the hand of the Blood Souls powerhouse. The Blood Souls powerhouse smiled sinisterly and a stream of cold power suddenly hit Gong Tianqing!

Gong Tianqing stood there without dodging. She frowned tightly and looked at the expressionless handsome face of the soul. Gong Tianqing’s heart felt like it was being stabbed by a knife! You Yue... Is that you... Yun Qi, are you You Yue or Yun Qi? No matter who you are, I’ll save you, even if I have to use my life!

“Tianqing!” Yun Feng immediately pounced forward. Seeing that Gong Tianqing wasn’t planning to dodge and was determined to drag Yun Qi’s soul away, Yun Feng stood in front of Gong Tianqing firmly and raised her hand! “Earth Shield!” The Earth Shield blocked in front of Yun Feng. No matter what, she had to give Tianqing time!

“Almost there!” Gong Tianqing gritted her teeth and dragged the Dead Fire in her hand. If she had more time, she would definitely save him!

“Don’t even think about taking his soul away! He’s mine!” The powerhouse of the Blood Souls roared as streams of cold energy hit Yun Feng’s Earth Shield at the same time. Instantly, the Earth Shield shattered!

“Xiao Fengfeng!” Seeing that the power was about to hit Yun Feng, Qu Lanyi immediately swung his hand! The light elements turned into a pillar of light and directly deflected the power, landing next to Yun Feng narrowly! Yun Feng was suddenly relieved. Gong Tianqing, who was behind her, was still making one last effort. Soon, very soon!

“Don’t even think about it!” Seeing that his attacks were all deflected, the powerhouse of the Blood Souls became ruthless. His black robe suddenly rose and he extended his hand, turning into a bolt of lightning that rushed forward, going straight for Yun Feng’s heart!

“Xiao Fengfeng!” Qu Lanyi’s pupils shrank fiercely. No matter how fast he was, he wouldn’t be able to catch up!

“Master!” The five contracted Magic Beasts ran towards Yun Feng at the same time. Sister Hua directly threw out a tree vine, but no matter how fast they were, they couldn’t keep up with the speed and closeness of the powerhouse of the Blood Souls! Yun Feng gritted her teeth and suddenly clasped her hands! A strange elemental fluctuation instantly rose!

“Hahahaha, it’s useless, Yun Feng! Don’t even think about taking anything away. Your soul is also mine!” The powerhouse of the Blood Souls let out a roar and his hand had already landed!

Yun Feng suddenly loosened her clasped hands and a stream of fused elemental energy was sent out. However, before it exploded with a crazy laugh, it was all sucked under that weird black robe!

It was useless! Yun Feng’s face darkened, but her body didn’t move a step away! Looking at the hand that was about to reach her chest, Yun Feng took a deep breath. It wouldn’t be a problem for her transformed body to withstand this punch, as long as she didn’t die!

“Swish...!” An unexpected figure flashed in and stood in front of Yun Feng!

“Poof!” The sound of a body being pierced and the strong smell of blood spread out from Yun Feng’s nose! Some drops of blood splashed on Yun Feng’s face. Yun Feng’s black eyes widened as she looked at the smiling face in front of her. “Senior Mo...”

“Yun Feng! I did it!” Gong Tianqing behind her roared in surprise. The soul that belonged to Yun Qi had already been pulled out!

“Damn it!” The powerhouse of the Blood Souls roared and was about to pull his hand out of Mo Yuanbu’s body, but the muscles all over Mo Yuanbu’s body tightened and the man’s arm was stuck in his body!

“Senior Mo!” Yun Feng roared as she looked at the hand on Mo Yuanbu’s chest. Yun Feng’s voice was trembling slightly!

“Leave!” Mo Yuanbu shouted in a low voice. Yun Feng bit hard and directly sent Gong Tianqing and Yun Qi’s remnant soul into the Dragon Palace! “Swish!” A blade of light came and the arm of the Blood Souls powerhouse was cut off!

“Argh...!” With a scream, Qu Lanyi rushed over. Yun Feng put the five contracted Magic Beasts into the Rings of Contract. One of them held Mo Yuanbu. Yun Feng immediately activated the power of the Dragon Palace and the few of them instantly disappeared!

“Where did you go? Come out!” Seeing that Yun Feng and the others suddenly disappeared, the powerhouse of the Blood Souls suddenly raised his black robe and streams of cold energy shot out fiercely, hitting every corner! However, there was no one!

“Damn it! You can’t get out! You can’t get out!” The voice of the Blood Souls powerhouse resounded outside the Dragon Palace. In the Dragon Palace, Mo Yuanbu lay on the ground with blood all over his body. Qu Lanyi frowned and was treating him with the light element, but he frowned more and more tightly.

Gong Tianqing, on the other hand, sat aside in a daze and touched Yun Qi’s remnant soul carefully. Her mind was blank and she looked at that face in a daze, unable to come back to herself.

“Lanyi, how’s Senior Mo?” Yun Feng looked gloomy. Mo Yuanbu’s condition wasn’t good. His face was pale and his vitality seemed to be very weak.

Qu Lanyi didn’t say anything, but his face became gloomier and gloomier. Mo Yuanbu, who was lying on the ground, put on a smile and panted with a hoarse voice. “I know my situation. No power can save me.”

“No!” Yun Feng shouted fiercely. “Just the elements won’t do. I still have the Life Potion! Senior Mo will definitely be fine!”

Mo Yuanbu chuckled and his body trembled violently. “Yun Feng, it’s useless...”

“Xiao Fengfeng, Senior Mo is indeed as he said...” Qu Lanyi said in a low voice as he looked at Mo Yuanbu deeply with his black eyes. Did he already know his situation...

“How can that be?” Yun Feng’s heart tightened, but Mo Yuanbu smiled. “My wish has finally been fulfilled all these years... I don’t have any regrets if I can save that kid’s soul...”

“Senior Mo!” Yun Feng roared as Mo Yuanbu put on a smile. “My body... has already collapsed. However, that kid’s soul... must be put into a body quickly, or...” Mo Yuanbu suddenly coughed a few times. “My body... will be that kid’s container...”

Yun Feng was shocked! Qu Lanyi, on the other hand, sighed and had been covering Mo Yuanbu’s chest with his hand. It was his light elements that continued Mo Yuanbu’s last moment. Mo Yuanbu took a few deep breaths and fell on the ground, looking up with lifeless eyes. “Yun Lan, it’s time for us two old guys... to gather.”

“Senior Mo!” Yun Feng’s eyes were red, but Mo Yuanbu slowly closed his black eyes. Qu Lanyi was startled. A translucent soul floated out of his body and disappeared.

Yun Feng sat there in a daze and looked at Mo Yuanbu’s body that was already silent. Qu Lanyi, on the other hand, frowned and continued to heal the wounds of this body with the light element. Soon, the huge hole in his chest was quickly healed by the light element. Qu Lanyi said, “Send Yun Qi’s soul into this body.”

Yun Feng was slightly stunned. Qu Lanyi looked up. “Don’t let Senior Mo down. If we don’t take action, our efforts will be in vain.”

Yun Feng held her breath. Looking at Mo Yuanbu’s expression and his closed eyes, she gritted her teeth and took off the thing on her neck, walking to Gong Tianqing. Gong Tianqing looked up at Yun Feng. Yun Feng threw the thing into Yun Qi’s remnant soul. Instantly, the two parts that originally belonged to the same soul resonated!

Qu Lanyi took action. Light elements enveloped the soul that had fused into one again. He took a deep breath and quickly sent it into Mo Yuanbu’s body!

Chapter 1824: Kill (1)

1824 Kill (1)

Could she succeed? After all, it was a soul that had merged into one again. It had already been dozens of years since it was divided back then! What entered was another completely unfamiliar body! Mo Yuanbu’s cold body was already lying on the ground. After Yun Qi sent two parts of his soul into his body, there was silence for a while.

Nobody dared to breathe easily. Gong Tianqing couldn’t help but bite her lips hard. Yun Feng’s heart was extremely tense. Second Brother... Can you come back or not...

A faint glimmer suddenly emitted from Mo Yuanbu’s body and then enveloped his entire body. After this cold body was completely enveloped in light, a soul power suddenly spread out!

“Such power!” Qu Lanyi couldn’t help but click his tongue. Was this the power emitted by all of Yun Qi’s soul? Yun Feng was also surprised. Her Second Brother was an ordinary warrior when he was alive, but he was so powerful at this moment!

“The soul fusion has already been completed...” Gong Tianqing’s voice trembled slightly as she stared at Mo Yuanbu’s face. This face was changing at a visible speed! Even his entire body was the same!

“Yun Qi’s soul is fusing with this body,” said Qu Lanyi in a low voice. Mo Yuanbu’s facial features changed and his body also gained endless life force! His facial features were changing slightly and he was gradually growing taller!

In the light, this body finally became a slender young man, and that face was a face that Yun Feng couldn’t be more familiar with!

“Second Brother...” Yun Feng mumbled as her heart suddenly ached fiercely! The man lying on the ground was Yun Qi! He had the same appearance and the same body figure! This was Yun Qi, who was a few sizes bigger. Everything could be traced! It was so clear and deep in her memory!

“Wait a moment...” Qu Lanyi also witnessed this astonishing change. He was deeply curious about the power of Yun Qi’s soul in his mind. As expected, the Blood Souls liked him for a purpose. Besides, that old guy outside also absorbed energy from his soul, which showed how extraordinary his soul power was!

Yun Feng stabilized her feet and stood rooted to the ground. The faint glimmer around Yun Qi gradually disappeared and was put back into his body. The transformation of his body had already been completed. His closed black eyes moved slightly and his fingers that hung on his body’s sides also moved slightly!

Yun Feng’s throat suddenly became dry. She wanted to call him Second Brother, but there was an inexplicable fear in the bottom of her heart. Would everything go as smoothly as she thought? Did Second Brother... remember who she was?

Gong Tianqing’s eyes were red and wet. She bit her red lips so hard that they almost broke! She knew clearly that the person who came back was definitely not You Yue. It was Yun Feng’s Second Brother, Yun Qi. He was someone else who had the same face as You Yue! However, the pain in her heart was still like a wave, hitting her heart fiercely. Gong Tianqing clenched her fists tightly. He wasn’t You Yue. No!

The young man lying on the ground frowned slightly and a deep moan came out of his mouth. After his eyelashes trembled violently, he finally opened his eyes slightly and a pair of unusually deep black eyes appeared. A strange light flashed through his eyes.

He had thick eyebrows and big eyes. His facial features were very handsome. Compared to Yun Sheng’s elegance, Yun Qi looked a bit more sunny. Even though his body wasn’t very strong, the man’s hard lines were prominent and he looked very masculine. His short hair made him even more handsome. He was a very sunny handsome man with a fierce righteousness seeping out of his eyebrows.

He looked at the sky for a long time with his black eyes listlessly. Then, the young man slowly supported his body with his elbow. Yun Feng’s breath suddenly tightened! She took a step forward slightly. The young man suddenly turned around when he heard the commotion. The excessive force made his neck a bit uncomfortable, as if it was a bit

painful. The young man quickly rubbed his neck with his hand. After seeing Yun Feng again, the confusion on his face suddenly disappeared.

The young man frowned slightly and glanced at Yun Feng in confusion. "Feng... You're Feng... Right?"

A familiar voice sounded in Yun Feng's ears. This voice... It had been a long time!

"Second Brother!" Yun Feng called. She rushed forward and threw herself into Yun Qi's arms, hugging the man in front of her fiercely. His body was warm... Her Second Brother was back! He was really back this time!

"Ouch!" The young man exclaimed. Yun Feng's attack immediately made the young man a bit flustered. His body was also in pain from the collision. Looking at the woman in his arms, the young man still frowned slightly. "Feng... Did Second Brother remember wrongly? Why do I feel that you've grown a lot... I'm also... different..."

Yun Qi frowned and looked at his long limbs with a confused look. Yun Feng immediately raised her head. "Second Brother, do you feel uncomfortable anywhere?"

Yun Qi frowned and shook his head. He looked at Yun Feng's facial features carefully with his black eyes. "Yes, even though it's you... You indeed seem to have grown a lot... I remember that I seem to be..." As if he remembered something, Yun Qi's expression changed drastically! Yun Feng's face darkened. Yun Qi held Yun Feng's shoulders with both hands. "What's going on? Haven't I already... How can this be?"

"Let's talk about other things later. Are you feeling uncomfortable right now?" Qu Lanyi walked over and asked in a low voice. Yun Qi immediately stared at him vigilantly and protected Yun Feng behind him. "Who are you?"

Qu Lanyi chuckled. "I've often heard from Xiao Fengfeng how you protected her when she was young. It seems that it's true. Second Brother, I'm your brother-in-law."

"Brother-in-law?" Yun Qi frowned hard. "Feng, is what he said true?"

Yun Feng nodded with a smile behind Yun Qi. The feeling of being protected reminded her of her childhood memories. "Yes, Lanyi is indeed Second Brother's brother-in-law, and my... fiancé." After all, the two of them weren't married yet. Yun Feng couldn't say that he was her husband.

Yun Qi's expression changed again. He couldn't accept this fact. After all, he had just woken up and Feng, who was still a little girl in his mind, already had a fiancé... Wasn't the time gap a bit too big?

Yun Feng's face darkened when she saw Gong Tianqing, who had been silent. She immediately helped Yun Qi stand up. "Tianqing." Yun Feng called softly. Gong

Tianqing's body swayed slightly. Yun Qi frowned. Yun Feng was delighted to see Yun Qi's expression. Perhaps You Yue's memories were still in her Second Brother's body?

Chapter 1825: Kill (2)

1825 Kill (2)

"Second Brother, do you remember Tianqing?" Yun Feng said anxiously. Yun Qi frowned and looked over. He looked at Gong Tianqing for a long time and finally shook his head. "I don't remember. Who is she? Is she your friend, Feng?"

Yun Feng's eyes darkened. He really didn't remember... Gong Tianqing bit her lips hard and blood immediately surged into her mouth. Tears welled up in her eyes. Gong Tianqing suddenly turned around. She couldn't let anyone see her tears, especially him!

"What's wrong with her?" Yun Qi couldn't help but frown when he saw Gong Tianqing suddenly turn around. Seeing Gong Tianqing's slightly trembling shoulders, Yun Feng knew how uncomfortable she was at this moment. If Lanyi forgot about her one day and greeted her like Yun Qi did, she probably wouldn't be any better.

How painful was it to be forgotten by someone you loved deeply?

Yun Feng wanted to say something, but she didn't know how to tell Yun Qi... At this moment, Gong Tianqing suddenly turned around. With slightly red eyes, she put on a smile at this moment. She walked over and extended her hand generously. "I'm Gong Tianqing, Yun Feng's friend."

Yun Qi was stunned. He looked at Gong Tianqing's hand in a daze and didn't know how to react for a moment. Yun Feng's heart ached. She clearly saw the tears at the corners of Tianqing's eyes. She was crying.

"Thank you for taking care of Feng," said Yun Qi in a low voice. He also extended his hand and held Gong Tianqing's. Gong Tianqing's heart ached and tears were about to well up again. She immediately withdrew her hand. "No, she's taking care of us."

Yun Qi chuckled and looked at his hand in a daze. The moment he held this girl's hand just then, there seemed to be a feeling that suddenly flashed from the bottom of his heart... Yun Qi frowned. What exactly happened?

"Feng, what exactly happened?" Yun Qi looked at Yun Feng with a serious expression. Yun Feng took a deep breath. "Alright, Second Brother. We'll start from the day you died..."

In the Dragon Palace, Yun Feng summarized the cause and effect and what happened in the middle one by one. Yun Qi looked extremely complicated when he heard that. He frowned tightly and didn't relax a moment. He had never thought that the Yun family, which gave birth to and raised him, had such a background. And he... was also special!

"It's all thanks to Senior Mo that I can come back to life." Yun Qi mumbled as he looked at his body. "There's a kind of energy in this body. It must belong to Senior Mo."

Yun Feng nodded. "What Senior Mo did for the Yun family... is enough for us to remember him for the rest of our lives."

Yun Qi nodded. "I couldn't have foreseen the development of the Yun family at all back then... Even you, Feng... I couldn't have expected you to be a summoner!"

Yun Feng chuckled. She came to this world as a lonely soul after Yun Qi died. Even though she only had some memories of her Second Brother, her feelings for him were deeply engraved in this body.

"But speaking of which, Feng, your personality seems to have changed a bit. You're much more sensible and calm than before." Yun Qi touched Yun Feng's head with a smile. "You must know that Second Brother was often scolded by our brother and father for you back then."

Yun Feng smiled in embarrassment. Yun Qi continued, "Feng, even though the Blood Souls are targeting my soul, am I really so special? I can't feel it at all."

Yun Feng was also puzzled. That power just then indeed came from her Second Brother's soul, but her Second Brother looked like a very ordinary warrior right now and there was nothing unusual at all... What was going on?

"The mutated bloodline needs to be stimulated," said Qu Lanyi in a low voice. "Just like me. At first, the dark elements were completely dormant in my body and wouldn't be revealed easily. They only burst out when I was excited."

"You mean... my special power can only be released under certain conditions?" Yun Qi looked at Qu Lanyi, who nodded. "However, I don't know what your opportunity is. The mutated bloodlines are all different. The conditions can't be the same."

"It's alright. Take your time," said Yun Feng. "Second Brother has just come back. There's no rush. Don't force yourself."

Yun Qi frowned and could only nod in the end. Even though he was used to such a situation, he was still a bit confused. Even though Yun Feng explained very clearly, Yun Qi still wasn't used to it. There were some things that he still had to think about and accept slowly.

“Don’t even think about escaping! Come out! Yun Feng!” The roar of the Blood Souls outside sounded again. Yun Qi had a headache after hearing that. “He’s the Blood Souls powerhouse who took part of my soul away?”

Yun Feng nodded gloomily. Qu Lanyi said coldly, “He’s lost Second Brother’s soul right now. He shouldn’t be as strong as before.”

A bloodthirsty smile appeared at the corners of Yun Feng’s mouth. Yun Qi couldn’t help but feel surprised! When did Feng have such a vicious expression? At this moment, Gong Tianqing walked to Yun Qi’s side and glanced at him with her black eyes. She said in a low voice, “What Yun Feng encountered along the way isn’t something you can imagine... There are too many people who want her life.”

Yun Qi’s face suddenly darkened. Gong Tianqing sighed softly. “Even though she didn’t tell me what she went through, you should understand. She’s never been willing to talk about herself, especially in front of her family.”

Yun Qi frowned. Was she afraid that her family would be worried? This silly girl!

“I know. Feng isn’t the little girl she used to be anymore. She’s already grown up.” Yun Qi said. “No matter what she does, as her brother, the only thing I can give her is support! If possible, I hope I can stand in front of her like before!”

Gong Tianqing was startled. How similar were such feelings? You Yue thought so too. He also treated himself as Yun Feng’s brother from the bottom of his heart!

“What’s wrong?” Yun Qi’s voice suddenly pulled Gong Tianqing back to reality. Gong Tianqing chuckled. “Nothing. I just thought of an old friend.”

“An old friend?” Yun Qi raised his brows. Gong Tianqing nodded with a blank gaze. “An old friend who’s very similar to you...”

Yun Qi was even more confused. Very similar to him? “Really? It won’t be bad to meet him.”

Chapter 1826: Kill (2)

1826 Kill (2)

Gong Tianqing was stunned for a moment. Her face immediately darkened and she shook her head. “I can’t see him anymore. This old friend... is already gone.”

Yun Qi was stunned and apologized in a low voice. He could feel how special this old friend was to her. For some reason, Yun Qi felt slightly uncomfortable when he thought

of this. Yun Qi was puzzled. What exactly was wrong with him? This was the first time he saw this woman called Gong Tianqing. Why did he feel a bit weird every time he faced her alone?

“He isn’t as strong as before. He’s probably above us, but he shouldn’t be at the God Lord Level anymore.” Yun Feng sneered. She had seen the power of Yun Qi’s soul. The reason why the powerhouse of the Blood Souls was so powerful was mostly because of her Second Brother’s strength! Without her Second Brother, he was just a nobody!

“If that’s the case, it’s possible to kill him.” Qu Lanyi curled his lips. He knew what Yun Feng meant in her mind. She wouldn’t let this member of the Blood Souls go.

“Second Brother, Tianqing!” Yun Feng walked over. “Stay here for now. Lanyi and I will go out.”

“Feng, are you and him enough?” Yun Qi was a bit worried, but he didn’t have the strength at all at the moment. Even if he wanted to help, he didn’t have the strength. Yun Feng chuckled. “It’s fine. The one outside is already nothing to be afraid of. I’ll definitely return everything he did to Second Brother double!”

“Feng, you must be careful.” Yun Qi frowned and hated himself for being useless. Did he really have special power like Feng said? What exactly was the opportunity to unleash his power?

“Second Brother, you don’t have to worry about me.” Yun Feng chuckled and looked at Gong Tianqing. “Tianqing...”

Gong Tianqing smiled gently. “I’m fine. Be careful.”

Yun Feng nodded. It was good to let Second Brother and Tianqing be alone. Even though You Yue’s memories weren’t here, it was fine to nurture their relationship again. Tianqing was a good woman. It would be a pity if Second Brother missed her.

Light flashed. Yun Feng and Qu Lanyi left the Dragon Palace under the light. Yun Qi stood there with a frown. Gong Tianqing walked over. “I thought I was useless at first. My fire couldn’t even burn paper.” Gong Tianqing flipped her hand and the faint glimmer of the Dead Fire surged in her palm. “However, ever since I met Yun Feng, I’ve finally understood how powerful I am. Yun Qi... You’re the same. You’re different. One day, you’ll open a path that belongs to you.”

Yun Qi looked at Gong Tianqing with his black eyes and his heart suddenly trembled. “Why don’t I feel unfamiliar with you at all even though I haven’t seen you before?”

Gong Tianqing was stunned. A trace of hope suddenly ignited in her black eyes, but it was extinguished when she saw Yun Qi’s confused expression. Gong Tianqing smiled wryly and turned around slightly. “Really? Perhaps it’s your imagination.”

Yun Qi frowned. He couldn't describe the feeling in his heart, especially for her. This feeling was the strongest. He knew that it was impossible for him to know her, but this inexplicable familiarity jumped out quietly, making him confused.

There were waves of emotions in the Dragon Palace, but there was a storm outside.

"Whoosh!" A beam of light suddenly appeared in this space. Yun Feng, who suddenly disappeared, appeared again. The pupils of the Blood Souls' powerhouse shrank fiercely and his body flashed. He roared in a low voice, "Yun Feng! You're finally willing to come out!"

Yun Feng sneered. The powerhouse of the Blood Souls in front of her had lost an arm and the help of Yun Qi's soul. His body was immediately like a withered tree trunk and the skin on his face was completely wrinkled, like old bark. Compared to just then, he instantly aged!

"Without the power of my Second Brother, you're just a scumbag." Yun Feng said with killing intent in her black eyes. The powerhouse of the Blood Souls burst into laughter and the black robe on his body suddenly shook! "Even if I lose that soul, I'm stronger than you! Yun Feng, I'll get it back from you the same way you took that soul away!"

"Just give up!" Yun Feng roared as she flipped her hand and her master's wand appeared! She waved it fiercely in the air and a dense fire dragon directly pounced at the powerhouse of the Blood Souls!

"Swish, swish, swish...!" The black robe rose and cold auras emitted, instantly swallowing Yun Feng's huge fire dragon completely!

"Hehehe! Even if that soul isn't here, your attacks are still useless against me! This is my own ability!" The Blood Souls powerhouse roared as the cold energy began to counterattack crazily! Yun Feng and Qu Lanyi flashed through. The speed of the cold energy was obviously much slower than before. Qu Lanyi said, "Not bad. He's no longer a God Lord!"

"Since the power of elements is still useless, kill him with these fists!" Yun Feng was tempted to kill him. The aura of the Sea Clan surged out of her body and her beast-like eyes emitted demonic light. The aura of humans was replaced by the aura of the Sea Clan. Her fists suddenly turned into sharp giant hands!

Five beams of light shot out of the Rings of Contract and the roars of the Magic Beasts resounded in the space!

"Rip his body. Leave no room for negotiation!" Yun Feng gave the order with deep killing intent! The blood in the bodies of the five contracted Magic Beasts immediately surged. The violence and killing desire of the Magic Beasts were completely aroused at this moment!

“Roar...!” Accompanied by the roars of the Magic Beasts, the five figures rushed over fiercely! The powerhouse of the Blood Souls let out an ear-piercing laugh. The corners of Yun Feng’s mouth curled up slightly. She jumped up from the air with the tip of her foot and her body turned into a black shadow, rushing forward abruptly, approaching the powerhouse of the Blood Souls!

“Bang!” The transformed giant hand grabbed the chest of the Blood Souls powerhouse. His body, which was as hard as steel just then, obviously changed. Yun Feng’s fist clearly felt that the place where it hit caved in!

“Roar!” The giant claw of a Magic Beast swept across the sky. Yun Feng’s giant claw came again, attacking from the front and back! The Blood Souls powerhouse’s face darkened slightly. He didn’t expect his body to be weakened to this extent after the disappearance of the soul! His black robe fluttered and the body of the Blood Souls powerhouse suddenly flashed, planning to retreat forcefully. However, a beam of light element suddenly attacked from his side, forcing him to take another step back. He was hit in the center!

“Poof!” The two sharp claws stabbed deeply into his body from the front and back. An unpleasant black blood gushed out of the wound. The smell was nauseating! The Blood Souls powerhouse roared and struggled free from the sharp claws. He stared at Qu Lanyi not far away with his red eyes. He forgot that there was still a light element mage!

Yun Feng and the five contracted Magic Beasts attacked fiercely. The power of several fierce Magic Beasts kept stacking and attacking! Even though the powerhouse of the Blood Souls was confident that he could dodge, there was another unexpected factor, which was the light elements that appeared from time to time! It almost made him anxious!

If this continued, he would be at a complete disadvantage! After losing the soul, his body was no longer in the same state as before. Even his strength had dropped drastically! Even though he was still stronger than Yun Feng, he didn’t have the confidence to win anymore!

If this continued, he would be dragged to death by them sooner or later! He didn’t take this opportunity to kill Yun Feng, but Yun Qi’s soul was taken away by her! If this continued, he might be caught and even die in the hands of this little girl!

The powerhouse of the Blood Souls didn’t dare to underestimate Yun Feng. Even if he still had the upper hand with his strength, he didn’t dare to take the risk easily! It was better to leave first!

“Buzz!” The space suddenly shook. Yun Feng and Qu Lanyi’s black eyes darkened. It seemed that this guy was preparing to escape!

“You will stay here!” Yun Feng shouted furiously. The five contracted Magic Beasts turned into five beams of light and rushed forward. Qu Lanyi flipped his hand and a pillar of light shot out!

“Damn it!” Seeing that, the Blood Souls powerhouse immediately activated the power of space even faster. The space around his body had already distorted slightly. “Hehehe! Yun Feng, you can’t kill me!” The space distorted even more. In a few seconds, he would be able to escape from this space!

Yun Feng clenched her fists in the air fiercely! However, her power of space couldn’t stop it at all!

“Nana!” A white figure suddenly appeared in front of her and rushed forward in a straight line. The power of space distortion was completely messed up after this collision!

“What?” The Blood Souls’ expert widened his eyes in shock. He couldn’t believe that the power of space had been shattered just like that! What exactly was that thing? The Blood Souls’ expert immediately swung his black robe and ran away! He wanted to find another opportunity to escape from here!

“Nana!” Meatball shouted loudly. Its fair and round body immediately followed him. It bared the sharp teeth in its mouth and chased after him at an astonishing speed! The pupils of the Blood Souls’ powerhouse shrank fiercely and his black robe swung fiercely. Cold air shot out like arrows, but Meatball dodged them one by one!

What kind of speed was that? The Blood Souls’ expert was shocked in his mind! He waved his hand and Meatball had already arrived next to him. It opened its sharp teeth and cold light flashed! “Poof!” Its sharp teeth stabbed into his body fiercely. The Blood Souls’ expert’s body twitched and he roared!

Meatball’s sharp teeth were embedded under his skin. It exerted strength in its body and suddenly retreated with him just like that! The Blood Souls expert rolled his eyes. The five contracted Magic Beasts came fiercely and were right in front of him!

“Roar...!” He roared with sharp teeth!

“Argh...!” Screams sounded. The remaining limbs of the Blood Souls were forcibly bitten by the few Magic Beasts. They exerted strength in several directions and the limbs were instantly torn off! Black blood oozed out and a strange smell filled the entire space!

All his limbs were broken and black blood flowed everywhere, but he wasn’t dead! The powerhouse of the Blood Souls was still alive!

His broken body was wrapped in the black robe and he tried his best to flash away, but a figure was already waiting there, sending him to the Yellow Springs!

“Yun Feng!” The pupils of the Blood Souls powerhouse suddenly shrank and turned into tiny black dots, emitting huge fear! A ball of dazzling light was instantly pushed into his body. The elemental energy mixed with brutality suddenly exploded from the body of the Blood Souls!

“Argh...!” The powerhouse of the Blood Souls screamed as his body exploded into powder in a halo!

“Swish...!” A faint soul flew out of the halo in a hurry. Yun Feng’s black eyes were full of coldness. Her mental strength turned into a whip and wrapped around the soul that was about to escape fiercely. She pulled it and squeezed it in her hand!

“Yun Feng, let go...” The soul screamed. Yun Feng didn’t have the patience to listen anymore. She exerted strength in her palm and gathered all her mental strength in her palm, directly blowing up the soul in an instant!

“Bang!” His soul was also annihilated in the end!

She curled her fingers slightly and looked at the starry residue of the soul in front of her coldly with her black eyes. “I’ll definitely not let you go... Even if it’s your soul, you must die!”

Chapter 1827: Going Home (1)

1827 Going Home (1)

“I thought you would absorb his soul into your body.” Qu Lanyi rushed over and looked at the soul that had already turned into spots of light in Yun Feng’s hand. Last time, Xiao Feng swallowed the soul of a Blood Souls powerhouse and upgraded three times consecutively. If she swallowed it again this time, her strength would probably increase a lot.

“His soul disgusts me.” Yun Feng said coldly. She thought of how he relied on the power of her Second Brother’s soul to increase his strength every day. He didn’t even let go of her Second Brother’s remnant soul! It was impossible for her to absorb such a soul into her body! She would destroy it fiercely without even leaving any residue!

Qu Lanyi chuckled. “It’s good that you don’t swallow it.” Qu Lanyi narrowed his eyes and looked at the soul that hadn’t completely dissipated. The nature of this soul wasn’t clean. Even if it was swallowed, it might cause damage to Xiao Fengfeng. After all, her soul would deteriorate sooner or later after staying in such a mutated body for so long.

“The master of the power of space is dead. Let’s go.” Yun Feng looked around. Qu Lanyi nodded. The two of them raised their hands and thick mental strength

immediately hit the space blockade. There was a series of cracking sounds and the power of space was easily broken!

The two of them jumped and left this space barrier, returning to the big house of the Wang family. All the members of the Wang family had already fallen on the ground with cold bodies. The person who controlled them was already dead. These puppets definitely couldn't stay and continue living.

There seemed to be some commotion in the Wang family's house. The death of everyone in the Wang family must have alarmed some people in Chunfeng Town. Yun Feng and Qu Lanyi immediately left the Wang family and returned to the Yun family in secret. They were supposed to go straight to the headquarters of the Yun family, but for Yun Qi, they had to return to their home in Chunfeng Town.

The members of the Yun family weren't in the house. Perhaps they were attracted by what happened to the Wang family, so nobody disturbed them. Yun Feng came to Yun Qi's room when he was alive and let Yun Qi and Gong Tianqing out of the Dragon Palace.

Yun Qi was in a daze for a moment after he came out. This room didn't change at all. Even the placement of the items didn't change at all, just like when he was young! Yun Qi was a bit stunned. Ever since the day his body died, he had never thought that he could stand here again.

"You really haven't changed at all." There was a hint of loneliness on his bright and handsome face. Yun Qi chuckled softly. "I didn't expect to be able to come back..."

"Second Brother, you're back," said Yun Feng. Yun Qi glanced over with his black eyes. "Yes, it's truly a pity that I can't kill the person who killed me with my own hands." The Lin family had already been destroyed by Yun Feng. Even though the Lin family was the one who did this to Yun Qi back then, the Blood Souls did it behind their back. Yun Feng said, "Our real enemy is the Blood Souls."

Yun Qi's eyes were burning with anger. "Of course. They must pay double for everything they did to you, me and the Yun family one day!"

Qu Lanyi chuckled. "Everyone in the Yun family has already gathered at the headquarters of the Yun family. Let's go there too."

"I'll use the Sound Transmission Jade to contact my father and brother. They're the same as me. Second Brother's matter has always been a knot in their hearts."

Qu Lanyi nodded with a smile, while Yun Qi was stunned. His father and brother... It was great that he could see them again. Gong Tianqing was a bit embarrassed. It was only right for Yun Qi and Yun Feng to go back. It was only right for Qu Lanyi to follow them, but she...

After Yun Feng finished contacting them, Gong Tianqing finally said in a low voice, “Yun Feng, I won’t go back with you...”

Yun Qi immediately frowned after hearing that and looked at Gong Tianqing with a complicated expression. She was leaving?

“Of course you have to go back with me. If it weren’t for you, Second Brother wouldn’t have come back! You’re the Yun family’s benefactor.” Yun Feng immediately held Gong Tianqing’s hand. Gong Tianqing blushed in embarrassment. “What benefactor... This is what I should do. It’s best if I can help you.”

“No matter what, you have to go back with me,” said Yun Feng. Gong Tianqing raised the corners of her mouth. “But Juxing School...”

“The five elders will agree. If they don’t, I’ll go there.” Yun Feng looked at Gong Tianqing with her black eyes. This was a great opportunity for Gong Tianqing to bond with her Second Brother. She would never let her go! She had to take her back to the Yun family no matter what!

“Well...” Gong Tianqing was a bit helpless. She really didn’t do anything. She felt that this was what she should do from the bottom of her heart. She was also very happy that she could help Yun Feng. She wouldn’t take credit for it, because in her mind, this wasn’t anything at all.

“If she wants to leave, just let her. Feng, we can’t force anyone else.” Yun Qi said with a slightly cold tone. Gong Tianqing was stunned and looked a bit embarrassed, while Yun Feng looked at her Second Brother suspiciously. “Second Brother...”

Yun Qi turned his face to the side. She wanted to leave so badly? Was it because of him?

Gong Tianqing chuckled. “Xiao Feng, since your Second Brother said so... I think I should go back first.”

Yun Feng was stunned. She didn’t quite understand why her Second Brother was angry for no reason. Even though it wasn’t very obvious, he was indeed angry. If Tianqing really left, who knew when the two of them would meet again?

“Wait,” said Qu Lanyi at this moment. “Don’t be in a hurry to leave. You’ve indeed played a huge role in Yun Qi’s rebirth. The Yun family has always been one to repay kindness. They’ll feel bad if you don’t come. Besides... you’re the only one who has direct contact with the soul. You should stay with Yun Qi for a while. If anything happens to his soul, we won’t be helpless.”

Yun Feng nodded and gave Qu Lanyi a thumbs up. Gong Tianqing looked at Yun Qi worriedly. So, she really couldn't leave. If something happened to his soul again, wouldn't he be helpless after she left?

"Got it." Gong Tianqing nodded. Yun Feng couldn't help but heave a sigh of relief. Yun Qi, on the other hand, looked at Qu Lanyi unhappily. "Kid, you don't have to tell me how I'm doing. If she wants to leave, she can. Why are you forcing her to stay?"

Qu Lanyi's temples suddenly throbbed a few times. Yun Feng quickly walked over and held Yun Qi's hand. "Second Brother, I'm worried about you. Tianqing indeed can't leave. I don't know what will happen to me if I lose you again." At the critical moment, Yun Feng could only pretend to be weak. This move was indeed effective. Yun Qi had always doted on his sister since she was young, or he wouldn't have suffered so much scolding for her. In Yun Qi's mind, nobody could bully his sister, not even him.

Chapter 1828: Going Home (2)

1828 Going Home (2)

"Got it." Yun Qi smiled helplessly and held Yun Feng's hand tightly. Yun Feng heaved a sigh of relief in her mind and put on a smile. "In that case, let's set off."

The few of them left Chunfeng Town quietly without alerting anyone. Qu Lanyi looked at Yun Qi, who was walking in front of him, and raised the corners of his mouth. "He's indeed a member of the Yun family. Your tempers are truly the same... How stubborn."

Yun Feng and Yun Qi walked in the front. The brother and sister laughed harmoniously, while Qu Lanyi and Gong Tianqing walked behind. Their minds were spinning. Even though Qu Lanyi was unwilling, he was the man's brother-in-law after all. It wasn't easy for him to be resurrected. It was better not to disturb him.

Qu Lanyi lowered his eyes and saw Gong Tianqing's complicated expression. He immediately understood her feelings. Yun Qi wasn't You Yue. She couldn't pin all her feelings for You Yue on Yun Qi. This might be Gong Tianqing's conflict. It seemed that he could only make his brother-in-law stop sticking to Xiao Feng by setting him up with Gong Tianqing as soon as possible.

Yun Feng and Qu Lanyi had the same thought. They wanted to matchmake Yun Qi and Gong Tianqing, creating a lot of opportunities along the way. However, Gong Tianqing and Yun Qi didn't seem to cherish them. There wasn't any chemistry between the two of them, but the atmosphere became colder and colder, which made Yun Feng and Qu Lanyi a bit worried. Soon, they came to the Inner Area and returned to the headquarters of the Yun family.

“Yun Qi!” A shout came. The few of them had just walked to the door of the Yun family’s mansion when a tall figure rushed out and suddenly punched Yun Qi’s shoulder. Then, he hugged him fiercely. “Kid, you bastard!”

Yun Qi was a bit dumbfounded. When his entire body was hugged, he finally said softly when he heard this call that sounded like a joke. “Brother...”

“Kid, you’re finally back!” Yun Sheng hugged Yun Qi fiercely and finally let go of him. His eyes were already a bit red. How many years... How many years had it been? He thought he wouldn’t be able to see this brother again in his life! This wound had been hidden in the hearts of him, his father and Feng for so many years that it ached every time he thought of it!

Yun Qi looked at Yun Sheng’s familiar and unfamiliar face and nodded dumbfoundedly. Yun Sheng put his arm around Yun Qi’s shoulder and led him forward. “Father! This kid is home! He’s back!”

Yun Qi looked over with his black eyes and saw a familiar figure standing not far away. Even though that very young face had lost a lot of traces of time, Yun Qi couldn’t be more familiar with the tight facial features and expressionless and serious face.

It was her father!

Yun Sheng held him and walked to Yun Jing. Yun Jing stood there with a tense body and didn’t say anything. He looked at Yun Qi with his black eyes, just like that.

“Plop.” Yun Qi’s knees went soft and he knelt on the ground. The muscles on Yun Jing’s face twitched fiercely, but he was still silent.

“Father, I’m back.” Yun Qi kowtowed heavily on the ground. Yun Sheng’s eyes were a bit hot as he watched on the side. Yun Feng’s heart was also shaking. Her family... was back.

Yun Qi kowtowed three times in a row and his forehead was a bit red and swollen. Yun Jing’s face was still tight. After Yun Qi finished kowtowing, he finally said with a very hoarse and deep voice, “...It’s great that you’re back.”

Yun Qi’s black eyes glittered. Even though Yun Jing only said one sentence indifferently, as his son, Yun Qi could certainly feel the emotions in it! Yun Qi’s eyes became hot and he kowtowed again. “I’m unfilial! If I didn’t run out impulsively back then, I wouldn’t have...”

“Alright, stop!” Yun Sheng interrupted Yun Qi and pulled him up from the ground. “That’s in the past. Your return is more important than anything else! The past is in the past.”

Yun Qi nodded. Yun Sheng smiled gently and walked to Yun Feng, holding her in his arms. He took a deep breath. "Feng, thanks to you..."

Yun Feng patted her brother's descendant with a smile. "Brother, this is what I should do."

Yun Sheng chuckled and let go of Yun Feng. He reached out and rubbed her little head. Yun Jing's expression was much gentler than before. "I'll ask Xiaojin to prepare some good food." After saying that, Yun Jing turned around and walked in. Yun Sheng smiled even more happily. "Of course. Kid, you must try your sister-in-law's cooking!"

Yun Qi also smiled heartily. "Of course. I want to meet this sister-in-law."

The two brothers smiled in unison and walked inside, shoulder to shoulder. The brotherhood was obvious. Gong Tianqing was very gratified to see this warm scene. "That's great. Your family is finally reunited."

Yun Feng chuckled. "Not really... We're still missing someone..." Even though Yun Feng wanted to resurrect her mother, Yun Jing's wife was just an ordinary person. Her body and soul had already disappeared from the world after so many years. There was nothing Yun Feng could do even if she wanted to resurrect her.

"Don't force yourself. You can't do everything. Just let nature take its course." Qu Lanyi walked over and held Yun Feng's hand. Yun Feng smiled warmly and held his big hand. "You two should eat together."

"That's not good. This is a family gathering. I won't go." Gong Tianqing shook her head repeatedly. Qu Lanyi chuckled and stroked Yun Feng's slightly messy hair considerately. "I won't join in the fun."

Yun Feng's black eyes glittered and she held Qu Lanyi's hand even tighter. "You're also my family, Lanyi."

Qu Lanyi was slightly stunned. His thin lips slowly curled up and an extremely happy smile appeared. His Fengfeng... "If my wife says so, I certainly have to go."

Yun Feng smiled sweetly and looked at Gong Tianqing with her black eyes. "Tianqing, come too. You're the Yun family's benefactor. Father and brother certainly have to thank you."

"There's really no need!" Gong Tianqing blushed and shook her head, feeling very embarrassed. Yun Feng let go of Qu Lanyi's hand and walked over, holding Gong Tianqing's slightly cold hand. She looked at Gong Tianqing with her clear black eyes, as if she could see into her heart.

“Tianqing, if you really don’t come, my brother and father will feel bad. It’s just a meal. Just treat it as being with your family.”

Gong Tianqing’s face turned even redder. She had already stopped contacting the Gong family. Before she met Yun Feng, she had always been alone and had no experience eating with her family. Qu Lanyi walked over. “Don’t decline. If you continue to decline, it’ll be difficult for Fengfeng. Just treat it as an invitation from a friend.”

Chapter 1829: Going Home (3)

1829 Going Home (3)

“Yes, I invited you to dinner. Will you reject me?” Yun Feng looked up. This was the first time Gong Tianqing saw Yun Feng’s pleading look. She immediately nodded. “I’ll go. I’ll go!”

Yun Feng immediately smiled and held her hand even tighter, taking her forward. “Alright, of course!”

Tonight, in a corner of the mansion of the Yun family, it was a warm gathering that belonged to a small family. After decades, the dilapidated Yun family was complete again. There were sumptuous food on the dining table. Mu Xiaojin cooked a lot of dishes herself. Yun Jing sat in the middle, Yun Sheng and Mu Xiaojin sat on one side, Yun Qi and Yun Feng on the other, and Qu Lanyi and Gong Tianqing sat on the side one after another.

The atmosphere at the dining table was very harmonious. Even though Yun Jing still had a sullen face, everyone could see the joy in his eyes.

“Sister-in-law, you’re quite good at cooking,” said Yun Qi with a smile. Mu Xiaojin was a bit embarrassed by the compliment. Yun Sheng burst into laughter and looked very happy. For the Yun family on the East Continent, the current scene was something they didn’t dare to hope for back then. Yun Feng couldn’t help but recall the scene of the first day she came to this world. Her father suppressed his anger and humiliation, her brother shouted for revenge at the top of his lungs, the broken Yun family, and her, who came back to life.

Yun Feng looked at the scene in front of her eyes and suddenly felt a bit dazed. Was everything real? Or... was everything a dream in the end?

“It’s a pity that Qingchen isn’t back,” said Yun Sheng. Yun Qi burst into laughter. “I’ll see my nephew sooner or later. There’s no rush.”

"I've contacted him. He should be back in time," said Mu Xiaojin as she smiled at Yun Qi. "Qingchen was also very happy when he heard that you were back. He said that he would definitely come back to meet his second uncle."

Yun Qi burst into laughter, and so did Yun Feng. It would be great if Little Qingchen could come back. After so many years, that kid should have grown a lot. Yun Feng wondered what he got from training alone.

Qu Lanyi and Gong Tianqing didn't say anything. Both of them sat aside silently and listened to their discussion. Yun Feng looked at Gong Tianqing and said, "Father, brother, it's all thanks to Tianqing and Lanyi's help this time. Otherwise, I wouldn't have been able to save Second Brother successfully."

"I'm not very useful. She's the most helpful." Qu Lanyi chuckled and pushed all the credit to Gong Tianqing. Gong Tianqing immediately blushed in embarrassment. Yun Sheng and Yun Jing thanked her solemnly, which made Gong Tianqing blush even more. "No, as I said... I didn't do anything... You don't have to thank me like this..."

Yun Qi looked at Gong Tianqing deeply and said in a deep voice, "There's someone else I have to thank, Senior Mo."

Yun Feng's face immediately darkened. After telling them about Mo Yuanbu, Yun Jing and Yun Sheng also looked a bit gloomy. Yun Jing took a deep breath. "Senior Mo... has done too much for the Yun family."

"The ancestor should have no regret with such a close friend," said Yun Sheng. Yun Jing was silent for a while. "I'll talk to the three elders of the Yun family later. We should let Senior Mo's tablet be put together with the ancestor's. Their friendship wouldn't be in vain."

Yun Feng nodded. She had the same thought. Senior Mo preserved part of Second Brother's soul, which was why Yun Qi was reborn right now. Once Yun Qi's unique bloodline was opened, it would definitely be very useful in future battles!

The meal lasted for a long time. It didn't end until the moon hung in the sky. Yun Jing returned to his room to rest, and Yun Sheng took Mu Xiaojin back to rest. Yun Feng, Qu Lanyi and Gong Tianqing also left. Yun Qi's yard was next to Yun Sheng's, not far away from Yun Feng's. After he returned to his yard, he wasn't sleepy at all.

Yun Qi sat in the center of his yard and looked at the giant tree in the yard in a daze. A figure flashed in. Yun Qi chuckled. "Brother, you can't sleep either?"

Yun Sheng sat down with a smile. "I couldn't sleep. I wanted to come over after your sister-in-law fell asleep."

Yun Qi burst into laughter and then looked a bit lonely. "I heard a lot of things from Feng. The changes of the Yun family over the years, the matter between you and my father, and the Blood Souls, but Feng didn't say anything about her experience." Yun Qi looked at Yun Sheng. "Brother, you should know that, right?"

Yun Sheng chuckled. "That girl really doesn't say anything to her family."

Yun Qi chuckled. "That's right. That's why I'm worried. Will she carry everything herself? Luckily, that kid is by her side. She should have someone to rely on."

Yun Sheng frowned slightly. He knew that Yun Qi was talking about Qu Lanyi. He sighed. "You're right. That kid treats Feng very well. We can be at ease. Father agreed."

"That kid is truly lucky." Yun Qi clenched his fists and cursed in a low voice. Yun Sheng shook his head helplessly. "You should consider yourself. Feng and I aren't alone anymore."

"I've just come back. Where do you want me to find a woman?" Yun Qi said. "Besides, I'm not in the mood right now."

Yun Sheng chuckled. "I think Gong Tianqing is pretty good."

Yun Qi frowned slightly. He pursed his lips and didn't say anything. Yun Sheng knew that there was a chance. "Do you have a good impression of her?"

Yun Qi frowned even more tightly. "No. Rather than a good impression, it's more like a complicated feeling. It's a bit familiar, but I don't know her at all."

Yun Sheng looked at Yun Qi for a while. It seemed that he really didn't have any feelings for that girl called Gong Tianqing. "If you don't know her, it's not bad to get to know her from now on."

Yun Qi frowned. "Brother, I don't have the mood right now. Besides, you've already passed down the Yun family's legacy. I don't need to work hard anymore."

Yun Sheng was stunned. Seeing Yun Qi's teasing gaze, he couldn't help but scold with a smile, "You bastard!"

The two brothers looked at each other and smiled, continuing to talk. The night was perfect. It didn't matter even if they talked for the entire night. Yun Qi and Yun Sheng were chatting happily, while Yun Feng was a bit worried. She temporarily put Gong Tianqing in her yard and went back to rest early. Yun Feng, on the other hand, was anxious. There was clearly a spark between her Second Brother and Tianqing, but why didn't the two of them care about each other? Qu Lanyi had already gone back and didn't stay for long. Yun Feng pondered and finally came to Gong Tianqing's door. She knocked. "Tianqing, are you asleep?"

After a while, the door was opened and Gong Tianqing, who wasn't sleepy at all, pushed the door open and walked out. Seeing that, Yun Feng certainly knew that she couldn't sleep either. "I'll get straight to the point. What exactly do you think of my Second Brother?"

Gong Tianqing was startled. She didn't expect Yun Feng to ask so directly. "I don't have any thoughts."

Yun Feng frowned. "Don't you like my Second Brother?"

Gong Tianqing was stunned again. Then, she bit her lips gently. "The person I like is You Yue, not Yun Qi."

This time, it was Yun Feng's turn to be stunned. You Yue, Yun Qi... The two of them were exactly the same in terms of appearance, but they were completely different. You Yue was like a pool of water, which was closer to her big brother's personality. Her Second Brother, Yun Qi, was like a block of ice. He was straightforward and his personality was the same.

However, You Yue didn't exist anymore. Yun Qi was the one who came back right now. Yun Feng believed that there was also a part of You Yue in her Second Brother's body!

"Tianqing, Second Brother and You Yue are the same person!"

"They're not the same person. You Yue is You Yue and Yun Qi is Yun Qi." Gong Tianqing said stubbornly. Even though she also had conflicts in her mind and didn't know how she felt when facing Yun Qi, he wasn't You Yue!

"A part of Second Brother's soul was in You Yue's body! I believe there must be a part of You Yue in Second Brother's body!"

Gong Tianqing raised her black eyes. "Xiao Feng, I understand what you mean, but I like You Yue in my mind. I know that very well. Yun Qi is very good. He'll definitely find a woman who's most suitable for him."

"You're the most suitable woman for Second Brother! Only you have the ability to touch his soul. Second Brother's soul power might have to be excavated with your ability. This means that you might never be able to leave him for the rest of your life!"

Gong Tianqing bit her lips hard. "Even so, feelings can't be forced. I'm like this, and so is Yun Qi."

"Tianqing..." Yun Feng wanted to say something else, but Gong Tianqing shook her head slightly. "Stop talking. Yun Qi came back because of your wish back then and also because of You Yue. It's very good now. If my ability can stimulate his power, I'll do my best to help him."

“Tut-tut, humans are so wishy-washy. Feelings are indeed most suitable for weak and useless humans. There’s no end to it.” A voice suddenly sounded in the night. Yun Feng’s face darkened and she immediately threw out her mental strength. “Come out!”

“Swish...!” In the night, a figure seemed to have appeared instantly. He looked at Yun Feng with his orange eyes with a hint of provocation. Yun Feng narrowed her eyes slightly. A Magic Beast broke into the Yun family?

“You’re a Magic Beast?” Gong Tianqing was surprised. The Yun family was a summoner family. How dare a Magic Beast break in?

“You’re Yun Feng? You look no different from anyone else.” Disdain flashed through those orange eyes. Yun Feng tested her mental strength slightly and the corners of her mouth curled up coldly. “A Lord-Level Magic Beast dares to cause trouble in the Yun family’s territory?”

Being exposed, the Magic Beast was immediately very angry. “I’m Grade 9 of the Lord Level!”

Yun Feng raised her brows gently. “Grade 1 and Grade 9 Lords are both Lords. What’s the difference?”

“You...!” The Magic Beast stomped its feet in anger. Yun Feng glanced at it coldly. “Get out. You’re no match for me with your strength.”

“Call out your Magic Beast!” The Magic Beast suddenly shouted furiously. Yun Feng was stunned. The orange-eyed Magic Beast continued to shout, “Let it out!”

“Who is this Magic Beast? It wants to fight with your contracted Magic Beast?” Gong Tianqing was extremely shocked, but Yun Feng suddenly smiled. “You want to fight with my contracted Magic Beast?”

“That’s right!”

“Alright, which element do you want? Which one of the five elements do you prefer?” Yun Feng’s teasing tone made the orange-eyed Magic Beast so angry that it was about to explode. Seeing its expression, Yun Feng was even more certain that this Magic Beast must have a master. Its master must be a summoner. She already knew which summoner could appear in the Yun family and was at Grade 9 of the Lord Level.

Yun Feng looked at the figure that walked out of the dark with a smile in her black eyes. It had been a few years. This kid had grown so tall... He really didn't look like when he was young.

"Aunt." The figure walked up with a smile on his face. He was very happy to see Yun Feng. He held Yun Feng in his arms that had become much longer. Yun Feng chuckled and patted his shoulder. Why was he still so childish?

Gong Tianqing couldn't help but exclaim when she saw the young man hug Yun Feng. The young man glanced over and Gong Tianqing saw a pair of extremely clear black eyes. The brilliance in them couldn't help but attract her.

"Qingchen, let go of me quickly. You're not a kid anymore." Yun Feng was helpless. This kid wouldn't let go of her after hugging her. She could only say. Yun Qingchen wasn't obedient at all and didn't let go. "No! I haven't seen my aunt for so long. It's time for me to hug you!"

Yun Feng was speechless. This child should be considered an adult right now. His personality of sticking to her when he was young hadn't changed much right now. "Alright, let go of me first. Don't let your Aunt Qing laugh at me," said Yun Feng. Yun Qingchen glanced around and saw that Gong Tianqing had already looked embarrassed. He could only let go and take a step back.

"Aunt Qing?" Yun Qingchen frowned. Gong Tianqing immediately felt even more embarrassed when she heard this title. Yun Feng chuckled. "You can also call her Sister Tianqing. Aunt is indeed a bit awkward."

Yun Qingchen smiled heartily. "Sister Tianqing!"

This was the first time someone called Gong Tianqing sister. She blushed in embarrassment, especially when the young man with such beautiful eyes called her that. "Qingchen..." Gong Tianqing called out softly. Yun Qingchen smiled lightly and walked to the Magic Beast that suddenly provoked them just then. He extended his hand and suddenly pressed its head down, rubbing it fiercely.

"What do you think, Bing Lie? As I said, my aunt won't fight with you. Your strength isn't enough at all."

The Magic Beast lowered its head under Yun Qingchen's pressure and wanted to escape, but Yun Qingchen kept pressing its hand down. The Magic Beast could only stand there awkwardly. It pulled Yun Qingchen's arm and roared, "My strength isn't enough, which means that your strength isn't enough!"

"What did you say?" Yun Qingchen suddenly narrowed his eyes and a fierce glint flashed through his black eyes. The Magic Beast was stunned for a moment, then grunted coldly and glanced aside. "I'm not wrong."

“Good kid, I think you’re itching for a beating!” Yun Qingchen scolded with a smile and rubbed the top of the Magic Beast’s head fiercely. Seeing that, Yun Feng asked, “Is this your contracted Magic Beast, Qingchen?”

Yun Qingchen chuckled and pressed the Magic Beast’s head down. “Aunt is right. This kid is indeed my contracted Magic Beast.”

“He doesn’t want to admit defeat. What type is he? If his species doesn’t work, I won’t allow him to follow you.” Yun Feng said as she glanced at the Magic Beast on purpose with her black eyes. The Magic Beast immediately looked angry after hearing that, but Yun Qingchen pressed his head and he didn’t say anything.

Yun Qingchen chuckled. “This guy’s original form is a water element Magic Beast, the Ice Fox.”

“Fox?” Gong Tianqing was stunned. There were many branches of elements among the races of Magic Beasts. Take the Cloud Wolf for example. Among them, there were the Fire Cloud Wolf and the Wind Cloud Wolf. The elemental categories of the same race were different, but there were also restrictions. Most of the Cloud Wolves were of the wind and fire elements and rarely had any other elements. And among the foxes, water element foxes could be said to be rare.

“Most foxes are of the fire element and the wind element. This is a bit similar to the Cloud Wolf. There are also some lightning elements, but the water element... has almost never appeared.” Yun Feng whispered. The Magic Beast, whose head was pressed by Yun Qingchen, suddenly grunted and straightened its body.

Yun Qingchen chuckled and moved his hand away. “Aunt, his name is Bing Lie. He’s on the Snow Region Plateau somewhere in the Thousand Snow Hall. I contracted him.”

The little fox called Bing Lie even raised his chin. Yun Feng could even see that there seemed to be a tail wagging constantly behind his butt... This personality was truly easy to understand. “So, have you already contracted all four-element Magic Beasts?” Yun Feng was quite concerned about this question, but Yun Qingchen smiled shyly. “Among the four elements, only the water element and the lightning element are contracted. I haven’t met any Magic Beasts I like for the other two elements.”

“There’s no rush.” Yun Feng smiled lightly. Contracting a Magic Beast was a long process. The Magic Beasts that were suitable for her were the best.

“A four-element summoner?” Gong Tianqing exclaimed again. It was already astonishing that Yun Feng was a five-element summoner. Her nephew was a four-element summoner! God, were all the summoners of the Yun family so talented?

Yun Feng chuckled. Yun Qingchen said, “I’m far inferior to my aunt. I can’t compare to her.”

Yun Feng shook her head. "You'll surpass me one day. It's not impossible to surpass the predecessors. Qingchen, you must have confidence in yourself."

Yun Qingchen nodded with a smile. The little fox on the side looked at Yun Feng thoughtfully. Yun Feng noticed his gaze and a mischievous smile flashed through her black eyes. "Aren't you going to fight my contracted Magic Beast? This is a good opportunity."

"Aunt?" Yun Qingchen was surprised. He was only at Grade 9 of the Lord Level right now. His contracted Magic Beasts were certainly not her match. Why was her...

The little fox was stunned and immediately felt insulted by Yun Feng. "I'm not afraid of you! Just let them out!"

Yun Feng only felt that this little fox was truly cute. Yun Qingchen couldn't help but shake his head helplessly. "Master, let us out!"

"Yes, it's rare to meet such a fun person."

"Hahaha, this kid is truly interesting!"

The five contracted Magic Beasts all expressed that they were very interested in the little fox. Rather than saying that they were interested, it was better to say that they were more interested in how to play with him. Yun Feng was helpless. Since it was a request from her few Magic Beasts, she might as well agree. Joy didn't come every day.

"Swish, swish, swish...!" Five beams of light immediately appeared and five Magic Beasts of different appearances appeared next to Yun Feng. The little fox was immediately a bit dumbfounded. Strong respect burst out of Yun Qingchen's eyes. As expected of his aunt!

"You... You really let them out!" The little fox couldn't help but take a step back. Its orange eyes rolled and it glanced at Yun Qingchen. Yun Qingchen smiled maliciously. "Didn't you want to spar? I'll let you spar with them for once. Don't hold back."

Chapter 1831: The Omen of Explosion (2)

1831 The Omen of Explosion (2)

"You..." The little fox was caught in a dilemma. It couldn't help but look a bit embarrassed and it looked even more interesting and hilarious.

"Tut-tut, you're truly young. Let me dote on you." Sister Hua walked forward charmingly. The little fox retreated continuously. "Don't... Don't come over..."

“Hey, hey, you’re blushing? Have you never slept with anyone before?” Sister Hua raised her brows as a charming glint flashed through her eyes. The little fox immediately blushed completely and its two fluffy ears were exposed just like that.

“What do you mean by sleeping with someone?” Yaoyao raised her innocent little face and asked. Lan Yi’s face immediately darkened and he covered Yaoyao’s ear with his big hand. Yaoyao’s innocent eyes made Lan Yi unable to bear to look at her. He glared at Sister Hua fiercely with his green eyes. Sister Hua chuckled. “It doesn’t matter. You’ll know sooner or later.”

“But you can’t tell her now!” Lan Yi couldn’t help but growl. Sister Hua grunted and didn’t say anything else.

The little fox glanced at the five pets in front of him and could see that they didn’t mean any harm to him. Otherwise, how would he be standing here? He looked at Yaoyao. He estimated that she should be the only one in the middle who was similar to him...

Yaoyao noticed the little fox’s gaze. After spending so much time with Yun Feng and the few contracted Magic Beasts, her originally unapproachable personality had already changed. Yaoyao’s innocent mentality was completely revealed. In her eyes, there were only two kinds of people in the world. One was good for Xiao Feng, and the other was bad for Xiao Feng.

She was friendly to those who treated Xiao Feng well, but she wouldn’t let go of those who treated Xiao Feng badly.

“You’re also of the water element?” Yaoyao smiled at the little fox kindly. The little fox immediately blushed, as if it was a bit embarrassed. She... She was so beautiful...

“I’m also a water element pet!” Yaoyao took a step forward and extended her fair and tender little hand. “Although you didn’t have a good attitude towards Xiao Feng just then, you didn’t mean any harm to Xiao Feng. We can be friends.”

The little fox was stunned and didn’t know how to answer. Yaoyao smiled sweetly at this moment. This smile immediately made the little fox’s heart completely chaotic.

“I... I... My name is Bing Lie...” The little fox lowered its head and rolled its two fluffy ears back and forth. Yaoyao smiled happily after hearing that. “Bing Lie, my name is Yaoyao. Xiao Feng gave me this name. I like it very much!”

The little fox was captivated by this smile again. Its palm was slightly hot and it reached out, wanting to hold Yaoyao’s little hand. A figure took a step forward and a sharp sword-like gaze suddenly flashed through those black eyes. The little fox keenly noticed it and quickly retracted its hand. It looked up. It was a young man who was slightly taller than her.

Little Fire took a step forward and reached out to pull Yaoyao's little hand back. Yaoyao was puzzled. "Brother Little Fire, what's wrong?"

Little Fire raised the corners of its mouth. "Water element? I, a fire-element Magic Beast, don't like water elements no matter what."

Er Lei bent down and raised Yaoyao's little body high on his shoulder. "Whether he's a friend or not, we still have to observe. Kid, why aren't you vigilant at all?"

Yaoyao sat on Er Lei's shoulder. This was the first time she had been so intimate with Er Lei. She thought this strange lightning-element Magic Beast didn't like her, but it seemed... Yaoyao smiled sweetly.

"Little fox, I think we Magic Beasts need to find a place to 'have a good talk'." Lan Yi smiled gently and elegantly, but it gave people a cold feeling.

"W-What are you doing?" The little fox stepped back in panic. A ball of fire suddenly ignited in Little Fire's palm. "Nothing. I just wanted to talk to you."

"Are you kidding me?" The little fox roared and started running crazily. The smile on Lan Yi's face disappeared. "Can you get away from me?"

A few figures immediately chased after them crazily. Sister Hua looked like she doted on them. "Hey, be gentle. I like that handsome guy too. Be gentle!" The few contracted Magic Beasts chased after them. Yun Feng and Yun Qingchen were full of smiles when they saw that.

"It seems that Bing Lie will learn a lesson this time," said Yun Qingchen. "He's always been like this. He doesn't admit defeat at all. I've racked my brains for this."

Yun Feng chuckled. It could be seen that her few contracted Magic Beasts all "liked" that little fox very much. Yun Feng said softly, not wanting to "bully" it too much. "Where's Little Lei?" Yun Feng didn't see the lightning-element Magic Beast that had been sticking to Yun Qingchen earlier. Yun Qingchen chuckled. "After arriving at the Yun family, I let him move freely. He's very wild right now and likes to wander around."

Yun Feng smiled. Her nephew didn't like putting Magic Beasts back into the Rings of Contract. "You must be more careful when you let him move freely. Your lightning-element Magic Beast is extraordinary. There are other summoners in the Inner Area."

Yun Qingchen nodded. Gong Tianqing had been silent on the side. She felt that she couldn't interrupt at all. What could she say about the conversation between the two summoners? Yun Feng pulled Gong Tianqing to her side. "Qingchen, you came back this time to see your second uncle, right?"

Yun Qingchen immediately nodded. "After my mother told me, I couldn't believe it! Second Uncle is really back!"

Yun Feng chuckled. "It's all thanks to Tianqing, or your second uncle might not be able to come back."

Gong Tianqing quickly smiled in embarrassment. Yun Qingchen's black eyes immediately glittered. "Sister Tianqing must have a unique ability! Otherwise, she wouldn't have been able to resurrect Second Uncle."

"My ability is nothing..." Gong Tianqing lowered her head in embarrassment. Yun Qingchen walked over and looked at Gong Tianqing with his clear black eyes. A young and clean aura emitted from Yun Qingchen's body. Gong Tianqing couldn't help but blush. The members of the Yun family were all good-looking. Yun Qingchen was a bit precocious and had some mature aura on his body. Girls of the same age probably couldn't resist his charm at all. Even women older than him couldn't help but feel tempted.

Yun Qingchen reached out and hugged Gong Tianqing gently. Gong Tianqing was stunned! Yun Qingchen said softly, "Thank you. Thank you for letting Second Uncle come back. Thank you."

This was the gratitude of a junior. Even though Yun Qingchen didn't understand the pain of the Yun family at that time, he could more or less feel the frustration in his father, Yun Sheng's heart. Even though his father and grandpa had never mentioned Yun Qi, his second uncle, whom they had never met, he had secretly found out that this second uncle, who had never been mentioned, was already dead.

Chapter 1832: The Omen of Explosion (3)

1832 The Omen of Explosion (3)

Now that Yun Qi could be reborn, even though Yun Qingchen was a junior, he also expressed his gratitude solemnly. Yun Feng couldn't help but feel gratified. This kid had indeed grown up and could understand the hardships of his father.

"Qingchen!" A call came. Yun Qingchen immediately let go of Gong Tianqing. He turned around and saw his father and a man with bright facial features but a gloomy expression. "Father!" Yun Qingchen shouted as he glanced at the man next to Yun Sheng. "This... must be Second Uncle!"

Yun Feng and Gong Tianqing were both a bit stunned. They didn't expect Yun Sheng and Yun Qi to come so late at night. Gong Tianqing glanced at Yun Qi's expression and

found that he seemed a bit unhappy. Thinking of the scene just then, she couldn't help but lower her head even more. She didn't know why she felt so guilty.

"Brother, this is your nephew, my son, Yun Qingchen." Yun Sheng was very happy to see Yun Qingchen back and quickly called him over. Yun Qingchen walked over and shouted happily, "Second Uncle!"

Yun Qi's expression eased a lot. He patted Yun Qingchen's shoulder with a smile. "Brother's son is indeed outstanding."

Yun Qingchen chuckled. "Father, Second Uncle, are you here for my aunt?"

Yun Sheng nodded. Yun Qingchen said, "Then I'll go back first. When Second Uncle comes back, I won't have to worry about not seeing him."

"This kid!" Yun Sheng was helpless. Yun Qingchen turned around. "Sister Tianqing, Aunt, I'll go back first!" Yun Qingchen tapped the tip of his foot and jumped up, disappearing. Yun Sheng and Yun Qi walked over. Yun Sheng frowned. "Feng, is it a bit inappropriate for Qingchen to call Tianqing sister?"

"Let him be. It doesn't matter." Yun Qi said in a low voice with a slightly gloomy face. Yun Feng glanced at her Second Brother's expression and saw that something was wrong. He indeed cared about Tianqing a bit.

"Brother, Second Brother, why are you here?"

Yun Sheng said, "Feng, when Yun Qi comes home, he should go to the ancestral hall and pay respect to the three elders of the Yun family first. The three elders are considerate of us. It's time for Yun Qi to greet the three elders tomorrow. He should also go to the ancestral hall of the Yun family."

Yun Feng nodded. "Alright, I'll go with you tomorrow."

"Alright, I'm here to tell you about this." Yun Sheng smiled lightly and touched Yun Feng's head with his big hand. "It's already so late. You should rest. Even if you're not tired, you should let Tianqing rest."

Yun Feng nodded. "Yun Qi and I will go back first." Yun Sheng turned around, but Yun Qi frowned and glanced at Gong Tianqing. "I need to talk to you. Can you come out for a while?"

Yun Sheng and Yun Feng were stunned. Gong Tianqing was stunned for a moment and nodded. "Brother, go back first. I'll go back after talking to her." Yun Qi turned around and looked at Yun Feng. "Feng, go to bed early." After saying that, Yun Qi turned around and walked out. Gong Tianqing was silent for a while and followed him. The two of them disappeared outside the door.

“Second Brother indeed cares about Tianqing,” mumbled Yun Feng. Yun Sheng chuckled. “Feng, do you want to set them up?”

Yun Feng smiled rather complicatedly. “Set them up... They were supposed to be together...”

Yun Qi walked all the way forward and didn't say anything. His elongated shadow was projected on the ground and it was stepped on by Gong Tianqing. Gong Tianqing lowered her head slightly and followed behind silently without saying anything. The two of them were very silent.

Gong Tianqing didn't ask where Yun Qi was going. She just followed him silently. The two of them walked forward like this. Gong Tianqing didn't look up until Yun Qi stopped. She saw Yun Qi's slightly angry expression. “You're not even asking where I'm taking you? Or what we're going to do?”

Gong Tianqing chuckled. “This is the Yun family. You're Yun Feng's Second Brother. Will you do anything despicable?”

Yun Qi was stunned. Then, he turned around and paused for a while before he said, “I heard from Feng that your Dead Fire separated my soul from the body of a powerhouse of the Blood Souls.”

Gong Tianqing replied in a low voice. Yun Qi lowered his black eyes. “Your Dead Fire can touch my soul? Is that so?”

Gong Tianqing nodded and looked at Yun Qi in confusion. What exactly was he going to ask?

Yun Qi took a deep breath. “Then, let your Dead Fire touch my soul again.”

“What?” Gong Tianqing widened her eyes. Yun Qi frowned. “I want to know how to trigger my ability. If I have the ability to share some of Feng's burden, I certainly can't let her carry everything alone!”

“But...” Gong Tianqing wanted to say something, but Yun Qi interrupted her. “I don't care about what you say! Since my power comes from my soul and your Dead Fire is the only thing that can touch my soul, you're the only possibility I know so far!”

“My Dead Fire can burn the soul! Do you want your soul to turn into ashes in my fire?” Gong Tianqing also roared. “My Dead Fire is useful for the soul, but it can't be touched for a long time. Yun Feng said that we can't rush this! There's always a way to unleash the power of your bloodline!”

“Do you want me to watch Feng run around again? If I come back, I won't do nothing!”

“I know how you feel. You want to share Yun Feng’s burden. I also know that she carried a lot of things on her shoulders alone. However, the power of your bloodline is too special. My Dead Fire might be useful, but if we make a mistake, do you want Yun Feng’s efforts to be in vain? How easy do you think it was for her to save you?”

Yun Qi was stunned. Gong Tianqing’s voice became much louder in the end. Gong Tianqing took a deep breath. “I understand your anxiety, but I won’t agree to your request just then! I can only use the Dead Fire if there’s no danger at all.”

Yun Qi clenched his fists fiercely. It could be seen that he was depressed in his mind. The unique power of his bloodline was sealed in his soul. He was no different from an ordinary person right now. How would he have the ability to share Yun Feng’s burden like this? Did he come back to be a useless person who lived a pampered life?

“Don’t be anxious. Yun Feng will also help you find a way to release the power of the bloodline... We’ll all look for it. Don’t try it easily. You must know that your rebirth was based on the efforts of many people...” Gong Tianqing thought of You Yue and her heart immediately sank. If Yun Qi didn’t cherish her like this, wouldn’t You Yue’s sacrifice be in vain?

“You seem to care about my life and death very much,” said Yun Qi as he looked straight at Gong Tianqing with his black eyes. “A lot of people’s hard work has been gathered. Does this include the old friend you know?”

Gong Tianqing felt sad in her mind. He was exactly the same as You Yue. His body figure, appearance and even details were so similar, as if they were the same person! Gong Tianqing didn’t know how to hide her heartache in front of him.

Gong Tianqing sniffed hard and raised her head, forcing back all the tears in her eyes. “Yes! Of course, that includes him. It’s his wish that you can be reborn.”

“Who is he?” Yun Qi frowned. Gong Tianqing smiled wryly. “His name was You Yue. He’s someone I liked... Someone who once had part of your soul.”

Yun Qi suddenly raised his thick eyebrows. The man had part of his soul!

“He has the same face and body as you do. He’s no different from you right now. Back then, Yun Feng accepted him as her Second Brother. Her feelings for you were once transferred to You Yue.” Gong Tianqing whispered slowly and told him about those days in the Juxing School. Yun Qi listened with a complicated expression.

“...He chose to die. He chose to turn his remnant soul into ashes and let the part of your soul be preserved. This was his wish, because this was Yun Feng’s wish.” A stream of tears flowed down Gong Tianqing’s face. “He treated Yun Feng as his sister. He told me many times that he’s proud to have such a sister. If Yun Feng wanted it, he’d give it to her no matter what.”

Yun Qi was speechless. It was hard for him to imagine what kind of person that man called You Yue was. He used to have part of his soul. Did some of his feelings for Gong Tianqing come from this part of his soul? They... should like each other.

“Since Feng treated him as Second Brother, she also treated him as family,” said Yun Qi. “She knew that I was already dead.”

Gong Tianqing chuckled. “You Yue knew that better than anyone else. Otherwise, he wouldn’t have made the choice willingly. He only treated Yun Feng with sincerity. It’s good that you’re back. You Yue’s choice didn’t make things difficult for Yun Feng. If he didn’t die, your soul wouldn’t be complete and you wouldn’t be able to be reborn at all.”

Yun Qi pursed his lips and felt very complicated in his mind. Gong Tianqing wiped the tears on her face randomly. “I don’t mean anything else by saying this. I just want you to cherish yourself. It’s easy to live until you die, but it’s too difficult to go from death to life. Some people have a second chance, but some don’t have a second chance.”

Yun Qi frowned and nodded after a while. “Got it.”

Gong Tianqing smiled. “If you understand, I didn’t say so much in vain. There will be a way. The power of your bloodline will be activated one day. By then, you will have to help even if you don’t want to.”

Yun Qi chuckled and nodded. “Thank you for telling me so much. I... never knew about this.”

Gong Tianqing shook her head. “You don’t have to know that. It’s all in the past. It’s already so late. I should go back. You should go back and rest early. You still need time to adapt to the fusion of your soul and body. You must rest more.”

Gong Tianqing turned around and was about to leave, when Yun Qi suddenly reached out and grabbed Gong Tianqing’s arm. Gong Tianqing’s body trembled fiercely. Yun Qi only felt that his heart shrank and he couldn’t help but say, “Do you and You Yue... like each other?”

Gong Tianqing was silent for a moment. Then, there was a gentle smile in her eyes. “Yes, he’s my lover.”

Yun Qi wanted to say something, but he suddenly felt that there seemed to be a ball of fire burning endlessly deep in his throat, making him unable to say anything. He frowned hard and the inside of his body suddenly became irritable. That fire seemed to be burning into his blood, making his entire body boil from the inside out!

“Ugh!” Yun Qi grunted and couldn’t help but exert more strength in his hand. Gong Tianqing felt a bit of pain and noticed that something was wrong with him.

“Yun Qi, what’s wrong?” Gong Tianqing immediately turned around. Seeing that Yun Qi was frowning more and more tightly, she didn’t know what to do. “Just wait. I’ll call Yun Feng over!” Gong Tianqing turned around and was about to run over, but Yun Qi pulled her back abruptly. “Don’t go...”

“But you...” Gong Tianqing looked anxious. Yun Qi endured the burning and uncomfortable feeling inside his body and suddenly knelt on the ground with weak knees. A glint of light suddenly burst out of the depths of his black eyes!

Chapter 1833: Yun Qi's Disaster (1)

1833 Yun Qi's Disaster (1)

“Ugh!” A painful moan came out of Yun Qi’s mouth. He bent his body and knelt on the ground, frowning hard. Gong Tianqing didn’t know what to do when she saw him like this. Yun Qi grabbed Gong Tianqing’s arm with one big hand with a lot of strength. Gong Tianqing endured the pain and was extremely worried.

If she wasn’t allowed to find Yun Feng, what should she do? Should she watch him suffer like this? “Let go of me! I’ll go find Yun Feng. If anything happens to you, it’ll be easier to control the situation with her here!”

Gong Tianqing wanted to push Yun Qi’s hand away, but Yun Qi gritted his teeth and exerted strength in his hand again. This force almost crushed Gong Tianqing’s arm!

“You’re not allowed to find Feng!” Yun Qi roared as he put his finger on Gong Tianqing’s arm firmly. Gong Tianqing turned slightly pale and bit her lips tightly. She really couldn’t withstand Yun Qi’s strength. He was much weaker than her, but this power was astonishing!

“Let... Let go of me first... My arm is about to break...” Gong Tianqing said. Yun Qi suddenly let go of his hand. Gong Tianqing looked at her arm. A black mark was extremely clear, which showed how much strength he used just then.

“I’m sorry... I can’t... It’s very hard to control my strength... Hm!” Yun Qi’s body suddenly shook. He only felt that the fire in his body was burning even more fiercely. “Bang, bang!” His heart was beating violently, which made Yun Qi feel that his soul was being pushed away by the fire and was about to leave this body quickly!

“Ugh!” Pain, endless pain spread! Yun Qi’s body trembled violently and Gong Tianqing was about to cry from anxiety!

“Yun Qi, what can I do for you?” Gong Tianqing didn’t dare to touch him easily, fearing that he would feel even worse. Yun Qi knelt there and almost couldn’t hear Gong

Tianqing speak. His entire world was completely covered in fire. The scorching temperature in his body had already turned his brain into mush!

“Yun Qi!” Gong Tianqing was in a daze. She had already seen a burn mark slowly extending from one side of Yun Qi’s cheek at a visible speed. Was there fire burning in his body?

“Argh!” Yun Qi, who was kneeling on the ground, finally couldn’t stand the heat inside his body anymore. He suddenly raised his upper body and roared. An invisible energy shook off from his body fiercely and spread out instantly! After that, Yun Qi’s body went limp and he fell on the ground unconscious.

“Second Brother!” Yun Feng, who was talking to Yun Sheng, suddenly noticed this different powerful energy fluctuation and her face immediately darkened. Yun Sheng didn’t know, but seeing Yun Feng’s expression, he knew that something might have happened to Yun Qi.

Yun Feng immediately rushed to the place where the energy waves were emitted. Yun Sheng also followed behind anxiously in his mind. Yun Qi had only been back for less than a day!

Yun Feng quickly rushed to the place of the accident with a sullen face. The moment she saw Yun Qi fall on the ground, Yun Feng’s heart ached fiercely! No, Second Brother would be fine!

“Yun Feng!” Gong Tianqing was holding the unconscious Yun Qi. Seeing Yun Feng, she cried tears of joy! Yun Feng quickly walked to Yun Qi’s side. As soon as her hand touched Yun Qi’s body, an unusually scorching temperature suddenly came!

“Feng, how’s Yun Qi?” Yun Sheng was about to approach her too. Yun Feng immediately shouted, “Brother, don’t come here yet! There’s a high temperature in Second Brother’s body. I’m afraid...”

“It’s not the time to care about that!” Yun Sheng strode over. Gong Tianqing quickly moved aside and knelt on the side with worry in her black eyes. Yun Sheng immediately enveloped Yun Qi’s entire body with the water element, but all of it evaporated in an instant!

This scene shocked Yun Sheng and Yun Feng! Seeing that Yun Sheng’s water element was evaporated, Yun Feng immediately threw out her water element, but she didn’t expect the same result!

“We have to lower the temperature first!” Yun Sheng frowned and looked at the unconscious Yun Qi. What exactly was burning in his brother’s body that had such a scorching temperature?

Yun Feng frowned. Her mind was spinning. How could she lower it? Once the water element got close, it would evaporate and wouldn't have any effect of cooling at all! She wondered if the Life Potion would work... Yun Feng twisted her wrist and a bottle of Life Potion appeared. Yun Feng held Yun Qi's neck and gritted her teeth, about to let him drink it!

"Disciple, stop!" A voice stopped Yun Feng narrowly. Yun Feng looked up in surprise and a sage-like figure had already come to her side. "Master!"

"Senior Feng!" Yun Sheng couldn't help but feel relieved to see Feng Qingxuan. Feng Qingxuan looked at Yun Qi, who was lying on the ground, and frowned. "The energy fluctuation just then came from this kid. I was cultivating in seclusion, but I was interrupted by this power."

What? Yun Feng was shocked. That power affected her master!

"Xiao Fengfeng!" Another figure rushed over. It was Qu Lanyi. Yun Feng immediately understood that the energy fluctuation emitted by her Second Brother just then must have alarmed him.

Qu Lanyi wasn't surprised to see Feng Qingxuan here. The energy fluctuation just then surprised him. It was even more intense than the last time he experienced it! He found it hard to imagine that it was energy from Yun Qi's body!

Feng Qingxuan stepped forward to check Yun Qi's condition. At this moment, three people came again. They were the three elders of the Yun family!

"What's with the energy fluctuation just then?" After the three elders of the Yun family arrived, they were first puzzled, then saw Yun Qi on the ground. "This is Yun Feng's second brother, Yun Qi? What's wrong with this kid?" The three elders of the Yun family were all a bit worried. Yun Feng moved aside so that her master could check Yun Qi's condition better. She replied in a low voice, "It happened too suddenly. The energy just then was emitted from my second brother's body."

The three elders of the Yun family were shocked! They all thought that Yun Feng released that energy, but they didn't expect it to be inside Yun Qi's body, which looked very ordinary!

Qu Lanyi paid close attention to Yun Qi's condition with his black eyes and had been frowning. Yun Feng stood next to him. Seeing Qu Lanyi's expression, she couldn't help but ask in a low voice, "Lanyi, did you see something?"

Qu Lanyi's black eyes darkened and he said softly, "I'm not very sure, but Yun Qi's current situation isn't optimistic."

Yun Feng's heart tightened again. It wasn't optimistic... Second Brother had only been back to life for less than a day. Was God going to take it back? No! Don't even think about it!

Chapter 1834: Yun Qi's Disaster (2)

1834 Yun Qi's Disaster (2)

Yun Feng clenched her fists. The flesh on her palms had already turned red because of her fingers. She stared at the unconscious Yun Qi with her black eyes. Yun Feng was anxious, but there was nothing she could do. After a quick check, Feng Qingxuan said in a low voice, "This kid is in a bad situation."

"Master, what exactly happened to Second Brother?" Yun Feng said anxiously. The members of the Yun family all looked anxious. Feng Qingxuan frowned and glanced at Qu Lanyi. "Kid, come here! Use your light elements to stabilize his soul first."

Qu Lanyi couldn't help but feel stunned! Stabilize his soul? Perhaps Yun Qi's soul and body rejected each other?

Without another word, Qu Lanyi stepped forward. Light elements came out of his palm and slowly entered Yun Qi's body. When the light elements penetrated Yun Qi's body, Qu Lanyi's face darkened and he more or less understood what Feng Qingxuan meant.

"Senior Feng, what exactly is this kid..." said the three elders of the Yun family in a low voice. Feng Qingxuan's frown didn't ease at all. "Disciple, this kid's soul is extraordinary. This body can't withstand his powerful strength. Even though the soul can merge with the body, the body won't be able to withstand the slightest awakening. The soul power will continue to spread from the inside and the body will be destroyed in the end."

Feng Qingxuan briefly explained the current situation. In short, once the soul showed signs of awakening, the body wouldn't be able to withstand it and the two of them wouldn't be able to fuse perfectly.

"Master, do you mean I have to find a new body for Second Brother?" said Yun Feng, but Feng Qingxuan shook his head. "It's too late. It's so painful to strip his soul. I don't think you'll let this kid suffer again. Besides, we can't do that at all in the current situation. Even if we can, we probably won't be able to get a body that matches this soul for now. Only my body is an option."

Everybody immediately looked gloomy. What level was Feng Qingxuan at? A body that could perfectly accommodate Yun Qi's soul had to be at such a high level. Even Yun Feng probably couldn't get it.

“Senior Feng, is there any other way?” The three elders of the Yun family quickly asked. “Is there a way to forcibly mold this body so that it can adapt to this child’s soul?”

Feng Qingxuan’s eyebrows moved. “There is a way, but I don’t think you’ll be able to get what I want in a short time.”

“Master, just tell me. No matter what, I’ll find it in the shortest time possible!”

Feng Qingxuan heaved a sigh. “It’s even more difficult to reconstruct a body, especially a body that doesn’t match the soul.” Feng Qingxuan heaved another sigh. “There are three things I need: the Earth Element Essence, the head of the devil, and the Anhua Grass Spirit.”

Seeing how confused the members of the Yun family were, Feng Qingxuan couldn’t help but sigh again. “If I hadn’t heard about these three things in my early years, I wouldn’t have known about them, let alone you. It’s very difficult to get any of them. Disciple, don’t blame me for being straightforward. Rather than wasting my time looking for these three things, it’s better to let this kid die again.”

Yun Feng’s heart twitched fiercely! Die again... Was she going to let her Second Brother die again? How could she do such a thing?

“Senior Feng, we’ll definitely find the materials!” Yun Sheng suddenly roared with bloodshot eyes. “He finally came back... It wasn’t easy for him...!”

Feng Qingxuan frowned and didn’t say anything else. Qu Lanyi had been silent. The light elements slowly entered Yun Qi’s body. The three elders of the Yun family also looked gloomy. The First Elder heaved a sigh. “Even if it’s difficult to find, we can’t give up just like that... Send out an edict immediately. There will be clues.”

“Most people don’t know what these three things look like. Only old antiques like me know. How many people are like me in the world?” Feng Qingxuan couldn’t help but sound gloomy. The three elders of the Yun family frowned and didn’t say anything else.

“I’ll find them. I’ll definitely find them!” Yun Feng clenched her fists again and felt a sharp pain in her palm. Seeing Yun Feng’s stubbornness, Feng Qingxuan couldn’t help but shake his head slightly. He waved his hand and Yun Qi’s body was already floating in the air. “Since you’ve made up your mind, I won’t say anything else. Let’s settle this kid down first before we talk in detail.”

Yun Feng nodded. Yun Qi was put in Yun Feng’s room. The three elders of the Yun family, Qu Lanyi and Gong Tianqing were all here. Yun Feng and Yun Sheng didn’t want to tell Yun Jing at first, but Yun Jing still knew. Everyone sat down in Yun Feng’s yard with a rather gloomy look.

Feng Qingxuan sat in the middle and said in a low voice, "The most important thing right now is to figure out what's causing this kid's soul to awaken. Otherwise, even if his body is strengthened, there will more or less be an accident if his soul erupts again without him knowing."

"It's all my fault!" Gong Tianqing roared with red eyes. "It's all my fault! Why did I mention You Yue?"

"You Yue?" Feng Qingxuan frowned. Yun Feng explained, and Feng Qingxuan understood. "So, it's because of his emotions."

Qu Lanyi frowned. So, Yun Qi's trigger condition should be the same as his. When his emotions changed drastically, he would stimulate his power uncontrollably. He used to be like this, but he could more or less control it now.

"Emotions..." Yun Feng frowned. "Tianqing, you don't have to blame yourself. If you hadn't stimulated Second Brother's emotional change today, it would be terrible if such a situation happened unexpectedly."

"Senior Feng, do you have any idea about the three things you mentioned?" asked the three elders of the Yun family. Feng Qingxuan replied in a low voice, "Of course, or I wouldn't have told you this method."

Everyone heaved a sigh of relief. Yun Feng really felt that her master was very powerful, as if there was nothing in the world that he didn't know! She had never even heard of these three things. Her master's knowledge and experience were far beyond hers!

"I was lucky enough to see the Earth Element Essence, but it soon disappeared in front of everyone's eyes. Its whereabouts are unknown, including the essence of the other elements." Feng Qingxuan said in a low voice, but a glint of light flashed through Yun Feng's mind!

She flipped her wrist and something she almost forgot appeared. "Master, is this the Earth Element Essence?"

- Chapter 1835: Yun Qi's Disaster (3)

Chapter 1835: Yun Qi's Disaster (3)

1835 Yun Qi's Disaster (3)

Feng Qingxuan was stunned to see the item in Yun Feng's hand. "Why do you have this? It's indeed the Earth Element Essence, but it's just a fragment. Still, it should be

enough. I need the Earth Element Essence to stabilize the soul in his body when I forcibly reconstruct it. I don't need a lot of Earth Element Essence."

Everyone present was greatly relieved. Yun Feng had a fragment of the Earth Element Essence. This was something that nobody, including Feng Qingxuan, could find! This fragment was found in the Shentu family's Treasure Mirror. This thing was on the highest level of the Treasure Mirror, which showed how important it was. It was very likely obtained by Buyuan behind the Shentu family.

When her contracted Magic Beast swallowed this fragment back then, its appearance had changed. The earth element fragment wasn't used because Yun Feng didn't contract with Sister Hua back then. After she contracted Sister Hua, this thing gradually became forgotten. Besides, Sister Hua might not need this much with her species.

Yun Feng was also relieved for herself. It was already not bad to be able to keep this thing until now. She didn't expect it to be able to help her Second Brother. That was truly great!

"Disciple, you have this thing, which means that the most difficult part has been resolved." Feng Qingxuan was also relieved. "I thought it was the hardest to find something that I don't know, so I thought it was impossible. However, it seems that it's just a matter of time."

Yun Feng gave the Earth Element Essence fragment to Feng Qingxuan. Hearing what her master said, she was much more relieved. It seemed that her master knew the rough whereabouts of the other two things. It was just a matter of time.

Feng Qingxuan put away the Earth Element Essence fragment and continued, "The Head of Moxi. Moxi is a three-headed python. It's said that it has the blood of an ancient dragon on its body. Each head represents one soul. This Magic Beast has three souls and three extraordinary abilities. As for the Anhua Grass Spirit, it's a companion of this python. It grows in a place where Moxi lives and absorbs a lot of its essence. It has a unique effect on the soul."

Since Moxi had three souls, its soul power was very powerful. "As long as we find one of them, the others will definitely appear."

Yun Feng heaved a sigh of relief again. This didn't seem to be too difficult. The two of them wouldn't be separated. She could take them down together if she found them.

"Kid, let us do this," said the three elders of the Yun family. Yun Feng, on the other hand, shook her head. She knew that the three elders meant well, but she must do her Second Brother's business herself! Besides, the Yun family had a lot of things to do. They had to prepare and participate in the establishment of the East-West Alliance and the alliance of the four families! In comparison, it was better for her to do Yun Qi's business herself.

“Thank you for your concern for Feng, elders, but I... want to do Second Brother’s business myself.”

Feng Qingxuan said, “It’s safer for her to do it. The Magic Beast is a powerful Magic Beast. She’s the only one in the Yun family who can resist it. Elders, you should take care of the other things of the Yun family. After all, this kid is in a critical condition.”

“Ah, that’s all we can do. We can only do some small work.” The three elders of the Yun family all sighed helplessly. Qu Lanyi certainly had to go with Yun Feng, but Feng Qingxuan rejected him. “Stay here obediently. Only your light elements can stabilize his soul.”

Even though Qu Lanyi was unwilling, he could only stay. Gong Tianqing originally wanted to go with Yun Feng. It would be good if she could do something for Yun Qi. Besides, she couldn’t shirk the responsibility for Yun Qi’s situation. She should make up for it.

However, Feng Qingxuan still rejected her without hesitation. “You’ll only hold my disciple back with your strength. Stay. If anything happens to this kid’s soul, your Dead Fire will be useful.”

After Feng Qingxuan said that, Qu Lanyi and Gong Tianqing both stayed in the Yun family. Although Yun Jing and Yun Sheng wanted to follow them, they were both stopped by Feng Qingxuan. In the end, Yun Feng was ready to go alone.

“Disciple, remember, I can only protect this kid for three months at most. Beyond the deadline, even if you bring back what I need, I won’t be able to do anything.” What Feng Qingxuan said echoed in Yun Feng’s mind. Three months... Time was tight. Yun Feng didn’t intend to waste a second. She immediately left the Yun family and prepared to go.

As soon as she rushed out of the door of the Yun family, a figure was already standing there and waiting for Yun Feng. Yun Feng was surprised. “Qingchen?”

Yun Qingchen was waiting there with a faint smile. Seeing Yun Feng come out, he said, “Aunt, can you take me with you this time?”

Yun Feng was stunned. Qingchen was quite strong. He was at Grade 9 of the King Level. If he worked hard for a while, this kid might directly enter the Emperor Level! However, she wasn’t going out for training this time. “Not this time, Qingchen.”

Yun Qingchen suddenly looked serious. “I know that my aunt is doing this for Second Uncle. I want to do something for Second Uncle too. Even though I’m a junior and I’ve only met him briefly, he’s still my Second Uncle after all. Just like my aunt, he’s my family, isn’t he?”

Yun Feng didn't know what to say. This child's emotions were the same as hers. His longing for family and love for his family were the same! How could she reject such a Qingchen?

"I won't cause trouble for you! I have the ability to protect myself. I definitely won't make things difficult for you!" Yun Qingchen stepped forward. "Aunt, take me with you."

Yun Feng smiled lightly and reached out to touch Yun Qingchen's soft hair. This kid... "You must know that this trip is extremely dangerous. In case of emergency, I might not have the energy to protect you."

Yun Qingchen chuckled. "Qingchen understands."

"You know it's dangerous, but you still want to follow me?"

Yun Qingchen's black eyes glittered. "What about you? You know it's dangerous, but you're still going, right?"

Yun Feng chuckled and patted Yun Qingchen's shoulder in fear. This kid... had really grown up. "If that's the case, I won't say anything else. Let's go." It wasn't that Yun Feng didn't consider it. Even if she didn't let this kid follow her, he would probably follow her secretly. There were certainly stubborn parts of Yun Qingchen's personality. If he waited here, it meant that he had already made up his mind to follow her. Rather than letting him follow her secretly, it was better to let him follow her openly. Even if there was danger, Yun Feng wouldn't let this danger fall on her nephew. There had more or less been training along the way. Yun Feng was also happy that Yun Qingchen could get something.

Chapter 1836: Yun Qi's Disaster (4)

1836 Yun Qi's Disaster (4)

Yun Qingchen was certainly very happy to see Yun Feng agree. Yun Qingchen couldn't keep up with Yun Feng's speed. In order to make it easier for them to travel, Lan Yi appeared and the two of them sat down on the back of the huge Griffin. Yun Qingchen asked Yun Qi about his situation in detail. Yun Feng briefly explained, not wanting her nephew to worry too much. Even though Yun Feng didn't say much, Yun Qingchen could conclude from her words that his second uncle wasn't in a good condition.

The huge Griffin flew across the sky and went straight to the place Feng Qingxuan told him. Yun Qingchen looked at the faint white clouds around and said, "I can't believe a Magic Beast like Moxi appeared in such a place in the Outland."

“Indeed. Logically speaking, it’s more reasonable for it to appear in the Inner Area. However, Master said that he learned about it in his era. We’re going this time purely to try our luck. It’ll be great if Moxi is still there. If it’s not, we’ll have to start searching again.” Yun Feng’s black eyes darkened slightly. This was also what she was worried about. She didn’t know the personality of a Magic Beast like Moxi at all. Once it left the place her Master told her about, she had no idea at all where to find it.

“Then let’s get there as soon as possible,” said Yun Qingchen. Yun Feng nodded. The Griffin flapped its huge wings abruptly and moved much faster.

“Qingchen, have you been to the Outland?” asked Yun Feng. Yun Qingchen chuckled. “No. When I went to the Central Continent, I didn’t stop in the Outland at all. I went straight to the Central Region. What about you, Aunt?”

Yun Feng smiled helplessly. “I didn’t stay in the Outland for long. I should be unfamiliar with this area of the Outland.” She came to the Central Continent back then because Ling Xiaoyun’s father, Ling Tiansu, forcibly opened a spatial channel. The residents living in this area of the Outland should be a group of abandoned people, or there wouldn’t be an arena. The geographical environment of the Outland was very bad. It was a bit difficult for humans to survive here for a long time.

Besides, the strength of the residents in the Outland was very ordinary. There were very few of them at the Lord Level. Back then, Yun Feng directly crossed this place and entered the Central Region. Even though the humans who had always lived in the Outland were weak right now, Magic Beasts might not be the same. A harsh environment for humans might be a place for Magic Beasts to live.

“There’s a difference between humans and Magic Beasts after all.” Yun Feng mumbled. “Humans’ vision is limited after all. As humans, they certainly think from a human perspective. The Outland is the same.”

Yun Qingchen pondered what Yun Feng said. “Qingchen, as summoners, we’re the closest to Magic Beasts among humans. Even so, we’re still humans at all. There are still too many things we don’t understand and can’t reach in the world of Magic Beasts.”

“Aunt, is there a part that you can’t touch?” Yun Qingchen was puzzled. The corners of Yun Feng’s mouth curled up slightly. “After all, I’m also a human being. No matter how friendly I am with Magic Beasts, it doesn’t mean that the relationship between humans and Magic Beasts is the same.”

Yun Qingchen frowned. “Indeed. There’s an insurmountable gap between humans and Magic Beasts. Humans are hated by Magic Beasts. As a summoner, I can understand such emotions better.”

“I’ve been wondering why there are summoners among humans and similar tamers. These professions are all for Magic Beasts. Magic Beasts and humans are guarding

their own territories right now and don't allow each other to step in easily. What's the root of it?"

"This question... is too deep." Yun Qingchen smiled helplessly. "Aunt, I don't really understand."

Yun Feng shook her head. "It's fine. You don't need to understand such things. The world is like this. The rules have already been formed and can't be changed."

"Master, the space is distorted ahead!" Lan Yi's voice came. Yun Feng raised her black eyes slightly and saw the power of distortion in the space ahead. With Yun Feng's current strength, it wouldn't be difficult for her to open a spatial channel!

Yun Feng stood up and clenched her fists in the air fiercely. She saw that the power of space distortion in front of her was pulled by an invisible force. Yun Feng extended her arms and exerted strength with her hands!

"Crack!" The power of distortion was forcibly pulled away!

"Qingchen, sit tight," whispered Yun Feng. After the surprise, Yun Qingchen nodded fiercely and was shocked in his mind! Lan Yi rushed in and a huge power of space squeezed from all directions, but it was blocked by Yun Feng's power of space!

Crossing from the Inner Area directly to the Outland, skipping the entire Central Region! This wasn't something ordinary people could do!

Chapter 1837: Help (1)

1837 Help (1)

It was possible to open a new space channel by force at the God Level, but it was impossible to cross an entire area. Even Yun Feng, who was at the God King Level, couldn't do that. Controlling the power of space was already a bit mysterious. Why did humans have the ability to control space? This was also a long-lasting mystery. Yun Feng forcibly traveled from the Central Region to the Inner Area this time. Such a move would also shock the God King.

Such a spatial channel was very dangerous. For Yun Feng herself, she wasn't good enough to master the power of space, but Yun Feng didn't want to delay Yun Qi's matter this time. How much time did she have to waste on the journey? Yun Feng knew that it would definitely be dangerous to directly cross it, but this was the fastest way!

In the spatial channel that was forcibly torn open, the power of distortion was everywhere. The power of distortion was like crazily dancing lightning. It could be seen

with the naked eye that the Griffin's huge body passed through the power of space that was crazily dancing like a snake steadily without panicking at all. The Griffin exerted strength on its wings and its body suddenly descended, circling, suddenly rising and falling, and all kinds of unbelievable routes. Yun Qingchen, who was sitting on Lan Yi's back, felt them. His face was slightly pale. Perhaps it was the first time he had such an exciting flying experience. After the initial discomfort, he looked normal right now.

His aunt was indeed not an ordinary person... Yun Qingchen looked at Yun Feng, who had been standing there steadily without any change in her expression, with admiration in his eyes. If it were him, he would definitely not be at ease in such a chaotic space. How would he be like his aunt, who controlled the power of space steadily with a calm expression? Not to mention anything else, the trajectory of the wind-element Magic Beast was already enough for him.

"Qingchen, we're almost there. Perhaps we'll be a bit surprised when we land. Sit tight!" Yun Feng roared without looking back. Yun Qingchen immediately nodded and got ready. He saw that the power of distortion in front of him was suddenly dispersed by Yun Feng's power of space. Yun Feng exerted strength in her arm from the void! A huge spatial crack appeared in front of her eyes!

The Griffin's huge wings moved fiercely and the green light quickly enveloped Lan Yi's entire body, turning into a green shooting star that rushed towards the spatial crack!

The chaotic power of space surged from all directions, like thousands of hands pouncing on him and restraining his entire body fiercely! Yun Qingchen gritted his teeth and his mental strength lingered around his body, trying to resist the feeling that made him extremely uncomfortable. However, more and more pressure came and more giant hands pounced on his face!

"Ugh!" Yun Qingchen grunted. He only felt that his entire body was being squeezed by a hundred hands. He couldn't breathe at all! He fainted without struggling for a moment!

Yun Qingchen didn't know how long he had been unconscious. He only knew that Yun Feng's body came gently in the darkness. "Qingchen, wake up!"

Yun Feng looked at Yun Qingchen, who was unconscious on the ground. When she passed through the spatial crack just then, the power of space directly made this kid faint. It was hard on him. After Yun Feng passed through the spatial crack, she immediately asked Lan Yi to land on the ground and she checked Yun Qingchen's condition. Luckily, he only fainted and was fine.

Compared to her body, even though Little Qingchen was nourished, he was still much weaker. It was normal that he couldn't withstand such a fierce power of space. It was good that he was fine.

“Qingchen, wake up.” Yun Feng patted Yun Qingchen’s cheek gently and found that his eyelashes trembled. She knew that he would wake up soon. After a while, Yun Qingchen opened his eyes slightly and moved his body. “Aunt...”

Yun Feng helped Yun Qingchen sit up and gave him some water. Yun Qingchen opened his black eyes. Even though his face was a bit pale, everything was normal. “What’s wrong with me, Aunt?”

Yun Feng smiled lightly. “The power of space just then directly knocked you out. Luckily, you’re fine.”

A hint of embarrassment suddenly flashed through Yun Qingchen’s face. Seeing that, Yun Feng touched Yun Qingchen’s head with her hand. “I also felt unusually uncomfortable at that time. It’s normal that you couldn’t hold on.”

Yun Qingchen scratched his head in embarrassment. “I’ve caused trouble for you, Aunt...”

“What are you talking about? There’s no trouble at all. Are you still uncomfortable?”

Yun Qingchen shook his head and glanced around with his black eyes. “This is the Outland?”

Yun Feng nodded and looked around. “I don’t know where we are exactly. It seems that we have to see if there are humans living around and find out where we are so that we can find out the direction.”

Yun Qingchen replied and stood up from the ground with force in his hand. Yun Feng raised her brows and glanced at him. The two of them were in a forest. It was very dry behind. It was called a forest, but the grass and trees had already turned yellow. There weren’t many trees and they looked quite sparse.

“The environment here is quite bad.” Yun Qingchen squeezed a few leaves and ground them with his finger. The leaves all turned into pieces and fell on the ground. “There should be a serious lack of water here, or the leaves wouldn’t be dry like this.”

Yun Feng walked out with Yun Qingchen. “The environment in the Outland has always been like this. It’s not suitable for humans to live in. Naturally, the environment is also very difficult. Most areas don’t even have green.”

Yun Qingchen frowned slightly. What should humans living in such a place be like? Their mentality and personality would definitely be different from those in other places. There might even be an even more extreme difference. “Now that spatial Teleportation Arrays have been established in all areas, the people here don’t have to stay here and suffer anymore. They can completely enter the Central Region or go to other continents.”

Yun Feng smiled helplessly. "It costs a lot to activate the Spatial Teleportation Array. Normal people can't afford it at all. For the people here, it doesn't matter if there's a Spatial Teleportation Array or not."

Yun Qingchen was silent for a moment. In the end, he replied, "Aunt is right... There are too many people in this world who can only struggle and live."

Yun Feng turned around and looked at Yun Qingchen with her black eyes. "Even so, they can choose their fate."

Yun Qingchen nodded. "I understand, Aunt."

Yun Feng chuckled. She tapped her toes and suddenly rose into the sky. Yun Qingchen also jumped into the sky. Soon, a small village came into their sight. Yun Feng chuckled. "We're quite lucky. This village is very close. We're close..."

Chapter 1838: Help (2)

1838 Help (2)

Yun Feng suddenly fell silent. Yun Qingchen's face darkened and there was vigilance in their eyes. A few subtle footsteps came in their direction. Yun Feng reached out and pulled Yun Qingchen to her side. She waved her hand and the space fluctuated slightly. The space was sealed!

There was the sound of rapid footsteps and a few figures appeared from the withered grass.

"Are you sure this is the place?"

"There's no one here!"

"Look around carefully! We felt the spatial fluctuation just then even without the pearl. It's impossible for there to be a mistake!"

"Indeed. Even ordinary people would have sensed such a huge commotion just then! Someone must have forcibly torn space and come here!"

"Look for it quickly!"

There were a dozen people who appeared. They searched around anxiously. Yun Feng and Yun Qingchen, who were in the space blockade, were standing above the heads of this group of people. Yun Qingchen looked at the group of people below and said in a low voice, "Aunt, they're looking for you."

Yun Feng frowned slightly. These people were only at the Lord Level and weren't a threat to her at all. Why were they so anxious to find her?

"No matter what the reason is, it has nothing to do with us," said Yun Feng. She didn't want anything to waste her time right now. Nobody could compare to what happened to Yun Qi.

Yun Qingchen nodded. The two of them then planned to leave and ignore these people. However, at this moment, among the dozen people who came to find her, a stout man suddenly knelt on the ground. With a plop, his knee hit the ground fiercely.

"Master! I don't know if you're still here! I, Old Li, will kneel down for you here! Please, save our village!"

"Village Chief!" The others all went forward to help the village chief up when they saw this scene, but this man knelt on the ground firmly and refused to get up.

"I, Old Li, am willing to work for you. I can even give you my life! I only beg you to save us, save these people in our village!"

"Village leader, get up quickly!" The others all wanted to pull him up desperately, but the village leader was stubborn. He pushed the others away and knocked his head on the ground fiercely again and again! "Master, I beg you! Please!"

"Village Chief, what are you doing? Get up quickly!" The eyes of the others were slightly red. "That powerhouse has already left. Village Chief, get up quickly!"

The village leader gritted his teeth and knocked his head on the ground heavily again. Yun Feng couldn't help but frown when she saw this scene. Yun Qingchen wanted to say something, but he looked at Yun Feng and didn't say anything.

"What powerhouse? Powerhouses don't come to such a place at all! Village Chief, get up!"

"That's right! Rather than relying on such unreliable powerhouses, we should rely on ourselves!"

"Shut up, all of you!" The village leader roared. There were already traces of blood on his forehead. "On ourselves? It's like hitting a stone with an egg! How strong are you? Argh!" With a furious roar, nobody said anything else. The village leader didn't say anything and continued to knock his head on the ground heavily.

The others stood there stubbornly, but they soon knelt on the ground and knocked their heads on the ground with the village leader!

“What are you doing?” The village leader was immediately shocked when he saw this. He knelt on the ground, but the person on the other side said stubbornly, “If we want to kneel and kowtow, the village leader certainly can’t be the only one! If we all kowtow here and that powerhouse still doesn’t appear, the village leader doesn’t have to look forward to it anymore!”

The village leader didn’t know what to say. The others continued to kowtow stubbornly. Their heads were already bleeding.

“Aunt...” Yun Qingchen whispered. He couldn’t stand it anymore. Yun Feng frowned. Helping them wouldn’t take up too much of her time... It was good that she didn’t see it. Since she saw it, it wouldn’t make sense for her to sit back and do nothing. Besides, Qingchen was here. She couldn’t instill such a cold attitude in him. People had to be kind after all. There had to be a good side after all.

She squeezed her hand fiercely and the space blockade was completely removed. The two of them appeared in front of everyone. The dozen people, who were kowtowing hard, were immediately stunned. They raised their heads and looked at Yun Feng and Yun Qingchen, who were standing in the sky, in a daze.

“Master... It’s really Master!” There was blood on the village leader’s forehead and the expression on his face was extremely excited!

Yun Feng frowned slightly and landed on the ground from the sky. The village leader was so excited that he lay on his knees. Yun Feng said, “Stand up and talk.”

“Yes, yes!” The village leader nodded repeatedly. He struggled to stand up from the ground, but staggered and fell back. The people around immediately helped him up. They all stood up from the ground and looked at Yun Feng curiously. They were so suppressed by her aura that they couldn’t say anything.

The village leader was helped up. Yun Feng looked at the wound on his forehead and swung her hand. A stream of water element directly covered the wound. In a few seconds, the wound completely healed. The village leader was immediately delighted when he saw this. As expected of a powerhouse. As expected!

“Madam Powerhouse, please, save our village!” The village leader said as he looked at Yun Feng with anxiety and desire in his eyes. Yun Feng took a deep breath. “Explain yourself slowly. I don’t understand what you’re talking about at all.”

“Yes, yes!” The village leader nodded fiercely. It wasn’t easy for him to explain the cause and effect of the matter. This village was an inconspicuous small village in the Outland. However, a special plant suddenly appeared here recently. This plant contained a special energy. This energy wasn’t simple. It could increase the strength of cultivators. Immediately, many eyes in the Outland stared here. This place became the target of everyone.

Countless greedy eyes looked over. Countless greedy hands planned to reach here, but the upper echelons of the villages in the Outland directly issued a death order, asking them to hand over all such plants, or the entire village would be slaughtered!

“God, we don’t even know where this thing is!” After saying that, the village leader’s eyes were full of sorrow. “Even though this thing is near the village, we can’t dig it out. The higher-ups pressed this order on us. Aren’t they asking us to die?”

Chapter 1839: Help (3)

1839 Help (3)

Yun Feng understood the matter after hearing this. If they couldn’t hand it over, everyone in the village would die. The higher-ups really didn’t care about the lives of these people.

“All the young people in the village were sent out to search, but they were either dead or injured!” When the village leader said this, his eyes turned red again. The others also lowered their faces and more or less didn’t feel good in their minds.

“Why didn’t they come and find it themselves?” Yun Qingchen couldn’t help but feel angry. Was there such a shameless leader?

“How can the higher-ups do it themselves? They’re forcing the lower-downs!” The village leader looked like he was in pain. Yun Feng frowned. “How can such a leader exist? The passages in all the areas have already been opened right now. Nothing seems to have changed in the Outland?”

“Master, you don’t know that the opening of the spatial channel has nothing to do with this place at all! Even if it does, it’s only at the arena. The other places in the Outland haven’t changed at all. Who would come to a place like the Outland often? Even those merchants who are greedy for benefits don’t want to stay in the Outland for long!”

“Gradually, it became an uncontrolled area.” Yun Qingchen mumbled. Yun Feng also understood a bit in her mind. If it weren’t for her goal, she wouldn’t have stayed in this area for so long, let alone the other powerhouses. No powerhouses visited and there weren’t any large forces paying attention. The Outland was like an uncontrolled area. Some small forces rose one after another and became an overlord here.

“There weren’t any so-called leaders in the Outland originally, but ever since the spatial channel was opened, some small forces suddenly appeared. Even though they’re not strong, they’re not weak either. People like us who live here must listen to them, or we won’t be able to live!”

“They’re simply evil! They naturally treat this place as their territory. They’re truly shameless!”

“That’s right! Due to the remote location, if it weren’t for this inexplicable plant, our village wouldn’t have been harmed by these people at all.”

“So, the residents elsewhere in the Outland are all tortured by them?” Yun Feng frowned. The village leader sighed and nodded solemnly. “That’s true, but there’s nothing we can do. All the powerful people in the Outland want to go to the Central Region or somewhere else. They don’t want to stay here at all. These people aren’t restricted at all, so they’re getting more and more arrogant. It seems that it’s a blessing to be in such a remote place right now.”

Yun Feng and Yun Qingchen’s faces both darkened. The situation in the Outland was so chaotic? This was simply worlds apart from the administration of the Central Region, the Inner Area and even other continents! Here, nobody would probably care about anything they did. Those small forces were like the sky here!

“It’s fine as long as we find that plant?” Yun Feng raised her brows. The village leader was stunned. His lips trembled slightly and he knelt on the ground again. “Madam powerhouse! Please kick these bullies out! It’ll be peaceful in the Outland!”

Yun Qingchen was stunned. Chase them all out? This request was too... too unreasonable!

Yun Feng frowned. “The Outland is so vast. There are a lot of small forces scattered here. I’m afraid there are already more than a hundred of them! I don’t have time to kick them out one by one.”

“Master, you’ve misunderstood. Even though there are a lot of small forces scattered, these small forces are all under one force! It can be said that the entire Outland is ruled by one force. As long as you eliminate this force, the other small forces will certainly collapse.”

Yun Feng raised her brows and didn’t say anything. She thought it was a small matter at first, but she didn’t expect that she would have to eliminate a force.

“Master, I know I’m thick-skinned and selfish to ask for this! However, there’s nothing I can do. If you don’t eliminate them, even if you help us this time, there’ll be a next time! We’ll still die!”

Yun Feng pursed her lips. This was quite different from what she expected back then. If they really attacked, it would probably take a lot of her time.

“Master, I’ll do anything for you! Please, no powerhouses have visited the Outland at all. I can’t wait for you to come. Please!” The village leader kowtowed fiercely again. The

others also kowtowed with him. Seeing this lineup, Yun Qingchen immediately said, "Don't kowtow. My aunt has something to do. Time is tight... We thought we only needed to help you with a small matter, but we have something important to do. We can't waste time."

"Master, it won't take up too much of your time! Please, please!" The village leader's eyes were red. It wasn't easy for him to find such a powerhouse. If she wasn't willing to help, what should he do?

"If you don't do anything, the people of the Outland will all die!" The village leader shouted. Yun Feng's face darkened. Yun Qingchen sighed. "I say, you're... Ah!"

"That's enough. Get up," said Yun Feng. She wasn't a cold-blooded and heartless machine, nor was she a heartless person who would leave someone in the lurch.

"Master, you've agreed!" The village leader was overjoyed with a look of surprise. Yun Feng frowned. "I've agreed on a condition. In three days, you must take out the location of the force in the lead, the powerful branches and the core members among them."

"Sure! Sure!" The village leader quickly nodded. Yun Feng's black eyes darkened slightly. "If you can't get the things I asked for in three days, I won't help."

"Yes, yes, yes!" The village leader replied quickly with surprise in his black eyes!

Yun Feng pondered. She could still wait for three days. Once she got the things she wanted, she would destroy this force in one day! It had only been less than five days. Three months was a long time away. Perhaps she could get something useful from the core members of this force.

"If you've agreed, go do it quickly." Yun Feng glanced at the village leader, who was still kneeling on the ground, with her black eyes and said with a slightly cold tone. The village leader quickly stood up after hearing that. He was about to turn around and rush back to the village, when he turned around worriedly. "Madam powerhouse, you..."

"My aunt agreed. She definitely won't go back on her words," said Yun Qingchen firmly. The village leader smiled in embarrassment. "Yes, yes. I'll go back right now, right now!"

The village leader and a dozen people ran out in a hurry. Yun Qingchen looked at the backs of these people and couldn't help but shake his head helplessly. "Aunt, these people are truly pitiful."

Yun Feng, however, pursed her lips and said earnestly, "There are too many pitiful people in this world. We can't help them all."

"If that's the case, why did you agree?"

Yun Feng chuckled and looked at Yun Qingchen's still young face with her black eyes. "Even though we can't help all the poor people in this world, if we meet them and you're still unwilling to help, it's all up to your heart."

"Heart?" Yun Qingchen mumbled. Yun Feng took a deep breath. "Every life is the same. Why is their fate so different? Some are happy, some are down, some are rich, and some are poor?"

Yun Qingchen frowned and tried his best to understand the deeper meaning in Yun Feng's words. "You've been given a different fate. The responsibilities and roles you've been given are also different. Happiness is so that you have a good mind and can experience the pain of others. Tell these painful people that happiness is so wonderful. Getting you down isn't giving you the right to fall, but letting you learn to be strong. Wealth isn't for you to indulge in the fun, but to learn to love. And poverty isn't for you to feel pain, but for you to learn how to establish your own fate."

"Aunt..." Yun Qingchen frowned. It was obvious that he didn't quite understand what Yun Feng meant. Yun Feng chuckled softly. "Qingchen, you must remember one thing. Just because you're born with something doesn't mean you're destined for something. Just like me and you. Even though we're members of the Yun family and have the bloodline of summoners in us, we're not superior existences. You and I were once ordinary people. We both had times when we needed help."

"Is that why you're willing to help these ordinary people?"

Yun Feng chuckled again. "In this world, help is often not simple. It is often for a certain purpose. I'm no exception."

Yun Qingchen shook his head. "Although my aunt has a purpose, that's definitely not her intention."

Yun Feng smiled. "Alright, let's not talk about that. Do you have any thoughts about the herbs these people mentioned just then?"

Yun Qingchen burst into laughter. "It seems that my aunt and I are thinking the same thing! Those herbs can increase the strength of cultivators. Compared to this herb, it's not simple. Even though what you're looking for this time is not this herb, we have to explore the Outland."

Yun Feng looked at Yun Qingchen in admiration. This kid was indeed meticulous and thoughtful. "That's right. Master once said that the Anhua Grass Spirit has a lot of strange uses when it absorbs Moxi's energy. Increasing strength is also one of them."

"So, the herb they're talking about might be the Anhua Grass Spirit we're looking for!"

“That’s just my guess. Moxi must be next to the Anhua Grass Spirit. The Magic Beast is so powerful that ordinary people will die before they can get close. We have to confirm if this herb is the Anhua Grass Spirit.” Feng Qingxuan had told Yun Feng how the Anhua Grass Spirit looked like in detail. Yun Feng had a rough idea in her mind.

“Three days. Aunt, are you going to investigate?”

Yun Feng nodded. “We indeed have to investigate. If it’s really the Anhua Grass Spirit, there’s a high chance that we’ll encounter Moxi.”

Yun Qingchen frowned. “If we encounter Moxi, are you planning to attack just like that?”

Yun Feng shook her head. “Before we do anything, we must deal with some unclean things to ensure our safety.”

“Aunt, do you mean the leader of the forces in the Outland?” Yun Qingchen frowned. Logically speaking, those people shouldn’t have affected his aunt’s movements.

Yun Feng curled her lips. “Even though they don’t come to find that herb in person, it doesn’t mean that they don’t care. Whether or not this village hands it over, that group of forces will send someone here to attack. If these people interfere, even though they’re just little insects, we shouldn’t let these little insects ruin things.”

“Got it. We can’t be negligent at all. If we don’t succeed in getting the Head of Magic Breath and the Anhua Grass Spirit, we’ll suffer a huge loss.”

Yun Feng patted Yun Qingchen’s shoulder. “That’s right. Don’t lose the big picture because of a small matter. It’s worth it to waste some time.”

Yun Feng and Yun Qingchen immediately walked towards the village. Yun Feng planned to find out if that grass was the Anhua Grass Spirit herself. If it was really the Anhua Grass Spirit, her trip this time would be worth it.

Chapter 1840: The Battle of Demon Breath (1)

1840 The Battle of Demon Breath (1)

In three days, the village leader was responsible for collecting all the information Yun Feng needed, while Yun Feng and Yun Qingchen used these three days to enter the place where the so-called magical herbs were excavated. On a high slope in the wilderness not far away from the small mountain village, there were even withered trees that looked very desolate. Occasionally, a few brown-skinned lizards passed through. Apart from the withered trees and weeds, there wasn’t even a trace of buds on the vast high slope. It was extremely desolate.

Yun Feng looked at the terrain in front of her. “If that grass was really dug out from here, it’s not difficult to find. Qingchen, let’s find it.”

Yun Qingchen nodded. The two of them split up and searched. Yun Feng stepped into the Deadwood Forest and searched every area carefully with her eyes. Occasionally, a few auras of Magic Beasts flashed through the Deadwood Forest. They didn’t dare to get close to the two of them at all. They carefully hid their auras and lay low.

After searching for half a day, Yun Feng didn’t have any clues at all. Even if there were those herbs growing in such an environment, they definitely wouldn’t live for long. The environment was too harsh. Apart from withering and death, there didn’t seem to be any other way.

“Aunt, come and take a look!” Yun Qingchen’s voice came. Yun Feng immediately moved and rushed over. Yun Qingchen was standing under a dead tree and looking at the roots with his black eyes. After rushing over, Yun Feng also looked carefully. There was obviously a pit under the roots of the dead tree. The soil that was dug out was dark and contained a lot of water. It was obviously different from the surface. It was dug out from deeper underground. Someone had dug something here.

Yun Feng reached out and took a bit of soil. She put it in her palm and sensed it carefully with her mental strength. Even though the aura in the soil was faint, so faint that it almost couldn’t be detected, Yun Feng really felt it. This was an extraordinary aura, as if it had been exploited a lot. The remaining aura was gathered in the soil.

“Aunt, did you find anything?” Yun Qingchen stood up. Yun Feng smiled. “Qingchen, what do you think?”

Yun Qingchen looked at the dark soil under his feet and said, “The herbs they were talking about probably came from here. They’re not the Anhua Grass Spirit we’re looking for, but they must be related. Even though I don’t feel much, there seems to be an aura lingering in the soil.”

Yun Feng looked at Yun Qingchen in satisfaction. Even though her nephew’s power was only at the King Level, his senses were very keen. She could only vaguely sense it when she was at the God King Level. It wasn’t easy for her nephew to feel this at the King Level.

“The Anhua Grass Spirit must be here. Moxi is also here.” A smile flashed through Yun Feng’s black eyes. This trip was indeed worth it.

“Why are you so sure, Aunt?” Yun Qingchen was a bit confused. She could come to a conclusion with just a bit of soil?

Yun Feng shook the residue in her hand to the ground and said, "The aura in the soil is unusual. The soil that's stained with just a trace of aura can give ordinary herbs magical effects, which shows how powerful the aura is. Where does the soil take nutrients?"

Yun Qingchen's black eyes brightened. He lowered his head and looked at the dry ground under his feet. A gust of wind blew and some fine dust rose in the wind.

"Moxi is very likely underground."

"But Aunt, if Moxi is really here, won't we be discovered once we step in?"

Yun Feng chuckled. Before she left, her master told her a lot of things about Moxi and the Anhua Grass Spirit in detail, or she wouldn't have been so sure. "Moxi is a kind of three-headed python. Three souls are stacked on the same body. His body has to withstand more pressure from the souls, so Moxi needs to sleep very frequently."

"Sleep?" Yun Qingchen was surprised. Yun Feng nodded and walked out with her nephew. "A short hibernation can ease the pressure of the three coexisting souls. The Anhua Grass Spirit accompanied Moxi during his short hibernation."

"The pressure of the three souls is probably very astonishing," whispered Yun Qingchen. Yun Feng nodded. "Even though the body is under pressure, a short hibernation can greatly ease it. The energy of Moxi is very powerful, especially his control of the soul."

Yun Feng sighed softly. "Moxi can control the soul. Once he controls the soul, you won't be able to escape death."

Yun Qingchen's face darkened. "So, it's quite easy to get the Anhua Grass Spirit. The head of Moxi... doesn't seem possible."

Yun Feng chuckled. "Didn't I say that Moxi needs frequent short hibernation? During the hibernation, Moxi will fall into a deep sleep. As long as the Anhua Grass Spirit isn't touched, Moxi won't wake up."

Yun Qingchen widened his eyes. "Isn't the Anhua Grass Essence that comes with hibernation like a warning line?"

Yun Feng nodded. "That's right. The two of them accompany each other. Moxi that enters dormancy doesn't have any attacking power. As long as the Anhua Grass Spirit isn't touched, it won't open its eyes even if its life is taken. On the contrary, as long as someone carelessly touches the Anhua Grass Spirit, Moxi will wake up immediately."

Yun Qingchen understood. "So, it's not difficult to take its head. We'll cut off its head first and then take it to the Anhua Grass Spirit. Then we just have to turn around and escape as quickly as possible!"

“That’s right. To take these two things in the safest situation, we must ensure that there’s no interference from external forces. Once the Anhua Grass Spirit is touched and Moxi wakes up, it’s impossible for us to take its head. Even with my current strength, it’s impossible.”

“Is that why you plan to completely eliminate those restless forces in the Outland?”

Yun Feng smiled and didn’t say anything. Yun Qingchen chuckled and suddenly thought of something. “Will it be life-threatening if Moxi’s head is cut off?”

Yun Feng shook her head. “Don’t worry about that. The head of Moxi will regenerate after it’s lost. After all, his three souls are intact. We want the head, not the soul.”

Yun Qingchen nodded. “Yes, no matter what we do, we must leave a way out.”

Yun Feng chuckled. “It’s not bad for Qingchen to have such a mentality. No matter how good a thing is, we can’t take it unlimitedly.”

Chapter 1841: The Battle of Moxi (2)

1841 The Battle of Moxi (2)

The two of them returned to the village. Yun Feng didn’t intend to attack at this moment. There were some potential flies that needed to be dealt with. Before dealing with them, she wouldn’t do anything big. If she alarmed Moxi, it would be a small matter if she couldn’t get what she wanted. If Moxi suddenly disappeared, she would suffer the greatest loss.

It only took the village leader two days to collect everything. Even though the small village was remote, it was certainly not a place that nobody visited ever since the herbs incident. For various reasons, the village leader hated these tyrannical small forces to the bone. He was only waiting for a powerhouse to descend so that he could get rid of them once and for all.

The village leader told Yun Feng everything in detail. There were more than a hundred branches of forces in the Outland, but they were all led by one of them, the Poisonous Scorpion. There were more than a few hundred people in Poisonous Scorpion. Most of them were scattered in the areas where the forces in the Outland were located and secretly monitored them. They treated the entire Outland as their territory and did all kinds of evil and were very rampant!

The village leader had described all kinds of crimes the Poisonous Scorpion did. It could be said that there was nothing they wouldn’t do. Yun Qingchen frowned after hearing that. These people were too crazy!

Yun Feng's expression was slightly cold. It would be fine if this Poisonous Scorpion could manage the Outland well. She wouldn't be nosy, but they did all kinds of evil. The Outland was full of complaints. It could be said that everyone wanted it to be killed!

The strength of the Poisonous Scorpion was very low, or at least it seemed so in Yun Feng's eyes. The strongest master was only Grade 9 of the Lord Level. She could uproot the Poisonous Scorpion without any effort.

"Just Grade 9 of the Lord Level..." Yun Qingchen pursed his lips. Perhaps he didn't need his aunt to do anything. If Little Lei did a thunderstorm, this Poisonous Scorpion probably wouldn't exist anymore.

"The situation has changed." The village leader frowned and looked at Yun Feng deeply. "I've collected some new information these two days. A few powerhouses from the Poisonous Scorpion came. They might be as strong as you."

"Powerhouses?" Yun Feng raised her brows. What were people in the God King Level doing here? Were they here to find Moxi and the Anhua Grass Spirit like her?

The village leader frowned so hard that his eyebrows were almost tied into a knot. "I don't know the exact details. I can't even find out their exact appearance... I only heard that these powerhouses who suddenly came are all wearing a very strange long black cloaks. Their bodies and faces are almost covered by the cloaks and they look very depressed and gloomy."

Yun Feng's expression suddenly changed! "Are there any strange red dark patterns on the surface of this long black cloak?"

Yun Qingchen's expression also darkened. He had already heard about the Blood Souls from his aunt. Her aunt also told him to be extremely careful of these guys. If he encountered them, he should rather take a detour than fight them head-on. He had never fought with the Blood Souls on his training journey. He didn't expect to meet them here this time!

The village leader was shocked. "How did you know, ma'am? I was about to say that..."

"Aunt..." Yun Qingchen glanced around and saw Yun Feng's faint smile. Yun Feng gently stroked her chin with her finger and waves gradually rose in the depths of her black eyes. She had met someone from the Blood Souls in the Outland. There was no need to guess that their purpose was similar to his. Moxi had the power to control the soul. For the Blood Souls, they would definitely get it.

"Ma'am, because of the sudden change in the situation, I didn't know that such a few people would come to the Outland... If you think it's dangerous, you can choose not to go! I won't force you to go!"

Yun Feng curled her lips. "It's fine. I won't go back on my words. If my opponents are them, I have no reason to reject you."

Yun Feng had already entered a state of total war with the Blood Souls right now. In the past, Yun Feng didn't have much power to resist the Blood Souls herself, but it was different now! There were a lot of things Yun Feng didn't have in the past, but she had already got them now! Such as allies! Along the way, Yun Feng got to know all kinds of humans and Magic Beasts and made a lot of friends. Even though she wasn't mature yet, the Blood Souls had to face her existence and treat her as a great enemy!

In the past, she couldn't go against the Blood Souls, but now, when she encountered the Blood Souls, Yun Feng wouldn't let them go. She would kill as many as she could!

"Ma'am, this..." The village leader originally wanted Yun Feng to consider it carefully. After all, these few people who suddenly came weren't weak. Powerhouses usually cared about their faces. She looked young, so she should care more about her face. Don't force yourself!

"Village Chief, since my aunt said so, she has no intention of retreating. Those few people who suddenly came can also be considered our mortal enemies. When enemies meet, how can we let them go? You don't have to say anything else."

The village leader was slightly stunned after hearing what Yun Qingchen said. Good lord, so they had some history to begin with. Enemies... So, she really wouldn't let them go. They would have to fight to the death.

After learning everything, Yun Feng set off for the place where the Poisonous Scorpion was located in the Outland, Scorpion Tail Town, a town in the northernmost part of the Outland.

The town in the north originally didn't have a name. The reason why it was called Scorpion Tail Town was because the Poisonous Scorpion took root here after the rise. The village leader had also collected a lot of information about Scorpion Tail Town, which showed how much he hated the Poisonous Scorpion.

People living in Scorpion Tail Town were all ordinary people. Very few of them were strong. Even if they had some strength, they were only at the initial high-level. In addition, the environment in the Outland wasn't suitable for cultivation at all and their forces couldn't be improved at all. The residences of the core members of the Poisonous Scorpion were all in Scorpion Tail Town. These were just their living quarters. Most of the time, the core members of the Poisonous Scorpion wouldn't stay in Scorpion Tail Town. They all stayed in the Poisonous Scorpion Camp not far away from Scorpion Tail Town.

The Poisonous Scorpion faction was stationed in the camp. Most of the Poisonous Scorpion's activities and planning were also carried out in the camp, which showed how

careful the core members of the scorpion were. Even though their power was already incomparable in the Outland, they still didn't change their cautious personality. The camp wasn't something outsiders could step into. The Poisonous Scorpion's camp was quite well protected.

Yun Feng and Yun Qingchen rushed all the way to Scorpion Tail Town. Looking from the sky, this town was indeed a bit like the tail of a scorpion. There weren't many houses in the town. They were a bit sparse and weren't as prosperous as the towns in other areas.

Chapter 1842: The Battle of Demon Breath (3)

1842 The Battle of Demon Breath (3)

"Aunt, that's the camp of the Poisonous Scorpion." Yun Qingchen glanced to the side. Not far away from Scorpion Tail Town, a camp was stationed. Many people with good strength were gathered there. It seemed to be heavily guarded.

Yun Feng glanced over carefully with her mental strength and didn't find the aura of anyone from the Blood Souls. "They're not in the camp. They must have returned to the town." Yun Feng landed from the sky with Yun Qingchen. The ground was covered in a thick layer of dust. The wind was biting cold and there were only a few people walking around in Scorpion Tail Town, looking miserable.

Yun Feng casually pushed open a door with a hotel sign. The wood was almost rotten. When she pushed it open, the door swayed a few times and almost fell. A strange smell came from the room. Yun Qingchen and Yun Feng frowned slightly when they smelled it.

"Someone came to this place? How rare! I'm sorry, guys. This hotel has already closed down." The middle-aged man with a stubbly beard walked out of nowhere and kicked over a dirty chair lying on the ground. Yun Feng didn't say anything. She glanced at it with her black eyes. There were spider webs all over the corners. There were chairs and tables on the ground. Many of them were already rotten and had a thick layer of dust.

"I just want to ask something," said Yun Feng. The middle-aged man with a stubbly beard burst into laughter and sat on the broken table, stirring up dust. He continued indifferently, "What do you want to know?"

Yun Feng was silent for a while before she finally said, "Where do the Lords of the Poisonous Scorpion live in the town?"

The expression of the middle-aged man with an unshaven beard changed drastically and there was a hint of viciousness in his eyes. "Another two people who are here to flatter them? There are really a lot of such people. Don't you have eyes? Which house is the largest and best? I don't need to say anything, do I? Get out!"

Yun Qingchen frowned slightly. He was about to say something, when Yun Feng stopped him. "Thank you." After saying that, she turned around and walked out with Yun Qingchen. "Aunt, why do you have to talk like that?"

Yun Feng glanced ahead with her black eyes. In the misty dust, a mansion in front of the town could be vaguely seen. "Let's test the attitude of the residents of the town first. Just as I thought, if the Poisonous Scorpion didn't suppress them by force, it would probably have been kicked out."

"Qingchen, restrain your aura as much as possible. The people of the Blood Souls are very likely in that house. Let's go in and test them first." Yun Feng said. Yun Qingchen nodded. The two of them immediately restrained all their auras. Yun Feng waved her hand and the space blockade was completed!

All the houses in Scorpion Tail Town were very old, except for the newly built house on the back of the town. It was very luxurious and the house looked very new. It was built in the final stage. Yun Feng walked in with Yun Qingchen easily. Even though there were a lot of guards, they were too weak to notice Yun Feng's space blockade at all.

"Hahaha, my lords, don't look so cold. Drink some more! Come, serve the wine!" A voice came, sounding a bit drunk. Yun Feng and Yun Qingchen immediately followed the voice. In the main hall of the mansion, a few rough men with scars on their faces were sitting there. They were each holding a fair and soft woman in their arms and drinking and eating meat in big mouthfuls. On the side were five people wearing black cloaks. Their pale cheeks were faintly visible and they were all expressionless.

Yun Qingchen's black eyes darkened. They were from the Blood Souls! Yun Feng didn't approach recklessly. She tested them slightly. The five members of the Blood Souls were all at the God King Level, but they were all below her. Her space blockade wasn't noticed by these five people.

Five God Kings to deal with Moxi? Yun Feng frowned. If they wanted to take down Moxi by force, five God Kings were far from enough... Would another powerhouse come? Thinking of this, Yun Feng couldn't help but frown slightly.

"My lords, are these women not to your taste?" A drunken man's words floated out. The few members of the Blood Souls sat there expressionlessly and didn't react at all. There was a woman sitting behind the five of them. The five women all lowered their heads and their bodies were trembling slightly.

“Aiya!” With a shout, the man had already lifted the woman’s clothes with his big hand and touched her breasts. A burst of lewd laughter sounded. The five members of the Blood Souls couldn’t help but frown slightly.

“How obscene.” Yun Qingchen couldn’t help but curse. Yun Feng also felt the same. The women in the arms of the core members of the Poisonous Scorpion all looked humiliated. They gritted their teeth and endured it desperately, but these men became even worse. Some of them were even aroused. It seemed that they wanted to pounce on the women and do something right now.

“Get these women out of here.” The member of the Blood Souls finally said. The few men of the Poisonous Scorpion were all stunned. “Why? You won’t be bored if you have women to relieve your boredom, will you? Hahahaha!”

“Don’t make me say it again!”

The atmosphere suddenly became cold. The drunkenness on the faces of the members of the Poisonous Scorpion was slightly reduced. Seeing that the Blood Souls didn’t look good, they immediately pushed the women in their arms away. “Get out! Get out quickly!” The few women immediately ran out without another word. They didn’t even have time to tidy up their clothes. The atmosphere in the main hall, which was still lewd just then, seemed a bit serious and even suffocating. The members of the Poisonous Scorpion also sat straight. The five members of the Blood Souls snorted coldly. “Have you done what I asked you to do?”

“Don’t worry, my lords. We’ll definitely do what we’re told. We’ve already sealed the information about that herb. People outside of the Outland won’t know at all.”

“Very good. If you do what we ask you to do, you’ll certainly get benefits,” said the member of the Blood Souls. The Poisonous Scorpion and the others immediately smiled. “Of course! We don’t dare to disobey our lord’s order. We’ll definitely do it well!”

“Aunt, it seems that the Blood Souls is interested in Moxi,” said Yun Qingchen in a low voice. Yun Feng sneered. “If that’s the case, we can’t let them get what they want!”

“Have you sent someone over there?”

“We’ve already sent someone over today. They’ll be there soon. I won’t let anyone get close. Don’t worry about that, my lord.”

“Humph! What took you so long? Do you really think you’re capable? Useless!” Another member of the Blood Souls didn’t sound good. The faces of the members of the Poisonous Scorpion all darkened. They were embarrassed and couldn’t flare up.

“You were indeed a bit slow. If you’re careless and ruin our business, you should know what will happen to you.”

Chapter 1843: The Battle of Moxi (4)

1843 The Battle of Moxi (4)

The faces of the members of the Poisonous Scorpion suddenly turned pale and they immediately didn't dare to say anything else. "Master Tu will be here soon." As soon as he said that, an aura swept across the sky. Yun Feng cursed in her mind! She immediately took out the dragon-shaped jade pendant. Instantly, the two of them were directly sucked into the Dragon Palace. At the same time, an aura had already arrived and swept over the place where Yun Feng and the others stopped just then!

A figure came domineeringly with a suffocating pressure. The three members of the Poisonous Scorpion couldn't withstand it at all. They immediately spat out a mouthful of blood and staggered, almost kneeling on the ground. The members of the Blood Souls all smiled in disdain when they saw how messy they were. Then, they stood up and bent their bodies respectfully. "Master Tu."

The person who came wasn't Tu Wei, who had dealt with Yun Feng before. He had a new unfamiliar face, but his face was also pale. He was wearing a black robe with mysterious red dark patterns engraved on it. Lord Tu stood still and glanced at the few people of the Poisonous Scorpion who were under pressure.

"Lord... Lord Tu..." The few people of the Poisonous Scorpion immediately lowered their heads and didn't even have the courage to look up!

"You may leave," said the member of the Blood Souls. The members of the Poisonous Scorpion immediately scrambled out. If they stayed any longer, they would probably kneel on the ground and not be able to stand up again.

"They're truly as cowardly as rats..." A member of the Blood Souls said in disdain. Lord Tu swung his black robe gently and looked around with his black eyes. "Have you checked this place?"

"I've checked. There's no one else except us."

Yun Feng, who was in the Dragon Palace, keenly felt that an aura was sweeping the space outside carefully. Luckily, she entered the Dragon Palace with Qingchen earlier, or she would alert the enemy.

After searching, they didn't find anything unusual. Lord Tu nodded slightly. "We'll take action tomorrow."

"My lord, hasn't the strength of the demon aura already reached the God Emperor Level? The higher-ups should send more..."

“Do you think the higher-ups are so free? It’s just a demonic aura. Why would they send a God Emperor here in person?”

The hall was immediately silent. Yun Qingchen was extremely surprised to hear this. “Aunt, there’s a God Emperor among the Blood Souls!”

Yun Feng curled her lips. “Not just a God Emperor. I’m afraid the Blood Souls also have the God Venerable. As for those above the God Venerable Level...” A voice came from outside and interrupted Yun Feng’s thoughts. “However, we indeed have to be careful with the strength of Moxi. In case we need it, the higher-ups gave me two God Emperor talismans. It shouldn’t be a problem to take down Moxi.”

“Yes, sir!” The few members of the Blood Souls were all more confident. Lord Tu continued, “Even though we’re in the Outland that nobody is paying attention to this time, we can’t rule out other possibilities, especially Yun Feng... If she shows up here, it’ll be huge trouble for us.”

“This is the Outland. Yun Feng shouldn’t be here for no reason.”

“That’s hard to say. Many operations of the Blood Souls clashed with Yun Feng.”

“That’s impossible... Why would she go to the Outland for no reason? How would she know about Moxi...”

“Yun Feng has too many capable people with her. The higher-ups have already regarded her as a great enemy. I really didn’t expect the few powerhouses of the Blood Souls to die in her hands consecutively. She even discovered the stronghold in Chunfeng Town. Yun Qi’s soul was taken away. The organization suffered a huge loss this time.”

“She discovered the stronghold in Chunfeng Town? How is that possible?” The few members of the Blood Souls all looked like they didn’t believe it. Lord Tu sneered. “She was just a kid back then. I didn’t expect her to have such an ability in just a few decades. It was the only mistake of the organization that we didn’t kill her back then.”

“My lord, if we can really meet Yun Feng here, it’ll be a great achievement for you to kill her!”

Lord Tu’s expression became even colder after hearing that. His black eyes, which were already emotionless, were as cold as an abyss. The person who spoke was speechless and didn’t know what he said wrong. “Kill her? How easy do you think it is to kill her? Tu Wei isn’t weak. Didn’t he die in her hands? However... it’s not impossible to kill her this time.”

“Aunt...” Yun Qingchen looked at Yun Feng nervously, but Yun Feng chuckled. She had fought with the Blood Souls more than once. As Lord Tu said, she had ruined the Blood

Souls' operations more than once. She and the Blood Souls would definitely fight to the death!

"God Emperor Talismans... aren't bad weapons." Yun Feng chuckled. Seeing Yun Qingchen's worried look, she patted his shoulder. "There are a lot of people who want to kill me. Those who have the ability to kill me don't exist!"

Chapter 1844: The Battle of Moxi (1)

1844 The Battle of Moxi (1)

Yun Feng had made a lot of friends and enemies along the way. How many people hated her to the bone? How many people would come to take her life as long as they had the ability? However, she was standing here perfectly fine. Her life could only be decided by her. It was impossible for others to let her die as long as she didn't want to!

Seeing that his aunt was so confident, Yun Qingchen's worries just then were swept away. "The people of the Blood Souls have two God Emperor talismans. Together with their lineup, Aunt... I'm afraid I'll hold you back." Yun Qingchen was a bit embarrassed. He was only a King right now. If he was at the God Level, he could help.

Seeing Yun Qingchen's frustrated look, Yun Feng chuckled. "Even though there are differences in strength, you shouldn't say things like dragging me down. You expect to cause trouble for me before you take action? Qingchen, I didn't know you had the ability to predict the future."

Yun Qingchen immediately blushed in embarrassment. Yun Feng patted his shoulder. "I've encountered situations where the difference in level is even greater. At that time, I only thought about how I could win. Even if I couldn't win, I had to get some benefits. You haven't challenged the difficulties. You can't admit defeat first."

"Got it, Aunt!" Yun Qingchen looked excited and nodded hard. Yun Feng smiled. "That's right. Surrender isn't in the dictionary of the Yun family."

Yun Qingchen curled his lips and smiled. What Yun Feng said gave him a lot of confidence. Even though he wasn't strong, he could more or less help his aunt. He would definitely do his best. Not causing trouble for his aunt was also a kind of improvement for him!

"Five God Kings, one God Lord and two God Emperor talismans..." Yun Feng mumbled as she sat in the Dragon Palace. She could completely let her contracted Magic Beasts deal with the five God Kings, and she could fight Lord Tu herself. She was at Grade 5 of the God King Level right now, so it certainly wouldn't be as difficult for her to fight a God Lord as before. There were also two God Emperor talismans. It seemed that she had to

wait until the power of these two talismans was exhausted and they were caught off guard before she could win.

The members of the Blood Souls didn't discuss further. The battle plan seemed to have been discussed before it came. Perhaps they were being more careful. The members of the Blood Souls decided to take action tomorrow. Yun Feng controlled the dust formed by the Dragon Palace to attach to Lord Tu's clothes, waiting for tomorrow to come.

Yun Feng had a different plan for eliminating the Poisonous Scorpion. If the Blood Souls hadn't come this time, she would definitely have eliminated the Poisonous Scorpion completely. The arrival of the Blood Souls made Yun Feng change her mind. Even though the core members of the Poisonous Scorpion all looked terrified, they probably weren't convinced by the few people who suddenly appeared in their minds. They were just intimidated by the newcomers' strength. They had been tyrannical in the Outland for so long. It was impossible for them to be willing to be servants under someone else's command. Even though they didn't know the purpose of the Blood Souls, they knew that those people must be looking for good stuff. They certainly couldn't stay outside obediently.

As long as she took advantage of them well, she might have a high chance of winning this time.

The next day came very quickly. The sky had just brightened when the Blood Souls had already moved from Scorpion Tail Town and went straight south. The Dragon Palace was stuck to Lord Tu. As they moved, the Blood Souls didn't notice at all. It had only been a day. The high slope of the wilderness that Yun Feng and Yun Qingchen came to earlier had already been sealed by the members of the Poisonous Scorpion. Nobody was allowed to enter.

After the Blood Souls arrived, the core members of the Poisonous Scorpion were all ready and cautious. As Yun Feng thought, they looked scared, but there was only dissatisfaction in their eyes. They all lowered their heads carefully and put on a rather respectful look.

"You guys, stay outside and don't follow me!" Lord Tu glanced over coldly. After saying this, he swung his black robe and directly flashed inside with the five subordinates of the Blood Souls. The core members of the Poisonous Scorpion quickly nodded carefully and didn't dare to look up. After waiting for a while, they finally looked up.

"F*ck, if they weren't stronger than us, we wouldn't have let him cause trouble here!"

"F*ck, we're like cowards in front of him!"

The members of the Poisonous Scorpion immediately cursed indignantly. How many years had they been in the Outland? Nobody dared to talk to them like this. "Show them

some respect, and they really think they're something... What Blood Souls? F*ck, I've never heard of them!"

"Brother! They must be looking for something good!"

"That's right. We have to follow them! The Outland is our territory after all! It doesn't make sense for the good stuff in our territory to be taken away by outsiders!"

"F*ck! Do you think I don't think so? It's just that those people's forces... If we want to rob them, we'll probably die!"

"Just follow them secretly for a while! Even if we can't get the good stuff, we can't let them enjoy it alone!"

"That's right, brother! We can't let them take advantage of us for nothing!"

"...Of course. The territory of the Outland belongs to the Poisonous Scorpion! Let's go! We'll follow them secretly! We'll get a few good things!"

The members of the Poisonous Scorpion immediately lightened their footsteps and followed behind carefully, putting a long distance between them, fearing that the members of the Blood Souls would notice them. The few of them gradually disappeared into the withered forest.

The Blood Souls moved forward. They stopped a few times along the way to check the surrounding situation and soon found clues. Lord Tu looked at the ground under his feet with his black eyes. "Do it. We just need to penetrate this ground. Don't make too much noise."

The five members of the Blood Souls nodded and attacked one after another. After the five forces gathered, the already dry ground was easily penetrated by the forces. With a rumbling sound, the ground collapsed and an entrance to the abyss appeared in front of the Blood Souls. Lord Tu couldn't help but sneer when he saw that. "It's indeed down here. Come in. Don't touch anything along the way!"

"Yes, sir!" The five members of the Blood Souls immediately said in unison. They followed Lord Tu into the dark entrance. After entering, one of them said, "Sir, why don't we set up a space blockade at the entrance of the cave to prevent others from entering?"

Lord Tu snorted coldly and continued deeper. "The space blockade requires the power of space. Even though Moxi won't wake up easily, in order to be safe, we can't do anything reckless. Who else has the courage to follow us?"

Chapter 1845: The Battle of Demon Breath (2)

1845 The Battle of Demon Breath (2)

The few members of the Blood Souls didn't say anything. Lord Tu said, "Even if someone enters, just kill them."

"Yes, sir!" The five of them said in a low voice. Lord Tu took a few steps inside and suddenly stopped. He glanced at the five of them coldly with his black eyes and suddenly said, "Shake your clothes."

The five of them were all stunned. Without another word, they began to shake their clothes. Lord Tu narrowed his eyes and looked at the tiny dust particles in the sky. His black robe also shook off abruptly. Yun Feng, who was in the Dragon Palace, gritted her teeth. What a cunning Lord Tu! She carefully controlled the dust formed by the Dragon Palace to mix with the other dust. Yun Feng carefully controlled the direction of the change, hoping that the dust formed by the Dragon Palace wouldn't be exposed at all.

"My lord, why do you have to do this?" The Blood Souls were all puzzled. Lord Tu looked at the dust floating in the sky and whispered coldly, "We might not know that we're being targeted by others. We have to be careful. Let's go!"

Lord Tu's body flashed and he had already left quickly. The Blood Souls immediately followed him. In an instant, the few of them disappeared into the depths of the darkness. In the dust, a speck of dust suddenly stopped spinning and floated in the air, completely still.

"He's truly paranoid and vigilant." Yun Qingchen frowned. Yun Feng chuckled. "That's normal. The Blood Souls have been defeated by me a few times and learned a lesson."

Yun Feng sighed. The Dragon Palace couldn't keep up with those people. "Qingchen, let's go out."

"Won't they notice us if we go out now?" Yun Qingchen was surprised, but Yun Feng chuckled. "No, because this is the road to Moxi's Lair. It's full of the aura of the God Emperor. Our aura will be completely suppressed."

The two of them immediately came out of the Dragon Palace. After coming out, as Yun Feng said, a strong pressure of Magic Beasts came right at them. Perhaps because the Magic Beast was in a state of sleep, the aura of the Magic Beast wasn't aggressive at all. It only emitted very ordinary auras, filling the dark passage.

The darkness in front of them wasn't a problem for Yun Feng and Yun Qingchen at all. They could still see everything clearly. The two of them moved forward carefully along

the passage. Their auras were suppressed by the aura of the God Emperor. Similarly, the auras of the Blood Souls were the same. Nobody could find each other right now. Yun Feng was even more careful.

“Aunt, there’s movement behind. I’m afraid those people have followed us in.” Yun Qingchen frowned and said in a low voice. Yun Feng smiled gently. “I’m just afraid that they won’t follow us in. Without them, the situation today might not be easy to control.”

The two of them looked at each other and smiled as they continued deeper. The deeper they went into the black passage, the thicker the aura of the God Emperor. It seemed that they were getting closer and closer to the residence of Moxi. Soon, the black passage turned a corner, as if it was connected to an unusually huge cave. The aura of the God Emperor reached the peak of the denseness ahead. Yun Feng waved her hand and the space blockade instantly formed. She stepped into the cave with Yun Qingchen. A huge three-headed demonic aura was lying on the ground with its three heads slightly raised. The three pairs of eyes all closed. It was obvious that the beast was sleeping soundly.

The Blood Souls were standing on the side of Moxi. Yun Feng glanced at Moxi with her black eyes. Where was the Anhua Grass Spirit...

Yun Qingchen pulled Yun Feng’s arm. Yun Feng looked back. Yun Qingchen pointed at a place not far away from their feet. Yun Feng followed his gaze and saw a white and transparent flower swaying in the air. A slender flower stem was connected to the ground and there was a faint light around its body. There wasn’t a beautiful flower stamen in the middle of the petals, but a small mouth full of sharp teeth. It opened its mouth slightly and breathed gently, making tiny unknown sounds.

That was the Anhua Grass Spirit! Yun Feng immediately determined that it must be the Anhua Grass Spirit! The place where it grew was a distance away from Moxi. It was very likely for protection. If a creature accidentally broke in here and touched the Anhua Grass Spirit, Moxi would immediately wake up!

Yun Feng held her breath and took a few steps back with Yun Qingchen. The Anhua Grass Spirit was too close to them. If they accidentally got close, they would be able to touch the Anhua Grass Spirit despite the space blockade. After the two of them took a few steps back, they were surprised to find that the Anhua Grass Spirit also moved a few steps back!

Yun Feng and Yun Qingchen both widened their black eyes. The Anhua Grass Spirit could move too!

The Blood Souls were also shocked to see this scene. Lord Tu pursed his lips and said in a low voice, “The Anhua Grass Spirit can move.”

The Anhua Grass Spirit stopped for a while after moving a few steps. After a while, it started moving in another direction. It was the guardian of Moxi. Moxi was asleep and wasn't on guard at all. It could move around and its speed wasn't slow at all. Its trajectory was completely irregular!

Yun Feng guessed that if she got too close to the Anhua Grass Spirit, it might target her. It would take the initiative to get close to her to awaken Moxi. The Anhua Grass Spirit couldn't be underestimated. Yun Feng thought it would be a plant that grew obediently, but she didn't expect it to be such an agile mobile alarm.

Yun Feng looked at Lord Tu of the Blood Souls, who frowned. It seemed that he also knew that it wasn't so easy to take Moxi. It was impossible to make the Anhua Grass Spirit behave. He couldn't get too close, let alone interact with it. It was difficult to take down Moxi without alerting the Anhua Grass Spirit!

The Blood Souls didn't do anything. Yun Feng and Yun Qingchen certainly weren't in a hurry. They definitely wouldn't attack first. They had to wait for the Blood Souls to take action before the two of them did anything. When the two parties were silent, the Anhua Grass Spirit was moving around. It exhaled with its sharp teeth and sensed the aura around.

"Go over." Lord Tu suddenly said. Yun Feng and Yun Qingchen looked over and saw that one of the Blood Souls had received instructions. His body immediately flashed and he approached the moving Anhua Grass Spirit. The Anhua Grass Spirit, who was moving around, suddenly stopped and opened its mouth full of sharp teeth slightly. Lord Tu glanced at it and the member of Blood Souls stepped forward slightly. The Anhua Grass Spirit immediately changed its direction and ran towards the member of the Blood Souls.

The corners of Lord Tu's mouth curled up. The figure of the Blood Souls immediately flashed. The Anhua Grass Spirit immediately changed its direction and chased after him again. The member of the Blood Souls continued to wander and kept a distance from the Anhua Grass Spirit. The Anhua Grass Spirit was completely distracted by him and led by the nose!

Yun Qingchen was surprised. There was such a method! Yun Feng's face darkened slightly. If one of them went to distract the attention of the Anhua Grass Spirit, the Anhua Grass Spirit wouldn't be a threat. They could take down Moxi at ease. Yun Feng watched the Anhua Grass Spirit chase for a long time and didn't make any movement or sound. She understood that the Anhua Grass Spirit wasn't really sure that a creature had broken in, which meant that it wouldn't awaken Moxi if no aura touched it directly. After all, the hibernation of Moxi was very important. The Anhua Grass Spirit was its companion and knew this very well.

Chapter 1846: The Battle of Demon Breath (3)

1846 The Battle of Demon Breath (3)

This wasn't a bad idea. Yun Feng curled her lips and looked at Lord Tu of the Blood Souls. He should be of a higher level than Tu Wei and should be quite valued among the Blood Souls.

Lord Tu flipped his wrist and two talismans appeared. Yun Qingchen couldn't help but feel nervous when he saw that. The people of the Blood Souls were about to attack! Yun Qingchen looked at Yun Feng with his black eyes. Aunt, are we going to attack?

Yun Feng frowned. The few people of the Poisonous Scorpion hadn't come in yet. It wouldn't do if they attacked right now! By then, Moxi wouldn't be alarmed. On the contrary, the Blood Souls would target them. Yun Feng shook her head gently and said silently, "Wait."

The two God Emperor talismans were held in Lord Tu's hand. Looking at the sleeping Lord Tu, he curled his lips coldly. "When the power of the talismans is released, Moxi will only be severely injured. The four of you will stabilize it. I'll extract its Beast Soul."

"Yes!" The other four members of the Blood Souls said in a low voice. Yun Feng's heart immediately sank after hearing that. Extract the Beast Soul! If the Beast Soul was taken away, it would be meaningless for her to cut off the head! Putting everything else aside, she couldn't let the Blood Souls succeed in controlling the power of the soul!

Aunt! Yun Qingchen suddenly pulled Yun Feng's arm. Since the two of them had set up some traps behind, they could detect the approach of the Poisonous Scorpions. After being pulled by Yun Qingchen, Yun Feng noticed that the Poisonous Scorpions were already very close!

The two God Emperor talismans were held in Lord Tu's hand. A ball of dense dark elements surged out of the black robe and hit the talismans. "Buzz...!" The power of the talismans was already about to be activated!

Yun Feng and Yun Qingchen couldn't help but feel even more nervous. The members of the Poisonous Scorpion were almost here. Very soon!

"Swish...!" Yun Feng suddenly moved towards the person of the Blood Souls who distracted the Anhua Grass Spirit. Right now, the attention of the other members of the Blood Souls wasn't here. It was the best time for her to attack! She clenched her fists. The moment she approached the person of the Blood Souls, the space blockade suddenly opened!

“W-!” The Blood Souls widened his eyes and looked at Yun Feng, who instantly appeared in front of him. He was completely stunned! Due to his survival instinct, he immediately wanted to resist, but it was too late!

There was endless killing intent in her cold black eyes. Yun Feng attacked as quickly as lightning! She grabbed the throat of the Blood Souls powerhouse with one hand and hung him high. She clenched her fist with the other and gathered all the energy of her body, pressing it on his chest fiercely!

“Bang...!” A muffled sound came. The throat of the member of the Blood Souls was held tightly by Yun Feng and he couldn’t make a sound at all. His facial features were completely distorted and his body twitched fiercely. Seeing that, Yun Feng punched him continuously!

“Bang, bang, bang! Crack!” The body of the person of the Blood Souls immediately became like a puppet with a broken thread. He lost all the strength in his limbs and was beaten to death by Yun Feng’s heavy punch! A wisp of soul quickly escaped from his body. When he was about to escape, Yun Feng snorted coldly. Her mental strength turned into a whip that instantly wrapped around and pulled him into her hand. She gathered her mental strength in her palm and clenched her fists. The man’s soul was instantly crushed!

It only took a few seconds for her to finish off a person of the Blood Souls silently!

She waved her hand and the space sealed again, hiding Yun Feng’s body. The Anhua Grass Spirit that was chasing the target lost its track and turned around to go back. At this moment, an agile body landed on the ground. It was a very beautiful fox. Its entire body was pure white without any impurities and its black eyes were glittering. Sensing the fox’s aura, the Anhua Grass Spirit turned around and pounced on it.

The fox jumped agilely and led the Anhua Grass Spirit out. The fox landed on the ground without making any sound at all. The situation here was silent. Lord Tu didn’t know that this place had already escaped his control!

The sound of messy footsteps came faintly. Even though it was obvious that they were very careful, the footsteps were still very loud in Yun Feng’s ears. The black eyes of the pure white fox glittered and its body suddenly turned around, disappearing in an instant. The Anhua Grass Spirit lost the aura that it was tracking and planned to return, but a new aura soon appeared. The Anhua Grass Spirit opened its mouth and ran towards the Poisonous Scorpions!

Yun Feng hid in the space blockade and looked at Lord Tu, who was still activating the talismans. It would take some time for the God Emperor’s talisman to be activated. Thinking of the talisman her master gave her back then, it seemed a bit different. The power of her master’s talisman should be at the God Venerable Level. She could only activate it in a very, very short time.

No matter what, the activation time gave her a chance!

“Brother, what’s this?” A member of the Poisonous Scorpion blurted out. The Anhua Grass Spirit that quickly ran towards them shocked them. What kind of flower was this? It could run on its own!

“My lord, not good!” A member of the Blood Souls finally realized that something was wrong. When he turned around, he found his companion on the ground who had already died silently! Lord Tu’s face was gloomy. He couldn’t be distracted at all right now. “Kill them! We can’t let them meet the Anhua Grass Spirit! Otherwise, all our efforts will be in vain!”

“Yes, sir!” The four members of the Blood Souls immediately flashed crazily and rushed over! Yun Feng, who was hiding in the space blockade, waved her hand and her body appeared! She waved her hand fiercely and a thick fire wall directly stopped the four members of the Blood Souls!

“Yun Feng, it’s you!” Lord Tu glanced over and his hand trembled when he saw Yun Feng! He really wanted to rush over, but the current situation didn’t allow it at all! She was here!

The four members of the Blood Souls knew that they were facing Yun Feng. After a moment of surprise, they immediately attacked together! Yun Feng’s black eyes darkened. “The four of you aren’t my match.” Two beams of light appeared from the Rings of Contract, one red and the other green!

“What exactly is going on?” The core members of the Poisonous Scorpion walked over. The Anhua Grass Spirit caught up with them. Yun Qingchen appeared from somewhere and said with a smile, “Are you here to find treasures? If you don’t want them, I won’t hold back.” Yun Qingchen extended his hand and was about to grab the Anhua Grass Spirit. Seeing that, the Poisonous Scorpions immediately shouted furiously, “That’s ours!”

“Don’t move!” Lord Tu shouted furiously. The Poisonous Scorpions were stunned. Yun Qingchen burst into laughter and grabbed the Anhua Grass Spirit with his deep black eyes!

“F*ck, who wants to hear your nonsense? Kid, that’s ours!” One of the Poisonous Scorpions immediately roared furiously. He immediately pounced forward and reached for the stem of the Anhua Grass Spirit!

Lord Tu’s eyes widened. He wanted to stop it, but he still needed to complete the activation of the talismans in his hand. He was only a few seconds away. The power of the talisman would explode in a few seconds! In these few seconds, a hand grabbed the stem of the Anhua Grass Spirit fiercely. The moment the hand touched it, the Anhua

Grass Spirit suddenly opened its mouth and let out an extremely loud and ear-piercing howl!

“Swish...!” The three pairs of beast eyes that were still closed just then instantly opened! Moxi had already woken up!

“W-What’s that?” The members of the Poisonous Scorpion finally saw what the giant creature in the cave was clearly at this moment. When they saw the three ferocious snake heads of Moxi raise and the three pairs of beast eyes look at them fiercely, the legs of the members of the Poisonous Scorpion went soft and they scrambled out, not forgetting to grab the Anhua Grass Spirit firmly.

“Roar...!” The three ferocious snake heads let out a strong roar. The powerful aura of a God Emperor pounced over. The few people of the Poisonous Scorpion didn’t run far before they were instantly killed! Their flesh and blood flew everywhere!

A few consecutive screams came. The few members of the Poisonous Scorpion were bleeding all over the ground on the spot! The Anhua Grass Spirit in their hands broke free and jumped out. It jumped down quickly to Demon Breath’s side. After reaching Demon Breath’s side, its body went limp and it fell on the ground.

Moxi woke up. The mission of the Anhua Grass Spirit was over.

“Qingchen, let’s go!” Yun Feng extended her hand and pulled Yun Qingchen to her side. The two contracted Magic Beasts immediately retracted. A beam of light flashed and the two of them immediately entered the Dragon Palace!

The four members of the Blood Souls, who were still fighting with the contracted Magic Beasts, suddenly lost their targets. They were stunned! Gone! Yun Feng had disappeared!

“Roar...!” After waking up, Moxi immediately targeted the Blood Souls. Lord Tu turned around and ran out. The four members of the Blood Souls could only follow him in panic. However, Moxi was at the God Emperor Level. How could he let them run out so easily?

“Crack...!” The entrance of the cave had already been completely covered by the aura of the God Emperor-Level Magic Beast. Lord Tu cursed in a low voice and looked at the Magic Beast that had already gone berserk. Yun Feng... You ruined the Blood Souls’ plan again! Lord Tu was so angry that he almost vomited blood. He was just one step away from taking the Soul of the Magic Beast. However, all his efforts were in vain right now. He knew that Yun Feng was still hiding somewhere, but he couldn’t find her! And now, facing the attack of the Magic Beast and considering Yun Feng’s sneak attack, Lord Tu only felt that his head was about to explode!

If he couldn't get out, he could only fight head-on. However, fighting head-on would only benefit Yun Feng. Thinking of this, Lord Tu gritted his teeth in anger! What a cunning Yun Feng. Where exactly was she hiding?

"Roar...!" The three heads of the ferocious demon snake suddenly opened their mouths and three thick and long tongues swept across the sky! Three members of the Blood Souls didn't even have time to prepare. They were instantly wrapped in the tongues and directly pulled into the mouths of Moxi, who swallowed them!

Lord Tu's eyes were bloodshot. He couldn't think too much about the current situation anymore. Moxi had already woken up. He would definitely miss this opportunity. Even if he missed it, he couldn't let others benefit for nothing! Especially Yun Feng. She must be hiding in something and was still in this space!

Lord Tu opened his hand and the power of a God Emperor talisman suddenly shot out at the same time! The target of the power wasn't Moxi itself, but the entire cave!

"Boom! Boom! Boom! Crack! Crash!" The power exploded in the cave and stones flew in the cave. Moxi roared loudly. Its huge body immediately stood up from the ground and its three ferocious tongues roared furiously!

Lord Tu instantly closed his eyes. The dark elements spread out like a thick fog and immediately filled the entire space. In a few seconds, Lord Tu's body flashed and his black robe swung fiercely, sweeping up something in the air with a ferocious smile on his face! "Hahahaha! Are you hiding here? Yun Feng, let's see how you can get out!"

"Roar...!" The three mouths of Moxi opened. Lord Tu swung his black robe again and threw the thing that was wrapped accurately, directly sending it into the huge mouth of Moxi!

Chapter 1847: Soul Contest (1)

1847 Soul Contest (1)

"Hahahaha, hahahaha!" Lord Tu burst into laughter. The power of the other God Emperor talisman suddenly hit the barrier created by Moxi and the barrier instantly shattered! A stream of dark elements swept up the only remaining person of the Blood Souls. Lord Tu quickly rushed out and saw a stream of thick dark elements quickly escape from the cave that was about to collapse!

"Swish... Swish!" After rushing out of the cave, Lord Tu suddenly froze in the air. The ground was shaking violently and constantly sinking! The member of the Blood Souls, who had survived, couldn't help but take a deep breath. That was close...

Lord Tu looked down from the sky with a cold expression. The ground that was constantly sinking suddenly expanded and instantly cracked!

“Roar...!” The roars of wild beasts came, shaking the sky! Three ferocious tongues appeared first. There was only brutal light in the three pairs of beast eyes! The Magic Beast clenched its huge claws fiercely and its entire body suddenly withdrew from the constantly collapsing ground. The three giant snake heads all opened their bloody mouths and let out an unpleasant hoarse howl. A pair of flesh wings appeared on its back and it instantly rose into the sky!

“Whoosh!” The meat wings flapped greatly in the air and the huge body of Moxi rose into the sky again. It turned around and flapped its meat wings a few times. Its body moved at a high speed and it instantly disappeared.

“My lord, aren’t we going to catch up?” The person of the Blood Souls immediately exclaimed. Lord Tu only sneered. “Chase it? With what?”

The person of the Blood Souls immediately fell silent. Lord Tu stood in the sky silently and looked in the direction where Moxi disappeared with his black eyes. He frowned slightly. Even if he caught up with it, he wouldn’t be able to take down Moxi anymore. He could only wait for the next time it fell asleep. A God Emperor-level Magic Beast wasn’t something he could deal with. Three God Kings had died in just a short while just then. Moxi indeed couldn’t be underestimated. What was even more detestable was Yun Feng! If it weren’t for her, Moxi would definitely be taken down this time!

Thinking of Yun Feng, Lord Tu’s face darkened. He gritted his teeth so hard that they made creaking sounds. Then, he smiled weirdly. “A container that can transform into something else? She really has a lot of good stuff on her. Tu Wei and the others probably didn’t notice her because of this.” If he hadn’t thought of this possibility and without the sudden attack, it would be very difficult for him to notice the existence of this space container. He only did it when the dark elements filtered everything during the attack.

So what if she had such a dimension container? What else could she do in Moxi? If she came out, she would die! If she didn’t come out, she would wait for the Blood Souls to attack her head-on. After Lord Tu smiled weirdly, he swung his black robe. “Let’s go.”

When the member of the Blood Souls saw the sinister smile at the corners of Lord Tu’s mouth, he didn’t know what exactly happened that made him smile? They didn’t get Moxi and lost four God Kings. Lord Tu even used two God Emperor talismans. This time, he didn’t get any benefits at all and even lost a lot. How could he still smile in such a situation?

A black line flashed through the sky and disappeared. The collapsed ground also stopped and the entire ground caved in very deeply. There were also traces of the giant claws of Magic Beasts on it. Rocks and soil were scattered on the side in a mess. If they

didn't see it with their own eyes, nobody would be able to imagine what kind of situation happened here.

In the Dragon Palace, Yun Feng looked rather gloomy. She had never thought that Lord Tu would suddenly change the direction of his attack. Now, Yun Feng understood that his attack this time was completely to find out where she was!

Lord Tu used the attack of a God Emperor talisman and the rapid coverage function of his dark elements. In the dust that suddenly rolled endlessly, even the smallest thing couldn't escape his perception. At that time, Yun Feng didn't expect it at all. Even though she quickly controlled the dust formed by the Dragon Palace to roll continuously, the thing it transformed into was different from the natural dust after all. Just like that, the tiny but incompatible speck of dust was locked onto by Lord Tu.

She was discovered and then thrown into the belly of the demon. It was truly a situation Yun Feng didn't expect. Right now, the dust formed by the Dragon Palace was in the belly of the demon. Even though it was fine, she and Qingchen couldn't go out easily.

She could certainly use the Spatial Teleportation Array on the fourth level of the Dragon Palace, but once she was teleported out, it would probably be impossible for her to find Moxi again. It wasn't easy for her to find Moxi, so Yun Feng certainly couldn't leave just like that. Her Second Brother was still waiting for her. She couldn't return empty-handed just like that!

"Aunt." Yun Qingchen saw Yun Feng frown and said softly, "The Anhua Grass Spirit is already dead. Is it alright?"

The Anhua Grass Spirit was also brought in by Yun Feng. Before entering the Dragon Palace, Yun Feng quickly grabbed the Anhua Grass Spirit in her hand. The stem of the Anhua Grass Spirit quickly withered and the white and transparent color all over its body also faded in an instant, as if it had been drained of water in an instant and its life didn't remain for a moment.

Yun Feng frowned. Such an Anhua Grass Spirit was probably useless... "It must be alive. It seems that we can only wait for the next opportunity." Yun Feng exerted strength with her finger. The Anhua Grass Spirit's already withered body was crushed and scattered on the ground.

"Are we really in the belly of the Magic Beast right now?" Yun Qingchen was puzzled. Yun Feng nodded. "Absolutely. You might not feel it clearly, but the outside world is full of the aura of the God Emperor Moxi. It seems that it's moving."

Yun Feng suddenly fell silent. When would the next short hibernation of Moxi be? If it exceeded three months, what would happen?

“It’s impossible to estimate how long it will be until he sleeps again... Aunt.” Yun Qingchen frowned and looked at Yun Feng. “Even though only a few days have passed in the three months, we’ll be wasting our time if he doesn’t sleep.”

Yun Feng sighed. That was indeed the case. Time was extremely precious to her. She couldn’t miss a second! Thinking of her Second Brother, who was still dead, Yun Feng couldn’t help but feel a bit frustrated in her mind. She couldn’t wait like this!

“If it doesn’t want to sleep, we can only let it sleep forcibly,” said Yun Feng in a low voice. Yun Qingchen was stunned! “Forcibly... How can we let it sleep?”

“The reason why Moxi needs to sleep frequently is because of the pressure of the three souls inside its body. When the pressure is too great, Moxi needs to sleep. The hibernation this time was forcibly interrupted. It probably hasn’t recovered much vitality. It shouldn’t be difficult to make it sleep again.”

Chapter 1848: Soul Contest (2)

1848 Soul Contest (2)

Yun Qingchen’s eyes brightened! “Aunt, you mean we can take the initiative to make it tired? But... what can we do to consume its soul power...”

Yun Feng chuckled. “Speaking of which, it seems that we have to thank Lord Tu of the Blood Souls. If he hadn’t sent us into the body of Moxi, we wouldn’t have had the ability to consume the soul power of Moxi without damaging it at all.”

“Aunt, do you mean... from the inside?”

Yun Feng nodded. “That’s right. Our souls are all in our bodies. We’re in the body of Moxi right now. We’re like fish in water.” Yun Feng stood up after saying that. “I’ll go find out first. Qingchen, stay in the Dragon Palace.”

Yun Qingchen agreed. This was in the belly of Moxi. The situation outside was unknown. He would do whatever his aunt said.

A beam of light enveloped Yun Feng’s body and instantly disappeared from the inside of the Dragon Palace. The moment she came out of the Dragon Palace, Yun Feng was also prepared. Her mental strength immediately enveloped her body and a strong aura of a Magic Beast came right at her face. To Yun Feng’s surprise, it didn’t have any intention of attacking. The aura seemed very peaceful and even a bit lazy. It was very likely that because she was in its body, Moxi wouldn’t be on guard. Even so, Yun Feng didn’t let down her guard. Looking around, the space in Moxi was very large. There was

a layer of faint mucus on the wall of flesh, but it was very clean. There wasn't any disgusting liquid.

Yun Feng floated in the air and moved forward, passing through the cracks of many bones and some organs. The bodies of Magic Beasts were very different from those of humans. Some of their structures were also very strange. Yun Feng searched all the way forward and suddenly saw a few bulges on the flesh walls above her head, supporting each other to form a small space. Three red translucent things that looked like ribbons extended out of the small space and entered the body of Moxi.

Yun Feng looked at it for a while and jumped up, coming to the outside of the small space. The small space was a bit like a human heart. Its surface was full of flesh walls with clear blood vessels on them. Yun Feng could even see the flow of blood clearly.

The few pieces of flesh should be closed tightly, but there were some gaps right now. Yun Feng looked inside and could vaguely see something, but she couldn't see it clearly. Yun Feng watched attentively and suddenly heard some slight hissing sounds from inside, which were very similar to the sounds made by snakes.

Was this where the soul of Moxi was located? Yun Feng raised her brows and became even more vigilant in her mind. Looking at the pieces of meat that were still closed in front of her eyes, Yun Feng wondered how she could open these pieces of meat...

"Who are you?" Suddenly, a young voice came. Yun Feng was shocked!

"Who are you? Are you here to play with me?" The young voice spoke again. Yun Feng looked at the piece of meat in front of her with her black eyes. The voice came from here... What exactly was inside?

"Crash..." Before Yun Feng replied, the piece of meat slowly cracked. Yun Feng suddenly took a step back with vigilance in her eyes. The piece of meat slowly cracked in front of her. Yun Feng's black eyes were vigilant. She only saw a pair of dejected eyes looking at her with watery eyes. Yun Feng was stunned. These eyes... were very simple and young.

It blinked its watery eyes a few times and looked at Yun Feng very curiously. The flesh continued to crack. Yun Feng didn't see its full appearance until it was completely opened. This was a child with snake scales on his cheek. Even though he was in human form, he was full of the feeling of Magic Beasts. His facial features were also very beastly and traces of Magic Beasts could be seen everywhere.

"You look different from me." The little boy blinked curiously again and said with a smile. Yun Feng didn't know how to answer. The little boy chuckled. His eyes were pure and transparent. "Why aren't you talking? Haven't you learned to talk?"

Yun Feng raised the corners of her mouth gently. "Who are you?"

The little boy clapped his hands happily when he heard what Yun Feng said. "So, you can talk! I'm Xiao Xixi."

Yun Feng's temples suddenly throbbed a few times. Xiao... Xiao Xixi?

"One of them is called Xiao Xi, and the other is called Xiao Xiaoxi. However, they're still asleep and haven't woken up." The little boy said innocently. Yun Feng immediately understood that the Xiao Xi in front of her was the soul of Moxi!

Yun Feng was a bit shocked after confirming her thoughts. The three souls were probably very divided. Every soul had a different personality. The three souls could be accommodated in one body, which showed that Moxi was indeed very capable of controlling souls.

"What's your name?" The little boy tilted his head innocently and looked at Yun Feng with his big watery eyes. Yun Feng said, "My name is Yun Feng."

"Yun Feng... Yun Feng..." The little boy mumbled softly. In the end, he waved his little hand. "What a troublesome name. I don't want to remember it! Are you here to play with me?" A pair of snake-like little hands suddenly grabbed Yun Feng's hand. Yun Feng subconsciously wanted to retract her hand, but the fingers of those little hands suddenly clenched so hard that Yun Feng couldn't help but cry out in pain! He was so strong!

"You're not here to play with me?" The little boy's voice suddenly lowered a bit. Yun Feng was silent and felt an unusual atmosphere brewing and spreading from this little boy. "If you're not here to play with me, you should be my food." The little boy suddenly raised his head and spat out a scarlet tongue. His originally watery, pure and flawless eyes also changed color abruptly and completely transformed!

Yun Feng suddenly clenched her fists! The little boy was stunned!

"I'm here to play with you," said Yun Feng. The little boy was stunned for a moment before he suddenly smiled innocently. "As expected. I don't want to eat you either."

Some cold sweat couldn't help but appear on Yun Feng's forehead. She wasn't his match in terms of physical strength, and she might not be his match in terms of mental strength! Luckily, the soul of the demon aura had a naive and childish side. This was the lucky part.

"What are we playing? If you don't let me have fun, I'll still eat you." The little boy chuckled and looked very happy. Yun Feng's heart couldn't help but sink. "If you play too crazily, you'll get tired."

The little boy chuckled. "I'll when I'm tired. Xiao Xi, Xiao Xiaoxi and Xiao Xixi all do this!"

Yun Feng raised her brows. So that was the case... "What if nobody plays with you? It's me this time. What if nobody comes in to play with you next time?" Yun Feng guided him patiently. Xiao Xi chuckled again. "No, Xiao Xi and Xiao Xiaoxi are usually awake. The three of us play together, but this time... they didn't wake up." The little boy raised his black eyes and looked straight at Yun Feng. "What are we playing?"

Chapter 1849: Soul Contest (3)

1849 Soul Contest (3)

Yun Feng's temples throbbed fiercely again. "How do you usually play with Xiao Xi and Xiao Xiaoxi?"

The little boy tilted his head and pondered carefully. He chuckled again. "We usually play a lot of games. Let's see whose tongue is longest!"

Yun Feng's temples throbbed. The little boy shook Yun Feng's hand. "Stick out your tongue quickly!" A scarlet tongue stuck out of the little boy's mouth. Yun Feng's temples couldn't help but pound again when she saw that. "Stick it out quickly!"

Yun Feng frowned. "You win. Your tongue is longer than mine."

"Then let's play something else. Let's see who has the longest neck!" As soon as she said that, the human head suddenly transformed and a ferocious snake head appeared in front of Yun Feng, like a demonic aura that was one size smaller and only had one head.

The long snake neck was covered in scales. The little boy's joyful laughter came again. "Come and compete with me!"

Yun Feng's temples throbbed again. "You win."

"Swish!" The long neck suddenly retracted and the human form appeared again. The little boy opened his mouth unhappily. "I'm not happy to play with you at all. I want Xiao Xi and Xiao Xiaoxi to play with me..."

Yun Feng's temples suddenly throbbed a few times! No! If all three souls woke up, she wouldn't be able to let Moxi sleep in a short period of time!

"How boring is it to play with you alone? It's more interesting to have a lot of people to play with you. There are usually two of them to play with you. How about I let a lot of people play with you?" Yun Feng quickly said. The little boy blinked and looked at Yun Feng. "Would it be more interesting if a lot of people play with me?"

Yun Feng nodded hard and felt that her face was almost frozen from smiling. “Yes, how would you know if you don’t try?”

“Alright, alright!” The little boy immediately let go of Yun Feng’s hand and clapped his hands happily. “Then ask them to come out quickly. Come out and play with me!”

Yun Feng raised the corners of her mouth. There was nothing she could do. The few contracted Magic Beasts and Yun Qingchen all went on stage and she briefly explained the situation of Moxi’s soul. Yun Qingchen smiled awkwardly. “Aunt...” He probably couldn’t.

Yun Feng sighed. “No matter what, we have to play with him and let him have fun! Until he falls asleep from exhaustion!”

The few contracted Magic Beasts all smiled wryly. In the end, Sister Hua was the first to change her mind. She walked up with a smile. “Aiya, let me play with you. Let me tell you...” The few contracted Magic Beasts all went into battle. Yun Qingchen also released his Little Lei and Bing Lie. After he explained the current situation, Little Lei directly turned around and wrapped around Yun Qingchen’s wrist, looking like he could do whatever he wanted. Bing Lie also wanted to reject him. Yun Qingchen gritted his teeth and threw him over.

As time passed, there was joy and laughter in the body of Moxi, but there was a strange scene. A half-grown child was running around. The few of them surrounded him and let him do whatever he wanted. The little boy immediately climbed onto Er Lei’s head, grabbed his messy hair and pulled it fiercely, chuckling. Er Lei’s body trembled. It was too f*cking painful!

“Master, he’s not sleepy at all.” Lan Yi wiped the sweat on his forehead. They had been playing with him day and night for a full month! And yet, he was still so energetic and didn’t show any signs of exhaustion at all!

“Yun Feng! I can’t stand it anymore!” Er Lei roared. The little boy, who pulled his hair fiercely, smiled even more happily. Yun Feng couldn’t bear to watch anymore. Her few contracted Magic Beasts were tortured miserably by Xiao Xi. Xiao Xi didn’t care about self-control at all when he attacked. He was astonishingly strong. Her few contracted Magic Beasts were already tortured, let alone Bing Lie, who could only keep running.

“Even if you can’t stand it, you have to!” Yun Feng gritted her teeth. There was nothing she could do. She was also anxious in her mind. A month had passed and Xiao Xixi didn’t even intend to sleep at all. He was having more and more fun. There were still two months. She couldn’t wait anymore!

“Don’t chase after me! Help!” Bing Lie’s voice came. He ran around in a sorry state, while Xiao Xixi chased after him happily. Such a chase happened several times a day.

With Moxi's ability, how could he not catch up with Bing Lie? It could be seen that he was really playing.

"Master, I'm done!" Bing Lie wailed. Yun Qingchen sighed on the side and turned his head aside a bit reluctantly.

"Master, you can't do this to me!" Bing Lie's wail was still there. Xiao Xixi chased after him happily and smiled. Yun Feng suddenly frowned. What should she do to make him sleep? Should she knock him out?

"Xiao Feng, this can't go on." Yaoyao couldn't bear to see Bing Lie in such a sorry state. Yun Feng sighed. There was nothing she could do. Apart from this, she really couldn't think of a way to make Moxi fall asleep. If she forcibly attacked, it was very likely to wake up the other two sleeping souls. By then, it would be truly troublesome.

They couldn't even deal with one of them, let alone when all three of them woke up.

"Swish!" Bing Lie turned around and directly jumped behind Yun Feng. "Bang!" Xiao Xixi, who was chasing behind, exerted his strength and bumped into Yun Feng's arms. Yun Feng was almost knocked away by him. She finally stabilized her body. Yun Feng suddenly felt a chill in her arms.

"Hm? You have something good on you!" Xiao Xixi's eyes glittered as he suddenly reached a hand towards Yun Feng's chest. Yun Feng was shocked! She wanted to stop him, but it was already too late. A coldness followed Xiao Xixi's little hand straight into Yun Feng's body!

"Master!" The few contracted Magic Beasts all exclaimed. Yun Feng waved her hand, asking them not to come close. She held her breath and focused. Yun Feng knew that he was playing. He wasn't serious. He was just testing her like a curious child.

"Xiao Xixi, take your hand out quickly," said Yun Feng in a low voice. The little boy chuckled. "Wait, wait. I'm looking for something fun."

The cold feeling spread out of Yun Feng's body. She could clearly feel a cold little hand in her soul. That hidden feeling was emitted from his hand. He continued to explore with anticipation on his face. "Hm? Why is there a door?"

Yun Feng was shocked! "No!" She was about to pull Xiao Xixi's little hand out by force, but a damp and cold feeling suddenly wrapped around her neck. It was the long red tongue in Xiao Xixi's mouth!

Chapter 1850: Soul Contest (4)

1850 Soul Contest (4)

“Don’t move, don’t move, or I’ll be unhappy.” He blinked his watery eyes and exerted strength with his little hand, directly pushing open the door he came into contact with abruptly. Yun Feng only felt a flash of light in front of her eyes, followed by darkness. Her entire consciousness was forcibly pulled in and she completely fell into darkness.

“Hm? Why isn’t there anything?” Xiao Xixi probed further with his little hand and didn’t find anything that interested him. He couldn’t help but retract his long tongue and pout. “I don’t believe it. You must have something good on you...”

Xiao Xixi was exploring persistently, but he didn’t notice that Yun Feng, whom he was exploring at this moment, had already changed. Her black eyes instantly turned red, so completely that the aura around her also changed in an instant.

“Hm? Why do I feel that... something is wrong?” Xiao Xixi said in a low voice as he slowly raised his little face. “Yun Feng” was staring at him with her blood-red eyes. The cruelty and killing intent surging in her eyes were so obvious!

“Argh... Argh... Argh!” Xiao Xi’s eyes were wet. He suddenly retracted his little hand and quickly left Yun Feng’s side. He ran to the place where he originally stayed at an extremely high speed and his entire body was trembling!

“Yun Feng” stood up slowly and walked towards Xiao Xixi step by step. As “Yun Feng” got closer, Xiao Xixi’s body trembled even more violently! “Don’t come over. Boohoo... Don’t come over...”

“Xiao Feng...” Yaoyao frowned and was about to walk over, but Lan Yi pulled her back forcefully. “That’s not Master. Look at those eyes. That’s the Red-Eyed in Master’s body!”

Yaoyao was stunned! “Red-Eyed occupied Xiao Fengfeng’s body!”

Lan Yi looked up and looked at the other Magic Beasts. The few contracted Magic Beasts all had the same worry in their minds. Yun Qingchen also frowned. That wasn’t his aunt! That was a completely unfamiliar soul!

“Wuwuwu... Don’t come over, don’t come over...” Xiao Xixi’s little body had already curled up and was trembling. “Yun Feng” looked at it with her bloodshot eyes and a hint of greed rose faintly. That was the desire to swallow it!

“You can’t touch it!” Lan Yi said loudly. “Yun Feng” turned around. Lan Yi frowned. “Master needs its soul. Master needs the head of Moxi to save her Second Brother!”

“What does it have to do with me whoever she wants to save?” The hoarse voice came again. “Yun Feng” turned around and looked at Xiao Xi. “I won’t miss such delicious food.”

“I won’t let you succeed!” A voice came. Yun Qingchen flashed in front of Xiao Xixi and looked at Yun Feng in front of him with his black eyes. “No matter who you are, leave my aunt’s body immediately!”

“Yun Feng” raised her brows. Her blood-red eyes were full of disdain. She waved her hand and an invisible force suddenly hit Yun Qingchen. Yun Qingchen wasn’t even able to dodge and was directly sent flying, falling heavily on the meat wall!

“Swish, swish, swish!” Yun Feng’s few contracted Magic Beasts all rushed over. Lan Yi frowned. “Red-Eyed, you still have to stay in Master’s body right now. If you swallow the soul of Moxi, Master will definitely not give you freedom again after knowing about it! She’ll imprison you in her body forever!”

“Yun Feng” burst into laughter as a glint of light flashed through her blood-red eyes. “After swallowing this Beast Soul, I’ll be one step closer to breaking free from her control! By then, I won’t need her and I’ll be free!”

The expressions of the few contracted Magic Beasts immediately changed. “Yun Feng” laughed crazily again. “You want to attack? How dare you attack this body? You must know that even though it’s me inside, this is still Yun Feng’s body.”

“Despicable!” Little Fire suddenly roared. The few contracted Magic Beasts were all very depressed. They certainly couldn’t attack Yun Feng. Even if Red-Eyed occupied Yun Feng’s body, they wouldn’t hurt their master’s body!

Yun Qingchen, who was sent flying, stood up and wiped the blood at the corners of his mouth. He narrowed his eyes and looked at “Yun Feng”. That’s right. No matter what, he and his aunt’s contracted Magic Beasts wouldn’t attack her. However... “Little Lei.” Yun Qingchen mumbled. The body wrapped around his wrist slowly moved and a faint purple color lingered around it. Yun Qingchen curled his lips. “Look at the target and bring Xiao Xixi here.”

Little Lei nodded and its body suddenly flashed and disappeared! Coldness appeared in Yun Qingchen’s eyes. He couldn’t hurt his aunt, which meant that he had to protect the soul of the demon aura until her aunt woke up!
