

GOD! I TURNED INTO A TURTLE

Chapter 12 – Take A Break

“I asked you to protect Long’er, but you let my Long’er die, and you have to die too.”

The Patriarch of the Long family roared and slapped the guard.

boom-

A burst of strength knocked him back.

“Patriarch Long, if you kill him, there will be one less warrior who can be summoned. Don’t you think it’s a pity?”

A man wearing a bronze mask walked in.

“Who are you?”

Patriarch Long lowered his voice.

This person’s vigor is profound, and he has the tenth level of spiritual martial arts, which is as strong as him.

“Xue Lingluo has what I want. Let’s join forces and enter the Monster Beast Forest to kill Xue Lingluo and the monster turtle. How about it?”

The man in the bronze mask smiled faintly.

Patriarch Long’s pupils shrank.

Kill Xue Lingluo!

Could it be the bandits who looted Xue’s house last night?

No, bandits don’t do so many things!

They are killers!

“Patriarch Long, don’t miss this opportunity.”

The other party said another sentence, with deep meaning in his words.

“I just want to kill Xue Lingluo and her demon pet. Regarding your affairs, I will not interfere, and I will not delve into it.”

How could Patriarch Long not be able to hear it, so he immediately pointed out his position to avoid causing trouble to his upper body.

“Kill Xue Lingluo and Yaogui, and we will go our separate ways.”

The man wearing the bronze mask smiled lightly.

“I’ll organize my staff immediately and head to the Monster Forest.”

“My people are also ready.”

The two reached a cooperation.

...

In the middle of the monster forest, a small valley.

Ye Que looked at the panel after the breakthrough.

Host: Ye Que

Realm: 6/10 (monster beasts of the sixth level, after reaching the tenth level, they will be eligible to return to their ancestors once)

Evolution: Wild Forest Turtle (sixth-layer monster with keen hearing)

Talent: Counterattack (when attacked, return 50% of the attacker’s damage)

Speed: 8.9/10

Defense: 8.9/10

Attack: 6.9/10

Experience points: 0

Martial arts did not flicker.

“There are not many changes on the panel, now go find something to eat.”

Ye Que went around the small valley looking for prey.

Not long after, a quadruple monster was hunted down and eaten.

It’s quite a pity that as a monster of the sixth level, killing the monster of the fourth level cannot gain experience points.

When Ye Que went back, he dragged the wild fruit wrapped in leaves.

This is for Xue Lingluo, if she is hungry and eats the treasures in the package, he will suffer a big loss.

“Thank you, little turtle.”

Xue Lingluo fell asleep after eating.

She was too tired after running away all night.

“I still have a different fruit that I haven’t eaten, so I’ll eat it now.”

Ye Que finished eating quickly.

“Ding! The host has taken a four-hundred-year-old real fruit!”

“It’s a pity that you don’t have any experience after eating!”

Ye Que felt distressed and helpless.

However, even if the realm is at the fifth level, eating it will have no effect.

Because after he killed the young master of the Long family and a guard, his experience points reached the upper limit.

“It’s okay, it’s okay, there are better ones in the package.”

Ye Que comforted himself.

afternoon.

“I’ll go around, and I’d better hunt and kill high-level monsters.”

Become a sixth-layer monster, and the range of map scanning reaches 800 meters.

He was within 800 meters of the small valley.

Overnight.

“Ding! The host kills the dragon and tiger of the sixth level monster! Gain experience point 1.”

“It’s too difficult to squat near the small valley. The next morning, there is such a harvest.”

But it’s all worth it to get the treasure inside the package.

Ye Que temporarily stored the experience points, and only after reaching the upper limit, did he break through the realm.

Otherwise, if you want to improve your realm and gain more experience points, you have to kill higher-level monsters.

“Go back, lest Xue Lingluo do something out of line in fear.”

As soon as they entered the small trough, they found Xue Luoling taking a bath.

This girl fled all night, and her body was dirty, so she should wash it up while there is no danger at this time.

“Little Guigui, I knew you didn’t go far.”

Xue Lingluo was relieved to see the turtle come back.

When I woke up and found that the little turtle was gone, I was still quite flustered.

But she believes that little turtle will not abandon him.

Seeing the other party return at this time, my heart settled down.

“Wash well, I’ll go shopping around and watch out for you!”

Seeing that Xue Lingluo was not in danger, Ye Que crawled outside again. afternoon.

“Xue Lingluo has almost recovered and is able to go out with me. It’s time to send her back to the human city.”

Ye Que saw that Xue Lingluo had regained his energy, and made a decision in his heart.

call-

A strong wind blew down.

Ye Que’s body shook, and he instinctively sensed danger.

“Map scanning prompt: 800 meters behind, a wild monster at the second level of Yuanwu Realm appears!”

“System prompt: A wild monster at the second level of Yuanwu Realm is approaching quickly, please avoid it!”

“Yuan... Yuan Wu...”

Ye Que’s legs went limp.

Above the Monster Beast Realm/Spiritual Martial Realm is the Yuan Martial Realm.

Those who have reached Yuanwu Realm have the ability to absorb the essence of heaven and earth, and they can also condense Yuanli in their bodies.

The strength of Yuanwu Realm warriors who mastered Yuanli was not comparable to those of Monster Beast Realm/Spiritual Martial Realm.

It is no exaggeration to say that one at the Yuanwu Realm can kill those at the Monster Beast Realm/Spiritual Martial Realm with a single breath.

“I don’t seem to have the ability to provoke the boss of Yuanwu Realm!”

He was just about to run away with Xue Lingluo when a person flew from above.

Flying in the sky is one of the hallmarks of Yuan Wujing.

“Uncle!”

Xue Lingluo said in surprise.

Ye Que: ? ? ?

Suddenly, he remembered one thing.

On the night when Xue’s family was destroyed, he heard a conversation between two killers in the kitchen.

The person behind the killing of the Xue family seems to be an elder of the Xue family.

“This person, can’t he be the elder of the Xue family?”

Ye Que swallowed.

“Luo’er, it’s a good thing you have the jade pendant I gave you, otherwise it would be too difficult to find you.”

The man fell into a trough, and he was relieved to see that Xue Lingluo was fine.

Immediately, his gaze was like lightning, fixed on the turtle beside Xue Lingluo.

Eyes, a little bad.

Xue Lingluo saw that the uncle’s expression was wrong, and hurriedly explained: “Uncle, I can live to this day, thanks to the little turtle.”

“A **** the size of a palm has the ability to save you?”

The uncle said in surprise, but the evil in his eyes had disappeared.

“So you can’t see through my strength.”

Ye Que flashed this thought.

“Little Guigui is very capable and has kept me safe so far. However, those bandits still ransacked Xue’s house. Many people, many people died.”

Xue Lingluo’s eyes were red with tears, and her voice was choked up.

Ye Que was unmoved, but vigilant.

This person may be the elder, so we have to guard against it.

The uncle was a bit curious at first, but when he heard what Xue Lingluo said, his curiosity was covered by sadness.

“Your parents, did you give a 3,000-year-old horse chestnut to the elder Xuelongfeng?”

The uncle sighed softly, expressing the doubts in his heart.

“No! It was handed over to the Xue family by my parents! Uncle, could it be that the seven-leaf fruit was taken away by the elder Xuelongfeng?”

Hearing this, Xue Lingluo sensed something was wrong.

“Hmph! I’ll tell you where he got the horse chestnut! He even swallowed the treasure handed in by your parents!”
