

Remarriage? Never and Go Away! Chapter 31

Chapter 31 Is Your Lover Out There?

Seeing Jordy's face dark with anger, Gloria's neighbor didn't dare to say an insulting word but closed the door carefully.

The pounding was deafening. Gloria finally opened the door, afraid that it would affect her neighbors.

Jordy stepped in with a sullen face.

Gloria closed the door and glared at him. "Mr. Collins, you make me feel like you're not ready to move on!"

Can't he come and talk in the daytime?

Gloria thought Jordy would call her because of the news online, but he didn't. In fact, he was already in her neighborhood as the news came out.

Jordy snorted in anger and stared at her with sharp eyes. "What? Gloria, I have a reasonable suspicion that you're doing this to get my attention!"

Gloria gave a small snort of laughter.

"I did everything I could to get your attention, but you didn't even look at me. I'm out of your way now, but in

your eyes, I'm playing hard to get. It's ridiculous!"

Jordy looked at her coldly and said nothing, but Gloria could tell from his eyes that this was what he was thinking.

Jordy walked to the sofa and sat down.

He looked like he felt so much at home. Gloria snarled through her gritted teeth. "What do you want?"

Jordy's burning eyes fell on her face, and his voice was cold. "Gloria, I warned you today! But then you came to Jonathan. What a shameless woman!"

Gloria closed her eyes and took a deep breath. Why was she stupid enough to love him for so many years?

She calmed down, stood in front of him, and stared at him condescendingly. "You went to dinner with Angela and visited her at the hospital and her parents. Who are you to

point fingers at me? Jordy, if you ever threaten me again, I will go public with our relationship!"

Jordy glared at her and said crossly, "So you're getting even with me? You were out with Jonathan and let the press run with it?"

Gloria took a breath. What was in it for me?

She didn't bother to explain. "This is between Jonathan and me. You and I have signed the divorce papers.

We're done."

A kind of chill was emanating from Jordy!

He suddenly got up and grabbed her wrist. Gloria lifted one leg in exasperation to kick him in the crotch when he was about to make his next move!

Jordy quickly stepped aside and shouted, "Gloria!"

Gloria shouted back, "I don't care about your reputation! What does your company's failure have to do with me? Jordy, get out right now! You're not welcome here!"

Gloria pointed at the door, obviously not wanting to say another word to this bastard.

Jordy's piercing eyes fell upon her! He opened his mouth to say something but was interrupted by a ring at the doorbell.

The doorbell rang again. Gloria laughed. "Here comes another one."

Jordy snapped, "Gloria! Is your lover out there?"

"My lover?"

Gloria snorted and went to the door to see who it was!

Remarriage? Never and Go Away! Chapter 32

Chapter 32 His Face Darkened

She opened the door.

A slender woman came into view.

Jordy stood up and stepped over.

Gloria turned to look at Jordy and smiled sarcastically, "It's your lover. Big surprise, huh?"

Angela narrowed her eyes. A lover? Gloria, believe it or not, I'll take your place and become Jordy's wife.

Jordy's face turned gloomier as he looked at Angela. "Why are you here?"

Angela said worriedly, "I just called your friend and wanted to discuss something with you, but he said you were in a bad mood and came here. So I hurried here in case there was any misunderstanding between you. Jordy, Gloria, have a good talk, okay?"

Gloria sneered, "That's beside the point. Jordy will marry you soon, and I will be his ex-wife. Angela, I won't be

that shameless to steal your man."

Jordy cast his freezing aura over the whole place!

Gloria just repeated the words Jordy had said to her.

Angela stiffened with anger. That sounded way more like sarcasm, but so what? Jordy would marry her, and she would be Mrs. Collins. Gloria just drifted in and out of his life.

Gloria could guess what Angela was thinking and suddenly brought a twist into the conversation everyone's surprise. "But..."

Angela seemed confounded for a moment. Gloria gave a little shrug with her hands outstretched. "I want a divorce badly. I'll go with him to the court any time he wants. And then you can get your marriage certificate right away. But Jordy isn't going with me. Is it because he still likes me?"

Angela's hands behind her back clenched into fists as she managed to smile. "Gloria, what are you talking about? Mr. Collins and I are just friends. Why are you divorcing him?"

Angela was a little upset. Why doesn't he just divorce Gloria?

Gloria rolled her eyes without saying a word.

Seeing this, Angela looked at Jordy with a gentle smile. "Jordy, thanks for taking care of me these days. I saved you and I didn't regret my decision. I asked you to marry me because this obsession had the best of me. My sister is your wife. Treat her better. I will not get between you two."

Angela lowered her head as if to hide her sad face. Her tightly pursed lips quivered. She looked like she was tormented by emotional turmoil. She felt happy to see Gloria and Jordy together, but meanwhile, it was torture for her! She was putting up a good show.

Jordy looked serious. "Don't talk nonsense. I have nothing to do with her, and I will divorce her."

Gloria took a deep breath. "Since you want a divorce, get the hell out of here! Kiss her and cuddle her if you want, but not in my house!"

"Gloria!" Jordy growled.

"Gloria..." Angela shook her head in disbelief. "You have changed a lot."

They showed no signs of leaving. Gloria looked at them with a half-smile. "Since you like being here, I'll let you have the house in compensation after we get divorced. Stay here if you want, but I have to go."

Gloria picked up her cell phone and dialed a number.

Jordy's face darkened as he saw the number!

Remarriage? Never and Go Away! Chapter 33

Chapter 33 That's It?

He snatched the phone from her hand and hang up!

Gloria looked at him in puzzlement. "What are you doing?"

Jordy stared hard at Gloria with piercing eyes as if warning her not to make any move.

"Gloria, for the last time, do not go out with any man, or you'll be sorry!"

Angela's face stiffened.

She originally thought that Jordy was doing this to protect his reputation as a man. No man could stand it when his newly divorced wife cheated on him.

But she had a premonition that this was simply not the case.

Gloria talked tough, "We'll see."

Angela took Jordy's arm and said anxiously "Don't take this to heart. My sister is still young."

Jordy's mouth settled into a hard line. He gave Gloria a cold stare and walked away!

Gloria and Angela were left in the room. Angela looked at Gloria with contempt.

Gloria scoffed, "Why don't you just leave? You want me to kick you out?"

Angela managed to smile though she felt bad. "Gloria, you'll be sorry."

She was no longer in the mood for small talk with Gloria. It was better to get Jordy into her bed at this late

hour.

Angela hurried away, and Gloria closed the door. The farce was finally over. Gloria could have a good night's sleep tonight

The headline was taken down by Jordy.

Jonathan was swiping his phone with eyes twinkling with laughter. He couldn't wait to see what would happen next.

A week later, Nydia was on holiday. She took Gloria to the mall to make her feel better.

They mooched around the mall. Gloria needed some new clothes.

Gloria was silent. Nydia asked anxiously, "We are friends. Are you going to keep this from me? What did he

say to you that night? Why was Angela there?"

Gloria was surprised. "How did you know?"

Nydia frowned, "Thanks to Angela! Jordy cares about his company's reputation. Angela could only lay low and complain to her friends. Otherwise, everyone would have heard about her and your husband already!"

Gloria looked calm and Nydia patted her hand hard. "Angela's friend told me that! How long are you going to

keep it from me? What happened?"

Gloria had no choice but to tell Nydia all about Jordy and Angela's visit that night.

"OMG! How shameless they are! Can't he tell she is a bitch?"

Instead of being sad, Gloria snickered, "Maybe she has a special way with men."

“Aren’t you angry? You don’t wanna get even with him?”

“I do want an eye for an eye. Don’t worry. I will do it in my own way.” Gloria said, without thinking.

Nydia perked up and looked at her expectantly. “Tell me! What are you going to do?”

“Divorce him first.”

Nydia rolled her eyes. “That’s it?”

Gloria smiled and gently touched the tip of her nose. “You’ll see.”

Her answer did not satisfy Nydia’s curiosity at all, but Nydia didn’t press, for she knew her character well. Nydia walked fast to keep up with Gloria and asked, “Um... what’s going on with you and Jonathan? I was too shocked to ask how you met! And I’ve been busy recently. Come on, tell me about it!”

Remarriage? Never and Go Away! Chapter 34

Chapter 34 Something Going On Between Them

“You’ll know someday.”

“What? We’re friends, aren’t we?”

“How about I cook for you tonight?”

“Really?”

Nydia was a foodie. Gloria cooked as well as a chef. In this way, Gloria managed to drag Nydia’s wayward attention to the food.

“Of course.”

“I want roast beef, shrimp pâté, and smoked salmon...”

Nydia blurted out several dishes.

Gloria’s mouth twitched. “Can you eat all of them?”

“Of course! I’m a big eater!”

“Alright.”

They talked and laughed on the way home. Suddenly, they heard the doorbell ring when they were washing produce.

Nydia wondered, "Who is it? Did you tell anybody this address?"

Gloria frowned slightly. Only Jordy, Angela, and Nydia knew Gloria's home address.

So did Jonathan. But he didn't know the house number.

Jordy and Angela couldn't possibly be here.

Gloria put down the food and wiped her hands on a tissue. "I'll go check."

Nydia walked after her. When she checked the video doorbell, she was shocked. "Oh my God, it's Jonathan!"

In the video, Gloria saw Jonathan holding two gift boxes,

It seemed that he came prepared. Gloria had to open the door.

Jonathan was a little surprised to see Gloria in her apron. "Are you cooking?"

Gloria nodded and looked at him suspiciously. "Mr. Brown, what brings you here at this hour?"

Jonathan smiled, "Shall I come in?"

Gloria stepped aside and found him a pair of slippers.

Jonathan closed the door and handed Gloria the gift boxes. He spotted someone else in the kitchen when he was about to speak. He raised his eyebrows in surprise. "Nydia's here."

Nydia turned around in amazement. "Mr. Brown, you know me?"

"I know all Gloria's friends."

Nydia gave him a thumbs-up.

Jonathan told the truth to avoid being questioned about whether he did a background check on Gloria.

Gloria looked at the boxes and asked, "What's in them?"

"The party dress, it's your size. Try it on. If it doesn't fit, I'll get it resized."

Nydia was shocked. "You know Gloria's size?"

He hasn't touched her body yet. He's exaggerating!

Gloria pursed her lips and said, "Mr. Brown, you must know much about women. You have sharp eyes."

Jonathan raised an eyebrow and answered her sarcasm with a gentle smile. "Can I stay for lunch?"

Nydia sized him up suspiciously. His eyes never left Gloria as if they had known each other for a long time.

Nydia could not tell anything from Gloria's face. She rubbed her chin and concluded that something was going on between them! Nydia decided to observe them silently. Gloria dumped that jerk and was single again. Maybe she would feel better flirting with a new man in her life.

Gloria did not refuse but said softly, "Alright, I'll get back into cooking. Mr. Brown, have a seat."

"No, let me help you."

He unbuttoned his sleeves and rolled them up.

Nydia watched this blankly and imagined if he was getting his clothes off the next moment.

With no airs and graces, Jonathan washed produce and smiled, "Is there anything else I can help you with?"

Remarriage? Never and Go Away! Chapter 35

Chapter 35 Are You Going to the Party?

Gloria froze for a moment.

Nydia watched their faces closely to catch every nuance of expression, since she felt that they had chemistry

But Gloria didn't tell Nydia anything about it. Was it possible that Gloria fell in love with Jonathan?

Nydia's face changed slightly. No, I can't let this happen!

The next moment she asked directly, "Gloria, it's bad that you tell me nothing about Jonathan. When did you know him? Looks like you're on good terms. Why don't you introduce your new friend to me?"

Nydia winked at Gloria when she was speaking.

Jonathan curled his lips and gave remarks that implied something.

"Though we've only known each other for a short time, we're in a good relationship."

Nydia was confused. "Relationship?"

What kind of relationship? Love relationship?

Gloria's mouth twitched. "Don't talk nonsense. Wash the vegetables."

Jonathan smiled, "Roger that, my queen."

Nydia was dumbfounded.

Roger that, my queen?

She looked at Gloria several times, trying to get some hints through eye contact with Gloria, but... Gloria gave Nydia no signals even when all the dishes were placed on the table, and the food smell that wafted through the air increased Nydia's appetite.

Before they started eating. Nydia showed her appreciation for Gloria's cooking skills. "It smells delicious! Gloria, how about you cook for me in the future? I'll take charge of washing dishes and cleaning up! I promise I'll keep the house clean!"

Jonathan was also surprised that Gloria was able to cook so many dishes which looked very appetizing.

He chuckled. "Can I join you? I won't eat for free. I can help you with cooking."

Gloria gave Jonathan and Nydia cutlery and sat down beside Nydia, saying with a half smile. "I appreciate your suggestion, but I can't afford to support you!"

Nydia burst into laughter. "Don't worry. Mr. Brown is rich enough to bear the cost. He won't make you go bankrupt."

Jonathan put on a faint smile. "It's my pleasure."

Seeing that Nydia was trying to say more, Gloria put a piece of steak into Nydia's mouth. "Eat."

Nydia's mouth was packed.

As Gloria shoved a plate of spaghetti to Nydia, something suddenly came across her mind. She shot a glance at Jonathan and asked, "Mr. Brown, would you like to drink?"

"No, thanks. I have to drive back home."

Gloria nodded, put the spaghetti in her place and sat down to enjoy the food.

Though Jonathan was an uninvited guest, he didn't regard himself as an outsider. He was good at breaking the ice and Nydia was very outgoing, so it didn't take them long to chatter like fast friends.

Basically, Nydia was the one that kept talking. Jonathan echoed with her while Gloria hardly spoke.

As far as they were concerned, the six dishes on the table were both beautiful and delicious.

Jonathan was very impressed. He usually ate a plate of staple food, but today he served himself with another plate of staple food due to the delicious cuisine.

Jonathan couldn't help but admire. "Gloria, even a Michelin-starred chef is no match for you in terms of cooking skills."

Gloria's eyelashes trembled slightly.

Cooking skills?

Heh.

She heard from others that the best way to a man's heart was through his stomach.

Therefore, she worked her ass off to improve her cooking skills, trying to change the way Jordy felt about her.

However...

He never took a bite of the food she cooked. When she asked him to have a shot, undisguised disgust would be shown on his face.

Every time Gloria recalled the past, she felt her past self very cheap.

“Gloria?”

Nydia’s words snapped Gloria out of her thoughts. Looking at their intent gazes, Gloria parted her lips. “I lost focus just now. What did you say?”

Nydia opened her eyes wide and looked at Gloria. “Are you going to a party?”

Gloria nodded, “Yes.”

She subconsciously took a look at Jonathan. He told that to Nydia?

Nydia frowned. “You’re not comfortable with such occasions. Why are you going to the party in high profile? Besides, you used to attend such occasions with Jordy Collins, but this time you...”

Remarriage? Never and Go Away! Chapter 36

Chapter 36 Jesus! Are You Crazy!

Nydia’s voice was tinged with worry. She always felt that Gloria was going to experience an unpredictable twist of fate.

Everyone knew that Gloria and Jordy would display affection in public at every banquet they attended, but

now...

Jonathan arched an eyebrow without saying anything.

If Gloria attended the party with him, it would give a heavy blow to the Collins family. That was what he expected.

Gloria curled her lips. “Don’t worry.”

She had to carry out her plan sooner or later. Moreover, she had lost her patience with Jordy, so there was no

need to tolerate him.

Even if Gloria did nothing, Angela would try her best to break them up. She thought it would be better to end this relationship on her own so that she could be in control.

Nydia sighed. “That’s not a bad idea. You can get divorced more smoothly in that way.”

Jonathan raised his eyebrows and asked with an astonished expression as if he hadn’t known it, “What do

you mean?"

Nydia said through gritted teeth, "Jordy, that bastard, is too shameless. He has signed the divorce paper, but he's dragging his feet over getting the divorce certificate. Gloria is a nice woman. She deserves a better man!"

Jonathan nodded in agreement. "I agree. After Gloria gets divorced, I think she can consider me as a

candidate."

Words failed Nydia.

How did they get to know each other? Gloria didn't tell Nydia about it, so Nydia didn't have the nerve to talk casually with Mr. Brown for fear that she annoyed him.!

Fortunately, Mr. Brown didn't ask Nydia personal questions about Gloria.

After Jonathan left, she needed to question Gloria!

Gloria smiled faintly. "Mr. Brown has seen all kinds of beauties, and I am just like a bouquet of wild flowers that no one will notice."

Jonathan raised his eyebrows and chuckled. "No, beauty is in the eye of the beholder. I like wild flowers."

that no one will notice."

Jonathan raised his eyebrows and chuckled, "No, beauty is in the eye of the beholder. I like wild flowers."

Jonathan was a womanizer, so it was not unusual for him to have a glib tongue.

Gloria and Nydia didn't take it personally.

They finished the meal, while talking and laughing. After the meal, Nydia scrambled to wash the dishes. Jonathan turned to look at Gloria. "How about you try on the full dress?"

Gloria's eyes were glittering. "I'll try it on tonight. I'll contact you if there's anything."

Jonathan was gentlemanly, so he wouldn't force Gloria. Seeing that it was a bit late at night, he decided to leave as he knew he would be an annoyance to them if he stayed any longer. He rose to his feet, smiling. "I'm leaving. You should rest early."

Evidently, Nydia was planning on staying at Gloria's home tonight.

Gloria nodded, smiling. "Alright, you take care, Mr. Brown."

Jonathan scowled. "We've eaten together several times. Today, I even had the food you cooked. So we should be friends now, shouldn't we?"

When Nydia washed dishes, she peeped at them and felt there was a mild flirtation between them.

Gloria smiled without any reply. Jonathan walked to the door and said in an undertone after changing his shoes, "Call me Jonathan."

Gloria's eyes flashed. "OK."

Jonathan smiled and left.

After the door closed for some time, Nydia finished washing the dishes. She wiped her wet hand with tissue and looked at Gloria suspiciously. "What happened between you two?"

Perceiving that Gloria was going to answer her perfunctorily, Nydia raised her arm immediately. "Level with me! Don't try to fool me!"

Gloria sighed helplessly. She didn't divulge anything about Jonathan to Nydia because she didn't want to bother Nydia. However, if she kept hiding it from Nydia, she was afraid that Nydia might misunderstand her. Therefore, she told Nydia some trivial things and avoided the importance, like her cooperation with Jonathan.

When Nydia heard Gloria talk about her intentions to attend the bouquet, her face changed color. She stood up right away. "Jesus! Are you crazy? You're going to..."

Remarriage? Never and Go Away! Chapter 37

Chapter 37 The Party Kicked off

Gloria stared at Nydia and nodded before Nydia finished since she had known what Nydia was going to say. "This is the only way. I've shown extreme forbearance to him, but he's unthankful."

Nydia stared at Gloria in wide-eyed wonder. "Gloria, are you sure you're ready? Once you come to this, some things can't be fixed anymore!"

Gloria arched an eyebrow. "What? You keep asking me not to stick around for him. Now I've made up my mind, but you want me to reconsider it?"

"I wish you to sever the tie with him for good and stay away from him!" Nydia said firmly, but the next moment she felt torn. "I'm worried you might regret it and feel sadder than

before. Maybe breaking up with him can put you out of your misery, but what if losing him inflicts more pain on you?”

Gloria grinned and put one of her hands on Nydia’s hand. “It won’t happen. Don’t worry.”

Nydia’s eyes twinkled and she finally nodded. “Um, I trust you, alas...”

She parted her lips but withheld her words, for she was afraid that Gloria would change her mind. Anyway, as far as Nydia was concerned, Gloria should get divorced!

Nydia noticed the gift box on the sofa and hastened to speak, “Eek, is it the full dress? Why not give it a shot?”

“Don’t bother.”

“Huh?” Nydia had taken the gift box and felt confused at Gloria’s words. “You’re not going to wear the dress he gave you?”

“Yes.” Gloria watched the full dress that Nydia took out and said with a serious look, “Jonathan is just a partner. After the cooperation is over, we’ll be strangers to each other.”

“Well... Why didn’t you ask him to take it away?” While saying, a trace of admiration flashed across her eyes. “What a beautiful dress! Money really talks!”

Gloria took no notice of how luxurious the dress was. “He wouldn’t take it away even if I required it.”

Nydia rested her chin on her hand. “Tsk. I can never live the life of a rich man.”

Gloria frowned, lifted her hand and poked Nydia’s forehead. “Aren’t you from a rich family? You can’t forgive your father until now? He had his reasons for what he had done.”

“Reasons?” Nydia’s face clouded over instantly. “Gloria, don’t try to convince me. I won’t accept them as my parents. They have other children, and I mean nothing to them. Maybe he picked me up somewhere on a whim.”

“Nydia...”

“Let’s not talk about it. Gloria, you really don’t try it on? I believe you’ll look gorgeous in this red dress. If you put it on, you’ll dazzle all the attendees!”

Gloria pursed her lips and changed the subject. She patted Nydia’s shoulder. “Go to sleep.”

Nydia put back the dress and nodded with a smile. "Alright, you should take a shower and sleep to get better, so that you can dazzle everyone at the bouquet. I'll also attend it!"

Gloria was silent.

ask Bryson and Jennifer to accompany me."

Gloria parted her lips. She didn't want to involve them, but she felt it was better to tell them, thinking that they were her best friends.

She smacked her lips and finally withheld her words. Then she took a shower and went to sleep.

In the following days, she lived quite a comfortable life.

As she was waiting patiently, the party finally kicked off.

Remarriage? Never and Go Away! Chapter 38

Chapter 38 Don't Worry. I Am Here

Gloria had got into Jonathan's car

Nydia wasn't there since she would attend the party with Bryson and Jennifer.

Jonathan drove the car while Gloria was seated in the passenger seat.

He looked intently at Gloria, and a faint smile lifted the corner of his lips "Why didn't you wear the full dress

prepared for you?"

Gloria tilted her head to look at him. "It doesn't fit me, so I select more suitable dresses. I'll give the full dresses back to you. You might as well give them to your other female companions.'

Jonathan was a calculating man, but he would not give Gloria much pressure, so she didn't have to be

cautious with her words.

Jonathan raised his eyebrows. "You are my only date at present

Gloria chuckled without saying anything.

On their way, Jonathan made a conversation with Gloria to liven the atmosphere without any effort. They seemed to thrive in conversations and felt relaxed.

It didn't take them long to arrive at the destination.

It was the birthday party of Old Henry Murray today. A lot of guests gathered here to celebrate it.

Countless cars pulled over at the entrance of the Murray's.

Many security guards were upholding the order. The guests greeted each other while taking their chaperones

inside

When Jonathan's car pulled over, many people turned to look at Jonathan with great respect

There were several powerful families in this city, and their license plates were memorized by a lot of people, who tried to avoid offending the powerful and curry favor. Jonathan was from one of the most powerful families. His arrival caught the attention of all the people who were about to go inside

As the center of attention, Jonathan opened the driver's side door

Many women swooned when they saw the handsome man in a suit getting out of the car They couldn't help but scan Jonathan up and down and wasn't reluctant to look away.

Jonathan was nearly 19 meters tall with broad shoulders and a lean waist. He was a typical prince charming in the eyes of women

A faint smile spread over his handsome face As everyone gazed at him, he walked to the passenger side

A lot of women held their breaths and jealous rage overwhelmed them, though they hadn't seen the woman in the passenger seat.

There were not many handsome men The powerful and handsome guys were rarely seen.

Jordy Collins and Jonathan Brown were both good-looking and at the peak of their careers.

However, Jordy had got married and he was deeply in love with his wife Jonathan was single, but he was a

playboy Regardless, many women racked their brains to climb into his bed because of Jonathan's power.

status and good look

The passenger side door opened slowly

Jonathan was beaming and softness filled his eyes

He stretched out one of his hands, waiting for his sweetheart to get out of the car.

All the guests were dumbstruck. Though Jonathan was a womanizer, he never went to a party with a date.

This time, he made an exception!

When everyone felt it incredulous, a fair-skinned hand was stretched out and her slender, fair fingers were placed on the man's fingertips Jonathan held her hand as if it was a treasure, and helped her get out of the

car

Since his car pulled over in the corner, they couldn't see Gloria clearly when she was in the car.

It was not until she got out of the car that the crowd saw a slender figure in blue

Her brown curly hair draped over her body. She stepped forward to be coordinated with Jonathan's movements. Jonathan bent one of his arms Gloria froze for a moment and finally linked his arm.

Jonathan cast down his eyes, bent over and whispered in her ears "Don't worry. You have me by your side."

Remarriage? Never and Go Away! Chapter 39

Chapter 39 It's a Show They put on

Darkness gathered in Gloria's eyes and she seemed to lose locus.

She suddenly remembered that every time she attended a party with Jordy, he would hold her hand and talk to her in an affectionate voice so that all the guests would believe they were deeply in love with each other

At that time, she thought she was the happiest woman in the world

But later...

A flash of mockery flitted across her eyes. She smiled at Jonathan and walked to the front gate with him.

When they walked around the car, Gloria's face was revealed to the guests.

Many people gasped.

Gloria was wearing a light blue dress that was on her knee. Her arms were fair skinned and slender. Her waist was slim, and made many men swoon, Nevertheless, only Jordy could hold her waist before.

Now... Jonathan didn't fling his arm around Gloria's waist, but they linked arms The guests were wondering what happened

If they were not mistaken, that woman was Gloria White.

Immediately, the guests exchanged looks. Could it be that..that woman was someone who looked like Gloria,

As they looked at her intently, they concluded that she was not anyone else but Gloria Some men couldn't refrain from going over to Jonathan and greeting him with a polite smile. 'Mr. Brown, it's been a long time. I never thought we could meet each other at the front gate. What a coincidence. Hahaha....

Jonathan nodded with a gentle expression. 'Mr. Phillips.'

Mr Phillips would only greet Jonathan most of the time. But it was really startling that Jonathan attended the party with Jordy's wife, so Mr. Phillips could no longer repress his curiosity. He looked at Gloria and asked with puzzlement, 'Mrs. Collins, why are you...'

Gloria seemed perfectly collected and smiled. "Mr. Phillips, it's been a long time.

Yes, it's been so long. You...'

Before Mr. Phillips finished, Gloria shifted her gaze at Jonathan. "I'm thirsty. Let's get in first?'

Jonathan curled his lips and nodded gentlemanly "OK"

Other guests were approaching them. Seeing they walk arm in arm, the guests were shaken up.

"Oh my god! That's Gloria White recognize her voice.'

"I'm not blind. I don't need you to inform me! When did they fool around with each other? Where is Mr Collins?'

"Hahaha. apparently, I'm in the right place. I really expect the upcoming show. I'm wondering if Mr Collins will come or not

It's the birthday party of Old Henry Murray. The Collins family and the Murray family have a lot of common projects and a good relationship, so I'm sure M Collins will come.

Did Mr Collins and Mrs Collins have a quarrel? So Mrs. Collins is angry with Mr Collins and starts a relationship with Mr Brown?'

"How could that be? The Collins couple has gotten along well with each other. Due to it, the share price of Mr. Collins' company continues to increase if they split up, it would

hurt Collins Group, which is a giant. The slight decline of the stocks can lead to a huge loss.”

“Perhaps the feud between the Collins family and the Brown family is misleading? Mr. Brown and Mrs. Collins are putting on a show?”

“Let’s go inside to see if it’s a show!”

They couldn’t figure it out and failed to restrain their curiosity, so they strode over to follow Jonathan and

Gloria

The moment those women found that Gloria was Jonathan’s date, their curiosity surpassed their jealousy

However...

Before all the guests got inside, another luxury car drove in. When they saw clearly the license plate, there were subtle changes and undisguised excitement in their eyes.

Remarriage? Never and Go Away! Chapter 40

Chapter 40 The Show Begins!

That was Mr. Collins can

They were wondering if he would attend this party with a date

They saw him stepping out of the car slowly, exuding roblity and aloofness that made others flinch.

In comparison to Jonathan, who was gentle, joidy was aggressive and daunting

After he closed the car door, he strode to the passenger side door

The guest gol extremely cicated.

It seemed like they got some important secrets

They riveted their gazes in the direction of Jordy, and looked forward to seeing the woman on the passenger

seat

At that moment, all the people only got one idea on their minds, that was, to see who Jordy’s date was.

As the guests had great expectations, the passenger side door opened Jordy didn’t hold her but said nonchalantly. “Get off.”

Angela covered the disappointment in her eyes and nodded while smiling

When her face was revealed, all the onlookers were dumbstruck.

That woman!

Oh, gosh!

Wasn’t she Gloria’s cousin?

She became a vegetable because of saving Jordy... How could she recover so quickly and even go to the party with Jordy?

She wore a full red dress, forming a sharp contrast to her pale cheeks,

She lowered her head slightly and didnt act very naturally. After Jordy closed the door, she showed him an apologetic smile “Jordy, will my attendance have a bad influence on your company?”

Jordy glimpsed at her and said with an Indifferent look. ‘No.’

He would marry Angela sooner or later Many things could not be concealed anymore

So, Jordy decided to keep it that way, creating a flawless illusion that Collins Group

would have some big moves. It would be better than making others believe that the Collins couple had separated.

Before that, he had hired some paid posters to make insinuations online
Angela answered with a smile. Thank you, when the party is over, I won't trouble you again."

Jordy pressed his lips lightly without a word.

Nevertheless..

He felt the surrounding people acted very weirdly today Though they tried to curry favor with great respect as usual, he could sense the unnatural expressions in their faces All of them were the same.

Even Angela felt something was amiss. She looked around subconsciously and hastened to speak, "Jordy, they seem to misunderstand us."

Jordy retraced his gaze and strode inside 'Don't worry,' ||

While watching his receding figure, Angela felt somewhat disappointed. She had been waiting for him to bend his arm, but the last shred of hope was in vain

Angela pursed her lips, neglecting others' gazes and following Jordy

Anyway, she was already satisfied that she could attend the party with Jordy.

Other guests were watching the scene. Seeing all the leading roles walk inside, they followed in, wanting to acquire more firsthand information.

Some story details might be changed if they were informed by others.

The show begins!"

'I feel they put on such an act on purpose...'

'I don't think so. I heard that Mr Collins often went to the hospital to visit Angela after she regained her consciousness. Angela is Mrs. Collins' cousin, so she's kind of related to Mr. Collins. After she became Mr

Collins' life saver, they had more connections. They are of similar ages, so it's no wonder that they might have a crush on each other.'

"Hurry to follow them in. No more talking."

Just then, Angela had caught up with Jordy and walked inside the living room with him shoulder by shoulder
