

Go Alone #Chapter 81 – 90

Read Go Alone Chapter 81

Chapter 81 Fengchao

In Shishan, Ye Yu was hiding in it. After searching for a long time, a group of people finally retreated without finding Ye Yu.

Seeing them all retreat, Ye Yu breathed a sigh of relief. As soon as his tense nerves relaxed, he felt severe pain throughout his body.

“Sooner or later kill you all!” Ye Yu muttered, but had to sit cross-legged and adjust his breath.

Although Good Fortune was extraordinary, he could not fully recover from his injury, but he finally recovered a lot!

Ye Yu walked along the stone mountain, but after Ye Yu walked for a while. His eyes suddenly fell on this seemingly deserted and unsurprisingly rocky mountain.

As a landman, he faintly felt something was wrong. But when I looked closely, I didn't find anything wrong there. This is an ordinary stone mountain!

Ye Yu thought for a while, and climbed to the highest peak of Shishan Mountain. Ye Yu looked down from the highest peak, and the stone mountain was unobstructed.

I didn't see anything strange at a glance, but Ye Yu looked carefully and finally discovered something strange.

This continuous rocky mountain faintly forms a nest. This nest is like a phoenix's nest, and the surrounding forces are gathered in the phoenix's nest.

“Sure enough, it's weird!” Ye Yu was shocked. If he weren't for a landman, he wouldn't be able to see it even if he climbed to the top of the mountain.

The heaven and the earth on this side are all gathered in the nest, and there is the tendency of heaven and earth to fall into the phoenix's nest, which is a very extraordinary terrain, and such a place can generally nurture the treasures of the heaven and the earth.

Ye Yu turned over and leaped towards Fengchao. He walked into Fengchao, and he really had the influence of the situation. It is not to stop him, but the situation will indirectly influence him to get out of the Phoenix Nest.

If ordinary people are not aware of it at all, it is really possible to leave Phoenix Nest without going deep into it.

Ye Yu walked into the phoenix nest. The phoenix nest was very vast, occupying nearly half of the stone mountain. He walked for a long time, but he didn't notice any difference. But Ye Yu knew very well that there must be some differences.

Ye Yu searched it for a long time, and finally found a few spiritual grasses in one place. This made Ye Yu overjoyed, these few spirit grasses could restore his injury as soon as possible.

Ye Yu plucked the spirit grass, sat down cross-legged, and recovered his injuries by the strength of the spirit grass.

The effect of the elixir was extraordinary. After Ye Yu's injury had used two elixir, his injuries recovered seven or eighty-eight.

"The stronger the strength, the more elixir that I need to recover from the injury." Ye Yu thought of the seven or eighty-eights that he had recovered from the injury of a spiritual grass.

But thinking about it, it can be understood that the amount of medicine used for infants and adults is different.

Putting away the remaining elixir, Ye Yu continued to search in this vast phoenix nest.

"Rootless Yan!" Ye Yu finally saw what made him extremely excited. In a stone crack, a blue flame was burning.

This flame absorbs the aura of heaven and earth to support its burning, with a strange flow of Taoism.

Ye Yu took out the jade box he carried with him, and picked this rootless Yan plant with the jade box.

Rootless Yan leaves the ground, only the jade box can save it.

Seeing Wugenyan beating in the jade box, Ye Yu thought for a while, the jade box poured out, and the flame was poured into the palm of his hand.

There was a strong burning sensation in his hand, this kind of burn was very uncomfortable, and there was a faint feeling that Ye Yu couldn't stand it.

Seeing that his hands were about to be ignited, Ye Yu was startled, and hurriedly drove good luck! Rootless Yan was directly submerged into Ye Yu's body under the drive of

Good Fortune Decision, combined with Ye Yu's spiritual energy, and wandered through Ye Yu's flesh and bones.

Ye Yu felt like a red flame burned his body, although Ye Yu was often burned by fire in Bitao Pavilion. But that kind of burning can be nourished by the spirit spring. It is a strange flame, and it does not have the feeling that it is too hot to bear. The ghost fire acts more on the gods and souls!

But this rootless flame brought the burning heat of burning bones, and the feeling of burning Ye Yu completely.

Ye Yu's crazy drive for good luck suppressed this feeling, but the pain remained the same, and his whole body was hot.

Rootless Yan blended with spiritual energy, wandering in Ye Yu's body. It's just that, without a cycle of wandering, Rootless Flame is completely wiped out, and the burning sensation disappears.

"That's it?" Ye Yu naturally felt that Rootless Yan burned the room, and You Dao Yun penetrated into the limbs and bones to baptize, but... a Rootless Yan actually failed to reach a cycle, this...

Ye Yu sensed his own strength and found that his strength had improved a bit, but he was still far from the marrow washing realm.

"To be completely baptized, it takes so many rootless Yan, there are no hundreds of them, it can't be done at all!" Ye Yu even suspected that hundreds of them would not be enough for him.

Ye Yu's face suddenly became bitter, how could he reach the marrow-washing state?

"I heard them say that there are more than ten or twenty plants at the peak of the aura spirit realm that can attack the marrow washing realm. Why do I need so many?"

Ye Yu continued to search in the Phoenix Nest, but although he found a few spiritual grasses, he never found Rootless Yan.

But Ye Yu found many traces of Rootless Yan in it. The reason why Rootless Yan is called Rootless Yan is because it has the power to walk and is not rooted in one place.

"There must be a lot of rootless flames in this phoenix nest!" Ye Yu muttered, looking at the phoenix nest that occupies nearly half of the stone mountain, it would take time and effort to find such a vast phoenix nest alone.

"Since I found out that there is no root flame here, I have to call the disciples of Bi Tao Pavilion. It will be much easier to gather everyone to find it. The most important thing is

that this Phoenix Nest is vast and there must be a central area, and they need to find out! ”

Since the terrain is gathered here, there must be a center of the gathering terrain, where treasures are generally bred at the place where the terrain gathers.

It is a pity that his geophysical methods are still very weak, unable to find out with his eyesight, he can only search by manpower.

Thinking of this, Ye Yu's figure jumped. Out of the stone mountain, towards the camp.

...

In the camp.

“Just got the news that the people from the Sky Fire Sect and the Meteorite Sect have never trapped Senior Brother Ye, Senior Brother Ye has already escaped!”

Zhang Xiang Shi Jingyi and others were overjoyed when they heard this, and the many disciples who gathered together to save others also relaxed.

“Hahaha! I knew you would definitely not die!” Du Qixi laughed.

“Where is he?” Yin Junxin asked.

“I haven't inquired about this, but since Brother Ye was not trapped at the time, relying on that he is a sergeant, it will be difficult for the other party to trap him anymore!” someone replied.

When Liang Bufan heard these words, he nodded and said: “He has been hunted and killed by so many people. Even if he escapes, he will definitely be injured. It is normal to find a place to hide and heal.”

“Then what shall we do now?” someone said, “I have already inquired clearly. The canyon and swamp indeed have Rootless Flames, which are occupied by these two forces. When Rootless Flames fall into their hands, we want to grab the capital. difficult!”

“Otherwise, let's kill it and occupy one of the sites too!”

Hearing what the other party said, Du Qixi said coldly: “Senior Brother Ye has repeatedly reminded that he is not allowed to leave the camp and do his own thing!”

“but.....”

Some people are unwilling to stay here and wait, are they looking at the other two cases without roots?

...

Chapter 82 Can't help it

"Brother Liang, what do you think?" someone asked Liang Bufan.

Liang Bufan thought for a while and said, "Since we have found out that there is no root flame in these two places, then we naturally want to win it."

"Since Senior Brother Liang agrees, then **** them! Are we still afraid of their Skyfire Meteorite Sect in Bi Tao Pavilion?"

"Yes! Fuck him!"

"How many disciples they have killed us over the years, we have to avenge our fellow brothers!"

"..."

Shi Jingyi heard the crowd roar again and again, her eyebrows wrinkled slightly, and her red lips lightly opened: "I don't agree!"

This sentence made many people stunned, looking at Mingyan's beautiful poetry Jingyi in a daze, and the original noise suddenly quieted down.

Being watched by everyone, Shi Jingyi's pretty face was slightly reddish, "Since the chief disciple said to camp here, we are not allowed to go out, we should abide by it!"

"No Root Yan..." Someone stared at Shijing's shining pupils, and the voice fell silent when it came to speaking.

Du Qixi also spoke at this time: "Senior Brother Ye asked everyone to be here, just because you don't want everyone to be killed or injured. If you can't hold on to it, even if you rob a site at that time, the fellow seniors are afraid that there will be a lot of deaths and injuries!"

"But we can't do nothing!" a disciple muttered.

"What do you say?" Liang Bufan looked at the two core disciples of Guo Yin.

Yin Junxin thought for a while, and then said weakly: "Or wait? Wait until he comes back?"

One sentence made a lot of surprises, and did not expect that Yin Junxin, who had been at odds with Ye Yu, would actually make such a decision.

“But if he doesn’t show up after recovering his injuries for ten and a half months, shall we wait forever?” a disciple said.

“Are you in such a hurry to die?” A voice suddenly sounded at the camp, and everyone saw Ye Yu approaching them.

“Ye Yu!” Du Qixi exclaimed with joy.

Ye Yu nodded to Du Qixi, then looked at Liang Bufan’s group and said, “No one is allowed to go!”

A group of disciples looked a little ugly, and looked at Ye Yu and said, “If you don’t go, it won’t be in vain. Rootless Yan has been taken away by them. Did we come to travel?”

“Yeah! Brother Ye! We are not here to play, we are seeking wealth and wealth, and we can’t stop going because of fighting!”

“We always have to occupy one position in those two places, or where to find Rootless Yan!”

There was a lot of discussion, and they were very dissatisfied with Ye Yu’s order. Don’t fight for the two sides and watch the unresponsiveness fall into the hands of the enemy?

“Who told you that Rootless Yan only has those two places!” Ye Yu glanced at these people.

The noisy people were silent, they all looked at Ye Yu blankly, convinced that they didn’t have to misheard Ye Yu’s words.

Seeing the surrounding area calm down, Ye Yu said: “I found a place with or without roots, and there should be a lot of them. You should clean up and search there as soon as possible!”

After a group of people were taken aback, they burst out laughing with joy: “Yes! Brother Ye!”

“Shi Jingyi Yin Junxin, you stay!” Ye Yu suddenly shouted as everyone was going to pack things.

Yin Junxin was yelled at by Ye Yu. Although the people stopped, he shouted: “Don’t expect you to distract the chasing soldiers, I will thank you!”

After speaking, Yin Junxin's eyes fell on Ye Yu's clothes, which was stained with blood, obviously after a big battle.

"Your gratitude is a fart, and Master Ben would care?" Ye Yu rolled his eyes and sneered Yin Junxin unabashedly.

Yin Junxin was flushed by Ye Yu's scolding, and he gritted his teeth with hatred. This guy is still so annoying.

"Who is holding the Rootless Yan you grabbed?" Ye Yu asked Yin Junxin.

Yin Junxin looked at Shi Jingyi: "It's handed over to Junior Poem!"

"Then you can get out!" Ye Yu said to Yin Junxin.

"..." Yin Junxin really wanted to strangle this bastard.

"Have you really found a lot of rootless flames?" Liang Bufan said next to him.

Ye Yu nodded and said to Liang Bufan: "Wait and tell Zhang Xiang the location and other details, you follow Zhang Xiang!"

"Are you not going?" Liang Bufan asked in confusion.

"I have to buy time for you. Since I am the chief disciple, I am the one who killed Li Feng. The two cases have a high degree of attention to me, and I will attract most of their attention if I appear." Ye Yu said.

Many people looked at Ye Yu, and Ye Yu continued to explain: "You act low-key, I distract most of them. The chance of them finding us is smaller! You can also have more time to find Rootless Flame!"

"We are not afraid of him!" Xu Qiang muttered from the side.

Ye Yu slapped Xu Qiang's head with a slap: "Don't let your mind be all about fighting and killing. Whose life is worthless? Wouldn't it be better to be able to finish the look without knowing it?"

After being slapped by Ye Yu, Xu Qiang smiled and said nothing.

Liang Bufan looked at Ye Yu and was silent for a while: In this world where the weak and the strong, the life is like a grass, it is rare to encounter people who think like this.

How many families, how many sects, in order to grab a treasure, blood flowed into rivers, and shards of people fell in a pool of blood.

There are very few people who would rather leave the treasure and turn a blind eye than you would like to fight in the same family as a result!

Shi Jing was looking at Ye Yu at this moment, as her eyes waved like water.

Seeing Ye Yu turned to look at her, she immediately looked away.

Ye Yu looked at this beautiful and sultry woman, who was slender and graceful, standing in that bright and incomparable thing.

“Shi Jingyi is with me!” Ye Yu said.

“Ah!” Shi Jingyi looked at Ye Yu blankly.

“A beautiful person is naturally easy to attract the attention of others!” Ye Yu smiled at Shi Jingyi.

Shi Jingyi was stared at by Ye Yu, her cheeks flushed, turning her head to ignore Ye Yu again.

“Damn! Are you starting to tease girls?” Du Qixi looked at Ye Yu blankly.

“Du Qixi and Wen Jianqing, you two also follow me.” Ye Yu said to Du Qixi.

“Because we also look good?” Du Qixi smiled.

“It’s ugly to a certain extent, and it’s naturally attracting people’s attention!” Ye Yu answered Du Qixi.

“...” Du Qixi turned his head and didn’t want to talk to Ye Yu.

Speaking of this, Ye Yu suddenly took out a letter from his arms and handed it to Shi Jingyi and said, “I almost forgot, I haven’t given you today’s love letter yet!”

Shi Jingyi looked at the love letter that Ye Yu had stuffed into her hand, her face burning.

He really talks about credit, even in such an environment, he still gives himself a love letter every day.

Liang Bufan looked at this scene with a slightly ugly expression. Even with his temperament, he couldn’t help but say: “You can’t ask for a face and don’t pester the Poem Sister?”

“It’s not entanglement, it’s a heartfelt feeling!” Ye Yu glanced at Liang Bufan and said contemptuously, “People who haven’t experienced the shock of heart will not understand it!”

Nima! Learned another trick how to make shameless talk so fresh and refined.

Du Qixi looked at Ye Yu in admiration!

Chapter 83 Scold the camp

Liang Bufan led people to Shishan in a low-key manner. But Ye Yu took Shi Jingyi and walked towards the Skyfire Sect and the Meteorite Sect.

“What are we going to do?” Shi Jingyi didn’t understand what Ye Yu was going to do.

“I’ll take you to do great things!” Ye Yu said seriously to Shi Jingyi and others.

“What’s the big deal?” Shi Jingyi turned her eyes, and Ye Yu could see the water traces in it.

“Wait, you’ll know!” Ye Yu didn’t say it thoroughly, looking at Shi Jingyi, her face was beautiful, she was really a beauty.

“Do you really not read the letter I wrote to you?” Ye Yu said to Shi Jingyi.

There was another red tide on Shi Jingyi’s face. She was not used to other people staring at her with such fiery eyes: “After reading the first envelope, there shouldn’t be that girl who wants to read the second one again, right?”

Ye Yu patted his forehead, and his heart of wanting to kill Chi Buchu became even stronger. I’ve been teasing my sister for many years, and I have never been so innocent.

“In fact, that letter is really different from what I am!” Ye Yu seriously explained to Shi Jingyi, “I am a good young man with sentiments, ideals, and talent!”

Shi Jing looked at Ye Yu with beautiful eyes, and continued to ignore Ye Yu.

“If you don’t believe me, otherwise we will find a place, just the two of us. Talk about feelings, talk about ideals?” Ye Yu asked Shi Jingyi.

Du Qixi heard Ye Yu’s shameless words and couldn’t help saying: “It feels like you are lying to the little sheep.”

“Shut up!” Ye Yu glared at Du Qixi.

Ye Yu didn't care about the two light bulbs Du Qixi and Wen Jianqing, and continued to say to Shi Jingyi: "Sister Poem, would you like me?"

"No!" Shi Jingyi's face was so hot that she had never seen such a direct battle.

"It's okay! I'll teach you!" Ye Yu said seriously to Shi Jingyi, "Like myself, I am very experienced!"

"..." Wen Jianqing and Du Qixi couldn't listen anymore. Even if they couldn't beat them, they all kicked Ye Yu fiercely at this time.

Shi Jingyi felt that it was a mistake to come out with Ye Yu. Is this guy keeping himself by his side to tease him?

"Sister Poem, what do I think are the shortcomings of your five elements? Pinching a finger, you lack me in the five elements!"

"Sister Poem, I want you to be my rival in love, or else I am the only one who loves myself, and a life without love, hatred, and hatred would be a failure!"

"Sister Poem, do you like water? Do you like it? Do you know that water occupies more than 70% of a person? You have fallen in love with 70% of me, but you don't know it!"

"..."

Along the way, Ye Yu tuts endlessly. Shi Jingyi's face became more and more red, and in the end she couldn't stand it anymore and began to cover her ears.

She is going crazy, how could this guy be so shameless!

Wen Jianqing and Du Qixi were dumbfounded, and looked at Ye Yu with admiration. This guy can actually do such a set.

"Sister Poem, look at us..."

"Shut up!" Shi Jingyi finally couldn't help it, biting her teeth and staring at Ye Yu, "Didn't you say you want to do a big thing? What are you going to do?"

"Ah! Just looking at you, I almost forgot!" Ye Yu said suddenly.

"..." Du Qixi and Wen Jianqing were speechless, they both wanted to turn around and left, and they really didn't want to look at Ye Yu.

"Well, I will take you to do a big thing now!" Ye Yu said to the three of them.

...

Tianhuozong camp!

“Have you found the trail of Bi Tao Pavilion?” Li Mang, the young master of Tianhuo Sect, said.

“Except for the one that appeared in the swamp, I haven’t seen any traces of Bi Tao Pavilion! These people seem to have not entered the secret realm, and have not seen any signs of their activities at all!” A core disciple of the Skyfire Sect replied.

“This is impossible! There is news that more than two hundred of their disciples have entered the secret realm!” Li Mang said.

“There are more than two hundred people in the activity. It stands to reason that we should find some clues, but...now we haven’t found them yet!” The disciple smiled bitterly.

“Keep looking! Bi Tao Pavilion Ye Yu will undoubtedly die!” Li Mang’s eyes were full of sternness, and he was full of hatred. His younger brother died in his hands, and Yan Shengting, who was amazing at first sight, heard that he was also married to him.

“We will try our best to search for Your Excellency Bi Tao. There are more than two hundred of them, unless they hide in one place, otherwise they can’t be found!” the disciple replied.

“Yeah!” Li Mang said, “The focus must be on Ye Yu. This person must be found, and I must smash him into pieces!”

“Know!” The disciple bowed.

“How many rootless flames have we got?” Li Mang said.

“Eight plants!” the disciple said, “I am exploring the canyons and marshes carefully, and I should be able to find some! It’s just that the Meteorite Pavilion is occupied...”

“Eight plants are still too few.” Li Mang said, “There are definitely more than these in this secret realm. It seems that there is still something we haven’t found. How much did you get from the Meteorite Pavilion?”

“Should be similar to us!” said the disciple.

“Okay! Staring at the Meteorite Sect, if you find that they get Rootless Yan, remember to report to me!” Li Mang said.

“Yes!”

“In addition: You need to focus on finding Ye Yu, and you must kill him in this secret realm. Otherwise, it will be impossible to kill him when he returns to Bi Tao Pavilion!” Li Mang was extremely gloomy, “Look at him. I can hide there!”

And it was at this moment that suddenly a curse came to his ears: “Scumbags of the Skyfire Sect, it’s been a long time since I saw you, Grandpa Ye Yu is here to ask you all!”

A word made Li Mang stand up instantly, the cold light in his eyes flashed, and several disciples also said in surprise: “Ye Yu!”

A group of people rushed out and saw someone standing far away from them, yelling at them.

“The tortoise **** of the Skyfire Sect, you two young masters are too weak, I can easily kill them with a single sword!”

Wen Jianqing and Du Qixi both stared at Ye Yu, who was cursing the Sky Fire Sect with stunned mouths. They were stunned: Is this what Ye Yu said about doing big things? Is it a big deal to run to someone’s camp and yell at it?

“What do we need to do?” Wen Jianqing asked Ye Yudao unwilling to believe this result.

“You don’t need to do anything, just open your mouth to scold them, you two don’t stand here, scold them together! Sister Poem, together!”

After speaking, Ye Yu continued to yell at the camp: “You group of malignant tumors that can poison the maggots in the dung pit, what are you doing while still alive? Just die.

Wen Jianqing and the three looked at each other, peeking at each other.

“What are you doing in a daze, it’s more domineering to scold together!” Ye Yu shouted at Wen Jianqing.

“...” Shi Jingyi didn’t bother to take care of this guy. Is this the big thing you’re talking about? Swearing is a big deal?

In the distance, Li Mang and others exploded. The people they had always wanted to kill, but at this time they ran to his door and yelled!

What does he want to do? Are you looking for death?

Chapter 84 Children and grandchildren

“Take someone to kill him!” Li Mang roared, watching Ye Yu roaring yellingly, a group of disciples slew towards Ye Yu.

“Damn! Kill if you don’t agree, do you have any professionalism!” Ye Yu cursed as he looked at the practitioner who rushed towards him.

“Hey! Wait! Shouldn’t you scold each other for a while and then go to war? You don’t play cards according to common sense!” Ye Yu shouted at Li Mang’s group.

But the other party turned a deaf ear, and a group of disciples directly killed them.

“What should I do now?” Du Qixi looked at the disciple who had killed him, his scalp numb.

“What else can I do, run away quickly!” Ye Yu Du Qixi said, he had already taken the lead to escape.

Shi Jingyi and others followed Ye Yu and ran quickly. Looking at Ye Yu in front of him, they gritted their teeth with hatred: What kind of thing is this, run here to scold the camp, and then run away? You are playing! Brother!

Ye Yu was far away from them and had the means of landlords. Naturally, he would not let them catch up, so he would easily get rid of them.

“This is how you attract attention?” Shi Jingyi stood in the sun, her fair skin shining brightly, her eyes staring at Ye Yu.

“This is just the beginning! It’s too early!” Ye Yu said.

...

“Master, this kid had taken precautions a long time ago. After cursing, he ran away. He is powerful and far away from us. He can’t catch up with him at all!” A disciple returned to the camp panting and said to Li Mang.

Li Mang’s face was sullen, Ye Yu was provoking him, and he even dared to curse in front of the camp!

“Send someone to find, if he dares to show up, then he must be killed!” Li Mang said harshly.

But at this moment, a familiar voice sounded again: “The tortoise grandchildren of the Skyfire Sect, I’m coming to see you again!”

Angrily, Li Mang walked out of the camp, and he saw Ye Yu standing in the distance cursing them, but this time he changed the direction.

“My grandchildren, know that you want to kill Grandpa, but I’m going to **** you off. You can’t help me!”

“ ... ”

Ye Yu kept cursing, laughing, arrogant. The disciples of the Tianhuo Sect rushed into the crown, and they slammed Ye Yu again.

But Ye Yu saw them kill, turned around and ran, as fast as a wild wolf.

“Damn it!” Seeing Ye Yu turned around and disappeared, a group of people cursed, but they could only turn around and return to the camp.

Only after they returned to the camp, Ye Yu came out: “As expected of my grandson tortoise, running so slow is not enough for me to warm up!”

“Come on! Come chase me!”

“Li Mang, last time your brother Li Feng said that your Li family had a bad **** disease, is it true!”

“ ... ”

How could Li Mang endure it? He chased and killed Xiang Ye Yu. But he didn’t run a few steps, and Ye Yu got into another place and disappeared.

Then there was a weird scene!

Ye Yu scolds the camp!

Skyfire Sect chases and kills!

Ye Yu escaped!

Skyfire Sect suffocated and roared back to camp!

Ye Yu reappeared and continued to scold the camp!

Skyfire Sect will chase and kill again!

...

Such a cycle continued, and some of the Tianhuo Sect disciples who were angry directly vomited blood in their mouths. Of course, Ye Yu’s curses became more and more unsound, and he cursed all the eighteenth generation ancestors of Tianhuo Sect, and a lot of disgusting things were directly on the head of Tianhuo Sect.

Shi Jingyi and Du Qixi followed Ye Yu, listening to Ye Yu's mouth becoming dirty. They were dumbfounded, only thinking that Ye Yu was a great talent!

But... the dignified chief disciple of Bitao Pavilion became ashamed of a street shrew. They all felt ashamed.

Looking at Ye Yu, who was happier and scolded, Shi Jingyi and the others were blushing and wanted to dig a hole in.

In the world of cultivators, there are people who meet directly with swords, and there are people who play intrigues. But the **** scolds the street... This is the first time they have seen it.

"I feel that when I go back, I must beg the pavilion master to take back his status as the chief disciple!" Du Qixi, as the disciple who most supports Ye Yu, suddenly said such a sentence quietly.

Wen Jianqing nodded vigorously: Ye Yu is their chief disciple, and their Bi Tao Pavilion really has no face. In the future, others will laugh at them even before they see Bi Tao Pavilion?

Shi Jingyi also blushed with a pretty face, and nodded firmly at the words of Wendu and Du.

"Grandsons of tortoises, do you want to chase?" Ye Yu saw him cursing constantly. This time Li Mang and others had never come to chase him, he asked.

Li Mang stood there, his face extremely gloomy. Ye Yu had already figured out the way, they couldn't catch up like this.

"Ye Yu, if you have the ability, just do it with real swords and guns. If you learn from a shrew, you are a hero!" Li Mang said angrily.

"Your ancestor! What does it mean to learn a **** to scold the street? Is a **** like me? When I scold the field, even the **** has to worship me as a teacher?" Ye Yu glared at Li Mang, dissatisfied with what he said. !

"After today, I don't know him!" Du Qixi said to Wen Jianqing seriously. How did Ye Yu take pride in not being ashamed?

Li Mang was also vomiting blood with Ye Yu's words. It was the first time he saw such a shameless person: "Bi Tao Pavilion has a chief disciple like you, so I really lose face!"

"What's a joke? I'm very satisfied with Bitao Pavilion. Women can't wait to marry me, men can't wait to... Oh, can't wait to marry their sister to me!" Ye Yu said proudly, "You know what fart!"

“You still can’t chase them? It’s meaningless to scold you for these wastes. They are all the same virtues as Li Feng, and they kill with a wave of hands. It’s meaningless!” Ye Yu didn’t forget to sprinkle salt on their wounds.

Sure enough, after Li Mang heard it, his face was gloomy and ugly, his fists clenched and blue veins surged. He has never been so angry today!

“You will definitely be broken into pieces by me!” Li Mang said bitterly, gritting his teeth.

“Who are you scaring! Are you able to cut the dead bodies? Your Sky Fire Sect is a group of illiterate people, so you can count to ten thousand, but you can’t count them completely, but you still have broken dead bodies!” Ye Yu said contemptuously.

“Ye Yu!” Li Mang was furious.

“Oh! That’s right, you can’t always tell the truth!” Ye Yu sighed, “How sad he is thinking that Sect Master Tianhuo died of a son.”

Speaking of this, Ye Yu suddenly felt a little sad: “Forget it, let’s meet each other with a smile. My heart is too soft to see others sad! Give you a sincere blessing. I wish all of you in the Tianhuo Sect to be infertile. Full of infertile children and grandchildren.”

Li Mang was taken aback, and immediately burst into anger in his eyes, he could no longer hold back, even if he knew that he could not catch up with Ye Yu, he would slaughter Xiang Ye Yu at this time.

The other disciples also gritted their teeth, full of swallowing cruel expressions, and killed Ye Yu.

Du Qixi and Wen Jianqing looked at each other, and they thought they would treat Ye Yu respectfully in the future, otherwise this guy would bless them, they might want to die!

...

Chapter 85 Sheng Wenjie

Ye Yu ran all the way, far away from the pursuit of Li Mang and others.

Li Mang and others returned without success. Du Qixi thought that Ye Yu would continue to go back and curse, but saw that Ye Yu was gone and stopped going to the Tianhuozong camp.

“Don’t scold the Sky Fire Sect?” Du Qixi asked unexpectedly.

“You have to be kind, don’t always catch people scolding, it’s immoral.” Ye Yu glanced at Du Qixi dissatisfiedly, “You talk about you, how can you be so vicious!”

“I’m vicious?” Du Qixi was dumbfounded.

“Li Mang is so angry, you still want to bully others, you can’t live without a bottom line!” Ye Yu criticized.

Du Qixi wanted to spit out Ye Yu’s face with a mouthful of old blood. At this time, did you become a good man and a gentleman? Did the person I scolded vomiting blood just now?

“What’s more, after scolding for so long, they will also lay a trap to wait for us to go and then encircle and suppress!” Ye Yu muttered.

“...” This is the reason why you really don’t go to the camp.

“Then what do we do next?” Wen Jianqing asked Ye Yu. Although Ye Yu’s method was a bit more indecent, it did attract Li Mang’s firepower. At this time, he was afraid that the whole world wanted to dig out Ye Yu and kill him.

Seeing that Ye Yu didn’t speak, Du Qixi said, “You don’t have a plan for the next step, right?”

“We have to do something big next!” Ye Yu replied.

“Huh?” Shi Jingyi also looked sideways at Ye Yu, thinking that she was finally ready to do something else without cursing others?

“Do you think of a way to grab their rootless flames to attract their attention, and be careful, it’s not that there is no possibility of success!” Du Qixi said.

“Ah!” Ye Yu looked at Du Qixi and said, “I just plan to go to the Meteorite Sect Camp and shout for a while!”

“Puff!”

Du Qixi staggered and fell to the ground: Nima, are you addicted to cursing, are you still going to the Meteorite Sect to curse?

...

Tianhuo Sect Li Mang was extremely angry, and he arranged for many disciples to lie in ambush in all directions, and when Ye Yu came again, he would leave Ye Yu at all costs.

But he waited for a long time, but never saw Ye Yu come to scold the camp again.

“That kid is very wicked, he should be aware that we have set a trap to wait for him!” a disciple said to Li Mang.

“Look! I have to dig the ground three feet to find this kid. It’s hard to dispel my hatred if he doesn’t smash him into pieces!” Li Mang said angrily, “Also, let the three of you come and raise it for so long. , They should have recovered almost too!”

“Yes!”

...

In the Meteorite Sect, Sheng Wenjie listened to the disciple’s report, and he shook his head vigorously and said, “Are you kidding? The chief disciple of Green Tavern has been cursing the street outside the Tianhuo Sect camp?”

“Someone has been staring at the Skyfire Sect, our disciples have seen it with their own eyes. I heard that Li Mang was vomiting blood after being scolded!”

“What are you kidding? The chief disciple of the Green Tower Court would do such a thing? Are you kidding me?”

“Brother! Although we also find it hard to believe, this is the truth.”

Sheng Wenjie froze in place, and Bitao Pavilion remained low-key after entering the secret realm. They didn’t find any trace of Bi Tao Pavilion, and now the chief disciple scolded the camp with great fanfare?

“What are they playing?” Sheng Wenjie frowned.

Just as Sheng Wenjie and others were talking about it, a loud voice rang: “Scumbags of the Meteorite Sect, I will visit you!”

In a word, the discoloration of many disciples changed, and one of them suddenly stood up and said in shock: “It’s him! Ye Yu! He’s here to scold the camp!”

Seeing this disciple was full of horror, Sheng Wenjie was not angry. The chief disciple of Bitao Pavilion didn’t scare them by strength, but instead scared the disciples like this by scolding the camp.

“Go and see!” Sheng Wenjie and the others rushed out, and they saw Ye Yu standing in the distance of the camp arrogantly scolding the camp.

With the experience of the Tianhuo Sect, they did not send anyone to chase it out, but stared at Ye Yu gloomily.

“Your Excellency is Ye Yu, the chief disciple of Bi Tao Pavilion?” Sheng Wenjie asked Ye Yu.

“Is there anyone who can fake me? There should be only someone like me in this world!” Ye Yu replied.

Sheng Wenjie hummed: “Dignified chief disciple, it’s really ridiculous to do such an innocent thing.”

“Hey! What do you mean?” Ye Yu said angrily, “Are you mocking? I want to fight you!”

“Duel! Do you dare?” Sheng Wenjie said coldly, “You can only curse the street, and Bitao Pavilion has this strength!”

“Your sister, I can’t bear it!” Ye Yu said angrily, “You and I are a fair fight, dare you? I will kill you!”

As the chief disciple of the Meteorite Sect, Sheng Wenjie is naturally fearless: “If it is a curse, I will admit defeat!”

“It’s boring to scold you!” Ye Yu said with disdain, pointing to a hillside in the distance, “If you dare, we will go there to fight, and there will be far away from your camp. I can rest assured, don’t worry about you embarrassingly embracing! ”

Sheng Wenjie already had information about Ye Yu, and he knew Ye Yu’s realm very well. I wonder what else is afraid of him at this level? Moreover, even at the same level, there is no possibility of being afraid of him as the chief disciple.

“Good!” Sheng Wenjie agreed. In fact, he was also afraid of Ye Yu’s curse. He really couldn’t help it because of his strategy of running away.

“Wait!” Ye Yu said as he watched Sheng Wenjie heading to the hillside.

“Scared? Go away, don’t be embarrassed here!” Sheng Wenjie shouted.

“No! I just think that we, as the chief disciple, always need a little bit of prize money if we want to fight!” Ye Yu said coldly to Sheng Wenjie, “How about you and I each take fifty soul storage pills as prize money?”

Sheng Wenjie frowned slightly, fifty soul storage pills are great wealth, even if he was the chief disciple, he couldn’t get it out for a while.

“Okay!” Sheng Wenjie agreed and ordered people to borrow other disciples to collect fifty.

“It’s fair fight, you and I don’t bring anyone!”

After Ye Yu finished speaking, he walked towards the hillside.

Du Qixi and Shi Jingyi both looked at Ye Yu in a daze, thinking that the current situation was not right. Didn't Ye Yu come to scold the street? Why did he suddenly become so bloody, he was going to fight Sheng Wenjie.

Shi Jingyi saw that Ye Yuzhen was about to walk up the hillside, and quickly reminded: "Sheng Wenjie is a half-step marrow-cleaning practitioner!"

"Ah!" Ye Yu was startled.

Shi Jingyi was helpless, knowing that Ye Yu didn't know: "Sheng Wenjie, Li Mang and Senior Brother Liang are both practitioners at this level. Although you have reached the peak of the spiritual realm, you are not yet their opponents."

"Although it's a bit troublesome, it's not that you can't fight." Ye Yu said, "As long as it's not a real marrow-cleansing realm, don't fear them!"

Shi Jingyi has reminded Ye Yu that Ye Yu can't continue to say anything if she doesn't listen. He can only say: "We don't have fifty soul storage pills. Where are you going to get it?"

Ye Yu suddenly took out a bag and said to Shi Jingyi, "I have it!"

Shi Jingyi frowned as she watched Ye Yu walk towards the hillside. Ye Yu has so many elixirs from there?

Du Qixi said quietly next to him at this time: "It seems that I saw him use this bag to fill stones on the road!"

...

Chapter 86 Thanks for the gift

Sheng Wenjie walked up to Shipo and looked at Ye Yu who also walked up. His eyes were cold and he was carrying a bag: "There are fifty soul storage pills in it. Do you need to check it?"

Ye Yu waved his hand and said, "If you need to deceive even this, then it's too bad to be a man, I believe you!"

While talking, Ye Yu also carried a bag: "Fifty are among them, do you need to see it?"

Sheng Wenjie glanced at Ye Yu: "I naturally have the demeanor you have!"

Ye Yuxin threw the bag to the side: "I have always wanted to learn the fascinating knowledge of the Meteorite Sect, today you and I will be the winner!"

"Take your head today to pave the way for me to take charge of the Meteorite Sect!" Sheng Wenjie looked at Ye Yu and made no secret of his killing intent.

When the words fell, Sheng Wenjie's momentum surged, and his arms vibrated, there was a crackling sound, and the aura was rolling, which was very surprising.

Sheng Wenjie is worthy of being the chief disciple of the Meteorite Sect.

Ye Yu dodges to avoid, his palm directly landed on the mound behind Ye Yu, the mound was destroyed, and the sky was full of wind and sand.

The blow was unsuccessful, and the opponent turned and blasted towards Ye Yu again. Tricky and fierce, he killed Ye Yu's throat, trying to smash Ye Yu's Adam's apple.

Ye Yu continued to dodge, avoiding his attacks again and again.

The more he fought with others, the more Ye Yu thanked Bi Tao Ge for the three passes. In the second level, I have experience in repeated tempering. Otherwise, as before, he would definitely be a little embarrassed in the face of such a tricky attack.

"Does the dignified chief disciple only hide?" Sheng Wenjie said coldly, his arm turned into a whip, and he swept towards Ye Yu again.

Ye Yu shot and pushed away with his palm, violently clashing with the thrown arm.

Ye Yu, who was shocked by the powerful force on his arm, retreated abruptly before stabilizing his pace, staring at Sheng Wenjie scorchingly: "Half a step to wash the marrow, really good!"

"So you know, you thought you didn't!" Sheng Wenjie said, "But now that you know, you dare to make an appointment, I admire your courage!"

Ye Yu laughed: "It's just a half-step to wash the marrow, and it's not the real marrow washing. Can I still be afraid that you won't succeed?"

While Ye Yu spoke, he took the initiative to shoot at Sheng Wenjie, Good Fortune was running crazily in his body, and his power burst out, while turning his palms, he shot directly at Sheng Wenjie.

"I don't know how to live or die!" Sheng Wenjie said coldly, shaking his arm, rolling towards Ye Yu vigorously.

The two fought against each other several times, and the powerful force made a muffled noise, and the wind screamed in all directions, and the sand and stones on the ground shot in all directions.

“Bump!” Ye Yu and Sheng Wenjie both backed up a few steps before they stabilized their figures.

Sheng Wenjie stared straight at Ye Yu, the shock in his eyes was unimaginable. He has already washed the marrow half-step, and the marrow washing realm is almost invincible. Except for Liang Bufan and Li Mang, who can stop him?

But now...a peak of the Spirit Realm actually blocked his continuous blows, which was beyond imagination.

He has recently collected a lot of information about Ye Yu, knowing that he killed Li Feng and passed the three passes of Bi Tao Pavilion before becoming the chief disciple.

The rumors are just a small achievement in the spiritual realm! But the last time the Skyfire Sect chased and killed people knew that he was the pinnacle of the Spirit Realm!

This person’s talent is undoubtedly surprising. Although I don’t know what the situation is in the three stages of the Bitao Pavilion, but no one has left for a hundred years, I know that there must be something extraordinary, not to mention that Ye Yu can reach the peak from childhood All this shows that this guy is extraordinary.

But even so, he didn’t think Ye Yu could be comparable to Half Step Washing Marrow, because it reached another level.

In fact, they have already begun to cleanse their marrow, and the spiritual energy that they have swallowed far exceeds that before, but it has not been completely completed.

Although Sheng Wenjie was surprised at Ye Yu’s strength, he still had confidence in himself.

He used his combat skills and swiped his arms, hitting Ye Yu like two giant pythons.

“Not so good!” Ye Yu laughed, his body rioted, and Lie Tao rushed out and hit Sheng Wenjie.

Ye Yu lamented that the combat skills he knew were limited, and each time he could only face the enemy with the violent waves.

Sheng Wenjie and Ye Yu fought together again, and the two of you came and went, and the power in them became more and more terrifying.

“Bump...”

The clashes continued, and many people looked at it from a distance, and their hearts were shaken.

“Bi Tao Pavilion has a lot of talents in this class. Liang Bufan is rumored to be comparable to Senior Brother Sheng. Now there is another one!”

“It is rumored that he is only the pinnacle of the spiritual realm. If this allows him to go further, wouldn’t it be that Senior Brother Sheng is not necessarily an opponent?”

Everyone talked, of course, a disciple of the Meteorite Sect secretly approached in the direction of the mound.

Ye Yu and Sheng Wenjie continued to clash, both of them used combat skills. At the end of the fight, Ye Yu was shocked. The half-step washing of the marrow was really extraordinary. After playing for so long, his arms were numb and his blood was tumbling.

And Ye Yu knew that Sheng Wenjie certainly didn’t give his best. As the chief disciple, there must be no cards left. Of course, Ye Yu’s Wushuang Fingers were also never used.

Ye Yu was shocked, and Sheng Wenjie was even more shocked. He was also shaken by the shock of his blood, this person can really fight himself with the peak of the spiritual realm. He has no advantage over the opponent.

Ye Yu and Sheng Wenjie fought again and again, and once again swept the confrontation, Ye Yuzhen retreated a few steps, and his vitality was shaken by the powerful force, and he was suppressed by himself.

Sheng Wenjie also backed away, his eyes stern, ready to use his ultimate move to face Ye Yu. In this way, it is difficult for them to tell the victory or defeat.

Sheng Wenjie’s driving force, he had the information to use his hole cards and hit Ye Yu hard.

But when he leaped forward to fight again, Ye Yu suddenly laughed: “I have something to do today, fight again tomorrow!”

After that, Ye Yu turned sideways, shot towards one side, picked up a bag, turned around and jumped down the hillside.

Sheng Wenjie was startled, frowning slightly. He was unwilling to let Ye Yu leave like this, but looking at Ye Yuyuan’s figure, he knew that he couldn’t catch up anymore.

“Although the strength is good, but the courage is not enough, it still can’t be a big thing!” Sheng Wenjie hummed coldly.

Speaking of this, he looked at the bag containing the spirit pill. Realizing that the bag didn’t seem to be his own, he frowned slightly, but thought that it was all a spiritual pill, and he didn’t care about it.

Only when he walked over to pick up the bag, Sheng Wenjie felt something was wrong.

At this time, Sheng Wenjie heard a loud laugh: “I admire your strength. I accept the gift. Thank you for the gift. We will fight again in the future.”

Sheng Wenjie’s face changed, and he tore open the bag. A pile of small stones rolled out of the bag, the size of which was no different from that of a spirit storage pill.

“Ye Yu!” Sheng Wenjie screamed in anger and hated the sky, staring in Ye Yu’s direction with awe-inspiring eyes.

And he only saw Ye Yu’s back, but behind Ye Yu, he saw two young men showing sympathy to him in their eyes.

A group of disciples of the Meteorite Sect heard Sheng Wenjie’s roar and didn’t know what had happened. They galloped up the hillside. Then looking at the pile of pebbles under the bag, they looked at each other and couldn’t say a word.

...

Chapter 87 Out

“You cheated fifty soul storage pills like this?” Wen Jianqing refreshed his knowledge, it turns out that people can still earn soul storage pills like this.

“What is cheating?” Ye Yu glared at Wen Jianqing, “Can you speak! This is what I earned with hard labor. Do you think that fake fights don’t require effort? It’s much more tiring than moving bricks,” Is it overpaid?”

“But people don’t want you to play with you for practice!” Wen Jianqing said seriously.

“I can’t communicate with you!” Ye Yu sighed, “You feel that you are doing something that is a matter of course for paying for labor and receiving payment. Then who in this world will work? A person like you has three wrong views!”

“My three views are not correct?” Wen Jianqing’s mouth twitched, and his eyes looked at Shi Jingyi. Shi Jingyi’s beautiful eyes glanced at him, leaving a sentence of “deserved” floating away.

Du Qixi walked over and patted her shoulder at this time: "You talk to him about the three views, Shi Jingyi is right, you deserve it. Be careful, Ye Yu wait and bless you, you will be even better!"

Wen Jianqing shuddered when he thought of Ye Yu's blessing. He couldn't be blessed even if he wanted to kill him. I thought I was really stupid, how could I provoke Ye Yu, isn't this uncomfortable for myself?

"Sheng Wenjie is so strong, he didn't get the upper hand. If I continue to fight, I won't necessarily be able to please." Ye Yu asked Shi Jingyi, Shui Yingying's eyes were bright, and her bright and beautiful face had a few strands of messy hair. wire.

"Give them time, they can reach the marrow-washing state." Shi Jingyi replied, "but everyone wants to reach the marrow-washing state as soon as possible, and the marrow-washing state achieved with Rootless Flame is far more than spiritual baptism."

Ye Yu nodded and said, "How many rootless flames do they need to reach?"

Shi Jingyi thought for a while: "More than thirty plants should be enough!"

"Are there more than 30 plants?" Ye Yu thought of himself, wondering if it was because he was weak in their level or something else? A hundred plants are not enough!

"What about you? How many plants do you need?" Ye Yu asked Shi Jingyi.

"My situation is a little bit special. If you rely solely on Rootless Flame, 100 plants are not enough. But for other reasons, more than 20 plants are enough. The effect will not be worse than using Rootless Flame at all!" Shi Jingyi answered Ye Yu.

This sentence made Du Qixi and Wen Jianqing look at Shi Jingyi unexpectedly.

"For what reason, can I use it?" Ye Yuxin wanted it to be easy if he only had more than twenty plants.

Shi Jingyi glanced at Ye Yu, and saw that Ye Yu's eyes were burning with her eyes, and some of her unaccustomed face was hot.

"No!" Shi Jingyi replied.

Ye Yu knew this was the answer, and he was not disappointed.

"Give me the rootless flame you robbed last time!" Ye Yu said to Shi Jingyi.

Shi Jingyi took out the jade box and handed it to Ye Yu. Her small hand was slender and tender as jade. When Ye Yu reached out to take it, she touched her finger, which was warm and smooth.

“What are you going to do?” Shi Jingyi asked Ye Yu.

“Of course you have to return the things you robbed.” Ye Yu said, “You can’t do things like kidnapping and cheating!”

Shi Jingyi decided not to take Ye Yu’s words.

...

Ye Yu walked in the secret realm with a few people, Shi Jingyi and a few people, and finally found a place where Ye Yu set up a small spirit gathering formation.

Then take out Rootless Yan and plant it on a piece of bluestone.

“The spirit gathering formation provides him with aura, and it should be immortal on this bluestone.” Ye Yu muttered, taking Shi Jingyi and Wen Jianqing away.

Ye Yu walked very carefully along the way, sweeping all traces of them. When I reached a place far away from here, I found a place to hide.

“Where did you leave Rootless Yan?” Du Qixi was in pain.

“What would happen to you if you were vomiting blood when I scolded you?” Ye Yu asked Du Qixi.

“Definitely trying to kill you!”

“Then what if you were fooled by me for fifty soul storage pills?”

“I want to kill you even more!”

“That’s not it!” Ye Yu said happily, “They definitely can’t bear the breath. They want to dig me out for three feet. I just left some traces along the way. The people from the two cases soon I will find it here!”

“I will see this Rootless Yan then! What will happen to them?” Ye Yu stared at the burning Rootless Yan.

“Naturally it was snatched! Even if they guessed that you set up the game deliberately, but seeing Wugenyan there is no reason not to **** it, they are here for this thing!” Wen Jianqing said, “But we were wasted. Is it worth it for a rootless yam?”

“If they die a few more people, our people will be safer, and the harder they fight, we will be able to find it in the rocky mountain with greater peace of mind!” Ye Yu said.

Although Wen Jianqing and the others were unwilling to send it out without Root Yan, Ye Yu had already done so and could only do so.

In fact, the two groups of people really wanted to smash Ye Yu's body into pieces as Ye Yu thought. After Ye Yu left, he sent people everywhere to look for Ye Yu's whereabouts.

Soon they locked the scope in this area, and many disciples surrounded this area.

"This kid should be hiding in this area. From the traces, he appeared here, but the traces disappeared afterwards!" A disciple said coldly.

"Go and inform brother, this kid is very strong, this time you can't let him run!" a disciple said viciously.

It didn't take long before Sheng Wenjie appeared again, his face still gloomy. He borrowed most of the fifty soul storage pills from his fellow apprentices.

"Rootless Yan!" A disciple looked for Ye Yu, and finally found Rootless Yan in a hidden pile of rocks. Sheng Wenjie and others were overjoyed and quickly picked Wugenyan.

"The people of the Meteorite Sect got a rootless flame, stop them!" When the disciples of the Skyfire Sect saw this, a group of disciples directly pounced on Sheng Wenjie and the others, trying to **** the rootless flame.

"I don't know how to live or die!" Sheng Wenjie said angrily, swept a disciple with a palm, and directly shot him into the air.

"Quick! Notify the young master!" a disciple shouted.

"Return to camp!" Sheng Wenjie said coldly, and he took many disciples to leave. He faintly felt that something was wrong. How could Rootless Yan appear here?

But no matter what the reason, it makes no sense to miss the sight of Wugenyan.

Sheng Wenjie's group was about to leave, but before they had gone far, Li Mang walked out.

"Leave Rootless Yan!" Li Mang said gloomily.

Sheng Wenjie frowned slightly: "The two of us shouldn't fight for a rootless yan, that kid might be proud of it!"

"Wugenyan has been searching for so long before finding eight plants. I can't let this one go!" Li Mang replied, "Whether that kid is calculating or not, I don't want to give it to you!"

“Humph!” Sheng Wenjie said coldly, “Then it can only be as he wishes, we two fight each other!”

“Kill? No!” Li Mang shook his head, “I was planning to take it slowly. It would be nice to help us find Rootless Yan, but now I have changed my mind and plan to expel both of you from the secret realm!”

Sheng Wenjie was puzzled and didn’t understand Li Mang’s words. Ye Yu and the others looked from a distance and frowned when they heard these words.

The confidence from Li Mang?

Chapter 88 Stone Mountain Discovery

Sheng Wenjie stared at Li Mang, wondering what Li Mang relied on to say this sentence: “The confidence from you can drive us out of the secret realm?”

Li Mang did not answer him, but at this time three old men appeared behind him. As soon as the three elders came out, Sheng Wenjie’s expression changed drastically.

“This is impossible! Marrow Marrow Realm elders cannot enter this!” Sheng Wenjie naturally knows these people, the elder of the Skyfire Sect, the strong Marrow Marrow Realm.

“Marrow-washing realm naturally cannot enter it, but what if it is not for washing-marrow realm?” Li Mang stared at Sheng Wenjie.

“What do you mean?” Sheng Wenjie asked.

“It’s nothing! It’s just that you accidentally obtained a kind of evil technique, which can erode the rhyme of Taoism through toxins, and hurt people’s cultivation!” Li Mang said, “When I first got it, I still felt like a tasteless one. Who would practice this kind of evil technique? Thank you God for using it this time!”

Speaking of this, Li Mang smiled: “They were eroded by Dao Yun and naturally fell from the marrow washing realm. They can also enter the secret realm through this situation! By the way, three elders, how are you doing?”

“Although the toxin still remains, it is slightly injured. But it has returned to the point of half-step marrow washing!” One of the elders said.

“That’s good! If that’s the case, then kill him. By the way, the Meteorite Sect is cleaned up. They don’t need them in this secret realm!” Li Mang said.

“Yes!” One of the elders walked towards Sheng Wenjie.

“You can’t go!” Li Mang said, hahaha laughed, and shot and killed the Meteor Sect disciple.

Once fear grew in their hearts, their morale was even lower, and they had no desire to fight again. In the event of defeat, they were chased and killed by the disciples of the Sky Fire Sect.

Sheng Wenjie listened to the screams of his disciples. He made mistakes repeatedly and was hit by the two elders. Finally in unwillingness, an elder directly smashed his throat with a punch and fell to the ground.

When Sheng Wenjie died, the meteorite sect disciples flee wildly.

“Take all the Rootless Yan they got!” Li Mang ordered many disciples.

Li Mang looked at Sheng Wenjie’s corpse with a little disdain at the corners of his mouth: “It’s the blame for your bad life. It just happened that my Sect was given this kind of magic!”

“Master! All the rootless flames are on Sheng Wenjie’s body!” Someone fumbled for Sheng Wenjie’s corpse and took out ten rootless flames.

“Ten plants, plus ours is close to 20 plants!” Li Mang muttered to himself, “but it’s not enough!”

“The secret realm that can condense such a field situation should be more than these!” one of the elders said, “There must be no place to find!”

“Yeah!” Li Mang nodded, “With ten more plants, I can try to break through to the marrow washing realm in one go!”

Li Mang was excited when he thought that he had reached the marrow-cleansing state by virtue of Rootless Flame, and his achievements would surpass his father at that time.

“Has Bi Tao Pavilion found it?” Li Mang asked.

“I have sent someone to look for it. As long as they are in this secret realm, they will definitely be able to find it!” a disciple replied.

“Find out as soon as possible! There is no need for the people in Bi Tao Pavilion to be in this secret realm. And Ye Yu, I must smash him into pieces!” Li Mang was extremely fierce.

Shi Jingyi and others all looked at Ye Yu: The power of the Sky Fire Sect was too terrifying, and they were in danger this time.

“What should I do now?” Du Qixi also looked worried.

Ye Yu took a deep breath and said to the three of them: “Go to Shishan! See what’s going on over there.”

...

Before Ye Yu’s group approached Shishan, they happened to knock Xu Qiang down.

“Brother Ye, you are finally back!” Xu Qiang looked at Ye Yu excitedly.

“What’s the situation?” Ye Yu wondered.

“We have made a great discovery. We have found a place where the momentum is concentrated in the stone mountain. We are waiting for you. You are a landman and need you to come and see!” Xu Qiang said.

Ye Yu was also overjoyed at this time, nodded to Xu Qiang, and a group of people walked quickly towards Shishan. Ye Yu did not forget to ask Xu Qiang on the way.

“Have Rootless Yan found in the stone mountain?”

“Yes! Many disciples have found out, but there are no statistics on how many plants there are. There must be no less than ten plants!”

“Du Qixi, after you go back, you quickly count it!” Ye Yu instructed Du Qixi.

“Okay!” Du Qixi replied, knowing that Bitao Pavilion was in big trouble at this time.

At this time, Xu Qiang realized that the four of them were hurried and solemn, and couldn’t help asking, “What happened?”

Wen Jianqing informed Xu Qiang of what he had seen and heard, and Xu Qiang’s discoloration also changed after listening.

“This...”

“Hurry up and take me to the general situation!” Ye Yu urged Xu Qiang, taking advantage of the fact that they didn’t find out, he quickly finished the matter.

...

When Ye Yu, Xu Qiang and others rushed to Shishan, a disciple rushed to Li Mang: “I found the trail of the people in Bi Tao Pavilion!”

“Where?” Li Mang was overjoyed.

“In a stone mountain, they should have found Rootless Yan in it!” the disciple replied.

“Hahaha! Good! All the disciples follow me and go to Shishan. Kill the Bi Tao Pavilion for me!” Li Mang was so excited that all the disciples who chased the Meteorite Sect returned.

The Meteorite Sect is no longer a climate, what we have to do now is to destroy the Bi Tao Pavilion again, especially to kill that kid!

...

Chapter 89 Fight melee

Stone Mountain Phoenix Nest!

Many disciples searched inside, and they have already searched the entire Stone Mountain. At this time, many disciples gathered in one place in the Phoenix Nest, not in the center of the Phoenix Nest, but on the edge.

A thick fog gathered in this place, and the place was caged.

As soon as Ye Yu came over, he felt that there was a lot of momentum, and it was indeed a big place!

Many disciples greeted Ye Yu when they saw Ye Yu. Ye Yu nodded and said to Du Qixi: “Go and count Wugenyan first!”

After speaking, Ye Yu walked towards this terrain.

“What’s the situation?” Ye Yu asked Liang Bufan.

“Looking in this rocky mountain, I finally found this place. The weather was strangely filled with dense fog. We wanted to go in, but found that there was a strong rush out ahead.” Liang Bufan told Ye Yu the situation.

Ye Yu nodded, and stepped forward. Sure enough, when he came into contact with the dense fog, he felt a resistance. This force is the force of the field potential, just like a person and a stone mountain are both magnetic and iron, with the resistance of two magnets of the same pole facing each other.

“How many spirit stones are there?” Ye Yu asked Zhang Xiang.

“There are more than twenty yuan!” Zhang Xiang took out the spirit stone.

“Give it to me!” Ye Yu took the Lingshi and looked around. The topography of this stone mountain is strange, and most of the place forms a phoenix nest.

Ye Yu's geography is still unable to face such a terrain, but he can continue to try and find a way to move the situation.

Ye Yu's seal engraved Dao patterns on the spirit stone, and he was very fast, using his Wushuang fingers to quickly seal it.

Many disciples showed admiration when they saw it. Who wouldn't want to learn the geography?

Ye Yu sealed a few of them, and then threw them into the thick fog. Many people hold their breath, hoping to make a difference.

But after the Lingshi was thrown in, it didn't affect anything except the sound.

Everyone sighed, but Ye Yu ignored it. Turn to the other side and seal a few pieces of spiritual stones again.

The result was the same as before, nothing affected.

Ye Yu frowned and turned around again, and Ye Yu seal-carved the Lingshi again extremely fast.

"You don't have to be so impatient, and slowly explore, there are not many spirit stones after all!" Liang Bufan said.

Wen Jianqing reminded next to him at this time: "I have to be anxious!"

Liang Bufan was taken aback, looked at them and asked, "What happened?"

Shi Jing's red lips lightly opened, and her voice was sweet: "The three elders of the Skyfire Sect have also entered here. The meteorite Sect Sheng Wenjie has died in their hands. Many disciples have been defeated and almost driven out. I am afraid that it will not be long before the Skyfire Sect can be found. Here, we are about to get out of the game!"

"What?" This sentence made Zhang Xiang Liang Bufan and many other high-level disciples jump in their hearts, showing a look of horror, "How could they possibly come in!"

"The people who came in through the witchcraft self-slashing realm, although only half a step to wash the marrow, but none of them are worse than you, Brother Liang, and there are still three, plus Li Mang's words..." Wen Jianqing smiled bitterly.

A word made Liang Bufan and the others cast a shadow, their faces were very ugly.

Ye Yu ignored their discussion, and Lingshi kept throwing in.

After trying again and again, he finally fixed his eyes on a place.

Seeing that Ye Yu was like this, they all asked: "found it?"

"You can try, but not sure!" Ye Yu walked in that direction as he spoke.

"To speed up, Li Mang and the others will be in trouble when they come!" Wen Jianqing said.

An arrogant voice came from another place in Shishan at this time: "Hahahaha! I'm so afraid of coming, but I'm sorry, I'm here!"

This voice made everyone look at it sideways. Seeing Li Mang with many disciples coming towards this side.

"Come so fast!" Wen Jianqing's face turned pale, his eyes fell on the three old men behind Li Mang, his body trembled slightly.

"Why? Stop scolding now?" Li Mang said, staring at Ye Yu in front of the dense fog.

Ye Yu looked at him and said, "Although I have scolded you, but in the end I also gave your children and grandchildren a full house of blessings. Can't you shake hands and make peace?"

When Li Mang heard these words, his killing intent was even more awe-inspiring, and he was extremely angry: "I bless your ancestor, go up and kill him!"

One of the elders nodded, walked towards Ye Yu, and smashed towards Ye Yu with a fist.

Ye Yu avoided it sideways, thinking about giving up this side or what? He didn't expect the other party to come so quickly. In this situation, he just found a place where he might break open.

Ye Yu avoided this fist, and the elder Tianhuo Sect hit the thick fog behind Ye Yu with this fist.

"Kacha..." Ye Yu even heard the sound of cracking, and then the thick fog actually began to dissipate directly.

"The guess is correct! Sure enough, this is the entrance!" Ye Yu cursed, clearing the dense fog, he saw inside and saw the scene inside.

Most importantly, he saw a stone mountain and saw three spiritual grasses exuding Taoist rhyme.

“Feng Yancao!” The elder of the Skyfire Sect was overjoyed when he saw these three elixirs, “Hahaha! I thought I would restore the marrow-cleansing state in this life, but I didn’t expect to encounter such a treasure!”

The three elders of the Tianhuo Sect were extremely excited. Fengyancao is a rare and precious medicine that can drive poison and nourish qi. With this Phoenix Yan grass, they can instantly clean up the toxins in their bodies, wipe out the harm of sorcery, and return to the marrow-washing realm again.

Looking at these three treasured medicines, Ye Yu’s expression was also extremely ugly. He had read about rare and precious medicines like Feng Yancao in books, and he knew that it was the elixir of heaven and earth. If he got it usually, he would be very happy. But now...

It is very possible to let the other party become the marrow-washing realm!

When they return to the marrow-washing realm, all the disciples present will die.

Thinking of this, Ye Yu didn’t even want to shoot directly at Feng Yan Cao. He had to dare to accept this thing before them.

“Looking for death!” The three elders roared, this is their hope, how could it fall into Ye Yu’s hands.

They slew Ye Yu at a speed as fast as lightning.

“Ye Yu!” Seeing Ye Yu being besieged by three people, Wen Jianqing was anxious. He had seen the combat effectiveness of these three people with his own eyes.

Liang Bufan lased and wanted to help Ye Yu, but was blocked by Li Mang.

“Hahaha! That kid, I just want him to die quickly. He will be frustrated and ashes. No one can help him, your opponent is me!” Li Mang said gloomily, rushing towards Liang Bufan to block him.

Li Mang shot, and many disciples behind him also roared and rushed over.

When Zhang Xiang and Xu Qiang saw it, they roared: “Am I still afraid of you in Bi Tao Pavilion? Brothers, let me kill them!”

The two people rushed together in an instant, the power rioted and the killing intent was awe-inspiring.

At this time, the three elders directly pounced on Ye Yu, and their shots were extremely harsh.

All the disciples of Bi Tao Pavilion who noticed this scene changed drastically. The three elders of the Tianhuo Sect besieged, this is a slaying trend.

...

Chapter 90 To Shi Jingyi

The two people are fighting together, and the people of the Sky Fire Sect are undoubtedly like a rainbow. They have the confidence of the three elders, and naturally feel that victory is on their side, and they are fierce and fierce between shots, and there is a tendency to move forward.

“Kill them!” Zhang Xiang roared, he felt his own side’s momentum low and roared.

The two core disciples of Guo Yin took the lead and slew to the center of the Skyfire Sect, which restored some morale.

The three elders slaughtered Ye Yu and made their shots harshly. Ye Yu roared, Wushuang fingers directly rioted out, the sword light was sharp, and he shot the three directly.

“Xuanpin combat skills!” One of the elder’s pupils contracted, and he also used tactics, like a giant python wagging his tail, swiping towards Ye Yuwushuang.

The other two also used their own combat skills to kill Ye Yu.

Ye Yu Wushuang’s finger was used to the extreme, although Wushuang’s horror. But three cultivators who were not weaker than him shot out, obliterating his Wushuang fingers, and powerful force swept at him.

Ye Yu gritted his teeth, the palm of Lietao rioted away, and the palm of Lietao blocked the remaining impact of the three elders. But he was also shaking with blood tumbling, and blood overflowed from the corner of his mouth.

Ye Yu blocked their blow, and the three of them were also slightly surprised.

“Bi Tao Pavilion has talented people, but you must die today!” one of the elders roared.

While speaking, two people from the left and the right attacked Ye Yu. The other one shot towards Fengyancao, and they could recover the strength of the marrow-cleansing realm if they got it, and these people would die.

“Get away!” Ye Yu was furious, guilty of danger, directly blocking the front, Wushuang fingers rioted out, and slew towards the opponent without evasive.

He must not let these people get Phoenix Yan grass.

“Can you stop it?” The other party roared, dissatisfied with Ye Yu’s provocation.

“Get out!” Ye Yu roared, twelve percent of the power rioted, Wushuang’s fingers trembled, and the sword light shot, and at the same time, Lietao Palm also rioted after Wushuang’s rushed out.

He blocked the opponent, but the other two burst shots, Ye Yu hurriedly resisted, again shaking the corners of his mouth and bleeding.

“Damn it!” Many disciples of Bitao Pavilion saw this scene. They wanted to step forward to help Ye Yu, but the disciples of Tianhuo Sect blocked them by life and couldn’t rush in. They could only watch Ye Yu be besieged by the three elders.

“Hahaha! You are all going to die!” Li Mang and Liang Bufan confronted, he laughed, “Can you stop us?”

Speaking of this, he yelled: “Elder, kill this kid quickly and decisively.”

“Young master, don’t worry, this kid is bound to die! How can he stop us?” An elder said viciously, looking at Feng Yan Cao, his eyes full of scorching heat, and he rushed towards Feng Yan Cao again.

“If you want to get it, you have to ask if I agree to it!” Ye Yu roared and rushed forward again, blocking his step.

When the disciples of Bitao Pavilion saw Ye Yu blocking the three elders alone, their eyes were red. They were originally low morale, and they were also furious. They killed many disciples and wanted to help Ye Yu!

“Life and death! Do you really think you can stop us?” An elder snorted, “When I kill you, I get Fengyancao to kill you all!”

Ye Yu ignored him, and while blocking the other party, he shouted at Du Qixi: “Du Qixi, have no root Yan statistics come out?”

“Shishan found a lot, there are 28 plants!” Du Qixi said.

“Give it all to Shi Jingyi!” Ye Yu roared, “All the disciples follow the order, and guard Shi Jingyi hits the marrow washing realm!”

Ye Yu roared and issued an order, which made Du Qixi startled. Looking at Ye Yu who was besieged by the three elders, he said anxiously: “You...”

Ye Yu faced the three elders alone, which was basically a path to death.

“Listen to the order!” Ye Yu roared and shouted at the same time, “Sister Poem, reach the marrow-cleansing state as soon as possible!”

Shi Jingyi watched Ye Yu being besieged by the three elders. Although I wanted to rush to help Ye Yu, I knew that Jia couldn't do anything by himself.

“Okay!” Shi Jingyi understands the current situation. If she can reach the marrow washing state, she will have the power to crush the opponent.

After taking Du Qixi's Rootless Yan, she chose to sit cross-legged. Du Qixi's disciples guarded Shi Jingyi.

Seeing Shi Jingyi actually attempting to break through the marrow-cleansing realm here, Li Mang was startled and told many disciples: “Go in, kill that woman!”

“Yes!” The disciples of the Skyfire Sect roared.

Liang Bufan's eyes were blood-red, and he shouted at Li Mang: “Dare you!”

“Guo Yin's two junior brothers, take someone to protect Junior Poem, so that she can't be harmed!” Liang Bufan roared.

Numerous disciples instantly besieged the city next to Shi Jingyi, and everyone suffered from the attacks of the Skyfire Sect.

Seeing the Tianhuo Sect disciple being blocked, Li Mang looked ugly. He was afraid that Shi Jingyi would really reach the marrow-washing state, and that would be troublesome.

A strong person in the marrow washing realm is completely overwhelmed by the spirit realm.

Thinking of this, he roared at the three elders: “Quick battle and quick decision, get Phoenix Yan grass, restore strength and destroy them all!”

“Yes! Young Master!” The other party roared, the momentum on his body rioted, and he killed Ye Yu vigorously.

The offensive of the three people suddenly skyrocketed, killing Ye Yu, wanting to kill Ye Yu.

“Hahaha! You want to get Phoenix Yancao, dream!” As Ye Yu spoke, Wushuang's fingers were driven to the extreme. At the same time, the spirit elephant rioted, and the raindrops hung in front of him, killing the three with him.

“Can you stop us?” the three roared, extremely angrily. Who does this guy think he is and still wants to block himself?

The disciples of Bitao Pavilion watched Shi Jingyi’s continuous use of Rootless Yan, and then watched Ye Yu being besieged by the three elders. Their fists were clenched, and their hearts were extremely worried.

They hope that Shi Jingyi can quickly break through to the marrow-cleansing realm, while on the other side they hope that Ye Yu will block the three people and buy time for Shi Jingyi.

But everyone knows that the three elders are terrifying, and Ye Yu is the pinnacle of the Yun Ling realm. It is extremely difficult to stop them!

Let them get Fengyancao, that would be troublesome.

Many people feel bitter in their hearts, and this situation is quite unfavorable for Bitao Court.

The corner of Li Mang’s mouth was gloomy, staring at Ye Yu firmly, frowning in his heart. This guy is stronger than he thought, and he can block so many moves under the siege of the three.

Seeing Shi Jingyi using Rootless Yan, Li Mang shouted again angrily: “Hurry up and kill him!”

The three elders roared and rushed towards Ye Yu alive.

Ye Yu roared, showing twelve percent of his power, and rushed towards the three of them crazily. Wushuang Fingers are driven to the extreme, and the spiritual image is displayed, and it also cooperates with him to increase his own strength, showing a combat power far surpassing the spiritual realm.

“Damn it!” The three of them looked ugly, they were confident to kill Ye Yu. But this kid’s Wushuang Fingers and combat power were also unexpectedly strong, and Wushuang Fingers almost penetrated them several times. With such combat skills, even if they face it, they must be cautious.

“Go!” Ye Yu fought against the three elders alone. Many people were shocked to see Ye Yu’s strength for the first time.

Ye Yu shot frantically, even though his body was wounded, he actually blocked the pace of the three of them, and the three elders were even injured by Ye Yu sometimes.

While the disciples of Bitao Pavilion were shocked by Ye Yu's strength, they kept looking at Shi Jingyi, praying in their hearts: Hurry, hurry! Brother Ye is desperately buying time for you.

...
