Remarriage Never And Go Away Chapter 1301—"OK." George didn't say anything else. The thought of Nydia made him irritable. After hesitating for a while, he took out his phone and sent a text message.

George: [Bitch! You are mine, so how long are you going to hide from me? Are you shy?]

Then, he reluctantly put down the phone. Over the past few days, he had gotten used to it. All his messages went unanswered.

This made George very helpless.

But this time, just as he put down the phone, it vibrated suddenly. George picked up the phone again with eyes lit up and prayed it wouldn't let him down. Then, he saw Nydia's reply!

His eyes brightened even more. George said excitedly, "Damn! Nydia replied to me!"

Nydia, [Asshole! I'm yours? Watch your words! Don't bother me again!]

George shouted excitedly, "Oh my God! My sweetheart replied to me! Even if she is scolding me!"

Jordy was confused.

Carlos looked at George speechlessly. "Is it worth it?"

"Of course! You'll know when you fall in love with someone!" George snorted coldly. "You don't understand it now, but I understand how you feel!"

George's words were addressed to Jordy.

Jordy frowned with a little irritability in his eyes.

He could no longer hide his emotions.

Seeing this, George smiled.

Jordy snorted coldly, "You are too humble. Shameless."

“Damn it!” George became displeased, but then he sneered. “I advise you not to give me the chance to say the same thing to you. I’m really looking forward to that day now. I hope you never realize you’re in love with Gloria. Only then won’t you feel ashamed!”

Seeing that Jordy didn’t speak with a gloomy expression, George added, “When the time comes, let’s see who is humbler! I’m saving it now and I won’t hurt Nydia as you did. If you want to save your love, it will be much harder for you. Don’t regret it then, or I will look down on you!”

Carlos smiled and said nothing. He was used to the two of them like this.

Jordy gave him a cold look and said nothing.

In a better mood, George continued to message Nydia. As he typed, he looked at Jordy smugly. “I’m going to message my sweetie. Can you do that? Gloria doesn’t want to talk to you, right? You communicate a lot, but I know you’re passive. Actually, Gloria doesn’t want to talk to you.”

Jordy laughed angrily. “Does Nydia want to talk to you? You don’t even have a chance to talk to her.”

“Shit!” George was even more annoyed. Jordy seems to be right!

“So unfair!”

George didn’t want to provoke Jordy anymore because no matter what he did, he was always at a disadvantage.

Remarriage Never And Go Away Chapter 1302–The Cat Will Jump Out of the Bag

They went home after a lively night.

Gloria didn’t say much after telling everyone what they needed to do.

The two made full preparations before leaving.

It ESs late at night here while it was daytime in another place.

At this moment, a man and a woman were sitting opposite each other. The man was good-looking and slim, appearing to be from the Canada too.

He was holding and shaking a goblet. The red wine inside swayed back and forth with the glass.

The man's facial features were very exquisite, which may make many girls scream excitedly after seeing him. Also, he had a great figure. He was like Jordy and Jonathan both in ability and looks.

Opposite him sat a voluptuous woman with a long high ponytail. The makeup on her face made her extra beautiful.

She looked at the man with a faint smile. "I've heard Jordy's coming too and is sure to get what you want. What do you think?"

The man was still shaking his wine glass with a calm gaze. "It's his choice. I cannot stop him, right?"

"Then what are you going to do?" The woman looked at the man tentatively. Seeing that he didn't speak, she frowned. "Heather, answer me, or I'll be worried."

"As a princess, you can also have such a feeling? Unbelievable." Heather smiled with his eyes more dangerous than before.

Ilsa had a gloomy expression. "Answer me now!"

Heather smiled and said casually, "You can't get involved in this kind of thing, so just watch it. I don't know how it will end up."

"Aren't you confident?" Ilsa looked at him in disbelief. "Are you afraid of Jordy?"

"So what?" Heather took a sip of the red wine, put down the glass, raised her legs, and said casually again, "Provocation has never worked for me. We have worked together for so long, so you know my temper. Don't ask questions you shouldn't ask."

He finished speaking with a smile, but the displeasure in his words was obvious.

If Ilsa kept asking, Heather would definitely do something that she would regret for the rest of her life.

"You..." Ilsa was a little annoyed, but in front of this man, she didn't know how to refute him with complex emotions that couldn't be expressed in her eyes.

This feeling was very bad, but she had no choice but to endure it.

After a pause, Ilsa took a deep breath and said slowly, "I have no intention of interfering with you. just want to advise you to be careful. After all, Jordy is not an ordinary guy, and you cannot treat him as an ordinary one."

The man narrowed his eyes. "I know. Don't worry."

After finishing speaking, Heather didn't say anything else.

Ilsa lost all interest after getting no answer from him. Just as she was about to leave, Heather glanced at her and said slowly, "You better behave yourself recently. Sooner or later, the cat will jump out of the bag."

Remarriage Never And Go Away Chapter 1303—Ilsa frowned and turned to look at the man, "Are you disliking me or mocking me?"

"I'm telling you the truth." After saying that, Heather stopped talking and walked outside. "I have work to do. Be careful."

Ilsa got a more ghastly expression but could only watch him go.

She couldn't afford to mess with this man, but the thought of them coming made Ilsa get viciousness in her eyes. In the Canada, it was not convenient for her to do anything, but this place was different...

Her gaze became more scheming.

In the Canada.

It was sunny. Gloria and Jordy woke up and ate breakfast and set off.

Now, they were on the plane.

Gloria sat on the inside and leaned against the back of the seat, closing her eyes and meditating.

Jordy was reading some documents as usual.

They were all the heads of the company, but Gloria's job was a lot less than Jordy's.

The plane descended suddenly. A sense of discomfort caused Gloria to open her eyes slightly and saw that Jordy was still reading the document seriously.

Gloria looked away and sat up straight. Leaning all the time on the back of the seat made her a little tired.

Jordy looked at her and asked, "Are you tired?"

"It's okay." Gloria didn't want to say more. These days, the two lived together, which made her very unhappy.

But she couldn't help it.

During this period, the two made headlines twice, and there was even a video of them going home together. Someone had already made a big claim online that they might be remarrying.

Seeing this, Jordy was satisfied.

Gloria didn't feel anything about it because she had been making headlines frequently recently.

Rachel was devastated after seeing the news, but now, Angela and the man behind her didn't take

action, which annoyed her.

At this time, Rachel was checking whether there was any news about it on her mobile phone at home.

Seeing nothing, she breathed a sigh of relief.

Due to the location, the banquet time was changed suddenly. The Philips family postponed it to next month.

She was plotting something. Angela wanted to use her against Gloria, but she couldn't take any action now, so she had to wait for Angela to do something and sit back and watch it.

Based on the current situation, she could see that Gloria had many enemies, which meant that many people wanted to deal with Gloria, so she couldn't be anxious.

At this moment, her cell phone rang suddenly.

Seeing it was a virtual call, Rachel answered it.

"Hello."

"Miss Roberts, you haven't been behaving yourself recently." Angela still started straight to the point with a dissatisfied tone in a virtual voice.

Rachel had a calm look. "Because I don't want to be used by you."

Angela didn't speak.

She had a gloomy expression. After a moment of silence, Angela said, "Don't say that. This is mutual benefit."

Remarriage Never And Go Away Chapter 1304—"If it's mutually beneficial, please show me your cooperative attitude instead of waiting for me to take action. For example, after the banquet was postponed, you didn't tell me about it. So, do you think I can trust you?" Angela got straight to the point, so Rachel also expresses her thoughts directly.

"That's what I'm going to tell you right now." Angela's tone became more and more impatient, but Rachel was not an ordinary one and was much more powerful than her, so she could only say something good.

Not hearing Rachel's response, Angela said a little irritably, "You should know my current situation. I don't have the right to speak. Telling you about it this time is also a risk, so I hope you can understand me."

Rachel had a particularly calm look in her eyes, not changing her attitude or believing her because of Angela's concession. She still didn't speak and waited for Angela to continue.

Angela became more and more unhappy and could only continue while holding back her displeasure, "I know you are very unhappy, but I hope you can think calmly. We need to achieve a win-win situation. My goal is to get rid of Gloria while yours is to be in love with Jordy. With Gloria, you can't achieve that, so we have to cooperate."

"Tell me. Why did you call me?" Rachel didn't want to hear her explanation, thinking it was unnecessary and a waste of time. They were not stupid and not really friends. Their cooperation was just out of common interests. Therefore, any words were meaningless.

Angela gritted her teeth and didn't want to explain. So she decided to tell her about that!

Taking a breath, Angela said coldly again, "I postponed the banquet because Gloria and Jordy would leave here for a while. The banquet could have been held on time, but the one behind me said that it was better to postpone the banquet until after it ended because it would be beneficial for us."

"What's that?" Rachel frowned slightly, not getting what she meant.

"You don't know where Jordy and Gloria went?" Angela asked in a puzzled tone.

Rachel was taken aback, thinking that she had asked Jordy a few days ago to talk about the contract that Jordy had reneged on earlier.

But she didn't expect to be rejected again. Jordy said he had been very busy recently.

She thought Jordy was rejecting her because of Gloria, but at this point, she realized that Jordy really had work to do.

Leave here? Where was Jordy going?

Rachel waited for Angela to continue silently.

Angela was speechless. "Do you love Jordy? Didn't you even ask where he was? There's a big auction in the UK. You know that?"

Rachel was surprised. She knew this, but she didn't expect Jordy to be there, because the last time the auction was held, Jordy wasn't there.

"What are they going to do?"

Angela snorted coldly with a virtual voice, "I heard that he wanted to get the final auction item, but that's not the point. He went there with Gloria, so are they traveling there?"

Remarriage Never And Go Away Chapter 1305—Rachel didn't want to say anything.

Angela had a sarcastic look, knowing that Rachel hated this the most.

She smiled with a disdainful expression and spoke again, "I can tell you that it is not as simple as imagined this time. The one behind me decided to postpone the banquet because they were going to the auction, so I think you should go there too."

Rachel responded with a calm expression, "So you want to tell me to go to the auction, right?"

"It's normal for the Roberts family to go to an auction and buy something, isn't it? After all, this auction is not ordinary."

Rachel didn't want to answer her and asked again, "What should I do after going to the auction?"

Angela smiled. "Nothing. Just go there."

Rachel was confused.

“Of course, you need to buy something because you can’t just sit there and do nothing. You can hide your identity, but you don’t need to do it or worry about them knowing who you are.”

“Then?”

“Then, go to the auction, and you should know what to do next. You just want to know how they will interact, don’t you?”

“Just snooping? Do I have to go there for this?”

“Break them apart! And, don’t let them get what they want.”

“This is my mission?”

“No, this is not a mission but our cooperation and mutual benefit. You must know that with my current identity, I cannot participate in these events. After I achieve my goal, I will have the opportunity to show up with you.”

Rachel snorted coldly and said nothing.

Angela frowned slightly. “Why are you laughing? You don’t believe me?”

Rachel responded flatly, “There is no trust between us.”

“You...” Angela was a little helpless but then smiled. “OK. Do whatever you want. I can’t force you to go if you don’t want to, but after that, I may not think about anything in your shoes. Both Jordy and Gloria will be ruined.”

Rachel had a gloomy expression. “You have no feud with Jordy.”

“No feud?” Angela smiled. “Regardless of our cooperation, there is a great hatred between me and him. Don’t you know how badly he hurt me?”

Rachel frowned. “So you’ve been lying to me all this time? You’re just trying to use me to get rid of Gloria and get revenge on Jordy.”

“No. You think too much. When you cooperate with me, I can think about my partner. My worst enemy is Gloria. However, if you don’t cooperate with me, I don’t need to think about you, so I didn’t take Jordy into account when I was making some plans. Do you know what I mean?” Feeling very relieved at this moment, Angela held the phone in her left hand and played with her nails with

I right hand. She cocked her legs and swayed her body very casually.

Rachel snorted coldly. "You're crafty. But you probably can't do what you want to someone like Jordy."

Angela said with a smile, "Wait and see."

Remarriage Never And Go Away Chapter 1306—Angela's voice was clearly defiant. She didn't seem to care what Rachel said. Also, she was pissing

Rachel off.

Rachel said provocation didn't work for her, which might not be true.

After all, Rachel loved Jordy, which was true. Desire could change a person.

So, she couldn't control her emotions.

Rachel frowned and said nothing and then said with a calm look, "Is there anything else?"

"This time, I need you to tell me if you will go there." Angela's voice was casual and filled with indescribable confidence.

It seemed that what Rachel said next would definitely satisfy her.

Angela didn't want to embarrass her, though, so she added, "It's important. If you don't go, I'll just have to tell the one behind me to fix it some other way. Actually, I need to tell you that if you agree to cooperate, my boss will not make things difficult for you."

"After all, the Roberts family is powerful, so she wants to work with you. However, if you don't agree, she can only choose other methods and will lack a helper. This may not be perfect in the end"

Rachel frowned and said nothing as if she was thinking about it comprehensively.

Angela sighed helplessly. "Besides, I don't even know if that guy is a man or a woman, and that guy probably doesn't care if Jordy lives or dies, right? I'm just a relay without real power."

She was very humble at this time, thinking that she was sincere enough.

Rachel frowned and said flatly after hesitating for a moment, "Give me one day to think about it."

There were still five days until the auction, so one day was not too much.

Angela didn't refuse her. "OK. Think it over and I'll call you again at this time tomorrow."

Rachel hung up the phone without saying anything.

Angela looked at the phone with a gloomy expression, thinking that Rachel was too impolite!

She was very humble, but in the end, Rachel didn't even say "see you".

Angela gritted her teeth and decided to get rid of those who disliked her in the future!

Now, she didn't have any chance to meet Jordy, but Rachel had. Even if Gloria died, she wouldn't let

Rachel get what she wanted!

At this time, everyone, including the one behind her, was being used by her!

Angela took a deep breath and put down the phone.

Before she could recover, her phone rang again. It was a call from her father. She frowned and picked up the phone after a moment of hesitation.

"Dad, why are you calling me again?"

"Look at Twitter. I can't do anything!"

Angela was confused.

Not knowing what happened, she asked suspiciously, "What are you talking about? Nobody talks about it anymore, right? Why did it happen again?"

Claude's voice was flustered. "I don't know. Check it yourself."

Remarriage Never And Go Away Chapter 1307—With a ghastly expression, Angela could only open Twitter which had made her irritated recently.

When she saw those tweets, she got a more gloomy look!

"Dad, do you really have a mistress?"

This photo was different from the last one. Moreover, in this photo, the mole on her father's face was particularly obvious. Before, her father had no moles on his face. This grew recently!

Also, the tiny mole on his neck was also very clear. These moles were all grown in recent days!

Why was it like this?

If the photo was fake, that guy wouldn't notice such details.

While thinking, she had already asked his dad these questions.

Claude panicked instantly, "Angela, you know me well, don't you? I've only loved you and your mother all these years, so how could I have a mistress?"

"And, since those people want to slander me, they must make it very real, or my counterattack will make it impossible for them to refute. Angela, these people are killing me. Do something for me!"

"What can we do? Last time, I couldn't do anything but beg them to help you fix it, but why did it happen to you again?" With the virtual voice still on, Angela was grumpy. She was always on guard. If her words were taped, she could deal with it.

"Because they wanted to frame me! It's very simple. The company didn't do anything to me after I solved that last time, but if it goes on like this, the White Group won't belong to us."

Angela had a ghastly expression. At this point, she was nothing but a fake daughter in the Philips family. She needed to struggle. Her father's White Group was her only backer, so she didn't want her father to be fired from the company like this.

Thinking of this, Angela was in an even worse mood.

She took a deep breath and yelled, "Damn! The last time I went to plead with them, they warned me it was the last time, but it happened again. Dad, do you know it affects me a lot? I'm almost worthless to them now. I kept saying I knew Gloria's other secrets, and every time they asked me, I wouldn't tell them all to keep them thinking I was still useful. Otherwise, I'd be screwed!"

Claude sighed helplessly and said sadly, "I know you are having a hard time, but now... Angela, only you can help me.

He couldn't do anything His other daughter kept wanting to see him and cried every day because of it And, stories about the two of them were already circulating on Twitter He

was worried about his daughter, so he went to meet the woman to question why she reacted the way she did to cepocters.

But she kept talking about her grievances and said that she wanted to protect him. Eventually, he backed down, thinking he couldn't be harsh on them under those circumstances.

He didn't expect their meeting to be photographed.

Moreover, he carefully looked at the photo from all angles to make sure it wasn't done by her.

"Let me think about it, but you need to behave yourself recently. Dad, it's not like before!" Angela was actually testing.

Knowing his daughter well, Claude said innocently and aggrievedly at once, "Angela, I've been behaving myself lately. It's not true. You can't trust Twitter! This is Gloria. That bitch is dealing with us."

Angela took a deep breath to restrain her emotions as much as possible. Indeed, what Gloria did hit them hard.

"Let's talk next time. Give me some time."

"I'm lucky to have a daughter like you! I'm sorry to mess with you..."

After speaking, Claude sighed again.

"I know. See you later."

"OK."

Without saying anything, Angela hung up the phone. Rachel had annoyed her enough, but she didn't expect her father to do the same...

Angela put down her phone irritably.

Why was this happening?

She suddenly regretted it at this moment. "If they hadn't done so much and treated Gloria's father wholeheartedly, would they have gotten along well and been taken care of by Declan?"

The more she thought about it, the more irritable Angela became, but the thing had happened, and she couldn't turn back.

After a day of running around, Gloria and Jordy arrived at their destination.

Jordy planned to take his special car to have dinner and return to the hotel after getting off the plane

As always, Jordy chose the suite. before, Gloria might refuse to share a suite with Jordy

But this time, Jordy lived in her house every day, which made her used to this man's rudeness and know that refusing was just a waste of time. She gave up.

Soon, the two returned to the room. Gloria glanced at Jordy. "Anything else tonight?"

"Nothing. Go to sleep."

Gloria nodded without saying a word and walked to her bedroom.

She was a little tired after a day's flight.

However, Gloria had just gotten out of the shower and her phone was vibrating. It was already eleven o'clock in the evening.

In her hometown, it was daytime.

Seeing the number on the screen, Gloria answered the phone with a smile. "Why are you calling me at this time? Are you not at work now?"

"I saw the news. Are you going to crush them this time?"

"Yes. It's time to do that."

Nydia spoke again excitedly, "So did you throw the game last time?"

"Yes. I wanted them to think it was easy so that Claude showed his weakness and Angela couldn't stand her father's betrayal."

"Great! That's right. You should make them not only lose all but suffer!"

Gloria smiled. "So you are now slacking off again?"

Read Novel Remarriage Never And Go Away Chapter 1309

Remarriage Never And Go Away Chapter 1309—Nydia immediately said contemptuously, “Slacking off? How is that possible? It won’t happen to someone as dedicated as me.”

“It’s impossible!” After finishing speaking, Nydia emphasized again.

Gloria chuckled softly. “Well, you know if it’s possible.”

“Whatever... You’re tired after a day of flying, aren’t you? Are you in bed now?”

“Yes. I just dried my hair.” Gloria walked to the bed, but before she could sit down, there was a knock on the door. She glanced at the door and said to Nydia, “I’ll call you back later.”

“OK.”

After hanging up the phone, Gloria went to the door and opened it.

Jordy stood at the door with a portfolio in his hand, in which there seemed to be nothing. She didn’t speak and waited for Jordy to say something.

Jordy handed her the thing with a calm expression. “This is the information of the auction organizer. Check it out.”

Gloria took it and nodded. “OK.”

She needed to know more, even if she had learned some before. What Jordy gave her might be something that couldn’t be found on the Internet.

Jordy left without saying anything. Gloria closed the door, opened the portfolio, and took out the papers inside. Gloria then read them and called Nydia.

Others couldn’t do a good job while talking on the phone, but Gloria was not like that. She could do multiple things at once.

Nydia picked up the phone. “What just happened?”

“Jordy gave me a document. I need to read them.”

“OK. It may not be safe around you recently, so just be careful. However, a lot of news just disappeared.”

Gloria responded calmly, "I can guess that. Don't worry. It's not over yet."

"It's not over? What's going to happen?" Nydia took a bite of the apple in her hand and couldn't help but sigh, "This apple is so delicious. It's crunchy, sour, and sweet."

Gloria smiled and said again, "We don't need to care about Claude Now that we know Angela's identity, everything will be easy. But I'm still trying to figure out who is using Angela. Also, I still don't know why that guy is using Angela."

"I don't know either. Angela doesn't have anything right now, so the guy gave Angel an identity, but I think the guy is planning something else. If he or she is so powerful, why doesn't that guy do it personally? Angela isn't cooperative at all."

"Maybe the guy has to do it." Gloria didn't understand why and said again, "Let's see how it goes. I need her to keep that guy in check, but I'll finish off Claude when I get back."

"OK, as long as you have a plan. I was worried that it would affect you after the news disappeared, but your plan has always been thorough. It seemed that I was thinking too much..." Nydia took another bite of the apple and relaxed on the sofa, shaking her legs. At this moment, her cell phone rang. Seeing the number on the screen, she suddenly complained irritably, "Damn it. It's that bastard again!"

"What?"

Nydia said a little irritably, "After I blocked George, he got many other phone numbers. Damn!"

Read Novel Remarriage Never And Go Away Chapter 1310

Remarriage Never And Go Away Chapter 1310—Gloria was speechless.

She knew what happened last time, but she didn't know what to say at this moment.

Love depended only on the ones involved.

Gloria didn't know much about George, so she was not going to persuade Nydia to love or hate him.

"Do you want to answer the phone?"

Nydia snorted, "Of course not. I don't want to hear his voice or speak to him. George has changed completely. He's humble. If I didn't know he was coveting what my stepmother left me, I would believe he was serious."

Gloria blinked and said nothing. Nobody could explain it.

“Damn it! He’s calling me again! On and on!”

“Have you been ignoring him and avoiding him recently?” Gloria put on speakerphone but didn’t turn it up. It would not be heard from outside.

“I made it clear to him before that I would not have any contact or relationship with him. Also, I will not be robbed of what my stepmother left me.”

“And then?”

“Then this man has been pestering me!” Nydia said, particularly irritated, “I’m really angry! No matter what I say, he never gets angry. Before, he had the minimum self-esteem, but now he doesn’t. No matter what I say, He said I was right. I can’t believe it.”

Gloria didn’t speak.

“He became so humble to make me fall in love with him. Every day, he told me he was in love with me. I blocked him, but it didn’t work. He still texted me to harass me, so I reported him, but it was useless. How annoying!”

Gloria could tell that Nydia’s voice was very fidgety.

Gloria put on a mask and couldn’t help smiling. “What do you want to do? I suggest you surrender.”

“Impossible! I won’t. Even if he slept with me, I wouldn’t love him I don’t care if I’m a virgin, and I’ll uret a man who is much better than him and won’t covet my property!”

Nydia kept complaining in displeasure.

Gloria smiled and said nodding After the two chatted for five minutes, Nydia said, “My boss is here See you later”

“OK. I’m going to sleep.”

“Of course. You’re too tired today. He’s coming. See you later.”

After speaking, Nydia hung up the phone immediately.

After watching the news on her phone for a while, Gloria removed the mask and lay on the bed.

It was late at night.

Jordy also lay down in the master bedroom but was not sleepy with the phone in his hand.

Usually, he lived in Gloria's house, but the two were not on the same floor.

But this time was different. Their rooms were very close.

Jordy had been playing with his phone but was still bored. Finally, he put the phone down.

That night, the two did not communicate with each other. Gloria fell asleep quickly.

But Jordy couldn't sleep.

Not even he himself knew why.

The next day.

The two ate breakfast together after waking up. Everything looked harmonious.
