

God level 1521

Chapter 1521

Seeing this ranking, Qin Chuan's lips curled up slightly, revealing a smile.

This time, he actually entered the top three, squeezing Chen Yuankun down.

"Look! The previous fourth place Qin Chuan surpassed the third place Chen Yuankun!"

"right!"

"Something is wrong! I remember when I saw the announcement at noon, Chen Yuankun scored 29 points. Why is it only 31 points now? Did he only score 2 points in the third test!"

"Um...it seems to be true!"

There was a lot of chatter in the crowd.

Those were the members of the first and second groups, and they didn't know what happened in the third group.

Qin Chuan was too lazy to wait any longer and quietly withdrew from the crowd, planning to go back to rest and prepare for tomorrow's battle.

Speaking of which, Luo Feng, who ranked first, scored 49 points, and Huo Qing, who ranked second, scored 48 points, both of which were far higher than his 32 points.

If he competes for rankings for the last time, he is afraid that he will not get a good ranking.

Don't say this Of the two, Chen Yuankun was stronger than him.

It was a complete accident that Chen Yuankun fell behind him this time.

Qin Chuan was analyzing in his mind as he hurried on.

"Qin Chuan!"

At this moment, Du Shuyan's shout rang out from behind him.

Qin Chuan turned around and saw Du Shuyan rushing over.

"Qin Chuan, have you read the announcement?"

"Look!"

"Congratulations on finishing third.

Qin Chuan smiled bitterly: "That's just luck. In fact, Chen Yuankun is better than me." What's more, this ranking is temporary. Only after completing the battle assessment can the real ranking be determined.

Du Shuyan nodded slightly: "That's right!" By the way, tomorrow's battle rules are out, do you know?"

Qin Chuan shook his head slightly.

Du Shuyan smiled: "I just got inside information. Tomorrow's battle test will adopt a challenge scoring system. At that time, people with the same level of cultivation will be divided into one group. You and I both belong to the pinnacle group of quasi-warriors. Qin

Chuan secretly thought that this guy was really well-informed.

At that moment, he asked: "After dividing into groups, how to challenge the score?"

Du Shuyan replied:"If you challenge someone with the same level of cultivation, you will get 5 points for victory. If you challenge a higher level by one level, you will get 10 points for victory. If you challenge by two levels higher, you will get 20 points.""

Qin Chuan's eyes lit up, and he felt happy.

This step-up challenge was almost arranged for him.

In this way, even if he wins first place, it is still possible!

The more Qin Chuan thought about it, the more delighted he became.

At this time, Du Shuyan said again : "In this challenge, each player only has three chances to challenge. Regardless of success or failure, after three attempts, they are not allowed to challenge again. Qin

Chuan thought for a while and said:"Then if you are challenged, can you refuse?" Du

Shuyan shook his head:"You can't refuse, and there is no limit on the number of times." In other words, if a hundred people want to challenge you, you have to answer them all. However, you are a top-level quasi-warrior and you are ranked third in points. There should be few people who dare to challenge you."

"By the way, high-level warriors cannot challenge low-level warriors. They can only passively accept the challenge from low-level warriors. Even if they win, the high-level warriors will not score points.

Qin Chuan was surprised:"If you think about it this way, those with high cultivation levels will suffer." Du

Shuyan said with a smile:"It seems like this on the surface, but who would be so stupid to challenge a higher-level warrior even though he is obviously not strong enough." That would only be a waste of your own challenge opportunity."

"However, if it is unfair, this time it is most unfair to Luo Feng and Huo Qing. The two of them have the highest cultivation level, so they can only challenge each other, not those with lower cultivation levels. Qin Chuan nodded slightly:"

In this case, they won't get a few points in this link." By the way, Chen Yuankun's cultivation level is not low. With his first-level intermediate cultivation level, he doesn't have the authority to challenge even if he wants to?

Du Shuyan smiled:"You really don't have this authority!" I'm afraid Chen Yuankun didn't expect that challenging the system would turn out like this. It would be difficult for him to take revenge on you during the assessment. Speaking of which, this second round of challenging the system is very beneficial to you."

"You don't have to face Luo Feng and Huo Qing, you can both hope to get the first place in points. I'm very optimistic about you! Qin

Chuan smiled and said,"I don't understand why the Zhou family created such a system. It is obviously unfair to Luo Feng and Huo Qing." Du Shuyan said meaningfully:"

Qinchuan, the Zhou family does not lack guards with high cultivation levels, but they lack elites who are proud of their own level. That's why they use this challenge point system to select those who can challenge higher levels." Talent"

"They are the elite backbone of the Zhou family's guard. For example, you are in line with the goals they want to cultivate.

Qin Chuan suddenly said:"That's it!" However, I just need to be in the top three, not necessarily first in points. Du Shuyan shook his head:"

Qin Chuan, you are wrong!" If you can get the first place in points in the assessment, there will be major rewards afterwards."

"Are there any rewards?"

"certainly! It's also very generous!"

Qin Chuan's eyes lit up and he immediately became interested.

It seems that this time he must cross the level challenge and defeat Chen Yuankun.

Only in this way can he hope to get the first place in points and get generous rewards!

That's it, two people The people walked and chatted, and unknowingly left the examination room.

Afterwards, the two said goodbye.

Qin Chuan hurried back to the hotel.

He had to go back quickly to make preparations for the next level-crossing challenge..

Chapter 1522

After returning to the hotel, Qin Chuan entered the guest room and closed the door.

"Tomorrow's challenge will be of great benefit to me! If I want to rise to prominence, I must challenge myself through a higher level."

"pity! Everyone has only three chances to challenge, which means there are only three chances to score."

"Speaking of which, Luo Feng, Huo Qing, and Chen Yuankun were too high in cultivation, so they didn't have three chances to challenge. It's really...."

Qin Chuan smiled and shook his head.

With the strength of these three people, they can definitely pass the assessment and enter the guard camp.

It's just that the three of them will have little chance to score in the next assessment.

The Zhou family took great pains to select elites with abilities above their own level.

However, Qin Chuan also knew that even with such a favorable challenge system, it was very difficult to say whether he could win the first place.

Not to mention Chen Yuankun, Huo Qing scored 16 points more than him, and Luo Feng scored 17 points more than him.

In his next challenge, he must score more than 20 points before he can hope to win first place.

In this way, he cannot use all his challenge opportunities on people of the same level.

After all, if you win the same level once, you can only get 5 points.

Winning three times is only 15 points.

Therefore, he must step up and challenge.

With his current strength, it would not be a big problem to challenge a first-level junior warrior.

But if you want to challenge Chen Yuankun over the next level, that's not possible.

That guy is the pinnacle of a first-level intermediate martial artist, and he has mastered martial arts.

Unless Qin Chuan can unlock the seal of Shui Yuanqi, there is no hope of winning.

But the one Qin Chuan hopes to challenge the most is Chen Yuankun. If he doesn't beat that guy up, it's hard for him to get angry.

"It seems I have to improve my strength.....correct!"

Qin Chuan suddenly thought of something and quickly turned over his salute.

Not long after, he turned out a small gourd that was all green.

"Ha ha!! This monkey wine has been stored for a long time, now it's time to drink it and improve your strength."

Bah~!

Qin Chuan pulled out the cork of the bottle, raised his head and took a big sip.

The mellow wine entered his throat, and traces of life energy flowed to his limbs and bones, tempering his body.

At this moment, Qin Chuan He clearly sensed that his strength was constantly increasing.

He quickly used the body refining method, and the speed of absorbing the monkey wine increased dozens of times in an instant.

In just a moment, the mouthful of monkey wine was completely digested, and his My strength has also increased by dozens of kilograms, and my strength has increased by a bit.

"This monkey wine is really a good thing! That monkey king is really amazing, he can brew such a magical spirit wine....."

Qin Chuan savored the aroma of the wine and was filled with admiration.

At the moment, he was drinking monkey wine while running the body refining method, slowly absorbing the spiritual wine, and constantly improving his strength.....

Time flies!

The next day came in a blink of an eye.

Early in the morning, all the contestants arrived at the examination room.

There are three arenas in the examination room, where three challenges can be launched at the same time.

At this moment, under the three arenas, more than 180 players were divided into six groups.

The first group, twenty-three people, are junior quasi-warriors and ordinary teenagers who have not practiced, belonging to the lowest level.

Chen Tian is in this group.

The second group, ninety-six people, are all intermediate-level quasi-warriors.

The third group, fifty-seven people, are all high-level quasi-warriors.

The fourth group, fourteen people, are all peak quasi-warriors.

Qin Chuan and Du Shuyan are both in this group.

There are four people in the fifth group, all first-level junior warriors.

There are three people in the sixth group, namely Luo Feng, Huo Qing, and Chen Yuankun.

At this moment, there are people challenging in the three arenas.

On the left side of the arena, two intermediate quasi-martial artists were fighting.

On the middle stage, two high-level quasi-warriors were fighting.

On the right side of the arena, there were still two intermediate quasi-warriors fighting.

There have been more than a dozen challenges so far, all of which were battles between the same level, and none of them exceeded the level.

In the fourth group of teams, Qin Chuan was a little bored waiting.

He spent the whole night yesterday refining all the gourd of monkey wine, which greatly increased his strength.

Now, even if he doesn't release the Feng Shui Yuan Qi, his overall strength is comparable to the peak of the first-level intermediate level.

Because of this, he couldn't wait to take the field and challenge himself to a higher level.

"Get down!"

Bang~!

At this moment, there was a loud shout from the middle ring.

Immediately, someone fell off the ring.

The whole audience was shouting.

"Johnson won! Johnson won!"

"What a great job!"

On the ring, the high-level quasi-warrior named Jiang Sen looked triumphant.

This time, he spent a lot of effort and finally won his first challenge. It can be said that he was a success.

Oh~!

At that moment, there was a flash of light and shadow, and an examiner jumped onto the central stage.

He glanced at Jiang Sen approvingly and nodded slightly.

Then, he announced in public: "In this challenge, Jiang Sen defeated a warrior of the same level and gained 5 points.!"

"Thank you, examiner!"

Jiang Sen saluted happily and jumped off the ring.

"The central arena is vacant. Who is willing to take on the challenge?"

The examiner looked at the six groups below.

As soon as he finished speaking, a handsome young man took a step forward and jumped onto the ring.

The person who stepped up was none other than Qin Chuan...

Chapter 1523

"The central arena is vacant. Who is willing to challenge?"

The examiner looked at the six groups below.

As soon as he finished speaking, a handsome young man took a step forward and jumped onto the ring.

The person who stepped up was none other than Qin Chuan...

"Look! Qin Chuan is up!"

"This time, Qin Chuan performed very well in the assessment. I wonder what his combat ability is like?"

"Watch it! It shouldn't be bad!"

There was a discussion among the crowd.

Today Qin Chuan is very famous among the players.

It is rare to be a twelve-year-old peak martial artist.

What's more, Qin Chuan's assessment results actually ranked third. It's hard not to attract attention. Difficult.

When the examiner saw Qin Chuan, he also showed a happy smile.

The examiner on the central stage was the old man in the morning. He had a preference for Qin Chuan.

"Who are you going to challenge, little one?", the examiner asked with a smile

"let me see...."

Qin Chuan glanced at the arena below.

All the young people performed differently.

The junior, intermediate, and advanced quasi-martial artists all showed expectant looks.

They wanted to know who Qin Chuan would challenge.

As for the team of peak quasi-warriors, everyone looked nervous and lowered their heads, not daring to look at Qin Chuan.

It turns out that high-level cultivation cannot challenge low-level cultivation.

You can only challenge players of the same level, or players of a higher level.

In this way, those junior, intermediate and advanced quasi-martialists will naturally not be afraid.

On the contrary, the dozen or so peak quasi-warriors were all frightened to death. One of them lowered his head, not daring to look at Qin Chuan.

They were afraid that Qin Chuan would pick them.

After all, Qin Chuan won the third place and always showed superhuman strength, which made these peak quasi-martialists feel inferior and implicitly acquiesced that they were inferior to Qin Chuan.

Soon, Qin Chuan looked away from the team of peak quasi-warriors.

The teenagers immediately breathed a sigh of relief.

The next second, Qin Chuan's eyes fell on the four people not far away.

Those were four first-level junior warriors.

When they saw Qin Chuan, the four people frowned slightly, some were nervous, and some looked calm.

After all, they are first-level junior warriors, and their inner arrogance exists.

Even if Qin Chuan performed very well, they only paid attention to him and didn't think Qin Chuan could be equal to them.

The teenagers around him became excited when they saw this scene.

Is Qin Chuan going to challenge the first-level junior level?

As soon as this thought came up, Qin Chuan pointed at one of them

"Mr. Examiner, I want to challenge him!"

As soon as this was said, the whole audience was in a lively discussion.

"Knew it! Qin Chuan is going to challenge a higher level!"

"Ha ha!! Wonderful things are coming!"

"This should be the first step-up challenge today. I wonder if Qin Chuan can win?!"

"It's hard to say! There is a big difference between a peak quasi-martial artist and a first-level junior powerhouse."

"Not much to say, let's just wait and see!"

The more the young men discussed, the more excited they became.

The face of the young man chosen by Qin Chuan was ashen, and his brows were full of anger.

Among the four first-level junior warriors, Qin Chuan chose him. This is clearly saying, He was the weakest among the four.

The more Lu Tao thought about it, the angrier he became. He had always been arrogant and even thought that he was the strongest of the four first-level junior warriors. Now being challenged by Qin Chuan in public felt like a great shame and humiliation.

At that moment, he was greatly He walked out of the team in one step and jumped onto the ring in one fell swoop.

"I, Lu Tao, accept your challenge!"

At this time, the examiner interrupted: "Qin Chuan!" Lu Tao! The battle in the ring is limited to half an hour. If the winner is not decided within half an hour, I will decide the winner. Do you understand?"

"clear!"

Qin Chuan and Lu Tao responded.

The examiner nodded slightly and exited the ring.

At that moment, Qin Chuan and Lu Tao were the only two people left on the ring.

"Qin Chuan, I know you performed very well in the first three assessments and scored a lot of points. But this battle in the ring tests your fighting skills and overall strength. I'm afraid you won't be so lucky!"

Lu Tao had a sneer on his face.

Qin Chuan heard this harshly.

According to this guy, the points he got before were all obtained by luck.

At that moment, he said: "Lu Tao, let's get started! time is limited! The corner of Lu

Tao's mouth curled up slightly: "Half an hour is completely enough, and it's not even needed. You don't have to be impatient." Of course, it is indeed a bit difficult to challenge me with your cultivation level as a peak quasi-warrior."

"Well, I'm a few years older than you, and my cultivation level is a little higher than yours. This time, I'll let you make the first move. Otherwise, after I take action, you will have no room to fight back."

Lu Tao pretended to be generous and made a gesture of invitation.

Qin Chuan was speechless.

However, since this guy said this, he was not polite.

"Then accept it!"

As soon as he finished speaking, Qin Chuan dodged and rushed towards Lu Tao.

Whoa~!

There was an explosion of air!

Only an afterimage was left in the air!

Qin Chuan's speed was as fast as lightning.

In the blink of an eye, he was in front of Lu Tao..

So fast!

Lu Tao was horrified.

The speed completely reached the limit of the first-level intermediate level.

But before he could react, Qin Chuan punched him in the chest.

Boom~Long~Long!

The waves of air were overwhelming! The evil energy was amazing!

Bang~!

A muffled sound!

Qin Chuan punched Lu Tao firmly in the chest

"ah~! "

Na Lu Tao screamed and was punched away, falling outside the ring.

Plop~!

Lu Tao fell heavily, leaving a human-shaped pit on the ground and causing a cloud of smoke and dust.

All the young people were dumbfounded.

The surroundings became peaceful!..

Chapter 1524

Lu Tao fell heavily, leaving a human-shaped pit on the ground and causing a cloud of smoke and dust.

All the young people were dumbfounded.

The surroundings became peaceful!

After a while, the whole place was in an uproar

"Oh My God! Qin Chuan knocked Lu Tao away with one punch!"

"Tsk ts! He defeated a first-level junior warrior in a single encounter. Is Qin Chuan really just a first-level junior warrior?"

"yes! I suspect that he definitely has an intermediate level of strength!"

"definitely! To be able to defeat a first-level beginner with one move, even an ordinary first-level intermediate cannot do it. I am afraid that he is already close to the peak of the first-level intermediate."

At this moment, the crowd was talking a lot.

The young people looked at Qin Chuan with admiration.

Especially the girls, with stars in their eyes.

How could such an outstanding young man not win their favor? It's a pity that he is so young. A little bit.

In the corner, Chen Yuankun and Chen Tian were also dumbfounded.

After a while, Chen Tian swallowed and said:"Brother, this little bastard seems to have become a little stronger."

Chen Yuankun took a deep breath and nodded slightly:"You have indeed become stronger! Yesterday, he exchanged palms with me and was at a disadvantage. But judging from his performance just now, if I hit him again today, it would be hard for me to knock him back even two steps.

Chen Tian's face changed slightly:"No way!" Became so strong? It's only been one night! How could he become so strong so quickly?"

Chen Yuankun sighed:"He has indeed become so much stronger. In my estimation, his strength yesterday barely reached the first-level intermediate threshold. Today, it should be infinitely close to the peak of the first-level intermediate level. Chen

Tian was surprised:"Brother, if you say that, then he is as powerful as you?"

Chen Yuankun sneered:"That's not enough. I am already at the peak of the first-level intermediate level, and he is just close. Besides, I have mastered martial arts. He is a peak quasi-martial artist, and he will never be able to master martial arts."

"There is a huge difference in strength between those with martial arts and those without. If he dares to challenge me, I can defeat him easily. The only pity is that I am not qualified to challenge him. It depends on whether he dares to challenge me."

The minimum cultivation level for learning martial arts is the first level of elementary level.

Qin Chuan is a peak martial artist, so it is naturally impossible to master martial arts.

After hearing those words, Chen Tian was overjoyed:"Brother, this is great! From what I know about that little bastard, he'll probably challenge you. When the time comes, don't be lenient!"

"rest assured! If he dares to challenge, I will definitely destroy him!"

Chen Yuankun sneered, his eyes full of viciousness.

Now, his hatred for Qin Chuan does not concern Chen Tianshao at all.

Especially Qin Chuan's excellence has aroused his deep jealousy and made him crazy. idea.

That is to destroy Qin Chuan!

At this moment, the examiner's voice came from the arena

"In this round, Qin Chuan challenged Lu Tao over a higher level. Qin Chuan won, scoring 10 points, and accumulated 42 points!"

This announcement made the young people marvel.

In the crowd, Chen Yuankun's face turned gloomy.

With his strength, he could not find a master of the same level. If he wanted to challenge, he could only find Luo Feng and Huo Qing.

But he himself He is not a match for Luo Feng and Huo Qing, who are both first-level advanced warriors.

After all, he has no chance to score in this round, and the points gap with Qin Chuan will only get bigger and bigger..

This thought made Chen Yuankun extremely depressed.

On the ring, the examiner looked at Qin Chuan with relief.

"Little guy, you still have two chances to challenge. Do you want to continue?"

Qin Chuan nodded slightly and turned to look at the first-level junior group again. The faces of the remaining three players all changed drastically.

You know, Lu Tao's strength is considered stronger among the four of them.

But Qin Chuan Lu Tao was knocked away with one punch, so it would be useless for the three of them to go up.

"Sir examiner, which one shall I challenge? Qin

Chuan pointed at a young man with a yellow face.

The man's face suddenly fell down and became extremely ugly.

The examiner also looked at the yellow face and asked loudly:"Huang Quan, Qin Chuan challenges you, come up!"

"ah~! …..", Huang Quan responded stupidly.

Then, with a wry smile on his face, he said, "Examiner, I give up this round! I admit defeat!"

As soon as he said this, the whole audience was in an uproar.

All the young people looked at Huang Quan.

The guy shrugged helplessly: "Don't look at me! I can't even beat Lu Tao, how can I beat him! Why don't I just admit defeat?"

Hearing this, the young people were amazed and secretly thought that Lu Tao was still alive. Quite strong!

In this comparison, Qin Chuan is stronger.

On the ring, the examiner smiled and shook his head.

This is the first person to voluntarily admit defeat since the Challenge.

This Huang Quan also knows how to choose.

Knowing that you are outmatched, it is better to give up, lest you get injured and affect the rest of the battle.

Just like Lu Tao now, he was miserable. He was punched in the chest by Qin Chuan and lay on the ground for a long time unable to get up.

Several alchemists from the Zhou family are helping him heal his injuries, but it is not known whether it will affect the next challenge.

Thinking of this, the examiner said: "In this round, Huang Quan took the initiative to admit defeat, and Qin Chuan won the challenge. Another 10 points will be counted, and the total score is 52 points!" As soon as this announcement came out, there was another sigh from below.

52 points!

This score has exceeded Luo Feng and Huo Qing.

Luo Feng's points are 49 points and Huo Qing's is 48 points.

Of course, there must be a battle between Luo Feng and Huo Qing.

When fighting at the same level, the winner gets 5 points.

If Luofeng wins, Luofeng's score will be 54 points.

If Huo Qing wins, Huo Qing's score will be 53 points.

No matter who wins, he will surpass Qin Chuan.

Therefore, Qin Chuan must win one more game to take first place.

At this time, the examiner said again: "Little guy, you have one last chance to challenge, and it is also your last chance to score. Do you want to continue to challenge?" Hearing this

, Qin Chuan looked at the crowd below.

The teenagers looked expectant again.

The two teenagers in the first-level junior group were too frightened to speak.

But this time, Qin Feng did not stop at them, but looked directly at Chen Yuankun in the crowd..

Chapter 1525

When Qin Chuan looked at Chen Yuankun, the crowd became commotion.

Many people know that Qin Chuan and Chen Yuankun have a grudge.

However, Chen Yuankun is the pinnacle of the first-level intermediate level. He also knows martial arts, and his overall strength is no less than that of the first-level advanced level.

Is Qin Chuan going to challenge Chen Yuankun?

At this thought, the young men murmured.

Many female players are worried about Qin Chuan.

With Qin Chuan's current strength, he should not be Chen Yuankun's opponent.

On the contrary, Chen Yuankun's eyes lit up with a fiery light.

He was worried that he would not have the chance to teach Qin Chuan a lesson.

If Qin Chuan dares to challenge him, he will not hesitate to come to power and destroy this little bastard.

At this thought, he raised his chin and looked at Qin Chuan provocatively.

And Qin Chuan was also looking at him.

The two looked at each other, with hatred bursting out of their eyes.

At this moment, the examiner's muttering sounded in Qin Chuan's ears.

"Little guy, that Chen Yuankun is at the pinnacle of the first-level intermediate level. He has mastered martial arts, and his overall strength is not inferior to that of a first-level senior martial artist. You have to choose carefully!"

"If you lose this game, you will lose your last chance to score. Your score will be stuck at 52 points, and you will not be able to get the first place in this competition."

"By the way, I would like to remind you that the first place examiner in each session will receive a very generous reward."

The examiner murmured softly.

Apparently, he also felt that Qin Chuan was not Chen Yuankun's opponent yet, so he kindly reminded Qin Chuan and asked him to weigh the pros and cons.

After Qin Chuan listened, he took a deep breath.

He also felt that he was not yet Chen Yuankun's opponent. Chen Yuankun's opponent.

Even if he refined a gourd of monkey wine, his overall strength has not reached the first-level advanced level, so it is still difficult to defeat Chen Yuankun.

If he rashly challenges Chen Yuankun, he will probably lose the chance to win the first place..

The so-called small impatience messes with big plans!

But he was unwilling to give up like this.

This was a good opportunity for him to teach Chen Yuankun a lesson in an honest way.

By the way!

I also have a awakening pill!

Qin Chuan suddenly thought of this, His eyes lit up.

He is no match for Chen Yuankun now, but as long as he refines the Awakening Pill and breaks through the wood system to the first level, it will be different.

By then, even if he has not unlocked the water energy, his overall strength will be If he can reach the first level of advanced level, he should have no problem crushing Chen Yuankun.

What's more, Qing Yunlie also taught him a wood-type martial art - the God Binding Technique.

He has long understood the magic formula and the way of energy operation, and he is waiting for the wood-type cultivation method. In order to break through to the first level of elementary level, he can use it. With this thought, Qin Chuan made up his mind.

The matter of challenging Chen Yuankun is postponed. It will be safer to challenge Chen Yuankun again after he has refined the Awakening Pill.

With this thought, He looked at the examiner

"Sir Examiner, I heard that this arena competition will be held for three days?"

"Yes!"

"Sir examiner, I have some personal matters these past two days. I plan to come here on the third day and use the last opportunity to challenge. I wonder if this is possible?"

As soon as these words came out, the teenagers below were very confused.

It turned out that the Awakening Pill was difficult to refine. It couldn't be refined without a day and a night.

Therefore, Qin Chuan planned to come back in two days. This matter Naturally, he had to talk to the examiner.

As long as he got the examiner's permission, he would have enough time to refine the elixir.

The examiner was also stunned.

However, he had some preference for Qin Chuan and did not refuse directly.

At the moment, he thought about it. After a while, he said: "You are not here for two days, what should you do if someone challenges you?"

Qin Chuan smiled slightly: "This is easy to handle!" Everyone, if you want to challenge me now, just go on stage! I'm always here for you!"

As soon as these words were said, the young men below looked at each other, with strange looks in each other's eyes.

In their eyes, Qin Chuan is a freak, who dares to challenge him!

What's more, only those at the top are qualified to challenge Qin Chuan. Players below the level of quasi-warriors.

Qin Chuan can defeat even the first-level early stage warriors with one move, let alone these scumbags.

At the moment, the field was quiet, and no one dared to challenge.

No one was a fool, no one I will waste a challenge opportunity for this inevitable defeat.

After all, there are only three challenge opportunities, and they cannot be wasted easily.

"No one?"

Qin Chuan asked again.

There was silence below and no one answered.

Among the crowd, Chen Yuankun swallowed his saliva, his face full of depression.

He wanted to challenge, but his cultivation level was too high and he was not qualified to challenge Qin Chuan.

Here he is. At that time, the examiner stroked his beard and said with a smile: "Qin Chuan, you don't need to ask, I didn't think enough about it. With your strength, no one here should be able to challenge you!"

Having said this, he looked at the crowd below: "I will give you another chance. If anyone wants to challenge Qin Chuan, come forward now. If no one challenges you, just think you have given up."

"In the next two days, no one is allowed to challenge Qin Chuan. If anyone regrets it, they can challenge Qin Chuan on the third day."

As soon as he said this, Qin Chuan was overjoyed.

Obviously, the examiner opened the door to Qin Chuan and asked him to go back and rest for two days before coming back.

"Anyone want to challenge?", the examiner asked again.

No one answered.

"good! If no one responded, that meant everyone agreed. Qin Chuan, then go back and do your own business. Remember, you must come on time on the third day."

Qin Chuan was delighted: "Thank you, senior!"

The examiner stroked his beard and smiled: "Work hard!" I like you!"

At that moment, Qin Chuan thanked him again, jumped off the stage in public, and left the examination room in a swagger.

He had to rush back and seize the time to refine the awakening pill..

Chapter 1526

Looking at Qin Chuan's leaving figure, the young men showed envy.

I'm afraid only an outstanding person like Qin Chuan can receive such treatment!

For players like them, the examiners will definitely not be so easy to talk to.

In the corner, Chen Tian looked at Qin Chuan's leaving figure and frowned.

"Brother, what does this little bastard mean? Why did you suddenly slip away?"

Chen Yuankun sneered: "It's just pretending to be a ghost!"

"By the way, brother, looking at the last look in this kid's eyes, he seems to want to challenge you, but he doesn't have the courage. He suddenly took two days off. Could it be that he wanted to improve his strength in these two days and then deal with you?"

Chen Tian expressed his thoughts.

Chen Yuankun didn't take it seriously: "The strength gap between him and me cannot be equalized in two days! I want to see what tricks this little bastard can do in two days!"

As soon as these words were said, cheers came from the front again.

However, two peak quasi-warriors entered the central arena, one of them was Du Shuyan, and a new battle began.

The attention of Chen Yuankun and Chen Tian was also attracted. Now.

At the moment, the arena competition continues.

All the teenagers pay attention to the competition again, and no one pays attention to Qin Chuan.

After all, this challenge is related to their results and whether they can pass the assessment. This is the most important thing at the moment. thing.

No one noticed that in a corner of the crowd, an arrogant young man was looking coldly at the direction where Qin Chuan disappeared.

He was the number one Luo Feng, a first-level senior warrior.

"This Qin Chuan is not weak! With his current results, entering the Zhou family's guard camp is a sure thing. But the task given to me by Master Zi is to prevent this guy from passing the assessment."

Luo Feng squinted his eyes and made a calculation in his mind.

His original plan was to beat Qin Chuan into a cripple during the assessment process.

He believed that the Zhou family would not accept a cripple as a guard.

As for why Master Zi wanted to Luo Feng didn't know what he was doing, and he didn't dare to ask.

In fact, Zi was suspicious that Qin Chuan entered the Zhou family for the Blue Dragon Pearl.

And the Green Dragon Pearl was also something Zi's forces wanted to seize.

For this reason, Zicai gave an order to Luo Feng to prevent Qin Chuan from passing the examination.

At the same time, he also asked Luo Feng to enter the Zhou family's guard camp, also to set the stage for seizing the Green Dragon Pearl.

Unfortunately, the development of the matter exceeded Luo Feng's expectations were met.

When it came to the challenge, he had no way to encounter Qin Chuan.

Because his cultivation level was higher than Qin Chuan's, he could not challenge Qin Chuan on his own initiative. Unless Qin Chuan took the initiative to challenge him.

But judging from the current situation Look, this kind of thing is absolutely impossible to happen.

Just when Luo Feng thought that his plan to stop Qin Chuan was going to fail.

Unexpectedly, Qin Chuan actually left the examination room and left alone.

This created an opportunity for Luo Feng.

Thinking of this, the corners of Luo Feng's mouth curled up slightly, and his eyes showed joy.

Then, he turned to look around and saw that everyone was paying attention to the arena in front of him.

At that moment, he slowly backed away and quietly left the examination room.

As soon as he came out On the school field, he chased Qin Chuan in the direction he left.

Before, the school field was full of players and examiners.

He had no chance to attack Qin Chuan.

Now, his chance came.

As long as he followed quietly and killed Qin Chuan, This will prevent him from becoming the bodyguard of the Zhou family.

In this way, he will have completed the task assigned by Lord Zi.

Thinking of this, Luo Feng speeded up and followed.....

At the same time, the examination room was still very lively.

No one noticed that Luo Feng also disappeared shortly after Qin Chuan left..

Chapter 1527

But on the other side, Qin Chuan hurried to the hotel after leaving the Zhou family examination room.

He wanted to return to his residence earlier to refine the Awakening Pill.

The examiner gave him two days, and he must cherish it and not waste it.

Soon, Qin Chuan entered an alley, which was the only way back to his residence.

Hey!

Something's wrong!

As soon as he stepped into the alley, Qin Chuan's ears perked up, and he felt startled in his heart.

His super sixth sense allowed him to discover that there was a person's footsteps following him along the way.

At first, he thought he was being careless.

But when he walked to a sparsely populated area, the man followed him.

Qin Chuan was suddenly shocked.

Speaking of the six senses, as Qin Chuan's strength has improved, his six sense abilities are comparable to those of a second-level advanced warrior, and even close to the third level. , if a first-level warrior wants to hide his eyes and ears and follow him quietly, it is impossible.

Who is this person following me?

Qin Chuan's thoughts moved and he looked around.

Then, he spotted a dark corner and quickly ducked in to hide.

He wanted to see who was following him.

Bang~! Bang~! Bang~!

Not long after, there was a sound of sneaky footsteps at the end of the alley.

Qin Chuan quickly stared.

Not long after, a proud young man appeared in his field of vision.

Luo Feng!

Qin Chuan's pupils shrank and he was greatly surprised.

Before, in the examination room, he glanced at Luo Feng from a distance and also saw Huo Qing.

Originally, Qin Chuan wanted to go forward and greet Huo Qing, but when he saw Chen Yuankun standing nearby, he didn't go there to avoid getting into trouble.

As for Luo Feng, he didn't pay much attention.

Unexpectedly, this guy came to follow me.

Strange!

This person shouldn't be in the examination room, why is he here?

Could it be that he sneaked out just to follow her?

If so, what exactly did he mean?

The more Qin Chuan thought about it, the more he felt something was wrong, and he became more cautious.

Luo Feng is a first-level advanced warrior.

He is not his opponent yet.

Unless Qin Chuan unblocks the water energy, he will have no choice but to escape.

"Huh! Where are people?"

At this moment, Luo Feng stopped and looked at the empty alley with a puzzled look on his face.

"Strange! I clearly heard his footsteps coming in this direction before, why did they suddenly disappear?"

Luo Feng whispered.

Qin Chuan had six senses and heard these words clearly.

This guy really followed him.

In this way, he can't be exposed.

"Did that kid find out that I was following him? Luo

Feng frowned slightly and scanned every corner of the alley.

He suspected that Qin Chuan was hiding in this alley.

Just when his eyes were about to scan Qin Chuan's hiding place, he Footsteps sounded behind him.

It was particularly loud in the empty alley.

Luo Feng was startled and turned around quickly to see a young man in black with a long knife on his back walking towards him.

"Huo Qing!"

Luo Feng looked at the visitor in surprise.

In the darkness, Qin Chuan was also a little surprised.

He didn't expect that Huo Qing also came with him.

"Why are you here? Luo

Feng looked at Huo Qing with confusion on his face.

Huo Qing smiled coldly:"Luo Feng, why are you stalking Qin Chuan?"

Luo Feng was shocked.

He didn't expect that his actions would be noticed by Huo Qing.

Immediately, he frowned:"What does it have to do with you if I follow Qin Chuan?"

"Qin Chuan is my friend. If you want to harm him, ask me first if I agree!"

"Is he your friend?", a hint of surprise flashed in Luo Feng's eyes

"That's right!", the corner of Huo Qing's mouth curled up slightly.

In the corner, Qin Chuan heard this conversation and felt warm in his heart.

Huo Qing was still good to him.

Luo Feng was silent.

After a moment, he said:"How are you doing?"

Huo Qing said calmly:"Go back to the examination room!" I want to challenge you! Luo

Feng frowned:"What if I don't come back?" Huo

Qing sneered:"Then I will fight you here!"

Luo Feng was angry:"It seems that you have to stop me!"

"That's right!"

"good! Then I will go back to the examination room and wait for you!"

As soon as he finished speaking, Luo Feng turned around and rushed directly to the examination room.

He has always been conceited and almost invincible among his peers, but the appearance of Huo Qing shocked him.

This person's previous performance was amazing in every way.

Speaking of which, Luo Feng is one or two years younger than him, but his strength is equal to him.

In this way, Huo Qing's talent is only higher than him.

This makes Luo Feng very unhappy.

He also wants to compete with Huo Qing. Let's see who is stronger.

Of course, with Huo Qing's interference, he also knows that the killing of Qin Chuan has been ruined, and he dare not continue to pursue it.

Otherwise, if Qin Chuan and Huo Qing join forces, he will have no choice but to retreat..

This was the real reason why he quickly retreated.

Seeing Luo Feng leaving, Huo Qing smiled coldly and followed him.

In a blink of an eye, the two of them disappeared at the end of the street, one after the other.

Wait for the two of them After walking far away, Qin Chuan came out of his hiding place.

He looked at the direction in which the two people left and pondered....

Chapter 1528

After the two of them walked away, Qin Chuan came out of his hiding place.

He looked at the direction in which the two people left and pondered. strangeness!

Why does Luo Feng want to track him?

Looking at him like that, he seems to be trying to do harm to himself!

Fortunately, Brother Huo Qing appeared and lured him away.

If you really let yourself face off against him, I'm afraid you won't be his match.

But Qin Chuan couldn't figure it out. He hadn't offended Luo Feng, so why would that guy do harm to him?

After thinking for a while, Qin Chuan couldn't figure it out, so he simply stopped thinking about it.

But there was an invisible pressure in his heart.

Knowing that Luo Feng was not good for him, he felt more and more that his strength was not enough and he had to improve his strength as soon as possible.

He also hopes that he can enter the guard camp as soon as possible, find Deacon Qin, and ask him to help him unlock the seal of water energy.

Perhaps, after Deacon Qin tells him something, he will find out why Luo Feng is following him.

The more Qin Chuan thought about it, the more he felt that his life experience was unusual and he was not like an ordinary orphan at all.

He vaguely felt that there was some story hidden behind him.

With this in mind, he wanted to see Deacon Qin even more and wanted to ask about his life experience.

Of course, the most important thing right now is to refine the Awakening Pill.

He wanted to break through Mu Yuanqi to the first level of elementary level, first defeat Chen Yuankun and get first place in the assessment.

Thinking of this, Qin Chuan turned around and rushed towards his residence.

With his previous experience, he became extra cautious, almost always looking back in three steps.

To his relief, Luo Feng and Huo Qing really left, and no one followed them.

A quarter of an hour later, he returned to the hotel.

After entering the room, Qin Chuan closed the door and took out the green awakening pill.

Smelling the alluring aroma of elixir, he couldn't help but take a sip.

The fragrance of red pepper enters the nose, refreshing the heart.

The next second, Qin Chuan opened his mouth and swallowed the pill.

Afterwards, he sat cross-legged on the bed and began to refine the elixir with all his strength.

Time flies!

In the blink of an eye, a day passed.

On this day, Qin Chuan's body was shaken in the room.

Click~!

A soft sound!

A clear sound came from his body.

The last main point is opened!

Boom~Long~Long!

Immediately, the wood energy between heaven and earth violently rioted, rushing toward him, forming a cyclone around him...

After a long time, the cyclone dissipated, and Qin Chuan slowly opened his eyes, with a look of ecstasy on his face.

His Mu Yuan Qi successfully broke through to the first level, and his strength greatly increased again.

Now, even if he has not unlocked the water energy, his overall strength is comparable to that of a first-level advanced warrior.

"good! good!"

Qin Chuan felt his strength improve and was extremely satisfied.

"Now that I am a water and wood cultivator, I wonder what level my overall strength will be after the water energy is released? I must be able to defeat Luo Feng!"

The corners of Qin Chuan's mouth curled up slightly.

Now even if the Feng Shui Yuan Qi is not released, he is not afraid of Luo Feng.

If it is, he believes that he will definitely be the strongest person in this assessment.

You know, he is only twelve Years old, he has only been practicing martial arts for a month.

If outsiders knew these facts, their jaws would definitely drop.

Thinking of this, Qin Chuan took out a book and continued to study.

The book was given to him by Qing Yunlie, and it recorded the details of practicing martial arts. Experience in divine arts.

Now that his wood cultivation has broken through the first level of elementary level, he can try to practice the divine binding technique.....

In a blink of an eye, another day passed.

This day is the last day of the challenge assessment.

Early in the morning, all the players gathered under the ring.

Qin Chuan was also among the crowd.

At this moment, he was in a very good mood.

After yesterday's practice, he basically mastered the God Binding Technique. This is the second martial skill he has mastered.

The first one is naturally the Pure Heart Mantra.

However, he still has a martial arts jade medal in his hand, which is the flame knife.

This needs to wait until he has cultivated the fire element energy before he can start practicing.

"Qin Chuan!"

Just when Qin Chuan was thinking wildly, Du Shuyan's voice came from behind him.

"Qin Chuan, you are finally here. These two days, without you here, the competition in the ring has been very exciting! As soon as Du

Shuyan saw Qin Chuan, he started talking.

Qin Chuan smiled slightly:"How exciting is it?"

"Apart from anything else, the battle between Huo Qing and Luo Feng shocked countless people, even the examiner was stunned. No one expected that these two guys had mastered martial arts, and both of them had more than one kind."

"According to the examiner's comments, the combined strength of the two of them is probably close to that of a second-level warrior."

Du Shuyan was filled with admiration.

Qin Chuan was also a little surprised.

He didn't expect that Luo Feng and Huo Qing were both so strong.

"And finally? Which of them won??"

"hey-hey! This time, I'm afraid you didn't expect that it was Huo Qing who won the battle in the end."

After hearing this, Qin Chuan's eyes lit up and he was overjoyed.

He had some friendship with Huo Qing, so he naturally hoped that Huo Qing would win.

Du Shuyan added:"However, the difference in strength between them is not big. The two sides fought for an hour, but there was no absolute winner. Luo Feng was just at a disadvantage."

"In the end, the examiner came forward and decided that Huo Qing had won. As a result, Huo Qing's points are 53 points, and Luo Feng still has 49 points."

Qin Chuan's heart suddenly jumped.

His current points are 52 points, and he has dropped to second place.

It seems that he must win another victory and return to the first place, so that he can get generous rewards.

Chapter 1529

"By the way, Qin Chuan, something else happened in the past two days."

"What's up?"

"Just yesterday, after the battle between Huo Qing and Luo Feng, the examiners were greatly surprised, and then they reported the situation of this session. The people above believed that this assessment was very good, and the assessment rewards were changed again."

Du Shuyan talked eloquently

"What kind of change? Qin Chuan asked urgently.

It was about his own interests, so he was naturally concerned about it.

Du Shuyan said: "In every assessment in the past, only the first place would be rewarded, and only 20 Yuan Ju Dan would be rewarded." This year is different, the top three will be rewarded. The first place will be rewarded with 50 Yuan Ju Dan."

"The second place will be rewarded with 30 Yuan Ju Dan, and the third place will be rewarded with 20 Yuan Ju Dan. This time, the Zhou family spent a lot of money, and the reward was more than doubled!"

Qin Chuan's eyes shone, and he was overjoyed.

Juyuan Pill is very precious to Qin Chuan. It is also a pill that allows first- and second-level warriors to improve their cultivation.

50 pieces are worth thousands of gold coins. Qin

Chuan's heart was moved.

The reward for the first place was the sum of the second and third place.

Naturally, he wanted to win the first place.

"By the way, Qin Chuan, you still have one challenge opportunity that you haven't used yet. Huo Qing and Luo Feng's cultivation levels are too high and they have no chance to challenge. As long as you challenge anyone of the same level, you can get 5 points, and then this time the first place will be yours."

Du Shuyan whispered.

Qin Chuan smiled slightly and looked up at Chen Yuankun not far away.

Du Shuyan was slightly startled and said hurriedly: "Qin Chuan, are you planning to challenge Chen Yuankun?"

"I think so too!"

"Qin Chuan, listen to my advice and don't challenge Chen Yuankun yet. That guy is the pinnacle of the first-level intermediate level, and he has mastered martial arts. His overall strength is infinitely close to the first-level advanced level. If you challenge him, you may not have much hope of victory. If you lose, you won't get first place."

Du Shuyan persuaded him kindly.

Qin Chuan smiled and said nothing.

He is now a first-level junior martial artist. He has mastered another martial skill and is very confident in dealing with Chen Yuankun.

Unfortunately, Du Shuyan did not notice his breakthrough.

Of course, this is Qin Chuan used the method of body refining to conceal his cultivation.

This level of concealment cannot be hidden from high-level warriors, but it is easy to hide it from first- and second-level warriors.

"Qin Chuan, think about it carefully. If you accidentally lose this round, you will only get second place, and you will lose 20 Yuan Ju Dan, which is a loss of more than a thousand gold coins!"

Du Shuyan persuaded him earnestly.

Qin Chuan knew that he meant well.

This also showed that Du Shuyan regarded him as a friend, and most people would not persuade him like this.

At this moment, a change occurred on the stage in front of him.

With a muffled groan, A challenger was knocked off the ring.

At this point, another challenge ended.

The examiner jumped onto the ring, and after deciding the winner, he looked at the boys

"Who else is going to use the right to challenge next?"

"I!"

Qin Chuan's figure flashed and he jumped onto the ring.

"It's Qin Chuan!"

"He is back!"

All the young people became excited when they saw Qin Chuan.

After these two days of fermentation, Qin Chuan has become an idol in the hearts of many people, especially those young girls who are just starting to fall in love. Their eyes are shining.

"By the way, who do you think Qin Chuan will challenge this time?"

"Ah! With Qin Chuan's strength, he can easily win the first place if he challenges anyone who is a first-level junior."

"Is it possible for him to challenge Chen Yuankun? It is said that there is a conflict between him and Chen Yuankun"

"Challenge Chen Yuankun? It's unlikely! After all, Chen Yuankun is the pinnacle of the first-level intermediate level. It would be irrational for Qin Chuan to challenge him rashly."

"yes! If you lose, you will lose first place, and you will also lose 20 Yuan Ju Dan!"

At this moment, the teenagers were talking a lot.

In the corner, Chen Yuankun squinted his eyes and looked at the ring expressionlessly.

"Why! Brother, do you think Qin Chuan will challenge you?", Chen Tian was worried about gains and losses.

Chen Yuankun sneered:"I hope he will challenge, but I'm afraid he won't dare!"

At this moment, the examiner's voice sounded from the front.

"Little one, see you again!"

The examiner stroked his beard and looked at Qin Chuan with a smile on his face.

His appreciation for Qin Chuan was beyond words.

Qin Chuan also thanked him quickly.

"Who are you going to challenge this time?"

"Let me see....."

Qin Chuan looked at the crowd.

The teenagers showed excitement.

The two first-level junior warriors were a little nervous.

According to convention, Qin Chuan should pick one of them.

After all, Qin Chuan had already defeated two of the four first-level juniors. With one chance left, he should choose one of them.

Both of them were afraid of being selected by Qin Chuan.

It is still very embarrassing to admit defeat in public.

Unexpectedly, Qin Chuan's eyes swept across them and finally landed on a corner of the crowd.

That's where Chen Yuankun is

"Examiner! I want to challenge Chen Yuankun!"

As soon as these words were said, the whole place was in an uproar.

Damn~!

Qin Chuan really picked Chen Yuankun!

Now, there is a good show!..

Chapter 1530

On the stage, the examiner was slightly startled when he heard Qin Chuan's choice.

Immediately, he kindly reminded:"Qin Chuan, are you sure you want to challenge Chen Yuankun?"

"senior! I am sure!"

The examiner opened his mouth, but hesitated.

According to the rules, he could not interfere with the player's choice, but he had a partial preference for Qin Chuan in his heart and did not want Qin Chuan to miss the first place.

To put it bluntly, the examiner was not optimistic about Qin Chuan.

However, this is Qin Chuan's own choice after all, and he will respect it.

At that moment, the examiner said:"Come on, little guy!!"

At this moment, Chen Yuankun's laughter rang out from the crowd.

"Ha ha!! Qin Chuan, I thought you didn't dare challenge me, but I didn't expect you still have some courage!"

With a flash of light and shadow, Chen Yuankun jumped onto the ring.

Seeing this, the examiner withdrew from the ring and handed over the battlefield to Qin Chuan and Chen Yuankun.

The two faced off on the ring.

Below, the teenagers were watching eagerly

"Qin Chuan, you are asking for death!", Chen Yuankun looked arrogant.

Qin Chuan frowned: "That's a lot of nonsense!"

As soon as he finished speaking, he dodged and rushed towards Chen Yuankun.

"Don't overestimate your capabilities!"

Chen Yuankun raised the corners of his mouth, his face full of disdain.

"Huh! This is....."

But in the next second, his expression changed drastically.

Boom~!

Suddenly, Qin Chuan's whole body was full of momentum and his cultivation level was fully unfolded. His first-level wood element cultivation level was no longer hidden.

At that moment, his speed doubled, and he was in front of Chen Yuankun, punching him directly in the face, his speed was astonishingly fast.

Chen Yuankun was horrified and hurriedly punched him.

Bang~!

A loud bang!

The storm is raging!

Kick~! Kick~! Kick~!

Chen Yuankun took seven or eight steps back before he regained his balance and almost fell off the ring.

But Qin Chuan stood still.

This astonishing scene made the people below scream in shock

"Oh My God! Chen Yuankun almost fell down!"

"How can this be? Huh! Look! Qin Chuan's cultivation aura seems to have broken through to the first level!"

This time, the exclamations in the crowd became louder.

A twelve-year-old first-level junior, this is too scary!

Under the ring, the examiner's eyes lit up, and his heart was filled with surprise.

On the ring, Qin Chuan sighed and said to himself It's a pity.

He suddenly attacked just now and wanted to knock Chen Yuankun off the ring. Unexpectedly, he was still a little short.

Chen Yuankun's strength cannot be underestimated.

Chen Yuankun was also extremely shocked, with cold sweat breaking out on his forehead.

Immediately, he was frightened and angry. : "It turns out that you have broken through to the first level, no wonder you dare to challenge me!! However, do you think you have made a breakthrough and are my opponent? You are dreaming!"

As soon as he finished speaking, Chen Yuankun roared and rushed towards Qin Chuan.

"Little thief! Go to hell!"

Boom~!

Chen Yuankun punched away, and his fist suddenly burst out with dazzling light, burning fiercely like fire!

Martial skills!

Fiery Fist!

At this moment, Chen Yuankun actually directly displayed his martial arts skills, unleashing his strongest strength.

He hated Qin Chuan so much that he left no room for action.

The crowd below exclaimed.

"Martial arts! It's martial arts!"

"Chen Yuankun used martial arts!"

Boom~Long~Long!

That punch brought a huge wave of fire and rushed toward Qin Chuan. The momentum actually exceeded the first advanced level.

Qin Chuan's face changed slightly, he didn't dare to connect, and quickly got out of the way.

Bang~!

That punch blasted the air!

The wind of the punch hit the ring and exploded into a big black pit.

Suddenly, fire was flying, dust was flying, and the whole ring was shaking.

"So strong!"

"Having martial arts skills is extraordinary!"

Below, the young people were amazed.

"Ha ha!! Qin Chuan, do you think you can hide?"

Chen Yuankun laughed and continued to attack, and kept attacking with the Fiery Fist in his hand.

Qin Chuan kept dodging, not daring to confront him.

In this way, a situation where you attack and I dodge formed in the field, and

Chen Yuankun clearly had the upper hand.

In the crowd, Chen Tian saw this scene and cheered loudly in surprise.

Boom~! Boom~! Boom~!

In the blink of an eye, the two sides fought for dozens of rounds.

Explosions continued in the ring, fire splashed everywhere, and scorch marks were everywhere. It was full of potholes.

Qin Chuan was also killed and retreated steadily.

Not long after, he was forced to the edge of the ring by Chen Yuankun, and was about to fall off the ring.

In the crowd, Chen Tian's face was red with excitement.

He thought he was always old Brother is going to win.

Huo Qing, Du Shuyan and others are sweating on their palms

"Hey~! "

At this moment, Chen Yuankun roared violently and blasted a fiery fist at Qin Chuan with all his strength.

Qin Chuan made a wrong step and dodged to avoid it.

Boom~!

That fire fist failed, and the fireball shot out from the fist bombarded the ring, directly exploding a big crater, and the charred gravel flew around... The whole ring shook slightly.

"Damn it! Let him avoid it again!"

Huh~!

Chen Yuankun let out a long breath, with beads of sweat on his forehead.

He used Fiery Fist continuously and consumed a lot of fire energy. At this moment, he felt a little overwhelmed and his movements began to slow down.

However, he felt that if he continued to blast violently A random attack should be able to force Qin Chuan off the ring...

At the same time, Qin Chuan also discovered that Chen Yuankun's breath was unstable, his speed had slowed down, and his face was a little pale. It was obvious that he had used martial arts frequently and had exhausted his energy.

He suddenly felt happy and secretly thought that it was time to fight back.

Thinking of this, he quickly moved the seal.

At this moment, Chen Yuankun jumped up and was about to attack.

Qin Chuan suddenly launched his martial arts. ——God-binding technique!

All things are bound!

Bind!

Bang~! Bang~! Bang~!

In an instant, seven or eight arm-thick green vines burst out of the ground and entangled themselves towards Chen Yuankun.

Swish~! Swish~! Whoa~!

Those green vines were as fast as lightning, and Qin Chuan attacked suddenly again. Chen Yuankun was horrified, and he quickly dodged, but it was too late.

In just a moment, he was tied up by those green vines all over his body, and only one hand escaped the restraints.....

This sudden change caused an uproar in the entire audience.

It turns out that Qin Chuan also knows martial arts!..
