Remarriage Never And Go Away Chapter 1391–Falling in Love at First Sight

Asher knew that she knew medical skills, and she also had an intuition. Asher knew more than that.

Gloria White raised her lips in an instant, “I charge a high price, and I don’t treat mental illnesses. Take your stuff back, I don’t need it!”

Although she had a smile on her face, she spoke the most heartless words.

After that, she closed the door.

However, he stretched out a leg and crossed it in the crack of the door, blocking Gloria’s movement.

A smile rose on Asher’s lips. At this moment, he was wearing a greyish-colored shirt, standing under the light. It was undeniable that he was charming and otherworldly at this moment.

Gloria White was annoyed by the Asher. She smiled and kicked his knee, which was also sore, and hit his acupuncture point.

Although Asher did not make a sound, he retracted his foot in pain.

Gloria White had no interest in his forbearance and directly slammed the door.

She had a temper. If she didn’t listen to his warnings once or twice, then she couldn’t be blamed for taking action!

At the same time, two tall bodyguards in black suits rushed out of the darkness-

“Are you all right, Prince Asher? Do you need us...”

Before one of the bodyguards didn’t finish speaking, Asher raised his hand to interrupt him, “You don’t need to interfere. Also, warn them not to interfere. I know what I’m doing with Gloria White!”

The expressions of the two changed slightly. One of them spoke in a voice that only they could

hear, "But Princess is already very angry. She said that you don't take matters seriously and that you are having improper relations between a man and a woman here. Princess intends to quickly get rid of Gloria White while there are people who can work together!"

Asher's expression immediately changed when he heard that. His eyes darkened. The next second, the bodyguard directly was choked by him.

"Crack!"

"Bang!"

The two voices sounded at the same time. Looking at the bodyguard who had fallen to the ground in front of her, a sneer flashed across the corners of Asher's mouth. "Go back and tell her that if she still wants to have her current status, she'd better not interfere in my business."

The other bodyguard was so scared that his face changed and he didn't even dare to speak.

However, he had to obey Asher's orders. "Yes, Prince Asher."

"Get rid of the body," said Asher coldly. Then, he put all the clothes and flowers in front of Gloria's door before leaving.

On Gloria's side, she had witnessed everything with her own eyes through the peephole.

Fortunately, the sound insulation in the room was good, so she didn't hear any conversation between Asher and the two bodyguards. She could only see Asher kill his man cruelly.

Everything was going as she had expected. Asher was harsh and dangerous!

"Why didn't you leave with me just now?"

While Gloria White was deep in thought, Jordy's voice suddenly sounded in his ears. His words carried a hint of mockery.

"Why do you care about my business?" Gloria White rolled his eyes at Jordy Collins.

This man was getting more and more sarcastic.

She could not be bothered by him anymore and turned her back to him.

A few minutes later, she went out to fetch the things left behind by Asher.

Since the Asher was delivered sincerely, she had to follow his wishes and see the real purpose of the Asher. If she did not take this step forward, she had no way of knowing his true intentions. After all, such a dangerous and fierce man had lowered himself to approach her and please her.

In particular, she had never come into contact with it before. She did not believe that it was love at first sight!

The dress that Asher prepared for her was black. It was not a dress, but a simple style, which was a little similar to the shirt he just wore.

She might be regarded as a member of the same department or a couple if she wore it this time, but she didn't care. After all, the people here were scattered everywhere.

Once she left, they would never meet again.

As long as she could achieve what she wanted.

Seeing that Gloria White had changed his clothes and had drawn up some exquisite makeup, Jordy

Collins could not help but coldly mock her.

"Gloria White, be careful."

She had just come in with flowers and clothes, and Jordy Collins saw her.

Gloria White smiled nonchalantly and said, "Thank you for your reminder, Mr. Collins, but don't

worry. No matter how many schemes I fall into, I won't be like you."

As he spoke, Gloria White left the room first.

Unfortunately, just as Gloria White left, Harold Ross entered the room.

In Harold Ross's hand was an exquisite paper bag containing clothes that he had instructed Harold

Ross to bring to Gloria White.

Jordy's face suddenly turned cold, and he shot a sharp look at Harold Ross-

"Harold Ross, what have you been doing lately? Talking too much, presuming too much, looking for someone who has no concept of time at all, I think you don't want to have this job anymore."

Harold Ross felt innocent.

His suggestion was entirely for the sake of Mr. Collins's interests, with his interests being the top priority.

He didn't do anything today.

Suddenly, he thought of something.

"Did that Asher also send clothes to Miss White?"

Jordy Collins didn't reply, but Harold Ross could sense that his gaze had become colder and sharper than before.

He was right.

It was his fault.

"Mr. Collins, Miss White did it on purpose. Don't worry about it. That Asher has an unknown background. How could Miss White like him and get together with him?" Harold Ross scratched his head, trying to pull Jordy Collins back to reality.

Jordy Collins's face was still dark. Just when Harold Ross thought that he was going to die, Jordy

Collins suddenly threw a stern look at him and said, "Arrange more people at night. If anything happens to her, I will hold you accountable."

"Yes."

Harold Ross hurriedly acknowledged, not daring to disobey.

As for Gloria White, when she walked to the beach, she saw from a distance that Asher had already arranged for people to set up a barbecue grill. His cuffs rolled up to his forearms and his collars were wide open. He placed one hand on his waist to direct his subordinates.

Gloria White walked over and teased, "I thought you would do it yourself to show your sincerity."

Upon hearing Gloria's voice, Asher immediately turned his head.

When he saw that Gloria White was wearing the clothes that he had bought, his eyes could not help but darken.

She was tall, thin, and fair-skinned.

The color suited her skin well, and she had even put on makeup.

Even the night couldn't conceal her unparalleled noble presence. It was undeniable that this kind of demeanor and presence was innate.

It was true that killing her would prevent future troubles.

However, taming someone like Gloria White can satisfy his conquer desire even more.

And it would last a long time.

Asher noticed that his thoughts were drifting away, so he restrained himself in time and smiled. "You accept it, so of course, I'm willing to help. Otherwise, perseverance is easy to bear fruit."

As he spoke, the smile on the corners of his mouth deepened.

He was determined to win.

"Then I have to try your cooking properly." Gloria White also smiled. A fake smile, who didn't know how to do it?

Asher made an "OK" gesture to her, then put down his hand and made a "please" gesture to her, which made him look very gentlemanly at that time.

"Sit down first. I'll start after arranging everything."

"Okay." Gloria White smiled and agreed.

In the next second, Asher devoted himself to the arrangement. Looking at Asher's attentive figure,

Gloria White felt nothing but coldness.

If she was still a little girl and hadn't seen his cruel side, she might have been deceived by his current illusion.

Just then, she received a call from Zack.

Zack said respectfully over the phone, "Miss White, we are already downstairs of the hotel where you live. Do you think..."

Gloria White did not expect them to come and find her for the antidote tonight.

However, Zack wasn't talking about the hotel downstairs, but the hotel Harold Ross had booked in the city center.

Gloria White was very sorry, "I'm not there. I'm currently at the seaside villa, near Moon Club. If you guys came from there, it would take at least an hour or so. However, if you guys came over, it would be the end of it."

She must keep her promise. Otherwise, she would lose her credibility.

"Sure, I'll bring my brothers over to find you." Zack trusted Gloria White greatly.

But after hanging up the phone, he was questioned by his four brothers.

"This woman is utilizing us. If she wants to help us, why did she change the place? I think she has a lot of tricks and places to hide!"

"Zack, I see that the poison within your body is just an illusion. You'll still be able to act up in a few

\* can see that she's been quite sincere. If she's not lying to us, I'm going to join her."

The leader pursed his lips and said, looking seriously.

Upon hearing these words, the other four looked over at him in astonishment.

"Boss, did I hear you right? If she doesn't lie to us and detox us, then we're free, and we can go back to our families. I don't understand. Why would you think that?"

One of the men asked in confusion.

Zack was also puzzled. "Boss, I believe in Miss White. We live on the tip of a blade and have suffered a lot. How can we not know our bodies?"

"Since we have detoxified, why don't we enjoy a happy time of freedom and family reunion?"

The elder brother snorted softly. "You guys think too simply. Master will find out sooner or later that the Misty Spirit Grass is fake. When the time comes, if he finds out that we have the antidote, do you think Master will not associate this matter with Gloria White? If we want to survive, following Gloria White and Jordy Collins is the most reliable!"

As soon as these words were spoken, the remaining people looked at each other in speechless despair.

However, it must be said that those words affected them. At the same time, they also realized the truth.

In the end, they reached an agreement.

At this time, Rachel Roberts had also arrived at Moon Club beach.

She contacted Harold Ross right away.

When Harold Ross saw that it was a call from Rachel Roberts and that Jordy Collins was with him, he was so frightened that he sneaked to the side to pick it up.

Rachel Roberts told him, "Assistant Ross, I'm here. Where are you?"

"We are currently on the beach. It's just..." Harold Ross surveyed his surroundings and continued,

\*300 meters away from the entrance."

"Well."

Rachel Roberts answered. After hanging up the phone, she got out of the car and walked to the location Harold Ross had told her.

She soon found Jordy Collins.

Jordy Collins was dressed in white suit and black trousers. His tall figure had been perfectly trimmed, and just standing there, he looked like the most beautiful sight.

Rachel Roberts's heart skipped a beat as she drew closer to Jordy Collins, lifting the hem of her skirt.

She gathered her courage and carefully called out to him. "Jordy Collins."

Hearing the woman's voice, Jordy's face suddenly turned cold. He turned around and looked at her sharply, only to see Rachel Roberts standing not far away from him in a white tuxedo.

It seemed that Rachel Roberts had dressed up carefully.

"What's up?" Thinking of what Rachel Roberts might have done, Jordy Collins couldn't help frowning. But before he found out it was her, he could only suppress his anger.

Hearing Jordy Collins's question and looking at his expression at the moment, Rachel Roberts suddenly realized that Jordy Collins was very disgusted and impatient with her appearance.

However, it was Harold Ross who had invited her.

This meant that the person who asked her out was not Jordy Collins, but Gloria White!

"It's nothing, I just happened to meet you here. I thought I was mistaken. I didn't expect it to be you." Rachel Roberts smiled lightly and did not tell him about Harold Ross and Gloria White colluding to ask her out.

Of course, she would not give up just like that!

Jordy Collins didn't believe her, but he didn't intend to waste any more time with her.

He even disdained to say another word to her before turning around and leaving.

His indifferent attitude further confirmed Rachel Roberts's guess.

Harold Ross watched anxiously from the side. He had invited Rachel Roberts in the name of Mr. Collins, and he had even mentioned it to him. Why didn't Mr. Collins know how to make use of her?

He was not anxious, but Harold Ross was!

Harold Ross had no choice but to find Gloria White.

Seeing Harold Ross appear in front of him, Gloria's face turned cold, "Don't tell me that Jordy Collins is in trouble again."

She was drinking the juice that Asher had prepared for her, and at this moment, she was very relaxed.

Harold Ross denied it. "Mr. Collins wasn't in trouble. I used his name to invite Rachel Roberts here. And I suggest Mr. Collins..."

Seeing Asher not far away, Harold Ross bent down and whispered into Gloria's ear.

Upon hearing this, Gloria's lips curled indifferently, "If he disdains to do such a thing, what use do you think it would be?"

Rachel Roberts liked Jordy Collins, so Rachel Roberts took her as a thorn in her side.

Who wouldn't be on guard against such a person?

"Miss White, you're so smart. How could you not know how to deal with it? Besides, Mr. Collins listens to you best. If you tell him, he might even start using the art of seduction."

"Harold Ross, you're not misunderstanding my obedience, are you?"

Remarriage Never And Go Away Chapter 1395– Miss White Doesn't Believe Me?

Gloria White did not think so.

After all, the truth is on the table.

If Jordy Collins listened to her, so they didn't have to get divorced.

So far, she remembered his cold expression and words when he threw the divorce agreement to her.

Looking at Gloria's cold expression, Harold Ross pursed his lips and braced himself to remind her,

"But Miss White, Rachel Roberts has come. The casino's surveillance camera was damaged. At that time, that person ran out of the private room with your face!"

These words caused Gloria's face to darken.

Her thoughts were pulled back to that night.

"Where is she?" Gloria White asked coldly.

The next second, she put the juice in her hand on the small round table.

Harold Ross immediately replied, "Over there. Miss White, come with me."

Harold Ross led the way.

However, just as Gloria White stood up, Asher saw her, and then he walked over and stopped her.

He frowned with a hint of displeasure. "Gloria, are you going back on your word?"

He narrowed his eyes, which were dangerous and cold.

"No." Gloria White met his gaze and denied, "You haven't started yet. I have something to deal with I'll come over once I'm done."

At the same time, Asher's expression and tone made Gloria White angry. She had only agreed to meet him, but his questioning tone sounded like they were a pair of intimate lovers.

Not to mention that they had not reached this level yet, even if they had, she would have been able to handle it.

Moreover, Harold Ross was also angered by these words.

He smirked. Just as he was about to make a sarcastic remark, Gloria White noticed Harold Ross's intentions and beat him to it.

\*If you think that I am breaking my promise, then so be it." After saying this, Gloria White gave Harold Ross a look before leaving with him.

Asher compromised, and a smile appeared at the corner of his mouth. "Well, I'll wait for you."

Catching up to Gloria White, Harold Ross asked in confusion, "Miss White, why did you interrupt me just now? Asher who is tart and self-righteous should be scolded!"

Seeing Harold Ross's indignant expression, Gloria White felt gratified.

But the fact was that she still had to tell him, "He is cruel and dangerous. If I didn't stop you just now and you scolded him, I think you wouldn't have survived tonight!"

Harold Ross did not reply. It was undeniable that what Gloria White said was the truth.

After a pause, he added, "Miss White, since he's so dangerous, you'd better not take the risk. If there's anything you need, just tell Mr. Collins. He can handle it."

Although in his heart, Gloria White was powerful, she was still just a woman.

With Mr. Collins around, he felt that Gloria White could be the woman behind Mr. Collins.

“Ha, you’re so confident in Mr. Collins?” Gloria White chuckled at Harold Ross’s words. She wasn’t mocking him.

Harold Ross nodded.

Those who were not involved would see the situation. Moreover, this was his first time seeing it.

Due to the change in Gloria’s mood, Jordy Collins could see the extent of his concern.

Gloria White only smiled and said nothing.

Jordy Collins could do it, but she had nothing to do with him now. Why did he have to do it?

Harold Ross was surprised by her expression. “Miss White, you don’t believe me?”

“No.” Just as Gloria White denied it, she saw Rachel Roberts walking towards Jordy Collins with a goblet in his hand

However, Jordy’s outfit surprised her. “A white suit? Why is this man even more baffling than Asher?”

When she looked down at the black dress on her body, it was hard not to suspect that he did it on purpose

“Didn’t you go on a date?”

Jordy Collins happened to look over and saw her.

She was dressed in a long black dress like a black swan in the night, she was noble. It was undeniable that she exuded temptation

But he did not forget that Asher was also in the same color scheme as her tonight.

Jordy’s face darkened at the thought of that man

How could Gloria White not understand what Jordy Collins meant?

She glanced at him coldly and ignored him.

If it weren't for the fact that she didn't lose her face, would she come over?

"Ah, Miss Roberts, what a coincidence Gloria White bypassed Jordy Collins and walked straight toward Rachel Roberts. However, she pretended to be happy and surprised as if she did not notice.

Rachel Roberts replied with a smile, "What a coincidence"

But in her heart, she was filled with disgust and disdain towards Gloria White. It was Gloria White and Harold Ross who had invited her over in one go. Now they were saying that it was a coincidence, how shameless!

Gloria White smiled. She also noticed Rachel Roberts's eyes. It seemed like she was smiling, but in reality, there was a hint of indifference in them

She deliberately mentioned the encounter in the restaurant the other day. "Miss Roberts, what happened two days ago? Why did you leave without saying goodbye?"

She asked while observing Rachel Roberts's expression.

Rachel Roberts knew that this invitation was not a simple one. She was already prepared and on top of that, she had already seen through Gloria White and Harold Ross's intentions. How could she possibly expose herself in front of Gloria White?

Rachel Roberts nodded with a smile. Yes, it was indeed an emergency that day, so I didn't have time to say hello to you. It's rare to meet an old friend in a foreign land. It's my treat tonight

The last sentence showed the extravagance of Rachel Roberts.

Gloria White laughed sheepishly, "How can I let Miss Roberts treat us? Our Mr. Collins is here too. it's not our turn to treat. Should we play some games to liven things up?"

Gloria White pushed Jordy Collins out and played games with Rachel Roberts.

Rachel Roberts was very surprised but also a little flustered, but she did not dare to show any abnormalities on her face.

She was afraid that Gloria White would be sensitive and notice something.

She asked Gloria White in confusion, "What game does Miss White want to play?"

That was true.

She realized that Gloria's thoughts were very active and that no one could see through her true thoughts

But she was already here. The arrow was on the string and there was no way to leave.

"Playing cards, or Truth or Dare is fine. If Miss Roberts has a good game to recommend, it's all right." Gloria White gave a few examples, but she still gave Rachel Roberts the final decision.

Rachel Roberts was in a dilemma.

Gloria White would not bring up the idea of playing games for no reason Furthermore, they had barely interacted before. Furthermore, because of Jordy Collins, as well as that day at the restaurant Gloria White had deliberately brought it up again.

Perhaps Gloria White had already noticed something.

Rachel Roberts had to pretend to be embarrassed. "Miss White, I don't usually play this, so you asked me to recommend you. I don't know what to play. If you want to play, you can play. I'll just watch from the side"

"I saw you at the casino that day. Furthermore, with your status, even if you have never played these games before, you must have seen a lot of people around you "Gloria White did not believe that Rachel Roberts could not play games, nor would she allow her to back out just like that

While she was talking to Rachel Roberts, Jordy's eyes fell on the two of them.

Gloria White tried to probe her step by step, and Rachel Roberts took a step back,

He also noticed Harold Ross, who was watching from the side. The moment his gaze landed on Harold Ross, Harold Ross rapidly bowed his head, not daring to meet his gaze.

Harold Ross's reaction made Jordy Collins suddenly understand why Rachel Roberts had appeared here, and why Gloria White had left Asher and run over here.

His eyes darkened

Harold Ross could already sense that he was being stared at. Those eyes were like ice knives, sweeping over his body. Just the thought of those eyes that wanted to kill him made him break out in cold sweat.

But he didn't dare to look up

He even wanted to leave. "Miss White, Miss Roberts, what do you want to drink? I'll prepare it for you!"

"I want juice. Miss Roberts, what about you?" Gloria White said impolitely and even took the initiative to ask Rachel Roberts

Rachel Roberts answered with a smile, "Just like Miss White."

"Okay, then I prepare juice for you" Harold Ross quickly replied, and ran away without even asking Jordy Collins.

Gloria White took the initiative to pull out a chair for Rachel Roberts, her face full of smiles.

Rachel Roberts's mouth was full of smiles. At this moment, they looked like good sisters who had known each other for many years.

But they knew very well in their hearts that they would never be friends!

Gloria White looked into Rachel Roberts's dark eyes and did not let go of any opportunity to observe, I think we should play Truth or Dare. And one of my friends will come later, let's enjoy ourselves together."

'Call the Asher over as well. Let's play and see who will give themselves away

Upon hearing Gloria White's words "friend", Jordy's brows furrowed and his face darkened. It had only been a few days, but Gloria White had already treated that snaky person with an unknown background as a friend

"Gloria White, can anyone be your friend?" Jordy's voice was cold and indifferent.

At this moment, his eyes were very dark. Upon closer inspection, there was obvious anger in them Gloria White knew what he meant. She frowned and rolled her eyes at Jordy Collins

Not only had this man been behaving strangely lately, but he was also mentally ill. She had only said these polite words to Rachel Roberts on purpose. It was fine if he didn't follow Harold Ross's instructions to use a handsome boy trick, but it was also fine that he didn't understand What was going on here?

At the same time, she signaled to Jordy Collins to shut up.

Jordy's face immediately turned black and smelly!

"Miss White, Miss Roberts, your juice is here" Just as Jordy Collins was about to say Harold Ross appeared in front of them with two glasses of juice in his hand, smiling. something.

Harold Ross's service was very good, but he could also clearly see Jordy's face and sharp eyes

He was going to suffer!

He immediately threw a pleading look at Gloria White

Gloria White laughed. Jordy Collins was angry, but not to the extent that Harold Ross thought

She gave Harold Ross a reassuring look.

Harold Ross felt wronged, innocent, and pitiful.

But!

Jordy Collins had assigned him a task

"Go get the cards. After that, give me those reports, Jordy Collins said coldly, his tone brooking no refusal

The former was fine, but Harold Ross wanted to cry

Those were not reports!

That was half a year's report from the Collins Group!

Judging from the look on Jordy's face, it was clear that he had to finish the work before the end of the day at the domestic headquarters. He didn't need to sleep anymore. He was going to die!

Harold Ross knew that he could no longer ask Gloria White for help and could only leave in the grievance

Watching Harold Ross's back as he left, Gloria White could not help but laugh.

"Look at this child, what kind of damage has been done to him by Jordy Collins!"

However, she did not forget the important matter at hand. When Rachel Roberts was about to drink the juice, Gloria White quickly took out a silver needle and inserted it into Rachel Roberts and her juice.

Rachel Roberts looked at her movements and couldn't help being stunned.

Gloria White smiled and explained. "Ever since Jordy Collins was drugged in the Crockfords Club casino, we have always been like this. We have to be careful when we eat out."

"Oh yeah, Miss Roberts, you were in the private room next door, weren't you? Did you see any suspicious people entering and exiting my and Jordy's private rooms? For example, someone who looks exactly like me but whose behavior is completely different from mine?" Gloria White curled her lips and asked Rachel Roberts tentatively

The next second, she put away her silver needles and pushed the glass of juice in front of Rachel Roberts

Rachel Roberts's heart skipped a beat

Although she was prepared, the moment Gloria White asked, she panicked

She discreetly pinched her palms to calm herself down, I was traveling with my friends that day.

I'd wanted to greet you guys, but I noticed that all of you seemed to be busy, and I had to take care of my friends, so I didn't go looking for you guys. Later on, when the auction ended, I left with my friend. I didn't notice anyone who looked exactly like you coming out of a private room from the back."

Rachel Roberts smiled. She thought that her explanation was perfect, but she did not know that Gloria White had already noticed something amiss in her words.

She just said that she didn't see any suspicious people coming in and out of her and Jordy's private room, but Rachel Roberts said that she hadn't seen anyone who looked exactly like her coming out of the room from the back.

She didn't even tell her the whole story. How could Rachel Roberts know it was the back?

The person wearing the human skin mask that night was probably Rachel Roberts.

“It doesn’t matter, I’m just asking. Anyway. I’m looking for her right now. This kind of person is shameless” Gloria White scolded angrily while secretly observing Rachel Roberts’s expression, “But then again, if she can transform into someone else’s face to do such a despicable thing, how shameless can she be?”

“That night, I seemed to have noticed that there was a small red mole on her chest Gloria White propped up her cheek with one hand and gave Rachel Roberts a look as if she was recalling something

Rachel Roberts’s heart tightened.

She could no longer sit still

Although she had escaped from the private room completely naked that day, she was very clear that her body and chest did not have the little red mole that Gloria White had mentioned

However, Gloria White did not seem to be testing her.

Could it be that she grew up later?

Thinking of this, Rachel Roberts subconsciously covered her chest. She was still wearing a low-cut tube top dress today. If she was found out by Gloria White while playing, wouldn’t she be completely exposed?

## **Read Novel Remarriage Never And Go Away Chapter 1399**

Rachel Roberts’s action had completely exposed his identity.

However, Gloria White was not in a hurry. She smiled gently, “Miss Roberts, it’s windy by the sea. Are you a little cold? If you’re cold, I can get Harold Ross to get you a suit of Jordy’s clothes”

The moment the words left his mouth, Gloria White felt a chill run down his spine.

She knew that Jordy’s knife-like eyes were fixed on her

However, Gloria White did not care. This was not only to protect his face but also to help him find the murderer

It was Rachel Roberts. How could Rachel Roberts not know where she got the medicine? Since she knew where and knew the man, she must know the antidote

With the antidote, why bother trying to find methods to crack the antidote?

This isn't too good, right?" As she spoke, Rachel Roberts followed Gloria's words and adjusted her arm, pretending to be cold.

Gloria White replied with a smile, "What are you afraid of? You're the guest. It's just a piece of clothing. Oh, I almost forgot, isn't Jordy Collins here? Aren't your clothes here?"

She remembered that Jordy Collins just wore a white suit jacket

"Mr. Collins, Miss Roberts is a little cold. Lend me your clothes Gloria White smiled at Jordy Collins

At the same time, she signaled to Jordy Collins with her eyes.

However, Jordy Collins didn't seem to care at all. "I never give my clothes to outsiders." He refused coldly.

Seeing Jordy Collins like this, Rachel Roberts had to find an excuse for herself. "It doesn't matter. I'll be fine in a minute."

Rachel Roberts deliberately sneezed and rubbed the tip of her nose.

Gloria White had a good start. She could just go along with Gloria White's words and say that it was windy by the sea. She had caught a cold and wanted to leave early.

However, how could Gloria White allow such a situation to happen?

She rose to her feet and glanced at Jordy Collins. "You're too much, aren't you? You've already divorced me, but you still haven't learned to take pity on women."

With that, she approached Jordy Collins.

Before Jordy Collins could say anything, she had already taken off his suit jacket.

"Jordy Collins, cooperate with me!" Gloria White lowered her voice and warned Jordy Collins through gritted teeth.

Jordy Collins wanted to push Gloria White away, but he saw from the corner of his eyes that Asher was walking towards him. He did not make a move, and Gloria White successfully took off his suit.

However, in the next second, Gloria White directly approached Rachel Roberts.

She put his coat on Rachel Roberts and helped her move closer “Miss Roberts, it’s windy by the sea Don’t catch a cold. Mr. Collins has mysophobia, but it can’t be compared with human health ”

“You’re already here, how can I let you catch a cold? Also, the party and the game have yet to begin. If I let you leave just like that, wouldn’t that make us seem very inhumane?” Gloria White smiled Immediately after, she passed the glass of juice to Rachel Roberts

When Rachel Roberts was about to take it...

“Gloria “

An angry voice came from behind. Gloria White intentionally loosened her grip. Rachel Roberts failed to hold onto the juice, and the juice was directly spilled in front of her.

“Jordy Collins, what are you crazy about?” Gloria White turned her head and yelled at Jordy Collins angrily Rachel Roberts was also scared to scream.

At the same time, Gloria White immediately came back to her senses and hurriedly pulled out a tissue to wipe away the stains on Miss Roberts’s chest. “Miss Roberts, I’m sorry for damaging your clothes How about you come with me to my room to change into a clean set of clothes? I have not worn clean clothes yet. When we get changed later, we’ll settle the score with Jordy Collins!”

It was undeniable that Jordy Collins was very cooperative

However, what happened convinced Rachel Roberts that Gloria White was testing her on purpose.

If she didn’t go, wouldn’t that be falling right into Gloria White’s trap?

She hesitated for a moment before saying. Then I’ll have to trouble Miss White.”

After Rachel Roberts agreed, Gloria White brought her back to the room.

As for Jordy Collins, Asher walked over, and so did Jordy Collins.

Looking at Jordy Collins, who was opposite him, a low smile appeared on Asher’s lips. “What’s wrong, Mr. Collins? Do you want to talk to me?”

“Stay away from her.” Jordy Collins stared sharply at the Asher opposite him. No matter who the Asher was, Jordy Collins didn’t take him seriously at all.

Hearing that, Asher laughed in a low voice, as if he had just heard the funniest joke in the world. “If remember correctly, Mr. Collins and Gloria are divorced.”

“So what?” Jordy Collins snorted derisively, his eyes flashing with malice.

It was not up to others to tell him what to do!

Asher didn’t take Jordy’s words in his mind at all, and there was a sarcastic smile on his lips “Divorce and non-divorce are two different concepts. You are her husband without a divorce. Who do you think you are?”

These words showed that he didn’t take Jordy Collins seriously at all

Jordy Collins narrowed his eyes. There was no doubt that Asher drew out all the anger in his heart

And Jordy’s various reactions, Asher also clearly sees.

However, before they could exchange blows, Harold Ross appeared. He had already found the

poker cards as Jordy Collins had instructed. Seeing that Gloria White and Rachel Roberts were not around, he immediately asked, “Where are Miss White and Miss Roberts?”

Could it be that Miss White had already taken action?

Then again, Mr. Collins wouldn’t be standing here alone if she were to take action, but he did notice the Asher.

He immediately understood.

The situation had changed now. Gloria White dealt with Rachel Roberts, while Mr. Collins dealt with Asher

“She left with a girl. I think she’s gone back to her room Assistant Ross, why don’t you tell Gloria that I am here after finishing my matters?”

The corners of Asher’s mouth twitched into a smile. He looked gentle and amiable.

However, Harold Ross did not forget what Gloria White had said and Asher also mentioned his

It seemed that Asher had already mastered their information.

“Mr. Collins, it’s time for you to take the medicine” Harold Ross remembered Gloria White’s words and knew what Asher wanted to do. He wanted to send him away.

However, he was not that stupid, and he was not the man of Asher. There was no need to listen to his orders.

At the moment, it was not the time for them to get in conflict with Asher.

However, Jordy Collins had no scruples about these things. Even if there was conflict, he was not afraid at all.

Harold Ross was very clear about Jordy’s character. Seeing that he couldn’t persuade him, he had to use Gloria White as an excuse. He lowered his voice again and said, “Mr. Collins, think about Miss White. If Miss White exposes Rachel Roberts, will Rachel Roberts be angry?”
