Remarriage Never And Go Away Chapter 1466-In any case, there was no good for her to know too much about what was going on over there before things were investigated clearly.

But Gloria shook her head and refused.

“If I really call you ‘Mr. Ferber’ as you said, then I might not be able to change that for the rest of my life.”

This was true.

And she really couldn’t accept the black card in her hand.

“Uncle, I am rich. Thank you for your kindness...”

“What did you call me?”

Hearing the word “uncle”, Harvie was visibly excited.

He was all ready for Gloria to call him Mr. Ferber.

But he didn’t expect that Gloria would call him uncle immediately.

“Uncle.”

Seeing Harvie’s excited look and his eyes with hidden tears, Gloria had a complex feeling.

If there should be someone to blame, it should be her mother, not Harvie.

After learning about the relationship between the two of them, Harvie arranged for someone to protect her instantly and gave her the black card with no limit. These were enough to show Harvie’s love for her.

She shouldn’t take out her resentment towards her mother on him!

“If you feel embarrassed, you can call me Mr. Ferber.”

Harvie did hear Gloria call him uncle again.

He had been in the business world for so many years, encountered all kinds of difficulties, and met all kinds of people, but he secretly pinched his palm to make sure it was not an illusion when he heard Gloria call him uncle for the second time.

Although he was happy to hear that, he couldn't force Gloria to do that.

Gloria became somewhat expectant when she found that Harvie was still concerned about her on this matter.

If the mother had not been hindered by something, then she would certainly have been a very good and competent mother as well.

However, she didn't see her in person, so it was not sure.

There was no way to prove anything.

Gloria shook her head. "You are my uncle. It is not appropriate and polite if I still call you Mr. Ferber."

"Are you still angry at me for what I said about your father?"

Hearing Gloria's words, Harvie instantly smiled.

Though he asked Gloria very directly, he smiled gently at the same time.

Gloria did not answer, because she did not know what to say.

She was indeed angry when she heard Harvie say that her father was ordinary.

But then again, he was able to expand the Crocks Club to the size it is today, so he must have some strength and connections.

The Ferber family was bound to be richer than the White family.

If it were her, in seeing her sister choose a family worse than her own, then she might be even more angry and mean than him.

It was just human nature. Gloria thought about it for a while and understood it.

But suddenly asked such a question, she did not know what to answer.

She could only give an awkward smile.

Harvie knew what Gloria was thinking about and skipped the topic.

“Well, you rest first. I have something to deal with, and let’s have dinner together in the evening.”

“OK.”

When it came to eating, Gloria agreed quickly.

However, Harvie still kept the black card refused by Gloria for her.

At this moment, Jordy and Harold have been sent back to the hotel.

Remarriage Never And Go Away Chapter 1467-Seeing Jordy stand there still, Ernest who was sent to ask Jordy to leave the UK became impatient.

‘Jordy, do you think everything has to go the way you want? It’s time to take off, speed up. Miss White is not going to come over to see you off, so just leave here as she wishes!’

The two teacups were sent by him to extract DNA.

The DNA report was also taken by him personally.

So, for sure, the two, after seeing and recognizing each other, must be catching up now. They had no time to care about Jordy.

The next second, Jordy glanced at him indifferently and said, “When did I say I want to leave?”

Ernest was puzzled.

‘What’s wrong with you?’

The two of them had already packed up their things, and now he told him that they weren’t leaving. Was he teasing him?

Ernest was instantly angry.

When he was about to grab the collar of Jordy and pull him to the front, Jordy pushed him away swiftly.

“This is not in Crockfords Club, and you are not qualified to touch me!”

Unqualified?

These three words immediately ignited Ernest's anger.

Ernest struck out toward Jordy, who quickly fought back.

That day at the gambling game, he was eager to strike at Jordy.

Now, the opportunity came!

The two men were neck and neck.

However, after a few rounds, Jordy was at a disadvantage...

Although everyone thought that Jordy was weak and needed to rely on Gloria to achieve his aim, in fact, this was not the case.

Jordy had long had a plan of his own in his head.

As for Ernest, he didn't notice the fact that Jordy didn't use all his strength, and just felt that he should have become stronger.

He immediately waved his hand and asked his man, "You guys, hurry up and bring this person directly to the basement."

'OK, Ernest!'

These men nodded and immediately took Jordy here, who had already suffered a lot of injuries.

Walking halfway, Ernest saw Jordy's miserable appearance and could not help but taunt him, "Jordy, I heard that you used to be quite strong. Why did I beat you just with a few punches? It seems that you have an unearned reputation before."

Stepping forward, Ernest grabbed Jordy's jaw and still wanted to say something.

Jordy said faintly and contemptuously, "Bastard! You are nothing but a lapdog."

Hearing this, Ernest frowned and was going to punch Jordy.

But it was dodged by Jordy.

Jordy looked at Ernest's exasperated look and sneered.

Seeing Jordy was still so arrogant, Ernest was even more resentful and cursed,

“Listen, you’re still so arrogant now, but wait until you get to the basement and you’ll regret it.”

Ernest twisted his neck. “Do as I tell you. If you don’t obey my order, I’ll beat you until you submit.”

Ernest said loudly.

He thought Jordy was powerless to resist.

Remarriage Never And Go Away Chapter 1468-But would Jordy let Ernest bully him recklessly?

Naturally, he wouldn’t.

Jordy originally wanted to hide in the basement, looking for the opportunity to meet Gloria.

But now it seemed that it was impossible.

He was afraid he would be killed by Ernest before he could see Gloria.

Thinking of this, Jordy gave up his disguise. He violently kicked away the man next to him who restrained him.

The young man did not expect that Jordy would still have the strength to resist.

Everyone thought that Jordy had to submit to Ernest.

But they didn’t expect Jordy still wanted to resist, and they all panicked.

They hurriedly stepped forward together, trying to subdue Jordy.

But Jordy was not that easy to deal with.

He punched down another man who rushed up to him.

The rest of them were nothing for Jordy.

Even Ernest who stepped forward in front of him was just a piece of cake.

Without Gloria, no one could stop Jordy.

However, Gloria did not know what was going on there.

Harvie was especially kind to her after he knew that she was his niece.

She was even a bit uncomfortable.

Harvie deliberately let his men take her shopping, and especially sent a female subordinate to make her more comfortable.

Seeing her boss was so nice to Gloria, Violet couldn't help but be a little dissatisfied.

Although standing behind Gloria, Violet still unintentionally sized up to Gloria.

Gloria was indeed beautiful, tall, and fair-skinned.

However, she was spotted by Gloria.

Gloria noticed the sight of Violet, but she did not say a word and looked calm.

On the contrary, Violet, however, quickly withdrew her gaze and looked a bit flustered.

Now she stayed in the Crockfords Club, her uncle's kindness to her makes all the people in the club curious about her identity, and women were the most sensitive and gossipy.

Gloria did not feel that Violet was wrong and was not angry.

But she didn't expect what happened next.

After coming back from shopping at the mall, she was going to go back to her room to rest, but unexpectedly she heard voices talking about her outside.

"What a surprise! This Gloria White is really tactful enough. I remember the first time she appeared in front of our boss, she was with a man who came in to bet."

"She was so close to that man. I didn't expect her to hook up with our boss so quickly!"

"Violet, you went out with her today, what do you think of her? Is she easy to work with? Later we will..."

"I don't care about that. As the lover of our boss, even if she is a bad person, we have to serve her well."

Violet snorted coldly.

She was holding a cigarette in her hand and took a drag before she slowly said, "She is not the only woman of our boss. There is no good for you to be too gossipy as men."

Violet and Ernest were all Harvie's most excellent subordinates. Usually Violet was out of town on business, so they seldom saw her. When she returned this time, she was asked to accompany Gloria.

These people knew that Violet felt unbalanced in her heart.

Remarriage Never And Go Away Chapter 1469-These people had long disliked Violet, so they deliberately mentioned, "That's it! Our boss is so powerful. How can he have only one lover?"

"In my opinion, Gloria will become the boss's new favorite. She is an excellent woman!"

"Yes, we may as well obey her well!"

"Do you guys have nothing to do all day long? Do you want to have your tongues cut out?"

Violet was enraged by these words, and the cigarette in her hand was thrown to the ground and directly stomped out by her.

She gave them a cold glance, and they dared not to say anything more.

'Get the f**k to work!"

Violet rebuked loudly, and these people scattered quickly.

After a while, Violet turned back.

She and Gloria happened to be looking at each other.

Gloria was leaning against the door, arms clasped, and looked at her calmly.

Violet also just realized that Gloria had seen everything happen just now.

But she didn't panic.

If Gloria was to blow any whispers in front of the boss, and the boss chastised her for defending Gloria, then she was willing to receive the punishment.

If Gloria wanted to snitch in front of the boss and the boss punished her for defending Gloria, she would willingly accept the punishment.

‘Your boss and I are not the kind of relationship they said.’

As a woman, Gloria understood why Violet was anxious and kept silent at the moment.

As they said, Harvie stayed single. If Violet loved him, they may be a good match.

However, she could not interfere with her uncle’s emotional matters too much.

After hearing Gloria’s words, Violet looked at Gloria incredulously.

But in an instant, her expression returned to normal.

She indifferently said, “What kind of relationship you have with my boss is none of my business, and I will do whatever my boss arranges for me.”

Gloria stopped talking.

Since Violet said so, there was no point in Gloria continuing the conversation.

“Miss White, if there is nothing else, I will leave first.” Violet jawed towards Gloria.

Gloria shook her head. “I don’t have anything to do, you can go and do your work.”

Then Violet turned around and left.

However, the story about Gloria abandoning Jordy and getting together with Harvie spread over the club at once.

In a flash, Gloria was pushed into the limelight.

When Harvie’s best friend came over to meet him, the first thing he did was congratulate Harvie. “Harvie, it has been a long time. I have to congratulate you!”

“Congratulate me?” Harvie could not help but frown.

Crockfords Club didn’t announce any happy event to be held recently and had not entered into any partnerships. Why did he congratulate me?

The friend saw Harvie look puzzled, pointed at him, and teased, “Come on, the story of you and your little love has long been spread in the club. We are friends for many years. Why are you still hiding it from me at this juncture?”

“When will you invite me to your wedding banquet?”

After listening to his friend's words, Harvie realized that his friend misunderstood the relationship between him and Gloria.

He also realized that his men had misunderstood the relationship between him and Gloria and spread the nonsense all over the club.

Remarriage Never And Go Away Chapter 1470-'That's not my new love, don't get me wrong. I'm too busy to entertain you today, and I have things to deal with. Let's catch up some other time!'

After finishing these words, Harvie asked someone to send his buddy away.

Meanwhile, those people in the club were called to him for interrogation, and they blamed Violet at this juncture.

'We are curious about the relationship between Miss White and you. When we were talking about it, it was Violet who said at the door of Miss White that Miss White was just one of your lovers...'

'We were just misled by Violet, but we can assure you that we didn't tell anyone else. It was those who came to the club. They saw you two get together and spread the rumor. Sir, didn't you say that the customer comes first, and whatever they say, as long as it's not too disgusting, as long as they keep their money, then it's okay?'

Harvie's eyes were indifferent, and he was annoyed.

He was able to meet Gloria White because of fate, a blessing from God.

Otherwise, how could he have known about Gloria's relationship with him?

They were relatives, but they had to be misunderstood into such an unpleasant relationship.

As Gloria's uncle, how could he allow such a thing to happen?

His eyes deep, Harvie sneered and said,

"Since you like to gossip so much, go to the Punishment Department. Tongues cut out, limbs broken, a million dollars each, get the hell out of Crockfords Club!"

Since they came into Crockfords Club, they knew the rules of the Crockfords Club. If you made a mistake, you should accept the punishment with no resistance.

The more they plead for mercy, the more miserable punishment they would get.

Moreover, Harvie did not give them the opportunity to beg for mercy, and they were directly dragged away.

In less than ten minutes, they were replaced by others.

As for Violet, when Harvie gave orders, he didn't mention Violet, but Violet saw the fierceness in Harvie's eyes. She knew that she would end up even more miserably!

At the same time, she realized that Harvie had a deep love for Gloria.

For the sake of Gloria, he actually fired so many men of Crockfords Club at once, and he didn't show any mercy at all!

With a loud sound, Violet took the initiative to kneel on the ground.

She bowed her head and did not speak.

Just when Harvie's cold eyes fell on her...

Gloria walked in.

The moment she saw Gloria, Violet's palm instantly pinched into a fist.

She did not expect that her most wretched side would actually be seen by Gloria!

But Gloria did not interfere with this matter.

"Uncle, if you have something to do, then I'll come in later."

"Okay."

Harvie originally wanted to ask Gloria to stay here, but on second thought, he gave up.

He didn't want Gloria to see his ruthless side.

But the word "uncle" made Violet instantly freeze on the spot.

So many people had misunderstood the relationship between Gloria and Harvie, but it turned out that the two were lovers, but relatives.

But if so, why would no one in the club know about it?

"Violet, you've been with me for some years, as has Ernest, so I really don't want to kill you. But you let me down too much!"

Harvie coldly reprimanded Violet.

Violet bowed her head, feeling ashamed.

At this moment, she also could not answer a word.

However, she was willing to admit her mistake.
