Remarriage Never And Go Away Chapter 1291—What the hell was he talking about? It was so inexplicable.

Gloria was frowning. The man in front of her didn't speak but seemed to have something to say.

Or, maybe he needed her help now?

She still didn't know why Jordy was here, although some of his behavior had been a little off lately.

It suddenly fell silent in the courtyard.

Seeming to calm down, Jordy whispered, "Are you sure you don't want me in and let everyone see us?"

Here was a group of villas, and each villa was not far away from the others. Their conversations in the courtyard might be heard.

Gloria had a ghastly expression with unprecedented irritability and impatience.

She had been like this before but was not as calm as this time.

The irritability and helplessness that accompany calmness were contradictory, so this was the most frustrating.

Instead of anger, this restlessness and helplessness came from boredom.

"What the hell are you going to do?"

At the end of her words, Gloria elongated them. She didn't want to talk too much with the man in front of her.

The veins on Jordy's forehead were more visible.

He picked Gloria up without hesitation so quickly that Gloria couldn't react. She didn't expect Jordy to do this!

When her body left the ground, Gloria took a deep breath and hugged his neck in a panic as if afraid of falling.

And when her soft hands touched his neck, both of them trembled violently!

Gloria immediately removed her hands with a flustered expression. "Let me go!"

She was struggling, but Jordy held her tightly, not giving her a chance to break free.

Gloria frowned. "Jordy! What the hell are you going to do?"

This time, Gloria was not as calm as before. Her voice was tinged with irritation and anger.

And Gloria didn't notice that Jordy's expression eased a lot after she finished speaking.

Because he was no longer as irritable and disappointed as before.

"Open the door."

"No. No way!" Gloria protested angrily.

"OK..." Jordy chuckled with the coldness in his eyes replaced by an emotion Gloria couldn't understand. She put a hand on Jordy's shoulder to try to push him away, but in his arms, Gloria could do nothing but put her hand on her body!

Just as she was about to say something to order the man to go away, she heard the man's elegant voice. "You sure?"

Gloria wasn't so sure with a stiff body.

She wasn't sure if this man would do something crazy.

In the past, maybe because he didn't want to make headlines, Jordy would not be intimate with her except at some banquets.

But at this time, Jordy was very filial. In any case, he wanted his grandma to be happy. So, he might do something crazy to please his grandma!

Shit! Bastard! Go to hell!

Seeing that Gloria didn't speak, Jordy's mood improved a lot with all the gloom on his face disappearing. He looked at Gloria flatly and said patiently again, "Open the door."

Remarriage Never And Go Away Chapter 1292—Gloria didn't know what to say.

She didn't want to open the door.

But she was worried that this man might do something crazy. Also, she realized that she was weak in front of this man and couldn't stand up to him even if she had some fighting skills

He could always predict all her actions, leaving her helpless.

He was too strong, or she was too weak.

Gloria was too fidgety to speak, but she finally put her finger on the doorknob. After the fingerprint was verified, the door was opened.

After entering, Jordy did nothing to her, put her down, and closed the door.

Gloria immediately stayed away from him, worried that he might do something crazy.

But when the two were separated, there was an indescribable feeling that made them both uncomfortable.

Gloria took a deep breath and sat down on the couch. Jordy changed his shoes casually and sat across from her.

He knew Gloria would be furious if he sat next to her.

Gloria looked warily at the man in front of her and asked coldly, "Why are you here?"

He seemed to have something to say to her. Maybe it was about the auction.

Jordy didn't answer but took out his phone which was vibrating constantly.

Gloria waited silently for him to answer the phone.

"Grandma." Gloria looked up when hearing his voice. After Jordy turned on the speakerphone, she also heard the voice on the phone.

"Jordy, what are you doing?" Her voice sounded normal.

Jordy didn't respond, "What?"

At the same time, he gave Gloria a look. Knowing his intention, Gloria took out her phone and sent

Dale a message.

Dale was the butler of the Collins family.

Dale had been ordered to keep his phone off silent and to respond to all messages immediately.

“Nothing. I’m just bored, so I wanted to give you a call. You’re still awake, right?”

When he finished, Gloria got the message.

After confirming that there was no problem, Gloria showed the phone screen to Jordy.

-Gloria, [Dale, is grandma okay?]

-Dale, [Yes. Don’t worry.]

Jordy turned his head and responded calmly, “Yes. Did you argue with my grandpa again?”

Karen immediately said proudly, “Your grandpa dare not do that!”

As speaking, she snorted triumphantly.

Recently, Joseph had been really doting and submissive to Karen. He did everything Karen ordered him to do.

Jordy raised an eyebrow. “Indeed.”

Karen smiled. “Of course. I’m bored too. What are you doing? Working overtime in the company again? You’re young but can’t overwork. It’s not good for your health.”

“I know. I’m not working overtime now.” Jordy was very patient with her grandma and didn’t dare to get angry with her.

“That’s right.” Karen smiled. “If you are free, I advise you to go to Gloria often. Also, don’t be so arrogant every day. Gloria is a girl. You should give in more. You love her but don’t take her seriously. That’s why you’re single!”

Remarriage Never And Go Away Chapter 1293–Gloria was speechless.

His grandma had said she wouldn’t force them, and now she secretly suggested that Jordy court her.

Jordy took a flat look at Gloria, who was in a strange mood, and said calmly, “I know.”

“So when will you go there?” Karen asked anxiously. “I fell asleep just now and had a nightmare. I dreamed that Gloria was trying to stay away from you and hated you. Why are you disliked by Gloria? You are such trash! You can be a good president, but you’re nothing when it comes to Gloria!”

Gloria didn’t know what to say.

Neither did Jordy.

He pursed his lips and said nothing. His phone was still on speakerphone, but he didn’t seem to want to turn it off.

Gloria looked down at her phone instead of Jordy’s.

“Little bastard! Answer me! When will you go to Gloria? If you don’t marry her, you’re not my grandson! Damn it!” Karen gripped her phone tightly and sat up from the bed while getting angrier and angrier.

Jordy pursed his lips and said slowly, “I’m at her house now.”

Karen was silent for a moment and then annoyed again, “Little bastard! Do you take me as a fool? Do you think I will be deceived?”

“I didn’t lie to you.” Controlling his emotions, Jordy gradually calmed down.

“I don’t believe it! You can’t get to Gloria’s house so soon!” Karen snorted coldly, “Go to Gloria tomorrow, or I will make you regret it!”

“I am at her house,” Jordy repeated again.

Gloria had a bad feeling.

Her guess was right.

Karen taunted him angrily, “OK. Let me hear Gloria’s voice if you’re at her house!”

“I was on speakerphone so she could hear what you just said,” Jordy continued.

Karen felt something was wrong.

She felt her eyebrows trembling! She had promised Gloria that she wouldn’t force them anymore,

but now she seemed to be breaking her word.

Karen's expression changed drastically, but she was still tentatively saying, "Little bastard! Are you fooling me?"

"No." Jordy looked at Gloria, "Say something."

Gloria didn't react.

She shouldn't hear Karen's words, and Karen couldn't know that she had heard them. Jordy seemed to be crazy.

She looked at Jordy's handsome face coldly and signaled him with her eyes.

But Jordy stared at her without speaking. Obviously, he wanted Gloria to speak up.

Still not hearing Gloria's voice, Karen yelled angrily, "Little bastard! You really are fooling me! Gloria doesn't love you at all now! Do something!"

Jordy hung up the phone.

While angry, Karen received a video call from Jordy.

She dubiously picked up the phone. Seeing her grandson's serene expression, she tried to say something, but the picture suddenly changed.

When she saw Gloria sitting on the sofa with her head down, her expression changed drastically!

"What?"

## **Read Novel Remarriage Never And Go Away Chapter 1294**

Remarriage Never And Go Away Chapter 1294—After that, Karen didn't say anything, not believing Jordy was really at Gloria's house.

There were mixed emotions in Karen's eyes.

She had promised Gloria she wouldn't do it, but now...

Karen felt something was wrong, thinking his grandson was fooling her!

Thinking of this, Karen could not help asking again tentatively, "You are... really at Gloria's house?"

Jordy had a calm look while Gloria was speechless.

She wanted to stay still to make it look like an Internet problem, but Jordy said, "Keep your head up. Grandma is looking at you."

Gloria was speechless.

She couldn't say anything but take a deep breath, look up at the camera, and force a smile.

"Grandma..."

Gloria was very reluctant.

She thought the situation was embarrassing, but she didn't expect Jordy to have a video chat with Karen.

"Gloria?" Seeing Gloria's unnatural expression, Karen had a mixed expression and wanted to beat Jordy right away!

Why didn't he tell her?

"Hi..." Gloria answered in a low voice. After thinking for a few seconds, she said again, "Grandma, it's so late. Why are you still up?"

She kept her eyes on Jordy's phone camera, unable to see Karen's emotions.

Besides, Gloria didn't want to see it, or it would just make her grandma more embarrassed.

However, things wouldn't work out the way she wanted them to because some jerk wanted them both to be uncomfortable.

Jordy got up and walked over to Gloria. Karen could see more clearly what was going on inside the house and found Gloria there. The video was not faked. Everything she saw was true.

She hadn't been to Gloria's new house, but Karen once saw the picture of it.

Karen felt as if her blood pressure were rising. "Bastard grandson."

Then Jordy sat down next to Gloria.

Gloria said nothing.

With an extremely stiff body, she could do nothing and had a ghastly expression.

But Gloria immediately regained her normal expression. In this case, she couldn't let Karen sense anything.

Then Jordy switched the camera so Karen could see the two of them sitting together.

In an instant, Karen's embarrassment was replaced by endless joy.

They were in love! They would love each other!

At that moment, her eyes showed endless joy.

But before she could think any more, she heard Jordy's voice. "You guys, just talk."

With that, Jordy gave Gloria the phone.

Gloria was shocked.

"Bastard!"

At this time, Gloria couldn't hang up. She didn't want to upset her grandmother.

Gloria awkwardly held the phone, took a deep breath, and smiled at it.

Karen remembered Gloria's question and immediately replied, "I slept just now..."

Remarriage Never And Go Away Chapter 1295—Karen wanted to tell Gloria she had a nightmare, but she realized she couldn't say that.

But Gloria realized right away that his grandma called Jordy because she had a nightmare about her and Jordy.

She didn't know what to say.

Karen was also embarrassed.

She took a breath and said, "I... I'm a little sleepy again. It's getting late. Good night."

Gloria was baffled.

Her words seemed a little ambiguous.

Jordy sat aside with a faint smile, which disappeared after a moment without a trace.

Before Gloria could say anything, Karen hung up.

She was speechless.

Gloria returned the phone to Jordy with a gloomy gaze.

At this time, she couldn't say anything to Jordy.

Things had already happened, so any words were meaningless.

Gloria said coldly, "Since grandma has seen us, please leave."

Jordy never explained to her why he came, and Gloria didn't want to talk to him.

But Jordy said flatly, "Let's get there five days in advance."

Gloria froze for a moment.

"Five days?"

She planned to go there three days in advance.

However, he said that because he had a certain purpose.

After thinking for a while, she held back her irritability and resistance and asked him in a low voice, "What's your plan?"

Jordy responded calmly, "I've already looked into it. There's been a lot of people wanting Misty Lucid Ganoderma lately. After all, it's the finale. So, we need to go there early and get ready."

Harold couldn't solve all the problems, so at this time, Jordy had to do it himself.

Gloria nodded after thinking about it. "Okay. What should I do?"

She wanted to be of help.

"I'll let you know when we get there."

Gloria was confused. "Why not now?"

Jordy pursed his lips and didn't respond.

Gloria didn't want to ask any more questions.

She looked at the man in front of her calmly. "So, can you leave now?"

Since he didn't want to talk, there was no need for him to stay here.

Jordy was speechless.

He sat still on the sofa with gloomy eyes.

Gloria had a more ghastly expression, wondering what made this man so shameless that he always stayed at her house.

Just when she was upset, her cell phone rang suddenly.

This was an unfamiliar number. Gloria frowned slightly. She didn't want to continue talking with Jordy, so maybe this phone call could help her.

She picked up the phone.

"Hello."

"Hello, Gloria."

This was a virtual voice.

Gloria frowned slightly, walked to the study, and gave Jordy a look.

Jordy followed her without hesitation.

Gloria showed him the phone screen and took out the earphones, asking while canceling the noise, "Who are you?"

"It doesn't matter. What matters is that I know who you are."

Gloria didn't respond with a calm expression.

By this time, Jordy had turned on the computer and hacked into their conversation with precision.

Sometimes, this was a tacit understanding.

## **Read Novel Remarriage Never And Go Away Chapter 1296**

Remarriage Never And Go Away Chapter 1296—Gloria didn't say anything after answering the phone, and Jordy could only hear that man call

Gloria's name.

However, Jordy had already begun to help Gloria hack into that man's device.

This was a kind of tacit understanding that others might not have even if they had practiced for a long time.

Of course, their excellent ability was also an important prerequisite.

Gloria waited for the guy to say something with the phone in her hand. A few seconds later, the guy snorted coldly, "Actually, I should have called you a long time ago, but at that time I thought you were too weak to match me, and you were not qualified to get my call. However, congratulations, you now have it."

It was the virtual voice of an arrogant little girl. After speaking, the guy laughed, admiring and disdainful for Gloria.

It was as if Gloria had become his or her toy.

Gloria didn't respond to the man's words, but said casually, "Then?"

"Then?" The guy smiled as if he or she was in a better mood. "Then it's nothing. I just wanted to see you, who I hurt so badly. How do you feel? Do you want to surrender?"

Gloria kept staring at Jordy with a calm expression. "Actually, I don't mind surrendering."

"What?" The guy paused, a little surprised. "I heard that you have always been very proud, but now you surrender so easily? This is different from the rumors about you."

Gloria raised an eyebrow slightly. "You're not from the Canada, so you're pretty ignorant here."

"You...!" The guy was a little angry.

Gloria smiled. "You can investigate me if you have."

"Very good!" The guy's voice got even darker. The next moment, the man said coldly, "Since you refuse to admit defeat, don't blame me for being ruthless."

Gloria frowned slightly. "So, you called me today just to provoke me?"

"No. I've been feeling bored lately. You're tough and fit to be my toy, so I called you.

Gloria calmly stared at the screen of the computer operated by Jordy and responded flatly, "Are you so childish?"

"Childish? It's a kind of enjoyment. It's a joy to watch my toys get destroyed like this, isn't it? I'm always content, so I'm happy enough that you're like this."

Gloria raised an eyebrow and continued stalling. "Like what?"

"You're like a living dead every day. Do you think that's good? Are you also content? Maybe you'd be happy not to die?"

Gloria smiled and didn't want to talk to the guy, but seeing Jordy continue hacking, she could only say again, "Better alive than dead, right? Besides, I've never felt like my life was miserable. But, you tried to deal with me many times but still can't get rid of me, so you are too weak, right?"

The guy sneered, "I just want to play with you for a while longer. Don't flatter yourself."

## **Read Novel Remarriage Never And Go Away Chapter 1297**

Remarriage Never And Go Away Chapter 1297—"Play with me for a while longer? Are you sure you're not making excuses because you're embarrassed to see me?" Speaking of which, Gloria smiled, "I can tell you that it can also prove that you are shameless."

"You..." That guy became more impatient, but he or she sneered after a while, "Actually, I really want to know if you can still fight me next. If you survive again, I can give you a chance to meet me. Don't let me down."

Gloria raised her eyebrows. "I don't want to meet someone as shameless as you, but I wonder what kind of hatred between us makes you even try to go abroad to kill me."

Gloria had been thinking about it, but she didn't figure out who that guy was and how he was related to her because of so many trivial things and the necessary evidence.

"You don't need to think about it, because you won't and don't need to know it. The only thing you need to know now is..." After a pause, the guy said with a vague smile, "After I'm tired, you will die."

"Besides, you don't need to investigate me. Since I called you, it means that even if you know who I it's meaningless. I advise you to save time and chat with me."

"Well, that will waste the time I've saved," Gloria responded nonchalantly.

"You..." The guy laughed angrily and complained, "You are so stingy."

Gloria took one more look at Jordy's computer and hung up the phone without saying anything.

At this point, Jordy also stopped.

That guy was well prepared. They were at a disadvantage and unable to investigate at this time.

After hanging up, that guy was annoyed but didn't call again.

Jordy looked at her, "Are you guys just arguing?"

He had been working on the computer and Gloria was using headphones, so he didn't hear what the guy said and could only guess based on Gloria's words.

Gloria frowned slightly. "Ostensibly, yes.

Jordy didn't speak with no emotion on his calm face.

Gloria put down her phone and looked at the man. "After this is over, try to contact me as little as possible. I'm afraid it will implicate your grandma."

Jordy snorted, "She doesn't know anything. Besides, do you think she wants us to have less contact?"

Gloria frowned and suddenly fell silent.

It suddenly fell silent in the study.

Neither of them spoke.

After a while, Jordy looked at her flatly. "You can't live alone anymore."

Gloria frowned slightly and tried to argue back, but Jordy whispered, "Even for my grandma, I

wouldn't let you do that. I won't leave until my grandma is healed."

Gloria took on a gloomy expression. "I can protect myself."

Jordy looked at her. "With what?"

They all knew how cruel that guy was.

If Jordy hadn't said so, Gloria wouldn't have let him stay here.

Gloria pursed her lips and said nothing.

## **Read Novel Remarriage Never And Go Away Chapter 1298**

Remarriage Never And Go Away Chapter 1298—Jordy didn't stay silent and said flatly, "It's getting late. Go to bed."

With that, he stood up and went to his room.

Gloria's frowned even more.

For the next few days, Jordy stayed at Gloria's house.

This made Gloria helpless, but no matter what she said, Jordy ignored her.

He'd follow Gloria anywhere.

In the end, Gloria had to compromise.

After all, it wouldn't be long before it was over.

This man didn't need to be by her side all the time.

They almost didn't talk to each other these days.

But Gloria was kind and cooked for him every time. These days, Jordy was recuperating well and didn't feel as much pain as before.

At this moment, Carlos had already noticed something was wrong.

He looked suspiciously at the guy sitting across from him and said in disbelief, "You look good.

That's not like you."

At the moment, Jordy was in the same box as Carlos and George. Jordy and Gloria would leave here tomorrow, so they wanted to have a little party.

George snorted jealously, "He stays at Gloria's house every day, so he is better than before! Gloria takes care of him like a pet and cooks for him every day."

Carlos couldn't help laughing immediately, "You're a little jealous of him."

"Of course! I'm annoyed at the thought of Nydia still ignoring me!" George irritably put his phone on the coffee table, leaned against the back of the sofa, closed his eyes, and frowned. Now he was not as casual as before.

Jordy gave him a flat look and said, "You're going to pay for what you've done."

George immediately opened his eyes and looked at him with displeasure. "Be kind, OK? I finally paralyzed myself, so please don't mention this kind of thing that always bothers me!"

Seeing George's irritable expression, Carlos laughed and said helplessly, "You can't do anything because you were an asshole before. You can only pray that she agrees to give you another chance. I told you before that you were in love with her, but you didn't believe it."

"Stop! Shit!" George had always felt that he didn't love that woman and didn't want to deny it at this point, but now, he could only admit it because he realized that he was in love with that woman.

In fact, Nydia was not like a man. She was very gentle. That was just his vilification of Nydia.

Jordy didn't mention this again and said calmly, "After I leave, run my company for me."

"No problem." George responded, "I will fire anyone who disagrees with me."

Carlos raised his eyebrows, "The only thing we have to guard against is the Brown Group, but Jonathan has no time to deal with these recently."

After speaking, Carlos glanced at Jordy.

Jordy frowned.

George laughed. "He may have some time after Gloria leaves here, though. Or, may he go with you guys?"

## **Read Novel Remarriage Never And Go Away Chapter 1299**

Remarriage Never And Go Away Chapter 1299—Jordy had a cold expression with anger almost bursting out of his eyes.

"He'll be your nemesis! But you've heard people say you guys are gay." George was excited. "Tell me, what would happen if you fell in love?"

Jordy took on a darker expression.

Obviously, he knew who George was talking about.

Recently, many people on the Internet had said that Jordy and Jonathan should be in love and that Gloria was involved in their relationship. Gloria was the mistress.

Without Gloria, Jordy and Jonathan would be torturing each other every day, which was true love. Both were rich, capable, and handsome, which made these two guys a good match for each other.

Gloria was also very excellent and an elite among girls, but in terms of wealth and power, she was much worse than Jordy and Jonathan. Therefore, she was not qualified to love them and had affected their relationship.

Seeing this, George almost choked with laughter and even thought of the scene of Jordy and Jonathan getting married, but he was not sure who was the bride or who was the groom.

Because of this topic, there was a heated discussion on Twitter.

Some said masculine Jordy should be the groom while others thought Jonathan was more masculine. People on Twitter were arguing about it.

Jordy frowned. "When did it happen?"

Thinking of this picture, George couldn't help laughing. "I was worried that you would be furious, so I didn't tell you before."

Carlos' lips quivered slightly. "It's been happening for a while. It's been a buzz. It's not making headlines, but a lot of people are talking about it."

Jordy took on a darker look and texted Harold.

Obviously, he didn't want it to go on!

George couldn't help laughing, "You can't take it anymore? Even Jonathan didn't say anything, so why are you throwing in the towel? I know it's a joke, but you have to beat him! Hire some people on Twitter and tell them to proclaim that you should be the groom. You must win!"

Jordy had a colder expression at the moment. He looked at George coldly and whispered, "Do you want to die?"

"Damn! Don't say that. Do you want me to die? I know I'm more important to you than Jonathan, isn't it?"

Jordy was speechless.

Carlos couldn't help laughing but knew Jordy would be furious if George continued, so he changed the subject. "Enough. There's no point in this. You're leaving tomorrow, so are you ready? What do we need to do?"

George regained his seriousness and said immediately, "Yes. If you need our help, let us know. I may not be able to help you, but I might get some benefits if lucky."

Jordy and Carlos didn't know what to say.

They were used to George like this. Jordy said flatly, "I don't need help right now."

Remarriage Never And Go Away Chapter 1300—"OK. Tell us if you need it. Or, I'm not busy for the next week, so do you need me to go with you?" Carlos looked at Jordy calmly.

Hearing this, George raised his hands, "OK! You go! I need to court my sweetheart, so I don't have time."

"Sweetheart?" Carlos showed a half-smile. "I remember you often said your sweetheart was like a man, didn't you?"

"Shit! Nobody can say that except me!"

Carlos snorted coldly, "Boring."

Jordy frowned slightly with an odd expression and looked away without saying anything.

He felting something was wrong but couldn't tell it

"Come on! I wish you success soon." Carlos picked up the wine glass and faced the two of them.

Jordy glanced at the water in the glass in front of him and frowned angrily.

Carlos smiled faintly. "Don't forget your stomach just got better. Drink after you're healed."

Jordy picked up the cup and said nothing.

George smiled shamelessly and clinked glasses with Jordy. "I wish success!"

After speaking, he drank it down and looked at Jordy with an evil smile. "I hope you can come back with what you want and the woman you love."

Jordy fell silent suddenly.

What he wanted was in high demand, and Gloria had been treating him badly.

Jordy put down his glass and fidgeted again, but he didn't speak.

"However, what is Gloria's attitude towards you now? Can you guys get back in love?"

Jordy pursed his lips. "Can you not mention this?"

George snorted coldly. "What are you afraid of? Look at me! You are better than me. At least, you can communicate with her every day and even live with her, but I haven't seen her until now!" After finishing speaking, George drank another glass of wine.

Seeing this, Carlos moved the food on the table towards him and said calmly, "Eat something while drinking."

George picked up the cutlery obediently and began to eat casually.

The three men sat together, always upset by some annoying things. After a moment, Jordy thought of something and looked at Carlos.

"What happened to you and that girl?"

Carlos was taken aback and said with a calm expression, "She wanted to go to her brother. After seeing me, she said I was her brother because I look exactly like him."

"Maybe the girl fell in love with you and approached you in this way."

Carlos responded with ease, "I looked into it. She does have a brother. From the picture, he looks like me."

George raised an eyebrow. "So? Has she been at your house all this time? Is her family waiting for you to go back home?"

Carlos replied calmly, "No. She's comforting herself."

Obviously, that girl had known Carlos much, so she didn't dare to expect anything else.
