

God level 1511

Chapter 1511

The age test was over, and then the formal assessment began.

This assessment was divided into eight groups and conducted simultaneously.

There are groups of almost a hundred people.

The sixth group is No. 501 to No. 600.

Qin Chuan is No. 576 and was assigned to the fifth group.

The first assessment item is the strength test.

The test content is how many kilograms of weight can be lifted with one hand.

Although Qin Chuan's water energy has been sealed, his wood cultivation has reached the peak of a quasi-warrior, and he has body training, so his natural strength is not weak.

"No. 501! Please come on stage!"

In the examination room, the examiner's voice sounded.

"arrive!"

A boy who looked about fourteen or fifteen years old hurriedly walked out of the crowd.

He was relatively thin and had a worried look on his face.

Obviously, strength was not his strong point.

The examiner glanced at him and said:"On the stage There are stone locks ranging from 100 kilograms to 1,000 kilograms, and every 100 kilograms is a level. Try your best to lift heavy objects. The heavier you lift, the higher your points will be."

"remember! You only have three chances! let's start!"

"that....",The young man cried sadly,"Examiner, it's too difficult to lift 100 pounds with one hand. Do you have any stone locks that are lighter than 100 pounds?"...."

The examiner said expressionlessly:"No! If you can't lift it, just get down!""

"Um...I...I'll try! Why~!"

The young man sighed, walked to the lightest 100-pound stone lock, grabbed the handle with his right hand, gritted his teeth, and lifted it up with force.

In just a moment, his face turned red from holding it in, but he couldn't lift it even a little bit.

The examiner frowned slightly, looking disgusted.

But at this moment, the young man was unwilling to give in and used his hands to lift it.

The examiner shouted coldly:"Please abide by the rules! Lift with one hand!"

The boy suddenly became discouraged:"Examiner, I can't lift it, I give up!"

The examiner waved his hand impatiently:"Get off quickly! No. 501, strength test :0 points!"

When No. 501 heard that he had 0 points, he immediately cried and returned to the team listlessly.

"No. 502! Please come on stage!"

"arrive!"

A relatively strong young man strode onto the stage and walked straight towards the 100-pound stone lock.

"rise!"

The young man grabbed the handle with one hand and with all his strength, he tremblingly lifted the hundred-jin stone lock.

"Hey~! "

With a final shout, he finally raised the stone lock above his head.

There was a sudden cheer below.

According to the rules, success is only achieved if one hand is raised above the head.

Bang~!

The stone lock fell to the ground, and smoke and dust rose everywhere.

"Ha ha!! Lifted! I lifted it!"

The boy cheered.

The examiner asked expressionlessly:"No. 502, do you want to lift more weight?"

The lightest one on the stage is the 100-jin stone lock, followed by 200-jin, 300-jin... until 2,000-jin.

Every 100-jin is a level.

The young man looked at the 200-jin stone lock and shook his head: "I can't lift it. Moved, stopped lifting!"

"Go on then!"

"yes!"

"No. 502, strength test 1 point!"

Boy No. 502 was surprised: "Examiner, I only got 1 point?" I think that I can lift 100 pounds with one hand, which is already very impressive. Some junior quasi-warriors, or those with natural powers, can only reach this level. Why only 1 point? The examiner smiled coldly: "The number of references has doubled this time, and the assessment standards have also been raised." Lifting 100 pounds with one hand only counts 1 point, lifting 200 pounds counts 2 points, lifting 300 pounds 3 points, and so on!"

"With your strength, you can only give me 1 point. How much more do you want? Go down!"

"oh!"

No. 502 retreated obediently. When the teenagers saw this scene, they all gasped. Oh my god!

Lifting 100 kilograms with one hand only counts as 1 point. This is too harsh.

You know, one hand can If you lift one hundred kilograms, you can lift two to three hundred kilograms with both hands. Even adults may not be able to do it.

And most of the contestants are fifteen or sixteen years old.

At such a young age, they can do it. It is not easy to be stronger than an adult.

But the young people did not expect that even if they reached this level, they would only be given 1 point.

This shows that this test is more difficult than they imagined.

"No. 503! Please come on stage!"

The examiner's voice sounded again.

"arrive!"

Soon, No. 503 went up for the test...

In this way, the strength assessment was carried out in an orderly manner.

In the blink of an eye, dozens more people were tested.

Qin Chuan found that most people scored 1 point, and a few people scored 0 points. Anyone who gets 2 points is considered a master.

There is also a peak quasi-martial artist who got 4 points.

Generally speaking, a peak quasi-martial artist can lift about 400 kilograms with one hand, and some excellent ones can lift 500 kilograms.

That peak quasi-martial artist The warrior scored 4 points, which is considered a normal performance.

"No. 576! Please come on stage!"

This time, the examiner read Qin Chuan's ranking number.

"arrive!"

Qin Chuan hurriedly walked out of the crowd.

As soon as he appeared, he immediately caused a commotion

"Look! Isn't this the twelve-year-old guy!"

"That's right! It's him!"

"I heard that this kid is a peak quasi-martial artist!"

"No way? Is such a young guy a top quasi-martial artist?"

In the crowd, many people recognized Qin Chuan, and some did not.

The previous age test was also conducted in groups. Those who were in the same group as Qin Chuan naturally knew Qin Chuan.

Those who were not in the same group naturally did not know Qin Chuan. Speaking of which

, Qin Chuan did not see Chen Tian in the previous age test because he was not in the same group.

At this time, comments continued to come from the crowd

"That's right! He is a pinnacle quasi-warrior. He seems to be practicing the wood element. The instructor said it himself."

"Wow! At such a young age, he is already a peak martial artist! How amazing!"

A beautiful girl with a slim figure, her eyes lit up after hearing this, and she looked at Qin Chuan with admiration.

Someone in the crowd said: "How many points do you think No. 576 can get this time?"

"Generally speaking, a peak-level warrior can lift about 400 kilograms of weight with one hand, but No. 576 is too young, and his bones are not fully developed. I think 4 points is very high, and he can almost get 3 points."

"Well, you agree with me. However, even if you get 3 points, that's What a powerful person"

"yes! In our group, no more than five people scored more than 3 points!"

While everyone was talking, Qin Chuan had already walked to the test questions.

The examiner this time was still the older examiner of the same age as the last test.

He recognized Qin Chuan and nodded with a smile.

Then, he pointed Pointing at the 300-pound stone lock not far away

"Little guy, you are young, so you have to play steadily and steadily. First lift 300 pounds and score 3 points. After all, you only have three chances to lift weights. If you miss three times, you may be awarded 0 points."

The examiner reminded him earnestly.

If he were an ordinary contestant, he would not have such a good face.

He was also worried that Qin Chuan was too young and his body had not yet developed well, so he would force himself to lift four hundred pounds in order to lose face.

If he lifts three times in a row, All lifts were successful or failed, and according to the rules, 0 points had to be recorded.

Therefore, he kindly reminded Qin Chuan to lift a 300-pound base weight first, and then try a heavier 400-pound weight.

"What a reminder!"

Qin Chuan thanked him.

He knew the examiner's kindness.

The next second, he walked towards the weightlifting area.

But his target was not a 300-jin stone lock, but a 1,000-jin stone lock.

This move immediately made the whole audience confused. Forced...

Chapter 1512

"What is that boy going to do? Does he want to lift a thousand pounds?"

"No way! Even a first-level junior warrior can only lift about 800 kilograms. He wants to lift a thousand kilograms?"

All the teenagers were shocked.

On the stage, the examiner was also dumbfounded.

Even a first-level junior warrior may not be able to lift a thousand kilograms of weight, not to mention that Qin Chuan is only a twelve-year-old child.

If Qin Chuan can lift Starting, unless Qin Chuan is already an intermediate level one, but this little guy clearly only has the cultivation level of a peak quasi-warrior!

Isn't this kid overconfident?

If he messes around like this, it will be a waste of weightlifting opportunities.

Examiner He hesitated to speak.

This time, he felt that Qin Chuan was a little arrogant. He wanted to dissuade him, but after thinking about it, he let it go. Is n't that young man frivolous?!

It's better to let this little guy hit a wall on his own, otherwise he won't preach anymore. , he didn't believe it.

But in this way, the examiner's impression of Qin Chuan became worse.

No one likes frivolous people.

In this world, there are mountains outside the mountains, and there are people outside the people.

Frivolous people often don't know The sky is so high that I don't know how I died.

The wiser a person is, the more he knows how to be in awe.

Just as the examiner was muttering in his heart, Qin Chuan walked to the 1,000-pound stone lock.

He bent down and grabbed the stone lock with his right hand. The examiner also narrowed his eyes and watched silently.

He wanted to see how Qin Chuan made a fool of himself

"Hey~! "

Qin Chuan shouted loudly.

Huh~!

A huge wind rose, the light and shadow flickered, and the huge stone lock was easily lifted above his head.

"Oh My God!"

"He lifted it!"

The whole audience was in an uproar!

The examiner was also dumbfounded and opened his mouth wide.

Isn't this a dazzling thing?

This little guy actually lifted it up!

That's a thousand kilograms of stone locks!

Bang~!

Qin Chuan threw the stone locks away casually. It fell to the ground, causing the entire examination room to tremble.

At this moment, the examiner woke up, his eyes full of wonder.

He looked at Qin Chuan carefully again, confirming that this little guy was really just a peak quasi-martialist, not a first-level intermediate, I am even more amazed that a peak quasi-martial artist who is only twelve years old is extremely close to the first-level intermediate level in strength. It is really amazing!

"Little guy, you really surprised me! I see that you clearly only have the cultivation level of a peak quasi-warrior, so why can you lift this thousand-jin stone lock?"

The examiner was filled with emotion.

His previous bad impression of Qin Chuan was wiped away, and his eyes were full of appreciation.

Qin Chuan hurriedly said: "My lord, I'm sorry. The little one is just born with supernatural power, and he was lucky enough to lift this thousand catties."

"Innate divine power?"

The examiner looked at Qin Chuan's thin body and became more and more surprised.

However, he did not doubt Qin Chuan's words.

Other than that, there was no way to explain why Qin Chuan was so strong.

"Little one, do you want to continue? You have two more chances.", the examiner asked pleasantly.

Qin Chuan hesitated for a moment, then shook his head.

He only lifted a thousand kilograms, and it caused a huge sensation.

If he lifted more, I'm afraid it would be an exaggeration.

Qin Chuan thought of Qingyun Lie Lie's explanation, let him keep a low profile and not steal the spotlight.

After he enters the guard camp, Deacon Qin will tell him something.

By then, how he will show his strength will be another story.

Because of this plan, Qin Chuan decided not to try a heavier stone lock.

Otherwise, with his strength, he could lift a heavier one.

Of course, if his water energy was not sealed, he could also lift the two thousand kilograms of stone locks. from

"Little guy, are you sure you don't want to lift anymore?"

"No more lifting!"

"Well, then your score this time is 10 points, which is a very good result.

Qin Chuan was delighted:"Thank you, examiner!"

The examiner smiled:"Little guy, I am optimistic about you.""

At this moment, Qin Chuan said humbly and walked off the test platform happily.

Below, all the teenagers looked at him with admiration, and there was awe deep in their eyes.

Among the crowd, there were many seventeen-year-olds and eighteen-year-olds The girls all cast fiery glances at Qin Chuan.

This boy is really strong and very handsome.

It's a pity that he is too young!

It would be great if he was as old as them!

Girls have wild imaginations.

In this world , whether you are a boy or a girl, you are respected by strength.

As long as you have strength, you will be respected by others and favored by beautiful women.

After Qin Chuan returned to the team, the test continued.

Half an hour later, the sixth The strength test of the group was all completed.

Only four people got 3 points, and only two people got 4 points. Qin Chuan got the highest score of the group, 10 points.

The rest, mostly 1 points and 2 points.

There are still thirty-four 0 points.

At this time, the examiner's announcement sounded on the stage.

"The strength assessment of this group has ended. According to the rules, players who score 0 points in this game will be eliminated on the spot. Players with 0 points are asked to leave!"

As soon as these words were said, there were exclamations from the crowd.

"No! Get eliminated after scoring 0 points in the first game?! Didn't you say it depends on the overall score ranking?"

"yes! Although my strength is a bit weaker, I am fast and quick in reaction, and my overall strength is no worse than that of a player with a score of 1!"

"Examiner, are you mistaken?"

Those players who got 0 points jumped up and defended themselves.

The examiner frowned: "Stop talking nonsense! As long as you get 0 points, please leave the game quickly. This is the rule. Does anyone dare to act wild in our Zhou family?!"

As soon as these words were said, those players stopped talking and all looked sad.

The Zhou family is a giant.

How dare they, teenagers with no background, dare to offend even a little bit!

At this moment, the teenagers who got 0 points were dejected and exited the examination room obediently.

Some weak-willed teenagers even left in tears.

In the blink of an eye, there were only sixty-six people left in the field.

At this moment, the teenagers who were lucky enough to stay on the field finally felt the cruelty of the game.

At this time, the examiner looked at everyone

"In the first strength test, thirty-four people were eliminated. For those of you left behind, don't feel lucky either."

"Among the next several assessments, as long as one of them scores 0 points, no matter how excellent you have performed before, you will be eliminated on the spot."

"When our Zhou family recruits reserve guards, we want comprehensive talents, not talents with shortcomings. I hope you will remember my words and work hard!"

Hearing this, the pressure on the young people doubled, and they felt the harshness of the competition even more.

"The strength test is over! Now follow me to the next examination room for the second assessment!"

As soon as these words were said, the examiner walked off the testing platform first and walked to another school ground.

The teenagers followed closely behind..

Chapter 1513

Not long after, the teenagers, led by the examiner, entered a large school grounds.

Qin Chuan looked around curiously.

At this time, the examiner began to announce the content of the second assessment

"The second item is the endurance test! Look at the track on this school field. One lap is ten miles long."

"Next, you have to run ten laps within three sticks of incense. The less time it takes, the higher the points. If the race exceeds three sticks of incense and has not been completed, 0 points will be calculated. Those who give up midway will be awarded 0 points."

At this, the whole place was in an uproar.

"OMG! One circle is ten miles, ten circles is one hundred miles! I can run a hundred miles within three sticks of incense. Even if I risk my life, I still can't run!"

"yes! Even if you run at full speed, you can't run that fast!"

"Why! If it were four sticks of incense, I might still be able to pass. Three sticks of incense are too short."

"You have great endurance too! I can still run four sticks of incense while running at full speed, but I can't hold on even with two sticks of incense!"

"It's over! It's over! This time, I will also get 0 points, hey!"

The crowd sighed together.

This test is much more difficult than they thought!

At the same time, the examiner looked at the teenagers complaining.

He smiled coldly: "If you think you can't do it, do it now. You can choose to quit, I will calculate it as 0 points and eliminate you on the spot! Does anyone want to quit?"

As soon as these words were said, all the teenagers fell silent, and the audience was completely silent.

Although many teenagers were complaining, no one was willing to quit. No matter what, they had to fight.

The examiner said coldly. He glanced at everyone and saw that no one was leaving, so he said no more.

Then he put three sticks of incense on the incense burner next to him.

"Let me remind you again, when the first incense is extinguished, the points will be 10 points. When the second incense is extinguished, the points will be only 5 points. After the last incense is extinguished, the points will be 0 points. , do you understand?"

"clear!"

The young men agreed.

But they were muttering in their hearts that few people could run a hundred miles in three sticks of incense, let alone one hundred miles in one stick.

If they want to pass the second test, It is almost impossible to get more than 10 points in the exam.

If they can get one or two points before the third stick of incense is extinguished, it is considered good.

At this time, the examiner's voice sounded again on the stage

"Everyone, hurry up and stand at the starting line of the track!"

Wow! La!

Sixty-six teenagers entered the track one after another and stood next to the starting line.

At this moment, all the teenagers were gearing up, and the atmosphere became tense instantly. A new competition was about to begin.

"Are you all ready?"

"alright!"

"start!"

The examiner flicked his index finger, and a ball of fire flew out of his fingertips, igniting the first stick of sandalwood.

Boom~boom~boom!

All of a sudden, all the teenagers ran wildly together, like thousands of horses galloping.

Boom~! Boom~! Boom~!

The sound of hundreds of footsteps hitting the ground shook the school ground and made dust fly.

The examiner squinted his eyes and watched with a smile.

These young people were very hard-working. As soon as the game started, everyone was running at full speed.

Very fast, the speed It was a matter of superiority and inferiority.

The peak quasi-martialists and high-level quasi-martialants were all running in front.

The mid-level and low-level quasi-martialants, as well as the young people who had never practiced cultivation, were all left behind.

Qin Chuan was even more impressive, He rushed out of the team and was far ahead.

Seeing this scene, the examiner's eyes lit up and he nodded repeatedly with joy.

Speaking of peak quasi-warriors, there was more than just Qin Chuan in the sixth group, there were three in total.

But the other two , the speed is much slower, not even half of Qin Chuan's speed

"This little guy is truly amazing! At such a speed, a first-level intermediate warrior can only do so. strangeness! Is he really just a top-level quasi-warrior?"

The examiner murmured to himself.

He observed Qin Chuan carefully for a while, and found that this boy was really just a peak quasi-martial artist.

This made him sigh again, and he was doubly surprised.

If Qin Chuan is a first-level junior, he can Such speed is not amazing.

It is really amazing for a peak quasi-martial artist to have such speed! What's even more amazing is that this little guy is only twelve years old.

Even the elite children of the Zhou family can't compare.!

The more the examiner looked at Qin Chuan, the more he liked it, and his eyes were full of admiration.

Although there was no first-order warrior in the sixth group, the presence of this little guy was equivalent to the presence of a first-order strong man.

Speaking of which, the other groups seemed to Several first-level warriors appeared, including even first-level advanced ones.

The examiner murmured in his heart.

At this moment, Qin Chuan completed the first lap.

Among those runners, the fastest one could not even complete half a lap. Didn't finish the race.

This scene made all the teenagers gasp, secretly thinking that the little man No. 567 was too awesome!

The race still continued!

When Qin Chuan finished five laps, the fastest runner finished Two laps were completed.

The young people had nothing to say except marvel.

Many of them were already out of breath.

When the first stick of incense reached the end, Qin Chuan had just completed ten laps and was the first to complete the assessment.

But The fastest person had only completed four laps.

At the end of the track.

The examiner looked at Qin Chuan with a smile on his face.

"Little guy, I did not disappoint. This time, you are number one again. good! good!

Qin Chuan said humbly: "Senior, thank you!"

The examiner smiled and said, "Little guy, there's no need to be humble." According to the rules, your endurance test is also 10 points, and the two tests add up to 20 points!"

The examiner's voice was loud. All the teenagers on the track heard it, and they were all amazed. Their admiration for Qin Chuan increased.

Time flew by!

In the blink of an eye, the second incense burnt out.

Many talented people ran five or six laps, and their legs felt like lead, and they could hardly lift them.

When the third incense burnt out, forty-one people did not reach the finish line, and they were all counted as 0 points.

Wait. After the examiner announced the end, some of the teenagers collapsed on the ground, and some started to vomit.

Not everyone can run a hundred miles in three sticks of incense.

As for Qin Chuan, who ran a hundred miles in one stick of incense, among them He is a monster in his eyes, incomparable at all.

At the end of the second assessment, another forty-one people were eliminated.

Only twenty-five people remained in the sixth group..

Chapter 1514

At this point, the second assessment ended, and forty-one more people were eliminated.

There were only twenty-five people left in the sixth group.

After the eliminated contestants were driven away, the examiner looked at the remaining twenty-five people and announced the new content.

"This morning's assessment ends here. Congratulations on passing the preliminary assessment"

"In the afternoon, we will list the results of the eight groups together and conduct a comprehensive ranking."

"At that time, please pay attention to the announcement. OK! You guys go back and take a rest and recuperate your spirits. In the afternoon, eight groups will be assessed together, and the competition will become more intense."

The young men agreed and left one after another.

Several girls took the initiative to chat with Qin Chuan. Qin Chuan made an excuse and left in a hurry.

After returning to the inn, it was time for lunch.

Qin Chuan ordered a table of good wine and food. After eating and drinking, he went back to the dormitory to rest.

When the afternoon assessment time came, Qin Chuan arrived at the examination room and found that the bulletin board at the entrance of the examination room was already crowded with contestants, and the scene was very lively.

"Oh my God! First place with 37 points! How did he pass the exam? This score is too high!"

"Look at the second place player, he actually has 36 points, that's a pervert too!"

"Wow! These guys are so awesome!"

The crowd was amazed.

Qin Chuan was greatly surprised.

As the first place in the sixth group, he only had 20 points.

He didn't expect that the first and second places were so high.

At that moment, he quickened his pace and surrounded them.

Soon, He saw the rankings on the announcement.

First place: Luo Feng, points: 37 points.

Second place: Huo Qing, points: 36 points.....

"Huo Qing?"

Qin Chuan's eyes lit up and joy filled his heart.

He and Huo Qing met at Fengwei River, and they hit it off immediately.

Huo Qing was a chivalrous person, and Qin Chuan had a very good impression of him.

Now that he saw Huo Qing's name, he was naturally happy..

Then, Qin Chuan looked down.

Third place: Chen Yuankun, points: 29 points. Fourth place: Qin Chuan, points: 20 points...

Seeing this, Qin Chuan was secretly surprised.

His level of performance was close to the first level. At the intermediate warrior level, he only got 20 points. Of course, in order to keep a low profile, he did not exert his full strength.

If he had exerted his full strength, it should be more than 20 points, but it is a bit difficult to reach 30 points.

Unless his water energy is unblocked, It is possible to reach 40 points or more, and he can definitely win the first place in the total score.

Thinking of this, he is very interested in the three people who surpass him.

In addition to Huo Qing, Luo Feng and Chen Yuankun are not easy either.

Especially Luo Feng Feng actually reached 37 points, one point higher than Huo Qing.

Seeing this, he continued to look down.

After him, there were 4 more than 10 points, and the ones below were all under 10 points.

In addition, He also saw Chen Tian's ranking.

The guy was ranked 169th and scored 2 points.

Seeing this, Qin Chuan sneered.

This time, he must teach this blind guy a lesson.

Speaking of which, He also felt a little emotional in his heart.

A month ago, he had not practiced martial arts yet and was only bullied by Chen Tian.

Now, he can crush Chen Tian with one hand.

"Huh! Qin Chuan, you are here too!"

At this moment, a voice sounded in Qin Chuan's ears.

He quickly turned around and saw a frail young man greeting him politely.

Qin Chuan was stunned for a moment, then remembered that this person was also a contestant in the sixth group. He is still a peak quasi-warrior.

He has never paid attention to others before, so he didn't have a deep impression.

But he was in the sixth group and his performance was extremely eye-catching, so everyone in the sixth group knew him.

"Huh! How do you know my name?"

Qin Chuan was a little surprised.

When he was in the sixth group, he was number 576. The players only knew his number, but they probably didn't know his name.

The frail boy pointed at the bulletin board: "Look at this bulletin, 20 points. There is only one person, not you, or who? I read the announcement and knew your name."

Qin Chuan suddenly said: "That's it!" By the way, what's your ranking?

The frail young man smiled bitterly: "My total score is only 8 points, ranking sixteenth."

Qin Chuan quickly looked at the bulletin board and realized that this young man's name was Du Shuyan.

"With your strength as a peak quasi-warrior, you ranked sixteenth. It seems that the players this year are very strong!", Qin Chuan sighed with emotion.

Du Shuyan nodded helplessly: "You are right! The players this year are much stronger than before. I got inside information that the first and second place contestants this time are both first-level advanced warriors."

Hearing this, Qin Chuan's heart moved, secretly thinking that Huo Qing seemed to have become stronger.

The first time he saw Huo Qing, he seemed to be a first-level intermediate warrior.

Du Shuyan continued: "There is also a third Chen Yuankun, a first-level intermediate warrior. Next, there are four first-level junior warriors and a dozen peak-level quasi-warriors. By the way, I heard that after the ranking came out, the examiners started quarreling!"

Qin Chuan was curious: "Why are you quarreling?"

"for you!"

"for me?!"

"yes!"

At the moment, Du Shuyan began to explain: "Your points are 20 points, which is better than the scores of the four first-level juniors. The best score among the four first-level beginners is only 14 points, so the examiners think you are also a first-level intermediate"

"The examiner from our sixth group explained to them that you are a peak quasi-warrior, not even a first-level beginner. The other examiners didn't believe it at all."

"They think that we examiners are either bragging, or they don't see your cultivation clearly. Just like that, they started arguing."

Hearing this, Qin Chuan was speechless.

Speaking of which, it's no wonder that others misunderstood him. With his cultivation as a peak quasi-warrior, it is really unexpected that he can score 20 points....

Chapter 1515

While Qin Chuan and Du Shuyan were chatting, they were in a remote corner of the examination room.

Chen Tian was chatting with the boy on the other side.

The young man was half a head taller than Chen Tian, and his appearance was similar to Chen Tian's.

It turned out that this young man was Chen Tian's brother-Chen Yuankun, who was the third place in this assessment.

Before, Xiang'er and Qin Chuan mentioned that Chen Tian was accompanied by a strange young man, Chen Yuankun.

Chen Yuankun and Chen Tian are completely different.

He has shown high martial arts talent since he was a child, and was later spotted by a casual martial artist who accepted him as his disciple.

This year, he is eighteen years old, and his strength has reached the first-level intermediate level. His talent is indeed good.

At this moment, Chen Tian's heart was bleeding

"Brother, all my things were burned by Qin Chuan, and even my savings were stolen by him. You must help me vent this bad breath!"

Chen Yuankun nodded slightly: "Don't worry! I will definitely make that little bastard regret everything he did!"

Although Chen Tian doesn't have much potential, Chen Yuankun is very protective of this younger brother.

"By the way, brother, did you read the announcement?"

"seen it already! Is the fourth Qin Chuan that little bastard?"

"this....", Chen Tian hesitated.

Then, he scratched his head: "That little bastard Qin Chuan is very weak. He was often bullied by me in the past. He should not be as powerful as me. How come he got 20 points? I suspect that the fourth place may have the same name as Qin Chuan." , not the same person."

Chen Yuankun touched his chin and thought: "I also think it can't be him. You said that Qin Chuan is only twelve years old. The guy who scored 20 points is probably a first-level intermediate warrior."

"If he is Qin Chuan, it means that Qin Chuan is already a first-level intermediate warrior. A twelve-year-old first-level intermediate warrior, he is definitely a genius among geniuses."

"Not even the direct descendants of the Zhou family have such talent, let alone a little-known servant boy like him! Chen

Tian nodded: "Brother, your analysis makes sense!" I think the fourth place is definitely not that little bastard. A month ago, that kid was no match for me. It's only been a month, there's no way he's become that much stronger. Chen

Yuankun's lips curled up slightly: "Actually, even if the fourth place is really that little bastard, it doesn't matter." He will not be my opponent! Chen

Tian's eyes lit up: "That's right! Brother, you have 29 points, and the fourth place only has 20 points." You're almost half a point ahead of him. Chen

Yuankun said with a proud smile: "No matter how you say it, I am also the pinnacle of the first-level intermediate level, and I am only one step away from the first-level advanced level." That fourth place has reached the threshold of the first-level intermediate level at most. Compared with me, he is naturally much worse.

Chen Tian was delighted: "Brother, you will definitely be able to join the reserve escort team this time, and even become a squad leader.""

"If you have a chance, if you see Liu Ling, help me beat him up! Last time, he beat me badly! Speaking of which, Qin Chuan was responsible for this. Chen Yuankun frowned:"

So, that Qin Chuan is a disaster." Don't worry, I will definitely help you vent your anger."

Time flies!

In the blink of an eye, half an hour passed.

The afternoon assessment is about to begin.

After the morning assessment, a total of 237 people passed the assessment.

The 237 people were re-divided into three groups.

Qin Chuan and Du Shuyan were assigned to the third group.

Subsequently, each group entered three examination rooms respectively, and the assessment was conducted at the same time.

At this moment, the third group is in the examination room.

The examiner hasn't arrived yet.

The players gathered together and talked about the rankings on the announcement.

In a corner, Qin Chuan and Du Shuyan were also chatting.

"Qin Chuan, I just made inquiries. The first group and the second group each have a first-level senior player. And you and the first-level intermediate player were assigned to the third group."

Du Shuyan revealed the newly obtained news.

"It seems that the examiners regarded me as a first-level intermediate player and put me and the third place in the same group to balance the distribution of strength among the three groups. By the way, who is Chen Yuankun?"

Qin Chuan looked at the crowd curiously.

He also wanted to get to know the third-placed Chen Yuankun.

"Chen Yuankun hasn't arrived yet, that guy..."

Before Du Shuyan could finish speaking, there was a commotion from the crowd in front.

"Look! Chen Yuankun is here!"

"Where?!"

"It's over there!!"

"It turns out to be him! This guy is a first-level intermediate warrior, tsk tsk!! Very impressive!"

"yes! He should be the strongest person in our third group."

"That's right! I heard that Luo Feng was assigned to the first group and Huo Qing was assigned to the second group. The strongest player in our third group is the third-placed Chen Yuankun."

The young people were talking about it, their voices full of admiration for the strong.

Qin Chuan was curious and quickly followed the sound.

When he saw it, he saw a tall, thin and cold young man walking into the examination room from the entrance..

This guy is Chen Yuankun.

Qin Chuan nodded secretly.

He had already judged Chen Yuankun's first-level intermediate cultivation level from the aura emanating from him.

But the next second, he was stunned.

He saw someone following Chen Yuankun. A very familiar figure, that is, Chen Tian.

Watching the two of them walking and chatting, they were very close, and it was obvious at first glance that they had a close relationship.

Could it be that the relationship between Chen Yuankun and Chen Tian.....

Qin Chuan took a closer look and found that the two looked very similar, and suddenly felt something was wrong.

He also remembered that Xiang'er once mentioned that when Chen Tian was burning his own things, there was a strange boy accompanying him, and it must be this guy.

In other words, this guy knows that he has a grudge against Chen Tian.

Just when Qin Chuan was staring at Chen Tian, Chen Tian seemed to sense it and quickly looked up.

This time, our eyes met

"Qin Chuan!"

Chen Tian was shocked.

Immediately, he became angry.

Enemies were extremely jealous when they met each other.

He finally saw Qin Chuan.

It turned out that they were assigned to the same group..

Chapter 1516

"Brother, I saw Qin Chuan!"

"Over there?"

Right over there, Chen Tian signaled with his eyes.

Chen Yuankun quickly followed the sound and immediately saw Qin Chuan.

The two looked at each other, and Qin Chuan suddenly felt something bad.

Chen Yuankun smiled coldly.

He was worried that he could not find it. Qin Chuan, I didn't expect to meet here.

It turned out that this guy was in the same group as them.

That was just in time. Before the instructor arrived, he taught this kid a lesson and vented his anger for his brother.

"Ah Tian! Let's go!"

"Um!"

Chen Tian's eyes shone with excitement.

He knew that his brother was going to help him vent his anger.

At that moment, the two of them walked towards Qin Chuan angrily.

At the same time, the teenagers in the field were still discussing

"This time the first place was assigned to the first group, the second place was assigned to the second group, the third place was assigned to our third group, and the fourth place was also assigned to our third group."

"That's right! Indeed, he is also in our group"

"fourth place? That Qin Chuan?"

"Yes!"

"That Qin Chuan is also very powerful. He scored 20 points. He must be a first-level intermediate warrior. By the way, who is Qin Chuan? Who do you know?"

"hehe! I know! It's the little man next to Du Shuyan."

As soon as these words were said, many people turned to look at Du Shuyan.

Obviously, there were many people who knew Du Shuyan.

But when they looked around, they saw that there was only a handsome boy of twelve or thirteen years old next to Du Shuyan. , no one else

"No way? Is that twelve or thirteen year old boy Qin Chuan?"

The teenagers all frowned.

"Hello~! Are you kidding us? How could a child of twelve or thirteen years old be a first-level intermediate warrior?"

"that is! How could he be a first-level intermediate warrior at such a young age? Even if he is said to be a peak quasi-martialist, I can't believe it. You must be bluffing us!"

"Hey~! What I said is true. That guy is really Qin Chuan, I was in the same group with him. However, he is not a first-level intermediate warrior, but a peak quasi-martialist."

"What nonsense! Those first-level junior warriors only get a dozen points, while peak warriors can get 20 points. You can lie to others without drafting."

All the teenagers expressed their disdain, thinking that the man was teasing them.

The man looked depressed.

He clearly told the truth, but these guys didn't believe it.

Having said that, if he hadn't seen it with his own eyes, he wouldn't have believed it.

At this moment, seeing that the young people didn't believe it, the man didn't know how to defend himself.

At this moment, Chen Yuankun came over.

The young people quickly made way for a way, showing awe.

The next second, they were surprised to find , Chen Yuankun walked straight to where Du Shuyan was, and finally stopped in front of the little man.

"Boy! Are you Qin Chuan?!",

Chen Yuankun looked at Qin Chuan coldly.

As soon as he said those words, the whole audience was in an uproar.

Oh my god!

That little guy who looked like he was only twelve or thirteen years old turned out to be the fourth Qin Chuan.

Whoa~! Swish~! Swish~!

At this moment, all the young people in the audience looked at Qin Chuan, with complicated expressions in their eyes. He is the fourth master at such a young age, that is too awesome!

Unknowingly , Qin Chuan's status in the minds of the young people has surpassed that of Chen Yuankun.

At least in terms of potential and talent, everyone is more optimistic about Qin Chuan.

But when Chen Yuankun questioned him face to face, Qin Chuan secretly thought that the person who came was evil.

Du Shuyan on the side was also a little panicked.

He also felt that Chen Yuankun's tone was wrong.

"That's right! I am!", Qin Chuan admitted frankly

"Brother, don't talk nonsense to him! Teach him a lesson directly!"

Chen Tian glared at Qin Chuan angrily.

As soon as he saw Qin Chuan, his anger surged and his mind stopped moving.

"Ah Tian, just watch from the side and I will take care of it!"

Chen Yuankun said domineeringly.

Then, his eyes fell on Qin Chuan again.

But this time, he found something unusual and frowned slightly: "Hey! You are actually a pinnacle quasi-warrior!"

"What?!"

Chen Tian on the side was shocked and looked at Qin Chuan in disbelief.

With his eyes, it was natural that he could not see the depth of Qin Chuan.

But he believed in his brother's words.

Impossible, right?

This kid a month ago He is still an ordinary person, but it has only been a month since he became a peak quasi-warrior.

This speed of progress is too exaggerated!

Even the elite disciples of the Zhou family are not so fast. The more

Chen Tian thinks about it, the more surprised he becomes.

The same is true for Chen Yuankun. Before

, Chen Tian told him that Qin Chuan was just an ordinary young man.

He didn't take Qin Chuan seriously.

Now, when he saw him, he found that he was already a peak quasi-warrior, and he was naturally surprised.

At this time, He thought of something, and then said: "By the way, the fourth place in this assessment, Qin Chuan, is you?"

"That's right!"

Hiss~!

As soon as those words were said, Chen Yuankun secretly took a breath and looked at Qin Chuan. His eyes changed.

Chen Tian was even dumbfounded and almost thought he heard wrongly.

The teenagers around him heard this conversation and were already convinced. , that young man is Qin Chuan.

However, seeing Chen Yuankun and Qin Chuan confronting each other like this, something seems wrong in the atmosphere!

Is it possible that there is a conflict between the first master and the second master in this group?

This idea After getting up, Chen Yuankun regained his composure.

He changed from the surprise before to a look of disdain.

Even if Qin Chuan is more talented than him, his strength is still not as good as him.

Otherwise, he would not have scored 29 points. Qin Chuan was He scored 20 points.

This 9-point difference is the difference in strength.

At that moment, he raised his chin and said with a condescending expression: "Boy, no wonder you dare to burn my brother's things. It turns out that you have some strength. What a pity, you met me!"..

Chapter 1517

Qin Chuan frowned slightly: "What do you mean?"

Chen Yuankun sneered: "One sentence! You burned all my brother's things, how do you explain it?"

Qin Chuan smiled coldly: "I will not offend anyone unless they offend me! That's him You deserve it!"

Chen Yuankun was furious: "Boy! You are looking for death!"

As soon as he finished speaking, he was about to take action

"You two, please be patient!", Du Shuyan quickly stepped forward to dissuade him.

"roll!"

Chen Yuankun sent Du Shuyan flying away with a casual palm.

Everyone was shocked!

Oh my god!

The first-level intermediate warrior is really powerful!

With just one look, Du Shuyan, who was a peak quasi-combatant, was knocked away.

This time, many people They all looked at Qin Chuan, especially the girls in the crowd, who all showed worries.

Qin Chuan, like Du Shuyan, were both peak quasi-martialists, and they were afraid that they would not be able to stop Chen Yuankun from going crazy.

Compared with the skinny and insignificant Chen Yuankun, the girls They prefer the delicate Qin Chuan.

For the opposite sex, in addition to strength, appearance is also very important.

"what are you doing!" Qin Chuan was also furious.

Du Shuyan was knocked away by Chen Yuankun just to help him. Naturally, he couldn't just sit idly by and ignore it.

"What to do? I'm going to beat you up!"

Boom~Long~Long!

Chen Yuankun suddenly took action, bringing wind with one palm, stirring the area for several feet, the air wave tube, the wind and thunder.

"not good!"

There were exclams all around.

Those teenagers were all worried about Qin Chuan.

How could a high-level peak quasi-warrior withstand a blow from a first-level intermediate level.

In the blink of an eye, Chen Yuankun's palm approached Qin Chuan's face.

Qin Chuan Chuan hurriedly met him with a palm.

Bang~!

There was a loud noise!

Both palms collided!

The two of them grunted at the same time.

Chen Yuankun took two steps back.

Qin Chuan took seven or eight steps back before he could stand still..

This scene made the whole audience stunned.

Especially Du Shuyan, who had just climbed up from the ground, was shocked.

As both a peak quasi-martial artist, he couldn't even catch Chen Yuankun's move, but Qin Chuan took it, but Just slightly at a disadvantage.

Chen Yuankun was also shocked.

He couldn't believe his eyes.

Even a first-level junior warrior couldn't catch his palm, but this kid actually caught it.

You know, he was a first-level warrior. The peak of the intermediate level is only one step away from the first-level advanced level.

Is it possible that this kid really has the strength of the first-level intermediate level?!

"Oh My God! Qin Chuan actually caught it!"

"yes! He is just slightly at a disadvantage!"

"I really didn't expect Qin Chuan to be so powerful, and to be able to exert such strength with his cultivation as a peak quasi-martial artist!"

"Anyone with the same level of ability is a genius!"

At this moment, the teenagers around were amazed and looked at Qin Chuan with admiration. But

Chen Yuankun heard it harshly.

It seemed that he had become Qin Chuan's stepping stone and made this guy famous.

No!

He is a dignified person. If an intermediate martial artist cannot defeat a peak quasi-martial artist, it will really be a disgrace.

"Qin Chuan, you really have two tricks up your sleeve! But that's where you end it. Now let me show you my true strength!"

Chen Yuankun slowly raised his right fist, and the violent fire energy from all around gathered into his right hand like a whirlpool.

Boom~!

The next second, his fist turned into a fist of fire, bursting out with violent power.

That was exactly It was his martial skill - Fiery Fist!

Of course, it was just an inferior martial skill.

But as soon as that martial skill came out, the whole audience exclaimed.

"Yes...it's martial arts!"

"Wow! Martial skills can only be mastered by second-level warriors. Unexpectedly, Chen Yuankun has already mastered them."

"Warriors who have mastered martial arts are much stronger than warriors without martial arts!"

"This time, Qin Chuan is in danger!"

All the young people looked at Qin Chuan, all showing worried looks.

Qin Chuan also frowned slightly, feeling uneasy.

Even the worst inferior martial arts have increased combat power and attribute damage, which should not be underestimated.

He couldn't guarantee that he could withstand that punch.

Of course, if his water energy had not been sealed, he would not be afraid of the punch at all.

"Little thief! Try the power of my flame fist!"

As soon as he finished speaking, Chen Yuankun was about to take action.

"What are you doing?!"

But at this moment, there was a loud shout from outside the court.

The examiner finally came.

Chen Yuankun was startled, and quickly lost his momentum and withdrew his flame fist.

No matter how brave he was, he would not dare to fight in front of the examiner.

The other teenagers were also beaten. Frightened, they all turned around and saw an examiner walking into the examination room with an angry face.

He stared coldly at Chen Yuankun and Qin Chuan

"If you two want to fight, then go out and fight. All fighting is prohibited here! Let me remind you again that walking out of the examination room means that you are disqualified from the examination!"

Chen Yuankun and Qin Chuan lowered their heads and did not dare to say anything.

This time the examiner has been replaced. He is no longer the former examiner. He does not know Qin Chuan and is more strict.

Seeing Chen Yuankun and Qin Chuan look like Appearing to admit his mistake, the examiner snorted coldly, said no more, turned and walked towards the test bench in front.

Chen Yuankun took the opportunity to look at Qin Chuan, with a slight curl of the corner of his mouth.

"Boy! Good luck to you!"

As soon as he finished speaking, Chen Yuankun took Chen Tian to another corner..

Chapter 1518

After the examiner walked to the test table, all the candidates gathered below to listen to the order.

Qin Chuan and Du Shuyan also walked over.

Chen Yuankun and Chen Tian were in the other corner.

The two sides are facing each other from afar, and the contradiction has been secretly brewing.

At this time, the examiner's voice came from the front

"The afternoon assessment is about to begin! Do you see the runway over there?"

The boys followed the sound and saw a 100-meter track not far away.

The examiner continued:"This time the test is about speed. You are required to run to the finish line within twenty breaths. Those who fail to reach the time will be scored 0 points and eliminated on the spot. Every time you take one less breath to reach the end point, you will get one more point. Do you understand?"

"clear!"

The young men agreed, their voices were in twos and threes, not neat at all.

Many people's faces became ugly.

"Why! Running a hundred meters in twenty breaths is really difficult!"

"yes! Twenty breaths is the time of twenty breaths. It passes in the blink of an eye. Who can run so fast!"

"The difficulty of this assessment is far beyond our imagination!"

At this time, the examiner's voice came from the front again.

"Your third group has a total of 80 people, so divide it into eight teams of ten people each. Everyone will be assessed as a team. When I read a name, one comes out"

"Du Shuyan!"

"arrive!"

"Wang Can!"

"arrive!"

"Chen Tian!"

"arrive!"

Soon, the first team of ten people gathered.

Du Shuyan and Chen Tian were both assigned to the first team.

Later, under the guidance of the instructor, Du Shuyan and the other ten people stood in front of the starting line.

"Dear players, listen to my orders.....run!"

Whoosh~! Whoosh~! Whoosh~!

The sound of breaking through the air was heard!

Following the examiner's order, Du Shuyan's ten people were like arrows, one by one, they tried their best and ran towards the finish line as fast as possible. The ten people Like ten fierce horses, when they run, they bring up smoke and dust all the way

"come on! Come on!"

"Chen Tian! Run!"

"Du Shuyan! come on!"

The teenagers who were watching were excited and shouted loudly one by one.

Oh!

At fifteen breaths, a light and shadow crossed the finish line.

There was a cheer in the crowd.

Qin Chuan also smiled.

The first one The one who reached the finish line was Du Shuyan, who was worthy of being a top quasi-martial artist.

At this time, the examiner at the finish line also announced the results.

"Du Shuyan, the completion time is 15 breaths, this test is worth 5 points!"

The crowd was in an uproar again.

The peak quasi-warrior only scored 5 points. This test is not easy.

Swish~! Swish~! Swish~!

Then there was a flash of light and shadow, and one contestant after another crossed the finish line, mostly second or third. points.

Chen Tian luckily crossed the finish line on the 20th breath and received 1 point.

In addition, two contestants did not reach the finish line on time and were counted as 0 points and eliminated on the spot.....

"Now starts the second team test...."

Ahead, the examiner's voice came again

"Chen Yuankun!"

"arrive!"

"Qin Chuan!"

"arrive!"

"....."

This time, the crowd was talking again.

Qin Chuan and Chen Yuankun had a grudge. They were assigned to the same team and were still close together.

The young people felt inexplicably that this team's assessment would be a good show.

Soon, the second team arrived.

Under the command of the examiner, ten people from Qinchuan stood at the starting line.

Chen Yuankun is standing on the right side of Qinchuan

"Boy! You are dead!"

At this moment, Chen Yuankun's voice sounded in Qin Chuan's ears.

Qin Chuan quickly turned his head and saw Chen Yuankun looking at him with a sneer on his face. The corners of his mouth were slightly raised, as if he was convinced.

Qin Chuan couldn't help but frown, I secretly thought that this guy was going to cause trouble in the competition.

At this moment, the examiner's voice came from the front again.

"Dear players, listen to my orders....."

Chapter 1519

"Dear players, listen to my orders.....run!"

Swish~! Swish~! Swish~!

The examiner gave an order, and the ten contestants flew out like arrows. The one running at the front was Chen Yuankun.

Qin Chuan followed closely behind, not much slower than Chen Yuankun.

As for the other eight people, They were left far behind.

One breath, two breaths, three breaths.....

In the blink of an eye, the two of them had covered most of the distance.

At this time, Chen Yuankun suddenly slowed down.

Qin Chuan caught up in an instant, and the two lined up side by side.

Seeing that Qin Chuan was about to pass, Chen Yuankun raised the corner of his mouth and suddenly kicked Qin Chuan's calf sideways with unusually fast force.

Qin Chuan was on guard and immediately blocked with his foot.

Bang~!

Thump~! Thump~!

The two kicked their feet together and staggered, falling to the ground.

"How is this going?!"

This sudden scene made all the teenagers exclaim.

In their opinion, Qin and Chuan ran together, and then unfortunately tripped each other.

Only the examiner frowned slightly, and a strange color flashed across his eyes.

At this moment , Qin Chuan and Chen Yuankun were both extremely depressed.

They both underestimated each other, and unexpectedly kicked each other down, and they fought evenly.

However, Chen Yuankun still took advantage of it.

He fell forward, while Qin Chuan lay back..

Chen Yuankun fell to the ground in a more favorable position and posture.

The next second, the two quickly got up.

Chen Yuankun took advantage of the favorable position and posture to get up first.

Then, he lifted his back foot and actually stirred up a large piece of sand. , fired towards Qin Chuan's eyes.

Qin Chuan quickly covered his eyes with his arms.

Huff~chi~chi!

Countless fine sand hit Qin Chuan's arm, causing a faint pain.

With this delay, Chen Yuankun ran away They were four or five meters away.

But at this moment, Qin Chuan flicked his finger.

Phew~!

A very small stone was ejected, hitting the crook of Chen Yuankun's leg.

This was also because the two were only four or five meters apart.

So. At such a short distance, the stone shot out quickly and suddenly. Chen Yuankun had no time to prepare and was hit by the stone.

He really didn't expect that when Qin Chuan got up, he actually picked up a small stone. Pebbles.

This little thief is so cunning!

Plop~!

Chen Yuankun grunted in pain, his right leg softened, and he staggered. He knelt on the ground with both knees and legs, and made an abrupt kneeling salute to the crowd in front of him.

"Damn it~! "

All the teenagers exclaimed!

Is this guy out of his mind? Why did he suddenly kowtow to them?

Huh~!

At this moment, Qin Chuan dodged and passed by Chen Yuankun, bringing with him a strong wind.

"Damn bastard!"

Chen Yuankun was furious, and suddenly rushed forward, grabbing Qin Chuan's ankle.

Qin Chuan made him kneel to the ground in public, and he wanted to pull Qin Chuan down in public.

At this moment, the two sides were directly at each other's throats.

The boys He was stunned.

The examiner was also confused.

This was the first time he saw someone fighting during the examination.

These two guys are very courageous!

After all, these two are top talents.

One is a first-level intermediate. A martial artist whose strength is comparable to that of a first-level intermediate martial artist is rare.

If it had been anyone else, the examiner would have stopped them and eliminated the two of them directly.

After thinking about it, the examiner still held back.

But on the other side, Chen Yuankun suddenly He took action and grabbed Qin Chuan's ankle.

Qin Chuan quickly jumped up and got out of the way, but unexpectedly, Chen Yuankun suddenly jumped up and hit his back with his shoulder.

At this time, Qin Chuan was in mid-air, unable to control his body shape and wanted to It was impossible to avoid it.

At that moment, he gritted his teeth and kicked Chen Yuankun in the chest with his back heel.

At this moment, he actually used a lose-lose style of play, which made Chen Yuankun retreat.

Chen Yuankun didn't expect it either. Qin Chuan could be so cruel, but he had no time to avoid it.

Bang~! Bang~!

Two muffled sounds!

Chen Yuankun's shoulder hit Qin Chuan's back.

Qin Chuan's back heel was also kicked. Chen Yuankun's chest.

The two of them hit each other.

Qin Chuan suddenly felt a sharp pain in his back, and his spine even felt like it was about to break. His whole body flew forward.

Chen Yuankun also felt uncomfortable, and he felt that the blood in his chest was boiling. , the whole person retreated wildly, and finally fell to the ground, his pelvis almost cracked.

This time, it can be said that both sides were injured. However, after Qin Chuan was knocked away, he quickly used the body-training method to control the muscles of his body. He pushed himself forward, flipped over in the air, and landed firmly on his feet.

Then, Qin Chuan endured the pain in his back and rushed to the finish line with all his strength.

In the end, he was the first to reach the finish line.

"Qin Chuan, the completion time is eight breaths, this test is worth 12 points!", the examiner announced expressionlessly

"What?!", Chen Yuankun was dumbfounded.

Before he could get up, Qin Chuan had already reached the finish line.

At that moment, he quickly got up, but there was a stabbing pain in his chest.

It was Qin Chuan's kick. The pain made him gasp for a long time. He couldn't breathe.

Whoa~! Whoa~! Whoa~!

But in this delay, several players passed him in succession.

Damn it!

Chen Yuankun endured the pain in his chest, struggled to get up, and stumbled forward. Chase.

But he didn't catch up with those people in the end, and just barely reached the finish line.

"Chen Yuankun, the completion time is 18 breaths, this test is worth 2 points!"

Fuck~!

The whole audience was in an uproar!

They didn't expect that Chen Yuankun, the top player in this group, actually scored 2 points.

Chen Yuankun was also stunned.

This result made him so angry that he wanted to vomit blood.

He originally wanted to plot against Qin in the assessment. Sichuan, Qin Chuan failed to pass the assessment.

However, he did not expect that he only got 2 points.

He could not accept this result.

"Qin Chuan! You bastard hurt me!"

At that moment, Chen Yuankun roared loudly, shocking the entire audience..

Chapter 1520

"Qin Chuan! You bastard hurt me!"

At that moment, Chen Yuankun roared loudly, startling the whole audience.

All the young people looked at Chen Yuankun and Qin Chuan.

"Chen Yuankun, what are you doing?!"

But at this moment, the examiner's scolding sounded in the field.

Chen Yuankun was stunned.

Immediately, he complained first: "Examiner! Qin Chuan cheated in the assessment. He kicked me secretly, causing my chest to hurt so much that I couldn't stand up, so I got 2 points. I also hope that the examiner will punish Qin Chuan and give me a chance to retake the exam."

The examiner smiled coldly: "Humph!" Chen Yuankun, do you think this examiner is blind?"

Chen Yuankun was startled and secretly thought that something was wrong with the examiner's tone.

The examiner continued: "Others didn't see it clearly, but this examiner saw it clearly. In this assessment, it was clearly you who attacked Qin Chuan first!"

As soon as these words were said, the whole place was in an uproar.

"It turns out that it was Chen Yuankun who took action first!"

"Huh! Isn't he a first-level intermediate warrior, stronger than Qin Chuan? Why did he strike first and still suffer a loss?"

"Who knows! However, this guy struck first and lost, and he asked the evildoer to complain first, which is a bit...."

At this moment, the young people were talking a lot, and many people shook their heads secretly, feeling that there was something wrong with Chen Yuankun's character.

Chen Yuankun's face turned red and he was extremely embarrassed.

This time, not only did he steal the chicken but lose the rice, he even lost his face.

At this time, the examiner continued: "Chen Yuankun, you took action for no reason during the assessment this time, resulting in your current results. It is all your own fault."

"Considering that you are still considered a talented person, this examiner will not punish you, but your score this time can only count 2 points. If you are not convinced, please leave on your own. We will treat you as if you have given up on this assessment and will be eliminated!"

Chen Yuankun's face turned red and white, but he did not dare to refute.

At that moment, he lowered his head and stopped talking.

Seeing this, the examiner stopped talking and continued to conduct the test.

In the crowd, Qin Chuan was filled with joy.

However, , when the examiner went to take the test, Chen Yuankun glanced at Qin Chuan coldly, with resentment deep in his eyes.

Qin Chuan was too lazy to pay attention and directly found a corner to practice.

His back was hit hard and he really needed to rest and recover. Just like that, the assessment continued.

Qin Chuan was meditating and resting in the corner.

Du Shuyan was protecting him intentionally or unintentionally.

The brothers Chen Yuankun and Chen Tian were whispering in another corner, and they didn't know they were discussing. What a conspiracy.

It's just that the two of them glanced at Qin Chuan from time to time, with resentment in their eyes.

This time, Qin Chuan really made Chen Yuankun miserable. Not only did he not get many points, but he also lost his face.

How could Chen Yuankun not be resentful?.

Time flies!

Half an hour later, all the players in the third group finished the test.

A total of 13 people scored 0 points and were eliminated on the spot.

Qin Chuan won the first place in the third group with 12 points.

After the test, the examiner Gather all the young people together again and start lecturing

"Today's test ends here. After an hour, the new rankings will be posted on the bulletin board."

"Starting from tomorrow, the second round of battle assessment will be held, and arrangements will be made based on your cultivation and points!"

After this announcement, there was a heated discussion below.

"Today's assessment is finally over!"

"yes! Don't know what my ranking is? Tomorrow's battle assessment is closely related to ranking!"

"Why! I hope I can have better luck and the opponent I encounter tomorrow won't be too strong."

The teenagers were talking a lot, some were nervous and some were excited.

The examiner smiled and left.

He wanted to report the results of this group and re-establish the ranking.

In the corner, Chen Tian saw that the examiner was lucky and immediately shouted at Chen Yuankun. Whispering

"Brother, the examiner is gone, should we go find trouble with Qin Chuan? Chen

Yuankun hesitated for a while and then said: "Tomorrow is the battle test. In that case, I will teach him a lesson during the test." It would be a waste of energy to trouble him now."

Chen Tian nodded slightly: "It makes sense! The next battle and assessment will definitely involve a series of battles. It is a bit irrational for us to rashly cause trouble for that kid. Speaking of which, why did that kid suddenly become so powerful!"

Chen Yuankun sneered: "No matter how powerful he is, he is only a peak quasi-warrior." If I use martial arts, he will definitely be defeated! Chen

Tian's eyes lit up: "Brother, next time we meet in the ring, you must destroy that kid and don't give him a chance!"

"snort! No need for you to remind me!"

Chen Yuankun raised his head slightly and glanced at Qin Chuan with a cold expression.

This time, Qin Chuan made him lose face. With his mentality of retribution, how could he let him go?.....

Time flies!

An hour later, at the bulletin board.

The latest ranking announcement for young onlookers.

After the third test, there were only more than 180 players left.

In the crowd, Qin Chuan looked at the rankings on the announcement.
