## Chapter 1901: Yun Luochen's Counterattack (2)

1901 Yun Luochen's Counterattack (2)

"Don't talk nonsense!" Tian Kui roared with an extremely embarrassed expression. Such an expression made Rong Xin a bit shocked. Even though Xia Qing was not bad, why exactly did Tian Kui like her?

"Tut-tut, do you want me to send a message for you? Even though Xia Qing looks very smart on the surface, she's actually very simple-minded." Rong Xin laughed evilly. Tian Kui's face turned red! His black eyes glittered with anger. In the end, he simply attacked! Rong Xin burst into laughter and dodged easily, confirming his thoughts.

"Go do your thing quickly! Otherwise, don't blame me for reprimanding you when the Fifth Elder comes back!"

Rong Xin frowned. This guy was enraged! "Alright, alright, I'll go back right now." Rong Xin turned around and went out. As soon as he stepped out of the door, he saw Hua Ling, who was stiff and had a complicated expression. Rong Xin frowned. "When did you come back? Didn't you leave?"

Hua Ling bit her lips hard and stood there with her head lowered. In the end, she raised her head and glared at Rong Xin angrily, then turned around and ran away. Rong Xin was confused. "Why are you staring at me? I didn't provoke you... How strange!"

Rong Xin walked all the way back to the yard where the Fifth Elder's disciples lived. He heard the sound of practicing martial arts from afar. Rong Xin couldn't help but chuckle. With Xia Qing here, he was really much more free. That little girl really did a good job.

"Senior Brother Rong Xin, where did you go for a walk again?" A charming voice came. Then, a young girl walked over with a very rude tone. Rong Xin burst into laughter and went forward to stroke the girl's hair. "Kid, I was not going for a walk. I went to do something serious."

Xia Qing, who had her hair rubbed, could only shake her head helplessly and gently pushed Rong Xin's hand away. The girl looked better with a hint of coldness in her expression, looking a bit like Yun Feng. This was the only disciple Yun Feng accepted, Xia Qing.

Xia Qing said goodbye to Yun Feng in the Outland and came to the Central Continent with her companions for training. Then, she joined Juxing School to cultivate. Xia Qing's strength had increased very much after this series of cultivation. She had always had the belief that she couldn't let her teacher down!

The establishment of the East and West Alliance made Xia Qing even more proud and motivated. As her teacher's disciple, she couldn't let her teacher be humiliated. Xia Qing rarely

mentioned to outsiders that Yun Feng was her teacher anymore, especially after she entered Juxing School. Xia Qing didn't mention it to anyone.

If being Yun Feng's disciple was a kind of halo, Xia Qing didn't want to be bathed in such a halo all day. When she could grow into a powerhouse that could make her teacher proud, she would puff out her chest and lift her head to tell the world loudly that her teacher was Yun Feng!

"Kid, I've pushed everything to you, but you didn't reject me at all. You seem to be enjoying it." Rong Xin asked with a smile. Xia Qing smiled lightly. "Senior Brother Rong Xin can't appreciate the Fifth Elder's hard work. I certainly can't be like him."

Rong Xin looked embarrassed. He scratched his hair with his hand. Wasn't this girl a bit too talkative?

"Your mouth reminds me of my junior sister..." Rong Xin mumbled. "Seriously, you're a bit like my junior sister."

Xia Qing's heart heated up. She certainly knew who Rong Xin was talking about. Was she really similar to her teacher? The corners of Xia Qing's mouth curled up happily as she glanced at Rong Xin. However, her teacher had such a senior brother. She really didn't expect it...

Yun Feng was also the reason why Xia Qing helped Rong Xin so much. She couldn't help with the East and West Alliance right now. The five elders went to help the East and West Alliance. If she could do something for the Fifth Elder, she would be able to help her teacher.

So, no matter how much Rong Xin pushed to her, Xia Qing was willing to do it and completed it quite well.

"Alright, leave the rest to me. Go rest." Rong Xin waved his hand. Xia Qing shook her head. "I'm not tired."

Rong Xin raised his brows. "Kid, are you suspecting that I can't do it well?"

Xia Qing chuckled. "Of course not. I can rest, but only after seeing that Senior Brother Rong Xin can do it."

Rong Xin was embarrassed again. His master accepted this little girl to embarrass him! Even though his little junior sister also had a sharp tongue, she was much better than this little girl! The corners of Rong Xin's mouth curled up and his black eyes glittered. "Kid, I went to see Tian Kui just then. Tian Kui seems to care about you."

Seeing Rong Xin wink, Xia Qing smiled gently. "Really? It's normal for a senior brother to care about his junior sister, right?"

Rong Xin was stunned. "You really don't know? Tian Kui..."

Xia Qing turned her head to the side. "Senior Brother Rong Xin, go and supervise the cultivation of the other disciples. The Fifth Elder said that he'll check the results when he comes back. If they don't improve at all, he'll punish you."

Rong Xin's expression immediately changed. He didn't care about anything else and turned around to leave. Xia Qing stood there and watched Rong Xin leave. She couldn't help but sigh.

Senior Brother Tian Kui was a good person, but her heart couldn't allow anyone else to enter anymore. Not anymore.

Xia Qing raised her head and looked at the vast and high sky above her head with her black eyes. The last time she met Little Fire was so fresh in her mind. She might not be able to see those eyes that were like polished stones anymore... Brother Little Fire already hated her.

"Master." A deep but gentle female voice came into Xia Qing's mind. Xia Qing curled her lips. "I'm fine, Flower Eagle. I just thought for a while. I already know the result and don't have any expectations anymore. I understand."

The Flower Eagle fell silent. Xia Qing suddenly felt a bit gloomy. Even though she thought about it, she didn't do a good job in reality. The hole in her heart stirred again. Xia Qing went to the Forbidden Forest behind Juxing School alone. That was a good place to clear her mind.

A vicious gaze stared at Xia Qing's leaving figure and followed her all the way to the Forbidden Forest.

Xia Qing went all the way to the Forbidden Forest. Even though the Forbidden Forest was a place that disciples of Juxing couldn't step into casually, for Xia Qing with her current strength, it wouldn't be dangerous if she didn't go too deep. After stepping into the Forbidden Forest, Xia Qing walked all the way forward and the figure also followed her closely.

## Chapter 1902: Yun Luochen's Counterattack (3)

### 1902 Yun Luochen's Counterattack (3)

"Master." The Flower Eagle's voice sounded in Xia Qing's mind. Xia Qing said telepathically, "She's been with me for a while, even though I don't know why she's following me."

"She didn't come with good intentions," said the Flower Eagle. Xia Qing chuckled. "I don't remember offending her. If you said she didn't come with good intentions, it seems that she really didn't come with good intentions." Xia Qing suddenly stopped. The figure behind her saw that she suddenly stopped and almost rushed out unsteadily. She quickly stabilized herself and hid behind a thick tree trunk, observing Xia Qing carefully.

Xia Qing turned around and looked at the tree trunk where the figure was hiding with her black eyes. She smiled lightly. "Come out. You followed me all the way here. What are you doing?"

The figure was startled and didn't move. That woman noticed her? She followed her carefully along the way and kept a certain distance. That woman shouldn't have noticed her at all! It was very likely a trick!

Seeing that she still didn't move, Xia Qing twisted her wrist and a wisp of wind element surged in her palm. "Do you have to force me to attack before you're willing to come out?"

After waiting quietly for a while, there was finally movement in the bushes. A figure slowly walked out from behind the tree trunk with a gloomy expression. Xia Qing put away the wind element and looked at the person with her black eyes. "Senior Sister Hua Ling, why did you follow me here?"

A fire rose in Hua Ling's heart. The more she looked at Xia Qing, the more it burned. Hua Ling bit her lips hard. Why did her Senior Brother like this poor girl? What was so good about her? She had been with her Senior Brother day and night, but his heart wasn't moved by her! Why did her Senior Brother like this girl who couldn't compare to her at all? She must have seduced him!

Thinking of this, the resentment in Hua Ling's heart suddenly increased. Xia Qing keenly noticed that Hua Ling's attitude had changed and she was full of strong hostility towards her.

"I don't usually have any contact with Senior Sister Hua Ling. I'm puzzled by Senior Sister Hua Ling's gaze," said Xia Qing unhurriedly. Hua Ling sneered. "So what? You don't need a reason to dislike someone."

Xia Qing frowned. This Hua Ling had never interacted with her at all, but she was right. There was no need for a reason to hate her.

"In that case, it's better if you and I don't talk." Xia Qing didn't want to have a conflict with her. After all, she was the disciple of the First Elder and also the First Elder's proud disciple. If she had a conflict with her, it would definitely be difficult to explain to the Fifth Elder.

There couldn't be any conflict in Juxing School. This thought flashed through Xia Qing's mind. She turned around and was about to leave, but Hua Ling didn't intend to let her go easily. She twisted her wrist and took out her weapon!

Xia Qing frowned. "Senior Sister Hua Ling, are you going to attack?"

Hua Ling sneered. "Little bitch, let's see what's so good about you today!"

Such a personal attack made Xia Qing's face darken. She pursed her lips and didn't intend to argue with Hua Ling. "Get out of my way." Xia Qing didn't stand on ceremony anymore. She didn't want to have a conflict with Hua Ling, but it didn't mean that she had to endure the humiliation and be so polite to her!

Hua Ling was already angry in her mind. Xia Qing's attitude made Hua Ling even more furious. Without another word, she infused her fighting energy into her weapon and instantly attacked Xia Qing! Xia Qing's face darkened. Green wind elements came out of her body and enveloped her entire body, dodging Hua Ling's fighting energy attack.

With a loud eagle cry, a gloomy woman appeared next to Xia Qing. Her eyes glittered like a kaleidoscope. Hua Ling burst into laughter when she saw that. "You're just a single-element summoner... Today, I'll teach you a lesson for seducing people!"

Xia Qing's black eyes darkened. The Flower Eagle was already enraged. This crazy woman kept insulting its master! The Flower Eagle didn't stand on ceremony. It immediately appeared in its original form as a Magic Beast and grabbed at Hua Ling with its sharp claws. Hua Ling turned the weapon in her hand around and waved her fighting energy, forcing the Flower Eagle to retreat. At this moment, a wind blade came. Hua Ling quickly dodged, but the wind blade still cut her skin.

Seeing that she was injured, Hua Ling only felt humiliated! No matter what, she had to step on Xia Qing! She had to punish this woman for seducing her senior brother!

“Ha!” Her fighting energy burst out to the extreme. Xia Qing’s heart sank. Hua Ling was stronger than her by two grades. Her fighting energy burst out completely. It wouldn’t be easy for Xia Qing to win if she joined forces with the Flower Eagle. Besides, Hua Ling was the disciple of the First Elder and her fighting posture was very mature. Xia Qing clenched her fists. No matter what, she couldn’t lose! She wouldn’t give in to someone who offended her!

The outburst of fighting energy was all gathered on the weapon in her hand. Hua Ling looked at Xia Qing and the Flower Eagle coldly. She must teach her a lesson and let her know the consequences of seducing her senior brother! How about destroying this face? Hahahaha!

At this moment, Hua Ling was already a bit crazy. Her feelings for Tian Kui had accumulated for a certain period of time, but she still didn’t get a response. She thought Tian Kui would fall for her one day, but she didn’t expect Xia Qing to come. At this moment, Hua Ling felt that everything was Xia Qing’s fault. If it weren’t for her, Tian Kui would undoubtedly have chosen her!

“Heaven-Respecting Sword!” Hua Ling shouted furiously as the longsword in her hand suddenly let out a furious buzzing sound. The sword trembled fiercely a few times! The fierce power of her fighting energy increased as the sword trembled and was gathering on the tip of the sword at this moment!

Xia Qing was shocked. This was a high-level combat technique! It was one of the combat techniques used by the Great Elder. She already wanted to kill her!

Xia Qing was puzzled in her mind. Even though she was puzzled, the other party had already wanted to kill her. Why should she be polite?

“Flower Eagle!” Xia Qing shouted furiously. The Flower Eagle’s snow-white body immediately stopped where it was. Its snow-white wings flapped and a huge wind rose! Xia Qing jumped into the huge wind. Wind elements surged in her palm and a huge wind element jumped out of Xia Qing’s palm. It was swept up by the huge wind, forming a huge green energy wind!

The collision of fighting energy and wind-element energy caused the ground to shake! The strong wind caused all the sand to rise. Hua Ling’s vision instantly blurred. Her strength was above this little girl’s. It was impossible for her to lose!

“Swish!” A beam of green energy cut through the shaking fog and rushed over! Hua Ling was shocked and her body immediately dodged to the side. Before she could take a breath, a pair of sharp claws had already descended from the sky and embedded deep into her skin, pressing her body to the ground heavily!

## **Chapter 1903: Yun Luo Chen's Counterattack (4)**

### 1903 Yun Luo Chen’s Counterattack (4)

“Argh!” Hua Ling couldn’t help but scream. The sharp claws of the Flower Eagle tore through her flesh without hesitation. Even though Hua Ling was a warrior, she was a woman after all. Her skin was certainly in pain when it was scratched like this, not to mention that the claws of the Flower Eagle were embedded in her flesh, showing no mercy!

Hua Ling was pressed to the ground by the Flower Eagle. Blood flowed like a river on her shoulder and the strong smell of blood filled the air. Xia Qing took a few deep breaths. If the woman hadn't been negligent, she might not have been able to take her down. "Let go of me! Let go of me!" Hua Ling struggled. Brutality flashed in the eyes of the eagle. It scratched mercilessly with its sharp claws and a wave of pain came! "Argh...!" Hua Ling couldn't help but roar. Xia Qing approached with a cold face. "I advise you not to struggle. The Flower Eagle doesn't have a good temper."

Hua Ling turned her head in panic and her eyes were full of hatred! Xia Qing raised her brows. "There's no grudge between us. Why are you trying to kill me?"

"No grudge? If you hadn't seduced Eldest Senior Brother in secret, how would Eldest Senior Brother have fallen in love with you?" Hua Ling gritted her teeth and roared. "If it weren't for you, Eldest Senior Brother wouldn't have ignored me! First, it was Yun Feng, then it was you, little bitch. What's so good about you? Eldest Senior Brother can only see you, but not me!"

Xia Qing was stunned. Master? Did this woman also have killing intent towards her master? "How can people like you compare to Yun Feng?" Xia Qing said coldly. "I've never done anything you said, let alone Yun Feng. You're not allowed to insult her!"

"What's so good about Yun Feng? Is she someone I can't talk about? She's the supreme figure in Juxing School. First, it was her, then it was Yun Qingchen. And now, the five elders are running around for her. All the heavy responsibility is on Senior Brother. Has she shown up? Does everyone in the world have to serve Yun Feng? Everyone has to be respectful to her?! Bah!"

Xia Qing frowned. "Don't judge others with your pettiness. If Yun Feng was really an ungrateful person, there wouldn't be so many people who were willing to do anything for her and listen to her call! You think too highly of yourself!"

"Another lackey of Yun Feng!" Hua Ling was blinded by jealousy and immediately spoke without thinking. The anger in Xia Qing's chest suddenly burnt. The Flower Eagle looked at Hua Ling coldly. "Master, why don't we just take her life? She won't insult your teacher again."

"Master?" Hua Ling was stunned. Xia Qing's black eyes darkened. Kill her? If she really took her life, there would probably be trouble in Juxing School. She was Yun Feng's disciple. Would her teacher criticize her because of this?

"Junior Sister Xia Qing! And Hua Ling! What's going on?" A shout came, followed by a few figures rushing over. Hua Ling turned around. Senior Brother Tian Kui, Senior Brother Rong Xin and one other person were... "Luochen?" Xia Qing was a bit surprised in her mind. The other person was Yun Luochen, who looked a bit gloomy.

The Flower Eagle let go of Hua Ling and returned to the Ring of Contract. Tian Kui couldn't help but frown when he saw Hua Ling's injuries. Rong Xin didn't look good either. Xia Qing attacked? She wasn't the kind of person to attack casually, not to mention that she was so ruthless to her fellow disciples.

"Eldest Senior Brother..." Hua Ling was crying. Tian Kui pursed his lips. "What exactly is going on?"

“Eldest Senior Brother... Xia Qing was too vicious. I only said a few words.” Hua Ling cried like rain. Coupled with the ferocious wounds on her body, she was indeed very convincing. Rong Xin touched his chin with his hand. “There are obvious traces of battle here. The residue of fighting energy... shows that you attacked too.”

Hua Ling’s face darkened. “Since she attacked, I certainly have to fight back.”

Rong Xin frowned. How could Xia Qing take the initiative to provoke her? Hua Ling, on the other hand... looked resentful... What exactly was the grudge between her and Xia Qing? “Really?” Tian Kui said. Hua Ling shed another stream of tears. “Senior Brother, you still don’t believe me? I’ve never wanted to hurt her and she’s still so aggressive. If I wanted to fight back, I wouldn’t be in such a sorry state!”

“I didn’t,” said Xia Qing. She didn’t say anything else. There were only two words. I didn’t.

Yun Luo Chen stepped forward and looked at Hua Ling with his black eyes. “I shouldn’t interfere with the matters of Juxing School, but you should know Qingqing’s personality.”

“Tian Kui, take Hua Ling back first. It’s better to deal with her injuries as soon as possible,” said Rong Xin. Tian Kui’s face darkened and he immediately picked Hua Ling up. “Alright, I’ll take her back first.”

“Senior Brother... She...” Hua Ling still wanted to say something, but Tian Kui suddenly turned his black eyes to her. Hua Ling immediately shut up and didn’t say anything else.

“I’ll go back with them,” said Rong Xin. Then, he followed them. Xia Qing smiled lightly. “Why are you here?” Yun Luo Chen’s arrival surprised her. Wasn’t he supposed to be in the Yun family? Why was he in Juxing School?

The young man, who had already grown up, became more and more mature and steady. There seemed to be gentleness and warmth on his handsome facial features. He looked at Xia Qing deeply with his black eyes and said in a deep voice, “I missed you, so I’m here.”

## **Chapter 1904: There's a Long Way to Go (1)**

1904 There’s a Long Way to Go (1)

Xia Qing’s body suddenly stiffened. She looked at Yun Luo Chen and didn’t say anything for a long time. Yun Luo Chen suddenly chuckled. “I was just kidding, but I’ve missed you after not seeing you for so long.”

Xia Qing’s stiff body suddenly relaxed and she chuckled at Yun Luo Chen. “Yes, it’s been a long time. Are you alright? Haven’t you been in the Yun family before? Is there anything you need here?”

Yun Luo Chen scratched his head. “I indeed have something to do in Juxing School. I originally wanted to find the five elders of Juxing, but unfortunately, they’re not here.”

“Is it something very important? Can I help?” Xia Qing quickly said. Yun Luochen shook his head with a smile. “It’s not a big deal. However, what exactly happened to you? That woman attacked you and... she seems to hate you a lot.”

“Nothing. She was just boring.” Xia Qing waved her hand. “Don’t worry about it. Do you know where my teacher is right now?” Every time Xia Qing met someone related to Yun Feng, she would ask. Yun Luochen scratched his head again in embarrassment. “I really don’t know about that... Yun Feng went to the Naxi family with Qu Lanyi. She’s probably still in the Naxi family.”

“The Naxi family?” Xia Qing was surprised. “Isn’t the Naxi family a hidden family among the four families? Master is also related to them?”

Yun Luochen was slightly shocked. “Don’t you know that Qu Lanyi is the Young Master of the Naxi family?”

Xia Qing’s heart trembled. She really didn’t know about this news. She had been focused on resting and rarely heard news from the outside world, especially in Juxing School. Xia Qing had even less contact with the outside world. She, who was focused on cultivation, rarely paid attention to it. She suddenly felt ashamed in her mind. Did she know too little about her teacher?

“It’s normal that you don’t know...” Seeing that Xia Qing was a bit lonely, Yun Luochen quickly comforted her. “I only found out about this recently. Yun Feng didn’t tell anyone. The last time she came to the Yun family, she even mentioned you and was very concerned about you.”

Xia Qing curled her lips and nodded. “Yes, let’s go. Let’s go back first.”

The two of them returned to the inside of the academy. Hua Ling had already been taken back by Tian Kui. Even though her bones were exposed, her foundation wasn’t injured. However, Hua Ling had been moaning in pain, so Tian Kui had to stay with her. Hua Ling was put in the First Elder’s yard. When Xia Qing and Yun Luochen came back, Rong Xin was already waiting in the Fifth Elder’s yard.

“Kid, did she attack first?” Rong Xin frowned and said. Xia Qing pursed her lips and didn’t want to talk about anything else. “How is she? She should be fine.” Xia Qing asked. Rong Xin frowned. “What else can happen to Hua Ling? She keeps complaining about her superficial wounds. Her Young Lady temper has really risen after so many years. She’s more and more like Yu Lian back then.”

“Yu Lian?” Yun Luochen and Xia Qing were both puzzled. Rong Xin snorted in disdain. “The disciple who was removed from the First Elder’s sect had been targeting my junior sister. She’s the kind of person who overestimated herself. She deserved being expelled.”

“She should be fine soon,” said Xia Qing casually. Rong Xin couldn’t help but sigh. “Your personality is very similar to that of my junior sister. She was the one who attacked first. Why do you have to tolerate her like this? If it were me, I would have returned the favor.”

Yun Luochen chuckled. “Why waste time and energy on such a person? Yun Feng has always been like this. As her disciple, Qingqing is certainly the same.”

“Disciple?!” Rong Xin screamed! He looked at Xia Qing in shock. “You’re Yun Feng’s disciple!”

Xia Qing nodded. "I've never said anything about this. I just didn't want to attract too much unnecessary attention."

Rong Xin immediately walked around Xia Qing a few times and mumbled, "No wonder, no wonder... I was wondering why there was a shadow of my junior sister behind you. It turns out you're my junior sister's disciple! My junior sister already has a disciple. Tut-tut... As expected of my junior sister."

Xia Qing was helpless. "As my teacher's disciple, I still need to work harder. I'm far from qualified right now."

Rong Xin burst into laughter and patted Xia Qing's shoulder. "Why are you so humble? Junior Sister should be quite proud to have you as her disciple. Tell me how she usually teaches you!"

Xia Qing raised the corners of her mouth awkwardly. The days she spent with her teacher were at the beginning. Ever since she decided to embark on the road of cultivation alone, she had only met her teacher once. However, even though they didn't meet, what Yun Feng did had always been Xia Qing's guide.

"Qingqing left Yun Feng to cultivate alone a long time ago. In terms of teaching... I should say that she taught her from afar," said Yun Luo Chen. Rong Xin was very curious and wanted to ask again. Yun Luo Chen quickly said, "Brother Rong, the five elders aren't here for the time being. Is it inappropriate for an outsider like me to stay in Juxing School?"

"What's inappropriate? You can stay as long as you want! Just stay here and wait for the five elders to come back," said Rong Xin loudly as he looked at Xia Qing with glittering eyes. Xia Qing knew that he would definitely ask again. She couldn't help but take half a step back slightly. "Senior Brother Rong Xin, I still have something to do. I'll go first." Xia Qing turned around and ran. Seeing that, Yun Luo Chen immediately followed her. Rong Xin looked at the two of them who left in a hurry and couldn't help but sigh helplessly. He touched his chin with his hand. Thinking of Hua Ling, the worries in his heart rose again. This woman had really changed a lot over the years. He thought she had a gentle personality, but he didn't expect her to be so ruthless.

Rong Xin turned around and walked towards the First Elder's courtyard. It seemed that Xia Qing severely injured Hua Ling. He should also do something.

"How troublesome." Rong Xin complained as he scratched his head. "Xia Qing is Junior Sister's disciple. I should've guessed it... If Hua Ling knew that she attacked Junior Sister's disciple, she would've been in trouble."

Rong Xin chuckled and left along the way. "It's been so long... I'm afraid Junior Sister's strength will reach the same level as the five elders?" Rong Xin suddenly shook his head. "Yes... Perhaps even higher."

The news of Hua Ling's injury spread in Juxing School. For some reason, the version of the matter became that Xia Qing took the initiative to hurt someone. Hua Ling was the weak and passive victim. The disciples of the First Elder were more or less a bit dissatisfied with the disciples of the Fifth Elder. After all, Hua Ling had a high prestige among the disciples.

## Chapter 1905: There's a Long Way to Go (2)

1905 There's a Long Way to Go (2)

There had been a lot of conflicts between the First Elder's disciples and the disciples of the Fifth Elder in the dark. Other people didn't know Xia Qing's personality, but the disciples of the Fifth Elder knew very well. They certainly didn't believe the rumors outside. The atmosphere between the disciples of the two elders slowly became intense. Tian Kui's face became gloomier and gloomier. Hua Ling looked pitiful and weak, while Rong Xin looked like he didn't care.

Xia Qing didn't explain at all. In her opinion, this matter wasn't worth spending any effort at all. If she had time, she might as well focus more on her cultivation. Even though Yun Luochen was also very dissatisfied in his mind, it was Juxing School's business after all. He knew that he shouldn't interrupt.

Since the five elders didn't come back, Yun Luochen stayed in Juxing School for the time being and followed Xia Qing almost every day. Xia Qing didn't think too much about it. After all, the two of them were old friends.

The two of them chatted for a long time. Usually, Yun Luochen was the one asking questions and Xia Qing was the one answering. She said a lot of things, but the two of them avoided the same topics at the same time, including anything about Little Fire and the Fire Cloud Wolf.

"When you go to the Yun family, you'll be able to see Yun Feng's Second Brother, Senior Feng and a lot of people," said Yun Luochen as he told her all about the few people in the Yun family at the moment. Xia Qing was very happy after hearing that. "Really? That's great!" Her teacher's Second Brother could be resurrected. Her teacher must be very happy. She really wanted to meet the Senior that even her teacher called Master. He must be a top powerhouse!

"Brother Yun Qi's good news is probably coming soon. I wonder if Yun Feng can come back," said Yun Luochen. "You'll have to come too. You must not miss the event."

Xia Qing chuckled. "Of course. I hope to meet my master."

"You'll definitely meet her. I didn't make it in time for Brother Yun Sheng's wedding. I can't miss Brother Yun Qi's wedding. Speaking of which, Yun Feng and Qu Lanyi have already matured. They'll get married sooner or later."

Xia Qing nodded. There was no doubt about the relationship between her teacher and Brother Lanyi. Her teacher would definitely be happy!

Speaking of this, Yun Luochen glanced at Xia Qing. A gust of wind blew and Yun Luochen seemed to be mumbling, "What about you? Have you thought about... when you'll get married?"

Xia Qing was stunned. She pointed at herself. "Are you asking me?"

Yun Luochen chuckled. "Of course I'm asking you. Have you never thought about it?"

Xia Qing's black eyes glittered. She turned around and looked in a certain direction, fixing her gaze. "...I've never thought about this question..."

“Why not? You’re a girl. You’ll get married one day!”

Xia Qing turned around and chuckled. “Do girls have to get married? There’s nothing wrong with being alone.”

Yun Luochen suddenly frowned. Looking at Xia Qing’s indifferent expression, a trace of anger rose in his heart. Thinking of the night Xia Qing cried at the beginning, he wondered... if she couldn’t let go of that wolf.

“You still can’t let go? It’s been so long... There won’t be a result between you and him,” said Yun Luochen. Awkwardness suddenly flashed through Xia Qing’s face. “What are you talking about... I don’t...”

“You do!” Yun Luochen shouted in a low voice. Xia Qing’s face darkened and she didn’t say anything else. “Let’s not talk about anything else. Just the difference between a Magic Beast and a human being is destined that there won’t be a result. Even if there is a result... it’s still painful. That Fire Cloud Wolf also knows this, or it wouldn’t have avoided you like this. Don’t you know that very well?”

Xia Qing’s heart suddenly ached and she clenched her fists tightly. She certainly knew why Little Fire avoided her and was so cold to her! She only chose to leave because she knew!

“Qingqing, don’t seal yourself up. What he can’t give you, others can!” Yun Luochen said. “He left you so that you could be happy. Even if you want to escape, you can’t use your entire life!”

Xia Qing’s heart ached again! “Stop talking! How would I not know what you’re saying? Brother Little Fire... He’s doing this for me... Even if he’s fierce and cold to me, everything he does is for me. I certainly understand that! But I can’t forget him! I can’t pretend that this relationship doesn’t exist!”

“Qingqing...” Yun Luochen couldn’t bear to see her in pain. Xia Qing pressed her heart that kept hurting. Every time she thought of this relationship that she knew wouldn’t end well, her heart would hurt so much! She, who knew it wouldn’t end well, still persisted right now. She was probably a complete fool in other people’s eyes!

“If you don’t try to let go, how do you know that you can’t?” Yun Luochen strode close and grabbed Xia Qing’s shoulder, shaking her body fiercely. “You’ve never really opened your eyes to look around you. Open your eyes and look!”

Xia Qing raised her head and looked at Yun Luochen’s eyes that seemed to be on fire, feeling a bit confused. Yun Luochen’s heart was pulled fiercely by such a gaze. He couldn’t hold it in anymore. He pulled Xia Qing into his arms and hugged her fiercely!

“What are you doing?” Xia Qing was shocked. She pushed him away with both hands and wanted to leave. Yun Luochen held her tightly in his arms. The emotions accumulated in his heart were like a volcano eruption. If he didn’t vent them, they would probably burn himself to death!

“I like you, Qingqing! I like you!” Yun Luochen roared as his deep voice echoed in Xia Qing’s ears. Xia Qing’s body completely froze. Yun Luochen held her tightly. “I like you... I’ve always liked you...”

Like me? A voice flashed through Xia Qing's mind. She looked at Yun Luochen in a daze. Yun Luochen slowly moved back. The two of them faced each other and looked at each other in the eyes. Yun Luochen blushed in embarrassment. Seeing Xia Qing's shocked expression, he said in a low voice, "Are you so surprised? I've always been very obvious. You just couldn't see it."

Xia Qing was a bit confused. Yun Luochen liked her? When did it start... Why didn't she know? She indeed couldn't see anything else around her, or how would she not notice his feelings...

"I can wait for you... Don't be in a hurry to reject me." Yun Luochen let go of his arm and took a step back. Xia Qing was still a bit dazed and listened to him quietly. "I know feelings can't be forced, but I can wait! Qingqing, I can give you what he can't give you! I can make you happy! I sincerely hope you can be happy!" Yun Luochen's black eyes were sincere. After saying that, he chuckled. "I think you need space to think. I'll... go back first." After saying that, Yun Luochen turned around and left. It was obvious that he was a bit embarrassed. Xia Qing looked at his body in a daze. After Yun Luochen left, Xia Qing slowly sat down and looked at the ground with her head lowered. When her hand touched the cold ground, her eyes suddenly became hot...

## Chapter 1906: There's a Long Way to Go (3)

1906 There's a Long Way to Go (3)

Had she really... reached the end... Was she really going to say goodbye to the feelings she held on to... Brother Little Fire, I'm still holding on even though I know you've already chosen to give up... Am I also an out-and-out fool in your eyes?

"Roar...!" The sudden roar shocked Yun Feng, whose eyes were closed! At this moment, Yun Feng was adjusting her state in a hidden place. Even though she won the fierce battle just then, she had consumed more than half of her mental strength. In order to prevent any surprise attack, Yun Feng planned to recover to her optimal state quickly. She, who was closing her eyes, suddenly heard a painful roar that was coming from her body!

"Little Fire?!" Yun Feng opened her black eyes and sent a telepathic message, but there was no response. The low roar just then didn't appear anymore. Yun Feng waited quietly for a while, but there was still no movement from the Fire Cloud Wolf. She wondered if she heard it wrong.

Yun Feng took out the Fire Ring of Contract. At this moment, the surface of the fiery Ring of Contract was surrounded by a circle of red fire. Yun Feng looked at the Ring of Contract carefully and couldn't see anything wrong. She might really have heard it wrong... When she put away the Ring of Contract, Yun Feng suddenly found that there seemed to be something wrong with the Fire Ring of Contract!

"This is... a crack?" Yun Feng narrowed her eyes slightly and focused on a certain place in the Ring of Contract. If she didn't look carefully, this small crack wouldn't have been discovered at all! Yun Feng was puzzled. Did the crack on the Ring of Contract mean that Little Fire's situation had changed? Or... was it one step closer to Little Fire's rebirth?

Which one was it? Yun Feng couldn't make up her mind. Nobody had told her that the Ring of Contract would crack. She didn't expect such a situation either! The crack was very small. Yun

Feng didn't have a choice for the time being. She could only put away the Ring of Contract and observe it carefully in the future.

Yun Feng stood up and patted the grass on her body. She flipped her hand and a few different elements appeared in her palm. She controlled the power of the four elements very exquisitely. The corners of Yun Feng's mouth curled up. The Nirvana Road gave her a lot of inspiration and training. This ability to control the power of elements precisely was honed. If she fused elements again in the future, with Yun Feng's current control of the energy of elements, the fusion of elements would be even faster and the power she unleashed would also be more astonishing!

The essence of the power of elements was balance and control. No matter how tiny the power of elements was, as long as it was used well, it could become a sharp weapon of end!

Grade 5 of the God Level... This was Yun Feng's current level. This strength was also her strength that she had regained step by step since the beginning. Yun Feng couldn't be more familiar with fighting right now. She had already comprehended her fighting instincts to a new height.

"Swish...!" With the support of the power of the wind element, her body was even faster than the wind. She wandered in the forest. Yun Feng could still see the surrounding scenery at such a high speed. This was also the result of Nirvana's training.

In the past, Yun Feng had to rely on the Finger Spiritual Jade to track targets, but now... her understanding of tracking had also improved a lot. Without the Finger Spiritual Jade, the prey she was looking for wouldn't be lost in a rather wide range.

She kept sneaking deeper into the forest and sensed the surrounding area. An aura suddenly appeared, which made Yun Feng stop and wait quietly with a smile on her face. After a while, a tall and sturdy figure appeared in Yun Feng's sight. That sloppy image hadn't changed at all. On the bulging muscles of his tall and sturdy body, silver snakes were dancing wantonly and the sound of lightning filled the air.

"I knew it. It's time to meet you..." Yun Feng chuckled and looked at the man in front of her. He was her fourth contracted Magic Beast, Er Lei, who belonged to the lightning element.

Er Lei, Er Lei. When Yun Feng met him, he had a very stupid personality, but he, who appeared here, was much smarter and more capable. Purple light flashed in the tall and sturdy man's eyes. His body moved and a ball of purple energy followed him. The silver snakes on his body turned into silver lightning as he moved. He waved his thick hand and silver lightning danced crazily in front of him!

Yun Feng didn't dare to slack off at all. Even though Er Lei's personality was very stupid, his strength was obvious to everyone. The instantaneous outburst of a lightning-element Magic Beast wasn't a joke!

"Boom, boom!" Two bolts of lightning descended from the sky and struck Yun Feng fiercely. Yun Feng dodged agilely and narrowly avoided them. Two deep pits were immediately dug on the ground!

Yun Feng looked at the deep pit on the ground and couldn't help but smile wryly. If she was hit, her body would probably be directly cut in half. Even though she dodged, Yun Feng didn't dare

to be careless. She pushed out her mental strength with her back hand and hit Er Lei's body directly. With a sizzle, Er Lei took a few steps back, as if he was fine.

The tall and sturdy man was expressionless. His attack power was extremely strong. Facing Er Lei, who only knew how to fight, Yun Feng took a deep breath! She soared into the sky and began to mobilize the mental strength in her spiritual space. For the lightning-element Magic Beasts that had a high outburst in a short period of time, she certainly couldn't give them any chance to erupt! She couldn't give them time to catch their breath!

"Wind Blade!" With a shout, a green wind blade appeared in Yun Feng's hand and roared! The tall and sturdy man raised his hand and slashed. Immediately, a thunderbolt struck, but when it hit the wind blade, the power of the lightning was instantly swept away and directly weakened!

"Swish, swish, swish, swish...!" A green wind blade flashed and several green wind blades rose crazily!

"Boom, boom, boom!"

The purple dragons descended from the sky. The vortexes of the two elements directly collided and intertwined until they died!

A glint of light flashed through her black eyes as purple and green colors twisted and intertwined in the sky. Yun Feng looked in a certain direction and immediately flipped her hand! "Earth Shield, seal!"

"Crash!" Four solid walls appeared around Er Lei's body. Following Yun Feng's order, they sealed him firmly!

"Bang, bang, bang!" Muffled sounds came from the enclosed space of the Earth Shield, followed by the sound of lightning. Yun Feng gritted her teeth fiercely. Her mental strength instantly strengthened the power of the earth element. She had to trap him inside no matter what!

"Crack!" A subtle sound came from the surface of the Earth Shield. Yun Feng had already seen clearly that cracks were spreading. It couldn't be sealed? The power of a lightning-element Magic Beast couldn't be underestimated!

## **Chapter 1907: There's a Long Way to Go (1)**

1907 There's a Long Way to Go (1)

Yun Feng quickly approached. The cracks on the surface of the Earth Shield became larger and larger. Er Lei was about to break out of the wall!

She raised her hand and the golden earth element rolled out again! It quickly gathered in Yun Feng's palm and turned into a physical form! The power of elements could change from nothing to everything and from everything to nothing!

"Bang!" The crack instantly spread and a force broke the Earth Shield completely! A tall and sturdy figure jumped out and the silver snakes hissed loudly. Yun Feng, on the other hand, saw the opportunity. She held the thing in her hand tightly and quickly smashed it down fiercely!

“Bang!” There was a muffled sound. The aftershock of the power made Yun Feng’s palm slightly numb. The guy’s tall and sturdy body swayed a few times and he fell on the ground, never to get up again.

“Swish...!” The power of purple and green elements instantly disappeared and everything became clear. Yun Feng heaved a sigh of relief and also sat down. Looking at the tall and sturdy man who fainted on the ground, she touched her forehead with her hand and couldn’t help but chuckle as she looked at the thing in her hand.

“Hahaha, hahahaha!” A rather presumptuous laugh sounded somewhere. A certain someone, who had been watching Yun Feng fight, laughed so hard that he rocked back and forth. The other person looked extremely weird. “Hey, this little girl is truly awesome. Only she can think of such a way. She used this move to knock Yun Feng out... Hahahaha!”

“What an inexplicable move!” Another person said coldly with an embarrassed look. She used such a move. It was truly...!

“This girl is quite adaptable. This might also be a kind of battle. She could think of using this. She’s really smart. If it were you and me, we would definitely not have thought of this.”

“Even if she can think of such a way, she won’t be able to do it!” Another person said coldly. He looked at Yun Feng, who was sitting there and resting, and frowned. “If she has to rely on such cleverness in future battles, she won’t be able to last.”

“Come on, old man! Don’t we know this girl’s strength? She relied on her own strength to come this far.”

“So what? I don’t want someone who knows how to play tricks to walk out of the Nirvana Tower!”

“Never mind. I can’t reason with you. At this speed, the girl and this kid won’t take long to leave.”

“Humph! It’s still too early!” The other person’s face darkened. Thinking of Yun Feng’s method just then, he frowned even more tightly. “Even if that kid can get out, I must reconsider Yun Feng.”

“Stupid old man, you don’t mean what you say, do you? You clearly like this girl a lot. Why don’t you just say it? Really...” The person who was scolded turned around and directly ignored such nagging, walking somewhere else. The other person looked at Yun Feng with interest and waved his hand. “Kid, keep working hard...”

Yun Feng only felt that the vision in front of her eyes began to blur, and so did the scenery around her. She immediately understood that the test here would come to an end. She would set off again, and the next journey might very well reach the end of this road!

“Swish...!” The scenery in front of her eyes changed again. Yun Feng stood up and took a deep breath as she looked ahead with her black eyes. “Go for it. Last stop!”

A few figures were standing outside the Nirvana Tower at this moment. They were the leader of the Naxi family and a few elders of the Naxi family. Uncle Wang Lan and Uncle Jing, who had met Yun Feng before, were among them. Uncle Lan and Uncle Jing looked at the number of floors that were lit up in the Nirvana Tower and couldn’t help but exclaim slightly, “Yun Feng is

indeed extraordinary. She can reach such a height in such a short period of time. It's truly... astonishing!"

Uncle Jing nodded. "Young Master has sharp eyes. It's truly not easy to find such a woman."

The leader of the Naxi family chuckled and couldn't help but feel proud in his mind. After all, this was his son. His taste certainly couldn't be bad. His son was also outstanding, or Yun Feng wouldn't have taken him seriously.

"Speaking of which, Young Master seems to be faster..." Uncle Lan sighed again. Uncle Jing touched his chin on the side. "So, Young Master is better?"

"Leader, what do you think?" Uncle Lan asked with a smile. The leader of the Naxi family burst into laughter with a smile in his eyes. "Both of them are not bad. They're worth looking forward to."

Uncle Lan and Uncle Jing both chuckled softly after hearing that. "You're right, leader. However, if it were in the past, you would definitely side with Young Master more."

"That's right. It's time for him to side with his daughter-in-law."

"Ahem!" The leader of the Naxi family coughed. Uncle Lan and Uncle Jing smiled and didn't say anything else. The leader of the Naxi family was gratified in his mind. The two young people didn't let him down. His choice back then was right, both for his son and Yun Feng.

"Has there been any movement from the Xuan family?" asked the leader of the Naxi family. Uncle Lan and Uncle Jing's faces couldn't help but darken. "The young General Manager of the East and West Alliance last time sent news that Xuan Yi seems to have an ulterior motive and wants to rope him in."

"Rope him in?" The leader of the Naxi family raised his brows. Uncle Jing nodded. "Indeed, but that young man has already rejected him. However, what's the real purpose of the Xuan family doing this?"

The leader of the Naxi family sneered. "No matter what their purpose is, we have to be vigilant. The Buyuan family attacked the Yun family. Even though there are a few smart people in the Buyuan family, they're so scheming about the Yun family. It's not something the Buyuan family can think of."

"Leader, do you mean..."

The leader of the Naxi family looked even colder. "Among the bloodlines of the four families, the Xuan family is the most special one after all. For them, the Yun family and the Naxi family are thorns in their side."

Uncle Lan and Uncle Jing were both a bit confused. The leader of the Naxi family didn't intend to say anything else. "Keep an eye on the Xuan family. Also, remind the three elders of the Yun family to be more vigilant against the Xuan family."

"Yes." Uncle Lan turned around and left respectfully. The leader of the Naxi family looked at the light in the Nirvana Tower thoughtfully. The Yun family was the real suppressor of the Xuan family's unique bloodline! For summoners, there was no Magic Beast that couldn't be tamed!

And the members of the Xuan family, who had already merged with the bloodline of the Magic Beasts, would certainly hate the Yun family very much, as well as the Naxi family.

“So... there’s very likely another reason for the decline of the Yun family.” The leader of the Naxi family whispered. He felt that things were far beyond what he thought. It was more important to join forces to resist the Blood Souls right now. Right now, he could only be on guard and couldn’t do anything.

“I only hope... that there won’t be any changes.” The leader of the Naxi family heaved a long sigh. He looked at the Nirvana Tower and whispered, “Isn’t it too cruel to put everything on the shoulders of these two kids...”

A gust of wind rose and the clothes of the leader of the Naxi family fluttered gently in the wind. Everything ancient might surface with this battle. Those things that were once forgotten would be seen again!

In the headquarters of the Yun family on the Central Continent, Feng Qingxuan’s yard had been in a state where nobody could approach him easily. Even though Feng Qingxuan treated Yun Feng extremely well and helped the Yun family, he wasn’t so polite to the other members of the Yun family at all. He was full of domineeringness.

In the courtyard, steam was rising from a stone table. A sage-like figure was sitting at the table, and a slightly anxious figure was sitting far away from the stone table. It was Gong Tianqing, who looked a bit nervous. She sat there nervously and looked at Feng Qingxuan carefully from time to time.

Feng Qingxuan’s eyes were closed. He was breathing so lightly that she couldn’t see his chest fluctuate at all. An extremely peaceful aura surrounded Feng Qingxuan. Gong Tianqing wanted to say something a few times, but she didn’t have the courage to disturb him.

“What are you trying to say?” asked Feng Qingxuan. Gong Tianqing was shocked. She glanced at Feng Qingxuan, only to find that he didn’t open his eyes. Gong Tianqing wondered if he was talking to her, but didn’t dare to answer.

“Is there anyone else here other than you?” Feng Qingxuan’s voice came again. Gong Tianqing was shocked again. “Senior Feng... Are you talking to me?”

Feng Qingxuan didn’t open his eyes. After a long time, he said, “You’re so shocked. You’re not calm enough.”

Gong Tianqing’s face suddenly flushed and a layer of sweat couldn’t help but appear on her body. “...Senior Feng is right.”

Feng Qingxuan was silent for a while. He slowly opened his black eyes and glanced at Gong Tianqing. The pressure in his eyes made Gong Tianqing feel difficult to breathe. She didn’t dare to breathe loudly and her face became even redder. “You want to ask when Yun Qi will come out?”

Gong Tianqing’s heart pounded, as if someone had seen through her. She sat there even more nervously. Feng Qingxuan closed his eyes again. “It’s still too early.”

Gong Tianqing couldn't help but look up. "Senior Feng... Yun Qi has been in there for a while... Can... Can't he come out?"

Feng Qingxuan didn't answer. Gong Tianqing bit her lips and was a bit worried about Yun Qi. Even though it was a blessing that Senior Feng taught Yun Qi in person, she was more or less worried. After all, who was Feng Qingxuan? Would Yun Qi be able to withstand such a force? What if his body was damaged? Gong Tianqing couldn't help but let her imagination run wild. Feng Qingxuan frowned slightly. "I let you in for my disciple's sake. If you still want to stay here, put away all the thoughts in your mind."

Gong Tianqing's heart pounded again! Feng Qingxuan's cold gaze made Gong Tianqing panic. "Senior Feng, that's not what I meant..."

Feng Qingxuan raised his brows and opened his eyes again. Gong Tianqing couldn't help but lower her head, not daring to look into Feng Qingxuan's eyes. Feng Qingxuan couldn't help but exclaim in his mind. When his disciple saw him back then, he wasn't afraid at all. His disciple's personality... was truly rare. Young people nowadays... couldn't be compared to his disciple.

"Huh?" Confusion flashed through Feng Qingxuan's eyes. His thoughts were completely interrupted. He looked at the cup of hot tea on the table and pondered. Very soon, a person came to Feng Qingxuan in a cloak. Feng Qingxuan raised his head. Yun Qi cupped his fists at Feng Qingxuan and said in a low voice, "Senior Feng, Yun Qi is back!"

## Chapter 1908: Crack (1)

### 1908 Crack (1)

"Yun Qi!" Seeing Yun Qi, Gong Tianqing suddenly stood up and almost jumped. If Feng Qingxuan weren't here, she would have pounced on him. Yun Qi turned around and smiled lightly when he saw Gong Tianqing. Gong Tianqing was suddenly startled. He seemed to have become a bit different...

"You're a bit faster than I expected," said Feng Qingxuan in a low voice. He sized him up with his wise eyes. This kid was much faster than he thought. His disciple was already heaven-defying. It seemed that this kid was also talented.

"Thank you for your guidance, Senior Feng. Yun Qi doesn't dare to slack off at all!" He replied firmly. Even though there were a lot of wounds on Yun Qi's body, he looked energetic and his aura was much stronger than before.

"Alright." Feng Qingxuan replied casually. He stood up and emptied the teacup on the table. "Rest for a while. We'll continue."

"Yes!" Yun Qi replied respectfully. Feng Qingxuan turned around and walked back into the room. Gong Tianqing finally ran over. Seeing the wounds on Yun Qi's body, she would be lying if she said that she didn't feel sorry for him. "Are you alright?" She asked worriedly. Yun Qi held Gong Tianqing's little hand with a smile and sat down with her. "I'm fine. Why are you waiting here?"

Gong Tianqing blushed. "I... I was a bit worried about you... I didn't expect Senior Feng to let me in."

Yun Qi chuckled and rubbed Gong Tianqing's hair with his hand. He knew that she would always be worried about him. "Am I not standing right in front of you? It's a good thing that Senior Feng is strict with me. It's all thanks to Senior Feng's personal guidance that I can grow so much in such a short period of time."

Gong Tianqing nodded. "However, Senior Feng doesn't look easy to get close to at all. Do you still want to continue cultivating?"

Yun Qi nodded. "Senior Feng said he wants to continue, which means that I still have a lot of things that he's dissatisfied with. I can't waste my ability on me. If I can help Feng a bit in the future, I'll have no regrets."

"Speaking of which, Yun Feng has contributed a lot to the Yun family's rise. It'll be best if you can share some of the burden for her." Gong Tianqing smiled sweetly. "I wonder how she's doing in the Naxi family. Even though the four families have joined forces, there are a lot of hidden dangers."

Yun Qi frowned. "Feng should be fine in the Naxi family, but I'm very concerned about the Xuan family."

"A few days ago, the leader of the Naxi family sent a message over and asked the Yun family to be on guard against the Xuan family and the Buyuan family, especially the Xuan family." Gong Tianqing frowned. "I heard Yun Feng talk about it earlier. The reason why the Yun family was suppressed so badly has a lot to do with the suppression of the power of the bloodline. And the Buyuan family was the one who attacked the Yun family."

"The Buyuan family?" Fury rose in Yun Qi's heart, while Gong Tianqing continued thoughtfully, "The three elders of the Yun family are also skeptical about this right now. Rather than saying that the Buyuan family did it, it's more like someone used the Buyuan family as a gun."

"Someone was manipulating the Buyuan family behind their backs?" Yun Qi frowned. Gong Tianqing looked up. "That's just a guess. The Yun family is much more vigilant. No matter what the Xuan family and the Buyuan family want to do, they won't succeed easily."

"We'll definitely take revenge!" Yun Qi clenched his fists. The dignity of the family engraved in his bones was boiling. The Yun family had been set up by someone. He would certainly return the favor in the future!

"Before you brag, take care of yourself first." Feng Qingxuan walked out and looked at Yun Qi indifferently. "You're too weak to say that."

Yun Qi's face darkened. "Senior Feng is right."

Gong Tianqing wanted to say something, but Feng Qingxuan glanced at her and Gong Tianqing swallowed her words.

"Continue. And you... Go back as soon as possible. Don't disturb him." Feng Qingxuan glanced at Gong Tianqing coldly. Gong Tianqing's body tightened. Yun Qi said in a low voice, "Go back first. I'm fine here. Don't worry."

Gong Tianqing looked at him reluctantly, and finally nodded and left the yard. Yun Qi watched her leave, then turned around and asked Feng Qingxuan respectfully, "I'll listen to you, Senior Feng!"

Feng Qingxuan raised his brows. This kid was quite a nice person. He was willing to work hard humbly. Feng Qingxuan twisted his wrist and a bowl of steaming tea appeared on the table again. Feng Qingxuan said casually, "Go."

Yun Qi nodded and left without another word. After a while, he was gone. Feng Qingxuan sat at the table and slowly closed his black eyes. He was immersed in a mysterious state again and peace returned to the yard.

The East and West Alliance was established in full swing. Right now, the reputation of the East and West Alliance had already spread across the three continents. Naturally, it was like a fish bone in their throats for the Blood Souls. They also launched a few small-scale attacks on the East and West Alliance, winning and losing.

At this moment, the conflict between the Blood Souls and the East and West Alliance had already become clear. Not only was the East and West Alliance recruiting helpers, but so were the Blood Souls. Some hidden dark forces were included by the Blood Souls. The two forces on the entire continent were still brewing with each other, waiting for the biggest storm to come.

"Chief, the Blood Souls attacked a branch of ours on the West Continent." The headquarters of the East Continent was set up somewhere on the Central Continent. In the room, Yan Ming was discussing something with the five elders of Juxing. Someone pushed the door open and entered to report the news. Yan Ming only waved his hand after hearing that and the door was closed again.

"The Blood Souls have been moving more and more frequently these days. Are they going to make a move?" The Great Elder of Juxing whispered. The Second Elder of Juxing also said, "Although the Blood Souls destroyed one of our branches, they didn't get any benefits. In short, we're still evenly matched."

The battles between the East and West Alliance and the Blood Souls were mostly small-scale. There were winners and losers on both sides. Everything was balanced.

"We can't tell anything from these small battles at all," said the Third Elder of Juxing. "Without the appearance of the core members of the Blood Souls, we won't be able to find out their true level."

"Third Elder is right," said Yan Ming. "The core members of the Blood Souls haven't been exposed yet. We can't find out their real bottom line at all. This way, we won't be confident at all."

"The Blood Souls are quite hidden. Even though a few of them have fought with Yun Feng, it's hard to think of everything," said the Fifth Elder of Juxing as he looked at Yan Ming. "Butler Yan, do you have any thoughts?"

## **Chapter 1909: Crack (2)**

## 1909 Crack (2)

Even though Yan Ming was young, it didn't affect him from organizing and strengthening the East and West Alliance. These old people had never underestimated this young man. After all, Yan Ming was capable. He indeed had the strength to live up to the title of General Manager.

"Regarding the senior management personnel of the Blood Souls, Yun Feng has only got a few pieces of information at the moment. I've also sent someone to secretly find out the location of the base of the Blood Souls. Unfortunately, I didn't get any information. Even though we destroyed a few of their branches, it was useless."

"So, the real situation of the Blood Souls is unclear on our side." The Fourth Elder of Juxing looked a bit serious. Yan Ming sighed. "Although I hate to admit it, it's indeed unclear."

"So, we're at a disadvantage in terms of cognition," whispered the Great Elder of Juxing. Yan Ming's face darkened. "You can say that."

"Haven't the four families already joined forces? How much can the Blood Souls find out about the background of the four families?" The Fifth Elder couldn't help but say, but Yan Ming shook his head. The Third Elder of Juxing sighed. "Even though the four families are united, there are conflicts of interests between the four families. Even if they join forces, they might not be able to acknowledge each other. Besides... the Xuan family and the Buyuan family didn't join voluntarily to begin with. The Naxi family and the Yun family are more or less vigilant against these two clans."

"Indeed. Besides, there's a traitor of the Naxi family among the Blood Souls. Some information about the Naxi family will certainly be leaked. The Xuan family and the Buyuan family are crystal clear to the Blood Souls, and so are we. There are no secrets about the East and West Alliance anymore."

"Then what should we do? We can't be schemed against by the Blood Souls openly!" said the Fifth Elder of Juxing. Yan Ming pursed his lips and whispered, "What we can do right now is to keep everything a secret from the core members of the East and West Alliance. We can't expose their strength at all."

"Core figures... Yun Feng, the Young Master of the Naxi family, who else?"

Yan Ming chuckled as a glint of darkness flashed through his black eyes. "There are also a group of forces that have already been nurtured in secret. We certainly have to be careful when dealing with the Blood Souls."

The five elders of Juxing chuckled. "Although Chief Yan is young, you're confident in everything. We can't help but admire you."

Yan Ming smiled lightly. "Elders, you flatter me. I'm still young. There are a lot of things I still need to experience and learn. It's all thanks to the five elders running back and forth and the help of the disciples of Juxing. Otherwise, I wouldn't have been able to deal with everything alone."

The five elders of Juxing chuckled. "You're too kind, Chief Yan. If there's anything Juxing can help with, just tell us. We definitely won't decline."

“Thank you, elders. You’ve been running back and forth for a while. Leave the rest to me. You should go back to Juxing and rest well first.”

The five elders of Juxing were about to set off for Juxing School. Along the way, they were very curious about Yan Ming. “Where exactly did Yun Feng find such a person? Everything is under his control.”

“His strength can be said to be mediocre, but his intelligence far exceeds that of ordinary people.”

“If only Yan Ming’s strength were like his brain. It’s a good thing that he’s not an enemy. If he’s really an enemy, it’ll be a huge headache.”

“Hahahaha, you’re right. Yun Feng has sharp eyes. Even the few of us wouldn’t be able to find such a talent.”

The Great Elder of Juxing chuckled. “The scale of the East and West Alliance has already grown. Next is how to integrate the various forces. There’s nothing we can do about the few tribes of Magic Beasts.”

“The Dragons, the merfolk and the Griffin Tribe. The other Magic Beast tribes are easy, but I’m afraid nobody can control these three tribes unless Yun Feng shows up in person, especially the Dragons.”

“Indeed. The Masang School of Magic, the School of God of War and the Pharmacists’ Union all have talents. Juxing can’t fall behind!”

“Hahaha, how can she fall behind? Xia Qing, who’s under Fifth Brother, is a talent.”

“Speaking of which, Fifth Brother, you’re truly lucky. Yun Feng is your disciple, and so is Yun Qingchen. And now, there’s Xia Qing. You really... have all the good things.” The Third Elder of Juxing shook his head and sighed. The Fifth Elder of Juxing burst into laughter and was quite proud. “There’s nothing I can do. My disciples are all summoners. You old guys can envy me!”

The other four elders of Juxing couldn’t help but shake their heads. The Fifth Elder burst into laughter and snickered in his mind. He was a bit glad that he was a summoner, or he would be as jealous as the others.

In Juxing School, the atmosphere had already become tense to a certain extent. Even though Hua Ling had already recovered, she still looked weak. There were constant conflicts between the First Elder’s disciples and the Fifth Elder’s disciples, and the disciples of the other three elders kept splitting up. The inner campus had become divided, which gave Tian Kui a headache.

The entire Juxing was originally harmonious and very united, but it inexplicably turned into such a situation. Tian Kui blamed himself very much. When the five elders came back and saw what happened to the inner campus of Juxing, they wouldn’t be able to help but feel disappointed in him. The Great Elder trusted him so much before he left, but he made the inner campus of Juxing into such a chaotic state. What should he do?

“Eldest Senior Brother...” Hua Ling pushed the door open and saw Tian Kui sitting there with a frown and a sullen face. She quickly walked in. Tian Kui raised his head with a hint of impatience in his black eyes. “What are you doing here? What’s the matter?”

Hua Ling bit her lips. “Senior Brother, you don’t look good. You’ve been doing very well what the Great Elder asked you to do. Don’t tire yourself out.”

“I’ve been doing very well?” Tian Kui suddenly raised his brows as anger surged from his heart. “If the Great Elder knows that the inner campus of Juxing has become like this right now, he’ll definitely be extremely disappointed in me! This is the result of the management of his most trusted disciple!”

“Eldest Senior Brother, you did nothing wrong at all! It’s all Xia Qing’s fault!” Hua Ling shouted loudly. “If she didn’t hurt me on purpose and refuse to apologize, the situation wouldn’t have turned out like this. The disciples are just being unfair. We all have good intentions.”

Tian Kui’s face became even darker. He glanced at Hua Ling gloomily. “Even if Xia Qing hurt you, you should have already recovered with your recovery ability. You’ve been stalling for a few days.”

## Chapter 1910: Crack (3)

1910 Crack (3)

Hua Ling’s eyes glittered. “The wind-element Magic Beast in her hand hurt me too badly. It’s more difficult to heal than I thought. Senior Brother, are you blaming me?”

Tian Kui took a deep breath and his expression became much stiffer. “No, you may leave.”

Hua Ling stood there and was immediately a bit embarrassed. “Senior Brother, as long as Xia Qing is willing to apologize to me, the inner campus won’t be in such a situation. Senior Brother, why don’t you let Xia Qing stand up? It’s her fault.”

Tian Kui frowned even more and waved his hand. “Alright, you may leave.”

Seeing that Tian Kui had been ignoring her, Hua Ling couldn’t help but feel enraged. She could only turn around and walk out. She hated Xia Qing even more in her mind. She had already fallen in love with Tian Kui. She hadn’t seen another man in so many years and only had eyes for him! Xia Qing had just come to Juxing and she had already stolen Tian Kui’s heart! Yun Feng was fine. Her Senior Brother didn’t have any feelings for her, but she definitely couldn’t let Xia Qing go just like that!

“Yun Feng’s disciples... Hm! They’re all bad people!” Hua Ling said hatefully. It seemed that she needed to add fuel to the fire, or her Senior Brother wouldn’t be able to make a decision easily.

“Rong Xin, your brows are almost furrowed.” Yun Luochen teased. Rong Xin, who had just returned, couldn’t help but feel stunned. Then, he burst into laughter and touched the space between his eyebrows. “Really? Why didn’t I know? Where’s the little girl? She’s not with you?”

Yun Luochen scratched his head. "Qingqing said she wants to stay alone. I didn't want to disturb her."

Rong Xin raised his brows. "You've been sticking to her all day. Why aren't you following her now?"

Yun Luochen smiled awkwardly. Seeing his expression, Rong Xin's expression changed. "Why? Did something happen to you?"

"Nothing. You're really good at guessing." Yun Luochen quickly changed the topic. "How's it going with Hua Ling? Do they still want Qingqing to apologize?"

Rong Xin's joyful expression was gone. He sat down and sighed. "Yes, I've never thought that there would be an internal strife in the inner campus of Juxing. If the elders don't come back, I'm afraid nobody will be able to suppress them."

"Why? Are they still causing trouble?"

"More or less. However, Hua Ling has been instigating things. I've never known that she could be so scheming. When Yun Jin was here in the past, I couldn't tell that she was such a person."

"I believe in Qingqing," said Yun Luochen firmly. Rong Xin sighed. "I also believe in the little girl. Besides, she's my junior sister's disciple. If my junior sister can take her in as her disciple, I certainly can trust her character. I'm worried about what Tian Kui will do."

"No matter what, isn't Tian Kui still the First Elder's disciple?"

Rong Xin shook his head and patted Yun Luochen's shoulder with his hand. "That's what you don't understand. Even though the five elders have the same status in Juxing, the Great Elder is the oldest and the most prestigious one. His eldest disciple, Tian Kui, is even an iconic figure among the disciples of Juxing. I think the idol in the minds of the disciples of Juxing, other than Tian Kui, is the junior sister."

Yun Luochen frowned. "You're saying that once Tian Kui shows up, Qingqing must stand up and apologize?"

Rong Xin sighed deeply. "That should be the case. However, with the little girl's temper, she's probably as stubborn as my junior sister. Apologize? That's impossible."

Yun Luochen chuckled. He put his arm behind his head and leaned back. "Why should Qingqing apologize for something she didn't do?"

"If it were you, the result would probably be the same."

Yun Luochen raised his brows. "Of course. There's a kind of stubbornness in the bones of the Yun family. If we're really in the wrong, so what if we apologize? If they're in the wrong, we won't bend down even if we die!"

"Ah!" Rong Xin stood up. "You're so proud. You made me so worried..."

Yun Luochen stood up and became serious. "Rong Xin, what if Qingqing doesn't apologize?"

Rong Xin was silent for a long time. In the end, he whispered, "If Tian Kui shows up and Qingqing doesn't apologize, it's very likely that all the conflicts will be aroused. A chaotic battle

might break out in the inner campus of Juxing. However, if that's the case... the five elders will probably be enraged when they come back."

In the Forbidden Forest of Juxing School, Xia Qing was sitting on a tall tree alone. The mature body of the Flower Eagle stood on a thin branch with an indifferent expression. "Master, I should have hurt her more badly back then."

Xia Qing chuckled. "So what? Hua Ling was obviously causing trouble for no reason. You don't have to argue with such a person."

"Xia Qing!" Tian Kui's voice suddenly sounded. Xia Qing looked down the tree and saw Tian Kui walking over. Xia Qing had already jumped down from the tree. "Senior Brother Tian Kui."

Tian Kui saw that Xia Qing had a complicated expression. He knew how exaggerated Hua Ling's statement was. He knew what kind of person Xia Qing was. He pretended that he didn't hear Hua Ling's exaggeration, but she exaggerated the matter to this point! Even though he knew that Xia Qing was right, Tian Kui had no choice but to come to her.

"I'm here for Hua Ling."

Xia Qing frowned slightly. "I won't apologize to her. She attacked first. I only fought back."

Tian Kui frowned. "I certainly know what happened. I also know that Hua Ling distorted the truth, but things have already escalated to such a situation right now. The inner campus of Juxing is obviously divided. The situation can't continue developing."

Xia Qing looked up. Tian Kui pursed his lips. "Xia Qing, just treat this matter as an apology to calm the conflict in the inner campus, not to Hua Ling. As long as you show up, the disciples of the elders will be able to calm down. We'll talk about it when the elders come back. You'll just suffer for a while."

"Swish!" The Flower Eagle suddenly fell from the treetop, creating a fierce wind without hesitation. Tian Kui quickly dodged. The Flower Eagle said coldly, "Human! My master said she won't apologize. Don't you understand?"

Tian Kui's eyes darkened. "Xia Qing, the current situation..."

Xia Qing said, "Senior Brother Tian Kui, I definitely won't apologize. However, in order to calm this conflict in the inner campus, since Hua Ling said that I took the initiative to hurt her, I'll fight with her again in front of all the disciples of the inner campus of Juxing. If it's really as she said, I'll apologize."

## Chapter 1911: Crack (4)

### 1911 Crack (4)

Joy flashed through Tian Kui's eyes. "That's good. Why didn't I think of that?"

The Flower Eagle looked at Tian Kui in disdain. Tian Kui quickly said, "I'll go back right now. I was too stupid to think straight." Tian Kui left in a hurry. The Flower Eagle stood aside in confusion. "Didn't Master say that it's not worth it to spend time on such a person?"

Xia Qing looked elsewhere. "She escalated the situation because of her personal grudge. Juxing isn't a toy in her hands. My teacher was also a student of Juxing back then. Juxing was united back then. If my teacher knew about the situation today in Juxing, he would probably be disappointed. If she wants to, she can target me alone."

"Hm, don't play any tricks in the competition."

Xia Qing chuckled. Gloomy? If Hua Ling didn't find it embarrassing, she could just lose on purpose.

Tian Kui said. It was impossible for Hua Ling to reject him even if she wanted to. The news immediately spread throughout the inner campus of Juxing. Nobody knew what happened back then. Such a competition was immediately unanimously agreed. Even if Hua Ling wanted to go back on her words, she wouldn't have a chance.

All the disciples of the inner campus were present. The two factions didn't like each other when they saw each other. If it weren't for Tian Kui and Rong Xin, they would probably have fought immediately.

The venue of the competition was in the square of the inner campus. None of the disciples of the inner campus was absent and a lot of people were gathered. Hua Ling and Xia Qing stood on the ring. Tian Kui and Rong Xin stood on both sides of the ring. The competition certainly would end when the result was clear. Hua Ling on the ring looked extremely complicated. She had never thought that Xia Qing would make this suggestion. She was in a dilemma. If she lost on the ring, how would she have the face? If she won, how would it be everything she said?

Xia Qing, you're not easy to deal with!

Tian Kui briefly explained the rules of the competition. The surrounding disciples of Juxing obviously couldn't wait anymore. After the competition, no matter the result, they were not allowed to mention Hua Ling again. If they used this matter as an excuse to cause trouble again, they would directly be removed from the inner campus!

"Xia Qing, you have a lot of tricks up your sleeve." Hua Ling held the longsword in her hand and looked at Xia Qing gloomily. "You're just like Yun Feng!"

"This isn't a trick. This is fair. Let everyone see how you bend the truth," said Xia Qing coldly. Green light flashed from the side and the Flower Eagle appeared. Hua Ling sneered. "My strength is above yours to begin with. I was just careless that day. This time... I won't let you go easily!"

A glint of killing intent flashed through Hua Ling's eyes. Xia Qing's face darkened. She didn't know why she hated her, but at this point, she could only fight back head-on!

"Ha!" Hua Ling roared as fighting energy surged out of her meridians and swam around her body, focusing on the sword! The longsword let out a buzzing sound. Rong Xin couldn't help but frown when he saw that. "You used a big move right away?"

With a loud cry, Xia Qing quickly took a few steps back and distanced herself from Hua Ling. With the support of the green wind element, her speed obviously increased by a level! She was a bit weaker than Hua Ling, so she would certainly deal with her carefully!

The Flower Eagle rushed forward and flapped its wings abruptly, creating whirlwinds from the ground! Hua Ling curled her lips coldly and a faint luster burst out of her sword. She tapped the ground with the tip of her foot and her body had already disappeared in an instant!

“Wind Blade!” Xia Qing shouted furiously as she waved her wand. A green blade spread out from around the wand and collided with the metal sword in the air, making a crisp sound!

“Bang!” Hua Ling appeared. The sword that was infused with fighting energy immediately cut Xia Qing’s wind blade in half!

Xia Qing bit her lips and her body flashed to the side. Hua Ling’s sword also missed!

“Swish...!” The Flower Eagle lowered its body from the sky and grabbed at Hua Ling with its sharp claws. The longsword in Hua Ling’s hand spun and trembled. A stream of fighting energy came out of the sword and swung at the Flower Eagle’s sharp claws! It turned its eagle eyes and the Flower Eagle narrowly dodged. The fighting energy missed and fell on the ground, creating an extremely huge cloud of dust!

“Senior Sister Hua Ling is clearly very strong... Xia Qing is the weak one.”

“You’re right. Senior Sister Hua Ling is so strong. How exactly was she injured by Xia Qing?”

“Did Xia Qing play a trick? She has a Magic Beast!”

On the ring, the two of them had already fought for dozens of rounds. Hua Ling had already forgotten herself. She only knew how to attack Xia Qing completely and wanted to severely injure her. Her attacks became more and more fierce and her strength became more and more uncontrollable. Tian Kui and Rong Xin both frowned tightly as they watched. Wasn’t it already obvious?

“I think we don’t have to continue this competition,” said Rong Xin. He turned around and looked at Tian Kui. “Tian Kui, what do you think?”

Tian Kui nodded with a sullen face and immediately said, “Hua Ling, this competition...!”

Hearing Tian Kui’s voice, Hua Ling was immediately enraged in her mind! Her senior brother was still biased towards Xia Qing! He was still on her side at such a moment! The fire of anger burnt fiercely again and the hatred in Hua Ling’s heart burst out. She couldn’t let Xia Qing go. Absolutely not!

The longsword spun gently. Hua Ling mobilized all the fighting energy in her Qi meridians and infused it into the sword. The tremor of the sword came, making her hand slightly numb! One move, finish her off!

Rong Xin frowned. The earth-element Ring of Contract had already been shown. He had a feeling that Hua Ling was going to do something. Could she hurt her fellow disciples in front of everyone?

“Xia Qing, I won’t let you have it easy!” Hua Ling shouted furiously at an unusually high speed. She suddenly pointed the tip of her sword at Xia Qing and fighting energy swept out of the sword, turning into more than a thousand invisible swords! They were densely packed and covered Hua Ling’s side!

“Thousand Swords Summoner!”

With a shout, hundreds of swords instantly shot out at the same time and fell from the sky like heavy rain!

“What?” Rong Xin was shocked! Tian Kui was the same! She used her combat technique so quickly that they didn’t even have time to react! It was too sudden!

Xia Qing bit her lips. The Flower Eagle suddenly flapped its wings and created whirlwinds, trying to sweep away these swords. However, the thousands of swords were all formed by fighting energy. No matter how many whirlwinds there were, they couldn’t disperse the fighting energy! Xia Qing jumped up from the ground and stepped on the back of the Flower Eagle. The master and servant activated the power of the wind element at the same time. She, who had no defense at all, could only rely on speed!

## Chapter 1912: Crack (5)

1912 Crack (5)

Hua Ling was already stronger than Xia Qing. Even though Xia Qing dodged most of them, she was still a bit slower than Hua Ling. The fighting energy swords left wounds on Xia Qing’s body without hesitation. Even though they weren’t fatal, they were still a disaster for Xia Qing!

“Master!” The Flower Eagle dodged as it was worried about Xia Qing’s situation. It had already felt warm blood coming from its back!

“I... I’m fine!” Xia Qing gritted her teeth and held the bloody wound on her arm. She took a deep breath. She could still hold on! She couldn’t kill her!

“You can’t dodge!” Seeing that Xia Qing was covered in wounds, a hint of viciousness flashed through Hua Ling’s eyes. She was about to attack again when a figure suddenly rushed up from below the ring!

“Ha!” A furious shout sounded as thick fighting energy filled the sky and shattered the swords formed by Hua Ling’s fighting energy one by one! Xia Qing looked at the figure that rushed forward. “Luo Chen?”

Yun Luo Chen attacked in Hua Ling’s direction without hesitation. Seeing that someone came out to mess things up, Hua Ling immediately jumped up and flipped her palm. Her fighting energy directly collided with Yun Luo Chen’s fighting energy, making a loud bang!

“That’s enough!” Tian Kui and Rong Xin shouted furiously at the same time. Hua Ling’s black eyes darkened and she gritted her teeth fiercely. That’s enough? No! It’s far from enough!

“Swish!” A talisman appeared. Tian Kui’s pupils couldn’t help but shrink when he saw that! That was the Great Elder’s talisman! “Hua Ling!” Tian Kui roared and rushed over. Seeing that, Rong Xin immediately knew that something was wrong. The earth-element Ring of Contract lit up and the Rock King Turtle appeared!

However, everything seemed too slow! The power of the talisman was instantly detonated by Hua Ling and rushed towards Xia Qing!

Yun Luochen gritted his teeth and rushed towards Xia Qing without caring about his safety. He extended his long nose and completely protected her in his arms!

Xia Qing extended her arms and wanted to push Yun Luochen's body away, but he was so strong that he hugged her completely! "Yun Luochen! Go away!" Xia Qing couldn't help but growl. The two of them were on the back of the Flower Eagle, spinning in the wind! The power of the talisman came right at them and would hit them in the blink of an eye!

"I'm not leaving!" Yun Luochen roared and held Xia Qing even tighter. He looked at her with burning black eyes. "I'm not leaving!"

Xia Qing was stunned and didn't say anything for a moment. Yun Luochen suddenly took a deep breath and held Xia Qing even tighter. He flipped his hand and a stream of fighting energy burst out! Seeing that, Xia Qing also waved her wand and the power of the wind element moved forward with the fighting energy!

"You're crazy!" Tian Kui roared and hit Hua Ling mercilessly! Hua Ling fell on the ground in a sorry state, but she was laughing crazily!

Rong Xin immediately erected an earth-element defense, but it was useless! Facing the strength of the Great Elder, his earth-element defense was like a piece of skin! "Old turtle! Swallow them!" Rong Xin roared. The Rock King Turtle extended its neck, but it was too slow!

The sound of the wind, mixed with the crazy heartbeat and the tremor caused by the power of the talisman coming from the sky! These sounds echoed in Xia Qing's ears. Suddenly, she couldn't hear anything. Everything became unusually quiet, so quiet that she could even feel breathing extremely clearly!

"Roar...!" Suddenly, a wolf howl sounded from afar. It was so familiar! Xia Qing's heart trembled fiercely. A wolf howl... Why was there a wolf howl?

"Whoosh!" A ball of red fire suddenly shot out of Xia Qing's body and instantly turned into a huge wolf in the void! Xia Qing's eyes suddenly became wet. Yun Luochen looked at the fiery wolf that suddenly appeared in shock. This... This was that Fire Cloud Wolf!

"Roar...!" The fiery wolf appeared out of thin air, which surprised everyone! Rong Xin shouted, "Isn't this Junior Sister's fire-element Magic Beast? Why is it here?"

Hua Ling was also dumbfounded. She, who was sitting on the ground, looked at the sky in a daze. "Yun Feng's Magic Beast... How is that possible? How is that possible?"

"Roar...!" The fiery wolf roared as it rushed towards the power of the talisman. It opened its mouth and balls of scorching heat surged out, colliding fiercely with the power of the talisman!

Even though the Great Elder of Juxing was strong, he hadn't reached the God King Level yet!

"Poof!" The moment the red fire came into contact with the power of the talisman, the fire completely enveloped the power of the talisman and instantly swallowed it!

The huge wolf body instantly turned into a rain of fire and fell from the sky! "Watch out!" Rong Xin shouted and quickly released the earth-element barrier, blocking the fire rain dangerously. Otherwise, wouldn't the disciples of Juxing present be destroyed by the fire rain?

“Qingqing, are you alright?” Yun Luo Chen looked at Xia Qing, who was crying in his arms, and didn’t know what to say. Xia Qing looked at the fire rain that fell from the sky and only felt pain!

Yun Feng, who was far away in the Nirvana Tower, opened her eyes again at this moment and let out another wolf howl. Yun Feng’s heart also pounded! She immediately took out the Ring of Contract. Yun Feng’s black eyes darkened, because a second crack appeared!

“Why is there a second crack...” Looking at the tiny second crack on the Fire Ring of Contract, Yun Feng couldn’t figure it out no matter how hard she thought about it. Ever since Little Fire returned to the Ring of Contract, she hadn’t used the fire element again. She hadn’t even taken out the Ring of Contract many times. Why did cracks appear one after another? Did something happen to Little Fire?

Yun Feng was a bit worried in her mind, but she didn’t know what to do. She called out to Little Fire, but nobody answered. It could be seen that the day of Little Fire’s rebirth hadn’t come yet. Would the cracks increase again? What exactly did these cracks represent? Yun Feng thought for a while and still couldn’t figure it out. She was the only one right now. Nobody gave her an answer at all. She couldn’t understand no matter how she thought about it. If something really happened to Little Fire, she should be able to sense it immediately.

After putting away the Fire Ring of Contract, Yun Feng closed her black eyes again and calmed her mind. Her Nirvana was still going on.

In Juxing School, the appearance of the fiery wolf completely turned the situation around, which made all the disciples of Juxing dumbfounded! The Flower Eagle landed on the ground. Xia Qing wiped the tears on her face expressionlessly and wiped the blood on her hand and her face, looking extremely messy. She immediately pushed Yun Luo Chen’s arms away and distanced herself from him without batting an eyelid.

Yun Luo Chen’s black eyes darkened. He didn’t say anything and also took a step back silently. He was a bit shocked in his mind. When exactly did that Fire Cloud Wolf put its elemental power on Qingqing? If it weren’t for the wolf, Qingqing would be severely injured even if she didn’t die. In comparison, what he could do wasn’t enough to protect Qingqing. He was truly useless!
