

## God level 1691

### Chapter 1691

Mayor Wang was puzzled: "Does Senior Liu have any good suggestions?"

"I do have better suggestions"

"Mayor Wang, look at the cave ahead. It is more than ten meters wide but less than two meters high. With the tall bodies of Mayor Wang and Commander Chen, it might be inconvenient for them to move in the cave!"

"This..."

Mayor Wang looked at the flat cave entrance ahead. The cave was indeed not high.

"Senior, you are still worrying too much. Although this cave is not high enough, it does not hinder Wang's movement!"

"This is wrong! This matter of attracting scorpions is inherently dangerous. If there is any negligence, life may be in danger. Liu

Qian said with a serious face.

"What does senior mean?"

"What I mean is very simple! Not only am I small in stature, but my cultivation level is much higher than yours, so it's up to me to do the job of attracting the scorpions!"

Zhen Wang was delighted: "It would be best if the senior took action himself."

"Um!"

Liu Qian nodded slightly, and then pretended to be

"However, for this matter of attracting scorpions, if I go alone, there will be too few targets and I may not be able to attract a few scorpions, so I want to invite another leader to go with me."

Having said this, Liu Qian squinted his old eyes and looked at Qin Chuan and the four commanders. Finally, his eyes fell on Qin Chuan intentionally or unintentionally.

The meaning was obvious, that he wanted Qin Chuan to go in with him.

Qin Chuan was smart in his heart. , I understand what he means.

Haha! It seems that this old ghost can't wait any longer and wants to trick the young master into harming the young master!

"I wonder which leader is willing to accompany me on a trip?"

Liu Qian asked again, and his two dim old eyes looked at Qin Chuan eagerly, almost without speaking.

Qin Chuan pretended not to see it, and looked at the scenery in the distance leisurely.

Liu Qian saw no one. When answering, Qin Chuan even turned a blind eye to him, making the situation a little embarrassing.

Liu Qian also felt a little embarrassed, his old face couldn't help but blush, and then he laughed and said

"Team leader Qin, I think you are the thinnest among the leaders, so you are the most suitable to lure the fire scorpion. Why don't you go with me?"

When Qin Chuan saw that Liu Qian was so shameless, he naturally couldn't pretend not to know. He pondered for a while and said

"Since the senior sincerely invites the senior, the junior is of course willing to accompany the senior there"

"However, this junior has a suggestion, why not take your entourage and go in with you?"

"In this way, the three people will have a bigger goal and attract more Earth Fire Scorpions."

Hearing this, Liu Qian was stunned for a moment and laughed dryly.

"Team Leader Qin, don't be kidding me. My follower is of low strength, only an intermediate level one. Isn't it a risk to let him in?"

"The boy also completely agrees with what the senior said. You think that the boy's cultivation level is only at the first level. He must be like one of your followers when he goes in. He is also taking risks. Qin

Chuan said with a half-smile but not a smile:"In that case, senior, you'd better work harder. You go in alone!""

Hearing this, the smile on Liu Qian's face suddenly froze. He didn't expect that the young man in front of him just said a few words and let himself fall into the opponent's trap.

In fact, Liu Qian didn't know what Qin Chuan was like. In his opinion, Qin Chuan is a first-level high-level warrior with good talent.

Qin Chuan can stand with the four commanders solely because he is a member of the Zhou family, so others treat him with such courtesy.

He didn't even know that Qin Chuan was a third-line warrior, because Chen Yuankun never mentioned it to him.

Therefore, in his eyes, Qin Chuan was very weak! Very weak!

And the leaders around him seemed to see the difference between the two. The delicate relationship, although I don't know why, they all chose to remain silent and did not reveal Qin Chuan's strength.

What a treacherous boy, you dare to play tricks on me.

I will definitely give you a bad death later!

Liu Qian was upset in his heart, He thought fiercely.

However, Liu Qian was also an old man and quickly thought of a countermeasure...

Chapter 1692

"hehe!! Team Leader Qin misunderstood what I meant."

Liu Qian's dark and thin old face forced a fake smile.

"Before I could finish what I said just now, I was interrupted by Team Leader Qin."

"In fact, what I want to say is that although it is dangerous for my entourage to go in, nothing will happen if I take care of you. Since it's okay for my entourage to go in, Team Leader Qin must have a better problem."

Hearing this, Qin Chuan sneered in his heart.

This old man is really thick-skinned. He actually overturned his previous words in front of so many people. He is really shameless and invincible in the world!

"Ha ha!! Since all the followers of the seniors can go, then naturally this kid can go too!"

Seeing Qin Chuan agreeing, Liu Qian's old face suddenly showed joy.

"good! Since Team Leader Qin has agreed, please follow me in!"

"good! I hope seniors will take care of you all the way!"

"hehe!!"

Liu Qianpi smiled dryly and said, "That's easy to say. Don't worry, kid, just follow me. I'll make sure you're fine!"

Just when he said this, Liu Qian sneered in his heart.

Little bastard! I will take good care of you. When you get into the cave, see how I crush you to death!"

Mayor Wang on the side also realized that there was some relationship between the two. Weird, he couldn't help but exhort: "Senior! I hope you will be careful!"

"Mayor Wang, don't worry, I'm here to make sure they're fine, let's go!"

Then, Qin Chuan and his party entered the cave.

Before entering the cave, Liu Qian did not forget to carry the sword box containing the Flame Sword on his back.

Liu Qian was currently opening the way, with Qin Chuan walking in the middle and Chen Yuankun walking in the middle. Behind them.

The two masters and apprentices deliberately sandwiched Qin Chuan in the middle.

Qin Chuan naturally understood their intentions, and he was very alert at the moment, but he pretended not to know anything on his face.

This cave, The further you go inside, the lower the terrain becomes and the higher the temperature of the air, which is somewhat similar to the situation in a red rock cave. The

Earth Fire Scorpion is a fire-based beast and likes to live in hot places.

A group of three people walked inside. While drinking tea, Qin Chuan heard countless rustling sounds from deep inside the cave.

These sounds should be the sounds of the Earth Fire Scorpions moving, but... strange! Judging from these sounds, the Earth Fire Scorpions inside were at least There are one or two hundred, but why did Mayor Wang say there were only fifty or sixty?

Could it be that the number has increased recently?"

Thinking of this, Qin Chuan felt a little surprised.

Although he found that the situation inside was different, Qin Chuan remained calm.

A group of three people continued to move inside.

After about another cup of tea, Liu Qian heard the noise inside. He listened carefully, and after a while he smiled and said

"According to my estimate, if you walk a hundred or two hundred meters further, you will encounter a group of scorpions."

"Team Leader Qin, you are thin and agile. How about you go attract the scorpions and I stay here to wean you off?"

After saying this, Liu Qian walked behind Qin Chuan intentionally or unintentionally, blocking his retreat.

Qin Chuan saw all this and sneered in his heart. But on his face, he pretended to be frowning and said

"Senior, my cultivation is low. You asked me to lead the scorpions alone. Didn't you ask me to go and die?"

"Why not ask the senior's entourage to go in with the boy? This way, one more person will give you more strength!"

Liu Qian sneered:"I don't have to look at it! This follower of mine is too weak. If I go with you, I'm afraid it will hold you back. I think it's better for you to go in alone!"

"I'm afraid that's not good, right? The boy is too weak and is afraid that he will not be able to do this job well. Why don't you go to the scorpions in person?"

"Brat, what are you doing here? If I tell you to go, go and don't bargain with me. Do you really dare not even listen to me?"

Liu Qian's face turned cold, and his tone suddenly turned cold..

Chapter 1693

Qin Chuan pretended to hesitate and said:"If senior has to let me go alone, I will never go unless I let your entourage go in with me!"

After hearing this, Chen Yuankun, who had been holding back, finally burst out.

"Little bastard! Why the hell do you talk so much nonsense? If my master tells you to go, you can go. How dare you push back? Are you looking for death?"

"Huh! It turns out you are not mute!"

Qin Chuan pretended to be surprised and looked at Chen Yuankun.

"If you are dumb, you are the fucking mute! Qin Chuan, do you know who I am?"

"You...who are you?"

Qin Chuan pretended to be a little panicked.

"Ha ha! I'll show you my true face!"

Chen Yuankun pulled off the bamboo hat on his head and revealed his face.

"why you?"Qin Chuan pretended to be horrified and opened his eyes wide.

Seeing Qin Chuan's expression, Chen Yuankun immediately sneered triumphantly.

"hehe!! Qin Chuan, you still remember me! Are you surprised? I said that I will definitely come back for revenge. Little bastard, today is your day to die!"

Hearing this, Qin Chuan pretended to change his face and ran away.

However, Liu Qian's figure flashed and blocked Qin Chuan's retreat.

"Senior, what are you doing?.....? "

"Boy, Chen Yuankun is my good disciple, so I naturally want to make the decision for him!"

Liu Qian's thin face showed a cat-and-mouse smile.

Chen Yuankun on the side also looked proud:"Haha!! Qin Chuan, didn't you expect that you would be here today?"

Qin Chuan pretended to be nervous, and suddenly he swayed and ran away into the cave.

Seeing Qin Chuan trying to escape, Chen Yuankun was in a hurry

"Little bastard, don't even think about running away!"

After saying that, Chen Yuankun raised his sword and chased after him.

Liu Qian behind him said calmly:"Fool, stop chasing me. There is the Earth Fire Scorpion's lair inside. He will die if he goes in." Hearing this

, Chen Yuankun suddenly woke up and stopped quickly.

Unexpectedly, Qin Chuan in front of him turned around and cursed: "Chen Yuankun, you big fool!"

Chen Yuankun was furious: "You little bastard!" You will still be stubborn until death! go to hell!"

I saw Chen Yuankun rushing towards Qin Chuan with a few steps. A cold light flashed in his hand, and he struck Qin Chuan's chest with a sword.

Qin Chuan quickly retreated and avoided the sword.

But Chen Yuankun pursued closely and stabbed Qin Chuan several times..

Qin Chuan still only defended but did not attack.

The two of them just chased and escaped.

In the blink of an eye, the distance between Chen Yuankun and Liu Qian widened.

But at this moment, a sneer flashed across Qin Chuan's face.

That's it now!

I saw Qin Chuan suddenly counterattacked, and with a twist of his backhand, he grabbed Chen Yuankun's long sword. The other hand locked Chen Yuankun's throat with lightning, and captured Chen Yuankun alive.

The speed was so fast that Chen Yuankun didn't even see Qin Chuan clearly. Before he could figure out what was going on, Liu Qian became a prisoner.

Not far away, Liu Qian saw Qin Chuan suddenly counterattack. He wanted to step forward to stop Qin Chuan, but he was too far away from the two of them. It was too late to rescue him.

It turned out that Qin Chuan's previous acting was just to lure Chen Yuankun away from Liu Qian.

If he were by Liu Qian's side, Qin Chuan could not guarantee that he would be able to capture Chen Yuankun alive.

By the way, Liu Qian saw that Qin Chuan caught Chen Yuankun and was shocked. He was about to rush to rescue him.

However, Qin Chuan put his sword across Chen Yuankun's neck and shouted:"Stop!" Old man, if you dare to take another step forward, believe it or not, I will kill your good disciple with one sword."

"you dare!"

Liu Qian was furious, but stopped.

At this moment, he was extremely angry and annoyed, thinking that he, a dignified third-level warrior, actually allowed a first-level senior warrior to capture his apprentice alive under his nose.

What if this happened? If the news spreads, he will definitely lose his face. How can he go out with such an old face in the future?..

Chapter 1694

"hey-hey! If you dare, just give it a try and you will find out!

Liu Qian sneered with a gloomy face:"Haha!" Boy, I've concluded that you don't dare. If you kill my disciple, you will definitely die!"

"that is! Qin Chuan, if you dare to touch a hair on my head, you will never get out of here today. I think you should let me go first, otherwise my master will not let you go!"

Chen Yuankun threatened with a fierce expression.

Qin Chuan sneered disdainfully:"Ha! Chen Yuankun, do you think I am a three-year-old child? Only if I believe what you say is there a ghost"

"If I let you go, you won't let me go either. Since we are all going to die anyway, why not kill you first and use someone as a backup!"

After saying that, Qin Chuan slashed the sharp sword in his hand, and Chen Yuankun's throat was suddenly cut open, and even blood flowed out.

Chen Yuankun was immediately frightened and shouted: "Qin Chuan, don't kill me! Don't kill!"

"Boy! Stop it!"

Liu Qian in front also shouted angrily.

"snort! Didn't you say that I don't dare?" Qin Chuan's eyes showed determination and cruelty.

Liu Qian saw Qin Chuan's eyes.

His heart couldn't help but tremble. Based on his experience, he had seen a lot of eyes like this. The people with this kind of eyes were all tyrannical men who were determined and ruthless in the past.

This kind of person always tells the truth.

Liu Qian had no doubt that if he came one step closer, Qin Chuan would definitely kill Chen Yuankun.

Liu Qian couldn't help but gasp, feeling secretly shocked.

This boy is so young, but he is already so mature and ruthless. If he is allowed to grow up, he will definitely be a disaster in the future!

Liu Qian pondered for a while and said coldly: "Boy, what do you want?"

"My request is very simple. You lead the way, and I will follow behind. We will get out of the cave together first. As long as you get out of the cave, I will let your disciple go. Just pretend this never happened."

Hearing this, Liu Qian frowned slightly. If he really let Qin Chuan out of the cave, it would be hard for him to kill Qin Chuan. Killing Qin

Chuan in front of so many people would definitely be discussed by the Zhou family. You know, even if he is a third-level warrior by then, it will not be easy for him to gain a foothold in Fengyan City.

After all, a big family like the Zhou family has a good face and will never allow these casual cultivators to ruin their face.

Thinking of this Here, Liu Qian hesitated for a while and said:"Okay! I promise you!"

After saying that, Liu Qian slowly retreated towards the entrance of the cave.

Although he was not very afraid of the Zhou family, he did not want to get things to that point. After all, it was not forced to the point where he would fall out with the Zhou family.

Moreover , , this is not the only chance to kill Qin Chuan.

Seeing Liu Qian retreating, Qin Chuan did not dare to relax, and pulled Chen Yuankun forward slowly.

However, before taking a few steps, Qin Chuan suddenly became angry. It turned out that he heard the sound of rustling movement nearby.

More than a dozen fire scorpions were rushing towards this direction at a fast speed, which was no less than the speed of a galloping horse.

I guess it was from the previous fight. The Earth Fire Scorpions were alarmed.

When Liu Qian saw Qin Chuan's expression was different, he was surprised and suspicious at first. Then he also heard the Earth Fire Scorpions' strange movements, and a hint of joy suddenly flashed across his eyes.

"Old guy, why don't you leave quickly!" Qin Chuan urged repeatedly.

"Boy, since I have already promised you! You won't regret it." Liu Qian still retreated slowly, obviously delaying time.

Seeing Liu Qian's appearance, Qin Chuan frowned and shouted coldly: "Old man, hurry up! Don't play this trick with me!"

Hearing this, a flash of anger flashed in Liu Qian's eyes.

"Boy, how do you talk?"

"I..."

Just as Qin Chuan was about to speak, a sudden change occurred behind him. A dozen juvenile Earth Fire Scorpions rushed out at extremely fast speeds and appeared in sight in the blink of an eye. As soon as the dozen Earth Fire Scorpions saw them Qin Chuan immediately rushed towards Qin Chuan without any explanation.

Qin Chuan's expression suddenly changed. He knew the situation behind him without looking back..

Chapter 1695

Chen Yuankun, who had been holding a sword on his neck, also noticed the strange movement behind him. His heart suddenly moved, and he secretly thought that the opportunity had come. At this moment, he suddenly saw Liu Qian giving him a hint of a look.

At that moment, he also understood what Liu Qian meant.

Chen Yuankun suddenly sank, dived down, and rolled on the spot, hoping to take this opportunity to escape.

At the same time, Liu Qian also took action, killing Qin Chuan directly with the long sword in his hand.

At this moment, one of the Earth Fire Scorpions that rushed up from behind also rushed towards Qin Chuan's back.

"snort! Want to escape? court death!"

Seeing Chen Yuankun trying to escape, Qin Chuan's eyes flashed with a stern look. He slashed the sword in his hand without hesitation and cut Chen Yuankun's throat immediately.

At the same time, he drew out another sword with his left hand and swung it back without looking back. Cut that fire scorpion into two pieces

"you...."

Chen Yuankun clutched his throat tightly, but unfortunately he could not stop the blood spurting out of his throat. He stared at Qin Chuan in disbelief. He never imagined that Qin Chuan actually killed him.

He originally thought that when the Earth Fire Scorpion attacked from behind, Qin Chuan would be at a loss and would block the Earth Fire Scorpion's attack first, allowing him to escape.

But reality is not like this

"You...you...little.....Miscellaneous..."

Chen Yuankun waved his hands full of blood, looked at Qin Chuan with resentful eyes, and his body slowly collapsed.

"You dare to kill my disciple!"

Liu Qian screamed sadly, his eyes were red with anger, and the long sword in his hand slashed at Qin Chuan even more angrily.

He wanted to block Qin Chuan's attack, but it was a pity that it was too late.

"Little bastard! I want you to be buried with my disciple!"

At this moment, Liu Qian was extremely angry and annoyed. Although he couldn't say he loved his apprentice Chen Yuankun, he still had feelings to some extent. He saw his apprentice being killed in front of him, and he was also killed by a It was hard for him to accept what a young man with only first-level cultivation had done. At this moment

, annoyance, anger, and even a sense of humiliation filled his chest.

Qin Chuan saw Liu Qian's attack coming to him in an instant, and his expression changed. He changed slightly and quickly took out both swords to block Liu Qian's angry sword.

"when!" There was a crisp sound!

Three swords intersected, and Qin Chuan was slashed away by one sword.

How is it possible?

Liu Qian looked at Qin Chuan who was slashed away in disbelief.

This kid could actually catch his attack.

At this moment, Liu Qian He was very horrified in his heart. With his third-level cultivation, the speed of the sword was so fast that ordinary first-level warriors could not react in time. Even the second-level Dzogchen warriors could not stop him, but he was blocked by Qin Chuan.

After Qin Chuan was slashed away by a sword, he immediately tumbled through the air and fell back to the ground, where he happened to land among a dozen Earth Fire Scorpions. As soon as the dozens of Earth Fire Scorpions saw Qin Chuan landing, they all pounced on

Qin Chuan. With a sneer, the unique aura field of the second-level water warrior was radiated, and then he used the distraction sword technique, "Shua! Shua", the two swords flashed together, and in just a few breaths, the dozens of Earth Fires were killed. All the scorpions were cut into two pieces.

These earth fire scorpions were less than half a meter long. They were all in the juvenile stage. Their strength was equivalent to the first level of elementary level. They were vulnerable to Qin Chuan.

"Little bastard, you are actually a second-level warrior!"

A trace of horror flashed across Liu Qian's eyes. The young man in front of him looked like he was only fourteen or fifteen years old, but he was actually only thirteen years old. A thirteen-year-old second-level warrior was too shocking to say the least.

"wrong! Little bastard, even if you are a second-level warrior, you are not as strong as you!"

When he thought of this, Liu Qian was even more horrified..

Chapter 1696

"hey-hey! Old man! You just know it now, don't you think it's a little late?"

Qin Chuan panted slightly. He had taken Liu Qian's sword earlier, and his chest was still tight and uncomfortable. The opponent's fighting power was too strong.

"How about that?"

Liu Qian's face gradually turned ferocious, his whole body's aura suddenly increased, and the vitality around him was fiery red, burning like an illusory flame. The surrounding temperature increased suddenly, giving people an extremely hot feeling.

This It is precisely the agility characteristic of a third-level warrior. He has initially mastered the characteristics of fire.

"Little bastard, I will chop you alive to avenge my disciple!"

Liu Qian roared, and he rushed towards Qin Chuan as fast as a sharp sword.

Qin Chuan's expression changed and he hurriedly got out of the way.

"boom!"

There was a loud noise.

The whole cave shook violently, and a large crack more than half a meter deep was opened in the green granite ground by this sword. There were traces of flames around the crack.

What a strong attack power!

Is it possible ? Is this the strength of a third-level warrior?

Qin Chuan was also horrified. The attack power of a third-level warrior was indeed not comparable to that of a second-level Dzogchen warrior.

Seeing that Qin Chuan actually dodged, Liu Qian was frightened and at the same time, furious

"Little bastard, do you think you can hide?"

Whoa! Whoa! Whoa!

Liu Qian fired several swords in succession, covering Qin Chuan's whole body at an alarming speed.

Qin Chuan was shocked and quickly drew out his sword to resist.

The two of them fought instantly.

"when! when! when!"

After fighting for more than ten consecutive rounds, Qin Chuan was bombarded by sword after sword and was knocked back. He had no chance to fight back. He didn't even have a chance to breathe, and was completely suppressed.

In the face of the huge power gap, again Too much fighting experience is useless

"Ha ha!! Little bastard, no matter how powerful you are, you are only a second-level warrior. How can you be my opponent? Go to hell!"

Qin Chuan was slashed away by another sword, and his whole body was smashed into the stone wall. A large human-shaped pit more than half a meter deep was left on the stone wall.

"Wow!"

Qin Chuan spat out a mouthful of blood, which immediately dyed the clothes in front of him red. He was seriously injured internally by Liu Qian's attack.

"Ha ha!! You little bastard, go to hell!"

Liu Qian was overjoyed when he saw that Qin Chuan was injured. He flashed his figure and struck with another sword.

Qin Chuan was horrified. In a hurry, he gritted his teeth and used his sword to resist again.

This time, Qin Chuan was sent flying again and was shocked again. A large mouthful of blood spurted out, and his whole body seemed to become much weaker. Even the hands holding the swords began to tremble involuntarily.

From the fight to the present, in just a few breaths, Qin Chuan had suffered several injuries. The situation It was extremely disadvantageous for him.

However, only Qin Chuan could persist for such a long time. An ordinary second-level warrior would have been killed with a single sword.

"Little bastard, let me see how many tricks you can hold on to!"

Liu Qian smiled coldly and slowly approached Qin Chuan.

"snort! Do you think you can kill me this way?"

Qin Chuan wiped the blood from the corner of his mouth, with no fear on his face.

"How dare you speak harshly even when death is imminent! It seems like you won't shed tears until you see the coffin!"

Qin Chuan sneered, but suddenly he shouted

"The fighting body goes crazy!"

I saw Qin Chuan, who looked a little weak just now, and all the bones in his body suddenly made a "creak! creak!" sound. His height increased by several inches, and even the muscles in his body expanded rapidly, which was even more surprising. Surprisingly, Qin Chuan's originally black long hair turned into silvery white in an instant. His two dark eyes also turned blood red, and his whole person exuded a heart-stopping evil aura.

"This...this is...."

Liu Qian looked at Qin Chuan's transformation in surprise, and the terrifying evil aura frightened him.

He has never seen such a phenomenon, but he can feel that Qin Chuan's overall momentum has suddenly increased, and his strength has also increased a lot..

Chapter 1697

In fact, this is the first combat skill Qin Chuan learned: the battle body goes crazy!

At this moment, not only did the scars on his body recover, but his strength also increased a lot.

Qin Chuan gently wiped away the remaining blood from the corner of his mouth, his blood-red eyes revealed a crazy fighting spirit, and a bloodthirsty smile appeared at the corner of his mouth.

"Old man! Let's fight again!"

Previously, Qin Chuan had been suppressed and beaten by Liu Qian and had no chance to use the 'War Body Madness'. Now he took advantage of this chance to breathe and used it.

But Qin Chuan knew in his heart that with his current energy Energy, this combat body's madness can only last for one hour at most. Once the energy is exhausted, he will return to his original state.

Using combat skills consumes energy, just like using martial arts requires consuming vitality.

Essence is only the body The unique energy that can only be cultivated by martial arts practitioners. The silver energy gas in Qinchuan's Dantian is the essence.

Liu Qian's face changed slightly, and his expression became colder.

"snort! Little bastard! Do you think I can't kill you if you change your appearance? Believe it or not, I will kill you right now?"

As soon as he finished speaking, Liu Qian suddenly took action and struck Qin Chuan with a sword as fast as lightning.

Qin Chuan sneered and blocked with a horizontal sword!

"when!"

The two swords intersected. This time Qin Chuan was not knocked away, but only took seven or eight steps back.

Liu Qian was shocked!

The strength of this little bastard has really increased. If he continues like this, things will change.

Thinking of this , Liu Qian sneered.

"Little bastard, you really managed to force me to take out the flaming sword to deal with you. Even if you die, you should be proud."

After saying that, Liu Qian took off the sword box on his back and took out the long sword inside.

Qin Chuan waited leisurely, but secretly chuckled in his heart.

With the Fire Flame Sword in his hand, Liu Qian suddenly became more confident and proud. road

"With your current strength, I didn't need the Fire Sword. However, I don't want to waste time with you anymore. Let's fight quickly!"

"choke!"

With a flash of cold light, Liu Qian instantly pulled out the flaming sword in his hand. Looking at the sword in his hand, the expression on Liu Qian's face suddenly froze.

"This... what's going on?"

Liu Qian looked at the long sword in his hand in shock. There was a flaming sword there. It was clearly an ordinary sword!

"Ha ha!!

Seeing Liu Qian's astonished expression, Qin Chuan couldn't help it any longer and burst out laughing.

Then he put away his swords and said in a strange manner:"Old man, is this what you are looking for?""

I saw Qin Chuan swish, and took out a flaming red long sword from the War God's Order. It was the flaming sword.

"This...what the hell is going on? Why is the Flame Sword in your hand?"

Liu Qian looked at the flaming sword in Qin Chuan's hand in disbelief.

"Ha ha!! Do you want to know? If you really want to know, I can tell you!"

Liu Qian had a gloomy look on his face. In fact, he also wanted to know how his flaming sword got into the hands of this little bastard in front of him.

"Ha ha!! Old man, if you want to know, then take the sword from me first!"

Qin Chuan held the flaming sword and suddenly took action.

Liu Qian was furious and quickly drew out his sword to block Qin Chuan's attack.

This time, the two of them took three steps back each, and they fought evenly.

Liu Qian was shocked. He didn't expect that the other party would be able to compete with him after having the help of the Fire Sword.

"Ha ha!! Old man, it turns out you are nothing more than that!"

Qin Chuan was also overjoyed.

It seems that this Fire Flame Sword is indeed a good thing, and it has actually improved his combat effectiveness to the level of a third-level warrior. But

Liu Qian's face was extremely ugly. He suppressed the depression in his heart and asked with a gloomy face.

"Boy, what the hell is going on? How come I have my flaming sword in your hand?"

"All right! Since you want to know so much, let me tell you that I stole this sword from your pillow last night!"

Hearing this, Liu Qian was so angry that he trembled all over. A huge anger burned crazily in his chest and was about to spurt out in a moment.

He could no longer restrain himself and rushed towards Qin Chuan crazily, roaring loudly. road

"Little bastard, return my sword quickly! I'm going to tear you alive!"

After saying that, Liu Qian struck Qinchuan in the air with his sword. The long sword immediately transformed into a flaming sword more than ten meters long and struck Qinchuan.

It was actually the "Flame Saber" of Zhongcheng martial arts..

Chapter 1698

Qin Chuan laughed and also used the 'Flame Knife'.

The two moves intersected, and the two again fought evenly.

"Little bastard, you actually know how to master martial arts!"

Liu Qian suddenly felt weak in his heart, and at the same time he became more and more angry.

With a roar, he attacked Qin Chuan again, and the two of them immediately fought together.

For a time, rubble flew across the entire cave, and even the earth shook violently. Get up.

The strength of both of them is at the level of third level.

The destructive power of third level warriors is very astonishing.

In the blink of an eye, the two of them fought for fifty rounds, and it was difficult to tell the winner for a while.

The two of them made Such movement naturally alarmed the group of Earth Fire Scorpions in the cave.

At this moment, countless rustling sounds were heard deep in the cave, and more than a hundred Earth Fire Scorpions had all rushed out and rushed towards the direction where the two were fighting.

Cave In addition, Mayor Wang and others also heard huge crashing sounds of "Rumble!" inside the cave, and the entire cave was shaking violently.

The group of people couldn't help but change their expressions.

"What a loud noise! Only a battle between third-level warriors could create such momentum. Could it be that Senior Liu was fighting with the mutated female scorpion inside?"

"yes! That's probably it! Mayor, should we go into the cave now to assist Senior Liu? Mayor Wang frowned and hesitated for a while before saying

"Just wait a while! This cave is too small. If there are too many people in there, it will be useless. On the contrary, it will get in the way. Why don't we wait until Senior Liu and the others come out of the cave."

Immediately, a group of people continued to wait outside the cave.

However, they said that Qin Chuan and Liu Qian were fighting to no avail.

Suddenly, Qin Chuan forced Liu Qian away with a sword, exited the battle circle, and laughed.

"Old man! If you want to get your flaming sword back, just come in with me!"

As soon as he finished speaking, Qin Chuan actually turned around and ran into the cave.

It turned out that Qin Chuan saw that he could not defeat Liu Qian for a while, and he would be defeated as time went by.

As the energy in his body was limited, after an hour, he was going crazy with his fighting body. The transformation will disappear, and then his strength will plummet. Secondly, the total amount of his three-system vitality is not as strong as his opponent.

Therefore, if Qin Chuan wants to make a quick decision, he must kill Liu Qian within an hour.

However , , given the current situation, that is absolutely impossible, so Qin Chuan can only take risks and lead Liu Qian into the depths of the cave.

Liu Qian is an old man and has rich combat experience. He naturally knows that a long-term battle will be harmful to Qin Chuan. It was a big disadvantage.

At this moment, when he saw Qin Chuan turning around and running into the cave, he thought Qin Chuan was timid and was overjoyed. He yelled:"You little bastard, don't even think about escaping! I will definitely chop you alive today!"

After saying that, Liu Qian chased after him.

Just like that, the two of them chased and escaped. In an instant, they met a dense army of more than a hundred fire scorpions in front of them. Four of them were adult fire scorpions. Fire scorpions.

Qin Chuan in front seemed to have no fear of this group of scorpions. He laughed and killed more than a dozen earth fire scorpions, rushed directly through the earth fire scorpion army, and rushed into the scorpion nest deep in the cave.

Seeing Qin Chuan like this, Liu Qian in the rear snorted coldly, and rushed past the Earth Fire Scorpion army, chasing after him. As soon as he entered the scorpion nest, Qin Chuan found that the inside suddenly became wider. The nest was like a nest hundreds of meters wide. hall. In one corner of the hall, there were hundreds of densely packed red Earth Fire Scorpion eggs. Two adult Earth Fire Scorpions were guarding the eggs with dozens of juvenile Earth Fire Scorpions. When

Qin Chuan saw them Those Earth Fire Scorpion Eggs, I instantly understood why the number of Earth Fire Scorpions in this scorpion group was different from what Mayor Wang said. Obviously those extra Earth Fire Scorpions had just hatched.

"Little bastard, do you think you can escape?"

But at this moment, Liu Qian also chased in.

Qin Chuan chuckled softly at the corners of his mouth, and his white hair and red eyes looked extremely evil, which made people feel extremely heartbroken.

"Old man! Who said I'm going to run away? bring it on! Let's fight again!"

This time, Qin Chuan stopped running away and turned around to fight Liu Qian. The two of them met. The earth fire scorpions guarding the scorpion eggs, led by two adult scorpions, surrounded and killed them. At the same time, the previous Earth Fire Scorpion army also returned and surrounded the two of them. For a while, the two were fighting among the Earth Fire Scorpions.

At this time, Liu Qian was a little depressed.

Although for him, These Earth Fire Scorpions were weak in strength and he was not afraid at all. However, these Earth Fire Scorpions were superior in their large numbers and fearless of life and death. They were hard to guard against as they continued to attack.

But he only had one pair of hands. He had to deal with Qin Chuan on one side and Qin Chuan on the other. Withstanding the siege of more than a dozen Earth Fire Scorpions at the same time,

Qin Chuan was suddenly in a hurry. On the other hand, when Qin Chuan saw the siege of those Earth Fire Scorpions, he was not afraid at all. He laughed and drew out another sword and used the Distracting Sword Technique.

Distracting Sword The sword technique is suitable for group attacks.

The fire sword in the right hand is used to deal with Liu Qian, and the ordinary long sword in the left hand is used to deal with the earth fire scorpions that are attacking. This allows Qin Chuan to move easily among the scorpions. In this way

, one is going down, the other is going up, Qin Sichuan gradually gained the upper hand..

## Chapter 1699

Liu Qian became more and more confused as he fought, and at the same time he was filled with hatred.

I didn't expect that this little beast would be distracted by two things. He brought me here just to use the power of this scorpion group to restrain my hands and feet. It's really hateful!

If this continues, my boat will capsize in the ditch and fall into the hands of this little beast. I'd better get out of the cave as soon as possible.

Thinking of this, Liu Qian attacked with a few swords, forcing back the Earth Fire Scorpions around him, and wanted to rush out of the scorpions.

"Ha ha!! Old man, do you want to leave now?"

Qin Chuan's figure flashed and blocked Liu Qian's retreat.

"Get out of here!"

Liu Qian was furious and wanted to attack by force.

But at this moment, a large earth fire scorpion with a body length of seven or eight meters suddenly rushed out from the depths of the cave.

It was the mutated female scorpion that had been lurking in the deepest part of the cave.

It turned out that the huge noise of the two fighting in the lair alerted the mutant female scorpion.

When the mutant female scorpion saw the corpses of dozens of young earth fire scorpions lying on the ground, she became furious and waved two huge iron pincers. , and killed Qin Chuan and the others.

"not good! This mutated female scorpion has come out, little bastard, why don't you get out of my way!"

When Liu Qian saw the mutated female scorpion coming out, he was so anxious that he wanted to run away.

"Ha ha!! Old man, there is no winner or loser today, so don't even think about leaving!"

Qin Chuan still blocked Liu Qian's retreat.

Liu Qian's eyes were red with anger, and he was also frightened by Qin Chuan's madness.

"You madman, get out of the way! You want to die! I don't want to die yet!"

But at this moment, the mutated female scorpion had already rushed into the scorpion group, and two iron pincers attacked Qin Chuan and Liu Qian at the same time. For a moment, two people and one scorpion were fighting together. Both the two people and the mutated female scorpion were both stunned. They had to face attacks from two sides at the same time.

The scene suddenly shook, and scorpion corpses flew everywhere, which was extremely tragic. If Qin Chuan and Liu Qian worked together to deal with the mutated female scorpion, they would be able to defeat it easily.

Unfortunately, these two people were How could the enemies of life and death share the same hatred?

For a time, the mutated female scorpion gained the upper hand with the help of many earth fire scorpions.

Qin Chuan and Liu Qian were naturally at a disadvantage.

However, Liu Qian's situation was even more dangerous.

Faced with numerous attacks, Liu Qian could not help but panic.

"Little bastard, do you really want us both to die here? If we really fight to the death, both of us will be killed by this mutant female scorpion in the end!

Qin Chuan sneered and said, "I'm going to die!" You will die first too!"

But at this moment, seeing that the mutated female scorpion was unable to do anything to the two of them for a long time, she suddenly opened her mouth and sprayed out a large cloud of purple poisonous mist. As soon as they saw the mutated female scorpion spraying poisonous mist, Qin Chuan and Qin Chuan quickly held their breaths.

However, , Liu Qian's expression became even more nervous.

Qin Chuan was not afraid, because he could hold his breath for a long time, which Liu Qian could not compare with.

The two of them fought with a scorpion for a while, and the scorpion corpses on the ground became more and more. More and more came, and at this moment a quarter of the Earth Fire Scorpions had been killed by Qin Chuan and Qin Chuan.

However, both Qin Chuan and Qin Chuan also suffered some injuries.

At this time, another change occurred.

Only Liu Qian was seen. Old Zhang's face was black and purple from holding in his breath. It turned out that he had reached the limit of holding his breath. At this moment, he was so deprived of oxygen that his eyes were dizzy and he was light-headed.

He could no longer hold it in. He opened his mouth and took a greedy gulp of air. At the same time, He also inhaled a large mouthful of poisonous mist.

As soon as the poisonous mist entered his body, Liu Qian's face suddenly turned green and the soles of his feet became weak. These symptoms were obviously poisoning. The poison of the Earth Fire Scorpion was highly toxic and extremely toxic. Ordinary people could inhale it. One mouthful would kill him in less than an hour or three.

Liu Qian knew he was poisoned and looked panicked. At the same time, he was horrified. Why was Qin Chuan fine after not breathing for so long?

But when Qin Chuan saw that he was poisoned, he was overjoyed. , the secret opportunity came, and he quickly moved the Fire Rain Plum Blossom Sword, instantly killing more than a dozen earth fire scorpions, and immediately created a gap in the scorpion group.

Qin Chuan rushed out of the gap in a flash.

With this Using group offensive martial arts, Qin Chuan didn't worry about being surrounded at all, which was why Qin Chuan dared to break into the scorpion group.

Liu Qian felt even more anxious when he saw Qin Chuan rushing out. He also wanted to escape, but he didn't want Qin Chuan to do it again. He turned around and fired a flaming knife, forcing him back to the scorpions..

Chapter 1700

Liu Qian was furious and couldn't help but yell:"You little bastard, I'm going to chop you up alive!"

But he didn't expect that he swallowed another mouthful of poisonous mist.

Liu Qian suddenly felt weak all over, and his symptoms of poisoning became more serious.

At the same time, the attack of the mutated female scorpion also arrived, tightly entangling Liu Qian in place.

At this moment, Liu Qian was poisoned, his strength was greatly reduced, and he was besieged by a group of scorpions. After only a few encounters, he let out a scream, and was stabbed through the chest by one of the mutated female scorpions.

"ah!"

Liu Qian let out a shrill scream and covered the hole in his chest. His eyes were blood red and he looked at Qin Chuan outside the scorpion group with great resentment.

"Little beast, if you want to kill me, I will let you be buried with me!! Liu

Qian shouted hysterically, and suddenly took out a fist-sized blue projectile from his carry-on bag and threw it at Qin Chuan.

When Qin Chuan saw the huge blue projectile, his face changed slightly, although he He didn't know what it was, but it must be a very dangerous thing.

Since Liu Qian dared to use it as a last resort, it was definitely a very scary thing.

At that moment, Qin Chuan saw the blue projectile coming and thought Without even thinking about it, he turned around and fled.

Qin Chuan had just moved ten meters away when the blue projectile landed.

As soon as the blue projectile landed, it exploded immediately. The huge explosion shock wave set off a heat wave that directly hit ten people. Qin Chuan, who was 40 to 50 meters away, was thrown into the air.

Finally, Qin Chuan was knocked into a hard stone wall, causing a big hole in the stone wall.

"Wow!!"

Qin Chuan spat out several large mouthfuls of blood. He felt as if the bones all over his body were in pain as if they were broken. There was a burning pain on his back. However, Qin Chuan's back was injured by the explosion and the blood was stained red.

Qin Chuan was in a difficult situation. Di climbed up from the pit, and when he looked back, he saw that more than half of the Earth Fire Scorpion's nest had been collapsed by the explosion. Most of the Earth Fire Scorpions were dead, and those who were alive were all with broken bodies and limbs, struggling on the ground. It was crawling on the ground.

The mutated female scorpion was even worse. Half of its body was blown to pieces. It was on the verge of death. At this moment, it was struggling to drag its body to escape deeper into the cave.

Liu Qian himself was also blown up. His whole body was charred and smoldering, lying motionless on the ground. He was obviously dead.

Seeing this scene, Qin Chuan remembered the terrifying power of the blue projectiles and couldn't help but break out in a cold sweat.

If he had been stupid before , If he stood there stupidly, he would be blown to pieces on the spot.

Then again, if he was not a physical warrior and his body was much stronger than ordinary people, at this moment, it would not be as simple as being seriously injured. I am afraid he would also be hit by a huge shock wave. It shocked him to death.

What on earth was that blue projectile? Why was it so terrifying?

Qin Chuan, who was still living after the disaster, was still frightened.

In fact, the huge blue projectile was called Tianleizi, and Liu Qian got it from Chen Yuankun's treasure..

The power of Tianleizi, not to mention the third-level warriors, even the fourth-level warriors are as afraid as tigers, and their expressions change when they hear it.

Liu Qian also knows that with the terrifying power of Tianleizi, if it is used in this small cave , even if he could kill the opponent, he would have to die or be disabled, so he wouldn't use it until the end.

Qin Chuan endured the severe pain all over his body and walked to Liu Qian's side.

"Old guy, are you dead? Qin

Chuan shouted twice tentatively. Seeing that Liu Qian was motionless, he reached out to turn over Liu Qian's body.

But just when Qin Chuan bent down, Liu Qian, who was supposed to be dead, suddenly opened his eyes. Opening his eyes, a dagger suddenly appeared in his hand, and stabbed Qin Chuan in the heart with a ferocious expression.

He also roared: "Little bastard! You can be buried with me!"

Qin Chuan was shocked, and quickly stepped aside to avoid the sneak attack, and at the same time stabbed Liu Qian with the sword.

With a muffled groan, Liu Qian was stabbed through the chest by the sword, his eyes widened unwillingly, and his head tilted, completely die..
