

GOD! I TURNED INTO A TURTLE

Chapter 4 – Breakthrough Again

The monsters that fought were at the second level.

Even if you kill a double monster, you can get 1 experience point.

“If you don’t have a chance, run away, you won’t lose a piece of meat anyway!”

The reason why he dared to think this way was that his own defense had reached the second stage.

Relying on his small stature, Ye Que purposely drilled into the gaps in the stacks, and gradually approached the two fighting monsters.

One is a blue three-tailed cat, one meter in size, with a very strong aura.

It is a triple monster.

The other is a two-headed tiger, the size of an adult, with a slightly stronger aura.

It is a double monster.

Roar!

Two monsters fight against each other!

boom!

The three-tailed cat was shocked!

“This three-tailed cat seems to be weak!”

While murmuring, something came to mind.

The previous map scan reminded that there was a triple monster and two normal monsters.

Now there is only one triple demon beast, and it is very weak.

Ye Que reckoned that this was a monster that had just given birth and was in a weak stage.

No wonder the two-headed tiger dared to find fault.

“Open your mouth and bite off the head of the two-headed tiger!”

“Don’t be afraid of the two-headed tiger! Bite off the tail of the three-tailed cat!”

Ye Que secretly cheered for the two monsters.

Even if the three-tailed cat is weak, it is still a triple monster.

It’s not a double monster that can be defeated casually.

It jumped nimbly, dodged the attack of the double-headed tiger, and then went up with its claws, scratching one of the two-headed tiger’s heads.

Whoops—

The two-headed tiger rolled on the ground in pain.

With a roar, the three-tailed cat was about to rush forward and end the life of the two-headed tiger.

Suddenly, a call came from behind.

As soon as the three-tailed cat’s eyes changed, it turned around and ran back.

Ye Que’s heart moved, what happened to the three-tailed cat’s cub?

“What are you thinking about, now I have a chance to get fat!”

He stared at the two-headed tiger rolling and howling on the ground, with greed in his eyes.

“This guy has only one head left, and it’s seriously injured! I have a chance to kill it!”

Ye Que didn’t think much, and rushed directly to the two-headed tiger.

Do it when it’s time to do it!

When it’s time to make a move, don’t hesitate!

Otherwise, what’s the point of his dogging!

Roar!

The two-headed tiger roared.

It found a palm-sized tortoise and launched a surprise attack on it.

Immediately, besides pain and hatred, there was anger from embarrassment on the only remaining head.

Even if this tiger is injured, it’s not something you, a small ant, can resist.

Since you dare to come here, it is just right that after eating you, I can recover some strength and the injury can be contained.

The tiger opened its mouth and bit the tortoise fiercely.

“If you want to eat me, it depends on whether you have the ability!”

Ye Que jumped up, retracted his limbs and head into the turtle shell, brushed the ground, and rushed into the mouth of the two-headed tiger.

The two-headed tiger let out a bloodthirsty growl, and bit hard!

“Ding! Host talent triggers, counterattack!”

Click!

The tooth broke!

Whoops—

The two-headed tiger screamed, trying to spit out the turtle.

How could Ye Que let it succeed, he stretched out his head and bit the two-headed tiger’s tongue fiercely.

“I bite! I bite! I bite!”

Crazy biting, limbs constantly scratching.

His attack power is not weak, and has reached the level of a monster.

Although the double-headed tiger is a double-headed monster, the part he attacked was the inner cavity of the double-headed tiger.

After biting, the painful two-headed tiger lost his mind, took another bite, and bit the turtle shell.

“Ding! Host talent triggers, counterattack!”

Another wave of counter-injury, acting on the teeth, made the two-headed tiger twitch with pain.

Ka Ka Ka—

The tongue was gone and blood kept gushing from the mouth.

In the end, the two-headed tiger lost its struggle.

“Ding! The host kills the double-headed monster double-headed tiger! Gain experience point 1.”

Ye Que crawled out of the two-headed tiger’s rotten mouth, feeling excited.

A palm-sized tortoise killed an adult-sized two-headed tiger.

How shocking it is!

“Map scanning prompt: 300 meters ahead, a quadruple monster appears!”

Ye Que didn't have time to feel the joy of victory, so he turned and ran outside.

The quadruple monsters, let alone contending, are lucky if they can escape in time.

Roar!

The dull roar of the beast came from the place where the two-headed tiger died.

“Big brother, don't chase! Don't chase! I'll leave immediately!”

I prayed in my heart, but fortunately there was no pursuit from behind.

Ye Que heaved a sigh of relief when the map scanning prompt disappeared.

At this time, he came to the outskirts of the monster forest.

“The consumption is really high, find a place to use experience points, just take a rest.”

Drilling into a narrow wooden hole, Ye Que's thoughts entered the panel.

Currently, partial data on the panel.

Speed: 1.5/10

Defense: 2/10

Attack: 1.2/10

Experience points: 1

“The defense has reached the second level, and there is no need to add points for the time being. The speed is increased by 0.5, and the attack is increased by 0.5.”

Suddenly, the data on the panel changed.

Speed: 2/10

Defense: 2/10

Attack: 1.7/10

Experience points: 0

Martial arts: open at the second level

“There is still 0.3 experience points left, and the attack can be promoted to the second level, and then my realm will be able to break through to the second level!”

Ye Que let out a breath, and closed his eyes wearily.

He hadn't had a good rest yet, and now that he had a temporary peace, tiredness came.

the next day.

Gollum—

Hunger woke him up.

“I'm so hungry! I want to eat meat!”

Ye Que crawled out of the wooden hole, his eyes revealed confidence.

Yesterday, he was still an ant who could kill anyone.

Today, he will stand up and become the master, kill monsters and eat animal meat.

“Map scanning prompt: 300 meters behind, a first-level monster appears!”

“My current attack power has reached the peak level of the first layer, and I am not afraid of monsters of the same realm!”

Go straight to the rear three hundred meters.

“However, my defense has reached the level 2 [New Pen Fun Pavilion www.xsbiquge.info], if I am bitten by a level 1 monster and trigger my talent to counterattack, what will happen?”

Ye Que thought about it curiously, and finally decided to give it a try.

Roar!

It is a Tier 1 demon beast Timberwolf.

Old friend!

Ye Que was not afraid, and crawled over leisurely.

With such a move, Timberwolf was enraged, and he rushed forward with a single bite.

“Ding! Host talent triggers, counterattack!”

Whoops—

Timberwolf let out a scream, seriously injured.

“I don’t feel anything at all!”

Ye Que snorted, wiped Timberwolf’s neck with his paw, and then ate it.

“Ding! The host kills a level 1 monster Timberwolf! Gain 0.5 experience points.”

“Add 0.2 to defense and 0.3 to attack.”

While Ye Que is eating, use experience points.

The data on the panel changes.

becomes as follows—

Speed: 2/10

Defense: 2.2/10

Attack: 2/10

“Ding! The speed, defense, and attack of the host are all above 2, and you can break through to the second level! Do you want to break through?”

“breakthrough!”

Enduring the severe pain.

Feel the changes in the cells, bones, and meridians of the whole body.

He began to think that this is a kind of enjoyment.

An enhanced enjoyment.

“Ding! The breakthrough has been successful!”

“Ding! The host has reached the second stage and can open martial arts! Please pay attention to the panel data!”
