### Chapter 11: Chen Yao

Yue sat on one of the girl's bed, closed his eyes, sweating profusely. Though he is stronger than Ji Qing Wu, the fierce battle with the zombies has consume most of his stamina, at this time only 4 points of stamina left.

Right now in the girl's dorm, in addition to Ji Qing Wu, there are 4 other girls. The 4 girls are very curious, looking at the Yue and White Bones standing next to him. Just a moment ago, Yue and White Bones rushed into the group of zombies, not letting them get to the girls dorm, cause the scene to engraved in their mind.

At this time a sweet scent drifted over, a girl wearing jeans, white t-shirt, with long hair. A beautiful and vibrant girl walked over towards Yue with a slight chuckle:

"Hello, my name is Chen Yao. Classmate, what is your name, please?"

Yue looked up at Chen Yao, slowly said:

"My name is Yue Zhong."

Chen Yao is a celebrity at Yun Hua University. She is herself is pretty,sweet, can sing and dance, is one of the school's beauty. Her sweet smile has charmed quite a few of the boys at Yun Hua University.

Chen Yao look at Yue with a smile said:

"Thank you for coming to save us with Ji Qing Wu."

Yue lightly said: "You're welcome."

"Yue, hello. I am Zhang Xuan." A pale skin, cute girl with a baby walked towards Yue to introduce herself.

"Hello, I'm Cai Xiao" A short hair girl, that appeared very competent and beautiful head over to introduce herself to Yue.

A tall girl, with make on, dressing stylishly and attractive, walked over in front of him, with a sweet smile said: "Hello, I'm Wang Fang. You are really powerful, even dare to fight those zombies."

Yue with a wry smile:

"I'm not that powerful, I was forced to."

If possible, Yue did not want to fight the zombies. Fighting with zombies are dangerous, only even a little scratch can get infected.

Done speaking Yue open his backpack, inside was chocolate, candies, and drinks. He took out a bottle of water and took a big gulp. Such a long battle has cause him to sweat a lot, and needed to rehydrate.

Even at the most critical moment, Yue did not his backpack filled with supplies away.

With the supplies, even if he is stuck in one place for 3 days, Yue can still keep fighting.

Seeing that in the backpack was chocolate, candies, and drinks, the 4 girls eyes brightly lit up. It was already late in the afternoon. In the room the girls were fearful, constantly moving the heavy objects, using up most of their stamina, and was now starving. Just that in the past, the 4 girls were prideful, so they were embarrassed to ask Yue for his supplies.

"Water, chocolate!" Said Ji Qing Wu without hesitation to Yue.

Yue quickly without saying anything toss over a can of coke and 4 chocolate bars to Ji Qing Wu. Ji Qing Wu was strong, in this world, someone that you can count on to fight was good.

Chen Yao with her outgoing nature, directly ask Yue: "Yue we are also thirsty, can you give us something to drink, please?"

Yue hesitated a bit, from his backpack took out a can of coke and 4 chocolate, gave it to Chen Yao, and said: "You guys shared it, I don't have a lot of supplies."

"Thank you Yue." Chen Yao politely thanked Yue, then holding the can and 4 chocolate bars walked towards the other 3 girls.

“In his mind, Ji Qing Wu really is more important than us.” Eating chocolate, Chen Yao looked over at Yue, quietly thought.

Seeing Yue distribution of supplies, Chen Yao sensitive mind quickly calculated the degree of importance the girl in the dorm was.

High calories food like chocolate is something these girls generally eat very little of, but now they know that it is different from before, to be able to eat and drink is already good..

At this moment, outside the girl’s dorm, the zombies were banging against the door, causing the entire dormitory to shake with incessant tremors. Losing Yue and Ji Quin Wu oppression, the zombies of the entire 3 floors have gathered together, and began to attack the dorm, attempting to break into the room.

The 4 girls started to gather behind Yue and White Bones. Although the door was made from steel, but it was uncertain when those zombies would break through.

Even Ji Qing Wu was strong, but she can’t give the strong sense of security like Yue and White Bones. After all, she’s a girl and only one person, significantly weaker than Yue after repeated levelling.

“Big sis Qing Wu, what do we do?” The baby-face Zhang Xuan looked at Ji Qing Wu, and timidly asked.

Ji Qing Wu frowned, striding toward the dormitory door, look far out the window.

Seeing outside the door there was no less than 30 zombies, the numbers was not small, completely blocking the way out, there was no area to maneuver. To fight in this environment was suicide.

“Yue, do you have any good idea?” Ji Qing Wu turn and asked Yue.

Yue also came to the door to look out the window, watching the swarming zombies, and wrinkled his eyebrows .

In such a crowded environment, the zombies were packed to the limit, even the strongest out of them, White Bones, will be brought down.

Yue quickly turned and went to the window behind him to look.

In the rear of the girl's dormitory, only a couple zombies were wandering around.

Observing the terrain, Yue then walked towards the girls and said: "From here out is not difficult, but the hard part is how to escape from the school, and the ability to live out there. Right now the whole world is full of zombies, if there are no safe havens, might as well stay here."

"Do you have a safe place out there? For example, self-contained villas, or residential units. Villa and residential units away from the city center, otherwise we should not rush out." Yue looked at the girls and asked.

Chen Yao looked at Yue and said: "My house is in the Garden District neighbourhood, I have a set of house keys. Can we go?"

"We can!" Yue nodded. The Garden District is nearby Yun Hao University. This place was a college town, away from the city center, only students, few others, it is an ideal hiding place.

Yue look in the eyes of the 4 girls, with a deep voice asked: "Among you, who can drive?"

"I'll drive!" Chen Yao stood and said to Yue.

"I also can drive." Wang Fang also stood up, looking toward Yue demonstrating her abilities. She was very clear, at this time, only showing by showing her charm and capability can she have a better chance of survival.

## Chapter 12: Imitation Tang Sword

"Driving the school bus is not a problem right?" Yue asked, what he needs is a person who drive the school bus.

Chen Yao confidently said: "There is no problem!"

"The key to the school bus, do you know where it is?" Yue continued to ask. Without the key, even if they found the bus, it would be useless.

Chen Yao quickly said:

“The school bus driver Zhang Xiao room is between the General Office and Academic Affairs office. If nothing else, at those two places we should be able to find him.

Chen Yao was the president of the student council so she regularly had to deal with the leaders of the school. She often take the school bus to other places, so that is why she knows the room where the driver is staying.

Yue open the the white treasure box that was inside his backpack, a light flashing, a sharp Tang sword appears in front of his eyes.

“Imitation Tang Sword Level 1. Attack 5-8. This fine sword is very sharp, can easily cut through the head of a man. A great weapon against those that are infected.”

“Great sword, with this fine sword, dealing with zombies will be even easier.”

Yue caress the sharp Tang sword, an icy touch came from the metal of the Tang sword.

Yue was often using the novice staff to smash the zombies, doing that will feel the recoil. With this Imitation Tang Sword in hand, Yue will be able to kill zombies easily.

Yue took out the Small Fireball skill and gave it to Chen Yao and solemnly said:

“You guys should have hear the sound. I’ll tell you some information, if you kill enough zombies, you will level up and will be strengthen. That Special Skull is one of my skill, this is a skill book level 1, Small Fireball, on it is how to use the skill. Chen Yao, I can give this skill book to you, but I want you to promise me, that you we are safe, help me save one of my buddies.”

This Small Fireball skill to Yue was a second rate skill, but if he can use it to enhance their own side strength, Yue would be stingy. Yue’s only desire was to escape from here at this time and find his best friend.

Though Chen Yao is very weak, fighting is not strong, but she was very capable, and knew a lot. Yue would like to have such companion survive.

Chen Yao is very decisive, in the eyes of the 3 other girls, were jealousy and envy toward the person that took the skill book: "Yes! I promise you that once safe, will certainly help you to find your best friend."

A light flashing, the skill book turned into a beam of light and entered Chen Yao's body.

"It's magic!" The side of Zhang Xuan envious eyes watching Chen Yao, this was the first time that she saw someone receive such a skill.

"Really! Why does she get all the good stuff. Even god is blessing her!"

Wang Fang watched Chen Yao absorb the skill book, eyes filled with jealousy and hate.

Chen Yao was not only very beautiful, and family is wealthy, in the university was the object of many boys' desire. Even though Wang Fang was a desirable girl, but in comparison to Chen Yao was far worse. She has been in envy and jealous of Chen Yao's luck. Now that the world has begun to collapse, Chen Yao is also given a skill book by Yue, increasing her chances of survival, made Wang Fang even more jealous.

"How is it? Chen Yao! Release the magic for us to see!" Zhang Xuan right next to Chen Yao curiously, and pestering said.

Chen Yao had an eager look, she just got that kind of power, also wanted to know how strong her skill is.

Yue quickly stopped them and said: "No! In your current state, only be able to launch a fireball a day. Must only use it in a critical time.

A fireball may be able to save their life in a critical moment, Yue would never allow Chen Yao to indiscriminately use it.

Chen Yao quickly calmed down, nodded and said: "I know."

Yue looked at Ji Qing Wu and said: "Qing Wu, how is your stamina recovery?"

Ji Qing Wu without the slightest concealment, toward Yue said: "6 points, my max stamina is 12 points. It is difficult to recover, it seems that my body is very tired."

“You guys stay here and watch. I will take a break, and promptly go out looking for the keys. Ji Qing Wu, call me in 5 minutes.” Yue finished talking then took out an Apple of Vitality, eating it in a few bit, then lay on the bed closing his eyes. Doing that will make him recover better.

Seeing Yue lay on the the bed, baby-face Zhang Xuan, quickly blush and muttered in a low voice: “That is my bed!”

Yue was too tired, head touching the pillow, fell asleep.

Outside those zombies were constantly hitting the dormitory door, besides Ji Qing Wu outside, the rest of the girls were huddled next to Yue, scared, not knowing when the door will break.

5 minutes later, Ji Qing Wu nudged Yue and said: “Get up! 5 minutes passed.”

“5 minutes already? Way too fast.” Yue opened his eyes, look ate Ji Qing Wu, with a slightly wry smile said. He has been in intense battles since early afternoon, in spite of the nourishment from the Apple of Vitality, his stamina was back to 11 points.

Yue quickly stood up from the bed, removing the climbing rope from the backpack and tied to a secure pole, then release it out the window.

“If you guys cannot stand it any more, can escape from this place.” Yue said to the girls, then quickly climbed down the rope.

White Bones quickly follow suit and climb down the rope after Yue.

Yue just landed, nearby 4 zombies staggered towards him.

Yue with his Tang sword in hand quickly rushed forward, and swing the swords against the zombie head, instantly cutting off its head, foul blood splattering everywhere.

“Great sword!”

A sword cutting a zombie head, praising himself inside.

The Imitation Tang Sword was much sharper than the staff, Yue using the Imitation Tang Sword to cut a zombie head required 50% less force than before. Which means that he can use less power to kill more zombies.

Yue with the Imitation Tang Sword and White Bones combined power quickly slay the 4 zombies, immediately heading toward the direction of the General Office and Academic Affairs.

Seeing Yue emerge, the group of zombies began to move toward his direction, chasing after him.
