

Remarriage Never And Go Away

Chapter 6

Chapter 6 Be a Gentleman

Gloria looked at Karen in surprise. Grandma really knew that they had got divorced?

Karen took her to sit down and said with a firm look, "Don't worry! If he stays out all night again. I will kick his ass and teach him a good lesson!"

Gloria's eyelashes fluttered slightly. So, grandma only knew that she was suffering not that they had got

divorced.

When Karen saw Jordy's grave face, she said sullenly, "What's that look? You don't want to come back and eat with me?"

Jordy wiped off his grave look and looked at Karen, "Why would I think like that?"

"Humph! Yes, you would!"

"You've been married for so long. But I still don't have a great-grandson! Do you know all I want is a

grandchild?

Karen stood up, and Gloria quickly held her arm.

Jordy frowned and glanced at Gloria.

When the servants saw Jordy coming back, they started to serve dishes.

Karen took Gloria to the table, "Come on! Let's eat! If he doesn't like these dishes, just get out and never come

again!"

Jordy looked sullen. He didn't speak but sat down opposite them.

Karen served Gloria food enthusiastically, as if Gloria were her granddaughter and Jordy were her grandson-in-law.

Gloria was eating at ease and also served Karen food.

Jordy seemed to be isolated by them. He took a few bites of his food, looked at Karen and said, "Why did you want us to come back for dinner?"

"How long haven't you visited me?" She looked at Jordy. Remembering that he didn't know how to cherish his marriage with Gloria, she was even more sullen, "You can't just come back to see me and spend some time with me? Your grandfather often travels on business. I'm at home alone. Why did you ask such a question?"

Jordy was speechless.

He went on eating in silence.

Karen got more and more agitated and slapped the table angrily. "Anyway! Gloria is your wife! You should love and care about her. Why do you always go to the hospital to see that vixen? You have disgraced our Collins family enough!"

Jordy's face was darker, "Grandma, Angela saved me."

"She saved you? Anyone with a normal intellect could tell that it was her trick!"

Jordy frowned and glanced at Gloria with cold eyes.

Gloria looked at his sarcastic smile and knew that he must think she had told grandma on him.

Before, she was afraid that Jordy would misunderstand her, but now, heh...

He would misunderstand her? So what?

Would that do her any harm?

"What are you looking at? Gloria didn't tell me on you! You went to the hospital openly every day and didn't go back to your home. Everyone knew that!"

Jordy pursed his lips tightly in silence

Karen scolded Jordy during the meal disregarding his feelings

Gloria felt so great as if Karen had got back at Jordy for her.

After chatting with Karen for a while, Gloria and Jordy left the mansion together.

However... Gloria felt a little terrible.

Grandma didn't know that they had got divorced. They had to pretend to be together and leave in the same

car.

She didn't want to have contact with Jordy at all, and she was already irritated on the way here.

Jordy stood in situ with a sullen look, but Karen reminded him in an angry voice, "Open the car door for your wife! Oh, boy, be a gentleman!"
