

God level 1471

Chapter 1471

"Look! The Wei family is finally here!"

As soon as these words were said, the whole place became commotion.

Everyone looked towards the entrance of the school ground.

The Wei family is one of the four major families.

As for the protagonists of this competition, in addition to the players participating in the competition, the Wei family It will also be a dazzling existence.....

Qin Chuan quickly followed the sound and saw a group of people coming in from outside the venue.

The leader was a proud middle-aged man.

Behind him were a dozen guards in blue.

"Such strong vitality and spiritual pressure!"

Qin Chuan looked at the middle-aged man in surprise.

That man's vitality spiritual pressure was just as strong as Su Tianhe's, and he should be a fifth-level powerhouse.

When the middle-aged man passed by the students, the vitality spiritual pressure scattered unscrupulously The pressure made all the students change their expressions.

As soon as the middle-aged man from the Wei family appeared, the five people on the summit stood up and saluted the man.

"Coach Wei, you are finally here. Jiang has been waiting for a long time"

"Coach Wei, Mr. Li is so polite!".....

The middle-aged man smiled and nodded:"You are so polite! Wei was delayed for something and was late for the meeting. I hope you will forgive me."

Although the middle-aged man said he was sorry, he did not mean to ask for forgiveness in his tone.

On the summit stage, several big bosses were all old and mature people. Of course they didn't care about it. Instead, they were extremely polite and allowed the middle-aged man to sit in the middle seat.

The Wei family is one of the four major families in Shenyang City.

Its power is so great that it can easily wipe out three small families present, let alone two martial arts schools.

All the big guys are naturally in awe of him.

Just when Qin Chuan was thinking to himself that the middle-aged man was so impressive, Zhu Heng's voice came to his ears again.

"Senior Qin Chuan, this guard instructor is very powerful. Like our gym leader, he is a fifth-level warrior. Speaking of which, this leader of the Wei family is a direct disciple of the Wei family, and his name is Wei Qingyan"

"Ranked eleventh among the second generation masters of the Wei family, he is mainly responsible for teaching swordsmanship to the Wei family guards and is one of the three major instructors of the Wei family guards. Qin

Chuan was surprised: "This Wei coach is so powerful, but he is only eleventh in the ranking of the second generation of the Wei family?" The strength of the Wei family is too strong! Are all four major families so powerful?

Zhu Heng whispered: "I heard from my father that the heads of the Nan, Yan, Wei, and Zhou families are all eighth-level peak existences. They are all old monsters who have lived for more than a hundred years."

"However, the Yan, Wei, and Zhou families only have one eighth-level peak person, but in addition to the head of the family, the Nan family also has a super strong man who has just entered the eighth level, so among the four major families, the Nan family is the strongest."

"Oh, how many seventh-level warriors are there in the four major families?"

"I don't know how many seventh-level warriors there are in other families. As far as I know, there are only four seventh-level warriors in the Wei family and thirteen sixth-level warriors. I heard that this Wei coach is one of the most promising candidates for the Wei family to advance to the sixth level in recent years."

Qin Chuan nodded slightly, finally having a rough understanding of the strength of the Wei family.

At the same time, he secretly thought that Uncle Qin had said that the Zhou family where they belonged was the weakest among the four major families.

Thinking about the Zhou family six There are not more masters above the Wei family than the Wei family

"cough!"

At this moment, a clear cough spread throughout the whole place.

The noisy scene suddenly became quiet.

Jiang Tianshui slowly stood up, swept away his playful smile, and looked around the whole place solemnly.

"Today is the day for the exchange conference between the two gymnasiums. This conference was held at my Tianshui Martial Arts Gym. Jiang thanked all the fellow villagers for their enthusiastic support, and also thanked the head teacher and the three family owners for taking the time from their busy schedules to come and watch the conference."

"I hope that the students from the two halls will perform well in the next conference and will not be ashamed of the enthusiastic support of all the neighbors and friends. Now! I declare! The exchange conference officially begins!"

As soon as those words fell, the whole audience cheered.

The exchange meeting officially began!

First, the students' skills display in the intermediate class and the advanced class was held. The middle and senior students in the two halls were divided into groups and took the stage to show their life skills. What they have learned.

Either they are fighting in pairs, or they are practicing a set of boxing skills.

All the senior students are performing seriously on the stage, hoping to be favored by the three small families or the Wei family on the stage.

Of course, many students I even hope to be favored by the Wei family.

Soon, the display of senior students came to an end.

Many students were favored by the three families and received corresponding tokens.

However, there were very few students favored by the Wei family, only three people. That's it.

All the students looked at the three people with envious eyes.

The three people seemed to have received great honor, and they were all excited.

Soon, after the martial arts display of the intermediate and advanced fighting classes, the junior fighting class was next. The competition in the arena.

This is the highlight of the exchange conference, and it is also the drama that the onlookers want to see. It is also a direct competition between the strengths of the two halls.

"The junior fighting class's arena competition is finally about to begin, I can't wait!"

"yes! This arena match is the highlight of the competition. I wouldn't have come if I wasn't there to watch it!"

Because intermediate and advanced students practice swordsmanship and swordsmanship, if they really fight in the ring, there will inevitably be casualties.

In order to avoid casualties, the annual ring competition between the two halls is only held between the junior fighting classes.

"I don't know who will win this year's competition, Tianshui Martial Arts School or Gale Wind Martial Arts School?"

"hehe! Tianshui Martial Arts School has been losing for four consecutive years, and its strength is getting worse every year. Want to win? I think I'm dreaming!"

As the arena match began, the emotions of the spectators gradually rose, and there was a lot of heated discussion in the venue.

At this time, Jiang Tianshui's voice came from the summit platform again.

"Next is the highlight of the exchange conference. Invite the students from the two halls participating in the arena competition to come on stage."

With this announcement, five students from the Gale Martial Arts School, led by their instructors, came on stage one after another. As soon as the five students came on stage, they immediately aroused cheers from the students of the Gale Martial Arts School and most of the audience.

"The strong wind is powerful! Come on Hayate!"

"blast! blast! As fierce as the wind!"

"Junior students! We must defeat the little brats from Tianshui Martial Arts School and let them know how powerful our Gale Wind Martial Arts School is!"

"Boys from the Gale Wind Martial Arts School, you must defeat the Tianshui Martial Arts School, make them lose five times in a row, and send them to grandma's house in disgrace!"

"Support Hayate!"

"The strong wind will win!"..

Chapter 1472

At this moment, the audience's emotions were running high.

The support rate of Gale Wind Martial Arts School is obviously extremely high, and almost all the audience are cheering and cheering for Gale Wind Martial Arts School.

Seeing such a scene, the students at Tianshui Martial Arts School were very embarrassed and felt angry and annoyed.

On the summit stage, Wei Jifeng burst into laughter

"Ha ha!! Old monkey, look at it! This is what the audience is calling for! This is what the people want! Old monkey, the audience's eyes are sharp!"

Jiang Tianshui's old face was a little confused:"Wei Jifeng, you old fool, don't get too proud too early. The game hasn't started yet. It's not certain who will lose and who will win?!"

"Ha ha! Needless to say who loses and who wins? Old monkey, you have been losing for four consecutive years, do you still expect to make a comeback this year?"

"snort! Just wait and see whether you can turn over or not!"

"Ha ha! Then I want to see how you can turn around?"

"You two, don't fight anymore. Who wins and who loses, you will know after watching the game!"

The head of the Li family on the side quickly shouted haha to lighten the atmosphere.

Off the field, in the student area of Tianshui Martial Arts Hall

"Let's go up too!"

Instructor Yue muttered to the five Qinchuan people.

"remember! We must perform well this time and don't lose the face of our Tianshui Martial Arts School.

Zhu Heng said angrily:"Don't worry, instructor!" I have long disliked these grandsons from the Gale Wind Martial Arts School! This time, I must show them the color!"

"Let's go!"

As soon as he finished speaking, Instructor Yue took the lead and walked onto the platform.

Qin Chuan and the other five followed closely.

At the same time, the advanced class students behind them cheered for them.

"Junior students! Come on stage and beat up those grandsons for us!"

"Come on, fellow students! You can definitely win!"....

The students in the junior class even shouted loudly

"Qin Chuan! Xiao Yu! Zhu Heng! Ge Fei! Liu Fei! You can definitely win! We support you!"

"come on! Defeat Hayate Dojo for us!"

Under the shouts of the students from Tianshui Martial Arts School, Qinchuan and the other five people also stepped onto the stage.

As soon as they came on the stage, Wei Qingyan, who had been silent all the time, his eyes lit up: "Master Jiang, in this arena competition, your Tianshui Martial Arts Academy has also produced five peak quasi-martialists. Their strength is better than that of the previous one." Much better! It seems that this year's arena competition is a bit interesting."

"The health teacher is over the top! But the fun is yet to come!"

Jiang Tianshui chuckled, with a secretive look on his face.

"oh."

Wei Qingyan responded casually, glanced at the ten contestants on stage, and finally focused on Qin Chuan.

"Gym Leader Jiang, your Tianshui Martial Arts Hall has produced a talent this year. That little guy is not bad. Judging from the fact that he is only twelve or thirteen years old, he actually has the strength of a peak quasi-warrior! not bad!"

Wei Qingyan complimented casually.

Qin Chuan is only twelve years old, and the other contestants are all fifteen or sixteen years old.

Standing together, they naturally look a bit eye-catching.

In fact, not only Wei Qingyan, but also the heads of the other three small families. He showed an interested look at Qin Chuan.

In the past, the three families and the Wei family only recruited students from the intermediate and advanced classes, and would not recruit students from the junior class.

Unless the students from the junior class showed extremely outstanding potential.

The three families and the Wei family are willing to recruit and train them.

However, such things rarely happen.

Jiang Tianshui looked at the expressions of these people and thought to himself, when you know the true strength of the little guy, not What would you think if I knew you?

Come to think of it, you will definitely be eager to recruit the little guy.

However, I will not allow this to happen.

I still want to accept this little guy as a disciple!

Of course, this matter still needs to be done. Let's wait until the game is over!

Jiang Tianshui also had his own wishful thinking.

At the same time, the audience in the audience was also looking at the contestants on the stage.

Many people's eyes stayed on Qinchuan, but Their views are completely different from those of Wei Qingyan

"hehe! I think Tianshui Martial Arts School is really inferior to each other! The contestants of this year actually chose such a small guy to show off their skills! Do you think how old that little guy is? I think he is only twelve or thirteen years old!"

"yes! A little guy of twelve or thirteen years old, how strong can he be?! I think it's good if you can reach the level of a high-level quasi-martial artist."

"Why! Tianshui Martial Arts School has always lacked talents. In the last arena competition, they only sent three peak quasi-warriors. I think this year's edition is about the same, maybe even worse!"

"yes! This time Tianshui Martial Arts School must not be able to find a more powerful student, so they rushed to the shelves and used this poor little guy to make up the numbers.".....

The audience around him was talking a lot.

Most of these spectators were neighbors, ordinary people. Naturally, they could not tell the strength of the warriors, and they all made guesses based on their own imagination.

At this moment, in a corner of the auditorium.

A middle-aged man with a tall figure and a heroic appearance was looking at Qin Chuan in surprise.

"Ha ha! I didn't expect the little guy to come here, but it's so easy for me to find him during this time! This little guy is restless at all and runs around all day long. This time he made a lot of people anxious!"

The middle-aged man said to himself, his eyes full of joy..

Chapter 1473

At this time, an instructor from Tianshui Martial Arts School came onto the stage

"Dear players, I am the referee of this arena match. Now let me tell you the rules of the competition"

"This game is a best-of-five game, with one player from each side in each game. Players who have already played are not allowed to play a second time. Is there anything you don't understand?"

Seeing that both players had no objections, the referee announced: "The competition begins! Please send one player from each side to the ring!"

The arena is in the center of the school field.

At this moment, the five Qinchuan people looked at Instructor Yue, thinking about who would go on stage first.

At the same time, among the five contestants of the Gale Martial Arts Hall, a slightly fat boy had already He jumped onto the ring first.

He raised his chin and looked at Qinchuan and the other five people with a proud look on his face: "Wang Yue of Gale Wind Martial Arts School! Please enlighten me!"

Instructor Yue looked at the players in the stands, turned to Ge Fei and said, "You go ahead in this game!"

"good! Ge

Fei jumped onto the ring in response.

Zhu Heng on the side said dissatisfied: "Instructor, why did you send Ge Fei up in the first game instead of me?"

Instructor Yue said: "This first game is very important. Its winning or losing is related to the morale of the following games, so we must win. Among the five of you, Xiao Yu is the strongest, followed by Ge Fei. And you and Liu Fei are weaker"

"As for Qin Chuan, his strength should be about the same as you and Liu Fei. I plan to let Xiao Yu play the last game and Ge Fei will play the first game."

In the eyes of Instructor Yue, Qin Chuan is born with supernatural power, with excellent understanding and talent. However, he is too young and has not learned fighting skills for a short time, so he does not think Qin Chuan is better than Xiao Yu, or even inferior to Ge Fei.

Listen. After hearing those words, Zhu Heng curled his lips and said no more.

He knew that his strength was not as good as Ge Fei's, so he couldn't guarantee that he could win the first game.

As for the instructor, Qin Chuan's strength was not as good as Ge Fei's and Xiao Yu's , and he didn't know if this was the case.

After all, he had only competed with Qin Chuan in terms of strength and had never played against him.

The other four players had also never played against Qin Chuan.

Even Instructor Yue had never seen him. Naturally, There are doubts about Qin Chuan's fighting ability.

The only person who has seen Qin Chuan's fighting ability is Jiang Tianshui.

In the view of instructor Yue and Zhu Heng, Qin Chuan's appearance has given Tianshui Martial Arts School more advantages in the best-of-five game system. The odds of winning.

This is completely different from Jiang Tianshui's goal.

Of course, Jiang Tianshui's plan has never been revealed to anyone.

Only he and Qin Chuan know.

Bang~! Bang~! Bang~!

Just before Instructor Yue and Zhu Heng was talking, the sound of fighting came from the ring.

Ge Fei and the young man named Wang Yue were already fighting together.....

I saw that Ge Fei was using a tiger-shaped boxing technique, and the emphasis was on unparalleled strength.

Wang Yue uses snake-shaped boxing, which is completely different from tiger-shaped boxing.

This boxing technique is not known for its mighty power, but its insidiousness and viciousness are incomparable to the tiger-shaped boxing.

This snake-shaped fist is also the signature boxing technique of the Gale Wind Martial Arts School.

The two people in the field were going back and forth, and in the blink of an eye they were exchanging dozens of moves. For a while, they were evenly matched and evenly matched.

Outside the venue, the students in both halls looked extremely anxious and did not even dare to breathe for fear of disturbing the battle between the two.

"Liu Fei, do you think Ge Fei will win?"

In the audience, Zhu Heng couldn't help but feel a little anxious when he saw the stalemate.

"It's hard to say! The two are equally powerful, it just depends on which one of them makes a mistake first."

"Indeed!", Xiao Yu took over, "I heard that this Wang Yue is ranked second to last among the five players in the Gale Martial Arts Gym."

Xiao Yu pretended to say these words casually.

"No way? That kid is ranked second to last in the Gale Wind Martial Arts School?", Zhu Heng couldn't believe it.

Liu Fei frowned: "What can we do? Ge Fei ranks second in strength among the five of us, and now he is tied with Wang Yue. It seems that Gale Wind Martial Arts School is indeed stronger than us."

"Senior Xiao Yu, why do you need to say something that hurts everyone's morale at this time?"

Qin Chuan said something lukewarm.

When Qin Chuan revealed what was on his mind, Xiao Yu said without changing his expression:"
Qin Chuan is right, I was the one who failed to consider it."

At this moment, the stalemate battle situation in the ring finally changed.

Ge Fei became more and more courageous as he fought, and gradually gained the upper hand.

Wang Yue, however, fought more and more urgently, and was gradually restrained. He defended more and attacked less, and began to be on the defensive. status

"look! Senior Ge Fei has the upper hand!"

In the audience, the students from Tianshui Martial Arts Hall began to cheer.

"Well done to Senior Ge Fei!"

"Come on Ge Fei! we support you!"

"Ha ha! Junior Brother Ge Fei! Hurry up and defeat the little bastard from Hayate Martial Arts School! , let them know that our Tianshui Martial Arts School is not someone to be trifled with!"

Students in the advanced class also joined in the cheers.....

Beside the ring, Liu Fei and Zhu Heng looked excited.

"Ge Fei really did his best! He actually had the upper hand. If he wins this competition, this arena match, we will have hope of winning."

Zhu Heng clenched his fists excitedly.

On the other side, several players from the Gale Martial Arts Hall frowned.

"Wang Yuezhen is becoming more and more useless, and he was beaten into such a fighting situation by such a thing!"

Gao Yan from the Gale Wind Martial Arts School looked at the battle on the stage with dissatisfaction.

"yes! What happened to Wang Yue? He was defeated by the Tianshui Martial Arts School. What a shame!"

"We shouldn't have sent him first."

The players from the Gale Wind Martial Arts School all agreed.....

While everyone was discussing the game enthusiastically, Qin Chuan was completely immersed in another world.

He was seen staring closely at the two fighting men, with a strange light flashing in his eyes.

No one knew that his mind was completely immersed in the study of Snake Boxing.

Ever since Wang Yue used the Snake Fist, Qin Chuan has been attracted by his boxing skills.

At first, he only wanted to understand.

Unexpectedly, the more he watched, the more interested he became. Gradually, he learned something about Wang Yue's moves..

Chapter 1474

Ever since Wang Yue used the Snake Fist, Qin Chuan has been attracted to the boxing technique.

At first, he only wanted to understand.

Unexpectedly, the more he watched, the more interested he became. Gradually, he learned something about Wang Yue's moves.....

Of course, this is also because Qin Chuan has a strong understanding and extremely high fighting talent.

At this moment, he squinted his eyes and stared at Wang Yue's every move.

On the stage, Wang Yue's fingers were clasped together. His hand was like a snake head full of venomous fangs, and his arms were as flexible as a snake's body.

Every time he attacks, he is as sinister and vicious as a poisonous snake, never leaving the opponent's vital points.

Seeing this, Qin Chuan's eyes lit up with surprise, haha!

I see!

It turns out that this is the meaning of the snake-shaped fist.

Snake Fist, as the name suggests, is derived from the attack method of a poisonous snake.

Many people are very afraid of venomous snakes. Although they are light and weak, they can kill animals several times or even dozens of times larger than themselves.

This is the power of venomous snakes.

The attack methods of this snake-shaped fist are none other than entanglement, twisting, pounce, dodge, throw, and deceit. The attack methods are none other than poison, ruthlessness, speed, and spicy.

But its true punching intention is: strike from behind and kill with one blow. pity!

Wang Yue did not understand the meaning of Snake Fist, otherwise he would not have been beaten by Ge Fei.

Qin Chuan commented silently.

He didn't know that his fighting skills had been sublimated unknowingly.

But he said that Xiao Yu was also secretly observing Qin Chuan.

He saw Qin Chuan's face showing surprise at one moment and confusion at the other. He felt puzzled and secretly thought that this young man was really hard to see through.....

It was at this time that the battle in the ring changed.

Ge Fei roared loudly, suddenly stepped forward, and punched Wang Yue's chest, like a tiger descending from the mountain, with extremely powerful momentum.

Wang Yue's expression changed slightly and he quickly stepped back.

Ge Fei pressed forward, punching hard with both fists, and in the blink of an eye he landed more than a dozen punches, so oppressive that Wang Yue could hardly breathe.

Wang Yue's expression became more and more anxious. He was forced to retreat continuously by Ge Fei. He could only resort to tricks. He was completely at a disadvantage and seemed to be defeated at any moment.

The audience around them became nervous.

The originally noisy school grounds suddenly became quiet.

Everyone held their breath and watched the battle between the two

"Ge Fei is going to win!", Zhu Heng couldn't suppress his excitement.

But as soon as he said these words, a sudden change occurred in the field.

Wang Yue, who had been at a disadvantage, had retreated to the edge of the ring.

Suddenly, Wang Yue staggered, as if he was unsteady on his feet. About to fall down

"Get out!"

Ge Fei was overjoyed. He rushed to Wang Yue's side and punched Wang Yue's left shoulder mercilessly.

Just when Ge Fei's punch was about to hit, Wang Yue's mouth twisted and a sinister smile appeared.

Ge Fei was in trouble.

But it was too late. Wang Yue, who was about to fall, suddenly jumped up and missed Ge Fei's attack. At the same time, he stretched out his right arm and passed around Ge Fei's arm like a poisonous snake, hitting Ge Fei directly. Flying to the throat.

No!

I was fooled!

Ge Fei was shocked and angry.

At this moment, he wanted to switch from attack to defense, but he was too careless just now, thinking that victory was in sight, he used all his strength to strike without leaving any spare energy, and he was unable to do so in time. Withdraw the move.

On the other hand, Wang Yue's snake-shaped fist was only three inches away from his throat. It was fast, hard and accurate, and it was about to hit him.

In the critical moment, Ge Fei leaned back and barely escaped the fatal blow. A blow, but it also exposed all the empty doors

"Get down!"

Wang Yue was overjoyed. He stepped forward and kicked Ge Fei off the ring.

Bang~!

Ge Fei fell heavily to the ground, sending up smoke and dust all over the sky.

Under the stage, the audience was stunned, and there was silence all around.

No one was there. I thought that just a moment ago, an earth-shaking reversal had occurred.

Ge Fei, who originally had the upper hand, actually became the loser at the last moment.

After a brief silence, the crowd burst into cheers

"Ha ha!! Wang Yue! Well done!"

"The mighty wind martial arts hall!.".....

At this time, the referee walked to the ring and began to announce

"first round! Gale Wind Martial Arts School, Wang Yuesheng!"

As the referee announced, the Gale Martial Arts School burst into cheers.

Those spectators who supported the Gale Martial Arts School cheered even more. But the students of the Tianshui Martial Arts School all sighed and regretted.

They thought they could be proud of themselves in the first round, but they didn't. Thought I still lost

"Why! Pity!"

"yes! If Ge Fei wasn't careless, he would have won the first game"

"Why! That guy from Hayate Martial Arts School is so cunning!"

The students at Tianhe Water Center were very depressed.

At this time, Ge Fei lowered his head and returned to the queue with a look of shame.

Instructor Yue patted his shoulder lightly: "Ge Fei, you don't have to be so sad. I know you tried your best!"

Ge Fei was silent and in a bad mood.

Qin Chuan and others stepped forward to comfort him.

But they knew very well that once Ge Fei lost, the situation in Tianshui Martial Arts Hall would become very bad..

Chapter 1475

Qin Chuan and others stepped forward to comfort him.

But they knew very well that once Ge Fei lost, the situation of Tianshui Martial Arts Hall would become very bad...

Thinking of this, Qin Chuan couldn't help but look towards the summit.

On the summit stage, Lu Bao was very busy serving tea and water to the distinguished guests.

Qin Chuan glanced at Lu Bao intentionally or unintentionally, and then looked at Jiang Tianshui.

Jiang Tianshui was also looking at him, hinting at him with his eyes.

Qin Chuan understood and nodded slightly.

He knew that the old guy was telling him to calm down.

Wait until the critical moment before taking action.

At this moment, on the summit stage.

Wei Jifeng was laughing proudly

"Ha ha! How are you, old monkey? You lost this first round. It seems that you have no chance in this competition.

The corner of Su Tianhe's mouth curled up:"Ha!" I mean, you damn old man, this is only the first game, and you have to behave like this. It's too early to say who will win and who will lose!"

At this time, the referee's voice sounded again on the ring.

"Next is the second game. Please ask Tianshui Martial Arts School to send players to play."

In the last game, it was the Gale Wind Martial Arts School who sent their players to the field first. In this game, the Tianshui Martial Arts School naturally sent their players to the field first.

In the audience, the students from both gyms looked at Instructor Yue curiously.

They wanted to know who Instructor Yue would send. Play?

"Instructor, who will come this time? Or just let me go!" Zhu Heng recommended himself.

He was holding back a lot of anger.

Instructor Yue sighed in his heart. The loss in the first game completely disrupted his plan and made him very stressed.

"Zhu Heng, don't be impatient!"

Instructor Yue's eyes fell on Xiao Yu

"Xiao Yu, you are the strongest, so this round is yours. remember! We must win this time!"

Instructor Yue changed his mind and decided to send the strongest Xiao Yu.

Even if he can't win this competition, he must at least win one round. He can't lose all five rounds like last year.

Instructor Yue believes that the people from Gale Wind Martial Arts School will not Send the strongest player to the second game.

They will definitely arrange the strongest player to be the finale of the last game.

Xiao Yu should be able to win the next game if he goes up

"yes! Instructor!"

Xiao Yu jumped onto the ring in response.

Seeing Xiao Yu coming on the stage, someone rushed out of the Gale Martial Arts Hall, but it was a girl with a hot figure.

"I don't want to fight with women."

Xiao Yu couldn't help but sigh when he saw the girl.

The girl said angrily: "There's so much nonsense! Show me your moves!"

As soon as he finished speaking, the girl rushed towards Xiao Yu.

Xiao Yu smiled bitterly and had no choice but to fight.

At the same time, he secretly looked towards the summit and exchanged eye contact with Wei Jifeng.

Wei Jifeng nodded slightly, indicating that he would take action as much as he wanted. No need to show mercy.

Xiao Yu was delighted, secretly thinking that her cousin should be very confident and could definitely win this competition, and there was no need for him to cheat.

He was also happy like this.

That way he wouldn't have to be exposed.

At that moment, he began to truly With his strength, he started a battle with the girl.

Within thirty moves, Xiao Yu knocked the girl off the ring.

The girl glared at Xiao Yu with an extremely resentful look, stamped her foot, and returned to the Gale team angrily.

This round of competition As a result, the morale of the Gale Wind Martial Arts Hall was greatly boosted, and they cheered loudly.

Next came the third round.

At the Gale Wind Martial Arts Hall, a tall and thin boy jumped onto the ring.

That person was Gao Yan.

"Little dwarf! Come up! I want to challenge you in this round!"

As soon as Gao Yan came on stage, he pointed at Qin Chuan with a provocative look:

He had heard from Wei Yun about Zhang. Qin was very strong, and he was very unconvinced.

You know, his strength is second only to Wei in the Gale Martial Arts School. Yun, so his eyes have always been higher than the top.

What's more, Qin Chuan is already a peak quasi-warrior at such a young age, which makes him feel very uncomfortable, and jealousy inevitably arises.

Seeing Gao Yan directly name Qin Chuan, everyone looked at him..

But Qin Chuan glanced at Jiang Tianshui, and under his hint, he stayed put.

Apparently, Jiang Tianshui told him not to take action.

Seeing that Qin Chuan did not dare to answer the call, Gao Yan suddenly taunted loudly.

"Ha ha!! Little dwarf, are you afraid? You dare not accept my invitation to fight! Hearing this

, Zhu Heng became angry:"This guy is too arrogant!" Qin Chuan! Go up and fight him!

Qin Chuan shook his head slightly:"I don't want to fight him!"

"What?!", Zhu Heng was a little surprised.

Gao Yan was even more proud:"Haha!! I'll just say it! This little guy is a coward! You people from Tianshui Martial Arts School are just cowards!

Zhu Heng was furious:"Shut your stupid mouth!" There are no cowards in our Tianshui Martial Arts School!"

Then he looked at Qin Chuan with dissatisfaction.

"Qin Chuan, I thought you were wrong! If you dare not accept the challenge, I will fight for you!"

As soon as he finished speaking, he rushed to the ring angrily.

Strangely, Instructor Yue did not stop him, but acquiesced.

No one knew that just now, Instructor Yue had been secretly instructed by Jiang Tianshui and could not let Qin Chuan first. appeared.

But the students at Tianshui Martial Arts School did not know the truth, and they all murmured dissatisfiedly.

"What is this guy Qin Chuan doing? He doesn't dare to face other people's challenges!"

"Why! Qin Chuan is such an embarrassment to warriors. People stepped on his face, but he didn't dare to challenge. What a useless thing!"

"yes! Although our Tianshui Martial Arts School often loses, we have never been afraid of challenges from others. Fortunately for him, he actually refused! This time, our Tianshui Martial Arts School will be completely embarrassed!"

Qin Chuan's hearing was amazing, so he naturally heard those mutterings.

He pretended not to hear on the outside, but smiled bitterly on the inside.

If only the old guy hadn't let him play in the last inning.

He didn't want to bear the infamy.

Soon, the outcome of the competition on the ring came to an end.

Under Gao Yan, Zhu Heng barely managed to hold on for fifty or sixty moves before he was knocked unconscious on the ring.

Instructor Yue quickly jumped onto the ring, rescued Zhu Heng and helped him off the ring.

After defeating Zhu Heng, Gao Yan's arrogance became even more arrogant.

He pointed at Qin Chuan and said with disdain: "Little dwarf! You are smart." "I didn't dare to go on stage! Otherwise, you were the one who was knocked unconscious just now!"

Throwing these words, Gao Yan walked out of the ring without looking back.

Facing Gao Yan Chi Guoguo's humiliation, Qin Chuan raised the corner of his mouth slightly and sneered in his heart.

This dog-like thing looks down upon others!

In a moment, I will let you know how powerful it is!

Thinking of this, a cold light flashed across Qin Chuan's eyes...

Chapter 1476

Next comes the fourth game, with Liu Fei playing.

The one sent by the Gale Wind Martial Arts School was a short, thin, black-faced boy.

The result of this round was once again a surprise. No one expected that Liu Fei would win in the end.

However, Liu Fei was lucky.

Because the black-faced boy was the weakest player in the Gale Martial Arts School, and Liu Fei was not weak at all, she actually won the game after a hard fight.

Liu Fei's victory made the students of Tianshui Martial Arts School excited again.

So far, there have been four games, two wins and two losses.

Many students did not expect this result, not even the audience outside the venue.

On the summit stage.

Wei Qingyan smiled and said: "Master Jiang, this year's Tianshui students have made progress! The next game is the key. I wonder if you can turn around this time?"

"As far as I know, the final contestant of the Gale Wind Martial Arts School is the grandson of Master Wei, and his strength should not be underestimated!"

Jiang Tianshui said calmly: "Instructor Wei, please take a look!" The fun is yet to come!"

"You mean, that little guy is going to surprise me?"

Wei Qingyan looked at Qin Chuan with great interest.

Qin Chuan was the only one left in Tianshui Martial Arts School who did not show up.

Wei Jifeng said in a strange manner: "Instructor Wei, don't believe the old monkey's promise. It will be time for him to cry in mourning later!"

He had known some details about Qin Chuan for a long time, and he looked confident, as if he was sure of the Tianshui Martial Arts School.

"Immortal old man! I'm afraid this time, you will be disappointed!"

Jiang Tianshui was extremely confident in Qin Chuan, but he didn't believe what kind of trouble Wei Jifeng could make this time.

Wei Jifeng looked disdainful: "Okay! Then we will wait and see!"

On the summit stage, Jiang Tianshui was full of confidence in Qin Chuan. But the audience and students below the stage had different moods.

There were a lot of discussions in the audience

"It's the last round! Unexpectedly, the strength of Tianshui Martial Arts School has improved greatly!"

"yes! That girl named Liu Fei is really good!"

"Now the only one left is the little guy named Qin Chuan. I don't know how he will behave.、 "

"Ah! That little guy was obviously here to make up the numbers. In the third round, Gao Yan challenged him, but the little guy didn't dare to challenge. This shows that he has no strength, so he has no confidence. Do you think he can win the last game?".....

At the same time, the students at Tianshui Martial Arts School were also talking about it.

"The results this time were much better than last year. I didn't expect that we could win two out of five games."

"Why win two out of five games and the last game hasn't even started yet!"

"snort! Do you think Qin Chuan has a chance to win against the strongest player in the Gale Wind Martial Arts Gym?"

"Um...that's right!"

"Why! Forget about that guy Qin Chuan! He did not dare to face Gao Yan's challenge before. I think in this round, he will give up the fight and run away again."

"I wonder if this guy will be embarrassed again"

"Forget it, it doesn't matter whether he fights or not, he can't win anyway. Why! It's just a pity that our Tianshui Martial Arts School will lose again this time".....

At this moment, the referee's voice sounded from the stage

"The game has gone on for four rounds so far, with Tianshui Martial Arts School and Gale Wind Martial Arts School winning two rounds each. In the next most critical fifth game, players from the two halls are invited to the ring!"

"Qin Chuan! It's your turn!"Instructor Yue looked at Qin Chuan.

It was finally his turn!

Qin Chuan let out a long breath and walked onto the ring without hesitation.

He had been holding it back for a long time!

Seeing Qin Chuan on the ring.

The students from Tiansui Martial Arts Hall secretly relieved

"fine! This kid Qin Chuan is not shameless. I am worried that he will run away without a fight!"

"Why! What's the use of going up there? Wasn't he kicked off the ring?"

"Let's see! I finally won two games, and my face is better than last year!"

"hehe! I think that's all you have! I don't think about winning, I just think about how I can lose beautifully?"

"What can I do? Who told us that there are no talented people in Tianshui Martial Arts School!"

"Why! No more to say! I just hope Qin Chuan doesn't lose too badly! Even if you lose, you still have to leave a good impression on the audience. If we lose too badly, the audience will laugh at our Tianshui Martial Arts School again."

"It's hard for me to see! The final player of the Gale Martial Arts Hall is Wei Yun, the grandson of the owner of the Gale Wind Martial Arts Hall. He is the strongest among the five players, while Qin Chuan should be the weakest among our five players. You think, can he not lose miserably?"

"In this way, the last game was a disgrace!"

Many students from the Tianhe Martial Arts School began to smile bitterly.

They could imagine how Qin Chuan would be humiliated and the scene would be very embarrassing.

Ever since Qin Chuan rejected Gao Yan's challenge, these students subconsciously believed that Qin Chuan's strength He will be the weakest among the five players.

In fact, not only the students in Tianshui are not optimistic about Qin Chuan.

The audience and the students in Gale also look down on Qin Chuan, and they all show disdain.

"What was that kid doing running up there? It's better to get out as soon as possible!"

"that is! Boy, get out of here! Don't go up there and be embarrassed!"

"Stop talking, that kid won't leave. It's not like you haven't seen it before. How thick-skinned this guy is. Previously, when Gao Yan invited him to fight, he would shamelessly refuse to come on stage. What do you think he can't do?"

On the ring, Qin Chuan listened silently to everyone's discussion, and sneered in his heart.

It seems that he wants to shock him!

Otherwise, these short-sighted people really think that the tiger is not showing off its power, and treat him as a sick cat!

Think of it! Here, Qin Chuan looked at Wei Yun contemptuously

"Guys from the Gale Martial Arts School, come up quickly! Don't keep me waiting too long!"

As soon as these words came out, the students and the audience were stunned.

They didn't know why Qin Chuan dared to be so arrogant when he knew he would lose.

The air only condensed for a short time, and the students of the Gale Martial Arts School became angry.

"Hold! Was this kid scared out of his wits?"

"Oh shit! How dare he be so arrogant!"

"I don't know how high the sky is and how high it is! I think he is looking for death!"

"Senior Wei Yun! Teach this little man a lesson!".....

At this moment, Wei Yun was also furious!

"Boy! Don't be arrogant!"

He shouted loudly and jumped onto the ring..

Chapter 1477

At this moment, Wei Yun was also furious!

"Boy! Don't be arrogant!"

He shouted loudly and jumped onto the ring.....

In fact, he had been hesitating about something just now.

He knew the details of Qin Chuan, and he was not weak, maybe a little stronger than Xiao Yu.

He was thinking that he would first fake a few moves, then break through the last main point, break through to the first level in one fell swoop, and then knock Qin Chuan off the ring with lightning speed.

He could have broken through long ago, but just for this test, he had been suppressing his cultivation.

Today, he should show off his true strength and shock everyone.

He wants everyone to know that he is the best.

But he didn't expect that Qin Chuan would directly challenge him as soon as he came on stage, which aroused his anger.

At the same time, Qin Chuan was also thinking in his heart.

This time, he must win cleanly!

Let those guys who look down on him open their eyes wide and secretly discover his true strength!

Thinking of this, Qin Chuan looked at Wei Yun with contempt: "You go ahead and strike first! I'm afraid that once I strike, you won't even have a chance to fight back!"

"What?!"

Wei Yun was furious: "Little dwarf!" Don't be so fucking arrogant!"

"you do not believe?!"

"Ha ha! I believe you are the only one who is weird!"

"Then get out!"

Qin Chuan suddenly attacked, and with a flash of his body, he rushed directly towards Wei Yun, as fast as lightning, leaving only an afterimage in the sky.

No!

Wei Yun was horrified, and punched horizontally in panic.

Bang~! There was a dull sound. Ring!

Qin Chuan instantly bullied Wei Yun, his fist came out of a hole like a poisonous snake, easily bypassing Wei Yun's defense, and hit Wei Yun's chest firmly.

"Wow!"

Wei Yun suddenly screamed, spitting out a large mouthful of blood, and was punched out of the ring, falling heavily to the ground.

"It's a snake-shaped fist!"

On the summit stage, Wei Jifeng suddenly stood up with shock in his eyes.

Jiang Tianshui also showed shock.

Shocked! Shocked! Still shocked! The whole place was silent! Everyone was shocked! Qin Chuan actually met him just by looking at him. Defeated Wei Yun

!

"How is this possible! How... how is this possible?"

"No way! Am I dreaming?"

"Did you win? Did we win?!"

"Am I dazzled! This...this is simply unbelievable!"

Everyone looked at each other and couldn't believe the facts in front of them for a while.

Finally, after a moment, people were convinced that they were not dazzled and were not dreaming, and the whole place erupted.

"Ha ha!! we won! Our Tianshui Martial Arts School actually won!"

"Ha ha! Unexpectedly, after four consecutive years of losing, our Tianshui Martial Arts School finally won."

"yes! Our Tianshui Martial Arts School finally turned around!"

"We misunderstood Qin Chuan before! I didn't expect that his strength would be so strong, it's unbelievable!!"

"yes! We have misunderstood him. I didn't expect this guy to hide so deeply!"

"Don't you think Qin Chuan's strength is too strong? He actually defeated the strongest person in the Gale Wind Martial Arts School with one move!"

"Could it be that Qin Chuan is a first-level junior warrior?"

"yes! Only a first-level junior powerhouse can defeat a peak quasi-warrior with one move."

"Stop making random guesses! Qin Chuan is indeed the pinnacle quasi-warrior! I can feel the fluctuations in his vitality, which are only at the level of a peak quasi-warrior."

A student from the advanced class interjected.

"Oh My God! He is still only a top-level quasi-warrior! This strength is too abnormal!"...

All the Tianshui students exclaimed, and their eyes when looking at Qin Chuan changed.

On the other side, the students from the Gale Martial Arts School also looked at Qin Chuan in great surprise. They never dreamed that their martial arts school would lose. And they lost so quickly!

At this moment, the emotions of the surrounding audience were high, and the voices of the Tianshui Martial Arts School became louder and louder. The audience who had previously supported the Gale Martial Arts School also began to support the Tianshui Martial Arts School.

Even some viewers began to I am thinking that I must let my children go to Tianshui Martial Arts School to study in the future.

Among the crowd, the fat father of Zhu Heng was even more happy.

"I'll just say it! Tianshui Martial Arts School will definitely win this time, and you are still laughing at me! See it now! Ha ha!"

His laughter was very loud.

The people who had laughed at him before were all sighing, somewhat embarrassed.

In a corner, a middle-aged man with a tall appearance was looking at Qin Chuan with surprise.

Only half the time passed by Months, this boy's strength has improved to such an extent!

I wonder if Asheng will be as surprised as me when he finds out about this?

It seems that there is hope for the future of our clan, haha!!

The middle-aged man is very happy.

The leader On the stage,

Wei Qingyan and the three family heads looked at Qin Chuan in shock.

For a long time, Wei Qingyan touched his beardless chin with a look of emotion on his face.

"Coming to watch the battle this time was indeed a worthwhile trip. Unexpectedly, I discovered a good talent in this arena competition. Master Jiang, this little guy, our Wei family is going to make a decision! Jiang Tianshui immediately stood up and apologized:"

Coach Wei, this may be a bit difficult." This little guy has been accepted as a disciple by me. I'm afraid this little guy won't be lucky enough to serve the Wei family."

"That's a pity!", Wei Qingyan sighed regretfully,"However, Wei would like to congratulate Master Jiang here first. Your Tianshui Martial Arts School finally has a successor."

"yes! Li also congratulated Master Jiang."

"Chu also congratulated him in the same way."

"Gym Leader Su, your Tianshui Martial Arts Gym finally turned around during this conference."

The three heads of small clans also congratulated Jiang Tianshui one after another.

"A prize! A prize!"

Jiang Tianshui's smile was crooked.

But no one noticed that his old face was slightly red.

After all, he said that he had accepted Qin Chuan as his disciple, which was a lie.

Now, being praised by these people, he I feel a little embarrassed instead..

Chapter 1478

At this moment, Jiang Tianshui secretly thought that after the competition is over.

He wanted to communicate with Qin Chuan and accept him as his disciple.

However, that little slippery guy may not be easy to talk to.

But on the stage.

Qin Chuan stood proudly.

At this moment, he glanced at the summit and saw Jiang Tianshui's suggestive eyes.

Qin Chuan nodded knowingly.

At this moment, everyone thought that this competition was over.

Qin Chuan made another amazing move

"Is this the strength of the strongest player in Hayate Martial Arts School?"

Qin Chuan's mouth curled up slightly, and he looked at Wei Yun who was being helped up with disdain.

"Your name is Wei Yun, right? You are too weak!", Qin Chuan smiled disdainfully.

Wei Yun was so angry that he almost wanted to vomit blood: "Little dwarf! Don't bully others too much!"

At this time, his face, which was originally pale due to injury, became even paler.

At the same time, there were many Gale students who were angered.

They yelled and cursed.

"Qin Chuan! Don't be too arrogant!"

"Qin Chuan! Don't be too arrogant!...

Qin Chuan laughed: "Haha! I'm just arrogant! I'm just arrogant! So what! I would like to ask the referee, after each arena competition, do the players from each martial arts school challenge the students from the other martial arts gym? Chance?"

"Indeed!", the referee answered truthfully

"good!"

Qin Chuan turned his head and glanced at the contestants of the Gale Wind Martial Arts School.

Those contestants were shocked and unconsciously took a step back.

Qin Chuan's eyes finally fell on Gao Yan, and Gao Yan's expression suddenly changed.

He thought of his previous insult to Qin Chuan.

If Qin Chuan invited him to the stage, he would definitely die miserably.

Thinking about the previous time, Qin Chuan beat Wei Yun to the point where he vomited blood and flew backwards with one move. Not only was he powerful, but he was also very capable. Cruel, this kid is definitely not a good person.

He didn't believe that Qin Chuan would show mercy to him.

Thinking of this, Gao Yan's face became even paler, and he couldn't help but take a step back.

Seeing Gao Yan's expression, Qin Chuan showed He sneered cruelly: "Gao Yan, how dare you come up and die!"

"I..."

Gao Yan opened his mouth and didn't dare to say a word for a long time, let alone get on the ring.

Just looking at Qin Chuan's expression, he knew that if he really went up, this little bastard would definitely beat him up. He was half dead.

When he thought of this, his legs felt a little weak.

Seeing that Gao Yan did not dare to go on stage, Qin Chuan had expected it.

He sneered: "It turns out that the people in the Gale Wind Martial Arts School are all cowards! He didn't dare to accept anyone's challenge!"

As soon as he said these words, Gao Yan's face turned red.

He didn't expect that retribution would come so quickly!

However, Qin Chuan's words not only scolded Gao Yan, but also scolded the entire Gale Martial Arts students.

All the Gale Martial Arts students were immediately angered. , everyone yelled loudly

"Gao Yan! You coward! Why don't you dare to challenge?!"

"Qin Chuan! Don't go too far!"

"Qin Chuan! Don't bully others too much!".....

Seeing this scene, the Tianshui students all looked gloating.

This is the first time in five years that they have seen the students of the Gale Wind Martial Arts School in such a miserable state, being pointed at their noses and scolded.

"Am I right?"

Qin Chuan smiled proudly

"Gao Yan, since you don't dare to go on stage, then I will challenge the five of you together! you! you! you! you! And you! Come up together, five of you! Don't tell me, you don't even dare to do this, right?"

Qin Chuan pointed at five contestants in one breath.

This crazy move stunned the whole audience!

They did not expect that Qin Chuan dared to challenge five people at the same time.

The Tianshui students looked at each other in shock

"What does Qin Chuan want to do? Does he want to fight one against five?!"

"Facing five peak quasi-warriors at the same time, even a first-level junior warrior may not be able to win! Is Qin Chuan a little overconfident?"

"Judging from his performance just now, maybe it can work!"

"Domineering! I just like Qin Chuan like this!"

"That's right! Qin Chuan! we support you! Sweep the Hayate Martial Arts Hall for us! Ha ha!!"

At the same time, the audience was also excited by Qin Chuan's sudden challenge.

"Oh My God! This kid actually wants to fight one against five!"

"Ha ha!! Now there is another good show to watch!"

"If one fights against five and the Gale Wind Martial Arts School loses, it will be a loss of face!"

"yes! Unexpectedly, this day would come to Hayate Martial Arts School."

On the stage.

When Qin Chuan saw that the other five people were still not on stage, he sneered:"Are all the people in the Gale Wind Martial Arts School cowards? Give you cowards one more chance. superior? Still not going?"

As soon as these words were said, those players finally couldn't bear it anymore.

"Qin Chuan! You are looking for death, but don't blame others! Let's go together! Let him know how great we are!"

The one who spoke was the hot girl from Hayate Martial Arts School.

"That's exactly what it should be!"

Gao Yan was the first to agree.

He had tolerated Zhang Shui'er for a long time, but he didn't have the strength and didn't dare to go on stage.

Now, Qin Chuan dared to fight one against five.

It was so arrogant!

He felt that his chance had come.

"Qin Chuan! You asked for this! Brothers, let's go together!"

Wei Yun took the lead and jumped up to look at the ring.

Gao Yan and the four others quickly followed....

Chapter 1479

As soon as the five Wei Yuns entered the ring, they immediately distributed in five directions and surrounded Qin Chuan in the middle.

On the summit stage.

When Wei Qingyan saw this scene, he couldn't help but smile appreciatively: "This little guy is very brave!"

But as soon as he finished saying this, his face changed slightly, he pressed his belly with one hand, and looked at Jiang Tianshui with an apologetic look.

"Mr. Jiang, can I borrow the toilet in your hotel?"

Jiang Tianshui understood immediately and quickly ordered Lu Bao behind him

"Lu Bao, why don't you hurry up and lead the way for the head coach?"

"Instructor, please follow me!", Lu Bao quickly led the way

"That's going to trouble my little brother."

Then, Wei Qingyan said to the blue-clothed guard: "You just stay here, there is no need to follow!"

After giving these instructions, he followed Lu Bao and left in a hurry.....

The changes on the summit did not arouse the ideas of many people.

At this moment, everyone's attention is focused on the arena.

In the arena.

Qin Chuan looked at Wei Yun and the other five people calmly.

"Qin Chuan! You are looking for death!", Wei Yun also looked at him coldly.

Qin Chuan's lips curled up slightly: "Just you?"

"Then take a look! Break it for me!"

With a thought in Wei Yun's mind, he aroused the vitality in his body and rushed towards Baihui Point crazily.

Click~!

The next second, Wei Yun's Baihui Point suddenly penetrated, and a soft sound sounded in his body.

Boom~Long~Long!

The vitality around him roared. There was an explosion and began to rush toward Wei Yun crazily.

In the blink of an eye, he broke through to the first level of elementary level, and his combat power doubled.

"I finally made a breakthrough! Ha ha!!"

Wei Yun was so excited that he looked up to the sky and laughed.

This sudden change shocked the whole audience.

"Wei Yun actually broke through in the ring!"

"Then Qin Chuan's situation is not good!"

"yes! A first-level junior warrior, plus four peak quasi-martialists, can only compete with a first-level intermediate warrior. This time, Qin Chuan may be in trouble!"

"Why! Man's calculation is not as good as God's calculation!"

The students from the Tianshui Martial Arts School began to worry about Qin Chuan.

On the other side, the students from the Gale Wind Martial Arts School cheered excitedly.

The audience in the venue was even more stimulated and their blood swelled.

They did not expect that things would turn out to be twists and turns. , it was so exciting.

On the summit stage,

Jiang Tianshui stood up as soon as the ground fell.

His face was a little ugly.

He believed that Qin Chuan could deal with the combination of five peak quasi-warriors, but he did not think that Qin Chuan could deal with one The collaboration of a first-level junior warrior and four peak quasi-combatants

"hehe! You old man, you are really good at it!"

Jiang Tianshui looked at Wei Jifeng coldly.

"snort! My methods are as good as yours. I don't know where you found a little monster like Qin Chuan!"

Wei Jifeng's face didn't look good either.

Today's match is considered a loss for the Gale Wind Martial Arts School!

Now, all they have to do is to save the last bit of face!

But on the stage,

Gao Yan and the others saw that Wei Yun had broken through. , all of them were extremely excited

"Ha ha! Boss Wei Yun, your breakthrough was so timely!"Gao Yan couldn't be more excited.

Wei Yun smiled proudly and turned to look at Qin Chuan

"Qin Chuan! Are you scared now? But don't worry! We won't do anything to you, we'll just beat you to vomit blood. We want you to know that Hayate Dojo is not someone to be trifled with!

Qin Chuan smiled coldly: "I'll wait and see!"

"as you wish! Brothers, come together!"

As soon as he said this, Wei

Yun took the lead and rushed forward. Gao Yan and the other three also took action at the same time. Qin Chuan made a mistake in his steps and avoided the direct attack from Wei Yun and the other two players.

But at this moment, Gao Yan appeared. Behind Qin Chuan, a fierce punch sneaked up on the back of Qin Chuan's head.

"careful!"

The Tianshui students in the audience exclaimed.

At this moment, Qin Chuan turned to the left without looking back and easily avoided Gao Yan's sneak attack.

At this time, the last player's attack arrived..

Qin Chuan turned around and once again avoided the attack from behind.

In the blink of an eye, Qin Chuan rushed out from the circle of five people, like flowing clouds and water, very smoothly.

Wei Yun and the other five were stunned.

The audience was even more stunned. exclaim

"Wow! What a great way to identify the position by listening to the wind!"

"yes! Qin Chuan's six senses are only as strong as those of a second-level warrior, otherwise he wouldn't be able to be so relaxed and comfortable.".....

On the summit stage, several big bosses showed surprised looks.

"Tsk tsk! This little guy is not simple! Master Jiang, just give this little guy to me! Whatever you need, just ask!"

A family head finally couldn't bear it anymore and began to ask Jiang Tianshui for Qin Chuan.

Jiang Tianshui politely refused.....

But on the stage, Qin Chuan easily broke out of the encirclement.

Wei Yun and the other five looked astonished.

At this time, Qin Chuan smiled coldly:"If you only have this kind of strength, you will disappoint me! Now, it's my turn to fight back!"

"What?!"

Wei Yun and the other five suddenly felt that something was not good.

At this moment, Qin Chuan's figure flashed, bursting out with all his strength, and instantly transformed into several afterimages, incredibly fast.

"So fast!"

Wei Yun and others were shocked.

"The first one is you!"

Qin Chuan was in front of Gao Yan in an instant.

Boom~!

The wind of the fist burst out, sweeping like a violent wind within a few feet.

Qin Chuan punched Gao Yan's chest.

Gao Yan's face changed with fright.

How could he be Qin Chuan's opponent?

"not good!"

Wei Yun exclaimed and stepped forward to rescue.

At the same time, three other players also came to rescue

"late!"

Qin Chuan sneered, using his left hand as a tiger-shaped fist and his right hand as a snake-shaped fist.

As soon as the wind of the fist came out, the intention of the fist appeared.

Roar~!

The punch with the left hand was like a tiger descending from the mountain, unstoppable.

Phew~!

The punch with the right hand was like a tiger descending from the mountain. Whoops! The poisonous snake came out of its hole in ever-changing shapes.

Qin Chuan attacked Gao Yan with two punches at the same time, immediately blocking all his escape routes..

Chapter 1480

Qin Chuan attacked Gao Yan with two punches at the same time, immediately blocking all his escape routes.....

"Gao Yan retreats!"

Wei Yun came to the rescue in an emergency.

The other three players also came to the rescue at the same time.

But at this moment, Qin Chuan showed a sly smile.

The next second, he swayed and suddenly gave up the goal of Gao Yan.

Wei Yun The rescue interception of the four people was immediately in vain.

At the same time, Qin Chuan suddenly pounced on another player.

It turned out that he was attacking in the east and in the west. The real target of his attack was not Gao Yan, but another player.

That player reacted naturally Not as good as that.

Bang~!

A punch hit the chest!

The player groaned and was knocked off the ring by Qin Chuan.

"Damn it! Wei Yun was furious, "Everyone come together!"

Whoa~! Whoa~! Whoa~! Whoa~!

The four of them attacked at the same time.

Qin Chuan sneered. He was not afraid of the five of them before, but now there is one less person. What else is he afraid of?

At that moment, he faced the battle.

In a moment, The two sides fought together.

Qin Chuan fought one against four, perfectly combining listening to the wind and arguing, and his movements were as fast as lightning, which only dazzled people.

He sometimes used tiger-shaped boxing, and sometimes snake-shaped boxing.

The two boxing techniques were used alternately. Soft and soft, yin and yang complement each other.

In just a moment, he had the upper hand.

Bang~!

A muffled sound!

At this moment, Qin Chuan kicked Gao Yan on the butt and kicked him off the ring.

Bang~!

Chen Yan Four!

Gao Yan immediately threw the dog and ate its shit!

In the audience, the Tianshui students' blood swelled and they cheered immediately.

"Qin Chuan, well done!"

"Ha ha! Come on Qin Chuan!! Sweep the Hayate Dojo for us~!"

Bang~! Bang~!

Then, there were two muffled sounds in a row!

Qin Chuan knocked the other two contestants off the ring.

"Wei Yun! It's your turn!"

"I won't lose...ah!"

Before Wei Yun finished speaking, Qin Chuan kicked him down.

Suddenly, the audience cheered!

"Won! Qin Chuan won!"

"Ha ha! And it was so easy to win!"

"yes! This Qin Chuan is so awesome!"

At this moment, only Qin Chuan's lonely figure was left in the arena, looking like a lonely king under the sunset.

Tianshui's students suddenly cheered loudly.

On the summit stage, Jiang Tianshui was already smiling from ear to ear.

He was indeed You saw this kid right!

On the contrary, Wei Jifeng's face was extremely ugly.

This time, Tianshui Martial Arts School not only defeated the Gale Wind Martial Arts School.

Qin Chuan also defeated Wei Yun and others with one person's power, leaving the Gale Wind Martial Arts School behind. His face was completely ruined.

Tianshui Martial Arts School had completely turned around!

At this moment, the referee's voice sounded in the field.

"The last challenge! Qinchuan is one against five! Big win!"

At this announcement, the audience cheered again.

The fiery atmosphere in the field reached its peak.

After the cheers of the crowd subsided slightly, the referee announced again

"Everyone, this time the two museumsThis is the end of the group arena competition....."

Bang~!

A loud noise!

The whole school was shocked!

Before the referee finished his announcement, there was an earth-shattering explosion somewhere in the Tianshui Martial Arts Hall.

The whole audience was shocked and looked towards the direction of the explosion.

That direction is exactly where the latrine of the martial arts school is.

Boom~! Boom~!

There were two more huge energy collisions

"ah~! "

Immediately afterwards, there was an extremely shrill scream.

On the summit stage, the expressions of several big bosses changed drastically.

That scream was none other than Wei Qingyan's

"not good!"

"Something happened to the head coach!"

Jiang Tianshui's figure flashed, and he rushed to the place of the accident first.

Wei Jifeng and the other three family heads rushed to the place of the accident at the same time.

Suddenly, the entire school ground became a mess.

The audience was dumbfounded!

Qin Chuan's heart moved, and he also followed Passed over...

By the time Qin Chuan arrived at the scene, Jiang Tianshui and several big bosses had already arrived.

At this moment, they looked at a corpse in front of them with a look of shock on their faces.

Qin Chuan quickly stepped forward to take a look, He immediately took a breath of cold air.

The corpse was none other than Wei Qingyan.

There was a wound as big as a bowl on Wei Qingyan's chest, and blood was gurgling out. It seemed that some powerful energy had penetrated his chest in one fell swoop. He looked like he was dead. Extremely tragic.

How could this happen?

Who killed Wei Qingyan?

You know, Wei Qingyan is a fifth-level powerhouse, how could it be so easy to kill him?

Just when Qin Chuan was shocked, the instructors, students, and More than a dozen blue-clad guards brought by Wei Qingyan also rushed to the scene.

"Head coach!"

When the guards in blue saw Wei Qingyan's body, their expressions changed greatly and they shouted loudly.

Two of them even rushed forward and helped Wei Qingyan up, only to find that he was already dead.

The expressions on the guards' faces were extremely ugly.

They are Wei Qingyan's guards, and now that their master is dead, they cannot escape their involvement.

One of the guards was even more anxious and shouted: "Master Jiang, what is going on?! My master died in the yard of your martial arts school, you should give an explanation!"

"Why! I have been at the game just now, how can I know what happened here?"

Jiang Tianshui's face was also extremely ugly.

In any case, Wei Qingyan died in his own martial arts hall.

If the Wei family were to pursue the investigation, he would be hard to escape.

At this time, more and more people rushed to the scene.

It didn't take long for the yard to be filled with people.

Everyone was shocked when they saw Wei Qingyan's body.

No one could believe that someone dared to kill people from the four major families..
