

God level 1131

Chapter 1131

"It's Old Man Yuexia!"

"There are six ancestors!"

The crowd exclaimed repeatedly, everyone looked in awe, and involuntarily gave way to a path.....

Soon, the four old men under Yuexia came over.

"Xian Ling has met Senior Yuexia!"

Xian Ling did not dare to neglect, and carefully stepped forward to greet him.

The old man Yuexia only nodded slightly, and then looked at Qin Feng with a gloomy face.

The six-gen ancestor also looked at Qin Feng curiously.

Qin Feng glanced at the two of them lightly, then turned to look at Xian Ling

"Fellow Taoist Xianling, these are twenty-six Hunyuan Divine Pills"

"oh~!"

Xian Ling took out the jade bottle and wanted to exchange it

"Wait!"

Old man Yuexia moved his hand horizontally, inserted it between the two of them, and stopped the transaction.

"Senior Yuexia, what are you going to do?....",Xian Ling was uneasy.

She is a peak Heavenly Saint, so naturally she would not dare to offend a powerful person who is at the peak of the Quasi-Saint Ancestor.

"I have no other intention, I am just very interested in your Jiutian Jade Dew. If you want to trade, trade all the Nine Heavens Jade Dew to me....."

"Ah~but...but I have already agreed to trade with Lord Qin Feng..."

Xian Ling looked embarrassed.

Hongjun also said unhappily:"That's right! We have already agreed. What does it mean if you suddenly come over? Could it be that you are bullying the weak, buying and selling by force?"

Hongjun's childish voice was loud and immediately attracted the attention of the entire square. Thousands of explorers looked over here.....

Suddenly, this place became the focus of attention in the entire square.

The old man under the moon couldn't help but look around.

In full view of the public, it was difficult for him to make excessive demands.

What's more, as the pinnacle of the Quasi-Saint Ancestor, he has a high status. If he keeps arguing with the juniors, it will be detrimental to his face...

At that moment, he said:"Xianling, I won't embarrass you. However, since it is a transaction, then It's a fair competition. I'm really interested in your Nine Heavens Jade Dew. I'll also use elixirs in exchange for you. One magic elixir and five drops of jade dew....."

As soon as he finished speaking, he flipped his hand, and there was a magical elixir emitting colorful brilliance in his palm. It had an elegant fragrance and dazzling brilliance, which was very extraordinary.

Everyone's eyes couldn't help but be attracted to

"Xian Ling, this magical elixir of mine is called Qihua Flawed Dan, and it has the quality of eternal lower realm. If it is taken by a monk at the peak of the first realm, there is a one-third chance of breaking through the bottleneck and reaching the second realm of eternity in one fell swoop!"

Old man Yuexia introduced proudly.

As soon as he finished speaking, the whole place was in an uproar.

"Wow! The divine elixir of the lower realm of eternity!"

"yes! It's also a barrier-breaking magic elixir! Such an elixir, not to mention five drops of Nine Heavens Jade Dew, is still worth it even if it is exchanged for six drops of Jade Dew!"

"This time, Fairy Xianling is going to make a lot of money!"

For a moment, everyone showed envy.

Those players at the top of the first level were even more enthusiastic.

It would be great if such a magical elixir could be given to them!

Xian Ling saw the old man Yuexia take out such a magical elixir. Dan was also greatly surprised.

It was not obvious that he wanted to take advantage of him!

But from another perspective, this old guy was ruthless enough to sacrifice his own interests in order to prevent Lord Qin Feng from getting the Nine Heavens Jade

Dew. At this moment, Qin Feng He couldn't help but frowned.

He still lacked about five hundred drops of Nine Heavens Jade Dew before he could cultivate the Fusang Sacred Tree to maturity.

But Old Man Yuexia was making trouble at this moment.

If this old guy kept using this method to prevent him from trading, If he couldn't exchange for a drop of Nine Heavens Jade Dew, then his plan to cultivate the Fuso Sacred Tree would fail.

He would never let the old guy's wishful thinking succeed!

Thinking of this, Qin Feng was about to refute it... but before he could speak, , Xian Ling boldly said:"Thanks to the love of my seniors, I am interested in the little girl's Nine Heavens Jade Dew. Can be traded on a first-come, first-served basis, with integrity as the main priority"

"Now that the little girl has promised Lord Qin Feng, she can no longer go back on her word. If the senior really needs Nine Heavens Jade Dew, he can exchange it with others. Almost everyone in this square has a drop of Nine Heavens Jade Dew, and it is easy for seniors to get them."

Xian Ling said it very tactfully.

"Ha ha!!", the old man under the moon laughed

"you're right! But I not only want the Nine Heavens Jade Dew in your hand, but also the Nine Heavens Jade Dew in the hands of others. It makes no difference whether they come to you first or to them first. In short, you are right to trade all the Nine Heavens Jade Dew in your hand to me."

As soon as these words fell, everyone was slightly moved.

At this moment, everyone could hear that Old Man Yuexia was deliberately targeting Qin Feng so that he could not get a drop of Nine Heavens Jade Dew.

"this.....", Xian Ling hesitated.

Old Man Yuexia said displeased:"What? You don't want to trade with me? Is it possible that you look down on me, or do you think my elixir is not worth five drops of Nine Heavens Jade Dew?"

"Look down on me, senior, but the value of your elixir is far greater than the value of five drops of Nine Heavens Jade Dew."

"So why didn't you agree to the deal?"

"Senior...this...this transaction must be on a first-come, first-served basis, and integrity must not be lost. After all, Qin Feng...."

"Don't talk about useless things!", Old Man Yuexia interrupted rudely, "Although integrity is very important, transactions also require fair competition. The elixir I brought out is obviously better, but you don't want it. You insist on choosing this guy's inferior elixir. What do you mean?"

"Senior Yuexia is right! While integrity in transactions is important, so is fair competition. It's clear that Senior Yuexia's elixir is better, but you don't choose it, that means you don't give Senior Yuexia face, and even onlookers like us can't stand it...."

At this time, the bearded man jumped out and added fuel to the fire.

Before, Xian Ling had humiliated him in public, which made him feel resentful. At the same time, he also had great resentment towards Qin Feng.

It's good now that Old Man Yuexia came to trouble Qin Feng in person, playing into his heart and making him happy.

He just wanted to see Qin Feng get nothing and feel helpless.

However, as soon as the bearded man's words came out, the onlookers couldn't help but whisper, and they felt that Xian Ling was a little biased towards Qin Feng... When

Xian Ling heard the gossip around her, she suddenly felt the pressure doubled...

She was about to defend herself, but Qin Feng spoke first.

"Fellow Taoist Xianling, since these two said they want fair competition, I also think it is a good idea. Well, let's do this. One magic elixir can be exchanged for five drops of jade dew. It depends on whose elixir is better, and fellow Taoists will choose whose elixir is better. As a result, everyone has nothing to say!"

Xian Ling was stunned for a moment and looked at Qin Feng in surprise.

The bearded man even smiled and said, "You couldn't have said that earlier! No need to look, everyone knows that it must be Senior Yuexia's Qihua Barrier-Breaking Pill, which is better than this Hunyuan Shendan. This deal should belong to Senior Yuexia!"

As soon as these words were said, everyone nodded, feeling that this was the case.

Not only did they think so, but even Xian Ling also had such thoughts.

After all, Old Man Yuexia has a strong spiritual consciousness and is good at alchemy. It has long been a consensus.

When it comes to alchemy. The skill level is lower than that of the Saint Ancestor. Old Man Yuexia can be ranked among the top three in the Nine Heavens and Ten Realms.

However, Qin Feng has always been unknown and is only an Eternal Second Realm. No one would think that the elixir he produced can be as good as where to go

"You guy just opens your mouth, why do you think my father's pill is not as good as the Qihua Barrier-Breaking Pill?"

Hongjun was so angry that his face turned red.

If it weren't for the rules of the secret place, he would have wanted to beat the bearded man.

"cut! Do you even need to ask? Senior Yuexia's Qihua Barrier-Breaking Pill is of Eternal Lower Realm quality. Look at the appearance of this elixir. The seven-color brilliance is exposed, and the elixir energy becomes clouds. At first glance, it is an extraordinary elixir."

"And your Hunyuan Shendan is a gray mass, and it looks like a low-quality elixir. I'm afraid it hasn't even reached the level of a god!"

The bearded man glanced sideways at the Hunyuan Divine Pills, deliberately showing a look of disgust.

Everyone was so pleased with what he said, they all whispered, and they also felt that Qin Feng's Hunyuan Divine Pills looked ordinary, maybe they were real. The quality is poor.

Seeing this, Qin Feng frowned: "Your Excellency, when you speak like this, you are not afraid that Feng Da will flash his tongue. How do you know that my Hunyuan Divine Pill is not as good as the Qihua Barrier-Breaking Pill?"

"Ha ha! Do I still need to explain this?! Whatever! I will explain it to you!"

The bearded man looked at Qin Feng with confidence.

"Let me ask you, where did your Hunyuan Shendan come from?"

"Naturally, I refined it myself!"

Hearing this, the bearded man laughed proudly and said: "Haha!! Now the truth is revealed! You, a young monk in the second realm of eternity, can you refine a divine elixir in the lower realm of eternity?"

Qin Feng sneered: "You really look down on others!" How did you know that my Hunyuan Divine Pill is not of eternal lower realm quality? The bearded man curled his lips and said,

Haha!" Who can't brag?! No matter how much you talk, you are still not as good as Senior Yuexia. I think this is also the consensus of everyone....."

Qin Feng said coldly: "Words are unfounded, seeing is believing. Whose elixir is better? Why don't we verify it on the spot! Do you dare?"

"Verify on the spot?"

The bearded man was a little surprised.

He didn't expect that the wind was really on the line.

The old man Yuexia also raised his eyebrows: "Boy, how do you want to verify it?"

Qin Feng smiled slightly: "It's very simple!" Your Excellency said that his Seven Flowers Barrier Breaking Pill has a one-third chance of breaking through from the peak of the first realm to the second realm. My Hunyuan Divine Pill also has the effect of breaking through bottlenecks. We will find someone to take it and test it on the spot to see whose elixir is more effective!"

As soon as these words were said, Hongjun's eyes lit up, and there was a hint of joy in his eyes.

Although the quality of the Hunyuan Divine Pill is only at the lower level of eternity, pills of the same quality also have their own strengths and weaknesses.

If the first level peak person is allowed to After taking the Hunyuan Divine Pill, it can be said that there is a 90% chance of breaking through to the second level, which is much stronger than the Qihua Barrier-breaking Pill.

As long as Old Man Yuexia dares to compete, he will definitely lose.

Sure enough, Old Man Yuexia When he heard those words, he stroked his beard and sneered: "Haha! interesting! You kid actually dares to ask for a competition. I don't know where you got the courage."

"However, your suggestion is good. I will compete with you in public today to see whose elixir is better! Tell me, how do you want to compare? Qin

Feng said lukewarmly: "Senior, since it's a competition, why don't we get another chance and make a bet?" Otherwise, even if there is a winner, it won't mean much!"

As soon as these words were said, the whole audience was stunned.

Isn't it possible?

How dare this kid start a bet with Old Man Yuexia?

How dare his gray pill be compared with the Qihua Barrier Breaking Pill?

Among the crowd, only Hongjun's His eyes became brighter.

He knew that his father was digging a hole for Old Yuexia.

As long as Old Yuexia dared to gamble, he would end badly..

Chapter 1132

"What?! Do you want to bet against me?!"

Old Man Yuexia was a little surprised.

In his opinion, his Qihua Barrier-Breaking Pill is definitely better than the Hunyuan Shendan.

This kid dares to bet against himself, isn't he looking for death?

"That's right! Qin just wants to bet with his senior!"

Qin Feng confirmed again.

Everyone around had strange expressions on their faces, and they all looked at Qin Feng in confusion.

Isn't this kid crazy?

He is a young monk in the second realm of eternity. Even if he is good at alchemy, he may be better than Isn't it the old man under the moon who has already become famous in the heavens?

"Lord Qin Feng, do you want to think about it carefully?.....", Xian Ling looked anxious.

She was worried that Qin Feng was impulsive because he was ridiculed.

"I have already thought about it. I want to make a bet with Senior Yuexia. I wonder if Senior can dare to make a bet?"

"Boy, do you really want to bet?"

Old man Yuexia was a little surprised.

He was originally a suspicious person.

He couldn't guess where Qin Feng's confidence came from, so he naturally had to find out first.

At this time, the bearded man interjected: "Senior, this The kid is just pretending. In my opinion, he was bluffing to make the seniors give up fighting with him. If his elixir is really that powerful, just compete it directly, why bother going around in circles and making bets?....."

Hearing this, Old Man Yuexia's heart moved and he felt that it made sense.

Everyone around nodded slightly, feeling that it was something like that.

Seeing everyone's approval, the bearded man became even more proud.

"Senior, if you want me to watch it, just take a gamble with this kid and see what else he can do!"

"good! I just listened to what you said and made a bet with him!"

The old man under the moon was finally persuaded by the bearded man and looked at Qin Feng with a cold face.

He wanted to slap the murderer of his daughter to death.

However, due to the rules, he could not do it.

However, if there was a chance, If you try to trick Qin Feng, he will never show mercy.

"Boy, tell me! How do you want to bet? Qin

Feng smiled coldly:"Either you and I don't bet, or if we want to bet, bet bigger!""

"How old?!"

"20,000 drops of Nine Heavens Jade Dew!"

As soon as these words came out, the whole place was in an uproar. Oh my God!

20,000 drops of Nine Heavens Jade Dew!

That is equivalent to half of all the rewards for passing the test in this assessment!

The stakes are too big!

Even the bearded man was scared I was stupid, I almost thought I heard it wrong

"Do you want to bet 20,000 drops?!", Old Man Yuexia also exclaimed.

Even if he is the pinnacle of the Quasi-Saint Ancestor, he cannot produce so much Nine Heavens Jade Dew at one time.

Although he has entered the secret place many times, Li Lai has obtained a lot of Nine Heavens Jade Dew, But the cumulative survival is only more than 3,000 drops, which is not enough for 20,000 drops.

"That's right! Just bet 20,000 drops!

Old Man Yuexia sneered: "Do you have so many bets?" Qin

Feng said calmly: "You don't have to worry about this. I just ask if you dare to gamble?"

Old man Yuexia sneered: "Haha! I think you are bluffing!

The bearded man also interjected: "Senior, you can see it too, right?" This guy is bluffing. In fact, he didn't dare to bet at all, so he deliberately exaggerated the bet to make his seniors retreat. If I want to see it, senior will make a bet with him to see what he dares to do!"

Old man Yuexia nodded slightly.

Immediately, he looked at Qin Feng: "Boy, I really want to see the real chapter with you today. If you want to bet 20,000 drops, then bet 20,000 drops. But what if you lose and can't pay out your bet?"

Qin Feng didn't take it seriously: "It's not necessarily me who loses!"

Old Man Yuexia said angrily: "What you said means you didn't say it. It's nonsense!"

At this moment, Old Man Yuexia really suspected that Qin Feng was bluffing again.

"If you think Qin can't afford the bet, we can sign a contract first. The content of the contract can be as follows: The losing party must hand over one thousand drops of Nine Heavens Jade Dew within the first day. The remaining 19,000 drops can be made up before the end of the assessment."

"Anyone who breaks the contract will suffer the repercussions of the oath in his heart. The state of the light person has declined, and the spirit of the person with the serious condition is gone!"

As soon as Qin Feng's words came out, the whole place was in an uproar again.

Can't you?!

Isn't this kid really crazy?

How dare he make such a vow to bet, if he doesn't do well, he will suffer misfortune

"Mr. Qin Feng, you....", Xian Ling wanted to persuade again.

But the bearded man interrupted:"Fairy Xianling, you are obviously showing favoritism by trying to persuade this boy again and again. Boy, don't you think that I can't tell you are bluffing after you raise your heart oath? Senior Yuexia, you Just make a contract with him and see how far he can perform!"

Old Man Yuexia looked deeply at the bearded man.

At this moment, he suddenly had an illusion. He felt that the bearded man and Qin Feng were very similar to each other, and they sang and sang together.

However, he knew the details of the bearded man, and he also saw that the bearded man and the former Qin Feng had a conflict before, and they should not be in the same group.

Having said that, the bearded man's analysis seems reasonable.

Thinking of this, the always cautious old man Yuexia was moved.

However, he secretly swore in his heart.

If he accidentally loses, he will definitely not let this bearded man go.

After all, this guy has been persuading himself.

With this in mind, Old Man Yuexia said:"Qin Feng, in front of so many people, don't regret what you said!"

"Of course I won't regret it! Senior Yuexia, please don't go back on your promise."

"Ha ha!! How can I, who is such a person, play tricks with a junior like you! Don't you want to bet? Let's make a contract now!"

As soon as he finished speaking, the old man Yuexia waved his hand and took out a contract scroll, then cut his fingers and coagulated blood, and scrawled the content of the oath on it. In just a moment, the contract content was completed!

Buzz~!

The scroll shone brightly. , illuminating the whole scene!

Old Man Yuexia bit the tip of his tongue and spurted out a mouthful of blood from his heart directly to the scroll.

Buzz~! Buzz~!

For a moment, Yuexia and the contract scroll resonated, one person per scroll, and at the same time the spiritual light blended, and the breaths Fusion, trembling continuously!

Seeing this scene, everyone was a little surprised.

Old Man Yuexia suddenly became decisive and decisive, and he completed his part of the contract so quickly. It seemed that he really wanted to make a bet.

And When Qin Feng saw this scene, he was secretly happy, thinking that the old man under the moon finally took the bait!

At this moment, everyone looked at him.

Qin Feng immediately pretended to have a changed expression. , as if they didn't expect Old Man Yuexia to be so decisive.

When everyone saw his expression, they suddenly realized.

The bearded man was indeed right. This Qin Feng was bluffing from beginning to end. Now that Old Man Yuexia was serious, , and was completely scared.

When the bearded man saw Qin Feng's expression, he looked even more proud, thinking that he had really guessed it right.

He quickly urged:"Boy, Senior Yuexia has completed the contract! It's your reincarnation! Sign it now!"

"this....", Qin Feng pretended to be panicked.

His appearance caught everyone's eyes, confirming everyone's previous guesses.

Everyone couldn't help but shook their heads slightly, with mockery in their eyes, secretly thinking that Qin Feng had been too powerful before, and now he would be embarrassed!

When Old Man Yuexia, Prince Xishen, and Saint Ancestor Guixu saw this scene, they all became convinced.

"Dad, looking at this kid's appearance, Hu Lin really got it right. He was just bluffing. You must make this kid sign a contract and trick him!"

"Senior Yuexia, just let this kid sign the contract. When he loses the bet, if we interfere with it and prevent him from raising the entire bet, he will suffer backlash due to breach of contract. By then, maybe his life will be in jeopardy without us taking action!"

At this moment, both Prince Xishen and Saint Ancestor Guixu were transmitting messages excitedly.

Hearing the message transmission from the two of them, Old Man Yuexia was also secretly happy.

He also thought Qin Feng was afraid.

"Boy! I have already signed it! It's your turn to sign! Is it possible that you won't give up in front of so many people? If this is the case, I'm afraid you won't have the face to wander around in the world in the future!"

The old man Yuexia deliberately provoked the general. Qin Feng pretended to hesitate, and then said: "I can sign it, but how can I compete?"

"hehe!" The old man Yuexia laughed dryly, thinking that Qin Feng would shirk it again.

Then he said: "This is not easy! We each select three volunteers who are at the top of the first realm. Let three of them take my Qihua Barrier-breaking Pill, and let the other three take your Hunyuan Shendan."

"Finally, let's see whose elixir can help people break through the bottleneck. In this way, we will soon know whose elixir is of better quality!"

Old man Yuexia knew that the success rate of his Qihua Barrier-Breaking Pill was one-third, so he had to choose three people to try it.

In this way, one of them would be successful, and the effect of his medicine would be demonstrated.

"Can you choose five people to test?", Qin Feng said deliberately.

The old man Yuexia's heart moved, and he thought to himself, could it be that this boy's Hunyuan Divine Pill is also effective, but the effect is only one-fifth, so he only chose five people.

No!

He can't let this boy have it. A slight chance of winning!

At that moment, Old Man Yuexia said: "Boy, you proposed the content of the bet. As for the content of the competition, it should be according to me. This is only fair, so I propose that it can only be three people, no more!"

The bearded man also quickly agreed: "That's right!" It's only fair that you propose the content of the bet and the senior proposes the content of the competition!"

"this....", Qin Feng pretended to hesitate.

The old man under the moon immediately said excitedly: "Qin Feng, if you don't dare to sign, don't say such big words. Let me give you a chance. In front of everyone, you can say that what you said before is bullshit! I agree that you won't sign!"

Qin Feng pretended to be furious: "Who said I don't dare to sign! Bring it here!"

As soon as he finished speaking, Qin Feng took the contract scroll, cut his fingers to coagulate blood, and began to sign his name on it.....

"Why!"

Seeing this scene, Xian Ling's beauty turned pale and sighed.

The spectators all around shook their heads.

Even the top experts who had been observing secretly shook their heads, secretly thinking that Qin Feng was impulsive.

They had originally thought Qin Feng was a person, but it seemed that he was just an impulsive junior. They overestimated it!

Buzz~!

At this moment, Qin Feng signed the contract, and the scroll was full of light.....

For a moment, he and Old Man Yuexia passed the scroll, their souls were connected and their breaths were connected.....

The contract is established!

The old man Yuexia finally felt at ease.

Prince Xishen and Saint Ancestor Guixu looked at each other and smiled, with joy on their faces.

They thought Qin Feng was dead this time.

At the same time, Hongjun's eyes also revealed a hint of joy.

But he knew that this time it was Old Man Yuexia who was destined to die.

Dad's 20,000 drops of Nine Heavens Jade Dew is about to be obtained..

Chapter 1133

"Why! This guy actually signed it! This is too impulsive!"

"yes! But he couldn't stand a provocative word, it was really useless!"

"Who can blame this? Who made him bluff before, but in the end he couldn't stand it and had to bite the bullet and sign it?...."

"Tsk ts! Twenty thousand drops of Nine Heavens Jade Dew! What a gamble! Even the quasi-saint ancestor would find it hard to bear, fearing that most of his family fortune would be wiped out!"

"yes! That kid is only in the second realm of eternity, what kind of family background can he have? I'm afraid that he will lose all his wealth and not be able to pay back the bet. In the end, he will have no choice but to violate the contract and suffer backlash!"

"hehe!! He deserves this! I'll just wait and watch the show and see how he dies....."

At this moment, the crowd was filled with cynicism.

There are few sympathizers and many gloats.

Almost everyone is not optimistic about Qin Feng.....

Even the Emperor Mang Witch Ancestor frowned and felt a little depressed.

He originally wanted to find an opportunity to deal with Qin Feng so that he could vent his frustrations, but Old Man Yuexia got there first... At this moment, in the crowd, Old Man Yuexia put away the contract scroll as soon as he waved his hand.

"Boy, the contract is signed! Let's start testing the elixirs!"

Old man Yuexia looked calm, as if he was sure of victory.

Especially the ridicule towards Qin Feng from the crowd increased his confidence.

"good! Then senior, find three volunteers who are at the peak of the first realm to refine your elixir. I also found three people and we competed at the same time!"

"OK!"

As soon as he finished speaking, the old man Yuexia looked at the crowd.

"Who is willing to test my Qihua Barrier-Breaking Pill? This time it's free, what a rare opportunity!"

As soon as these words were spoken, the crowd became restless.

"senior! I do!"

"Juniors are also willing!"

"And I...I...I am also at the peak of the first realm!".....

The first-level peak players in the crowd were all rushing to sign up...

It was a rare opportunity to get a Qihua Barrier Breaking Pill for free, and they naturally didn't want to miss it.

"Ha ha!! you you.....and you.....It's just you three!"

Feeling the enthusiasm of the crowd, Old Man Yuexia felt very happy and ordered three people at will.

"Thank you, senior!"

The three people who were selected were extremely happy.

The people who were not selected were sighing, secretly thinking that these three people were very lucky.

"Boy, I've made my choice, it's your turn!"

"good!"

Qin Feng looked at the crowd

"Who is willing to test my Hunyuan Divine Pill?!"

As soon as the words fell, the crowd murmured. No one came forward for a while, and they seemed very deserted.

This was in sharp contrast to Old Man Yuexia.

Obviously, everyone was doubtful about the effect of the Hunyuan Divine Pill, but no one rushed there try

"Who wants to come and test?!"

Qin Feng asked again.

Some people in the crowd were moved, and most of them were hesitant and did not dare to step forward.

Seeing this scene, the bearded man took the opportunity to mock and said: "Oh! Boy, your Hunyuanshen elixir is so dusty that it looks like a low-quality elixir. Who dares to take it easily? If it has no effect, forget it, but if you eat bad things, you will be in trouble!"

As soon as these words were said, the crowd was stunned.

Yes!

I don't know if this elixir is good or not.

If it doesn't work, it's a trivial matter. If something goes wrong after taking it, it will be difficult.

With this thought, people who are willing to come out and give it a try Even less. When

Hongjun saw this scene, he couldn't help but frown.

These people are really stupid!

They actually doubted their father's Hunyuan Shendan!

With the efficacy of the Hunyuan Shendan, it is almost the same as the Qihua Barrier-Breaking Pill More than three times, almost 100% successful.

Whoever gets one will have a great opportunity!

These people are doubting and don't know how to fight for it. It's just that they don't know the blessings in the midst of blessings. Just when Hongjun was angry, The old man under the moon and the bearded man looked gloating when they saw that Qin Feng could not find volunteers...

They wanted to see how Qin Feng would handle this embarrassing matter.

"Xianyue, Xian Wushan, you two go help Lord Qin Feng try the elixir!"

At this time, Xian Ling came out to rescue the siege and rushed directly to the disciples of Daxian Tianyu to find the only two disciples at the peak of the first realm.

"Territory Lord, I...."

Xian Wuzhu was a little hesitant.

The woman named Xianyue also opened her mouth, but stopped talking.

Both of them were a little afraid that there was something wrong with Qin Feng's medicine.

Xian Ling said angrily:"Let you go! Just go! So much nonsense!"

"Yes Yes...! "

The two of them did not dare to disobey, and walked to Qin Feng reluctantly.

Old Man Yuexia was a little unhappy when he saw this scene, and gave Xian Ling a cold look.

This woman favored Qin Feng from beginning to end, which made him very unhappy.

"Boy, you still have one person missing. I'm afraid it's hard to find him, right?! You'd better hurry up, don't delay the competition with Senior Yuexia."

The bearded man looked like he was watching a good show.

Qin Feng was too lazy to pay attention to him and looked at the crowd: "There is only one spot left, who is willing to give it a try?"

Everyone, look at me and I look at you. They still remained silent. No one came forward for a while.

Hongjun was angry when he saw this.

If it weren't for the fact that all the children of the God Realm had taken the Hunyuan Divine Pill, there would be no suitable candidate. , who will take advantage of these idiots.

There are obvious benefits, but these idiots don't fight for it. Wait for the effect of the medicine to show, and see if these idiots will regret it!

Just as Hongjun was cursing in his heart, an old and timid voice sounded from the crowd. timid voice

"Qin...Master Qin Feng, you...do you think it's okay for me?"

Hearing this, everyone followed the sound and saw an old man with a big forehead, white beard, and a cane walking out of the crowd staggeringly.....

"It's him! Antarctic old man!"

"hehe! This old guy wants to try the elixir, isn't he just trying to trick people!"

The crowd whispered.

Many people looked at the old man with contempt, as if they looked down on the old man.

Qin Feng also looked at the old man curiously.

This old man's cultivation is also at the peak of the first realm, and he is a suitable candidate.

"Lord Qin Feng, can I give it a try?"

The old man has come forward.

Qin Feng was about to agree, but Xian Ling on the side quickly stopped him: "No, sir!" This person is not suitable for testing elixirs.

Qin Feng was stunned: "Why?"

Xian Ling said hurriedly: "My lord, I don't know something. This man's name is Old Man Anji, and he is a famous casual cultivator in all the worlds. He is famous not because of his strength, but because he lived a long time"

"It can be said that there are not many people in the universe who have lived longer than him. Even Senior Yuexia has not lived as long as him, so he has been nicknamed longevity star by the universe."

"But he has lived for so long, and his cultivation is still stuck at the peak of the first realm of eternity, just because his talent and qualifications are so poor. As we all know, the higher the talent in cultivation, the better the effect of taking elixirs."

"This old man from Antarctica has too little talent, and the effect of taking the elixir is less than one-tenth of that of others. If you choose this person to test the elixir, it will be a waste of the elixir and become a drag....."

When these words came out, the old Antarctic man was extremely embarrassed and his face turned slightly red.

But he knew that what Xian Ling said was true.

It is precisely because of his poor talent that he has always been looked down upon by his peers.

His heart was extremely aggrieved, and his desire to break through to the second realm of eternity was a hundred times stronger than anyone else's.

Now, he finally saw a chance, so he braved everyone's ridicule and stepped forward to give it a try.

But after listening to Xian Ling's words, Qin Feng looked at the old Antarctic man again.

The old Antarctic man also looked at him pitifully, his eyes full of anxiety.

He seemed worried that Qin Feng would not agree.

Qin Feng was touched by his eyes.

At that moment, he said:"Fellow Taoist Xianling, I think this person can give it a try!"

Hearing this, the old Antarctic man was overjoyed.

But Xianling said anxiously:"Master Qin Feng, you must not do this! You don't know something, but the talent of this old Antarctic man is even worse than you imagined.""

"As we all know, the Antarctic old man's father is a quasi-holy ancestor who is at the peak of his powers. Back then, his father exhausted countless resources to build him up to the peak of the first level. Until the death of his father, his cultivation was still stuck at the peak of the first level."

"This shows that his talent is extremely different. If he hadn't been born in a good environment, I'm afraid he might not have been able to cultivate to the quasi-god realm in his lifetime."

Hearing this, Qin Feng was a little surprised.

In this way, the talent of this old Antarctic man is really very different!

"Are what the old Antarctic man and Taoist fellow Xianling said true?"Qin Feng asked curiously.

The old Antarctic man looked bitter:"What Master Xian Ling said is true. However, the little old man is eager for the adults to give the little old man a chance and let me give it a try....."

Seeing the longing in the Antarctic old man's eyes, Qin Feng hesitated for a while and then said: "Okay! I have chosen you!"

As soon as he said this, Xian Ling's face changed slightly.

Everyone around looked stunned.

This Qin Feng was really sick and rushed to the doctor!

How dare you ask for such a candidate?

"Thank you so much, sir!"

The old Antarctic man looked ecstatic, and even his lips were trembling.

His gratitude to Qin Feng came from the bottom of his heart.

"The number of people has been selected! Then let's get started!"

When the old man under the moon saw Qin Feng choosing the old man in Antarctica, he secretly laughed at how stupid Qin Feng was.

Immediately, he said what he said, for fear that Qin Feng would regret it.

Prince Xishen and Saint Ancestor Guixu looked at each other and smiled again, secretly thinking about Qin Feng. It was difficult for Feng not to lose this time.

Only Xian Ling was worried about Qin Feng and sighed in his heart.

Afterwards, the two sides stopped talking nonsense and the competition officially began.

However, Qin Feng did not expect that he inadvertently chose the Antarctic old man, but Brought a great fortune to myself...

Chapter 1134

Soon, the competition venue was arranged.

Six drug testers sat cross-legged.

The three people on the left are Old Man Yuexia's medicine testers.

The three people on the right are Qin Feng's medicine testers.

Onlookers are prohibited from entering the medicine testing area, so as not to disturb the testers' refining of the elixir.

At this time, the old man under the moon said loudly:"Everyone, my Seven Flowers Barrier-Breaking Pill needs a day to be completely refined. During this period, I hope you will be quiet and do not disturb the refining of the tester..If the person testing the medicine is interfered with, the consequences may be big or small."

"I'll understand!"

All the onlookers agreed one after another.

"Boy, what do you want?"

The old man under the moon looked at Qin Feng again.

Qin Feng said impatiently:"Let's start!"

"good!"

The old man Yuexia waved his hand, and three Qihua Barrier-breaking Pills flew towards the three testers.

The three people got the pills, and as if they had found a treasure, they opened their mouths and swallowed them.

Immediately, the three people closed their eyes and started Meditate and refine.

On the other side, Qin Feng also waved his hand, and three Hunyuan Divine Pills flew towards Xian Wushan, Xianyue, and the old man Anji.

Xian Wushan and Xianyue got the pills, hesitated for a moment, and then slowly They swallowed the elixir swallowingly.

They were still worried that there was something wrong with the elixir.

But the Antarctic old man swallowed it in one gulp, very simply.

At this point, all six testers swallowed the elixir and began to meditate and refine it.

Everyone around them was silent. People were paying attention, and the venue became very quiet, but the atmosphere was a bit tense.

This was a big bet! It was related to the bet of 20,000 drops of Nine Heavens Jade Dew, so everyone was naturally nervous and excited.

Among the crowd, Xi Shen The Crown Prince and the Saint Ancestor Guixu were communicating with each other.

"Your Majesty Xi Palace, there shouldn't be much problem in this competition, right? If all six of them failed, there would be no way to tell the winner."

Guixu Saint Ancestor secretly transmitted the message, but there was still a hint of worry in his tone.

Prince Xishen said confidently: "Brother Zhentian, don't worry! The success rate of my father's Qihua Barrier-Breaking Pill is one-third. If these three people take it at the same time, one of them will be able to achieve a successful breakthrough."

"What's more, my father has extraordinary vision, and the three drug testers he selected are all highly qualified and have a higher success rate. Just wait and see Qin Feng lose the bet! Hearing this

, Saint Ancestor Guixu breathed a sigh of relief: "That's good!" Speaking of which, Qin Feng, the little thief, also disagreed. The three drug testers he chose were not very good. The qualifications of Xian Wushan and Xianyue can only be considered average, and the old Antarctic man is even worse. If he wants to win, it will be even harder than climbing to the sky.!"

"Haha! This is his own fault! As long as we can win this bet, even if we can't kill this bastard, we will make him pay a heavy price!"

The two people were chatting secretly, and the more they chatted, the more excited they became.

At the same time, the six drug testers in the field also made some movements.

On the left, I saw the three people who had taken the Qihua Barrier-Breaking Pill, and their bodies were constantly overflowing with Qi-Colored Pill Qi. , like clouds and fog, surrounding his body, with dazzling colors and extraordinary atmosphere.

On the right, the three people who took the Hunyuan Shendan had gray elixir energy overflowing from their bodies, wrapping around their bodies, making them look dim and dull. Ordinary.

With a blink of an eye, it makes people feel that the Qihua Barrier-Breaking Pill is one level higher than the Hunyuan Divine Pill...

The eyes of the onlookers could not help but fall on the three people who took the Qihua Barrier-Breaking Pill.

Many people in the crowd showed envy, jealousy and hatred.

As for the three Antarctic old men, fewer and fewer people paid attention to them.

Gradually, more and more Dan Qi leaked out of the six people's bodies, gathering into a mist. All six people were enveloped.

The difference is that the mist formed by the Qihua Barrier-breaking Pill is colorful, the mist is larger, the light is more dazzling, and the weather is extremely amazing. The mist formed by the Hunyuan Shendan has always been dim. The light is ordinary and unremarkable...

Gradually, everyone's attention is focused on the three people who took the Qihua Barrier-Breaking Pill... There are also constant voices in the crowd

"Tsk tsk! I am envious of the three people who took the Qihua Barrier-Breaking Pill! Only an hour has passed, and there is such a scene. It seems that one of the three people must be able to successfully break through the bottleneck!"

"yes! Such a good opportunity, it's a pity that it didn't happen to me! Why~! "

"Don't talk about you anymore, I'm envious of you too!"

"By the way, what do you think of Qin Feng's Hunyuan Divine Pill?"

"What else? If you don't look at the effects of those elixirs, they don't look like divine elixirs of eternal lower realm quality! I think the three of Xian Wushan will definitely fail!"

"I don't know whether Xian Wushan and Xianyue will fail, but the Antarctic old man is destined not to succeed, haha!!"

As soon as these words were said, someone showed a knowing smile.

Someone else said:"Don't worry! It is impossible for any of the three Xian Wushan to succeed! The Qihua Barrier Breaking Pill can enable three people to break through one person, which is already extremely rare. Can the Hunyuan Divine Pill be more effective than this?"

"yes! Generally speaking, if you have a 20% chance of breakthrough, you have reached the quality of the eternal lower realm. The 30% chance of breakthrough of Qihua Barrier Breaking Pill is already the best among the same quality....."

The crowd kept hearing the news and the discussion never stopped.

The onlookers did not dare to disturb the refining of the medicine testers, and they all transmitted the message secretly...

On the other side, Old Man Yuexia was stroking his long beard while paying attention to the three medicine testers on his side.

At this moment, he had a smile on his face and his eyes were full of confidence.

The process of testing the medicine was smoother than he imagined.

According to this development, one of the three people will definitely be able to break through the bottleneck and succeed, or even perform beyond normal performance, and two of them will succeed.....

If the two of them really succeed, then he will really shine in Wuxi and shock the whole audience... The more Yuexia the old man thought about it, the more proud he became, and the smile on the corner of his mouth became thicker...

On the other side, Qin Feng and Hongjun were both there He closed his eyes and meditated, not paying attention to the six people in the field.

But at this moment, both of them opened their eyes at the same time.

Calculating the time, the power of the Hunyuan Divine Pill has been almost refined, and it's time to take effect.....

The two of them had just started thinking, and suddenly something happened in the scene.

I saw the gray fog representing Xianwu Mountain. Suddenly the fog rolled and the golden light shined, illuminating the whole place instantly.....

"Huh! This is....."

Everyone was startled and looked at Xian Wushan.

Boom~Long~Long!

The next second, a surge of monstrous energy soared into the sky from Xian Wushan, one after another.....

Immediately afterwards, he exuded a state pressure, and suddenly reached the second state of eternity!

"Oh My God! It's the second realm of eternity!"

"He... he... broke through! Xian Wushan broke through!"

The whole place instantly boiled into an uproar.

Swish~! Swish~! Swish~!

Old Man Yuexia, Prince Xishen, and Saint Ancestor Guixu also all looked at Xian Wushan, all with expressions of disbelief.

This How is it possible!!

It has only been an hour!

Qin Feng's Hunyuan Divine Pill has already made people break through successfully!

You know, high-level pills are generally difficult to refine.

This Hunyuan Divine Pill is also difficult to refine It's too fast!

The effect is too good!

The three old people under Yuexia simply can't believe the facts in front of them.

"It shouldn't be like this! It shouldn't be so!"

Old man Yuexia shook his head slightly.

He even felt that Xian Wushan would succeed in breaking through because he was close to breaking through, and the effect of the Hunyuan Divine Pill was not as good as that of the Hunyuan Divine Pill.

How could Qin Feng's pill be comparable to his Divine Pill? Than?!

But the old man under the moon just came up with this idea, and there was a sudden change in the field.....

Buzz~!

Another golden light shines, illuminating the whole place!

Boom~Long~Long!

Immediately afterwards, another shocking force shot up into the sky, and there was once again the pressure of the eternal second realm in the field.....

"Oh My God! Xian...Xianyue also made a breakthrough!"

"No way?! Is the Hunyuan Divine Pill so effective? In just one hour, two people in succession succeeded in breaking through!"

The whole place became even more excited!

Everyone kept exclaiming!

"impossible! This is absolutely impossible!"

Old man Yuexia shook his head repeatedly.

The expressions on the faces of Prince Xishen and Saint Ancestor Guixu became more and more difficult.

They knew in their hearts that even if the Qihua Barrier-breaking Pill was used to its extreme, it would be difficult for the two of them to successfully break through!

But right here At this time, the mutation regenerated in the field!

Buzz~!

The third golden light lit up!

Boom~Long~Long!

Another majestic momentum rose into the sky, connecting the sky and the earth...

Immediately afterwards, the third eternal second realm Coercion is born!

"OMG! Even...even the old Antarctic man broke through!"

"This...this is too exaggerated!"

At this time, the whole audience was completely excited!

The whole audience exclaimed and everyone was dumbfounded.

"How...how could this happen?!"

Old man Yuexia was also dumbfounded.

The faces of Prince Xishen and Saint Ancestor Guixu turned pale.

But at this moment, the mutation reappeared in the field!

Wow~! Wow~! Wow~!

I saw that they were refining seven The three people who took the Huahua Barrier-Breaking Pill spurted blood one after another, and the elixir energy from their bodies was instantly dissipated. Their auras were sluggish, and their faces became extremely ugly... It turns out that refining the Seven-Hua Barrier-Breaking Pill requires an extremely quiet environment, especially for refining. In the early stage of elixir transformation, the impact was very huge.

The continuous breakthroughs of Xian Wushan, Xian Ling, and Anji Old Man completely ignited the audience, and everyone screamed loudly. The breakthroughs of Xian Wushan and others were also very exciting. It was so huge that it directly affected the state of mind of the three people. It actually caused the three of them to be distracted while refining, something went wrong, and they all spurted blood and were interrupted.....

"It's over! It's over! This time it's completely over!"

When Old Man Yuexia saw the appearance of those three people, his heart sank and became cold.

Those three people have been backfired by the power of the elixir. Not to mention the refining breakthrough, it would be good if they can maintain their current cultivation level.

Xi. Prince Shen and Saint Ancestor Guixu also saw this scene. Their faces were pale and their hearts were completely in despair..

Chapter 1135

"Look! The three people who took the Qihua Barrier-breaking Pill all vomited blood....."

"yes! The three of them looked so bad!"

"Huh! Their cultivation aura also dropped. This one is not good, the original state cannot be maintained....."

At this moment, there was a lot of discussion among the crowd.

Many people cast sympathetic glances at the three people who had taken the Qihua Barrier-Breaking Pill.

The faces of the three people were also extremely ugly, and their hearts were filled with chills.

They originally thought that they had taken advantage of it this time, but they did not expect that such a mistake would occur. It was really a waste of money.

If they had known that the Qihua Barrier-Breaking Pill was such a waste, they would have chosen the Hunyuan Divine Pill.

At this moment, the three of them felt extremely regretful.....

"Tsk tsks!! These three guys are really unlucky!"

"yes! I didn't expect that the Qihua Barrier-Breaking Pill would be so bad. Not only was it ineffective, it was also harmful to people. It couldn't even maintain its original state!"

There were some murmurs from the crowd again.....

When Old Man Yuexia heard this, his face turned red with anger and he almost vomited blood on the spot.....

No matter how good his Qi Hua Barrier-Breaking Pill is, it still has a one-third success rate. It shouldn't have performed like today.....

"waste! waste! waste! You are all trash!"

Old man Yuexia was so angry that he cursed at the three people who tested the medicine.

The three people wanted to cry but had no tears, and they felt even more regretful.....

At the same time, on the other side, the three people in Xian Wushan had collected all their alchemy energy, and opened their eyes from meditating with ecstasy...

Then, they walked quickly towards Qin Feng in the eyes of everyone with great envy.....

"Thanks to Mr. Qin Feng for giving me the medicine, so that Wushan got this great opportunity!"

"The kindness of a little girl to an adult! Grateful!"

Xian Wushan and Xianyue both expressed their gratitude to Qin Feng excitedly.

Qin Feng said expressionlessly:"You don't have to be grateful to me! I only care about the face of your Territory Lord!"

Being greeted coldly by these words, Xian Wushan and the two smiled bitterly, feeling ashamed and embarrassed.

Before, they had doubts about Qin Feng's elixir.

If Xian Ling hadn't forced them to try it , I'm afraid they won't do it.

Now it seems that they are really stupid!

If the Territory Lord hadn't come forward, they would have lost today's opportunity.

Thinking of this, the two of them bowed awkwardly, and looked guilty. Retreat behind Xian Ling.....

At this time, the old Antarctic man leaned on crutches and said with great excitement: "Thank you, Mr. Qin Feng! You are the reborn parents of the little old man! In the future, if there is a chance, the little old man will definitely repay the favor!"

Qin Feng smiled kindly: "Fellow Taoist, you don't have to be like this! This is all due to fate, and fellow Taoist should have the luck you have today."

"Your Excellency is so humble! If it weren't for the help of your Hunyuan Divine Pill, the little old man's breakthrough today would have been possible! Everyone knows the difference in qualifications between the old man and the old man."

"The effect of the Lord's divine elixir far exceeds the quality of the lower realm of eternity, and is probably comparable to the quality of the middle realm of eternity. This is how the little old man, with such poor qualifications, can still make a breakthrough!"

The Antarctic old man spoke with great gratitude, and his gratitude came from the bottom of his heart.

Everyone around him nodded when he heard this.

"The old Antarctic man is right! The Hunyuan Divine Pill is so effective that it is comparable to the divine elixir of eternity-level quality. The effect is far stronger than the Seven Flowers Barrier-Breaking Pill!"

"yes! Even an old Antarctic man with such poor qualifications can break through after taking Hunyuan Shendan, and we can do even better."

"Hey~! If I had known this, when Master Qin Feng asked someone to test the medicine, I should have gone out and tried it!"

"oops! I... I originally wanted to go, but I still hesitated and missed this great opportunity....."

At this moment, those first-level peak players were all beating their chests and regretting endlessly...

Hongjun felt funny when he saw this scene.

There is no regret medicine in this world. If you want to blame them, you can only blame them for being stupid!

"Old Man Yuexia, the results are now out. I won this contest, it's time for you to cash in your bet!"

At this time, Qin Feng looked at Old Man Yuexia leisurely.

He was not worried that Old Man Yuexia would regret it.

Unless this guy was not afraid of the backlash of the contract.

"snort! I won't owe you your bet!"

"good! According to the contract. From the end of the competition, within the first day, you need to hand over more than 1,000 drops of Nine Heavens Jade Dew, and you need to make up the remaining share before the end of this assessment!"

"snort!", Old Man Yuexia's face was extremely gloomy.

He waved and took out several jade bottles from his storage ring, all of which were filled with Nine Heavens Jade Dew.

Those were his inventory for many years, not just this time. Assessment rewards

"Xishen, Zhentian, take out all the Nine Heavens Jade Dew on your bodies....."

"oh~!"

Prince Xishen and Saint Ancestor Guixu both looked miserable and reluctantly took out several jade bottles.

Those are the inventories they have accumulated over hundreds of millions of years.

After all, Jiutian Jade Dew is not only found in the Secret Land, it can also be collected in some places outside the Jiutian Territory.

The old man under the moon took stock of the jade dew in the jade bottles, but it was still far from enough.

"Fellow Daoist Liugen, I wonder if you have some Nine Heavens Jade Dew on your body. Can you give it to me first? Later, I will use equivalent resources to compensate fellow Taoists...."

Old Man Yuexia looked at the Six Root Ancestors

"Easy to say! Easy to say!"

Ancestor Liugen happily took out a few jade bottles.

After Old Man Yuexia took them, he took a brief inventory and threw all the jade bottles towards Qin Feng.....

"Boy, there are a total of 4320 drops of Nine Heavens Jade Dew in these bottles! I'll give it to you first! I will collect all the bets you owe before the end of this assessment!"

Qin Feng got those bottles and took stock of them. Sure enough, there were 4320 drops.

"That's right! It's 4320 drops! Thank you very much! Ha ha!!"

He laughed and put away the bottles.

This time the harvest was very good, which made him feel very good.

Everyone around him also looked envious.

"snort! Don't be proud! Wait and see later! let's go!"

Old man Yuexia dropped these harsh words and turned around to leave.

Prince Xishen and Saint Ancestor Guixu followed dejectedly.....

At this moment, the three of them suddenly saw the embarrassed bearded man in the crowd, lowering his head furtively, as if he was about to slip away.....

"Stop, I!"

"Former..Senior!"

The bearded man trembled all over and turned back with a wry smile.

At this moment, he was a little afraid to face the old man under the moon.

"senior! You...what are your orders?"

"Is your name Hu Lin?"

"Yes, it is!"

"good! I remember you! In the next assessment, I hope you will not fall into my hands. As long as there is a chance, I will kill you!"

"ah?!"

The bearded man's face changed drastically.

"Former...senior! What did the junior do wrong? Why are you doing this to me?!"

"snort!"

The old man Yuezi sneered and walked away without bothering to pay attention to him.

"Hu Lin, if you hadn't repeatedly persuaded my father to gamble, my father would have suffered such heavy losses! Just wait to die!"

Prince Xishen dropped these harsh words and walked away.

The bearded man felt as if he was struck by five thunders, his whole body swayed slightly, and he almost collapsed to the ground...

Chapter 1136

"Hu Lin, if you hadn't repeatedly persuaded my father to gamble, my father would have suffered such heavy losses! Just wait to die!"

Prince Xi Shen dropped these cruel words and walked away.

The bearded man felt as if he was struck by five thunders, his whole body shook slightly and he almost collapsed to the ground.....

Oh my God!

What on earth did he do?!

How could he receive such retribution!

He was an early-stage Heavenly Saint, and he was obsessed with a peak-level quasi-Saint Ancestor. He was almost doomed!

At this moment, the bearded man was on the verge of tears and felt desperate!

On the other side, Qin Feng put away his trophies with satisfaction

"Lord Qin Feng, congratulations on your victory!"

Xian Ling's face was filled with joy.

She was really happy for Qin Feng

"This time, Qin also wanted to thank fellow Taoist friends for their help. By the way, let's continue our previous transaction. These are twenty-six Hunyuan Divine Pills. Take them!"

Qin Feng waved his hand cheerfully and threw the twenty-six Hunyuan Shendan Shuang over.

Xian Ling was flattered: "Sir... this is not worth it! Your Hunyuan Divine Pill is comparable to a mid-level magic pill. Not to mention one exchange for five drops of Nine Heavens Jade Dew, even ten drops are enough. If you trade with a little girl like this, you will suffer a loss! Qin Feng smiled slightly: "

You deserve this!" Just take it!"

"This....okay!"

Xian Ling carefully put away the elixirs.

Everyone around them showed envy.

Those are divine elixirs comparable to the realm of eternity, and they are extremely valuable!

"Lord Qin Feng, thank you for your love. The little lady also gives you something, I hope you accept it!"

At this time, Xian Ling put a storage ring against it.

Qin Feng took it and took a glance, and found that there were more than 200 red spiritual fruits inside.

"Huh! What are you....."

"Sir, this is the Nine Drunk Spirit Fruit, a specialty of our Daxian Heavenly Domain. It will be of great help to improve your cultivation in the first realm of eternity. This is a little girl's idea, I hope you will accept it."

Qin Feng suddenly realized.

This woman didn't want to take advantage of him, so she gave away so many spiritual fruits as compensation.

Although these Nine Drunken Spirit Fruits are not useful to Qin Feng, Chu Chu and Yun Xi can use them.!

What's more, those two girls have eaten all the pills they should take. If they want to improve their cultivation

, they need to find another way. Just these Nine Drunken Spirit Fruits can be used by them.

After all, these two girls' cultivation is too low, Qin Feng also wanted them to improve quickly.

Thinking of this, he put away the storage ring

"Fellow Taoist Xianling, Qin will accept your wishes. Xian

Ling covered her mouth and smiled sweetly:"You're welcome, sir. If you can accept it, it's too late for the little girl to be happy."...."

The two exchanged pleasantries.

Full of gains, Qin Feng led Hongjun and prepared to return to the station in the God Realm.....

As soon as he made this move, thousands of examiners gathered around him.

"Lord Qin Feng, do you still have the Hunyuan Divine Pill? I'm willing to exchange Jiutian Jade Dew with you! Five drops for one... Oh, no! It's six drops for one!"

"Lord Qin Feng, I am also willing to trade with you! I'll give you seven drops!"

"And I! I'll give you ten drops!"

"And me...and me....."

At this moment, everyone was rushing to exchange Qin Feng for the Hunyuan Divine Pill.

This situation is completely different from before, completely different from heaven to earth!

Before, these guys disdained Qin Feng's pills.

Now it has turned into a mad rush!

It's really this moment and that moment!

Hongjun felt a little disdainful when he saw this scene.

"Lord Qin Feng, please exchange with me! I mean it sincerely!"

"Sir, I also sincerely want to exchange, so just exchange with me!"

Everyone begged.

These people are extremely eager for the Hunyuan Divine Pill!

Qin Feng looked around at the crowd and smiled coldly: "If we talk about the Hunyuan Divine Pill, I have many more. pity! I am not short of Nine Heavens Jade Dew now, I won't change it!"

"ah?!"

"This...this...hey~! "

As soon as they heard that Qin Feng didn't want to change, everyone beat their chests and felt regretful.

They were all silently cursing themselves for being stupid.

If they had some foresight and traded a batch of Hunyuan Divine Pills before Qin Feng's bet, they would have made a lot of money.

Just like Fairy Xianling, she made a lot of money this time!

Thinking of this, everyone felt regretful and disappointed.

At this moment, an old man with a formidable expression pushed aside the crowd and walked directly over...

As soon as the old man appeared, many people recognized him, and they all moved out of the way with awe on their faces.

"I'll give you fifteen drops per pill! Little friend Qin Feng, are you willing to exchange the Hunyuan Divine Pill with me?"

The old man blocked Qin Feng's path with a arrogant expression.

Qin Feng took a closer look and saw that he was actually a strong man in the early stage of Quasi-Saint Ancestor.

Looking at the old man's condescending expression, he obviously regarded Qin Feng as an insignificant junior.

"Feel sorry! I just said that there is no shortage of jade dew and no replacement of elixirs!"

Qin Feng refused directly, not bothering to give him face. The old man frowned and was immediately displeased.

This little guy in the second realm did not give him face.

Could it be that he thought that with some alchemy attainments, he could ignore the mighty quasi-saint ancestor? Is he majestic?

Just when the old man was about to have an attack, Xian Ling quickly came over to dissuade him.

"Senior Shituo, do you know who this Lord Qin Feng is?"

Xian Ling said politely to the old man.

It turns out that this old man is called Shituo Ancestor, and he is the leader of the Three Saints Heaven Realm. His cultivation has reached the peak of the early stage of the Quasi Saint Ancestor.

Under him, there are still two people in the Three Saints Heaven Realm. He is the leader of the early stage of the Quasi-Saint Ancestor.

In short, the strength of the Three Saints Heaven Realm belongs to the middle level among the Nine Heavens and Ten Realms, and it can be regarded as the top among all the heavens and worlds.

"who is he? Isn't he a junior from the second realm of eternity, named Qin Feng! What? Does he have another origin?"

The lion camel ancestor said with a proud look.

Xian Ling nodded:"Senior is right! He is Qin Feng from the God Realm who has recently become famous in the Nine Heavens and Ten Realms!"

"Qin Feng from the God Realm?! Ah...."

The lion camel ancestor smiled disdainfully.

But in the next second, he suddenly thought of something, opened his eyes wide and asked:"You...are you the God Realm Qin Feng who killed the Moon Goddess Princess and defeated the Xi God Prince?!"

The words were not loud, but they could be heard instantly All over the place.

As soon as the words fell, everyone was extremely shocked, and everyone looked at Qin Feng in shock.

OMG!

Kill Princess Luna!

Defeated Prince Xishen!

This can't be true, can it?

At this moment, Qin Feng frowned slightly:"Yes! It's me! What? Fellow Taoist want to fight for them?!"

As soon as these words fell, the whole audience was shocked again.

Oh My God!

This is actually true!

At this moment, everyone suddenly realized.

No wonder Old Man Yuexia wants to trouble Qin Feng.

It turns out there is such a contradiction here!

Thinking of this, everyone had no doubt about Qin Feng's trust, and their eyes changed when they looked at Qin Feng, and they all became in awe.

A person who dares to confront Old Man Yuexia and defeat Prince Xi Shen must be a powerful person in the middle stage of the Quasi-Saint Ancestor.

How could they not be afraid of such power.

Even those quasi-saint ancestors who were at the peak of their powers were greatly surprised. They all looked at Qin Feng with some thoughts in their eyes.

This little guy's cultivation level is not high, but he has such strength. His talent is too terrifying!

At this thought, the eyes of all the powerful people looking at Qin Feng changed, and there was no trace of contempt anymore.

Among the crowd, the old Antarctic man was also completely shocked.

He didn't expect this young man to be so strong despite his low cultivation level.

At this moment, he was stunned.

Then, he seemed to have thought of something. Looking at Qin Feng's back, he gradually showed firm eyes.

On the other side, among the crowd, the bearded man Hu Lin just woke up from the blow and saw the scene in front of him.

He was immediately dumbfounded!

It's over!

This time it's completely over!

He originally thought that Qin Feng was just an inconspicuous second-level monk.

Unexpectedly, this guy is actually a powerful person in the middle stage of Quasi-Saint Ancestor!

How could he be so unlucky to offend such a terrible guy?

This thought made his heart collapse.....

At the same time, the lion camel ancestor was also dumbfounded.

He did not expect that the Qin Feng in front of him was Qin Feng from the God Realm who had recently become famous in the Nine Heavens and Ten Realms.

Speaking of which, even if the three leaders of the Three Saints Heaven Realm joined forces, they could only barely fight against Prince Xi Shen, but could not defeat him.

At this thought, he looked at Qin Feng with a hint of awe.

At that moment, he raised his hands to Qin Feng and said, "I'm sorry! I'm disturbing you!"

As soon as he finished speaking, the lion camel ancestor turned around and left without any hesitation.

When everyone saw this scene, their expressions changed slightly.

Those who originally wanted to pester Qin Feng to change the elixir no longer dared to come forward to pester him.

Even the lion camel ancestor took the initiative to avoid it, let alone them.

As soon as he saw the lion camel ancestor retreating, Qin Feng was too lazy to stay and walked directly to the place where the God Realm was stationed.....

Everyone was in awe and took the initiative to move out of the way, and no one dared to come forward to entangle him.

Qin Feng walked a few steps and suddenly saw the bearded man

"correct! Your name is Hu Lin, right?", Qin Feng asked casually

"Yes~!Yes~! Yes~! My name is Hu Lin!"

The bearded man nodded repeatedly, looking uneasy.

Qin Feng smiled coldly:"Okay! I remember you! Take care of yourself!"

"Well...! "

The bearded man's face turned pale, and his body froze as if struck by five thunders.

OMG!

What sin have I committed?!

He offended Old Man Yuexia earlier, and offended Qin Feng from the God Realm later.

They are all big shots that he cannot afford to offend!

You make yourself no longer a human being inside and out!

At this moment, the bearded man collapsed completely and froze on the spot.

At the same time, Qin Feng stopped staying and walked directly to the God Realm garrison area.

Hongjun followed closely behind.

Just when the two of them were approaching the stationed area, Qin Feng seemed to sense something. He quickly turned around and saw the old Antarctic man following him directly..

Chapter 1137

When the old Antarctic man saw Qin Feng turning around, he quickly quickened his pace and stepped forward.

"Are you alright?", Qin Feng asked curiously.

The old Antarctic man said a little embarrassedly:"Master Qin Feng, I have an unkind request. I hope you can agree to it."

"Say it! The old man in Anji hesitated for a while and then said:"That's it, sir. The little old man is a casual cultivator and has been living in no fixed place." The little old man wants to join your divine realm. I wonder if you would be willing to take him in?"

Speaking of this, the old man in Anji felt a little uneasy.

His qualifications were too poor. In the past, he wanted to join some big forces in the Nine Heavens and Ten Domains, but he was turned away.

Those big forces felt that it was not cost-effective to train him.

As for China He looked down on small forces.

He originally thought that Qin Feng was just a second-level strong man who was very accomplished in alchemy, but he never expected that Qin Feng's strength could be comparable to that of the mid-stage quasi-saint ancestor.

So. With his strength, he must be the leader of a large force.

Thinking of this, he wanted to join Qin Feng and end his days of no fixed place, but he was also afraid of Qin Feng's rejection, so he was inevitably a little uneasy.

"Do you want to join our God Realm?"

"Yes, I hope the adults can accept the little old man...."

The old Antarctic man looked sincere and a little uneasy.

Qin Feng thought for a while and said:"It's okay to accept you! However, there is a rule for me to accept subordinates." The

Antarctic old man's eyes lit up and he said excitedly:"This is really great! Sir, please just say it. , what are the rules? As long as the little old man can do it, he will definitely do it with all his strength"

"Very simple! To enter my divine realm, you need to sign a contract with me. You cannot betray the divine realm in this life!"

"So that's the rule! Sir, this is what it should be. I am willing to sign this contract!"

The old man from Antarctica readily agreed.

"good! Come with me!"

At that moment, Qin Feng brought the old man Anji into the fetal membrane of heaven and earth.

After entering the fetal membrane, the old man Anji was shocked to find that there were more than 1,300 disciples of the Divine Alliance inside, all meditating and practicing.

Such a scale The number of people exceeds all large forces and is comparable to the scale of a super force.

This world of gods is more powerful than he imagined!

Thinking of this, the old Antarctic man was excited and very happy.

He secretly thought about his decision That's right. After joining such a powerful force, the future will definitely not be any worse...

At the same time, he is even more grateful to Qin Feng.

From beginning to end, Qin Feng has never discriminated against his talent, and has repeatedly given him Opportunities, completely different from others

"Antarctica, are you ready?"

"Sir, you are ready, let's start!"

"good!"

Qin Feng didn't waste any time. He immediately cut his finger to clot the blood, drew a bloody rune in the air, and printed it on the Antarctic old man's eyebrows.....

Buzz~!

The next second, the runes lit up with golden light, blended into the Antarctic old man's eyebrows at a speed visible to the naked eye, and disappeared.....

"Ding~! Congratulations to the host for acquiring an eternal second level subordinate (the Antarctic old man).....The host has received feedback from the combat power...the combat power has been improved....."

In just a moment, the two of them had a soul connection, and the contract came into effect.....

The old Antarctic man also slowly opened his eyes, his eyes changed, and he was full of respect for Qin Feng.

"I've seen His Majesty in Antarctica!"

The old man from Antarctica bowed respectfully.

"No gift! Antarctica, take these elixirs and refine them. There are several types of body-tempering pills in them, which may allow you to evolve your physique and improve your talents....."

Qin Feng waved his hand, and dozens of magic pills flew over.

When he heard that there was a magical elixir that could temper the body and improve one's qualifications, the old Antarctic man was so excited that his hands were shaking.

He carefully put away the magic elixir, thought for a while, and then said:"Your Majesty, you are kind to the little old man, and you are willing to take the little old man in, and give him so many magic pills. The little old man has no mercy. As repayment, I want to give His Majesty a treasure to express my feelings."

Qin Feng smiled slightly:"It doesn't have to be like this! I took you in because you stepped forward when I needed you most, not because I need anything in return. You Go down and refine those elixirs to improve your strength as soon as possible. Next, there will be more tests that need to be dealt with."

Hearing this, the Antarctic old man felt warm in his heart.

Qin Feng's lack of asking for anything in return made him more convinced that following Qin Feng's choice was the right one.

At that moment, he said firmly: "Your Majesty, I really want to give you something, so please take a look at it first!"

Seeing how persistent he was, Qin Feng smiled slightly and said: "That's alright! Then I'll see what it is. ?"

"His Majesty! Hold on!"

The old Antarctic man quickly took out a simple jade bottle with runes.

He carefully opened the cork and poured it out. A green and blue seed rolled out...

Boom~Long~Long!

That kind of seed rolled out. When it falls out, it emits monstrous green and blue spiritual energy, which looks like wind and thunder, makes a roaring sound, and spreads out in all directions.....

In just an instant, the overwhelming spiritual energy filled the entire fetal membrane space.

If it weren't for the barrier between heaven and earth, those things would have spilled out.....

At this moment, the concentration of the spiritual energy of the wind and thunder systems in the entire fetal membrane space increased by more than ten thousand times, and it solidified into mist, creating a myriad of phenomena, which immediately alarmed all the disciples of the Divine Alliance.....

"Huh! what is that?!"

"Look! It seems like a seed!"

All the disciples exclaimed and looked over one after another, each with a look of astonishment on their face.....

Qin Feng was also greatly surprised. He stared at the seed...

He saw the seed floating in the air, constantly emitting green and blue auras, and overflowing with extremely majestic wind and thunder auras. It was extraordinary.....

"Dad, what is this?", Hongjun was surprised.

Qin Feng shook his head slightly.

He felt a little familiar, but he had never seen it before.

However, he was sure that this object was definitely a top-quality treasure!

"Antarctica, what on earth is this?"Qin Feng asked.

The old Antarctic man said respectfully:"Your Majesty, this is a seed of the spiritual root of heaven and earth!"

"What?! Is this the seed of the spiritual roots of heaven and earth?", Hongjun was greatly surprised.

You must know that the spiritual root of heaven and earth is an extremely precious thing. It is the key treasure for the peak of the Heavenly Saint to break through to the quasi-saint ancestor!

And the heaven and earth have a fixed number, and the spiritual root is limited.

This world between heaven and earth The number of spiritual roots is limited, and the number of people who can become quasi-holy ancestors is also limited.

Therefore, various large-scale forces and super forces attach great importance to the spiritual roots of heaven and earth.

Every additional spiritual root of heaven and earth means that there are more opportunities.
Cultivate a quasi-saint ancestor

"Antarctica, how come you have the seeds of the spiritual roots of heaven and earth?", Qin Feng asked curiously.

Hongjun also had a thought in his mind.

Yes!

The old Antarctic man was only in the first realm of eternity before, and his cultivation level was very low. How could he have the seeds of the spiritual root of heaven and earth?

You know, many heavenly saints The top experts do not have the spiritual roots of heaven and earth, and they have always been encountered but not sought.

The old Antarctic man sighed and said:"Your Majesty, you don't know something. Although the little old man's cultivation level is not high, he has a father who is at the peak of the quasi-Saint Ancestor..."

Having said this, the old man in Anji looked up into the distance, his eyes lost in memories.

Qin Feng understood in his heart.

Xian Ling had mentioned this before.

The Antarctic old man continued:"The thing is like this, the young man's talent is too poor, even with my father's ability, it is difficult to improve my qualifications. My father was unwilling to give in, so he went outside Jiutian Territory, trying to find some treasures that could improve my qualifications....."

"Who would have thought that once my father left, he would never come back again. And the soul card he left behind was also shattered, and he should have fallen outside the Jiutian Territory. After all, it is the most dangerous place in the heavens....."

Speaking of this, the Antarctic old man's face was full of sorrow.

Qin Feng was also slightly moved.

Even the most powerful quasi-saint ancestors would fall. The danger outside the Nine Heavens Territory was far greater than he imagined!

The Antarctic Immortal sighed again: "Since then, the little old man has become a helpless little cultivator... Alas~! At that time, before my father left, he left in a hurry, not thinking that he would die, so he didn't leave me many resources...."

"It's just that when I was young, I left this seed of the spiritual root of heaven and earth in the hope that I could use it after I reach the peak of Heavenly Saint. It's a pity that with the young man's qualifications, he won't be able to use it even if he practices till death. It would be a waste to keep it."

"So I want to give this seed to Your Majesty. It will be put to good use. I hope Your Majesty will accept it! Qin

Feng was surprised: "Antarctica, this spiritual root seed is extremely precious. Do you really want to give it to me?"

The seeds of the spiritual roots of heaven and earth are naturally of great use to Qin Feng.

But it is not easy for him to accept such a precious thing directly.

"Your Majesty, I sincerely send you this little old man. I hope your Majesty will not give up!"

The old Antarctic man looked sincere.

Qin Feng had given him the gift of reincarnation, and he sincerely gave it to him. What's more, he also felt that only in Qin Feng's hands could this spiritual root be truly effective. Qin Feng took a deep breath.

Then he said: "Okay! I took this spiritual root into my body. Since you treat me sincerely, I will naturally not treat you badly in the future. If you have anything to ask for in the future, feel free to ask! The old Antarctic man smiled bitterly:"

Your Majesty, I have no other long-cherished wish. I just hope that Your Majesty will have the opportunity to go outside Jiutian Territory in the future and help me find the remains of my father. I will be very grateful."

Qin Feng nodded slightly:"This is acceptable!"

The old Antarctic man was overjoyed:"Then I will thank Your Majesty first!"

"There is no need to thank me, I would like to thank you for this great gift."

Qin Feng waved his hand and put away the spiritual root seed. The strange phenomena around him suddenly disappeared and everything returned to normal. Only then did all the disciples come back to their senses and meditate again, not daring to disturb Qin Feng.

The old man in Antarctica felt happy when he saw that Qin Feng had accepted the spiritual root seed.

Then he introduced:"Your Majesty, this spiritual root seed is called the wind and thunder seed. As long as it is soaked and cultivated with a large amount of Jiutian Jade Dew, it can slowly Germinate, then grow seedlings, and eventually grow into a spiritual root of heaven and earth called Fenglingxianxing."

Qin Feng's eyes lit up:"It was a coincidence that I wanted to use Jiutian Jade Dew to cultivate it.

Hongjun was even more delighted:"Haha!"! Dad, this is so good! You won so much Nine Heavens Jade Dew today, which can be used to cultivate this spiritual root seed. I'm really sleepy now, so someone came to give me a pillow!"

As soon as these words came out, both Qin Feng and the old man Anji showed joy.

Qin Feng didn't expect that such a good thing could come in pairs.

He was worrying about how to use the extra Nine Heavens Jade Dew, but he didn't expect that it would be useful right now.

He didn't expect that he would get such great benefits just by helping the old man in Antarctica.....

It's really unintentional, and kindness always gets good rewards!..

Chapter 1138

Thinking of this, Qin Feng was in a good mood.

This unintentional bet really made him gain a lot.

At this time, the old man in Anji said again:"Your Majesty, cultivating spiritual root seeds requires a large amount of Nine Heavens Spiritual Dew. The 20,000 drops of Nine Heavens Spiritual Dew you got are probably not enough!"

Qin Feng nodded slightly and agreed.

After all, the spiritual roots of heaven and earth are extraordinary things that can give birth to the prototype of heaven, and can even transform a heaven.

It is extremely difficult to cultivate it to maturity. It requires a large amount of Jiutian Jade Dew. Just 20,000 drops are not enough.

"Dad, those examiners outside should have stocks of Jiutian Jade Dew in their hands. Why don't we trade Hunyuan Shendan, and we should be able to collect a lot."

Hongjun suggested excitedly.

As soon as he said this, the Antarctic old man's eyes lit up:"Yes! Your Majesty, after this bet, your Hunyuan Divine Pill has become famous. As long as your majesty is willing to exchange, you will definitely be able to exchange for a large amount of Jiutian Jade Dew!"

"Right!", Qin Feng nodded slightly,"Before, I thought that Jiutian Jade Dew was enough, but now it seems that it is far from enough."

"If my estimate is correct, it would take even 50,000 drops of Nine Heavens Jade Dew to fully cultivate this Fenglingxianxing. Let's do this, Hong'er, you will be responsible for the acquisition of Jiutian Yulu."

"Dad, this is no problem! By the way, Dad, how many drops of Nine Heavens Jade Dew do you plan to exchange for one Hunyuan Divine Pill?"

"Twenty drops!"

As soon as these words were spoken, both Hongjun and the old man Anji were shocked.

"Dad, is it a bit expensive to exchange one pill for twenty drops? Hongjun asked in a low voice.

Qin Feng smiled slightly:"It's a bit expensive, but those who wish will take the bait." What's more, in order to collect the bet he owes me, Old Man Yuexia will definitely buy Jiutian Jade Dew from outside. We paid this price to allow him to collect as much as possible and give him a way to survive.

Hongjun suddenly realized:"That's right!" If the price we put is too low, and if Old Man Yuexia can't collect the bets, he doesn't know what will happen, which may not necessarily be a good thing. What's more, what dad needs most now is Jiutian Jade Dew.

Qin Feng smiled and said:"That's right!" There is no rush to kill the old man under the moon. The top priority is to gather the Nine Heavens Jade Dew. What's more, just a violation of the contract can't kill Old Man Yuexia."

"Dad is right!", Hongjun nodded repeatedly.

At this time, the Antarctic old man cupped his hands and said:"Your Majesty, it's over here. The little old man resigned!"

"good! You should refine those elixirs as soon as possible to increase your strength. In the next assessment, I hope you can pass a few more tests."

Qin Feng casually gave a few instructions.

The old Antarctic man smiled bitterly: "Your Majesty, you have taken the trouble! The young man's qualifications are too poor and he dare not make extravagant demands. He will do his best and obey fate!

Qin Feng said hurriedly: "The world is not yet determined, everything is possible." All living beings are suffering, how can we admit defeat!

The old Antarctic man was shocked: "Your Majesty is right, the little old man has learned a lesson."

As soon as he finished speaking, the old Antarctic man bowed respectfully and turned to leave.

At this time, he seemed to have thought of something, and turned around and handed out a jade talisman.

"Your Majesty, this jade talisman may be useful to you, please accept it!"

"Oh, what is this?"

"Your Majesty, this jade talisman contains all the information that the little old man knows. Although the little old man's cultivation is not high, he has lived a long time, so he knows more things than most people. Take a look, maybe it will be helpful for your next assessment...."

"very good! Then I accepted it!"

"That subordinate resigned!"

At that moment, the old Antarctic man handed over his hand and left.

Qin Feng picked up the jade talisman, his spiritual consciousness penetrated and swept it aside.

After a moment, a look of thinking appeared on his face

"Dad, what is recorded in it?"

"See for yourself!"

Qin Feng handed over the jade talisman.

Hongjun took the jade talisman and inspected it.

After a moment, a look of surprise appeared on his face.

"Dad, it turns out that the old man who has been following Old Man Yuexia with the bamboo stick in his hand is called Ancestor Liugen. He is also a strong man at the peak of the quasi-Saint Ancestor."

"yes!", Qin Feng nodded slightly, "The strength of these three people, Liugen Ancestor, Yuexia Old Man, and Ran Deng Ancestor, is average among the peak powers of the quasi-saint ancestors."

"Even though the Emperor Mang Witch Ancestor has a combat power of 70 million, which is a bit stronger than these three people, it is still far behind the Ancestor Huanji in the Nine Heavens and Ten Domains..." When he said this, Qin Feng had a look on his face. Sentiment.

The information given by the old man in Antarctica was very comprehensive, and he even carefully analyzed the peak masters from the Nine Heavens and Ten Territories and those outside the Nine Heavens Territory.

After all, he has lived too long, seen too much, and heard too much, so the accumulated information is naturally not enough. few

"Dad, is this Antarctic information recorded correctly? According to his information, the combat power of the Hunji Ancestor reached 99 million Jishu, which was almost twice the peak level of ordinary quasi-saint ancestors.

Qin Feng said lightly: "It's not impossible!" As the most powerful person in the Nine Heavens and Ten Domains, the Hunji Patriarch would not take it easy. It's just that he acted in a low-key manner. Hongjun nodded slightly: "Dad, if you say this, then the three major forces outside the Nine Heavens Territory will be even more terrifying." According to the old man in Anji, the two peak powers of

the Outer Territory Demon Abyss, the peak powers of the Outer Pure Sect, and the peak powers of the Outer Territory Dao Sect are no longer inferior to the ancestors of Huanji!"

"In short, these five people are Dad's biggest opponents in the future. Especially Mohou and Luo Jia from the Outer Demonic Abyss. Their strength is not inferior to that of the Hunji Ancestor, but they are good at fighting together and are almost invincible!"

Speaking of this, Hongjun's face was full of worry.

He was worried about his father.

Naturally, he hoped that Qin Feng could obtain the inheritance of the ancient god in this secret assessment.

This really inspired Qin Feng In order to inherit the inheritance, Ancestor Huanji, Mohu, Luo Jia and others will definitely stop it, or even snatch it head-on.

In other words, if Dad doesn't have the strength to fight against these people, it will be almost impossible to get the inheritance.

"Don't think too far ahead! The assessment has just begun now, and until the final step, we will never know whether we can inspire inheritance. However, being a father does require you to improve your strength. Otherwise, facing these old guys, being a father really has no advantage."

Qin Feng murmured to himself.

After reading the information given by the Antarctic old man, he also felt some pressure

"Dad, my kid also discovered that the Six Roots Ancestor and Old Man Yuexia were very close. Could these two be secretly joining forces? If these two people join forces, their father will not be their opponent, and the situation will be a little bad!"

Hongjun reminded in a low voice.

Qin Feng nodded slightly, secretly thinking that it was indeed the case.

His current combat power is 41 million poles, and with the super amplification multiplier, it is at the same level as Ancestor Liugen and Old Man Yuexia.

But if one versus two, he is naturally no match.

What's more, the opponent also has two quasi-Saint Ancestor subordinates, Prince Xishen and Guixu Saint Ancestor.

Therefore, he must improve his strength as soon as possible without any further delay.

With this in mind, Qin Feng looked at the outside world.

In the square, there were almost 20,000 examinees arriving.

When the number of passers reaches 30,000, this first examination will be the ultimate number.

Calculating the time, it is estimated that it will take about twenty days. Time.

After all, the further back, the lower the examiners' cultivation level and the slower their speed.

Thinking of this, Qin Feng threw a storage ring to Hongjun

"Hong'er, this storage ring contains hundreds of Hunyuan Divine Pills. You take a few people and go to the square to buy Jiutian Jade Dew. You can collect as much as you can.

Hongjun's eyes lit up: "Dad, let's do it now!"

As soon as he finished speaking, he left in a hurry. He finally had a mission, and he also knew that Jiutian Jade Dew was very important to his father's strength improvement, so he was very active.

It didn't take long before Hongjun led Kunpeng and Hongyun out. After getting the fetal membrane of heaven and earth, he began to harvest Nine Heavens Jade Dew in the square...

At the same time, inside the fetal membrane of heaven and earth,

Qin Feng summoned the shadow clone.

Then, he put more than 4,000 drops of Nine Heavens Jade Dew, as well as Fengling Xianxing's The seeds were all given to the phantom clone.

The matter of cultivating the Fusang Sacred Tree and the Wind and Thunder Immortal Apricot was all handled by the phantom clone.....

After the shadow clone left, Qin Feng took out hundreds of rune jade bottles from the storage ring.

These bottles are filled with energy, which is the energy collected during the killing of the Jiyue Heavenly Realm, the Great Freedom Heavenly Realm, and the Great Jun Heavenly Realm.

This energy is comparable to that of one Quasi-Saint Ancestor in the middle stage and three Quasi-Saint Ancestors in the early stage.

There were too many trivial matters before, and Qin Feng had no time to deal with them.

Now, he feels the pressure of the assessment and is ready to absorb the refining as soon as possible and improve his strength first.

Thinking of this, Qin Feng closed his eyes and meditated, preparing to swallow the energy..

Chapter 1139

Thinking of this, Qin Feng closed his eyes and meditated, preparing to devour the energy...

But at this moment, a sudden change occurred in the field.

Within the membrane of heaven and earth, somewhere in a corner, a monstrous force suddenly surged up...

All the disciples were startled and turned their heads to look.

Qin Feng also followed the sound and saw that among the crowd, Chu Chu's whole body momentum continued to surge, and his realm pressure also continued to increase.....

In the blink of an eye, Chu Chu's cultivation level broke through to the second realm of eternity.

After a moment, she opened her eyes with joy on her face.

Seeing this scene, Qin Feng was very happy.

My sister finally made a breakthrough.

Next, she should be able to pass a few more tests in the secret place and get more opportunities.

As soon as this thought came up, Qin Feng's tiger body shook, and a rumbling roar sounded in his body.....

His momentum also began to increase crazily.....

At the same time, in the Great Flood God Realm.

Liu Yan was holding a jade bottle in her hand and was standing under the Fusang Sacred Tree with a happy face...

Just now, the phantom clone communicated with her soul and gave her more than 4,000 drops of Nine Heavens Rain and Dew, as well as a... Let her cultivate the seeds of earth spirit roots.....

She suddenly gained so much, which made her really happy for Qin Feng.

Then, she took out a jade bottle and was about to cultivate the Fusang Sacred Tree to maturity...

But at this moment, the entire Great Flood God Realm, the heaven and the earth shook, and the world roared.....

Liu Yan was shocked and quickly swept her consciousness around...

The next second, she was surprised to find that the entire Great Flood God Realm was constantly expanding, and the concentration of spiritual energy in the world was also rising.....

Buzhou Mountain in the center of the God Realm is also not growing, becoming taller and taller, stretching the sky and the earth wider and wider.....

Seeing this scene, her face showed a look of ecstasy.

This is clearly because His Majesty's Great Flood God Realm is growing and the degree of completion of His Majesty's God Realm is improving!

As someone close to Qin Feng, she knew clearly that when Qin Feng's Great Flood God Realm was perfected to a certain extent, it would be able to combine with the Great Desolate God Realm outside to form a more powerful Great Desolate God Realm.

By then, she can't imagine how high Qin Feng's strength will be.....

In her opinion, it can at least reach the Saint Ancestor level!

The Holy Ancestor is a legendary existence in the heavens. He can only hear about it but not see his true form.....

Even the most powerful person in the Nine Heavens and Ten Domains - Ancestor Hunji, is just a junior in front of the Holy Ancestor...

Boom~Long~Long!

The universe is roaring!

The clear air rises and the turbid air sinks!

The heaven and the earth are becoming more and more separated!

Billions of living beings are shocked by this, and they all look towards Mount Buzhou, which stands between the heaven and the earth.

Not long after, Buzhou Mountain rose to a height of more than 90,000 feet, and then slowly stopped.....

At this point, the entire Great Flood God Realm has expanded by 30%, and the concentration of spiritual energy has doubled...

When everything calms down and the Great Flood God Realm stops changing, Liu Yan takes a deep breath of air, her face is full of joy... spiritual energy The stronger it is, the easier it is to cultivate and mature the spiritual roots of heaven and earth.

The task entrusted to her by His Majesty to cultivate Fenglingxianxing can be completed more smoothly.

However, before that, she had to complete the cultivation of the Fuso Sacred Tree...

Thinking of this, Liu Yan walked to the Fuso Sacred Tree and began to cultivate it.....

On the other side, there is a secret place, within the fetal membrane of heaven and earth.

Qin Feng closed his eyes and crossed his legs. The momentum in his body continued to surge, and system prompts came in his mind.....

"Ding~! Remind the host that your subordinate Chu Chu's small universe has successfully evolved into the big world, and it is named Chutian Great World... Chu Chu's cultivation has broken through to the second realm of eternity.....The host received feedback from combat power.....Combat strength is improved....."

"Ding~! Congratulations to the host, your Great Thousand Worlds have accumulated to thirty-six... Your Great Flood God Realm has completed the second stage of growth.....The overall completion degree increased to 78.6%.....The host received a large amount of combat power in return.....Combat power increased to 46 million poles....."

After a long time, Qin Feng slowly opened his eyes, his face full of ecstasy.

This time, Chu Chu was of great help to him.

Allowing his Great Flood God Realm to complete the second stage of growth in one fell swoop, the overall completion rate increased to 78.6%....

What's even better is that his combat power has been increased from 41 million poles to 46 million poles in one fell swoop, an increase of 5 million poles...

This is also a huge increase!

With such fighting power, he was confident that he could suppress Old Man Yuexia if it was one-on-one.

Of course, if Old Man Yuexia and Liugen Ancestor join forces, he is still no match and has to improve his strength.....

"By the way, Jiu Zui Ling Guo....."

Qin Feng suddenly thought of something and summoned Shangguan Yunxi over with a wave of his hand.

"Master!"

Yun Xi came forward to pay homage with a face of joy.

"Master, just now I sensed that your momentum is constantly increasing. Has your strength increased again? Yun

Xi asked curiously.

Qin Feng smiled and said nothing.

Then, he threw out a storage ring.

"Xi'er, please accept all the spiritual fruits of this storage ring!"

"Oh, hey! Master, what kind of spiritual fruit is this red fruit?"

Yun Xi looked at the storage ring curiously. There were more than 200 red spiritual fruits in it.

"Those are Nine Drunken Spirit Fruits, a specialty of Daxian Heavenly Domain. Refining them can greatly enhance the strength of the Eternal First Realm...."

Yun Xi's eyes suddenly shone:"Master, are these all for me?"

"certainly!"

Yun Xi was overjoyed:"Xi'er thanked Master!"

Qin Feng also showed a happy smile.

With the help of so many Nine Drunk Spirit Fruits, Yun Xi should be able to make great progress in cultivation, and even have the opportunity to break through to the second realm of eternity.

Originally, he wanted to combine these two More than a hundred Nine Drunken Spirit Fruits were distributed to Chu Chu and Yun Xi.

Now that Chu Chu had broken through to the second realm of eternity, he no longer needed them, and they were all given to Yun Xi.

Speaking of which, Yun Xi is a disciple of the Divine Alliance. The weakest among them, and the one who most urgently needs to improve her strength, he naturally has to train her with all his strength.

What's more, this girl is both his good disciple and his concubine, so he has to take more care of her.

"Xi'er, time is running out. You should refine the spirit fruit and improve your strength as soon as possible. This will be beneficial to the subsequent assessment."

"Master, that disciple has resigned!"

Yun Xi saluted Qin Feng and left in a happy mood.

As soon as Yun Xi left, Qin Feng smiled and took out the energy and prepared to refine it...

But at this moment, he suddenly suddenly Shocked, the body roared again, and the breath surged again.....

Qin Feng was stunned, and the system prompt sounded again in his mind.....

"Ding~! Congratulations to the host, your Fusang Sacred Tree has absorbed 537 drops of Nine Heavens Jade Dew.....Growth progress increased to 100%...The host gains combat power in return... The host's combat power increases to 47.2 million....."

"Ding~! Congratulations to the host, your Fusang Sacred Tree is fully mature... The core of heaven nurtured in it has been successfully promoted to the prototype of heaven, and it is named - Qi Sun Heaven... The host has received a large amount of combat power in return.....The combat power is increased to 50 million extremes... boom~boom~boom!

For a time, in the Great Flood God Realm.

The heaven and earth shook and roared continuously!

Qin Feng's momentum skyrocketed crazily, reaching 50 million, just reaching the threshold of the quasi-saint ancestor's peak combat power..

Chapter 1140

The heaven and earth shook and roared continuously!

Qin Feng's momentum skyrocketed crazily, reaching 50 million, just reaching the threshold of the quasi-saint ancestor's peak combat power...

After a long time, Qin Feng slowly opened his eyes, with a look of ecstasy on his face.

His combat power has finally reached the threshold of the pinnacle of the quasi-Saint Ancestor.

In other words, among the examinees this time, it should not be the nine peak powerhouses, but the top ten peak powerhouses.

Qin Feng is one of them.

It's just that the assessors outside don't know.

Not to mention people outside who don't know, even the children of the Shenmeng don't know Qin Feng's strength.

After all, every once in a while, Qin Feng's strength will improve by leaps and bounds, far beyond their knowledge.

This also makes the children of the Shenmeng worship Qin Feng more and more!

Of course, with only 50 million extreme combat power, Qin Feng still couldn't do it if he wanted to fight one against two against the combined forces of Old Man Yuexia and Liugen Ancestor.

However, his journey to improve his strength does not end there yet.

Thinking of this, Qin Feng summoned Panzu over with a casual move.

"I have met His Majesty!"

Pan Zu respectfully pays homage to

"Your Majesty, what do you want from your subordinates?"

"Panzu, this seal of the heaven is formed from the prototype of the heaven in the sun, take it and refine it!"

Qin Feng flipped it casually, and there was an extra seal in his palm, floating in the air.

"His Majesty! This...is this the prototype seal of heaven?!"

Pan Zu looked at the divine seal in front of him with excitement.

"That's right! As long as you refine it, you can become the prototype master of a heaven like Ziwei and Fu Zhi, which will be of great help to your strength.

Panzu was ecstatic:"Thank you, Your Majesty!"

At that moment, with trembling hands, he took over the Seal of the Prototype of Heaven with excitement on his face.

His current cultivation level is the limit of the late Heavenly Sage. If he refines this seal, he becomes the Master of the Prototype of Heaven. , you can use the power of the prototype of the heaven to break through to the peak of the heavenly saint in one fell swoop.

"Your Majesty, my subordinates are going to refine the divine seal right now. Please leave now!"

"Go for it!"

At that moment, Pan Zu left with excitement on his face.

Looking at Pan Zu's leaving back, Qin Feng also showed a look of relief on his face.

Now, he has three spiritual roots of heaven and earth, and the prototype of the four heavens.
(Fenglei Immortal Apricot is still Seeds)

In addition to Hongjun's prototype of the chaotic heaven, which was created by Hongjun himself, the other three prototypes of the heaven were conceived by the Renshui Pan Peach Tree, Huangzhong Plum, and Fusang Sacred Tree. Among them, the Renshui Pan

Peach Tree was conceived. The prototype of Xuanji Heaven has been mastered by Ziwei Star.

The prototype of Huangzhong Heaven bred by Huang Zhongli has become the master of the prototype of Heaven by Fu Zhi.

The two have also greatly improved in strength.

This time, he will The seal of the prototype of the sun-dwelling heaven created by the Fusang Sacred Tree was given to Panzu, allowing him to become the master of the prototype of the heaven. The purpose was to focus on cultivating Panzu... After

Panzu left, Qin Feng closed his eyes and meditated. Start refining the energy gained from killing the three heavenly realms.....

At the same time, in a corner of the square.

The old man under the moon was extremely angry and sat there sulking.

Prince Xishen and Saint Ancestor Guixu stood behind him, not daring to speak.

This time, they really lost miserably!

After a while, the old man Yuexia regained consciousness, raised his head and looked in the direction of the fetal membrane of heaven and earth.....

"Qin Feng! You nasty little bastard! I will kill you with my own hands one day! Old Man Yuexia gritted his teeth with hatred.

Six Patriarchs on the side stroked his beard and said:"Fellow Taoist Yuexia, this boy is indeed extremely hateful. Even I wish he would die soon." As long as fellow Taoist Yuexia asks me for help, I can join forces with you to get rid of him together!"

Old man Yuexia frowned slightly.

These six ancestors are really determined to give up!

As long as there is a chance, they will persuade themselves to ask him for help. I really don't know what kind of medicine is sold in the gourd?

However, this Qin Feng kid is indeed extremely hateful.

His hatred for Qin Feng has reached its extreme, and he doesn't want to wait any longer.

However, he is restricted by the rules of the secret place and dare not take action.

"Fellow Taoist Yuexia, I know what you are thinking, which is to destroy Qin Feng by your own strength. But in this secret place, there are not many places where you can kill people."

"And Qin Feng's son has the strength of a mid-stage quasi-saint ancestor. Even if you are given a chance, can you destroy him in a short time?"

Ancestor Liugen continued to persuade

"this....", the old man Yuexia frowned slightly.

He knew that the Six Roots Ancestor was telling the truth.

With Qin Feng's strength, if he wanted to kill them in a very short time, he would never be able to do so.

And in this secret place, the place where you can take action will only appear for a very short time, and the number of times is very small.

If you miss it once, it will be too difficult to find another opportunity.

"In any case, the little thief Qin Feng is only as strong as the mid-stage Quasi-Saint Ancestor at most. With my strength, plus the cooperation of Xi Shen and Zhen Tian, I should be able to destroy him within three hours!"

Old man Yuexia said with confidence.

Prince Xishen and Saint Ancestor Guixu also nodded slightly, feeling that this was the truth.

These three people did not know that Qin Feng was no longer close to the strength of the mid-stage Saint Ancestor. With Qin Feng's current strength, even if Old Man Yuexia, Prince Xishen, and Saint Ancestor Guixu join forces, they can only barely tie with Qin Feng.

They have far underestimated Qin Feng's strength.

At this time, the Six Root Ancestors He smiled faintly: "Friend Yuexia, you have Xi Shen and Zhen Tian, but Qin Feng also has many subordinates, who are not so easy to deal with...."

The old man under the moon sneered and said disdainfully: "Haha! Although there are many subordinates brought by Qin Feng, they are all ants and not worth mentioning!"

Liugen Ancestor said again: "Fellow Taoist, there is one more important thing Things you may have forgotten"

"What's the matter?"

"The ranking rewards for this assessment have not been distributed yet! You have to know that the ranking rewards for each assessment will basically include treasures that enhance your strength."

After hearing this, Old Man Yuexia was finally moved.

Ancestor Liugen continued:"Qin Feng must have entered the top three in this assessment. Not only will he get a ranking reward, but it is also a good ranking reward. If he gets rewards and digests them, his strength will increase"

"At that time, are you sure that the three of you can kill him within three hours together? If you cannot do this, you will miss the opportunity. Based on our past experience, when there is a fight in a secret place, it rarely lasts longer than three hours."

As soon as these words came out, Old Man Yuexia, Prince Xishen, and Saint Ancestor Guixu were all moved.

This was not the result they wanted to see!

Then, Old Man Yuexia sighed helplessly:"Hey~! I didn't expect that Qin Feng would receive a ranking reward in this first assessment. Having said that, Di Mang is only fourth, and Qin Feng is in the top three, so who are the other two who are in the top three?"

At this rhetorical question, Ancestor Liugen showed a wry smile.

The ranking rewards are only available to the top ten.

He and Old Man Yuexia were squeezed out of the top ten and lost this great opportunity.

Think about it, he They all feel heartbroken.

The ranking rewards are much richer than the rewards for passing levels.

In fact, Old Man Yuexia is also extremely heartbroken.

"Fellow Taoist Yuexia, let's not mention the other two. When this assessment is over, the answer will naturally be revealed. I want to ask you now, do you need my help?"

"this.....", the old man hesitated under the moon.

The more the Six Root Ancestor pressed forward step by step, the more cautious he became.

At this moment, there was a commotion on the square near Tiandi Fetal Membrane, and hundreds of assessors rushed over there.....

"Huh! That is....."

The old man Yuexia and others looked at the sound one after another.

Soon, they figured out what was going on.

It turned out that Hongjun, Kunpeng, and Hongyun were selling the Hunyuan Divine Pill. Each pill was exchanged for 20 drops, and it still attracted people's attention.

This scene made Old Yuexia's expression change slightly.

Prince Xishen was also surprised and said:"Dad, it's the people from the God Realm who are selling the Hunyuan Divine Pill, and they are buying the Nine Heavens Jade Dew."

"Damn it! This guy Qin Feng must have done it on purpose!"

Old Man Yuexia was very angry.

There was not much Jiutian Jade Dew in the first place, and the quantity on the market was limited.

God Realm's move would definitely make it more difficult for Old Man Yuexia to collect Nine Heavens Jade Dew.

Thinking of this, Old Man Yuexia hated Qin Feng. deeper

"Dad, what should we do now?" Prince Xi Shen was also a little anxious.

"Nonsense~! Why don't you two hurry up and buy Jiutian Jade Dew? Do you have to wait for me to take action personally?"

"Oh~! Oh~! Let's go now!"

At that moment, Prince Xishen and Saint Ancestor Guixu quickly accepted the order, entered the square, and began to collect Nine Heavens Jade Dew.....

No matter what, they must collect the bets owed to Qin Feng and not let Old Yuexia suffer backlash from the contract.

But in this way, the cost they have to pay will be even greater.

Thinking of this, Old Man Yuexia and Prince Xishen both felt a little achy.

"Fellow Taoist Yuexia, Qin Feng is pressing on you step by step! He suddenly sells the Hunyuan Divine Pill just to create some difficulty for you when collecting Nine Heavens Jade Dew....."

Ancestor Liugen continues to fan the flames

"snort!", Old Man Yuexia snorted coldly, his face full of gloom.

"Fellow Taoist, have you thought about it? As long as you agree, if I join you, with the combined strength of the four of us, we will definitely be able to destroy Qin Feng within an hour and get rid of your serious troubles!"

Ancestor Liugen persuaded again.

This time, Old Man Yuexia was silent.

He looked at the square silently, which side of the God Realm, Hongjun and the other three took out the Hunyuan Divine Pill to exchange for the Nine Heavens Jade Dew. The business was very hot.

And Xi Shen The prince and the Guixu Saint Ancestor also used various resources to exchange for Nine Heavens Jade Dew, but they seemed a little deserted.....

This scene made him feel hateful and anxious, but he was helpless.

He couldn't help but close his eyes, thinking deeply.

After a long time, he opened his eyes again

"Fellow Taoist Liugen, I will consider your suggestion!"

Hearing this, Ancestor Liugen's eyes lit up and his face showed joy.

After so long lobbying, Old Man Yuexia finally relented, and his plan was completed step by step.

Of course, what he was playing was It is a conspiracy, not a conspiracy.

He believes that Old Man Yuexia will eventually come to justice, and there are signs now.

As long as his plan is successful, he may become the real winner of this assessment.

As for the ancestors of Huanji and Mo I'm afraid Hou and Luo Jia will have to step aside.....

Thinking of this, Ancestor Liugen pursed his lips and showed a strange smile..
