Remarriage Never And Go Away Chapter 1491-Harvie gave a fierce kick to the man who had just got up after being knocked to the ground by Violet just now.

Then Harvie turned his head and gave Gloria and Violet a look. The two of them quickly followed behind him.

Welch knew that at this juncture, nothing he could say would be of any use.

However, he would not give up the idea of begging Gloria to cure his illness!

“Go back and tell my brother that he’d better not make any more trouble at this juncture if he wants Gerald to live well!” Welch indifferently said to the man and then left with his men.

On the way back, Harvie also said to Gloria, “If you really do not want to cure him, there is nothing wrong with it. Do not compromise because of me. Although Welch is my friend, you know, neither friends nor rivals are everlasting, but only profits.’

There was coldness in his voice when Harvie said this.

Gloria knew that he meant that he could be a friend and also an enemy of Welch. However, for someone like Harvie, it was better to have one more friend than one more enemy.

Although Harvie said this, Gloria still didn’t want to spoil the friendship between him and Welch because of her.

“Uncle, I know you’re defending me, and I’ve made everything clear. I also don’t want you to make enemies with anyone because of me.”

She could feel the goodness of Harvie to her these days, and she really appreciated it.

Many times she did not say it out, but it didn’t mean that she was cold and ungrateful.

“Great.”

Harvie nodded his head. He was satisfied with his valiant, decisive and persistent niece.

Then, they returned to the casino.

Gloria wanted to meet Jordy, and Harvie did not stop her.

Meanwhile, he also wanted Jordy to tell him where Ernest was now.

Gloria felt nothing when she saw Jordy being detained, and even when she met

Jordy's gaze, she rolled her eyes at Jordy.

She had already advised him to leave, but he just did not listen.

Now he got the result he deserved!

However, before Gloria could say anything, Harvie said to Jordy first, 'You're still not going to tell me where Ernest was now?'

Although Harvie softened her tone a little, inside he would be boiling with rage.

Gloria also gave Jordy a look.

But Jordy said indifferently, "Of course not, but I don't have the chance to tell you.'

Since he had been identified, it was impossible for him not to hand over Ernest.

Moreover, he and Harvie were no enemies, and now he was detained here. If he didn't hand over Ernest, then Harvie wouldn't let him go easily.

Jordy knew what he should do now.

Gloria also knew what Jordy thought.

But she didn't say anything and just gave him a fierce glare.

Being discovered and detained was all what this man deserved! She had arranged everything for him, but he did not want to leave and insisted on staying. It was okay if he didn't want to leave, but he even dared to use Ernest.

He was clearly asking for trouble!

Harvie's cold voice interrupted Gloria's thoughts. He snapped coldly towards Jordy,

"Where is he now?'

Harvie didn't believe that Jordy would release Ernest, so he decided to arrange for someone to pick up Ernest.

Jordy did not hide anymore and truthfully said, "In the basement of a villa."

Remarriage Never And Go Away Chapter 1492-Immediately afterwards, Jordy gave the address.

Harvie turned his head and gave Violet a look. Violet quickly understood.

At this time, Jordy said, "I'll decide for myself whether I stay or go."

Harvie coldly said, "Then don't you show up here in the Crockfords Club again."

For the sake of Gloria, Harvie didn't embarrass Jordy. If not for Gloria, he had already let his men disabled Jordy and throw him out.

Then, Harvie ordered his men to release Jordy.

However, Jordy walked to Gloria at once.

Gloria looked at the silent Jordy and frowned, but before she said something, Harvie stood in front of her and blocked Jordy's gaze.

With a cold face, Harvie said, "You and her are divorced, and you do not need to approach her."

Jordy, however, ignored Harvie's remark. He stared at Gloria. He wanted to know what Gloria thought.

Gloria also didn't want him to stay at this time, so she said, "Although you know some things with the identity of Ernest, there are still many things you do not know specifically. Jordy, you can not help me even if you stay here."

Moreover, Gloria's manner was cold and distant. She didn't want to have anything to do with Jordy.

But Jordy was insistent. "You haven't even asked me to stay here and help you, so how do you know that I can't help you at all?"

Gloria was speechless.

It seemed that Jordy was really extraordinarily confident in himself!

Gloria was a bit tired. "I don't need you to help me with anything. You'd better go home now and take care of your grandma. I can handle this by myself. Jordy, can you just stop being so stubborn?"

She really didn't know what was in Jordy's brain. He didn't care about her at all before, but now he was actually so stubborn to help her.

If not for his denial, she really would have suspected him that...

Jordy didn't think so. "I'm not being stubborn. I'm just doing what I should do."

Gloria was surprised.

She wanted to retort to what he said. She really had no idea what he meant.

But Harvie pulled Gloria aside and said, "You don't need to talk so much with him. I'll just knock him out and send him back. If he dares to pester you again, I'll handle it!"

Harvie was always a man of his word. Besides, this was about Gloria.

But the involvement between Gloria and Harvie aroused Jordy's suspicion. He ignored Harvie's words and just stared at Gloria with his dark and deep eyes.

Remarriage Never And Go Away Chapter 1493-Since Jordy had said so, he would certainly not be brazen to stay here.

But Jordy called out to Gloria before he left, "Gloria, you need to go with me. There are some things I have to tell you clearly, and your treatment can't stop halfway."

Hearing that, Gloria made no answer.

But she already took a step toward Jordy.

Harvie knew that she couldn't stop her, so he could only arrange his men to follow her.

After all, many people had been spying on Gloria now.

The first time Gloria approached Jordy, she put her hand on Jordy's wrist to take the pulse.

There were still some drug residues in his body, but Gloria could tell from his current pulse that he had got much better now.

Gloria frowned, disgusted. "If you return home with Harold, you want to have any problems, Harold can take care of you with the prescription I left when anything happens."

The others could also take care of him, but they were in a foreign country. Besides, Harold was more familiar with the medicines she wrote on the prescription. Jordy, however, frowned seriously, "Gloria, you have your point of view, and I have mine. I won't throw away my principles."

"Huh?"

When she heard Jordy's words, Gloria was amused. "I don't understand. For what kind of principle do you insist on staying?"

"If you did this just in return for my help before, but you also helped me a lot before.

And about Misty Lucid Ganoderma, I have long told you very clearly that I just did it for your grandma."

Saying that, Gloria looked more serious.

At this time, Gloria's phone rang.

It was a call from Karen.

As usual, Karen called Gloria and first asked her politely, "Gloria, you haven't contacted me recently. How is it going?"

"How about Jordy? How come you two haven't called me lately? Your grandpa and I are so worried about you two at home!" Karen said, sighing deeply. Gloria could hear the melancholy and worries in her voice clearly.

Gloria didn't know what to say.

But as soon as she answered the phone, she put it on speakerphone.

Remarriage Never And Go Away Chapter 1495-Jordy suddenly let out a grunt in pain.

Gloria was shocked!

Damn it!

She couldn't care too much and just grabbed Jordy tightly, with mixed feelings. "Just hold on there!"

The men in the Crockfords Club wouldn't let the shooter go easily. They instantly spread out and searched, not sparing any corner.

The noise also drew Harvie's attention.

The moment he opened the door, he saw Gloria was being pressed by Jordy on the ground with his arms around her neck.

Just as he was about to strike at Jordy, Gloria quickly got up.

There was a difference in the strength of men and women, and she was trying to pull Jordy up with great difficulty.

Fearing that the shooter hiding in the shadows would take advantage of their unpreparedness, she had to drag Jordy towards the room but noticed Harvie on the side.

At that moment, Gloria was like seeing a savior. She immediately said, "Uncle, come to help me..."

Her voice was a bit hoarse.

And Jordy looked pale with a frown.

He also saw the blood on Jordy's chest and his arm and sensed the strong smell of blood in the air.

Clearly, Jordy was badly injured, and it couldn't be a bitter drama of Jordy. Harvie looked serious and immediately went forward to help. They quickly helped Jordy back to the room and put him on the sofa.

Without thinking, Gloria immediately half-knelt on the ground to facilitate checking the injuries on Jordy's body, but when seeing her posture, Harvie instantly looked sullen.

She said clearly several times that she would not have any entanglement with Jordy, but her subconscious reaction showed that she still put Jordy in the first place!

And Jordy...

From the look in Jordy's eyes, and what happened today, as well as that Jordy was badly injured now while Gloria was unharmed... All these were enough to prove that they loved each other.

They only needed a chance to confess their feelings to each other!

Harvie frowned slightly and then said in a deep voice after thinking, “Gloria, there are doctors inside the casino. I’ll have someone...”

“Uncle, I can handle all of this. And right now, the bullet in Jordy’s body needs to be taken out now. After that, I need to stop the bleeding!”

The first time I saw the bullet, I had to take it out and stop the bleeding!”

Not waiting for Harvie to finish his sentence, Gloria had already interrupted him. Her voice was full of concern, that even she herself did not notice.

Harvie did not say anything else.

Although he didn’t get along with Gloria for a long time, he also knew that nobody would change her mind as long as Gloria decided to do something.

And he, as an uncle, of course, would fully support every decision she made.

He quickly arranged for some people to prepare all the equipment, tools needed, and drugs.

Moreover, he even let the doctor inside the casino to assist Gloria. Although the doctor in the casino was dissatisfied, he dared not to say anything because of Harvie.

And Harvie, after arranging all this, left to make room for them.

Three minutes later, Harvie entered the room.

And beside him, there was a man standing respectfully, reporting to him, “Mr. Ferber, the shooter has shot himself to death. We still didn’t know his identity, and there seems to be no objects or a cell phone on him that can prove his identity.”

Harvie sneered. “Keep investigating. There must be a clue! Go investigate the people related to Heather, Lisa, Mr. Goddard, and the Turner family!”

From the time Gloria came to the UK, these people had been in contact with Gloria, especially Heather and Lisa. They both had explicit intentions to approach Gloria.
