Chapter 2091: The Ending Battle (23)

“Boom!” Strong fire elements roared and went straight for Qu Lanyi! At this moment, a beam of green energy came out from behind Yun Feng and instantly dispersed the fire elements! “Don’t even think about using your dirty hands to touch them!” A young boy walked out and looked at the fire Fantastical Beast coldly. He clenched his fists in the air and then opened his fingers!

“Argh...!” The body of the fire Fantastical Beast was inexplicably bounced away in an instant and fell on the ground in a sorry state!

Xuan Yi landed from the sky with a calm smile. “The power of the Element Seed is indeed powerful. Even Fantastical Beasts have to admit defeat. After all, they’re just companion beasts.”

The kid stared at Xuan Yi with his black eyes and his little face was covered in a layer of ice. “I’ve already seen through what’s in your rotten body. If you ignore the rules, you’ll be expelled from this world!”

Xuan Yi raised his brows and burst into laughter! “Hahahaha! Rules? Do you think I care about these so-called rules?”

The kid clenched his fists and pursed his lips tightly. “You won’t have a good ending!”

“A good ending? That doesn’t matter to me at all!” A hint of viciousness flashed through Xuan Yi’s face. “Element Seed, what do you know?”

“You’ll reap what you sow,” said Qu Lanyi coldly. What he said completely enraged Xuan Yi. Fury suddenly rose in Xuan Yi’s eyes. His body swayed slightly and he had already arrived in front of Qu Lanyi!

“Boom!” Xuan Yi attacked and the Wind Seed was instantly pushed away! Qu Lanyi attacked. Xuan Yi only curled his lips and extended his hand. Yun Feng had already been held in his arms!

“Swish...!” Xuan Yi, who was holding Yun Feng, stood in the air and held Yun Feng with one arm, while his other hand gently brushed Yun Feng’s cheek. “Let go of her!” Qu Lanyi immediately jumped with bloodshot eyes!

“Hahahaha!” Xuan Yi burst into laughter and didn’t do anything. Qu Lanyi’s body was pressed down by an invisible force!

“Naxi Lanyi, you’re just an ant in front of me! How are you worthy of Young Lady Yun?” Xuan Yi said as he caressed Yun Feng’s cheek with his finger like a feather. Qu Lanyi supported his body with his elbow from the ground. “Let go... Let go of her...”

Lanyi! Yun Feng tightened her body and wanted to say something, but she couldn’t make any sound! She could only be held in Xuan Yi’s arms like this, which made her so disgusted that she wanted to vomit!

“Bang!” Another force hit Qu Lanyi’s body to the ground fiercely again. Xuan Yi smiled delightedly and touched Yun Feng’s cheek with his finger. “You don’t know how precious Young Lady Yun is at all. Only I do. I completely understand where Young Lady Yun’s preciousness comes from.”

Yun Feng twisted her wrist hard, but it was useless. Xuan Yi noticed Yun Feng’s resistance and held her even tighter. “Young Lady Yun, I won’t hurt you, but I won’t let you go either.”

“You, let go of... her...” The man on the ground propped his body up again. Xuan Yi curled his lips coldly. “Kill him. I want the light element seed in his body.”

The fire Fantastical Beast flashed and pounced at Qu Lanyi. Yun Feng widened her eyes. Lanyi! Lanyi!

“Boom!” Green light flashed from the side and pushed the fire-element Fantastical Beast aside again in a sorry state. Xuan Yi glanced around. After seeing a short figure, he said in a low voice, “I forgot that there’s also the Wind Seed...”

Xuan Yi lowered his head and brushed Yun Feng’s cheek with his lips. “Young Lady Yun, wait for me. I’ll be back after dealing with these.” He jumped and came to Na Xie with Yun Feng. After putting Yun Feng on Na Xie, Xuan Yi’s body flashed again and he ran towards the Wind Seed.

Lanyi! Lanyi! Yun Feng tried her best to move her body, but her body was as stiff as a stone. She could only look at the man on the ground. Yun Feng’s eyes were wet. Lanyi, how can I help you? Lanyi!

“Feng!” Yun Qi was about to move, when someone grabbed him. Qi Yun shook his head. “You can’t save either of them. That kid is already surrounded by a barrier. You can’t break it with your strength!”

“Then what should I do? I can’t just watch Xuan Yi succeed!” Yun Qi’s eyes were red and he was extremely anxious in his mind. Qi Yun panted a few times and his voice was much weaker. “There’s still a chance... There must be a chance...”

“How are you?” Yun Qi noticed that something was wrong with Qi Yun. He quickly checked Qi Yun’s injuries. There were a lot of questions he wanted to ask him. Most importantly, who exactly were you in the Yun family?

Qi Yun curled his pale lips and held Yun Qi’s hand. Yun Qi noticed that he was about to say something to him and leaned over. Qi Yun opened his lips and mumbled something. Yun Qi’s black eyes suddenly widened!

Yun Feng lay on Na Xie’s body stiffly. Her chaotic mind suddenly calmed down at this moment. There must be something she could do. There must be!

“Na Xie! Na Xie! Can you hear my voice? Na Xie!” Yun Feng closed her black eyes and sent a telepathic message. She had established a contract with Na Xie. Perhaps Na Xie could hear her voice! Na Xie! Na Xie! Yun Feng had been calling this name, hoping that the voice could respond to her call. However, it didn’t. There was only silence in response!

The contract between Na Xie and her was cut off? Yun Feng was stunned. Na Xie, can’t you really hear me? Na Xie!

“Kid Yun! Can you hear me? Kid of the Yun family!” In the silence, a voice instantly entered Yun Feng’s mind, making Yun Feng excited! It was the voice of the earth-element Fantastical Beast!

“I can hear you, sir!” Yun Feng sent a telepathic message. She wasn’t sure if this could be conveyed.

“It’s good that you can hear me. It truly wasn’t easy.” The deep and kind voice of the earth-element Fantastical Beast seemed to bring a beam of sunlight and a glimmer of hope to Yun Feng! “Kid of the Yun family, has Na Xie already woken up?”

“As you said, sir, Na Xie has already woken up, but... his soul has fused with Red-Eyed. At this moment, he’s being controlled and can’t hear me at all!”

“Controlled? Even though the two souls have fused together, controlling it... is something only the Sage can do!”

“Sir, I’m afraid I have to tell you bad news. The soul of the dead Sage... has been swallowed.”

“What did you say? How is that possible?”

“Sir, that’s indeed the truth! He didn’t just swallow the soul of the Sage; he also swallowed too many dead heroic spirits! The Blood Souls are just a pretense for him to achieve his goal. He wants to get the Element Seeds!”

Chapter 2092: The Ending Battle (24)

“In that case, the Element Seed must not fall into this person’s hands! Kid of the Yun family, the reason why I can talk to you is through the jade pendant I once gave you. Later, I’ll also go to you through that jade pendant!”

Yun Feng was ecstatic in her mind! “If you can come, sir, I...”

“Kid of the Yun family, it’s already not easy for me to establish a connection with you. If I want to go over, I’m afraid I’ll need time!”

Time... This was the most extravagant thing for Yun Feng right now!

“Sir, we don’t have much time left... I’m afraid we can’t last that long...”

“Kid of the Yun family, since Na Xie has already acknowledged you as its master, you can wake it up. There’s more than one bond between a Magic Beast and a summoner. There’s also the heart.”

The voice of the earth-element Fantastical Beast disappeared just like that. Yun Feng was stunned. There was more than one bond between a Magic Beast and a summoner. There was also... the heart! Scenes flashed through Yun Feng’s mind. The little white figure that accompanied her along the way, the voice that Na Xie appeared with, and what Na Xie once said to her. You’re my only Master, Yun Feng!

That’s right. Na Xie recognized her as its master, partner! And she was the same! Na Xie never abandoned her! She was the same now. No matter what Na Xie looked like, no matter what Na Xie did, she wouldn’t abandon it, she wouldn’t give up!

She was its master, companion and friend!

Yun Feng took a deep breath and the sounds around instantly disappeared. She slowly closed her black eyes. Yun Feng’s consciousness sank into the darkness just like that. She felt that her consciousness was like a feather that kept floating in this darkness. She didn’t know where it would go.

“Nana!” An extremely weak voice sounded in the darkness. Yun Feng’s heart ached fiercely! Her consciousness ran towards the direction of the voice without hesitation!

“Meatball, Meatball!” Yun Feng heard her voice tremble with indescribable excitement!

“Nana, Fengfeng!” The voice echoed with her. Even though it was still very far away, Yun Feng heard it so clearly, as if it was right next to her ear! That was it, that was it!

“Meatball, I’m here!” Yun Feng shouted as she ran towards the direction where the sound came from desperately with her heart trembling!

“Fengfeng, nana!” The voice appeared again. Yun Feng only saw stars of light suddenly appear in the endless darkness. Yun Feng rushed forward into that ball of light and warmth! She extended her arm and hugged all the warmth fiercely!

Na Xie, I’m here, I’m here!

“Yun Feng, you’re here...” Na Xie’s voice sounded. Yun Feng tightened her arms. In her arms was the warmth she had felt before. It was Na Xie!

“I’m here,” said Yun Feng in a low voice. Na Xie’s low laughter slowly came. “If you hadn’t come, I’m afraid I would have been asleep. Luckily, you didn’t give up on me.”

“I’ll never give up on my friend!” Yun Feng let go of her arm and looked up at the ball of light. Those warm black eyes were looking at her. In the light, a fluffy feeling came from Yun Feng’s cheek, as if a huge tail was caressing her cheek. Yun Feng slowly curled her lips. “How can I help you get out of here!”

With a low laugh, the light in front of Yun Feng’s eyes gradually faded and a huge body appeared. It was still so beautiful, strong and had the same mysterious red patterns, but those bloodthirsty red eyes were gone.

“I’ve already woken up. The Red-Eyed doesn’t exist anymore. Come, my master!”

Yun Feng’s heart was burning and her eyes suddenly became a bit sore. She let out a hearty smile and jumped to Na Xie’s head. Yun Feng heard her heartbeat. It was so stable and peaceful!

“Swish...!” Yun Feng opened her closed black eyes and a glint of light flashed through them. She pushed her arm down and stood directly on the head of the giant beast under her!

The giant beast under her slowly stood straight and swept the ground gently with its huge tail. It slowly turned its head around. Yun Feng saw unusually beautiful deep black eyes and her red lips curled up. Yun Feng straightened her back. “Na Xie, are you ready?”

“Of course, my master.”

Yun Feng chuckled. Na Xie suddenly let out a roar and jumped up, rushing forward!

“Feng!” Yun Qi was completely shocked when he saw this scene! Yun Feng seemed to have completely recovered! And that giant beast... seemed to be under Feng’s control!

“As expected of a summoner of the Yun family...” Qi Yun mumbled on the side as he looked at the beautiful woman standing against the wind on the giant beast’s head with his black eyes. Her slim body contained extremely powerful strength!

“Roar!” Its sharp claws tore through the air and its long tail swept out. The fire-element Fantastical Beast was directly sent flying by this power! Yun Feng jumped to the ground and ran to Qu Lanyi. “Lanyi! How are you?”

Qu Lanyi raised the corners of his mouth. “As expected of my wife...”

Yun Feng couldn’t help but smile. He could still say that at this moment. It seemed that he was really fine. She pressed her hand on Qu Lanyi’s chest. Qu Lanyi obviously felt a warm and powerful force enter his body. His originally empty body became full again!

“Xiao Fengfeng, this is...” Qu Lanyi was surprised. He was very familiar with Yun Feng’s power. This power didn’t belong to her!

“This is Na Xie’s power,” replied Yun Feng. It was precisely because of Na Xie’s power that she could recover quickly.

“Young Lady Yun, I knew I couldn’t underestimate you. It seems that I made a mistake putting you and Na Xie together.” Xuan Yi’s cold voice sounded. Yun Feng and Qu Lanyi looked up. Xuan Yi was spinning a green bead in one of his hands!

He took the Wind Seed! Yun Feng couldn’t help but gasp! Qu Lanyi stood up and protected Yun Feng behind him. Xuan Yi raised his brows and glanced at Na Xie. “Why? Are you going to betray the real master’s order?”

The beast eyes slowly narrowed. “I only have one master, Yun Feng!”

“Hahahaha!” Xuan Yi raised his head and burst into laughter. He twisted his wrist and the Wind Seed instantly entered his body! “If you say so, the Soul of the Sage in my body will probably cry.”

“Xuan Yi! The soul in your body is dead! You’re not the Sage!” Yun Feng said loudly. “No matter how many souls you swallow, you won’t be able to get their real power!”

Chapter 2093: The Ending Battle (25)

“Oh? Young Lady Yun, I have to say that the all-element summoner of the Yun family and the old guy of the Naxi family gave me a lot of help, didn’t they?”

“If you touch the dead souls, do you think the heroic souls you swallowed will let you go?” Qu Lanyi clenched his fists fiercely. The blood in his black eyes had already faded. “You monster!”

“Monster? Hahaha, you’re right! I’m a monster!” Xuan Yi suddenly shouted with a slightly crazy expression! “So what if I’m a monster? As long as I control this world in my hands, I’ll no longer be a monster!”

“Nobody has the power to control the world, not even the Sage,” said Na Xie. “Controlling the world is just your greedy desire!”

“Hahahahahaha! It’s just a thought. We’ll know soon. I’ve already swallowed the four Element Seeds right now. How can you, who only have two elements, resist me?” Xuan Yi roared crazily and waved his arm fiercely! The four Element Seeds appeared behind him!

The fire-element Fantastical Beast came to his side from the side, but Xuan Yi sneered and waved his hand. The fire-element Fantastical Beast was instantly destroyed!

A fiery red Beast Soul floated out of the Fantastical Beast’s body and instantly entered Xuan Yi’s body! Yun Feng frowned. “You swallowed the Beast Souls of the water element Fantastical Beast and the darkness Fantastical Beast.”

“Young Lady Yun, you’re truly smart, but the power of these Fantastical Beasts is just so-so.” Xuan Yi curled his lips with a wicked smile. Qu Lanyi shook his head. “He’s already crazy.”

“Naxi Lanyi, I, who have supreme power, should have finished you off a long time ago. If I hadn’t been delayed again and again, do you really think you would have survived until now?”

Qu Lanyi curled his lips and looked into his eyes fearlessly. “I’m alive not because of your kindness, but because of myself!”

“Hahahaha! I should’ve taken your life a long time ago! Otherwise, you wouldn’t have taken Young Lady Yun away!” With a furious roar, the four Element Seeds instantly unleashed their power and four pillars of light swept over crazily! Qu Lanyi and Yun Feng immediately jumped into the sky. Na Xie followed them and the two of them stood on Na Xie’s back!

Two against four, this was indeed a tricky problem, especially after Xuan Yi swallowed so much energy!

Na Xie flashed between the attacks of the elements. Xuan Yi’s crazy laughter kept coming, contrary to his humbleness at first! Yun Feng and Qu Lanyi both frowned. They couldn’t win by force!

“Girl of the Yun family!” The voice of the earth-element Fantastical Beast suddenly sounded in Yun Feng’s mind. Yun Feng twisted her wrist and an emerald green jade pendant appeared. “Sir! It’s me!”

“Kid of the Yun family, I’ve tried many times, but I can’t break through the barrier and reach you. This barrier is very powerful. There’s nothing I can do.” Yun Feng’s face darkened. That was certainly the case. With Xuan Yi’s ability, the four Element Seeds and the souls of three Fantastical Beasts, if it weren’t for Na Xie, she and Lanyi wouldn’t have been able to dodge his attack at all!

“However, I can give you the earth-element seed through the jade pendant!”

She tightened her grip on the jade pendant! “Senior, is what you said true? The earth-element seed can come through this jade pendant?” Qu Lanyi found it hard to believe, and so did Yun Feng!

“What I gave you wasn’t an ordinary Sound Transmission Jade. This jade pendant is a part of me! The earth-element seed has always been stored in my body, so I can certainly pass it to you through a part of myself!”

“But sir, even if you give me the Earth Seed, I won’t be able to use it!”

A laugh came. “Kid of the Yun family, I’ve given you a part of myself for so long. My aura has already penetrated your body. If I give you the Earth Seed, you can put it in your body directly!”

Yun Feng and Qu Lanyi were shocked again! That was the case!

“Humph, this cunning old man hasn’t changed at all.” Na Xie’s voice came. Yun Feng was relieved in her mind after hearing that. If that could really be the case, it couldn’t be better! Two against four, it would become three against four!

“Kid of the Yun family, take it!”

The green jade pendant in Yun Feng’s hand suddenly emitted warmth like water, seeping into Yun Feng’s body and flowing around her entire body. Yun Feng clearly felt that this was a kind of vitality, a symbol of endless life, greenness! Endless hope!

“Kid of the Yun family, make good use of it. I’ll wait for your good news!” The voice of the earth-element Fantastical Beast disappeared just like that. Yun Feng took a deep breath. The earth-element seed had already existed in her body right now. A vigorous vitality kept spreading out of her body! It never stopped!

Yun Feng put away the jade pendant and took a deep breath. A man held her hand tightly with his warm hand. The man suddenly grabbed the back of Yun Feng’s head with his big hand and lowered his thin lips. His slightly cold lips and the warm red lips

pressed against each other. Yun Feng was surprised and didn't understand why he kissed her, but Yun Feng soon knew!

A powerful force was entering her body from Qu Lanyi's mouth. Yun Feng immediately understood what it was! She reached out and wanted to push it away, but the man's hand had already hugged her fiercely. His thin lips sealed all her words with passion, so that she could only endure this kiss! Until their lips separated!

"Lanyi! You can't do that! Take it back!" Yun Feng roared, but Qu Lanyi shook his head with a smile. He brushed Yun Feng's cheek with his hand and smiled warmly with his long hair. "Xiao Fengfeng, I made the right choice to give it to you. You're the only one who can defeat him."

"Lanyi! But without the light element seed, your body..." Her red lips were sealed by his slender fingers. The man shook his head again. "It's no longer my problem to have light and darkness in the same body. The light element seed doesn't belong to me to begin with."

"Master, he's right. Xuan Yi is the combination of all the power. If the power on Master's side is dispersed, you definitely won't have a chance of winning!"

"Even so, it's a three-element versus four-element battle! Besides, how can I balance the three Element Seeds in my body?"

"Master, I'm here too." Na Xie's voice stunned Yun Feng. Right, Na Xie was the balancer of elements. He certainly had the power to perfectly balance the three elements!

"Feng!" Yun Qi's voice suddenly sounded. Yun Feng was shocked. Na Xie immediately changed his direction and went towards Yun Qi. Xuan Yi's reckless attack and his crazy laughter were right behind him!

#### Chapter 2094: The Ending Battle (26)

"Feng!" Yun Qi was immediately delighted to see Yun Feng come. Yun Feng didn't have time to say anything, because Xuan Yi's attacks had never stopped! Na Xie couldn't stop either. He could only dive close to the ground. Qu Lanyi suddenly jumped off Na Xie's back, while Yun Qi raised his hand and a bottle flew towards Yun Feng. Yun Feng caught it and looked at it in her hand. It was full of blood!

"Second Brother!" Yun Feng roared, not understanding what it meant. At this moment, Na Xie had already returned to the sky with Yun Feng again. Yun Qi shouted loudly, "Feng! That will help you! Trust Second Brother!"

Yun Feng sat on Na Xie's back and looked at the bottle of blood in her hand, thinking about what Second Brother said. Second Brother's blood... could help her?

"Master." Na Xie's voice came. Yun Feng looked ahead with her black eyes. The power of the four elements was coming from ahead and Xuan Yi was already crazy! She understood that this would be the last moment!

"He has swallowed the dead in his body and the power of the Element Seeds. Master isn't strong enough to destroy him."

"We can't destroy it? Not even with your help?" Yun Feng frowned. Na Xie replied firmly, "No, but Master has one thing that can, which is the Dragon Palace!"

"The Dragon Palace?!" Yun Feng was shocked. Na Xie rushed forward with Yun Feng and said, "That's right. The Dragon Palace was made by the Sage! Anything can be sealed inside and completely destroyed in the end!"

The Dragon Palace was built by the Sage? Yun Feng was surprised. No wonder the abilities of the Dragon Palace were extremely unpredictable. Every level was like a treasure vault! Sealed inside... He would be completely destroyed in the end! Yun Feng's heart sank.

"Master, you don't want to kill him?" Feeling Yun Feng's emotions, Na Xie said in a low voice. Yun Feng was silent. In the end, she whispered, "He must have a reason for doing this... I want to know."

Na Xie led Yun Feng forward silently. "If Master wants to know, ask him. However, Master, if you want to lock him in the Dragon Palace, you must cut out the souls swallowed in his body, or else..."

"Young Lady Yun! In the end, must you be the one I have to kill?" Xuan Yi's voice came. Yun Feng looked up and there was inexplicable sorrow and pain in his eyes! All the elemental attacks had already stopped. The four Element Seeds spun behind Xuan Yi and finally entered his body. "Young Lady Yun, I don't want this. The last thing I want to do is to hurt you."

"Swish!" Na Xie turned into a beam of light and entered Yun Feng's body, balancing the three Element Seeds in Yun Feng's body perfectly. Yun Feng looked at his unusually painful black eyes and slowly said, "Why?"

Xuan Yi was shocked. Then, he burst into laughter and stopped laughing. "As I said, since Young Lady Yun asked, I'll definitely give you an answer." The corners of Xuan Yi's mouth curled up and he returned to his original elegance and humility. His voice wasn't crazy anymore. "I've already told Young Lady Yun about my specialness. I'm a mutated descendant of the Xuan family."

“That’s not enough of an excuse for what you’re doing!”

Xuan Yi chuckled. “That’s right. It’s not surprising that there’s a mutated bloodline. Every family might have one, let alone the four ancient families. What if I say... this mutated bloodline doesn’t only carry abilities, but also memories from the beginning!”

Yun Feng was startled. What did he mean? He inherited the memories from the beginning?

“Young Lady Yun, I once said that the bloodline of the Xuan family is very special. It’s a family mixed with the bloodline of Magic Beasts! It’s a family that has been marked with humiliation since they were born!” Xuan Yi suddenly raised his head and his pure black pupils instantly became transparent! “These eyes don’t only see souls, but also dirty bloodlines and memories!” Xuan Yi clenched his fists tightly. The veins on the back of his hands bulged fiercely and his weird pupils spun crazily. Xuan Yi suddenly touched his cheek with his hand!

“From the moment the bloodline of the Xuan family was born, this memory has been engraved in my eyes. I can’t forget it even if I want to! One of the four largest families of ancient humans. What a noble status! Everything is just a lie! If you’re one of the four largest families and have such a noble status and bloodline that you’re proud of, why don’t you dare to make it public and say that you’re the descendant of humans and Magic Beasts?”

“Even if you have the bloodline of a Magic Beast in your body, it’s not a shameful thing! Between humans and Magic Beasts...” Yun Feng suddenly stopped talking. A gentle smile appeared on Xuan Yi’s face. “Young Lady Yun, this is also the reason why I’m obsessed with you. Only your soul is the purest. Any filth can be saved in your eyes.”

Yun Feng was stunned. She had only lived in this world for a few decades. What she knew about the history of this continent was just a little. She wasn’t as knowledgeable as the people in this world. Otherwise, why couldn’t Little Fire and Qingqing be together? In her opinion, it was just natural. Perhaps the heavens wouldn’t tolerate it in this world!

“All the memories have always been engraved in my mind. One of the four ancient families. To put it bluntly, we’re monsters in the mouths of humans and Magic Beasts! Young Lady Yun, what kind of identity do I have with the bloodline of a Magic Beast? Human? Or a Magic Beast? Or a monster that’s half human and half beast?”

Yun Feng didn’t know what to say. Half-human, half-beast, this was an existence that couldn’t cross any step on the border! Because neither side would accept or approve them! They could only wander in the middle and never find a place that belonged to them!

“Humans, Magic Beasts, there’s no place for us to stand at all! The Xuan family can only hide everything and live in this world carefully, living in the darkness that can’t be seen forever! The other members of the Xuan family don’t care, but I can’t! Just because of these eyes, just because of all my memories!”

Yun Feng’s black eyes glittered. All her memories... If all the memories of the Yun family weighed on her, all the pain and despair that had already passed away would return to her mind. Could she bear everything? How could she live her life and walk her own path?

“Even so, what can you do to change anything?” said Yun Feng. Xuan Yi burst into laughter. “If I couldn’t change, I wouldn’t have put in so much effort to do all this! If I want to wash away this humiliation and make this bloodline pure, there’s only one way to change it! Make this bloodline unique! It doesn’t matter if it’s a human being or a Magic Beast! As long as it’s not so dirty anymore!”

Chapter 2095: The Ending Battle (27)

“So, you didn’t just swallow Beast Souls, but also human souls?!”

“That’s right. I thought that devouring the soul of a powerhouse could change my bloodline, but I was wrong. This is far from enough! In this world, the power of elements controls everything, and the one who controls the power of elements is the Sage! Then, I’ll become the Sage!”

Yun Feng looked at Xuan Yi and the madness that flashed in his eyes. All kinds of painful memories had already made him obsessed. The humiliation and pain of his bloodline had already made him unable to escape this obsession!

“After becoming the Sage, you can’t change anything! Bloodlines can’t be changed!” Yun Feng shouted furiously, but Xuan Yi chuckled. “I’ll soon become the Sage in this world after the seven Element Seeds are stored in my body! Besides, I have the soul of the Sage in my body. Who else can be the Sage if not me? After becoming the Sage, I have the ability to control everything. Such a dirty bloodline will also be purified!”

“You’re wrong!” Yun Feng roared. Xuan Yi was suddenly stunned and his elegant smile appeared again. “Young Lady Yun, you’re the only woman in this world that I care about. I thought I could live forever with you, but it seems that it’s impossible now.”

Xuan Yi’s expression was gloomy. Yun Feng clearly felt that a terrifying power was being nurtured in his body. Yun Feng clenched her fists and mobilized all the elemental power in her body. Faint light appeared in Yun Feng’s palm. Similarly, light also appeared in Xuan Yi’s hand!

Xuan Yi roared and suddenly rushed towards Yun Feng. Yun Feng clenched her fists as light burst out of her palms!

Two balls of scorching light spread out greatly from the palms of the two of them, forming a huge light ball that completely enveloped the two of them! Dazzling light filled this space, making it impossible for them to open their eyes!

Qu Lanyi, Yun Qi and Ao Jin all narrowed their eyes and looked at the sky. The moment the two huge balls of light approached, two extremely terrifying forces quickly spread, as if they wanted to completely destroy this space!

The three men immediately used all their strength to resist. The impact was rapid and huge. Even if the three men could look up, they wouldn't be able to see what happened at all! The dazzling light in the sky was still shining, enveloping everything!

"Hahahaha, hahahahaha!" In the light, Xuan Yi stood on one side and Yun Feng stood on the other. The two of them were in a sorry state. The collision of the power just then caused quite a lot of damage to both of them. Several wounds appeared on Yun Feng's body and she held the dragon-shaped jade pendant in her hand. The moment the power exploded just then, she wanted to lock Xuan Yi directly in the Dragon Palace, but she didn't succeed!

"Young Lady Yun, don't even think about destroying me. You can't possibly kill me!" Xuan Yi sneered and waved his hand abruptly. The light of four elements glittered in his hand. Yun Feng's pupils shrank. He still had the power to carry out such a powerful attack!

"Young Lady Yun, you've always been proud of the fusion of elements. It's considerate of me to use this."

Yun Feng flipped her hand and the light of the three Element Seeds instantly appeared in her palm. Her other hand was the fusion of her five elements! "Since it's something I'm proud of, I certainly won't let anyone else be proud."

Xuan Yi curled his lips. "Haha, let's see if Young Lady Yun is stronger or I'm stronger!"

They attacked at the same time and the two dazzling beams of light collided fiercely! Yun Feng only saw the seven beams of light intertwined and finally exploded gorgeously in front of her eyes! The aftershock of the power spread. Yun Feng took a deep breath and tapped the tip of her foot fiercely. Her body suddenly jumped from the air into the seven-color light!

"Pa!" The bottle containing Yun Qi's blood was completely crushed. Yun Qi's mutated blood mixed into Yun Feng's wound and an inexplicable warmth rose from the wound. Yun Feng's body miraculously passed through the seven-color light and went straight to Xuan Yi!

“How is that possible?” Yun Feng’s sudden appearance shocked Xuan Yi! Who would have thought that someone could avoid these forces and be unscathed in the spread of such power?

She raised her hand and her black eyes, which were as black as the night sky, were as deep as water. In front of those transparent pupils, she slapped her palm down fiercely and hit Xuan Yi’s chest! The blood mixed with Yun Feng’s and Yun Qi’s stained Xuan Yi’s body and instantly disappeared!

“Argh...!” With a painful scream, Xuan Yi’s face instantly turned pale. His body staggered and he quickly retreated! “Swish...!” Accompanied by his painful shout, a soul forcibly broke free from his body! Then, there was a second and third wave!

“Swish, swish, swish, swish...!” When each soul broke free, Xuan Yi felt like a layer of his skin was peeled off!

“Argh! How is that possible? How is that possible?” He roared in pain as his body kept twisting and his soul surged out of his body crazily!

Yun Feng watched this scene with trembling hands. “Master, now!” Na Xie’s voice penetrated everything and reached Yun Feng’s mind. Without thinking, she clenched the dragon-shaped jade pendant tightly. A beam of light suddenly appeared from the dragon-shaped jade pendant, but it suddenly bounced off Xuan Yi!

“How did it bounce off?” Na Xie was extremely surprised, and so was Yun Feng. Xuan Yi’s painful roars continued as he looked at Yun Feng. “Young Lady Yun... It’s useless... Hahaha!”

“Master, what exactly is going on?”

“I don’t know either! Did he put something on me that caused the rebound?” Yun Feng frowned. How could she find what Xuan Yi put on her? Even if she wanted to find it, it was too late!

“Whoosh!” A force suddenly rushed out of the dimension container. Yun Feng couldn’t stop it at all! What rushed out was what those two Seniors gave her in the Heavenly Nirvana Tower!

“It’ll definitely help you.”

Yun Feng’s eyes brightened! She had never been able to open the box. Perhaps she could right now!

Without hesitation, Yun Feng reached out and grabbed the edge, exerting strength! The box that had never been opened listened to Yun Feng’s command at this moment and was completely opened!

A beam of light flashed out and instantly turned into a rope. One end went into Yun Feng's body and the other end went into Xuan Yi's body!

"What's this?" Xuan Yi roared in pain. Yun Feng didn't know either. She only felt that something was forcibly pulled out! It was that black jade pendant! Xuan Yi's side was the same! Two identical black jade pendants!

Chapter 2096: The Ending Battle (28)

"No, no..." Xuan Yi reached out and wanted to take the black jade pendant back, but a soul seeped out, making his movements instantly stop. At this moment, the light that turned into a rope changed shape again, forming a sharp blade that slashed down fiercely from the middle of the two black jade pendants!

"Crack!" Something was forcibly cut off. The two identical black jade pendants instantly turned into a ball of black mist and completely disappeared!

"Argh...!" The painful roar reached the highest point. A few cracks suddenly appeared on Xuan Yi's body and blood gushed out crazily! "Master!" Na Xie's voice sounded again, but Yun Feng didn't do anything. She only looked at Xuan Yi quietly as he fell from the sky.

"Bang!" There was the sound of a fierce collision. The light around the two of them dissipated like clouds, leaving Yun Feng standing in the sky alone. Then, she bent down and returned to the ground.

Xuan Yi lay on his back on the ground. Countless wounds on his body cracked and blood kept gushing out, staining a large area like a blooming sea of red flowers. Yun Feng walked to his side. He had lost the power he swallowed in his body. How could he control the four Element Seeds? The destruction of the elemental power was equivalent to reaping what he sowed.

"Young Lady Yun..." Xuan Yi's voice was weak. He extended his hand forward, but he reached for the wrong direction. Yun Feng frowned and looked into his eyes. She then found that two streams of blood were flowing out. His eyes... were blind.

"Young Lady Yun..." Xuan Yi called out. Yun Feng squatted down. "I'm here."

Xuan Yi was stunned. Then, a smile appeared at the corners of his mouth. "Young Lady Yun... That's great..."

Yun Feng frowned. That was great. What did he mean?

Xuan Yi put down his hand and looked up with lifeless eyes with a smile at the corners of his mouth. "I finally... can't see..."

Yun Feng was startled and didn't know what to say. Xuan Yi took a deep breath and his chest rose and fell a few times. More blood flowed out. "Young Lady Yun... How much do I want... to become Ling..." Xuan Yi opened his eyes and lay on the ground, not moving or even breathing anymore.

Ling1 was the name he used at first. This was the name he used in front of Yun Feng at the beginning. Everything started anew and nothing ever existed.

"Lock him up in the Dragon Palace, girl of the Yun family." The voice of the earth-element Fantastical Beast came into Yun Feng's ears. Yun Feng was stunned. "Sir, he's already dead. Why..."

"He still has the Element Seeds in his body. If the Element Seeds escape from his body, there will still be trouble later." Yun Feng nodded. The dragon-shaped jade pendant flashed with light and enveloped Xuan Yi's body, sending him directly into the Dragon Palace. Yun Feng stood up and looked at the three men walking towards her in a daze. It was over. Everything was over.

"Boom!" The ground suddenly shook. Yun Feng's body almost fell to the ground. Luckily, Qu Lanyi held her, followed by broken stones and dust. Qu Lanyi held Yun Feng tightly. "This place is about to collapse. Let's go out immediately!"

Yun Qi and Ao Jin quickly nodded. The three men quickly retreated with Yun Feng. Yun Feng looked around. "Where's Qi Yun? Where is he?"

Yun Qi frowned hard. "Feng, he... Don't worry about him."

Yun Feng was stunned. For some reason, her heart suddenly ached! Was he... dead? Ao Jin and Qu Lanyi were both silent. The few of them quickly retreated. Boulders that filled the sky smashed down and everything in this space seemed to have disintegrated at this moment!

Yun Feng looked around and suddenly saw the long road she walked on when she came here. At this moment, Yun Feng saw paintings that were collapsing one after another. Yun Feng looked away. These paintings weren't so simple. They were probably memories that one couldn't forget and would never forget.

"Swish...!" The three of them directly rushed out of the door. Yun Feng looked back and saw that the word "Yun" on the door was slowly collapsing. She still had a question in her mind that nobody answered, but it didn't matter.

The thick fog had already disappeared. The few of them ran all the way back and soon saw two familiar figures!

“Brother Canghai, they’re here!” Ze Ran saw Yun Feng and the others from afar and immediately shouted. Mu Canghai didn’t hesitate at all. His hand flashed in the air and a spatial crack instantly formed!

“Hurry up!” Mu Canghai roared. He couldn’t hold on for long. If they couldn’t get out, they would all die here!

“Swish, swish, swish, swish!” Qu Lanyi jumped in first with Yun Feng, followed by Ao Jin and then Ze Ran with his daughter. Yun Qi looked back and didn’t see anyone else. He understood what choice Yin Yue made. No matter how much she hated that person, did she choose to die with her in the end?

“Yun Qi, hurry!” Seeing that Yun Qi didn’t do anything, Mu Canghai couldn’t help but urge him. Yun Qi nodded and jumped in without looking back. Then, Mu Canghai followed. Then, the spatial crack instantly closed!

The sky and the earth shook. Everything in this space would turn into nothingness in an instant! A black figure stood in the constantly collapsing space and looked ahead with her black eyes. Looking in the direction where Yun Feng and the others left, a smile finally appeared on her cold and elegant face. She searched her pocket with her pale hand and an exquisite bottle appeared in her hand.

“There’s finally a day of freedom...” Her black eyes were like water. She looked at the small bottle in her hand and slowly pressed her lips against it. “Zhan Li, whether you believe it or not, you were in my heart...”

A faint soul appeared from the bottle and slowly wrapped around the woman’s wrist. The woman was stunned for a moment and slowly closed her eyes. A tear fell from the corner of her eye.

Yan Xin, I know.

Yun Feng didn’t wake up. She had been asleep for almost half a year. Ever since she came back that day, she had been immersed in endless darkness. No matter how hard others tried, it was useless. She slept quietly and nobody could wake her up.

Half a year passed quietly. The complete collapse of the Blood Souls made this world enter a peaceful state again. Xuan Yi’s death disintegrated the Xuan family and they were completely removed from the four families. The Buyuan family also showed a rapid decline in half a year. In the blink of an eye, only two of the four families were left.

The East and West Alliance had been disbanded since the battle. Even though someone suggested that the East and West Alliance should continue existing, General Manager Yan of the East and West Alliance rejected the suggestion firmly and disbanded the East and West Alliance without hesitation. Nobody could stop him.

## Chapter 2097: The Ending Battle (29)

The close connection among the East Continent, the West Continent and the Central Continent because of this disaster still existed. This might be the only thing left in this battle.

In the yard where Yun Feng lived in the Yun family, a figure was sleeping peacefully on the bed. She hadn't woken up in half a year and had been immersed in her dream for a long time. A gust of wind blew through the window, blowing up the hair of the person sleeping on the bed. The hair brushed her cheek gently and her eyelashes, which hadn't moved for half a year, trembled slightly at this moment.

Her trembling eyelashes became more and more intense. A slender figure walked in from outside and approached the bed as usual, kissing her gently. After seeing her trembling eyelashes, his entire body instantly stiffened. He wanted to touch her, but he slowly retracted his hand.

A beam of dazzling sunlight entered her slightly opened eyes. Yun Feng quickly closed her eyes and wanted to move her body, but she found that it was unusually heavy. What was wrong with her... She only remembered that she took a nap. Why did she feel so heavy when she woke up again?

The dazzling sunlight gradually eased. Yun Feng slowly opened her eyes and her vision became clear from the initial blurriness. She only saw a slender figure standing in front of her in the dazzling light. When everything became clear, Yun Feng's brain buzzed. "What are you doing?!"

"Hahahaha!" A delighted laugh came from the man's mouth. He walked over without hiding his naked body and held Yun Feng in his arms. "You were just like this many years ago..."

"Lanyi! Put on your clothes quickly!" Yun Feng blushed. She had never thought that she would see a naked man when she opened her eyes! Her memories suddenly returned to when she was young and tender. She was also so embarrassed in the Dragon Valley and her face and heart raced.

"Alright, alright. I've been taking care of you for half a year. You should let me shower," said Qu Lanyi with a faint smile. He casually put on the clothes on the side, but Yun Feng was completely stunned. "Half a year? You said I slept... for half a year!"

The man put on his clothes and came to her side again, looking at her with his black eyes. Yun Feng then found that this handsome face was much more slovenly and rough right now.

"I thought... I just slept for a while. I didn't expect it to be half a year! What happened after that?" Yun Feng quickly said. Qu Lanyi smiled lightly and reached out to pull her into his arms. "Don't be anxious. I'll tell you everything."

"Ever since you came back that day, you've been asleep. Nobody could wake you up. That earth-element old man came and took the dragon-shaped jade pendant," said Qu Lanyi as he looked at Yun Feng with his black eyes. "He's already taken back the seven Element Seeds and brought them to the Beast Region."

"It's good to bring them back." Yun Feng nodded. Qu Lanyi sighed. "He didn't just bring back the Element Seeds, but also Little Fire and Yaoyao."

"What?" Yun Feng's voice suddenly rose. Qu Lanyi quickly patted her back. "That old man said that the positions of the seven-element Fantastical Beasts can't be empty. The fire-element and water-element Fantastical Beasts are already dead. He wanted Little Fire and Yaoyao, but they had to agree."

"You mean... they volunteered to go to the Beast Region with you?"

Qu Lanyi nodded. "Little Fire and Yaoyao both volunteered to go with him. Yaoyao cried for a long time. After all, you never woke up when she left."

"It's my fault..." Yun Feng mumbled. Then, she suddenly raised her head! "Little Fire went to the Beast Region. Then, Qingqing..."

Qu Lanyi sighed softly. "Qingqing doesn't know about this. Little Fire hopes that you won't tell her about this. As for Si Wen, he respects Yaoyao's choice in the end."

Yun Feng was in a daze. Little Fire was gone, and so was Yaoyao... Then, what about Lan Yi, Sister Hua and Er Lei?

"Lan Yi returned to the Griffins. Sister Hua and Er Lei... You might not believe it, but the two of them left together, saying that they were going on a trip together."

Yun Feng was shocked. Sister Hua and Er Lei? Traveling together? What a weird combination! That was the case... The five contracted Magic Beasts had already left. Yun Feng chuckled. She said that she would set them free after everything. It was good for them to leave. They should have their own world, not be tied up next to her.

"However, those three said that as long as you call out to them, they'll come immediately no matter when or where." Qu Lanyi shook his head with a smile. Yun Feng's heart felt warm and she also smiled. "No, I won't call out to them. Everything has already ended."

His warm hand held Yun Feng's tightly and their fingers intertwined. "Yes, everything is over. Yun Qi has already married Gong Tianqing."

“Really?” Yun Feng was delighted. “I didn’t participate in Second Brother and Tianqing’s wedding. What a pity!”

Qu Lanyi held Yun Feng even tighter. “It’s a pity, but wouldn’t it be even more a pity if you miss your own wedding?”

“Lanyi... What did you say? My own wedding?”

Qu Lanyi smiled evilly and charmingly. Even though he looked slovenly right now, he could still make Yun Feng blush and her heart race. “I’ve been busy during the six months you were asleep. I’ve done what I needed to do.”

“Lanyi, you...” Yun Feng’s cheeks suddenly flushed! Qu Lanyi smiled even more happily and rubbed his cheek against hers. “I was just kidding. How can I hold such an important ceremony alone? I certainly have to go with my wife.”

Yun Feng blushed and leaned in the man’s arms. Looking at the golden sunlight outside the window, she slowly said, “My wedding... Master is coming to attend and will invite a lot of people. We’ll definitely be very busy by then.”

“Senior Feng has already left,” said Qu Lanyi casually. Yun Feng was stunned. “Master left? Where did he go?”

“I’m not sure. I only know that a darkness Golden Dragon came to take him away. Senior Feng was very happy when he left. If I’m right, that should be his contracted Magic Beast.”

Yun Feng’s heart suddenly became empty. Her master was gone too...

“Everybody will eventually say goodbye to each other. No matter where Senior Feng is, he’ll be proud of you. You’re his only precious disciple,” said Qu Lanyi with a smile. Yun Feng suddenly felt tears in her eyes. Right, everybody will eventually say goodbye to each other.

“Lanyi, I suddenly feel that everything is like a dream...” Yun Feng mumbled as she looked at the sunlight outside the window and thought about everything that happened over the years. The road she walked on was like a dream.

“It’s like a dream...” The man chuckled. “Whether it’s a dream or not, I’ll always be by your side... We won’t be separated.”

Yun Feng smiled warmly and the two of them intertwined their fingers.

Right, I’ll always be by your side, forever and ever.

Outside the window, the warm sun slowly blew and it was silent.

## Chapter 2098: of Happiness (1)

Ever since the battle between the Blood Souls and the East and West Alliance began, the entire Vast Continent had been immersed in the flames of war. In the end, when the battle reached the highest level, the Blood Souls suddenly collapsed, finally ending the battle that had lasted for more than a decade. Even though the East and West Alliance paid a lot of prices, they won the final victory. Everyone of the Blood Souls completely disappeared from the Vast Continent. Ever since then, the entire Vast Continent had returned to its original peace.

The Yun family and the Naxi family became the two largest families on the Vast Continent and had a supreme status. Especially after the East and West Alliance was disbanded, these two families were respected in the entire human world of the Vast Continent. However, the Yun family and the Naxi family wanted to retreat and didn't seem to care too much about the world.

In this peaceful new era, the Vast Continent welcomed a new era, known as the Age of Peace.

In the second year of the Age of Peace, there was a day that nobody on this continent would forget. The two most important representatives of the Yun family and the Naxi family would marry and be together forever. Yun Feng and Naxi Lanyi's wedding would be held in the Yun family. Once the news spread, it shocked the entire continent. Everyone was thrilled and delighted. The representatives of the various forces also gathered in Yun City, where the Yun family was located right now.

"Master! Master!" A hasty call came. Xia Qing rushed to the huge courtyard and looked around. "Master!" Xia Qing shouted and looked around. After a while, the Flower Eagle came out. "Master, we can't find Master Yun."

Xia Qing frowned. "Where exactly is Master? The line of people coming to congratulate her outside has almost reached outside of Yun City!"

"Master, why don't we look elsewhere?"

Xia Qing quickly nodded. The master and servant immediately changed their direction and searched elsewhere. After the two of them left, a certain space shook and a figure appeared. It was Yun Feng, whom Xia Qing wanted to find.

"Phew..." Yun Feng heaved a sigh of relief. When she was about to leave, she heard a figure coming from the dense tree above her head. "Aunt, you're hiding again."

Yun Feng chuckled and a slender figure jumped down from above. Yun Qingchen's height increased again and his handsome face had already matured. He didn't have the

slightest immaturity anymore. He had inherited all the advantages of Yun Sheng and Mu Xiaojin. Coupled with such a charming smile, it was enough to make girls stop and blush.

“Kid!” Yun Feng said with a smile. Yun Qingchen chuckled and winked rather mischievously. “I understand, Aunt. Those people who came to congratulate you are indeed annoying. They talk endlessly. If it were me, I would be like you.”

Yun Feng curled her lips. “Why did you come home? Did you visit your parents?”

Yun Qingchen burst into laughter. “My father and mother are both busy in front. My aunt isn’t here, so we can only rely on them to deal with those people. Speaking of which, it’s been hard on Sister Xia Qing. It seems that she’ll have to search for you for a while longer.”

“It’s good to distract her.” Yun Feng smiled gently. Xia Qing didn’t know that Little Fire went to the Beast Region, and Yun Feng never mentioned it. Xia Qing was the same. The topic of Little Fire fell silent, as if she had forgotten it. Yun Feng thought that Xia Qing was really relieved. She only understood when she accidentally heard Xia Qing cry once. She understood everything.

“You’re right. Sister Xia Qing is quite miserable, but Brother Luochen should be the one who suffers even more. Ah!” Yun Qingchen sighed fiercely. “How long will the game of chasing last? I’m anxious just looking at it.”

Yun Feng knocked Yun Qingchen’s head gently. “Kid, why are you worried about this at such a young age? You, on the other hand, do any girls have a good impression of you?”

Yun Qingchen quickly curled his lips. “Aunt, I’m not that stupid. How old am I? Besides... I must find someone I like. She... Even though she can’t be like you, she should at least have a few points!”

Yun Feng smiled helplessly. “When you meet that girl, you’ll understand that all the conditions you imagined are empty talk when you meet that person. You’ll love exactly what she looks like.”

Yun Qingchen was slightly stunned. Then, he put on a faint smile. “I’ll remember what my aunt said. I hope I’ll meet... a good girl in the future.”

“Yes.” Yun Feng nodded with a smile. Yun Qingchen stood up. “Aunt, I’ve never asked you who’s behind the Blood Souls...”

Yun Feng chuckled. “Qingchen, that’s not important anymore. It’s all in the past.”

The corners of Yun Qingchen's mouth curled up slightly. Then, he chuckled. "Aunt is right. Since it's already over, there's no need to investigate further. I'll go out and help first. Aunt, just continue hiding here." Yun Qingchen turned around and left. Yun Feng looked at his body that had grown taller and smiled in relief. He seemed to have been born yesterday.

Yun Feng looked at the dense greenery around her. The memories of the battle were still very clear. Yun Feng had always remembered Xuan Yi's painful eyes and what he mumbled at the end. Yun Feng still remembered that after she woke up, she once asked her Second Brother, Yun Qi, who exactly Qi Yun was. She remembered very clearly that Yun Qi only remained silent. Then, he put on an extremely reluctant smile and said in a low voice, "Feng, some things have already passed. Don't ask anymore. You don't have to care about everything about the Yun family. You just have to cherish the present and the future. Just let the past go."

Yun Feng wanted to ask something else at that time, but all the words seemed to be stuck in her chest. Second Brother's helpless expression made her silent.

"Let the past go..." Yun Feng stood there and mumbled as she slowly clenched her fists. The Yun family... Everything about the Yun family had already been buried in the current of time. What she could do was to cherish the present and... the future.

"What are you thinking about?" A warm whisper came and a pair of arms wrapped around Yun Feng's entire body. Yun Feng's body went limp and she leaned into the arms of the man behind her. Yun Feng chuckled. "I'm thinking when those people who came to congratulate us can be quiet."

A deep laugh came from behind. The man's warm words came. "This will definitely happen in the marriage alliance between the Yun family and the Naxi family, but it'll end sooner or later."

Chapter 2099: of Happiness (2)

Yun Feng nodded and looked ahead with her black eyes. The man held her even tighter. "...Is there still no news about Na Xie?"

Yun Feng sighed and nodded. "Yes, it hasn't replied to my call in the past six months. I'm not sure right now if it's still here."

The man was silent and then said, "It'll wake up one day."

Yun Feng was silent. In the half year she was asleep, a lot of things seemed to have happened silently. Ze Ran left with his daughter, Ao Jin returned to the Endless Ocean, and most importantly, Na Xie fell asleep just like that. It was more appropriate to say

that it disappeared. Yun Feng couldn't feel any aura of Na Xie in any corner of her body anymore. Had it disappeared? Or had it already left? Even if he left, where would he go?

"If it really left... it should have said goodbye to me..." Yun Feng mumbled. Na Xie's disappearance made her a bit sad. After all, the two of them had been together for so long. Na Xie had been with her longer than Lanyi!

The man hugged her even tighter. "Our wedding will be in two days. By then, you'll be the busiest bride."

Yun Feng had a headache after hearing that. She couldn't help but sigh softly. "If possible, I really want to sneak away."

"That won't do. If you're the running bride, I can only be the running groom."

Yun Feng turned around and the two of them looked at each other with a smile. The running groom and the running bride? If that was the case, the world would probably be in chaos.

As the wedding date approached, Yun City could be said to be extremely lively. It was even more so in the Yun family. While everyone was busy like a spinning top, Yun Feng, as the main character of the wedding, had already left Yun City. She asked the others to take care of all the trouble for a while longer. She had a place she wanted to visit very much right now, so she had to go.

In the Karan Empire on the East Continent, Chunfeng Town was also very lively. After all, it was truly the place of origin of the Yun family. If it weren't for Yun Feng, who was a descendant of the Yun family on the East Continent, the Yun family wouldn't be so prosperous right now. Besides, Yun Feng was a hero that everyone on the Vast Continent knew.

Chunfeng Town was lively, but the Foggy Forest next to Chunfeng Town was surprisingly quiet. After all, this was a joyous occasion in the human world. In comparison, the world of Magic Beasts was much quieter. On a moonlit night, a figure fell from the sky and directly landed in the Foggy Forest. There was no aura at all. The figure hid everything about himself perfectly, like air.

The low-level Magic Beasts were still doing their own things. Some were sleeping peacefully, and some were preparing to hunt at night. Nobody noticed that a human figure walked past them quietly.

Yun Feng walked in the Foggy Forest in the night and felt the quietness that was different from that in the human world. The cold wind at night came with waves of coolness. Yun Feng looked at the familiar and unfamiliar scenery around her. This road was the starting point of everything. She had started the journey of a summoner from

here, contracted her first Magic Beast here, and... opened this difficult road full of thorns here.

“Master Yun.” A figure suddenly appeared in front of Yun Feng, which immediately made the low-level Magic Beasts around disperse in all directions in shock. Yun Feng looked up. The person bowed respectfully. “Master Yun, Master is waiting for you.”

Yun Feng put on a smile. “Lead the way.”

The person turned around and Yun Feng followed him all the way deeper into the Foggy Forest. Many gazes followed her along the way, almost all of them in awe and fear.

“Sir, Master Yun is here.” After saying that, the person turned around and left. Yun Feng looked at the kind old man sitting in front of her and smiled lightly. “How did you know that I would come here tonight?”

The kind old man chuckled. “Of course I know. Kid of the Yun family, come and sit.”

Yun Feng walked to the old man and sat down, but didn't say anything. The old man glanced at her kindly. “Kid of the Yun family, do you have a lot of questions? Why don't you tell me? I might be able to answer them for you.”

“Will you really answer my doubts?” Yun Feng looked up. The old man chuckled. “Why don't you tell me first?”

Yun Feng was silent for a moment. Then, she said in a low voice, “The biggest question is how Xuan Yi got the soul of the Sage!”

The old man's face darkened slightly. Then, he sighed softly. “When the Sage died back then, his soul was sealed in the Beast Region. Speaking of which, I'm also responsible. Due to the chaos in the Beast Region, not only did the Fantastical Beasts leave the Beast Region, but they also took the Sage's soul away secretly.”

“The Fantastical Beasts took away the soul of the Sage?” Yun Feng was surprised. The old man nodded. “Xuan Yi had the ability to subdue the Fantastical Beasts because he had the soul of a summoner of the Yun family and a member of the Naxi family in his body.”

“At that time, the souls that were swallowed in Xuan Yi's body jumped out forcibly. Is it possible...”

The old man shook his head and said solemnly, “The souls he swallowed have already been left in that space forever and completely disappeared.”

“Is that so...” Yun Feng mumbled. The soul of the all-element summoner of the Yun family was also buried there. “Sir, why is the word Yun engraved there? Is that place related to the Yun family?”

The old man sighed softly. “That’s... the place where the Yun family lived at the beginning, just like the Naxi family. The four families at the beginning all lived in their own areas. Even though the Blood Souls’ Master had part of the soul of the Sage, he was just a puppet in the end. Xuan Yi was the real controller of the Blood Souls. He spent a lot of effort to find this area and nurture an organization like the Blood Souls. His purpose...”

“In the end, everything he hoped to change didn’t change at all,” said Yun Feng. The old man looked at her thoughtfully and chuckled softly. “Some things are already destined. Forcefully changing them will only hurt others and yourself in the end.”

Yun Feng suddenly thought of Na Xie. “Sir, is Na Xie no longer in my body?”

The old man was slightly startled. “Kid of the Yun family, did you feel it?”

Hearing this, Yun Feng suddenly felt gloomy in her mind. A huge rock pressed down fiercely. It was really gone? “Why...” Yun Feng mumbled. The old man looked at Yun Feng and said in a low voice, “Na Xie is the companion beast of the Sage. The Sage exists with it. If the Sage isn’t here, it will also disappear.”

Chapter 2100: of Happiness (3)

“Sir, you mean, Na Xie...” Yun Feng’s heart ached fiercely when she thought that Na Xie would disappear just like that!

“It didn’t disappear. To be exact, it was extremely weakened. Most of the soul of the Sage was swallowed by Xuan Yi and has already been completely destroyed. However, the soul of the Sage didn’t disappear just like that. A small part of it is still sealed in the Beast Region. If the soul of the Sage doesn’t completely disappear, Na Xie won’t disappear.”

Yun Feng looked delighted. It was fine as long as they didn’t disappear!

“Kid of the Yun family, do you still have any questions in your mind?” The old man couldn’t help but chuckle softly when he saw Yun Feng’s relaxed expression. Yun Feng shook her head. There were some things that she didn’t want to ask anymore. Let the bygones be bygones.

“Alright, since you’ve finished asking your questions, listen to me next. Kid of the Yun family, this world isn’t as simple as you think. There are still a lot of things. I’ve put all my hopes on you.”

Yun Feng widened her black eyes. “Sir, what do you mean...”

The old man stood up and was silent for a long time. He said in a low voice, “The Vast Continent is just the tip of the iceberg of this world. The Endless Ocean is just one of the dividing lines. Have you thought about what will be on the other side of the Endless Ocean? And what will be outside of the Vast Continent?”

Yun Feng was silent and was very shocked in her mind! In just a few words, she could already feel what a vast and endless world this was!

The old man turned around and looked at Yun Feng deeply with his black eyes. “I only gradually realized after a long time. A Sage not only bears the responsibility of balancing the Vast Continent, but also the responsibility of protecting the Vast Continent!”

“Protecting... the Vast Continent?” Yun Feng whispered. The old man nodded. “I can’t say that right now. However, I’m very sure of one thing. If the Vast Continent is still without the Sage, it’ll be in danger.”

“Sir, you mean... the Sage will be born again!”

The old man’s kind eyes suddenly became sharp. “As long as the soul of the Sage exists, the Sage can be reborn. However, there’s only a small part of the soul of the Sage right now and it can’t be completed on its own at all, so... I’ll entrust this hope to you.”

Yun Feng was surprised. What did that mean? Did he want her to become the Sage?

“I know that this request is too much. You’ve already done too much for the Vast Continent. I don’t want to do this either, but if we don’t take action now, it’ll be too late. If the Vast Continent is in danger, all the lives on this land won’t be able to escape disaster.”

Yun Feng was silent. They couldn’t escape disaster... What she wanted was for these people she loved to be happy forever.

“Got it,” said Yun Feng. The old man suddenly relaxed. “What should I do? Should I melt the soul of the Sage into my body?”

The old man shook his head and paced on the spot many times. Then, he finally stopped. “Kid of the Yun family, it’s not you this time, but... your descendant.”

“What?”

The old man frowned. “If the Sage wants to be reborn, he must first nourish and shape his soul again to become a new individual. Kid of the Yun family, are you going to abandon yourself and let the soul of the Sage occupy your body?”

Yun Feng was stunned. She instantly understood what the old man meant. A Sage... was going to be born among her descendants! Her child would have to bear such a heavy responsibility!

“I didn’t have any hope at first, but ever since I met that young man of the Naxi family, I’ve known that I’ll entrust all my hope to you again! The unique thing about the bloodline of the Naxi family is that it can nourish the soul! Especially that young man. His bloodline has the most powerful nourishment power! It can completely inherit everything the soul of the Sage needs. Coupled with the bloodline of the Yun family, if it weren’t so perfect, I wouldn’t have taken such a risk!”

Yun Feng was stunned and couldn’t say anything at all. Her own child? How could she bear to do that?

“Kid of the Yun family, when the Sage is born, Na Xie will also be born again. With the help of Na Xie and me and the bloodline ability of the Sage, you don’t have to worry about this child at all! This child will become the strongest person in the Vast Continent and this space!”

Yun Feng didn’t say anything. Even though she knew that she didn’t have to worry, even though she knew everything, she could bear to put all the suffering and danger on her future child. Even though this child was extremely strong, the road they had to face would be even more difficult than hers!

Seeing that Yun Feng didn’t reply, the old man couldn’t help but sigh softly. “Kid of the Yun family, this isn’t just my hope, but also the hope of all life on the Vast Continent.”

Yun Feng raised her head and the corners of her mouth slowly curled up. “Got it.” If that was the case, she would definitely use everything she had to protect this child!

The morning sun gradually appeared on the other side of the sky, bringing the first ray of sunlight and warmth in the morning. The entire Yun City was enveloped in it. The red color carried endless joy and excitement. Today was the wedding day of Yun Feng and Naxi Lanyi. It was a joyous occasion.

Early in the morning, Yun Feng was woken up. Her makeup was done. All the women went to work. Even though Yun Feng only needed to sit and let them do it, she was already a bit dizzy just watching them walk around. Gong Tianqing and Mu Xiaojin personally prepared clothes and makeup for Yun Feng, while Yun Xiang guarded the door very heroically, not letting Qu Lanyi have an opportunity.

When she was finally done, Yun Feng could finally take a breather. Mu Xiaojin and Gong Tianqing were the same. Even though they were drenched in sweat, they smiled even more happily. "Go and rest," said Yun Feng. Mu Xiaojin chuckled and pushed the mirror to Yun Feng. "Why don't you take a look at Tianqing's and my work?"

Gong Tianqing also smiled. She held Mu Xiaojin's hand and said, "Take your time. Xiaojin and I will go out and greet them first." The two of them left with a smile. Yun Feng smiled and couldn't help but feel curious about how she was dressed. She glanced at the mirror and couldn't help but feel stunned. Was she... so beautiful?

"I'm truly lucky to be able to marry such a beauty." The man's voice came from outside. In an instant, a figure had already come to Yun Feng's side and kissed her cheek gently. Yun Feng turned around and saw that her reflection in those black eyes was so clear and gorgeous.

"Xiao Fengfeng..." Qu Lanyi mumbled and looked at her in a daze. How long had he been waiting for this day? It was so long that he couldn't remember it clearly. The gorgeous red wedding robe, her beautiful face, her shy and angry eyes, and the night when she was about to become his woman. He had waited long enough.

The man held the woman in front of him in his arms and locked her face in his eyes. Their hearts couldn't help but race. This day... He had really been waiting too long.

The charming handsome face was slowly approaching. Yun Feng blushed and clearly felt her chaotic heartbeat. She slowly closed her eyes and felt the warm breath getting closer and closer to her...

"How long do you want to keep watching?" Qu Lanyi's voice was full of helplessness and anger. Hearing that, Yun Feng suddenly opened her black eyes and looked outside. Under the dazzling sunlight, five figures appeared in the sunlight. She couldn't see them clearly.

"Humph, fine." Qu Lanyi said as he straightened his body. Yun Feng also stood up and blinked a few times. She looked at the five figures in front of her in disbelief.

"Master, how can we miss such an important day?" Lan Yi's calm and powerful voice came with a smile on his handsome face.

"Xiao Feng is getting married. Yaoyao is coming no matter what!" Her body was still that of a little girl and her tone was still completely trusting. She hadn't changed at all.

"I certainly can't miss it. I don't care what that old man will say!" The little boy raised his chin and showed a smile.

“Ahem, this transvestite wanted to come, so I followed,” said Er Lei in a low voice. The enchanting and charming woman on the side chuckled. “I wonder who has been talking about Little Yun Feng all the time.”

“I didn’t!”

Yun Feng listened quietly and was a bit dazed. She had never forgotten the memories of being with them, and they were so clear now! “You...” Yun Feng said casually. The five figures all smiled and said in unison, “Master, we’re back.”

Yun Feng’s heart heated up and her eyes became sore. Qu Lanyi chuckled and held Yun Feng’s hand. “What are you waiting for? My bride, it’s time for our wedding to begin.”

Yun Feng looked up and saw his warm smile. The corners of her mouth also curled up slowly. She held the man’s warm hand and followed him with a smile.

Everything has changed, but nothing has changed. This is great.
