

God level 1501

Chapter 1501

Qin Chuan was horrified when he saw Mr. Bai.

He recognized at a glance that the guy in front of him was the person who met Lu Bao that morning.

Xiao Yu and the other two people were not sure, and looked confused.

Zhu Heng boldly asked, "Who are you?"

Mr. Bai glanced at Zhu Heng with disdain and didn't bother to pay attention.

An ant who was at the peak of quasi-warrior level was not qualified to talk to him.

The next second, his eyes fell on Qin Chuan

"You must be Qin Chuan!"

"who are you?", Qin Chuan pretended to be calm.

In fact, he was extremely frightened in his heart.

This guy was the murderer of Wei Qingyan! You know, Wei Qingyan is a fifth-level strongman, and his strength is only equivalent to a first

-level advanced one.

He had no power to fight back against such a strong man.

At this moment, Qin Chuan's thoughts were racing and cold sweat broke out on his forehead.

Mr. Bai sneered slightly: "You have no right to know who I am. Qin

Chuan swallowed and summoned up the courage to say, "No matter what, the four of them are innocent. Can we let the four of them go first?"

Mr. Bai sneered: "No!"

"Why?"

"Because you hurt my people. Without the trouble of the four of them, you can't hurt Huang Yue, so the four of them can't even live!"

Mr. Bai's tone was extremely cold.

The faces of Xiao Yu and the others changed drastically.

What the hell?

Why did this guy say he wanted to kill them all when they met?

Zhu Heng had a bad temper and became even more furious: "If you want to kill people in Shenyang City, you When the four major families are just decorations, how dare you ignore the prohibitions of the four major families!"

"Four major families? cut!"

The corners of the man in white's mouth curled up, with disdain in his tone.

Seeing this, Zhu Heng suddenly felt bad.

This guy doesn't seem to be afraid of the four major families!

Xiao Yu quickly asked: "Qin Chuan, who is this person? Qin

Chuan sighed: "He is the murderer of Wei Qingyan!"

"What?!"

Xiao Yu and the other two exclaimed, each of them opened their eyes in horror and backed away in fear.

At this moment, Qin Chuan felt that there was no need to hide it.

He knew that Mr. Bai would not let the five of them go.

In this case, He might as well tell the truth.

His only regret is that Zhu Heng and the four others were implicated

"Qin...Qinchuan! Are you telling the truth? He... is he really the murderer of Wei Qingyan?"

Ge Fei was so frightened that his tongue was tied.

Qin Chuan smiled bitterly and nodded slightly.

When Ge Fei saw this, his face turned pale.

The hearts of Xiao Yu, Zhu Heng, and Liu Fei also sank.

They had been He thought that the person who killed Wei Qingyan was a descendant of the Yan family, but he didn't expect that it was the man in white in front of him.

You know, Wei Qingyan is a fifth-level powerhouse.

This man in white can even kill a fifth-level powerhouse, so how many of them will die? It's settled.

Just when Xiao Yu and others were panicking, Mr. Bai sighed quietly.

"Qin Chuan, you shouldn't say it!

Qin Chuan sneered:"Why don't you say it?" You're going to kill us anyway!"

"Why! Mr. Bai sighed softly,"Because as soon as you say that, I will kill a mouse lurking aside.""

"What's the meaning?", Qin Chuan was puzzled.

Mr. Bai ignored Qin Chuan, but looked at a dark corner behind the alley.

But when Mr. Bai looked there, a gray shadow rushed out from the darkness, And fled to the end of the alley as fast as lightning.

It was him!

Qin Chuan was shocked.

He recognized at a glance that the gray figure was the old man in gray clothes from Wanbaoxuan.

What happened?

Why was the old man in gray clothes here?

Could it be that he had always been there ? Are you following me?

Thinking of this, Qin Chuan suddenly understood something and was shocked and angry.

It seemed that he was still too naive and was plotted by this old man.

In the blink of an eye, the old man in gray fled to the end of the alley and was about to escape. Everyone was watching.

Mr. Bai was indifferent, and the corner of his mouth curled up slightly: "It's really a dream that a third-level warrior wants to escape from me! Earth slave, do it!!"

Just after saying this, a sudden change occurred in the field!

Boom~!

An explosion!

The ground at the end of the street suddenly exploded.

A monster broke out of the ground, opened its bloody mouth, and bit into the old man in gray. Go.

Suddenly, rubble flew everywhere and dust flew.

The old man in gray clothes was horrified, and he jumped in the air, trying to avoid the monster's bloody mouth.

But unexpectedly, the monster sucked the old man into its mouth with a sudden breath, and filled his mouth with it. The sharp teeth closed together.

Click~!

Blood splattered!

"ah~! "

An extremely shrill scream echoed in the alley.

The old man's body was bitten into two pieces by the monster. The smaller half of the body rolled to the ground and died tragically on the spot.

Creak! Creak!

The monster chewed with its big mouth, making a sound of crushing bones, which made people feel numb.

The five people in Qinchuan were completely dumbfounded. They were all so frightened that they felt as if they had fallen into a bottomless abyss.

A third-level warrior was killed by the monster after only one encounter.

The five of them are even more vulnerable.

It seems that the monster is Mr. Bai's pet.

Qin Chuan was a little confused.

It was a bit far away and he couldn't see clearly.

What's more, the monster was so huge that only half of its head was exposed from beginning to end, making it difficult to see the whole thing.

Just when everyone was in shock, the monster shrank back to the ground and disappeared.

On the ground, there was only a human head with half of the shoulder left, and blood stains all over the ground.

There was still a strong smell of blood floating in the air.

A Mr. Bai is extremely scary.

What's more, he also has a terrifying pet.

Qin Chuan suddenly realized that he had been surrounded.

At one end of the alley, there was the unknown monster lurking underground.

On the other side, the injured Huang Yue was blocking their way.

And above their heads, there was Mr. Bai looking down..

Chapter 1502

Qin Chuan suddenly realized that he had been surrounded.

At one end of the alley, there was the unknown monster lurking underground.

On the other side, the injured Huang Yue was blocking their way.

And above their heads, there was Mr. Bai looking down...

At this time, Mr. Bai's eyes fell on the five Qinchuan people again.

"Now it's your turn!", Mr. Bai smiled slightly

"What?!"

Xiao Yu and the others were horrified.

At this moment, Qin Chuan's super six senses came into play.

He clearly heard the rapid movement of a giant thing coming from underground, and it was heading towards Zhu Heng.

He was anxious:"Zhu Heng! Get out of the way!"

While yelling, he pushed Zhu Heng away with all his strength. The moment Zhu Heng was pushed away, the ground suddenly exploded, bang~!

Rubbles flew everywhere!

A huge head with a bloody mouth open , rushed out of the ground and jumped into the air.

This is the Earth Slave in Mr. Bai's mouth.

It was originally going to devour Zhu Heng, but Qin Chuan pushed it away first.

The Earth Slave was furious, when will anyone be able to escape from it? A sneak attack.

Boom~Long~Long!

The Earth Slave struggled to free himself, and the upper half of his body rushed out of the ground, bringing up rubble all over the sky and flying everywhere.

It was at this moment that Qin Chuan and others saw its appearance clearly.

It was actually a huge monster with the head of a rat and the body of a python, about ten feet in diameter, with a huge mouth three to four meters wide. The upper body exposed from the ground was at least seven or eight meters long.

It had two giant eyes, green and shiny. The size of a copper bell, it was looking down at Qinchuan and the others sinisterly.

What puzzled Qin Chuan was that this monster exuded a corpse-like stench, unlike a normal ferocious beast.

Click~! Click~! Click~!

Just when Qin Chuan was surprised, the earth slave struggled again, and his body rose several meters again, revealing a large part of his lower body.

At this time, Qin Chuan and the others discovered in horror that the earth slave's lower body had completely rotted away, revealing all the white flesh. bones.

Through the gaps in the skeleton, they could clearly see that the internal organs in the upper body were intact and the heart was still beating.

This strange scene made Qin Chuan gasp and couldn't help but look back. Retreat continuously.

What the hell is this earth slave?

This is definitely not a normal war pet!

Evil magic!

It must be evil magic!

Just when Qin Chuan was extremely horrified, Mr. Bai's voice sounded again in the sky above his head

"It's time to send you on your way! Qin Chuan, you are the first one!"

As soon as he finished speaking, Mr. Bai fell from the sky and slapped Qinchuan's heavenly spirit with his palm.

Qinchuan was horrified. He wanted to run away, but he was horrified to find that he was enveloped by Mr. Bai's aura, suppressing him in place and unable to move. , can't even move a finger

"Qin Chuan! careful!"

Zhu Heng and the other four people exclaimed in fright.

In the blink of an eye, Mr. Bai's palm came close to the top of Qin Chuan's head, and it was about to fall.

Qin Chuan's eyes widened in despair.

But at this extremely critical moment At the critical moment, a hearty laughter suddenly appeared behind Mr. Bai

"Ha ha! You pretender, how can you bully a junior? Eat my slap!"

Boom~Long~Long!

As soon as those words fell, the wind and thunder shook in the sky and the earth. A fierce palm wind, carrying the momentum of destroying the world, sneaked towards Mr. Bai's back.

"who!"

Mr. Bai screamed, and quickly turned around to resist the sneak attack.

Boom~!

The two palms met!

A loud bang!

The sky collapsed!

Mr. Bai and the person faced each other with a palm.

Two monstrous forces of vitality clashed with each other, stimulating Thousands of air waves arose, and with the two of them as the center, a huge pothole was exploded in the middle of the street, causing the places for miles around to tremble. For a time, dust flew up on the street, and the two figures were blown away. They were all covered up.

The invisible air wave formed by the battle between the two sent Qin Chuan, Xiao Yu, Zhu Heng and others flying out one after another, and fell heavily to the ground one by one.

Even Huang Yue, who was far away, Affected by the air wave, he was thrown away and fell again, spitting blood.

The visitor and Mr. Bai were too strong!

The two of them just fought with each other, and the aftermath swept all the teenagers present.

When the dust settled, Qin Chuan quickly He raised his head and looked at the center of the explosion.

Except for a big crater, there was no one there, not even Mr. Bai.

But the next second, a cold snort sounded above his head.

Qin Chuan quickly raised his head and saw Bai Sir, he returned to the roof of the building where he was standing before.

At this moment, he was looking coldly at the roof opposite, where a man with a heroic temperament stood proudly.

The man had thick eyebrows, raised eyes, and a beard on his upper lip. , showing a sense of heroism in his extraordinary heroic spirit

"Who are you? Why do you want to spoil my good deeds!"

Mr. Bai looked at the heroic man coldly, looking very afraid.

"You don't have to worry about who I am! I just want to tell you that as long as I'm here, you can't even touch a hair on this little guy!"

The heroic man pointed at Qin Chuan.

Qin Chuan was stunned.

He didn't seem to know this heroic man.

Why did this guy want to help him?

Mr. Bai seemed to have thought of something and asked hurriedly: "Could it be that you were the one who sent this guy that night? The boy rescued the masked man in the city?"

"no!", the heroic man directly denied it.

Immediately, he regretted and said: "By the way, why should I tell you this! Why! Forget it, you pretentious guy, I think you should give up. As long as I'm here, you can't even touch a hair on this little guy!"

The heroic man knew that the masked man who rescued Qin Chuan back to the city that night was Deacon Qin.

It turned out that this heroic man was none other than a member of Qin Chuan's tribe.

He was also a descendant of the Qing family of the God Clan - Qingyun Lie!..

Chapter 1503

At this time, Mr. Bai said coldly: "I want to kill! Can you stop me?"

Qing Yunlie sneered: "You can try!"

Mr. Bai frowned: "Slave! Huang Yue! Kill Qin Chuan!"

Roar~!

Give an order!

The land slave roared wildly and rushed towards Qinchuan.

Huang Yue also killed Qin Chuan at the same time.

Qinchuan was horrified.

This earth slave can kill even a third-level expert in an instant. How could he be his opponent?

What's more, there is still Huang Yue harassing him.

At this extremely critical moment, Qingyun Lie took action

"God Binding Technique! All things are bound—bound!"

Qing Yunlie flew his hands and made seals continuously.

Bang~! Bang~! Bang~!

The next second, more than a dozen arm-thick green ivy broke out of the ground, bringing up rubble all over the sky.

Swish~! Swish! ~! Whoa~!

The green shadows flashed, and in just an instant, the dozens of ivy vines tied up Di Nu and Huang Yue, imprisoning them in place, making them unable to move.

"saved!"

Qin Chuan breathed a sigh of relief in his heart, and was surprised at the magic of the God Binding Technique.

It should be a kind of wood-based martial arts.

The four Xiao Yus on the side had already broken into cold sweats.

But before they could breathe a sigh of relief, the scene Reborn from the mutation.

Roar~!

The earth slave roared and struggled hard!

Bang~! Bang~! Bang~!

In just an instant, it broke three ivines.

Qinchuan was horrified.

"What a strong monster!"

Qingyun Lie was also surprised.

This earth slave was stronger than he expected.

Mr. Bai was excited:" Earth slave! Kill that kid!"

Roar~!

The earth slave roared again, struggled desperately for a while, and broke five or six green vines again. As soon as those green vines were broken, they immediately turned into dots of starlight and dissipated in the air.

In the blink of an eye, only four were left The green vine was still restraining the earth slave.

Obviously, the green vine could not restrain it at all at that time.

"not good!"Qing Yunlie suddenly realized the crisis.

He ducked and went to rescue Qin Chuan.

Otherwise, as soon as the earth slave broke free, with Qin Chuan's strength, he would not be able to escape the blood mouth of the earth slave.

But as soon as he moved, a white light appeared in front of him. In a flash, Mr. Bai stopped in front of him instantly

"Want to save him! Get through me first!"

Mr. Bai sneered and struck Qingyun Lie with a palm.

"Damn it!"

Qing Yunlie was furious, and had no choice but to meet him with a palm.

Bang~! Bang~! Bang~!

The two sides suddenly fought together.

Bang~! Bang~! Bang~! Bang~!

At this moment, the land slave continued to fight He broke off the last four ivy vines, no longer restrained, and rushed directly towards Qin Chuan.

Seeing that the situation was not right, Qin Chuan had already run a hundred meters away.

But how could his speed be compared to that of Di Nu? The monster.

Whoa~!

The Earth Slave rushed out, the ground was broken open layer by layer, and gravel flew everywhere.

In the blink of an eye, it narrowed the distance between it and Qin Chuan, and the two sides got closer and closer.

Qingyun Lie was so anxious that he jumped.

He He wanted to save Qin Chuan, but he was tightly entangled by Mr. Bai and couldn't escape.

At this extremely critical moment, he yelled: "Black egg! Come out and save that kid!"

Ho~!

As soon as he finished speaking, an earth-shaking roar came from behind the street.

The whole world was shaken by the sound waves, and the roof tiles on both sides fell one after another.

Xiao Yu and the four of them were almost unsteady on their feet..

In fact, the four of them were so frightened that their legs were weak, and they were unable to stand still at this moment, which is human nature.

In contrast, Qin Chuan's state of mind was much stronger than that of the four of them.

With that roar, a huge group of A black shadow fell from the sky.

Bang~!

The black shadow fell directly behind Qin Chuan and stopped the earth slave.

Only then did Qin Chuan see clearly that the black shadow was actually a nine-foot-long, three-foot-tall bat with a pair of huge bats on its back. Winged black giant tiger

"Roar!"

The black tiger roared, and the tiger's claws struck at the Earth Slave like lightning.

Bang~!

A muffled sound!

The Earth Slave roared miserably, and was swatted away, bringing up rubble all over the sky, and finally smashed it down heavily. On the ground, the whole street was shaking.

The people in Qinchuan were stunned.

Oh my god!

This black tiger is so powerful!

It actually slapped away the terrible earth slave with one palm.

"Ha ha!! Black egg! here you go!", Qing Yunlie laughed proudly

"Ouch!"

The black tiger roared, and with a pair of tiger eyes, he looked at Qingyun Lie with great resentment.

To think that it was a majestic and sacred tiger, but it was called a 'black egg' by this hateful owner, and it was in front of so many people.

It didn't want it For the sake of face?

Hey~!

You are not a kind person!

But when Mr. Bai saw Black Tiger, he was shocked.

He quickly forced Qingyun Lie away with a palm, exited the battle circle, and looked at Black Tiger with a shocked look on his face.

"That is.....The fifth-level ferocious beast—the Flying Divine Tiger!"

"Ha ha! Do you still want to fight the guy who is pretending to be a ghost?"

"snort!"

Mr. Bai snorted coldly and looked at Qing Yun Lie coldly.

At this moment, he was extremely conflicted.

With Qing Yun Lie and Feitian Shenhu present, it was impossible for him to kill Qin Chuan.

But if he was asked to retreat, Not willing to give in.

Swish~! Swish~! Swish~!

Just when Mr. Bai hesitated, there were several sounds of breaking the air in the distance.

Mr. Bai's face changed slightly.

Another master came, and there was more than one!

Obviously, The fight just now had attracted all the nearby masters.

At that moment, Mr. Bai looked at Qin Chuan unwillingly.

"Boy, consider yourself lucky!"

As soon as he finished speaking, he flashed and landed next to Huang Yue. He condensed his energy into a knife and cut off the ivy tied to Huang Yue's body.

"withdraw!"

Mr. Bai gave the order, and the 'ground slave' dived into the ground and disappeared.

Then, he lifted the injured Huang Yue with one hand and prepared to evacuate.

"Wait!"

But at this moment, Qing Yunlie's voice sounded behind him.

Mr. Bai paused and said without looking back:"What else does your Excellency have to do?

Qingyun Lie said coldly:"Remind you!" I don't want what happened today to happen again. If it happens again, no matter who you are, we will not let you go!

Mr. Bai was surprised:"You?" Are you not the only one?!

Qing Yunlie sneered:"It's good to know!" You take care of yourself!"

"snort!"

Mr. Bai snorted coldly and stopped answering.

The next second, he took Huang Yue and disappeared to the other end of the street without looking back..

Chapter 1504

After seeing Mr. Bai leave, Qing Yunlie jumped off the roof and came to Qin Chuan's side

"follow me!

Qin Chuan looked puzzled:"Who are you?"

Qingyun Lie smiled cynically:"Boy!" Now is not the time to talk about this. Let's go quickly. After a while, many people will come."

Qin Chuan nodded quickly

"Black Egg, and you! Be quick!"

Qing Yun Lie glared at the Flying Divine Tiger.

Ouch!

The Flying Divine Tiger glanced at Qing Yun Lie resentfully, then roared, its body shrank rapidly, and its two huge bat wings also retracted into its body.

In the blink of an eye, it turned into He found a little black cat.

Qin Chuan was surprised when he saw it.

If he hadn't seen Hei Dan's true form with his own eyes, Qin Chuan wouldn't have believed it even to death. This little black cat turned out to be a fifth-level ferocious beast.

He thought about it At this point, Qin Chuan couldn't help but show envy.

It would be great if he could have such a powerful battle pet.

But after Heitan turned into a little black cat, he jumped to Qingyun Lie with a kick of his calf. shoulders

"Let's go!" Qing Yunlie looked at Qin Chuan.

Qin Chuan nodded.

Then, he looked at Zhu Heng and the other four

"Four of you, please remember that Lu Bao and the man in white are in the same group, and they are the real culprits who killed Wei Qingyan."

Hearing this, Zhu Heng and the other four nodded slightly as if they had some realization.

Xiao Yu, in particular, looked sad.

He had already guessed that it would be difficult for them to see Qin Chuan again after they said goodbye today.

Otherwise, Qin Chuan He would not tell them the truth, and then tell others through their mouths.

If Qin Chuan would still stay in the martial arts gym, he could tell others by himself.

In fact, Xiao Yu's guess was right.

Qin Chuan planned to leave Xicheng District This place of right and wrong will not return to Tianshui Martial Arts School.

Firstly, he does not want to stay in Xicheng District and be plotted by Mr. Bai again.

Secondly, with Mr. Bai's strength and the forces behind him, Jiang Tianshui cannot protect him.

On the contrary, If he continues to stay in the martial arts hall, he will harm Jiang Tianshui.

If he returns to the Zhou family, with the strength of the Zhou family, Mr. Bai will not dare to break into the Zhou family's lair and kill people.

After all, the Zhou family is also one of the four major families. , there are many sixth-level and seventh-level masters among them. No matter how powerful Mr. Bai is, he is still only at the fifth level, so he has to weigh everything he says.

Besides, Qin Chuan's next goal is to join the Zhou family's guard team, which is the strength of the Zhou family. The base camp is much safer than staying in Xicheng District.

With just one sentence, Qin Chuan and Xiao Yu understood each other.

Zhu Heng, Ge Fei, and Liu Fei were confused when they heard it, and they only knew that Qin Chuan told them a truth. At this moment, several rapid sounds broke through the air not far away.

Qing Yunlie frowned slightly: "These guys are coming so fast! It's too slow to walk on the ground, let's fly from the sky!"

Qin Chuan was surprised: "Flying from the sky?"

"Black Egg, psychic fusion!"

Ho~!

Heidan immediately roared, jumped up into the air, and instantly transformed into a flying divine tiger with two wings on his back. A strange rune also lit up on his forehead.

Qingyun Lie pressed his finger on the rune and shouted A voice said: "The tree produces the Tao, and I control the life of the people." I am so lucky to be able to help me channel my spirit, so be it!"

Buzz~!

As soon as those words fell, a similar rune also lit up on Qingyun Lie's forehead.

The next second, Hei Dan's body disappeared, turning into a huge light and shadow, and slowly merged with Qing Yun Lie.

A moment later , one person and one battle pet merge into one.

Qing Yunlie's body suddenly grew one foot, his hands strangely grew sharp claws, several tiger stripes grew on his cheeks, and a pair of huge bat wings sprouted from his back. Keep fanning.

After this combination was completed, Qingyun Lie's aura surged a lot, and he was infinitely close to the sixth-level powerhouse.

Qin Chuan was stunned.

My God!

What kind of martial skill is this?

Human and war pet merge into two. First, it seems that the combat power can be superimposed, which is a bit exaggerated!

It seems that I still underestimated this guy before.

I am afraid that this person is much stronger than Mr. Bai, but I am afraid that he has not used his true strength.

Qin Chuan took a deep breath He took a breath and looked at Qing Yun Lie carefully.

At this moment, Qing Yun Lie looked like a powerful demon god, standing tall and high in the sky.

"Walk!"

The next second, he grabbed Zhang Shui'er by the back collar, spread his wings, and turned into an afterimage, flying away. In the blink of an eye, the two of them disappeared at the end of the alley, leaving only Zhang Shui'er in the entire alley. Xiao Yu and the other four were in shock.

After a while, the four of them looked at each other in shock.

"Was that martial skill just now a psychic skill?!"

"seems like it! I heard that it is a top skill that can only be mastered by high-level wood warriors!"

"wrong! Spiritualism is seen as talent. If you don't have talent, you won't be able to channel spirits even if you practice to the eighth level of the Wood Element. If you can channel spirits, you can borrow the power of your battle pet, which is extremely terrifying!"

"Hiss~! This psychic technique is so powerful!"

The four teenagers were amazed.

At this moment, a sound broke through the air from far to near.

Then, a figure appeared at the scene..

Chapter 1505

At this moment, a sound broke through the air from far to near.

Then, a figure appeared on the scene.

The person coming is a bearded man

"Huh! This is.....Old Man Liu!"

The bearded man looked at the big pit in front of him with a look of astonishment.

In the pit, he saw a human head with half a shoulder lying, belonging to Mr. Liu of Wanbaoxuan.

And this bearded man bought Qinchuan Huoling. Jing's Mr. Wei

"How could Chief Liu die here? Could it be that he followed the boy selling fire crystals? If so.....hiss!"

Young Master Wei seemed to have thought of something and gasped.

Fortunately, he didn't catch up with that kid.

Otherwise, he would be the one who died here.

Thinking of this, Young Master Wei was inexplicably afraid.

Swish~! Swish~!Shua~!

At this moment, several more masters arrived.

Even Jiang Tianshui arrived.....

At this moment, Qin Chuan and Qing Yunlie had already gone far.

An hour later, in a deserted grove on the southern outskirts of Shenyang City, the figures of Qin Chuan and Qing Yunlie appeared.

"senior! Can you tell me now, who are you?" Qin Chuan asked respectfully.

Qing Yunlie held a piece of dogtail grass in his mouth and said with a heroic expression:"Little guy, who am I? It's not time to tell you."

"However, I can give you a hint. I am a friend of your father and Deacon Qin.

Qin Chuan was surprised:"Are you a friend of my father and Uncle Qin?" Could it be that the senior was also a guard of the Zhou family before? But it's not like that, the senior is a warrior of the wood element, and the guards of the Zhou family are basically majoring in the fire element."

Qing Yunlie patted Qin Chuan's shoulder and said with a smile:"You are really smart, you can tell everything. You are worthy of being my Qing Yun Lie.".....Well, by the way, in three days the Zhou family will recruit reserve guards.

"Deacon Qin asked me to bring you a message. He wants you to pass the Zhou family's assessment and join the Zhou family's reserve guard team. As long as you enter the Zhou family's reserve escort team, he will tell you some things you want to know.

Qin Chuan couldn't help but ask:"What is going on?" Qingyun

Lie threw away the dogtail grass and said cynically:"Don't ask so many questions. When the time comes, you will naturally know everything." By then, you will also know who I am"

"Besides, you can practice with me these days. Just now, I took a look at your cultivation, and it was very good. The water element is the first level and the wood element has opened up thirty-two main points."

"By the way, you practice the Wood Spirit Art, right? What a coincidence, I also practice the Wood Spirit Art. If you don't understand anything these days, just ask and I can give you some advice!

Qin Chuan was overjoyed:"Thank you, senior!""

"You're welcome! Your father and I, as well as Deacon Qin, are close friends in life and death. Although Deacon Qin has a bit of a venomous mouth, he is still a nice person."

"Senior, is Black Egg your pet?"

Ouch~!

Black Egg is very spiritual and seems to be able to understand Qin Chuan's words.

It growled dissatisfied.

Qingyun Lie laughed:"Haha! Black Egg is not my pet, but my psychic beast and my fighting partner!".

Ouch!

Heidan raised his head proudly, seemingly satisfied with the title of 'combat partner'.

Qin Chuan became more and more surprised as he looked at it, secretly thinking that this guy is really spiritual!

"Senior, why can the skills you used earlier be combined with Heidan?"

"That's the psychic fusion of spiritism. Spiritualism is a skill that only wood warriors can perform"

"oh! Qin Chuan said with envy on his face,"Senior, look, I am also a warrior of the wood element. Can you teach me the art of psychics?"

"It's okay to teach you psychic skills. But your cultivation level is too low. If you want to learn psychic skills, it's still too early. Qin Chuan was curious:"

Senior, what kind of cultivation level can I learn psychic skills?"

"Level five!"

"Hiss~! So high!"

"Hey! Little one, psychic skills are not easy to learn. Even if you reach the fifth level of cultivation, you may not be able to learn the spiritism technique. It depends on the true meaning you comprehended when you were at the fifth level. Qin

Chuan scratched his head, somewhat confused.

Qing Yunlie explained: "The wood element has three true meanings: the true meaning of life, the true meaning of death, and the true meaning of reincarnation." If you want to learn psychic skills, you must understand the true meaning of birth or reincarnation."

"If you first understand the true meaning of death, you will not be able to learn the art of necromancy even if you have reached the fifth level of the wood system. In short, you haven't even completed the first level of psychic communication. It's still early to learn psychic skills! Qin Chuan was curious:"

Senior, what does the first level of penetration mean?"

"Let me tell you this, the first five levels of a warrior are: first-level awareness, second-level aura, third-level agility, fourth-level materialization, and fifth-level enlightenment. The so-called first-level acupuncture means opening up all the acupuncture points in the body. The fifth level of enlightenment is to understand the true meaning. Qin

Chuan was still a little confused: "Senior, what you mean is that to learn spiritualism, you need to understand the corresponding true meaning." But why can some martial arts be learned without understanding any true meaning?

Qingyun Lie explained: "Martial arts are divided into three levels and one level. Inferior level and medium level martial arts do not require understanding of the true meaning. Of course, there are also a very small number of superior martial arts that can be learned without understanding the true meaning."

"But most of the superior martial arts, as well as all the best martial arts, can only be used after understanding the true meaning. In other words, most superior martial arts will only appear in the hands of fifth-level and above warriors."

"Senior, what is the difference between superior, middle and inferior martial arts?"

"Taking offensive martial arts as an example, low-level martial arts can increase a warrior's attack power by 10%, medium-level martial arts can increase the attack power by 20%, superior martial arts can increase the attack power by 40%, and top-level martial arts can increase the attack power by 80%. Auxiliary martial arts is an alternative algorithm"

"oh! Qin Chuan had some understanding.

Qing Yunlie said again:"Although I can't teach you the art of psychic communication, I can teach you the art of binding gods. Do you want to learn it?" Qin Chuan's eyes lit up:"

I think so!""

He has seen Qingyun Lie perform the 'God Binding Technique'.

This martial skill is definitely a very practical and powerful martial skill.

"Ha ha! Come on, I'll pass it on to you now!"

Qing Yunlie smiled heartily and began to teach by words and deeds.

Qin Chuan was excited and quickly sat cross-legged and listened carefully to his explanation...

Just like that, the two of them began to practice in the woods.

Time flew by! In the blink of an eye, two days passed It has passed.

In the past two days, Qingyun Lie not only taught Qin Chuan the 'Shen Binding Technique', but also helped Qin Chuan open the three main acupoints of the wood element.

At this point, Qin Chuan's wood element cultivation has reached the peak of a quasi-warrior. Comprehensive strength improved again..

Chapter 1506

Can open three main points in a row within two days.

In addition to Qingyun Lie who helped a lot, Wood Spirit Xiao Yuan Judan and Qingxin Curse also helped a lot.

Qin Chuan originally wanted to take the 'Awakening Pill' to upgrade the wood element to the first level in one fell swoop.

It was a pity that he was too late, because tomorrow was the day when the Zhou family recruited reserve guards, and he should rush back.

At this moment, Qing Yunlie looked at Qin Chuan and kept praising him

"good! good! Little guy, your wood talent is much stronger than I expected. Tsk tsk!! Such a talent is truly amazing!"

"Senior, thank you! In the past two days, thanks to the guidance of my seniors, I have been able to improve so quickly!

Qing Yunlie said with a look of relief:"You don't have to be humble!" If it weren't for your extraordinary talent, all my advice would be in vain! By the way, tomorrow is the day when the Zhou family recruits reserve guards, but you are too strong and must keep a low profile, so...."

As soon as he finished speaking, Qing Yunlie struck Qin Chuan several times like lightning.

Qin Chuan suddenly felt that the water energy in his body had been sealed.

"Um...Senior, why are you doing this? Qingyun

Lie said with a serious face:"You are already at the first level of water element cultivation, and now you have reached the peak of wood cultivation to a quasi-warrior, but you are only twelve years old this year." It's amazing to have such strength at such a young age."

"That will attract too much attention, which is not a good thing, and may even cause some trouble you can't imagine. Therefore, I temporarily sealed your water energy to make you look like a single peak wood element quasi-warrior."

"Although it is still shocking, it is still within the acceptable range of ordinary people. After you successfully join the Zhou family guard team, Deacon Qin will help you remove the seal and tell you some things you want to know."

"oh!"

Qin Chuan understood Qing Yunlie's painstaking efforts.

At the same time, he was also curious about what Uncle Qin was going to tell him?

What on earth was he hiding about himself?

Thinking of Senior Demon Snake, he vaguely felt that he was probably not an ordinary person. Orphan.

At this time, Qingyun Lie arrived again: "Boy, you have to remember! Do anything later. You have to leave your own cards. Don't expose your trump card easily until the critical moment, understand? Qin

Chuan's eyes lit up and he nodded slightly.

Qing Yunlie smiled slightly: "Sometimes, keeping a low profile is also a tactic." Although I have sealed your water energy, with your current strength, there is no big problem in passing the assessment. Of course, don't take it lightly. In the past Wei family assessments, there were also first-level intermediate warriors."

"Thanks for the reminder, senior!", Qin Chuan looked confident.

Even if his water energy is sealed, he still has wood cultivation and body refining cultivation.

When the two are superimposed, no first-level intermediate warrior can do anything to him.

If his water energy is not Being sealed, a first-level intermediate warrior is no match for him, and even a first-level senior warrior cannot do anything to him.

"Boy! Let's go back!"

"Senior, can I see you again in the future?"

"There will be a chance! Qin Chuan was delighted:"

Senior, I'll take my leave first!""

He was grateful to Qing Yun Lie, and he was naturally happy to know that he still had a chance to see him.

At that moment, Qin Chuan said goodbye to him and left.

Qing Yun Lie looked at the young man's retreating back and felt emotional.

Until Qin Chuan was far away Go and completely disappear from sight, then he turned back and looked somewhere in the woods.

"Ah Sheng, come out, that kid has left."

As soon as he finished speaking, a slender figure walked out of that corner.

This person was none other than Deacon Qin.

"Ariel, what do you think of Qin Chuan?"

Deacon Qin looked at the direction Qin Chuan was leaving with a proud look on his face.

"very good! With his talent, it is entirely possible to advance to the eighth level. It's a pity that as soon as my clan reaches the eighth level of cultivation,.....Why!"

Qing Yunlie seemed to have thought of something and sighed helplessly.

Deacon Qin sneered: "You don't have to be pessimistic! Our clan's things will be brought back, and our hidden dangers will definitely be eliminated. Those blood debts will also be recovered together. I believe Qin Chuan can do it!"

As soon as he finished speaking, Deacon Qin's figure flashed and disappeared into the forest..

Chapter 1507

At the same time, a strange white figure appeared in the small bamboo forest on the western outskirts of Shenyang City. It was Mr. Bai.

"Why! You failed again!"

A faint voice came from behind Mr. Bai.

"snort! Now that you are here, come out!" Mr. Bai snorted dissatisfiedly.

"Bai, didn't you say you wouldn't miss this time?"

As the faint voice sounded again, Mr. Lan appeared out of thin air.

Mr. Bai said reluctantly: "This time it was an accident! The person who saved Qin Chuan knows psychic skills, I am no match for him"

"Spiritualism! That is the ultimate martial arts! Not everyone can learn from that person must have a strong background and talent. After saying that

, Mr. Lan smiled coldly again: "I told you not to kill Qin Chuan." That little guy's background is not simple, but it's a pity that you don't listen."

Mr. Bai snorted coldly and did not answer.

Mr. Lan continued: "This time, forget it if you fail to intercept and kill, and ruin our plan to provoke the Yanwei family. Now, the four major families in Shenyang City have jointly wanted you! You should know what the consequences are!"

It turns out that after Mr. Bai failed to intercept Qin Chuan, a shocking news came out in the Western District.

That is: the person who killed Wei Qingyan was not a member of the Yan family, but a man in white wearing a silver mask. As soon as this news spread Suddenly, the whole city exploded.

Then, the next day, another shocking news came out in the city.

The four major families jointly issued a wanted order.

Three people were urgently wanted, namely: Lu Bao, Huang Yue , and Mr. Bai.

By doing this, the four major families naturally got the truth from the mouths of Xiao Yu and others.

Mr. Lan sighed:"Hey! If you didn't kill Qin Chuan, he wouldn't tell the truth, and you wouldn't be exposed. You forced all this. If he really wanted to tell the truth, he would have told it long before you did anything."

"That's it! This matter has been passed, so I won't mention it again. I came to you this time because Feng asked me to give you an oral message."

When he heard that it was the Phoenix Master who was delivering the message, Mr. Bai's expression changed slightly.

He immediately said in a gentle tone:"What is the message from the Phoenix Master?"

"Phoenix Lord believes that you, Lu Bao, and Huang Yue are no longer suitable to stay in Shenyang City. From now on, without his order, you are not allowed to step into Shenyang City again. Everything in Fengyan City will be handed over to 'Zi' to be responsible for!"

"What?! Mr. Bai was shocked,"That scary guy Zi is coming!" What is he here for?"

"snort! It's not because of your unauthorized actions that the internal strife between the Yanwei family failed and our plans were disrupted. Master Feng ordered Zi to come here to re-formulate a plan to deal with the four major families."

Speaking of this, Mr. Lan's tone revealed dissatisfaction.

Mr. Bai was speechless.

At this moment, he regretted dealing with Qin Chuan.

Then, he seemed to have thought of something, and said:"By the way, I told you last time You, I will ask Elder Sun of the Huo family to find out the details about Qin Chuan. That old guy told me something"

"What's the matter?"

"He said that Qin Chuan was a servant boy of the Zhou family and an orphan. But judging from various signs, Qin Chuan could not be an ordinary orphan, nor an ordinary servant boy. I suspect that someone in Qin Chuan arranged to lurk in the Zhou family. I wonder what their purpose was?"

Mr. Bai analyzed his own opinion.

Mr. Lan pondered for a moment:"If I am not wrong in my guess, they are probably for the 'Blue Dragon Pearl'. Back then, the Qing family of the divine clan was exterminated, and the 'Green Dragon Pearl' fell into the hands of the Zhou family. This was a well-known secret."

"You also said that the people who rescued Qin Chuan twice were all wood warriors, and the 'Green Dragon Pearl' is the supreme sacred object for wood warriors.

Mr. Bai also nodded slightly:"Yes!" The 'Blue Dragon Pearl' is an inherited artifact of the Qing family of the God Clan. The children of the Qing family possess the bloodline of the ancient Azure Dragon. After their children are baptized in the 'Hualong Pond', the Azure Dragon bloodline in their bodies will be completely awakened.

"At that time, not only will his wood talent be improved again, but he will also gain the talent skills of the holy beast Qinglong. The Hualong Pond must have the 'Blue Dragon Pearl' to open it.

Mr. Lan sighed:"What a pity!" The Qing family of the God Clan has been exterminated. Those have become ancient rumors and need not be mentioned again. Nowadays, many families and forces that practice wood are also secretly pursuing the idea of Qinglongzhu."

"It seems to me that the hidden forces behind Qin Chuan are aiming at Qing Longzhu. They should want to develop some wonderful uses of the Blue Dragon Ball.

Mr. Bai sneered:"Haha!" There are many people who want to get the Green Dragon Pearl, and the Huo family also wants it. They arranged for Old Man Sun to lurk in Zhou's house just to find out the whereabouts of Qing Long Zhu.

Mr. Lan said calmly:"I know this." The Phoenix Master also promised the Huo family that if the Huo family could help the Phoenix Master destroy the four major families, they would give them the Blue Dragon Pearl. Mr. Bai frowned:"

Then how do we deal with Qin Chuan's group?"

"Phoenix Master means to try not to conflict with them head-on. Of course, they can't get the Blue Dragon Pearl either. After all, the Green Dragon Pearl is the bargaining chip for our alliance with the Huo family, so we must get it. By the way, I heard that the young master of the Huo family has also arrived in Shenyang City. Have you seen it?

Mr. Bai shook his head:"No!" I heard Old Man Sun mention it, but I don't know their young master. Even if you see it, you won't recognize it. Mr. Lan

's face was full of doubts:"What is the purpose of Young Master Huo Qing coming to Shenyang City at this time?" Could it be that the Huo family has made new moves?"

"snort! What else can be done? Mostly for the Blue Dragon Pearl"

"That's it! No matter what the Huo family does, we pretend not to know, after all, we are in alliance. By the way, Lord Feng ordered you to arrive at the headquarters of Wangtian City within three days without any mistakes. I have to go meet that guy 'Purple'."

As soon as he finished speaking, Mr. Lan's figure flashed and disappeared deep into the bamboo forest.

Mr. Bai looked at the direction where Mr. Lan disappeared, sighed helplessly, and also flashed and disappeared in place....

Chapter 1508

An hour later, outside the north gate of Shenyang City.

Fengwei River, on a high reef.

A handsome young man with purple hair, carrying a long sword, stood quietly on the top of the reef.

A river breeze blew, and his long purple hair fluttered in the wind.

At this time, another handsome boy who looked about seventeen or eighteen years old appeared behind the purple-haired young man.

"Luo Feng has met Lord Zi!", the handsome young man bowed respectfully.

"how?"

"Sir, my subordinate has signed up for the Zhou family's bodyguard assessment."

"very good! With your first-level advanced cultivation, passing this assessment is a matter of course. After entering the Zhou family, you have two tasks"

"The first is to inquire about the whereabouts of Qinglongzhu. The second is to monitor a boy named Qin Chuan. By the way, if you see him during this assessment, try your best to prevent him from passing the assessment."

"My subordinates understand!", Luo Feng respectfully accepted the order

"Go for it!"

"yes!"

Luo Feng resigned.

Shortly after Luo Feng left, a blue figure suddenly appeared behind the purple-haired young man.

The person who came was none other than Mr. Lan

"Lan, Bai left?"

The purple-haired young man didn't look back. He already knew who was coming.

"gone!"Mr. Lan responded politely.

His attitude towards the purple-haired young man was obviously more respectful than Mr. Bai's.

It turned out that this purple-haired young man was what they called 'Purple'.

"It's better that that loser is gone. Okay, I want to be alone for a while!"

The purple-haired young man gave the eviction order unceremoniously.

Mr. Lan smiled bitterly and did not dare to disobey.

He flashed and left.....

But on the other side, in Shenyang City, the Zhou family's mansion and the guard camp were very lively.

It turns out that these days are the days to prepare for escort registration.

The registration office outside the gate of the guard camp was crowded with young people who came to sign up. There were seven or eight hundred people.

Under the scorching sun, the scene was bustling and lively.

After Qin Chuan returned to Zhou's house, he first came to the registration office.

Seeing such a grand scene, he was surprised and secretly thought that he would go back to the dormitory first and then come back to register later. Anyway, this day was the registration time.

I don't know what Deacon Qin is doing now a month after he left.

Thinking of this, Qin Chuan left the registration office and went straight back to the outer courtyard of the Zhou family.

When he arrived at his residence, he heard the cry of a little girl coming from outside the courtyard.

Qin Chuan rushed into the courtyard and saw that the courtyard was in a mess, with burnt clothes and bedding everywhere.

A little girl of twelve or thirteen years old was wiping her tears while squatting on the ground to collect the burnt clothes.

That little girl is Xiang'er

"Xiang'er, what's wrong? Who bullied you?".

Xiang'er looked up and was surprised when she saw Qin Chuan.

She quickly stood up, hugged Qin Chuan's arm affectionately, and cried pitifully.

"Brother Xiaochuan, you are finally back. Woo!! Woo!! You've been missing for a month, and I thought something happened to you. Brother Xiaochuan, where have you been this month?"

Qin Chuan consoled him:"Xiang'er, don't cry." Uncle Qin gave me a month's leave, so I went out for a walk and gained some knowledge. By the way, why are there so many burnt beddings and clothes in this yard?"

Hearing this, Xiang'er wiped away her tears and cried even harder.

"Woo! Woo! Brother Xiaochuan, these burned quilts and clothes belong to you. They were all burned by that bad guy Chen Tian."

"Huh! this clothes....."

Qin Chuan took a closer look and saw that those bedding and clothes were really his.

He suddenly became furious:"Chen Tian is so brave! I haven't been back for a month, and he burned all my things! Why did he do this?"

Xiang'er sobbed:"He seemed to say, you last time He was tricked with the Jingtao Art, and he was seriously injured by Liuling. He lay in bed for a full month."

"The more he thought about it, the angrier he became, but he couldn't find you, so he burned your bedding and clothes to vent his anger! By the way, he also said that after you come back, he will definitely settle the score with you!

Qin Chuan sneered angrily:"Haha!" He still wants to settle a score with me? If I don't cause trouble for him, he will have to burn high incense. By the way, why did this guy become so arrogant? Isn't he afraid that Deacon Qin will hold him accountable?"

"Deacon Qin can't control him now"

"Why?"Qin Chuan was a little surprised.

"Deacon Qin was transferred to the escort team a few days ago, and now the kitchen is temporarily managed by Chen Tian's uncle, Chef Chen. Qin Chuan suddenly said,"

No wonder Chen Tian is so arrogant!" It turns out that he is now protected by Chef Chen. Unfortunately, I am no longer the little servant boy I was a month ago. Xiang'er, where is that guy now? I'm going to beat him up! Xiang'er was startled. She held Qin Chuan's hand tightly and shook her head:"Brother Xiaochuan, you can't beat him. Chen Tian is older than you and taller than you. You are not his opponent yet.""

"Besides, now that Deacon Qin is no longer in the outer courtyard, you really have a fight with Chen Tian. Afterwards, Chef Chen will also favor Chen Tian and only punish you.

Qin Chuan raised the corner of his mouth:"Things are different now!" If it were before, I would still be afraid, but not today. Even if I beat up Chen Tian, Chef Chen can't do anything to me. Xiang'er was confused:"Brother Xiaochuan, why aren't you afraid of Chef Chen? Don't you want to stay in the Zhou family as a servant?" If you are ready to leave, you and I will go with you!

Qin Chuan joked:"You girl!" You are not my wife. Wherever I go, you follow me?

Xiang'er's pretty face blushed slightly:"I don't care!" I will follow brother Xiaochuan!"

"Stop making trouble! I have no intention of leaving the Zhou family. When I come back this time, I plan to sign up as a guard of the Zhou family. When I become a reserve guard, I won't have to stay here as a servant. By then, Chef Chen will have no control over me. Xiang'er suddenly understood.

Immediately, she said worriedly:"Brother Xiaochuan, it is very difficult to prepare for the guard examination. What if you fail the examination?""

"Do not worry! I'm much better now than before. Otherwise, how could I dare to cause trouble for Chen Tian?"

"By the way, Brother Xiaochuan, there is someone accompanying Chen Tian this time, and that person seems to be more powerful than Chen Tian. Chen Tian said he was causing trouble for you, but that person said he wanted to destroy you and help Chen Tian vent his anger!

Qin Chuan sneered:"It's not certain who will be crippled!" Xiang'er, I'm going to find Chen Tian now!"

"Brother Xiaochuan, don't go, I'm afraid you won't be able to defeat them!"

Xiang'er wiped her tears and still didn't let go.

Seeing that she didn't believe it, Qin Chuan took her little hand and came to a stone pier. He raised the two to three hundred kilogram stone pier above his head with one hand.

"Wow! Xiang'er was dumbfounded and her little mouth opened wide.

Seeing Xiang'er's surprised and cute look, Qin Chuan smiled proudly and said:"How is it?" Do you believe me now? Xiang'er was overjoyed:"

Brother Xiaochuan, when did you become so powerful?"

"Just this month! I dare to settle accounts with Chen Tian, of course I have the confidence! Xiang'er was overjoyed:"

Great!" Brother Ogawa, you will definitely be able to join the escort team this time!"

When you join the escort team, your identity, status, and treatment will be qualitatively improved. Xiang'er is naturally happy for Qin Chuan.

"Then I'll go find Chen Tian to settle the score. Don't stop me anymore."

"Um!"Xian'er then let go of her little hand

"This is so good!"

Qin Chuan petted her little head lovingly and was about to find trouble with Chen Tian.

At this moment, he suddenly thought that if Chen Tian dared to burn all his things, why didn't he burn all Chen Tian's.

Anyway, the two sides were completely torn apart. Shameless, he was desperate and no longer planned to stay in the outer courtyard.

As soon as he thought of it, Qin Chuan quickly entered the room, took all Chen Tian's things to the courtyard, and burned them all.

In the process, he accidentally discovered He unceremoniously confiscated all the private money that Chen Tian had hidden in his pillow.

He was not a kind person.

Since Chen Tian had offended him, he had to take revenge.

This is also called treating others in their own way.

When Qin Chuan was burning Chen Tian's bedding, several servant boys passing by also saw it, and they were all dumbfounded. Some people came forward to persuade him, but Qin Chuan ignored them.

These servant boys sighed secretly, thinking that they had not seen each other for a month. , Qin Chuan was crazy.

But he said that after the burning, Qin Chuan felt very happy.

Then, he led Xiang'er and left in style.....

He walked around the outer courtyard and didn't find Chen Tian.

At this time, he thought that Chen Tian should have signed up for the guard assessment.

Every year at this time, the Zhou family's servants under the age of eighteen will take the preliminary guard assessment, hoping to pass the test and become a member of the preliminary guard.

If it succeeds, it will be equivalent to a carp jumping over the dragon's gate and completely turning over.

Therefore, the annual preliminary guard assessment has become a top priority for the servants of the Zhou family.

Chen Tian is no exception and must register for every session.

Qin Chuan has never signed up because he is too young.

This year will be his first time taking part in the assessment.

Thinking of this, Qin Chuan asked Xiang'er to go back first and went to the registration office alone.

He wanted to register first, maybe he could meet Chen Tian during the assessment, and it wouldn't be too late to beat up Chen Tian then..

Chapter 1509

However, Chen Tian returned to his residence shortly after Qin Chuan left.

When he saw that all his clothes and bedding had been burned, he was extremely furious.

Later, he discovered that the personal money he had saved for two years had also been taken away by others.

He was suddenly filled with anger, his eyes were black with anger, and he roared again and again.

This alerted several servant boys nearby, who came over to check.

Chen Tian asked those people if they knew who did it.

Several servant boys were afraid of Chen Tian and stammered the truth.

When Chen Tian found out it was Qin Chuan, he almost exploded on the spot.

"Qinchuan kid! I'm going to kill you!"

Chen Tian gritted his teeth so hard, and his eyes were full of resentment.

By the way!

That kid has been missing for a month, and he came back at this time. He must be to participate in the guard assessment.

Chen Tian guessed in his mind that after a moment, the look on his face He showed a weird sneer.

This time, his brother will also sign up for the assessment.

Xiang'er mentioned to Qin Chuan before that there was a strange boy beside Chen Tian.

That strange boy was Chen Tian's brother.

When he thought of himself My brother is a warrior. He can't deal with that little Qin Chuan.

Huh! That kid Qin Chuan dares to go against me.

He is dead!.....

But on the other side, when Qin Chuan arrived at the registration office, he didn't find Chen Tian, so he queued up to register first.

After the registration was completed, he found an inn in a nearby street, asked for a good guest room, and stayed there.

He burned all Chen Tian's things, and the outer courtyard was covered in chicken feathers.

Not to mention that Chen Tian will not let him go, Chef Chen will also make trouble for him if he finds out.

In this case, he won't go back and simply lives outside.

After passing the assessment and entering the guard camp, he had a new place to live.

After arranging his accommodation, Qin Chuan went downstairs and ordered some good food and wine, and had a delicious meal.

After drinking and eating, Qin Chuan returned to the guest room, preparing to recuperate and face tomorrow's assessment.

Time flies!

In a blink of an eye, it was the next day.

At this moment, the Zhou family examination room was already crowded with people.

There were both teenagers who came to take the assessment and people who came to watch the fun.

The Zhou family's recruitment of new guards is considered a grand event for the people nearby.

At this time, Qin Chuan entered the examination room with the registration number plate.

Not long ago, the examiner announced.

The number of people taking the assessment this time was much larger than before.

More than 790 people signed up to participate, but the Zhou family only recruited fifty reserve guards.

As soon as this news came out, many examiners looked sad.

Qin Chuan was also secretly surprised.

In the past, only three to four hundred people signed up, but this time nearly eight hundred people signed up.

After this calculation, the difficulty of this assessment has doubled!

This thought made Qin Chuan a little uneasy.

You know, it is very common for the young people who come to sign up for the assessment to be quasi-martialists, and there are also first-level warriors among them.

If he is unlucky, there is still a chance that the car will overturn.

Of course, if his water energy was not sealed, he would not be afraid at all.

However, he only has Mu Yuan Qi in him now and can only use half of his strength.

Next, the examiner announced the assessment system.

The assessment adopts a points ranking system, and the points obtained from several assessments are accumulated into a total score.

Then based on the ranking of total scores, the top fifty people will be admitted.

The first test is the age test.

This test is to prevent those over the age of 18 from taking advantage of troubled waters and taking part in the assessment.

Anyone over the age of 18 is not eligible to join the reserve guard and can only join the official guard.

But to become official, you need level 2 or above strength.

At this time, in the examination room.

The assessors are conducting the test nervously.

There are two examiners, one older and one younger.

The older examiner is responsible for testing and the younger examiner is responsible for registration

"Next person!"

Following the call of the older examiner, a frail young man strode onto the testing platform.

He bit his fingertips, squeezed out a drop of blood, and dropped it on the testing platform.

Buzz~!

The formation on the testing platform, Automatically absorbed blood essence.

The next second, a faint silver light lit up on the black stone tablet next to the test table, and a red number appeared.——"fifteen"!

"Well, fifteen years old, that's the right age."

The examiner nodded slightly and looked at the frail young man.

After a moment, his eyes lit up:"You are still a peak quasi-martial artist! very nice!"

As soon as these words were spoken, it caused a commotion below.

"No way, this thin boy is also a peak quasi-warrior!"

"yes! This seems to be the fourth peak quasi-warrior. The examinees of this year are so strong!"

"If I had known that the Zhou family's test would be so difficult, I would have gone to the other three major families to take the test."

"Hey~! That's too late! The registration period has ended, and the other three companies are also taking assessments, so we can only leave it to fate."

All the young men sighed, feeling that the pressure of competition was too great, and they were all worried about themselves. Of course, many people looked at the frail young man with admiration. He could reach the peak of quasi-martial arts at the age of fifteen. Among young men of the same age, They are absolutely outstanding.

Even in the junior classes of major martial arts schools, they are also top students.

Each of the four major districts of Shenyang City has two or three martial arts schools.

And these examiners are not only from martial arts schools, but also from martial arts schools. There are people from small family forces, various types of casual cultivators, and dozens of surrounding towns.

"Next person!"

Another boy went up to take the test.

After a while, a number appeared on the test monument - nineteen.

The examiner frowned: "Nineteen years old! Age limit exceeded! The qualification for the assessment is cancelled. Please leave your number plate and leave the examination room!"

The young man was anxious: "Examiner, can you please be accommodating? Although I am one year older, I am already a first-level junior warrior!" With my strong cultivation level....."

"go out!"

"I.....Why~! "

Seeing that the examiner looked unhappy, the young man did not dare to say anything.

Then, he smiled bitterly, left his number plate, and left the examination room dejectedly.

Offstage.

The teenagers were shocked when they saw this scene

"OMG! Just one year older, don't you want a first-level junior warrior?"

"yes! To us, a first-level junior warrior is a master! Unexpectedly, such people are not qualified for the assessment."

"snort! What do you know? The reserve guards recruited by the Zhou family need elites. A nineteen-year-old first-level junior warrior who is an elite among other small families. To the Zhou family, they still look down upon him."

"yes! In short, the rules set by the Zhou family cannot be violated."

All the teenagers were talking about it.

On the testing platform

, the older examiner confiscated the number plate, and then looked at the back of the expelled teenager with disdain.

"snort! There are always a few people who exceed the age limit every year. Do these guys really think that our Zhou family is a vegetarian in the assessment and can't find out?"

The young examiner on the side smiled and said:"Young people always have a bit of luck. Speaking of which, this year's assessment is a bit difficult. I wonder how old this year's youngest passer will be?"

The older examiner said calmly:"The youngest people who passed the test in the past were all fourteen or fifteen years old. This year it will be more difficult than before, I'm afraid it will take me fifteen or sixteen years old.

The young assessment nodded slightly:"That's right!" Every year you get older, you have more time to practice, and your strength will naturally become stronger.

The older examiner looked at the crowd:"Next!"

At this time, the crowd was commotion.

A boy of twelve or thirteen years old came out, it was Qin Chuan..

Chapter 1510

The elderly examiner looked at the crowd and said,"Next!"

At this time, the crowd was in a commotion.

A boy of twelve or thirteen years old came out, it was Qin Chuan

"Huh! The age of this little guy looks like....."

The older examiner looked at Qin Chuan in surprise.

At the same time, the teenagers in the audience also murmured

"This kid looks like he's only twelve or thirteen years old"

"He came to take the assessment when he was twelve or thirteen years old. I don't know what he thought. Does he really think that the registration fee of 1 gold coin is not money?!"

"hehe! Wanting to enter the Zhou family's preparatory guard camp when he was twelve or thirteen years old was simply a dream. Did he really think he was a genius?"

"That's right! The two examiners just said that in the past, the youngest passers were fourteen or fifteen years old, and this year it may be even older. It would be too impatient to take the exam at the age of twelve or thirteen."

"It's funny to think about it. The nineteen-year-old before was over the limit, and now there's a younger one, who wants to daydream!"

There were a lot of sounds of jealousy and disdain in the crowd.

These teenagers were unwilling to admit that someone younger than them would be better than them.

In fact, most of the teenagers who came to take the assessment were fifteen to eighteen years old. Years old.

Those under the age of fifteen are extremely rare.

Qin Chuan is the only boy who looks like twelve or thirteen years old. This makes Qin Chuan stand out in the assessment team, even a little out of place.

Those who are older The teenagers who were younger were naturally a little unhappy.

They vaguely felt that Qin Chuan's young age set off their mediocrity.

Qin Chuan ignored the comments of the teenagers and walked onto the test platform gracefully.

"Little guy, you look young, you should not be over the age limit. However, the rules cannot be broken, and the age still needs to be verified, so let's get started!"

The older examiner changed his previous arrogance and became friendly and cheerful.

"OK!"

Qin Chuan bit his fingertip, squeezed out a drop of blood essence, and dropped it on the test stand.

Buzz~!

The test formation was activated and automatically absorbed the blood essence.

The next second, the black stone tablet next to the test stand lit up faintly. The silver light.

Below, all the young people raised their necks and looked with wide eyes.

They wanted to see how old this boy was.

Perhaps, this boy looked young, but he was actually fourteen or fifteen years old.

After all, In this world, some people only look young in appearance, but they are not actually young.

If Qin Chuan were the same age as them, they would not have a more balanced mentality.

Buzz~!

A red light flashed!

On the dark stone tablet, two people were dedicated. A dazzling number—"Twelve!"

The whole audience was in an uproar!

"Damn it~! This kid is only twelve years old!"

"I thought he was thirteen!"

"Depend on! I thought he was about the same age as us, but I didn't expect him to be so small!"

There were many disappointed voices in the crowd.

"cut! It's just that I'm young, and I haven't cleared the level, so it's nothing special!"

"yes! The real assessment has not yet been taken! No matter how young you are, if you can't pass the assessment, it's all in vain!"

"that is! For a twelve-year-old kid, it would be good if he could have the strength of a junior quasi-martial artist."

"Ah! In the past, junior quasi-warriors would not be able to make it into the top fifty. What's more, this test is so difficult that if you don't have the strength of a high-level quasi-martial artist, you will definitely not be able to pass it."

A lot of sour voices came from the crowd.

But just as they finished speaking, the examiner's voice came from the front.

"Twelve years old, age appropriate! Little guy, if I read it correctly, you are now a quasi-warrior at the peak of the wood element, right?"

The older examiner looked at Qin Chuan with admiration.

The reason why he looked so kind was because he had clearly seen Qin Chuan's cultivation level early on.

Qin Chuan said with humility:"Senior, I have a sharp eye, and this kid has just reached the pinnacle of accuracy. The warrior is not long.

The examiner stroked his beard and said with a smile: "Little guy, you are excellent!" He has reached the pinnacle of martial arts training at the age of twelve and is already considered a genius. Next, you work hard and strive to enter the top fifty in this assessment."

"If you can successfully pass the test, you will become the youngest reserve guard in the history of the Zhou family. I am very optimistic about you!"

The examiner's words of praise were beyond words.

"Thank you for your love, senior! The boy will do his best!", Qin Chuan quickly thanked him.

When the teenagers below heard this conversation, they were immediately in an uproar.

Oh my god!

This kid is actually a peak quasi-martial artist!

At this time, those teenagers were dumbfounded.

The people who mocked Qin Chuan for being ungrateful were even more They looked embarrassed.

At this moment, they realized that the real clown was themselves

"OMG! He is actually the pinnacle quasi-warrior"

"yes! He is only twelve years old!"

"With the strength of a peak quasi-warrior, passing this test should not be a big problem."

"It's hard to say, this assessment is a bit difficult. If you are unlucky and encounter a first-level junior opponent, you will suffer disaster."

"Anyway, this guy is much better than us and has a much higher chance of passing."

"This is true!"

At this moment, all the young people were amazed. The eyes they looked at Qin Chuan changed, and they showed a little more respect. At this moment, no one despised Qin Chuan because of his young age.

Martial arts is the most respected thing here. In this world, strength is a symbol of status.

Qin Chuan did not take everyone's comments to heart.

After the test, he stepped down directly and returned to his original position.

Next, the age test continued.

An hour later, the age test session At the end, a total of more than twenty people who fished in troubled waters were eliminated.

The final cumulative result was nearly a hundred people who were eighteen years old, and the youngest was Qin Chuan.

As for those who were one year older than Qin Chuan, there were only two or three people.

Most of the contestants are three or four years older than Qin Chuan.

This makes Qin Chuan particularly unusual among the contestants.

The age test is over, and then the formal assessment begins..
