### **Summoner Chapter 561 - I Want Your Life (4)**

*Chapter 561: I Want Your Life (4)*

The leader of the branch hall looked embarrassed. It wasn't that he didn't know about Yu Xiu. It couldn't have been easy for Yun Feng to escape from such a powerful Magic Beast. Besides, she was in such a sorry state. It was natural that the Magic Beast was injured.

The leader of the branch hall tightened his facial expression. "If that's the case, I'll certainly check it myself. If you turn out to be a liar, the Bright Moon Hall won't just let you go!" His fierce gaze glanced at Yun Feng, and Yun Feng's face was full of coldness. "If that's the case, I'll take my leave. As for the bounty, I'll come and get it in a few days." After saying that, Yun Feng turned around and left. The leader of the branch hall narrowed his eyes and watched Yun Feng leave. When Yun Feng disappeared from his sight, the leader of the branch hall suddenly stood up. "Watch her carefully. Watch her every move. Don't let her leave Wind Moon City until I come back!" After saying that, the leader of the branch hall immediately flashed and disappeared in the space.

Yun Feng returned to the hotel. She hadn't checked out yet. When they entered her room, Little Fire and Lan Yi showed up from the Rings of Contract. Both of them were a bit shocked. They didn't expect their master to destroy Yu Xiu so easily. Yun Feng barely gave an explanation before her body collapsed again. Qu Lanyi quickly checked and found that she had exhausted her mental strength again. This time, Yun Feng had not only fused two elements, but also added another element. The fusion of three elements was still too exhausting for Yun Feng right now. In addition, since she wanted to completely destroy Yu Xiu, Yun Feng didn't hold back. She had already reached her limit.

During the days when Yun Feng was unconscious, no one went out. They all stayed with her. Looking at Yun Feng's sleeping face, Qu Lanyi smiled again helplessly. The light elements slowly moved around Yun Feng's body, working on the recovery.

"Fusing the three elements, did you try too hard?" asked Qu Lanyi softly. He stared at Yun Feng with his black eyes and felt sorry for her. Exhausting one's mental strength time and time again was actually very harmful to the body. It would also be a great deal of damage if she was exhausted every time.

After all, the rapid consumption of mental strength was too much for anyone in a magic profession.

While Qu Lanyi was in a daze, he suddenly felt that his Sound Transmission Jade flashed a few times. He took out the Sound Transmission Jade. After a few rings, Yun Sheng's anxious voice came. "Qu Lanyi! What happened to my sister? Why isn't Feng answering me?"

Yun Sheng's voice was almost like a roar with a lot of anxiety and worry. He couldn't wait to rush to her from the other end of the Sound Transmission Jade. Qu Lanyi slightly moved the Sound Transmission Jade further away and looked at Yun Feng, who was sleeping on the bed, before he replied, "It's very rude to wake someone up. Even if you're Fengfeng's brother, you can't do that."

The Sound Transmission Jade suddenly stopped talking. Then, it roared, "Qu Lanyi, how dare you touch my precious sister!"

Little Fire and Lan Yi were silent on the side. The two of them looked like they didn't hear anything. Yaoyao had been sitting on Yun Feng's bed, watching her attentively without doing anything else. Meatball, who was sitting on Little Fire's head, opened its mouth and yawned in boredom.

Qu Lanyi put on a smile. "Brother, I've touched her a long time ago." Indeed, he had. He had touched her every part.

"You... Damn it! How would Feng like you? I won't allow it. Absolutely not!" Yun Sheng was probably stomping madly, but he couldn't do anything about it. Mu Xiaojin's gentle voice came from the Sound Transmission Jade, as if she wanted Yun Sheng to calm down.

"How dare he touch Feng! I'm going to kill him!" Yun Sheng's roar continued. "Alright, alright. Xiao Feng has someone she likes. As her brother, you should feel happy..."

Hearing Yun Sheng's roar, Qu Lanyi asked, "What's the matter?"

The Sound Transmission Jade buzzed a few times and Mu Xiaojin's voice came. "Qu Lanyi, you must take good care of Xiao Feng. She's impulsive, after all. You must take good care of her!"

Qu Lanyi smiled. "Don't worry. I'll certainly look after her."

"Hm, that's great. I want to tell you some good news this time..." Mu Xiaojin suddenly sounded a bit shy. Qu Lanyi raised his eyebrows as Yun Sheng said, "Tell Feng that her sister-in-law is pregnant."

Qu Lanyi was dazed, and so were Little Fire and Lan Yi. Meatball, who was still yawning, suddenly stopped and blinked its big eyes. "Brother, you've been working hard." Qu Lanyi smiled. It had only been half a year. Yun Sheng had truly been working hard.

“Cut the crap! I’ll wait for you to come back. I...” The Sound Transmission Jade flashed a few times. Before Yun Sheng could finish, Mu Xiaojin’s voice came. “Don’t disturb Xiao Feng. Take care of her.”

The communication was cut off. Qu Lanyi put away the Sound Transmission Jade with a smile in his eyes. Little Fire and Lan Yi looked at each other. There was going to be a grandkid in the Yun family... Master would definitely be very happy! However, they didn’t know if it was a boy or a girl...

Qu Lanyi glanced at the girl who was still asleep with gentleness in his eyes. Fengfeng, your brother and sister-in-law already have a child. You haven’t given me an official title yet. There’s still a long quest for me to finish.

In the outer area of the Ten Thousand Beast Mountain Range, the smell of blood kept lingering and covered this area densely. Almost all the Magic Beasts in this area were gone, as if they were a bit afraid of this place.

A figure flashed quickly from the sky with a strong momentum. As soon as the person arrived, the pungent smell of blood hit them.

The branch leader stood in the sky and frowned. He looked at the nasty scene on the ground. Broken limbs and pieces of flesh were everywhere. It was very bloody.

The branch hall master landed on the ground from the sky and looked carefully. There were only two corpses of Commander Level people on the ground. Those pieces of flesh clearly didn’t belong to humans. They should belong to Yu Xiu. When the branch hall master saw Yu Xiu’s miserable death, he couldn’t help but feel shocked.. Even he didn’t dare to face Yu Xiu head-on. He didn’t expect that Yu Xiu would be completely killed and die so miserably!

*Chapter 562: I Want Your Life (5)*

That summoner was indeed extraordinary.

Having no time to care about the two Commanders who died miserably, the branch leader found Ming Xuan’s body that was buried in the ground with one glance. Seeing the slight pit underneath Ming Xuan’s body, the branch leader knew that it was caused by a strong force. Judging by the fatal wound on Ming Xuan’s body, Ming Xuan must have been stabbed into her body and died.

The branch leader stood there and looked at Ming Xuan’s twisted expression before she died. It was hard to associate this corpse with the usually aloof Ming Xuan at this moment. The fear in her eyes was still there. The wound on Ming Xuan’s body must’ve been caused by Yu Xiu’s tongue.

The branch hall master walked to Yu Xiu's broken body again. Yu Xiu's body had already been shattered by Yun Feng's fusion elements. Except for the pieces of meat on the ground, it was no longer intact. The branch hall master searched the ground carefully with his eyes and finally found something that he cared about very much, its tongue.

The tongue of Yu Xiu had obviously been cut in half. The branch leader looked at the tongue that had been cut off carefully. There was nothing on the tongue except some mucus.

The branch hall master frowned again and found it a bit strange. If Ming Xuan had been pierced by Yu Xiu's tongue and died, there should've been a trace of blood on the tongue. Why was there nothing on it?

The leader of the branch hall stood there and thought for a while. His face suddenly turned ugly. Ming Xuan wasn't killed by Yu Xiu! He clenched his fist fiercely, and the veins on the side of his face suddenly bulged. Yun Feng, you're too bold. You dared to kill a guardian of the branch hall on my territory!

Even though the branch hall master could roughly guess that Yun Feng did it, he didn't have enough evidence to accuse her. After all, Yu Xiu's tongue couldn't prove anything. The branch hall master wasn't completely sure if his guess was right, but he was 90% sure.

After putting Ming Xuan's body away, the branch hall master immediately returned to Wind Moon City. Ming Xuan's death was a huge blow to this branch hall. There were four branch halls in the Bright Moon Hall. The four branch halls always competed with each other. The number of summoners in each branch hall was also an important part of the secret contest.

Ming Xuan was dead. The branch leader had yet to recover from the joy of Ming Xuan advancing to the Commander Level. He had to face the situation of losing a great subordinate. He was extremely furious in his heart.

Only two of the four branch halls had a summoner, and a summoner who had advanced to the Commander Level was qualified to be promoted to the main hall. It could be said that if Ming Xuan didn't want Yun Feng's Yaoyao, her future should be bright.

The branch hall master felt heartache for Ming Xuan. After all, she was a capable right-hand person that he cared about a lot. Now, she had died a sudden death. If it were really Yu Xiu who killed her, it would've been fine. But if it was someone else who did it, he had to take revenge!

When the branch leader returned to Wind Moon City, he immediately received the report that Yun Feng and the others had been staying in seclusion these days. The

branch leader remained silent. He waited patiently. Yun Feng would come sooner or later.

This time, Yun Feng was unconscious for a whole month. It seemed that the fusion of the three elements was a challenge for Yun Feng. She suddenly took this step, and the side effects were also huge. Qu Lanyi examined Yun Feng's body with light elements every day. He reached out and took out the black jade pendant that Yun Feng always wore. Qu Lanyi frowned slightly. There was an Array of Life in this jade pendant? That should be a Lord Level Array. There was such an Array in Xiao Fengfeng's jade pendant!

Qu Lanyi was wearing a pure white jade pendant on his neck, but it was different from Yun Feng's jade pendant. Qu Lanyi stared at the ferocious skeleton dragon on the back of the black jade pendant and his heart sank slightly. The energy of the Array of Life was constantly being consumed. Fengfeng's unusual body must've been transformed by the Array of Life. The basic Array of Life of a Lord could forcibly change a human being's body, but it was extremely dangerous. Yun Feng was lucky to be able to come all the way here safely.

The ancestor had explained to Yun Feng regarding the Array of Life before, but no one knew the Array as well as a light-element mage. Qu Lanyi was a light-element mage, so he certainly knew a lot about the Array of Life. Apart from the effect of forcefully changing one's physique, the Array of Life also had another unknown function, which was that it could seal dark elements.

Qu Lanyi slowly infused his light elements into Yun Feng's black jade pendant, only to find that the pendant didn't resist much and absorbed all of his light elements. Qu Lanyi couldn't help but heave a sigh of relief. The dark elements had too many additional effects. Most dark-element mages wouldn't live long because of the dark elements. If the Array of Life in this jade pendant lost its effect, it might cause fatal damage to Yun Feng. That was what Qu Lanyi was most worried about.

After infusing the light elements to a certain extent, Qu Lanyi noticed that the energy of the Array of Life was gradually accumulating again, so he finally stopped. He hadn't observed Yun Feng's jade pendant carefully at first. Today was the first time he noticed the Array of Life inside. How exactly did Yun Feng get this jade pendant? He should ask when she woke up.

After a month of sleep, Yun Feng finally opened her eyes slowly. She didn't feel anything special when she fell asleep this time. When she woke up, she only felt like she just slept. Her body didn't feel tired at all. It was all because of Qu Lanyi's light elements.

"You're awake?" When Yun Feng woke up, she heard Qu Lanyi's slightly hoarse voice. She opened her eyes and saw Qu Lanyi's handsome face. Yun Feng sat up and smiled at Qu Lanyi. "Thank you."

Qu Lanyi chuckled and touched Yun Feng's face. "I have good news. Your sister-in-law is pregnant."

Yun Feng was dazed for a moment. Then, ecstasy surged in her eyes. Her brother and Xiaojin had a child! She immediately took out the Sound Transmission Jade, so abruptly that she woke up Yaoyao, who had been sleeping soundly next to her. Once Yaoyao saw that Yun Feng woke up, she immediately transformed into a sea demon and jumped into Yun Feng's arms.. Her beautiful fish tail wrapped around Yun Feng, as if she was acting cute.

*Chapter 563: I Want Your Life (6)*

"Sorry for worrying you." Yun Feng chuckled and looked at Little Fire and Lan Yi. "Sorry for worrying you too." Meatball hopped onto Yun Feng's shoulder and rubbed Yun Feng's cheeks hard. Yun Feng smiled. She was in a surprisingly good mood right now.

That day, Yun Feng held the Sound Transmission Jade and talked to Yun Sheng and Mu Xiaojin on the East Continent for a long time, as if she had endless words and joy. Even though Mu Xiaojin had just gotten pregnant, Yun Feng was already looking forward to this unborn child.

And on this day, people from the main hall finally came to Wind Moon City after the accomplishment of the bounty mission was reported. The branch hall master immediately greeted them respectfully when he saw them. "Didn't the young lady say that she was coming here personally?"

The visitor's face was gloomy and he seemed to be in a bad mood. "An honored guest has come to the Main Hall. The Master and the Young Lady couldn't get away, so they sent me here." As soon as the visitor finished speaking, he glanced at the branch hall master coldly. "Thanks to you, I've been living a miserable life these days. The Young Lady was so angry that she said she wanted to see him, dead or alive."

A trace of fear flashed through the eyes of the branch hall master. He immediately fell silent and led the person to the room where the fake Qu Lanyi's body was. The branch hall master led this person forward. Something suddenly appeared in this person's hand and he examined it carefully with an even colder expression. The branch hall master was shocked when he saw this. What... What was going on?

"This person isn't the man we're looking for at all. How dare you!"

The branch leader was also dumbfounded. He looked at the dead body lying there without moving in shock. That face was clearly that of the man who had the bounty! "How... How is this possible..."

The person walked in front of the corpse and examined it carefully. Then, he suddenly sneered and reached out his hand to scratch that person's face fiercely. His face, which was originally fine, was suddenly cut open. However, there wasn't a drop of blood because there was another skin underneath the skin!

"Well..." The leader of the branch hall took a deep breath. The man smiled coldly. "You can explain to the Young Lady yourself." He waved his sleeve and turned around to leave. The body of the leader of the branch hall froze, and only one person's name popped up in his mind. Yun Feng!

"Lord Hao, please wait a moment!" The branch hall master looked at the back of the person who was about to leave and immediately shouted. His body was already covered in a layer of cold sweat involuntarily just then. The person slowly turned around after hearing that. "Luo Xu, what else do you have to say? Don't think I'll help you deal with the trouble you caused!"

The Branch Hall Master, Luo Xu, chuckled dryly. "Lord Hao, I wouldn't dare to lie to my Lady even if I had a few hundred heads. I really didn't know what was wrong with this person, but there might be someone related to this matter."

Lord Hao walked back with a gloomy face and stared at Luo Xu sharply with his eyes. "Who is it? You were fooled like this in the territory of your branch hall. You've done an excellent job as the branch hall master."

The expression on Luo Xu's face immediately stiffened and he thought of Yun Feng again in his mind. She was the one who handed him over and Ming Xuan was most likely killed by her. Thinking of this, Luo Xu felt a burst of anger in his heart and he intentionally exaggerated the matter.

"After the Head Palace issued the bounty, how would I dare to be negligent as a branch leader? I immediately declared that this bounty mission was our top priority, and organized people to search outside. This person was handed over by one of the groups."

"Oh?" Lord Hao raised his eyebrows slightly. "Who are they?"

"Her name is Yun Feng. She seems to be in her teens. She was the one who found and brought this impostor back. Also, the people in her group encountered Yu Xiu in the area they explored and all died."

A trace of surprise flashed through Lord Hao's eyes when he heard this. "She came back alive after meeting Yu Xiu. This Yun Feng must be quite strong."

"Lord Hao, you're right. She does have some strength. She's a summoner! And she's almost as strong as me." Luo Xu was a bit upset when he said this. After hearing that, Lord Hao was stunned for a moment and then burst into laughter.

“Luo Xu! You’re eclipsed by a teenage kid. That doesn’t feel good, does it?”

Luo Xu stood there awkwardly and pursed his lips tightly without saying anything. After Lord Hao finished laughing, he finally said, “You’re right, my lord. I’m indeed a bit ashamed in my mind. There’s something fishy about the encounter with Yu Xiu. I suspect that Yun Feng did all of this. Her intention was to kill the guardian of our branch!”

Lord Hao raised his eyebrows. “She has a grudge against you? However, Yun Feng doesn’t sound familiar at all. She’s not from the Bright Moon Hall.”

“She’s indeed not a member of the Bright Moon Hall. I’ve already contacted the other Hall Masters, but none of them know that someone like Yun Feng existed. Even though she doesn’t have a grudge with me, she has a grudge with the deceased guardian. She’s very arrogant in the territory of the branch hall. It shouldn’t be surprising for her to hand over a fake person.”

Lord Hao stood there and listened quietly. His fingers kept moving back and forth as if he was playing a certain instrument. “This person must have some purpose for appearing in the territory of the Bright Moon Hall. We must find out her background! A Monarch Level summoner wandering outside won’t do us any good!”

“Yes, as you wish, sir. Sir, about this impostor...” Luo Xu glanced at the impostor lying on the ground. Lord Hao sneered. “You’ll go to whoever gave this person to you!”

Luo Xu quickly lowered his head and didn’t dare to say anything else. Lord Hao stood there and seemed to be thinking about something. In the end, he let out a low laugh. “Yun Feng will come again, right?”

“Yes, she hasn’t come to claim the bounty yet.”

Lord Hao narrowed his eyes with a glint of interest. “I would like to meet this summoner...”

Luo Xu stood next to Lord Hao and felt goosebumps all over his body when he heard this whisper. After saying that, Lord Hao walked out with a weird smile. Luo Xu looked at the impostor with a gloomy face and resentment rose in his heart. Yun Feng, even if you didn’t do this, you’ll have to take the blame!

Yun Feng rested in the hotel for a few more days and talked to Yun Sheng and Mu Xiaojin for the past few days. Yun Jing also rushed to Mu City from Chunfeng Town.. After all, Mu Xiaojin’s pregnancy was a big deal for the Yun family. What was more important than the extension of his lineage?

*Chapter 564: Soul Searching (1)*

Yun Feng calculated the date. Mu Xiaojin had just gotten pregnant. She would be pregnant for ten months. In another year, Mu Xiaojin would be able to give birth. By then, she would have to go back to the East Continent no matter what. How would she miss the grandkid of the Yun family?

The conversation with her family made Yun Feng very happy. After her body recovered, the conversation also ended. Her family told her to be more careful, and Yun Feng accepted with a smile. Ever since she came to the West Continent, the Yun family hadn't dared to disturb her easily. In the hearts of the Yun family, Yun Feng's path would be very different.

A month had already passed. It was time for her to claim the bounty. Although she wasn't interested in the bounty at all, it would be a bit weird if she didn't receive it.

Qu Lanyi had been silent these days, as if he was thinking about something. He looked at Yun Feng's neck from time to time subconsciously. Naturally, Qu Lanyi asked Yun Feng where she got the black jade pendant. Yun Feng's answer made Qu Lanyi very helpless. She said "I don't know either, I want to know where it came from too".

He had thought that the black jade pendant belonged to the Yun family, but it didn't seem to be the case at all. Qu Lanyi frowned and pondered for a long time, but he still couldn't figure out what was hidden behind the black jade pendant. As long as the black jade pendant was harmless to Yun Feng, Qu Lanyi would be more or less relieved. However, he didn't know what would happen when the light element energy in the Array of Life ran out.

Nothing happened in the branch hall for a month. It seemed that the impostor was quite convincing. Yun Feng didn't plan to take Qu Lanyi with her when she claimed the bounty. Little Fire stayed with Qu Lanyi, and so did Meatball. Yaoyao had planned to stay with Yun Feng, but Yun Feng declined her. The branch leader would certainly be upset about Ming Xuan's death. He would definitely suspect that she was the one who did it. Yaoyao hadn't grown yet, so it was better for her to stay. If anything happened, she wouldn't be able to take care of both of them.

She went to the branch hall with Lan Yi. When he heard that Yun Feng was coming, Luo Xu felt like he had been injected with stimulants. She was finally here!

Lord Hao also came out with interest after hearing that. He was quite interested in Yun Feng. When Yun Feng walked into the main hall, she saw that the person sitting on the main seat was a stranger, and the branch hall master was sitting next to him.

The moment Yun Feng walked in, Lord Hao's heart couldn't help but skip a beat. What a young face! Like Luo Xu said, she was only in her teens! She reached the Monarch Level at such a young age? What kind of genius was that?

“Yun Feng...” Lord Hao sized Yun Feng up from head to toe and whispered softly. Yun Feng also sized up the man in front of her without batting an eyelid. This man might be stronger than her, so she couldn’t figure him out.

“I’m Yun Feng. And you’re...” Yun Feng replied neither humbly nor arrogantly. She looked straight into the eyes of the person in front of her. Lord Hao chuckled when he saw this. Luo Xu quickly said, “This is Lord Hao, a guardian of the Main Hall. Yun Feng, watch your tone!”

The corners of Yun Feng’s mouth moved slightly. A guardian of the Main Hall? This Lord Hao was from the Main Hall. His strength was a bit higher than that of the Palace Master. The strength of the Main Hall could also be seen. It seemed that the strength of the Hall Master of the Bright Moon Hall had already reached the Lord Level.

Having already made a guess in her mind, Yun Feng smiled slightly. So what if he was a guardian of the Main Hall? Even if he were the Main Hall Master, Yun Feng wouldn’t bow down to her!

“I’m here to collect my reward today. I don’t mean to make small talk,” said Yun Feng casually. Luo Xu’s face was almost green. This man was a guardian of the Main Hall. Who gave you the courage to speak like this?

Lord Hao chuckled again after hearing this. “Young people are always a bit proud. However, since you’re already so accomplished at such a young age, you should be proud.”

Yun Feng stood there with a faint smile and didn’t say anything. Even though the man sitting in the main seat kept smiling, Yun Feng could feel an inexplicable pressure. Lan Yi was silent on the side, but his body was extremely tense and he was ready to fight at any moment.

“Yun Feng, have you ever thought about joining the Bright Moon Hall? With your talent and my recommendation, you can become a guardian of the palace and have the same position as me.” Lord Hao suddenly said with a smile at the corners of his mouth. Luo Xu’s facial features became completely stiff after hearing this. What exactly did Lord Hao mean? He invited Yun Feng to join the Bright Moon Hall!

“Thank you for your kindness, Lord Hao. I’m used to the unrestricted life as an independent cultivator. I dislike rules.” Yun Feng smiled casually and bounced the ball back. Lord Hao chuckled. “In that case, I can only say that it’s a pity. Did you find the man with the bounty?”

Yun Feng nodded. Lord Hao crossed his arms and flicked the back of his hand with his finger. “I don’t think you can claim the bounty for now.”

Yun Feng replied with an “oh” and showed a puzzled look on her face. Lord Hao stared at Yun Feng’s face closely without missing any details, as if he wanted to find some clues from inside.

“Why? Isn’t he the person who was wanted?”

Lord Hao chuckled. “That person’s face is covered with a mask. He’s not the wanted guy.”

Yun Feng’s heart skipped a beat. It was seen through? How could such a mask be seen through? If Lord Hao hadn’t come here, the branch leader probably wouldn’t have been able to detect him at all with his level. This was truly a difficult guy!

“There’s such a mask? I really want to check it out. I didn’t notice anything at all. I’m ashamed to say that.” Yun Feng chuckled with a hint of curiosity in her eyes. She didn’t forget that the tricky old fox was staring at her. If she didn’t act like it, this old fox would sense that something was wrong.

Lord Hao chuckled softly again and said in a deep voice, “Even though this mask is very lifelike, it doesn’t work in front of me. I learned from Luo Xu that you encountered Yu Xiu. This possibility is one in a thousand.”

“Is that so? You’ll have to ask the guardian Ming Xuan of the branch hall. She was lucky to be able to lead us to Yu Xiu.” There was coldness on Yun Feng’s face. Luo Xu was speechless. How could he not know what Ming Xuan was planning? Yun Feng was quite right..

#### *Chapter 565: Soul Searching (2)*

“But what exactly happened? We only heard your side of the story, and the others all died.” Lord Hao looked at Yun Feng deeply with his black eyes as he stood up from his seat. “In other words, it was you who made up the story that you encountered Yu Xiu. You could’ve been the one who killed these people.”

“My master wouldn’t do such a despicable thing,” said Lan Yi in a deep voice. Lord Hao laughed. “Magic Beasts are controlled by summoners. I’ll pretend that I didn’t hear what you said.”

“Are you saying that I manipulated all this?” Coldness appeared in Yun Feng’s eyes. Lord Hao chuckled again and slowly walked over from his seat. “I’ll know what exactly happened after I see it.”

Luo Xu immediately understood what Lord Hao wanted to do after hearing that. Everyone must have some means to become the guardian of the Main Hall, and Lord Hao's method was to search someone's soul! To forcibly search someone's memories!

"Let me see your memories and I'll know everything." Lord Hao stood in front of Yun Feng and looked at her with his black eyes. Yun Feng suddenly laughed and narrowed her eyes.

"Don't you think I'm such an obedient person that you can simply read my memories?"

"I promise I won't pry into your other memories. As long as you're not guilty, why can't I read it?" Lord Hao raised his brows slightly and looked at Yun Feng with a vague smile in his eyes. Yun Feng sneered.

"Whether you believe it or not is up to you. It has nothing to do with me! I don't have the need or responsibility to make you believe it."

"So, you're not planning to cooperate?" Lord Hao's lips curled up slightly with a hint of coldness. A glint of light flashed through Yun Feng's black eyes. Old foxes were indeed old foxes.

"It's good that you know." Even if the person standing in front of her was the guardian of the main hall and was stronger than her, Yun Feng would definitely not compromise and let him search her soul and memories! Cooperate? Never!

"If you don't want to cooperate, don't blame me for being tough!" After saying this, Lord Hao suddenly became serious. His fingers that were constantly bouncing in the air suddenly curled up, and the joints of his fingers immediately protruded, turning into claws that grabbed at Yun Feng's head fiercely. He wanted to hold Yun Feng and search her soul forcibly! Nôv(el)B\\jnn

Lan Yi suddenly flashed over from the side. He grabbed Yun Feng's waist and pulled her back hard. Lord Hao's hand missed. He narrowed his eyes and looked at the man and the beast, who had retreated dozens of meters away. A wind Magic Beast?

"Ming Xuan must've been killed by you!" Luo Xu gritted his teeth and shouted.

"Otherwise, why wouldn't you dare to let others search your memories? You're guilty!"

Yun Feng stood there and glanced at Luo Xu coldly. "I did it. So what?"

Luo Xu was so angry that his eyes turned red. She admitted it just like that! She admitted it so straightforwardly! What an arrogant and overbearing personality! Luo Xu thought that Yun Feng had to make some excuses. He had a lot of things to say, but he didn't expect her to admit it so directly! She didn't even explain!

“You... Yun Feng! Don't even think about walking out of the branch hall alive today!” Luo Xu roared. Yun Feng smiled coldly. Lord Hao, who was standing aside, had no intention of caring about the situation of Ming Xuan, Luo Xu's subordinate. It didn't matter who killed Ming Xuan. The most important thing right now was that this little girl in front of him had completely aroused his interest. If he could perform a soul search, he would definitely find out a lot of interesting things!

There was a hint of craziness of hunting in Lord Hao's eyes. Yun Feng was his prey. He must search her soul thoroughly today!

Luo Xu shouted loudly as he held the double knives in his hands. The moment the double knives appeared, they emitted buzzing sounds and waves of fighting energy also emitted from the double knives!

“Lan Yi, hold him back! I'll go try that Lord Hao!”

Lan Yi nodded as a pair of wings suddenly appeared on its back. Its speed quickly rose to a new level. Luo Xu had already roared as he charged towards Yun Feng like a black shadow with the double knives in his hand. He didn't expect that he would be stopped by a figure on the way. Lan Yi's blue eyes were full of coldness. The huge wings on its back flapped abruptly and a violent air current rushed towards Luo Xu. Luo Xu retreated a distance in panic and finally stabilized himself.

“Your opponent is me.” As soon as Lan Yi said that, its body flashed and it directly flew towards Luo Xu. The huge beautiful wings on his back extended abruptly and Luo Xu's black eyes widened when he saw the patterns on the wings.

The attacks of the wind element began aggressively and Luo Xu was instantly caught in a troublesome battle.

Lord Hao suddenly burst into laughter when he saw this scene. That's not bad. His target was Yun Feng, and Luo Xu must not cause trouble to him. He licked his lips and looked at Yun Feng with interest. He waved his hand abruptly, and a slender black shadow suddenly flew out of his sleeve. Yun Feng's body flashed keenly to the side and stood in the air. A thin black chain drilled into the ground where she was standing!

Seeing that the chain missed, Lord Hao lifted his hand gently. The long black chain wiggled on the ground slowly like a black snake. The sound of the iron chain rubbing against the ground sounded a bit harsh.

“Yun Feng, there must be a lot of things hidden in your memory that nobody knows about.” Lord Hao stared at Yun Feng with an inexplicable glint in his eyes. Yun Feng laughed with a bone-piercing coldness on her young face.

“Don't pry into things that don't belong to you.”

“Hahaha! The more I can’t peek at it, the more determined I am to get it,” said Lord Hao hoarsely. He waved his hand, and the chain flew towards Yun Feng agilely like a snake, as if it had a life of its own. Yun Feng flipped her hand and held the Monarch Level wand in her hand. Her eyes turned cold. “Earth Shield!”

The solid defense formed by the earth elements appeared around Yun Feng, and the black chains hit the shield formed by the earth elements. Lord Hao’s eyes glittered when he saw that. “Earth elements? Are you a double or multi-element mage? You’re making me more and more excited...” Lord Hao whispered hoarsely. He waved his hands fiercely, and four or five long black chains surged out of his sleeves! They lunged at Yun Feng like a few black snakes baring their sharp fangs!

“Tsk!” Yun Feng’s body suddenly flashed in the air and a few long black snakes penetrated the Earth Shield crazily.. In an instant, the Earth Shield turned into pieces and the light yellow elemental energy finally dissipated in the air.

### *Chapter 566: Soul Searching (3)*

Lord Hao stood where he was. The black chains in his sleeves were extremely agile under his control. Their speed and direction of attack were exactly the same. Yun Feng kept dodging in the air at an extremely high speed. However, the black chains were everywhere. They were chasing her relentlessly!

“Attacking with his body as the center...” Yun Feng moved quickly as she looked at Lord Hao, who didn’t even move at all. The guardian of the Main Hall was indeed quite capable. The black chains were very annoying!

Yun Feng suddenly waved the wand in her hand and looked at the black chains that were chasing her relentlessly with her black eyes. Fury surged in her heart. “Thunder!” She suddenly shouted as the purple lightning element that Yun Feng rarely used appeared!

“Sizzle...” Tiny sounds of thunder echoed around Yun Feng. Tiny silver snakes twisted their bodies and pounced at the black chains crazily. “Clap, clap, clap!” The sound of several iron chains breaking sounded. The silver snakes were unusually fierce. Under the sharp attacks of the lightning elements, the black chains broke into iron pieces one after another and fell on the ground. Lord Hao was shocked when he saw this!

Lightning element?! She had lightning elements!

The black chains broke and Yun Feng’s red lips slowly curled up. She pointed her wand at Lord Hao, who was standing there. The silver snakes were jumping around the wand, as if they were ready to attack!

At this moment, the roles of the pursuer and the pursued switched!

“Boom...” There was a loud explosion. Countless silver snakes gathered together with the buzzing sound of the lightning elements. Their purple bodies turned into a long dragon and roared towards Lord Hao!

“Humph!” Lord Hao’s face darkened and he waved his sleeve abruptly. Countless black shadows surged out of his sleeve. Countless thin black chains formed a tight barrier in front of Lord Hao at the same time. The purple dragons hit the black barrier and made a crisp sound. Many of the black chains were broken, but Lord Hao wasn’t hurt at all inside!

“What exactly is this black chain?” The lightning elements all dissipated in the air. That weird black chain could be controlled so agilely by this person. There must be something unusual about Lord Hao’s body.

The dense black chains wriggled slowly like black snakes, which made people’s scalp tingle. Although a few of them were broken by the lightning elements, there were still a lot of them left. Otherwise, Lord Hao wouldn’t be safe.

“You’re one of the few people who can make me do this.” Lord Hao’s voice came from behind the dense black chains. “Yun Feng, you’re the only one who can make me use this move.”

The black chains suddenly opened wide and Yun Feng and Lord Hao faced each other. The excitement in Lord Hao’s eyes made Yun Feng’s heart tighten. What was this old fox trying to do?

“Inescapable Net!”

The black chains that were spread out suddenly moved together and extended in all directions in the sky. The long black snakes instantly covered the entire sky. They seemed to be without any order, but they had already sealed the entire space.

Yun Feng’s black eyes darkened and she waved the wand in her hand abruptly, causing lightning elements to roar. Lan Yi and Luo Xu, who were fighting fiercely on the side, suddenly stopped. Lan Yi looked at the black chains that filled the sky and Yun Feng, who was sealed inside, and its pupils shrank!

“Master!” Lan Yi roared as it spread its wings and was about to fly over. Seeing this, Luo Xu immediately raised his double knives and blocked Lan Yi’s way. “Don’t even think about leaving!”

“Get out of my way!” Lan Yi suddenly spread its wings and waved the wind element fiercely, turning it into sharp blades that attacked Luo Xu. The double knives in Luo Xu’s hands flipped agilely in his hands, blocking all the blades formed by the wind element.

Luo Xu shouted and rushed forward, raising his double knives and slashing towards Lan Yi's back!

"Swish!" Another pair of wings suddenly appeared on Lan Yi's back! Luo Xu was shocked. Four wings!

Lan Yi suddenly turned around and opened all four wings. The picture of the griffin depicted on the wings also appeared in front of Luo Xu. Luo Xu looked at the ferocious Magic Beast depicted on the huge wings. The creature's head seemed to be roaring at him!

"I said, get lost!"

Luo Xu's pupils dilated abruptly. The next second, before he could defend with the double knives in his hands, the wind element that was flying all over the sky had already rushed towards him!

"Argh!" Luo Xu fell to the ground in a sorry state. The wounds on his body increased under the attack of the wind element, making him look miserable! Luo Xu covered his wounds and looked at the situation in the sky. He suddenly burst into laughter with a hint of madness in his tone!

"Hahahaha! Lord Hao used this move. Yun Feng, you're finished!"

Lan Yi looked at Yun Feng, who was tied up by the black chains, with his blue eyes. The black chains kept breaking but new ones were added. Lan Yi wanted to rush over fiercely, but...

Lord Hao stood on the spot and burst into laughter as he watched Yun Feng attack. The light in his black eyes became brighter and brighter. "Alright, it's time to retract the net. Retract!"

The dense black chains in the sky suddenly changed their direction. Yun Feng only saw thousands of black snakes pouncing at her. The sky was full of them. She had nowhere to go!

"Clap, clap, clap!" The long black snake quickly and accurately wrapped around Yun Feng's limbs, holding her body firmly in the air. Yun Feng's body only moved slightly when the black chain suddenly tightened, as if it was going to be embedded in Yun Feng's body! She looked at Lord Hao's body that suddenly jumped up from the ground, and his unusually excited eyes. Damn it! Yun Feng only heard Lan Yi shout loudly, and then a hand that was as cold as a dead person pressed on her head. Two cold and slightly excited words came in her ears...

"Soul Searching!"

Human memories could be forgotten, erased, or destroyed. Naturally, they could also be peeped at. Soul searching was a unique secret technique that peeped at memories. This secret technique had been passed down for a long time, but fewer and fewer people knew it. The strangeness and power of this secret technique made many people fearful. Those who could master soul searching were also highly respected on this continent. For example, Lord Hao.. He had become the guardian of the Main Hall not because he was very strong, but because he was capable of performing soul searching.

*Chapter 567: My Self-Proclaimed Father Is Here (1)*

Lord Hao stared at Yun Feng in front of him with excitement on his face. Even his breathing became rough. Thinking of the memories buried in Yun Feng's mind, Lord Hao felt that the blood in his veins was about to boil!

The strength of this little girl was so unusual. She must be extraordinary. She might even have a unique treasure! Other people might not know about this, but for him, everything was easy! When he searched all her memories, he would know everything!

The cold hand pressed against Yun Feng's head. Yun Feng only felt a bone-chilling coldness invade her body, as if even her soul would be frozen. This soul-searching was so domineering! Her body was bound tightly by the black chains. Yun Feng could only let the coldness invade her body and wander inside her body recklessly. Lord Hao closed his eyes slightly. The real beginning of the memory prying had just begun!

This wasn't the first time that Lord Hao peeped into someone else's memories. As the guardian of the Main Hall, he certainly had to come into contact with a lot of things, including dealing with some tricky people. People who were extremely tricky to others were no different from ordinary people in front of him. Even if this person didn't seem to have any weakness, under the soul search, there would be no secrets to hide!

Lord Hao closed his eyes and immersed himself in a unique state. His consciousness invaded Yun Feng's body through the hand that connected with Yun Feng. He was going to find out exactly how many secrets there were in this body this time! Lord Hao, who was full of anticipation and thought that he would be able to return with copious returns, only realized that things weren't going as smoothly as he thought after he invaded Yun Feng's body.

"How can there be nothing?" Lord Hao looked at the darkness in front of him in shock. Right, when his consciousness invaded this place, Lord Hao thought he would see flashbacks that were like a tide in her memory like other people. He didn't expect that there was nothing here except darkness!

“How can people not have memories? How is that possible?” Lord Hao was stunned. More precisely, he found it unbelievable. How could people not have memories? Where were her memories? How did they disappear?

Lord Hao searched crazily in this black space, but he failed. Apart from the black color, it was still black. It was endless black. It was as silent and lonely as death.

Lord Hao couldn't help but gnash his teeth. Had his soul search failed? No, it couldn't! If the soul search failed, his consciousness wouldn't be able to enter. If the soul search was successful, there was only one explanation for not being able to find her memories. She had no memories! Someone without memories... Lord Hao's heart tightened and his consciousness retreated abruptly. Yun Feng only felt warm all over her body. She didn't know what this guy saw. If he saw something he shouldn't see, she was determined to get rid of him. He wouldn't be kept alive!

Lord Hao suddenly opened his eyes and looked at Yun Feng with a darkened face. “You don't have any memories?”

Yun Feng's black eyes flashed, and the corners of her mouth slowly curled up. Lord Hao looked at Yun Feng's smile, and felt like he had been hit in the heart with a stick! People without memories also didn't have souls! Could people without souls still be considered humans?

“Who exactly are you?” Lord Hao gnashed his teeth and growled. Yun Feng chuckled. “Many people have asked this question. Who do you think I am?”

Soul searching aimed for the memories stored in the soul, but Yun Feng's soul was different from that of other people. Her soul was from another world! The original Yun Feng had already died in Lin Meng's hands. The current Yun Feng wasn't Yun Feng, but a lonely soul in another world! Lord Hao never would have dreamed that this body didn't contain the original soul, but the soul from another world. Soul searching would certainly be useless!

A loud roar of a lion tore through the sky, and Lord Hao finally came back to himself. He saw a huge figure lunging at him. Lord Hao raised his sleeve and threw all the black chains at the huge figure. It grabbed the black chains with its sharp claws and pulled hard. The black chains were pulled straight. The creature opened its mouth and bit the black chains with its sharp teeth!

“Bang, bang, bang, bang!” The black chain, which was as soft as a long snake, became more and more fragile after being tightened. Its sharp teeth hit the chain hard, causing sparks and the black chains were broken!

Lord Hao frowned. The body of the griffin was too huge. It would be a bit difficult to trap it with the black chains and Yun Feng. Lord Hao knew that it was time to end this battle, or he would be the one who would suffer in the end.

The black chains that wrapped around Yun Feng immediately wriggled and retreated. The black snakes that filled the sky all returned to Lord Hao's sleeve. Lan Yi rushed to Yun Feng's side and transformed into a human. "Master, are you alright?"

Yun Feng rubbed her wrist and looked at Lord Hao who was standing in the air coldly. "I'm fine." Luo Xu, who was seriously injured on the ground, was a bit stunned when he saw this scene. Lord Hao retreated? Did the soul search fail? How was that possible? The soul search couldn't possibly fail!

Luo Xu struggled to get up from the ground and coughed a few times awkwardly. Yun Feng and Lord Hao looked at each other in the sky. The atmosphere was still so tense that it could explode at any moment! Nôv(el)B\jnn

"Master Hao, isn't it a bit inappropriate to treat the distinguished guests of the Summoning Union like this?" A gentle voice came slowly. Everybody looked over and saw a slender figure standing there. Yun Feng's black eyes glittered. How long had he been here?

Lord Hao couldn't help but be startled when he saw the person. He immediately came down from the sky. "Ling? Why are you here?"

With a pair of glasses on the bridge of his nose, Ling smiled gently and elegantly, as if he had no other emotions other than gentleness.

"I heard that Lord Hao is here. Of course, I'm here to greet you."

Lord Hao chuckled awkwardly. Yun Feng and Lan Yi also descended from the sky. Ling smiled at Yun Feng. "Miss Yun."

Hearing this, Lord Hao's face darkened. "You said she's a guest of the Summoning Union?"

Ling smiled and said, "A four-star honorable quest. Trust me."

Lord Hao's face darkened. "Even the Summoning Union can't interfere with the affairs of the Bright Moon Hall!"

*Chapter 568: My Self-Proclaimed Father Is Here (2)*

Ling pushed the glasses on the bridge of his nose. His fingers were long and his joints were distinct. "Of course. However, the Bright Moon Hall must consider the Summoning Union's stance. After all, someone else is watching."

Lord Hao's heart raced when he heard this. He didn't expect Yun Feng to join the Summoning Union. He indeed couldn't casually attack her again, not after knowing that she was a four-star guest. Ling was clearly telling him that he could do anything, but he had to consider the consequences.

"Humph! Thank you for your reminder! Yun Feng, this matter isn't over yet. I'll report it to the Hall Master. We'll see how you'll explain it then!" After saying that, Lord Hao flicked his sleeve and left. Luo Xu followed him in a sorry state and looked at Yun Feng angrily for a few times. The hatred in his heart didn't subside.

"It seems that you've caused trouble, Miss Yun?" Ling raised his brows and asked. Yun Feng smiled. "It's nothing. It's just a small matter." Ling glanced at Yun Feng calmly. "If that's the case, I'll go first. After all, I'm only here to greet the visitor. I don't want to ruin our friendship."

Ling smiled gently at Yun Feng and then walked in. It seemed that he was going to find Lord Hao. Yun Feng didn't say anything, but her mind was already spinning. She was indeed the one who made the fake Qu Lanyi. If Lord Hao reported it to the higher-ups, there would be a reaction from the Main Hall. Luckily, there was no real evidence. Soul searching was useless to her, which was her biggest advantage.

Thinking of this, Yun Feng suddenly smiled. Lord Hao must be well aware of this in his mind, but he couldn't do anything about her. He told Lan Yi not to mention anything about what happened today after they returned, or someone would be worried again. Lord Hao didn't dare to attack her easily either. In terms of strength, she wouldn't let Lord Hao take advantage of her even if she couldn't win easily.

She originally wanted to leave Wind Moon City, but Yun Feng clearly felt that the branch of the Bright Moon Hall was monitoring her even more closely. If she wanted to leave, it wouldn't be so easy. They hadn't fallen out yet. Once they did, their operation in this area would also be blocked and there would be a lot of trouble. The fake Qu Lanyi had been exposed and the daughter of the Hall Master wouldn't let it go easily. Troubles came one after another.

She didn't leave Wind Moon City, but she wasn't restricted at all in Wind Moon City either. Yun Feng thought that the situation would be in a stalemate for a while, but she didn't expect that someone would come to find her in just three days. Nôv(el)B\\jnn

"Yun Feng, the leader of the branch has invited you." A group of people completely surrounded the hotel. The boss of the hotel was so scared that he thought he had done something wrong. Yun Feng chuckled and followed them to the branch hall. Qu Lanyi was still wearing his ordinary face. He hadn't taken off his mask these days just in case.

The group of people who came to "invite" Yun Feng were mostly at the Commander Level, including warriors and mages. They were escorting her rather than inviting her. Little Fire had a trace of impatience in its eyes as it followed them. Meatball also looked

quite upset sitting on Little Fire's head. Yaoyao held Yun Feng's hand all the way and seemed indifferent to the current situation.

When they arrived at the branch hall, Yun Feng clearly felt that there were a few more deep auras here compared to a few days ago, and the number of masters had increased. Yun Feng frowned slightly, and Qu Lanyi looked solemn too. This trip was probably full of danger.

He had caused trouble for his wife. This was the first time that Qu Lanyi had such a clear understanding. He had never been afraid of trouble, because he had the ability to deal with the trouble he caused. If he was incapable of dealing with the trouble, he would just put it on hold. However, he didn't want to cause trouble for Yun Feng. Even though it wasn't his intention to cause trouble this time, he couldn't control it. Qu Lanyi was very frustrated in his mind. His anger had already accumulated for several days.

The group of people were invited to the branch hall. The atmosphere in the branch hall was extremely solemn today. Everyone was expressionless. They pretended that they didn't see Yun Feng when they saw her. Yun Feng was led into an area. The people outside of this area were all peak Commander Level experts! There were no less than five or six of them!

Yun Feng frowned slightly. Did someone important come?

The moment she stepped through the door, a stream of air suddenly came from the air. Little Fire stood next to Yun Feng and its black eyes turned cold. It suddenly grabbed the air with its hand and a five-colored whip was firmly held in its hand.

Little Fire's face turned cold. Even though it looked like a cute little boy, its original form was a ferocious Magic Beast after all. It swung its skinny arm and the whip was flung away along with the person on the other end of it.

"Argh!" With a cry of pain, the woman who threw the long whip fell on the ground in a sorry state. At this moment, several black shadows suddenly swept over from all directions. Yun Feng's face darkened as her mental strength surged out of her body fiercely, turning into fierce air currents that repelled all the ferocious whips.

"Argh! Argh! Argh!" Screams of pain came one after another. Some people who were hiding in the dark were all sent flying by Yun Feng's mental energy. They fell heavily on the ground, looking so miserable that they couldn't even get up.

"Pa!"

There was a loud sound of a whip. Yun Feng looked ahead with her black eyes. An unusually beautiful whip that looked like a rainbow was hitting the ground again and again. The person holding the whip also walked over slowly. She was a girl with an extremely mature body and an extremely gorgeous face. If one didn't look at her face,

they would think that she was a woman in her twenties. However, this face was surprisingly very young. It looked like she wasn't much older than Yun Feng.

"Pa! Pa! Pa!" The whip in the girl's hand hit the ground hard again and again. Deep marks were left on the ground where the whip hit. Some gravel also danced continuously under the attack of the whip.

"Tsk!" Qu Lanyi cursed in a low voice. Yun Feng raised her brows and instantly knew who this girl was.

"Changed your face? I can recognize you even if you change your face! I knew you weren't dead. But even if you were dead, I'll still take your body back! Who is she?" The girl glared at Yun Feng with her charming eyes and swung her whip at Yun Feng without hesitation. Yun Feng stood there without moving.. "Pa!" The whip couldn't get close to Yun Feng's body at all and was knocked away by a force.

*Chapter 569: My Self-Proclaimed Father Is Here (3)*

"She's my wife, my owner, and my woman! Are you satisfied with this answer?" Qu Lanyi said with a smile. The girl's face suddenly changed, and her gorgeous facial features were completely twisted.

"You're my man. How dare you hook up with another woman behind my back?"

Disgust filled Qu Lanyi's eyes. This woman was full of herself! Yun Feng was also amused. When did Qu Lanyi become her man? This woman was too funny.

"Let me tell you. He's the person I want. Nobody can take him away! I advise you to leave right now!" The girl waved the long whip in her hand and stared at Yun Feng fiercely. Yun Feng only raised the corners of her mouth slightly.

"He's not some goods. You think he's yours because you say so? There's a kind of relationship in this world called wishful thinking and there's a kind of attitude called shamelessness."

"Who are you calling shameless?" The girl blushed furiously and gritted her teeth in anger. The whip in her hand was also shaking. Yun Feng chuckled and continued adding fuel to the fire.

"If you think you are, then so be it."

"How dare you!" The girl suddenly shouted as the long whip in her hand danced like a shadow. Little Fire and Lan Yi's expressions were completely cold. How dare you? Who was this woman that dared to do this?

The two Magic Beasts immediately rushed out and turned into two black shadows, rushing towards the girl. If someone dared to touch their master, they would certainly be asking for trouble! A wolf roar came out of Little Fire's throat as it suddenly clenched its claw forward and held the girl's whip fiercely. Lan Yi was even faster. He directly shot a wind blade and the girl's whip was instantly cut in half from the middle!

"My Seven Cloud Whip!" The girl was dumbfounded when she saw the whip that was cut in half. Little Fire was so enraged that it wanted to slap this arrogant woman away. Yun Feng said casually, "Alright, come back."

Little Fire and Lan Yi both glanced at the girl in disdain and returned to Yun Feng's side. The girl stood there, dumbfounded, and looked at the broken whip. Her face became redder and redder and the fury in her eyes was burning fiercely.

"You destroyed the Seven Cloud Whip my father gave me!" The girl suddenly shouted in a low voice. "I'll make you pay. Come here!" As the girl shouted, the five or six peak Commander Level experts guarding the door immediately rushed in. Yun Feng lowered her black eyes. This woman was enraged.

"Capture that man alive! Kill the others! Kill them all!" roared the girl. The four or five peak Commander Level experts immediately became gloomy and their auras surged out. Yun Feng suddenly sneered. Kill us all? That's too arrogant!

Yun Feng flipped her palm, and bright fire elements appeared instantly. They kept expanding on Yun Feng's palm! Such a huge fireball seemed to make her opponents feel a bit numb. The girl was also a bit shocked. The bright fire elements illuminated Yun Feng's little face with spots of redness. The enormous fire elements suddenly separated from Yun Feng's palm and exploded when they flew in front of those few peak Commanders!

"Boom..."

A loud sound echoed in the entire branch hall. Everyone in the branch hall was so shocked by the sound that their bodies shivered. They all looked at the place where the sound came from, and their hearts were still beating uneasily. What exactly happened?

The few people who were talking happily somewhere in the branch hall suddenly froze for a moment. When Luo Xu heard this earth-shattering sound, he trembled abruptly. Lord Hao, who was talking to someone, also had a sullen look in his eyes.

"What's going on, Luo Xu?"

Luo Xu was also completely confused. At this moment, someone came to report that the loud noise came from the Young Lady. Both Luo Xu and Lord Hao immediately changed their expressions. Lord Hao immediately got up and was extremely depressed in his

mind. Couldn't that young lady just be obedient? She insisted on coming and caused trouble everywhere after she came!

"I'm sorry. It seems that we have to postpone it for now..." Lord Hao forced a smile at the person sitting opposite him. There was another distinguished guest who came with the Young Lady today. This was the honored guest that the Main Hall welcomed. Although he didn't know why he came with the Young Lady, Lord Hao didn't have the right to ask so much.

"It's fine. I'll go with you and see what exactly happened." The person on the other side wasn't reluctant at all. He stood up and made his decision. Lord Hao's eyebrows suddenly jumped a few times. The big shots indeed did things their own way.

The few of them quickly came to Miss's area. When they arrived at the door, Lord Hao saw a certain someone standing there with his sharp eyes. "Luo Xu, you asked her to come?"

Luo Xu was also dumbfounded when he saw someone. "Sir, I didn't... How would I dare to do that without your order..."

Lord Hao rushed over quickly. He knew clearly who asked her to come. Who else could it be other than that immature Young Lady? He was puzzled. How could she be the daughter of the leader with such a personality? She was willful, unreasonable, and didn't have the calmness of someone who did great things at all! The leader doted on her and gave her whatever she wanted. She even issued a promotion reward for a strange man!

Lord Hao rushed in and saw the extremely messy scene at the scene. Yun Feng had almost destroyed this courtyard. It was full of desolation. There wasn't a single piece of the ground that was intact anymore. The houses and everything else were also completely destroyed under the attack of the fire elements. Rock fragments and dust flew everywhere, and those peak Commander Level powerhouses were also hiding in a corner, looking very funny.

The bombardment continued, one wave after another. Lord Hao looked at the girl standing there, at her calm expression, the smile at the corners of her mouth, and the fire elements that flew out of her hands from time to time. A thought flashed through Lord Hao's mind. If only the daughter of the Hall Master were half as strong as Yun Feng.

Lord Hao looked around. His Young Lady was already hiding in a corner with her body curled up. Lord Hao immediately shouted angrily, "Yun Feng! This is the Bright Moon Hall's branch. Are you going to destroy this place?"

Yun Feng only stopped attacking when she heard the voice.. She smiled at Lord Hao. "You invited me here, didn't you?"

*Chapter 570: My Self-Proclaimed Father Is Here (4)*

Seeing that the fire elements stopped attacking, those Commander Level experts couldn't help but heave a sigh of relief. The girl hiding on the side also poked her head out slightly. When she saw Lord Hao, she immediately ran over. "Hao Cheng, catch her quickly!"

Lord Hao's temples pounded hard as he glanced at the girl. "My Lady, did you invite her here?"

The girl snorted coldly. "Do I need to ask for your permission to bring someone here? That man is the person I want. I'll leave her to you!"

Lord Hao's face twitched. "My Lady, do you know who she is?"

"I don't care who she is! If she dares to steal my man, she must die!" Nôv(el)B\\jnn

Lord Hao's face suddenly darkened, as if he was quite depressed. Seeing that Lord Hao didn't move, the girl couldn't help but shout angrily, "Hao Cheng! Are you blind? I asked you to finish her off. Didn't you hear me?"

The suppressed anger in Lord Hao's heart surged a bit, and he clenched his fists by his side. At this moment, the person who had been standing outside the courtyard for a long time without making a sound slowly walked in. He looked at the mess in front of him with interest, and his eyes were full of delight.

"You want to finish her off?" A voice with a smile came. Yun Feng's body trembled slightly and she slowly turned around. She looked at the person who was walking in and only felt that... How could it be...

The girl raised her brows slightly. "Yes, she stole my man. Of course, she must be dealt with!" Speaking up to this point, the girl's voice suddenly turned vicious. Qu Lanyi couldn't stand it anymore.

"Your man? I've only met you once. Can you not stick to me like glue? Do you have no one else to take you? Do you have to shamelessly cling to a man? I said I have a wife who's going to give me a child soon. Are you deaf or simply too stupid to understand?"

The girl blushed. The series of words that came out of nowhere stunned everyone, especially Yun Feng. Her cheeks were a bit red. A round of laughter burst out, which made the girl even more embarrassed.

"Hahahaha, hahahaha!" The person who was laughing extremely hard was the man who had just walked in. He looked like he was laughing until his stomach hurt. "Well said, well said!"

Lord Hao's face twitched again. "That's a bit..."

"You..." The girl glared at Qu Lanyi furiously with a flushed face. Qu Lanyi lifted the mask on his face and revealed his handsome face again. There was a trace of infatuation in the girl's eyes, and disgust burst out of Qu Lanyi's eyes.

"I feel like throwing up when you look at me."

"This is the territory of the Bright Moon Hall. I'm the daughter of the leader of the Bright Moon Hall! How dare you talk to me like that?" The girl was so angry that her eyes were bloodshot. She roared with a hoarse voice, "What's so good about that woman? Is her identity higher than mine? I'm the daughter of the leader of the Bright Moon Hall. Who does she think she is? My father can crush her like she's an ant!"

Yun Feng stood there and listened indifferently. Qu Lanyi sneered. "I think you're the one who's going to be crushed."

"What did you say? Alright, alright, alright! Just you wait! The Bright Moon Hall won't let you go! If you have the ability, don't show up in the territory of the Bright Moon Hall, or the Bright Moon Hall won't let you live in peace!"

Lord Hao remained silent on the side. What she said was true. Considering how much the Hall Master doted on the Young Lady, he would indeed do that. At this moment, the man who finally stopped laughing suddenly said, "That won't do."

Lord Hao was stunned. What did that mean? "This is the Bright Moon Hall's business..."

The man strode over and looked at the girl, who was also a bit shocked at this moment. The smile on his face just then instantly disappeared and was replaced with a bone-piercing coldness. The girl's body trembled from the gaze and she was a bit shocked in her mind. What was going on? Why was this person looking at her like this?

The man looked around. When he saw Yun Feng, he immediately looked like a warm spring breeze. Yun Feng pulled her lips and watched the man walk over in big steps. He touched her head with his big hand. "My daughter, why didn't you call me when you saw me?"

Yun Feng smiled awkwardly. Wasn't this self-proclaimed father of hers staying on the East Continent? When did he come to the West Continent? Was the Mercenary Union on the East Continent very free?

"Wh... What?" Lord Hao was dumbfounded and his eyes widened. The sticky girl was also dumbfounded. She looked back and forth between the man in front of her and Yun Feng, not knowing what was going on. Luo Xu's expression was completely dark. Daughter? Yun Feng was this lord's daughter?!

“Uncle, please don’t embarrass yourself,” said Yun Feng in a low voice. Zhan Li burst into laughter and rubbed Yun Feng’s head again. He only withdrew his hand after he messed up her hair.

“What uncle? Call me father.” Zhan Li said with a smile and nodded at Qu Lanyi. “Kid, you showed enough courage as my daughter’s man. I admire you.”

Qu Lanyi chuckled. It was all thanks to that woman. He wouldn’t have been able to vent his anger until it reached a certain level.

“Lord Zhan Li, she’s... your daughter? Why didn’t you tell me?” Lord Hao finally found his voice. He was shocked. Zhan Li had a daughter? What happened?

“Now you know. She’s my daughter, Yun Feng,” said Zhan Li in a rough voice with a proud look. He glanced at the dumbfounded girl on the side.

“Yuehua, as an outsider, I shouldn’t care about the affairs of the Bright Moon Hall. However, you’re trying to steal my daughter’s man right now. This is a different matter.”

The girl’s face turned pale as her father’s instruction flashed through her mind. This man wasn’t someone to be trifled with. With his strength and background, even her father, the Hall Master of the Bright Moon Hall, had to respect him!

The girl slowly lowered her head. Damn it! How could she be Zhan Li’s daughter?

“Lord Zhan Li, is she your adopted daughter?” Lord Hao asked tentatively. Zhan Li’s face darkened.. “She’s my blood daughter! Does she not look like me?”
