Remarriage Never And Go Away Chapter 1441-But They Had Got Divorced!

Gloria had no choice but to tell him what happened, "It's not a big deal. He wanted a three-day trip with me. Maybe he wanted me to go back to the Middle East with him for something."

Just when Gloria thought Jordy would finally let her go, he said, "I won't let you go with him!"

Hearing his words, Gloria was upset, "Why?"

She made the deal with Mr. Goddard for his antidote. It was a fair deal.

Besides, she always kept her word.

If she went back on her word, she would be no better than a bounder!

However, she looked hesitant. Was... Jordy doing this for another purpose?

Being tricked this time was a lifelong disgrace to him, and he had never been so weak. He...

Gloria gazed at the person in front of her.

Jordy looked sullen. He said, "That guy is insidious and cunning. If he wants the Misty Lucid Ganoderma, give it to him. You don't need to take risks."

Gloria looked at him in disbelief.

He gripped her hand and she could feel pain clearly. Obviously, this was not an illusion.

She couldn't believe that he actually said those words, but his expression was so firm and she had heard him clearly.

He spent a lot of time finding the Misty Lucid Ganoderma and a lot of money to get it. He went to the UK while putting up with her just because he wanted to take the herb back to cure grandma.

"Jordy, you only have one Misty Lucid Ganoderma. If you really compromise and give it to others, what will happen to grandma?" Gloria pursed her lips and looked Jordy in the eye.

She didn't know why, but she really wanted to see Jordy's reaction.

Jordy made his attitude very clear, "Grandma's illness must be treated as soon as possible, but I will also keep you safe. Since he wants Misty Lucid Ganoderma, he won't really kill me."

"You stay here. I'll deal with it." Jordy added in a domineering and firm tone.

Gloria refused, "You said it yourself. Mr. Goddard is insidious and ruthless. I took so much trouble to get the antidote for you. What if you are tricked by him again? Since he offered me such a deal, he wouldn't want me dead. Stop wasting time. Take the Misty Lucid Ganoderma home with you. You can rest assured that I will help you get everything done and come back safely."

After saying that, Gloria tried to pull his hand off hers.

His fingers were very long, but they were cold because he was poisoned.

The moment Gloria touched his fingers, she swallowed.

After the divorce, they had several physical contacts for feeling his pulse for him. She didn't know why she had such a feeling at this moment.

But... Jordy grabbed her hand tightly.

He was stubborn, and no one could persuade him.

"I can't leave you here and go back alone. I can't explain it to grandma." Jordy frowned deeply, making his attitude clear.

Gloria was a little helpless, "If you don't let me go now, I can't fulfill my promise. They will think I'm going to go back on my word! Jordy, you can imagine the consequences of some things. I played along with you in front of grandma. But you and I are grow-ups. You should know that I was just playing along, right?"

Jordy naturally knew that. However, to please grandma, he still did what grandma wanted him to do.

But they had got divorced!

Remarriage Never And Go Away Chapter 1442–If he really wanted grandma to be happy, why did he insist on divorcing her when grandma didn't agree to their divorce?

Jordy didn't answer her question. Gloria's words were like needles, stabbing his heart and making him very uncomfortable.

Grandma liked Gloria, which was one of the reasons why he cared about Gloria so much. After going through those things with her, he found that he was wrong about her before.

Gloria was not an evil and vicious woman.

So, Angela lied before. Their marriage...

Seeing that Jordy kept silent, Gloria was amused, and also thought it was ironic, "Jordy, do you really want to remarry me?"

Hearing Gloria's words, Jordy came out of his trance, and noticed Gloria's expression at the moment.

She scoffed at his attempt of remarrying her.

She thought it was a joke.

However, Gloria really thought like that!

She never won his heart in their three-year-marriage. How could he fall in love with her after they got divorced?

Men were always like this, and would only regret it and feel empty after losing something important. After they got divorced, she stopped being humble in front of him and felt happier than before.

Only a fool would remarry him!

Jordy looked cold and serious.

Gloria could see that he was serious.

His thin lips were tightly pressed into a straight line, and then he said in a firm tone, "Gloria, I didn't know you well before, but now I found that...'

"Don't tell me you found something good in me, Jordy. You didn't know me well, because you thought I was despicable and you hated me. Whether people like or dislike a person is not easy to change overnight. You just think that I am different from before, and if I remarry you, it will be the most favorable to grandma's illness, and your grandpa will also be happy."

Gloria interrupted Jordy coldly before he finished speaking.

She told the truth.

Then she fixed her eyes on Jordy's hand and didn't say anything else, but her meaning was obvious. She wanted Jordy to let go of her immediately.

Jordy still grabbed her hand.

Gloria felt that she was coming to the end of her patience. She didn't want to waste her breath on Jordy anymore. So she clasped Jordy's wrist and tried to pull his hand off hers.

Although Jordy was weak after being poisoned, he was a man. Men were always stronger than women. She couldn't subdue Jordy with her current strength yet.

The next second, Jordy reached out and pulled Gloria to him.

He wrapped his arm around her waist and pressed her under him.

"I'll deal with Mr. Goddard. You stay here." Jordy made up his mind and his attitude remained tough.

Gloria stretched out her hands to push him. The fragrance of herbs on Jordy and the breath of his male hormones filled her nose.

His face also magnified in front of her.

After all, she loved him before. At this moment, Gloria was very nervous, and didn't even dare to look at Jordy.

She struggled with shame and annoyance, "Jordy, stop being so shameless! Let me go, or..."

"We are in the UK and we used to be husband and wife." Jordy interrupted her with casualness, and his expression and words were really annoying!

Remarriage Never And Go Away Chapter 1443– It's Your Turn!

Gloria punched him in the chest...

"As you said, we used to be husband and wife, but we have got divorced. Don't answer me back again. If you do anything to me, I will beat you up!"

Jordy didn't let Gloria go after hearing her words, but before he could say anything, noises sounded outside the door, "This is not your turf. Show some respect!"

"Go away!"

With a bang, the door was kicked open from the outside.

Mr. Goddard stormed in with his men.

Gloria took the chance and pushed Jordy aside.

Jordy glanced at Mr. Goddard with cold eyes.

Mr. Goddard thought nothing of Jordy, "You can look at me with such eyes, so I guess that you are recovering well. You got the antidote by pushing your woman out. Don't you think you are useless?"

Mr. Goddard saw Jordy holding Gloria in his arms when he came in.

He found it very interesting.

Jordy was upset by Mr. Goddard. The moment Jordy was about to get up, Gloria reached out and stopped him. She even gently pulled him.

She didn't want Jordy to clash with Mr. Goddard at this point.

If this despicable person poisoned Jordy again, she couldn't solve it in a while. It would only throw them into confusion and make Jordy suffer more.

Gloria snorted. When she was about to answer back, Jordy suddenly said, "A despicable man like you who could only play insidious tricks won't achieve anything, either. Am I right?"

Mr. Goddard sneered, but in fact, he was very afraid of Jordy.

He knew Jordy was a bigwig.

"You just want Misty Lucid Ganoderma, don't you?" Jordy said in a cold voice.

And mockery and irony were obvious in his words.

"Yes, I want it. To get things we want, it's okay to play some tricks, right? I'm better than you. At least, I don't get things I want by pushing my woman out!"

The sarcasm on Mr. Goddard's lips was stronger.

But as soon as he finished speaking, Jordy dashed at him.

“Bang!”

He was so fast. The others didn't even see what he did to Mr. Goddard but only saw Mr. Goddard already on his knees in front of Jordy.

Mr. Goddard came here with his men, and he was a prominent figure in the Middle East. So, he would not allow Jordy to humiliate him like this!

But the moment he tried to get up, Jordy pressed him on the shoulder.

Mr. Goddard was suddenly enraged and wanted to shake Jordy's hand off, but Jordy's hand pressed on him firmly like a huge stone.

Jordy stood proudly before Mr. Goddard, “I just played along with you, but you really think you can poison me?”

“What?”

Mr. Goddard didn't expect that he was the one who was tricked!

Gloria just watched this coldly.

She didn't expect that Jordy really had a plan.

“Gloria is mine, but you actually made the deal with her without my permission?” Jordy narrowed his eyes, and he said forcefully and tightened his grip on Mr. Goddard's shoulder.

The next second, a crack was heard. Mr. Goddard only felt the intense pain in his shoulder blade.

However, he just frowned and didn't make any sound.

“Now it's your turn!”

Remarriage Never And Go Away Chapter 1444– Investigate Those Things Thoroughly

Jordy opened his mouth coldly. The moment he finished speaking, a large number of people in black rushed in from outside and surrounded Mr. Goddard.

Mr. Goddard's men were naturally disarmed!

And Jordy seized Mr. Goddard by the jaw and directly stuffed a pile of small pills into his mouth.

Mr. Goddard was frightened, trying to get the pills out of his throat but Jordy held his cheeks tightly.

"Jordy, I'll kill you! I know I was set up by you, but do you think I'll let you feel proud about doing this to me?"

Mr. Goddard gritted his teeth, and his blue eyes were burning with anger and coldness.

If one could kill people with his eyes, Jordy would have been killed by Mr. Goddard a hundred times!

Jordy didn't take his words to heart. He snorted, "You should think about how to survive the ten deadly poisons before getting back at me!"

Then, Mr. Goddard was grabbed and thrown directly into the bathroom.

The door was directly locked from the outside.

"Ah!"

Hysterical screams sounded through the whole private room, but the private room was seriously soundproof. Those who participated in the party downstairs did not hear any sound at all and were not affected.

'Where are you going?"

Seeing that Gloria was leaving, Jordy stepped forward and stopped her.

Gloria didn't look back, but her expression was indifferent, "It's noisy there. I'm going out to get some fresh air. Besides, I don't have to tell you about everything I do, right?"

She didn't expect that Jordy just pretended to be poisoned for arousing Mr. Goddard's desire to win.

She just felt that it was ridiculous for her to rush to Mr. Goddard for the antidote and even compromise and make the deal with him.

"I know you're angry, but I'm a man, and I can handle such a thing." Jordy noticed the indifference and anger in her eyes.

He caught up with Gloria, followed her out of the private room, and explained to her quickly.

Hearing his words, Gloria was even angrier.

She glanced at him with murderous eyes, "So you mean I was being nosy?"

She should have ignored him and let him be tortured by the poison.

She should have let him run a risk of his life and see if Mr. Goddard would really kill him with the poison!

Jordy stood in front of her and explained, "I didn't say that. Gloria, now we are in the same boat."

Although Jordy looked weak and pale at the moment, he was in a good condition and tolerated the poison well.

If it were someone else who was poisoned, he might not be in such good condition after expelling the poison.

"I should have asked Harold to record your look when you were poisoned!" After saying that, Gloria cast a stern glance at Jordy.

She should have left him aside!

"Gloria, let's calm down and talk this over. We made a good team recently. After returning, I will ask Harold to investigate those things thoroughly..."

"No need."

Gloria interrupted Jordy coldly before he finished speaking.

Her expression was sternly cool and unmoved.

Although she understood what Jordy meant, she still refused decisively.

Remarriage Never And Go Away Chapter 1445– They Had Long Been Here

Jordy did not look into those things back then, and did not choose to believe her. What was the point of investigating them now?

Angela was already dead.

He could prove that she was innocent, but people who didn't know the whole thing might think she was trying to discredit Angela again.

Jordy didn't think so. He pursed his lips and said, "Why is it not necessary? It can prove your innocence. Gloria, I..."

Jordy was lost for words when he saw Gloria's cold look.

This was the first time that he had such a reaction in recent decades. He was somewhat surprised.

The next moment, his expression suddenly turned cold, and he pursed his lips in silence.

Gloria was amused by his look and said coldly, "You already believed that I was the murderer back then, didn't you? Even if you find out the truth and prove my innocence, then what? You want to make up for me? Do you think I need your money, or want to continue my loveless marriage with you?"

A marriage without love was more dreadful than a grave!

Like a fool, she thought Jordy would be moved by her back then, and then they could spend their long lives together and support each other in old age.

But the result wasn't that beautiful at all.

"I know you don't care about that, but after going through those things with you, I started to doubt my judgment. I have to find out the truth. Gloria, I won't blame a good person unjustly, or let a bad person get away with it." Jordy's expression was serious and his eyes were cool.

Gloria was amused, "That's none of my business. Now you have the antidote and have controlled Mr. Goddard with poison. Moreover, you have got the Misty Lucid Ganoderma. Now we should go our separate ways."

After saying that, Gloria glided by Jordy, and left him behind.

Jordy knew her temper, but he had told her everything he wanted to say.

It was upto her now.

However, Gloria pushed the door directly into the adjoining private room.

It was Rachel's private room!

Jordy didn't know what she was going to do, but he still followed her.

Gloria went into the private room first.

The moment she opened the door, the two men near the door were immediately alerted. When they tried to subdue Gloria, Gloria quickly stepped back, grabbed their wrists, and pulled them to each other hard. The two men bumped each other violently.

The sudden fighting noise immediately attracted Rachel's attention.

Rachel took on a sullen look at the sight of Gloria, "Gloria, I haven't got even with you for fooling me, but you came to my door first!"

A flash of malice flashed across Rachel's eyes.

She clapped her hands, and several men in black suits swarmed out of the bathroom.

They had long been here under Rachel's instruction!

What a smart move! Rachel was clever.

Since they had seen each other's true faces, they didn't have to hide it anymore.

But the problem was...

Since she had the courage to come, how could she not have expected that?

Without fear, Gloria took out her mobile phone and played the video she copied from the owner of the club.

The video had no sound, but Rachel was not far in front of her.

She could see the video clearly.

Remarriage Never And Go Away Chapter 1446—She Was Ready

She walked into the private room with Gloria's face, and then ran out of the private room naked.

Rachel was shocked.

Angela clearly told her that this video had been erased.

Why did Gloria still have it? Rachel was panicking, but Gloria only sneered calmly. She laughed, "Rachel, are you not going to tell them to step back?"

"Step back!"

Rachel could only compromise even if she didn't want to.

At this time, Jordy stepped in from outside with an extremely cold look. He walked to Gloria's side without even looking at Rachel.

Rachel clenched her teeth.

His attention was always on Gloria! But she had no time to think much about it! She was extremely anxious to snatch the phone from Gloria's hand. She did not want to lose her dignity and pride in front of Jordy.

However, she couldn't and didn't dare to do that! Gloria knew what she was thinking.

She put away her phone with a sneer without showing any pride, but she was bound to win! "Rachel, you discredited me by disguising me but you still refuse to admit it.

Now the evidence is here.

You have only one choice, apologize to me and tell me who is the mastermind behind you, or I will send this video online. You are the young lady of the Roberts family.

I guess you won't want to be laughed at by those netizens like a pornstar or watch the reputation of your Roberts family be affected because of you, right?"

Gloria said these words, showing a cold smile on her lips, but Rachel felt that Gloria was just being provocative, sarcastic and gloating! However...

What Gloria said was indeed what she cared about! She pinched her own palm, unwilling to compromise, but she did not want her reputation to be ruined like this.

When she was in a dilemma, Jordy looked at her.

Rachel was delighted! She knew that Jordy would definitely be the peacemaker for her. He would let her go for the sake of the Roberts family.

However...

Jordy opened his mouth coldly, "The video will be posted online, and she's also going to tell us who is the person behind her. Stop wasting time on her. She asked for this!"

When Jordy said this, his tone was cruel and unfeeling.

Rachel seemed to be struck by a bolt of lightning! So, he didn't mean to plead for her at all.

He was just speaking to Gloria! No! She couldn't believe this! The Roberts family and the Collins family were friends after all.

How could Jordy be so ruthless to her? She could not believe that the man she loved would be so unfeeling regardless of her innocence and dignity! She shook her head in disbelief, "Jordy, I did that because I love you. I have never done anything to hurt you except that. How can you treat me who loves you so much like this?"

Rachel's pride all collapsed at this moment.

As she asked those questions, tears welled up in her eyes.

Jordy scoffed at her words, "Since you set me up, then you must pay the price!"

Rachel's eyelashes fluttered slightly, and she was stiffened all over.

Heh...

This was Jordy.

Cold and heartless forever.

At this moment, she looked Gloria coldly in the eye, and said as if she were ready to cope with everything that was going to happen, "Gloria, since you have found the damaged video surveillance, then post it online. Let's see who will win in the end."

Remarriage Never And Go Away Chapter 1447—You Like Being Taunted So Much?

Even if her life would be ruined, Rachel did not intend to betray the person behind her.

Gloria raised an eyebrow slightly.

Who was the person behind Rachel? What was his origin? Rachel could even give up so much for him! At this time, a man suddenly came out.

The several people all rested their eyes on him.

Gloria frowned slightly. She remembered this man.

He appeared at the party with Rachel before. He stood in front of Rachel and protected her very well.

Then he looked at Jordy with a straight face, "Rachel is mine. I won't let you bully her like this."

Rachel slightly shivered and didn't push Gerald away. She was helpless at the moment.

If Gerald could help her, why didn't she just let him do that? Gloria examined the man.

This man had only appeared beside Rachel twice.

If he were the person behind Rachel, he wouldn't have appeared so directly.

But if a man said those words, it meant that he was capable of dealing with them.

Suddenly, Jordy's cold voice sounded, "Since you are so brave, I'll let you be the hero."

Rachel was appalled, "What are you going to do?"

She didn't care about Gerald's life or death, but was afraid that Jordy would really do something dreadful.

Jordy had always been resourceful and courageous.

She...

But before she could think more about it, Harold rushed in with some people! Gloria frowned slightly.

Jordy always had a sense of propriety when dealing with people and they were not on their turf.

These two people...

After hesitating for a moment, she did not do anything or speak.

Gerald turned to Rachel and said with a soft smile, "Don't be afraid."

Rachel was shocked and confused.

How could she not be afraid? She knew this man was unreliable! As Rachel struggled and screamed, the people Harold brought in took them away.

Soon, Jordy and Gloria were left alone in the room.

Jordy held out his hand to Gloria.

Gloria immediately frowned, "What?"

"Give me your phone."

Jordy made himself very clear.

Gloria didn't give it, but said, "What's the benefit of exposing Rachel? Now we need to find out who is the person behind her. If you do this directly, you..."

"She is setting me up, isn't she?"

Before Gloria finished speaking, Jordy interrupted her coldly. He had never been a soft-hearted person, especially for those who set him up.

If they dared to set him up, they must pay the price for that! "Whatever. Like you said, Rachel is setting you up."

Gloria didn't say anything else.

Anyway, she had got the video and was not afraid that such a video would discredit her after it went around.

Gloria did not stay but left the private room quickly.

Then Heather called her immediately.

"Did you have a fight? Do you need me to take a walk with you? There's a party downstairs. Would you like to join me?"

As soon as the phone was connected, Heather bombed her with questions.

Gloria frowned deeply.

He was monitoring her again! She said coldly, "Even if I blocked your number, you can still call me after changing your number. You like being taunted so much?"

## **Read Novel Remarriage Never And Go Away Chapter 1448**

Remarriage Never And Go Away Chapter 1448—Gloria also had her own temper.

Heather smiled, "No, but if it's you who do that to me, I will like it. Do you want to come to me? I have the answer you want!"

Heather deliberately drawled.

Gloria was puzzled.

Heather had the answer she wanted, and he clearly said that the person who wanted her to die was a woman? So, was it the woman wearing a mask around Heather? Thinking of this, Gloria became interested.

She smiled, "Since you invited me so sincerely, I'll do you this favor."

Heather had dealt with Gloria several times and knew that she was smart. She must have thought of something.

Otherwise, she wouldn't have changed her mind easily.

However, since he had voluntarily disclosed the clues to her, how could he be afraid of her extracting further information? Because he preferred to see Gloria stand in a high position and shine with light rather than cooperate with Ilsa.

At that time, Gloria would be more outstanding and attractive.

Noticing that Heather was lost in thought, Gloria squinted her eyes and deliberately asked, "What's wrong? You have regretted it?"

Heather quickly came out of his trance and said with an unobtrusive smile, "NO, I'll come to pick you up now. Baby, wait for me."

After saying that, Heather gave her a kiss at the end of the phone.

Gloria frowned deeply and felt nauseous.

Ilsa next to Heather was even more furious.

But she couldn't clash with him again.

Moreover...

She couldn't stop Heather.

Because Heather was walking outside.

He was not just saying that! Ilsa immediately rushed to him angrily and blocked his way, "Heather, if you don't want to cooperate with me, just say it.

Why are you turning your back on me so early?"

She thought Heather was deliberately teasing Gloria and joking, but unexpectedly, he was serious! Realizing this, Ilsa couldn't suppress her anger anymore.

Heather laughed, "Did I mention you on the phone? You only have so little faith in yourself?"

Heather said this with particularly obvious mockery on his lips.

For Ilsa, this was not a matter of faith in herself.

Once Gloria learned everything, how could she not take her position back? If those ministers hadn't incited the people against her, she would have been the head of the country! Ilsa cast a stern glance at Heather, and the next second she approached him in her high-heeled shoes, "I won't let you step out of the room. Heather, I won't let Gloria benefit even if I have to have mutual destruction with you!"

This was Ilsa, who would rather ruin herself! Heather thought Ilsa was funny, "You a pariah's daughter wants to be the head of a country? Do you think those people will not find Gloria even if we are dead?"

"I don't care. That's what will happen after our death. Heather, it's okay if you don't help me, but you can't ruin my plan! If it weren't for you, Gloria would have died!"

Remarriage Never And Go Away Chapter 1449—Ilsa became angrier and angrier. She pounced on Heather, and Heather fought back.

Heather took a step back and avoided Ilsa's blow, but Ilsa rushed to him again.

They engaged in a fight.

Although Heather said that he would come to pick her up, Gloria didn't wait for him to come.

She walked to Heather's private room.

Unexpectedly, she opened the door and saw that they were still fighting.

The scene in front of Gloria surprised her, and she was alerted.

They were partners but they actually fought at this point.

What did that mean? They had a conflict of interest.

What did Heather do to stir up the conflict? Gloria was sure that Heather was going to give her some clues.

There was the answer she wanted in this private room.

He even offered to pick her up in person.

So, the woman with the mask was the one who wanted to kill her! Gloria couldn't suppress her anger anymore but flung three silver needles straight out.

Heather and Ilsa were keenly aware of the needles and stopped.

Seeing her, Heather showed an unobtrusive smile.

Ilsa stared at her with burning anger in her eyes.

She wanted to cut Gloria into pieces! Gloria was surer about her guess.

"Why did you attack me? I don't even know you."

Gloria stepped forward and asked Ilsa directly and decisively.

She fixed her eyes on Ilsa, trying to capture Ilsa's every reaction and response.

She always believed in her intuition, just as she believed that the person coming out of the private room was Rachel, and the fact proved that she was right! So, at this moment, she was sure that her intuition was right.

Heather next to her was very satisfied when he heard her words.

Gloria was as smart and witty as he thought.

He just gave her a clue, and she figured out the truth.

If she took the throne, wouldn't she be more brilliant and outstanding? Heather looked forward to it.

And Ilsa saw his expression. She only felt that her chest was about to explode in anger. She couldn't believe what she saw.

Damn Heather.

He actually had such a wish! Her plan had not been fully carried out.

How could she let Gloria find out clues? Ilsa could only deny, "What are you talking about? I don't know what you mean. This is the first time we met, right?"

She was playing dumb? Gloria snorted, "A coward who takes no responsibility for his actions. Weren't you with Heather in the Crockford Club? This is the second time we met. Who knows how many times you have met me in the dark?"

"Maybe we have met before, but I really have no impression of you. I have no reason to attack you, and you don't need to question me like this."

Ilsa still denied it.

Gloria didn't answer, but looked at Heather. She smiled at him, and Heather understood what she meant. Heather was very interested in her compromise.

But...

To their surprise...

Jordy kicked the door open at this time and strode to Gloria, directly interrupting all of them...

## **Read Novel Remarriage Never And Go Away Chapter 1450**

Remarriage Never And Go Away Chapter 1450—All of them were dumbfounded and puzzled.

Jordy wrapped his arm around Gloria's waist with a frown. He complained, "You came here in the blink of an eye. Gloria, the club is so big. It's hard for me to find you."

Gloria was puzzled. She frowned with disgust in her eyes.

Jordy would not say such disgusting words at all.

He had his own pride and self-respect.

What was he doing? She didn't want to embarrass Jordy in front of so many people.

Nor did she want to argue with him.

"But you still found me, right?" Gloria asked in reply and struggled out of his arms slowly.

Jordy noticed this, but he did not let go of her.

Gloria was too embarrassed to struggle violently.

Heather's face darkened.

Just when he wanted to do something, Ilsa came before him, "Heather, don't forget our purpose to be here. We are going to talk about the cooperation with the owner, remember?"

She wanted Heather to play along.

Gloria looked at them as if she were watching a show.

She had come to a conclusion.

She wouldn't believe them no matter what they said.

Heather's evil eyes were filled with laughter, and he said with casualness, "We can forget about the cooperation, can't we?"

He didn't play along with Ilsa but even implied that they could break up the partnership.

Because compared with the cooperation with Ilsa, he wanted Gloria and let her surrender to him more! But all this was just his imagination.

Jordy ignored Heather and Ilsa.

He put his arm around Gloria's waist, "Are you hungry? Let's go back to eat something. Once the party is over, we will go back."

He had asked Harold to get the plane ready.

To continue to stay here was unfavorable to them.

As for the things Gloria wanted to find out, he had told Harold to look into them.

It was just a matter of time before they figured out the truth! Gloria knew Jordy was doing that for her good.

But she hated it.

They had got divorced.

Jordy shouldn't have interfered in her business like this! Heather pretended to be sad and gave a long sigh, "I haven't had a meal with you, but you are leaving. Miss White, do you really prefer your ex-husband to me?"

If it weren't for the five people who suddenly appeared on the beach, Gloria would have been his.

Now...

They were in the Crockford Club, and Gloria was under the protection of the club owner.

He couldn't keep Gloria here in a tough way.

If he did, it would get him into trouble! it was not worth it.

Jordy was particularly upset after hearing the word "ex-husband".

He cast a stern glance at Heather, squinted his eyes at him, and shouted, "Who told you that I'm her ex-husband?"

Heather asked, "You have got divorced.

If you are not her ex-husband, what are you? Gloria, did you remarry him?"

Heather looked shocked and frightened.

Gloria was speechless.

Why were they so clamorous? She rolled her eyes at them, "Who told you that I have remarried him? Don't talk nonsense, okay? And you, don't mislead others."
