Remarriage Never And Go Away Chapter 1471- The Same Voice as Ernest

She was willing to die in his hands.

“Boss, it is my fault. I should not have said that kind of words to mislead those people who spread the rumor and caused you and Miss White’s reputation to be affected.”

Violet choked, feeling a sore throat.

Women and men had different thinking patterns. Although Ernest had also misunderstood, he had never been so to mislead anyone.

Ernest even thought that Gloria was Harvie’s daughter.

Violet did not know all the things, and perhaps Harvie should not blame her.

“The encounter between her and me was a blessing from God. She is my family, and if I as an uncle can not protect her in such a situation, let alone in the future. You... Leave here.”

Harvie finally made the decision that let Violet go.

However, Violet was reluctant.

She moved her knees towards Harvie eagerly, ‘ Boss, you can even kill me, but please don’t drive me away!’

Violet plead with a hoarse voice, her eyes flooded with tears.

Although Violet was a woman, in many things, she was more excellent than Ernest. Harvie trusted and appreciated her.

Thinking of Violet following him for years, Harvie didn’t end up punishing her the way he punished those people, but there was no way he was going to keep Violet anymore!

Harvie said indifferently, “Do you think I will let you stay here?”

“I know you won’t keep me anymore, but I’d rather die. Boss, I’d rather you kill me...”

Saying that, Violet then kept kowtowing toward Harvie.

Violet was bent on death. She would even die to stay by Harvie's side, because, from the moment she was chosen by him to enter the club and come to his side, she had fallen completely in love with Harvie.

Violet's determination silenced Harvie.

Crockfords Club had so many strict rules, but people had their own feelings.

During the long years together, she was at his disposal, and Harvie knew she had worked hard for him.

"I said, for the sake of your hard work these years, I let you off the hook."

After saying that, Harvie turned away and no longer looked at her.

He stood with his hands behind his back, and his attitude was obvious.

How could Violet not understand?

She knew that everything could not be changed.

It was she who was too small-minded and said such stupid words.

She deserved to die!

Violet got up and drew the pistol that was pinned to her waist.

In just one second, she could pull the trigger and shoot herself viciously through the head to die for her mistake.

But before she died, she didn't want to have any regrets.

So, Violet mustered up the courage, when she was about to make her feelings known to Harvie...

The door was pushed open from the outside.

"Boss."

The person who came in was Ernest.

His voice yanked back Violet's thoughts, and also made Violet's movements retract.

Harvie heard the voice and frowned, "What happened to your voice?"

Although it was Ernest's voice, Harvie felt that the voice was a little strange.

So strange that it was a little unnatural!

But Harvie didn't know that the real Ernest had been beaten up by Jordy and was currently trapped on a cross in the basement.

The person in front of him was Jordy wearing a mask, and the voice was processed by a voice changer to be almost the same as Ernest's voice.

Hearing Harvie's doubtful question, Jordy did not panic.

He answered calmly, "I may have a little cold.

"Don't drink too much, and pay attention to your health. You can be unbridled when you are young, what about later?" As soon as Harvie heard such a reply from Jordy, he immediately reprimanded.

"I got it. Boss. I will remember what you said today."

Jordy bowed his head.

At first, Jordy didn't know what Harvie's words meant until three hours later...

But now, he needed to report to Harvie first.

'Are you done with Jordy?'

This was what Harvie was most concerned about right now.

As soon as Jordy left, no one in the UK could influence Gloria anymore.

The reason for this was that Jordy was a playboy and Harvie wanted Gloria as far away from him as possible.

However, this child was very emotional, so it was impossible for her to leave Jordy regardless at this juncture.

So, it was wise to send Jordy away!

Jordy did not expect Harvie to be so concerned about himself.

But since he chose to pretend to be Ernest, he would not let his identity be revealed.

He nodded and replied reverently, "Everything is settled as you wish."

"You can leave now and have a good rest. Once you are rested, stay at her side and take good care of her."

"Got it."

Jordy nodded and exited the private room.

Violet was not deaf, nor did she leave the room, so she naturally heard the conversation between the two clearly.

When she came back, Harvie arranged for her to go to Gloria's side to look after her.

She knew very well that it was just because she was a woman.

Now he directly nominated Ernest to protect Gloria. Clearly, he could lose a female assistant, but he couldn't be without Gloria.

"Boss, can I ask you a question?"

Violet slowly walked up to Harvie and said.

Harvie did not answer, but his eyes fell on Violet.

Violet understood that Harvie wanted her to keep saying.

So, after a moment of silence, Violet slowly said, "Boss, I think... I am your..."

It was difficult to say that.

She noticed Harvie's dark eyes that looked at her with a little suspicion.

At this moment, Violet became craven.

"Violet, when have you become so cowardly?"

Harvie was a little disgusted by her hesitation.

Violet was a little awkward.

She knew that if people wanted to work beside Harvie, they couldn't be ambiguous in their actions and should be crisp.

Anyway, she was ready to die.

Just do as she had just thought. Tell Harvie her love for him, and die without any regret.

So, she pinched her palm.

At the moment Violet wanted to say something, Harvie noticed the gun in her waist.

At once, Harvie realized what she wanted to do.

His action was extremely fast, and before Violet could make any reaction, Harvie approached her. He grabbed the pistol and also unloaded the bullet clip.

The next second, he angrily threw the pistol to the ground.

“Violet, after so many years, do you only learn to use death to escape from problems?”

He didn’t want to kill her, but she only thought about death.

Harvie could not understand that.

Violet was silent for seconds, feeling bitterness.

If she was afraid of death, she would not have decided to do that.

Violet shook her head. “Boss, I didn’t think of using death to escape anything. I do realize my mistake. I shouldn’t have done that. I hurt your niece, I... I ruined everything! I deserve to die!”

Remarriage Never And Go Away Chapter 1473- What Are You Doing?

If she had known that they were in such a relationship, she would not have said such stupid words.

In the end, it was she who was too voracious.

However, Harvie didn’t want to see her or talk to her anymore.

He pursed his lips and slowly said, “Listen, for the sake of you have followed me for so many years, I spare you. Leave here, and I will let Ernest transfer you some money.”

“Don’t...”

'Boss, I don't want money. And where can I go after I leave the club? Since I came to you, I have considered this place as my home and you as my family. Please don't kick me out!'

Violet begged bitterly.

This was the first time she showed such emotions in front of Harvie, which was a far cry from the old her.

It was not at all like the decisive manageress of Crockfords Club.

Harvie couldn't bear to see it.

But he couldn't let Gloria be aggrieved.

"I can't let her be aggrieved..."

"Boss, then I'll go beg Miss White, OK? As long as Miss White is willing to forgive me and willing to let me stay, please let me stay here, OK?"

When Violet said these words, her eyes were red.

She had humbled herself to the extreme.

But Harvie did not agree.

Even at the mention of Gloria, her eyes instantly sank.

"You'd better not bother her!"

He warned angrily.

Fearing that he might get angry again, Violet didn't dare to say anything else.

She couldn't go to beg Gloria and couldn't stay here.

Also, she was not allowed to die.

But what could she do?

At this moment, Violet really hated herself.

Why did she have to be so eager at that time? Why couldn't she wait a little longer, wait to figure things out?

However, time past could not be called back again.

If she walked out of the club today or died, she was afraid that it would be difficult for her to meet with Harvie again.

If those words were not said today, it was likely that she would never have the opportunity to tell them to Harvie again.

She was silent for a while and finally gathered her courage again.

Looking into Harvie's black eyes, she slowly said, "Boss, I'm sorry... Maybe I was crazy at that time. I was jealous of Miss White. She won your love even as a divorced woman. It was my fault, and I jumped to conclusions. But if you could give me a chance to start over, I would definitely not be like this again. Even if I die, I will keep Miss White safe... Boss, I'm not the kind of person who gossips and loves to talk nonsense either. It is just because... I care..."

Violet said these words with a hoarse voice, like a fishbone getting stuck in her throat.

She even tightly pinched her palm, as a way to relieve her uneasiness and panic at the moment.

Harvie was surprised. He did not expect Violet would have such thoughts about him.

But he was mindless about emotional affairs.

Naturally, he would not give Violet any hope.

He was indifferent to her words.

"I'll only give you ten minutes."

Violet knew that, but she had no regrets now.

She did not want to leave, so she did not hesitate to walk toward Gloria when she walked out of the room and saw Gloria standing outside.

"What..."

Before Gloria asked her what she wanted to do, she knelt down in front of Gloria with a heavy sound.

Gloria immediately sidestepped and said with a frown, "What are you doing?"

## Remarriage Never And Go Away Chapter 1474- Didn't Blow the Whistle

From being arranged by her uncle to her side, Violet had been sizing her up.

However, Violet did everything right, and she was calm and indifferent, handling things without ambiguity.

Gloria didn't understand why such a woman knelt to her at this moment.

Before Gloria could ask, Violet already bowed her head and spoke first.

She begged Gloria in a throaty voice, "Miss White, please help me! It was my stupid words that caused the rumor about you and my boss spread in the club. I didn't know the relationship between you and my boss before. I am sorry. Now he wants to kick me out to defend you, but I don't want to go. Please help me, he must listen to you if you say so..."

At these words, Gloria was silent.

She did not expect that Violet was begging her for this.

She also did not expect that such a calm person would lose control in front of love!

To err is human.

She couldn't stand to see someone begging her, let alone she was her uncle's right hand.

"It is nothing. Don't worry about it. I'll ask uncle to let you stay..."

"Nothing? Your reputation was ruined by her. How could this be 'nothing'?"

When Gloria was ready to help Violet up, the cold voice of Ernest rang.

Gloria and Violet subconsciously looked over.

Violet did not expect that Ernest would be so heartless after they worked together for so many years.

Was their friendship all a sham?

And Gloria also did not expect Ernest, who was Violet's partner, was so indifferent to watch Violet leave without interceding on her behalf.

Gloria was a little surprised, but also noticed Ernest's black eyes.

The moment they looked at each other, Gloria thought she must be crazy. Otherwise, how could she have the illusion that Ernest was Jordy?

“As her partner for so many years, how can you be so heartless? I will do whatever I am willing to. It’s OK if you do not want to help her, but do not interfere with my decision!”

Gloria said very directly.

After saying that, she did not look at Ernest and directly turned around, leaving Ernest a resolute and indifferent back.

However, when she was talking to Violet, she eased her tone and slowly said, “No blame attaches to the unconscious doer of wrong. Do not worry. I will talk to uncle.”

In fact, she could refuse Violet, but thought that they were all women and Violet loved Harvie so much, she decided to help her.

However, she did not know that this Ernest was actually Jordy who disguised as Ernest.

Jordy was not satisfied with her decision. “Miss White, can you consider the causes and consequences before you do something?”

Jordy had said that to Gloria before when he was not satisfied with her decision in an impatient tone.

This was so Jordy.

Gloria immediately turned her head and looked over, but only saw Ernest’s poker face.

Suddenly, she realized one thing that Rachel once disguised as her to seduce Jordy.

Did Jordy disguise himself as Ernest?

Thinking about the words said by “Ernest”, Gloria was sure that the “Ernest” in front of her was actually Jordy!

But she didn’t blow the whistle on his disguise, she only coldly glanced at Jordy, and then entered the room.

“I’m attending a party tonight. If you feel bored staying here, you can come with me.”

Remarriage Never And Go Away Chapter 1475-Because You Are Here

When Harvie saw that it was Gloria who came in, he told her that he was going out to a party tonight.

Gloria was not interested in parties.

She knew he was busy, and she also knew that people who didn't know their relationship would misunderstand if they saw them together.

She shook her head. "I don't really want to go. Uncle Harvie, Violet... She is loyal to you, please forgive her and let her stay here."

Harvie was a little surprised. "If it wasn't for the words she said, you wouldn't have been talked about like that."

He didn't expect Gloria would actually beg him to forgive Violet.

Violet was placed by him at her side for no more than a day.

Before they knew they were family, Gloria was not the kind of person to help others casually, not to mention someone that framed her.

For a while, Harvie was wondering what Violet had done in a short time to make Gloria help her.

Gloria knew that Harvie wanted to protect her and didn't want her to be wronged.

But this little thing didn't affect her much, and it was impossible to silence the crowd!

"Harvie, everyone now does not know my identity so they misunderstand us. Violet just lost her head for the moment, but she is a very good assistant which you are more clear than me. In the past years, you must see her excellence. Otherwise, Violet would also be disabled and replaced, rather than letting her go simply."

Gloria pursed her lips and slowly said to persuade Harvie.

Harvie did not answer, because what Gloria said was the truth.

"Keep her. I think she's a nice person. If you don't want her, then don't blame me for poaching her." Gloria smiled softly.

Harvie did not immediately answer but was silent for a few seconds before slowly saying, "Those people are all gone, it's not appropriate if she stays here. I need to treat everyone equally."

Gloria understand what he meant.

However, she immediately pointed out, "If everyone should be treated equally, then why didn't Violet end up the same as those who were replaced? You already treated them differently because Violet is your right hand."

Harvie smiled, "You are right. Since you have pleaded for her, then I will let her stay."

Thus, Violet didn't have to leave.

And Ernest disguised by Jordy was arranged by Harvie to go to Croatia to investigate something.

As soon as he came out of the room, Jordy was dragged aside by Gloria, who had a black face. "Jordy, you are really a psycho, where is the real Ernest now?"

Jordy was not surprised that she recognized himself, and did not continue the disguise.

"He was locked up by me in the basement, and I have my own plan to do so." Jordy said lightly, and he didn't see anything wrong with what he was doing.

It was unnecessary for Gloria to be so angry and anxious.

But Jordy's words made Gloria became angrier. "Your own plan? You've got the Misty Lucid Ganoderma, and the special flight back home has all been arranged for you. Jordy, what's the point of you staying here?"

She couldn't understand this bastard!

This question made Harvie confused. What's the point of him staying here?

He wanted to see what Gloria planned to do and figure out what's her relationship with the owner of Crockfords Club. Heather, Mr. Goddard, and the club owner were always around her, and he did not think it was a coincidence, nor did he think she could handle all these things alone.

"Because you are here."
