### Chapter 91 Provocation

Gloria quivered her lips and walked out, not wanting to reply

Irene looked at and poked Nydia, who was still in a daze. "Nydia?"

Nydia came back to her senses and watched Irene with her expression returning to normal. "Irene, did I just hear it wrong? Gloria is Norma?"

Irene coughed lightly. "Yes."

This time, Irene didn't plan to hide Gloria's identity.

Today, she beat George, so everyone would guess that she was Norma.

It was better to admit that now than to face more questions later, which was troublesome.

Nydia took a deep breath. "Oh my God. What are the people around me like? Why didn't I know it until now? I'm like a fool!"

Today's lawsuit was a war between two powerhouses, which was wonderful!

There was not much Nydia could learn, but she was still excited!

However, she then felt a little lost

Seeing her mood change, Irene couldn't help but ask, "What's wrong with you?"

Nydia pursed her lips. "Gloria never told me this. Does she think I'm not her best friend?"

Irene said quickly. "Of course not. You're thinking too much!"

Nydia looked at Irene subconsciously and didn't speak, wondering why.

Irene sighed. "Norma was famous in the legal world back then, so there were a lot of people trying to frame her. No one knew her identity except insiders. It was just to avoid some people scheming against her."

"But now, she can no longer hide her identity. Gloria can protect herself, and it's a society ruled by law, so she made it public."

Nydia tried to say something. She had never been involved in such a world, so she didn't understand these so-called schemes.

Irene smiled and patted her back. "She didn't tell you just to protect you from any harm."

Nydia's eyelashes trembled "Really?"

"Of course. Gloria has always been nice to you, hasn't she? You're her best friend, right?"

Hearing this, Nydia immediately felt comfortable and nodded with a smile. "That's right!" She was innocent and in excitement instead of a down mood now, so she wanted to talk to Gloria immediately!

At the moment, Jordy and the others were outside.

Watching Gloria come out, Jordy stared at her with murderous eyes. "Amazing, Gloria Gloria didn't seem to feel his sarcasm. "It's the first time I hear you compliment me since we got married."

George didn't know what to say.

He kept gazing at Gloria without the contempt he had before. If they weren't rivals, he would definitely try to chat with Gloria to figure out her tricks

He was a genius but still had a lot to learn.

Jonathan chuckled. "Since you won't appeal, let's get the handover done as soon as possible."

Jordy was no longer angry or looking at Gloria. He looked at Jonathan coldly. "I never expected you to take more away when others were going through hard times."  
"You're overpraising me." Jonathan smiled softly while his words seemed provocative.

### Chapter 92 Why Don't You Appeal?

Jordy stopped talking and strode away,

Jonathan smiled and looked at Gloria. 'Want to have lunch together?'

Gloria had a calm expression. 'Sorry My friend is waiting for me.'

After she finished speaking, Nydia ran over with a surprised look. "Gloria! Why are you hiding this from me? You are Norma!

Gloria looked at her apologetically. 'Sorry.'

"You don't need to apologize! I'm happy for you! You'll be my backer in the future! If I need to fight a lawsuit in the future, and my opponents know that you are my friend, they will definitely give up! By then, I will be famous 100!"

Gloria smiled and glanced at Jonathan "Mr. Brown, bye?

Jonathan still wanted to eat with her, but seeing this scene, he could only nod and leave.

At this point, Nydia kept discussing the relationship between Gloria and Norma with indescribable pride

When they got into the car, Nydia couldn't help but say, "I wonder if Jordy will regret it. What would he say if he knew the woman he despised was so amazing?"

Irene smiled. "Divorcing Gloria was the biggest mistake of his life. But, Norma, if he wanted to remarry you, would you agree?"

Gloria gave her a speechless look. "Do you think that's possible?"

"Nothing is impossible. He despised you before, but now he can appreciate the real you. Maybe one day, he will fall in love with you and woo you again. At that point, will you agree?"

Nydia's expression changed slightly. "No! Let that scum regret it! Who does he think he is? He wants to remarry Gloria after bullying her for three years? No way!"

Gloria smiled. 'Yes. First, he won't do it. Second, even if he will, I won't agree. I just want to be alone for the rest of my life.'

"Don't do that you still need to get married in the future. You'll meet someone who truly loves you."

Gloria smiled and did not continue the topic.

At the same time.

At the same time

Jordy and George were still in the same car George drove while Jordy sat on the co-pilot with a gloomy expression

George glanced at the man next to him and said, "Why did you agree to pay? You're going to lose billions of dollars."

Jordy said nothing

George didn't know why he did it

"Man, we need to appeal anyway! I'll make a detailed plan this time. I didn't know who my opponent was before. Now that I know it's her, I'll definitely be prepared!"

Jordy still had a cold expression on his face, "No."  
'You...' George didn't know what to say.  
Jordy said this twice, which proved he had made up his mind.  
George braked, pulled to the side of the road, and looked at him in confusion. "Why didn't you appeal? Did you really admit defeat?"  
Jordy pursed his lips, thinking only about Gloria's sharp rebuttal just now.  
He saw her like this for the first time and felt that he didn't really know about her.  
For three years, she had been very docile, but today...

### Chapter 93 The Foothold

Today, many people watched the lawsuit between the Collins Group and the Brown Group. The detailed process had not been disclosed, but everyone could guess the result.

Also, it was legal to discuss Gloria's identity.

So, Gloria hit the headlines again.

"Mr. Collins' ex-wife is Norma, a well-known lawyer?" Nydia said proudly, holding her phone. "Gloria, you made a headline! Everyone was shocked! Let me read a few comments for you!"

Gloria smiled She didn't really care about that.

At this point, Nydia started to read the comments.

"I used to despise Mr. Collins' ex-wife. She was worthless and the mistress of her sister's husband, but the one I admired the most was Norma! I didn't expect her to be so beautiful, wealthy, and talented!! misunderstood her before!"

Irene couldn't help laughing. "Gloria, soon, no one will call you Jordy's ex-wife. You are Gloria and Norma!"

Gloria smiled and nodded. Yes.'

Nydia laughed and continued to read the comments.

Collins Group has a lot of elites. A company can indeed attract a lot of talents if it has a lot of money. But this company only attracted lawyers like George."

Nydia laughed. 'I think this guy's comment makes a lot of sense!"

"We don't know the thoughts of the rich guys, but I know that we can't look down upon anyone. A nobody in

your eyes may one day embarrass you.'

"Gloria is Norma? Is it a joke? How can she be Norma?"

"Anything is possible. Norma hasn't appeared for a long time. For three years, she got married, divorced, and finally became a lawyer again. That's normal, isn't it?"

"Oh my God! I'm so envious! She is such an amazing woman!"

Nydia gushed about it. At the same time, the White family also saw the news and couldn't believe it.

Angela got out of control and lost her former grace. Thinking of that Jordy saw Gloria's remarkable abilities, she worried that he might regret his divorce.

"Gloria is Norma? Impossible!' Angela said angrily

Claude frowned too. "She never said that at home before. Even at school, she didn't do

well in her study. Something must be wrong.”  
Angela had a ghastly look. ‘She’s against Jordy now, but I’m afraid that it will attract Jordy. At that point, I’ll lose my foothold!’  
After speaking, she clenched her phone tightly and was a little flustered. “Yesterday, Newell went to Gloria. I think he was trying to get them back together!”  
Martha quickly stopped Angela. “Angela, don’t worry. It still needs to be verified. We only need to make Jordy think that Gloria just learned everything from Norma.”  
Angela blinked. “Mom, what do you mean?”  
Martha smiled. “You’ll see later.”

### Chapter 94 The Right to Be Angry

Because Gloria was Norma, the discussion didn’t stop  
The Collins family was serious and nervous.  
Joseph had a ghastly look!  
Olivia was out of control. ‘She’s Norma? Even if she and Jordy are divorced, she can’t embarrass him like that!’  
Joseph immediately laughed and looked at Karen coldly. This is the granddaughter you trust very much. After the divorce, she revealed her true self. At that time, the divorce dealt a heavy blow to the Collins family This time, she openly opposed the Collins family in court!”  
Karen’s expression changed slightly. “That’s because you always hurt her, isn’t it?”  
“Otherwise, how could my granddaughter do such a thing? It’s your fault, but why do you blame Gloria?”  
Newell sat calmly beside Karen and said flatly, it’s already happened, so there’s no point in arguing Gloria is a good girl, and Jordy is a bastard, indeed.”  
Olivia looked at Newell displeasedly The Collins family has done enough for her. When she was abandoned and homeless, we adopted her and gave her a good life. Everyone flattered her when knowing she was Jordy’s wife. Isn’t that enough?  
“Stubborn!” Newell had a gloumy look  
Olivia gritted her teeth angrily. “Then what should we do?”  
Joseph looked at his son coldly and whispered, “Don’t tell me to ask Jordy to apologize lo Gloria and seek reconciliation.”  
‘That’s what I’m going to say.’ Newell looked at Joseph disapprovingly. “Do you have any idea how much this affects Jordy if this marriage is ruined?”  
Karen was heartbroken. “My son, this family has been ruined. Since they became rich, their personalities have changed drastically. Is money so important? Does interest always come first? Can’t they live in peace?”  
“Gloria is so heartless, so how can she live in peace with Jordy?” Joseph scoffed. “Stop daydreaming.”  
Karen gritted his teeth. “You will regret it!”  
After speaking, she went upstairs.  
There were only three of them left in the study.  
Newell had a nonchalant look on his face. “Dad, I hope you can leave Jordy alone”  
“Impossible! Jordy is still young, so how can he handle it?”

Newell gritted his teeth. They couldn't chat peacefully, so he walked out without speaking

He called Jordy directly. Knowing he was at the company, Newell went to him

An hour later, Newell arrived at Jordy's office.

Jordy seemed to be working on a file. Seeing Newell, he didn't stop working with a gloomy look.

Newell walked up to him, sat across from him, and said with a calm expression, "You can't stand it so soon?"

Jordy looked up at Newell and said nothing.

Newell continued flatly. "You used to be so mean to Gloria, but she kept enduring it, so do you, a man, have the right to be angry?"

Jordy squinted and recalled that Gloria used to bring him lunch, which was thrown to the ground by him, to please him.

Then, other images of him abusing her came to his mind one by one.

### Chapter 95 Hannah

Newell had a nonchalant expression with his hands on the table. "Whose fault was it?"

Jordy suddenly put down his pen and whispered, "Stop. It's her fault, so she should take the blame.

Newell frowned. 'Stubborn!'

Newell shook his head helplessly but still asked calmly, "So, what are you going to do next?"

"I'm not going to get married right away as my grandpa said and I'm not going to Gloria again. Stop telling me that."

Newell raised his eyebrows, knowing he wasn't going to marry Angela, which would be a good thing.

After a pause, he said flatly, 'You can't be so ignorant anymore. You always discard what you should cherish and vice versa. Jordy, you are a business talent, but you need a pair of bright eyes

Newell was mocking him.

Jordy pursed his lips and said nothing.

With that, Newell got up and walked out

Jordy sat at his desk and remained silent. The air conditioner's display showed it was 26 degrees, but he felt that the temperature in the house was much lower than that

Jordy picked up the pen again and tried to clear his mind to read the document.

However, Gloria's excellence in court was always in his mind!

The next day.

In the meeting room of the Collins Group.

The employees were afraid to speak. They all know that Mr. Collins lost.

Everyone could feel Mr. Collins' wrath.

No one dared to offend Jordy at this moment.

However, the meeting needed to go on!

Once this project was over, the next one would begin!

So, what they were going to talk about next was a project related to racing. If the contract could be signed, the profits would be countless. Mr. Andrew, who was beside Jordy, said softly, "Mr. Collins, this car race will start in twenty days. In order to win, we should invite Hannah to race," "Hannah?" Jordy had a cold expression. He didn't seem to know Hannah. There was sweat, which was caused by nervousness, on Mr. Andrew's chubby face. He didn't hesitate and nodded quickly. "Yes, in the car race three years ago, Hannah was the champion. We will be stronger if we have Hannah on our side. At that time, we won't need to care about any opponents." Speaking of this, Mr. Walsh on the side couldn't help but retort, "Hannah is indeed very amazing, but as you said, that was three years ago. In these three years, Hannah has not appeared or participated in any competitions, so why should we invite her?" Mr. Simpson nodded. "Yes, in the last three years, a lot of people, like George, have become champions. His racing skills are unmatched. If we can have George, we will win!" "Actually, your idea is very one-sided." Mr. Andrew retorted immediately while everyone else looked at him subconsciously and wanted to know what he would say. Because it involved the performance and the company's reputation, Mr. Andrew explained again, not as scared as before. "Hannah has disappeared for three years, but don't forget the scene when she won the championship."

## Remarriage? Never and Go Away! Chapter 96

### Chapter 96 Are you Hannah?

Back then, Hannah's abilities were indeed incomparable. At that time, she was long ahead of the runner-up. To be precise, Hannah took almost half the time of the runner-up. But the next year, Hannah did not participate, and the runner-up of the previous session won the championship. A lot of people thought he won because Hannah didn't play. Otherwise, no one would dare to covet the championship. For a while, everyone stopped talking. Mr. Andrew looked at them and said again, "So, you should know Hannah's strength!" Mr. Walsh frowned. "But Hannah hasn't shown up for three years. Maybe something happened to her, or she's planning to retire, so will she agree?" Mr. Andrew smiled confidently. "We have a lot of money." This was such a world. Everyone was working for the money, and so was Hannah. She

also needed money.

Mr. Andrew looked at Jordy again. ‘Mr Collins, based on the current situation, this may be the best option.’

Jordy has a calm expression. ‘Do you have Hannah’s contact information?’

‘Yes! My grandson is also a racer, but that day, he injured his leg, which made him unable to race for the rest of his life. He was so sad, so Hannah came to comfort him and left her contact information.’

Mr. Andrew was a little excited, ‘My grandson never lies I can tell from his words that Hannah is a seemingly indifferent but caring woman, so as long as we are humble enough and give her enough money, she will definitely agree.’

Jordy tapped the table with his fingers as if thinking.

After a pause, he said flatly. ‘Call her now and ask her to make a price.’

Others frowned, thinking it didn’t make sense.

But Mr. Collins agreed after much deliberation, so they said nothing.

Mr. Andrew responded quickly, ‘Okay, I’ll contact my grandson now.’

With that, he made a call. His grandson answered the phone quickly. Having obtained Hannah’s phone number, Mr. Andrew called her.

Hannah didn’t answer the phone for the first time. Mr. Walsh sneered dismissively. ‘Mr. Andrew, are you mistaken? She may have given your grandson a fake number or a number she never uses.’

Mr. Andrew frowned, disbelieve it, and said again, ‘Impossible. Let me try again.’

The office became quiet again. He hesitated to make a phone call again.

This time, someone picked up the phone, and Mr. Andrew showed a happy expression while the others stared at Mr. Andrew’s phone.

Since Jordy was there, Mr. Andrew turned on the speakerphone. There was silence in the office.

‘Hello.’

This was a virtual tone. They were a little surprised but could understand it, because some big shots always did that.

‘Hello, are you Hannah?’ Mr. Andrew asked politely.

That guy paused and said flatly, ‘Yes. What’s the matter?’

## **Remarriage? Never and Go Away! Chapter 97**

### **Chapter 97 Close to Each Other**

Mr. Andrew showed a happy expression while others were a little surprised.

They didn’t expect Mr. Andrew to actually contact Hannah.

Immediately afterwards, Mr. Andrew continued to talk to her politely.

‘Hello. I’m Mr. Andrew from the Collins Group. This time, I want you to do us a favor. Do you have time to

participate in a car race for us?’

‘No.’ Hannah didn’t hesitate

Mr. Andrew and others were a little surprised

He had just told Hannah that he was from the Collins Group who took the race very seriously, but she refused

without hesitation,

Feeling that she was about to hang up, Mr. Andrew hurriedly continued without thinking, "Wait a minute, Hannah. I don't know what you need to deal with during this time. If I can help you, I will try my best, and so will Collins Group. Money is not a problem as long as you can play"

Hannah sneered, "Sorry, I really don't have time. Please don't call me again. I won't race for Collins Group."

After speaking, she hung up the phone

Even though she was communicating in a virtual voice, everyone could hear her hatred for the Collins Group.

The crowd was a little confused and thought the Collins Group had offended her. Collins Group was a big company and would inevitably offend someone.

Mr. Andrew had a flustered expression, "This..."

He looked at Jordy and saw his gloomy expression.

Hannah's rejection embarrassed Collins Group and Jordy.

The others had different expressions while Mr. Walsh, who was at odds with Mr. Andrew, sneered silently. "That's where grandstanding ends. Now Mr. Collins isn't happy, so you're going to be tragic!"

After a pause, Mr. Walsh immediately looked at Jordy. "Mr. Collins, since Hannah declined, let's ask George, shall we?"

At this point, they could only choose George.

Other racers might be worse than George

Jordy pursed his lips. Mr. Andrew, whose expression had just returned to normal, began to sweat again. He realized that he had just been too impulsive. He should have asked Hannah before bringing it up at the meeting

He just wanted to show off that he and Hannah were friends, but he screwed it up...

He anticipated that he might be ignored by his boss in the future.

The atmosphere in the office was very depressing

Just when everyone was at a loss, Jordy got up. "I'll contact George. Make a plan in three days, or you'll be fired."

Everyone was panicked. Three days meant they needed to work overtime again.

The crowd couldn't help but sigh. Mr. Andrew was scared. He now could only make a perfect plan to make up for his mistakes.

The meeting was finally over

At that moment, Hannah was in her room. After she hung up the phone, her eyes glowed coldly.

She found it strange. Before the divorce, they were like two parallel lines that would never meet. However, after the divorce, they both became curves and kept getting closer to each other.

She wanted to stay away from Jordy but got closer and closer to him

## **Remarriage? Never and Go Away! Chapter 98**

### **Chapter 98 What Are You Going to Do?**

Hannah, the famous racer, was Gloria.

At that time, Hannah was obsessed with Jordy.  
She had loved this man with all her heart.  
And so did Norma, who preferred red.  
Red symbolized passion and love.  
Now, Gloria sneered silently, thinking everything was a mistake  
However, coming to this point, she couldn't change her name  
Gloria was just fine. At least, this name had nothing to do with Jordy  
Her cell phone rang suddenly, bringing her back to her senses. Gloria was about to  
laugh when she answered the phone.  
"Hello, are you Hannah?"  
Everything seemed so coincidental.  
Hannah replied calmly, "No! Sorry"  
Just as he was about to hang up, the guy hurriedly said, "Wait! Please let me finish. I'm  
from Brown Group. We want to work with you this time. Money is not a problem as long  
as you can race for Brown Group. If you agree, can we meet?"  
"I said I'm not Hannah. Please don't call me again"  
After speaking, Gloria put the phone number on the blacklist.  
She didn't play for Collins Group because she hated Jordy and wouldn't work for him.  
But Gloria rejected Brown Group also because of the Collins family. Her grandparents  
were very kind to her.  
Divorce and her words in court badly embarrassed the Collins family. Her revenge was  
enough, so Gloria  
needed to stop now.  
And, she didn't want to see Jonathan again.  
However, Gloria had just put down the phone when her primary cell phone rang. She  
raised her eyebrows, saw that it was a call from Nydia, and answered the phone.  
"Gloria! Come out and go shopping! It's the weekend. Don't stay home all the time."  
Gloria raised her eyebrows. Staying at home on weekends was really boring. She  
nodded. "Okay. Let's go."  
"However, Brown Group and Collins Group don't even rest on weekends?"  
"Looks like this car race is important."  
Gloria didn't mind it and went out after getting dressed.  
However, thinking she didn't have a car right now and it was inconvenient, she called  
Nydia  
"What's the matter, baby? You changed your mind?" Nydia grumbled a little  
Gloria immediately smiled and said, "No. It's not very convenient for me to go out right  
now. Could you go buy a car with me first? We can go shopping in the afternoon."  
"No problem. I want to go shopping just because I'm bored. Let's meet at the car store  
then."  
"Okay."  
Hanging up the phone, Gloria took a taxi and left  
On the way, however, Jonathan called her again. Feeling strange, Gloria answered the  
phone.  
"Mr. Brown"  
"Are you at home?"  
"No. Gloria looked outside, where there was a traffic jam.

“Do you have time to come to Brown Group’s car store?  
Gloria blinked. “What are you going to do?  
Jonathan smiled. ‘Come. I’m waiting for you.’  
“No. I have work. Please don’t call me anymore if you have no problem.”

## Remarriage? Never and Go Away! Chapter 99

### Chapter 99 An Off-topic Reply

Everything was over.

Since those were passed, she didn’t want to contact these rich guys anymore.

Besides, she didn’t want to get involved with Jonathan and Jordy again.

Jonathan sighed helplessly. “Norma, I won’t embarrass you or ask you to deal with Jordy in the future, so can you give me a chance to be your friend?”

Gloria pursed her lips. ‘No. We’re not in the same world.’.

She could guess that Jonathan wanted to give her a car

But she would refuse.

“Gloria.”

Soon after, Jonathan reminded her twice

Gloria said calmly, “Mr Brown, I still have work. Goodbye.”

With that, she refused to give Jonathan another chance to speak

Half an hour later, Gloria arrived at the car shop and called Nydia.

“Gloria, I’m here. And you?”

“Me too. Where are you?”

“I’m... I saw you. Don’t move and wait for me!” Nydia said and hung up

Gloria looked around and saw that Nydia came quickly with a white bag. She walked over immediately.

Seeing that Gloria just wore a blue dress today, Nydia couldn’t help but feel jealous.

“You are indeed a beauty! Anything looks great on you! But I have to say, blue really suits you! It makes you look like a princess!”

Looking at Nydia’s colorful clothes, Gloria was amused. “You are like a fairy princess.”

Nydia laughed and put her arm around Gloria’s. “Where should we go?”

Auto shops filled the street in front of them. They belong to different companies. Nydia said at this point, “You’re always caught between those two guys and don’t want to contact them, but I have to say, the Brown Group’s and Collins Group’s car shops are better!”

Gloria said quietly, “Then Collins Group”

Jordy wasn’t here, so she didn’t mind it Besides, that hatred wouldn’t keep her from going to Collins Group forever

After all, Jordy wasn’t the only one getting the benefit. All members of the Collins family, including her

grandparents, had shares

Also, the car she wanted was not expensive

“Okay Collins Group Interests can’t belong to outsiders I understand!” Nydia joked and winked at Gloria

Gloria quivered her lips and walked in with her

The saleswoman came up immediately. Seeing Gloria, she froze for a moment but then

smiled and asked, "Hello, Miss White. What kind of car do you want?"  
Gloria didn't belong to the Collins family, so she needed to pay  
Gloria said quietly. 'BMW'  
The saleswoman blinked, not expecting that Gloria, who had become depressed after her divorce, would choose a BMW  
However, she didn't dare to cold-shoulder and said with a smile. "Okay, follow me."  
Nydia looked at Gloria in surprise "Gloria, are you sure you want to buy a BMW? This is too lowkey!"  
Gloria gave an off-topic reply. "I like this car."  
"Okay. Nydia pouted and followed the saleswoman with Gloria.

## Remarriage? Never and Go Away! Chapter 100

### Chapter 100 I Want to Give Her a Gift

After choosing a car, Gloria paid.  
It cost her about 150,000 dollars.  
After completing the formalities, the two got into the car.  
Nydia sat on the co-pilot with a smile "From today, I'm going to be Jordy's wife!"  
Hearing her words, the saleswoman showed a disdainful look. "Sure enough, after leaving the Collins family, Gloria's friends are all trash. Even a \$150,000 car can excite these guys."  
Gloria smiled and drove away.  
They went to the tax office to pay their taxes and get their license plates.  
Next to her, Nydia couldn't help but ask, "How's your luck? Can you get an auspicious license plate number?"  
Gloria just smiled. "I don't care. It's just a license plate."  
'No. Auspicious numbers will make you comfortable! I wish your license plate number could be a row of the same numbers!"  
Gloria smiled helplessly. Just when Nydia was expectative, Gloria's license plate was done.  
However, the license plate numbers were pretty generic and not what Nydia expected. Gloria still didn't care about it. "That's good."  
Nydia sighed. 'Indeed, the license plate numbers imagined were not so easy to get.'  
Gloria smiled and tapped her forehead. 'Let's go to lunch and go shopping in the afternoon.'  
"Okay!"  
The two went to the restaurant while chatting happily. This time, Gloria finally had a good lunch without the cunning of Jonathan or nausea caused by Jordy and Angela or any other acquaintances. This meal made Gloria happy!  
Putting down the cutlery, Nydia couldn't help but sigh. "I think the food you cook is the best right now."  
Gloria raised her eyebrows. The two took a rest and left.  
The two left the car in the parking lot and went to the mall.  
Nydia led Gloria everywhere because she knew Gloria didn't have that much taboo.  
They came to a mall of the Collins Group. It was very large and full of premium goods,

which were all high quality.

Gloria looked at Nydia. "Is there anything you want to buy?"

"Just look at them and buy some if you see something you like. You don't usually shop that much. As girls, we need to be nice to ourselves. If we don't do this when we're young, it'll be miserable when we become old!"

Gloria smiled. "Okay :

Soon, they came to a jewelry store full of rings, necklaces, pendants, earrings, etc.

Seeing these two dressed in extraordinary clothes, the saleswoman immediately walked over with a smile. "Is

there anything you want?"

Nydia smiled and said, "We'll tell you later."

"Okay

Gloria looked down, saw a jade bracelet, and was stunned. "Can I take a look at this?"

Her grandma would have her birthday in half a month, and she was getting older, so

Gloria wanted to give her

a birthday present.

This jade bracelet looked elegant but low-key, but it didn't suit her grandma.

"Gloria, why do you want this bracelet?"

Two guys not far away were approaching perhaps because they heard Nydia's voice,

Then, Gloria said, "My grandma's birthday is coming soon. I want to give her a gift."
