### Remarriage Never And Go Away

#### Chapter 101

##### Chapter 101 Don't Say I Didn't Warn You

The saleswoman stared at Glona up and down and thought she looked familiar. When she heard "Grandma" out of her mouth, it suddenly clicked that the woman in front of her must be Gloria!

The woman who divorced Mr. Collins?

"Her grandmother has passed away, so she should be talking about Mr. Collins's grandmother

The saleswoman's eyes flashed with disdain. Mr Collins and she are divorced, but she's still sucking up to his family. She's cheap.

Gloria looked at the bracelet carefully

It was a jade bracelet, and the lines in it made it quite special. However, it didn't have Karen's favorite pattern. Just as Gloria was about to put it back, a sweet voice rang out "Gloria

With the bracelet in hand, Gloria turned to see Angela and Lillian coming over together. Angela was all smiles, but Lillian's eyes were filled with disgust. "Well, it really is a small world, isn't it? always meet someone I hate wherever I go."

Nydia's face dropped, and she shorted, "I'm getting tired of your mouth, but today you've got a point there! It's a small world indeed. There is always someone getting in my way. It's annoying.

The saleswoman glanced at Nydia. She's too bold.

Angela was part of the White family which was in its heyday, and ordinary people dared not offend her. Not to mention she was going to marry into the Collins family.

How come she has the nerve to say that? Does she have no brains?

Lillian wiped that disdainful smile off her face and snarled, "You...."

"Lillian." Angela held Lillian back and shook her head disapprovingly. "You're my best friend. Gloria is my sister and Nydia is her friend. I don't want to see you argue."

Angela intimated her displeasure, but her tone of voice didn't sound accusatory. She said that to spare their blushes and made herself sound like a woman capable of magnanimous gestures.

Lillian bit her lower lip. "Angela, you're too nice! You see her as your sister, but she doesn't feel the same way. If she hadn't stepped in the middle, you would have been Mrs. Collins. You didn't have to wait so long."

"Lillian!" Angela's face turned grim.

Lillian turned her head and fell silent.

The saleswoman's eyes widened in shock. That's a bombshell!

I heard such juicy gossip during working hours. Lucky me!

I can't believe they both have some kind of relationship with Mr Collins.

Gloria was half smiling. If it weren't for the fact that she knew what Angela really was,

she probably felt the same way as Lillian did.  
Gloria's mind was clear. Angela treated Lillian like a pawn and used her as cannon fodder.  
However, Lillian had no idea about that.  
Nydia laughed angrily and glanced sideways at Lillian. "Out of the goodness of my heart, I have to warn you. You may not even know how you'll get killed at last."

##### Chapter 102 Don't Beat Yourself Up!

Lillian glowered at Nydia. "You eat with that mouth?"

Nydia laughed angrily, "Just you wait."

Gloria took Nydia's hand and turned her attention back to the bracelet. She looked carefully at it as if she liked it very much.

Angela's eyes flickered towards the bracelet. Karen is quite fond of Gloria, and they have much contact with each other. Gloria likes the bracelet, and Karen must like it 100

Angela smiled, 'Gloria....

Before Angela could continue, Gloria handed the bracelet to the saleswoman. "Please wrap it up for me."

The saleswoman got right on that though she despised Gloria. After all, she would get a high commission on this jade bracelet she sold

Lillian turned to Angela 'Angela, they don't want to see us. So what are we doing here? Let's go!"

Angela shook her head and looked at Gloria. "Gloria, I'm having dinner with Jordy tonight. Why don't you come join us and talk things out? Even if you two can't be together anymore, you're not enemies, right?"

Gloria smiled scornfully. Angela once acted like she was trying to get everything straightened out and get them back together. But now she seemed to have changed.

She just wanted them to clear things up and be friends again.

In that case, Gloria would grant her wish

Nydia sneered and was ready to talk back. Gloria took her by the hand and looked at Angela with a half-smile. "I appreciate your kindness, but I won't go so that you'll have a good time with Mr Collins."

Angela's face changed. Gloria, that was a good one!

Many people called Angela the other woman because she got between Gloria and Jordy. In their eyes, Gloria and Jordy seemed pretty solid, but all of a sudden, they turned against each other. Angela must be getting in the middle of this and stirring things up.

Angela had to turn the tide by stigmatizing Gloria and letting people know that she was the mistress. Her efforts finally paid off. However, things went against her after Gloria happened to let it slip that she and Jordy were dating

Even though Angela and Jordy hung out a lot, she couldn't go public with their relationship right now. She wanted to give people the good impression that she was an innocent girl.

Gloria's words, however, undermined her reputation.

Angela sighed, "Gloria, there must be some misunderstanding. I did have some contact with Jordy a few years ago, but since you two got married, I've not been in contact with him. He and I are just friends."

Gloria smiled faintly and said nothing else

"Angela, what's there to explain 10 her? Let's go!"

Angela stared at Gloria. Just as she was about to say something, the saleswoman turned to Gloria and said, "Ma'am, would you like to pay by credit card?"

Gloria nodded and handed out a bank card,

The saleswoman hurriedly took over and swiped it through a machine.

A sneer came over Angela's face. She said nothing more and left with Lillian as if she were really upset.

Lillian whispered grudgingly in Angela's ear, 'Angela, will you stop beating yourself up like that? She's not worth it!

#### Chapter 103 The Real Family

Gloria looked at the wrapped present with a half-smile.

She just hoped Angela would not hoist by her own petard.

Gloria paid and left the counter. She handed Nydia the jade bracelet. "How does it look to you?"

"It's pretty nice! My grandma likes the style."

Gloria nodded and handed her the bracelet. "Your grandma has a birthday coming up.

This is a gift for her "

"What? Weren't you going to give this to Karen?"

Gloria smiled, "No, I lied."

Nydia was stunned Before she could react, Gloria thrust the gift into her hand,

Nydia looked puzzled. "What are you doing? It's worth hundreds of thousands of dollars.

Are you sure?

"I treat your grandma like family."

Nydia laughed, 'Are you planning something?"

Gloria pursed her lips. "You'll know on her birthday."

Nydia thought of something and was pleasantly surprised. "Are you going to fight back?"

"She started it," Gloria said calmly.

Nydia couldn't help laughing out loud "So you're gonna make her pay the price?"

Gloria's lips curled in a faint smile. "I didn't say that."

“Well, well, I just figured it out! Nydia was overjoyed. “Thank you for the present! I’ll give it to my grandma on her birthday!”

“Mm-hmm.

Nydia’s curiosity grew bigger. “Can you tell me... what is going on in your mind? Will that woman be greatly humiliated that day?”

Nydia and Gloria were talking freely and quietly because Angela and Lillian were already up to the second floor

Gloria smiled, “Your grandma’s birthday will come up in half a month. And you’ll know that day.”

“Oh no, you always do this!” Nydia said curiously with a pout.

Gloria chuckled and took her around the mall.

Gloria knew Angela’s character. Angela would definitely look for ways to embarrass her today. The best way was to snap up whatever Gloria wanted to buy.

Angela found herself superior to others by showing off her money and social status

But when Angela heard Gloria talk about giving Karen a present, she must have thought of a better idea

Angela and Gloria bickered and looked like they had a problem with each other

Gloria sneered. She once thought of those people as her real family, but now she wouldn’t do so.

Since Angela plotted against Gloria Gloria would not make things easy for her

This was just the beginning.

After shopping, Nydia and Glona went back home

Nydia liked the meal Gloria cooked, so she stayed for dinner

Nydia felt at home there. She took all the food she bought and followed Gloria into the kitchen to be her sous

ches!

Suddenly. Nydia’s phone rang. She dried her hands and looked surprised at the screen.

“Huh? It’s Jennifer

Gloria was surprised 100. “Answer the phone. If she has time, tell her to come for dinner.”

Nydia’s eyes lit up. “Okay!”

She picked up the phone. ‘Hi, Jennifer.’

‘Where are you, Nydia? Hang out with me I’ll call Gloria to join us.’

#### Chapter 104 Everyone would Be Happy

Nydia chuckled, “I’m with Gloria right now. We were out shopping this afternoon. I’m gonna have dinner with

her. You’re already out?

“Yeah, I just had a fight with my dad. I’m sick of it.”

Why don't you come join us? Gloria is cooking, and the food is super good!"  
"Gloria is cooking?" Jennifer repeated surprisedly  
'Yes! Come join us. I'm sending you the address" Nydia logged on to WhatsApp.  
Jennifer said yes and hung up.  
Nydia sent Jennifer the address and said hesitantly, "Gloria, Jennifer will come later.  
Why don't we ask Bryson to join us?"

Gloria was starting to look hesitant  
Nydia stared at her and said, "Don't push yourself too hard Bryson doesn't mean to put pressure on you. You two are friends. If you don't want more than that, he won't cross the line. He's a good man. Are you gonna give up this friend?"  
Of course not " Gloria hesitated for a moment and then said, "You call him and tell him I'm inviting him to dinner."

"Okay!

Nydia immediately made a phone call.

Bryson was surprised to get the call and immediately headed for Gloria's house

Jennifer and Bryson were both on their way.

Nydia continued to help Gloria cook with a smile on her lips. "By the way, Bryson looks worried these days. Some problem gives him gray hair."

Gloria asked confusedly. "What is it?"

Nydia replied while washing vegetables, 'I heard Jennifer, his close friend say Mr. Lloyd wants Bryson to take over the company, but the shareholders don't agree unless he finishes a project. Before that. Bryson has to win the jackpot in some car racing. If he fails, he'll have big trouble taking over the company."

"Car racing?" Gloria stopped chopping.

Nydia nodded. "Yeah, Bryson is too young. And he spent much time at college. He knows little about the company. All shareholders have voted against him as to whether he should be chief executive. His dad wants to see him shine, so he has decided to put him up to this. If Bryson fails, I'm afraid..."

Gloria paused and then continued chopping.

Nydia looked up at her. "Gloria, are you going to help him?"

"Yes, Gloria replied without thinking twice Bryson and Gloria were good friends. When she was at college, Bryson looked out for her through it since she got married, she had been a full-time wife and kept herself apart from him.

She still felt bad about it.

Gloria, Nydia, Jennifer, and Bryson had been close friends since childhood. They were all from rich families

and knew each other well

Nydia had problems with her family, and she didn't want to go home.

Nydia laughed, "You're a very good friend."

Gloria raised her eyebrows. "You're saying all this just to want me to help him, right?"

Nydia couldn't stop laughing. "I just don't want to see you two grow apart."

Actually, Nydia was trying to set them up.

Bryson was handsome, rich, and outstanding. Everyone wanted to see Gloria and Bryson get together.

##### Chapter 105 A Whole Decade

Jennifer and Bryson arrived just after the meal was served.

When Bryson and Jennifer saw six dishes and a soup on the table, their eyes lit up with surprise.

“Smells good! I like it!” Jennifer exclaimed in delight.

After changing her shoes and washing her hands, Jennifer sat down at the table, closed her eyes, and inhaled deeply. “I had a quarrel with my family and didn’t grab a bite. It turns out 10 be a blessing in disguise!”

Nydia sat next to Jennifer and asked, “What did you fight about again?”

Gloria took off her apron and came over to see them sitting together, She had to sit across from Jennifer.

Bryson walked over to Gloria and sat down beside her.

Jennifer picked up her fork and knife and answered impatiently, “An arranged marriage. I told them I didn’t want it. But they said I was born in such a rich and powerful family, and it came with a price Fuck them!! didn’t choose to be born or the situation I was born into, okay?”

Jennifer was pissed and started swearing

Bryson looked at her. “You might as well not go back today. Just let them blow off some steam’

Jennifer pursed her lips and raised her eyes to Bryson Id rather marry you. I’d say yes and be free then.”

Bryson’s smile froze, and then he continued, “My dad doesn’t arrange a marriage for me. I’m free to choose my own way.”

Jennifer snorled, “I know, I’m just kidding. You already have a crush on someone.”

Gloria was still silent.

Nydia coughed. “Let’s stop talking about all the bad stuff. I can’t wait to taste the food!”

Jennifer took a bite of food. “Me too. I rushed here for it.”.

Gloria smiled and opened a few beers. “You have to get a designated driver tonight.”

Jennifer took one beer and said, “No, I’m staying for the night. Take me in, Gloria. If you don’t, Nydia, you let me stay.”

Nydia laughed, “You get stuck with us now.”

Jennifer gave her a cheeky grin. ‘You love me.”

“No, I don’t! Gloria will let you stay, not me.’ Nydia took a slug of beer and then took a bite of food. “It’s delicious! Gloria, you let me know what a joy it is to have a life in this world! I can’t resist all the delicious food!”

Gloria’s mouth twitched. “Eat your food.”

Bryson smiled, “Nydia’s right You’re the best cook.”

They all tried the food Gloria made and were fascinated by her cooking.

Jennifer took her first bite. A look of surprise crossed her face. “Mm, I haven’t eaten the

food you cook for a few years. You've become a better cook!"  
'That's sure! Eat!' Nydia laughed  
Gloria handed Bryson the beer. 'I heard you're looking for a race car driver?'  
Bryson's eyes flashed with surprise. "How do you know?"  
Gloria smiled, "What do you think of me? Hire me. How much are you going to pay me?"  
Jennifer's hands froze on her fork and knife, but the next moment he burst out laughing.  
"Gloria, come on, it's not a beauty contest."  
No one in the room knew Jennifer had a crush on Bryson for ten years.

#### Chapter 106

#### Chapter 106 At a Critical Moment

That was why Nydia tried setting Gloria up with Bryson  
Nydia wouldn't have done that if she'd known Jennifer had a crush on Bryson  
Nydia laughed, "If you let Gloria go for it, no one can beat her!"  
Bryson smiled wryly. "I know it's a long shot The Brown Group and the Collins Group are both trying to get Hannah. I have a very slim chance of getting her"  
His smiling face was a little loud  
Jennifer's eyes glinted. 'Come on, everything's gonna be alright.'  
'Let's drink!' Nydia lifted her can of beer to theirs  
Gloria took another bite of food and said, 'I can help I'm not sure if I can win, but I'll do my best.'

She knew there was always someone bigger than her, and she never bragged about her prowess as a race car driver

Bryson looked at her in surprise "Are you sure?"  
Nydia chuckled, looked at Bryson, and said slowly, "Bryson, why don't you try to get Hannah? What if Hannah plays for you?"

Bryson smiled wryly and shook his head "No, really it's not gonna happen."

Gloria looked at him. "You can do it. Hannah is willing to help  
Nydia's eyes were sparkling with light' If things went well, they could be together!  
She couldn't wait to fix them up.

Unfortunately, Gloria didn't get over Jordy yet

Jennifer sensed something wrong. How easy Gloria made it sound! Why did she speak with such certainty about it?

Jennifer didn't pay much attention to Hannah before because she didn't like racing.  
But after realizing what Bryson was struggling with, she already knew what a formidable race car driver Hannah was

If she played for Bryson, then he would get the contract!

Bryson had a vague feeling that something wasn't right, but he didn't think too much.

"You, Hannah, and Nydia are friends?  
Nydia smiled smugly. "Yup, she's my friend."  
Bryson's eyes brightened, and Even Jennifer said surprisedly. "That's great!  
Nydia said mysteriously, 'Not just my friend, but yours too!  
Both Bryson and Jennifer were in shock, not knowing what Nydia meant.  
The next moment, Bryson turned to Gloria, and a look of surprise came over his face.  
He took a deep breath and opened his mouth to speak.  
Gloria interrupted him, 'Tell me the system, time, and address. I'll be there that day.'  
Disbelief filled Jennifer's eyes.  
Bryson's lip quivered, and he couldn't utter a word. A thought entered his head.  
Gloria is Hannah, the race car driver, isn't she?  
After a few moments, Jennifer looked at Gloria and said with a long face, "Gloria, we're friends, aren't we? You're Norma and Hannah, but you keep hiding it from us!"  
Hearing Jennifer's question, Nydia laughed and defended Gloria by saying, "That's really embarrassing. You're telling us the truth at this point!"

### Remarriage Never And Go Away

Chapter 107

#### Chapter 107 You Got a Plan?

Bryson stared at Gloria, who pursed her lips and said, "I'm sorry."  
I can't accept your apology. I want you to make it up to me!" Nydia demanded.  
Jennifer came to her senses, nodded, and echoed, 'I can't accept your apology either.'  
Gloria made a wry face. "What should I do? I have nothing to compensate you for."  
"No way, how about cooking us dinner every day?"  
Jennifer sniggered, "Seriously? Come on, you cheeky girl."  
"Don't you want it? Aren't we supposed to be on the same side?"

Bryson smiled and said nothing

After a moment's hesitation, Jennifer ate with a knife and fork and beamed, "That makes sense We can't forgive you in such a short time How about this? Cook us dinner for a month until you are out of food"

Nydia sighed, "A month is not enough. What if something holds us back and we can't come for dinner?"

"Hahaha.. you glutton Jennifer patted Nydia on the forehead

Gloria gave in. "Come whenever you want. I'll cook for you at any time"

Bryson's eyes lashed with gratitude as he looked at Gloria.

But the next moment, he hid his feelings, not wanting to put 100 much pressure on her.

It was a lovely night. Bryson realized that Gloria was Hannah and ready to help. He was no longer gloomy

and drank more than he should have

Bryson didn't leave until 11 pm. His driver came to pick him up.

Jennifer refused to go home because she had a fight with her family. She and Nydia

stayed for the night They often lived with Gloria before, and tonight the three of them would stay together.

Jennifer drank too much. After Bryson left, she seemed to feel even worse and couldn't help crying

Nydia was in over her head. She quickly turned on the light and wiped her tears with tissues. "What are you crying for, my dear Jennifer?"

Gloria looked at Jennifer and grabbed her phone "You already feel bad. Why are you still checking your phone?"

Jennifer couldn't stop sniffing. "Am I their real daughter?"

The Thomas family announced on Twitter that Jennifer was going to marry into the Turner family

"Of course you are! Nydia said quickly, Your family has made it go public, but you are not going to marry that guy Fight for your freedom! You still have a chance Don't cry, darling!"

Nydia wiped tears from her eyes and felt powerless. Jennifer's family has planned it for so long.

Jennifer laughed, while her tears were streaming down her cheeks. "Did you notice that the tweet was sent two hours ago? They sent it just after I had a fight with them."

Nydia's face dropped. "Why are your parents so selfish?"

Gloria pursed her lips. "Things will work out somehow. Giving them the silent treatment doesn't work. If you want to break off the engagement, make the first move right now."

Nydia looked at Gloria expectantly. "You've got a plan?"

##### Chapter 108 Just Go With It

Jennifer smiled grimly. What's the first move? Does it work? My parents are crazy. They insist I should marry him though they know I hate it."

Jennifer grabbed the tissues from Nydia's hand, sat up, wiped her tears, and wailed, "I've been out for a long time, but they haven't made a phone call. Instead, they're tweeting. They don't care if I'm dead."

"Don't say that." Gloria took her hand and said in a grave voice, "Mr. Turner doesn't make a good match. Your dad even sacrifices you to work with the Turner family."

"You're right. What can I do now? Fight back until I accept fate and marry him?"

Nydia was furious "Your dad is cruel! I heard the Turner family is apparently decent but does something terrible in secret. They should be criticized and punished.

Jennifer sneered and wept silently Gloria took her hand and said, "If their scandal breaks, your dad will definitely call off the marriage."

Jennifer's bleak eyes lit up and she turned to Gloria "But the Turner family..."

"I have an idea."

Gloria said very quietly and gave her a determined look.

Nydia exclaimed, "What is it? What should we do then?"

Gloria pulled back her lips. "Nothing, you guys just watch. In three days, I will help Jennifer solve the problem Jennifer, stay home for a few days. And no fights with your family."

Jennifer looked shocked

For a moment she did not know what to say.

"Gloria..."

Gloria nodded and smiled, "Trust me"

Jennifer nodded gratefully and said nothing.

Nydia asked no further questions about it. Gloria kept her plan a secret to save Jennifer from worrying. Maybe her plan might not work. If she specified details, Jennifer's mood would grow bleaker.

The next morning, they got up together. Jennifer got back in the saddle, but she did not forget what Gloria had said last night.

She was in no mood to take a bite of bread in her hand. She could not help looking up at Gloria. "Gloria, do you really have a plan?"

Gloria nodded. "I do, but it's up to you."

Abruptly, the look of trouble left Jennifer's face, and her eyes twinkled with laughter. "I would do anything to break off the engagement. Tell me what I should do!"

Gloria didn't respond directly but narrowed her eyes and said, "As I recall, Mr. Turner is very fond of you, isn't he?"

Jennifer snorted with disgust on her face, "He's a playboy! He wants to lay every beautiful girl."

Gloria nodded. "I do know some secrets about him. Your family tweeted yesterday. How about we just go with it?"

"How?"

Gloria smiled triumphantly and told Jennifer a detailed plan. Jennifer listened to her, and her eyes lit up with great surprise.

"Gloria, thank you so much!" If they hadn't been sitting opposite each other, Jennifer would have hugged Gloria warmly.

Nydia was blown away. "Good idea! Let's get it started!"

##### **Chapter 109 What Do You Mean?**

Gloria nodded and specified what action she would like them to take. Jennifer was all smiles. "Okay, I'll go home now and apologize to my parents!"

Nydia said surprisedly, "I'll go to Mr. Turner!"

Gloria smiled and nodded. "Okay, then I'll go see that woman."

When Jennifer put down her bread and got up to leave, Nydia grabbed her and said, "What's the rush? Finish your breakfast first!"

Gloria chuckled, "Skipping breakfast is bad for your health Sit down and eat."  
Jennifer returned to her seat and wolfed down her food After breakfast, she wiped her mouth, grabbed her bag, and left in a hurry. "I'm going home! Otherwise, I'm afraid my dad will pick on me."  
Jennifer laced out the door. She returned to her dynamic self.

Nydia couldn't help but chuckle as she finished her breakfast "I'll go see Mr. Turner now"

Gloria nodded with a worried look. "Are you familiar with him? If not, I'll get someone else

"I'm Jennifer's best friend. He'll trust me. You should watch out for that woman. She's a hard nut."

Gloria nodded 'Don't worry.'

They both got ready and went out.

A coffee shop.

Gloria and a woman were sitting opposite each other.

The woman sized Gloria up thoughtfully. Gloria was wearing a white T-shirt, blue jeans, a white cap, and

sunglasses. Her long hair fell loose around her shoulders. The worrian couldn't recognize Gloria instantly as

Jordy's ex-wife.

The woman was different.

She was wearing a lot of makeup and a revealing floral dress. Her long flaxen curly hair hung down her back.

She was beautiful and exotic. Her black eyes were enchanting.

Gloria smiled at her, "Nice to meet you. I know this might be weird."

The woman eyed Gloria carefully.

She once saw Gloria on screen, and now she finally met her in real life. She didn't expect such a famous person to be so low-key.

She took a sip of her coffee and then said slowly. "Miss White, what do you want to see me about?"

Gloria asked with a slight smile, "Do you like Mr. Turner?"

The woman paused for a moment and stared at Gloria with eyes filled with hostility.

"What do you mean?"

"Isn't it tiring being his secret lover?" Gloria went on without answering her question.

The woman's face was cold, and her voice was rough. "I feel honored to see you here. But if you're going to keep making stuff up here, I'll go. I've got a lot to do."

Gloria nodded. "I've found you, and I know all about you. Rest assured. Your secret is safe with me."

The woman frowned and set her lips tight.

Gloria continued, "You think things between you and him are pretty great? Do you know he has many women like you around him?"

The woman's face changed, and her eyes widened maliciously and coldly. "What do you mean?"

##### Chapter 110 Lewd Photos

Gloria sneered and handed her a stack of photos without saying a word  
Rebecca Jackson took the photos with furrowed brows and found them lewd  
Her face changed as she flipped through these photos Before she could finish, she  
threw them on the table

"It's not true!

Gloria nodded. "If you don't believe it, why dont you come with me tonight and ill prove it to you?"

Rebecca paled and instinctively rejected the idea

Gloria added slowly. "You've seen the top trending hashtags on Twitter, haven't you? The Turner family and the Thomas family are setting up a marriage Jennifer doesn't want to marry Mr Turner because she knows he's a field playing juggler, but her father is pushing this so hard."

Rebecca frowned, "He told me he doesn't want 10 marry Jennifer, but his parents want him to do so He's trying to resist He'll not marry her anyway"

"Really?" Gloria snickered Rebecca was unsure whether she was mocking her innocence or just being polite

Rebecca's face grew paler Gloria went on, "I don't want to show you the evidence anymore, because if I do.

you may suspect me, just like the way you think these photos are sake

Rebecca clenched her fists She didn't want to admit that Wayne was more distant with her

After listening to Gloria, Rebecca became more suspicious

Still feeling sane, Rebecca bit her lip and said, "You invited me out today just to tell me to break up with him?"

Gloria didn't answer Rebecca sneered, "Like you said, he's a field-playing juggler He won't be so fixated on

Jennifer even if I leave him."

"I know. That's why Jennifer won't marry him," said Gloria in a firm voice

Rebecca frowned with a bewildered look on her face. "What on earth do you mean?"

Gloria surveyed her "Don't you want revenge for what he has done to you?"

"Revenge?" Rebecca stared at her. "I don't even know whether the photos are fake or not. And I'm far beneath him. Standing up to him is kicking against the pricks"

"You are the only one of his lovers who can do this. He doesn't dare do anything to you, does he?"

Rebecca's eyes narrowed as she looked at Gloria warily "Who the hell are you?"

Why does Gloria know everything about me?"

"Don't you know the answer?" Gloria's smile lingered on her lips.

Rebecca didn't want 10 talk to her anymore. Gloria continued, "Call me at 8 tonight, and

I'll take you somewhere

With that, Gloria got up and left.

Wayne Turner was a cunning and principled playboy. Only his true lover knew his secrets.

This big privacy scandal could make the Thomas family call off the engagement for the sake of fame.

Rebecca remained seated with a gloomy face.

She saw lewd photos on the table and couldn't help shaking with anger!

She took a long deep breath and put the photos away.
