

God level 1591

Chapter 1591

"Are you going to send the Fire Spirit Crystal for auction?", the middle-aged man asked politely

"Um!"

Qin Chuan indifferently took out the smallest piece of Fire Spirit Crystal.

"What a big piece!"

The middle-aged man picked up the Fire Spirit Crystal in surprise, held it up as if he had found a treasure, and observed it carefully.

Seeing this scene, Qin Chuan secretly chuckled.

You know, this Fire Spirit Crystal is the smallest piece in his hand.

"Mr. Liu, what do you think of the value of this Fire Spirit Crystal?" Qin Chuan asked in a hoarse voice.

"Your piece is quite big. If the auction goes well, you may be able to fetch 10,000 gold coins.Um, you just called me Mr. Liu. Does it mean that you know Mr. Liu?"

The middle-aged man suddenly realized this detail and looked at Qin Chuan in surprise.

"do not know!"

"How did you know that my surname is Liu?"

"hehe! Qin

Chuan laughed dryly, looked at the young teller aside, and said hoarsely: "Young man, don't speak ill of people behind their backs." Although the old man is wearing a bamboo hat, he is not weird at all."

As soon as these words were said, the young teller was shocked, and cold sweat broke out on his forehead.

The middle-aged man's expression also changed drastically, and he looked at Qin Chuan in shock.

Previously, they were talking in low voices with the door closed.

Logically speaking, five Even the powerful people at the sixth level couldn't hear their words, but the guy in front of him actually heard them.

Could it be that this person was a strong person at the sixth level or above?

Thinking of this, the middle-aged man secretly explored Qin Chuan's cultivation.

But he was breathing Under the cover of his magic, he could not detect anything.

At this point, he was even more certain that the strange cloaked man in front of him was an outsider who was hiding his strength.

Thinking of this, the middle-aged man swallowed his saliva and cautiously approached Qin Chuan saluted

"Senior, the conversation just now was all unintentional. If I offended you in any way, I hope you will forgive me!"

"Um!" There was no emotion or anger in Qin Chuan's voice, "I still have something urgent to do. Please help me deal with this Huo Lingjing."

"yes! yes! Junior will handle it now."

The middle-aged man nodded repeatedly and asked the young teller to go through the procedures for sending the photo.

"Senior, the auction will be held in five days. Here is the receipt for the auction. I hope you will accept it. It has our Wanbaoxuan seal on it and cannot be faked. At that time, senior will be able to collect the proceeds from the auction with this receipt."

"However, according to the agreement, we will take 5% of the final auction proceeds as agency fees. I hope seniors know"

"good! I'll come back in five days to withdraw the money! Qin

Chuan croaked and nodded slightly.

Then, he put away the receipt seal and left.

After Qin Chuan left for a while, the middle-aged man dared to wipe the cold sweat from his forehead.

At this time, the young teller stepped forward nervously , deliberately lowering his voice and asked:"Master Liu, what do you think the person just now was?"

Mr. Liu glared and cursed:"Speak softly! Don't let the senior from before hear you again! The senior just now must be a worldly master. Didn't you realize that although the senior's voice is old and hoarse, his hands are thin and white?"

"I have heard that some extremely advanced warriors can become young again after practicing to the end. I can't say that the senior just now is this kind of expert"

"Rejuvenation?"The young teller opened his mouth in surprise.

"Mr. Liu, what kind of cultivation level can you achieve rejuvenation?"

"I have heard that warriors of level seven or above can do it!"

"Oh My God! A seventh-level warrior!"

The young teller trembled with fright.

If a seventh-level warrior wanted to kill him, it would be easier than squeezing an ant to death!

Fortunately, he didn't say anything too harsh before, otherwise... the young teller looked at the direction Qin Chuan left, lingering fear..

Chapter 1592

But Qin Chuan said that after leaving Wanbaoxuan, he carefully watched behind him to see if anyone was following him.

He has that strange innate ability, and he can detect it even if a seventh-level warrior is following him.

Even if the eighth-level boss wanted to track him without letting him find out, it would not be easy.

After walking for a while, Qin Chuan breathed a sigh of relief when he found that no one was following him.

At the same time, he felt a little happy in his heart.

To a certain extent, it can be said that he felt that after having that unique talent, he would no longer have to worry about being followed and attacked in the future.

Unless the opponent is a ninth-level powerful person.

But a ninth-level powerhouse is often the overlord of a party, or even the leader of a country. How could he follow and attack a small person like him?

Thinking of this, Qin Chuan felt that he was almost invincible in preventing sneak attacks.

In fact, it was precisely because he had awakened that innate ability that he had the courage to send the Fire Spirit Crystal back and forth.

Thinking of this, Qin Chuan turned around and glanced at Wanbaoxuan in the distance.

Even though they were far apart, he still heard the conversation between the middle-aged man and the young teller.

Everything went as he expected, and those two guys regarded him as an expert.

Qin Chuan smiled knowingly, turned around and left.

Not long after, he came to a remote alley, changed out of his hat and cloak, and returned to his original appearance.

Then, he swaggered back to Wanbaoxuan.

The second time he entered Wanbaoxuan, Qin Chuan went to Free Square City on the first floor.

He sold the two inner elixirs of the Demonic Cloud Leopard and got more than six hundred gold coins, and then bought three more moisturizing elixirs.

The Moisturizing Pill can increase the chance of a breakthrough by 10% when a water warrior at the peak of the first-level elementary level breaks through the bottleneck.

However, this 10% chance of breakthrough has little effect. It is said that someone once took a hundred pills in a row without breaking through the bottleneck, and almost died from vomiting blood in anger.

Of course, there are some who are extremely lucky and achieve breakthroughs after taking just one pill, but for the vast majority of people, the Moisturizing Pill has little effect.

Even so, the price of Moisturizing Pill is not cheap at all. One pill costs five hundred gold coins.

After Qin Chuan bought these three moisturizing pills, he only had a dozen gold coins left, and he was almost broke.

The reason why he was willing to spend so much money was because among his three systems of skills, only the water system was still at the first level of elementary level. He eagerly hoped that the water system would also be promoted to the first level of intermediate level.

The second reason is that during this trip to the Fire Cave, he dug up four Fire Spirit Crystals. Any one of them could be sold for 10,000 gold coins. He made a fortune, so he was naturally willing to spend the money.

After leaving Fangshi, Qin Chuan went straight back to the preparatory guard camp with the spiritual fruit in his arms.

After returning to the guard camp, the news of Qin Chuan's return alarmed all the members of the seventh group.

Half an hour later, all the team members gathered together in Qin Chuan's dormitory.

Everyone asked about Qin Chuan's whereabouts one by one, and some complaints came from the crowd.

"Team leader, you are too impulsive this time. How could you have such a gambling fight with You Hongyu?"

"yes! Do you know who You Hongyu is? He is an extremely rare warrior with dual elements of fire and earth. Both elements are at the first level of advanced cultivation. No one in the entire reserve guard camp is his opponent."

"Why! Team leader, if you have a bet with him, you will lose 100% of the time! And you foolishly put your own hands on the line, are you really...."

All the team members were heartbroken.

Chen Shen was so angry that he didn't even hit him.

After spending this time together, Qin Chuan took good care of the team members, and they even made money and enjoyed the blessings together.

All the team members have long recognized Qin Chuan and do not want anything to happen to him.

After Qin Chuan left, the story of his gambling fight with You Hongyu was completely spread.

After the seven team members heard about it, they were all worried and angry.

At this time, as soon as Qin Chuan returned, all the team members rushed over non-stop

"Team leader, let me tell you, the whole thing was a trap by Chen Yuankun, you have been fooled!

Peng Yu looked indignant.

Chen Shen nodded quickly: "That's right!" It's Chen Yuankun's trap. Team leader, you don't know something. In the past few days when you were away, Chen Yuankun spread the news about gambling throughout the reserve guard camp."

"He did that on purpose because he was afraid that you would regret it. Now that this matter has spread to everyone, it is impossible for you to regret it. Countless pairs of eyes are looking at you now, and everyone wants to know your fate.

Qin Chuan smiled coldly: "Ha!" It seems that Chen Yuankun has convinced me. All he wanted was my hands. However, if I win, he will also lose a hand"

"But...but...you...you...hey!"

Chen Shen sighed helplessly and couldn't bear to continue talking.

What he wanted to say was, how could Qin Chuan win You Hongyu.

Not only did he say this, but all the team members also thought so.

Seeing everyone's weird behavior From their expressions, Qin Chuan had already guessed what they were thinking, and he was a little bit dumbfounded.

"OK! The day after tomorrow is my gambling day. I went out this time and didn't get a good rest. If you don't want me to lose, go back and let me have a good rest."

Qin Chuan issued the expulsion order. In fact, he wanted to find an opportunity to refine the three moisturizing pills.

The gambling battle was about to begin, so he naturally wanted to improve his strength and increase his winning rate....

Chapter 1593

Seeing that Qin Chuan issued an order to expel the guests, the team members were helpless and knew that persuasion was useless. The gambling fight had become an unchangeable fact.

At this moment, the team members are preparing to leave

"By the way, team leader, you haven't collected the dividends from selling the elixirs this month, but I've collected them today."

Before leaving, Li You took out an account book and Qin Chuan's dividends.

There were more than 2,300 gold coins in total, which was a lot of income.

Qin Chuan collected the dividends with satisfaction and sent the team members away..

Speaking of which, in the past few months, the members of the seventh group have made a lot of money by buying and selling Juyuan Dan.

Compared with other groups, the members of the seventh group are all extremely rich.

Because they are rich, the members I buy elixirs every month to assist my practice, and my practice improves very quickly.

In just a few months, the overall strength of the seven groups has risen to a higher level.

For example, Peng Yu broke through to the first level of advanced level half a month ago

Of the five first-level junior team members, two have broken through to the first-level intermediate level.

Now, the comprehensive strength of the seventh group can definitely be ranked among the top three in the reserve guard camp. However, after

Qin Chuan sent the team members, He closed the door.

Then, he sat cross-legged on the bed, took out a moisturizing pill, swallowed it, and started to rush through the barrier.

Time flew by!

In the blink of an eye, three hours passed.

Qin Chuan started to meditate. Opened his eyes, looking depressed

"Why! This Moisturizing Pill is really as rumored, with very little effect!"

It turned out that he failed to pass.

However, Qin Chuan still had two moisturizing pills in his hand.

At that moment, he swallowed the second pill and continued to pass.

In the blink of an eye, another three hours passed.

Qin Chuan's second time The pass failed.

Unconvinced, he swallowed the last Moisturizing Pill and continued to pass.

Three hours later, he failed again.

In this way, all the fifteen hundred gold coins were wasted.

This made Qin Chuan was depressed for a while and felt very unwilling.

However, Qin Chuan soon discovered that after taking three moisturizing pills in a row, although there was no breakthrough, the water energy that had stopped increasing still increased a little. This shows that the moisturizing pill is still somewhat effective.

Qin Chuan's heart suddenly moved, and he secretly thought that the effect of the moisturizing pill should be cumulative.

As long as he takes a few more pills, he may be able to break through.

Qin Chuan happened to have two thousand and three in his hand With the dividend of more than a hundred gold coins, I can still buy four more.

Qin Chuan did what he thought of and hurriedly went out.

Speaking of which, one day had passed since he was in seclusion this time.

There was only one day left before the gambling battle.

Qin Chuan didn't want to waste time and hurriedly Go out and go to Wanbaoxuan.

An hour later, Qin Chuan returned to the camp again, with four more moisturizing pills in his hand, and continued to retreat.

Time passed unknowingly, and it was not until the evening that Zhang Shui'er opened his eyes with a haggard face. Open your eyes

"Why! Three more failures. This is the last one. The outcome depends on this. If it fails again, all three thousand five hundred gold coins will be lost."

At this moment, Qin Chuan looked at the Moisturizing Pill in his hand with a painful look on his face. The next second, he swallowed it in one gulp and continued to pass the level.

Time passed minute by minute.

The room was very quiet.

When the time passed Half an hour later, Qin Chuan's body suddenly shook.

Boom~!

The water energy in the world suddenly rioted.

Countless violent water energy surged into Qin Chuan's body.

Click~!

The next second, Qin Chuan's body heard a soft sound. Bang, the bottleneck that had been unbreakable for a long time was broken at this moment...

For a while, Qin Chuan's momentum continued to surge, and his whole body emitted a dazzling blue light.

Buzz~! Buzz~!

Then, Qin Chuan's body lit up one after another. With the dazzling red and green light, the aura of his whole body also surged. In a blink of an eye, he reached the extremely high level of the second

level, which was much higher than before. After a long time, the three-color aura dissipated, and the aura of his whole body was restrained.

Qin Only then did Chuan slowly open his eyes, with a look of ecstasy on his face.

Breakthrough!

His water energy finally broke through to the first-level intermediate level.

So far, his three elements of energy are all at the first-level intermediate level, including wood fire. The pinnacle of the first-level intermediate level.

His comprehensive combat power has surpassed the second-level threshold, and is better than most second-level warriors.

"Finally a breakthrough!"

Qin Chuan breathed a sigh of relief.

He looked up and looked out the window. It was already late at night outside.

Tomorrow is the day of gambling, and his breakthrough was too timely.

"Chen Yuankun, I will give you a big gift tomorrow, I hope you can accept it!"

The corners of Qin Chuan's mouth curled up slightly, revealing an evil smile.....

Chapter 1594

Time flies!

In a blink of an eye, it was the next day.

Early that morning, the arena below the arena was crowded with the Zhou family's reserve guards.

Today is the day of gambling between Qin Chuan and You Hongyu.

All the teenagers came early in the morning to watch the competition.

At this moment, You Hongyu stood under the ring.

Behind him were two senior first-level players, followed by Chen Yuankun and other opponents.

The fourth group is the only one among the thirteen reserve escort groups that has three first-order senior warriors.

At this moment, Qin Chuan and the seventh team members have not yet appeared.

The venue was already very lively, and the crowd was talking a lot

"Everyone, we are preparing the guard camp. It has not been so lively in a long time."

"Why do you think Qin Chuan dares to have a bet with You Hongyu?"

"Who knows! However, I heard that Qin Chuan's strength is only that of a first-level senior warrior. Although he can be considered a master, compared with You Hongyu, he is far behind."

"yes! He is destined to lose this time. By the way, there is still no one in the seventh group. Isn't it so frightening that they won't go to the meeting?"

"Look! Qin Chuan is here!"

At this moment, a shout rang out from the crowd.

Everyone followed the sound and looked around.

They saw Qin Chuan leading seven groups of team members at the entrance of the school ground, striding towards him.

Seeing this, all the prepared guards gave way to a way.

You. Hongyu and others also looked at Qin Chuan.

Not long after, Qin Chuan walked up to You Hongyu

"Qin Chuan! You finally came! I'm really worried that you will run away!"

Chen Yuankun's ridicule rang out in the crowd.

Qin Chuan sneered:"Chen Yuankun, you didn't escape, why should I escape?!"

"cut!", Chen Yuankun looked disdainful,"Qin Chuan, don't be proud. When you lose the bet, I think you can still laugh!

Qin Chuan sneered:"Then just wait!" See who has the last laugh!"

"good! I am waiting!", Chen Yuankun also sneered.

At this moment, a cold voice sounded in the field

"Everyone is here!"

Everyone was startled and looked back, and saw the deputy chief instructor walking towards the ring.

Behind him were Luo Chuan and several instructors, including instructors from Group 4 and Group 7.

"I've met the deputy chief instructor!"

All the young people saluted.

The deputy chief instructor nodded slightly, his eyes swept over the young people, and finally fell on Qin Chuan.

The next second, a look of surprise flashed in his eyes.

He could see at a glance that Qin Chuan's three-series cultivation Because, he has reached the first-level intermediate level.

In just ten days, Qin Chuan has made such a huge breakthrough, far beyond his expectation!

This child is really amazing, and he keeps surprising him!

After a while, the deputy The chief instructor looked away and looked at everyone again

"This gambling battle will be hosted by me personally! Chen Yuankun, hand over the red phosphorus pill as a bet!"

"yes!"

Chen Yuankun did not dare to neglect, and quickly stepped forward and handed the red phosphorus pill to the deputy chief instructor. After receiving the pill, the deputy chief instructor announced:"The bet on this pill will be placed with me for the time being. Let me announce the rules of this gambling battle."

"This gambling fight pits Qin Chuan against You Hongyu. If Qin Chuan wins, the red phosphorus pill will belong to Qin Chuan, and Chen Yuankun will have to cut off one of his hands!"

"If You Hongyu wins, the red phosphorus pill will belong to You Hongyu, and Qin Chuan will have to cut off his hands!"

"Qin Chuan! You Hongyu! If you all heard clearly, then let's go on stage!"

"yes!"

Qin Chuan responded and jumped onto the ring.

Seeing this, You Hongyu was about to jump onto the ring, but was held back by Chen Yuankun.

"Team leader, please do it this time!"

You Hongyu smiled confidently: "Don't worry!" This time, Qin Chuan will definitely lose! I want to order that red phosphorus pill!"

As soon as they jumped onto the ring, Qin Chuan and You Hongyu confronted each other.

All the focus of the audience fell on the two of them.

"Qin Chuan, I admire you very much! You are the first and only person in the reserve guard camp who dares to challenge me."

You Hongyu smiled confidently. It was a kind of natural self-confidence. It was an invincible self-confidence accumulated over time without encountering an opponent for a long time....

Chapter 1595

Qin Chuan frowned, secretly thinking that this guy is really arrogant!

"Qin Chuan, I will give you a chance. As long as you can catch my two swords, you will win!"

You Hongyu smiled contemptuously, as if he was determined to defeat Qin Chuan.

Qin Chuan was angry and was about to speak.

You Hongyu continued: "No one in this preparation camp can catch my sword, let alone It's said to be two swords, I hope you can be a little stronger!"

"So much to talk!", Qin Chuan sneered dissatisfiedly

"Then let you see it!"

Buzz~! Buzz~!

You Hongyu's whole body lit up with red and yellow auras, and the aura of a fire and earth warrior exploded, completely reaching the second level and above, and even approaching the threshold of the second level of perfection. Oh my god!

You! Hongyu became stronger again!

There were exclams all around.

The deputy chief instructor's face changed slightly, and he secretly exclaimed.

This was completely beyond his expectation!

You Hongyu's strength has improved a lot compared to before.

Naturally, everyone couldn't help it. I know that You Hongyu has taken a red phosphorus pill, and his strength has naturally increased a lot.

"Qin Chuan! Take my first sword!"

Choke~!

A sword chant!

The long sword was unsheathed!

You Hongyu dodged and rushed towards Qin Chuan.

Whoa~!

Qin Chuan drew his sword instantly, with a flash of cold light, the long sword was like lightning, and he came forward to fight.

Ding~!

A burst of Gold and iron clashed!

The two swords intertwined!

Boom~!

The energy of the four elements of water, wood, fire, and earth exploded with a bang! The two figures suddenly separated!

You Hongyu only took two steps back.

Qin Chuan was shocked and pushed back wildly.

Thumb~! Thumb~! Stomp~!

He took seven or eight steps back in a row before suddenly stopping at the edge of the ring, steadying himself and not falling. There was an uproar all around!

"Oh My God! Qin Chuan actually caught it!"

"yes! He didn't fall off!"

"In the past, You Hongyu could knock his opponent off the ring with one sword strike, but this was the first one who didn't get knocked down!"

"yes! You Hongyu's strength is stronger than before, but he still can't strike with one sword. Qin Chuan's strength is not simple!"

Everyone looked at Qin Chuan in amazement.

On the stage, You Hongyu looked at Qin Chuan in surprise.

He was the first person who could catch his sword.

When he saw Qin Chuan's body glowing with Only with the green and blue auras suddenly realized

"Qin Chuan, it turns out that you are a first-level intermediate warrior of both water and wood elements. I underestimated you!"

You Hongyu's expression became serious and he was no longer as arrogant as before.

Obviously, he began to pay attention to the opponent in front of him.

In fact, he had been hit hard.

As both dual-line warriors, he was clearly a level higher than his opponent. , but did not have an absolute advantage, which made him mediocre.

You Hongyu couldn't accept this thought.

He had always had a high self-esteem, how could he accept others being better than him.

You Hongyu didn't know that Qin Chuan Not a dual-system warrior, but a more powerful three-system warrior.

It's just that Qin Chuan hid his trump card and did not use his true strength immediately

"Team leader! You must not show mercy!"

At this time, Chen Yuankun's anxious shouts came from below the ring.

Obviously, the collision of swords just now made Chen Yuankun a little panicked.

It was about one of his hands, how could he not be nervous?

"Shut up!"

You Hongyu replied angrily.

At this moment, he felt a little irritable.

He also decided that the second sword would be his strongest blow and knock Qin Chuan off the stage in one fell swoop.

Who made him boast like that before? If Qin Chuan can catch his two swords, Qin Chuan will win.

Even if that braggart doesn't count, if he fails, he will be disgraced.

Thinking of this, You Hongyu shook his long sword: "Qin Chuan, pick me up again Try the second sword!"

Shua~!

The next second, You Hongyu jumped up, held the sword in both hands, and slashed down in the air.

Huoyue slashed wildly!

Boom~!

A five-foot-long Fire Moonlight knife was slashed out of the sword shadow, and the momentum was extremely terrifying. , shocking the world, slashing straight towards Qinchuan, vowing to cut off everything.....

There was a cry of surprise below!

"Oh my God! That's an intermediate level of martial arts!"

The expressions of the seven groups of team members changed one after another.

Even third-level martial arts warriors may not necessarily master the intermediate martial arts, but You Hongyu has mastered it.

Now, their group leader is in danger.

At this moment, Qin Chuan took action.

Whoa~!

He held the sword with both hands and faced the battle.

Boom~!

The water energy burst out!

The middle martial skill - Blue Sea Tide Slash!

Boom~Long~Long!

Qin Chuan's sword wind split three blue streaks Waves of sword shadows, one wave higher than the other, and one wave stronger than the other, facing the fire and the moon, slashing wildly...

Chapter 1596

Boom~Long~Long!

Qin Chuan's sword wind split three blue waves of sword shadows. One wave was higher than the other, and each wave was stronger than the other. They faced the fire moon and slashed wildly.....

The surroundings once again exclaimed, another intermediate martial arts!

Bang~! Bang~! Bang~!

The Bihai Tidal Slash versus the Fire Moon Slash!

Fire is flying!

The waves are flying!

Dang~!

The two swords intersect!

A big pit exploded above the arena.

You Hongyu was shocked back three or four steps.

Bang~! Bang~! Kick~!

Qin Chuan retreated wildly, faster than the last time.

In the blink of an eye, he retreated to the edge of the ring and was about to fall out of the ring.

There was an exclamation from below.

In the crowd, Du Shuyan and the seven team members had their hearts in their throats.

Chen Yuankun blushed with excitement, clenched his fists tightly, and waited for Qin Chuan to fall.

But at that critical moment, Qin Chuan's hand flashed with cold light.

Click~!

He thrust his sword into the edge of the ring and leaned half of his body outside the edge of the ring.

The long sword was bent and deformed, but it also held Qin Chuan up, preventing him from falling off the ring.

With just such a small margin, Qin Chuan would fall out of the ring.

Everyone breathed a sigh of relief.

Chen Yuankun secretly exclaimed that it was a pity.

At this time, Qin Chuan pushed his feet hard, stood up, and stood back on the ring again.

"Oh My God! Qin Chuan caught it again!"

There was a burst of exclamation from the crowd.

You know, no one in the reserve guard camp has ever been able to catch one of You Hongyu's swords.

Qin Chuan actually caught two swords.

In the past, You Hongyu was just like in the hearts of the reserve guards. God-like existence, now there is finally someone who can fight You Hongyu.

That person is Qin Chuan!

"You Hongyu! I caught the two swords you mentioned!", Qin Chuan sneered.

"I didn't expect that you also mastered Zhongcheng martial arts!", You Hongyu's face was extremely ugly.

Qin Chuan sneered and said nothing.

You Hongyu hesitated for a moment, then sighed:"That's it! I said before, if you can catch two swords, I will lose! In this gambling battle, I lose!"

"What?!"

In the crowd, Chen Yuankun's expression changed drastically.

Immediately, he roared:"I object!"

"Team leader, the battle is about victory or defeat. Although Qin Chuan took two swords, he did not beat you. Team leader, as long as you keep fighting with him, you will definitely win!"

"Shut up! I said, if he takes my second sword, he will win!", You Hongyu was extremely irritated.

He was also a respectable person, so he would naturally have to be calculated when he spoke out.

"no! I disagree!"

Chen Yuankun shouted excitedly:"I don't agree. If he takes two swords, he will win, so you still have to fight him! Anger welled up on You Hongyu's face:"This is a battle between me and Qin Chuan. I have the final say in everything." I won't go back on what I said!"

"I do not care! You Hongyu, you must fight Qin Chuan! Otherwise, this bet doesn't count as if I didn't lose!"

Chen Yuankun started to go a little crazy.

You Hongyu was furious:"Shut up!"

Chen Yuankun went completely crazy, his eyes turned blood red:"You Hongyu, of course you don't care! Because even if you lose, you won't lose anything, but I will lose a hand"

"In order for you to win, I secretly gave you a red phosphorus pill, but I didn't want you to be so useless. Now, for the sake of your own face, you have to admit defeat in public! Is this how you treat me?"

As soon as these words were said, everyone was in an uproar.

Only then did they know why You Hongyu's strength increased so much. It turned out to be the result of eating red phosphorus pill.

This time, You Hongyu's face became even worse.

Maybe he felt guilty. , he hesitated for a moment, then whispered:"I'm sorry!"

"sorry?! Sorry, it's useless!"

Chen Yuankun roared loudly, not buying it at all.

At this moment, the cold voice of the deputy chief instructor sounded in the field

"Now that You Hongyu has admitted defeat! In this gambling battle, Qin Chuan wins!"

"No~! I disagree! I didn't lose this gambling battle! I haven't lost yet! I'm not convinced!"

Chen Yuankun roared hysterically, his face twisted and extremely ferocious.

The deputy chief instructor snorted:"Luo Feng!"

"The subordinates are here!", Luo Feng immediately appeared

"law enforcement!"

"yes!"

Luochuan's figure flashed and he rushed to Wang Yuankun.

He raised his sword and dropped it!

The sword flashed!

Click~!

"ah!"

With a shrill scream, Chen Yuankun's right hand was broken off, and blood splashed all over his face.

"my hand! my hand! ah!"

Chen Yuankun roared horribly, and fell to his knees in joy, looking at You Hongyu with an extremely ferocious face.

"You Hongyu! You big idiot! Big idiot! My elixir is given to the dog! Is this how you help me? ah! pain! it hurts!!"

Being so insulted in public, You Hongyu's face twitched in pain.

At this moment, he was very upset and even more resentful.

At this time, Chen Yuankun cursed Qin Chuan again

"Qin Chuan! You little bastard! If it weren't for you, my hands would be constantly on. I must avenge this revenge! And you, You Hongyu, what you owe me, I want you to pay back ten times!"

At this moment, Chen Yuankun's face was extremely distorted.

Qin Chuan looked at it coldly and said nothing.

If he had lost today, his end would be ten times more miserable than Chen Yuankun's.

"Qin Chuan, it was my mistake in judgment today that led me to promise two swords! Next time, you'll never get this far!"

After saying these words, You Hongyu turned to leave with an indignant look on his face.

Obviously, he felt that Qin Chuan was not his opponent.

It was only because he was careless that he lost the bet.

In fact, the outcome of the bet was , he gave it up.

If it weren't for the sake of face, he said he didn't lose, Qin Chuan couldn't do anything.

But the moment You Hongyu turned around, Qin Chuan's voice sounded behind him

"Wait!

You Hongyu was stunned, and said with an unhappy face:"What?" What are you talking about? Qin

Chuan smiled coldly:"Although the gambling battle has a winner, the battle between you and me has not yet decided!".....

Chapter 1597

Qin Chuan smiled coldly: "Although the gambling battle has a winner, the battle between you and me has not yet decided!"

Hearing this, You Hongyu became furious.

He gave up not because of lack of strength, but because of his words and his own image.

This kid actually wants to decide the outcome. It's really shameless.

"Qin Chuan, are you qualified to win or lose with me? With the strength you just showed, if you fight with me, you will be defeated within ten moves!"

"Then try it!"

Qin Chuan dodged and killed him.

Whoa~!

The sword flashed!

The fire penetrated the sky!

You Hongyu took action with anger, and the first move was a big move - the fire moon skyrocketed!

Buzz~! Buzz~! Buzz~!

Also! At this moment, Qin Chuan's body lit up with three-color spiritual light, and the three elements of water, wood, and fire were fully activated.

The blue sea was slashing!

Boom~! Boom~! Boom~!

Three waves of swords attacked violently!

Bang~!

A sound! There was a shocking loud noise!

Waves splashed!

Flames shot out!

The field exploded, gravel flew everywhere, and the whole arena almost collapsed!

The next second, a figure was blasted out of the arena.

Plop~!

That figure was hit hard Falling under the ring, dust filled the sky.

The one who was blown away was none other than You Hongyu!

Everyone was shocked!

Even Chen Yuankun, who was roaring, was dumbfounded!

Oh my god!

Qin Chuan actually struck with a sword You Hongyu flew away.

Everyone looked at Qin Chuan blankly, and the whole place became quiet.

For a long time, You Hongyu climbed up with difficulty.

He looked at Qin Chuan in disbelief.

All along, he had relied on the dual-system warrior's ability to I thought I was invincible in the reserve guard camp.

Now I know that it was all a joke

"It turns out you are a three-series warrior!"

You Hongyu's voice was a little bitter.

Choking~!

Qin Chuan remained silent and put his sword back into its sheath.

Speaking of which, he had defeated You Hongyu before he even used his two swords and showed the advantage of distracting swordsmanship. Seeing this

, Qin Chuan sheathed his sword, and a trace of inexplicable pain flashed in You Hongyu's eyes.

Then, he smiled sadly: "Qin Chuan, I am arrogant, you are indeed better than me!"

After leaving these words, he turned around and left with some loneliness.

After You Hongyu left, the young men suddenly came to their senses and looked at Qin Chuan with complicated expressions, with complicated expressions deep in their eyes.

They As we all know, starting today, the top master of the preparatory guard camp has changed his name, and that is Qin Chuan!

It seems that Qin Chuan is much better than You Hongyu!

In the crowd, the deputy chief instructor looked at Qin Chuan silently, his eyes revealing I'm so pleased.

This little guy's progress is far beyond his imagination. It's so surprising.

"Qin Chuan! You win this gambling battle! This red phosphorus pill is yours!"

As soon as the deputy chief instructor raised his hand, the red phosphorus pill flew over.

Qin Chuan caught it and was delighted.

The red phosphorus pill was in hand!

In the crowd, Chen Yuankun saw this scene with great pain and hatred in his eyes. A little thicker

"take away!"

The deputy chief instructor signaled.

Luo Feng quickly helped up the injured Chen Yuankun and left the crowd.

The deputy chief instructor looked at the crowd again:"It's time for you to disperse too!"

The young men did not dare to disobey and dispersed.....

After everyone had dispersed, the deputy chief instructor smiled and nodded to Qin Chuan, then turned and left.

Seeing that the deputy chief instructor also left, Qin Chuan picked up the red phosphorus pill, took a look at it, and left with satisfaction.

He wanted to go back and refine red phosphorus pill as soon as possible to improve his strength again.....

Chapter 1598

Time flies!

In the blink of an eye, three days passed.

Since the battle between Qin Chuan and You Hongyu, the title of the strongest group in the reserve guard camp has gradually fallen to the seventh group.

Not only is Qin Chuan already the strongest person in the reserve guard camp, but there are also two first-level senior warriors, Chen Shen and Peng Yu, in the seventh group.

In terms of combat power above the first level, there are three in the seventh group, and only You Hongyu's fourth group can match it.

But Qin Chuan's presence overwhelmed You Hongyu again.

But on this day, in the outer courtyard of the Zhou family, in a small courtyard of the kitchen.

Chen Tian looked at Chen Yuankun's severed hand in surprise.

"Brother, what's wrong with your hand?"

"It was all caused by that little bastard Qin Chuan!"

"What? It's that little bastard again!", Chen Tian looked angry.

"I will definitely avenge this!"

Chen Yuankun's eyes revealed boundless resentment.

"I come here this time to say goodbye to you!"

"Brother, where are you going?"

"Go back to my master! I want to ask him to come out and help me take revenge!"

"Brother, didn't you say that you were kicked out by your master because you secretly learned his martial arts skills? When you go back this time, will he help you take revenge?"

"Will do!"

"Brother, are you really sure?"

"Of course I am sure!"

A sneer appeared on Chen Yuankun's face.

"Tian, you should know that I have a total of four red phosphorus tablets! I took one and gave you one. He also gave one of those pieces of shit to You Hongyu, but the last one was taken by the little bastard Qin Chuan."

Chen Tian nodded slightly and didn't say much.

The last reserve guard selection assessment, Chen Tian was able to pass all the tests until he failed in the talent test. He relied on red phosphorus pill.

Otherwise, with his original physique, I'm afraid He would be beaten down at the first pass.

Qin Chuan had long suspected this abnormal phenomenon.

Chen Yuankun continued:"A Tian, do you know how I obtained such precious red phosphorus pill?
Chen Tian was stunned:"

Brother, didn't you buy it?"

"of course not!

Chen Yuankun sneered slightly: "I can't afford such an expensive pill." In fact, I found those four red phosphorus pills in a mysterious cave. However, with my strength, I can only enter the first floor, and I cannot enter the lower floors at all."

"There must be more treasures there. As long as I tell the master this secret, the old immortal will definitely accept me as his disciple again and help me kill Qin Chuan. That old man is just a guy who is blind to money!"

"Brother, have you decided?"

"Um! Chen

Tian hesitated for a while and then sighed: "Brother, since you have already thought about it, it is useless for me to persuade you." You must be careful along the way"

"Do not worry! It won't be long before I'll be back. The day I come back will be the anniversary of Qin Chuan's death!"

Chen Yuankun raised his head and looked in the direction of the prepared guard camp, his eyes full of resentment.....

At this moment, the Preparatory Guard Camp, the school grounds of the seventh group camp, is in a deserted corner.

Qin Chuan is practicing the distraction sword technique.

I saw that his whole body was covered with sword light, his speed was as fast as lightning, and his figure was almost invisible.

Suddenly, Qin Chuan jumped over in the air and took out both swords in his hands. He used the Blue Sea Tide Slash with his left hand and the Flame Knife with his right hand.

Boom~! Boom~!

Two loud bangs!

The ground in the field exploded and dust flew!

Two sword marks more than three meters long and half a foot deep were carved out of the hard stone floor.

There was a sword mark, and there were burnt marks all around.

Another sword mark, but there was moist moisture around it.

These two swords are equally powerful!

"good! good!"

Qin Chuan looked at the sword marks in front of him with satisfaction and smiled.

"Unexpectedly, the flame knife was actually a medium-level martial arts skill. I made a lot of money this time!"

A flash of surprise flashed across Qin Chuan's eyes.

The martial skill - Flame Knife, is the martial skill Qin Chuan got from Lin Yue.

Now that his fire element cultivation has reached the first-level intermediate level, he can naturally practice it.

After this cultivation is successful , , which surprised Qin Chuan.

He also remembered that Nanyu used the flame knife to deal with him, but fortunately he avoided it. Otherwise

, with his strength at the time, he would have been split in half on the spot. Think about it It's all scary

"The direct disciples of the rich clan are different, they can take action casually. It's an intermediate level of martial arts!"

Qin Chuan couldn't help but sigh in his heart.

Then, he remembered his life experience again.

He had a vague feeling that his life experience was probably not ordinary.

From various signs, he seemed to be a child of a wealthy family.

Thinking of this, Qin Chuan looked at the guard The direction of the camp.

Deacon Qin should be there.

Unfortunately, he is not qualified to enter the guard camp.

The guard camp and the reserve guard camp are not far apart, but only formal guards can enter the guard camp.

Although Qin Chuan has refined the red Phosphorus Dan's strength has greatly increased again, and his comprehensive strength has long reached the level of a formal guard.

But the Zhou family's rule is that only when the fire element reaches the second level can he be officially promoted to an official guard.

His fire element is only at the peak of the first-level intermediate level. There is still a big gap between the second level!..

Chapter 1599

"Team leader, you are practicing here!"

At this time, Li You's voice came from behind Qin Chuan, interrupting Qin Chuan's thinking.

"Li You, are you looking for me?"

"Team leader, this is the account of elixir sales in the past few days. Please take a look at it!"

Li You handed over an account book with a smile.

"No need, let Hong Long be responsible for all this from now on!"

Qin Chuan waved his hand casually

"Okay, I get it now. Team leader, I won't bother you anymore."

After saying that, Li You walked away in a hurry.

Although Qinchuan could get more than 2,000 gold coins from the monthly pill business dividends, which is indeed a considerable amount, he still had to spend money on this matter every month. Some mental effort.

Qin Chuan just wants to focus more on cultivation, so he can just let the team members handle some trivial matters, unless it is something they can't handle.

Besides, he recently got four Fire Spirit Crystals, each of which He can buy about 10,000 gold coins, so he is not short of money now.

"By the way, the auction will begin in one day, and my piece of Fire Spirit Crystal will also be auctioned. I have to go take a look then."

Qin Chuan muttered this matter in his heart, and then continued to practice swordsmanship.....

At the same time, something unpleasant was going on in the Preparatory Guard Camp and the Pill Bureau.

Inside the Alchemy Bureau, the meeting hall.

There were four or five people in the hall. Sitting on the chair in the center was a young man in his twenties.

The young man's complexion was too fair and looked a little sick, but his thin lips on his fairly handsome face looked a bit mean.

This young man is Mr. Zhou, a direct disciple of the Zhou family, and the head of the Preparatory Guard Camp's Pill Bureau.

At this moment, Young Master Zhou was looking through the account book in his hand with a gloomy expression.

A cashier was standing in front of him respectfully.

After Zhou Shao read all the accounts, he finally became furious and smashed the account book in his hand on the accountant's face.

"Tell me damn clearly! What is going on, and why have the sales of elixirs been so poor these past few months? The profit has been reduced by a third, and it is not even enough to give the family's share. Do I have to put money into it myself?"

In order to train their direct disciples, the Zhou family will allocate some small industries under their own name to their direct disciples for management.

Those direct disciples only need to turn in the prescribed share every month, and the excess profits will belong to themselves.

This is also one of the main incomes of the direct disciples of the Zhou family.

The elixir bureau that prepares the guard camp is under the management of Young Master Si.

The accountant lowered his head in fear: "Young Master Fourth, I am only responsible for statistics of accounts. This sales matter But it's not up to the villain. The villain really doesn't know why this happens. Mr.

Zhou Zhou was furious: "You useless trash, you don't know anything, get out of here!" Manager Lin, why don't you come over here? What's going on? Please tell me clearly!

Manager Lin wiped the cold sweat from his forehead and stepped forward anxiously: "Fourth Young Master, the thing is like this. In the past few months, in addition to the Xiao Juyuan Dan and some other auxiliary elixirs, we have been selling them normally." , not a single Juyuan Dan could be sold, and no one bought it at all.

Young Master Zhou frowned: "Can't you sell even one?" Is there something wrong with our Juyuan Dan, or is there something wrong somewhere else?"

"Report to the Fourth Young Master that there is nothing wrong with our Juyuan Pill, but there is indeed something strange in it."

"If there is anything strange about it, just tell me!"

"yes!" Manager Lin responded, "Fourth Young Master, my subordinates saw that Juyuan Dan could not be sold during this period, so they went to inquire about it and finally found out some reasons."

"what reason?! Say it quickly!"

"Fourth Young Master, this is what happened. Recently, someone in the reserve guard camp has been selling Juyuan Dan, and the price is half a gold coin cheaper than ours, so our Juyuan Dan has been unable to be sold. Fourth Young Master Xie was furious and shouted: "How dare you rob me of my business!" You are simply looking for death!"

In addition to receiving the regular money from the family every month, the income from this elixir bureau is the main source of his life and debauchery.

Now someone is selling elixirs, cutting off his financial path, and making him even pay the share to the family. If he can't afford it, he has to pay for it himself. Why doesn't this make him angry?

"explain! Say it quickly! Who is it that dares to compete with this young master for business? Manager Lin said in panic: "My subordinates have checked and found out that all the members of the seventh group of reserve escorts were involved in this matter. The leader is their group leader - Qin Chuan!"

"snort! A lowly servant dares to rob me of my business. Go find that Qin Chuan quickly. I will skin him alive!"

"yes! yes! This subordinate is going now!"...

Chapter 1600

As soon as Manager Lin walked to the door, he was stopped by Young Master Zhou.

"Wait! you come back!"

Young Master Zhou frowned and paced back and forth, as if he was thinking about something.

After a moment, he looked up: "Manager Lin, you just said that the pills sold by those guys cost twenty-nine gold coins. It's half a gold coin cheaper than us, why should they sell it cheaper than us? A Juyuan Pill out there is worth thirty gold coins."

"This... subordinates once heard that Qin Chuan had a VIP token from Wanbaoxuan, so they could get a 10% discount on some elixirs at Wanbaoxuan. They just made a profit from the price difference."

"What?! VIP order?! You said Qin Chuan has the VIP order from Wanbaoxuan?"

Zhu Shao's eyes shone with greed.

Wanbaoxuan's VIP order is a very useful thing.

As long as you have it, you can get a 10% discount on items worth less than three hundred gold coins in Wanbaoxuan..

But not everyone can get the VIP order. Even he, Zhou Shao, doesn't have one. There are only a few members of the clan who have VIP orders, and their status is higher than Zhou Shao's.

Thinking of this, Zhou Shao The young master couldn't help but feel a little annoyed.

That Qin Chuan was just a lowly reserve guard. How could he have the VIP order from Wanbaoxuan?

Humph! No matter how much, if Qin Chuan dares to cut off this young master's financial path, this young master will definitely steal him. Pi, let him not survive today!

A stern look flashed in Young Master Zhou's eyes

"Manager Lin, please find Qin Chuan quickly!"

"yes! yes! This subordinate is going now!"

Manager Lin nodded and bowed, turned and left.

"You go down too!"

"yes! Fourth Young Master!"

The accountant also retreated in fear.

In the blink of an eye, only Mr. Zhou Zhou and his two personal guards were left in the field.

The guards were all second-level warriors.

At this time, one of the guards came forward and said : "Fourth Young Master, do you really want to kill that Qin Chuan?"

"certainly! Isn't it just a reserve guard? If I kill, I will kill. Am I still afraid that others will blame me? The chief instructor of the reserve guard camp is my seventh uncle. Even if I kill a reserve guard, my seventh uncle will not blame me. At most, he will scold me."

"Fourth Young Master, you have misunderstood your subordinate. Could it be that the Fourth Young Master doesn't want to get that VIP order?"

Young Master Zhou's eyes flashed:"Of course!" This time I asked Qin Chuan to come over, not only to keep his life, but also to keep the VIP Order"

"Of course, my subordinate's intention is not to push Qin Chuan too hastily. After he hands over the VIP order, it won't be too late to kill him."

"hehe! That's right, Zhao Wu, I'll let you kill him later!"

"yes! Subordinates obey!"

"Qian Wei, wait a moment and block the door. Don't let that kid escape."

"Subordinates obey!"

The two guards quickly took the order.

But at this moment, the accounting clerk came back and came to the hall.

"What are you doing back here? Young Master Zhou asked impatiently.

The accountant lowered his head in fear:"Fourth Young Master, it's Liuling who wants to see you. Let me tell you something."

Young Master Zhou frowned:"Humph!" Why is it him again? Why do you always bother me? If it weren't for his uncle's sake, I would have killed him long ago. You let him in!"

"yes!"

Mr. Accountant quickly stepped back, and soon he led a sixteen or seventeen-year-old boy in.

That boy was Liu Ling, the one who lost the remaining copy of Jingtao Jue to Qin Chuan.

Qin Chuan entered to prepare for the escort. I haven't seen him since the camp.

At this moment, he appears here.

If Qin Chuan were here, he would definitely find that Liuling today is different from before. He can no longer see the high spirits of the past, and his eyes are full of melancholy and sadness. Vicissitudes of life, it seems that after not seeing each other for a few months, I have matured a lot all of a sudden

"Liuling, what do you want from me? Young Master Zhou tried his best to pretend to be kind.

Liu Ling looked sad, fell to his knees, and begged in a hoarse voice:"Fourth Young Master, please save my uncle's life!"

Zhou Shao pretended to be sad:"Hey!" I also want to save your uncle, but there is nothing I can do! The Thousand Spiders Burning Heart Poison in your uncle is very difficult to cure, unless you have Snow Heart Pill, but Snow Heart Pill is very precious, and I don't have it either! Li

Shan said with a choked voice:"But...but I heard from the Jade Medicine Master that she refined two Snow Heart Pills for you three days ago.""

"This...this..."

Young Master Zhou felt a little embarrassed.

At the same time, he secretly thought to himself, that Yuyao is really, you should refine your elixir well, why are you meddling in so much business!

I do have the Snow Heart Pill in my hand ', but that was reserved for myself. What if I was also poisoned by Thousand Spiders Burning Heart Poison that day?

Although Liu Xiong was poisoned to save me, one of his legs was chopped off. Even if Even though I saved him, he became a waste.

It will be of no use to our Zhou family in the future, and giving him the elixir is a waste. I might as well keep it for myself.

Thinking of this, Master Zhou pretended to be sad:"Hey! Liuling, I do have two Snow Heart Pills. Unfortunately, you came late and my pills were borrowed. Pity!"

Hearing this, Li Shan clenched his fists tightly, a look of anger flashed across his eyes, and he even cursed in his heart.

Fourth Young Master Xie, you bastard!

My uncle was poisoned five days ago, and you got it three days ago. The elixir, but you didn't take it out to save my uncle. You said that the elixir had been borrowed. You really thought I was a fool. I didn't believe your lies!

My uncle has become so miserable today because you didn't save him. You, but what did you do to my uncle! Does

Fourth Young Master Xie have the heart of a human heart or the heart of a dog?

Liu Ling screamed in his heart, but did not dare to say it out.

He is not a fool, he knows that Fourth Young Master Xie must have a heart of snow. Dan, but he just didn't want to take it out.

Seeing Liu Ling's silence, Mr. Zhou said again:"Let's do this, Liu Ling, I will have someone pay you a pension of five hundred gold coins later. Your uncle's funeral affairs, Just deal with it properly. Hearing this

, Liu Ling was filled with anger and his eyes turned red.

He tried his best to suppress his voice: "Does the fourth young master mean that you want me to watch my own uncle die in pain in front of me?"

"alright! alright! Let this end like this!"

Master Zhou started to become a little impatient.

Liu Ling wanted to say something, but two more people walked in from outside the hall.

It was Manager Lin who led Qin Chuan over...
