

Remarriage Never And Go Away

Chapter 511

Chapter 511

A Spark of Anger Jennifer and Nydia froze and then gave Gloria weird looks. Nydia snorted, "He was here for the project, I think.

He didn't even give you a little peace of mind when you were in a coma!"

Gloria's eyes dimmed, and she said nothing.

Jennifer said uncertainly, "I still think Jordy likes you..." The corners of Nydia's mouth twitched.

There must be something wrong with Jennifer's brain.

Gloria chuckled.

She didn't think so.

Jennifer blurted, "Jordy came in right after you were sent to the hospital, and he looked very worried.

He invited Carlos over to see if you were okay.

After Carlos left, Jordy kicked us out and stayed by your side for six hours..." Gloria didn't expect Jordy to be there for her this long.

It seemed that he tried so hard to get the project off the ground.

Jennifer hesitated for a moment and continued, "Angela came to see you, but she walked out of your room soon after.

I guess Jordy drove her out.

Several minutes later, Jordy came out.

Jordy's father came to see you too.

They were already gone, but when Jordy found out Angela was coming into your room again, he stopped her and drove her away."

"Really?" Nydia was surprised.

Jennifer nodded.

Gloria's eyes flickered.

Jordy believes part of my story, right? Otherwise, he would not be wary of Angela.

Jennifer pursed her lips and said, "He was being weird and seemed to have a mix of emotions.

I think he likes you, Gloria." Nydia suddenly felt like Jennifer had a point.

Gloria looked calm.

"Okay, I get it."

Nydia looked at her, confused.

"What? What do you think Jordy's purpose is?" Gloria frowned slightly as if she couldn't figure it out.

Jordy didn't mention a single word about the project.

He could have brought it up or said something unkind.

Maybe it wasn't about the project.

"I don't know.

Forget it.

Grandma and Mr.

Collins won't let him hurt me."

Nydia nodded.

"You're right.

Now take aim at your cousin's family!" "Mmm," Gloria responded and said no more.

Jennifer said, "You haven't eaten all day.

Have some porridge.

It'll give you some energy." Gloria smiled, "Okay." Jordy strode out of the hospital with a livid face.

When he got back to his car, he called Harold.

"How are things going with Jonathan?" Harold replied, "It's an hour before they get off the plane."

"Is there a news blackout?" Jordy's voice was cold.

"Yes, sir," Harold responded.

Jordy's tone of voice showed that he was in a bad mood.

Maybe Miss White woke up and gave Mr.

Collins that attitude.

Mr.

Collins looked after Miss White for so long, but she wasn't nice to him after she was awake.

Mr.

Collins is bad-tempered.

Sparks must have flown between them...

Sparks of anger.

Remarriage Never And Go Away

Chapter 512

Chapter 512 He Was Not Leaving!

Three days passed. Time flew by. Jordy didn't visit Gloria for three days. It was like he was angry with her.

Gloria snubbed Jordy completely as if she totally forgot about him.

Jordy couldn't just sit at home any longer.

Just as Gloria was about to rest, the door to her room suddenly opened.

She opened her eyes and thought it was Jennifer and Nydia.

After all, Gloria kept Bryson in the dark about her accident.

They were in the same hospital, so she had to be careful.

Neither Gloria nor Nydia could be seen by Bryson.

Therefore, Nydia stayed with Gloria in the room the whole time.

Gloria frowned at the sight of Jordy.

She looked at him without speaking.

Obviously, she was in no mood to talk to him.

Jordy saw the look in her eyes, walked over to sit down next to her, and calmly asked, "How are you feeling?"

Gloria looked at him in surprise and even felt a little flattered.

What's wrong with him? He's here to see if I am doing well.

The last time Jordy came to visit Gloria, she began to wonder if he did this probably for the project.

However, he didn't say anything about it.

But this time it might be all about the project.

Gloria didn't ask Jordy about it but said quietly, "I'm feeling fine."

Jordy pressed his lips together and said nothing.

Gloria asked curiously, "Mr.

Collins, you're not comfortable with my cousin?" Jordy frowned at her half-smile and an air of indifference.

Anger flooded him in waves.

She was always like this, which disgusted him and repulsed him.

"You have no heart, Gloria?" Gloria looked at Jordy blankly.

"What did you say?"

Jordy's frown deepened.

What was I saying? Gloria sneered as if she thought of something.

"Mr.

Collins, do you think I shouldn't say that about my cousin? You think she's kind to me, but I don't believe she's as gentle as you think. " Gloria's smile seemed to widen as she continued, "Then again, if it's true that she was knocked into a vegetative state, it's only because you were there.

What does it have to do with me? Her whole family is cruel.

They hurt my family and snatched my father's company.

Mr.

Collins, I don't mind if you still doubt me and think Angela and her family kind, because no one can stop me." Gloria's smile seemed mild, but she spoke with intense hostility.

It was like antagonism emanating from every pore.

Jordy's face grew puce.

Gloria's confusion grew within her.

What is his purpose here? She lapsed into silence, and suspicion clouded her face.

Jordy had been acting weird lately.

He was not as sarcastic as before.

But...

he was quite eccentric in character.

Jordy's presence annoyed Gloria very much.

After a pause, she looked at him.

"Mr.

Collins, anything else?" "Does it have to be something?" Jordy sneered.

Gloria looked at him with a puzzled look on her face.

"If nothing else, what are you doing here?" Hearing that, Jordy became angrier.

She always had such a knack for making him mad with a few words!

He wasn't going anywhere today!

Suddenly, someone knocked on the door.

Remarriage Never And Go Away

Chapter 513

Chapter 513 Was She Like This Before?

"Gloria, my uncle is here to see you. We're coming in."

Jordy scowled, and Gloria glanced at him and shouted at the door, "Come on in."

The door was opened.

Nydia had a smile on her lips, but when she saw Jordy sitting there, she looked shocked.

Why is he here again? What's his problem? I was just out for a while, and then he showed up here.

Did he time his arrival during my short absence? If Jennifer heard what Nydia was saying in her head, she would definitely retort like this.

"Does Mr. Collins need to avoid you? Can't he just get rid of you?"

Ted had a fruit basket in his hand and a smile on his lips.

The moment he saw Jordy, his smile froze.

The next moment, the smile returned.

"Mr. Collins is here.

What a coincidence!" Ted spoke with ease, without the slightest bit of embarrassment.

Jordy glanced at Ted with an eyebrow raised.

"I didn't expect to see Mr.

Maguire here." Jordy knew how amazing Ted was, and so did a lot of people.

Jordy even tried to steal him away, but he gave up for the sake of his relationship with Gloria's father.

Ted smiled, and without looking at Jordy, he placed the fruit basket on the nightstand.

When Gloria was trying to sit up, he stopped her by saying, "Don't, don't move.

You have a broken rib." Gloria smiled, "Not a big deal.

I'll be fine soon.

The doctor has bandaged my ribs, and I need regular exercises in the following days."

Gloria moved flexibly and sat up, not like an injured person.

Nydia had been taking care of Gloria for the past two days.

Knowing how well Gloria recovered, Nydia didn't look very worried.

Jordy stared at Gloria.

It turned out she was not a grumpy person.

It was just that she vented her anger on some annoying people.

And Jordy was one of them.

His eyes twinkled with sarcastic laughter.

Ted sighed, "I can't believe this happened to you.

How are you feeling right now?" "Fine, I feel nearly back to normal.

Please have a seat." Ted smiled, nodded, and sat down on the empty side of Gloria's bed, across from Jordy.

Ted looked at Gloria lovingly.

"Take good care of yourself.

Don't worry about the company.

Anyway, now you should put yourself first." Ted was sitting across from Jordy.

There was no need to hide any company news from Jordy.

After all, it was known that the executives ganged up in the White Group.

Everyone knew Ted sided with Gloria's father, one of his old friends.

Gloria's father was gone, so Ted supported Gloria.

Jordy remained seated silently and had no intention of leaving, as if listening to them.

Nydia gave Jordy a suspicious look.

Why doesn't he leave? Does he have a lot of free time?

Gloria nodded at Ted.

"Okay, Mr.

Maguire, you don't have to worry about me.

I'll take care of myself."

Ted nodded.

"Well, I feel relieved to hear you say that.

I'll always be there for you." Gloria felt warm, and her eyes shone with tears.

Jordy saw this and froze.

Remarriage Never And Go Away

Chapter 514

Chapter 514 Do You Want Me So Badly?

But why does she seem unmoved and even disgusted when I am hereto see her?

Is she not moved? After Ted came in, Gloria didn't give Jordy another glance.

She was laughing and joking with Ted and Nydia.

It was as if Jordy were not there.

Ted sensed something wrong and then looked at Jordy, still smiling kindly.

"Mr. Collins, why are you here today?" The implication was that Jordy was supposed to be busy with his work.

Jordy said flatly, "I'm free today." No one paid attention to Jordy just now.

Jordy was a cold person.

That meant he might be not going to talk to them.

Nydia sensed the weird atmosphere in the room and felt a little embarrassed.

She paused for a moment and then smiled, "I...

I'm going out."

Gloria nodded at her.

There were only three people left in the room.

Gloria unconsciously looked back at Jordy.

She didn't say anything, but the look in her eyes said it all.

You're not leaving? Jordy averted his eyes away from Gloria to Ted.

"Mr.

Maguire, you're having a tough time at the company, aren't you?"

Ted's smile froze on his lips, but the next moment he said, smiling, "Mr.

Collins, why are you asking?" Ted wanted to say it was rude of Jordy to ask such a question, but he bite back the words.

V SA emed not to hear any overtone in his voice and said calmly, "You're having trouble fulfilling your old friend's wishes.

Maybe I can help." After a pause, Ted chuckled, "There's no free lunch.

I'm afraid I can't afford it." Gloria frowned slightly and looked at Jordy.

Is he trying to get Mr.

Maguire's support to smooth the path for our cooperation? Bu Mr.

Maguire has got his eye on Jonathan.

Gloria sat on the bed, with no intention of engaging herself in their conversation.

Ted and Jordy exchanged pleasantries.

But...

Gloria seemed to sense Jordy's sincerity.

Ted was interested in Jordy's generous offer, but the next moment Ted said with a smile, "Mr.

Collins, I do feel your sincerity, but I'm tied up with businesses.

A wrong step, all bets are off.

Gloria is my old friend's daughter.

I have to keep her safe all my life." Jordy glanced at Gloria and said calmly, "Gloria and my grandma are so close." Gloria turned to Jordy.

Is it necessary to bring that up? After a moment's hesitation, Gloria said quietly, "Mr.

Collins, you can just talk to Claude.

Why spend so much time convincing Mr.

Maguire? You're giving me an illusion that you want me so badly."

It was obvious that her voice dripped sarcasm at the last words.

Jordy's thin lips were tightly pursed, and his eyes were cold.

And his handsome face contorted with anger.

But the next moment, his cold eyes suddenly twinkled with laughter.

Gloria was confused by his reaction.

An illusion?

Even Ted was confused.

There must be something going on between them.

Remarriage Never And Go Away

Chapter 515

Chapter 515 Are You Heartless?

His voice was very light almost like a whisper.

But...

Gloria still heard the mockery in his words.

She sneered and was about to ask him to get out, but Mr.

Maguire was here.

If she said that, Jordy would certainly feel embarrassed.

Then he might get back at her in some way.

She didn't want that to happen.

After a pause, she whispered, "I'm sorry I can't agree to cooperate with you.

We should avoid suspicion in consideration of our relationship." Jordy frowned without saying anything.

Ted felt Gloria's gaze and immediately understood, "Mr.

Collins, Gloria, I came out in a hurry.

I just heard that something had happened to you.

You are okay, so I'm relieved.

Have a good rest.

I'll come to see you again tomorrow." Gloria shook her head with a smile, "Mr.

Maguire, thank you, but I'm already okay.

I'll come back to the company in a while." Ted sighed, but he knew that he shouldn't stay.

He nodded with a smile, "Then I'm leaving.

See you
again, Mr.

Collins."

Jordy nodded at Ted, and said nothing.

Ted went outside and saw his niece after a few steps.

Nydia immediately came up to him, "Uncle, you came out so soon? So...

when is Mr.

Collins going to leave?" She had been waiting here for a while, but it was her
uncle who came out first.

Ted shook his head and frowned slightly, "He's still in there.

Go in after Mr.

Collins leaves.

There's something wrong with them." "Ah?" Nydia widened her eyes and said
with worry, "Is Mr.

Collins going to molest Gloria?" Ted immediately curled his lip.

He raised his hand and flicked her forehead, "Are you serious?"

Nydia took a step back, covered her painful forehead with one hand, and said
with a puzzled look, "Then what do you mean?" "The atmosphere between them
is weird.

Forget it.

Don't go in.

Gloria is smart and knows how to deal with it.

Don't make it worse.

See me out."

Nydia was confused.

She looked at Ted with a puzzled look as if saying, you are healthy and know the way back, and you actually want me to see you out? Seeing her look, Ted laughed and said directly, "You don't want to?" "Yes, yes..." Then Ted left with Nydia.

Jordy and Gloria were alone in the ward.

Gloria was puzzled about why Jordy had been staying here.

Did Angela put him through something? So he came to her?

She could not guess his feelings, but she knew that he would not feel guilty.

Anyway, they didn't love each other.

Even if he misunderstood her, it didn't matter.

Thinking of this, Gloria smiled gently, "Mr.

Collins, Mr.

Maguire was here, so I didn't drive you away to avoid embarrassing you.

Can you tell me when will you leave?" Jordy was really angry.

He gripped Gloria's wrist, but he knew that she was injured.

So, he didn't pull her, but just held her wrist tightly.

Gloria immediately frowned and tried to struggle.

Jordy said irritably, "I've asked you.

Chapter 516

Chapter 516 She Could Be Discharged

Gloria looked at him with puzzled eyes, "What the hell do you want?"

She failed to shake off his hand, so she gave up.

Jordy took a deep breath and tried to suppress his anger.

He refused to tell her his intention, which made Gloria feel speechless.

What the hell was he doing?

A moment later, he said in a deep voice, "I won't be engaged to her."

A surprised look flashed across Gloria's eyes, "What?"

She was interested immediately.

Anything that could make Angela feel bad would awaken her interest.

Jordy pursed his lips, "If what you said is right, I will give you an explanation."

Gloria chuckled and looked at him with a calm face, "You don't think I'm a vain woman who's always up to something anymore?"

Jordy frowned, and a complicated look appeared on his cold face.

After a pause, he said in a deep voice, "I hope you are not such a person."

"Tut." Gloria smiled. So he still thought she was such a woman.

Looking at Jordy's darkened face, she said, as if she didn't mind, "No matter what your purpose is, I'm very happy to hear that you won't be engaged to Angela. I know you're not doing that for me, but I guess I should say thank you because I'm really happy to hear that."

The coldness in Jordy's eyes seemed to be stronger.

"Gloria, are you tired of disguising now?"

She used to be clever, obedient, gentle and sensible.

But now she was willful, uninhibited, tough and ruthless.

The second one was the real her.

Gloria smiled, "You always hate me. What else can I disguise?"

Jordy frowned again and then smiled sarcastically, "Here's a piece of advice for you. Don't promise Jonathan too much in this cooperation, or you can't wrap it up."

With that, Jordy got up. He didn't want to stay here any longer. Otherwise, he would have a heart attack in anger because of her.

Gloria looked at his receding figure, thinking about something.

"Wait."

Jordy froze, but didn't turn back.

Gloria confirmed, "Are you sure you won't be engaged to Angela? Were you joking or just lying to me?"

Jordy snorted coldly, ignored her, and left.

It suddenly fell quiet in the ward.

Gloria took out her phone and looked at the dozen or so messages. She sighed lightly, and replied to Bryson's message.

Gloria, (Yes, I'm all right. You don't have to worry about me. Take good care of yourself. Listen to Jennifer and be cooperative.)

Bryson, (Okay, I've been recuperating well. Don't worry. When you come back, I might have been discharged.)

Gloria, (Okay, I've been busy all day. I'm really tired. I'm going to bed.)

When Bryson saw this message, he slowly deleted the message that he asked her if she wanted a video chat. A disappointed look flashed across his eyes.

But...

He knew that Gloria was busy and he couldn't bother her.

Bryson, (Okay, good night.)

Gloria, (Good night.)

Then Gloria was about to put down her mobile phone, but... her look stiffened at its sudden ringing sound.

She told Brenda not to call her if there was no emergency. Now...

Remarriage Never And Go Away Chapter 517

Remarriage Never And Go Away

Chapter 517

Chapter 517 She Had to Get Rid of Her!

Her eyes slightly froze and she picked up the phone.

“What’s the matter?”

Brenda immediately said, “Miss White, she made another move!”

Gloria pursed her lips silently, obviously waiting for her to go on.

Brenda took a breath and hurriedly said, “I overheard Angela call her mother today. She said that she didn’t want up give up like this and that they would take further actions. You have been in hospital, so... I guess they are going to make another move against you!”

Because she was hospitalized, Angela had visited her in the past two days. Claude and Martha also

had come and showed their care for her hypocritically. Gloria even had an illusion that they were

her biological parents and were really good to her.

“Do you know what they are going to do?” Gloria still sounded very calm.

Brenda’s eyes were filled with strong admiration. Miss White was always like this. She was always calm when she was in trouble. Angela couldn’t compare with her at all.

She followed Angela in the past. Angela always pretended to be a calm lady in front of others, as if she were very nice to everyone and especially noble. Everyone felt that she was like a goddess, graceful and beautiful.

But... in private, only Angela knew how vicious herself was.

Gloria was different.

She was truly noble and graceful, which made people admire and respect her from the bottom of

their hearts.

"I... don't know yet."

Gloria responded, "OK, I see. Be careful and don't let her find you."

"OK." After that, Brenda hurriedly said in a worried voice, "Miss White... be careful!"

"Okay, we'll contact again."

"OK."

Gloria put down her mobile phone and lay back on the bed with a thoughtful look.

She was thinking about what they would do next.

But...

At this point, the door of the ward was suddenly pushed open.

Gloria thought it was Nydia who was brisk and hurried. However, she raised her eyes and found it

was Irene who came in with a sullen look.

"Irene?"

Irene looked extremely gloomy, "If I didn't come, will you keep me in the dark forever?"

Gloria shook her head quickly, "No..."

She was about to sit up.

But Irene came up to her quickly, pressed her on the shoulders and said in a deep voice, "No, lie back!"

Gloria felt warmed and nodded with a smile, "OK."

She didn't have to be so polite in front of Irene.

Looking at Irene's unhappy face, Gloria smiled, "I'm okay. I can be discharged soon."

"Was it them who did this to you?" Irene frowned, "Why didn't you tell me about this after you woke up? I can check it!"

Gloria sneered, "They did this to me because their plan was foolproof. Even if we investigate it, the two drivers who caused the accident will be the scapegoat. Now the

police have taken over this thing. We don't need evidence even if we want to retaliate against them."

Irene looked at her suspiciously, "You've got a plan?"

Gloria's eyes moved slightly, but she didn't respond directly. She just said with a smile, "Things need to go step by step."

Irene frowned and didn't say anything, but she had complicated feelings.

She stared at Gloria, "Gloria, you must tell me no matter what happens. You have to get rid of Angela!"

As soon as she finished speaking, the door of the ward was suddenly pushed open.

Remarriage Never And Go Away Chapter 518

Remarriage Never And Go Away

Chapter 518

Chapter 518 She Suddenly Turned Pale

Irene was startled and quickly turned to look at it.

She was relieved to find that it was Nydia.

Nydia was surprised, "Huh? Irene, you're here!"

Gloria told her not to tell Irene about this.

Irene nodded, "If I don't come, you are still keeping me in the dark."

Nydia laughed, "You're right, but you can't blame me for this. Gloria is afraid that you'll be worried, so she told me to keep it a secret."

Irene sighed helplessly, "Seriously?"

Gloria just smiled and said nothing.

Nydia was here, so Irene stopped discussing how to deal with Angela with Gloria.

Moreover, Nydia did not discuss Jordy with Gloria because Irene was here.

Then... Gloria felt much more relaxed.

They talked and laughed, and Gloria gradually looked a little tired.

Irene immediately got up, "Alright, I'll come to see you tomorrow. Have a good night."

Gloria nodded with a smile, "OK."

Nydia quickly said, "Irene, I'll see you out."

"No, thanks, just stay and take care of Gloria. Otherwise, there will be no one here for her after we leave."

Nydia nodded with a smile, "Okay, goodbye."

Irene smiled and then left.

Nydia walked Irene to the door of the ward, went back to Gloria, and sat down.

"Gloria, how are you going to solve your problem with Jordy?"

Gloria got up to wash herself. "I can't do anything about the current situation. We'll see what happens."

Nydia sighed helplessly, "Right, you need to recuperate..."

Her expression seemed more complicated than Gloria's.

Then four days passed, and Gloria had been discharged for three days.

She had been resting at home these days.

She was recovering well, which saved others a lot of worries.

And Jonathan...

When he learned the news, he was dealing with problems in other places, and had no time to visit Gloria.

He could only call her.

"Hello, Mr. Brown."

Jonathan immediately said with a light frown, "How are you doing now?"

Gloria responded calmly, "Don't worry. I'm fine."

Jonathan's eyes were filled with guilt, "Sorry, I've been dealing with things out of the city. I..."

He wanted to say something else, but Gloria directly interrupted him, "You don't have to be sorry. I'm okay."

"Gloria." Jonathan said with emphasis, and he sounded somewhat helpless.

Gloria frowned slightly and said nothing.

Jonathan whispered, "I know you are avoiding me and you don't like me, but sometimes, people like me will act like this when they are in love and you can't stop me."

Gloria frowned slightly, "I can't believe that you are still talking about this."

Jonathan did not refute, and his helpless sigh came from the other side.

After a pause, he whispered, "I might be back in another half a month."

Gloria responded, "Hmm."

She was not interested in talking to Jonathan, so she just whispered, "It's late. Have an early rest."

"Gloria." Jonathan's voice was very soft, but it was mixed with some loss.

Gloria frowned slightly and wanted to hang up.

But she turned pale when Jonathan's next words reached her ear.

Remarriage Never And Go Away Chapter 519

Remarriage Never And Go Away

Chapter 519

Chapter 519 Will You Stop Call Me Mr. Brown?

"Gloria, I've found something about your father's death."

Gloria was a little shocked, and disbelief flashed across her eyes. Then she said without thinking. "What have you found?"

"I can't tell you on the phone, and it's not very important. But I think it should be helpful to you. I'll see you after I get back, okay?"

Light flickered in Gloria. She didn't speak, but she didn't want to hang up like this.

Perhaps others didn't know how important her father's thing was, but Jonathan had been observing her and would definitely know what she wanted.

Moreover, things were important in different ways. Jonathan mentioned it in person, which was enough to prove that it was not a trivial matter.

It was very important for Gloria to get every piece of evidence.

After a pause, Gloria whispered, "Did someone call you, or did you find any documents or materials? Can you send it to me?"

She sounded like asking *for* a favor.

Jonathan sighed lightly, "This matter is not as simple as you imagined, and I am not sure whether it is true. Give me a few more days. After I confirm it, I will contact you again."

Gloria frowned. Although Jonathan often seemed careless and casual, he was actually very reliable. He couldn't lie to her.

Gloria didn't seem to be anxious about her father's thing, but she was actually. She even met her father in her dreams every night and wanted to get justice for him after waking up.

After a moment's hesitation, Gloria whispered, "Can you tell me what it is about?"

VO

Jonathan said softly, "It's about some things that happened in some projects that your father was once in, but I'm not sure whether they are true or not. They need to be verified."

Gloria pursed her lips and whispered,

"Thank you."

This time, she owed Jonathan a favor.

Gloria didn't care about anything else and wouldn't be manipulated because of other things, but when it came to her father...

Her father was her weakness.

However, after knowing Jonathan for so long, Gloria knew what kind of person he was. Even if she would use him, she wouldn't keep doing that.

WO

If he could help her a lot in her father's matter, she would naturally repay him.

"It's what I should do for my future father-in-law. Don't mention it."

"Mr. Brown..."

Gloria said with a frown. Then Jonathan's light laughter came to her ear, which was mixed with some helplessness and loss.

"I'm just saying, but if the information I'm going to give you is true, will you stop calling me *Mr. Brown*?"

Gloria's expression slightly changed. What did Jonathan mean?

But before she could speak, Jonathan spoke softly,

"I don't want to hear you call me Mr. Brown again. Call me Jonathan, okay?"

Gloria's eyes twinkled. It was not something difficult. She replied, "OK."

Jonathan smiled softly.

If other people saw Jonathan, they would be shocked!

Although he always looked easygoing and friendly, it was known to all that he was cold and heartless. But now his eyes were filled with tenderness.

After a pause, he said softly.

Remarriage Never And Go Away Chapter 520

Remarriage Never And Go Away

Chapter 520

Chapter 520 To Make Him Fall in Love With You

“Alright have an early rest. I’ll try to confirm it as soon as possible. I’ll contact you then.”

“Okay, thank you.”

Jonathan frowned. “I don’t like to hear such words. If you want to say that again, you’d better say ‘Jonathan, I like you.’”

Gloria frowned and said nothing.

Jonathan continued with a smile, “Then I will know that you want to thank me. Don’t worry. I won’t get it wrong.”

Gloria was speechless.

“Alright, enough nonsense. Good night.” Jonathan’s voice was still so soft, but only he himself knew that there was something bitter in it.

“Okay.”

Gloria only said this, and they hung up soon.

Gloria held her cell phone tightly. She was not sleepy at all. At this moment, she was even soberer.

“Gloria, why are you still up? It’s already very late!”

Nydia’s voice suddenly sounded at the door. Gloria quickly responded, “I’m going to sleep.”

She had not recovered completely and needed a person to take care of her, so Nydia decided to stay with her before she recovered.

After all, she and Gloria were out on business. Bryson needed to recuperate in the hospital.

vere

His head injury was so serious that he was very likely to become a vegetable at the beginning. He couldn’t be discharged so early.

“Okay, have a good night. Call me if you need anything.”

Nydia yawned as she spoke.

She came out to the bathroom and heard the sound in Gloria’s bedroom.

“OK.” Gloria replied and Nydia went back to her room.

It was quiet in the room, but Gloria was not sleepy.

She really wanted to know what Jonathan had found.

The White family

Gloria and Nydia were not the only ones who were still up.

Claude and his family were sitting on the sofa in the study with sullen faces.

“What should we do? Nearly ten days have passed! The day for our engagement is approaching, but Jordy hasn’t done anything about it. What should I do? Mom, Dad, help me!”

Angela was really worried. She was afraid that her engagement banquet with Jordy would be canceled. He said things like that that day. What should she do?

Martha frowned, “You might have heard it wrong in the hospital.”

Angela immediately shouted, “No! I heard it very clearly. He was going to call off our engagement. He doesn’t plan to get engaged to me!”

Martha shook her head, “The Collins family has been peaceful these days. Your engagement banquet will be held in ten days. Everything is normal. If Jordy doesn’t intend to get engaged, he will definitely tell us. Besides, our White family is not an ordinary family. They need to give us an explanation, don’t they?”

Claude nodded, “Yes, if the Collins family does not want Jordy to be engaged to you, they will certainly come up with an explanation in advance in case we two families will both be embarrassed.
