

Fighting hand-to-hand with the opponent, the injury touched the foundation, and he was unable to continue fighting.

Can't spend it with the demon turtle!

"When I return to Ten Thousand Beast Mountain, I will join all the monsters to attack you and those damned humans!"

Shen Yan Beastmaster was about to leave.

"You stay for me!"

Ye Que chased after him, wanting to avenge his pursuit by beheading the other party in a place far away from the Jingmai.

Shen Yan Beastmaster turned his head and smiled disdainfully: "It's up to you?"

"It's up to you, Grandpa Turtle!"

Ye Que yelled angrily, ringing all the repower.

At this time, his Yuanli pool showed signs of being consumed.

Seeing this, Shen Yan Beastmaster's face changed slightly, and he accelerated to fly upwards.

"Void Assassination Technique!"

"The rock shakes!"

"Ding! Host talent triggers, counterattack!"

He lost his skills crazily, completely ignoring the consumption of his energy.

Such wild bombing really beat Shen Yan Beastmaster to death.

"If you don't let me go, don't even think about it!"

Shen Yan Beastmaster was a little desperate.

A few days ago, it was able to chase the opponent to flee in embarrassment.

Now, he was suppressed by the other party to the point of despair.

For a moment, the eyes revealed the meaning of madness.

Ye Que's heart skipped a beat, and he took a step back subconsciously.

This guy won't blow himself up, will he?

Scanning the essence veins under the eyes, there are a lot of experience points, nothing to worry about!

Even if you want to kill the opponent, you have to do it under the premise of protecting the essence.

"Brother, why don't you go?"

He realized that he couldn't push Shen Yan Beastmaster too fast, otherwise it would be of no benefit to him.

Shen Yan Beastmaster was stunned for a moment, then reacted immediately, and cursed: "Fuck!"

The desperate state of mind suddenly fell, and the fear of death permeated the whole body.

It didn't dare to say any more, accelerated and flew straight up.

When it was far away from the monster turtle, it dared to speak harshly: "Demon turtle! You have a few days to live! You colluded with humans and slaughtered monsters. I will go to Wanshou Mountain to report this matter!"

"If you want to frame me, I'll kill you!"

Ye Que chased after him.

Shen Yan Beastmaster sneered: "I'll come to you when I recover from my injury!"

It flew to the top of the cave, disappeared into a corridor.

"If you want to frame me, you have to tell the evidence!"

Ye Que saw that he couldn't catch up, so he didn't chase anymore, it was still important to absorb the essence.

As for the Mountain of Beasts—

Even an existence like the Shenyang Beastmaster would use the word "report" when facing Wanshou Mountain.

It shows that Wanshou Mountain has a great influence.

He is very reluctant to provoke.

"You go to Wanshou Mountain to report! I will go to conquer human beings in a while, and then I will see how you frame me!"

He snorted coldly, returned to the essence veins, and continued to absorb the essence and devour everything around him.

Experience points and Yuanli are replenished.

An hour passed.

"Map scanning prompt: 1,500 meters above, a wild monster at the second level of Yuanwu Realm appears!"

"System prompt: A wild monster at the second level of Yuanwu Realm is approaching quickly, please avoid it!"

"The head of the Shiyang sect?"

Ye Que was startled.

According to the information scanned by the map, it is known that Shi Yanfeng, the head of the Shiyang sect, is the only human warrior at the second level of the Yuanwu realm in the Shenyang mountain range.

In addition, the Shiyang sect also has a warrior of the first level of the Yuanwu realm.

Their overall strength is stronger than that of Shen Yan Beastmaster.

Therefore, Ye Que was not surprised that Shen Yan Beastmaster was defeated.

But I didn't expect the other party to come so soon.

"How did you find this place so quickly? Could it be that piece of yellow \*\*\*\* that leaked it?"

Ye Que didn't believe that the other party would be able to find the essence here not long after defeating the Shenyang Beast King.

It took him a whole day to find this place, and he found it on the premise of relying on map scanning.

"It's definitely leaked by that pile of yellow shit. It doesn't want to make me feel better, and wants to kill the turtle with a knife!"

Ye Que was extremely angry.

As long as he is allowed to absorb it for even half a day, his strength will reach the peak of the first level of Yuanwu Realm.

At that time, he will have the ability to drive away the opponent.

It's only a little bit of time!

"Shen Yan Beastmaster, next time I meet you, I will never let you go!"

Ye Que was a little aggrieved.

Say to keep Shen Yan Beastmaster, and the other party will die together.

Say let it go, but want to attract the enemy.

How disgusting!

brush-

A middle-aged man came to the cave with a long sword in his hand.

He stood in the air, and when he saw the monster turtle below, his body was filled with murderous aura.

"Shen Yan Beastmaster is right, you \*\*\*\* is indeed here! Kill my son, you will kill me!"

The middle-aged man stabbed Ye Que with his sword.

"If you want my life, you have to be prepared to be killed!"

Ye Que's eyes turned red, and he was about to use the riot secret technique.

"Map scanning prompt: 1,500 meters above, a wild monster of the first level of Yuanwu realm appeared!"

"System prompt: A wild monster at the first level of Yuanwu Realm is approaching quickly, please avoid it!"

Two system prompts instantly extinguished Ye Que's killing intent.

Most of the people who came were another Yuanwu Realm warrior from the Shiyang sect.

One hit two, absolutely can't beat!

He flew to the wall of the cave, avoided Shi Yanfeng's blow, and said angrily: "This essence is mine! Don't force me to kill you!"

Ye Que was really angry.

This touches on his core interests.

You know, he is very vengeful and has a blood feud with Shen Yan Beastmaster.

But in order to absorb the essence in his veins, he chose to give up killing Shenyang Beastmaster.

It can be seen how determined he is to obtain the essence.

Shi Yanfeng seemed to have heard some big joke, and said sarcastically: "Your essence? Don't force you to take action? You bastard, is there something wrong with your brain? Let me cut your head open and see what's inside!"

Not only did he want to swallow this essence, but he also wanted to kill the demon turtle.

Stab with a sword.

Ye Que hesitated whether to go crazy, and a man in black robe appeared above the cave.

"Master, the monsters outside have been wiped out, I will assist you now and kill the monster turtle!"

The man in black robe flew towards the demon turtle, and the killing intent was released from his body.

He received the order from the head of the sect, rushed over from the sect, successfully repelled the Shenyang Beast King, and defeated its forces.

"No, I want to kill him myself to avenge my son!"

Shi Yanfeng drank coldly.

Reason told Ye Que that he had to go!

If you don't want to give up the essence, you have to go!

Otherwise, fate will have to be explained here!

"Steal my veins, Shi Yanfeng, I remember you! I will get this debt back no matter what!"

Ye Que used void assassination technique, dodged Shi Yanfeng's attack, and crawled into a corridor not far away.

"Ridiculous! What ability do you have to get it back?"

Shi Yanfeng chased after him.

But when he saw the small hole in the wall of the corridor, he knew that he couldn't continue to chase.

Relying on its small size, the demon turtle escaped from the small hole.

"Don't think that I can let you go! From today onwards, I will order people to wipe out all the monsters in the Shenyang Mountains, leaving no one behind!"

He wants to slaughter all the monsters in the Shenyang Mountains.

Until the demon turtle is found.
