Remarriage Never And Go Away Chapter 1341– This Will Be the Most Beautiful Encounter

It was from Angela White.

Rachel Roberts was angry, and she also thought that Angela White had said that she would arrange it tonight, but when the auction was over, the man had left.

How did they encounter?

“Are you kidding me?” Rachel Roberts said in a bad tone.

“No, I haven’t. I’ve arranged everything. Isn’t Jordy Collins in the private room next door? He just had a drink with something added. Isn’t it a perfect opportunity for you to meet him now?”

Angela White with a girl’s voice saying “do” makes her very innocent.

Hearing this, Rachel’s eyes lit up. “Are you sure? Are you sure you didn’t coax me?”

After all, the auction was over. It was normal for Rachel Roberts to question her.

However, after hearing this, she was still very tempted. If Angela White had not lied to her, it would have been

a perfect opportunity. In this way, she could blame Jordy Collins for losing her virginity.

When the time came to unite with the family forces, everything would go smoothly.

She even began to look forward to the servants surrounding her and calling her ‘Mrs. Collins’ respectfully.

There was even a scene of Jordy Collins pulling her along the red carpet in a wedding dress.

“Hurry up, while there’s no one around.” Angela White urged her.

“Okay.”

Rachel Roberts responded and tried to suppress the excitement in her eyes and walked to the next room. But

before she could take a step, she was stopped by Gerald Turner.

Gerald Turner looked at her with a spurious smile. "Baby, where are you going?"

Rachel's face changed slightly. She had deliberately lowered her voice and kept a certain distance from him.

She was sure that this man couldn't hear what she said.

With a cold expression, she replied, "You don't have to worry about my matters."

While saying that, Rachel Roberts struggled to shake off his hand.

However, there was a difference in strength between men and women, and Gerald Turner used all his

strength, so it was impossible for Rachel Roberts to get rid of him.

Rachel Roberts was so angry that she raised her other hand to hit Gerald Turner.

However, her other hand was also grabbed by Gerald Turner.

Gerald Turner pressed her hand down hard, making Rachel Roberts unable to move.

"Rachel Roberts, have I ever told you that I know all your purposes?"

He knew all her purposes, including whom she liked and her situation.

Rachel Roberts was stunned and looked more and more embarrassed.

"Jordy Collins doesn't like you. You won't get any benefits from doing this except lowering your status and trampling on yourself!"

Gerald Turner's face darkened, and his tone was particularly serious and indifferent.

He made it clear because he wanted Rachel Roberts to stop being silly.

Rachel Roberts was so angry by his words that she laughed. "Gerald Turner, whom do you think you are? What right do you have to blame me and teach me? What do I have to do with you? Let me go, or I..."

Rachel Roberts shouted, but in the next second, she was sealed by a kiss from Gerald Turner.

That time, they had sex because the wine she had drunk was spiked.

This time...

How could Rachel Roberts let Gerald Turner do whatever he wanted to her?

She bit down directly. Although Gerald Turner was in pain, he did not let go of her.

“Bang!”

The door was kicked open from the outside.

Gerald Turner was shocked, but there was a flash of coldness in Rachel’s eyes.

“Miss Roberts.”

Rachel Roberts didn’t even look at the man and said in a deep voice, “Tie him up.”

At this moment, Jordy Collins realized that something was wrong...

His throat was unusually dry and his lower abdomen was tight.

A scorching heat rushed out from the bottom of his heart. Even though the air-conditioner in the room was cooling, he still felt hot all over.

In this case, there was something wrong with the drink he had just drunk

Jordy Collins’s face darkened. He immediately took out his phone and dialed Carlos Green’s number.

He was in the UK, and Carlos Green was in the country. They have jet lag.

However, Carlos Green happened to be on duty in the hospital today.

He frowned when he received the call from Jordy Collins. Surprised, he asked, “What’s wrong?”

At this time, Jordy Collins should be lying in bed in the UK and resting. His intuition told him that the phone call Jordy Collins made was not at the right time.

In the next second, he heard Jordy Collins panting. “I’ve been drugged. What should I do?”

Carlos Green frowned. How could someone as careful as Jordy Collins be framed?

He thought that other than Gloria White, no one else would be able to successfully drug him.

He reached out his hand to signal the patient to wait a minute.

Then he got up and walked into the compartment.

“How long has it been?”

“Less than three minutes.” Jordy Collins counted the time.

In less than three minutes, Jordy Collins was panting heavily.

He furrowed his brows even more tightly, “From your breathing, it sounds like the medicine is still very powerful. Aren’t you with Gloria White? What about her?”

At the very least, there was still Harold Ross.

This type of medicine was extremely effective, normally coming from the black market.

Moreover, it had to be resolved by a woman. Otherwise, the vital energy and blood in his entire body would flow, and he would perish on the spot!

“She was invited away by the owner of the Crockfords Club...”

As soon as he said that, Jordy’s face darkened.

This was because he had already realized that the two were conspiracies. First, he sent Gloria White away

before letting him stay in the room alone.

Gloria White had yet to return. It was very likely that something had happened!

Jordy’s face darkened.

He couldn’t be bothered to ask Carlos Green how he was going to get through this. After hanging up, he dialed Harold Ross’s number.

“Harold Ross, go find Gloria White right now. Something might have happened to her!”

Jordy’s tone was both urgent and heavy.

This was the first time Harold Ross had heard him speak in such a tone.

As a servant, Harold Ross naturally knew about the relationship between Jordy Collins and Gloria White.

“I’ll do it right away.”

Harold Ross immediately responded.

It was not easy and fast to transfer 1.6 trillion dollars.

Seeing that Harold Ross was leaving, the Crockfords Club immediately stopped him.

“The money hasn’t been transferred to our account yet, and you’ve come here on behalf of Jordy Collins to go through the formalities. Now that you haven’t finished the formalities, do you want to run away? What? You want to renege on your debt?”

The speaker was Joyce. He had lost all face in the bet from a few days ago.

Now, he had to follow them to the final process. Firstly, he was impressed by the 1.6 trillion dollars. Secondly, he wanted to regain his dignity!

“Miss White hasn’t yet come back since your boss asked her to meet him. Now I have to go to bring her back. Don’t worry about the rest of the money. I will ask someone to transfer the money to the casino account on time. Your casino had better give us the Misty Spirit Grass as promised, and we will pick it up later.”

Harold Ross’s brows furrowed and his expression turned cold.

When he worked for Jordy Collins, he exuded a strong and imposing aura, and when he was at work, he was swift and decisive just like Jordy Collins.

What? Our boss took your man away? Please don’t frame our boss here again.

Jones Goddard immediately rejected Harold Ross’s words.

Remarriage Never And Go Away Chapter 1343—Jones Goddard stared at Harold Ross with his eyes filled with rage.

In his eyes, Harold Ross was nothing more than Jordy Collins’s lackey. No matter how powerful Jordy Collins was, his boss was giving him face!

If the boss hadn’t held them accountable, how could they have left the casino alive that day?

Harold Ross's expression immediately turned solemn.

He also understood that Crockfords Club was the largest casino in the UK. Without strength, it was impossible to do what it does today.

There was no need for Crockfords Club to deny such a thing.

Since it was not the owner of the casino who took her away, it must be someone else!

Thanks for telling me. We have something to deal with. For safety, we have paid 1/3 of the 1.6 trillion dollars and then we will transfer the rest after we handle the matters. In case you're worried about it, my boss is still

in his private room.

With these words, Harold Ross turned around and left.

Quinto couldn't stand Harold Ross's attitude and angrily tried to catch up. However, he was stopped by Jones

Goddard.

Jones Goddard said coldly, "Don't forget what our boss told us today! Since Jordy Collins is still here, send out the order to guard the exits!"

"Yes."

Quinto left.

Harold Ross contacted someone and started to check the surveillance video at the door of the private room.

Gloria White followed those people out. She just wanted to see what the casino owner wanted to do!

Unexpectedly, these people took her through corridors, downstairs, and even out of the casino.

They got in the car.

Gloria White thought that the casino owner had changed his location to hide his presence. It was not until the parking spot arrived at a deserted abandoned building that Gloria White realized that she had fallen into a trap!

Gloria White realized this and turned around to leave.

However, in the next second, Gloria White was surrounded by these people.

The leader of them directly threatened his brothers around him

“Listen up, everyone. Master said that as long as we successfully kill Gloria White today, everyone who participated today will be rewarded with five million dollars!”

Gloria White noticed that someone was holding up a camera behind her.

This person not only wanted her to die but also wanted to record the whole process of her death. There were several people present, five million dollars each.

There was no denying that this person was generous.

Before she could think further, these people pounced on her like beasts.

They were holding daggers and guns in their hands. The mastermind did not intend to let her die easily.

Gloria White naturally could not just sit there and wait for death. She dodged, she squatted... she dodged!!

“Bang!”

Gloria White saw the man opposite her raise his gun toward her, aiming the black hole directly at her head. She also noticed that the man’s hand was pulling the trigger.

The surrounding people quickly launched their attacks.

When she heard the voice, she thought that she would fall, but she did not expect that the pain she imagined did not fall on her.

The person who fell was the man opposite her.

Then, the people around them fell one after another.

Gloria White looked at the scene in front of her. At this moment, a wind blew past and the scene reeked of blood.

She also heard footsteps coming from behind. One step, two steps...

But when she looked back, the surprise in her eyes turned into surprise. “It’s you? Why did you save me?”

She stared at the person in front of her, her expression heavier than ever.

"Coincidence."

Apathetic words came out of the man's mouth.

He was wearing a black mask. Although only his chin was exposed, he appeared very cold and detached.

His black eyes were also devoid of warmth.

Gloria White saw him and the people behind him put away their guns.

"Do you think I will believe you?"

Gloria White immediately sneered.

She believed that it was a coincidence that the man appeared alone.

However, the man was ruthless and decisive when dealing with those who wanted to kill her with his subordinates.

Who happened to save people and bring so many people with them?

"I just so happened to know that someone was trying to harm you. Is this your attitude towards your savior?"

Asher squinted his eyes.

He stared at the cold-faced Gloria White.

This woman had no conscience at all!

If he had come any later, the men of Elisa would have already taken her life and recorded the entire process of her death.

In fact,...

It would be cruel to cut off her flesh, turning her into a perfect skeleton!

"You also appeared at the auction today, right? What are you here for?"

Gloria's expression was solemn.

Her intuition told her that the man in the silver mask in room 4098 was him!

"Isn't it normal for me to appear at the auction?"

Asher curled his lips lightly, and a wicked smile flashed across the corners of his mouth.

If an ordinary person were to encounter something like that, they would've already been scared witless. The more cowardly ones might even faint from fear.

As a result, she could still question him with a clear mind.

Sure enough, he was right about her.

"I'll be frank with you. I don't care what your purpose is in coming here with me and Jordy Collins, but if you don't stop now, I promise I'll drag you to hell with me!"

Gloria White said fiercely, her black eyes sharp as knives.

After that, she left in a hurry.

She knew very well that this was a ruse to lure the enemy away. If she was already in such a state, it would be even more dangerous for Jordy Collins!

Asher looked at her back, he said nothing.

However, the smile on both sides of the mouth deepened.

But the next call made his face turn cold. He scolded her directly, "Didn't I tell you not to follow your plan?"

"What's the benefit of killing her now?"

He thought that she had taken his words to heart.

However...

If he had come any later, Gloria White would have died under her plans!

"Then tell me, what good is it for you to protect Gloria White now? Don't think that I can't tell that you have a

strong interest in her. You want to possess her."

“Ha-ha! But remember one thing, a woman like Gloria White is not someone you can control!”

Elisa reprimanded him coldly.

After that, she laughed coldly and sneered as she spoke.

But how could Asher allow such a person to guess his thoughts?

“If those plans succeed and you get the position you want, you’d better not provoke me and challenge my bottom line!”

After saying that, Asher hung up the phone.

Whether or not he could control Gloria White had nothing to do with anyone.

He did not need anyone to teach him how to do things!

At this time,

Rachel Roberts had already pushed open the door of the private room before Gloria White.

There was no sign of Jordy Collins in the room, but the sound of running water came from the toilet...

“Jordy Collins?”

Rachel Roberts walked in and pushed the door open.

Jordy Collins was wet all over, and his shirt matched the texture of his skin, which clearly showed his good muscles.

At this moment, he looked manly tempting.

Even though Jordy’s consciousness had been destroyed by the effects of the drug, Carlos Green told him to put him under the assault of cold water so that he still managed to preserve a small part of his consciousness.

After hearing the voice, Jordy Collins looked in the direction of the voice.

Rachel Roberts stood at the door, under the light.

Although Angela White had told her that Jordy Collins had already drunk the poisoned wine and asked her to act quickly, she still panicked.

Even if for the sake of insurance, she pretended to be Gloria White by wearing the same facial skin as Gloria

White, she still felt guilty.

“Gloria?”

Jordy Collins noticed that face.

Under the light, her skin was creamy and her features picturesque.

As Jordy Collins called out, he then got up.

His body swayed, and when he almost fell, Rachel Roberts rushed up at once. “Jordy Collins, are you all right?”

With the help of the human skin mask, it would be best if Jordy Collins didn’t recognize her. Now it was the time for her to act.

“Failed, Gloria..”

Jordy’s throat tightened and he reached out to grab Rachel Roberts’s hand.

Every time the medicinal effect flared up and attacked him, her figure would appear in his mind.

At this moment, when she appeared, the agitation and impulse in his heart began to lead him.

He couldn’t care too much!

Rachel Roberts was very happy with his touch.

Wearing the human skin mask, they came into contact with each other. Then, they would have more in-depth communication.

After they had sex, she would restore her face. Then she could use the excuse that her virginity had been taken away by him to make him responsible for it and then become his wife!

Thinking of this, Rachel Roberts couldn't hold back her excitement. She hugged Jordy Collins and said, "Jordy Collins, you feel very uncomfortable, don't you? I can help you."

To Jordy Collins, this voice was life-threatening.

That was because the human skin mask made him think that it was Gloria White. Now, he had lost all his mind.

However, he smelled a pungent rose perfume!

Jordy Collins was suddenly roused.

There was a faint body fragrance on Gloria's body. It was like a peach, always stimulating his impulses.

She had never sprayed the smell of perfume like this!

"Get out of here! You're not her!"

Rachel Roberts was pushed away by Jordy Collins.

Rachel Roberts didn't expect Jordy Collins to have such a drastic reaction.

She was pushed out. Fortunately, there was a wall behind her, so she did not fall.

But how could Rachel Roberts give up?

She pointed at herself, aggrieved, "Jordy Collins, take a good look. I am Gloria White. If I am not, then who am I?"

With that, Rachel Roberts walked toward Jordy Collins.

Angela White said that the wine in Jordy's glass came from the black market.

Men could not resist such things. She only needed to take the initiative!

Thinking of this, Rachel Roberts had no time to think about it.

She unzipped the zipper on her back and the dress she was wearing fell to her feet, revealing her perfect figure to Jordy Collins.

"Jordy Collins, don't you miss me?"

Rachel Roberts spoke hoarsely and began to move as she spoke.

Then, she rushed at Jordy Collins!

Remarriage Never And Go Away Chapter 1346—"Get out of here!"

Jordy's eyes were bloodshot and cold.

The medicinal effects dissipated, and his rationality was devoured.

But at the edge, Rachel Roberts's touch was like a basin of cold water splashing on him.

Gloria White had never taken the initiative to do such a "coquettish" thing.

Rachel Roberts had never been scolded like this before.

Now, she had let go of all her pride and self-esteem. Ignoring her pain, she reached out to tear away the last cover on her body.

"Jordy, I am Gloria. I have figured it out. We can start over again. I find that I can't live without you. I love you."

"After divorcing you, I found that none of those men can compare with you. None of them are better than you."

Rachel Roberts was not intimidated by Jordy Collins. She continued to walk forward, stepping on the ground with bare feet, tempting him.

Jordy Collins sensed a double vision in front of him. Only Gloria's face could be seen clearly.

What Rachel Roberts said at the moment, to Jordy Collins, was undoubtedly a boost to his anger, as well as... his possessiveness.

Gloria White was his even though they divorced!

Just when Rachel Roberts thought he was about to succeed, they heard...

"Jordy Collins!"

Gloria White kicked open the bathroom door.

Jordy's mind was shaken by the loud voice, and he regained some of his senses.

Because he could still hear Gloria's voice.

“Gloria?”

Jordy Collins felt his throat tighten, and he saw two Glorias in front of him.

Gloria White was worried that Jordy Collins would be in trouble, so she hurried back and found that no one was in the private room. She only heard the sound of water in the bathroom.

In the end, she saw such an exciting scene.

She was a little annoyed.

“I shouldn’t have come back and disturbed Jordy’s good time!”

However, Gloria White noticed that the naked woman had the same face as her! She had no twin sisters!

“Who are you?”

Gloria White squinted his eyes and questioned coldly.

Rachel Roberts was speechless and panicked.

This was because the moment she began to speak, Gloria White would see through her. Rachel Roberts quickly grabbed the clothes on the floor and hugged them.

She had thrown her esteem to the wind and wanted to get closer to Jordy Collins, but in the end, Gloria White bumped into her humble appearance. She was completely embarrassed!

She knew that she was no match for Gloria White and could not care too much. Just as she was about to escape, Gloria White caught up with her.

“Gloria, I was drugged...”

Jordy’s weak voice came from behind her, and then he fell to the ground with a bang.

Gloria White had no choice but to let the woman escape then turned to look at Jordy Collins.

The moment Gloria White squatted down, the familiar peach smell slowly crept into his nose. To Jordy Collins, this was a complete catalyst!

He could no longer care about anything else. Grabbing Gloria’s hand, he pulled her into his embrace and kissed her lips.

“Gloria?”

Jordy Collins called her name.

Because the person in front of him was her.

Jordy Collins no longer restrained himself.

Although Gloria White was not rejected by his forceful kisses in the past, her brows highly frowned.

She thought that Jordy Collins had finally become open.

As a result, he was drugged!

“Jordy Collins, can’t you be more rational?”

Jordy Collins bit her lip and did not stop what she was doing.

Gloria White furrowed her brows even more. The moment she felt his pulse, her face turned cold.

Remarriage Never And Go Away Chapter 1347–The drug that Jordy Collins took was not simple.

It was a special medicine.

If he didn’t cooperate with the woman, then blood would rush throughout his body and he would die.

That woman...

Jordy Collins grabbed her shoulders and pulled at her clothes with his other hand. At this moment, Jordy

Collins had lost his mind!

Without giving her time to think, she directly took out the medicine bag she carried with her, quickly unfolded it, took out a silver needle from it, and pierced it into his acupuncture point directly and accurately!

Before long, Jordy Collins came to his senses.

“Gloria?”

Just now, he had seen two of hers, and he knew that one of them was fake, so he called her and wanted to confirm it through her voice.

“Don’t speak. Save your energy. I’ll call Harold Ross now.” As she spoke, Gloria White took out her phone, her expression exceptionally serious.

If the special medicine in Jordy Collins’s body could be taken care of through medicine, Jordy Collins would suffer a lot!

But people like him....

If she found him a woman unless she wanted to die!

Jordy Collins did not speak again. He just quietly watched Gloria White squatting in front of him.

After the call went through, Harold Ross said anxiously, “Miss White...”

Harold Ross had been looking for her. He had arranged for many people to go out to look for her at the major passes and areas around the area, but none of them had her information.

Seeing Gloria’s call, he was also in a hurry.

After all, he had received orders from Jordy Collins and had to report back to him.

However, before he could finish his sentence, Gloria White beat him to it, “Harold Ross, we are now in the private room in the Crockfords Club, Prepare some medicine and a big bath barrel for me immediately”

Gloria’s voice sounded extremely urgent.

Although Harold Ross was answering her question, deep in his heart, he was puzzled Why did Gloria White. want these things?

Gloria White had no time to explain so much to him After hanging up, Gloria White immediately texted him the medicine she needed.

She couldn’t get away now. If she didn’t acupuncture Jordy Collins, he would die suddenly.

No matter what, they were husband and wife.

What’s more, the person in front of her was also life. She couldn’t watch him die!

Harold Ross immediately took out his phone and ordered his men to look for a nearby pharmacy.

As for Jordy Collins, under his gaze, he noticed Gloria's beauty. Her skin was very white and her figure was very good. When she was serious, she was extremely charming.

"Gloria?"

Jordy Collins called out her name again, his voice even hoarser than before.

Jordy Collins lost control again.

She poked his pulse again, causing Jordy Collins to frown. Although he was awake, he felt terrible!

"Jordy Collins, just hold on a little longer and wait for Harold Ross to bring the medicine over."

"All right." Jordy Collins closed his eyes and answered in a low voice.

He was very clear about what she meant. She could help, but not in that way.

And he was clear-headed now. Since she was unwilling, he naturally could not be an animal!

Hence, every time Jordy Collins was about to lose control, he would request Gloria White to give him acupuncture and then personally rush to the tap to let cold water pour over him from head to toe to achieve his goal of waking him up!

Looking at Jordy Collins who was writhing in pain and trying his best to suppress it, Gloria's heart hurt.

She knew that this medicine was very effective and she could tell that Jordy Collins was suffering at the moment, but he would rather restrain himself than overstep his bounds!

His perseverance immediately made her admire him.

At this time, the door of the private room was kicked from the outside.

Remarriage Never And Go Away Chapter 1348—Gloria's face immediately turned cold.

Who would appear in such a barbaric way at this juncture?

“Jordy Collins, I’ll inject you with a few more needles. You’ll be in a lot of pain, but you have to hold it in. I’m going to see who’s outside.”

As he spoke, Gloria’s movements were swift and she quickly found the acupuncture points in his body that could help him regain consciousness.

Then, she stood up and walked out of the washroom.

What she didn’t know was that Jordy Collins looked at her with a hint of doubt in his eyes.

Very quickly, Gloria White appeared in the private room.

She saw Jones Goddard and a few men, each of whom had an overwhelming momentum.

Especially that Quinto in front of Jones Goddard!

She knew that Quinto had planted a seed of hatred for her in the bet earlier. Now that he was making trouble on purpose, how could Quinto look at her well?

“What is it?” Gloria White asked indifferently.

“How dare you ask us what we want? Don’t you know what you and Jordy Collins have done?”

Quinto reprimanded fiercely; his eyes as sharp as knives.

She and Jordy Collins did two things in the casino. One was to bet on becoming a public enemy, and the other was to win the Misty Spirit Grass at the price of 1.6 trillion dollars!

“Haven’t we arranged for someone to contact you?”

Gloria White frowned and his face turned cold.

This casino was endless!

Now, she had no patience or time to waste with them.

“Take over? Do you want to take away the Misty Spirit Grass with a third of your money? Do you even have money? If you don’t, why are you raising your bidding paddles in the auction?”

Quinto sounded aggressive.

Gloria White looked at him coldly, "No matter how much you serve, you have to ensure that you survive, right?"

She knew that Quinto was only saying that because of Jones Goddard's idea.

"You..."

Quinto angrily wanted to rush forward and attack Gloria White.

Gloria White sneered and kicked Quinto's knee.

Quinto fell to the ground and wailed!

When she was gambling, she did not take any action, but she was not weak either!

Instead of looking at the errand boy, she stared at Jones Goddard and said, "I'm only talking to you about this. Can you listen to me now?"

Quinto's face darkened, did Gloria White ignore her!?

He clenched his teeth and was about to say something when Jones Goddard spoke. "Go ahead."

Gloria White immediately replied in a deep voice, "We have encountered a temporary problem, but we will not delay you. Please give us some time."

"We'll pay for it, and our men will return shortly and they will contact you immediately. If you don't believe me, or if you've angered us, then we don't want that Misty Spirit Grass. Do you think people will be so stupid as to spend 1.6 trillion dollars buying the thing that we don't want?"

There was no need for her to reason with Quinto.

Jones Goddard didn't answer.

This was because they could not deny that Gloria's words were reasonable. If they did not make a deal for 1.6 trillion dollars, others would not believe that the Misty Spirit Grass was real.

If the auction failed to reach 1.6 trillion dollars, the casino would suffer a huge loss.

The loss outweighed the gain. How could the casino do something like that?

"I still have something to deal with. If you are not assured, we will stay here as hostages. But I don't want you to disturb us here!"

Gloria White swept her gaze across them. After she finished speaking, she turned and walked directly to the bathroom.

Just as she was about to push the door open...

Read Novel Remarriage Never And Go Away Chapter 1349

Remarriage Never And Go Away Chapter 1349—There was a creak and the door to the private room was pushed open and Harold Ross walked in.

Harold Ross's expression was hurried. Behind him, three to four people were carrying a big tub.

When Harold Ross saw Jones Goddard and Quinto, he immediately understood why they were there, but they couldn't understand their behavior.

"What are you doing?"

Quinto took a step forward.

The corner of Gloria's mouth curled into a cold smile.

Quinto was really like a good dog by Jones Goddard's side.

"We have some things to deal with, and please send me hot water here. You don't need to be worried; we will convert the site fee to you."

With that, Gloria White turned around.

Quinto wanted to say something more, but Jones Goddard stopped him.

Harold Ross gave his men look.

He took the bathtub into the bathroom.

"Let's go. I'll deal with the 1.6 trillion dollars and venue fees," Harold Ross said coldly.

They were worried about the huge amount of money, which he could understand.

But the problem was things have gone too far, then it would easily cause people to dislike them.

At that moment, they were already very repulsive.

Jones Goddard didn't say anything. He gave his subordinates a look, then they left and took Harold Ross backstage.

In the bathroom,

Jordy's forehead was covered with cold sweat, and his face was bloodshot. His black eyes were now bloodshot.

It was evident that Jordy's condition was very bad!

She did not dare to delay any longer and quickly filled the tub with medicine.

She tore off Jordy Collins's clothes and urged him. "Jordy Collins, hurry up and sit inside. Change your bath in forty minutes!"

Although the process was long and torturous, there was nothing he could do except force the medicine out of his body!

"Jordy Collins, hold on. Harold Ross has paid 1.6 trillion dollars. As long as you can hold on, we can take the Misty Spirit Grass back to save Grandma!"

Gloria White encouraged Jordy Collins.

Jordy's voice was extremely hoarse as he replied, "Umm."

And her...as long as she was here, he had to hold on.

He could not let her look down on him.

There were some doubts that he needed her to answer!

Rachel Roberts, after running out of the casino, quickly got in the car. She ran while wearing clothes.

Her clothes were in disarray. Luckily, she was still holding Gloria White's face. In this way, the person who lost face was Gloria White, not her!

She could even find this video to make an article!

However, what made her the angriest was that she had failed, especially when she was caught red-handed by

Gloria White. That look of disdain and contempt provoked her.

Rachel Roberts couldn't control herself.

She called Angela White.

“How do you feel?”

Angela White thought that she had succeeded. After all, such a long time had passed.

However, what came through the phone was Rachel Roberts’s angry voice, “What did you do? Didn’t you tell me that this was the most perfect encounter? Why did Gloria White return?”

“What did you say? Gloria White is back?”

Angela White’s expression was extremely ugly! She had been sitting there leisurely just now, but now she suddenly stood up!

She had received the information that Gloria White had already been sent away.

“Humph, I don’t know how you do things. If I hadn’t been careful, I would have lost all my face today!”

“From now on, I will no longer cooperate with you!”

After saying that, Rachel Roberts hung up the phone coldly.

Remarriage Never And Go Away Chapter 1350—“Back to the hotel.”

Rachel Roberts’s face darkened and she threatened the driver.

“Miss Roberts, what about the man tied up in the casino?” The driver turned his head and asked Rachel Roberts.

Hearing the driver’s question, Rachel Roberts remembered Gerald Turner. She narrowed her eyes. “Bring him back.”

He didn’t help her at the auction, and he dared to steal her virginity. She had to make this man pay the price now!

Harold Ross came back when Jordy Collins changed the dressing for the third time.

He brought the Misty Spirit Grass that was sold for 1.6 trillion dollars. At the same time, he brought news to Jordy Collins and Gloria White:

“Mr. Collins, Miss White, the Crockfords Club has decided to hold a dancing party at 10 p.m. three days later to end the auction as a show of gratitude for everyone’s support. This is an invitation.”

With that, Harold Ross placed the black invitation in front of Gloria White and Jordy Collins.

Gloria White looked at the black invitation and could not help but frown.

Normally, the invitation card was red, but the Crockfords Club was different from the others. They used black invitation cards.

“Do you want to participate?”

Gloria White stopped her train of thought and looked up at Jordy Collins, who was sweating profusely.

Although the three medicinal baths had consumed the medicine in his body, there was still residual medicine in his body. He had to take medicine, and even his pulse was very weak after a few times of struggling.

His current weak state wasn’t suitable for a long journey.

“Crockfords Club requests that everyone present at tonight’s auction must attend.”

Jordy Collins didn’t reply. He just opened his eyes, which were black and cold.

However, Harold Ross added.

Gloria White found it funny, “No matter how big the casino is, it has yet to separate itself from its identity.”

“He is not the president of the UK. Why does he ask that everyone attend the auction?”

At the moment when Harold Ross had successfully obtained the Misty Spirit Grass, upon hearing Jones Goddard’s words, he felt the same disdain as Gloria White.

It was not until Jones Goddard said, “Our boss is here to thank you. Also, he wants to announce something at the auction. I believe you will all be interested in that matter.”

Harold Ross repeated Jones’s words to them.

This piqued their curiosity.

What was the boss of the Crockfords Club going to announce? And it was something that interested them.

“I’ll participate. If you’re not participating, then wait for me at the hotel. Under your current circumstances, it’s not suitable for long-distance flight.” Gloria’s interest was piqued.

“Then I’ll come back in a few days. I’ll go with you.”

Jordy Collins spoke slowly. He had been repressed for so long that his voice was hoarse.

At present, he was worried about her going out alone.

Only then did Jordy Collins remember that she had been sent away alone.

“Is the boss of Crockfords Club looking for you?”

Jordy Collins frowned deeply.

“No, someone wanted to kill me. Halfway through, I was saved by a masked man,” Gloria White truthfully explained the situation.

Thinking of the siege just now, she was still frightened.

After all, that was a moment of life and death.

There were so many people. If it weren’t for the man wearing the mask, she would have died miserably under their knives!

Jordy Collins didn’t reply but just stared at her quietly with his dark eyes.

Gloria White felt uncomfortable under his gaze, “Can you not look at me like that? I don’t know that man.”
