

God level 171

Chapter 171

Feiying shivered with fright.

She was startled by Flora's wrath.

After a while, the flower god gradually calmed down his anger.

Feiying stepped forward silently and dealt with the broken pieces of the teacup.....

At this time, the host's confused voice came from the TV

"Lord Wugan City, are you... giving up the challenge?"

The audience was also puzzled.

Everyone's eyes fell on Wu Gan.

Wu Gan looked at the host and said seriously:"Listen clearly! This city lord has lost, not given up! This city lord is no match for Lord Qin Feng!"

Then, he handed over to Qin Feng again:"Thank you, Lord Qin Feng, for showing mercy!"

After saying that, he ignored everyone's confused expressions and retreated directly to the edge of the ring.

The host was dumbfounded.

This... have you fought before?

Why didn't I see it?! Where did you start talking about being merciful?

Just Even on the high platform, the three monarchs were confused.

Qin Feng launched the resonance kill, but they didn't sense it.

Therefore, Wu Gan made them a little confused.

The host's reaction Soon, he said quickly: "We congratulate Lord Qin Feng for winning the first challenge!"

There was thunderous applause from all around.

Although the audience couldn't figure out how Qin Feng won, they still felt very happy.

Qin Feng's appearance and temperament were so popular with the audience.

"Lord Qin Feng! You're so handsome!"

"Lord Qin Feng, I like you so much!"

The girls were shouting crazily.

Qin Feng won, and they were all very happy.

On the contestant stage, Shangguan Yunyang and Wei Qing both breathed a sigh of relief.

They looked at each other with happy smiles on their faces.

"Yeah~! My brother won!"

Chu Chu hugged Zi Xi's arm excitedly.

Shangguan Zi Xi also showed excitement.

"Excuse me, is there anyone else who challenges Lord Qin Feng?"

As soon as these words were said, the whole audience looked at the top ten masters again.

The atmosphere was tense again.

Even the flower god in front of the TV had his eyes gleaming.

That's right!

Wu Gan just admits defeat!

If one more person comes up, You can also test the depth of Qin Feng. Take

Lu Xuan for example!

Similarly, after the host said that, many top ten masters looked at Lu Xuan.

The audience in the stands also looked at Lu Xuan.

But they didn't expect, Lu Xuan not moved at all

"No one left?", the host asked again.

Lu Xuan still didn't move

"last minute! If no one challenges Lord Qin Feng, the first place this time will belong to Lord Qin Feng!"

As soon as these words were said, some of the top ten masters couldn't sit still.

They were still a little unconvinced.

At that moment, the fourth-ranked Duke Zhou Lin raised his left foot and prepared to step forward.

But at this moment, he felt two Tao looked at him.

He turned around and saw that it was Wu Gan and Lu Xuan.

The ridicule in their eyes was very obvious.

It was as if they were watching a clown perform.

Thumb~!

Zhou Lin felt something bad in his heart.

He was very I know the personalities of Wu Gan and Lu Xuan.

Both of them are arrogant people.

Especially Lu Xuan, he is shrewd and good at maneuvering.

As long as there is a chance, he will do it.

But this time, he behaved so calmly.

This Abnormal!

Could it be that this Qin Feng is a hidden strong man?

Thinking of this, Zhou Lin felt uneasy.

He was instantly frightened, and the foot he lifted out quietly withdrew it.

At this scene, other masters I saw it.

The masters looked at Zhou Lin, then at the expressions of Wu Qian and Lu Xuan, and they were all horrified.

Then, they all thought of something, and their eyes changed when they looked at Qin Feng, with awe hidden deep in their eyes.

"Duke Zhou Lin, do you want to challenge Lord Qin Feng?", the host asked.

Duke Zhou Lin shook his head repeatedly:"No! No! This city lord has no intention of challenging Lord Qin Feng."

Zhou Lin's tone was full of respect for Qin Feng.

"Well, then you....",The host looked at Zhou Lin's left foot that was being retracted

"Ha ha!! I have been standing for a long time and my feet are feeling numb. I need to move around!", Zhou Lin laughed a few times, the host:"....."

Are you kidding me?

A duke's feet would go numb if he stood for such a short time?

It's obviously a lie.

But the host is not stupid.

He could feel that Duke Zhou Lin seemed to be afraid of Lord Qin Feng.

Could it be that this Lord Qin Feng.....

The host seemed to have thought of something, and the look in his eyes towards Qin Feng also changed.

"There are only five seconds left! Does anyone have a challenge?"

The host spoke up again.

All the experts were silent.

Countless viewers were nervous.

Soon, five seconds passed!

The host announced excitedly:"Everyone! This year's individual number one has been born. He is our Lord Qin Feng!"

The audience burst into applause.

Everyone cheered.

The girls went crazy.

The scene was very lively.

Everyone in Yunyang City was overjoyed.

Chu Chu was even more happy.

The old man won the first place easily.

The reward for the high-grade Yuanwu is very good. It will be there soon.

At the same time, Flora sat in front of the TV and watched the scene with an expressionless face.

After all, he did not see the true nature of Qin Feng.

But there is no doubt that Qin Feng won the first place.

The next competition is the challenge of other rankings.

The Flower God is no longer interested.

"Sir, what should I do next?"

Feiying has already cleaned up the pieces of the tea cup and made another cup for the Flower God.

"I need Qin Feng's hunting information this time to find out which monsters he killed! how long?"

"Half an hour!", Feiying replied respectfully.

Her other identity is that of a senior official of the alliance.

It is not difficult to check these.

"good!"The flower god silently picked up the teacup and took a sip.

Feiying quickly dialed the phone and started to check.

Time flew by.

Half an hour later, Feiying found the information

"Sir, I found it. This time, Qin Feng hunted a six-star early-stage monster and two mid-stage six-star monsters, accumulating 1,300 points.", Feiying reported respectfully.

The Flower God frowned slightly: "Aren't there any late-six-star monsters?"

"No!", Feiying shook her head slightly.

"Sir, what do you think this Qin Feng is?"

The Flower God sighed: "Judging from the monsters he handed over, they should have the strength of late six-stars. But these don't show his true strength. Let's find out his address and I'll meet him personally! Feiying was shocked:"

Sir, didn't we be told not to act rashly?" Everything is centered on regaining the emperor's bones. What if something happens to scare the snake?"

Although Qin Feng is suspected, it has not been confirmed yet.

Besides, with Qin Feng's talent and qualifications, the alliance will definitely focus on protection.

If Qin Feng is not and they take action again, the entire Nandu City will definitely be turned upside down.

By then, Even if the Immortal Wood Emperor arrives, there may not be a chance to regain the emperor's bones.

The Flower God smiled coldly: "We are just testing, we don't necessarily have to take action. Have you ever thought about what if Qin Feng was the one who stole the emperor's bones? If the higher-ups don't need to come forward, we can take back the Emperor's bones. This is definitely a great achievement!"

The flower god took a leisurely sip of tea.

He was eager to make a great contribution.

Feiying was also moved.

She was already guilty, and she was eager to make a great contribution.

"Sir, what do you want to do?"

"Go test Qin Feng. Do you have a deep understanding of what changes will happen to people who have been exposed to the Emperor Yuan Fruit?"

The flower god looked at Feiying with a half-smile.

Feiying's pretty face turned slightly red.

Every time Yousha went to replenish the Emperor Yuan Guo with Emperor Liquid (water), after he came back, the demand became very strong.

"Sir, what do you mean?"

"How about you try him and see if he shows any signs of poisoning?"

The Goddess of Flowers glanced at Feiying's slim figure.

"this....", Feiying bit her red lips.

Deep down she was very amazed by Qin Feng's appearance.

She was thinking of another question.

Just after Yousha came into contact with the Emperor Yuan Fruit, his need became so strong.

If Qin Feng really ate the Emperor Yuan Fruit, the power would be terrible.

Can she handle it?

"Sometimes sacrifices need to be made for the sake of the mission.", the flower god spoke calmly.

Feiying nodded slightly: "I understand."..

Chapter 172

While Flower Goddess and Feiying were talking, on the TV, the game had begun to end, and the whole place was in jubilation.

Qin Feng also received his reward.

An hour later, Qin Feng, Zhou Tong, Chu Chu, and Zi Xi returned to the villa.

Shangguan Yunyang and Wei Qing went to receive the resource rewards from the city ranking.

At this moment, inside the villa.

Qin Feng took out an exquisite box with a look of joy, which contained this reward.

Chu Chu, Zi Xi, and Zhou Tong were all watching curiously.

Click~!

The box opened, revealing a pair of palm-sized red wings, which emitted a hot aura.

"Wow~! so beautiful!"

Chu Chu and Zi Xi both had little stars in their eyes.

Qin Feng smiled and took out the card in the box, which had an introduction to Yuanwu.

The three women gathered around to watch curiously.

Wings of the Fire Phoenix, a special high-grade Yuanwu , fire type.

It can be transformed into a pair of fire phoenix wings, and the flight speed is increased by 300%.

Can be used to attack: Wing Strike (single attack), Blade of Thousand Feathers (group attack)

Can be used to defend: Feather Shield (360-degree all-round defense))

After seeing this, Qin Feng was overjoyed.

With the Fire Wind Wings, his speed can exceed that of the mid-seven-star powerhouse.

In this way, even if he cannot defeat the mid-seven-star powerhouse, he can still escape.

Zhou Tong saw After finishing, he also exclaimed:"Tsk tsk! This is a special high-grade Yuanwu, and its value is worth two ordinary high-grade Yuanwu!

Chu Chu was overjoyed:"So good!" Brother, please refine it quickly!"

Brother got a good baby, and she is happier than anyone else.

Qin Feng smiled slightly, cut his fingertips, and dripped his own essence and blood onto the wings of the fire phoenix.

After the wings of the fire phoenix absorbed a few drops of blood, they were all over his body. The red light burst out, turning into a flaming phoenix, flying into the air, and then got into Qin Feng's body and disappeared.

Qin Feng could sense that it was in his body.

The high-grade Yuanwu is different from the middle and low-grade ones.

They are different. To begin to generate spirituality, it needs to be fed by essence and blood, so that there is a connection between Yuanwu and his master.

Once the essence and blood recognizes the owner successfully, even if the Seven-Star Monarch obtains it, it cannot use it unless the soul mark of the original owner is cleared.

To clear the mark, it is necessary Only the Eight-Star King can do it.

And Qin Feng can do it right away.

Because his seven-consciousness divine ring is about to be condensed.

The eight-star strong man can clear the soul mark, relying on the six-consciousness divine ring.

"Brother, have you refined it?", Chu Chu asked with concern.

"look!"

Qin Feng thought, and two huge phoenix wings appeared behind him, six or seven meters long, with blazing purple flames on them.

The temperature of the entire room suddenly increased.

"Wow~! So cool!"

Chu Chu and Zi Xi looked at Qin Feng with fascination.

Qin Feng was already very handsome, but now with this pair of phoenix wings, he really looked like a son of god.

At this moment, footsteps sounded outside the door.

Qin Feng hurriedly She folded her wings.

A beautiful woman with a majestic temperament walked in. It was Luo Li.

"Master Luo Li, did you come to see me?"

"Um~! ", Luo Li nodded slightly, "Master Neptune wants to see you!"

Qin Feng smiled slightly, "Let's go!"

He had expected that based on his performance, a higher-up would want to see him, but he didn't expect it to be so soon. Ten minutes later, Qin Feng met Poseidon, one of the three kings of the alliance, in a luxurious living room. Neptune has white hair, but his skin is as white and tender as a baby's. His body is very majestic, and he doesn't look old at all. When he raises his hands and feet, he seems to be in harmony with the heaven and earth, always giving people an overwhelming sense of pressure that never dissipates. Under that terrifying pressure, Luo Li was so frightened that she didn't even dare to breathe. On the contrary, Qin Feng seemed very relaxed and did not feel pressure. In fact, there is a sense of coercion and mental strength. The eight-star master has a six-consciousness divine ring, which creates a pressure of his own. The seven-star master's mental power is difficult to resist. But Qin Feng's mental power is extremely strong and has crossed the threshold of eight stars, so he can easily resist the pressure of Neptune.

"good! good!"

Neptune looked at Qin Feng with a look of surprise.

This young man was able to look at ease under his own pressure, which is amazing.

I'm afraid his mental power is stronger than Luo Li's!

The performance gap between Qin Feng and Luo Li is very big Obviously.

Neptune admires Qin Feng even more.

This young man has surprised himself this time. He must train him well. He will definitely become the fourth king of the alliance in the future.

By the way, some time ago, the Northern Alliance produced a genius with peerless talent. , just keep blabbering there.

What can I say, among the descendants of the Southern Alliance, there are no unparalleled talents, and the future is worrying.

Those guys in the north are just looking down on others.

It's ridiculous, their genius is so different compared to Qin Feng Much more.

Thinking of this, Neptune's face was full of smiles.

He will definitely try his best to cultivate Qin Feng

"Young man, I am very satisfied with your performance!"

"Thank you Wang Zun for the compliment!"

Qin Feng didn't dare to be negligent and quickly said modestly.

Neptune smiled slightly:"I am very curious, what is your strength now? Have you reached Six-Star Dzogchen?"

"There should be!"Qin Feng said very modestly.

In fact, his strength is absolutely top among the early seven-stars.

Even if he faces the mid-seven-stars, he can protect himself and escape.

But as soon as he said these words, a strange color flashed across the eyes of Neptune.

In fact, Hai** just said it casually.

In his opinion, it is very good if Qin Feng can reach the late six-star level.

If he reaches the six-star perfection, he will have exceeded his expectations. Is this young man so powerful?

"Little guy, then take my finger and give it a try!"

Neptune smiled slightly, and flicked out a white light from his finger, shooting straight towards Qin Feng's face.

The power of the white light was comparable to the full blow of the Six-Star Dzogchen.

Qin Feng quickly took action and blasted away the white light with one punch. , easily blocked

"Ha ha!! good!"

Sea King was overjoyed and praised loudly.

He originally thought that Qin Feng would take out weapons or something to resist.

But unexpectedly, Qin Feng blocked it with his bare hands.

With such strength, he is definitely the best among the six-star perfection.

On the side Luo Li was also shocked, and her eyes when looking at Qin Feng changed quietly.

This guy is much better than she imagined!

"Young man, you did not disappoint me... Hey! This is what you have...."

Neptune seemed to sense something. He jumped up from his seat and walked directly to Qin Feng to take a look.

This sudden change shocked Qin Feng.

Even Luo Li was stunned.

At this moment, Neptune suddenly reached out and pressed Qin Feng's chest with his palm.

Qin Feng was shocked. He wanted to avoid it, but was horrified to find that he couldn't move at all.

After pressing that palm, a strange energy rushed into his body.

Immediately, the blood all over his body boiled inexplicably.

The true dragon's blood hidden in his blood suddenly awakened.

Ang~!

A dragon roar sounded out of thin air in Qin Feng's body.

The majestic dragon power emanated from his body and instantly enveloped a kilometer in radius.

At this moment, people within a kilometer radius were shocked.

They sensed that an ancient giant had awakened from a deep sleep and was slowly opening its eyes.

The feeling of being spied on by gods made them terrified.

How is this going?!

Within a kilometer, those passing by looked around in fear.

At the same time, inside the house, Neptune was flushed with excitement.

"Longwei! You actually have dragon power! Very good! This is so great!"

The King of the Sea slowly withdrew his left hand.

The blood in Qin Feng's body stopped boiling.

The majestic dragon's power returned to his body, and all the strange phenomena disappeared out of thin air.

Qin Feng was surprised and secretly checked his body. There was nothing abnormal.

He again Looking up, he saw Luo Li looking at him in great shock, as if he had seen something extremely surprising.

Neptune looked at him with a smile on his face, and the fire god's eyes looked like he had discovered a big treasure..

Chapter 173

Qin Feng is not surprised that he has dragon power.

He killed the Fish Mirage Emperor and obtained a drop of true dragon's blood. After refining, he gained dragon power.

As long as he wants to, he can inspire dragon power at any time.

But what do the expressions of Neptune and Luo Li mean?

"Qin Feng, how can you have dragon power?", Neptune looked curious.

"this....",Qin Feng hesitated.

He definitely can't talk about the system.

"Back to Wang Zun, I don't know, it seems like it was born!", Qin Feng was talking nonsense.

But Neptune nodded slightly:"It is rumored that our Chinese people are descendants of dragons. It seems to be true. Otherwise, you would not be born with dragon power."

Neptune actually believed it.

Then, he said with joy:"The Deep Sea Clan recently gave birth to a genius with dragon power. I am still thinking that we humans may suffer a loss this time the secret land is opened."

"Unexpectedly, we humans also have a genius with dragon power, and it is in our Southern Alliance, and that is you! Luo

Li also said happily:"Wang Zun, this is a blessing for us humans!""

Qin Feng was stunned for a while.

What secret was opened?

What blessing for mankind?

The King of the Sea saw that Qin Feng was confused.

He smiled slightly, stepped forward, and sat back down silently.

"Qin Feng, are you curious?"

"I hope Wang Zun will inform you!", Qin Feng said respectfully.

Neptune smiled and said: "Are you familiar with the Emperor's Ooze? Do you know where they come from?"

Qin Feng shook his head slightly.

"They were obtained from a secret place called Longxu. That secret place is somewhere in the deep sea, controlled by the seven major alliances and the deep sea clan. It can be said that it is the only foundation of our earth"

"The Starry Sky Beast Clan has always coveted Dragon Ruins. If we humans hadn't joined forces with the Deep Sea Clan, we might have been occupied by the Starry Sky Beast Clan."

Qin Feng was surprised when he heard this.

The so-called deep sea clan is the monster beast clan on the earth.

On land, humans are stronger.

In the deep sea, monster beasts are stronger.

But both humans and monster beasts belong to the indigenous people of the earth.

The second of the two They are constantly fighting each other.

But when faced with the invasion of the Starry Sky Beast Tribe, the two races will join forces.

After all, the Starry Sky Beast Tribe is the invader.

But even if humans and the Deep Sea Tribe join forces, they are no match for the Starry Sky Beast Tribe.

The earth once wanted to It was captured by the Star Orcs.

But at the moment of crisis, Dragon Ruins was discovered.

Its appearance greatly increased the cultivation speed of humans and the Deep Sea Clan, improved their overall strength, and even helped humans give birth to one or two nine-star strong men.

Humans and The Deep Sea Clan could barely resist the invasion of the Star Beast Clan.

The Dragon Ruins became the holy land jointly controlled by the seven major alliances and the Deep Sea Clan.

However, the opening time of this holy land is uncertain. Sometimes it takes thirty or forty years, sometimes it takes five or six years. Ten years.

Before each start There must be dragon power appearing.

Of course, the Land of Dragon Ruins not only produces Emperor Ooze, but also produces many extremely rare genius treasures.

Some are even more than a hundred times more precious than the Imperial Ooze.

But deep in the Dragon Ruins, there are some mysterious places that require people with dragon power to enter.

And the treasures there are everywhere, and entering is like picking up money.

Every time people from the seven major alliances and the Deep Sea Clan enter Longxu, they can only drool looking at those places, but they have no way to go in.

Therefore, Neptune was very excited when he discovered that Qin Feng had dragon power.

Qin Feng was also very excited after hearing this.

Emperor Liuqing was in front of the Eight Stars, which was helpful for his cultivation, so it was naturally of great use to him.

What's more, he can devour it directly and digest resources more than ten thousand times faster than the seven-star powerhouse.

If he can enter the secret place, he will definitely benefit greatly.

At this time, Neptune spoke again: "Dragon Ruins is not unique to our Southern Alliance, but is shared by all forces on Earth. In order to fairly share the resources inside without causing too much damage,"

"The forces agreed that only those with eight stars and below could enter the treasure hunt. At the same time, the number of places to enter must be limited. We in the Southern League only have five spots, and each one is very precious."

"I decided to help you apply for a quota.....It's just your strength....."

Neptune looked at Qin Feng and became a little worried again.

"Wang Zun, just say it clearly!"

"Why~! ", Neptune sighed helplessly, "Let me tell you this, there are many treasures in the Dragon Ruins, but they are also full of dangers. With your six-star perfection strength, you are still too weak, and it is easy for something to happen."

" Here, Neptune was even more hesitant.

Although Qin Feng's entry into Longxu could bring endless benefits to the Southern Alliance, it was too dangerous and Qin Feng could easily fall.

This Qin Feng is a super genius who is rare to see in a century. It would be a pity if he died like this.

Neptune is reluctant to give up

"Wang Zun, what kind of strength is needed to be qualified to enter the Dragon Ruins?", Qin Feng couldn't help but ask

"The lowest strength for all major forces to enter is the mid-seven-star stage. If you want to protect yourself, you must at least have the strength of an early seven-star. otherwise...."

Neptune did not continue.

Qin Feng smiled in his heart.

His current strength is completely at the early stage of Seven Stars.

But at this moment, Neptune seemed to have thought of something and hurriedly asked:"By the way, are you a Fire Element Master?"

"Um, yes!", Qin Feng was confused.

Neptune's eyes lit up:"I have thought of a way. Now that you are in the late stage of four-star cultivation, you have the strength of six-star Dzogchen. If you were allowed to break through to the early five-star stage in a short period of time, you should have the strength of the early seven-star stage, right? Luo

Li was shocked:"Wang Zun, there are only more than ten days before the opening of Dragon Ruins. Is it too late?"

Neptune smiled:"If it were an elemental master from other departments, it might not be in time." But Qin Feng is of the fire element, so there is a glimmer of possibility.

Luo Li was surprised:"Why?"

Neptune smiled and said,"Have you forgotten?" Our Majesty is the Nine Star Fire Elemental Master. If Qin Feng can be allowed to enter His Majesty's forbidden area and practice for more than ten days, his strength will definitely improve by leaps and bounds. Even if he breaks through to the early stage of five stars, it is not impossible."

"Yes!", Luo Li's eyes lit up.

This is indeed a good idea.

The forbidden area of the Nine-Star Emperor is not an ordinary place.

Many eight-star kings want to go in and practice, but they have no chance, let alone the seven-star.

If Qin Feng can go in and practice, then It's definitely a great opportunity.

Of course, the Emperor's Forbidden Land has a special feature. It is only useful for elemental masters of the same type.

Qin Feng was also very excited when he heard this method.

He was originally considering whether to tell Neptune that he had The strength of Seven Stars in the early stage.

He didn't want to miss the opportunity to enter the Dragon Ruins.

After all, the Dragon Ruins only opened once every few decades. If he missed it, he would have to wait for decades. Now it seems that it is better for him not to say anything.

Pretending to be strong If it's not enough, you can get the opportunity to enter the Emperor's forbidden area to practice, why not?

At this time, Neptune said again:"Of course, I can't guarantee whether you can enter His Majesty's forbidden area to practice. I need to apply to His Majesty for this matter!"

"Junior understands!",

"good! You go back first! If there is any news, I will ask Luo Li to inform you!"..

A quarter of an hour later, Qin Feng and Luo Li left Neptune's official residence.

Along the way, Luo Li kept looking at Qin Feng, with a hidden brilliance in his beautiful eyes.

"Why do you keep looking at me?", Qin Feng was surprised

"You're always so shocking!", Luo Li praised without hesitation.

Qin Feng is really outstanding.

Whether it is appearance or talent, he is so outstanding that people look up to him. She appreciates this young man more and more, and her heart has long been in turmoil.

"Have you recovered from the poison of love|desire?", Luo Li suddenly asked.

Qin Feng smiled bitterly:"The poison was only temporarily suppressed, not eliminated at all....."

"Oh~"

The scene from last time appeared in Luo Li's mind unconsciously, and she blushed.

"Qin Feng, you must find a way to deal with your toxins as soon as possible!"

Luo Li looked serious.

"You keep suppressing it like this, that's not the way to go"

"I know..", Qin Feng smiled helplessly

"I didn't report to Lord Neptune about your poisoning....."

Qin Feng nodded slightly to express his understanding.

It's a bit embarrassing after all.

Luo Li continued:"But now it seems that if we don't report it, we may not be able to do it."....."

"Well...it's better not to do it!"Qin Feng rolled his eyes angrily.

Luo Li said helplessly:"Have you ever thought about it? If Lord Neptune helps you apply for the opportunity to enter the Emperor's forbidden area to practice. What should you do if you get poisoned in a forbidden place?"

"There's no place for you to take a bath there. There is nothing you can do to suppress it. If you think about it again, if you hold yourself up like that in the forbidden area, the emperor will definitely notice it immediately, which is disrespectful to the emperor....."

"this....", Qin Feng frowned.

This is indeed a problem.

Luo Li sighed:"So, I will report your problem to Lord Neptune now. He will definitely help you deal with this hidden danger as soon as possible....."

Luo Li knew it very well.

That kind of toxin is not difficult to remove.

As long as Qin Feng is poisoned, arrange a female companion for Qin Feng.....

If Neptune knew about it, he would most likely arrange for himself to be Qin Feng's female companion to help Qin Feng detoxify.....

She knows Aquaman.

Neptune can do this.

Therefore, she had been hiding it before.

But now, she has changed her mind and she wants to report it....

"Master Luo Li, can you not report it? I'll figure it out myself...."

Qin Feng didn't want more people to know.

After all, this matter reminds people of Emperor Yuan Guo, the fewer people know about it, the better.

"How to deal with it? Have you found a female companion?"

"No!"

"That's it, we can't delay this matter...."

"I will try to find it as soon as possible...",Qin Feng sighed helplessly.

Hearing this, Luo Li panicked.

With Qin Feng's conditions, he could find it at any time if he wanted to...

When she thought of Qin Feng casually finding a female companion to detoxify, she felt sour in her heart.

"Qin Feng!", Luo Li looked at the young man in front of her seriously,"I don't want you to just find a female companion just to detoxify... Otherwise, if the poison attacks next time, you can contact me....."

After Luo Li finished speaking, she turned her head away, her pretty face turning red.

Qin Feng was stunned:"Master Luo Li, I am not here to suppress the poison this time, but to detoxify it. You....."

"I know....", Luo Li's face turned redder.

Qin Feng took a deep breath:"Are you serious?."

"You talk a lot, remember to contact me when the time comes....."

Luo Li quickened her pace and walked forward.

She was a little embarrassed to see Qin Feng.

Looking at Luo Li's graceful back, Qin Feng smiled and left..

Chapter 175

Half an hour later, Qin Feng returned to the villa alone.

Shangguan Yunyang and Wei Qing also returned.

The two of them had received the resource rewards, and both looked happy.

At this moment, in Qin Feng's room

"Deputy City Lord Qin, the resources in this ring belong to you, please accept it!"

Shangguan Yunyang handed over the ring respectfully.

The resources were rewarded, which belong to the development fund of the entire Yunyang City.

As a contestant, each person can receive a 10% share of it.

"The city lord is welcome!", Qin Feng accepted it at will.

But the next second, he was a little surprised

"so much?!"

Qin Feng looked at Shangguan Yunyang in surprise.

The resources in this ring are so rich!

There are 2,000 ml of Emperor Guang's ooze (fire), which is as valuable as an ordinary high-grade Yuanwu!

There are also 2 An Essence Pearl, 4 six-star demon cores, and 50 billion coins.

This is too rich!

Even if Yunyang City won first place, there shouldn't be so many!

Wei Qing on the side smiled and said:"Deputy City Master Qin, this time our Yunyang City won the first place, it is all due to you alone, so the City Master will give you 40% of the reward!

Qin Feng suddenly realized:"City Lord, it doesn't have to be like this!" As usual, I only take one!

Shangguan Yunyang said hurriedly:"How can this be done?" This time, if it weren't for City Lord Qin Feng, we wouldn't be able to get any rewards, let alone get first place."

"In fact, we originally only planned to finish 25th, and it didn't matter if there were any rewards or not. The harvest this time exceeded expectations dozens of times. And this is all your fault. Wei Qing also persuaded:"

Deputy City Lord Qin, just accept it!" If you don't accept it, both the city lord and I will feel bad. In fact, even if 60% of the resources are left, it will be enough for our Yunyang City to achieve great development."

"That's fine!", Qin Feng silently accepted it.

Shangguan Yunyang and Wei Qing both looked happy.

This time, Yunyang City did get such a huge benefit because of Qin Feng.

"By the way, where is Chu Chu?"Qin Feng didn't see the girl when he came back.

Wei Qing smiled and said:"Miss Chu Chu went into seclusion to break through....."

It turns out that Chu Chu also received resource rewards.

Shangguan Yunyang obviously looked at Qin Feng's face, and also allocated many rewards to Chu Chu.

Not only was he given 100 Bing Yuan Dan and 100 ml of Emperor Liquid Slurry (ice).

He also gave a six-star essence pearl for Chu Chu to wear in order to increase his mental power.

After Chu Chu obtained these resources, she immediately went to retreat.

Qin Feng was very pleased to hear the news.

This little girl has been stuck in One-Star Dzogchen for some time, and it's really time for her to break through.

After Shangguan Yunyang and Wei Qing left, Qin Feng began to digest those resources.

Half an hour later, he had digested all the resources.

There are also five remaining star pattern fragments from last time, all of which have been digested.

His strength has undergone earth-shaking changes again.

Qin Feng opened the training template with a look of anticipation.

Practitioner: Qin Feng (Emperor Level)

Hunyuan Realm (Seven Elements): Four-Star Dzogchen (5th Star Pattern 87%)

Seven Elements Attributes: Ice (Water), Wind, Fire, Thunder, Earth, Wood, Metal

Combat Power Index: 2 million points

Space ability: Level 2 (sensitivity 4.8, teleportation limit 140 meters)

Seven senses divine ring: completion degree 91%

"Ha ha!! good!!!"

After reading the data, Qin Feng was overjoyed.

Those abundant resources not only allowed him to break through to the four-star perfection, but also reached 87% of the fifth star pattern.

And his combat power also reached 2 million points, which happened to be in the early stage of seven-star threshold.

His overall strength is comparable to some weak mid-seven-star players.

"Huh! The spatial sensitivity reaches 4.8....."

Qin Feng made another surprising discovery.

When the spatial sensitivity reaches 5.0, the spatial ability will be upgraded to the third level.

At that time, his spatial twisting and teleportation will be greatly strengthened.

At the same time, new space skills will be awakened.

In this way, his strength will be improved again, and it should be comparable to an ordinary mid-seven-star.

To increase the sensitivity from 4.8 to 5.0, only two ordinary Jing Yuan beads are enough.

He doesn't lack money now, he just lacks market.

Qin Feng took stock of his resources and found that he had more than 80 billion coins and some miscellaneous small things.

In addition, there are eight corpses of early six-star monsters, four corpses of mid-six-star bodies, four late-stage bodies, and one six-star Dzogchen body.

This is a lot of money!

Qin Feng felt comfortable.

Next, his task is to acquire Jingyuanzhu and six-star demon core to prepare for the future.

It's just that there are no Jing Yuan Pearls and Six-Star Demon Cores for sale on the market. Where can he buy them?

Qin Feng was a little worried.

You might want to ask Luo Li about this.

At this moment, footsteps sounded outside the villa.

Then, a hearty voice sounded outside the hospital

"Ha ha!! Wu Gan meets Lord Qin Feng. I wonder if Mr. Qin Feng is in the house?"

"Lu Xuan also came to ask for a meeting!".

Chapter 176

Qin Feng was surprised, why did these two people come here?

Then, he whispered to the outside:"You two, come in!"

A quarter of an hour later, in the living room.

Qin Feng received Wu Gan and Lu Xuan.

After Zhou Tong made tea for the three of them, he left.

Today, Qin Feng's status in Yunyang City is very transcendent.

At this moment, there are only three of them left in the hall

"What do you two want from me?" Qin Feng sipped the fragrant tea leisurely.

Wu Gan and Lu Xuan looked at each other.

The two of them looked at the living room and saw that there was no one else.

Lu Xuan lowered his voice and said:"Master Qin Feng, the two of us are here this time to meet He. Do you make a deal?"

"oh? What deal?", Qin Feng put down the tea cup

"I wonder if Lord Qin Feng can sell the body of the giant crab demon to me?"

After saying this, Lu Xuan became a little nervous.

This was equivalent to telling Qin Feng that he knew that the man in black he saw was Qin Feng.

He was a little afraid that Qin Feng would fall out.

Qin Feng did not answer directly, but seemed to be smiling. Looking at Wu Gan with a non-smile

"And you?"

Wu Gan swallowed his saliva:"I want to buy the body of Yingyu. It will be of great use to me..."

Wu Gan was also a little nervous.

Looking at the nervous expressions of the two, Qin Feng smiled slightly.

He knew that these two people had already He guessed which man in black he was.

In fact, it's not a big deal.

After all, Wu Gan and You Shar are not on the same side.

They don't know about the Emperor Yuan Fruit at all.

Don't talk about them, not even Neptune. I know.

The only one who knows is the group of You Shar.

Qin Feng has a vague suspicion that You Shar, Yao Dao and others are part of the same organization.

"Master Qin Feng, what do you say? Lu

Xuan asked with some anxiety.

The corpses of late-stage six-star monsters are indeed of great use to them.

But late-stage six-star monsters are difficult to find, and it is not easy to kill one.

Otherwise, they would not come to bother them.

Qin Feng pondered for a while: "I can sell it to you! I have three conditions!"

Lu Xuan and the two were pleasantly surprised.

They were afraid that Qin Feng would not agree.

Now that they agreed, everything would be easy to talk about.

"Sir, what are the conditions? Just say it!"

Wu Gan and Lu Xuan answered readily.

"First point, don't let others know that you bought the corpse of a late six-star monster from me. I don't want to be disturbed."

"no problem! do not worry!"

"Second point, the corpse I gave you does not have demon core or essence beads."

"Ha ha!! That doesn't matter! What we need is their shell and skeleton...."

"The third point is, you can exchange it for Jingyuanzhu and six-star demon core. I don't need money."

"This is no problem...."

The transaction went very smoothly for both parties.

A unanimous agreement was soon reached.

Wu Gan and Lu Xuan both hunted a mid-six-star monster in the competition and both had Jing Yuan Pearls in their hands.

Both of them exchanged a mid-six-star essence pearl and demon core for a late-six-star demon corpse.

Later, Qin Feng learned that the two of them had just received resource rewards and had a lot of emperor fluid on their bodies.

He spent all his 80 billion.

I bought 500 ml of Imperial Liquid Liquid (Fire) and 300 ml of Imperial Liquid Liquid (Ice) from two people.

The emperor's liquid slurry (ice) was prepared for Chu Chu.

The transaction is completed and both parties are happy

"You two, do you know where I can buy the six-star demon core and the essence pearl?"

Qin Feng asked curiously.

He urgently needs these now.

Wu Qiandao:"These things are very rare and there is no circulation in the market. By the way, in this competition, the six-star contestants have all hunted down six-star early-stage monsters. How about I ask for you to see if they can sell it? Qin Feng was delighted:"

Then I'll trouble Lord Wugan."

Wu Gan smiled heartily:"These are all trivial matters!"

Lu Xuan also interjected:"Maybe others also have stocks in their hands." Otherwise, I'll ask Mr. Qin Feng too! Qin Feng was overjoyed:"

Thank you very much!""

"Lord Qin Feng, there's no need to be polite, it's just a small matter!"

The two parties had a great conversation and got closer.

Wu Gan and Lu Xuan are both first-level city lords and have very high connections in the cities.

Qin Feng believes that as long as the two of them come forward, they will definitely gain something.

In his heart They were also looking forward to it.

Half an hour later, Wu Gan and Lu Xuan left reluctantly.

They also intended to make friends with Qin Feng.

Such a talented young man will definitely be a high-level member of the alliance in the future, and they naturally want to have a good relationship.

After sending Wu Gan away The two of them, Qin Feng returned to his room, took out the two Jingyuan beads with excitement on his face, and swallowed them in succession.

"Ding! Successfully swallowing the Essence Pearl, the spatial sensitivity increased to 4.92... The completion degree of the Seven Consciousness Divine Ring increased to 91.8%....."

"Ding! Successfully swallowing the Essence Pearl, the spatial sensitivity increased to 5.04... The completion degree of the Seven Consciousness Divine Ring increased to 92.6%....."

"Ding! Congratulations on improving the host space ability to level three.....Space torsion is greatly enhanced, and the limit of space teleportation is increased to 300 meters....."

"Ding! Congratulations to the host for awakening the third space skill - Space Summoning (a special king-level skill!)....."

Space Summoning: Summon the contract object to your side (within a million miles).

Prerequisite for awakening: You must first obtain the super skill - Spiritual Contract!

When Qin Feng killed the Fish Mirage Emperor, he obtained a spiritual contract.

Ha ha!!!

Qin Feng was pleasantly surprised.

He finally got his first king-level skill!

At the same time, his eyes lit up, and he instantly thought of how to bring Chu Chu into the Dragon Ruins.

Chu Chu's time ability is extremely powerful.

With Chu Chu's help, there may be greater gains..

Chapter 177

As far as Qin Feng knew, the place to enter the Dragon Ruins was extremely precious.

Just like Luo Li, whose cultivation is at the peak of the mid-seven-star stage, he may not have the chance to enter the Dragon Ruins.

In fact, other forces have long been fighting over the issue of places to enter the Dragon Ruins.

In order to compete for a spot, internal staff even fought fiercely.

The reason why the Southern Alliance is so calm is because Emperor Jiutian Feng has not yet left seclusion, and the people below do not dare to make trouble.

But once the emperor comes out of seclusion, this matter will be raised, and a fierce competition is inevitable.

Even a being like Qin Feng is not 100% able to get in.

There are three kings in the alliance.

In addition to the Neptune King, there are also the Land King and the Heavenly King, all of whom compete with each other.

Qin Feng is now considered the power of the Sea King.

If Neptune wants to recommend Qin Feng, the other two kings may not have nothing to say.

After all, being able to enter the Dragon Ruins represents a huge opportunity.

This opportunity only comes once every few decades. If you miss it, you will have to wait for another few decades.

Each king wanted to arrange for his own people to enter.

In the eyes of the kings, Qin Feng had a flaw, that is, lack of strength.

If the arrangement is forced, will the quota be wasted?

Qin Feng himself was a little worried.

The weakest ones who can enter Dragon Ruins are those in the middle stage of Seven Stars, and those in the late stage of Seven Stars and Dzogchen are also common.

In terms of strength, he doesn't have many advantages.

What's more, he still wants to cheat and bring Chu Chu in

"It seems that I must break through to five stars as soon as possible!!"

Thinking of this, Qin Feng refined all the Emperor Ooze (Fire) he had just obtained.

The completion rate of his fifth star pattern reached 99.6%.

He was only one step away from breaking through to five stars.

Qin Feng was very satisfied..

However, it took a full 500 ml of Emperor Flow Serum (Fire) to increase his fifth star pattern from 87% to 99.6%.

As his cultivation level increases, the condensation of this star pattern becomes more and more difficult, and it takes a lot of consumption. Resources are becoming more abundant.....

Time flies.

In a blink of an eye, it was noon the next day.

At this moment, Qin Feng lives in the living room.

Qin Feng was chatting enthusiastically with an old man.

This old man is a six-star mid-level powerhouse.

He was introduced by Wu Gan

"Ha ha!! Lord Qin Feng, this transaction is very pleasant, I won't disturb you anymore!"

"good! Duke, walk slowly!"

"Easy to say! Easy to say!"

The two sides were polite.

The old man left with a happy face.

After seeing the old man off, Qin Feng returned to his room in a happy mood.

He closed the door and took out five Jingyuan beads from the storage ring..This is what he gained all morning.

After the introductions of Wu Qian and Lu Xuan, many six-star masters came to visit this morning.

These people came to trade with Qin Feng for essence beads and six-star demon cores.

Qin Feng's harvest was very good.

He bought 5 Jingyuan beads and 16 six-star demon cores in one morning.

At this moment, Qin Feng looked at the Jingyuan beads in his hand and showed a satisfied smile.

The next second, he swallowed one Drop it

"Ding! Devouring the Essence Pearl Successfully.....The completion degree of the Seven Consciousness Divine Ring has been increased to 93.4%....." good!

A six-star early-stage Jingyuan Pearl can increase the degree of completion by 0.8%.

Qin Feng swallowed the remaining four essence beads, and the completion degree of the Seven Consciousness Divine Ring increased to 96.6%

"The Seven Consciousness Divine Ring will be completed soon!"

Qin Feng licked his lips with unfinished thoughts.

He is still 3.4% short of being able to condense the Seven Consciousness Divine Ring.

In other words, he only needs to swallow four or five more Jing Yuan Pearls.

"It's still early, there should be people coming to trade....."

Qin Feng returned to the living room in a happy mood, waiting for the person who made the transaction to come to the door.....

Time flies.

In a blink of an eye, it was afternoon.

In the living room, Qin Feng sat on the sofa and drank tea silently.

He was confused.

He waited from noon to afternoon, but no one came to trade.

This is obviously in great contrast to the situation in the morning.

This is strange!

When something goes wrong, there must be a monster!

Is someone up to something?

This thought came out of Qin Feng's heart inexplicably.....

At the same time, in the city, in that luxurious apartment.

The flower goddess stood on the balcony, looking up at the sky.

The afterglow of the setting sun shone on his face.

The sun is going down

"Hey~! There are only two and a half days left!"

The Goddess of Flowers sighed quietly.

He had just received a notification from the top.

The Immortal Wood Emperor had already set off. He would arrive at Nandu City in two and a half days.

He wanted to find the emperor's bones before the Immortal Wood Emperor arrived, but it seemed a little too late.

At this moment, the sound of high heels hitting the ground was heard behind him.

A slim and sexy figure walked behind him

"My lord, everything has been arranged.....", Feiying respectfully reported

"oh? Did you buy both the demon core and the essence pearl?" Flower God never looked back

"Yes! The price we offered was double that of Qin Feng, and those guys were rushing to sell it to us. Qin Feng should not be able to receive the demon core and essence beads, because they have been acquired by us."

"good!", Flora showed a smile on her lips, "Then you act as planned!"

"Subordinates obey!" Feiying took the order and left.

The Flower God turned back, looked at Feiying's sexy and enchanting back, and showed a strange smile on her lips.

This beautiful woman may have to bear Qin Feng's rain and dew tonight.

He should also cooperate with the action.

The next second, the flower god's body automatically decomposed into countless white petals and flew out of the window.....

At the same time, the villa area.

Qin Feng was sitting on the sofa in the living room, deep in thought.

At this time, footsteps sounded upstairs.

Chu Chu jumped downstairs.

This little girl left seclusion two hours ago.

This time, she has made great progress and has broken through to the mid-two-star level.

"Have you adapted?", Qin Feng looked at his sister dotingly

"whee! Completely adapted to it!", Chu Chu sat down next to Qin Feng affectionately.

Just now, Qin Feng and her completed a spiritual contract. Qin Feng is the master, and Chu Chu is the slave.

For the space summon, both parties must sign a contract before they can be summoned.

They just signed it Chu Chu was still a little dizzy about the contract, but now she is fully accustomed to it.

The contract Qin Feng cast on Chu Chu did not cause any harm, but instead made the relationship between the two more intimate. It was a feeling from the depths of the soul.

"Chu Chu, this is for you!"

Qin Feng smiled and took out three bottles of Emperor Ouyang (ice)

"Wow! So many!", Chu Chu took it with a face of joy.

This is 300 ml of Imperial Liquid Serum (Ice).

She is on track to break through to three stars.

"Huh! Brother, is there no one here to sell Jingyuan beads and six-star demon cores this afternoon?", Chu Chu put away the Emperor Liujian (ice)

"No!", Qin Feng silently put down the teacup in his hand

"Strange! It was so busy in the morning, why was there no one there in the afternoon? Brother, what's going on?"

Qin Feng smiled slightly: "I don't know! However, if my expectations are correct, someone will contact me soon, and it will be about the Jing Yuan Pearl and the six-star demon core....."

As soon as he said these words, Qin Feng's cell phone rang, and the caller was an unknown number.

He easily answered the phone.

A female voice sounded on the other end of the phone

"Lord Qin Feng, I want to make a deal with you. Are you available?"

"What deal?"

"Six-star demon core and essence pearl....."

Chapter 178

"how much do you have?", Qin Feng asked calmly

"Four essence beads, thirteen six-star demon cores.....", The voice on the other end of the phone is very seductive.

"price?", Qin Feng asked quietly

"I can sell it to you at half the market price....."

"Why?", Qin Feng asked

"Very simple! I have something to ask for. As long as Lord Qin Feng can do the little girl a favor, these things can be sold to you at half price....."

"oh? What are you busy with?"

"It's not convenient to talk on the phone... Lord Qin Feng, are you free for an interview?", the woman's smile came from the phone

"All right.....", Qin Feng readily agreed

"I'll send you the address later....."

After hanging up the phone, Qin Feng calmly took a sip of tea.

"Wow~! Brother, you guessed so accurately!", Chu Chu looked amazed.

Qin Feng sneered:"If something goes wrong, there must be a monster! Do you think this woman has good intentions?"

"Well~! ", Chu Chu was surprised,"Brother, do you still want to go?"

"why are you not going?! She said that there are essence pearls and six-star demon cores. It should be true... Since there is, why should I miss it?"

Qin Feng's lips curved into an evil smile.

If what he expected was true, this woman first bought the Jingyuan Pearl and the Six-Star Demonic Core at a high price, and then came to find him...

At this moment, the phone vibrated, and here it was. Qin Feng opened the text message and took a look.

The meeting address was a six-star hotel, which was a little far away from the alliance government.
.....

The other party has already made a plan

"Brother, do you really want to go?", Chu Chu worried

"go! By the way, let me tell you....."

Qin Feng whispered in Chu Chu's ear.

After hearing this, Chu Chu looked strange.

Qin Feng smiled:"Little girl, when the time comes, just do as I say, I'll go first....."

At the same time, there is a star-lord hotel.

In a unique box.

Feiying smiled and put away her phone.

She just sent Qin Feng the address.

She was confident that Qin Feng would come.

By then, she can give it a try.....

Qin Feng's handsome face appeared in Feiying's mind, and her cheeks turned red.....

Twenty minutes later, Qin Feng arrived at the hotel.

At this moment, he was wearing a hat and a mask to cover his face, and wearing a loose black suit, walking down the aisle on the seventh floor.

No one could see him, not even the monitors in the hallway.

Room 1922.....

This is it.

Qin Feng smiled charmingly and stepped forward to knock on the door.

The moment he knocked on the door.

Inside the hotel, in a private room on the 19th floor.

The Goddess of Flowers stood on the balcony, leisurely sipping red wine and admiring the beautiful scenery at dusk.

He is in a very anxious mood now.

He has been waiting for Qin Feng secretly, but he has not seen Qin Feng appear for a long time.

However, a man in black wearing a hat entered the hotel just now.

He actually couldn't see through the man in black.

That guy is somewhat mysterious and very powerful.

His mental power is also stronger than his own, otherwise he wouldn't be able to see through it.

Flower God did not doubt that the man in black was Qin Feng.

He felt that Qin Feng was only seventeen years old, how could he be mentally stronger than him?...

But at this moment, in the corridor on the seventh floor,

Qin Feng covered his face with a sneer at the corner of his mouth.

His mental power is infinitely close to the level of the Eight-Star King, more than ten times stronger than the Flower God.

The moment he stepped into the hotel, he spotted the Flower Goddess.

The late seven-star powerhouse!

This made Qin Feng feel dangerous.

He had a vague feeling that this late-stage Seven-Star powerhouse and the woman he was dating might be in the same group.

Bang~! Bang~!

Qin Feng knocked on the door.

Crack~!

The hotel room door opens.

An extremely beautiful woman appeared in front of Qin Feng.

This woman was wearing a moon-white cheongsam and red high-heeled shoes. She had a slim figure and white skin.

It's just that the cheongsam is too short.....

"Who are you?", Feiying looked at the masked man in front of her with some doubts.

Qin Feng walked in without saying a word, then took off the mask, revealing his true face.

When Feiying saw it was Qin Feng, her beautiful eyes instantly lit up, pretty His face turned red unconsciously.

This boy is so handsome!

Feiying's heart beat wildly.

Sure enough, he is more handsome in real life than on TV!

There is nothing to say about his temperament.....

"Lord Qin Feng.....Why are you dressed like this?"

Feiying smiled charmingly, her beautiful eyes staring straight at Qin Feng, almost dripping with tears.

If she was acting under orders before, now she is doing it willingly.....

Such a charming young man is so charming.....

"There are so many people who know me now. If I don't hide a few things, I will easily be surrounded by people asking for my autograph when I walk on the street....."

Qin Feng randomly found a reason.

Feiying believed it

"Mr. Qin Feng, please sit down.....",Feiying gently closed the door.

At the same time, the flower god on the nineteenth floor was a little surprised.

The man in black was actually Qin Feng.

How could that kid's mental power be higher than mine?

There must be some secret technique used!

The flower god was surprised and continued to spy secretly with his spiritual power..It

's just that what he did had been noticed by Qin Feng a long time ago.

But in the private room on the seventh floor, Qin Feng took a look at the furnishings in the room.

There are wooden tables, coffee tables, and wooden tables. The style is a bit primitive, but it also has a unique charm.

He sat generously at the coffee table.

Feiying stepped forward with a smile and bent down to make tea.

"Mr. Qin Feng, please have tea....."

Feiying smiled and put the tea cup in front of Qin Feng, then sat down opposite Qin Feng

"Where's the goods?"Qin Feng got straight to the point.

Feiying covered her mouth and smiled:"Of course I will! Sir, look!"

Then, with a casual move, a budding white flower appeared on the table.

The next second, the white flower bloomed, revealing the things inside, 4 Jingyuan beads and 13 six-star demon cores.....

Qin Feng's eyes showed joy.

These are just what he needs.

However, he also discovered that the lotus flower had its own barrier. Without the strength of seven stars or above, the barrier could not be broken and the contents inside could not be taken out.

"Are these half price?", Qin Feng asked with a smile

"No! for free!" Feiying looked at Qin Feng affectionately,"As long as Master Qin Feng promises the little girl one thing, I will give these to you....."

Qin Feng was curious, what kind of medicine was being sold in this woman's gourd?

"Say it! What's up?", Qin Feng seemed to be smiling but not smiling.

Feiying said shyly:"I hope you can help me.

Chapter 179

Feiying said shyly:"I hope you can help the little girl get pregnant."...."

Qin Feng:"....."

Qin Feng was a little surprised.

He took a deep breath and looked at the woman calmly

"give me a reason....."

"Why~! ", Feiying sighed quietly, "If I said that my husband is infertile. But both the young woman and the husband are eager to have children, and Mr. Qin Feng is so outstanding, your genes are our favorite choice, do you believe it?"

Feiying seemed shy, and her pretty face turned even redder.

Qin Feng smiled: "This reason barely makes sense...."

"Did the adult agree?"

Feiying walked to Qin Feng naturally, stretched out her jade hands, and gently massaged Qin Feng's shoulders.

Her technique was very authentic and the massage was very comfortable.

Qin Feng smiled and said: "This can be guaranteed once Just hit it?"

Hearing this, Feiying was secretly happy. It seems that this kid is going to take the bait.

She blushed and said with a sweet smile: "This is difficult to guarantee, so I need you to work harder... Of course, the little girl can pay you first. Half of the deposit, as long as the matter is completed, the other half of the deposit will also be given."

Feiying said, getting closer, and the fragrance was fragrant.

Qin Feng smiled charmingly: "I didn't expect such a good thing. Not only can I enjoy the beauty, but I can also get generous rewards...."

"Sir, if you agree, now...now you can have sex with the little girl...."

Qin Feng smiled coldly and pushed Feiying down.....

Feiying was also a little surprised.

This young man is more impatient than she thought.....

Thinking of what might happen next, she blushed even more...

At the same time, on the balcony on the 19th floor, Flora had a smile on her lips and a look of watching a good show in her eyes.

After all, that boy is a passionate young man who cannot resist the temptation of beauty.

He was more anxious than he thought.

Things were going smoothly...

At the same time, there was a private room on the seventh floor.

Qin Feng looked at the beauty in his arms. His hand seemed to be wandering, but he placed it on Feiying's heart intentionally or unintentionally...

Feiying blushed and said sweetly: "Sir, it's not convenient here, why not go to the bedroom?...."

Qin Feng smiled slightly, leaned against her ear, and asked in a very low voice: "What is the name of your organization?"

Feiying was startled: "Sir, I don't understand what you mean!"

"Were you the ones who organized the demon sword and the musical instrument?", Qin Feng's voice was so low that it had condensed into a needle.

Only Feiying could hear it, but the flower god upstairs could not hear it.

He was testing.

When he killed the demon sword and the piano master, he got the two people's signs, These two code names were written on it.

Sure enough, Feiying's delicate body trembled when she heard it, and her beautiful eyes opened wide.

She was about to speak, but she was horrified to find that her whole body was controlled, making her unable to speak.

And Qin Feng's hand pressed on her heart, and he had already secretly gathered his energy.

As long as she moved, Qin Feng would smash her heart to pieces.

Seeing Feiying's horrified expression, Qin Feng smiled.

He guessed it was wrong Wrong, this woman is indeed a group with Yaodao.

It seems that she is being targeted by this organization

"Tell me, is the seven-star late-stage master upstairs working with you?! If so, just blink. If you dare to lie, I will kill you!"

Feiying was horrified.

She hesitated for a while and then blinked.

She thought that if she admitted it, Qin Feng would be afraid of the Flower God and would not dare to kill her!

It was indeed the case!

Qin Feng took a deep breath of cold air.

This situation is not good!

"Did you lure me here because of the demon sword and the piano master? Or is it something else? It's about the demon sword, just blink. If it's something else, just blink twice....."

Feiying hesitated for a while and only blinked.

Qin Feng sneered, he knew that this woman was not telling the truth

"There is a bald man who can merge with the White Shark King. Is he also one of yours?"

Hearing this, Feiying was horrified.

Her eyes suddenly opened wide and her delicate body stiffened.

Qin Feng had seen the swimming shark. He must be the one who stole the Emperor Bone and Emperor Yuan Fruit.

"Sure enough! Why~! "

Qin Feng sighed and suddenly took action, instantly shattering Feiying's heart.

Before Feiying could react, her heart broke and she died.

At the same time, the Flower Goddess on the 19th floor was wondering.

Why is there no movement downstairs?

But at this moment, he felt Qin Feng suddenly take action, and Feiying's heart cracked. not good!

Flora's face changed greatly.

Damn thing!

Boom~!

A loud bang!

The balcony exploded instantly!

Flora rushed straight to the seventh floor.

The whole hotel is shaking..

Chapter 180

The flower god moved!

Qin Feng instantly noticed that a space teleported and disappeared out of thin air.

Bang~!

The window is broken!

Glass shards flying everywhere!

The flower god rushed in, but Qin Feng disappeared.

The next second, he sensed Qin Feng's breath, which was already more than 300 meters outside the hotel.

"Damn thing!"

The Flower God immediately chased him out.

He was furious!

This boy dared to kill his own people under his eyes.

He wanted to cut this boy into pieces.

In the blink of an eye, the Flower God arrived and turned into a white afterimage, flying away. Go out the window.

The whole hotel is in chaos.

The explosion just now shocked countless people.

When everyone saw the flower god flying out of the hotel, they ran out to see what was going on.

In just a few seconds, the flower god arrived at where Qin Feng was just now. position.

But he found that Qin Feng's aura was missing.

Just as he was wondering, Qin Feng's aura appeared again three hundred meters ahead.

The Flower God quickly locked on the aura and chased him.

When he was only a few dozen meters away from Qin Feng's position Meters away, Qin Feng's aura disappeared out of thin air again.

The flower god was stunned.

At this moment, Qin Feng's aura appeared again a few hundred meters ahead.

The flower god chased after him again.

Repeatedly, more than a dozen times , seven or eight minutes have passed.

The Flower God's pursuit along the way has alarmed many passers-by.

Although night has fallen and the sky is slightly dark, this is a bustling city with many pedestrians on the road.

This will definitely attract the attention of big shots..

The Flower God began to panic.

At the same time, he was also very strange.

Why did Qin Feng's breath disappear every time he approached.

After a while, Qin Feng's breath appeared again more than 300 meters away?

The Flower God He raised his head and looked in the direction of Qin Feng. Under the night, he couldn't see Qin Feng's figure.

But he could sense Qin Feng's position.

The boy stayed where he was, as if waiting for him to pass.

"Damn it!"

The figure of the Flower God flashed and he chased after him again.

At the same time, there was a remote uninhabited alley.

Qin Feng stood leisurely in the alley with his hands behind his back, looking in the direction of the Flower God.

He clearly sensed, Flora is approaching.

Three hundred meters.....Two hundred meters... One hundred meters...

Qin Feng stood still.

Eighty meters....fifty meters....thirty meters.....

The super ice concealment technique is activated.

Qin Feng disappeared out of thin air.

All breath is gone without a trace!

Flora suddenly lost her target.

The super ice concealment technique cannot be detected even by seven-star experts.

Qin Feng took the opportunity to teleport and reached more than 300 meters away.

In the blink of an eye, the Flower God arrived, and naturally he couldn't find Qin Feng.

At this moment, Qin Feng, who was more than 300 meters away, lifted the super ice concealment technique, stopped where he was, and continued to seduce him.....

The flower god was extremely depressed.

He looked in the direction of Qin Feng.

This guy is obviously trying to seduce himself.

Moreover, the direction Qin Feng went to was exactly the direction of the alliance government

"This guy....."

Flora hesitated.

He thought for a while, sighed helplessly, turned around and left, no longer pursuing Qin Feng.

He knew very well that if he continued to chase, he would not be able to catch him.

On the contrary, it will attract alliance masters, so it is better not to pursue them.

On the other side, Qin Feng sensed that the flower god was retreating, so he quickly took out his mobile phone and sent a text message to Chu Chu.

Then, he used the super ice concealment technique and teleportation, and rushed back to his residence as quickly as possible.

As long as he returns to the villa. I'm not afraid of that flower god.

The villa area is under the jurisdiction of the alliance government, and there are many seven-star masters nearby.

The Goddess of Flowers is not so bold as to break in and kill people at will.

At least openly, he didn't dare.

After all, he was not a Confederate.

But he said that after the Flower Goddess retreated, he quickly flew towards the hotel.

Meanwhile, inside the hotel.

On the seventh floor, in the private room where Feiying died.

A petite masked man in black was searching around the room.

This man in black is Chu Chu.

The corpse and the white flower in the room. They were all taken into the storage ring by Chu Chu.

The little girl is searching around to see if there is any photography equipment.

She wanted to eliminate all possibilities to prevent the scene of Qin Feng killing Fei Ying from being spread.

She wanted to eliminate all factors that were unfavorable to Qin Feng.

After a while, Chu Chu finished searching them all.

There was no hidden photography equipment inside the house.

Chu Chu secretly breathed a sigh of relief.

At this time, a text message came from her mobile phone.

That was Qin Feng reminding her that the Flower God had returned.

Chu Chu quickly left the scene and quickly left the hotel.

However, the little girl did not rush to the villa area, but ran quickly in the opposite direction.

A few minutes later, the flower god rushed back.

Once he returned to the scene of the crime, he was confused.

Feiying's body disappeared.

The white flower containing the essence beads and demon core was also gone. what happened?

Has anyone been here?

The flower god is angry!

He was very sure that those things were not taken away by Qin Feng.

Because when Qin Feng escaped, Feiying's body and white flowers were still in the room.

"If you dare to take my things, you are seeking death!"

Flower God made a seal with his hand.

The next second, he opened his eyes and looked in the direction Chu Chu was escaping.

He found the target.

Just two miles away in that direction, the target was moving quickly, escaping out of the city.

"snort!", the Flower God sneered and chased after Chu Chu.

It turned out that the white flower was engraved with a spiritual mark by him.

Even through the storage ring, he could sense the position of the white flower.

Because of this, he was not afraid of the Jingyuan Pearl and the The demon core will be lost.

He can find out whoever takes it immediately.

After chasing out, it only took the flower god two minutes to catch up with Chu Chu.

Looking at Chu Chu's petite back a hundred meters away, he sneered.

A Even a small two-star elemental master dared to steal his things.

At that moment, he was about to take action and kill Chu Chu to pieces.

But at this moment, the space in front of him fluctuated.

Chu Chu suddenly disappeared out of thin air, even his breath All disappeared.

Flora was stunned.

The next second, he suddenly turned back and looked at the alliance government.

He sensed the scent of white flowers and appeared near the government residence.

It would take at least ten minutes for him to rush over.

How is this going?

Why did that white flower get there all of a sudden?

The flower god was completely confused!

But on the other side, in a remote alley.

Qin Feng made a casual move.

The space summon is activated!

A looming six-pointed star array flashed, and the space fluctuated.

Chu Chu appeared in front of Qin Feng out of thin air

"Brother, it's done!"

Chu Chu threw a storage ring to Qin Feng.

Qin Feng took the storage ring and quickly took out the white flowers inside.

Nine violent attacks!

Nine fingers combined into one!

Nine attacks merged into one attack!

Click~!

The white flowers instantly collapsed. ~!

The Jingyuan beads and demon cores were scattered all over the floor.

The hidden danger was completely eliminated.

Qin Feng quickly put away the demon cores and Jingyuan beads.

All four Jingyuan beads and thirteen six-star demon cores were obtained.

"Walk!"

Qin Feng and Chu Chu immediately left the alley.

In the distance, over the dark night, the angry roar of the Flower God rang out.

The white flowers shattered!

He lost all sense.

Who?!

Who stole the white flowers and the body?!

The Flower God He stared blankly into the distance.

In the dark night, his expression was ferocious.

This time the plan failed completely!

Not only were the essence beads and demon cores worth hundreds of billions lost, but even Feiying died.

How was he going to ask for help? Organize an explanation?

Can he say that he was eager to make contributions and his private plan failed?

If he says so, he will definitely be punished!

It's all this damn Qin Feng!

The Flower God is angry.

This time, he didn't get anything he wanted in this test The result.

Is Qin Feng the murderer who killed the demon sword and the piano master?

He didn't get a solid answer!

Is Qin Feng the one who stole the emperor's bones and emperor's Yuan fruit?

He still didn't get conclusive evidence!

Everything is still suspicious No evidence!

Alas~!

After a long time, the Flower God sighed and disappeared.

Now that the matter has come to this, he dare not act rashly again.

Wait until the Immortal Wood Emperor arrives, and he will fully cooperate with the higher-ups to make up for it!
