Remarriage Never And Go Away Chapter 1281—"Of course!" George was very unconvinced!

He wondered what Jordy would do to convince him next!

Of course, from George's point of view, Jordy was just bragging. Jordy couldn't be better than him.

Jordy glanced at the water in front of him and said calmly, "She can cure my grandma and me, so nothing is terrible *for me*."

George didn't know what to say.

He frowned slightly. Gloria was Orycho and had done a lot of experiments. Also, Orycho never lied and said the same to Jordy and Carlos. So, she should be able to cure Jordy.

"But why can she also cure his grandma?"

George was suspicious. "Is there anything you want at the auction?"

"Yes."

Carlos and George got surprised looks. George asked again, "Are you sure?"

"Yes."

"Damn! That would be great!"

"Yes. Gloria said this thing is enough."

"Fine!" George said excitedly, "Okay, I admit it. Then what about other things? When it comes to Nydia and Gloria, is there anything that makes you better than me?"

Jordy smiled sarcastically.

"She cooked for me herself because of my stomach bug. Did Nydia do the same?"

George felt as if a knife had been stabbed into his heart.

"Damn it! Your stomach bug has nothing to do with those two girls!"

"But do you have it?"

George felt his heart stabbed again.

“Shit!” George was instantly displeased. “I don’t agree with this!”

Jordy gave him a cold look and said again, “Because of my grandma’s health problems, she needs

to contact me frequently. In a few days, she will go to the auction in the UK with me.”

George didn’t want to say anything!

But he was still unconvinced. “You can’t take this into account! It’s an objective factor!”

“Objective factor? So what is the subjective factor?”

George replied without hesitation, “Is she willing to live with you? That’s subjective!”

Jordy raised an eyebrow. “She willingly treated me and cooked for me.”

“Nonsense! That’s the professional ethics of a doctor!” George still had a displeased expression

with unwilling gazes.

Carlos smiled faintly. “What he tells you have beaten you. Also, Gloria is communicating with Jordy on many other things, but Nydia isn’t. No communication, no love.”

“Shit!” George was extremely displeased at the moment.

He didn’t even know how to refute him.

Jordy looked at him coldly, “Anything else you want to say?”

George didn’t speak

He drank another glass of wine.

Then he put down the glass heavily and said angrily, “I’m not reconciled!”

Unable to stop laughing, Carlos picked up a glass of wine and said easily, “So, in this regard, your

need to learn more to find opportunities to communicate with her.”

George didn’t want to talk, a little depressed.

He just thought Jordy was bragging, but now he realized that he was the stupid one!

**Remarriage Never And Go Away Chapter 1282**—George was too disappointed to speak.

However, he obviously couldn't end it well even though he started it.

Jordy looked at him again with a calm expression. "I haven't told her about the auction yet."

George was confused

He didn't understand Jordy's words.

But Carlos suddenly laughed.

George frowned and looked at Carlos, "Why are you laughing?"

He was very nervous at the moment, thinking that Jordy said this just to annoy him, but he still didn't understand what Jordy meant..

Carlos looked at him with a half-smile, "Think carefully

He felt that he would hurt George even more if he said it out.

George said impatiently, "Just tell me. I wouldn't ask you if I could think of something, OK?"

Jordy was calm without too many reactions.

Carlos laughed. "He means if he tells Gloria about the auction, he'll have another chance to talk to Gloria. And you?"

"Damn!" George's displeasure replaced his impatience. "You can't do this! Do you have a conscience!"

George growled in displeasure.

But Jordy ignored him as if he hadn't heard anything.

"It's not fair! Shit! You bastard! You're forcing Gloria to communicate with you by this means! You're no better than me. I won't admit it!"

Jordy, who had been silent all this time, seemed suddenly aroused and looked at him. "Just do the same, as long as you can."

"Damn it!" George was even angrier!

This bastard....

He didn't know what to say at this moment, because he said what he could say, which didn't work for this man!

"Damn it!"

George closed his eyes and took a deep breath. He had to control his emotions so as not to be further provoked by that bastard.

But while angry, he envied Jordy.

Fuck. How did this bastard think of this way to contact Gloria? But he can't use his methods to attract Nydia! The only chance is from what his mother left for him, but Nydia was coveting it, so she had been on guard against him!

Damn it!

After being angry for a while, George suddenly thought of something and looked at Jordy. "But, you hate Gloria before, didn't you? Why did you use her to compare me? Did you realize you were in love with her?"

Carlos was speechless.

He didn't need to ask this question.

Jordy certainly wouldn't admit it.

Based on his temper and self-esteem, Jordy would surely deny it. Maybe he didn't realize it at all.

Anyway, it seemed to them that Jordy was in love with Gloria, but Jordy might not see it that way.

Jordy frowned slightly. "What you just said is about my current situation, and I'm just analyzing it for you. Nothing else."

"Asshole! You court her and flatter her every day, but you still don't admit that you're in love with her!" George felt helpless. He drank another glass of wine and snorted coldly, "Is it so hard to admit it?"

**Remarriage Never And Go Away Chapter 1283**—Jordy frowned, seemingly ignoring him.

George snorted coldly, “I suggest you better not be so confident. Do you still think we can’t see how much you care about her?”

Jordy frowned again and looked at George coldly without saying anything, by which motioned him to shut up.

But George snorted again, “What are you thinking? All your friends know it, but you... I don’t know if didn’t want to be embarrassed or didn’t realize it. You love Gloria, OK? Don’t be like what I used to be.”

Jordy looked at him coldly. “You are not me, so don’t make any judgments.

“Judgments? I said that because I’m your friend. Will anyone else care about you?”

George was very upset, but they were friends, so he could say whatever he wanted.

Carlos also looked at Jordy. “George has already tried to save it now, and it’s not too late. But if you still don’t want to do anything, it will be.”

Jordy continued to frown, pursed his lips, and said nothing, as if he didn’t want to say anything.

George took a sip of his wine instead of drinking it all. After putting down the cup, he said with a cold expression, “You can do whatever you want, but you need to be aware of it. If you don’t know anything and feel that you don’t love her, then you don’t have to force her to be with you. Do you still think you did it just for your grandma?”

Jordy was speechless.

At this moment, Jordy might not want to talk or know what to say.

Carlos said flatly, “You should know that George has hurt Nydia many times to get that thing back, making Nydia extremely resentful towards George. Gloria is like her. Do you still want it to continue like this? If you don’t love her, why do you force yourself to be with her? Your grandma hopes so, but your mind is telling you that if you don’t give your grandma hope, she won’t keep it in her mind.”

“That’s right! It’s been done, and your grandma always wanted you to be in a relationship. If Gloria still disagrees, it will only disappoint your grandma even more, OK? You really don’t know it?”

George kept looking at Jordy and talking with a frown. Then, he added, “Obviously, you know it, but you just don’t want to give up on making Gloria fall in love with you. Don’t take ‘she’s right for you’ as an excuse again. You have already been in love with her!”

George made it very clear and didn’t give Jordy any chance to think. After a pause, he felt that something he said was not right and said again, “No, not in love. You fell in love with her deeply. You don’t want her not to be by your side, even in a dream. Just recall. During the three years you were married, did you dream of her? But after the divorce, did you often dream of her?”

Jordy had a colder expression on his face. It wasn’t because George’s words made him angry. It dawned on him that he had dreamed of Gloria many times both before and after the divorce.

**Remarriage Never And Go Away Chapter 1284**—Jordy often dreamt of Gloria.

Gloria even became an essential element in his dreams.

Jordy remembered her every smile and every emotion.

He had wondered why he had such vivid memories of Gloria, even in his dreams.

Jordy frowned even tighter.

However, he didn’t know what to say at this time.

This feeling was very bad.

Carlos looked at him flatly. “Just admit it. You love her. You don’t need to be embarrassed. Besides, are you sure Gloria planned what happened a few years ago? You and she were childhood friends, so do you really think Gloria could do that kind of thing?”

Jordy took on a gloomy expression. “She hid a lot of her identities from me. If she loved me, why wouldn’t I know even one of her identities?”

He thought that since Gloria was hiding so much from him, she could also hide her personality. Gloria was multi-identity. She had too many faces, and Jordy never thought he knew the real Gloria.

George and Carlos were speechless.

At this moment, they didn't know what to say.

They thought what he said seemed to be true.

Gloria never seemed to have a serious conversation with Jordy.

Otherwise, she wouldn't have kept everything from Jordy.

At this moment, neither of them dared to persuade Jordy.

Because it would be meaningless even if they persuaded Jordy. At best, Jordy would admit that he was in love with Gloria and court her hard. However, Gloria had never been serious about Jordy and might have pretended to love her before. Therefore, all Jordy's efforts would be in vain...

At this moment, the two of them suddenly didn't know what to say.

Much of George's persuasive words could not be spoken out.

Jordy fretfully picked up the glass on the table and put it down after finding that there was only water in it.

It suddenly fell silent in the box.

It was usually very lively here, but at this time, it was like a closed room, which was quiet and scary

After ten minutes, Jordy got up suddenly. Carlos and George looked at him together.

"Where are you going?"

"Go home," Jordy said and walked out. Obviously, he no longer wanted to stay here.

George and Carlos looked at each other, thinking they shouldn't have persuaded Jordy just now...

Gloria and Nydia were good friends, but their personalities and abilities were very different. They couldn't be compared with each other.

So, the two of them shouldn't have talked that much just now...

After the box door was closed, George irritably drank another glass of wine. "Damn! I'm always wrong no matter what I do, but I don't want Jordy to be so depressed."

Carlos was silent for a moment and then slowly picked up the glass. "We can't control our feelings and don't know well about Gloria, so just let it be. After he and his grandma are healed, let's deal with them one by one."

"One by one... His chances of interacting with Gloria are running out. If he recovers, will he have another chance? He will be like me. And..."

**Remarriage Never And Go Away Chapter 1285**—Having said that, George paused and continued with a weird expression, "Gloria is much smarter than Nydia. At that time, it will be more difficult for him than it is for me."

"Let it be. It's up to him to realize it. Other people's words don't mean anything."

George said nothing and continued to drink gloomily. The two still didn't leave.

It was getting late.

After arriving home and showering, Jordy sat on the bed in the bedroom. At this point, he was looking at his phone instead of piles of files.

The thing he used to hate most was a phone call because it would interrupt his work, unless it was from Harold.

But at this moment, the phone was so quiet, which made him uncomfortable.

Even though his cell phone didn't ring often before, he still felt it was very strange.

Moreover, Jordy seemed to have not contacted Gloria for a long time.

After a pause, Jordy called Gloria. A few seconds later, Gloria picked up the phone.

"Hello." Gloria's voice was cold without much emotion.

Jordy pursed his lips and said, "I heard that the Misty Lucid Ganoderma you need is available at the auction."

"Really?" Her calm turned into surprise and joy in an instant, as if Gloria had come to life. immediately.

Jordy frowned and was annoyed because Gloria only paid attention to Misty Lucid Ganoderma. Even though it was important to his grandma's healing, he still didn't want to be so neglected..

Thinking of this, Jordy had a gloomy expression!

He clenched his phone irritably but responded to her coldly.

At this moment, Gloria suddenly became excited. "In the past few days, I have done a few more experiments. With Misty Lucid Ganoderma, I can guarantee that your grandma will be cured!"

Probably because of what Carlos said, Jordy always thought Gloria could do it, even if she didn't make it clear. At this time, he was not surprised to get a clear answer from Gloria.

However, he was still annoyed that Gloria only cared about Misty Lucid Ganoderma.

But Gloria didn't notice it and continued, "Are you free? Let's go there three days before the auction. I'm worried that something unexpected may happen."

"OK." Jordy's voice was still cold.

Accustomed to his indifference, Gloria simply responded, "OK. Anything else? If not, let's talk next time. I have work to do."

Jordy got an angry gaze in his eyes, and Gloria couldn't sense it from the phone.

Not sure if Jordy had any other questions, Gloria was waiting for him to respond or hang up.

But Jordy didn't respond to Gloria or hang up. She glanced at her phone in confusion. He was still there. Gloria asked, "Jordy?"

The veins in Jordy's forehead were already congested with his rage, and he wanted to ask Gloria

now but couldn't. He thought it was demeaning.

However, when he heard a man talking to Gloria, he had a gloomy expression!

He asked coldly, "Where are you? Who is that guy?"

Remarriage Never And Go Away Chapter 1286—Gloria frowned slightly. “Is there anything to do with you? Any other questions?”

“Where are you?” Jordy’s voice seemed even colder.

Gloria was baffled but thought that Jordy didn’t need her help for now, so she ignored him and hung

The entire bedroom seemed to cool down suddenly due to Jordy’s anger, as if the air conditioner

had been turned on.

At this point, Gloria hung up the phone and went out.

She just went back to the study to get something. The guy outside didn’t know she was on the phone, so the man called her.

Gloria came out and said apologetically, “Excuse me, I took a call. We can continue now.”

Saying so, Gloria took out a document.

Ted was a little surprised. “You were on the phone just now? Sorry, I shouldn’t have yelled just now.”

“That’s okay. Let’s get on with it.”

Yvonne looked at Gloria appreciatively. “There are too few girls as good as you. Gloria, you are the pride of the White Group. If your father sees you, he will be very happy.”

“Even if he’s in heaven.”

It was a comforting word, but Yvonne didn’t say that. She didn’t want Gloria to be sad because of that.

Gloria smiled and said nothing.

Nydia sat next to Gloria. She came over with Ted. They didn’t have a conversation behind Nydia’s knowledge. After all, she was not a stranger or an administrator of another company.

Yvonne had a great relationship with and was on the same side as Ted. They all support Gloria’s

father.

She had a harsh tongue and rarely complimented anyone, so Gloria was probably the only one she thought highly of.

Those three started talking seriously.

Nydia sat aside, bored. She didn't know about their company or work for it, so she could only read the news on her phone instead of joining them.

Gloria looked at the proposal and sighed. "There are still some things in the package that I'm not happy with, but I can't think of a better way right now, so I just have to get over it."

"What's that?" Ted and Yvonne asked in unison. They never thought of Gloria as a newcomer. She was so competent and had great judgment. No one would ignore her opinion because ignoring could be the biggest loss.

Gloria pointed to the top half of the paper. "The problem now is the cooperation with the Brown

Group. We should try our best to rely on our company to make profits, so I don't think it's worthwhile for us to share the profits equally with Brown Group this time. And..."

Gloria then made her point and finally said, "In the future, we'll just have to make as much money as possible with our company."

Ted nodded. "Yeah, so we'll just have to do our best to fix it this time. But, Gloria, will you ever reveal that you're Poppy?"

## **Read Novel Remarriage Never And Go Away Chapter 1287**

Remarriage Never And Go Away Chapter 1287—Yvonne looked at Gloria too.

Nydia was still staring at the phone screen, but she heard her uncle clearly and froze for a moment.

"What?"

She looked at Gloria in disbelief and stared at her without moving.

Nothing could be seen on Gloria's face, so she looked at her uncle. "What did you say?"

Nydia was confused. She never knew about it.

Gloria blinked and whispered, "We'll talk about it later."

“Damn it!”

She thought she didn't get what they meant just now, but she realized it then and still couldn't believe it. But Gloria's words proved that she was Poppy!

Shit! This woman was Poppy, that mysterious big shot?

She took another deep breath. “Say it again! Who are you? What are you going to talk about later?”

Gloria blinked and whispered, “At that time, I couldn't let you know about it because it would get you in trouble.”

“Damn!” Nydia's eyes widened. So she was Poppy!

“What the fuck were you thinking, Gloria?” Nydia yelled angrily, unable to contain her emotions.

Ted frowned. “Watch your language!”

Yvonne couldn't help laughing. “I don't think Nydia is blaming Gloria for not telling her about it, but Gloria's identity shocked her.”

Nydia couldn't help but nod. “Yes! I am fucking...”

Nydia was swearing in shock. Ted tapped her forehead with a displeased expression. “As a girl, be polite!”

Nydia took a step back and covered her forehead with her hand, dissatisfied. “Your hits on my head made me fool, or why I didn't know about Gloria's identity!”

“No, you don't know it it's because you're born stupid.” Ted retorted without hesitation.

Nydia pouted unhappily. “She's amazing! Gloria! Are you really human? This is scary!”

She even though some accident happened to Gloria.

Was she from the future? No, maybe from heaven! Otherwise, why did she know so much?

Immediately afterwards, she looked at Gloria suspiciously and asked in an interrogative tone, “Tell me, have you mastered some magic?”

Yvonne laughed. “That's impossible.”

Ted was also helpless.

Gloria smiled and said nothing.

“Shit! Insidious woman! Why did you hide everything from me?”

She cursed Gloria as mercilessly as she cursed men. It sounded awkward, but that was all she could do!

“Don’t forget my warning!” Ted was even more annoyed!

She and Gloria were friends, but that was no reason for her to swear.

However, Nydia ignored Ted and her phone. She stared at Gloria and exclaimed as if struck by lightning, “It’s not fair...”

“Why? I can’t do anything or accomplish anything while you have so much!” Nydia had a sad look on her face.

Gloria didn’t know what to say.

She knew Nydia was being too sentimental again.

But worried that his niece would be upset, Ted immediately said, “You can’t say that. Gloria is a genius. There are few people like her. But you do look like an idiot. Don’t forget that you are a lawyer. You need to be better.”

Yvonne couldn’t help laughing.

Gloria shook her head and said nothing.

As if she hadn’t heard Ted’s words at all, Nydia was still thinking about something. The next moment, she looked at Gloria angrily. “I have decided that I will do nothing but be your assistant in the future, and half of your income will be mine!”

Ted was speechless and said in displeasure, “Don’t talk nonsense!”

“We are friends, so we should share benefits but bear our own suffering!”

The usually serious Yvonne couldn’t help laughing. With Nydia here, they’d be happy even if things weren’t going well. Besides, they were talking about work at home, and the discussion was coming to an end, so they could relax a bit.

Gloria couldn't help laughing. "Ted, Nydia and I are often like this. Don't worry."

Ted sighed helplessly. "I'll teach her a lesson!"

Displeased, Nydia hugged Ted's arm. "Are you really my uncle? What do you mean by teaching me a lesson? Do you not love me anymore?"

"Go away. Don't disturb me. I'm talking about my work."

"Then why didn't you tell me she was Poppy?" Nydia was still aggrieved.

Ted snorted coldly, "You need to learn it by yourself."

"So it's my fault?"

Gloria poked Nydia's temple with her finger, "You should go on reading the news on your phone."

After speaking, she looked at Ted and Yvonne, "Let's continue."

The two restored serious expressions. Nydia was lively but would not affect their discussion, so she resignedly continued to watch the news.

After talking for half an hour, they ended it.

Ted said with satisfaction, "There is no problem with this kind of cooperation. The company's development will definitely get better and better in the future. I believe that after this is over, we will be completely independent. The White Group will not be at the current level. At least, it's going to be in the top 30."

Gloria smiled and nodded, "I hope so."

"It will." Yvonne was very confident.

When Claude was in charge, they could only try to keep the company from regressing instead of hoping for improvement, but with Gloria, the company would definitely be better. They were all looking forward to that day.

"It's getting late. We should go." Ted glanced at his watch and stood up with a smile.

Then, he looked at Nydia who was lazily sitting on the sofa. "You want to stay here tonight?"

“Yes. I don’t want to leave here. I’m so tired,” Nydia said in a languid voice.

Ted said flatly, “Go back to my place with me. I need to tell you something.”

Nydia looked up in confusion. “What is that?”

Her uncle had never been so mysterious.

Ted responded calmly, “Just follow me.”

“OK.” Nydia obediently stood up.

Yvonne looked at Gloria. “Gloria, get some rest. You must be exhausted after a busy night.”

“I’m fine. Take care on the way.” Gloria smiled with a look of ease.

They didn’t say much and walked out.

Gloria wanted to take them home.

But before they got into the car, a car suddenly came from the gate. They looked at it immediately.

Nydia was a little puzzled. “This car looks familiar.”

Speaking of this, she immediately realized something. “This car...”

It was that guy’s car, isn’t it? Why was he here now?

Ted and Yvonne also realized whose car it was.

Likewise, the guy in the car saw the four in the yard. Then, his serious face was eased with the anger in his eyes instantly gone.

That was Ted’s voice.

On the phone, his voice was muffled, and Jordy ignored it out of anger. At this moment, seeing Ted, he could be sure that it was Ted who just talked to Gloria.

Ted didn’t say anything, and Jordy didn’t get out of the car. He didn’t want to talk to them and waited for them to leave. Ted couldn’t say anything, so he looked over to Gloria. “Gloria, we are leaving now. Any problem, just call me anytime.”

Gloria nodded with a smile. "OK."

Yvonne smiled at Gloria and got into her car.

Nydia walked towards Gloria with some concern. "What happened? I'd better be with you tonight in case he does something bad."

Knowing that Ted had something important to say to Nydia, Gloria responded in a low voice, "We have an appointment to discuss some cooperation tonight. Just go."

Nydia breathed a sigh of relief and nodded. "OK. Feel free to let me know if there is any problem. I don't need to go to my uncle's place tonight."

Gloria nodded. "Go now."

Then, Nydia followed Ted into the car.

Only Gloria was left in the yard while Jordy stayed in the car until their cars had all left.

Gloria stood in the yard instead of going back. She didn't want this man in her house.

She was baffled and thought that Jordy might have come because he heard that man's voice.

The next moment, she denied it because Jordy never loved her. Now they were just collaborating.

Still, she wondered why this guy was here at this time or if he was out of his mind.

Seeing him striding over with a powerful aura and sharp gazes, Gloria frowned slightly. "Why are you here?"

## **Read Novel Remarriage Never And Go Away Chapter 1290**

Remarriage Never And Go Away Chapter 1290–Because I'm Crazy

"Why can't I be here?" Jordy said in a displeased voice. If Gloria had told him who that man was, he wouldn't be here...

Thinking of this, Jordy got a ghastly expression.

He didn't know why his mood always changed because of this woman, which felt very bad.

Thinking of what George and Carlos said, he took on a gloomier look.

Gloria looked at him flatly. "If nothing else, you don't need to come. We should talk less. It's better... for you and me."

At the end of her words, she paused deliberately, which was a kind of emphasis.

Gloria had no interest in this man, so she didn't want to have any meaningless communication with him.

This would waste her time and energy.

If it wasn't for his grandma or her being the only doctor who could heal Jordy, she would have left the bastard alone!

He had hurt her too much. Since Jordy never trusted her, there was no need for them to have too much communication. She just wanted to stay away from this man and never see him again for the rest of her life.

Once he and his grandma recovered, Gloria would refuse to meet him.

Gloria hardened her mind even more.

Jordy, who was still irritated, didn't know it and was so angry at her words that the veins in his forehead were congested.

Gloria frowned slightly and looked at the man in front of her, not wanting to invite him in.

Jordy pursed his lips as if restraining his emotions, He then walked towards the house but was stopped by Gloria when he reached the door.

Jordy stopped and looked down at the woman with a cold stare.

"You're not welcome here." Gloria stared at him and said in a firm voice without hesitation.

After the divorce, she completely changed. Jordy thought at first she was just attracting him in another way. But if he still thought so now, he would be too self-righteous.

Jordy frowned and tried to keep walking inside, but after he took a step, Gloria didn't move away. Jordy snorted coldly, "You think you can stop me?"

Gloria was confused

What was he talking about? Was this his home? Did he think he could go in anytime? Was he treating her like an outsider?

“What are you thinking?” Gloria looked at the man in front of her with displeasure and said without hesitation, “I think you are getting more and more shameless now.”

He was indeed a bit shameless. In the past, he was proud and self-respecting. Hearing her harsh words, he would walk away with a cold face and even refute her with even harsher words.

But now...

Jordy was still tough and insisted on doing what Gloria forbade him to do.

But he did it in another way, by which he lost his pride. Such a Jordy was incredible.

Jordy had a sullen expression with the veins in his forehead congested.

“Shameless?” Jordy’s sharp gaze fell on Gloria’s face. “Yes, because I’m crazy and determined to come to you!”

Gloria was confused again.
