Chapter 2081: The Ending Battle (13)

Yun, this ancient surname, this word that had already merged with Yun Feng's blood and was engraved in her bones, appeared in front of Yun Feng again. Yun Feng looked at the familiar word in front of her and her heart suddenly became hot!

Why was it Yun? Why did the word "Yun" appear in the nest of the Blood Souls? Why did it appear in front of her at this moment?

Yun Feng's heart trembled slightly. Was there a connection between the Blood Souls and the Yun family? The identity of this Blood Souls' Soul Master... Perhaps...

"Yun..." Qi Yun mumbled on the side and glanced at Yun Feng indifferently with his black eyes. "What are you thinking about?"

Yun Feng remained silent. She didn't know what she was thinking. Crazy thoughts flashed through her mind, making her suddenly lose the courage to investigate everything! What would be behind this door... What would be the truth waiting for her?

"Are you afraid?" Qi Yun whispered indifferently. A sorry look flashed through Yun Feng's eyes as she clenched her fists fiercely. Fear... She was a bit timid! The word in front of her confused her for a moment! Qi Yun chuckled softly. "If you're afraid, you can turn around."

Yun Feng's heart tightened. Turn back? She couldn't turn back! No matter how cruel the truth was, no matter how much she didn't want it, she had to walk down without hesitation! If she couldn't reach the end of this road, the journey would never end!

She raised her head with glittering black eyes. If it was really as she thought, she wanted to see what was hidden behind this door!

Yun Feng opened her hand and exerted strength, pushing the giant door in front of her open. The words on the door also split into two in an instant, as if they had rolled over time. The giant door let out an extremely old creak, as if it was predicting that everything inside had already been worn out over time.

Yun Feng took a deep breath and strode forward, walking into the giant door. The corners of Qi Yun's mouth curled up indifferently and he followed her in.

"Qu Lanyi!" A shout made the two figures, who were rushing desperately, stop abruptly. In the thick fog, a figure approached quickly and rushed out of the thick fog. Qu Lanyi and Ao Jin couldn't help but heave a sigh of relief.

"It's you, Second Brother," said Ao Jin. Qu Lanyi looked at Yun Qi and understood that he had also experienced a tough battle. He seemed to be in a worse state than the two of them. Why was there so much blood?

"Who were you fighting with? Why do you look so messy?" Qu Lanyi frowned. Yun Qi frowned slightly. "Nothing. Just a member of the Blood Souls. I can't remember his name. Is your side also a dead end?"

Qu Lanyi nodded. "If I'm right, no matter which direction Xiao Feng chooses, the exit will only be open to her."

"What do you mean?" Yun Qi suddenly frowned and tightened his body. Qu Lanyi said solemnly, "The Blood Souls have always regarded Xiao Feng as their only target. They've never changed since the beginning!"

"Damn it! Chase after her!" Yun Qi shouted furiously and was about to fly forward. Another shout came. The three of them immediately stopped and saw a black shadow rushing over from the thick fog, as if it was a bit difficult. When Ze Ran, who was dyed red, appeared from the thick fog, the three of them were immediately shocked!

"What happened to Mu Canghai?" Qu Lanyi immediately walked over. Mu Canghai closed his eyes tightly. There was a hole in his chest! His face was already almost pale, and now, it was even almost transparent! Ze Ran was covered in wounds and his clothes were already tattered. He held Mu Canghai with one hand and held the little girl who had already fallen asleep with the other.

Ze Ran put Mu Canghai down carefully. His body couldn't hold on anymore and he sat down, but he still protected the child in his arms carefully. Qu Lanyi immediately went forward to check Mu Canghai's injuries and threw Ze Ran a bottle of potion. Ze Ran drank it all without another word.

"Is that your child?" Yun Qi looked at the little girl in Ze Ran's arms and asked softly. Ze Ran nodded and took a deep breath. "It's all thanks to Brother Canghai... If it weren't for his attempt to save my daughter, Brother Canghai wouldn't have..."

"He's not dead," said Qu Lanyi after quickly checking his injuries. Ze Ran immediately relaxed after hearing that. "What exactly happened to you? Mu Canghai... If he weren't special, he would probably be dead right now." Qu Lanyi frowned and looked at Mu Canghai, who had fainted. It was hard to imagine what happened to the two of them.

"It's a long story," said Ze Ran. The blood in his eyes didn't dissipate. Ao Jin said, "Judging from the wounds on your body, you must've had a fierce battle with someone. It's good that you're fine."

Ze Ran nodded and looked at his sleeping daughter in his arms. He couldn't help but smile.

Qu Lanyi stood up and handed something to Ze Ran. "Stay here with Mu Canghai. You can only give him this after he opens his eyes. Then, wait here... No matter what you hear, don't leave this place!"

Ze Ran's black eyes widened. "How can that be? Brother Canghai and I..."

"How can you help with the child here? Besides, Mu Canghai is already lucky not to cause trouble for me!" Qu Lanyi quickly said, blocking Ze Ran's words. The corners of Ze Ran's mouth twitched. "Even if it's the truth, you don't have to be so heartless."

Qu Lanyi straightened his body. "If Mu Canghai insists on chasing her, tell him that. If he hopes that Yun Feng doesn't have any way out, he can chase after her!"

"You mean..." Ze Ran's black eyes widened. Qu Lanyi curled his lips. "There must be a way out. Even if we can't succeed this time, we have to escape unscathed."

"Got it!" Ze Ran nodded. Qu Lanyi turned around. Ao Jin and Yun Qi were both deep in thought. "The three of us also want..." Qu Lanyi suddenly fell silent halfway. Yun Qi raised his brows in confusion. "What's wrong?"

Qu Lanyi twisted his wrist and the Sound Transmission Jade appeared. The few men didn't know what happened, but when they saw the glittering light of the Sound Transmission Jade, they all widened their eyes in shock! The connection with the outside world was through!

He quickly infused his aura and the Sound Transmission Jade was instantly connected. A voice came, intermittently and clearly. It was Yan Ming!

"Qu Lanyi... Did you hear that? I'm Yan Ming!"

Chapter 2082: The Ending Battle (14)

Qu Lanyi couldn't help but hold the Sound Transmission Jade even tighter. "I heard you! It's me!"

"That's great! The call is finally connected... The connection doesn't seem to be stable. I'll make it short! Whether the situation on your side is good or bad, you must speed up!"

The men immediately frowned after hearing that. Qu Lanyi's face darkened. "...What happened in the outside world?"

"The power of the Blood Souls is endless. The East and West Alliance is exerting their full strength. I'm afraid we won't be able to suppress them anymore! If the key to controlling the Blood Souls isn't destroyed, we... won't be able to win this battle!" Yan Ming's voice came intermittently, but it was extremely clear!

"Got it! Hang in there. Give us more time!" said Qu Lanyi. The Sound Transmission Jade flashed crazily. Yan Ming's voice suddenly became blurry. "Alright, got it..."

"Pa!" The connection was cut off. No matter what, the Sound Transmission Jade didn't emit any light anymore. Qu Lanyi put away the Sound Transmission Jade with a gloomy face. The few men all looked gloomy. The situation of the battle outside wasn't optimistic. They... didn't have much time left!

"Let's go. It's not good to waste a second," said Yun Qi. Ao Jin nodded. "That's right. Destroy the Blood Souls. The sooner, the better!"

"Let's go," said Qu Lanyi in a deep voice. The three men turned around and chased after Yun Feng! They were instantly swallowed by the thick fog!

Ze Ran looked at his sleeping daughter in his arms and gently caressed her sleeping face with his hand. Ze Ran held her tightly. This battle... would definitely be won, definitely!

"Swish, swish, swish, swish, swish!" Three figures flashed through the thick fog quickly and a deep pressure spread out around the three of them. Even though they were in the thick fog, they didn't hesitate at all!

"The thick fog has faded. It seems that the exit is ahead." Qu Lanyi looked at the thick fog that had obviously faded a lot in front of him and knew that there must be an exit ahead!

"There's a door!" Golden light flashed through Ao Jin's golden eyes as he looked far ahead. The three men sped up even more. The closer they got, the more clearly they could see it. As Ao Jin said, a huge door stood in front of them!

"There seems to be something engraved on that door..." Yun Qi narrowed his black eyes slightly and frowned as he watched.

"No matter what it is, we'll know when we catch up!" said Qu Lanyi in a low voice. The other two also nodded. The three of them rushed forward with irresistible force!

"Swish, swish, swish!" Three black shadows suddenly appeared and interrupted the three of them!

The three black robes fluttered even though there was no wind. The red patterns on the black robes seemed to be flashing with bloodthirsty light secretly. The three black figures stood in front of the giant door with coldness on their faces. Qu Lanyi sneered. "The three elders of the Blood Souls are all here. How rare."

Ao Jin raised his brows. The three elders of the Blood Souls?!

Standing in the middle was Yan Xin with a cold face. Next to her were Yan Mi and another elder of the Blood Souls. Yan Mi glanced over with a cold gaze. "Which kid killed Yan Ye?"

Qu Lanyi and Ao Jin subconsciously looked at Yun Qi. Yun Qi curled his lips coldly. "Since I've killed one, I can certainly kill the second one!"

"Kid of the Yun family, how arrogant of you!" Yan Mi said fiercely. "How could you kill Yan Ye so easily with her strength?"

Yun Qi sneered. Qu Lanyi looked at the three of them. "It seems that we won't be able to get through until we get rid of the three of you."

Yan Xin, who was standing in the middle, curled his lips. "Of course."

Qu Lanyi's black eyes glittered. The soul of the Yun family was in Yan Xin's body. He and Fengfeng had never said anything. And now... they just didn't say anything.

"If that's the case, it seems that we'll have to fight!" Ao Jin rubbed his fists. He didn't exert his full strength in the battle just then. He hadn't enjoyed it yet. Now, there was a chance for him to fight happily. That was exactly what he wanted!

"One on one. It's more fair," said Yun Qi coldly. The three men smiled at each other. Instantly, the three figures separated. The three elders of the Blood Souls were the same. A few figures collided in the void. The fierce battle had just begun!

Yun Feng, who had entered the door, suddenly turned around and looked behind thoughtfully. Was there some sound outside just then? Were Lanyi and the others here? Yun Feng stopped, and so did Qi Yun. He looked at her with his black eyes. "You're going back?"

Yun Feng frowned. "I should wait for Lanyi and the others to come."

Qi Yun frowned slightly. "Wait? You don't seem to have such time anymore. Besides, how are you going to walk back now?"

Yun Feng looked at the road behind her. She had only walked for a while, but when she turned around, she couldn't see the door she came in anymore, as if she was a thousand miles away with one step. Yun Feng turned around. The road under her feet

kept extending forward and she couldn't see the end. Apart from the road under her feet, there was only darkness around. She had no choice but to step on this road.

She took a deep breath and could only move forward. As Qi Yun said, she didn't even have time to wait.

Yun Feng continued moving forward. That word "Yun" kept lingering in her mind. She thought along the way, but she couldn't figure out anything. She didn't know what this word "Yun" represented. She didn't understand what this word "Yun" conveyed either. She could only keep moving forward on this only road.

"What are you thinking about?" Qi Yun said in a deep voice. He kept looking ahead and didn't turn around.

"That word, Yun." Yun Feng told the truth. It didn't matter even if she said it. "The appearance of the word, Yun, here is what puzzles me the most."

Qi Yun chuckled. "Just take things as they come."

Yun Feng raised the corners of her mouth. Take things as they came? He didn't understand the uneasiness in her heart at all. Yun Feng looked ahead. How long would this road take?

"Swish, swish, swish!" Tiny sounds suddenly sounded next to Yun Feng. They flashed past Yun Feng's side like a gust of wind with a burst of heat. Yun Feng looked around vigilantly and saw that a fire suddenly lit up on both sides, forming a bright line of fire, illuminating the originally dark surroundings.

Yun Feng looked around. There were towering walls on both sides and there were many patterns engraved on the walls. Yun Feng couldn't see them clearly. What Qi Yun said attracted Yun Feng's attention. "It seems that this road has come to an end."

Chapter 2083: The Ending Battle (15)

Yun Feng turned around. As Qi Yun said, there was a door in front of the road that was as tall as a door. There was faint light coming out from inside. Yun Feng narrowed her black eyes slightly. Would she be facing the Blood Souls' Soul Master if she crossed the door? If that was the case, he was extremely confident that he didn't do anything to her even though he knew her purpose.

The corners of Yun Feng's mouth curled up coldly. Looking at the light that was so close, she stepped forward firmly. In an instant, a force was about to penetrate her body from the bottom of her feet. Her mental strength gathered without hesitation and pushed this force out completely!

Yun Feng came out of the light. This was an extremely empty area. There was only one lonely stone seat on the platform. A figure was sitting on it. He was wearing a black robe and had extremely familiar red patterns. Yun Feng's heart tightened. The Blood Souls' Soul Master!

A burst of laughter sounded. The person sitting on the stone seat slowly raised his head and his red eyes seemed to be burning with fire! A powerful pressure approached. Yun Feng gritted her teeth and stood there steadily with her feet. She straightened her back and didn't have the intention to yield at all!

Qi Yun, on the other hand, frowned slightly and didn't say anything, but it seemed that it was a bit tricky.

"We'll meet again one day. I just didn't expect it to be so soon." The figure sitting on the high ground slowly said. His voice was deep and slightly hoarse. His face was pale and his red eyes were bloodthirsty. He had a young face that had almost no traces of stopping. This was the Soul Master of the Blood Souls!

"Yun Feng, that little girl who was already dead in Chunfeng Town back then has become my biggest obstacle today. This Sage is too shocked."

Yun Feng's heart trembled! He said this Sage? "You're indeed the Sage..." Yun Feng said. The man sitting on the stone bench stood up in shock and slowly narrowed his eyes. Those red eyes seemed to be able to see through souls! "You know my title. You know a lot. Did Na Xie say that? Logically speaking, his memories shouldn't have recovered."

"You've already passed away!" Yun Feng glared at him. The man suddenly burst into laughter after hearing this!

"Hahahaha, passed away? I'm the Sage! The only powerhouse in this world who can control everything! I'm immortal!"

"You're wrong! There's no such thing as immortality in this world!" Yun Feng replied loudly without fear. She twisted her wrist and the five-element Rings of Contract appeared on her finger! Her huge mental strength pulled the power of the elements and the fire of the five elements appeared from the Ring of Contract, landing next to Yun Feng!

The beast roared and the five-element contracted Magic Beasts appeared!

The Blood Souls' Master narrowed his eyes and looked at the Magic Beasts after the fire of the five elements faded. He curled his lips coldly. "Five elements..."

“Master, is that the Blood Souls’ Master?!” Little Fire said with nervousness in its wolf eyes. Lan Yi, who was the calmest, said in a low voice, “I can’t figure out his strength at all. Besides... he gives me an inexplicable pressure.”

“He hurt Xiao Feng. I won’t let him go!” Yaoyao bared her sharp teeth fiercely. The water element appeared and an enchanting and charming mature body immediately appeared. Er Lei was extremely silent as he looked at the Blood Souls’ Soul Master deeply with his purple eyes. Sister Hua’s face darkened and she said in a low voice, “Don’t be impulsive, little girl.”

“He’s the Sage who has mastered the power of seven elements.” Yun Feng slowly said. The five contracted Magic Beasts widened their eyes at the same time! Seven elements! He had mastered the power of seven elements!

“Master, he...” Lan Yi didn’t know what to say. Yun Feng curled her lips and smiled. “Even though he has the power of seven elements, he’s already dead! It won’t be easy for us to win, but it’s not impossible!”

“You’re right. I’ve never heard of retreating without fighting!” Er Lei said as he clenched his fists. Sister Hua chuckled. “Since Little Yun Feng said so, I’ll fight to the end even if I have to die.”

“Xiao Feng! I’ll protect you!”

“The Blood Souls still owe me their lives! How can I let them go so easily?”

“Master, none of us will retreat. Don’t worry, Master!”

Yun Feng smiled lightly and sent a telepathic message. “Listen up. This is a battle of life and death. We might leave alive, or we might die here! Whether we live or die, I’ll eliminate the Blood Souls!”

The five contracted Magic Beasts all smiled and said at the same time, “We’ve already been prepared to die! Accompany Master until we die!”

Yun Feng’s eyes were hot as she shouted fiercely, “Scatter! Attack!”

The five figures turned into five beams of light and rushed towards the Blood Souls’ Master at the same time. Yun Feng flipped her hand and held the wand in her hand! Her master’s wand only showed its true power when Yun Feng used the power of a God Venerable!

The Blood Souls’ Master sneered. In his eyes, Yun Feng wasn’t worth mentioning! His black robe rose and thick darkness elements turned into invisible hands. At this moment, a figure quickly appeared in the air. His incomparably handsome face was cold as he suddenly attacked! It was Qi Yun!

The black robe rose and the body of the Blood Souls' Master swayed, dodging instantly! Qi Yun frowned slightly and immediately launched the second wave of attacks! The fierce battle began!

"Roar...!" A ball of scorching fire shot out of the Fire Cloud Wolf's mouth. The black robe fluttered gently and a ball of fire with darkness directly swept towards Little Fire! Little Fire was shocked. It quickly dodged, but it couldn't!

With a cry, the giant griffin grabbed the Fire Cloud Wolf's body with its claws and brought it to the side, avoiding this wave of danger!

"Bird man, thank you." Little Fire was suddenly relieved. The giant griffin loosened its claws and looked at the Fire Cloud Wolf with its eyes. "Brother Fire, be careful."

"I know. Controlling the power of the seven elements... The power of the seven elements isn't as simple as Master's. There are thick dark elements mixed in!"

"Master said that he's already dead. It's normal for him to have dark elements! Be careful!"

The two Magic Beasts instantly separated and a ball of black and red fire passed through!

The Blood Souls' Master was able to deal with them with ease, and the five contracted Magic Beasts and even Yun Feng weren't a threat to him, Qi Yun wasn't! Qi Yun's attacks were rapid and direct, and his speed was comparable to that of the Blood Souls' Master! None of his attacks missed. He was the greatest threat!

"Swish...!" The black robe suddenly rose and he looked at Qi Yun with his blood-red eyes. "Who exactly are you?"

Chapter 2084: The Ending Battle (16)

Qi Yun was expressionless as he attacked again with his hand. The Blood Souls' Master quickly dodged, but Qi Yun followed him. He slapped the Blood Souls' Master's chest heavily again! "Hm!" The Blood Souls' Master held his chest and looked at Qi Yun gloomily. Even though he was the Sage, he was a dead soul after all. His strength wasn't even one-tenth of what it used to be! Otherwise, how would he have fought for so long? He clenched his fists tightly. He could put Yun Feng aside and deal with this troublesome person first!

"Swish, swish, swish, swish...!" Thick black fog instantly surged out of the black robe of the Blood Souls' Master, mixed with the power of different elements, gathering into different forms in an instant. After they took shape, it shocked Yun Feng!

Five figures that were exactly the same as her Magic Beasts stood on the opposite side and there was also an identical her!

“This is...” The five contracted Magic Beasts all widened their eyes when they saw this. The enemy that looked exactly like them had already pounced forward at this moment!

The Blood Souls’ Master smiled sinisterly. “Kid, I’ll let you have a taste of fighting with yourself first!” He swung his black robe and directly faced Qi Yun. Without Yun Feng’s interference, he could focus on dealing with this problem!

Qi Yun’s black eyes darkened and his body moved unpredictably in the void. Whether it was speed or strength, he wasn’t inferior to the Blood Souls’ Master! The Blood Souls’ Master’s blood-red eyes were full of gloominess. Who exactly was he? If he kept fighting with him, his body would suffer sooner or later!

“Swish...!” The darkness attack missed. A hint of anxiety flashed through his blood-red eyes, but when he looked in a certain direction, he suddenly put on a smile. Qi Yun couldn’t help but feel shocked when he saw this! What was with this smile?

“Buzz...!” There was a sudden movement in the space and a force suddenly came from behind Qi Yun. Qi Yun’s black eyes were startled and his body quickly flashed to the side. However, at this moment, the Blood Souls’ Master attacked. The attack in front of Qi Yun’s eyes came right at him, but he couldn’t dodge anymore!

“Bang!” The darkness attack hit Qi Yun’s chest heavily. Qi Yun grunted and quickly retreated, barely stopping. He held his chest with his hand and panted. What happened just then? Did someone shoot an arrow at his back? Who was it?

“Buzz!” Another attack came. This time, Qi Yun didn’t even have a chance to dodge and directly hit his back!

“Bang!” Qi Yun’s body fell from the sky and landed on the ground!

What? Seeing Qi Yun fall from the sky, Yun Feng immediately ran over and rushed to Qi Yun’s side. “How are you? Are you alright?” Yun Feng helped Qi Yun up. Qi Yun suddenly extended his hand and held Yun Feng’s wrist. “C-Careful... There’s... Someone...”

“What did you say?” Yun Feng was shocked in her mind. Someone was here? Apart from them, there was someone else here! It was also this hidden person who attacked Qi Yun that injured him!

“Roar...!” There was the roar of a wild beast. Yun Feng looked up and saw that Little Fire was hit by the black “Little Fire”!

“Brother Fire!” Lan Yi wanted to help, but another claw of “Lan Yi” grabbed him, leaving a deep crack on the griffin’s body!

In an instant, Yun Feng’s five contracted Magic Beasts were injured at the same time, while the five identical Magic Beasts were unscathed. There should be faint black mist around them!

“Master, they’re surrounded by dark elements. Once we get close, they’ll swallow our elemental power.” Lan Yi’s voice sounded in her mind. “Not only that, but these five are surprisingly tacit. Their strength hasn’t weakened at all since the beginning!” Sister Hua’s voice came. Yun Feng frowned hard and put Qi Yun down carefully. She waved the wand in her arm. They didn’t know exhaustion... Since they didn’t know exhaustion, it was good to eliminate them completely!

Five-element light gathered around the wand in Yun Feng’s hand. The light of the five elements glittered. Yun Feng took a deep breath and opened and closed her hands again! The power of the five elements was instantly fused in her palm!

“Buzz, buzz, buzz...!” The fluctuation of fused elements spread crazily! The Blood Souls’ Master narrowed his eyes. “This is her fusion of five elements?”

This was the first time Yun Feng tried to fuse five elements! The power of the five elements was forcibly squeezed together by her and the power of the elements let out a furious roar! Wounds appeared in Yun Feng’s palm, like cracks on the ground! Hot pain came from her palm. Yun Feng didn’t care at all. She exerted strength in her palm again and the wounds suddenly expanded!

“Pa! Pa! Pa!” Blood gushed out of her palm and fell on the ground, blooming one flower after another!

“Argh...!” With a furious roar, Yun Feng’s palms kept getting closer to each other. The roaring power of elements resisted to the maximum and suddenly fell silent!

“Boom!” The muffled sound of power filled the space! The black robe of the Blood Souls’ Soul Master rose and five identical Magic Beasts pounced on Yun Feng!

Yun Feng looked up. Her black eyes glittered with scorching light and her bloody palms separated just like that. A ball that was glittering with the same light glittered in Yun Feng’s hand! It was dazzling!

Yun Feng pushed her hand gently and the ball in her hand burst out!

“Buzz!” Powerful light glittered from the ball. Wherever the ball went, the power of space distorted!

“The fusion of elements is so powerful!” The Blood Souls’ Master couldn’t help but widen his eyes. Then, he smiled ferociously. “That’s a waste of effort!”

“Explode!” Yun Feng roared as the fusion power of the five elements instantly exploded! The five Magic Beasts were swept up by the eruption of power and were instantly torn and cracked! Only an extremely faint layer of black elements was left in the air. Then, they were instantly eliminated!

“Hahaha, Yun Feng, you can’t beat me at all with this!” The voice of the Blood Souls’ Master came. Yun Feng sneered. She suddenly tapped the ground with the tip of her foot and jumped into the sky. Accompanied by the aftershock of her outburst of power, she rushed forward!

“Master!” The five contracted Magic Beasts immediately shouted. They all wanted to rush forward, but they were bounced back by the powerful energy fluctuation!

Yun Feng rushed up like a beam of light and gritted her teeth. All the power was gathered in her hand as she slowly clenched her fingers into a fist! A ball of light appeared on the surface of Yun Feng’s fist and five different colors of elements glittered in the light! She certainly understood that the attack just then couldn’t hurt the Soul Master. Her attack wasn’t over yet!

“Swish...!” A black figure came from in front of him. Her black and the red eyes looked at each other. The Blood Souls’ Master burst into laughter. “You want to finish me off with your fist? You’re too naive!”

Chapter 2085: The Ending Battle (17)

Yun Feng curled her lips. The distance between the two of them kept shrinking until there was only the distance of one fist left! Yun Feng clenched her fist and rushed forward, punching the chest of the Blood Souls’ Master fiercely!

“What?” The Blood Souls’ Master widened his eyes. It wasn’t until he was so close that he saw that Yun Feng didn’t just punch with pure physical strength, but also with the power of her own five elements! The Blood Souls’ Master was surprised. Yun Feng’s attack hit his chest and his face couldn’t help but darken. He had underestimated her!

“It’s not over yet!” Yun Feng roared as she suddenly loosened her fingers and was about to pierce into the chest of the Blood Souls’ Soul Master!

“Buzz!” An attack came from the side. Yun Feng was shocked. She didn’t have time to dodge at all and it hit her arm!

“Ugh!” Yun Feng heard the sound of bones breaking and her hand immediately became weak. The Blood Souls’ Master took this opportunity to attack backhandedly, hitting Yun Feng’s chest heavily! A stream of thick dark elements instantly entered Yun Feng’s body. Yun Feng’s body fell from the sky and landed on the ground in a sorry state!

“Master!” The five contracted Magic Beasts moved, but they were all nailed to the ground for some reason! The Blood Souls’ Master raised his hand and the dark elements formed chains, tying up the five contracted Magic Beasts. He slowly landed from the sky and looked at Yun Feng on the ground with his red eyes with a cold smile.

“Kid, I spared your life. Did you really think you can defeat me? I was just curious about how far you would go and how the bloodline in your body would grow! More importantly, as Na Xie’s nourishment, you can’t die so early.”

Yun Feng’s black eyes widened and her heart trembled! Na Xie’s... nourishment!

The man smiled weirdly. “I’m Na Xie’s master. I allowed you to live in this world because of it. It needs your energy to grow, but now... is the time for maturity.” The black robe suddenly rose. Yun Feng’s body on the ground was suddenly hung up. The pale and slender fingers instantly reached for Yun Feng’s chest and went straight into Yun Feng’s body!

Na Xie...! Yun Feng wanted to move, but her body was completely stiff and she couldn’t do anything at all! Na Xie! Wake up! Na Xie! Yun Feng shouted desperately, but there was no response from her body. The huge hand that reached in had already arrived in her spiritual space!

“Don’t even think about taking that Xie away!” Yun Feng roared. The man curled his lips and a strange light flashed through his blood-red eyes. He quickly reached for the light ball floating in Yun Feng’s spiritual space and grabbed it fiercely!

“No...!” A roar and weird excited laughter filled this space after the power was forcibly stripped away!

“Whoosh, whoosh...!” Yun Feng panted quickly and looked at the glittering ball in the man’s hand. That was the power that belonged to Na Xie! It was forcibly separated from her body!

“Give... Na Xie... back to me...” Yun Feng said intermittently. The Blood Souls’ Master burst into laughter. “After the heavy blow just then and being stripped of your power, you’re still alive. It seems that you’re really tough, but it’s not over yet!” He reached his hand in again and Qi Yun, who was on the ground, couldn’t help but growl when he saw that. “Let go of her!”

The Soul Master smiled weirdly and searched Yun Feng’s body mercilessly with his big hand. Yun Feng understood that he was searching the other half of Na Xie’s soul!

“Don’t even think about it! Don’t even think about it!” Yun Feng gritted her teeth fiercely as all the mental strength in her spiritual space instantly surged out. The Soul Master realized Yun Feng’s resistance and only sneered. He reached his hand deeper and a glint of light suddenly shot out of his red eyes. “Found it.”

“Ugh!” Something was forcibly awakened and began to wreak havoc deep in Yun Feng’s body! A strange pain instantly filled her entire body and went deep into her bones! It was Red-Eyed. Red-Eyed had woken up!

“Hahahaha!” With a crazy laugh, The pale finger suddenly left Yun Feng’s body, followed by a ball of red light, as if it was coming out with blood!

A mouthful of blood directly spurted out of Yun Feng’s mouth and her body became even weaker! For the first time, Yun Feng felt so helpless. She, who was at the God Venerable Level, was like a doll in front of the Blood Souls’ Soul Master. She couldn’t resist at all and could only be at his mercy! Was she really overestimating herself? Didn’t she have the ability to resist the Blood Souls’ Soul Master?

“It’s truly beautiful. You’ve slept for so long. It’s time to wake up, old friend.” The Blood Souls’ Master mumbled. He looked at the red and white light in his palm with his blood-red eyes and suddenly clasped them together! An earth-shattering roar appeared in the light. The moment the red and white light collided, they intertwined. Powerful energy kept spreading out from the huge light! It became bigger and bigger!

Red and white kept intertwining and a huge body appeared. It broke free of the shackles that bound it and appeared again!

Yun Feng raised her head and looked at the huge figure in the halo that filled the sky. Her heart suddenly ached! Na Xie, how many times have I wanted to see your real body? How many times have I looked forward to seeing your real appearance? I didn’t expect the first time we met to be at such a moment.

“Roar...!” Accompanied by the roar of a wild beast, huge limbs appeared from the light. There were a few red furs between the white furs that were as white as snow. Looking from afar, they were exactly the same as the red patterns on the black robe of the Blood Souls!

The light dissipated. The huge beast’s body was slender and strong, as if it was full of endless power! Red patterns covered its entire body. What slowly opened was a pair of eyes that were as red as blood like those of the Blood Souls’ Soul Master!

“That’s Meatball’s real body!” Little Fire was dumbfounded. Lan Yi whispered slowly, “Just looking at it makes my entire body tremble! This is Na Xie, an existence that even Fantastical Beasts are afraid of!”

“Na Xie... I really can't believe that the most harmless thing with Little Yun Feng is in such a state!”

Yun Feng propped herself up from the ground and looked at the tall, handsome, huge Magic Beast in front of her with her black eyes that was full of endless power and mystery. This was Na Xie, his original body. As expected... as expected... it wasn't much different from what she thought. The red patterns on its body were the red patterns on the black robe of the Blood Souls. Na Xie was a follower of the Sage!

“Hahahaha!” The Blood Souls' Master burst into laughter. “Na Xie, do you remember who I am?”

The beast looked at the Blood Souls' Master with its blood-red eyes and opened its wolf-like mouth, revealing a ferocious smile. “Of course I do, but you're truly miserable like this right now.”

Chapter 2086: The Ending Battle (18)

The Blood Souls' Master was stunned for a moment. Then, he realized something! He swung his black robe and a beam of darkness elements shot towards Na Xie. The huge tail swept gently and blocked the attack completely!

“You're not Na Xie. You're Red-Eyed!” Yun Feng said coldly. She wasn't unfamiliar with such a tone and such red eyes! At this moment, the evil soul, Red-Eyed, was in control!

“I want Na Xie, not you!” The Blood Souls' Master shouted furiously. Red-Eyed smiled ferociously! Its sharp claws slapped down fiercely and pounced on the Blood Souls' Master. The body of the Blood Souls' Master flashed, but he didn't expect that this attack was just a pretense. Another sharp claw was already waiting on the side. With a scream, the body of the Blood Souls' Master was instantly sent flying and he fell on the ground!

This scene shocked everyone! The Blood Souls' Master was knocked to the ground so easily by Na Xie's claw!

While Yun Feng was shocked, she also understood that even though the Blood Souls' Master was the Sage, his strength was probably already incomparable to before, or he wouldn't have been defeated by Red-Eyed so easily!

“Sage, you're still the same. You care about Na Xie in every way and despise me!” Extreme hatred burst out of the red eyes. “Do you still think you're the same as before? In my eyes, you're just an ant!”

The Blood Souls' Master fell on the ground. He was seriously injured. His equally red eyes were full of unwillingness, but what he said was the truth!

The red beast looked at Yun Feng. "Yun Feng, do you remember what I said?"

Yun Feng's breath tightened. Red-Eyed said that if he could come out, he would kill her first!

The sharp claws slowly moved forward and walked towards Yun Feng. Yun Feng raised her head and looked at those red eyes. She took a deep breath and Red-Eyed stopped. "Why? Do you think I won't kill you?"

Yun Feng frowned hard. Red-Eyed raised its head and laughed crazily. Its sharp claws suddenly pressed on the ground. Instantly, stones flew everywhere on the ground where Yun Feng was. Yun Feng was bounced to another place! She fell on the ground!

"Seeing that you're like an ant and can't resist at all in front of me, I'm delighted in my mind. Yun Feng, I'm going to torture you fiercely and then kill you!" Those red eyes were ferocious and evil as the huge claws slapped the ground. Yun Feng was thrown high in panic and kept doing this!

"Ugh!" Yun Feng gritted her teeth. She was already severely injured and one of her arms was broken, so she was even more injured! Her weakened body couldn't resist at all and she let it torture her like this!

"Hahahaha, you're quite tolerant, but you reduced my fun!" The giant claw didn't do anything else. Its blood-red eyes were full of impatience and annoyance, which announced that it didn't have much patience left!

"Damn it!" Qi Yun lay on the ground and wanted to move, but his body was powerless at all. He could only watch!

The five contracted Magic Beasts were even more so. Even if they rushed forward, how would they be Red-Eyed's match at this moment?

The huge sharp claws slapped the ground fiercely again and the ground where Yun Feng was located tightened again. Yun Feng's body was thrown into the air. Yun Feng didn't say anything. She didn't do anything else after the consecutive movements just then, especially when the Blood Souls' Soul Master forcibly separated the two forces of Na Xie from her body, causing huge damage! Yun Feng's black eyes were extremely calm, like a deep pool. She looked at the familiar huge figure of the Magic Beast in front of her, at those blood-red eyes, at the sharp claws that could tear her into pieces in an instant. Yun Feng didn't do anything else. She only curled her red lips and smiled.

"I've never regretted meeting you. I still owe you something. Na Xie, thank you." Yun Feng whispered with a smile in her black eyes. Her red blood-red eyes were suddenly

stunned. Then, a glint of anger flashed through them as she swung her sharp claws mercilessly!

“Xiao Fengfeng...!” A shout that was almost crazy cut through the air. A figure ran over crazily and fought with everything!

“Feng! Feng!” Yun Qi, who was in a sorry state, saw this scene and his heart shrank fiercely. He staggered forward and chased after her!

“Kid!” The golden pupils shrank fiercely. After Ao Jin’s body stiffened in an instant, he also rushed over crazily, but he still wasn’t as fast as the first person to rush out!

“Buzz... Boom...!” Dazzling light suddenly burst out. Qu Lanyi was completely immersed in the light, except for his bloodshot eyes! His heart was hurting fiercely! A huge pillar of light burst out of his body and directly broke the tattered clothes on his upper body. The red gears on his chest spun crazily. The light elements with the title of the God of Healing carried destructive power at this moment!

“Roar...!” With a furious roar, the sharp claws flashed through the air fiercely and instantly landed!

“Poof!” The sound of a body being pierced flashed through the light. Nobody knew what happened in the light. They only saw dark red blood gushing out and fall from the light, dyeing the ground red!

“Feng!” Yun Qi roared as he rushed forward with bloodshot eyes. Ao Jin’s head buzzed fiercely!

Qi Yun’s pupils shrank fiercely on the ground. Looking at the dark red blood that kept falling from the light, he pounded the ground fiercely with his hand. This was impossible. This was impossible!

Chapter 2087: The Ending Battle (19)

“Clap, clap, clap, clap!” The redness on the ground connected and blood kept spilling out of the dazzling light, dyeing everyone’s vision red and squeezing their hearts!

“Feng!” Yun Qi rushed forward. He didn’t care about anything. There was only his only precious sister in his mind, the one who did everything to save him!

“Watch out!” Ao Jin caught up from behind. Golden light appeared on his body and he instantly transformed into a Dragon. His huge golden dragon tail swept forward and grabbed Yun Qi, dragging him back forcefully! At the same time, constantly glittering

light spread out in all directions with a bang and the destructive power dissipated just like that!

“Roar...!” There was a painful roar and the sound of a huge body falling to the ground!

The dragon tail retreated quickly with Yun Qi and they barely avoided it. The halo that spread out hurt everyone’s eyes and they couldn’t open them at all! Everyone narrowed their eyes and didn’t know what exactly happened in the halo!

The halo gradually dissipated and the red color was even more dazzling, but it was all blooming on one person!

“Lanyi...” Yun Feng widened her black eyes. Warm blood dripped on her face and body intermittently! Yun Feng wanted to raise her hand and wipe the blood off his handsome face, but she didn’t have any strength at all!

The man’s arm held her steadily and protected her! With his body! A ferocious wound appeared on Qu Lanyi’s back. Dark red blood was constantly flowing out of the wound! His thin lips slowly curled up and a warm and reassuring smile bloomed. “I’m here.”

Yun Feng’s heart tightened. Looking at the blood all over his body, her heart couldn’t stop hurting! “Your wound... Your wound...” Yun Feng said weakly. Qu Lanyi shook his head indifferently. “I won’t die. I’m just bleeding.”

Yun Feng rolled her black eyes. Na Xie’s huge body lay on the ground and didn’t do anything. Qu Lanyi picked her up and took her back steadily. The blood on his back fell all the way to the ground, forming a red mark. “It’s fine. It just fainted. My light element energy is enough to make Red-Eyed suffer.”

“Feng!” Yun Qi ran over and took Yun Feng. He glanced at Qu Lanyi with his black eyes. “Thank you.”

Ao Jin transformed into his human form and quickly walked up to hold Qu Lanyi’s swaying body. Looking at the wound on his back, he couldn’t help but frown. This kid was protecting her with his life! Wasn’t he afraid that this would be enough to take his life?

“You should be careful too! If something happens to you, who will treat Yun Feng?” Ao Jin held Qu Lanyi with admiration in his eyes. Qu Lanyi chuckled and suddenly held his chest. “I’ll be fine.” How would he lose his life so easily with the light element seed in his body?

“It’s more important to deal with your wound. Leave the rest to me.” Ao Jin helped Qu Lanyi sit down. Qi Yun, who was lying on the ground, couldn’t help but heave a sigh of relief when he saw this scene. That kid rushed over so quickly. If it were him, he might not be able to make it in time. Luckily, Yun Feng was fine. Red-Eyed had fainted on the

side and the Blood Souls' Master was struggling at death's door. However... Qi Yun glanced elsewhere with his black eyes. Where was the person who attacked secretly just then?

Killing intent flashed in his golden eyes. Ao Jin looked at the black-robed figure who fell on the side in an even more sorry state. The Blood Souls' Soul Master? He was more like a loser right now!

The Soul Master of the Blood Souls kept stepping back when he saw Ao Jin approach. Ao Jin sneered. "The Blood Souls divided the Dragons into two. Now that we're killing each other, it'll really be unreasonable if I don't start with you!"

"If it weren't that I'm not as strong as I was back then, how would you be my match? I would have already crushed you into dust!"

"That's all you have time to brag!" Ao Jin shouted furiously. His hand immediately turned into a dragon claw and his body turned into a beam of golden light, rushing towards the Blood Souls' Soul Master. It was over. Everything was over!

"Buzz!" The power of space suddenly shook and an invisible attack came towards Ao Jin's side secretly!

"What?" His golden eyes glittered and Ao Jin's body immediately dodged. He flipped his hand and the power hit in the direction where he was attacked just then, but it completely missed!

"Who's hiding there? Come out!" Ao Jin roared. Yun Feng said, "Someone... is in the dark..."

Hearing that, Qu Lanyi frowned and glanced in other directions. Yun Qi was the same, but he didn't find anyone after observing for a long time! "Ao Jin, come back first," said Qu Lanyi, but Ao Jin ignored him. In his eyes, he must finish off the Blood Souls' Master! The pain of killing his own kind must be paid with his life!

"Come back? Then wait until I kill him first!" His golden eyes were dyed with anger. Ao Jin rushed forward just like that and pounced forward without hesitation with his dragon claws. "Buzz...!" It was the same attack just then. Ao Jin didn't want to dodge at all. A ball of fire suddenly surged out of his body. The fiery dragon let out a furious roar and took this power, but it was only most of it!

"Ugh!" Ao Jin felt a trace of pain. He looked at his side in shock. The defense of the Dragons had been penetrated!

"Bang...!" Yun Qi raised his hand and slapped, hitting the place where the power was released just then. A black shadow suddenly appeared and jumped out, moving so quickly that it seemed to have teleported!

A figure appeared in the void and stood in front of everyone. Yun Feng, who was lying in Qu Lanyi's arms, couldn't help but widen her black eyes when she saw this. Ao Jin frowned when he saw the person. "Why are you here?"

"I was still worried, so I could only follow you." The figure smiled lightly and slowly turned around. The Blood Souls' Master said, "You..."

"Swish...!" A force hit the Blood Souls' Master directly. His black eyes were full of disbelief, but nobody would see such an expression. This attack shocked everyone! After being stunned for a moment, Ao Jin shouted furiously, "That's my prey! Who asked you to attack?"

The figure slowly turned around and smiled lightly. "It doesn't matter who does it. He's dead. Everything is over."

"It's you!" Qi Yun, who was on the ground, barely sat up from the ground and looked at the face in front of him. "You were the one who attacked us several times in the dark just then."

Qu Lanyi frowned and pressed his hand on Yun Feng's chest. Light elements slowly entered Yun Feng's body and he said in a low voice, "It's indeed you... You really can't change."

Chapter 2088: The Ending Battle (20)

The person who spoke wasn't angry at all. He looked at Yun Feng with a smile in his black eyes. "Young Lady Yun, I don't care what others say. You don't believe me either?"

"Xuan Yi," said Yun Feng with coldness in her black eyes. "Trust you? What do you have that can make me believe right now? It's useless even if I deny it."

The faint smile on Xuan Yi's face was gone and his expression couldn't help but become much gloomier. "Young Lady Yun, I killed the Blood Souls' Soul Master and the Blood Souls were destroyed just like that. Isn't this what you want?"

Yun Feng exerted her strength. Her weak body just then was already much better because of the light elements. Qu Lanyi quickly helped Yun Feng up with a gloomy look in his black eyes. "The Blood Souls are just a pretense. What exactly is your purpose?"

"You did everything!" Ao Jin shouted furiously. The burning fiery dragon on the side also roared furiously. Xuan Yi sneered with extremely calm black eyes. "What the Blood Souls are doing right now has nothing to do with me. We're just taking what we need. It's just that they're too useless after all. I still haven't got what I want. They're all a

group of losers!” Xuan Yi looked at the corpse on the ground in disgust. When he raised his head again, he had a calm smile on his face.

“However, the Blood Souls are still useful. If it weren’t for the Blood Souls, the East and West Alliance wouldn’t have been established and the things I want wouldn’t have appeared so easily. And now, they’re already gathered here.”

“Is what you want the Element Seed?” Yun Feng said. Xuan Yi burst into laughter. “Young Lady Yun is truly the only one who knows me.” After saying that, Xuan Yi raised his arm and a figure appeared next to him. It was the fire-element Fantastical Beast!

“You can make the Fantastical Beast team up with you?” Qu Lanyi was surprised. Xuan Yi had such ability and means!

“So what if it’s a Fantastical Beast?” Xuan Yi said coldly. “It’ll certainly be great if you’re willing to hand over the Light Seed, the Water Seed, the Fire Seed and the Wind Seed.”

“Why do you want the Element Seeds? Xuan Yi, who exactly are you?” Yun Feng said. Xuan Yi chuckled. “If Young Lady Yun asks, I’ll certainly tell you, but not now.” Xuan Yi waved his arm gently. The fire-element Fantastical Beast on the side had already moved!

“Whoosh!” A ball of roaring fire fell from the sky. Qu Lanyi picked Yun Feng up and dodged. Qi Yun barely dodged to the side. His body still hadn’t recovered! The man’s strength made him so miserable. What... was wrong with this person?

“Yun Feng, be careful of him...” Qi Yun had just opened his mouth when Xuan Yi swung his hand and a power attack came, hitting Qi Yun again. Qi Yun staggered and knelt on the ground! Blood directly gushed out of his mouth!

Qu Lanyi and Yun Feng were shocked to see this scene! Qi Yun was stronger than them, but he was in such a sorry state because of Xuan Yi’s power! Xuan Yi’s strength... was already above Qi Yun’s!

“Let me out!” A young voice sounded in Yun Feng’s mind. It was the child formed by the Wind Seed! “There are too many things in this human’s body. You can’t beat him at all!”

Yun Feng was shocked. There were too many things. What exactly was in Xuan Yi’s body?

“I told you. Let me out quickly! Otherwise, you won’t even know how you died!” There was too much impatience in the young voice. Yun Feng immediately opened the Dragon Palace without any hesitation. A beam of green light flew out of the Dragon Palace and a cute boy appeared in front of Yun Feng, looking at Xuan Yi with an extremely deep gaze.

Xuan Yi raised his brows and chuckled. "The Wind Seed is you? I really didn't expect it."

"We can't fight him head-on. None of you is his match right now! Get rid of that Fantastical Beast first!" The little boy was very calm and collected compared to when he faced Yun Feng at first. Yun Feng nodded. The five contracted Magic Beasts that were restrained moved at the same time. Lan Yi rushed over and flew back with Qi Yun, while the other four Magic Beasts rushed towards the fire-element Fantastical Beast at the same time!

"Take care of Feng!" Yun Qi whispered as he dashed forward and joined the battle against the fire Fantastical Beast with Ao Jin!

Qu Lanyi, on the other hand, came to the back with Yun Feng. The two of them had almost exhausted their combat strength right now, so they could only ask Yun Qi and Ao Jin to hold on for a while. "What exactly did you mean just then? What exactly does he have in his body?" Yun Feng said. The little boy frowned and looked at Yun Feng solemnly. "Are you sure you really want to know?"

Yun Feng chuckled. "What's wrong? Is it something I can't know?"

The boy was stunned for a moment. Then, the corners of his mouth curled up. "If that's the case, I'll tell you what's in his body."

The little boy said slowly. The battle on the side was going on and the noisy sounds of the battle covered everything. Yun Feng widened her eyes and suddenly clenched her fists!

"Ha!" Yun Qi shouted with a deep voice as his body quickly approached the fire-element Fantastical Beast. He flipped his hand and went straight to its chest! However, an attack came from the side. Yun Qi could only dodge it forcefully. The fire-element Fantastical Beast took the opportunity to distance itself!

"F*ck! With Xuan Yi on the side, we don't have the power to fight back at all!" Ao Jin was enraged. The Golden Dragon circled in the sky with the Fire Element Seed. The scene of the two giant dragons appearing was quite shocking. The space here had already been destroyed, but the battle still hadn't stopped!

"You're right. As long as Xuan Yi is here, we can only be suppressed!" Yun Qi turned around. Without Xuan Yi, they would have succeeded even if they were facing the fire-element Fantastical Beast!

"Why don't we attract Xuan Yi's attention and you deal with the fire-element Fantastical Beast?" Sister Hua said. Ao Jin and Yun Qi looked at each other and finally nodded. The few figures immediately split up. Five beams of light pounced on Xuan Yi at the same time, while Yun Qi and Ao Jin went straight for the fire-element Fantastical Beast!

“You think you can stand in my way?” Xuan Yi stood in the sky and smiled coldly. He looked to the side with his black eyes and the corners of his mouth curled up. “It seems that I’ve suffered a lot. It’s time to look for reinforcements!” His body swayed and Xuan Yi had already arrived on Na Xie, who was on the ground! The five contracted Magic Beasts were shocked when they saw this! Could he be...

“Wake up!” Xuan Yi roared as he slapped Na Xie’s head fiercely. Something entered Na Xie’s body from Xuan Yi’s palm. The huge beast body that originally didn’t do anything suddenly moved. Its closed eyes opened again and redness flashed!

Chapter 2089: The Ending Battle (21)

“Oh no!” The hearts of the five contracted Magic Beasts tightened when they saw this scene. When Na Xie woke up, the few of them together wouldn’t be his match!

“Right now, we can only let Na Xie fall asleep again before it recovers its full strength!” said Lan Yi. The few contracted Magic Beasts all nodded. The five elements gathered together and rushed towards Na Xie’s huge body with glittering five-color light!

“Bang!” The five-color light stopped weirdly from Na Xie and then bounced off in all directions!

“Roar...!” The long-lost roar appeared again. The huge beast stood up from the ground and its red eyes were even more bloody and full of killing intent!

“How is that possible?” Ao Jin and Yun Qi were shocked when they saw this scene!

“Swish...!” The fire Fantastical Beast’s attack came. Yun Qi immediately came back to himself and blocked it with his hand, barely bouncing this attack elsewhere!

“Thank you,” said Ao Jin. Yun Qi frowned. The current situation was extremely disadvantageous for them! Feng and Qu Lanyi had consumed a lot of their strength and didn’t have much combat strength at all right now. Qi Yun was the same! How could he, Ao Jin and Feng’s five contracted Magic Beasts win?

Yun Qi’s black eyes darkened. He looked at the wound on his palm and took a deep breath. He exerted strength in his hand and the wound on his palm split open again, causing dark red blood to appear!

“Pa!” His bloody hand slapped the ground fiercely!

“What are you doing?” Ao Jin looked at Yun Feng and widened his eyes. Xuan Yi, who was standing on Xie’s head, couldn’t help but frown slightly when he saw this. What was she doing?

Yun Qi didn't answer. He focused on his movements and his blood seeped into the ground. The mutated bloodline of a summoner surged and woke up again at this moment!

"With my blood, I call you!" Yun Qi said. A huge force suddenly appeared under the ground, which shocked everyone!

"Come out!" As Yun Qi shouted, a few cracks appeared under the ground and a huge body appeared from the ground!

"Second Brother... is a summoner!" Yun Feng's words were trembling when she saw this scene! Second Brother was a summoner!

Qu Lanyi, on the other hand, frowned. Wasn't such a summoning method... too weird? Was he using his own blood as a medium?

"So, the mutated bloodline of summoners is like this..." Xuan Yi said with inexplicable excitement in his words! "Haha, interesting! Interesting!" Xuan Yi suddenly burst into laughter a bit crazily. He glanced at the persistent figures of the five contracted Magic Beasts with frustration and impatience in his eyes. He waved his hand gently and Na Xie under his feet roared furiously. It waved its sharp claws in the air fiercely with a powerful force that could topple mountains and overturn seas, knocking the five contracted Magic Beasts to the ground!

"I only let you live because you're Young Lady Yun's contracted Magic Beasts," said Xuan Yi coldly. He looked at the five Magic Beasts on the ground that had no power to fight back at all and raised the corners of his mouth.

"We're not Na Xie's match." Sister Hua fell on the ground and wiped the blood at the corners of her mouth. She looked around. "Are you alright?"

"I'm fine." Lan Yi propped himself up in a sorry state and looked at Na Xie's huge body. "How exactly did he control Na Xie..."

"F*ck, I'm going to kill him..." Er Lei sat up from the ground, but his legs went limp and he fell again.

"I couldn't help Xiao Feng..." There were several traces of blood on Yaoyao's fishtail. A large part of her seven-color fish scales were torn off. The Fire Cloud Wolf fell on the ground. "Damn it!"

"Little Yun Feng will need us..." Sister Hua said. "Right now, we can't do anything else. Luckily, the bloodline of the Yun family is surprising."

The five contracted Magic Beasts all looked at Yun Qi and the huge body he summoned! "Such a way of summoning... Using his own blood as a contract..." Lan Yi mumbled. Sister Hua chuckled. "Let's... look forward to it."

"Roar...!" The huge body that Yun Qi summoned with his blood roared. Ao Jin, who was occupying the sky, was completely dumbfounded! He was a summoner! Summoning with his blood?! What kind of summoning was this?

Qi Yun, who was the least noticeable on the side, raised his head and looked at the huge figure next to Yun Qi. His black eyes glittered. That was... That was...

"As expected of the mutated bloodline of the Yun family! I'm impressed," said Xuan Yi. "However, you still can't do anything to me. You can't stop me!" Xuan Yi jumped down. Na Xie jumped up and came towards Yun Qi!

Yun Qi raised his hand fiercely and a few drops of blood flashed in front of his eyes. The giant beast next to him moved and spread its wings to greet him!

"Leave the Fire Element Seed to me!" Xuan Yi appeared in front of the Golden Dragon and swung his golden dragon tail without hesitation! "I'm going to destroy you!"

"Whoosh!" The fire-element Fantastical Beast attacked from the side. The red dragon opened its mouth and the red fire directly faced the fire of the fire-element Fantastical Beast!

"Swish...!" A gust of wind came. Xuan Yi easily dodged the golden dragon's tail and had already arrived in front of Ao Jin! Ao Jin's golden eyes were shocked. He was so fast! The golden eyes looked into the black eyes and Xuan Yi put on a smile. The Golden Dragon suddenly retreated, but Xuan Yi had already moved first and pressed into Ao Jin!

The dragon roared furiously and Ao Jin's sharp claws were easily dodged by Xuan Yi every time!

Xuan Yi chuckled and reached for Ao Jin's body with his slender fingers! "Poof!" The Golden Dragon's defense didn't work at all and his fingers went straight into Ao Jin's body!

"What?" Ao Jin roared. Xuan Yi smiled indifferently and exerted strength in his hand again. His entire hand had already entered Ao Jin's body!

Ao Jin widened his golden eyes and only felt a numbing pain spreading from his hand to his entire body! This kid... How could he break the defense system of the Golden Dragon? "Boom!" The red fiery dragon seemed to be roaring. The surging fire quickly shrank and its dragon-shaped body disappeared, turning into a red bead wrapped in rising fire!

Seeing this scene, Xuan Yi chuckled and took his hand out of the Golden Dragon's body. His hand was full of golden blood!

"Bang!" The huge body of the Golden Dragon fell from the sky. A beam of golden light flashed and Ao Jin turned into a human being, falling heavily on the ground!

"Uncle Flirtatious!" Seeing this scene, Yun Feng struggled to get up. Qu Lanyi exerted strength in his arm. "Not yet!"

Chapter 2090: The Ending Battle (22)

Xuan Yi came to the fiery red bead and extended his hand, putting the Fire Element Seed into his palm! A faint smile appeared at the corners of his mouth. "Kill him!" With the command, the fire Fantastical Beast rushed towards the severely injured Ao Jin mercilessly!

"Damn it!" Yun Qi, who was fighting with Na Xie on the side, immediately flew over when he saw this scene. He couldn't care about the battle with Na Xie anymore. He couldn't let anything happen to Ao Jin! Yun Qi flew over and extended his arm forward, lifting the seriously injured Ao Jin up. With a deep roar, he turned his body and forcibly retreated with Ao Jin. No matter how fast Yun Qi was, he still couldn't be faster than the Fantastical Beast's attack. Luckily, when he came, even though the two of them were affected, they were partially hit.

"Bang, bang, bang!" Yun Qi was knocked away by this force with Ao Jin. He fell on the ground a few times and finally stopped. Yun Feng saw that her body was shaking! What could she possibly do right now?

"Ao Jin is a Golden Dragon. Dragons have powerful self-healing abilities, let alone Golden Dragons! He'll be fine!" Qu Lanyi roared, which finally calmed Yun Feng down a bit. That's right. Uncle Flirtatious was a Golden Dragon. How could anything happen to him? What she could do right now was to restore this weak body to normal in the shortest time possible!

"Xiao Fengfeng, I'm afraid we don't have much time left," said Qu Lanyi in a low voice. Yun Feng suddenly raised her head and the two huge figures fighting separated. There were several wounds on the Magic Beast Yun Qi summoned, but Na Xie wasn't injured at all!

"Do you still want to resist?" Xuan Yi's voice came. Yun Qi helped Ao Jin sit up carefully. Ao Jin panted and shook his head. "Don't worry. I'm fine..."

Yun Qi stood up and jumped forward again. Seeing that, Yun Feng immediately shouted, "Second Brother!"

Xuan Yi chuckled when he saw Yun Qi. He moved his hand and Na Xie's huge body had already pounced over. If it touched Yun Qi, he would definitely die!

"Second Brother, Second Brother!" Yun Feng struggled to stand up, but her weak body couldn't even do this. She could only watch Yun Qi rush out! "Na Xie, wake up... Na Xie...!" Yun Feng roared loudly. Na Xie's huge body suddenly stopped and completely stiffened!

"Humph!" Xuan Yi snorted coldly and jumped to Na Xie's head again. He slapped his big hand fiercely and a furious roar came out of Na Xie's mouth. It rushed towards Yun Qi without hesitation!

"Roar...!" With a roar, a figure flapped his wings and came over. Yun Qi was stunned. Something forcibly pulled him over and he instantly got on the back of the giant beast!

"It's you!" Yun Qi looked at Qi Yun, who was sitting on the back of the giant beast with an extremely pale face, and was a bit confused. "How can you control this Magic Beast... This is..."

Qi Yun curled his pale lips and didn't look cold anymore. "Is it the Magic Beast contracted by a summoner of the Yun family?"

"How do you know?" Yun Qi widened his black eyes and his mind was in chaos! Qi Yun smiled lightly. "This isn't the time for you to be stubborn."

"If you say so, there's nothing I can do except rush forward!"

Qi Yun chuckled and patted the Magic Beast under him gently. "You still have this."

"I can't control it at all! I can only summon it. I don't know how to control it at all like a summoner!" Yun Qi said everything. He was completely stunned when he saw the smile in Qi Yun's eyes. Why was he smiling...

"I can teach you. It's a wind-element Magic Beast that's faster than griffins and has defensive abilities that griffins don't have! As long as you control its speed, you won't be at a disadvantage even if it's one against two!"

"How do you know..." Yun Qi's black eyes widened abruptly. Qi Yun slowly raised the corners of his mouth. "Of course I know, because... it's my contracted Magic Beast!"

"What? You're Yun..." What Yun Qi said was completely drowned in the sound of the wind. The Magic Beasts sped up at full speed and gusts of wind came! "Don't talk. Focus! Finish off the fire Fantastical Beast first!" What Qi Yun said came to Yun Qi's mind. Yun Qi couldn't care about anything else and couldn't say anything else. He only felt that the blood all over his body was boiling. Was this guy a member of the Yun family... He was a summoner of the Yun family!

“Swish...! Swish...!” A figure in the sky moved quickly. The trajectory couldn’t be seen with the naked eye at all. Even Xuan Yi couldn’t do anything. Fast! Too fast!

“Boom! Boom! Boom! Boom! Boom!” At such a speed, the frequency and speed of the attacks also became very terrifying! The fire Fantastical Beast couldn’t figure out Yun Qi’s trajectory at all. It could only withstand attacks from any direction in the gusts of wind!

Xuan Yi watched all of this coldly and looked at the unpredictable figure in the sky. Yun Qi didn’t have the ability to do this. Could it be someone else? He glanced at the ground with his black eyes and Xuan Yi immediately understood. It was him?

“Swish...!” Xuan Yi jumped into the air and said coldly, “Go catch Naxi Lanyi. I’ll deal with them.”

The fire-element Fantastical Beast nodded and changed its direction, rushing in the direction of Yun Feng and Qu Lanyi. The five contracted Magic Beasts, which had been conserving their strength, instantly rushed over. They couldn’t face Na Xie, but facing the fire-element Fantastical Beast, five against one was fine!

However, with a cold snort, Xuan Yi raised his arm high and a magnificent force crushed through the air. The five contracted Magic Beasts were instantly sent flying again!

“Swish...!” The roaring fire came. Qu Lanyi and Yun Feng had no way out. Redness covered his black eyes and darkness elements spread out of his body. The man’s body completely protected Yun Feng, planning to exert his full strength!

“Don’t even think about getting close to them!” Yun Qi roared as he chased after them at an extremely high speed. He released his attacks consecutively and the fire-element Fantastical Beast dodged in a very sorry state! Xuan Yi, who was standing in the sky, watched coldly. Then, he chuckled and his body swayed, attacking instantly!

“Buzz!” A force passed through the air quickly, instantly! “Bang!”

Qi Yun’s body fell straight from the back of the Magic Beast. Yun Qi was shocked! He immediately turned around and jumped down, chasing after him quickly!

“Roar...!” Na Xie roared as it raised its sharp claws and swung them down fiercely!
“Bang...!” The summoned Magic Beast fell from the sky!

Xuan Yi burst into laughter and looked in Yun Feng and Qu Lanyi’s direction. The fire-element Magic Beast had already arrived and attacked!
