Remarriage Never And Go Away Chapter 1322–The middle-aged man narrowed his eyes with a teasing smile.

In all the years since he founded the Crockfords Club, it was the first time that someone had dared to speak in front of him like this, and in his eyes, Jordy and Gloria were still just two little kids!

“Of course not, but since I came here well-prepared, I naturally can’t leave with nothing,” Jordy spoke in a low voice. He looked at the middle-aged man in his eyes with no fear.

Obviously, they wouldn’t let Jordy and Gloria leave with their winnings and also didn’t want to help Jordy and Gloria. Gloria felt that the man in front of them was really a difficult person.

“Then what do you want, Sir? Isn’t the money enough to buy your help?”

“Although we won the money in Crockfords Club, we won it with real ability. We came here to discuss the matter with full respect. If the discussion deteriorates into an angry argument, I’m afraid that it’ll also affect your reputation.”

Gloria said calmly and logically.

Her words also caught the middle-aged man’s attention, and his eyes fell on Gloria.

It really amazed him when he found that Gloria looked kind of similar to that person in his mind as she spoke.

“Are you teaching our boss what to do now?”

Ernest angrily scolded Gloria, venting his dissatisfaction with just losing several gambling in a row.

“Of course not. My friend and I just want to ask for your boss’ help. No matter what the final price bid of the Misty Lucid Ganoderma is, we’ll get it. We just hope that you won’t make things difficult for us, Sir.” Gloria then sincerely bowed towards the middle-aged man to show her respect for him.

Looking at Gloria, the middle-aged man didn't know why but felt a bit upset.

Now, Gloria looked not like the person in his mind.

Because the person in his mind would never bow to him like that.

"I can promise you that, but whether you can get it or not, it's none of my business. Just remember, nothing is free in the world."

The middle-aged man said indifferently.

His meaning was clear enough. If Jordy and Gloria really wanted to get the Misty Lucid Ganoderma, they would have to pay more money.

"Sure. We won't take away a single cent of the money. Sir, here is another five million dollars, and this is a gift for our first meeting. Please accept it."

Then Jordy gave Harold a look. Harold immediately took out the five million dollars that had been prepared earlier and presented it with both hands.

The middle-aged man did not take it. "Since you won't take away a single cent of the money you won, I can't take that money anymore."

"However, I really admire your courage. There are only the three of you, but you still dared to come here. Are you really not afraid that I will kill you all and feed your bodies to my dog?"

The middle-aged man sneered, while Gloria subconsciously looked at the big dog that was eating fresh meat.

The big dog was eating very happily, exposing the sharp fangs sometimes.

Gloria's heart missed a beat suddenly.

However...

They had no choice even though they knew it was dangerous to come here. After all, their grandma's illness must be cured as soon as possible!

"You've established the Crockfords Club in the UK, and then made the Crockfords Club the biggest casino in the world, so I'm sure that you aren't that kind of brutal person. If you don't accept the money, how about we have a meal together after the auction?"

"You're..."

Gloria smiled gently and spoke decently, but just as she finished speaking, Ernest walked forward and was about to rebuke her. However, the middle-aged man reached out towards Ernest, signaling him to keep silent.

Remarriage Never And Go Away Chapter 1323—"Okay."

The middle aged man agreed with Gloria.

"Then let's meet again after the auction."

Gloria replied with a smile.

"OK."

"Then we'll leave now."

Jordy nodded towards the middle-aged man. Then, he led Gloria out of the casino.

As soon as they left, Ernest asked with a puzzled look, "Boss, they were clearly challenging your bottom line, but why do you just let them go? Werfel is also so strange today. It usually barks non-stop when it sees strangers, but why was it so quiet when it saw them?"

Hearing what Ernest said, the middle-aged man also noticed that.

He couldn't help but think of Gloria again. Then, he suddenly realized that dogs usually acted tamely only in front of someone they knew.

Perhaps Gloria really had something to do with her.

"Ernest, I need to know who those two people are, especially that girl. I want all her information!"

Hearing the middle-aged man's sudden words, Ernest felt very confused and said, "Boss, what's wrong with that girl? You seem to be very curious about her. Does she have anything to do with you?"

The middle-aged man frowned. "She looks very similar to an old friend of mine. Just go find out all her information as fast as you can!"

"Yes."

As soon as Ernest heard what the middle-aged man said, he immediately took it seriously.

At that time, Jordy had also walked out of the casino with Gloria and got into the car.

Gloria told him everything that she had just discovered. "Jordy, do you remember these two masked people who played cards with us just now? They quit the game after three rounds, but they didn't leave. Instead, they kept watching us in the crowd."

"I know." Jordy said gently.

"Okay."

Since Jordy knew they were already being watched, he would arrange everything to deal with it, so she wouldn't have to worry about it anymore.

Gloria stretched lazily and said, "Let's go back to the hotel and have a rest. Don't wake me up tomorrow if there is nothing else. I really need to have a good rest."

"Did you say that you would help to nurse my health? I'm not used to the food here, and besides, you don't want all your efforts to be in vain, do you?"

Jordy's words immediately made Gloria speechless.

She rolled her eyes at Jordy and said, "Then how did you get through the days when you were on business trips before? Besides, it won't kill you to eat nothing for a few days."

For the sake of her grandmother, she had made a compromise!

But it was still very important to keep her distance from Jordy. She didn't want anyone to think she was trying to get back together with him.

Jordy's face instantly darkened.

Meanwhile, the man and the woman who were wearing masks were sitting in the car. The car was driving rapidly on the highway. The man had taken off his mask at this moment.

"They were deliberately trying to get the attention of the boss of the casino. If I guess right, they have done all this for the Misty Lucid Ganoderma that the casino is going to auction in a few days."

With an evil smile, the man said, but his black eyes were so full of coldness and resentment.

"The auction will be held in a few days. Isn't it too early for them to talk about it with the boss of the casino now?"

The woman said with disdain as she took off her mask, revealing her stunningly attractive face.

Remarriage Never And Go Away Chapter 1324—"Maybe they're just trying to make their way with courage. We must not look down on Jordy and Gloria. They are not that stupid!" the man said coldly and disagreed with the woman.

The woman instantly laughed. "Oh? Courage is just useless for someone who is about to die!"

Saying that, a trace of the killing intent showed in the woman's eyes.

The next second, she even told the man about her plan. "The day that the auction is held will be the date of Gloria's death. I want her to die that day! The happier she is, the more painfully she will die!"

The woman was very confident about her plan.

"You'd better not do that! Gloria can't die now. Besides, what makes you think you will succeed?" As soon as the man heard that the woman wanted to kill Gloria, he frowned in dissatisfaction. In his opinion, the auction had to be held successfully, otherwise, how could they get the Misty Lucid Ganoderma, and how could he hurt Jordy and let Jordy be overwhelmed with sorrow?

The woman, however, turned her head to look out the window, making no reply to what the man said. She had her own plan.

Once she decided to do a thing, she would definitely make it by any means.

And, with her ability, she was sure that she would make it successfully.

After all, she had never failed to do one thing in her life!

"If you want your plan to succeed perfectly, then do not act rashly. When the time comes, it'll be so easy to let them die!"

The man continued to persuade her.

However, the woman just ignored his words again.

To be precise, the woman wasn't listening at all.

Meanwhile, Rachel just got off the plane.

When she walked out of the airport with the crowd, she turned on her phone and received several messages from Angela.

"Are you sure you don't want to go over there with me?"

"I think you should reconsider what I said before. It's not too late if you go there now. Otherwise, you'll regret your decision after the auction is over."

"Rachel, can you just message me back?"

Without receiving the reply from Rachel, Angela was a bit anxious.

Rachel read all the messages and then called Angela.

She said impatiently, "I'm now in the UK, Angela. If you're really sincere, why don't you come with me yourself?"

"Didn't I tell you last time? Our common enemy is Gloria. I'll inform my boss if you don't want to do so. I'm just confirming with you."

"But I'm still glad you're willing to cooperate with me, Rachel. Come on! I know you can do it!" Angela encouraged Rachel again.

Rachel was dismissive. She came there not to cooperate with Angela but to take part in the auction and get close to Jordy.

As for what would happen between Angela and Gloria, she had no need to get involved. Instead, she'd better stand by and become the last winner.

"At this auction, you can publicly upstage Gloria. Listen, you just need to..."

"I don't need you to tell me what to do."

Then, Rachel directly hung up the phone.

Her voice was cold and firm.

She was not willing to cooperate with Angela.

Hearing that Rachel hung up the phone, Angela was furious. She was undeniably offended by Rachel's attitude, and what she said.

She thought Rachel could cooperate with her before, but now it seemed that Rachel was not willing to help her!

Remarriage Never And Go Away Chapter 1325—After hanging up the phone, Rachel had arrived at the underground exit of the airport.

As she had just stopped a cab, her phone rang again.

She thought it was Angela who called her again.

She answered it without even checking her phone and said, “Angela, you’re never letting go of that, are you?”

She disliked people who always kept badgering the most, and even it was Angela.

If Angela was now standing in front of her, Rachel would have the urge to knock her out.

However, the voice that came from the other end of the phone was not Angela’s voice.

Instead, it was the voice of her best friend, Kathleen.

“I’m not Angela. I’m Kathleen. Isn’t Angela dead?”

Rachel’s eyes changed. “Sorry. Didn’t I tell you I was going to the UK? Why are you calling me now?”

Rachel’s face softened as she heard her friend’s voice.

However, since she was affected by Angela just now, she was still not in a good mood.

“Well, I know that you’ve been in a bad mood lately, so I’ve booked a seat for you at Connaught Bar. Enjoy yourself tonight.”

Kathleen was indeed Rachel’s best friend, and she was so thoughtful.

“Oh, you know me best. I’ll go to see you after I return home.”

“OK, I wish you a happy and wonderful night.”

What Kathleen didn’t tell Rachel was that in addition to booking a seat in Connaught Bar for Rachel, she had also booked Rachel a special service!

As Rachel's best friend, Kathleen always knew how to make Rachel happy.

Rachel liked to have fun and relax in such places when she was in a bad mood.

When it was time for Connaught Bar to open, Rachel immediately went there.

Connaught Bar was located in the city center of the UK, and it was the ultimate in luxury. Many people would go there for fun.

Kathleen booked the best seat for Rachel. Sitting in her seat, Rachel was able to overlook all the scenery in the bar.

And here in Connaught Bar they also offered free snacks and drinks.

But Rachel just didn't expect that three different types of male models would appear suddenly at the same time.

The waiter came over and said, "Miss, this is a special service for you!"

These three male models were all very tall and had fair skin.

They were all wearing white shirts. A few buttons of their shirts had come undone, and Rachel could see their sturdy chests.

They were all very strong, but not her type.

Rachel frowned. "I don't need this service."

"Miss, sorry, cancellations and refunds are not available here."

Hearing this, Rachel was even more annoyed.

"Is this the rule here?"

Rachel was already in a bad mood because of Angela today, and now facing such a situation, she was even more irritated.

"Miss, we have always had this rule at Connaught Bar. If you really don't want it, we can leave right now, but you won't get your money back."

The waiter reminded Rachel again calmly, as if he was used to handling such a thing.

"Alright, just leave now."

Rachel said casually.

“Okay.”

Since Rachel did not ask for a refund, the waiter then left with the models.

After they left, Rachel sat on her seat. Her eyes fell on the hall downstairs.

The club was really hopping now and people in the hall were dancing to music.

Suddenly, Rachel noticed a man.

The man was sitting on a leather sofa wearing a linen-colored casual outfit.

He met Rachel’s gaze and raised his glass towards her.

Rachel paused for a second, but she quickly looked away.

Unexpectedly, the man came to her.

The man was tall and handsome.

“Hello, Miss.”

The man greeted her and sat down on the seat opposite her.

Remarriage Never And Go Away Chapter 1326—“This is my seat.”

Rachel ignored the man’s words.

“Then can I sit here for a while? Miss...”

When the man was about to say something else, a woman’s voice came from the lobby downstairs. “Ladies and Gentlemen, I am the host tonight. Today is the second anniversary of the Connaught Bar opening. In order to reward the customers, we will hold an activity.”

“What kind of activity is it? Accompanied by beautiful women, or having fun for free?”

“It’s not fair! There are still female consumers... Are there also handsome boys for us?”

As the female host just proposed to hold an activity, those guests immediately asked with excitement.

"The activity is actually playing games. There will be several interactive games for men and women. The top three will get the prize and besides, there is still a special award."

"Miss, are you interested in it?"

Hearing what the host said, the man opposite Rachel asked towards her instantly.

Rachel replied indifferently, "Not at all."

Then, she did not look at the man again.

Although the man was very elegant and tall, but not really her type.

Besides, she already loved someone else.

As Rachel just finished speaking, the host's voice came from downstairs again. She said with a microphone, and the guest's downstairs were now quietly gathered in front of the stage.

Therefore, the host's voice sounded very loud and clear.

"The one who gets third place will have fun here totally for free tonight. The one who gets second place will get a free special service tonight. And the one who gets first place not only has the same rewards but also has a bonus that is worth 4999."

"What is the special reward?"

A person couldn't wait to ask.

Rachel was also a little curious about the special reward.

The next second, the female host said, "The special reward is the discount coupon that is jointly launched by Connaught Bar and Crockfords Club. With this coupon, you can enter the auction three days later and the casino. Besides, the spending in Connaught Bar will be all free, and it can even offset the price of 20% of the auction items."

"Come on! Tell us what the games are and what should we do?"

As soon as the people heard what the host said, they instantly became excited.

Rachel's eyes instantly darkened.

She came here for the auction in three days, and she also knew that Connaught Bar was related to the Crockfords Club, so when Kathleen booked her a seat here, she didn't hesitate to come over.

Now it seemed that Kathleen really did her a big favor!

"Miss, do you want to participate in the activity? It's an interactive game. You and I can team up." The man noticed Rachel's change when the host talked about the special reward.

He sensed that Rachel was interested in the auction held by Crockfords Club.

The activity also gave him an opportunity to approach her.

Rachel heard the man's voice and then came back to her senses. She eyed him again,

The man smiled at her politely, looking very gentle.

"What do you want?"

The man took the initiative to talk to her, and Rachel subconsciously thought that the man must have a purpose.

"I want you to be my girlfriend, and that's my purpose," the man said, smiling again.

Rachel, however, felt speechless.

She and the man didn't even know each other. Was that so-called "love at first sight"? But she did not believe that a man would love a woman at first sight.

"In order to increase the participation rate of this activity, we still offer a special award. The person who gets the special reward will get a golden key!"

Remarriage Never And Go Away Chapter 1327—"Damn! Connaught Bar really splashes out on the activity tonight. Look at that golden key! It was given by the boss of Crockfords Club when the casino was established, and there are only three golden keys. It's said that the person who gets the golden key can make a request to the boss of Crockfords Club. No matter what the request is, the boss will meet the requirement!"

"Really? Is it for real or is it just a gimmick? That golden key is so precious, and are you really going to give it

away just like this?"

"That's right. What if someone asks the boss of Crockfords Club to sign the casino over to him with the

golden key? I don't think the boss is that stupid."

Those guests downstairs didn't believe what the female host said. Besides, they even quipped with it.

The host winked at the man next to her. After a moment, two tall bodyguards walked up to the center of the stage carrying a storage table.

On the table was the golden key, which was enclosed by a glass dome.

"Connaught Bar has been open for two years, and there must be regular customers who came here tonight. Have anyone of you been cheated by Connaught Bar?"

"If the golden key doesn't work, the winner who is granted the special award can come back to us with the golden key, and Connaught Bar is willing to pay for the loss and also offer him a free service for a life-long time."

"I'm just a regular customer of Connaught Bar, and Connaught Bar has been holding many events in the past two years, and the winners were all granted a reward. Besides, we also came here for its reputation. Besides, the host in charge has already made a promise frankly. We don't have to disbelieve it."

"That's right! It's just a game. We all came here to have fun. Come on, let's find partners and get down to the game now."

"Right! For coupons and the golden key, come on!"

The guests were very enthusiastic, and Rachel upstairs was also very excited.

If what those people on the stage said was true, as long as she got the golden key tonight and asked the boss of Crockfords Club to sell the Misty Lucid Ganoderma to her, Jordy would come to her for the Misty Lucid Ganoderma.

At that time, she would have the chance to make a request to him.

Jordy would definitely grant her anything for the sake of his grandmother!

"Miss, it seems that you are very interested in that golden key. I know a bit about that golden key. The boss of Connaught Bar is an old friend of the boss of Crockfords Club, and now the boss of Connaught Bar gives such an award just to support the auction that will be held in Crockfords Club. What these people have said is a bit exaggerated but is still the truth."

"Compared to taking all the money at once, I believe that most people will choose free lifetime consumption as well as protection. I believe that most people will choose to get

free service for a life-long time, because it guarantees more, but the money will be run out eventually.”

“Miss, I’m Gerald Turner. Nice to meet you.

The man extended his hand toward Rachel.

“You’re from the US?”

Undeniably, Rachel was very heartened by what the man and those guests downstairs had said. She also wanted to get that golden key very much now. She frowned slightly as she heard the man’s name.

“I’m Australian.”

“I see.”

“Miss, I know you’re interested in the golden key and I’m willing to be your partner to help you, but if I get the golden key, I want your contact information.”

Although Rachel didn’t like the way this man accosted her, she had to admit that this man didn’t look bad.

It was an interactive game, and it seemed not to be a bad thing if she teamed up with a man like this.

“Okay.”

Rachel finally agreed because she really wanted to get that golden key.

Then the man asked for her name. “Miss, may I know your name?”

Read Novel Remarriage Never And Go Away Chapter 1328

Remarriage Never And Go Away Chapter 1328—“Rachel Roberts.

Since she had decided to team up with him, she informed the man of her name.

“Then let’s go, Miss Roberts.” Gerald smiled and extended his hand towards Rachel.

Rachel got up and just pretended to not see his hand

It was true that she had agreed to team up with him, and maybe they would have physical contact during the activity, but they were not even friends now and she didn't think they were close enough to hold hands.

Rachel walked in front, and Gerald followed behind

Looking at her back, Gerald slowly smiled.

As the young lady from the Roberts family, Rachel indeed looked arrogant and noble.

However, he would definitely get her tonight.

Soon, they both went to the stage.

The female host was explaining the rules of the first game, "The first game is the long jump. The man should be on the left while the woman should be on the right. The man's right foot and the woman's left foot will be tied together. The team who jumps the farthest distance is the winner."

"Participants need to register over here."

The host pointed in one direction.

Many people went to register. Gerald took Rachel's hand and directly squeezed through the crowd to grab the first registration.

After writing down his and Rachel's names, Gerald even drew a heart in the middle.

"Can you stop doing that? We're just partners!"

"You're my goal. All men live in this world for their goals. I'll help you to get first place later." Gerald didn't mind the dislike in Rachel's eyes at all. Moreover, he had become more excited now.

"Then let's wait until you take first place."

Although she really wanted to get the special award, Rachel felt herself having only a slim chance of winning after seeing so many people who came to take part in the game. However, she and the man had already signed up to participate. The host then said, "The activity is held to celebrate the second anniversary of Connaught Bar, so ladies and gentlemen, you've already seen our sincerity, and everyone who signed up to participate in the activity can't quit halfway. The final winner will be announced after the activity finishes. Besides, anyone who quit halfway will not be eligible to enter Connaught Bar again!"

The host's voice obtruded upon Rachel's thoughts.

However, she felt that the rules of this bar were so tedious and weird!

She really didn't know how these consumers could still put up with these rules and come here with such high passion?

"Because Connaught Bar has a relationship with Crockfords Club. Therefore, no matter how tedious and weird the rules are, there will still be a lot of people who like to come here. What's more, as you can see, the boss of Connaught Bar is a smart businessman, and as a consumer, people are all fond of discounts and activities!"

Gerald saw through Rachel's mind and explained slowly.

This really startled Rachel.

She looked at him incredulously.

"You're surprised, right? I've noticed you from the very beginning. I'm interested in you, and naturally, I won't miss any change in your emotions."

This was kind of an explanation of Gerald.

Rachel, however, just ignored his words and then said, "We are now just partners to play the game together."

"OK."

Gerald immediately knew what she meant.

Ten minutes later, the first round of games began.

There were a total of 100 pairs of men and women who participated in the game, and the game began. orderly according to the order of registration.

Gerald and Rachel were the first pair to start the game

Rachel felt it would be very hard to do the long jump while their feet were tied together, but to her surprise,

Gerald directly lifted her up.

She had no choice but to lean closer to Gerald.

Before she could react, Gerald held her tightly and then leaped out.

Read Novel Remarriage Never And Go Away Chapter 1329

Remarriage Never And Go Away Chapter 1329—Chapter 1329 Are You Slated to Become the Winner?

Rachel felt that her whole body was hanging in the air.

This kind of feeling made her subconsciously hug Gerald tightly.

Seeing Rachel so “dependent” on him, Gerald couldn’t help but feel very proud. Then they jumped 1.85 meters in the long jump.

Everyone exclaimed when the host announced the result

“1.85 meters? I can jump that far alone, but is it real that a man can still jump so far while carrying a woman? It’s so awesome!”

“Shouldn’t two people jump together? Didn’t they break the rule by doing that in this way?”

“This is an interactive game for a man and a woman and it’s also physically demanding. Of course, the man should be the one to try the best, or the woman also can do that as long as she has great strength!”

“Since the feet are tied together, there must be one person who has to take the lead, and every team will have their own ways to figure it out.”

There had been a mixed reaction to what Gerald had done.

The host said calmly, “It’s an interactive game, and two people’s feet are tied together, which requires the partners to figure out how to complete this game. As long as two people jump together to the same place and don’t fall, the result will be approved.”

Therefore, men still had to try their best to win the game.

Or as the man just said, if the woman had great strength, it was also possible for the woman to have a try.

Rachel frowned deeply.

This was not an interactive game but more like a blind date! Otherwise, why did a woman have to team up with a man?

However, Rachel was also in no mood to think deeply about the weird rules proposed by Connaught Bar.

She called over to the staff standing by and said, "We are the first to finish the game. Please untie our feet first."

There are still 99 pairs of men and women waiting to start the game.

It would be more than an hour until the competition was finished, so Rachel wanted to return to her seat, drinking while waiting for the results of the other people.

After their feet were untied, Rachel went back to her seat.

Looking at Gerald, who followed her, Rachel frowned. "The next round hasn't started yet. Why are you following me?"

"You didn't even give me your phone number. If I don't come with you, where am I going to find you when the next round is about to start later?" Gerald said calmly.

However, Rachel didn't want to contact Gerald again.

He lifted her up just now without even telling her in advance in the long jump.

It was the first time she had been hugged by a man like this.

If it wasn't for finishing the game, she would have slapped him.

"I'll just sit here. You can go back to your seat. When the next round is about to start, you can come over to me." Rachel was a bit unhappy.

Gerald, however, laughed and ignored her words. Then, he said with a teasing smile, "I thought you would give me your phone number."

"Didn't we agree that I would give you my phone number if we won the game?"

Now it was still unsure that they could win.

And Rachel didn't want to give him her phone number now!

"I'm sure that we'll win, so you can give me your phone number now..."

"Why did you say that? Don't tell me that you're slated to become the winner!"

Gerald's words immediately alerted Rachel.

There were so many people who participated in the game. Why was he so confident? Moreover, from the moment the man hit on her, the activity began to favor the contact between men and women.

She couldn't help but be suspicious.

But Gerald laughed out loud. "If so, I would have just given you the golden key."

Read Novel Remarriage Never And Go Away Chapter 1330

Remarriage Never And Go Away Chapter 1330—Gerald seemed to express his sincerity, but Rachel knew that he was just joking.

As people said, the golden key was very precious. If he really got the golden key, Rachel didn't believe that Gerald would give it to her. After all, they'd just met each other.

"Not to mention that you don't get the golden key now, even if you do, I don't want it either." Rachel said indifferently, picked up the highball glass on the table, and drank a mouthful of red wine.

Gerald made no reply, but showed a mocking smile.

Don't want it?

If she really didn't want it, how would she have teamed up with him to play the game for the golden key?

However, Gerald didn't say anything.

He sat opposite Rachel quietly. Although Rachel did not like him, it would be so rude for her to drive him away. After all, there were so many people here.

He was also her current partner.

It was a bit boring to watch the people playing the game.

But Rachel couldn't go somewhere else, otherwise, she might lose the right to play the game if she was late in the second round of the game.

"How about we play cards together to kill time? I'll get some friends to play cards with us together!"

Gerald asked. He was also seeking Rachel's opinion.

Rachel was a bit hesitant, but after taking a look at the long team behind, she agreed in the end. "Okay. Call your friends over and let's play cards together."

"OK."

After getting Rachel's agreement, Gerald immediately made a phone call.

Not long after, a man came over.

After he sat down, Gerald said, "We usually play truth and dare, but Miss Roberts, since we just knew each other, let's play cards with money."

"Alright."

It was okay for Rachel to play cards with money.

But Gerald then added, "The loser has to drink three glasses of wine."

Rachel still had no problem with it. After all, she was a good drinker.

At first, Rachel won several times, and won a large amount of money, but later, she was not that lucky anymore.

Gerald's friend kept winning all the time.

Gerald was a bit unhappy with it. "I called you over to play cards for fun, not to win money. How am I supposed to get along with her if you win all her money? You make me look like a bad guy!"

Rachel, however, didn't have the same idea as Gerald thought. She was willing to admit defeat.

Besides, they were just playing cards, and no one would cheat in such a game!

However, she felt that the wine today was a little different. She obviously didn't drink so much, and she had already started to get dizzy.

Finally, she just wanted to lie down on the table and sleep!

"Gerald, is the long jump over yet? I feel like I'm getting a little drunk..." Rachel spoke to Gerald.

Gerald heard Rachel's slurred words and also noticed Rachel's strange reaction.

Well, the drug was starting to take effect.

He echoed Rachel's words, "There aren't many people left, Miss Roberts. Let's go downstairs for another round of the game."

"Okay."

Rachel nodded her head. She got up but felt like her legs went weak. She felt like she was floating in the air. Gerald held her timely, so she didn't fall!

"Miss Roberts, why don't you have a rest first? I'll find another woman to play the game. As long as you keep your word, I'll get the golden key back and give it to you. You just need to give me your phone number."

—"Turn your head."

That was clearly an order.

At the same time, Jordy also noticed the strange atmosphere at this moment.

He didn't know why this middle-aged man suddenly made such a request, but Jordy subconsciously took a step forward and blocked Gloria.

Although he didn't know what this man's intention was, Jordy would never let Gloria get hurt in front of him!

"May I know your name, Sir?"

Jordy tightened his mouth and attempted to change the subject.

Gloria understood that Jordy was trying to protect her, but she just felt a bit funny.

Since he had never defended her in the past, what was the point for him to do such a thing right now?

"Sir, if my stare made you feel uncomfortable just now, I'd like to apologize for that. I didn't mean to offend you. I was just a bit curious that the boss of Crockfords Club is actually a middle-aged man."

Gloria White raised her head, looked at the man, and slowly explained.

The middle-aged man naturally saw Gloria's face when he heard Gloria's words.

A trace of astonishment showed in his eyes.

He looked at Gloria, who was standing in front of him and found that her eyes looked almost the same as the eyes of that person he knew!

If it wasn't for that Gloria was a young woman, he would have thought that it was that person who appeared in front of him.

However, the world was so big that nothing was to be surprised.

He couldn't be sure that Gloria was related to that person by blood just because Gloria looked like that person.

"Have you ever heard that curiosity killed the cat?" The middle-aged man lightly said, secretly suppressing the doubt that niggled at him.

"I know, so I'm sorry, Sir. We came here this time for no other reason than the Misty Lucid Ganoderma." Gloria simply came straight to the point.

As long as they could get the Misty Lucid Ganoderma, their grandmother's illness would be cured.

This was also the real reason why they came to Crockfords Club tonight!

Because Jordy found out that the boss of Crockfords Club had a Misty Lucid Ganoderma, and it, would be auctioned at the casino in three days, with a starting price of at least a hundred million.

"Heh, the auction has not even been held yet, but you've already got the news. Then you should be clear about the benefits as well as the gains that the Misty Lucid Ganoderma can bring to people."

"If you want it, you can just bid for it at the auction." The middle-aged man didn't believe what Gloria said.

There were so many people who were eager to get the Misty Lucid Ganoderma, but it was very rare for people to find even one Misty Lucid Ganoderma for decades.

The benefits as well as the gains that one Misty Lucid Ganoderma could offer were far more than what they won in the casino tonight!

"Sir, I didn't mean that. As you know, there are many underhanded operations in the auction, and we just hope that we can get it through normal bidding. Please don't make things difficult for us, Sir." Gloria tightened her mouth and made a plea again.

Jordy then added, "As long as you can promise us that, Sir, the money we won tonight is all yours."

"Heh, haven't you ever heard of that?"

“One with great power cannot defeat a local villain. No matter how strong you are, don’t forget that you’re in my place now.’

The middle-aged man burst out laughing as if he had heard a joke.

Obviously, he wanted to tell them that as long as he wanted, he could let Jordy and Gloria disappear forever. How dare they negotiate terms with him?

“You all know that we came here on purpose, and do you really think we will allow this to happen?”

“Are you threatening me now?”
