

God level 1071

Chapter 1071

"quick!! Start the battle quickly!"

Kunpeng, Hongyun, Ziwei and others all screamed in shock... The expressions of the hundreds of millions of disciples of the Divine Alliance changed.

The claws of Guixu Saint Ancestor were so powerful that they covered the sky and the earth, covering hundreds of millions of miles, covering them all. in.....

If this claw is not blocked, tens of millions of people will be killed or injured...

Fu Zhi was frightened and quickly activated the Hetu Luoshu to control the formation...

Buzz~! Buzz~! Buzz~!

For a moment, the Zhoutian Star Dou Formation Activated, thousands of star flags activated the power of the ancient stars, shooting out billions of star lightsabers, heading towards the giant claws like raindrops.....

Boom~! Boom~!

Lu Ya and Queen Mother Xi also took action at the same time...

In the blink of an eye, the attacks from both sides met...

Bang~! Bang~! boom~!

That giant claw easily destroyed billions of lightsaber attacks.....

Even the attacks from Lu Ya and Queen Mother Xi only left two small white spots on the scales of the giant claw and failed to harm the giant claw at all.....

The remaining power of the giant claw continued to fall, crushing down towards the children of the Divine Alliance.....

Click~click~click~click!

In an instant, billions of miles of space exploded, and the breath of death descended!

"Disband! Escape!"

Fu Zhi yelled in fear.

He had no time to organize a second wave of attacks. Even if he organized an attack, he could not block the claws.

The Guixu Saint Ancestor was too strong and was not something they could deal with.

At this critical moment, Fu Zhi We can only order the formation to disband and escape from the giant claw's attack area. Maybe we can survive a little longer.....

"Run away!"

At this moment, everyone's expressions were extremely ugly, and the audience exclaimed.....

Lu Ya and Queen Mother Xi were so anxious that they were sweating profusely.

They also wanted to help, but their strength was too different from that of Guixu Saint Ancestor, and there was nothing they could do.....

This critical scene happened to be seen by the three escaping Brahmas.....

"Big boss! Look over there!"

"yes...Fellow Taoist Zhentian has arrived!"

Shiva and Vishnu were extremely excited.

"Ha ha!! dying! Qin Feng's people are going to die!"

Brahma shouted excitedly.

At this moment, the clones of Xuan Ming and the Shadow Clone were very far away from the people of the Divine Alliance.

In their opinion, the two clones of Xuan Ming were too late to rescue them.

When the two of them rushed back, they were afraid that hundreds of millions of people would be killed. Most of the children of the Shenmeng have been killed by the Guixu Saint Ancestor.....

In the blink of an eye, the giant claw was only a few feet away from the heads of the disciples of the Divine Alliance. The holy power comparable to that of the Quasi-Saint Ancestor oppressed the entire audience, locking everyone in place.....

"No~! "

The eyes of the children of the Alliance of Gods showed despair.....

In the distance, Brahma and the other three were extremely excited when they saw this scene.

They seem to have seen the miserable fate of everyone in the Divine Alliance...

But at this extremely critical moment, the mutation reappeared.....

In the sky above the heads of the Divine Alliance, the space suddenly became distorted, and the shadow clones and Xuan female clones appeared out of thin air.....

As soon as the two appeared, they took action at the same time... boom~! Boom~!

Two explosions!

The void explodes!

The two shadow clones actually met each other and knocked back the giant claws of Guixu Saint Ancestor.....

The whole Guixu was trembling slightly!

"Huh?!"

The surprised voice of Saint Ancestor Guixu sounded from behind Void.

Obviously, he did not expect that his attack would be blocked by two shadow clones.

And he also clearly sensed that these two people were not what he was looking for. Qin Feng.

But the breath of these two people was seventy-nine similar to Qin Feng, which made him confused...

At the same time, the three Brahma people in the distance were also dumbfounded.

At this moment, the smiles on the faces of the three people froze.!

They originally thought that Fuzhi and others were going to suffer, but they didn't expect that the two shadow clones arrived in an instant and saved everyone in the Divine Alliance...

Naturally, the three of them didn't know that the two shadow clones could be summoned in reverse space.....

But on this side, the two shadow clones saved everyone in the League of Gods.....

"His Majesty! It's Your Majesty!"

"Ha ha! Your Majesty saved us!"

Everyone in the Divine Alliance cheered.

Click~!

But at this moment, the void exploded, and a giant blue beast that was as big as a planet burst out of the sky.....

As soon as the giant beast appeared, it transformed into an old man in green robes with white beard and hair. He was none other than the Saint Ancestor of Guixu (Taoist Zhentian)!

"You stand back!"

Xuan Mi's clone waved her hand, and Fu Zhi and others retreated in fear. Even Lu Ya and Queen Mother Xi also retreated.....

In just a moment, only Xuan Ming and Xu Ying were left in the field, confronting the Guixu Saint Ancestor.....

In a battle of that level, Lu Ya and Queen Mother Xi could no longer intervene, let alone Fu Zhi and others, so everyone had to withdraw from the battle circle.....

"Huh! Are you in the first realm of eternity?!"

At this time, the Saint Ancestor of Guixu saw clearly the cultivation realm of Xu Ying and Xuan Ming, and he was shocked.

Immediately, he said again: "What is the relationship between you and Qin Feng? Why do you want to stop me?!"

"Qin Feng is the elder brother of the two of us. If you cause trouble for our brother, we will naturally stop you?"

"Is he your brother?"

Guixu Saint Ancestor frowned, vaguely feeling that something was not good.

Qin Feng's two brothers are so powerful, and Qin Feng himself must not be weak.

If these three brothers join forces, I am afraid that he will not be an opponent!

At this moment, Guixu The Holy Ancestor still underestimated Qin Feng's strength.....

"I, Qin Lei, have heard about Fellow Daoist Zhentian for a long time..."

The virtual shadow clone deliberately chatted.

"I, Qin Mu, have also heard a lot about fellow Daoist Zhentian....."

Xuanzang's clone also chimed in.....

The two of them deliberately delayed time to buy Qin Feng time for refining.....

But just as Xuan Mi's clone finished speaking, the sacred tree not far away trembled even more violently, and the three-color auras echoed each other.....

The Saint Ancestor of Guixu woke up suddenly

"Damn it!"

He roared and rushed towards the sacred tree.

He stopped Qin Feng's refining and took back what belonged to him.

"Fellow Taoist Zhentian! Stop leaving!"

The clone of Xuan Ming and the clone of Phantom dodged, stopped in front of Saint Ancestor Guixu, and took action at the same time...

Boom~! Boom~!

There were two more loud noises of the earth shattering!

The void was shattered inch by inch!

Saint Ancestor Guixu let out a muffled groan. , and were repelled by Xuan and the two of them together.

The Saint Ancestor of Guixu was furious.

He, a powerful man in the sixth realm, was repelled twice by two first-level men. This made him feel so embarrassed.

"Damn thing! Do you really think that my ancestors can't do anything to you?"

The Saint Ancestor of Guixu waved his hand, and a golden scroll appeared out of thin air, emitting glowing light all over the sky...

That was exactly his sacred weapon - the Bafang Yukong Scroll, the peak level of Kaiding.

Buzz~!

A clear cry!

Bafang The aura of Yukongjuan shines brightly!

The man and the weapon merge into one!

The momentum of Guixu Saint Ancestor surges, reaching 3.5 million in an instant... The virtual shadow clone and the Xuan female clone looked at each other, and quickly merged into one, turning into the Xuanxu clone. , the combat strength and momentum also reached 3.5 million.....

"Huh!"

Saint Ancestor Gui Xu was a little surprised.

He didn't expect that the Phantom Clone and Xuan Ming Clone had such a hand.

However, he didn't have time to care about it, and rushed towards the Sacred Tree in a flash.

He wanted to stop Qin Feng's refining as soon as possible. , otherwise Huang Zhongtian Realm will be completely lost.....

"Stop leaving!"

Xuanxu's clone instantly sacrificed the Book of Earth.

With a wave of his hand, the Book of Earth turned into the fetal membrane of heaven and earth, and enveloped the Saint Ancestor of Guixu, and was instantly wrapped in it... Lu Ya and others who were watching the battle cheered, thinking that Guixu was about to return. Saint Ancestor Xu was trapped.

But in the next second, Saint Ancestor Gui Xu put the Eight Directions Sky Scroll on his head and shot directly into the fetal membrane of heaven and earth, as if penetrating nothing.....

It turns out that the characteristic of the Eight Methods of Controlling the Sky is that it controls all directions of the world and can penetrate any restrictive barrier.

It is a sacred instrument of space nature, and it is the nemesis of the Book of the Earth.

In fact, it has some similarities with the Book of the Earth.

Lu Ya and others were greatly shocked by Gui Xu Saint Ancestor's escape.

"Ha ha!! interesting!"

Xuanxu's clone laughed loudly, and rushed over, while sacrificing the two swords of Abi Yuantu...

The sword light came! Shattered in all directions!

The Saint Ancestor of Guixu dared to ignore the book of the earth, but he did not dare to ignore the two swords of Abi Yuantu, so he had to turn around to resist.....

The two sides fought together!

For a moment, the two sides fought until the sky was dark, the sun and the moon were dim, and the entire Guixu space was shaking, as if it was the end of the universe and the world was about to be destroyed...

Fu Zhi, Lu Ya, Queen Mother of the West, and others They were so frightened that they couldn't help but step back.....

A battle of this level was terrifying to him, and it was not something they could interfere with...

In just a few moments, the two sides fought hundreds of face-to-face encounters.

In terms of increase, Quasi-Saint Ancestor is also two hundred times.

Xuanxu's clone was also two hundred times stronger...

In this aspect, no one took advantage.

The initial combat power gap between the two sides is not large.

However, Xuanxu's clone finally has one more sacred weapon. Relying on the integration of human and weapon, Xuanxu's clone's combat power is better than that of the quasi-saint ancestor...

Not only that, as Qin Feng refines Huang Zhongtian Realm, Xuanxu's clone's combat power The power has continued to increase...

This allowed Xuanxu's clone to gradually gain the upper hand during the battle between the two sides...

Of course, the gap between the two sides was not big, and Xuanxu's clone had a very small advantage, but he was also so angry that Guixu Saint Ancestor screamed. Call the mouth to spit out fragrance.....

Saint Ancestor Guixu originally wanted to stop Qin Feng, but he was entangled by Xuanxu's clone and could not escape.....

This made him extremely anxious.

At this moment, another change occurred in the body of the sacred tree..

Chapter 1072

At this moment, another change occurred in the sacred tree...

At this moment, in the Huangzhongtian Realm, in the sea of spiritual energy.

The Heavenly Seal was finally condensed and burst into light.....

And Qin Feng, with the help of the ancient god Lord Can Nian, also refined the Tianyin 70%.....

But at this moment, the ancient god Lord Cannian sent a thought to Qin Feng, extremely weak.....

But the thought expressed relief...

Qin Feng suddenly felt that something was wrong.

But before he could think about it, the yellow light group that symbolized the remnants of the ancient God Lord quickly dimmed, and finally burst into pieces, turning into starlight all over the sky and dissipating in the spiritual sea... The entire spiritual sea gradually calmed down and began to slow down. Disperse slowly.....

Qin Feng couldn't help being stunned.....

It turns out that in order to help Qin Feng condense the heavenly seal, the ancient god Lord Cannian used up his last thought power and had to dissipate.....

What makes it gratified is that it finally fulfilled its original wish and passed on the Huangzhong Heaven Realm to the creatures of the God Realm, that is, Qin Feng...

At the same time, Qin Feng looked at the direction where the ancient God Lord's remnant thoughts disappeared, and felt emotional in his heart.....

Speaking of which, he can be considered a descendant of the ancient God Lord.

Without the blessing of the Ancient God Lord, he would never have been able to seize the Xuanji Heavenly Realm and the Huangzhong Heavenly Realm so smoothly.....

He is naturally grateful.....

Looking at the dissipated thoughts, he was helpless.

After all, the ancient God Lord died long ago and is impossible to resurrect, let alone a mass of residual thoughts.....

Besides, the fighting in the outside world is still going on, and the harassment of Guixu Saint Ancestor has not stopped. His refining of Tianyin has only reached 70%, and it cannot be stopped here.

Otherwise, all your efforts will be wasted!

So now is not the time to lament.

Thinking of this, Qin Feng continued to refine the Tianyin.....

But at this moment, the entire sacred tree shook violently!

Within the body of the sacred tree, the endless Tao Yun textures are cracking and shattering...

Ka~! Click~! Click~!

The inside of the sacred tree was actually cracking.

Qin Feng was horrified!

Is this sacred tree going to explode on its own?

At this moment, the thoughts of Renshui Peach Tree and Huangzhongli sent him a message...

Qin Feng suddenly understood what was going on.

It turns out that after the remaining thoughts of the ancient God Lord dissipated, the thoughts of the three spiritual roots were no longer bound by any restraints, and the connection between them was completely severed.....

This caused the sacred tree to split itself into three parts, and then transformed into the Renshui flat peach tree, Huangzhong plum tree, and ginseng fruit tree.

At the beginning, the ancient god master forcibly combined the three spiritual roots of heaven and earth into a sacred tree in order to build a heaven supported by the sacred tree.....

However, the ancient god lord fell halfway, and his wish was not fulfilled...

Now, the residual thoughts of the god lord who controlled the sacred tree have dissipated, and the thoughts of the three sacred trees are completely free. Each of them did not want to merge, so they decomposed themselves.....

In short, this matter has no impact on Qin Feng...

After understanding this, Qin Feng no longer paid attention to the mutation in the sacred tree and began to refine the sky seal with all his strength.....

"Ding~! The host is refining Tianyin (Huangzhong Tianjie)... The refining progress has reached 71%.....Get feedback from the power of heaven and earth...increase in combat power....."

"Ding~! The host is refining Tianyin (Huangzhong Tianjie)... The refining progress reaches 72%"

Without the assistance of the ancient god Lord Cannian, Qin Feng's refining progress has slowed down a bit, but his combat power and momentum have improved all the way.....

His strength is getting stronger and stronger...

At the same time, outside the sacred tree.

Xuanxu's clone and Guixu Saint Ancestor were fighting fiercely, and neither of them could do anything to the other...

Of course, Xuanxu's clone had a slight advantage.....

The Saint Ancestor of Guixu was anxious and was about to use a method to suppress the situation.

Click~! Click~! Click~! Click~! suddenly!

The sacred tree not far away made a cracking sound.....

Everyone quickly followed the sound and saw numerous clearly visible cracks on the surface of the sacred tree, as if it was about to burst.....

"Oh My God!"

The Queen Mother of the West couldn't help but exclaimed, that's her hometown!

Lu Ya, Fuzhi and others were also a little dumbfounded.

"Sacred tree! My sacred tree!"

The Saint Ancestor Guixu's face changed drastically, and he was extremely anxious.....

But at this moment, Xuanxu's clone came to kill again.

He was furious:"You little thief! Seeking death!"

As soon as he finished speaking, he turned his hand over, and there was a broken jade seal in his palm. Its size seemed to be only one-third of its original size...

The broken seal appeared!

The Saint Ancestor of Guixu spat out a mouthful of blood at the residual seal.

As soon as the essence and blood stuck to the residual seal, it was sucked clean by the residual seal...

The residual seal suddenly lit up with a blood-red light, which was extremely dazzling.....

Saint Ancestor Guixu's expression turned downcast.

That mouthful of essence and blood cost him 900 million years of practice, and his complexion would naturally not look good...

He would not have used this move unless it was a last resort.

But now that the sacred tree is cracking, and Qin Feng is about to refine Huang Zhongtian, he doesn't dare to hide his secrets anymore...

Buzz~!

At this moment, the remaining seals trembled, and Guixu trembled with them!

It seems that the vibration of the remaining seal caused changes in the entire Guixu.....

Everyone in the Divine Alliance couldn't help but be secretly shocked and looked around.

Before everyone could figure out what was going on, Guixu shook violently, and the power of heaven and earth emerged, rushing crazily into the body of the Saint Ancestor of Guixu.....

Boom~Long~Long!

Saint Ancestor Guixu's body trembled, and his momentum continued to surge, reaching 5 million in the blink of an eye.....

Lu Ya, Queen Mother Xi, Fuzhi and others were all dumbfounded.

Even Xuanxu's clone was stunned.

It turns out that the remaining seal is the seal of heaven from Guixu.

In ancient times, there were ten heavens and ten domains.

Later, during an ancient war, one of the heavens was destroyed and became the Nine Heavens and Ten Realms.

The destroyed heaven was this Guixu.

Guixu has been destroyed, but the power of heaven and earth still remains.

Although the residual seal is ruined, the Saint Ancestor of Guixu has developed a secret technique, which is to use his own essence and blood as a guide to forcefully activate the residual seal and borrow the remaining power of heaven and earth in Guixu for his own use.....

It's just that the cost of performing this set of secret techniques is too high, so he won't use it unless absolutely necessary.

Now, he had to use it.

He successfully borrowed the power of heaven and earth from Guixu, and his combat power surged to 5 million.....

"Ha ha! You ants dare to provoke me! go to hell!"

The Saint Ancestor of Guixu laughed.

With this surge in strength, his confidence suddenly exploded...

The next second, he slapped the shadow clone with a palm.

The face of the shadow clone changed slightly, and he quickly put a book on his head and held Yuan Tu in his left hand. Holding Abi in his right hand, he goes to fight.....

The two sides immediately fought again and again.....

But in this fight, Guixu Saint Ancestor had the upper hand, killing Xuanxu's clones and retreating step by step.....

The faces of Lu Ya and others suddenly became ugly.....

But at this moment, the change occurred again.

There was another movement from the other end of Guixu...

Lu Ya and others were alerted and followed the sound one after another.

Chapter 1073

But at this moment, the change occurred again.

There was another movement from the other end of Guixu...

Lu Ya and others were alarmed, and they followed the sound one after another...

In the distance, they saw Brahma and the other three people rushing towards this side, causing the earth to shake and the space to tremble.The expressions of everyone in the Divine Alliance changed drastically.

"Damn it! That guy actually came back!"

"This...what should I do?!"

Right now, Xuanxu's clone has been completely suppressed by Guixu Saint Ancestor.

If Brahma and the other three come again, the situation will become extremely dangerous.

I'm afraid that His Majesty's refining will be completely interrupted.

The more everyone thinks about it, the more anxious they become.

"We can't let them ruin His Majesty's important event!"

"Start the formation! Start the formation! Let's stop him!"

Fu Zhi yelled in anxiety.

"Everyone, listen! Get in position quickly!"

Ziwei Star Master also quickly ordered.

Boom~boom~boom~!

The army moved in a mighty way.....

The 130 million quasi-gods and above immediately moved thousands of miles forward under the command of Lord Ziwei, blocking the only way for Brahma and the others to pass.....

Buzz~! Buzz~!

Fu Zhi sacrificed Hetu Luoshu again, the projection of the large formation fell, and everyone took their positions...

Buzz~! Buzz~! Buzz~! Buzz~!

The power of ancient stars fell from the sky one after another, and the Zhoutian Star Array was activated.....

"Fellow Taoist Lu Ya! Let's take action too!", the Queen Mother of the West reminded.

Lu Ya smiled bitterly: "Fellow Taoist, after the three Brahmas merged, their strength far exceeded the peak of the Heavenly Saints. Their formation will definitely not be able to stop them. And you and I are only in the middle stage of Tiansheng, so we can't help Fu Zhi and the others....."

Queen Mother Xi said helplessly:"Yes! Even if we fight to the death, we can't stop Brahma and the other three. But even so, we still have to fight hard to buy some time for His Majesty the Emperor of Heaven....."

"Emperor of Heaven? You always call my master the Emperor of Heaven. Didn't you sign a contract with my master?"

Lu Ya asked curiously.

Queen Mother Xi looked puzzled:"Contract?" What contract? Lu

Ya's eyes lit up:"You don't even know about the contract. It seems like you haven't signed one before. That's great." Maybe we can change the current situation....."

Queen Mother Xi was also overjoyed:"Fellow Taoist Lu Ya, tell me what you can do! As long as the current unfavorable situation can be changed, the little girl will definitely do it!"

Lu Ya was overjoyed:"That's good if you think so! To tell you the truth , my master is very good at the way of faith. As long as you sign a contract with my master, you can increase my master's combat power, and the master's two clones will also increase their combat power!"

"Is there such a thing?"The Queen Mother of the West was a little surprised.

"Fellow Taoist, are you willing?!"

"Of course!"

Queen Mother Xi agreed without even thinking about it.

She is the registered disciple of the ancient God Lord.

According to the wishes of the ancient God Lord, as long as the identity of the Emperor of Heaven is confirmed, everyone in the Heavenly Court must be absolutely loyal to the Emperor of Heaven.

Now, Qin Feng has become the Emperor of Heaven!

She will naturally be absolutely loyal to Qin Feng.

The oath she made in front of the ancient God Lord cannot be changed.

Don't ask her to be loyal to Qin Feng, even if Qin Feng wants to take away her perfect body, she will not Dare not violate.....

The power of the ancient God Lord's heart oath cannot be violated!

Of course, the ancient God Lord also wanted to maintain the unity of Heaven and avoid internal strife.....

Although the establishment of Heavenly Court was not completed in the end, it did not affect the constraints of those heart oaths.....

Therefore, for the Queen Mother of the West, signing another contract with Qin Feng would have no impact on her at all, so she naturally readily agreed...

Lu Ya was overjoyed to see the Queen Mother of the West agreeing.....

Just as he was about to say something more, there was a muffled groan from the battlefield in the distance.....

Everyone couldn't help but follow the sound, and saw Xuanxu's clone punched through the chest by the Guixu Saint Ancestor. Blood spurted out, and the huge body retreated wildly.....

Lu Ya and others couldn't help but change their expressions, and secretly said something bad.....

"Ha ha!! Little thief! Even if you want to stop me!"

The Saint Ancestor of Guixu laughed proudly, and rushed towards the sacred tree in a flash.....

The sacred tree was still cracking, and it kept making crackling sounds...

Saint Ancestor Guixu was worried when he saw it, and was about to rush over to stop Qin Feng.....

But at this moment, Xuanxu's clone arrived again and entangled him

"Get out of here!"

The Saint Ancestor of Guixu was furious.

But what surprised him was that Xuanxu's clone, which had been severely injured by him just now, actually recovered from his injuries in the blink of an eye.....

Not only that, even the momentum has become a little stronger, which is extremely weird.

Naturally, he didn't know that Xuanxu's clone was Qin Feng's clone and an extension of Qin Feng's body.....

As long as Qin Feng's body is intact, the clone can recover instantly.

At the same time, Qin Feng is refining Huang Zhongtian Realm, his combat power continues to skyrocket, and the clone's strength will also increase simultaneously.....

At this moment, Guixu Saint Ancestor once again fought against Xuanxu's clone, and they were still completely crushed.....

"This situation is not good!"

"yes! Depending on the situation, His Majesty's clone won't be able to hold on for long....."

The disciples of the Divine Alliance looked extremely anxious.

After this series of battles, Saint Ancestor Guixu is getting closer and closer to the sacred tree, and Xuanxu's clone cannot stop him at all!

"Fellow! This is the pillar of faith! Sign the contract quickly....."

Lu Ya waved his hand, and a divine pillar of faith appeared...

As Qin Feng's confidant, he would have many divine pillars of faith in his hands so that he could subdue Qin Feng's new subordinates at any time...

Queen Mother of the West didn't even think about it, she immediately cut her finger to coagulate blood, and The contract was signed on the pillar of faith... buzz~!

In just a moment, the pillar of faith lit up with dazzling light...

Queen Mother Xi felt a strange feeling welling up deep in her soul.....

The next second, she clearly felt that there was telepathy between herself and Qin Feng...

That feeling was so wonderful that she couldn't help but feel close to Qin Feng and have a strong respect... Before, her respect for Qin Feng was only out of the ancient god's bound and admiration, but now it comes from the heart.....

At the same time, within the sacred tree.

System prompts also sounded in Qin Feng's mind.....

"Ding~! Congratulations to the host for acquiring a mid-stage subordinate of Heavenly Saint (Queen Mother of the West).....The host received a large amount of combat power to refute...the combat power was increased to 5.4 million poles....."

Boom~Long~Long!

At this moment, Qin Feng's fighting strength surged, and it actually increased by 120,000 poles.....

At the same time, outside the sacred tree.

The momentum of Xuanxu's clone also surged.....

Queen Mother Xi saw it clearly

"Huh! It really works! She was overjoyed.

Immediately, she said with excitement on her face:"Fellow Taoist Lu Ya, we still have three hundred people in the Heavenly Court who are in the first realm of eternity, and forty million disciples who are quasi-gods or above." If these people all sign a contract with His Majesty, it will greatly increase His Majesty's strength....."

Lu Ya was overjoyed:"There are so many people?!"

He didn't know the details of Heavenly Court. He thought Qin Feng was only in the sacred tree and had accepted a subordinate of Queen Mother of the West.....

"Not only these, there are still two trillion creatures in our Xuanji Heaven Realm... By the way, although all the Heavenly Court disciples in the Huangzhong Heaven Realm were killed by the Guixu Saint Ancestor, there are nearly one trillion various indigenous creatures in them....."

Lu Ya was ecstatic:"The more these creatures, the better."....."

Before these words were finished, there was a rapid sound of breaking through the air not far away, and Brahma and the three men finally came to kill...

The two people couldn't help but change their expressions.

"Fellow Taoist, it's too late!", the Queen Mother of the West sighed helplessly

"No matter so much! Stop these three guys first!"

Lu Ya dodged and went up to fight.

Queen Mother Xi followed closely.....

"coming! coming! That monster with three heads and six arms is coming!"

Everyone in the Divine Alliance is extremely nervous.

"Get ready everyone!"

Fu Zhi repeatedly issued touchdown orders and adjusted the position of the formation.....

"Ha ha!! Big boss, this group of ants dare to stop us!"

"snort! With this group of ants that don't even have the Heavenly Saints, even with the help of the Zhoutian Star Formation, they can't stop us at all!"

"Big boss, let's kill him! Help fellow Taoist Zhentian to destroy Qin Feng!"

Brahma and the other three people were whispering as they rushed over...

The three of them originally planned to escape, but they happened to see the Guixu Saint Ancestor arriving.

At first, the Guixu Saint Ancestor could not help Xuanxu's clone, and the three of them were even more intent on retreating...

Unexpectedly, the Saint Ancestor of Guixu took out the residual seal, absorbed the remaining power of heaven and earth from Guixu, and suppressed Xuanxu's clone in one fell swoop. Seeing this

, the three of them thought they had an opportunity, and actually took the risk to kill Qin Feng.

Even if they couldn't kill Qin Feng , as long as they kill Xuanxu's clone, they will also have a chance to take back the world of three lives and the Sword of Creation...

In the blink of an eye, the three Brahma men arrived on the battlefield.

"Fellow Taoist Zhentian! We are here to help you!

The Saint Ancestor of Guixu was ecstatic:"It turns out to be brother Brahma!" Thank you Brahma brother!"

He is being annoyed by Xuanxu's clone.

If Brahma and the other three help him, he can easily solve the problem in front of him.....

"Brother Brahma! Quickly control the sacred tree and interrupt Qin Feng's refining....."

"Fan Mou understands!"

Brahma and the three of them ducked and rushed towards the sacred tree.

"Don't even think about it! Start the formation!"

Fu Zhi immediately controlled the Zhoutian Star Formation...

Buzz~! Buzz~! Buzz~!

The light of billions of stars shot towards Brahma and the others...

Queen Mother of the West and Lu Ya also bombarded towards the Brahma and the others.....

"A swarm of ants! Get out of here!"

Bang~! Bang~! Bang~!

A series of loud noises!

The earth trembled!

The void cracked every inch!

Even after losing two holy weapons, the combined combat power of the three Brahmas reached 1.2 million... The hard force of this encounter Carry it!

Lu Ya and Queen Mother Xi were so shocked that they vomited blood and flew backwards... Within the Zhoutian Star Dou Formation, millions of Divine Alliance disciples were shocked to the point of vomiting blood, teetering on the verge of falling, and almost falling...

Fuzhi of the main formation, and the formation's eyes Kunpeng and Hongyun also vomited blood.
.....

"Huh! It was blocked!"

The three Brahma people were greatly surprised.

Soon, the three of them will be outstanding again.....

However, the faces of Fuzhi and others became extremely ugly.....

They barely blocked the blow just now.

If Brahma and the other three take action again, the formation will inevitably collapse, and hundreds of millions of disciples will be killed and injured...

At this critical moment, there was another loud sound of earth-shattering not far away.....

It was actually Xuanxu's clone that was blown away by Guixu Saint Ancestor!

"Ha ha!! You ants dare to stop me?!"

The Saint Ancestor of Guixu laughed wildly, and rushed towards the sacred tree in a flash...

No one could stop him this time!

"Let's kill all these ants too!"

Brahma and the other three were overjoyed and rushed directly towards Fuzhi and others.....

At this moment, the situation of the Divine Alliance became extremely bad.

At this extremely critical moment, a monstrous force arose within the sacred tree.....

Qin Feng finally completely refined Huang Zhongtian Realm at this moment....

Chapter 1074

At this extremely critical moment, a monstrous force arose within the sacred tree.....

Qin Feng finally completely refined Huang Zhongtian Realm at this moment.....

"Ding~! The host completely refines 1 Tianyin (Huangzhongtian Realm).....Congratulations to the host for taking complete control of the Huangzhong Heaven Realm (the prototype of the Heaven Realm).....Received a large amount of combat power in return....."

"Ding~! Congratulations on the host's combat power increasing to 5.7 million... The progress of the Great Flood God Realm has increased to 66.8%.....Cultivation level is promoted to the first level of eternity 92.7%....."

Boom~Long~Long!

In an instant, Qin Feng's combat power surged like a blowout, and his combat power reached 5.7 million. His cultivation level also reached 92.7% of the first level, and he was not far away from the second level.....

At the same time, Saint Ancestor Guixu rushed to the sacred tree and was about to take action... click~!

There was a crisp sound of earth shattering!

The sacred tree suddenly shattered and turned into thousands of fragments!

The Saint Ancestor of Guixu was instantly stunned!

He thought the sacred tree was destroyed.

Not far away, Brahma and the other three were also confused.....

At the moment when the sacred tree exploded, three groups of spiritual lights emerged, which were the prototypes of the three heavens of Xuanji, Huangzhong and Yuanchu.....

At the same time, Qin Feng also appeared.....

"Little thief! Go to hell!"

The Saint Ancestor of Guixu rushed towards Qin Feng with a ferocious face...

He didn't pay attention to this small first realm of eternity at all.

In his opinion, Qin Feng was at best better than Qin Lei (phantom clone) and Qin Feng. Mu (Xuan Ni's clone) is just on the front line.....

Now, he has borrowed the power of heaven and earth from Guixu, and his combat power has reached 5 million. He must blast this kid...

Boom~Long~Long!

The Saint Ancestor of Guixu slapped Qin Feng with his palm, and suddenly the sky collapsed and the earth shook.....

"Take action!"

On the other side, Brahma also shouted.

The three-headed and six-armed monster also attacked Fuzhi and others.....

Even if Qin Feng appeared, the three Brahmas did not retreat in fear.....

After all, they had fought against Qin Feng.

They knew that Qin Feng's true combat power had not yet reached the threshold of a quasi-saint ancestor without the influence of the Jade Certificate of Creation.

The combat power of Guixu Saint Ancestor has reached 5 million.

In their opinion, Qin Feng is definitely no match for the Guixu Saint Ancestor...

They don't know that Qin Feng's strength has greatly improved in the past few days...

Boom~Long~Long!

In an instant, the attack of Brahma and his three men approached... with three heads and six arms!

Six punches come out!

The momentum is earth-shattering!

"Start the formation! Start the battle quickly!"

Fu Zhi exclaimed loudly.

Buzz~! Buzz~! Buzz~!

The Zhoutian Xingdou Formation was activated instantly, and a protective light shield blocked it in front of him...

Crack~!

With just one blow, Brahma and the other three shattered the protective shield of the formation. , hundreds of millions of children of the Divine Alliance were shocked to the point of spitting out blood...

That large formation could not stop the attacks of Brahma and the others...

At this moment, the six attacks continued to fall, blasting towards everyone in the Divine Alliance.
.....

"not good!"

"Damn it!"

Lu Ya and Queen Mother Xi yelled anxiously.

They wanted to rescue, but were blown too far away and had no time to rush back.

Even if they rushed back, they could not withstand the attacks of Brahma and the others.

At this moment, many disciples of the Divine Alliance They all showed a look of despair.

At the most critical moment, a majestic figure blocked the Xuanxu clone that was being blown away in front of the disciples of the Divine Alliance...

At this extremely critical moment, he reverse summoned through space and rushed back in an instant , directly faced the attack of the Brahma and the three people...

The Brahma and the three people were shocked!

At this moment, there was an earth-shaking loud noise not far away, and there was also the scream of the Guixu Saint Ancestor. It turned out to be the Guixu Saint Ancestor being killed. Qin Feng was blown away.....

Before the three Brahmas could react, they were blasted by Xuanxu's clones, vomiting blood and flying backwards. Their fate was even more miserable than that of the Guixu Saint Ancestor... The three of them were not the opponents of Xuanxu's clones in the first place, not to mention they had just lost two sacred weapons, and Xuanxu's clone's strength had improved a lot just now...

This blasted away the three Brahma men, and Xuanxu's clone chased after them.....

On the other side, Qin Feng also faced Guixu Saint Ancestor.....

Boom~! Boom~! Boom~!

The two sides fought until the heaven and earth collapsed, the void exploded every inch, and the Saint Ancestor of Guixu screamed again and again.....

"How can it be! How can this be?!"

The Saint Ancestor of Guixu yelled in horror.

He never expected that although Qin Feng only has the first level of eternity, his combat power is stronger than the combination of Xu Ying and Xuan Mu...

He is no match for him with the power of heaven and earth from Guixu. , this is really too scary.....

At this moment, Qin Feng used the Four Heaven-Slaying Swords again.....

Buzz~! Buzz~! Buzz~! Buzz~!

The four swords roared!

The Heaven-Destroying Sword Formation is completed!

The power is completely comparable to that of the Heaven-casting Holy Artifact, and even stronger than the Donghuang Bell...

The Saint Ancestor of Guixu suddenly felt that something was not good...

Phew~! Phew~! Phew~!

At this moment, billions of lightsabers shot out, instantly drowning Saint Ancestor Guixu...

The next second, the screams of Saint Ancestor Guixu could be heard from within the endless sword light, and rain of blood flew all over the sky.....

The body of Saint Ancestor Guixu was riddled with holes, and his momentum continued to decline.
.....

At this moment, not far away, the prototypes of the three heavens of Xuanji, Huangzhong, and Yuanchu emitted dazzling light and emitted super strong suction.....

The next second, countless fragments of the sacred tree were sucked into the prototypes of the three heavens, and three spiritual roots were formed at a speed visible to the naked eye...

One has red fruits and white flesh, looks like a fairy peach, and has an alluring aura. It is Ren. The water-flat peach tree...

One flower resembles a lotus, and there are only nine fruits growing on the tree. The two characters "Huangzhong" are written on the flowers and fruits, which is Huangzhong plum.....

The roots and branches of a tree are intertwined, and the branches are covered with spiritual fruits, each shaped like a doll. It is a ginseng fruit tree.....

Subsequently, the three spiritual roots of heaven and earth were extremely spiritual...

The Renshui Peach Tree and Huangzhongli took the initiative to fly towards Qin Feng.....

The ginseng fruit tree takes the initiative to fly towards the Guixu Saint Ancestor.....

Qin Feng quickly waved his hand, and a light door leading to the Great Flood God Realm appeared.
.....

Huh~! Huh~!

The Renshui Peach Tree and Huangzhongli were sucked into the Great Flood God Realm...

The Saint Ancestor of Guixu didn't dare to neglect, and sacrificed the Bafang Yukong Scroll at the risk of hurting his body...

Buzz~!

The Eight Directions Sky Scroll shines brightly and generates endless suction.....

With a whoosh, he sucked in the ginseng fruit tree..

"Still want to take away the spiritual root?!"

But at this moment, Qin Feng pointed his sword, and hundreds of millions of sword lights came to strangle...

The Saint Ancestor of Guixu quickly dodged, but did not avoid it completely. A thigh was cut off directly...

That thigh was about to fly to Guixu. The Xu Saint Ancestor wanted to reorganize, but was trapped by Qin Feng with a sword formation.....

"Little thief! I will definitely come back for revenge!"

When Saint Ancestor Guixu saw that there was nothing he could do, he turned around and ran away, not even taking his thigh...

But at this moment, the screams of Brahma and the other three people also rang out from the other side...

Those three people were even more miserable. The body with three heads and six arms was actually cut off by Xuanxu's clone. Two heads and four arms were cut off.....

"Fellow Taoist Zhentian! help me!"

Brahma roared in horror.

Saint Ancestor Guixu quickly sacrificed the Eight Directions Sky Scroll and sucked the remains of Brahma and the other three into the scroll...

The next second, Saint Ancestor Guixu, who was covered in blood, was wrapped in the Eight Directions Sky Scroll. , performed a space jump, and escaped at an extremely fast speed...

The speed was so fast that it reached the peak of the Quasi-Saint Ancestor, and disappeared from everyone's sight in the blink of an eye...

Bang~! Bang~! Bang~!

At the same time, The remaining bodies left by the Saint Ancestor Guixu and Brahma Tian were all twisted by Qin Feng and his clones, and turned into energy that filled the sky.....

The total energy has reached the late stage of Tiansheng.....

Qin Feng and Xuanxu's clones were overjoyed and quickly put away the energy..

Chapter 1075

After collecting the energy, Qin Feng looked up again and could no longer see the trace of the Guixu Saint Ancestor.

He hesitated for a moment and finally chose to give up.

The Octagonal Sky Scroll is a sacred weapon that controls space and speed.

With this thing in hand, Guixu Saint Ancestor's speed is comparable to the peak of Quasi Saint Ancestor. He can't catch up, so he might as well give up.....

Having said that, he has already won completely this time.

Not only did he obtain two great spiritual roots, he also beheaded Emperor Jun, seriously injured Guixu Saint Ancestor and Brahma, and captured the Three Lives World and the Sword of Creation.

The harvest can be described as extremely rich!

Thinking of this, Qin Feng felt secretly happy.

"His Majesty!"

"Father!"

"Congratulations to the owner on the big win!"

At this time, Ziwei, Fuzhi, Lu Ya and other high-level officials gathered around, their faces full of joy...

Billions of children of the Shen League also looked excited...

This battle gave them a better understanding of themselves. A clearer understanding...

Even Guixu Saint Ancestor and Brahma three people joined forces to deal with the God Realm, but they were defeated and fled.....

With the current strength of the God Realm, it should be ranked among the top ten in the Nine Heavens and Ten Realms.

"Thank you for your hard work this time! Ziwei, if you distribute these elixirs in a while, everyone above the half-step eternity realm will be rewarded. Half a step below the eternal realm, you can go to the Medicine God Palace and find Shangguan Yunxi to receive the elixir....."

Qin Feng waved his hand, and a storage ring flew towards the Ziwei Star Lord.

"I obey!"

Ziwei Star Lord respectfully received the storage ring.

"Thank you, Your Majesty!"

All the subordinates were overjoyed.

Your Majesty's elixirs are extremely powerful, and they have already tasted the benefits.

Especially the veteran masters of the God Realm, such as Yingzhao, Xiangliu, Zhenji, and Jiuyuan, were deeply touched by Qin Feng's gift of elixirs..Those elixirs are far stronger than any magical elixirs circulated in the God Realm. I am afraid that they are extremely difficult to find in the Nine Heavens and Ten Realms...

They don't know where Qin Feng's elixirs come from, and they don't dare to ask. I feel that even the Holy Ancestor (Sixth Realm) may not be able to refine those magical elixirs...

In short, everyone is happy after Qin Feng's reward, and their strength can be greatly improved.
.....

At this moment, a space door lit up behind Qin Feng, and Xiao Hongjun walked out of it.....

This is the privilege given by Qin Feng to his close men, who can freely enter and exit the Great Flood God Realm.....

"Daddy, the child has chased Taiyi away....."

Hongjun's little face was filled with anger and he was very unhappy...

Qin Feng fondly touched Xiao Hongjun's head and comforted him:"Just chase after the lost one, I can't blame you. That Taiyi body is a three-legged golden crow, He can turn a golden crow into a rainbow. Few people at the same level can match him. It's normal if you lose him.

"What's more, he is nothing to fear! Even if he escapes back to his lair, his father will kill him and seize his Heavenly Realm. Hongjun's eyes lit up:"

Dad, are you going to rob the Great Sun Realm?" But Taiyi has the help of the great sun and the heaven and earth, and its comprehensive combat power can reach 8 million poles. We may not be able to win it....."

Qin Feng smiled slightly:"There are two heavenly seals in the Great Sun Heaven Realm. Taiyi has one, and my father also has one. When my father refines the heavenly seal, and then goes to the Great Sun Heavenly Realm, I can still borrow the power of heaven and earth. At that time, killing Taiyi will be easy!"

"Dad, did Emperor Jun's Heavenly Seal fall into your hands?"

"Um! Hongjun was ecstatic:"

This is really great!" Dad, if you kill Taiyi and obtain another Heavenly Seal, you can completely control the Great Sun Heavenly Realm. That is a mature heaven!"

A mature heaven (domain) contains more than a hundred times the energy of a prototype heaven (domain). Generally speaking, a prototype heaven (domain) can only provide about hundreds of thousands of poles of energy. And a heaven (domain) can only provide about hundreds of thousands of energy.

(Domain) provides a minimum of more than 90 million poles, or even hundreds of millions of poles.....

However, even if the Saint Ancestor and below control a heaven (domain), they can only borrow part of the power and cannot use it fully, let alone move the heaven (domain).....

Only when you reach the Saint Ancestor Realm (sixth realm) can you fully absorb the power of the heavens and move the heavens at will.

Therefore, the Holy Ancestor always carries a heaven on his back while walking in the world.

The power of one person is equivalent to the power of a heaven, and his combat power is invincible in the world...

Compared with the Quasi-Saint Ancestor, he is simply in the sky and on the ground.....

However, a Saint Ancestor can only control one heaven, and cannot control two heavens at the same time. This is an iron law, and no one knows the reason.....

In order to break through this iron law, the ancient God Lord created the Great Wilderness God Realm and created Heaven, vowing to break the invisible restrictions.....

Unfortunately, he failed in the end!

Failed weirdly!

And just like that, he died!

Thinking of this, Qin Feng felt a little emotional.

These were all things the ancient God Lord intentionally told him before his thoughts dissipated.....

Qin Feng didn't know if he could break through this iron law.

Perhaps, after he obtains the mantle of the ancient God Lord, he will know more answers...

This is also a reminder before the ancient God Lord's residual thoughts dissipate.....

"Dad, when are you going to refine that heavenly seal?"

Hongjun seemed a little impatient.

Qin Feng smiled slightly:"No rush! I have gained a lot as a father this time. I will wait until I have digested those gains and improved my strength before dealing with Taiyi....."

Fu Zhi said hurriedly:"Father, what you said is true! This time, the six people including Guixu Saint Ancestor, Brahma Heaven, and Taiyi escaped by chance. If the child's guess is correct, the six of them will definitely collude together."

"When my father invades the Great Sun Realm, I am afraid that he will encounter the joint efforts of the six of them. Even so, father, why not improve your strength first and then attack, the harvest will be greater....."

Qin Feng smiled and nodded.

Fu Zhi is more thoughtful than others

"These are secondary! Even if my father obtains the Great Sun Realm, he cannot carry it on his back like the Holy Ancestor. At most, it is just an extra lair, which will only be of limited help to my father's strength....."

Qin Feng saw it clearly.

Even if his talent is far stronger than that of the same level, if he wants to be able to carry the heaven on his back like the Saint Ancestor, he must at least cultivate to the fourth realm of eternity, which is the Heavenly Saint Realm.

Of course, if he can advance his Hongmeng body to the second level, his talent potential will be doubled again. Perhaps he only needs to cultivate to the third level of eternity to be able to carry a heaven on his back and walk around the world.

Speaking of which, he was just one step away from the second level of the Hongmeng Body.

The second level of the Hongmeng Body requires the Creation Sun Body and the Creation Moon Body to be integrated into the first level of the Hongmeng Body before you can be promoted.

Now, he has the creation sun body and the eternal moon body.

As long as he promotes the Eternal Moon Body to the Creation Moon Body, he can try to advance...

Perhaps, in the treasure land of the Ancient God Lord, there is a way for him to advance to the Creation Moon Body.....

Thinking of this, Qin Feng said:"Let's go! It's still a small matter to snatch the Great Sun Heaven Realm. The trip to the treasure of the ancient god thirty years later is a big deal."

Ziwei Star Lord also said:"This time, the Guixu Saint Ancestors Although we are escaping, we will definitely meet in the treasure land next time, so everyone should make some preparations..."

Hongjun sneered:"Next time we meet, we will not let these guys leave alive!"

"Father, my child has something to ask for!", Fu Zhi suddenly reported

"What's the matter? Say it!"

"Father, the key to the Zhoutian Star Formation is the two formation eyes of the Sun Star and the Lunar Star. Those who control these two formations need to be of equal strength."

"The child saw that Taoist Sister Xi Wangmu and Brother Lu Ya were equally powerful. If they were allowed to preside over the formation, the power of the formation would be increased by more than 30%, and could even reach the power of the Brahma trio....."

As soon as Fu Zhi said these words, everyone was moved...

Qin Feng's eyes lit up.

Before, he had also thought about asking Lu Ya to preside over one of the formations of the Zhoutian Xingdou Formation.

However, Lu Ya was stronger than the others and couldn't find anyone with comparable strength to preside over another formation. This would cause an imbalance of yin and yang.

It was Fu Zhi's reminder that reminded him of this matter.

Immediately, he said happily:"This is a good thing! Lu Ya, Queen Mother of the West, from now on, you will also participate in the drill of the formation and follow Fuzhi's arrangements!"

"Subordinates obey!"

Lu Ya and Queen Mother Xi respectfully accepted the order.

Then Queen Mother Xi said again:"Your Majesty, I have something to tell you!"

"Say it!"

"Your Majesty, the Xuanji Heaven Realm and the Huangzhong Heaven Realm are both under the jurisdiction of the Heavenly Court. The little girl also has a very high prestige in these two circles. If your majesty agrees, this little girl can make the three trillion creatures in the two realms sign a contract with your majesty to increase your majesty's strength....."

Qin Feng was overjoyed.

This is definitely a good thing for him!

Three trillion creatures, including tens of millions of quasi-gods and above, and more than 300 powerful men above the eternal realm...

If these people all sign a contract with him, his strength will be greatly increased, and he will also be able to gain a lot. exchange points.....

"This is a big deal! This matter is huge and complicated, I will send Ziwei and Fengdi to help you! When this is completed, I will remember you as a great meritorious service!

Queen Mother of the West was delighted:"Thank you, Your Majesty!"

"It's time for us to go back!"

Qin Feng felt satisfied. This time it can be said that he has gained a lot....

With a wave of his hand, he took everyone into the Great Flood God Realm.....

The next second, he also disappeared out of thin air..

Chapter 1076

It didn't take long for everyone to return to the Shenmeng headquarters.....

Lord Ziwei began to distribute pills.

In Yaoshen Palace, Shangguan Yunxi also began to distribute rewards to those who participated in the war.....

After the rewards were distributed, all the disciples were very happy and started to repair.

On the other side, Ziwei and Fengdi took millions of their children, and under the leadership of the Queen Mother of the West, settled in the Xuanji Heavenly Realm and the Huangzhong Heavenly Realm respectively.

Afterwards, everyone set up tens of millions of religious pillars in the land of the two realms and began to collect living beings.....

All intelligent creatures, whether they are humans or beasts, monsters or demons, must sign a contract...

As a result, the number of creatures in the two worlds that agree to sign the contract exceeds 3 trillion.....

Even the Supreme Saint has two people, they are Jiutian Xuannv and Xuanwu Zhenjun from heaven.

These two people used to be the right-hand men of the Queen Mother of the West, but now they have become Qin Feng's direct subordinates...

In this way, as the number of people signing contracts increased, Qin Feng's combat power skyrocketed, and the redemption points also increased crazily.....

Time flies!

In the blink of an eye, half a month passed.

In the past half month, the outside world has been extremely calm, but in fact there has been an undercurrent...

The news spread by Emperor Jun Taiyi is still fermenting.....

On the contrary, the news that Emperor Jun was destroyed and the Guixu Saint Ancestor was injured was deliberately concealed...

This meant that the turmoil surrounding the Fuso Sacred Tree was not completely over.

The forces that are interested in the Fuso Sacred Tree are all ready to make a move.

Qin Feng still faces some threats.....

Of course, after so much time, there are still some flaws in Dijun Taiyi's plan.....

For example, after Di Jun's death, many people came to Di Jun for information, but received no reply.

This made many powerful people feel strange and began to speculate about the whereabouts of Emperor Jun.....

They also thought, since Emperor Juntaiyi got the news, why didn't they grab the spiritual root, but spread the news everywhere?

This move is very unreasonable!

After some analysis, some forces began to inquire about the details and first took a look...

Some forces couldn't hold it in anymore and planned to go to the God Realm to have a look.

After all, the God Realm is too weak and poses no threat to them.

They would find out if Qin Feng had the Fusang Sacred Tree.

In this way, four groups of forces headed towards the God Realm...

Coincidentally, these four groups of forces met halfway.

Everyone had the same purpose and knew it well, so they went together...

These four groups, a total of more than 20 people, are all Heavenly Saints or above, and five of them are at the pinnacle of Heavenly Saints.....

Those five people are the ones who want to get the Fuso Sacred Tree most.....

However, everyone was not sure whether Qin Feng had spiritual roots, so they all wanted to find out the news. They talked and laughed all the way, and they got along quite harmoniously.....

At this moment, above the nine heavens.

This group of people are flying in the void while chatting.....

"Everyone, how credible do you think Dijun Taiyi's words are?"

A peak Heavenly Saint suddenly asked

"In my opinion, the credibility level is less than 30%...."

"That's right! I also feel that it is not very credible. What's even more strange is that I contacted Di Jun recently, but I didn't get any reply....."

"Huh! The little girl also contacted Di Jun, but she couldn't get in touch either. strangeness! strangeness!"

This group of people was very confused.

Then, a middle-aged man stroked his beard and said with a smile:"No matter whether the news is true or false, I will go to the God Realm and find out who Qin Feng is....."

"Ha ha!! Brother Liu makes sense! By the way, if Qin Feng really has the Fusang Sacred Tree, what if he is unwilling to hand it over?"

"hehe! That depends on whether he has the strength and whether he can keep his spiritual roots. Not everyone is qualified to have spiritual roots. If virtue is not matched, you are seeking your own death!"

"Brother Liu makes sense! Think about how powerful he, a small creature from the divine world, can be? As long as I waited, he would be so frightened that he would hand over everything! Ha ha!!"

As soon as these words were said, everyone burst into laughter, and no one took Qin Feng seriously.
.....

These people don't know that Qin Feng has already become someone they can't afford to offend.
.....

"Everyone, whether the news about Emperor Jun Taiyi is true or false will be known in a few days, and it will spread throughout the Nine Heavens and Ten Realms. This may be a good thing for Qin Feng....."

"Huh! Fellow Taoist actually cares about an ant from the divine world!"

"I don't care about him, but I am worried that someone will get there first. If so, Qin Feng's life and death would be unpredictable. If he dies, all our efforts will be in vain!"

As soon as this was reminded, everyone suddenly realized

"yes! If someone gets there first, it will be extremely detrimental to us."

"Let's go! In a few days, we will be able to reach the God Realm....."

Immediately, a group of people rushed to the God Realm.....

At the same time, something is happening in the Great Sun Heaven Realm.

In today's Great Sun Heaven Realm, the land is barren and spiritual energy is lacking. The sky and the earth are pitch black, like a dead place... At this moment, three mysterious figures are suspended in the sky above the Great Sun Heaven Realm.

These three figures are two women and one man.

On the left is a woman in a red dress. She is charming and charming, and her cultivation has reached the peak of the Heavenly Sage.

And above the head of this woman, there is a hydrangea floating in the wind.

That was her sacred weapon - the red hydrangea.

Next to the woman in the red dress, stood a woman in a white dress. Her appearance was pure and lovely, giving people a sense of harmlessness, but her cultivation had reached the peak of the Heavenly Sage.

Next to the woman in the white dress, stood a fair-skinned man, dressed in colorful clothes and dressed like a man and a woman.

That evil man is also at the peak of Heavenly Saint.

In his hand was a blood-stained black iron chain.

At the other end of the chain was a strong man wearing armor.

The strong man wore an armored hood, with only his eyes exposed, making it difficult to see his appearance.

But from the exposed eyes, it can be seen that the strong man's eyes are dull, and his body also exudes a faint aura of death.

Obviously, this strong man has been refined into a corpse slave by the demonic man, who can be driven by the demonic man at will.

What was frightening was that the state of aura exuded by the strong corpse slave suddenly reached the early stage of the Quasi-Saint Ancestor.....

Not only that, the giant diamond ax held by the strong corpse slave also exudes the halo of the holy weapon.

If Qin Feng saw this scene, he would be very surprised.

That demonic man obviously only has the cultivation level of the Heavenly Saint, but he actually has a corpse slave at the level of the quasi-Saint Ancestor, which is unbelievable.....

"Hiss~! I didn't expect that the Great Sun World would turn out like this....."

At this moment, these three people looked at the Great Sun Heaven Realm in front of them with shocked expressions...

Obviously, they did not expect that the Great Sun Heaven Realm would be reduced to this.

"Ah! No wonder Dijun can't be contacted, and Taiyi doesn't reply to our messages. It seems like something happened to them.....In this case, the news they spread is probably true....."

The demonic man said in a sinister tone.

Immediately, he looked at the woman in white and said respectfully:"Princess Moon God, you have also seen that my ancestor's calculation is correct. I hope you will consider it carefully....."

The woman in the red dress also echoed:"Yes! Your Highness Princess, after some deductions, the ancestor said that the Great Sun Heaven Realm has suffered a disaster, and Emperor Jun Taiyi has also suffered a bloody disaster. There is a domineering star rising in the God Realm, you must not do it I underestimated it. Now it seems that it is all true....."

"If we head to the God Realm rashly, not only will we not get the Fusang Sacred Tree, but we will be in danger. According to the ancestor's wishes, after the old man comes out of seclusion, we will go to the God Realm. There is a chance to help you win the Fuso Sacred Tree....."

The woman in the red dress persuaded her earnestly.

It turns out that the three of them are mainly women in white.

Although the woman in white is not the strongest among the three, she has an extremely powerful elder, whom the woman in red skirt refers to as her ancestor.

This time, the three of them are going to the God Realm, and they also want to seize the Fusang Sacred Tree for the woman in white, and help the woman in white break through to the quasi-saint ancestor.

But after listening to what the two said, the woman in white frowned

"Matchmaker, matchmaker, are you making too much of a fuss? How could such a powerful person emerge from a small world of gods? I don't believe in the birth of a domineering star in the divine world!"

Princess Moon Goddess looked disdainful, with arrogance in her eyes.

The demonic man was the matchmaker.

At this moment, he felt a little worried.

Speaking of which, it was difficult for him to accept his ancestor's deduction, but the safety of the princess was the most important!

Then, He persuaded her kindly: "Your Highness, my subordinates don't believe that anyone can emerge from the divine world, but the princess is a body of ten thousand gold, and there must be no mistakes. The subordinates think that we should wait until the ancestor comes out of seclusion before we go to the God Realm to explore! The corners of Princess Moon's lips curled up slightly:"

I'm just going to explore the divine world to see how nervous I am." You must know that the strength of the God Realm has always been low, not even as good as the bottom among the Nine Heavens and Ten Realms, so what is there to worry about?"

"this.....", The matchmaker didn't know how to reply.

He also felt that the divine world was weak.

The matchmaker hurriedly said: "Your Highness, having said that, you have also seen that the Great Sun and Heaven have been reduced to this state. Even the Sun of Innate Creation has disappeared,

and Emperor Jun Taiyi has disappeared. It is enough to show that the ancestors' deduction is correct. We must not go to the God Realm. After all, the ancestor also said...."

Speaking of this, the matchmaker suddenly thought of something and shut up immediately...

Princess Moon Goddess frowned: "What else did you say?...."

"This... This... The ancestor asked his subordinate not to say anything, but he just spoke too quickly."

The matchmaker felt a little regretful.

Princess Luna was displeased: "I tell you to say it, just say it! Don't worry, I won't tell my father back!"

"This... this... okay! Why!"

The matchmaker sighed helplessly.

"Princess, the ancestor said, if the princess rashly goes to the God Realm, not only will the source of extreme yin in your body appear to be lost, but your life will also be in danger....."

The source of extreme yin and the source of extreme yang are energy sources of the same level.

Qin Feng relied on the source of the extreme sun to obtain the Creation Sun.

Similarly, if he obtains the source of extreme yin, he can promote the eternal moon body to the creation moon body.

In this way, the second level of his Hongmeng Body can be realized.

Sure enough, after hearing those words, Princess Moon God was furious.

"Father is talking nonsense! How can a small divine realm threaten my life? I just don't believe it! Walk! Let's go to the God Realm now!"

As soon as she finished speaking, she turned around and left.

"Your Highness! No!"

"Princess, think twice!"

The matchmaker and matchmaker panicked and caught up, trying to persuade.

Princess Moon Goddess was angry:"The three of us are all at the pinnacle of heavenly saints! Matchmaker, you also have a corpse slave at the level of a quasi-saint ancestor. With our strength, what are we afraid of when we go to the God Realm?"

"Didn't you say before that the God Realm is full of ants? The strongest person is just an extreme saint, not even an early stage heavenly saint. What else does such a weak force have to worry about? The matchmaker was anxious:"

But my ancestors have deduced...."

Princess Moon Goddess said indifferently:"My father's deductions are not correct every time. There are always times when the deductions are wrong. For example, this time, it must be a big mistake!"

As soon as these words came out, the matchmaker and the matchmaker They couldn't help but look at each other.

That's right!

The ancestor also made mistakes in his calculations.

However, those who asked the ancestors to calculate things were all powerful people above the Quasi-Saint Ancestor, and those below the Quasi-Saint Ancestor almost never failed.

There should be no quasi-saint-ancestor-level figures in the God Realm!

Thinking of this, the two of them were a little confused again.

But at this time, Princess Moon God had already flown nine days away.

The two of them were helpless, sighed, and followed closely.....

The matchmaker and matchmaker didn't know that when their ancestors deduced Qin Feng's affairs, it was much more difficult than deducing a quasi-sage ancestor, and the results they obtained were also vague.....

This has always puzzled their ancestors..

Chapter 1077

In just a moment, the three of them flew out of the Great Sun Heaven Realm.

Princess Luna was still angry.

She didn't believe her father's deduction at all.

Don't say she doesn't believe it, neither do the matchmakers and matchmakers.

They really couldn't figure out why the ancestor was so careful in a divine realm that was looked down upon by others in the past.

Even if the God Realm could produce a quasi-Saint Ancestor, with their strength, they would definitely be able to protect the princess...

However, Princess Moon God's safety was very important, so they had to be cautious.

However, if Princess Moon God insists on going to the God Realm, they will not stop her.

Seeing that the two of them were no longer trying to stop her, Princess Moon God was relieved a little.

"how? You two won't stop me anymore?"

"Her Royal Highness the Princess insists on going, and we and I can only obey.....", the matchmaker smiled bitterly.

Princess Luna said indifferently:"You still take my father's deduction too seriously! I can guarantee that this time he must have made a mistake."

"My subordinates hope so! However, judging from the extent of the destruction of the Great Sun Heaven Realm, it was at least a quasi-saint ancestor who took action. We still cannot be careless....."

The matchmaker is still very cautious.

Princess Moon Goddess smiled coldly:"The Great Sun Heaven Realm was destroyed, and no one knows which force did it. Are you so sure that it was the God Realm that did it? Qin Feng did it? Is there any evidence?"

"this.....", the matchmaker was stunned.

The matchmaker also narrowed her eyes.

The two couldn't help but look at each other. yes!

The Heavenly Realm of the Great Sun has been destroyed, and the people in the Nine Heavens and Ten Realms don't know yet.

The three of them also just discovered it after investigating. Who knows who did it?

It's just that they contacted the ancestor's deduction and thought it was Qin Feng from the God Realm who did it. This idea is very subjective and not objective.

"Your Highness, when you say this, it is not necessarily Qin Feng's fault. After all, the God Realm has never produced many talents. With their abilities, they are probably far from being able to deal with the Great Sun Realm....."

The matchmaker also began to analyze himself.

The matchmaker also said:"Your Highness, do you think this is the case? Emperor Juntaiyi spread the news that Qin Feng obtained spiritual roots. A powerful man came to ask them for confirmation. Later, the two parties fell out, and a After the war, the Great Sun Realm became like this."

Princess Moon God's eyes lit up:"Hey! That should be what happened. Matchmaker, you are still smart....."

"Thank you for the compliment, princess, my subordinates are just guessing!"

The three of them were talking and laughing. The more they talked, the more they felt that the destruction of the Great Sun Heaven Realm and Qin Feng Wu Guang were because they had thought too much before.....

With this thought, the three of them became more relaxed about their trip to the God Realm.

"By the way, the innate creation day of the Great Sun Heaven Realm has been lost. If this matter spreads, it will definitely cause a huge sensation....."

"yes! There are not many people in the Nine Heavens and Ten Realms who can take away the Sun of Creation. I don't know who did it?!"

The matchmaker and the matchmaker started discussing again.

Princess Luna said impatiently:"Why do you care so much! It has nothing to do with us anyway! Having said that, the innate resources of the Great Sun Celestial Realm are no worse than those of our Jiyue Celestial Realm, but Dijun Taiyi is not up to par, and its development is far inferior to ours. The matchmaker smiled and said:"

Your Highness, is the Great Sun Heaven Realm qualified to compare with our Extreme Moon Heaven Realm?" The Great Sun Celestial Realm ranks low among the Nine Heavens and Ten Realms, and our Jiyue Celestial Realm is among the top five forces....."

Speaking of this, the matchmaker looked proud.

Princess Luna and the Matchmaker also had smiles on their faces.

Speaking of which, with the current strength of the God Realm, it can only be ranked among the top ten in the Nine Heavens and Ten Realms, which is one level worse than the Jiyue Heaven Realm.

You must know that the ancestor of the Extreme Moon Heaven Realm, known as the Old Man under the Moon, achieved the status of Quasi-Saint Ancestor with the help of the innate moon, and his cultivation is now at the pinnacle of Quasi-Saint Ancestor.

There is a son and a daughter under the old man's seat under the moon.

The eldest son is called Xi Shen, and is known as the Prince of Xi Shen. He has achieved the position of Quasi-Saint Ancestor with the help of the laurel tree, the spiritual root of heaven and earth. He is now in the middle stage of Quasi-Saint Ancestor.

The second daughter is the Moon Goddess Princess, the pinnacle of Heavenly Saint.

In addition, Old Man Yuexia and two generals, Matchmaker and Matchmaker, are both at the pinnacle of Heavenly Sage.

Especially the matchmaker, who has a corpse slave in his hand, named Wu Ax, who can exert the early fighting power of the Quasi-Saint Ancestor...

In addition, there are as many as ten powerful Heavenly Saints in the Jiyue Heaven Realm, with a comprehensive strength. It is indeed stronger than the God Realm.....

Of course, this refers to a situation where neither party borrows the power of heaven and earth.....

But he said that Princess Luna and her party were on their way.

The matchmaker suggested: "Your Highness, it's too slow to travel like this. We might as well take a corpse slave and let it take the place of our feet."

"That's fine!", Princess Moon God nodded slightly.

At that moment, the matchmaker put down the iron chain in his hand and pinched a seal in his hand.

The corpse slave was suddenly shaken, and his dim eyes lit up with violent blood, like an ancient ferocious beast. It's like waking up, the breath is extremely terrifying.....

"Wu Ax! Get bigger!"

The matchmaker gave an order, and the corpse slave immediately obeyed the order, and his body continued to grow bigger.....

Boom~Long~Long!

In the blink of an eye, the corpse slave became billions of feet tall.

The matchmaker jumped up and jumped above the corpse slave's head.

Princess Moon Goddess and Matchmaker also jumped to the left and right shoulders of the corpse slave.

"Wu Ax! Walk!"

The matchmaker pulled the chain.

Crack~!

With a low roar, the corpse slave strode forward.....

Boom~boom~boom!

In a moment, the void shattered, the ground shrank to an inch, and in the blink of an eye, it was hundreds of millions of miles away.....

That speed was comparable to that of a quasi-saint ancestor, and he disappeared into the Nine Heavens Starfield in the blink of an eye.....

At the same time, something is also happening in the Great Freedom Heaven.

There are trillions of living beings in the Great Free World, and the combat power of quasi-gods and above is close to 100 million, so their power is not weak.

The headquarters of the Great Freedom Heavenly Domain is located in the Great Freedom Heavenly Palace.

Brahma and Taiyi sat opposite each other, drinking and sighing.

Both of them looked a little pale, obviously recovering from their injuries.

"Brother Brahma, how are the injuries of Brother Shiva and Brother Vishnu?"

"Hey~! The problem with their injuries is not big, but they have lost trillions of cultivations, which I am afraid will be difficult to make up for... Also, the Sword of Creation and Shiva's world of three lives were also destroyed by that little thief Qin Feng.."

Brahma picked up the wine bottle in front of him and took a big gulp.

The loss this time was too great.

It was not just a matter of their lost cultivation.

Just three days ago, he and Shiva sensed that the Sword of Creation The world of He Sansheng was destroyed.

This caused him and Shiva to suffer a lot of backlash.

When he thought about this, he felt extremely sad.

"Why! Brother Brahma, my condolences! Speaking of which, it is even more miserable. Not only is his brother gone, he doesn't even dare to return home. After all, my brother's Heavenly Seal also fell into the hands of the little thief Qin Feng. If I return to the Great Sun Heaven Realm, I will fall into his poisonous hands sooner or later!"

Taiyi's face was full of sadness, and the more he spoke, the sadder he became.

"Brother Taiyi, from now on you will stay in our great freedom. Here are not only me, Shiva, Vishnu, but also fellow Taoist Zhentian. The five of us are here together, so Qin Feng doesn't dare to attack.

Taiyi smiled bitterly:"That's all it can do!" The world is so big, this is the only place where Taimou can stay. By the way, Brother Brahma, how is the situation of fellow Taoist Zhentian?"

"Speaking of which, Brother Zhentian may have been a blessing in disguise this time....."

"oh? how do I say this? Brahma replied:"Because of the residual thoughts of the ancient God Lord, although Brother Zhentian broke through to the Quasi-Saint Ancestor realm before, his combat power did not reach the threshold of the Quasi-Saint Ancestor." After this battle, the ginseng fruit tree he obtained no longer contained any lingering thoughts of the ancient god, and there were no more disturbing factors. After he comes out of seclusion, he should be able to truly reach the combat power of the Quasi-Saint Ancestor..."

Tai was overjoyed:"This is a great thing!

Immediately, he breathed again:"However, even if the strength of fellow Taoist Zhentian has improved, with the strength of the five of us, we still can't deal with Qin Feng." I don't know when this great revenge will be avenged? Why! Brahma smiled mysteriously and said,"

Brother Taiyi, don't worry!" As far as the news I got not long ago, forces from the four major heavens have gone to the God Realm. In addition, there seems to be movement in the Jiyue Heaven Realm."

"Just watch, brother, they will definitely suffer a big loss this time. In this way, Qin Feng will offend more and more people. We took the opportunity to win over and form the 'Qin Killing Alliance'! I don't believe it, this revenge cannot be avenged!

Taiyi's eyes lit up:"It makes sense!" Brother Brahma, then you must pay close attention to the trends in the divine world."

"Ha ha!! This is natural!"

The more they talked, the more excited they became, as if they had seen Qin Feng's future fate, they drank happily...

Time flies!

In the blink of an eye, three days passed.

On this day, the four major forces formed The team of Heavenly Saints is approaching mightily, only half a day away from the God Realm...

The team of Princess Moon God is also getting closer and closer.....

At the same time, in the Great Flood God Realm.

Qin Feng is digesting what he gained some time ago.

During this period of seclusion, he gained a lot, and his cultivation and combat power were greatly improved..

Chapter 1078

At the same time, in the Great Flood God Realm.

Qin Feng is digesting what he gained some time ago.

During this period of seclusion, he gained a lot, and his cultivation and combat power were greatly improved.....

Thirteen days in the outside world, one hundred and thirty years in the Great Flood God Realm.

After these one hundred and thirty years of seclusion, the overall strength of the children of the Divine Alliance has also improved a lot.....

The number of disciples who are quasi-gods and above has reached 200 million.

There are nearly eight hundred powerful people in the eternal realm.

There are over a hundred people in the second realm.

Among them, Xiang Liu, Bi Tie, Zhen Ji, Jiu Yuan, Hong Yue and other close friends are already at the peak of the second realm.

There are also more than a dozen Supreme Saints.

Fengdi, Qinglin, Qinbaobao, Minghe, Gonggong, Jiuyin, Yingzhao, Jiutian Xuanny, and Xuanwu Zhenjun are in the early stages of the Supreme Saint.

Star Lord Ziwei, Kunpeng, Hongyun, Fuzhi, and Panzu are already in the middle stage of the Supreme Saint.

In addition, there are three heavenly saint-level combatants: Hongjun, Xiwangmu, and Lu Ya.

Among them, Hongjun's comprehensive combat power is comparable to the peak of Tiansheng.

In short, the strength of many of his subordinates has improved, allowing Qin Feng to gain a lot of combat power in return.

Now, his combat power has beenIt has risen to 6.5 million poles, and its strength has increased significantly.

At this moment, in the Great Flood God Realm, there is a secret cultivation room.

Qin Feng's eyes slowly opened and closed, and he turned to look in the direction of the Weapon Refining Pavilion, with a smile on his lips.

Just now, he sensed that Xuan Ming's clone and Xu Ying's clone worked together to refine weapons, and finally integrated the Sword of Creation into the Four Swords of Zhutian, which greatly increased the power of Zhutian Sword.....

After a moment, Qin Feng withdrew his gaze and stood up slowly.

The phantom clone and the mysterious female clone still had to decompose the world of three lives, and things were busy, so he wouldn't bother them...

Besides, he also had an important thing to do.

Thinking of this, Qin Feng took one step forward and disappeared into thin air.

The next second, he arrived deep in the forbidden area of cultivation, above a valley.

In the center of the valley, a young sacred tree took root in the ground, emitting three thousand spiritual lights in the sky.

This is the immature spiritual root of heaven and earth - the Fusang Sacred Tree.

Above the Fusang Sacred Tree, the Sun of the Sun (the day of innate creation) hangs high, emitting endless energy and nourishing the entire Great Flood God Realm.....

The sun and the tree reflect each other, and the rays of light are generated by themselves, shining brightly.

And right next to the Fusang Sacred Tree, there are two taller Sacred Trees suspended, which are the Renshui Flat Peach Tree and the Huangzhong Plum Tree.....

Today, these two spiritual roots have not yet taken root in the Great Flood God Realm.....

What Qin Feng has to do is to completely implant these two spiritual roots into the Great Flood God Realm.....

As soon as his mind moved, he pressed the seal.

Suddenly the color of the world changed, all realms shook, and the power of laws in the entire Great Flood God Realm began to surge...

Buzz~! Buzz~!

At the same time, the flat peach tree and the yellow plum tree each bloomed with three thousand divine lights, symbolizing the three thousand Taoist charms.....

Each spiritual root of heaven and earth has its own set of laws of heaven and earth, giving birth to its own three thousand great laws. They will be mutually exclusive and incompatible...

This is why the quasi-saint ancestor cannot have two spiritual roots at the same time. reason.....

But at this moment, under the control of Qin Feng, the flat peach tree and the yellow plum tree stretched out hundreds of millions of roots and began to slowly penetrate into the valley... As soon as the two spiritual roots took root in the earth, the Fusang Sacred Tree lit up. With the dazzling golden light, the laws of heaven and earth bred in the tree began to repel these two spiritual roots.
.....

And the flat peach tree and the yellow plum tree also repel each other.....

At this moment, the three spiritual roots were mutually exclusive and intolerant of each other, causing the flat peach tree and the yellow plum tree to be unable to take root anymore.

Qin Feng's mind moved and he pressed the seal again.....

Boom~! Long~! Long~!

Under the guidance of Qin Feng, the power of the laws of the Great Flood God Realm actively flows towards the laws of the three spiritual roots.....

In just a moment, the power of the laws of the flat peach tree and Huang Zhongli merged with the laws of the Great Flood God Realm.....

The laws between the three spiritual roots are mutually exclusive, but they are compatible with the laws of the Great Flood God Realm.....

With the power of the laws of the Great Flood God Realm as a buffer, the three spiritual roots no longer exclude each other, and all roots are rooted into the ground...

In a moment, the clear air rises, the turbid air sinks, and the territory of the Great Flood God Realm is Continuously expanding, the concentration of spiritual energy continues to increase.....

Boom~Long~Long~!

In just a moment, the spiritual energy concentration of the Great Flood God Realm increased by 30%. It was obviously the Renshui Peach Tree and Huangzhong Plum that were nourishing the entire Great Flood God Realm.....

"Ding~! Congratulations to the host for successfully implanting the Renshui Peach Tree into the Great Flood God Realm... The Great Flood God Realm has been nourished by the power of spiritual roots... The completion level has been increased to 69.9%....

"Ding! The combat power of the host Great Flood God Realm feeds back.....Combat power increased to 6.8 million poles... Cultivation level increased to 95.7 in the first realm of eternity %....."

"Ding~! Congratulations to the host for successfully implanting Huang Zhongli into the Great Flood God Realm... The Great Flood God Realm has been nourished by the power of spiritual roots... The completion level has been increased to 71.3%....

"Ding! The combat power of the host Great Flood God Realm feeds back.....Combat power increased to 7 million poles... Cultivation level increased to 98.7 in the first realm of eternity%....."

Boom~Long~Long!

Buzz~! Buzz~! Buzz~!

At this moment, the Great Flood God Realm rumbled and continued to expand.....

Renshui flat peach trees, yellow plum trees, and hibiscus sacred trees all shine brightly in the sky.
.....

In the sky, the rays of the extremely sunny sun shone brightly, illuminating the earth...

For a moment, hundreds of millions of creatures were startled and looked towards the direction of the Holy Land.....

It took a long, long time before the world returned to peace.

Qin Feng looked around, with a look of ecstasy on his face.

This time, the territory of the Great Flood God Realm has more than doubled.....

What made him even more delighted was that he successfully transplanted the flat peach trees and yellow plum trees.

This means that he has complete control over the flat peach tree and yellow plum, and one person has three spiritual roots...

This also made him vaguely think of the significance of the ancient god lord creating the Great Wilderness God Realm.

Is it possible that the achievement is to integrate more spiritual roots?

If this continues, can we really break through that barrier?

That barrier is that a Saint Ancestor can only control one heaven, and cannot control more than two.

Nowadays, the Xuanji and Huangzhong realms bred by the flat peach trees and Huangzhong plums are both prototypes of the heavenly realm...

If we wait until Xuanji and Huangzhong are completely transformed into a real heaven, the power of the laws of the two realms will be enhanced by more than a hundred times.

At that time, it is extremely difficult to say whether the Great Flood God Realm can bear it.

If this is not done well, the Great Flood God Realm will fall apart and be destroyed, and Qin Feng may fall like the ancient God Lord.....

Therefore, he must complete the Great Flood God Realm as soon as possible and then merge it with the Great Desolate God Realm to obtain the Great Desolate God Realm.

Perhaps, the stronger Primordial God Realm can withstand all this.

Of course, these are Qin Feng's assumptions.

After he enters the treasure land of the Ancient God Lord and obtains the inheritance of the Ancient God Lord, perhaps everything will become clear.....

Thinking of this, Qin Feng waved his hand, and the space in front of him changed. Ziwei Star Master and Fuzhi appeared one after another.

"His Majesty!"

"Father!"

When the two of them saw Qin Feng, they stepped forward to greet him.

"Huh! Your Majesty, you have successfully transplanted the flat peach tree and yellow plum tree!"

"No wonder the Great Flood God Realm has been growing bigger just now, and the concentration of spiritual energy in the world has increased a lot. Father, your cultivation is about to reach a breakthrough again, right?"

Ziwei and Fuzhi showed joy when they saw the three heaven and earth spiritual roots transplanted in the valley.

Qin Feng smiled and said nothing, but he was happy in his heart.

With the implantation of the two spiritual roots, the Great Flood God The progress of the realm has improved a lot, and his cultivation level has also increased to 98.7% of the first realm, which is only one step away from the second realm.

"Ziwei, Fu Zhi, this is for you!"

Qin Feng waved his hand, and the two heavenly seals flew towards Ziwei Star Master and Fu Zhi respectively.

Those were the heavenly seals that controlled the Xuanji Heavenly Realm and the Huangzhong Heavenly Realm.

"Huh! Your Majesty, isn't this the heavenly seal that controls the Xuanji Heaven? Why did Your Majesty give me a body as a concubine?"

Ziwei Star Master looked confused.

Fuzhi also looked puzzled.

Qin Feng said: "I gave it to you two just to let you refine it. From now on, you will be the prototype masters of the two heavens, just like Hongjun's children."

Ziwei Star Master said in surprise: "Your Majesty, we are different from Hongjun. His prototype of the Chaos Heaven has been integrated with your Great Flood God Realm, and they can no longer distinguish each other."

"Xuanji and Huangzhong were grafted with the spiritual roots of heaven and earth. Without the Heavenly Seal, Your Majesty will not be able to draw on the embryonic power of the two heavens."

Qin Feng put his hands behind his hands and smiled: "Since I successfully implanted these two spiritual roots, the two realms of Xuanji and Huangzhong have been completely integrated into the Great Flood God Realm, regardless of each other. Even without the Heavenly Seals, I can still draw on their power at any time....."

Hearing this, Ziwei and Ziwei were overjoyed.

"And this!"

"That's great!"

Qin Feng smiled again and said: "So these two heavenly seals are dispensable to me." If you two use it, it will greatly increase your strength. You can even borrow their power of heaven and earth to achieve breakthroughs in cultivation in one fell swoop....."

As soon as these words were said, Ziwei and Ziwei became even more happy.

"Thank you, Your Majesty!"

Ziwei Star Master happily put away the Heavenly Seal

"Father, that kid is going to refine the Heavenly Seal right now."

Fu Zhi couldn't wait any longer.

"Go for it!"

Qin Feng smiled.

He did not arrange it randomly.

The attribute of Xuanji Heaven is water, which is suitable for Ziwei Xing's constitution.

The attribute of Huangzhong Heaven is earth, which is suitable for Fu Zhi's constitution.

Let these two people refine it, and then they can Better exert the power of the two realms.

At that moment, Fu Zhi and the two were about to retire.

But at this moment, Qin Feng seemed to sense something, frowned slightly, and raised his head.

His eyes instantly penetrated the Great Flood God world, saw the outside world.....

At this moment, the outside world is above the nine heavens.

A team of more than 20 Heavenly Saints entered the realm of the gods..

Chapter 1079

"Your Majesty, what's wrong?", Ziwei Star Master asked curiously.

Qin Feng smiled coldly:"Another group of heavenly saints have come, they should also come for the Fusang Sacred Tree."

"Your Majesty, how many people are there?"

"There are more than twenty people, five of whom are at the peak of Tiansheng.", Qin Feng withdrew his gaze.

"so many people!" Ziwei was a little surprised.

Fuzhi said hurriedly: "Father, this should be the coming of several waves of forces. Just one force shouldn't have so many powerful Heavenly Saints....."

"Makes sense!", Qin Feng nodded slightly

"Your Majesty, we defeated the Great Freedom Heaven Territory before, and now several waves of forces have arrived. If this continues, there will be no end, and we will only offend more and more forces. If he offends too many and provokes old monsters from the Saint Ancestor Realm, he will be in big trouble."

Ziwei Star Master looked worried.

"I know it well! Let's go! Go out and have a look!"

The corners of Qin Feng's mouth curled up slightly.

The next second, he waved his hand, and the three of them disappeared out of thin air.....

At the same time, outside, above the nine heavens.

A group of Heavenly Saints flew over the headquarters of the League of Gods.

This group of people looked down at the God Realm and the earth, all of them looked arrogant.

"Everyone, the God Realm has arrived, let's call out that Qin Feng!"

The person who spoke was a white-haired old man named Cang Sheng. He is the leader of the Great Cang Heavenly Domain and has reached the peak of Celestial Saint.

"Then listen to Brother Cang Sheng!"

A middle-aged man with Taoist immortal bones said casually.

Next to this man, there was also a charming and beautiful woman.

This man and woman are a couple of Taoists. Their cultivation levels are both at the peak of the Heavenly Saint, and they are the leaders of the Great Joy Heaven..The man's name is Yutian, and the woman's name is Cupid.

At this time, another red-faced strong man joked

"Brother Cang Sheng, as long as you report our Tianwang number, Qin Feng will definitely run out in a hurry. I'm afraid he has never seen so many big figures visiting him!"

As soon as these words were said, everyone burst into laughter.

In their view, the creatures in the divine world were inferior and weak, and they looked down on them from the bottom of their hearts. Naturally, they did not take Qin Feng into consideration.

Among the crowd, the red-faced strong man laughed the most proudly. The man's name is Jun Sheng, the pinnacle of Heavenly Saints and the leader of the Great Jun Heavenly Domain.

Cang Sheng looked at this scene and smiled knowingly.

Then, he looked down at the land of God Realm and shouted loudly

"Great Joy Heaven, Da Cang Heaven, Da Jun Heaven, and Da Xian Heaven are visiting! Junior Qin Feng, come out and meet us quickly!"

This shout spread to every corner of the Great Wilderness God Realm in an instant, as if it was exploding in everyone's ears, and even the heaven and earth were shaking... For a moment, countless creatures in the God Realm were alarmed, and they raised their heads one after another, following the sound...

God At the alliance headquarters, the crowd surged.

Swish~! Swish~! Swish~!

One after another figures flew up.....

In just a moment, dozens of high-level officials from the Divine Alliance gathered in the sky above the main hall of the Divine Alliance.

Lu Ya, Queen Mother of the West, Kunpeng, Hongyun, Panzu and others were all among them.

Everyone looked up and saw more than twenty figures standing on the clouds in the sky, all exuding the aura of the heavenly saints, and their expressions could not help but change slightly.

"what happened? Why are so many heavenly saints coming?"

"yes! There are twenty-six of them, and the five headed by them are all at the peak of Heavenly Saints....."

"By the way, they just announced their family status. They seem to be from one heaven and three heavens....."

The senior executives were talking a lot and looked a little nervous.....

In front of the crowd, Lu Ya looked towards the Queen Mother of the West

"Fellow Taoist, why do you think these people come?"

Queen Mother Xi thought for a while and said, "I'm afraid it's for the Fusang Sacred Tree again." However, with so many heavenly saints coming here, we are not able to deal with them, so we should inform your majesty quickly....."

Just after saying this, another figure flew up from below and arrived in front of everyone in an instant.

The person coming is none other than Hongjun

"Little Lord!"

When everyone saw Hongjun, they all saluted.

Hongjun raised his head and looked into the sky with an angry look on his face.

"Lu Ya, the people who called my father by his first name just now were the ones above, right?"

"Uh....exactly!"

"Walk! Let's go meet them! A group of heavenly saints dare to call my father a junior. They are really looking for death!"

As soon as the words fell, Hongjun flew into the air

"No, young master!"

"Young Master, there are many of them, we should inform your majesty first...."

Lu Ya and others tried to persuade him.

Hongjun was so angry that he didn't pay attention at all.

Qin Feng's status in his mind is extremely high, and he cannot tolerate any disrespectful words from anyone....

"Little Lord! Wait for me!"

Everyone was worried that something might happen to Hongjun and hurriedly followed him...

At the same time, Cang Sheng and others stood proudly in the air, waiting for Qin Feng to come out to pay their respects.....

"hehe! somebody is coming!."

When Cang Sheng and others saw dozens of people flying below, they all smiled knowingly.

In their opinion, the creatures in the divine world were in awe of them, so they hurriedly came out to pay their respects.

But the next second, Cang Sheng and others A strange look appeared on his face.

The first one to arrive was a four or five-year-old child. He was as handsome as a porcelain doll and extremely cute.

This little doll was naturally Hongjun.

"Who are you? Why do you call my dad a junior?"

As soon as Hongjun arrived in front of the saints, he put his hands behind his back and pretended to be old-fashioned.

He was very dissatisfied with these people in his heart, but the way he showed it made people feel cute and funny.

"your dad? Are you Qin Feng's son? Cang

Sheng asked keenly

"That's right! I am the son of Qin Feng!"

Hongjun was too lazy to talk nonsense and admitted frankly.

The saints couldn't help but look at each other.

At this moment, Lu Ya, Queen Mother of the West and others also arrived.

The saints couldn't help but look at Lu Ya and others.

But when they saw Lu Ya , Queen Mother of the West was actually a powerful heavenly saint.

The faces of the saints became strange.

"Huh! Those two seemed to be powerful heavenly saints!"

"There are also those dozen or so people who are all extremely holy and powerful!"

"Oh My God! When did the God Realm become so powerful!"

"yes! Such strength can barely compare with the weakest Nine Heavens and Ten Domains"

"strangeness! Why does the strength of the God Realm increase so quickly?! As far as I know, there were only a few supreme saints in the God Realm before....."

At this moment, the saints kept whispering.

The strength of the God Realm is a bit beyond their expectations!

However, they quickly calmed down.

Even if two Heavenly Saints emerge from the God Realm, they still can't get into their eyes.

After all, Queen Mother of the West and Lu Ya are only in the middle stage of Tiansheng, and they are not qualified to sit on an equal footing with them.

"brat! Are you Qin Feng's son? Where is your dad? Let him get out of here quickly and meet me!"

In the crowd, Jun Sheng, who was grumpy and arrogant, asked Hongjun very rudely.

Hongjun was furious: "Who do you think you are? You actually want my father to meet you?! You don't have that qualification!"

As soon as these words came out, all the saints were shocked and looked at Hongjun in astonishment.

No way?

How dare this little kid scold Lord Junsheng!

Lord Junsheng is the leader of the Great Juntian Domain, the high-ranking Heavenly Lord. A strong man at the peak of the Saint.

This little kid is just the son of Qin Feng, the leader of the God Realm.

Can the leader of the God Realm be compared with the leader of the Great Juntian Realm?

The two are not on the same level at all!

Let the leader of the God Realm come to see Da Jun Tianyu. Isn't it normal for the leader of Juntian Territory!

These heavenly saints think very highly of themselves and do not take the divine world seriously at all, so their ideas are also very strange.

In their opinion, Junsheng's words are correct, but Hong Hong Jun didn't know what to do, and he was too arrogant.

At this moment, Hongjun's aura was hidden, and his cultivation was not obvious.

These heavenly saints did not see Hongjun's cultivation, and they didn't take it to heart at all.

After all, a person with such a vitality value How strong can a kid who is so young and looks to be only four or five years old be?

In their opinion, it would be good for Xiao Hongjun to have the cultivation level of a quasi-god.

As soon as Hongjun's words came out, Lu Ya , Queen Mother of the West and others also changed their expressions.

Sure enough, Jun Sheng was furious.

"Little bastard! you wanna die!"

As soon as he finished speaking, he rushed towards Hongjun... but there was a look of ridicule in Hongjun's eyes..

Chapter 1080

Sure enough, Jun Sheng was furious

"Little bastard! you wanna die!"

As soon as he finished speaking, he rushed towards Hongjun and rushed towards him.....

Hongjun's eyes showed a look of ridicule.....

"Young Master, be careful!", Lu Ya and others exclaimed

"Brother Junsheng! Wait a minute!"

Cang Sheng actually dodged and stopped Jun Sheng.

"Brother, what do you want to do?", Jun Sheng was shocked and angry.

He didn't know why Cang Sheng stopped him.

Hongjun was also surprised.

He was about to give Jun Sheng a hard time, but the old man named Cang Sheng actually stopped the conflict.

"Brother Jun Sheng, don't take action yet. I'll wait until I ask this little baby a question before I take action!"

Cang Sheng gave good advice.

"snort!", Jun Sheng retracted his momentum with a groan.

They are both at the pinnacle of Heavenly Saints, and their strength is strong and weak.

Since Jun Sheng's strength is not as good as Cang Sheng's, he will give Cang Sheng some face.

"Little baby, I want to ask you something."

Cang Sheng looked at Hongjun.

Everyone looked over, wondering what Cang Sheng was doing.

"Just ask!", Hongjun was also very curious.

"Little baby, did your father recently get a seedling with the spiritual roots of heaven and earth, called the Fusang Sacred Tree? Cang

Sheng asked with a kind face.

He looked like he was coaxing a child.

As soon as this topic was brought up, Jun Sheng and others suddenly realized that they pricked up their ears and listened carefully.

For a moment, everyone in the venue held their breath. Breathing, not even taking a breath.

That's right!

They came all the way just for news about the Fuso Sacred Tree. This is the point!

"This is it....."

Hongjun glanced at the saints silently, sneering in his heart.

As expected, these guys have bad intentions and are here for Daddy's Fuso Sacred Tree.

Thinking of this, he rolled his big eyes, raised his small mouth and said, "That's right! My father has obtained the Fusang Sacred Tree!" As soon as these words came out, the saints were in an uproar, and they were all so excited that their eyes widened. Light.

At that moment, a beautiful woman moved lightly and arrived beside Hongjun in an instant.

"whee! This little brother is so cute. My sister likes you very much. Did someone want to bully you just now? Don't be afraid! Come to my sister, she will protect you..."

The beautiful woman covered her mouth and smiled sweetly, while going to hold Hongjun's little hand.

"Xian Ling, what do you mean?"

Jun Sheng was furious.

He heard the meaning of Xianling Saint's words, which was an allusion to himself.

"Xian Ling, do you want to break the rules?"

Cang Sheng also suddenly took action to stop the beautiful woman from holding Hongjun's hand.

It turned out that the woman named Xian Ling was the leader of Daxian Tianyu and a powerful person at the peak of Heavenly Saint.

I saw Cang Sheng wave his hand. , and waved away Xian Ling's hand so that she could not grasp Hongjun's little hand.

"Ha ha!! Everyone, please stop arguing. We, the couple, also think this little baby is cute, but we are worried that he will be hurt, so we should let us, the couple, take care of him!"

Yutian and Aishen, the Taoist couple, also laughed loudly and rushed over together, trying to force Hongjun away.

"Two fellow Taoists, don't go to such trouble!"

But when Yutian and Yutian arrived, Cang Sheng and Xian Ling actually joined forces to take action against these two people.....

Bang~! Bang~!

Four palms touch each other!

Two muffled sounds!

The four of them retreated for several miles each, but none of them took advantage.

Although Cang Sheng is the strongest among them, Yutian and Aishen are good at joining forces.

In this round, neither side took advantage... but Lu Ya, Queen Mother Xi and others were dumbfounded.

Why do they feel that these four peak Heavenly Saint masters seem to be competing for their young master?!

Lu Ya guessed right!

Cang Sheng and the others are trying to grab Hongjun.

As soon as they heard that Qin Feng had really obtained the Fusang Sacred Tree, they thought of grabbing Hongjun, and then using Hongjun as a hostage to force Qin Feng to hand over the Sacred Tree.

After all, there is only one spiritual root, and there are so many of them that they can't separate it, so they can only resort to this ruthless method.....

Among the crowd, Xian Ling reacted the fastest, but Cang Sheng quickly saw through it.....

However, it was said that the four Cang Sheng people retreated, and there was no one around Hongjun, and only Jun Sheng was left.

"Ha ha!! This little bastard just insulted me! I want to catch him and teach him a lesson! Four fellow Taoists, please do not obstruct me.~!"

Jun Sheng laughed wildly and rushed towards Hongjun, feeling extremely proud.

He said he wanted to teach Hongjun a lesson, but in fact he had the same purpose as the four Cang Shengs, which was to capture Hongjun alive and use it as his bargaining chip.

"not good!"

"Damn it!"

"Let him take the lead!"

The four Cang Sheng people exclaimed...

In the blink of an eye, Jun Sheng was in front of Hongjun, and his big palm-like hands grabbed Hongjun hard...

The four Cang Sheng people were so anxious that they rushed over one after another to snatch it....They will never allow such a bargaining chip to fall into the hands of Jun Sheng.

But the next second, the four of them were dumbfounded.

They saw Hongjun's small fist directly meeting Jun Sheng's big hand.

"roll!"

A childish roar.

Hongjun's small fist hit Junjun's big hand firmly.

Boom~!

A shocking loud noise!

The void for thousands of miles cracked!

Junsheng groaned and was blasted out by Hongjun. Hundreds of millions of miles away.

The four Cang Sheng people were immediately dumbfounded, and each of them opened their mouths. Their subordinates even opened their eyes in horror!

Oh my god!

This little guy actually knocked Jun Sheng away with one punch!

Are they not dazzled?

Suddenly, the atmosphere in the field solidified and became extremely quiet.

The four Cang Shengs looked at Hongjun as if they were looking at a little monster.

Just now, the moment Hongjun took action, they saw Hongjun's cultivation level is no more than the middle stage of Tiansheng.....

However, Hongjun's combat power was far superior to Jun Sheng, and even stronger than Cang Sheng, the strongest among them.....

They are both at the peak of Heavenly Saint, and their strength may vary from strong to weak...

Among the many powerful people at the peak of Heavenly Saint in the Nine Heavens and Ten Domains, the strongest one is Taiyi.

Hongjun's strength is comparable to Taiyi, so naturally he is not comparable to these people.

Of course, Hongjun's cultivation is much lower than Taiyi, which shows that his potential is much greater.....

It took a long time for the four Cang Sheng people to recover from the shock.

"Little friend, I'm sorry to bother you this time. I'll take my leave!"

Cang Sheng hesitated for a moment, then offered his hand to Hongjun, and his tone became very polite, as if he were talking to each other.

Xiao Hongjun's strength was stronger than him, how could he dare to put on any airs?

"My friend, I'm sorry to bother you!"

"Little brother, my sister was reckless just now!"

Yutian, Aishen, and Xianling also handed over their hands with apologetic expressions on their faces. At this time

, Jun Sheng also flew back. At this moment, his face was very ugly and a little embarrassed.

I think he is a powerful person at the peak of Tiansheng. , was blown away by a child, which was a huge loss of face.

But he didn't dare to look at Hongjun for a second, knowing that he was no match for Hongjun, and it would be embarrassing if he continued to fight.....

"Let's go!"

Cang Sheng whispered.

All the saints had a tacit understanding in their hearts, and they all planned to leave.

With the strength displayed by Hongjun, the strength displayed by this God Realm has reached the level of Nine Heavens and Ten Realms, and is fully qualified to possess spiritual roots.

They are still here What are you doing here?

But just as the saints retreated in despair, a cold voice sounded from the sky

"Is this land of the God Realm a place where you can come and leave whenever you want?"

As soon as these words were said, everyone was shocked and looked up one after another. They saw five people falling slowly from the nine heavens.

The leader was Qin Feng.

Behind him, there were also Xuying's clone, Xuanfei's clone, and Ziwei. , Fu Zhi...
