Chapter 7: Small Supermarket

Chapter 7: Small Supermarket

Yue had gotten rid of all the zombies around the small supermarket, the only one left were the 16 zombies hovering around the tree.

After wearing the protective garment Yue stamina had reached 13 points, he only rested for 5 minutes, his stamina had recover from 4 points to 7 points. Yue continue to rest for 20 minutes, but it has not increase even by one.

“Fighting for so long, my body is already tired? My stamina is still too low!”

Yue frowned, quietly thought. He received high-intensity combat today, even though strengthen, his recovery is limited.

“I can only use this apple!”

Yue took out the Apple of Vitality, and bit it.

A stream of sweet and delicious apple juice went into Yue mouth, flow into his body.

Yue finish the Apple of Vitality after just a couple bite, a cool stream flowing into his body, and fixes his weary body.

5 minutes later, under that cool trickle of nourishment, his tired body gradually restored, stamina rises to 12 points.

Resting completed, Yue soon emerged from the small supermarket along with White Bones.

“He is out!”

Sun Yu seeing Yue emerged, immediately excited said to Chen Gang.

Chen Gang saw Yue, his eyes flashed a hint of excitement and worry. If Yue did not rescue them and choose to leave on his own, they have no way.

Yue saw the 16 zombies surrounding the tree, waving a can of beer and threw it to the ground.

Clang!!!!!!!

The loud sound quickly reverberated in the area, the 16 zombies under the tree, quickly looked back and stagger over.

“Lets go! White Bones!”

Yue firmly hold his novice stick next to White Bones.

Receiving the order from Yue, White Bones rushed towards the 16 zombies.

10 seconds later White Bones reached a zombie, swinging his ax, a zombie head was sent flying.

After easily killing a zombie, three zombies from one side rushed over towards White Bones.

Yue came and fiercely smash the stick on the zombie head, causing the head to be twisted to one side. Then kicked another zombie, sending it to the ground.

Yue after wearing the protective garment has become more bold, without the protective garment, he would absolutely not kick the body of the zombie. Because the slightest mistake would cause him to be scratch and he would die.

White Bones swinging his ax, casually sending the zombie head flying.

After reaching level 4, the overall strength of White Bones has improve by 30%. With significantly improved combat, the most discerning was his quick reaction.

Yue took a long stride forward, smashing the zombie head with the stick, knocking the zombie head crooked.

In just a couple of breath, 4 zombies were down from the combined effort of Yue and WHite Bones.

After killing the 4 zombies, Yue and White Bones retreated back, the remaining 12 zombies formed a circle, they fiercely rushed to the left for an assault, the assault killed 3 zombies and then they quickly retreated again.

After a few assault, the waves of slow zombies was soon dispatch by the combined effort of Yue and White Bones.

“Amazing! Didn’t think the school was hiding someone so strong!”

Looking at Yue and White Bones, whom easily kill those zombies, Chen Gang on the tree sigh slowly.

Sun Yu and another boy Wang Shuang nodded.

After getting rid of the wave of zombies, Yue stamina had decrease by 3 points, down to 9 points. After increasing his strength and stamina, his battle endurance has grown.

After cleaning out the corpses, Yue quickly collected the Life Coin scatter on the ground.

Seeing that all the surrounding zombies has been eliminated by Yue, the 3 boys agilely climb down the tree.

“Hello classmate, I am Chen Gang a 3rd year student.”

Chen Gang climb down the tree and came over to introduce himself to Yue.

“I am Sun Yu, also a 3rd year student.”

“I am Wang Shuang, also a 3rd year student.”

Sun Yu and Wang Shuang also came to Yue side, and introduce themselves.

Yue thanked Chen Gang said:

“I am Yue Zhong, thank you for earlier!”

Earlier Chen Gang had helped Yue by drawing away half the zombies, thanks to that Yue was able to defeat the first wave of zombies, otherwise he can only escape and not be able to get rid of all the zombies.

The most terrifying thing about zombies is it personal strength, but its infection and numbers. With just 20 zombies it would be very hard to deal with, although they can be kill, the consumption of stamina and concentration.

“Why so modest, I still haven’t thanked you for saving us!”

Chen Gang heartily laugh, and then pointed at White Bones and asked:

“Yue, where did you get that?”

Sun Yu and Wang Shuang also had a look of envy toward Yue because of the Special Skeleton White Bones next to him . They had just say how powerful White Bones was, with just one strike, it easily slay a zombie.

“lets go inside and talk, this is no place to talk!”

Yue looked around, pointed at the small supermarket and said to the 3 of them. The zombies nearby has already been dealt with by Yue and White Bones, but in the school he feared there are more than 1000 zombies, they were not yet safe.

Chen Gang group of 3 nodded, quickly followed Yue into the small supermarket.

Entering the small supermarket, Sun Yu, took a beer opened it and fiercely chugged it down, then let out a long sigh of relief, carelessly said:

“Whew, finally survived, I was so thirsty.”

Yue glanced at Sun Yu, frowning slightly, it was still not safe, besides communication that is need, he did not want to make needless sounds.

Chen Gang, took a sip of water, came to Yue side, pointed to White Bones and continue asking:

“Yue, how did you get this thing? Can you tell us?”

Sun Yu and Wang Shuang also looked at Yue, their eyes full of desire. This sudden change to zombie-ridden world, everyone know that only those that are strong can survive.

Yue staring at Chen Gang asked:

“Did you hear the voice that claim to be God?”

“I heard it!”

Chen Gang said.

“I heard it too.”

“I also heard it.”

Sun Yu and Wang Shuang also said.

Yue slowly said:

“After I killed a zombie, from the body of the zombie a skill book dropped. After using the skill from the skill book, can you summon your first skeleton.”

This wasn't something to hide, in order to escape, having more power was better.
